December, 1870. First Mortgage Bonds, -OF THE-

GURANTEED BY The Town of St Stephen.

Issued and endorsed under Acts 28 Vic. Caps 40 and 45. \$1,000,000 Security for \$100, 000 Debt, or \$10 security for

\$1 Debt. TENHESE BONDS were prepared under the care to all parts of Quebec and Ontario, and also connecting by Railway to New York, and all parts have them in accordance with law. They are denominations of \$100, \$300, \$500 and

\$1000, and have a little over 15 year to run and bea six per cent interest. The coupons are payaable at St Stephen or St. John, on the first of January The Road cost \$400,000 its traffic is steadily in creasing, and its nets earnings fifty per cent. more than enough to pay the interest of this issue which is for \$100,000. The completion of Western Extension and the Houlton Branch will materially add to

receipts of the Road.

The Town incorporated for the express purpose of guaranteeing the payment of these Bonds, which are virtually a First Mortgage on both Road and Town. A report from the Assessors shows that the value of the real extended value of the real estate of the incorporated district in 1 69 was about \$600,000. In six years the value real estate is said to have doubled in St. Stephen Having, before putting these Bonds upon the narket, under the direction of one of our most reliab e legal advisers, made the fullest enquiry into the issue and endorsation of these Bonds, I have much pleasure in recommending them as an invest-ment that will I think give the utmost security and

These Bonds are still offered at 95, which will be found to yield over six and a half per cent interest per annum. The interest for even months is only is charged. Parties desiring to invest for esates can-not find a security paying the same interest tthat will be more reliable. Further particulars cheerfully furnished on application to.

Dicky, with his little head on one side, looked into the open air, at the oak tree and the honeysuckles, and, spreading his wings, was a tree bird once more. Harry rushed to the table, and snatching the cage from his sister pushed her roughly away; the child fell, and a heavy beam that stood leaning against the table, jarred by Harry's shaking, came down on her arm. Mary gave one scream and turned very white, while Harry, sobered in a moment, sprang forward and raised the beam—it took most of his strength—and bent over her with a face as ways find time for what really interests him.
