### Samson Brand Magnet Brand

MADE AT SHALLOW LAKE, ONTARIO

Our celebrated SAMSON BRAND has been before the public for many years, and has made hosts of friends among Contractors and Municipal Corporations until it has become one of the leading Cements on the market to-day, being excelled by none. This year we have decided to place the MAGNET on the market, and respectfully ask consumers to give it a trial. It will, we think, do its own advertising.

## The Northey GAS AND GASOLINE HOIST

This is the latest and most up-to-date Hoist for Contractors and Builders purposes, hauling bricks, materials, timber, etc. The Plant is cheaper in first cost, more economical in running expenses, handier and more compact than the steam plant. Our Hoist is extremely portable takes up little space and is very powerful for its size. Costs less than 5 cents per hour to operate. Needs no experienced engineer to handle, no steam to keep up, ready promptly whenever wanted. There are no bulky fuel and water supplies to arrange for, there is no danger from sparks or fire. The Engine is equipped with friction clutch to throw Engine into gear. It is built of the best obtainable materials and is fully warranted.
