Russians Pressing the Enemy—British Authorities Suppress a London Newspaper—Recruiting Success Gives Kitchener Chance to Deal With Other Matters

London, Nov. 8.—M. Skonlunda leads the new Greek government. All the Zaimis ministers except Zaimis are members. This returns the Allies' hope of aid from Greece for the present.

Lord Kitchener's visit to the Near East is made possible by the success of recruiting at home. He will go to the Balkans and also likely to Egypt, Mesopotamia and the Dardanelles.

The authorities have selected the plant of the London Globe because of its attacks on public men.

The Russians continue to press the Germans and have penetrated their lines in the region of Lake Sventon. The Italians continue their offensive, but on the west there are only local engagements.

Serbia big battles are in progress. The French are reported to have crossed the Bulgarian frontier. The Montenegrins claim successes against the Austrians.

The following interesting letter to Ben. A. S. Hazel, Woodstock, is from E. Schwartz, who was a popular member of Company "A," 26th Battalion and one of the first to enlist. He was transferred to the 26th.

He writes: Belgium, October 29th, 1915.

Dear Friend Mr. Hazel:

Just a few lines from Schwartz to let you know I came through the battle without a scratch, although some narrow escapes. "A" Company of the 26th were ordered to take a crater, which had been in German hands, and was a base of operations against our position.

We charged the crater on October 18, under cover of smoke which was caused by the explosion of our smoke bombs. I carried a white flag. I was cut and my clothes were quite heavy but as the attack was a complete success we have no kick against the Germans. Our casualties were quite heavy but as the attack was a complete success we have no kick against the Germans. SIGNS OF THE TIMES.

Evidences are not wanting that Germany is beginning to realize the gravity of her situation and the folly of hoping for final victory in this war.

and men of the 2nd Battalion created a most favorable impression on their arrival. They are men of splendid physique and admirably drilled, and those who spent several hours among them at the army yesterday had the favorable impression strongly confirmed.

These are not the utterances of a nation confident of final victory, but of one which is beginning to see the shadow of defeat. However great have been the successes of German armies, they have not weakened the Allies, who have been growing stronger in the field and more and more formidable.

The Balkan situation appears from last night's and today's cables to be a little more encouraging. The mission of Lord Kitchener may help to clear the atmosphere.

The bleeding process goes steadily on. Now comes the pinch of want, at the beginning of a winter during which the enemies of Germany on every side will continue the deadly pressure that will continue the deadly pressure that will continue the deadly pressure.

The United States is much worried over British interference with American trade. But for the British navy American trade would be very much smaller than it is.

How many of these commissions ever did anything but provide its chairman with a little cheap glory, and its secretary with an easy and well-salaried job?

Indeed, it may be admitted, for the benefit of any who may be ignorant, that the man who "does" a government is not likely to be incognitum. The chances are about one million to one in his favor.

Right here in St. John, we have seen such excellent results from Vinol that it is a pleasure to know it is doing so much good for old people in other parts of the country.

FAMOUS COMEDIAN AT THE LYRIC

Low Fields of Webber & Fields Will Be Seen in His Original Role in "Old Dutch"

The announcement that such a famous comedian as Low Fields of the celebrated team of Webber & Fields would be seen at the Lyric theatre in a pictured study of the comedy that was successful in placing Mr. Fields at the top of the ladder, "Old Dutch," is of much interest in this rollicking farce.

Mr. Fields will give all the pleasure one would get from a \$2 ticket to a Broadway comedy success. He will be supported by Miss Vivian Martin, Charles Judels, George Hassells and Marie Emma.

The production is from the studio of the World Film Corporation, and is in five acts. The usual vaudeville act will also be given.

WAR TIME VERSION OF SING ME TO SLEEP Here is a parody on "Sing Me to Sleep" that owes its existence to the fertile brain of some of Canada's sons—

Winipeg, Oct. 30.

Sing me to sleep where bullets fall, Let me forget the war and all. Damp is my duvot, cold my feet, Naught but bully-socks and biscuits to eat.

And shrapnel and shells are a la mode Sing me to sleep where camp fires shine, Bodies in front of you, bodies behind.

Chorus. Far, far from Ypres I long to be Where German snipers can't get at me, Think of me crouching where the worms creep, Waiting for someone to sing me to sleep.

Sing me to sleep in some old shed, The rats are running around my head, Stretched out upon my waterproof, Dodging the raindrops through the roof, Sing me to sleep where camp fires shine, Sticky with muck but never a white, Dreaming of home and nights in the west, Somebody's overseas boots on my chest.

Chorus. Far from the star shells I'd long to be Lights of old King street I'd rather see; Think of me crouching where the worms creep, Waiting for someone to sing me to sleep.

GARIBALDI AND BRITAIN. (Winipeg Telegram.) To the Editor of the Telegram: Sir—Some few months ago a London (England) parish magazine contained these few lines, written by the great General Garibaldi to his friend, Joseph Cowen, of Newcastle (1864):

"England is a great and powerful nation, independent of auxiliary aid, foremost in human progress, enemy to despotism, the only safe refuge to exile, friend of the oppressed, but if ever England should be so circumstanced as to require the help of an ally, cursed be the Italian who would not step forward with me in her defence."

Appropos of this Satanic conflict in Europe, I think we may regard these words as prophetic and how he really be proud of his beloved country if he were still with us in the flesh! Mean-while, the following poem was published in that great London paper, the Morning Post, some time ago, and is really an expression of the early Eighteenth century and of the distrust of the Hungarians in Austro-German promises:

"Trust not the Germans, Magyar, trust not the Germans. No matter how or what they protest, Naught is the parchment they give thee, Though it be as large as thy round cloak. And though they set a seal on it, As big as the brim of the moon, Spite of all it lacks all virtue—trust—worthiness— Confound them, Jesus Christus!"

This short poem is full of deep meaning, and I do not think the way it ends is by any means irrelevant; on the contrary, as British subjects we can safely echo "Amen." F. N. BENEST. Winipeg, Oct. 30.

A New York man was recently acting as guide through an art gallery for a friend from the country. As they passed before a statue the guide said: "That is Pyrrhus. Executed in terra cotta."

"What a pity!" said the rural one. "How barbarous they are in those South American countries!"

Baboons possess a remarkable instinct for finding water, and have been used for that purpose in South Africa.

CAPT. KEEFE PAYS FINE TRIBUTE TO MONCTON SOLDIER

Lance Corporal Deherly of Moncton Risked Life to Save Comrade

Mrs. J. M. Doherty of Moncton, has two sons at the front. One of them is Eugene Doherty, and the other John D., both of whom were born in Moncton, and sons of the late Dr. E. F. Doherty, surgeon to the Maritime Penitentiary. Eugene enlisted as private in the 26th, and since his arrival in France has been promoted to lance-corporal. John D. enlisted in the Battery at Fred-edicton, but was transferred to Capt. W. A. McKee's Battery in which he is a driver.

Capt. Keefe of the 26th writing from France to a friend in Dorchester, told of an heroic deed done by Lance Corporal Eugene Doherty recently. In a letter to the latter's mother, the recipient of Captain Keefe's letter, writes:

"You will not doubt be surprised to get a letter from me, but I know you will be a very proud woman when you know my reason for writing you."

"In my last letter from Captain Keefe in whose company Eugene is, he told me of how brave your son had been and asked me if I would write and tell you the whole story. The other night one of our listening parties were out when a signal came that one of the boys was wounded, and Doherty, who knew the lad, immediately went forth in full view of the enemy to bring in the wounded boy. As it happened the fellow had made a mistake in the signal and the soldier wasn't wounded."

"So you see Mrs. Doherty, you have reason to be doubly proud, because being in the trenches your boy is doing his duty, and then because Eugene deliberately risked his life to save the life of a friend. No greater deed can man do than that he lay down his life for a friend."

"Captain Keefe felt that it would make you feel proud and happy, and I assure you I am very proud to know the mother of the hero and the hero himself."

It has been learned that when the entire 26th Battalion volunteered to clear the crater as stated, a few days ago, and only one hundred and fifty of them were selected, Lance Corporal Eugene Doherty was one of the picked force. In that charge it is learned that twenty-six of the one hundred and fifty picked volunteers from this 26th Battalion fell on the battle field, so the danger for the brave band of New Brunswick boys was there.

When You Do Need Some Liniment

When there is inflammation a good liniment should be used. This means for muscular rheumatism, pains in any muscles or sinews, cramps, colds, coughs, sore throat, bruises, chaps, chilblains, neuralgia, sprains, strains, sore back, stiff neck and so on.

Good old Doctor Abner Johnson, a doctor in Maine, worked up a recipe for a liniment. It is a fine liniment. He gave it to some people to use and the results were so good they would tell some other people to use it and so it went.

You've heard of it lots of times. (Johnson's Anodyne Liniment), named after old Doctor Abner Johnson—who got it up.

Whenever you need a real good searching liniment that will stop most any pain be sure to get the good old doctor's recipe—ask for Johnson's Anodyne Liniment.

They sell Johnson's Anodyne Liniment most everywhere that medicines are sold. Thousands of families save a whole lot of sickness, worry and doctor's bills by simply having a bottle of Johnson's Anodyne Liniment always on hand.

REV. ALFRED HALL IN THE IMPERIAL; FLAGS PRESENTED

Many functions have taken place at the Imperial Theatre since patriotic effort has called the citizens of St. John together this eventful year, and none more enjoyable or more enthusiastically than that last night when the hall was filled to overflowing for the visitation of Rev. Alfred Hall, of Toronto, the senior Salvation Society. The offering was for the Red Cross and the St. John Seaman's Institute. Rev. Mr. Hall gave an address that was something of a sermon and a lecture, interspersing good texts with highly optimistic references to the work of the feet.

One of the features of the evening was the presentation of flags to city Sunday schools for work done in the past year. On the platform were Mayor Frank Commissioner Russell, Judge J. B. Armstrong, H. B. Emerson, chairman of the school board, W. E. Foster, A. C. Skelton, Dr. H. S. Bridges, T. H. Carter, J. N. Rogers, Revs. R. P. McKim, W. H. Barralough, J. C. Berrie, D. J. MacPherson, R. J. Haughton, J. H. A. Anderson, Wellington Camp, C. B. Appel and F. S. Porter, and H. Walker of the Seaman's Institute.

After a devotional service in which Revs. J. H. A. Anderson, W. H. Barralough, R. P. McKim, W. Camp and R. J. Haughton took part, the chaplain spoke of the work of the navy.

The presentation of flags was then undertaken by his worship the mayor. The first recipient was R. B. Emerson, on behalf of the school board, "one of the best mediums we have for education," as the chaplain said.

Then followed the representatives of

THE MOST REVOLUTIONARY PIANO PROPOSITION IN CANADA'S HISTORY

50 Absolutely Brand New \$400- and \$500 Amherst Pianos to be Sold Direct from Factory at Actual Jobbers Prices And This is Not All--Every "Mason & Risch," "Gerhard Heintzman," "Sherlock Manning," "Kauffman" Piano in This Store Must be Sold at Actual Cost

A Gigantic Undertaking!

The Board of Directors of the Amherst Pianos, Ltd., unanimously agree to the plans of the sales department, namely: That We Sell Brand New Amherst Pianos at Direct from Factory to Home Prices in a desperate drive to keep the factory working and the men employed. The people of the Maritime Provinces are face to face with one of the most trying times in the History of the Dominion. The Amherst Pianos Ltd., are pulling their pound; we are doing our "bit." We must keep our factory going; it is up to the sale department to keep the factory running. The Board of Directors comprised of some of Canada's financial giants, have given us a free hand. Our proposition in a nut shell is just this: Brand New Amherst Pianos at Direct Jobbers' Prices.

AND THIS IS ONLY A SMALL PORTION OF OUR PROPOSITION

We are going to discontinue all other makes of Pianos during the present war, and concentrate our entire time and attention on the sale of Amherst Pianos. This means that we must get our money out of the other lines that we have on hand. Therefore, we are not splitting hairs on prices, but we have gone to the heart of the Pianos here on our floors and cut and slashed prices right and left. We want to sell every "MASON & RISCH," "GERHARD HEINTZMAN," "SHERLOCK MANNING," "WILLIAMS," "KAUFFMAN" Piano in this store, and we are not going to let a few paltry dollars stand between us and the sale of these Pianos. Come here to this store. Go through this stock. Select a Piano. Make us an offer for any of these Pianos, and if it is within reason, we will do business in the flash of an eye.

An Open Letter to the Public by the President of Amherst Pianos Limited!

We have weathered the storm of criticism that has been fired at us since the inception of our piano factory. The wise ones predicted dire things, but today The Amherst Piano, a domestic product in every sense, is cheerfully acknowledged by all to be the Premier Piano of the Western Hemisphere. This is not idle talk or the dream of some enthusiast, but is a hard, cold fact that must be met and acknowledged. When such seats of music and learning as Mt. Allison Ladies' Academy, Sackville, N. B., Ladies' College, Halifax, N. S., St. Mary's Convent, Moncton, N. B., St. Anne's Convent, Shediac, St. Anne's College, Digby, Notre Dame Convent, Summerside, P. E. I., Mt. St. Vincent Ladies' Academy, Halifax, Sisters of Charity Convent, Dalhousie, Brunton School for Music, Amherst, take the Amherst Pianos and use them to the practical exclusion of all others, it is the highest tribute that can be paid to the artistic merit of our world famous Amherst Pianos. Remember, these institutions bought the Amherst Pianos in open competition with the best known makes in the Dominion. This is but another tribute to the superb quality of the Amherst Pianos.

NOVEL COLLAPSIBLE TOWER FOR FIGHTERS.

For life-saving and fire-fighting purposes, a Salem, Mass., inventor has designed a collapsible tower which may be extended to a height of 100 ft. in approximately one minute, says the November Popular Mechanic Magazine in an illustrated article. His plan of construction is not greatly unlike that of some of the folding observation structures employed in the field by European armies. At the top it supports a working platform for the fire fighters, on one end of which is fixed a short extension ladder which may be adjusted to various angles.

In addition to this there is a jointed steel ladder reaching from the ground to the apex of the structure, which is raised into position with the rest of the apparatus.

Fixed in the middle of the shaft is a basket elevator that is intended to be used for lowering persons rescued from burning buildings. Two leads of fire hose secured to the "fighting top" are carried up with the tower as it is raised. The device is intended to be mounted on a motor truck and operated by the machine's power plant. When collapsed it fills the space back of the driver's seat.

BAIL ORDERED

Application was made before His Honor Judge Armstrong in the county court chambers this morning for the release on bail of the defendant in the case of the King vs. Gallagher. His Honor has granted an order directing the police magistrate to accept bail, fixing the amount at \$500. E. S. Ritchie appeared for the defendant.

In Ohio last year, the 98,710 births, one was the nineteenth child in a family, one the eighteenth, four the seventeenth, eight the sixteenth, thirty-one the fifteenth; sixty-six the fourteenth, 187 the thirteenth, 242 the twelfth, 468 the eleventh and 868 the tenth.

OWNED THE INSPIRATION
 Anecdote of Hopkinson Smith and New England Miller

During his professional work the young engineer (Francis Hopkinson Smith) used to go off and take his recreation painting. I recall an incident which he related at that time as illustrative of a phase of the New England country-man's character.

Frank Smith had found an old water mill with overshot wheel near some piece of his work and having examined himself in a shady and favorable spot, he proceeded to paint a picture of the mill. His occupation soon drew the attention of a miller who strolled over and observed him across the fence with growing interest. Finally on the second day, he returned. His manner had somewhat changed.

"Sell it," said Smith, working at the finishing touches.
 "We-all, don't you think you ought to divide what you get for that picture with the man who owns the mill?"
 "No, I do not, but I rather suspect it is yours," said the painter.

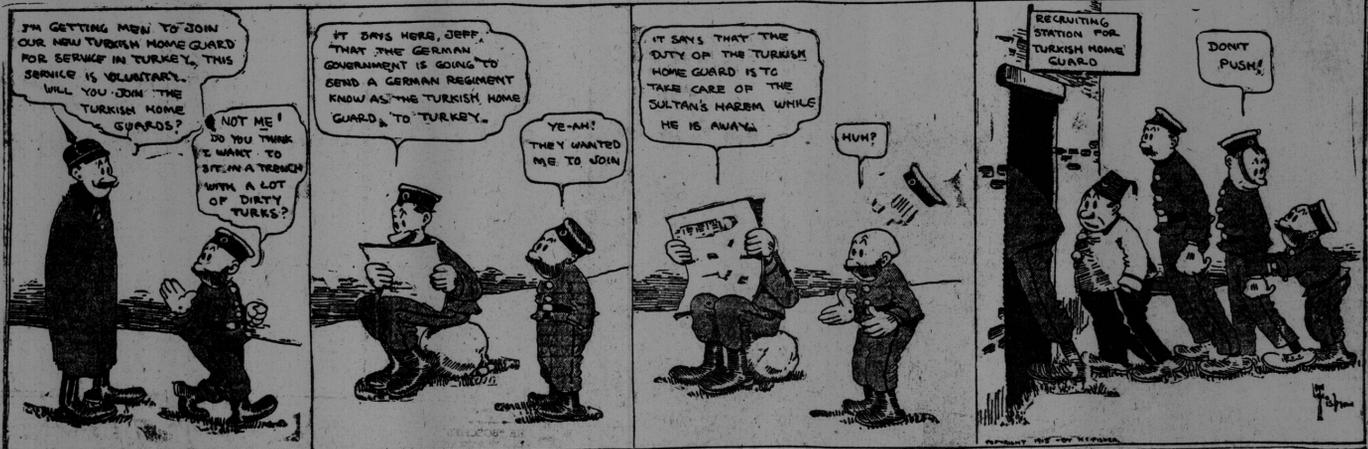

"It is," said the miller, decisively, and then, as the painter made ready to leave, "Well, honestly, I do not," said Smith, laughing as he bade him good day and came away leaving him still hanging over the fence pondering the inequalities of life--Scribner's Magazine.

A man entered a famous restaurant and asked for coffee. After he had finished his repast he called the waiter and said: "Waiter, this coffee has its good points and its bad points. One of its good points is this--it has no chicory in it." "Yes, sir," replied the waiter, quite gratified. Visions of a handsome tip floated before his mind's eye and he rubbed his hands gleefully. "But," resumed the customer "its bad point is this--it has no coffee in it."

TWO PURSES FOR REV. W.M. DONAHOE

Presentations Mark Last Sunday of Pastorate of St. John the Baptist Church

The presentation of two purses, accompanied by two addresses, richly bound in leather, marked the last Sunday of Rev. W. M. Donahoe's pastorate at St. John the Baptist church, making four in all since the news of his appointment to Riverside, Albert county, was announced.

From Altar Boys. Just before Vespers the altar boys gathered in the vestry and presented a purse to Father Donahoe, with the following address, read by St. John the Baptist Church, at gathered here this evening to bid you farewell and to wish you every success in your new field of labor.

When we heard of your departure some days ago, Dear Father, we were deeply grieved for we had hoped that you might remain with us always. From the very moment of your advent among us, two years ago, we realized that in you, Dear Father, we had a pastor who understood only too well the frailties of human nature, especially those of the genus Boy.

Words cannot express our appreciation of the great work you have done among all the members of your parish, but especially among the altar boys. We trust that your future efforts will be crowned with the greatest success and that you may be spared many years to continue your noble calling.

Thanking you for your many kindnesses and trusting you will accept this small gift as a slight token of our affection.

We remain, YOUR DEVOTED ALTAR BOYS.

From the Congregation. At the close of Vespers a very substantial purse from the men of the congregation was presented by John M. Elmore, who read the following address: Church of St. John the Baptist, Broad Street, St. John, N. B., November 7, 1915.

Reverend Walter M. Donahoe: Reverend Father--Although your stay with us has been of short duration, by your fatherly care, works of mercy and kindness, you have endeared yourself to each and every one of us.

While we rejoice in your promotion, it pains us to think that you must part from us, but we trust that God will ever bless you in your work--a priest--which is the noblest vocation that can be bestowed on man.

We shall ever watch and pray for your success, both spiritual and temporal, and trust God will ever crown your labors with success, as in the past. And now, Dear Father, in saying adieu, we ask you to always, in your prayers, remember the parishioners of Saint John the Baptist, who, we assure

Stomach Was Bad. Could Eat Hardly Anything.

When the stomach gets out of order the whole system seems to become affected in one way or another. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and vomiting occur, there is a rising and souring of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency.

That grand old remedy, Burdock Blood Bitters, has been on the market for the past forty years, and we claim, without any fear of contradiction, that there is not another medicine on the market today that can compare with it for the cure of all disturbances of the stomach.

Miss Lillian E. Phillips, Plumwesco, N.B., writes: "My stomach was so bad I was in pain and misery. I could eat hardly anything. I had been treated by skillful doctors for it, but they did me no good. I was giving up in despair when I happened to hear of Burdock Blood Bitters. You can't think how fast it helped me, for I had only taken two bottles before I was better. I will recommend your medicine very highly to all my friends and sufferers."

Burdock Blood Bitters is manufactured solely by The T. Millbrae Co., Limited, Toronto, Ont.

WARM WELCOME FOR THE 52ND

Greeted at Station by Band and Representative Citizens and Escorted to the Armory--A Fine Body of Men

The unpleasant and stormy weather of yesterday morning did not interfere with the cordiality of the welcome given to the 52nd battalion from Port Arthur, Ont., on their arrival in St. John for the winter. Under Lieut. Col. Hay they reached the city in two special trains with 1,065 officers and men, and were received enthusiastically by a large gathering of citizens who also lined the route of their march to the armory from the depot, cheering heartily as they passed.

Major Frink extended an official welcome in behalf of the city in a vigorous address. A procession was then formed in the following order: The band of the 52nd, (94 in number), The City Cornet Band, The 104th Band.

The members of the general recruiting committee present included, R. E. Armstrong, E. L. Hiding, A. H. W. Elmore, W. H. Golding, besides the chairman.

At noon Mayor Frink entertained about twenty of the officers at the Union Club to luncheon. The men meantime had been well provided for at the armory and during the afternoon they "shook themselves down" quite comfortably.

Coming among them a number of the 52nd, New Ontario Battalion (sometimes called the Duke of Connaught's Own): Lieutenant-Colonel A. W. Hay, officer commanding.

Major Thomson, senior major. Major E. A. C. Wilcox. Major A. Reid. Major A. Young. Major J. Allan. Major Hughes. Captain H. A. Tremayne. Captain J. West. Captain H. J. Horan. Captain Thomas. Captain J. E. Cauchon. Captain A. Sanders. Lieutenant W. F. Guild, acting adjutant.

Lieutenant J. Rutherford. Lieutenant B. C. Magpie. Lieutenant Grant. Lieutenant Gray. Lieutenant Stone. Lieutenant Young. Lieutenant McCabe. Lieutenant Craig. Lieutenant S. Pringle. Lieutenant F. Power. Lieutenant R. G. Brightman. Lieutenant H. C. Fryer. Lieutenant McKernie. Lieutenant V. Robertson.

Seven commercial travelers enrolled for foreign service with the 104th battalion at a meeting on Saturday evening. Adam Gray, William B. Owens, G. D. Osmond, H. C. Simmons, W. H. Mullin, F. W. Campbell, and Clyde Avery.

Frank Williams, of Dufferin, N.B., 14th battalion, has been reported killed in action, and Cyprian A. Thompson, 4th batt., Fredericton, N.B., suffering from shock, in yesterday's casualty list.

A very well attended gathering was held in the Opera House yesterday afternoon at which the speakers were Ven. Archbishop Raymond and Hon. R. Ritchie. A. M. Bolding presided, and choruses were given by a male choir. Judge Ritchie dealt scathingly with the action of Armand Lavergne of Quebec in refusing to take command of a regiment, saying that it was Canada's war as much as England's and every man should do his part. The speeches were interesting, inspiring and heartily received.

Lieut. J. Edgar March, son of Mrs. C. March, Coburg street, has been reported wounded, though unofficially, and is now in hospital. He was bombing officer with the 20th, and before going into service was city editor of the Standard.

Capt. F. F. May, 20th battalion, has been wounded and is in a hospital in England. His mother, in Charlotte-town, has received word and his name appears in today's casualty list.

The 104th Regiment at Sussex now numbers 1,000 men. They expect to move into permanent quarters this week.

Badge of Honor. Little khaki buttons were distributed to about 150 women last evening at the patriotic service in St. John's (Stone) church, at which Rev. Victor Jarvis preached his second sermon on "The Soul of a Nation." The buttons were given to women of families having representatives at the front and will be worn by them, to be replaced later only by The T. Millbrae Co., Limited, Toronto, Ont.

LEUTENANT CHURCHILL, LIEUTENANT DUGAY, SOLDIERS' DEATH

Private James Brown of the 52nd battalion, a native of Scotland, aged forty-one years, was taken to the hospital suffering from pneumonia, on the arrival of the troop trains yesterday morning and died during the afternoon.

Entertained at St. David's. About three hundred members of the 52nd battalion responded to an invitation to an informal social service in St. David's Presbyterian church at the close of the regular service last evening. They were welcomed to the church by the minister, Rev. J. A. MacKinnon, and the president of the Brotherhood, and at the close of the evening cake and coffee were served.

This will be a regular Sunday evening feature for the soldiers during the winter and on Thursday evening the school rooms will be thrown open as a recreation centre for the men.

GAVE UP A \$10,000 A YEAR JOB (London Daily News). Somewhere in England, Oct. 10--Private E. Gard, a cheerfully looking young soldier and one of General Booth's victorious army, who is now in England preparing to meet the Hun, provides a wonderful example of patriotism to faint hearted slackers over here. He gave up a post worth £2,000 a year in South Africa to join the army and receive one shilling a day.

Private Gard was the general manager of one of the biggest stores in Johannesburg. He is about thirty. "My only grumble is that I am nearly always hungry," he said. "Travelling in England gives me an enormous appetite."

A curious coincidence is that this young patriot's senior non-commissioned officer is a man whom he at one time employed in his store.

SUFFERED NO END OF PAIN FROM BACKACHES.

If a pain attacks you in the back you should stop and think what it is and what causes it.

If the kidneys are at fault--and in nine cases out of every ten they are--you should attend to them at once, as it is impossible to have a well, strong back unless the kidneys are performing their functions in a proper manner.

Anyone with a bad back should appreciate how to get a good one. It is a very simple matter. Use Doan's Kidney Pills. They regulate the kidneys, and there is no further excuse for any kidney trouble to exist.

Mrs. E. J. Graves, Oshawa, Ont., writes: "My complaint lies with my kidneys. I have suffered so long and so much with them, and with backaches. I had tried everything, so I thought, until a friend advised me to try a box of Doan's Kidney Pills. I did try them, and one box helped me fine, so I got another, and now feel that I cannot recommend them too highly to anyone suffering with kidney trouble."

Doan's Kidney Pills are the original kidney pills. Do not accept any substitutes put up under similar names. Always see that our trade mark "The Maple Leaf" appears on the label and wrapper.

Doan's Kidney Pills are 50c per box, 3 boxes for \$1.25; at all dealers, or mailed direct on receipt of price by The T. Millbrae Co., Limited, Toronto, Ont.

MONTREAL HAS KHAKI CLUB FOR SOLDIERS

A Khaki Club for soldiers was opened in Montreal this week. The Montreal Mail says--

"The club is for the comfort of all the soldiers on duty in the city and for the reception of the wounded. Many of the 73rd Highlanders and the 60th Battalion took advantage of the opportunity of visiting the comfortable club last night, and read papers in the reading room, wrote letters, or played billiards. The club is pleasantly located. A short avenue leads to the hall door. In front there is

a green lot on either side of the avenue, and at the rear there is a kitchen garden. The use of the house and grounds has been given to the Khaki League by the people of St. George's church. A fortnight ago the work of painting and outfitting the place was begun, and in that time the building, which had been in a rather dilapidated state, was transformed. There are several apartments, all well furnished. All the furnishings have been donated. The only items that had to be paid for were the plumbing and the electric work. There are five bedrooms on the upper floor, and these contain twenty-five beds. Soldiers on the way to their homes will be kept there at night until it is convenient for them to go.

Fifty grand prizes in the patriotic drawing.

WILSON SENDS STRONGLY WORDED NOTE TO BRITAIN

Washington, Nov. 7--The United States, in its latest note to Great Britain, made public here today, covering exhaustively British interference with American trade since the beginning of the European war, declares that the so-called blockade instituted by the Allies against enemy countries on March 11 is "ineffective, illegal and indefensible."

Notice is served that the American government "cannot submit to the curtailment of its neutral rights," and it cannot "with complaisance suffer further abridgment of its rights and interests."

This is what you need

HOCKEY

War Causing Raid on Players. Vancouver, Nov. 6.—President Frank Patrick today announced the names of the players of the Toronto professional hockey team whom he had secured for distribution among coast teams—Harry Holmes, Cully Wilson, Harry Cameron, Ed. Carpenter, Frank Foynton and Harry Walker. This leaves the N. H. A. with only five clubs.

RING

Willard Offered \$45,000. The Garden A. C. of New York has made an offer of \$45,000 to Jess Willard for three fights this season. It hopes to match the champion against Frank Moran, Gunboat Smith and the winner of the Jack Dillon-Charlie Wetner bout in the order named. Willard has not yet answered. He has been reaping a golden harvest with the 101 Ranch Company.

Chance for Moran. Frank Moran will be selected to meet Jess Willard in a ten-round bout at the Brighton Beach Motorrome on the afternoon of Memorial Day. Jack Curley, one of Willard's managers, said that he is ready to stage a contest, and that if Moran is really anxious to go against the champion he will give him a guarantee of \$10,000 and an additional \$10,000 for training expenses.

News of the Beers. Willie Ritchie, who has found out that he can no longer get to lightweight title, but he did not get far, for Ted Lewis, the English boxer, who is willing to box even 150-pound men, has hurled a challenge at him for \$5,000 a side. The Englishman has posted a forfeit and offers to box on a winner-take-all basis over the twenty-round route. Lewis would like the bout to be held in New Orleans, where they can box twenty rounds to a decision.

The followers of the game in Portland, Me., are going to have a chance to see some fine boxing this winter. The Eastern A. C., which will stage the bouts, has made plans to get good talent. Joe Mandolo, who is back in New Orleans, to take a rest, has been offered \$1,200 to box Frankie Russell in that city. Lesch Cross has confessed to being worth \$100,000.

BASEBALL

Gandil May Join Sox. Washington, Nov. 4.—If Coniney has his way Chic Gandil will be playing first base for the White Sox next season. Manager Rowland was in Washington on his last eastern trip he watched Judge perform at first base. Since then Gandil has made it known that he intends to have Judge, a youngster of only twenty years, at the bag when the season opens, and it is not a secret that with this in view he intends to make some sort of a disposition of Gandil.

Bleacher Seats "Going Up." St. Louis, Mo., Nov. 4.—The ten cent bleacher seat will be abolished at the St. Louis Federal League park next season. It was tried the last month of the season just ended, and proved a success so far as drawing crowds was concerned. The officials, however, have concluded that it is not a paying proposition, and that the local team will draw as well without it, especially playing good ball as it did the latter part of the season. The price will be increased to either twenty or twenty five cents. The five cents and general admission will be fifty cents, with possibly three rows of reserved seats at seventy five cents.

HARVARD WINS

Princeton, N. J., Nov. 6.—Harvard defeated Princeton today for the fourth straight year by the score of 10 to 6.

Is Worrying Considerably About Pain in His Arm

Christy Mathewson writes as follows to an American sporting paper: "This is going to be a busy winter in baseball. There will be many trades. Take it from me, the Giants won't look much like the club that finished this year when it takes the trail for Martin next spring. McGraw won't stand for a tail-ender. "What I will do next season I do not know. It all depends on how my arm works this winter. I am going to devote the off season to trying to take that jumping pain out of the left shoulder. If it is not better by next spring when I raise my arm I don't think there will be much hope for it. "I have been to see all the doctors and specialists in the country, but none of them seems to have done me any good. During the world's series I went to see a man in Philadelphia who is supposed to have fixed up some ball players. 'Don't tell me what is the matter with you,' he said first. 'I just want to look you over and make up my mind for myself.' He then examined me and worked on me. Perhaps he can do something toward working a cure. "There has been some talk of my coaching the Harvard baseball team next spring, and I had a chat with the manager of the club when I was in Boston for the series. However, I had to put him off. "I can't do anything now, I told him. 'My contract with the New York club still has some time to run, and if I find I can pitch next season I won't do any coaching even in the early spring. I will spend all my time in getting into condition.' "CAME EAST TO WED Kenneth Vassarou has arrived in Frederick from the west. This month he is to be married at Edmonton to Miss Richards and will take his bride back with him to the west where he is engaged with the Dominion forestry department. An Imperial pass for a year is one of the prizes in the patriotic drawing.

Expression From Sir James Grant

Opinion of Sir James Grant, M.D., K.C.M.G., expressed at the meeting of the Medical Council held in Toronto on July 5, 1912.

In connection with the campaign against liquors, Sir James made a plea for the working classes. While it was, he said, an established fact that the use of strong intoxicating alcoholic beverages, such as whisky and brandy, had done much to promote tuberculosis by lowering the vitality of the persons who took them, Lager and mild Ale were forms of liquid beefsteak which, undoubtedly, imparted power and strength to the system. He could not see why the laboring man should be deprived of this useful stimulant, and argued that care ought to be shown in legislating against liquors, thus to protect the working classes.

Ready's Pale Ale Ready's Extra Stout Ready's Lager Beer

are all favorites of the working classes. They are pure, wholesome and health-giving.

Sold in barrels and cases. At all dealers, or direct from the Brewery.
