JOHN YOUNG, Secretary Trustees

Every year increases the populariy of this valuable Hair Preparation; thich is due to merit alone. Wo can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OF FADED HAIR to its youthful color, enaking it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It the most co-nomical HAIR DRESSING ever used, as it requires fevrer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carcfully selected for excellent quali and I consider it the BEST PREPA-RATION for its intended purposes."

Buckingham's Dye. FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Noth-POSITE NORMAL SCHOOL follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm

Ayer's Cathartic Pills, For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pair Although gentle in their operation, they are still the

t thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the diestive organs and promote vigorous health.

Ayer's Pills have been known for

more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely with-stand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it

from the elements of weakness. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise

Every year increases the populariy of this valuable Hair Preparation; thich is due to merit alone. Wo can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfect-ed preparation for restoring GRAY OF FADED HAIR to its youthful color, caking it soft, lustrous, and silken. N. B. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic prop-erties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It the most economical HAIR DRESSING ever used, as it requires fevrer applications, and gives the hair a splendid, glossy RATION for its intended purposes."

FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.
