Masons Hold Annual Service—
Frost Does Much Damage—
Personal Items

The rush and confusion which some predicted for Registration day, was practically eliminated by the efforts of all those, who possibly could, to wait on the deputy registrars, L. H. Baldwin and G. E. Wilson, earlier in the week. In this way Saturday found the major portion of the work already completed. We also hear that a good percentage of both sexes professed their willingness to leave their wonted avocations to serve in any useful occupations they might be placed at.

The war zone had nothing on the war garden zone of our town for clamor and angry ejaculations on Thursday of last week. When the knights of the hoe and spade arose and viewed the crepe which Jack Frost had hung on their several garden patches, there was weeping and wailing and gnashing of teeth. However, on second thought discretion won out and they very amiably began to plant new seeds where their wrecked hopes lay.

Dr. Geo. J. Burt and family of Fort Fairfield spent Sunday with his parents here.

Harold White is home on leave from the engineer's camp at St. Johns, P. Q.

John Cormier of Victoria Corner is spending the week at his home here.

Miss Georgia Reid, R. N., of Hartland, visited her sister, Mrs. G. E. Wilkinson last week.

G. E. Wilkinson and Lee Galt left on Monday for a trip to Boston.

Harry Weade of Roylton has purchased the new home of Wm. Wiggins. He will occupy same to early fall.

The Masonic fraternity and the public in general, was treated to a highly interesting and instruc-

tive address in the U. B. church on Sunday by Rev. A. S. Hazel of Woodstock. Among the visiting brothers were Jarvis, Mair, Gabel and DeWitt of Woodstock Lodge and Mr. Thompson a member of the craft from California.

F. D. Tweedie of Woodstock was a visitor in town on Sunday. Dodd Tweedie is visiting for the week with his friend, David Burt.

Miss Mollie Cody and Miss Pauline Balloch made a visit with friends in Woodstock on Tuesday.

Miss Robin Wilson is spending a few days with her brother, G. E. Wilson.

The 1-cent sale run by Stevens Bros. on Friday and Saturday proved a successful venture. Everyone went away with burdens ranging from hair tonics to corn eradicators. People of the vicinity will soon be either very hale or very sick.

Harry Stevens of Woodstock was here to assist in the aforesaid sale.

The Centreville Dramatic Co. will produce the play "Valley Farm" in Hartland on Friday, in Bridgewater on Thursday and Centreville on Saturday evenings. Proceeds for patriotic purposes.

Douglas Downey is at home after a successful course at Normal school.

Mrs. McCrea of Mars Hill is visiting her sister, Mrs. H. T. Scholey.

LeRoy Lee, Charles Oliff and Wm. McDonald had a very successful fishing trip to the Miramichi waters on Tuesday.

Miss Vera M. Brown of the teaching staff of McGill University is at home for the summer vacation.

Miss Briggs of Mars Hill is spending a few days with her sister, Mrs. Clayton Kinney.

Miss Amy Burt was the guest of Mrs. B. F. Smith, Florenceville East, on Saturday.

FLORENCEVILLE UNITED FARMERS

Will Hold a Basket Picnic on
July First

At the monthly meeting of Florenceville branch of the United Farmers, Saturday evening, June 15, Messrs. Caldwell, Boyer and Peters were appointed delegates to go to Woodstock July 10 to meet with delegates from other branches in Carleton Co. and select from among United Farmers a candidate for by election for Provincial Legislature. Meeting and delegates seemed to be strongly against putting up a candidate at present time. It was decided to hold a basket picnic on July 1, or the first fine day after, on the farm of Albert Stephenson. Everyone is cordially invited. Ladies bring baskets. The Red Cross of Florenceville will serve Ice Cream.

PROCLAMATION

His Excellency, the Governor General of Canada, is transmitting through the Lieutenant governors of the several Provinces, a message calling upon the loving subjects of His Majesty the King throughout the Dominion to observe a day of humiliation and prayer.

Sunday, June 30, is appointed as the day on which the people should unite in humble prayer and intercession to Almighty God on behalf of the cause undertaken for the British commonwealth and the Allies and for those who are offering their lives for it and for a speedy and enduring peace.

The message comes officially this week through the Royal Gazette of the Province.

County Council Report

The semi-annual meeting of the Municipal Council of Carleton Co., opened in the court house Tuesday, June 18. Secy-Treas. Hartley, S. L. Lynott, Official Reporter, were in their places. County Auditor Comben is out of town.

Warden Fleming was in the chair and the following councillors were present:

Aberdeen—D. Lamont, Chalmers Derran.

Brighton—Fred Smith, W. D. Keith.

Northampton—H. A. Phillips, Arthur Gibson.

Peel—E. W. Melville, Frank Tompkins.

Richmond—Ezra Fleming, Wilnot Watson.

Simonds—John Perry, Odbur Shaw.

Wilmot—Carey Eatay.

Kent—Stephen Kinney, Gladstone W. Perry.

Woodstock Parish—Chas. Cook.

Wakefield—Albert G. Bell, Robert Bell.

Woodstock Town—Jas. W. Gallagher, A. S. Benn.

The proceedings opened with the singing of God Save the King.

Warden Fleming in opening spoke briefly and said in part:

"I am glad to see such a full board present as it must be a very busy season for you—I am sure in coming through the country you must all have a feeling of pride at the appearance of

thrift as evidence by the growing crops. It certainly inspires one with a feeling of pride to know

that we have such a beautiful country, one that we can fight for an die for. I regret the enforced absence of H. D. Stevens and trust that he will soon recover his

health, we shall miss his assistance and timely advice during the session. I regret that the great war cloud is still hanging over us but I feel, as you all must feel, that we have a greater unity of purpose and the outlook, generally speaking, is encouraging.

You are all no doubt very busy this season and anxious to return to your homes so I will not detain you by any further remarks.

The Secy. then read the minutes of the Jan. session which were approved and the council adjourned until 1:30 p.m.

Council met at 1:30 p.m. and all members present except Coun.

Stevens. The committee on progress of work on Houlton road reported, through Coun. Gallagher, that he was assured by Hon. P. J. Veniot, minister of public works, that this road would be fixed up in proper shape this summer, making it a permanent road. The report, on motion, was received.

The committee, appointed to look into the question of a municipal home reported, through Coun. Perry, Kent, as follows:

To the Carleton County Council, Your committee appointed to secure information in regard to a municipal home, beg leave to make the following report:

The chairman visited the Kings Municipal Home and in looking over the accounts find that it cost \$4.25 per week for each inmate including food, clothing, medical attendance, burials, etc., and interest on the bonds. Your committee are fully in accord with this method taking care after the poor.

Faithfully submitted, G. W. PERRY, Chairman, H. A. PHILLIPS, W. D. KEITH.

Coun. Perry was a strong believer in a municipal home for the country. Would favor a home for Carleton county with a big farm, with a supply of wood, as fuel bill was a big item. He strongly reiterated his belief in the establishment of a home for the poor.

Coun. Carvell moved that this report be received. Seconded by Coun. Bell, Wakefield, and carried.

The seed committee reported, through Coun. Tracey, that the committee had done the work the best they could. "The department wrote me and Coun. Tracey to come to Fredericton and told me that they had arranged with other counties to finance the seed project and felt that they could make no exception in case of Carleton county. They agreed to ship the grain to me, on my becoming personally responsible. 5000 bushels oats and 3000 bushels grain was distributed as best we could, and are thankful for the assistance given us by the many persons.

Coun. Keith—We could have sold more oats at Hartland but local concerns sold for 25c a bushel less. The red life was a good quality, some complaints were made of first lot being inferior quality. Local concerns said a lot.

Coun. Carvell wanted to know about the expense. If we appoint a committee we should pay their expenses.

Coun. Tracey—So far as the seed wheat committee is concerned, it fell to me to distribute the seed without any charge. I kept a bill of expenses. I had no authority to spend the money and if the council sees fit to pay it, well and good, if not I will stand it myself. I was away from my home in a very busy season and feel that \$4 a day for 37 days' services is not unreasonable.

Coun. Moxon thought the price the government charged they should pay the expenses.

Coun. Tracey—I am well aware that oats could be bought for 23 cents less but they were not the quality of oats the government distributed. The government did not make a cent on the grain sold.

Coun. Moxon—They should have charged enough to cover the expense.

Coun. Melville—We voted against this but the committee did the right thing in financing it, or we would have a shortage. The government should have paid the expenses, as other governments have done.

Coun. Anderson was in favor of paying the bills incurred by Coun. Tracey, \$219.65, and he would move that this bill be paid.

Coun. Benn and Coun. Keith had each small bills.

Coun. Tracey would pay Coun. Keith's bill as it was for freight. I may say I was assured by the government that if our proposition had come in first it would have been adopted. I am satisfied that the government did not have a man to send out on this business. My bill represents actual money paid out.

Coun. Lamont did not approve of this way of doing the business, but wanted the committee paid. This council could have bought the seed and handled it cheaper.

Coun. Tracey—A lot of this grain was bought and sowed from a patriotic standpoint.

Coun. Watson—This committee deserves a lot of credit for their work. The grain was needed and there would have been a shortage if it had not come. If Coun. Tracey had not financed it we would have been without grain.

Coun. Gallagher and Anderson thought the bill should be paid by the government.

PUBLIC NOTICE

Military Service Act, 1917.

Men 19 and 20 Years of Age.

Harvest Leave.

Leave of Absence on Ground of Extreme Hardship.
Procedure to obtain Leave of Absence.

Men Nineteen and Twenty Years of Age.

It has come to the attention of the Government that there is a widespread impression that young men of nineteen years, and those who became twenty since October 13, 1917, as well as those who may become nineteen from time to time and who have been or will be called upon to register under the Military Service Act, are to be immediately called to the colours.

This impression is quite incorrect. No date has yet been fixed for calling upon such men to so report for duty, nor has the question been brought before the Cabinet for decision. In view of the need of labour on the farm, it is most unlikely that consideration will be given to the matter until after the harvest is over, although of course the Government's action must be determined primarily by the military situation.

There is no further obligation incumbent upon young men of the ages above mentioned who have registered or who do so hereafter, until they receive notice from the Registrars.

Harvest Leave.

Some enquiries have been received as to the possibility of granting harvest leave to such troops as may be in the country at that time. No definite assurance can be given on this point as advantage must be taken of ships as they become available. On the other hand, harvest leave will be given if at all possible.

Leave of Absence on Grounds of Extreme Hardship.

It is desired that the Regulations respecting leave of absence in cases of hardship should be widely known and fully understood. Such leave will be granted in two cases:—(a) where extreme hardship arises by reason of the fact that the man concerned is either the only son capable of earning a livelihood, of a father killed or disabled on service or presently in service overseas, or in training for such service, or under treatment after returning from overseas; or the only remaining of two or more brothers capable of earning a livelihood (the other brother or brothers having been killed or disabled on service, or being presently in service overseas, or in training for overseas or under treatment after his or their return from overseas); brothers married before 4th August, 1914, living in separate establishments and having a child or children not to be counted, in determining the fact that the man is the "only" remaining son or brother; (b) where extreme hardship arises by reason of exceptional circumstances such as the fact that the man concerned is the sole support of a widowed mother, an invalid father or other helpless dependents.

It is to be noted that in all these cases the governing factor is not hardship, loss or suffering to the individual concerned, but to others, that is, members of his family or those depending upon him.

Procedure to obtain leave of absence.

A simple system for dealing with these cases has been adopted. Forms of application have been supplied to every Depot Battalion and an officer of each battalion has been detailed whose duty it is to give them immediate attention. The man concerned should on reporting to his unit state that he desires to apply for leave of absence on one or more of the grounds mentioned and his application form will then be filled out and forwarded to Militia Headquarters, Ottawa. In the meantime, if the case appears meritorious, the man will be given provisional leave of absence for thirty days so that he may return home and continue his civil occupation while his case is being finally disposed of.

Your Home

**To neglect it is folly—
To conserve it, the duty of the hour**

ANY building, five years old or older, is today worth 50% more than when it was built. The cost of lumber, brick, cement and other building materials has greatly increased. Good carpenters and bricklayers are scarce, and they demand a high wage for their services. In other words, the intrinsic value of your home has become so high that to protect it with paint is only logical foresight—you should paint carefully and more regularly than ever. This is true. It should also be part of your white program to use a paint that lasts. Any painter will tell you that paint durability depends on the use of pure white lead and pure zinc in correct proportion. It is on this point that we lay emphasis when we recommend to you, for its true economy.

impression that all freight had been paid by parties receiving the grain.

Coun. Tracey—If Coun. Perry paid way freight on grain he is entitled to be paid back. If he can produce the freight bill I will pay it.

Coun. Moxon—We need the grain badly and I think the committee did remarkable well and should be paid.

Coun. Perry (Simonds) I had no idea we would have anything to pay as our agreement with Dr. Keirstead was well understood. I am not at all satisfied with the way thing turned out. We wanted white wheat and got red.

Coun. Tracey—We were told white life was hard to get. They could only get one car for the province and it was sent to Mr. Frapp. How far could one car go in Carleton county? We did the best we could under the circumstances. It was impossible to put it over the whole country. I don't think we should pay the bill, I assumed the responsibility and I leave it in the hands of the council. (To Coun. Smith) The car that came to Mr. Frapp was the first car shipped and came quicker than was expected, and he could handle it and had sold some before we took it over.

Coun. Tompkins—Mr. Keirstead promised that a competent man would be sent to handle it. He was not sent and the only thing to do was to have Coun. Tracey do the work. We should pay Coun. Tracey and bill the government.

Coun. Carvell—It was not a promise from Mr. Keirstead it was a resolution of this council and was not accepted by the government.

Coun. Smith—No one opposes Coun. Tracey being paid, it is only a criticism of the manner in which the government handled it.

Coun. Tracey—Coun. Tompkins was right. Dr. Keirstead did agree to send a man, but he asked me to do it in case they could not send a man. I did not agree to do it.

Coun. Lamont thought it should stand over till the January issue.

The report of the committee was adopted with the sum of \$219.65 to be paid Coun. Tracey.

The Warden thought that the urgency of the matter and genial conditions that Carleton County was getting out well. From a patriotic standpoint we should pay the bill even if open to some criticism.

Coun. Carvell said that if this county was going to appoint committees to do its work any ex-

pense incurred should be paid. We have a report from Coun. Perry (Kent) who went to King's county and no doubt had expenses.

Coun. Perry (Kent)—If you will build a municipal home I will not charge any expense for my labors.

Coun. Melville—Moved that the dog tax question be laid over till January session. Nothing can be done now as assessment has

WHAT CATARRH IS

It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the whole system, and snuffs and vapors do little, if any good.

To correct catarrh you should enrich your blood with the oil-food in Scott's Emulsion. It is a medicinal-food and a building tonic, free from any harmful drugs. Try it—YOU!

My Limbs Would Twitch

And Waken Me—Unable to Rest or Sleep, I Walked the Floor in Nervous State—When Specialists Failed I Found a Cure.

This is the kind of cure that has set hundreds of people thinking and talking about Dr. Chase's Nerve Food. The action of this food cure is so radically different to the usual treatment for the nerves that everybody wants to try it. Gradually and certainly it nourishes the starved nerves back to health and vigor and the best results obtained are both thorough and lasting.

Mrs. M. Smithson, 27 Arthur street, Windsor, O., writes: "I was suffering from nervous breakdown, which was caused by a shock when fire broke out in the adjoining house. My nerves were in such a state that after going to bed I could not get my nerves quieted down sufficiently to go to sleep. I used to get up and walk around the room, or go downstairs, even when I would be dropping off to sleep my limbs would twitch and I would have to have cold, nervous night sweats, sometimes would become unconscious and lie that way for quite a little while. I was always cold and it seemed impossible for me to get warm or keep warm. When on the street I would see two or three children at once, and did not want any person to speak to me or bother me. Any little noise irritated and annoyed me very much. I had consulted several doctors and tried many remedies during this time, but could not gain relief. At last I tried Dr. Chase's Nerve Food and before long could see that this treatment was proving of benefit. I am now feeling so much better that I can go out on the street without any difficulty, can go across the river and go about the same as usual. I sleep well at night, and am feeling more like myself every day. I am pleased to be able to write you to tell you how much good the Nerve Food has done me. It has strength and built up my whole system. I can recommend it to everybody I find suffering from nervousness or any kind of." Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmanston, Limited, Toronto. Dr. Chase & Co. have accepted a certificate of merit.

VALLEY FARM TOMORROW NIGHT

Centreville Young People Will
Treat Hardland to An Interest-
ing Play

Tomorrow evening the Centre-ville Amateur Dramatic Club will present in the Star Theatre, Hardland, their four-act drama entitled "Valley Farm." This play was very successfully put on some ago at Centreville and the performance was given high praise at the time. As the proceeds of the evening go toward patriotic causes, The Observer bespeaks for the young performers a very general attendance of village people; besides, they will get their money's worth. The coming again of the Centreville people to give an entertainment in Hardland affords an opportunity to patch up a sort of ill-feeling that has existed between the two towns. This difficulty had its origin many years ago when the young people of Centreville went to great pains to prepare an entertainment which they put on at Hardland. Only a handful of people attended and the Centreville people, with evident cause, felt sorely affronted. Years afterwards our Hardland couple of minstrels went to edify Centreville with their drollery and were frozen stiff by the reception accorded them. On the part of both towns the keeping up of this spirit is no longer a joke but is silly. In these hard times of war and stress when every community should unite in patriotic spirit old prejudices should be forgotten. Therefore it is again urged that Hardland does its part by wiping out entirely its share of the old score. Go and see Valley Farm tomorrow night and make the visitors glad they came.

AUTO FATALITY AT ANDOVER

A shocking automobile accident occurred Tuesday morning at Andover when Whitmore Porter was killed. Mr. and Mrs. Porter, their niece and driver were motoring from their home at Bairdville to the village when about two and a half miles below the village on a very narrow piece of road the car skidded, going over the bank and turned over on the occupants of the car. Mrs. Porter and her niece, who were uninjured, were able to crawl from under the car and run for help. When help arrived it was found Mr. Porter had been pinned between the steering gear and some logs and death had probably been instantaneous.

Joseph Cadman, the driver, had one of his hands caught between the steering wheel and Mr. Porter's body and it was badly crushed. Besides that he was uninjured.

A particularly sad feature in connection with Mr. Porter's untimely death is that he is the last of a large family, his mother having been accidentally killed

about a year ago. The deepest sympathy is felt for the widow and relatives.

Grand Falls Happenings

Daniel H. Stafford of Fort Fairfield was in town over Sunday visiting old friends.

Local Auto Accident

On Tuesday evening a tiny girl, daughter of Hum Yee Tommy, the Chinese laundry man, was struck, knocked down, and run over by an automobile. The child was stunned and unconscious for upwards of an hour but afterward made speedy recovery.

Last evening an automobile casualty was reported by telephone from Newburgh. The message called for doctors, nurses and stretcher-bearers for it was stated that a car containing five of the young men of the village had taken a plunge over a forty-foot embankment with disaster to all the occupants. There was excitement around town for awhile and a number of cars hastened to see. Luckily nothing was as bad as had been reported. The car turned over once and brought up against a tree, while the occupants pitched-nosed further down the decline. None of them was seriously hurt.

FOOD-SAVING RULES

Live not to eat, but eat to live. Three meals a day—no lunches. See to it that your meals are simple and plain.

Icecream should have only 10 per cent of fat and should be used only for desserts.

Why should snappers at parties be cut out? Because these are social gatherings when eating is secondary to entertainment.

The unwanted food should be saved.

EVERYBODY RAGS.

EVERYBODY'S started ragging. They rag at every hall. They do the ragging. The ragging dip and all. Mother's got the ragging. And so has sister Ann. Everybody rags at our house. Even our old man.

Now, Brother Bill went ragging. And stayed away from school. Their professor told him. It was against the rule. But now professor's got it. And so has teacher too. Everybody's going crazy. What shall we do?

Some scientist may tell us. A microbe it must be. The easy to believe him. For a learned man is he. Until you start to thinking. That perhaps he's ragging too. And keep his feet a-ragging. Just like me and you.

Now, if you keep on ragging. From morn till close of day. You'll rag into the hospital. The good old doc will say. But every Thursday evening. Just as regular as a clock. You'll find him at some rag dance. The dear old doc!

Everybody rags for breakfast. For lunch and dinner too. They go to work a-ragging. And rag the whole day through. They drive a rag machine. I can't go any further. For I'm out of ragging. For I'm out of ragging. For I'm out of ragging.

—A. B. Cheney in Los Angeles Times.

The Better the Deed.
He was a colonel of the old school, a veritable Lord Chesterfield. Though suffering from chronic financial embarrassment, he could always find the proverbial friend in need.

Meeting an old comrade one day, he asked the loan of \$5. "I shall need it for a short time only," a tradesman has grown rather impatient," he said. His friend had not \$5 in change, but gladly pressed a ten dollar bill upon him.

The colonel expressed his thanks, then asked, "And how is your charming wife today?"

"Not at all well, I am sorry to say," was the answer.

"And no appetite, I'll venture. Perhaps some of these bichrome grapes may tempt her."

Whereupon he stopped at a nearby stand, purchased a basket of fruit, paid \$5 the dealer asked out of his newly acquired \$10 and walked jauntily to the gate of his friend's home, carrying the basket.—New York Post.

"I know that, but I am sure that we could never get along."

"Why not?"

"PIGS IS PIGS"

Editor Observer: As a resident of Hartland I wish to call your attention to a small matter of some slight importance. Last winter the local government, in order to encourage production, agreed to furnish a certain number of pigs to "pig clubs" to be started by the boys of the province, and a club was formed by the boys on both sides of the river, known as the Hartland and Somerville club.

The local government did its part and sent six pigs to this club—but then Hartland got it in the neck, for every pig went to Somerville and all the Hartland boys got was to hear then squeal with fright when they realized they were being hauled across Hartland bridge.

I claim this is not a fair deal for Hartland. Somerville has had the best end of everything in the past. Their people attend the town churches and school; they have the privilege of looking across to the town whenever they like, and have a beautiful suspension bridge to travel on. Not satisfied with this they scoop up all the pigs belonging to Hartland and Somerville club and hauled them to the west side of the west side of the river.

It is even said that of the six pigs that only two were given to Somerville boys and that the other four are clubbed together in a dug-out belonging to a prominent Somerville man.

However as far as that is concerned the Somerville people can fight it out among themselves, and I believe that is the way they settle their disputes, and let the best man win—and hold the pigs.

HARTLANDITE

East Florenceville

Mrs. C. E. Vail who was quite seriously hurt in an auto collision two weeks ago is improving slowly.

Miss Helen Taylor gave a party last Thursday evening to about 30 of her friends. The evening was spent in music and games. Refreshments were served and the party broke up at a late hour. All report a good time.

Miss Kate Danks who has resigned her school at Bristol has accepted a position in the Bank of Nova Scotia here. Miss Mildred Tompkins has also accepted a position in the Bank.

Lewis Taylor has purchased a new car.

Gordon Hunter has resigned his position in Bank N. S. on account of ill health. We all wish for a speedy recovery.

Marion McLean of N. B. Telephone staff has been away to Fredericton on her vacation.

Mrs. Randall and son Lawson have gone to St. John on a trip. Wilbur Tompkins is able to get around on his crutches.

A number of fishermen have been to Juniper. Some of them got a good catch and others a good bath.

Mrs. C. B. Hunter and little Eugene Hunter visited Florenceville this week.

Wallace Somerville and Frank Estabrooks spent a few days at Roy Hunter's.

Death of Andover Lady

Miss Annie Watson who has been a patient in the Fisher Memorial Hospital in Woodstock died Sunday. Miss Watson had been an invalid for many years but her sudden death came as a shock to her relatives and friends. She was operated on last Saturday, June 8, and it was found that she was suffering from cancer and that nothing could be done to save her. Her age was seventy years and she lived almost her whole life time in Andover, and had the respect of all who knew her. She was the daughter of the late William and Ellen Watson. She leaves a sister Miss Jennie of Grand Falls and two brothers William of Andover and James of Grand Falls besides a large number of friends to mourn her death. The remains were brought to Andover Monday afternoon for burial. Funeral service was held Tuesday afternoon at three o'clock, interment in Trinity churchyard.

"Fruit-a-lives" Quickly Relieved This Chronic Trouble

409 CARRAN STREET, MONTREAL.
"In my opinion, no other medicine is so effective for Constipation and Indigestion as 'Fruit-a-lives'." I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis with nasty Headaches, belching gas, drowsiness after eating, and pain in the back.

I was induced to try 'Fruit-a-lives' and now for six months I have been entirely well. A. ROSENBERG.

Lower Brighton

Mrs. B. F. Richardson spent a few days last week with her sister, Mrs. Addie Jordan at Upper Brighton.

Mrs. Warren Bull of Northampton visited friends in this place recently.

Mrs. H. Sharp and Mrs. J. Shea of Grafton made a house to house canvass of this place last week in the interest of the Woodstock branch of the Red Cross.

Our teacher, Miss A. L. Gibson, of Woodstock has resigned and will take the Grafton school next term. Miss Gibson has given excellent satisfactory as teacher in her never-tiring labor for the good of her school. She will be greatly missed by parents and pupils, as she has made many warm friends in this locality.

Mrs. W. Gibson, Woodstock, and Mrs. Geo. McElroy and Mrs. Warren Hall of Grafton were guests of Mrs. Stephen Nixon Friday afternoon.

Mrs. Rebecca Robinson, who passed her 95th birthday in May and still was enjoying good health met with a serious accident recently by which she suffered the fracture of one of her limbs. Her friends sincerely regret this happening as it is doubtful if she recovers the use of her limb.

J. B. Nixon we are sorry to say, is not improved in health, much to the disappointment of his many friends.

Mr. and Mrs. Guy Downey have returned home to McAdam after visiting Mrs. Downey's parents, Mr. and Mrs. Geo. Nixon.

Mrs. Wallace Noble, who has been sick for some months passed quietly away, Saturday evening at her home. Her family have the sympathy of the community.

Kilburn News

Miss Violet Sisson, of Andover, is the guest of her cousin, Miss Estella Grant this week.

Mrs. Giberson and children, Gordon and Irene of Holmesville, spend the week-end here, the guests of Mrs. Murray L. Grant and Mrs. Jerry Inman.

Mr. and Mrs. Herbert W. Inman and little daughter, of Rowena, spent Sunday with Mr. and Mrs. R. H. Inman.

Miss Amy Giberson and Verna Broad of Holmesville spent Sunday with Zeta Grant.

The Baptist W. M. S. held their June meeting last Wednesday at the home of Mrs. Thomas Vandine.

Mr. and Mrs. J. Wiley Grant returned home on Saturday after a few days visit with relatives at Greenfield.

Hurrah! How's This

Cincinnati authority says corn dry up and lift out with fingers.

Hospital records show that every time you cut a corn you invite lock jaw or blood poison, which is needless, says a Cincinnati authority, who tells you that a quarter ounce of a drug called freemane can be obtained at life cost from the drug store but is sufficient to rid one's feet of every hard or soft corn or callus.

You simply apply a few drops of freemane on a tender, aching corn and soreness is instantly relieved. Shortly the entire corn can be lifted out, root and all, without pain.

This drug is sticky but dries at once and is claimed to just stick up any corn without inflaming or even irritating the surrounding tissue or skin. If your wife wears high heels she will be glad to know of this.

The arduous work of transferring the printing plant of The Observer to its new quarters on Main street will, the manager sincerely hopes, have been accomplished by the time the next issue appears. This will be done without the paper being delayed for an hour, but it will mean an immense amount of work on the already overburdened staff. Editors of the job and advertising departments are asked to kindly have patience if their work progresses rather slowly, and readers ought not mind if for a week or two news features are abbreviated somewhat. The change is wholly for the ultimate betterment of the service to the public.

Hezekiah Brooks

The death of Hezekiah Brooks occurred at the home of Mrs. De. E. Brooks, Bristol, in the early hours of June 3 at the age of 68. Deceased was half brother to late Rev. D. E. Brooks and has for some years resided with the family at Bristol. Quite early in life he became a Christian, ever remaining one of those quiet, humble followers of Christ. While he was not the privilege to lead men into the Kingdom by his daily life he taught men how they should live. He leaves to mourn their loss three brothers and five sisters: Daniel of Ashland, Allen of Houlton, Gilbert of New Hampshire, Mrs. Aaron Green, Bristol, Mrs. Gordon Dickinson, Newburgh, Mrs. Rixby Shaw, Pembroke, Mrs. Adner DeWitt, Foreston, Mrs. Hanley, New Hampshire. Funeral service held in Primitive Baptist church, Bristol, conducted by Rev. A. Hatfield assisted by Rev. G. A. Giberson, P. J. Quigg, H. V. Brandon, M. H. Manuel of Florenceville. Interment taking place in the Primitive Baptist cemetery at Bristol.

Oaks-Golding

A very pretty wedding took place at the residence of the officiating clergyman, Rev. A. Hatfield, Perth, June 12, when Herbert L. Oaks of Killoween and Lettie A. Golding of Bath, were united in marriage. The happy pair will reside at Killoween. Their many friends join in wishing the happy couple years of health and prosperity.

Playing Safe

"These life guards are a great protection," said the matter of fact young man.

"Surely," buzzed the coy girl, "a strong swimmer like you has no fear of drowning."

"None whatever. But if a girl stabs her toe and imagines she's going to sink it's better for her to be saved by a professional rescuer. She isn't so likely to get her gratitude mixed up with her sentiments."—Washington Star.

He Was Surprised Himself

Young Horwood was a newcomer at the beach resort. One morning old Josephine met him and, stopping, said abruptly:

"See here, sir, how did you dare to kiss my daughter last night on the dark plain?"

"Well, by George, sir," replied the young man, "now that I've seen her by daylight I wonder myself."—New Orleans Times-Picayune.

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—headaches, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gomez, 222 Napoleon St., Fremont, Ohio.

already been made.

Coun. Carvell—It's no use of this council carrying this over from one session to another—we should settle it now. If the sheep industry of this county is suffering from dogs we should act.

Coun. Melville—We can't do anything now that assessment is made. It seems a desire to go into another day's session of the council. I am in favor of a dog tax.

Let the government send a man and explain the law.

Coun. Smith was in favor of a dog tax.

Coun. Anderson—If we can't get the tax collected we won't get rid of the dogs.

Coun. Phillips favored a dog tax but it can't be put in force this season as the petitions have been sent back by the Secty-Treas. on the request of the Agriculture Dept. who said they would have a representative here at the June session. If the tax can't be collected this year we may as well let it go over till January.

Coun. Tracy—Was in favor of a dog tax but it would be carried out. We should have the dog law here to get some information. We should take some action but we don't know how to proceed.

The question was laid over till January session.

Coun. Anderson asked if there was any law relating to auto driving at excessive speed through certain villages. In my own village it is extremely dangerous.

Coun. Tompkins—There has been some talk about appointing a man in our district to enforce the provincial law relating to speeding autos. Since then a man has been appointed, but I don't know who appointed him. He is on the job.

Warden Fleming—A considerable number of bills have been presented at the auditor is not here to go into them. It is the duty of the accounts committee to examine these bills and report.

Couns. Melville, Perry (Simonds), Derrab, with the committee, took bills under consideration.

The C. Treas. and Fin. Com. were authorized to borrow \$10,000 to cover patriotic grant and other bills that may come up.

Moved by Coun. Carvell, seconded by Coun. Tracy.

Coun. Melville—This is some money and is more than we had last year. Can't the patriotic fund wait?

County Secy.—We will not borrow unless called upon for payment. There is a payment to be made each month.

The motion carried.

Fred L. Clark, Parish of Beaufort, was added to list of constables.

The Council went into a committee of the whole and took the bills and accounts.

The following officers were added to the list in the parish of Kent:

James Giberson, John Hargrove, Russell Clark, Theo. Gallagher, Henry Marshall, pd. keeper fd. driver.

Robt. Aird to be parish clerk and collector in Beaufort.

The name of one of the overseers poor, Parish of Wicklow, was struck off list of parish officers for Wicklow and Bert White added.

Coun. Gallagher—Moved a committee of five be appointed to purchase a poor farm for county of Carleton.

Coun. Melville—Where are you going to get the money?

Coun. Smith—It was voted to let this matter lay over till after the war. The war is not over. We better wait? I feel in this as in my own private business. This should be put off.

Coun. Lamont—This is important and should have considerable consideration. The poor farm had better not be pressed at present. We may be called on to raise more money for patriotic fund. Values are too high.

Coun. Tompkins was in sympathy with establishing a poor farm. It is cheaper to handle the undesirables and if this is so, why not now and get in operation as soon as possible. It works well in the town of Woodstock why not in County.

Coun. Phillips was in favor of a poor farm and the quicker it is bought the better. If it is a good thing after the war it is good before the war. The poor farm will be an asset to the county. Now is the time to act. We are 25 years behind time in this county.

Coun. Lamont—We should have more information on the subject. I am opposed to it now.

Coun. Perry (Simonds)—This question has been agitated year after year. We have been getting estimates and figures for years. Coun. Lamont is hard to educate. It is hard now to get a poor person boarded. We will be in no better shape after the war, but may be in worse.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the end of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiteners and beautifier.

Get very little. Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothness rough, red hands.

A GOOD APPETITE A GREAT BLESSING

The Occasional Use of a Tonic Will Ensure a Good Appetite and Good Health

Loss of appetite during the summer months is a common trouble, and indicates that the digestive system is out of order. Lacking a healthy appetite many people—especially women—go too long without food, or eat sparingly because food seems to distress them, and it is no wonder they complain of being constantly tired and unable to stand the hot weather. All this simply means that the digestive system is not doing its proper work and that the nutriment that should come from the food is not being distributed to the various organs of the body. In other words the blood is growing thin and watery. In such cases what is needed is a summer tonic, and among all medicines there is no medicine can equal Dr. Williams' Pink Pills. Take a short treatment with these pills and notice how promptly your appetite returns and your power to digest food improves. Your food will then do you good, your strength will return and you will no longer complain that the hot weather tires you out. Mrs. M. Kelly, Windsor, Ont., says:—"I suffered from indigestion for several years, and although I was constantly taking doctor's prescriptions they did not cure me, and the result was that I was greatly run down, and always feeling poorly. Finally I was advised to try Dr. Williams' Pink Pills, and as I soon found they were helping me I continued their use until I was fully cured, and am now able to properly digest any food I take. As a tonic and blood-builder I know of no medicine to equal Dr. Williams' Pink Pills, and I recommend them to all in need of a medicine."

The best time to begin taking Dr. Williams' Pink Pills is the moment you feel the least bit out of sorts. The sooner you do so

the sooner you will regain your old time energy. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

GRAY-DORT The Quality Goes Clear Through

Built to Meet Conditions

The Gray-Dort was not designed merely to be a better car than others at the same price. We did not consider other cars when we built the Gray-Dort.

Rather, we studied motorists and motoring in Canada. We faced squarely those conditions a light car must meet; those things a motorist wishes to do.

Then earnestly we endeavored to overcome obstacles, to develop new pleasure and comfort standards, to give greater value. And to-day motorists are getting greater service from the Gray-Dort than was before possible in a low-priced car.

The new Gray-Dort embodies all the good features that won instant success for former models. The 4-cylinder motor is a triumph of smooth, economical speed and power. The chassis is sturdy and quiet. The springs are long. The upholstery is deep. The equipment is absolutely complete from electric starting and lighting to the tools. New lines of beauty have been given this model.

The five-passenger touring car is \$1,195; the three-passenger four-door roadster is \$1,050; the Gray-Dort special, beautifully finished and with extra details of equipment, is \$125 above the list. All prices are f.o.b. Chatham.

Mrs. Wallace Noble

Death has again entered this place and has taken away the beloved wife of Wallace H. Noble, after an illness of four months. These months were months of suffering, but she bore them gently and never murmured until at last the time came when her sufferings were done and she passed away as though she had just gone to sleep, but it was her long last sleep, which she had been waiting for. She was 44 years of age and leaves to mourn a sorrowing husband, one son and one daughter, and three brothers, two at home and one, Alva Dow, of Puffer, Alta., besides a large circle of relatives and friends. The funeral was held Monday at the Reformed Baptist church, Rev. E. A. Trite officiating, assisted by Rev. P. J. Trafton. A large number was present showing the appreciation in which she was held in the community. The last breaths were two nephews, Earl and Willie Dow, and brother and cousin of the husband, Milford Noble and Earl Brown. The casket was adorned with many beautiful flowers which came from Houlton by the husband, brother and sister, Mr. and Mrs. Milford Noble. The hymns used for the occasion were very appropriate and were the choice of the deceased. She professed faith in Christ some 24 years ago and was baptized by Rev. A. W. Downey. She was a member of the United Baptist church and at one time was organist for a number of years. "Her end was peace."

BABY'S BATTLES FOR HEALTH

Mothers you can win the battle for the health of your little ones if you will fight it with Baby's Own Tablets—the ideal childhood medicine. The Tablets are a mild but thorough laxative which never fail to banish constipation, indigestion, worms, colds or simple fevers or any other of the minor ills of little ones. Concerning them Mrs. J. P. Hypell, Cassapuel, Que., writes: "Baby's Own Tablets are a great medicine for children. They quickly cured my baby of constipation and I can highly recommend them to other mothers. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont."

Kidney Disease Overcome

Mr. James Proulx, cattle dealer, Shebo, Sask., writes: "For about ten years I suffered from kidney disease, at times I was bed with back ache, and derangements of the digestive organs. During that time I was treated by four different doctors. One day I read in Dr. Chase's Almanac about the Kidney-Liver Pills and began to use them. Altogether I used six boxes. All I need say is that I feel well now and attribute this condition to the use of Dr. Chase's Kidney-Liver Pills."

Waterville Warblings

A large number attended the Ladies' Missionary Society of the Baptist church at the home of Mrs. C. P. Palmer on Thursday afternoon. A number of visitors were present and a pleasant social afternoon was spent.
