Stomach Misery

No Indigestion, Hearthurn, Gas or Dyspepsia in five minutes later. As there is often some one in your family who suffers an attack of Indigestion or some form of Stomach Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes

Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes, and relieves at once such miseries as Belching of Gas, Eructations of sour, undigested food, Nausea, "I married her. Some folks have tried so long to find relief from Indigestion and Dyswith the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you cat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and besides, poison the breath with nauseous odors.

OPENING OF Jackman's New Store

A TEN DAYS' HANDSEL,

COMMENCING MARCH 30th.

ENDING APRIL 10th.

We beg to advise the public that we have removed our Ladies' Furnishing, Millinery, Dressmaking, Cleansing and Pressing and General Dry Goods Departments from our New Gower Street Store to our Water Street Stores. We have connected both buildings, and now have all our business under one roof and management.

With a view of introducing our New Store and its varied and well-selected stock to the public, we have decided to hold a ten days' handsel.

This old-time custom of patronizing a new store is not only a token of good-will, but it is considered lucky.

During this sale we are offering Genuine Bargains. Our object in doing so is to clear off the odds and ends and make room for new stock.

We found that after removing we came across some lines of Blouses, Skirts, Aprons and Gloves, slightly soiled. In many cases these lines have been reduced from 20 to 50 per cent.

It will pay housekeepers to come early and get the advantage of big values in the following lines :--
