Answers to be returned to the Examiners of our Board, and that we accept the certificate of the College on all the remaining subjects of preliminary year.

Resolved,—That the next examination begin at 2 p.m. on the first Tuesday in May, in Broadway Tabernacle. Supplemental examinations and candidates of preliminary year only for the first day. Examinations begin at 8 a.m. on Thursday. A public meeting on Thursday, in the evening. Addresses by Rev. E. A. Stafford, LL.D. and Rev. J. C. Willmott, M.A.

Resolved,—That Rev. Dr. Harper be re-appointed Chairman, and Rev. G. Washington, Secretary of the Board.

The following memorials and resolutions we recommend to be sent on, to General Conference:—

1. *Resolved*,—That we do not deem the formation of a Central Board of Examiners for all the Conferences desirable or feasible at present, especially as by far the larger part of the examinations in the third and fourth years is taken at College, and a large part of preliminary and second year also; but we would recommend that should General Conference establish such Central Board, that its duties be limited to the preparation of papers for the candidates, and that the valuing of answers and the supervision of the examinations be the work of the Board of Examiners for each Conference.

2. *Resolved*,—That the General Conference be requested to select a text-book in English composition, and that such a book be selected as shall give the subject the prominence it deserves; and that in every case each candidate shall come to examination with an essay prepared during the year, on a subject, chosen and named by the Board in its report in the Minutes of Conference.

Resolved,—That text-books in English grammar, arithmetic and geography be selected, and the amount of work required in each be stated; provided, however, that a candidate shall not be restricted to the particular text-book if he has covered the ground in the use of other text-books.

Resolved,—That the General Conference be requested to make provision whereby the young men on probation shall meet in some central place or places in each Conference, to receive instruction and drill upon their various studies, and upon methods of study and work, to be conducted by the examiners or others appointed, after the manner of the Itinerant Club inaugurated in connection with the Methodist Episcopal Church in the United States.

Resolved,—That we recommend Hoppin's Homiletics, or Austin Phelps's Theory of Preaching, instead of "Ambassador for Christ," and Blaikie; or if some other work superior, in the judgment of the Committee, to those mentioned can be found, let it be adopted.

That Burwash on Romans be chosen instead of Beet. That Collier's History be used instead of Schmitz.' That the Public School History of Canada be placed in preliminary year, and that Green's History be added to the work of the first year, having been removed from preliminary.

That General Conference make arrangements for publishing a History of Methodism in Canada, to be used as a text-book in the course of study. All of which is respectfully submitted.

E. B. HARPER, *Chairman*.

GEO. WASHINGTON, *Secretary*.

On motion, the report was received and adopted.

MEMORIAL FROM THE LAY DELEGATES.

Your Committee, to whom was referred the memorial of the Lay Delegates of last year, requesting this Conference to memorialize the approaching General Conference for certain changes in the Discipline, beg leave to present the following report:—

That they have carefully considered the several recommendations embodied in the said memorial, and they are gratified to be able to state that the ministerial and lay members of the Committee have arrived at the following conclusions with substantial unanimity.

That nearly all the changes asked for appear to be desirable, and most of them, it is believed, can be practically carried out.

That your Committee are of opinion that the following changes embody such portions of the said memorial and kindred matters as might with advantage to the Church be adopted by the approaching General Conference, and your Committee recommend that this Conference respectfully memorialize that body in their favor, that is to say:—

1. That the ministerial members of each Annual Conference hold their special session for the business to be transacted by ministers alone in advance of the meeting of the full Conference, such special session to be presided over by the General Superintendent or the retiring President.

2. That par. 132 of the Discipline be amended by striking out all the words after the word "character," in the fourth line thereof.

3. That a record be kept of the attendance of the laymen at Conference and be published in the Minutes; and that any delegate who neglects to attend, and is not excused, shall be ineligible for election as a delegate the succeeding year.

4. That for the Quarterly Meetings a provision be made similar to that in section 15 of the Model Deed, permitting a layman to preside,

but providing that business relating to ministerial functions be not transacted when a minister is not in the chair.

5. That a Church may invite a minister to its pastorate, and support the invitation, if desired, by personal representation through a deputation to the Stationing Board.

6. That provision be made for appeal from the decision of the Superintendent of a Circuit, or the Chairman of a District on a question of law, or the interpretation or administration of the Discipline.

7. That provision be made in the Discipline for the recognition and regulation of the Epworth League as a department of Church work.

8. That the Model Deed be amended, so as to provide greater facilities for the removal of trustees who do not perform their duties, or whom it is undesirable to retain in the office. That there should be an annual report from each Circuit and Mission to the District Meeting and Conference as to whether each Trustee Board is full.

9. That the Stewards be elected by ballot, and that the Superintendent nominate at least three more than the number to be elected.

10. That the powers of the Leaders' meetings in reference to the appointment and re-appointment of Leaders be vested only in the Quarterly Official Board.

The whole of which is respectfully submitted.

HUGH JOHNSTON, *Chairman.*

JOHN J. MACLAREN, *Secretary.*

REPORT OF MEMORIAL COMMITTEE.

Your Committee on Memorials to the General Conference beg to make this, our second report.

We have had a large number of important resolutions brought before us, as well as some not so important, to all of these your Committee have given, as far as possible, their best consideration.

1. *Re Superannuation Fund.*—In this matter we beg to say we have had resolutions in a number of different ways. They have come from Toronto, Bowmanville, Barrie, Uxbridge and Orangeville Districts. In this matter your Committee have divided, or rather condensed, these resolutions under four heads, viz., 1st. As to division of said Fund. We have in this case passed the following resolution:—*Resolved*,—That, after having carefully considered all the memorials as to the division of the Superannuation Fund, we, while recommending that all the memorials relating thereto be sent on to the General Conference, can see no practical way of dividing and administering the Fund better than the present mode.

2. *Ministers' assessment or percentage.*—*Resolved*,—That we recommend that the assessment be made as follows: First, each minister and probationer shall pay ten dollars a year for every year of active work; second, that in addition, each minister shall pay one per cent. on the whole amount of salary received in excess of five hundred dollars.

3. As to the increase of endowments.—Your Committee would report the following resolution: That we recommend that in view of the change in assessment being adopted we recommend that one-tenth instead of one-sixth be added yearly to the Endowment Fund from the ministerial assessment.

4. That the resolution from Whitby District, *re* Epworth League, is approved and is hereby recommended by your Committee.

5. That the memorial, *re* change in the administration of the Lord's Supper be and is hereby recommended.

6. *Re* memorial asking that official laymen be permitted to assist in the administration of the Lord's Supper, cannot see their way clear to recommend this.

7. *Re* test of membership.—We, your Committee, would recommend that the General Conference take this memorial into consideration.

8. First, *re* memorial from Collingwood District, asking that lay delegates to the Annual Conference be elected at the Quarterly Meeting, be and is hereby recommended as per formula in Collingwood memorial; and the memorial from Collingwood District, as to the election of lay delegates to the General Conference to be elected at the District Meeting. Your Committee do not see fit to recommend this.

9. Memorial from Toronto West District, about instructing delegates as to who they should nominate at the District Meeting, is covered by the last recommendation from Collingwood. There were several other memorials asking for the same things.

10. *Re* memorial from Toronto East District, about electing lay representatives to the District Meeting to correspond with the connexional officer holding ministerial relations in any Circuit. Your Committee would recommend this.

11. *Re* each District electing their own Chairman, as per memorial. Your Committee would recommend no change from the present mode.

12. *Re* memorial, asking that each District elect its own representatives, ministerial and lay, to the General Conference. Your Committee would recommend no change in the present mode.

13. *Re* memorial, asking that each of the General Conference officers be an *ex-officio* member of the General Conference, (coming from the Uxbridge District).—Your Committee would recommend that the following General Conference officers, viz., the Editors, Book Steward, Secretaries of Missions and Education, and Treasurer of General Conference Funds, clerical and lay, be *ex-officio* members of the General Conference, and not to be counted in the delegation from the Annual Conference to which they belong; and in case the number of ministers and laymen concerned be not equal, the Annual Conference within which the inequality exists, shall preserve the equality by election.

14. *Re* enlargement of the number of stewards. Your Committee would recommend no change.

15. *Re* memorial as to expenses to General Conference. We recommend that this matter be left with General Conference.

16. *Re* memorial from Barrie District, as to changing the order and work of the Circuits, etc. Your Committee recommend no change.

17. *Re* two memorials from the Toronto Annual Conference to the General Conference, as to the Superannuation Fund. It was resolved as follows, viz.: That these two memorials be forwarded to the General Conference along with all the rest of the memorials relating to this Fund, and for the General Conference to take them all into consideration.

18. *Re* memorials from the Toronto Annual Conference, as to extending the ministerial term? Your Committee would request that they be for-

19. *Re* memorial from the Annual Conference to facilitate the business of the Stationing Committee. Your Committee have passed the following resolution, viz.: "*Resolved*,—That the General Conference be respectfully requested to discourage, as far as possible, all removals of ministers, either by invitations or otherwise, before their full term of three years has been completed."

All of which your Committee would respectfully submit.

WILLIAM GALBRAITH, *Chairman*.

P. B. HILBORN, *Secretary*.

On motion, the report was received and, as amended, was referred to the General Conference.

INTERIM REPORT OF THE UNION CHURCH RELIEF FUND.

To the Conferences of the Methodist Churches:—

DEAR BRETHREN,—I have received since the 1st of August, 1889, for the above Fund, from 114 Circuits and 3 Districts which have reported to date, the sum of \$1,102.40. This amount has been disbursed for interest, etc., and the account has been overdrawn to meet claims, the Treasurer advancing the additional sum necessary. The accounts close this year on the 1st day of August, which ought to give ample time to get in all returns and still enable the Treasurer to have his report with financial statement, properly audited and ready for the General Conference in September next. Each year's accounts have been made up and audited at the close of the year by a competent auditor, and the Treasurer hopes not only to present a full statement of facts and figures, but that the various Conferences will take such action in reference to the "Centennial of Canadian Methodism," as will secure out of the one-half to be raised the sum necessary to pay in full all claims assumed by the Committee. We have endeavored to administer the Fund to the best of our ability, and with the greatest possible care, giving to this work, on an average, at least half a day per week during the four years now closing. A few matters not of a very pleasant character have had to be adjusted in the best manner possible to the Committee; but, on the whole, there has been a pleasure in relieving the pressure on a few brethren, if not from all, and those not so relieved will, we hope, feel that we have done what we could.

Personally, I am very thankful for the many words of cheer I have received from my ministerial brethren, as I have been pleased to revive many old associations and delightful recollections, and I have entered their names for collections, greater or smaller, from year to year. Pending the final report of the four years' work, I subscribe myself,

Yours faithfully,

JOHN N. LAKE, *Treasurer*.

REPORT OF THE SABBATH-SCHOOL COMMITTEE.

Your Committee take pleasure in the presentation to this Conference of another annual report respecting the Sunday-schools within its bounds. Ample opportunity, we believe, has been given for the sowing of the seed which, in many instances, has been blessed of God in the conversion of souls. The number of conversions this year being 1,564 (three Circuits not included.) The number of scholars meeting in class is 6,344, which is quite an increase over former years. The amount contributed to the Sabbath-school Extension Fund is larger than other years; the following circuits, however, have made no returns: Agnes Street Church, Toronto West District; Mono Mills, Orangeville District; Sutton West, Uxbridge District; Utterson, Bracebridge District, and Gore Bay on the Algoma District. As recommended by the Committee of last year, the givings towards the Missionary Society have been increased. For missions the sum of \$4,718.81 has been raised, an increase over last year of more than \$300.

Your Committee would most respectfully make the followings suggestions:—

1. That the Conference strongly recommend the study of the Methodist Catechisms. Out of the 28,109 scholars in the intermediate and adult classes only 8,673 are learning catechism; and further, that wherever practicable, a catechism class be organized in our schools to be the first class above the primary class.

2. Your Committee recommend the use of our own Sunday-school publications in preference to all others, because of their excellence.

3. That a Sabbath-school prayer-meeting be held at least once a month in connection with all our schools, we believe this being a good way to get the young to take hold in praying in public, and that a note be made of all who join the Church.

4. Your Committee recommend the organization of the Epworth League in connection with all church work, wherever practicable.

5. That a greater effort be made at every preaching appointment in our work to have a Sabbath-school connected therewith, the report of this year showing there to be 133 preaching appointments more than there are schools; in our judgment this state of things ought not to be.

6. Your Committee recommend that all Sunday afternoon parades or services at an hour when the schools meet, should be discontinued, as having a tendency to attract from, and largely demoralize the Sabbath-schools.

Finally, your Committee recommend that the Rev. E. Barrass, D.D., be re-elected Secretary-Treasurer.

All of which is respectfully submitted.

REPORT OF CONTINGENT FUND COMMITTEE.

The amount of money placed at the disposal of your Committee by the Treasurer was \$1,275.96, being something more than last year, enabling your Committee to meet the very large increase of demands on the Fund, through the great number of cases of severe sickness.

Your Committee are glad to report that they have been able to meet all the claims presented that were duly receipted and evidence furnished that they had received the recommendation of the Quarterly Board to which they should have been submitted, always following its precedent in the case of claims for funeral expenses, not to exceed \$45.

Your Committee would call the attention of this Conference and all Church members within its bounds to the necessity for supporting this Fund, if possible, with increasing liberality, as it meets a pressing demand when most required.

Your Committee recommend the adoption of the following resolution:—
 Moved by Robert Awde, seconded by Archibald B. Noble, That in order to promote harmony and brotherly love, and secure the perpetuity of the Contingent Fund, it is of the first importance that the following be adopted as rules governing the same :

1. That no claims be considered except they have passed the Quarterly Boards and the District Meetings, and bear endorsement to that effect.
2. That in future, in Church trials when counsel is employed and a stenographer required, this Fund shall bear not more than half the costs incurred.
3. That, except in extreme cases, no minister in receipt of \$1,000 a year shall receive any grant from this Fund.

SUPERANNUATION FUND.

Treasurer's Annual Report and Statement for the Year ending July 31st, 1889.

I am happy to be able to report that the amount raised for the Fund on our Circuits during the past year has been greater than that of any preceding year ; and that all expenses have been met, and all claimants paid in full.

I cannot, however, avoid expressing my continued regret that a few of our Circuits still fail to pay in full the amounts apportioned to them ; thus placing a grievous burden on the ministers laboring on these fields, who pay the deficiency rather than allow the Funds to suffer. I hope the next General Conference will be able to provide some remedy for this acknowledged evil.

The assessable income (consisting of amounts raised for ministerial support and connexional collections) has been increased, enough, I trust, to enable the Fund to meet all claims, without increasing the percentage above former years. I therefore recommend that the percentage be the same as in former years—6 per cent. on assessable income.

The Capital account has been increased during the year, through subscriptions, legacies, and donations, \$6,352.59, and it now stands at \$174,648.26.

As adopted by Board.

GENERAL CONFERENCE FUND.

To the Officers and Members of the several Annual Conferences of the Methodist Church:—

DEAR BROTHERN,—At a meeting of the Advisory Committee of the above Fund the Chairman and Treasurer were instructed to prepare a circular to be sent to the several Annual Conferences, setting forth the present state of the Fund, and the necessity for using prompt, general and vigorous measures, so to increase the income of the Fund as to enable the Treasurer to meet the necessary expenses.

The Committee also decided that accounts should be closed on the 15th day of August, in order to allow time for the audit, and preparation of the report for the General Conference. All sums therefore intended to be embraced in our regular Quadrennial Report must be in the Treasurer's hands at that date.

As the month of July is the time for taking up the collection for this Fund, there will be ample time to forward the collections of July, 1890, before the 15th August of that year, if prompt measures are adopted for

that purpose, but there will be no time to spare. Promptness and punctuality will be absolutely necessary.

The following was the financial condition of the Fund as found on the 31st May, 1890:—

CONFERENCES.	Amt. payable in 4 years.	Amt. paid before May 31, 1890.	Bal. due before Aug. 1890.
Toronto Conference, embracing British Columbia.	\$5,720 00	\$3,245 05	\$2,474 95
London “	4,000 00	1,886 79	2,113 21
Niagara “	4,000 00	2,086 39	1,913 61
Guelph “	3,500 00	2,032 83	1,467 17
Bay of Quinte Conference	3,500 00	1,537 33	1,962 67
Montreal “	4,500 00	2,844 88	1,655 12
Manitoba “	1,240 00	948 16	291 84
Nova Scotia “	1,600 00	632 45	967 55
New Brunswick and P. E. I. Conference	1,600 00	773 40	826 60
Newfoundland Conference	500 00	376 49	123 51
Total	\$30,160 00	\$16,363 77	\$13,796 23

The indebtedness of the Fund at the present date is about \$10,333.41, and there are still heavy claims to be met before the close of the year. If the money due be not paid before the close of the quadrennial term, the Treasurer will be unable to pay the expenses of the delegates to the General Conference.

The Advisory Committee of the Fund at its late meeting, in view of the doubts entertained as to the meaning of clause 127, page 59, in the Discipline, and for other reasons, unanimously passed the following resolution, viz.:

Resolved,—“That no delegate to the General Conference be paid any sum until the Conference itself give the meaning of the forementioned clause, and direction as to the course to be pursued in relation to said payments.”

The Treasurer has kept the several Conferences posted from year to year, both in the press and otherwise, as to the embarrassed condition of the Fund, and has urged the necessity of increased payments, but so far, apparently, without much effect. He can do no more, and now begs to notify all concerned that the Conference law will have to take its course. He can “disburse only the amount on hand for General Conference expenses, leaving each delegate deficient in his expenses by an equal amount.” The General Conference will have to explain what this clause means, and provide for its enforcement, and the Conferences will have themselves to blame if they have to pay in whole or in part for the expenses of their delegates.

REPORT OF COMMITTEE ON TEMPERANCE.

It is not needful to convince this Conference that the traffic in intoxicating liquors is the great crime and national evil of our time. The Methodist Church has so regarded it, the Rules and Discipline requiring total abstinence of the individual member. By the action of General and Annual Conferences the Church has been committed to the principle of legal prohibition, as being in harmony with the teaching of Christ and the Apostles, and with the Spirit of the kingdom of heaven in the world. The following resolution from the Whitby District, which was initiated by the General Assembly of the Presbyterian Church in Canada, was approved, and action recommended in accordance therewith to be taken by this Conference and the General Conference:—

Whereas, The traffic in intoxicating liquors is a recognized evil, producing a large proportion of the poverty, suffering, disorder and crime in our Dominion, and unnecessarily adding much to the taxes of our people; *and Whereas*, We believe that a law enacted by the Dominion Parliament prohibiting the importation, manufacture, and sale of all alcoholic liquors, except for use in mechanical and medicinal purposes, and containing ample provisions for its strict enforcement by the proper authorities, will greatly diminish these and other evils, and largely increase the prosperity, and promote the health, peace and morals of our country.

It is therefore resolved, That in the opinion of this Conference it is now the duty of the Dominion Parliament to enact such a prohibitory law.

2. That a form of petition to the Dominion Parliament, asking for the enactment of such a prohibitory law, be agreed upon by the Committees on Temperance of the different Churches, and that each Committee attend to

the work, and bear the expense of circulating such petitions among its own people.

3. That such petition be signed by members and adherents of the Churches, who are not less than sixteen years of age.

4. That the arranging and carrying out of all necessary details be entrusted to a joint committee, to be composed of one member of the Committee of each Church co-operating in this movement

In view of the fact that in 1889 the Dominion Parliament declared that it will give the country a prohibitory law when the people are ready for it, we believe the Christian people of the land should not let this opportunity pass without letting their voices be heard. We, therefore, earnestly hope that you will do all in your power to aid in presenting to Parliament at its session of 1891, such a petition so largely signed that it cannot fail to command the favorable attention of our rulers.

Also that Rev. A. M. Phillips be appointed to represent this Conference upon the joint committee above referred to.

It is recommended that, in view of the work to be undertaken by this general petition, that no action be had upon the Resolution from the Elm Street Quarterly Board, through the West Toronto District, touching the securing of signatures to a political prohibitory declaration. In view of the fact that it is all important to create a strong total abstinence and prohibitory sentiment, and that the principal elements in building up such a sentiment are preaching and teaching, it is therefore recommended that all our ministers preach, if possible, quarterly upon some aspect of this and kindred reforms.

That instead of conducting the Review lesson in the Sunday-schools, our Superintendents be asked to alternate the Temperance with the Missionary lessons throughout the year.

That platform temperance, anti tobacco, and social purity meetings be held in connection with the general week-night services of our Church monthly, if practicable.

That total abstinence, anti-tobacco, and social purity pledges be circulated at these meetings and in the Sunday-schools, as also in the general congregations.

Your Committee feel that the growing evil of tobacco-using, especially cigarette-smoking, among the young, and the terrible effects upon society of the varied forms of social evil, that longer silence by the Church touching these things would be criminal; and that ministers, office-bearers, and Church members alike should have pure hearts and thoughts, and clean hands and mouths in the matter of tobacco, conversation and conduct. That the importance of these reforms might be brought more directly before our people, we recommend that the following questions be laid before each Quarterly Board early in the year, and that answers thereto be forwarded to the May District meeting, and sent up to the Annual Conference for the use of the Committee on Temperance:—

1. Is all being done that might be to promote the cause of temperance, to prevent the growth of the tobacco habit, and to raise the standard of social purity?

2. Are there any families or individual within the bounds of the Circuit or Mission that are being directly injured through the drink traffic?

3. Is all done that might be to remove or limit the places where intoxicating liquors are sold for beverage purposes?

4. Is the law prohibiting or regulating the liquor traffic being duly enforced?

In accordance with the request of the Dominion Alliance, your Committee nominate Revs. A. M. Phillips, J. W. Totten, and Thomas Leonard (alternate), and Messrs. John T. Moore and J. B. Boustead, to represent this Conference at the Annual Council of that body in Montreal, August 14th, 1890.

J. M. SIMPSON, *Chairman*

A. M. PHILLIPS, *Secretary*.

On motion, the report was received and adopted.

REPORT OF COMMITTEE ON STATE OF THE WORK.

Anything like a careful survey of our record as a Church during the past twelve months cannot fail to call forth from every heart the devout exclamation, "What hath God wrought!" In how many ways, and through how many instrumentalities, God has been working with us no one can possibly tell; we can only see what appears on the surface, that which presents itself to the outward eye. God sees the hidden forces which are working beyond the ken of human vision, producing in multitudes of men the fruits of good living.

The past year has been marked by numberless tokens of divine approval. The Spirit of Pentecost has been poured out upon our Israel, and signs and wonders have been wrought in the name of Jesus of Nazareth.

From almost every field of toil, where a faithful ministry has thrown the chain of living truth around the hearts and consciences of those to whom they have ministered, there comes the cheering news that souls have been transformed into the likeness of God, and in the joy and gladness of a new-found life, they are sitting at the Master's feet, "clothed and in their right mind."

As a Church we were never better prepared for sublime achievement in the Redeemer's cause, and perhaps it is not too much to say that better work has never been done for Christ than that which has marked the course of the past year.

On certain questions of Church polity there have been differences of opinion conscientiously held and honestly expressed, but where brethren have so differed there has evidently been a disposition to steer clear of the narrowness of prejudice on the one hand, and the shallowness of self-conceit on the other. Of course, when Job forgets himself and ironically exclaims, "No doubt but ye are the people and wisdom shall die with you," it is only what we may expect if some Temanite should ask, "Art thou the first man that was born? Hast thou heard the secret of God? and dost thou restrain wisdom to thyself?"

Such divergence of opinion on matters of this kind is not necessarily inimical to the welfare of our Zion, but may rather be regarded as an evidence of the vigor, the energy, and the vitality that throbs and bounds in our organism as a Church.

In things of the purpose have been to work churching strong countries which presentely be

In reviewing the work done during the past year, there are many things for which we ought to feel profoundly thankful to the great Head of the Church. Along merely temporal lines there has been a sanctified purpose to do noble things for God. Hence a large number of churches have been built to meet the growing requirements of our times, in which to worship God according to the faith of our fathers. Some of these churches (especially in great centres of population) are costly and imposing structures, becoming at once the architectural ornaments of our country and the bulwarks of our land. May the spiritual husbandry which shall be carried on within their walls, hallowed by the special presence of God, result in a glorious harvest of souls, who shall ultimately be gathered as ripe sheaves for the garner of the skies.

The statistics of the Church are always interesting, and sometimes intensely suggestive. From this point of observation we can see how the leaven spreads, how the seed multiplies, and how the kingdom of Christ is growing up beautiful and fair, on the very ruins of Satan's empire.

It is difficult to tabulate the actual results of Christian work, for the simple reason that no man, no body of men, no matter how wise and far-seeing they may be, can tell what the results really are.

It is impossible to reduce the glorious effects of the Gospel, the marvelous energy of the Word of God to a mere question of arithmetic. "The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh and whither it goeth, so is every one that is born of the Spirit." Unquestionably the Blessed Spirit is working in hundreds of hearts where, perhaps, we least expect the triumphs of His transforming power. No table of statistics can give appropriate expression to work like that; but we thank God and take courage, because we know that the good work goes on.

It is evident that glorious things are being done in connection with that grand institution of the Church, viz., the Sabbath-school.

Thousands of consecrated men and women are prayerfully and patiently laboring from week to week to induce the children of their respective classes to lend their youth a sacred clue, to find the crucified.

In a very important sense the child is coming to the front as an object of special solicitude and prayer. The day is past and gone when any Church can afford to ignore the claims of the rising generation. The man who looks with apathy or disdain upon the work done in our Sabbath-schools is about as wise as the mariner so in love with towering masts and spreading sails, as to deem the movements of the steam engine entirely beneath his notice. The Church which is the most active and earnest in its efforts to save the children will be the most powerful and progressive Church of the future. Our hope is that the labors of the Sabbath-school teacher will be supplemented by both precept and example at home. The time has come when the parents of this country ought to realize that they have a mission to the children which God has given them, as solemn and divine as that which rests upon the minister of the Gospel in his wider sphere of toil. Your Committee would also in this connection heartily recommend the establishment of the "Epworth League" wherever practicable, as they regard it as being exceeding helpful to the moral and religious life of the young people of our Church.

We are also glad to find that the heart of Methodism throbs in deepest

sympathy with the great question of Christian missions, as is clearly shown in the generous support she offers in that direction.

Our missionaries who are laboring in widely separated fields, some of them amid formidable difficulties and many discouragements, are, nevertheless, winning many precious trophies for Christ. God is honoring their labors with special tokens of His presence and saving power. Our Church and our missionaries have a boundless confidence in the Gospel of Christ, a profound conviction of its adaptation to the moral and spiritual necessities of the entire race.

Let us, therefore, attempt still greater things, and rest not in our work, till from every heart that throbs in a human bosom the incense of holy love shall arise, a sacrifice acceptable to God. Though we have no statistics to guide us as to the general attendance upon the social means of grace, such as the prayer-meeting and the class-meeting, and kindred devotional exercises, yet there is every reason to believe that a large percentage of our people are thoroughly alive to these important means of grace. Our safety as a Church is in our spirituality, and these time-honored channels of communion with God are well fitted to foster the growth of grace in the soul. If we lose our spirituality the tempter will find us an easy prey. Having been saved by faith, let us continue in the same. Nothing can so effectively roll back the dark waves of unbelief and error as the baptism of the Holy Ghost.

The Great Reaper has been passing through our ranks during the past year, and some of the bravest and most honored of our leaders, lay and clerical, have fallen at the post of duty. As spiritual heroes they walked with unflinching confidence into the valley of shadows, and "passed through death triumphant home." May we follow them as they followed Christ. May the ministry and membership of the Methodist Church all be

REPORT OF SUSTENTATION FUND COMMITTEE.

Your Committee on the Sustentation Fund submit the following report:—

1. That the income for the year is, \$1,066, a decrease of \$100. A balance of \$83 from the Contingent Fund has been placed in our hands for distribution.

2. That on adopting a uniform basis for salary, board and fuel of \$600 for married men, \$350 for single ordained men, and \$300 for probationers, and allowing \$50 for horse keep, the deficiencies for the year amount to \$4,750. The actual deficiency is much greater. The income was sufficient to pay only 22 per cent. on the above basis.

3. The Committee had before them the claims of twenty-eight ministers and probationers (some of them special), and, after careful consideration, the best has been done for each that the limited resources of the Fund would permit.

4. Owing to the small amount on hand, we have been unable to level

up to a higher basis, including horse keep, than \$525 for married ministers, and \$255 for probationers.

5. The Treasurer's accounts were audited by the Rev. Geo. Brown and H. C. Lovering, Esq., and found to be correct.

6. Your Committee recommend the re-appointment of the Rev. A. Brown as Treasurer of the Fund for the ensuing year.

REPORT OF THE STATISTICAL COMMITTEE.

The District Secretaries constituting, by standing resolution of the Conference, the Statistical Committee, beg leave to report as follows :—

1. Each District Secretary was present, and assisted in meeting the desire of the Conference in relation to statistics.

2. The total number of ministers and preachers in the active work within the bounds of the Conference is 201. These supply Circuits and Missions, embracing a total membership of 37,728, being an increase, after deducting the membership of Japan, of about 700. The removals during the year were very numerous, but the Committee is of the opinion that a great number of them have moved to other parts of the field, and are not lost to Methodism.

3. There has been an increase of \$6,285.70 in ministerial support, and the Committee are pleased to note some improvement in the average amount received from all sources by each minister.

4. The Connexional Funds stands thus :—

Missionary Fund (incomplete).			
Superannuation Fund (incomplete).			
Educational Fund	\$4,345 27	Increase	\$3 58
Sabbath-school Aid Fund	471 94	"	4 18

Union Church Relief Fund	984 49	Increase	5 99
General Conference	1,210 47	"	22 52
Contingent Fund	1,125 63	Decrease	13 22

Your Committee wish to call attention of the Conference to the fact that District Secretaries have to do an immense amount of unnecessary work, having to write the Minutes of the District Meeting four times. We would recommend that the Schedules be simplified, and that

all Superintendents be urged to make complete returns at the District Meeting, so that the Statistics could be complete and reliable, and thereby of use to the Conference.

REPORT OF BOARD OF MANAGEMENT OF ALMA COLLEGE.

To the Members of Toronto Conference of the Methodist Church:—

DEAR FATHERS AND BROTHERN,—Through the favor of a benign Providence we are permitted to report a year of most successful school work in Alma College. You will be pleased to learn that, notwithstanding the financial stringency of the year and the prevalent sickness of the winter, our total enrolment and average attendance are in excess of any preceding year—the highest enrolment reached in any past year being 180, and that of the present year 210. Of this number, 160 have been resident students and the remainder 50 day pupils. Nearly 30 pupils came from the United

States. The various Churches were represented as follows: Methodist, 105; Presbyterian, 45; Episcopal, 23; Baptist, 21; Disciples, 10; Lutheran, Congregational and Evangelical, each 2.

We have now a staff of 20 professors and teachers, including three University graduates and four certificated teachers in the Literary Department, six teachers in Music, two in Fine Arts, two in Commercial Science, and specialists in Elocution, Calisthenics, etc. Our Literary Course includes junior and senior Preparatory, Academic and Collegiate departments, the latter embracing the work of the High Schools, Collegiate Institutes, junior and senior Matriculation, with certain honor subjects from the University course, Christian evidences and Bible study. Our schools in Music, Fine Arts, Elocution and Commercial Science are well organized, and securing increasing patronage year by year. Since the erection of McLachlin Hall our facilities for successful work have been greatly increased, and the large attendance of the present year, filling at one time both buildings with the exception of three rooms, amply justifies the liberal expenditure of the Board in the erection of that magnificent edifice.

The school is now self-supporting, and its prospects of increasing usefulness are encouraging.

The aim of the Faculty, whilst not attempting full university work, is to offer to young women such a selected course of study and training in the various departments of a liberal education as will best fit them for woman's true kingdom—the Christian home, and at the same time to make each course to graduation of such a practical and useful character that every graduate shall be fitted for self-support, should such be either necessary or advisable. A large majority of our graduates, as teachers, book-keepers, stenographers, etc., have already turned to practical account the training here received, and twelve of them have received collegiate appointments in Canada and the United States.

The religious interests of the school are guarded and cherished by daily worship, Bible classes, prayer and song services, and the Missionary Society, which have already produced abundant fruit. A number of the students have professed conversion during the year, and united with the various churches.

The thoroughness and efficiency of our work are attested by examinations, conducted by non-resident examiners of high scholastic standing, and in the Art Department by certificates granted upon examinations conducted by the Education Department.

The graduating class for the present year numbers 12.

Alma has no endowment. Its success has been, under God, mainly due to the zeal and devotion of the Methodist ministry and laity in its behalf, and if the same sympathy and practical interest be continued, its future success will be assured. Ministers by calling the attention of their people, either in the pulpit or social circle, to the advantages offered in such schools, can often aid materially our work.

We beg to thank the Conference for the excellent appointments made to the Alma College Board in past years, and ask that another appointment be made for the present Conference year.

All of which is respectfully submitted.

Moved by Warring Kennedy, seconded by H. S. Matthews, and Resolved,—This Conference having heard the report of Principal Austin upon the progress of Alma Ladies' College, rejoices in its growth, and wishes him and the College he represents continued success in their grand work of affording means of higher education to the young ladies of our Dominion, and that under religious influences, thereby facilitating an object so much desired, that literature and religion should go forward hand in hand, and that the report submitted be incorporated in the Minutes.

REPORT OF ALBERT COLLEGE.

To the Members of the Toronto Annual Conference :—

DEAR FATHERS AND BRETHERN,—The report of Albert College for the present college year, 1889/90, is as follows :—

There have been 173 students in attendance, 118 males and 55 females. This is the largest enrolment in the history of the College.

It has been possible, nearly every successive year, to report an increased attendance, showing clearly the growing popularity of the school.

The wide spread character of the attendance may be seen by taking the P. O. addresses of the students as shown in the annual announcement.

A good idea may be had from the P. O. addresses of each member of the Senior Matriculation Class, as follows: Atwood, Ottawa, Aylmer, Quebec, Pictou, Cobourg, Wallbridge, Hyndman, Compton, New Haven and Belleville.

Thus it will be seen that the College depends to a very small extent upon local patronage for support, but meets a want in the Methodist Church and in the country not supplied by any other institution. There are 24 students in preparation for matriculation in Arts, 9 senior and 15 junior. Several of these are public school teachers of considerable experience, and all are ready to give a good account of themselves on their Arts course. The number would have been larger but for la grippe and other like causes. It is a source of great satisfaction that "Albert" has proved itself the very right arm of strength to "Victoria."

A very prominent feature of the college work is the preparation of candidates for the Conference preliminary examination. There have been 27 students in attendance for this work, of whom a large number wrote at the recent examinations.

The Academy of Music, School of Fine Arts, Business School and School of Elocution are maintaining the high standard of former years, and are well attended.

A class-room for the "Actual department" of the Business school has been added during the present year, so that with a "College Bank" and "Merchants' Emporium" the College has every facility for imparting a practical business training with a thorough English education.

It is greatly desired that both the ministers and laymen of the Methodist Church will send their sons and daughters to their own institutions for this class of work.

The School of Elocution has gained for itself considerable reputation from the fact that the prizes in elocution at Victoria of last year and of

the present year were won by ex-students of Albert who had received their training in the Albert College "School of Elocution."

The Science Department has been provided with desks and suitable apparatus, so that each student does practical work.

This will be of great service to those studying for teachers' certificates, and will better enable the College to compete successfully with high schools and collegiate institutes in that work.

The College has been greatly blessed with a large number of earnest Christian young men who make their influence for good felt throughout the entire year. They are active workers in the College Y. M. C. A., and many young men coming to the College with very indifferent views of religion go away converted to God.

The Missionary Societies have taken a step in advance during the present college year. The first of the "Annual Missionary Conventions" was held in Bridge Street Church, at which Principal Grant, Mr. Kono and Mr. Livingstone, the representative of the College Missionary Society to Africa, gave addresses, and great good was the outcome of the Convention.

The College buildings were enlarged and improved two years ago, at a cost of over \$7,000. It was then thought that there would be ample accommodation for some years to come, but already during the present year it has been quite insufficient.

The College is now passing through a financial crisis, but we will appeal to our brethren in the ministry and laity with every confidence that the debt will be removed, and the College be even more successful in the future than it has been in the past. We gladly recognize the interest taken by our brethren in past years in securing students for the College, and we respectfully ask for a continuance of that interest during the coming year.

W. P. DYER, *Principal*.

Moved by Dr. Potts, seconded by Geo. A. Cox, Esq., and

Resolved,—That this Conference has heard with great pleasure the report of the Principal and Board of Albert College, and rejoice in the blessing of God which has rested upon the work of the year. They desire to express their sympathy with the Board of Management in their effort to remove the present debt, and assure them of cordial and practical support in the prosecution of the canvass.

REPORT OF THE BOARD OF DIRECTORS OF THE ONTARIO LADIES' COLLEGE TO THE METHODIST CONFERENCE.

In presenting the Sixteenth Annual Report of the Ontario Ladies' College, at Whitby, the Board of Directors deem it unnecessary to make extended observations. Our College has been sufficiently long before the country to have been thoroughly tested, and its merits known and acknowledged. During these years it has obtained a class of patrons who have desired for their daughters the highest educational facilities, as well as a comfortable and Christian home, and it has given general satisfaction. The Directorate have not fallen into the mistake of imagining that a high-grade institution can be established and maintained by a few poorly paid

and inferior teachers. This is an age of specialization, and the best educational results can only be obtained by a judicious subdivision of labor amongst able specialists in the different departments of study. This fact has been kept prominently before our minds in the engagement of teachers, and we are now able to say, that after years of patient effort in this direction, we have brought together in our College a class of teachers that we honestly think is unequalled in any Ladies' College in Canada. Four of our literary teachers hold University degrees, in addition to the Lady Principal, who, though not a University graduate, is entitled to the highest consideration for scholarship. Another holds a first class A diploma from the Toronto Normal, and a commercial diploma. The remaining two are distinguished graduates in M.L.A. Several of the staff have won gold and silver medals.

The work being done every year in preparing pupils for the Teachers non-professional and University examinations, affords evidence of careful training in these foundation branches, and indirectly implies equal thoroughness in the collegiate studies not embraced in these examinations. A visit to any entertainment under the auspices of one of the various societies in connection with the College is sufficient to convince the most sceptical that the literary tone of the College is exceptionally high. A journal known as *The Sunbeam*, edited exclusively by the pupils, without help or interference from the Faculty, indicates the same literary strength. Our aim has been to make our course of study meet the wants of those desiring to prepare for the teaching profession, as well as for those seeking culture and refinement for the home, and our public record clearly shows how well we have accomplished our purpose.

In our Musical Department we offer full Conservatory advantages in instrumental and vocal music, pipe-organ, violin, etc. We are not only able to do advanced work, but we have actually in attendance at the College as gifted and well-trained music pupils as are to be found in any Canadian Conservatory. The concerts that we have given in Toronto, as well as in Whitby, fully substantiate this statement.

Our Art Department, under the direction of Canada's most gifted artist, is doing a class of original work that few institutions are attempting.

Our Elocution and Commercial Departments are every year increasing in popularity and strength.

Our new Gymnasium and extensive pleasure grounds, so well equipped for pleasant, healthful exercise, give us facilities for physical training unequalled in Canada, and unsurpassed on this continent. Our elegant buildings and beautiful location, in close proximity to the city of Toronto, we consider highly advantageous to the growth of a large and flourishing institution. To keep abreast of the times, we have made arrangements to light every room and hall in the building by electricity. Other improvements are under contemplation.

We are pleased to announce that we have engaged a special train from Toronto, on Monday afternoon, June 23rd, in time for our Commencement Exercises, similar to that of last year. The present year has been one of the most successful in the history of the College, both in attendance and educational results. We sincerely thank the members of the

Moved by Rev. Dr. Withrow, seconded by Rev. H. S. Matthews, and *Resolved*,—That we have heard with much gratification the encouraging report of the Directors of the Ontario Ladies' College, Whitby. We congratulate the Directors and the accomplished Principal and Faculty on their very successful year; and cordially commend the College to the patronage of parents, as furnishing high-class educational facilities, combined with the wholesome influences of a Christian home.

Rev. Dr. A. Burns, Principal of the Hamilton Ladies' College, was introduced to the Conference, and addressed the Conference in reference to the work of the Institution which he represents.

Moved by Warring Kennedy, seconded by Dr. W. J. Hunter, and

Resolved,—The Conference having heard with much satisfaction the report of the Wesleyan Ladies' College of Hamilton, desires to record its expression of unabated confidence in the management of this Institution. They rejoice in its continued prosperity, and can assure the learned Principal, Dr. Burns, that his efforts for the higher education of ladies is highly appreciated, and the Conference heartily commends the College to the patronage of our people.

OBITUARIES.

PAUL ROBINS.

Paul Robins was born in Cornwall, England, September 6th, 1804. He obtained a fair English education, was converted at the age of fifteen, and at once united with the Bible Christian Church. He soon after began to exercise his gifts as a prayer-leader and exhorter, and when nineteen began to preach as an itinerant minister. Those were days of small salaries and many discouragements, but he endured hardness as a good soldier, preaching the Gospel in the open air, in barns, and wherever doors were opened.

He was married in 1832 to Miss Ann Vickery, like himself, an itinerant preacher. After twenty-three years of successful work in England, in response to an earnest call for laborers, Brother Robins was sent to Canada. He landed in Cobourg, June, 1846. His first Circuit was Peterborough, where, in a severe attack of illness, his life was despaired of. Recovering, he went on with his work, and continued it, amid privations and trials, for many years of most successful service. The Book Room in Bowmanville was established under his judicious management. The establishment succeeded, and he was continued in office until it was decided to publish the *Observer*, when the late Rev. Mr. Barker was appointed.

Brother Robins had preached regularly, on the Sabbaths, in town and country, and now resumed regular itinerant work, which he continued until superannuated in 1884. Since that date he has resided in Bowmanville, faithfully assist-

ing the work of the Church in every possible way. After some months of feeble health, and a few weeks of severe illness, he peacefully fell asleep in Jesus on the 29th of April, 1890, at the ripe age of eighty-five years. A funeral service was held in the Queen Street Church, when the Revs. Webber, Roberts, Hull, Hurley and others offered grateful testimony to the fidelity, liberality and sanctified ability of their departed fellow-laborer.

After sixty-seven years of self-denying and faithful work, Paul Robins has been called to his reward. He was an humble and conscientious servant of the Lord Jesus; his self-denial was only equalled by his wonderful liberality, his benefactions to the Church of his choice, in two instances only out of many, amounting to some \$6,000. Even in age and infirmity he was a worthy example to all in his regular attendance upon private and public means of grace, and in his deep interest in the spiritual prosperity of the Church. He leaves a widow, his second wife, about his own age, and a son, S. P. Robins, LL.D. of Montreal. Paul Robins was one of the purest and best of men, one of the most profitable and able of preachers, one of the holiest and most faithful servants of God.

JAMES LAVERY

Was born in the town of Milton, on the 29th of January, 1861. In early life he received a good English education. Subsequently his attention was directed to the printing business, at which he continued for several years. In 1883, he was united in marriage to Miss Marilla Phillips, youngest daughter of Peter Phillips, Esq., of Orillia. In the following year he met with the saddest bereavement of his life, in the death of his accomplished wife.

While at Orillia Brother Lavery was converted to God under the ministry of Rev. S. P. Rose, and soon became one of the most earnest and enthusiastic workers in connection with the Church. His gifts were early recognized, and he was soon licensed as a local preacher. In 1885 he was introduced as a probationer for our ministry at the Whitby District Meeting. He travelled, in succession, Scarborough, Cookstown, Beeton, and Tottenham Circuits, and was looking forward to a long life of usefulness. To prepare for this, his Conference gave him permission to attend college. His fondest hopes, however, in this regard, were not to be realized. Before the college term began, his health had failed so much that he was unable to attend. On the advice of his physicians he went to Bermuda, in care of his devoted sister. No special benefit accruing from this, after three or four months' trial, they returned. Consumption was evidently deeply seated, and though the progress of the disease was slow, it was none the less sure. For more than a year and a half there was a steady decline, until death came to his release on October 28th, 1889.

Though Brother Lavery gave the clearest possible evidence of having made his peace with God, and his readiness for death, yet he expressed all through his illness a great anxiety, to live and work for Christ. The last time he preached in the Milton Church was from the text, "For we must all appear before the judgment seat of Christ"—a sermon of more than ordinary thought and power. He was an earnest, practical and faithful preacher, a good pastor, and was quiet and courteous in his manner. The following is the testimony of the Beeton *World*:

"Two years ago he was on this Circuit, and no young minister has left so warm a place in the hearts of his congregation. He was a fervent preacher, a hard worker, and, best of all, a true and sincere Christian. He who gave him these gifts for the saving of the souls of his fellow-men, called him away at the early age of twenty-nine, saying, 'Come, thou good and faithful servant, enter thou into the joy of thy Lord.'"

A funeral sermon was preached by Rev. G. Clarke, from Daniel xii. 13, to a large congregation of sorrowing friends.

STEPHEN ARKELS

Was born in Prince Albert, in 1849. He was the obedient child of affectionate and godly parents. At the age of seventeen he experienced a change of heart. He was soon after called to the work of the Methodist ministry, for which he seemed to be eminently qualified, and in which he experienced supreme delight. His preaching was acceptable, scriptural and effective. His declaration of truth was attended with the salvation of souls. He won and retained the affection of his people by his faithfulness as a pastor. The Circuits on which he labored were Newmarket, Prince Albert, Huntsville, Coldwater, Maxwell, Little Current, and Warminster.

Notwithstanding the advances of a painful disease, he prosecuted his work faithfully and uncompromisingly till the second Sabbath previous to his departure. Though his sufferings were intense, yet his faith in God never wavered. His faithful labors closed in triumph on the 1st day of July, 1889. The setting of his sun was gorgeous, attended by neither mist nor cloud. Those who witnessed the closing scene carried away the conviction that victory over death is the heritage of the child of God. Though nature shrunk from the touch of death's chilly hand, and though the mind itself trembled at the thought of eternity, yet the rod and the staff of omnipotence yielded wondrous strength and courage, and turned his eye undaunted towards the valley through which lay the heaven-lit road to endless bliss.

"Life's labor done, as sinks the day
Light from its load the spirit flies,
While heaven and earth combine to say,
How blest the righteous when he dies."

ANDREW ARMSTRONG

Was born at Maguire's Bridge, county of Fermanagh, Ireland, in 1820. He, with his parents, came to Canada and settled in the township of Clarendon in 1837. He was converted and united with the Methodist Church during a series of revival services, conducted by Rev. William Morton, in 1843. The Church soon detected in him special gifts and graces, and placed his name on the local preachers' list. In 1854 he was appointed to a Circuit, and four years later was ordained at Montreal, under the presidency of Rev. Joseph Stinson, D.D.

The following Circuits enjoyed his earnest labors, viz.: L'Original, St. Andrew's, Wesleyville, Cavignol, North Wakefield, Long Island Locks, Winchester, South Mountain, in the Montreal Conference, and Mount Albert, Angus, St. Vincent, Rosemount and Avening, in the Toronto Conference. A stroke of paralysis in 1886 necessitated his superannuation and location at Meaford.

He was a devoted Christian and a successful minister. He gained and retained the confidence of all who made his acquaintance. His ministrations were eminently soul-saving, and many are the stars in his crown of rejoicing. His death was sudden, passing in a moment from his usual health into eternity on the 18th day of April, 1890. The funeral service was attended by a large and sorrowful congregation, and was conducted by Rev. Wm. Pirritte, D.D., assisted by Rev. J. A. Ross, B.A. (Presbyterian), and Rev. R. Strachan, of St. Vincent. After thirty-one years of faithful service in the active work, and thirty-six years in the ministry, he rests from his labors. His departure was sincerely mourned, and his burial was accompanied with many tears. Surely the righteous are had in everlasting remembrance.

CALVIN SHAW

Was born in Tees, England, May 15, 1835. His father was a gifted and faithful local preacher in the New Connexion Methodist Church. His mother was a woman of deep piety and intense devotion. Thus the hallowed influences of a Christian home surrounded his childhood, and gave direction to his early life. So early did his young heart yield to the allurements of divine love that he could not remember a time when he was unacquainted with his loving Lord and Saviour. He was licensed as a local preacher when not yet nineteen years of age. In his twenty-second year he came to Canada, and entered the work of our ministry. After four years of faithful service he was ordained in 1861. He was just closing his thirty-third year in the blessed labor of the itinerancy when the Master called him to his reward. He was a highly esteemed and an honored member of the New Connexion Church, and had committed to him the charge of a District from 1870 to 1872.

His modest disposition abroad, and the kindness and affection lavished upon the members of his home endeared him to all, while his complete dedication to God and conscientious prosecution of his life-work won for him the affections of the people enriched by his pastoral oversight. Until the last two years his labors were incessant, and uninterrupted by sickness. Owing to failing strength he tremblingly ventured to go out from the Conference of 1889 to do the work of Sundridge Mission. His pulpit work closed in November, and the sacramental service in May closed his public ministrations. He moved with his family to Toronto on the 22nd of May, and five days later removed to the city celestial, leaving behind him a mourning widow and five children. He filled up his space in life wisely and well, and his end was peace. "He was a good man, and full of the Holy Ghost." A memorial service was held in Wesley Church, Toronto, on the evening of June 8th, 1890, conducted by the pastor, Rev. William Galbraith.

SPECIAL RESOLUTIONS.

Moved by Warring Kennedy, seconded by E. S. Rowe, and
Resolved,—That this Conference learns with deep sorrow of the continued and serious illness of Bro. Richard Clarke, the Chairman of the Bracebridge District, who is unable to be with us as in former years; and we beg to assure our beloved brother of our sincere sympathy with him and his family under his sufferings, and devoutly pray that the consolations of God may abound to him, and that he may be graciously sustained in bearing the Divine will; and that a copy of this resolution be forwarded to Bro. Clarke.

A motion requesting that a message of sympathy be sent by telegraph, was unanimously carried.

Moved by Rev. Dr. Dewart, seconded by Mr. Warring Kennedy,
Whereas, the British North America Act, under which the various provinces of the Dominion have been united, recognizes the equality of all religions before the law; and whereas, in the order of precedence of Provincial and Dominion receptions we have the following order:—the Governor-General, Lieutenant-Governors, Archbishops and Bishops, members of the Cabinet, etc., thus ignoring the very existence of our own Church and the other non-episcopal churches, representing the majority of this Dominion; therefore, be it resolved that we, the ministers and laymen of the Toronto Conference, would hereby present our most emphatic protest against such an offensive and unjust discrimination against more than one-half of the population of the Dominion, who refuse to yield to any others in loyalty to our beloved Queen, and to the truest interests of our beloved Dominion. We would memorialize the General Conference to bring this unjust and offensive discrimination before the proper authorities, and to take such steps as may be necessary to its removal.

Moved by Rev. J. F. German, M.A., seconded by Rev. Dr. Potts,
Whereas, the Rev. Dr. Harper has completed his forty-ninth year of his ministry, and will, therefore, at next Conference complete his fiftieth year of effective service in the ministry of our Church, therefore, resolved that he be requested to preach a jubilee sermon before the Conference at its next session, and that the Committee on Conference Services be instructed to arrange accordingly.

Dr. Barrass was also recommended as a jubilee preacher.

It was moved by Dr. W. J. Hunter, seconded by Rev. Dr. Potts, and

Resolved,—That the official letter-writers be instructed to write a letter to Rev. H. Harris, expressive of the deep sympathy which this Conference feels for him in his affliction.

Moved by Rev. W. S. Blackstock, and seconded by D. McLean, and
Resolved,—That this Conference appoint a Committee of five ministers and five laymen to carry out the resolution of the Conference in reference to Prison Reform, and to act in conjunction with other committees.

Moved by Rev. A. Sutherland, D.D., seconded by Mr. Jos. Tait, and
Resolved,—That this Conference commends the action of the Government in dividing the duties of the chaplain of Penetanguishene Reformatory among the ministers resident in the town, and is of opinion that a similar course should be taken in regard to other penal and reformatory institutions throughout the country.

Moved by Rev. Dr. Potts, seconded by Rev. E. Barrass, D.D., and
Resolved,—That the Conference letter-writers be instructed to send a
 letter of sympathy to Rev. Dr. Rose.

Moved by J. V. Smith, seconded by J. McD. Kerr, and

Resolved,—That the Committee on Conference services be directed to
 arrange for an evening service during the Conference, to be devoted to
 the subject of "Holiness."

Moved by Rev. T. Leonard, seconded by Rev. W. R. Barker, and

Resolved,—That each minister shall be responsible for the pulpit sup-
 ply on the Circuit which he is leaving for two Sundays after the close of
 the Conference.

RESOLUTION OF THANKS.

Resolved,—That the cordial thanks of the Conference be presented to
 the Rev. Dr. Hugh Johnston, for the very efficient manner in which he
 discharged the duties of the presidency during the past year. The Con-

 ter and ability.

Moved by Rev. Manley Benson, seconded by Rev. M. Fawcett, and

 for the past year; and also to the Assistant Secretaries, the Rev. R. N.
 Burns, B.A., Rev. L. W. Hill, B.A., and Warring Kennedy, for their
 efficient aid.

Moved by Rev. John Philp M.A., seconded by Rev. W. R. Barker, and

Resolved,—That the thanks of the Conference be given to Rev.
 Edward Barrass, M.A., D.D., for his faithful services as Journal Secretary.

Moved by Warring Kennedy, and seconded by Dr. Potts, That we desire
 to tender to the Rev. Dr. Douglas, the learned Principal of the Theological
 College, Montreal, our sincere thanks for his eloquent, powerful and soul-
 stirring sermon, so full of pathos and which moved all our hearts, preached
 on Sabbath morning on the occasion of the ordination of the young men.
 The Conference begs to assure Dr. Douglas of their joy that, under the
 kind providence of Almighty God, he is once more among us, and prays
 that God may spare his valuable life for many years to His Church.

Moved by Rev. J. C. Speer, and seconded by the Rev. J. Morgan,
 That we tender our thanks to the reporters of the daily papers for their
 correct and full reports of the work of the Conference, and that we
 request them to have the full list of stations printed in the morning issues
 of their papers.

Thanks were tendered the Rev. Dr. Briggs, Book Steward, Dr.
 Dewart, Editor of the *Christian Guardian*, Dr. Withrow, Editor of the

 they have discharged their respective duties, and the Conference pledges

MEMORIAL SERVICE.

A memorial service was held on Tuesday evening, June 17th, in the Elm Street Church, commencing at 8 p.m. The Rev. Dr. Potts in the chair. Service commenced by singing hymn 601, and the Rev. D. C. McDowell led in prayer.

Rev. Dr. Williams.—A resolution was moved by the Rev. Dr. Sutherland and seconded by the Rev. Dr. Briggs, expressive of the great loss sustained by the Church in the death of the Rev. Dr. Williams, one of the General Superintendents, and tendering the deepest sympathy of this Conference to the widow and children.

Whereas it has pleased Almighty God to remove from among us, by death, our venerable and beloved brother, the Rev. John A. Williams, D.D., who was so long and so prominently identified, in various relations, with the Methodist Church, including five years as General Superintendent; this Conference desires to place on record its high appreciation of the valuable services rendered by him for so many years, and its deep sense of the loss sustained by the Church in his removal. Grateful to our heavenly Father for having so long spared the useful life and labors of our revered brother, we bow with implicit submission to the Providence that has bereft us, and pray that we may profit by the example of zeal and devotion which he has left as a heritage to the Church.

Also resolved,—That we sympathize most deeply with the family of our departed brother, in the bereavement they have suffered, and commend them to the loving care of Him who, having broken, can also bind up—who, having smitten, can also heal.

Rev. Paul Robbins.—The memorial was read by the Rev. J. E. Sanderson, and the Revs. E. Roberts and Geo. Webber bore testimony to his fidelity to the Church and God.

PASTORAL ADDRESS.

The Toronto Conference to the Members of the Methodist Church under its care, sends greeting :—

DEARLY BELOVED,—We salute you once more in the name of the Lord, and pray that the grace of God may be magnified continually, both in us and in you.

After a careful review of the matters which indicate the state of the Church, we record our gratitude to the Father of Mercies for another year of success in His work, and for good ground of hope that the year to come will be still more abundant in labor and in the gracious fruit thereof. The membership of the Church has been increased by about 700. The funds for the support of the great enterprises of the Church have been, in the main, well sustained. Our separate work in the cause of temperance has been pushed with increasing vigor in the way of teaching, in all our Sunday-schools and congregations, the duty of total abstinence, and in pledging our children and young people thereto. This fact has a special significance, in view of the pretty general failure of the Scott Act, which, we trust, will prove to be only a temporary reverse in the more general effort to prohibit the sale of intoxicating beverages in our country. We also call you to rejoice with us in the evident revival of interest in the religious welfare of our young people, as expressed in the extension of our Sunday-school work, and in the inauguration of the Epworth League. We commend both these institutions to your sympathy and zealous support. The most remunerative expenditure of labor and money—whether for this life or that which is to come—is the expenditure incurred in the moral and religious development of the children of the Church.

We can only indicate in few words the living questions of the day with which, both personally and collectively, we must presently deal. The Christianity of our time and country seems to be moved by the Spirit of God to seek for such common grounds of belief and practice as will afford a foundation upon which the sections, hitherto separate, from one another, may be unified. We counsel you to consider this great matter with much prayer, that we and all Christian people may know what the will of the Lord is. These times are marked by unrest in the political life of the nation, and by much foreboding of changes soon to come. We desire nothing of you nor for you but that you shall act in the body politic in the utmost freedom from ecclesiastical control; and that you shall always remember that the franchise affords a practical test of your loyalty to God—who is supreme over all the parties and princes of the earth, and has a will to be served or frustrated in every issue which is now or ever shall be before the Canadian people.

And these are days of great variety and enterprise in both religious and anti-religious thought and teaching. We do not affirm that our Methodism has attained perfection in Christianity. But we do say that,

from the days of John Wesley to the present, God has been with us in soul-saving power. And we counsel you to be in no haste to seriously change, much less to remove away, any of the doctrinal, institutional and spiritual landmarks of a system which has been so greatly and continuously honored by the Lord.

The question of University Federation, which has agitated our Church for so long a period, must go to the ensuing General Conference. Let us together beseech Him who is the Father of Lights and the Fountain of Peace to guide our legislators and to tranquillize the mind of the Church, so that we may prosecute our educational work with all the unanimity and zeal of other days.

The centenary of Canadian Methodism will begin with the next year of grace. It is expected that the General Conference will issue some specific directions as to the manner of the celebration and the objects to be served by your thank-offerings. It will be in place to consider how manifold and great are the benefits we enjoy through the influence of Methodism in developing the political, financial, intellectual and religious life of the nation, and what we should render unto the Lord in due acknowledgment thereof.

The year last past has been one of uncommon bereavement to our Conference. Besides the lamented departure of several ministers and laymen of less prominence, we have to mourn the loss of some of the most princely men ever given to a church. Dr. Williams, one of our venerated General Superintendents, and Paul Robins—ministers of ripened wisdom and saintliness; John Macdonald, William Gooderham, and Robert Irvine Walker—laymen of sterling character and noble generosity in Christian work and benefactions—these all having served their generation, by the will of God fell on sleep during the past year. Let us hope that we who are left alive may catch, not alone their descending mantles, but also the heavenly inspiration which transfigured them into the image of God.

And now, beloved, we commend you to God and to the word of His grace for another year. We beseech you to continue steadfast and unmovable in faith and love, and to abound always in the work of the Lord. And may the Lord Jesus, whose you are and whom you serve, save you to the uttermost and to the end.
