"JOLLY WELL GLAD TO BE BACK TO CANADA"

That in All Lieut. Colonel Gault Has to Say—The Cologne Matter Discussed by Colonel Adamson—Names of the N. B. Men on Board

Halifax, N. S., March 17—The Cunard liner Carmania from England with the Princess Pats, the 49th Battalion and the 4th and 8th C. M. R., of the Canadian Expeditionary Force on board, arrived in port this morning a little before eight o'clock and docked at Pier No. 2 at nine o'clock.

The Princess Pats were the first to land. They marched down the gang plank by platoons, in typical military style, to the music of a band of pipers. Lieut. Colonel Hamilton Gault, D. S. O., and Lieut. Colonel A. Adamson, D. S. O., watched the proceedings from the boat. Colonel Hamilton Gault said that there was nothing for him to say except that "all were jolly well glad to get back to Canada."

Colonel Adamson was at Liverpool during the Royal riots. He doubts if he had a great deal of provocation. It had been General Currie's idea that units should return to their homes with their wounded, but Argyle House had decided against the plan on the ground that it involved too much discussion.

ST. JOHN BOYS OF PRINCESS PATS HOME AT ONCE

Regiment Not To Be Taken To Ottawa For Dispersal
THE NEWS FROM HALIFAX

Charles Robinson Receives Word—Not Known Just When Train Will Arrive—Information About the Band

Word reached Charles Robinson, secretary of the Returned Soldiers' Aid Commission this afternoon that the Princess Pats regiment would not proceed to Ottawa as a unit for a formal welcoming but would be broken up in Halifax and the New Brunswickers in it would be sent for their own dispersal.

The sudden change in plans was no exact word to arrival of the train which would bring our boys, among whom it is expected will be the Princess Pats' band—the old St. Mary's church band of this city. There was an unconfirmed report that a train would arrive in Halifax this afternoon, arriving about 10:30 or 11 o'clock.

The Princess Pats Band.
Lieut. Colonel Perley has given The Times the roll of the 140th Battalion Band, now with the Princess Pats, at it is when the band joined that unit.

Bandmaster—C. H. Williams.
Band Sergeant—H. M. Williams.
Members: G. Allen, D. McD., Akeley, A. D. Brittain, E. E. Brown, A. Cope, W. J. Dixon, K. B. Denison, B. H. Elliott, J. T. Meeting, W. B. Horsman, H. B. Lee, J. A. McKenzie, R. A. McCluskey, H. B. Abutters to Decide On the Paving Policy

Council Authorizes Work in Four City Streets
UNDER THE LOCAL IMPROVEMENT ACT

Decision Regarding Prince William, Duke, German and Union Streets Reached by Which Property Owners Will Have Opportunity to Express Opinion—Power Company Legislation to Provide for Municipal Ownership

Action is promised at last on a permanent paving programme for this year. After a lengthy discussion of the matter in its various aspects this morning the city commission decided to advertise the paving of Prince William and portions of Duke, Union and German streets under the terms of the local improvement act.

The council also took steps in the matter of the New Brunswick Power Company. A communication to the premier expressing their dissent from the findings of the Carrière committee was authorized and authority was given also for the preparation of a bill for the legislature to fix an equitable rate of return on the value of the company's assets and to provide for the city taking over the company.

When the meeting came to order Mayor Hayes remarked that the council should take action on the Carrière report on the power company.

Commissioner Fisher commented that if the city was not prepared to accept a bill based on that report they should not be asked to pay the expenses of preparing a bill.

A resolution was adopted to the effect that a bill be prepared, advertised and presented at the present session of the legislature for the purpose of determining the value of the property and assets of the New Brunswick Power Company and to provide for the city taking over the franchise and assets of the said company in whole or in part.

The council should either carry out the terms of the order adopted in January last, authorizing the issue of bonds for the purpose of providing for permanent payments in Prince William, Duke, Union and German streets, or else rescind the order. Mr. Fisher in bringing up the paving programme for consideration.

The mayor remarked that Halifax was the only city in the province that had not adopted the paving programme for consideration.

Mr. Fisher explained that he would have only \$16,000 for street work, and this was needed for streets other than those mentioned.

Mr. Thornton said that the expressions of opinion he had heard were against the local improvement act.

When the vote was taken on the Prince William street paving, Messrs Fisher, Thornton and Bullock opposed the local improvement principle.

On motion of Mr. Bullock the sale of a city lot, 50 by 100, with dwelling in front street, Fairville, known as the Reed property, was authorized to the present occupant, A. D. Armstrong, for \$1,500.

Had Nothing to Say for Publication—Only a Few Soldiers for St. John—Capt. Brown Who Brought Down Ritchie, Aboard

With her decks teeming with khaki-clad soldiers, women and children, the giant ocean liner Miamedosa arrived in port this morning with 1,639 souls on board. Of this number 419 belonged to a military party and the remaining number were either first-class passengers or dependents.

A distinguished passenger on the steamer was Lord Shaughnessy, who returned to Canada from England, where he had been for some time. Speaking to a representative of The Times he said he had had a most enjoyable trip across the Atlantic. He had nothing of news interest for publication.

Soon after the steamer docked he came down the gangplank accompanied by E. W. Beatty, president of the C. P. R., who came here in his special car to accompany Lord Shaughnessy to Montreal; his son, Captain William James Shaughnessy; H. C. Groat, general superintendent of the C. P. R. N. B. district, and Mayor Hayes, who was on hand to welcome him.

A feature this morning was the excellent music of the Garrison Regiment Band when the steamer pulled up to her dock. They opened up with "Oh Canada" and then played popular and catchy airs. The music and women of the steamer band played the selections and cheered whenever there was any sign of the band.

The following is a list of the New Brunswick soldiers on the steamer: Pte. St. John, Me. Pte. George B. Duhon, Moncton. Spr. Clarence C. Campbell, 101 Leinster street, St. John. Pte. Leo Coy, VanBuren, Me. U.S.A. Pte. Charles Danney, 38 Burgess street, Dorchester, Mass., U.S.A. Pte. Percy L. Gray, Sunny Brae, Moncton, N. B. Pte. Albert J. LeBeau, 30 Cowder street, Central Falls, R. I. Bdr. Joseph Morgan, Manuels, Nfld. Pte. Harry S. Selway, Water street, St. John. Pte. Frank E. Tohar, 10 Hazen street, St. John. Pte. Arnold L. Wright, 518 Essex street, Bangor, Me.

Brought Down Miamedosa.
Included among the military officers on the steamer was Captain A. R. Brown of Carleton Place, Ontario, who is wearing a Distinguished Flying Cross and bar for his numerous achievements on the battle of Meads of France. To Captain Brown goes the honor of bringing down the great German airman Baron Itchenoff. The bar was awarded to him after his capture by the enemy in England while flying after the armistice was signed.

Another officer who made a record was Captain C. Nicoll of Montreal, who is wearing a Distinguished Flying Cross decoration for good work while in the Royal Naval Air Force. He was overseas for more than three years and during the major portion of that time was in submarine training and flying in various parts of France.

Captain W. J. Brown of Hamilton, Ont., also is wearing a Distinguished Flying Cross decoration. He served for nearly three years in France and after the coast and his valuable services were recognized and the decorations were his reward.

Captain J. H. Keans of Toronto was in the service for three and a half years, the greater part of which time he spent in the Royal Naval Air Force. He was shot down in June, 1917, during an engagement at Messines, but fortunately landed inside his own lines. He was quite badly wounded, but was able to control his plane until it landed safely.

A WAVE OF DISEASE.
Dr. H. L. Abramson, provincial pathologist and bacteriologist, addressed the Rotary Club today at Bond's on the wave of social diseases that are sweeping the country. He made some startling statements, and telling of the action to be taken by federal and provincial governments, urged the members of the club to give the campaign their fullest support.

At the close of his remarks Doctor Abramson was asked many questions and gave explanatory answers. He declared himself in favor of a blood test before persons contracted marriage.

GOOD THINGS COMING TO THEATRES OF ST. JOHN

EXCELLENT VAUDEVILLE

Two Corking Bills at Opera House—All New Tomorrow

There is a rattling good vaudeville programme at the Opera House tonight, five splendid acts, including the Three Stewart Sisters, three English musical comedy stars in a whirlwind of original songs and class dancing; Fiquet and Fellows, in comedy cabaret and bar novelty; Mattie Quinn, versatile entertainer; Bert and Vera Morrissey, in comedy skit with eccentric dancing and singing; Jack Corbett, who tells yarns, sings and makes you laugh, and a good Vitagraph picture. Last time tonight for this programme.

The regular change of bill opening tomorrow afternoon offers "The Strand Trio," in a comedy act of music, songs and chat; Juggling DeLays; Mlle. Ligeard, in a French novelty posing feature; Francis and Love, real Australians, in high class singing comedy; and De Lay, a musical comedy pair; and the seventh chapter of the serial, "The Iron Test," Matinee tomorrow at 3 o'clock; evening as usual.

UNIQUE THEATRE PRESENTS MARTIN JOHNSON'S CANNIBALS OF THE SOUTH SEAS TODAY

Considerable interest is aroused concerning the engagement of Martin Johnson's Cannibals of the South Seas, which will open a three days engagement at the Unique today. This sensational drama is a picture of another world of the ocean savages of the South Pacific Ocean, of natives who never before saw a white man, who never knew of fire arms, and who might easily have been the inhabitant of a distant planet.

New York, Boston, Toronto and Montreal theatres showed this feature to capacity houses. The excellence and great educational value of this picture have won unlimited commendations. It offers avenues of special interest to school teachers, to local clubs interested in travel and natural history. Rife with the spirit of adventure, the lure of the exotic seas and green savages, the underlying romance of Conrad, Stevenson and London, this is an opportunity to see a feature entirely new to the stage of the ordinary. Matinee at 2 and 8:30; evening at 7 and 8:30.

RUTH ROLAND COMING SOON

Another serial story featuring Ruth Roland will be shown at the Star Theatre within a very few weeks. Those who followed "The Neglected Wife" some time ago will be delighted with Miss Roland's latest continued photoplay.

TRIP TO SOUTH SEA ISLANDS

The Cannibal Picture at the Unique Tonight is Absolutely Authentic

When the announcement was made that the Unique would show a picture depicting actual happenings in the South Sea Islands, among the man-eating cannibals, many naturally doubted its authenticity. The trip however was made by Martin Johnson, accompanied part way by his wife, and at the recent showing of these pictures at Massey Hall, Toronto, Mr. Johnson lectured personally on his wonderful experiences. These are probably the most remarkable pictures of travel and adventure ever screened, and those who have seen them locally are very enthusiastic. The much talked possibilities of the motion picture is at last exemplified in this remarkable offering which will be shown at the Unique the first three days of this week.

IN BLOOD DISEASES

Like Scrofula, Eczema, and Many Skin Troubles.

As well as a general Spring medicine for catarrh, rheumatism, dyspepsia, Hood's Sarsaparilla is of great value to men, women, children.

It does its work through work in these well-defined diseases by cleansing the blood, on the pure, healthy condition of which depend the vigor and tone of the whole system.

Hood's Sarsaparilla is equally successful in the treatment of troubles that are not so well defined—cases a low run-down condition or general debility, loss of appetite and that tired feeling, or cases in which we see very plainly after-effects of the worry and anxiety caused by the world war and the debility following the grip, influenza and fevers. In all such ailments it has accomplished a wonderful amount of good.

Hood's Pills help as a stomach-toning, digestive cathartic.

PRIZES AT SEED FAIR.

York county produced the best potato of the Green Mountain type at the annual Provincial Seed Exhibition which was held in the hall of the Normal school.

The number of exhibits displayed in the sections for wheat and oats was greater than has been seen for several years, but the various kinds of garden seeds were not so well represented as last year.

There were fifty exhibits of wheat and fifty-five of oats. The sweepstakes prize of \$10 for the best bushel of wheat was won by E. Lorne Hume, Florenceville. An excellent sample of Marquis wheat was shown by R. A. Snowball, Chatham. In the classes for oats John Stevenson, Gladwyn, carried off two first prizes and one second. He exhibited the best bushel of oats at the fair. In the special classes, open only to members of the Canadian Seed Growers' Association, Mr. Hume won first in wheat and oats and third in potatoes. Mr. Donald Innis was a second in wheat. Wm. Palmer second in oats; Harvey Parlee, Sussex, second in potatoes.

Colonel Adamson relinquished the command of the Pats, when his eyes failed him. He was transferred to corps headquarters and succeeded in the command of the regiment by the late Lieut. Colonel Charles Stewart of Halifax. Colonel Adamson is proceeding to Toronto.

The C. M. R.'s

The 4th Canadian Mounted Rifles of Montreal came home with twenty-six officers and 621 other ranks, under the command of Lieut. Colonel in charge of the 4th Battalion in July, 1915, and during its service at the front, 229 officers and 4,890 other ranks have passed through it. Lieut. Colonel Rhodes Kerr and Major J. Todd, who is second in command, are the only two officers returning with the unit, who went overseas.

Lieut. C. S. Rutherford, V.C., M.C., M.M., a Colborne, Ont., man, came home during his Canadian service in charge of the 4th Battalion, "Old Hopper." The 4th is an Edmonton battalion and boasts of two V.C. medals — Privates Kerr and Kingsford, both of Edmonton.

SHAMROCK TEA

A shamrock tea was held this afternoon in the Studio Tea Rooms in German street, under the auspices of the Royal Standard Chapter, I. O. O. E., in aid of the chapter's fund to furnish a recreation and reading room for the soldier and civilian patients in the East St. John County hospital. The studio was artistically decorated with shamrocks; there was a small bouquet on each table, and the tray-cloths had an artificial leaf on the corner of each. Sprigs of shamrock adorned the walls and window frames in the studio, the Irish flag and the Union Jack also formed part of the beautiful decorations. The candy table was magnificently decorated and presented a most attractive appearance with its load of dairy home-made candy.

Mrs. J. C. Robertson, the regent, presided over the tea. The following members of the chapter formed committees in charge of different branches of the tea: Mrs. J. P. Barnes, convener; Mrs. J. E. G. Armstrong, Mrs. F. Harding, Mrs. Alex. Wilson, Mrs. W. Merritt, Mrs

Presbyterians' After-war Plans

Falling into line with the Presbyterian churches throughout Canada, the St. John churches of that denomination yesterday launched a great forward movement by which for the next few weeks the resources and energies of the church for larger service will be mobilized. The outlines of this national movement are being presented in each church at special services.

Rev. Dr. J. A. Morrison, of the First Presbyterian church, outlined the movement to the congregation last evening as follows: The forward movement is a movement initiated by the general assembly of the Presbyterian church in Canada for the purpose of marshalling all the forces, physical and spiritual, intellectual and social, of the Presbyterian people in Canada for the advancement of the Kingdom of God in our own land, primarily, and in heathen lands. The war with tragic force has cut deep channels in human life. It has brought into sharp relief the issue of right and wrong. It has proved above all else a struggle for spiritual principles.

This movement was begun yesterday in the Presbyterian churches of the city by the exchange of pulpits by the pastors. Rev. Dr. Morrison preached at St. Matthew's church and the Rev. H. L. Elson at St. Andrew's church. The Rev. F. S. Dowling of St. Andrew's occupied the pulpit of St. David's, his subject being Home Mission Work in Canada.

These exchanges are to be continued for four Sundays.

TROOPS RETURNING
Ottawa, March 16.—The transport Celtic carrying 1,782 Canadian soldiers, is now on her way across the Atlantic and will probably dock at Halifax on March 17. Of the total on board, there are two officers and seventy-nine other ranks for Halifax; thirty officers and sixty other ranks for St. John; twenty-five other ranks for Moncton; one officer and thirteen other ranks for Quebec; nine officers and 164 other ranks for Montreal, and five other ranks for Charlottetown.
SCOUT LEADERS CONFERENCE
A conference of troop leaders, patrol leaders and seconds of the St. John boy scouts was held in the school room of Trinity church on Saturday afternoon and evening. Beginning at three o'clock there was a discussion by the leaders on many matters of interest in the work. After supper, which was served by the ladies of the church, addresses were given by A. C. Skelton, Commissioner for England, Rev. Canon Armstrong and Rev. D. H. Loweth and Mr. Cobb acted as accompanist for songs and King Cole and Red Rose. The transport Celtic carrying 1,782 Canadian soldiers, is now on her way across the Atlantic and will probably dock at Halifax on March 17.

The Talk on Bread
Most people in buying bread want the largest loaf in the store. You make a mistake, for it does not weigh any more than the medium sized loaf. When a loaf of bread raises so high, it is sover-proof. The life of the wheat has gone. Buy the medium sized loaf and get full strength of the wheat. One slice is worth more than a whole loaf of over-proof. NERVOUS PROSTRATION
May be Overcome by Lydia E. Pinkham's Vegetable Compound—This Letter Proves It.
West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my household and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."
FRANK FITZGERALD, 29 N. 41st Street, West Philadelphia, Pa.
There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.
For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

ARGENTINE GOVERNMENT NATIONALIZES HARBOR TO SETTLE STRIKE
Buenos Aires, March 16.—The Argentine government issued a decree today empowering the customs house to load and unload ships and nationalize the harbor.
This followed an effort by Sir Reginald T. Tower, British minister, to reach a compromise between the shipowners and strikers, acting in the role of mediator, which he assumed earlier in the day. The men demand full pay for the past month, during which they have been idle. Sir Reginald suggested to the shipowners that the men be paid for fifteen days. The owners refused to consider this proposal.

ARCHBISHOP OF PARIS SEES CLEMENCEAU, THEN AUDIENCE WITH POPE
Rome, March 16.—(By the Associated Press)—Pope Benedict today received in private audience Cardinal Amette, archbishop of Paris. The pontiff and the cardinal had a long conference during which Cardinal Amette related to Pope Benedict a conversation he had had with Premier Clemenceau on the eve of the cardinal's departure for Rome.
In diplomatic circles here the meeting between the Pontiff and the cardinal is considered significant.
SEVERAL BUILDINGS BURNED.
Several buildings were recently destroyed by fire at Five Fingers, a thriving settlement on the International division of the C. N. R., located in southern Restigouche county. The fire originated in a boarding house conducted by Paul Souche. The house, a large wooden building, was destroyed, the fire spreading to the store of J. W. Munroe. The store together with Mr. Munroe's dwelling, warehouse, shed and stock, was burned. The total loss was \$10,000 and an insurance \$2,700.

The Evening Times and Star

ST. JOHN, N. B., MARCH 17, 1919

The St. John Evening Times is printed at 27 and 29 Canterbury street, every evening (Sunday excepted) by The St. John Times Printing and Publishing Co. Ltd., a company incorporated under the Joint Stock Companies Act.

THE McQUEEN REPORT.

It is expected that the McQueen report will be tabled in the legislature this week. In anticipation of the findings of the commissioner he has been subjected to savage attack, and it is therefore well to point out that it is not Commissioner McQueen who is on trial.

the assembly halls may be used, to the great benefit of the neighborhood. The school board will be very ill-advised if it permits any reactionary influence to stand in the way of a legitimate use of the school buildings of the city.

THE FIGHT WILL GO ON.

The city council will have the unanimous support of the citizens in refusing to accept the Carrier report on the New Brunswick Power Company as the basis of legislation. That report came as a complete surprise. It was, as Mayor Hayes observed, a company report. It would have the city pay interest and dividends on watered stock, and also produce a surplus reserve to add another half million to the \$3,100,000 which the commission says should be recognized.

A correspondent submits as one reason why people do not build houses in St. John the following paragraph from a Montreal paper: "A Montreal contractor in a large way of business remarked the other day, 'Why should a speculator put his money into building at the present time (where everything in the cost of materials and labor is so uncertain) when he can obtain a good investment in Victory Bonds and has no taxes to pay upon them?'"

The rapidity with which soldiers are now being shipped home to Canada should tend to speed up the plans to absorb them into civilian life under conditions favorable to them. Every public man deems it appropriate and necessary to declare that everything possible must be done for the benefit of the soldier. So far so good, and the time has come to see that it is done. Lp-service will not serve. The soldier is here.

There were no friendly overtures at the meeting of the Allied and German representatives when the handing over of the German merchant fleet was agreed to. The Germans signed because they had to, and the Allied delegates were stern and unbending in their manner. The Germans are not yet penitent. They yield with a very bad grace to the inevitable.

The Boy Scout movement should be encouraged until it includes the largest possible number of boys. It gives them healthy interests and discipline, and teaches them to be manly, honorable, and useful. It will help to solve the boy problem.

Every report that comes out of Russia, telling of the Bolsheviks, is a story of savagery and murder. Their rule is infinitely worse than that of autocracy. They are today the greatest menace to world-peace and progress.

From the number of letters received by this paper there is evidently a very keen public interest in the school enquiry now in progress, and a desire that it be thorough and impartial.

It is said this will be a critical week in labor affairs in England, and that Mr. Lloyd George is expected to return to London to deal with the situation.

That St. John band which played at Westminster Abbey at Princess Patricia's wedding was highly honored, and its members will have one cherished memory of their overseas experience.

The Standard learns that the Foster government is not ready to go on with business. Let the opposition call off its orators and the Standard will soon be undeceived.

The Duke of Devonshire presided at the General Council of the Boy Scouts in annual meeting in Ottawa on Saturday. He's "a good old scout."

Starvation confronts thousands of people in the Caucasus region, and it will be extremely difficult to get food to them.

If Germany is asked to give up the west bank of the Rhine and refuses to do so there may be further work for Gen. Foch.

A false alarm was rung in from box 32, corner of Duke and Sidney streets, last evening at about 10.15. The department responded quickly, but were unable to find any trace of a fire.

Our System of Testing Insures Uniformity and Dependability in Dominion Rubber System Belting

Probably the elements that create the most satisfaction in the use of any article are an accurate knowledge of what it will do before it is made and to prove that it will efficiently accomplish its purpose after it is made.

It is on this basis that we build our belting and the knowledge of what it will do is the result of over fifty years experience and research.

We prove by careful tests that every ounce of material is up to our high standard—each individual operation is checked as the belt proceeds from one machine to the next and a sample of the finished belt is tested, both chemically and physically, to prove that it will efficiently serve the purpose for which it was made and that it has a reserve of strength for emergencies.

We want you to test not only our claims of superiority for Dominion Rubber System belting, but our free belting service, in charge of belting experts, who can help to cut your manufacturing costs, by making your equipment more efficient.

A phone, wire or letter to our nearest service branch will enable you to test this service without obligation.

THE ANXIOUS DEAD.

O guns, fall silent till the dead men hear Above their heads the legion's pressing on! (These fought their right in time of bitter fear And died not knowing how the day had gone.)

O flashing muzzles, pause and let them see The coming dawn that streaks the sky afar! Then let your mighty chorus witness be To them, and Caesar, that we still make war.

Tell them, O guns, that we have heard That we have sworn and will not turn aside; That we will onward till we win or fall; That we will keep the faith for which they died.

Bid them be patient, and some day, anon, They shall feel earth enwrap in silence deep— Shall greet in wonderment the quiet dawn, And in content may turn them to their sleep.

—From "In Flanders Fields," a collection of the late Col. John McCrae's verse just published by Wm. Briggs.

BACKWARD CHILDREN.

St. John, March 14, '19. To the Editor of The Times: Sir—I am a reader of your paper and saw where several people gave their opinions on school matters. I would like to give my idea of the same. Regarding so-called backward children, one-half of them are in such a position that

BRIDGE PERIOD BETWEEN SIGNING OF THE TREATY AND ITS RATIFICATION

Proposal of Modus Vivendi Pending Action by U. S. Senate

Paris, March 16.—(By the Associated Press)—The American peace delegates are considering bridging over the period between the signature of the peace treaty and the ratification of the treaty by the United States senate by a modus vivendi, declaring hostilities ended as of date of the signature, so as not to delay the termination of certain war legislation, and to enable the resumption immediately of normal trade, while affording the necessary time for consideration.

ST. JOHN WOMAN HAD DONE MUCH FOR TEMPERANCE

Death of Mrs. George W. Richardson in Concord WAS ELLEN R. RUDDICK

Stricken at Meeting in Interests of Prohibition, She Passed Away Next Morning—Had Been National W. C. T. U. Vice-President

(Concord (N. H.) Patriot, March 11.) With the passing away of Ellen R. Richardson, wife of George W. Richardson, which occurred at 9.40 o'clock Monday, not only Concord, but Hampshire, has lost one of its most prominent and best loved women.

Mrs. Richardson was stricken in the Pleasant Street Baptist church last night, where she was one of the speakers at a "Prohibition Jubilee," held under the direction of the Christian Society.

Mrs. Richardson was born on Dec. 27, 1846, in St. John's, N. B., the daughter of Dr. James Ruddick, a prominent physician and early temperance worker.

Mrs. Richardson was a storekeeper and the post-mistress for many years. At two sessions of the legislature Mr. Richardson represented the town of Haverhill, and while in this city during the winter Mrs. Richardson joined him, the result being that they finally decided to make Concord their permanent home.

From childhood Mrs. Richardson was a member of the Methodist Episcopal church. She was always very active in church work and was identified with many good causes.

A fine example of a self-educated woman was Mrs. Richardson. Left an orphan at the age of sixteen years, she was compelled to leave school after receiving only a grammar school education.

Mrs. Richardson was a very active member of the Baker Memorial Church of this city, where she was the teacher of a Sunday school class and was interested in the various activities of the church, having at one time been lay delegate to the annual Methodist conference, an unusual honor for a woman.

A trustee of the Mercy Home in Manchester since its foundation, Mrs. Richardson was deeply interested in its work. She had a very wide circle of friends, far and near, and had a large correspondence.

The survivors are her husband, George W. Richardson, and her only child, Guy, of Boston, editor of Our Dumb Animals, and secretary of the Massachusetts Society for the Prevention of Cruelty to Animals; and one brother, Dr. William H. Ruddick of Boston.

JAPS AND BOLSHEVIKI IN STRENUOUS FIGHTING Vladivostok, March 4.—(By the Associated Press)—Two companies of Japanese troops were virtually wiped out by the Bolsheviki in fighting near Sitamoko, fifty miles northeast of Blagovestchensk, Feb. 26. Two hundred and fifty men were engaged. Major Tanaka, commanding the Japanese, was killed. In a second battle on March 9, at Pralovka, thirty miles to the north, the Japanese suffered ninety casualties. In

Coal Shipment Small.
Philadelphia, March 17.—Anthracite coal shipments for February were 8,571, 982 tons, being, with the exception of the strike years—1920, 1926 and 1912—the smallest in eighteen years, or since December, 1901.

NEW DOMINION COMMISSIONER OF BOY SCOUTS

Dr. J. W. Robertson Succeeds Sir Percy Sherwood—Enthusiasm Over Visit by Sir R. Baden-Powell

Ottawa, March 17.—The annual general meeting of the Canadian General Council of the Boy Scouts Association was held at the Chateau Laurier on Saturday under the chairmanship of His Excellency the Duke of Devonshire, chief scout for Canada. Everyone present was most enthusiastic over the future of the movement. The new Canadian handbook has been published and will be available immediately. The report of the executive dealt with the proposed plan for the extension of the work and referred to the appointment of Prof. J. A. Stiles of Fredericton as assistant to the dominion commissioner. This report also showed that the movement had made steady progress during the last five years notwithstanding the drain upon its officers and scouts through enlistments for overseas service. The elections of officers resulted in Dr. J. W. Robertson of Ottawa becoming dominion commissioner, succeeding Sir Percy Sherwood. Much interest was aroused over the announcement of the intention of Lieutenant-General Sir Robert Baden-Powell to visit Canada during May. The 5th C. M. R. will reach St. John this evening. The 8th C. M. R., which arrived at Halifax this morning, will arrive in St. John as early as could be learned, about eight o'clock this evening. They probably will remain for about an hour before pulling out for Sherbrooke, P. Q.

and citizens are planning a warm welcome for them. Among the officers of this unit is Captain A. W. Thorne of this city. The Princess Pats will go direct to Ottawa via the I. C. R.

St. David's church sing-song and social for soldiers and sailors held last night after the church service, was a very enjoyable event. R. Reid was the most efficient chairman, and the programme included songs by Miss Tweedie, Private Dent and Mr. Archibald, all being received with marked pleasure. Miss M. Crookshank presided at the piano, and the general sing-song prolonged the delightful evening after the refreshments had been served.

A grass fire was started by some careless boys yesterday afternoon about two o'clock, near Bay Shore. Under the direction of Policeman Quilty and Moses McNulty, and with the help of about sixty men gathered from around the vicinity, the fire was extinguished. The cottage owned by W. Hope Grant was slightly damaged and some cottages owned by Miss A. O'Neill were in great danger at one time.

First Principles in Tire-Buying

There has been too much obscuring of the issue on the tire question. Too much "price talk" and "local talent"—too many generalities.

There is only one proper basis on which to buy tires—and only one proper basis on which to manufacture and sell them. *The cheapest tire is the tire that gives the most miles for every dollar invested.*

That is the crux of the situation. Special Brands; Special Discounts; Cut Prices—merely "camouflage" over the weak spots of the tire industry. Now is the time to clear the air—to get back to first principles in tire-buying.

You can't judge a tire by the weight, or the size, or the color. You don't want to buy those things. You do want to buy miles

of service. And when you balance the miles of service against the price, you are buying tires economically.

Believing this, Goodyear has conducted endless experiments in tire-building, has fathered vital evolutions of the automobile tire.

Each change has meant lowered motoring cost through better tire service.

That simple principle is the reason behind the Goodyear Cord Tire. It is a tire that gives longer mileage and greater satisfaction, and its cost-per-mile is lower.

The same virtues are to be found in the Goodyear Heavy Tourist Tube—a better tube for any tire and a fit mate for the Goodyear Cord Tire.

If you are anxious to get down to brass tacks on the tire question, talk to a Goodyear Service Station Dealer. He has some interesting records of Goodyear achievement.

QUESTIONS AND ANSWERS IN THE LEGISLATURE

Hon. Mr. Foster in reply to Mr. Smith (Albert):
1.—Who are the employees of the workmen's compensation board, and their respective salaries?
Ans.—The employees of the workmen's compensation board, and their respective salaries are as follows:
John A. Sinclair, chairman, \$4,000
James C. Robinson, vice-chairman, 3,000
James L. Suggs, commissioner, 3,000
H. Russell Sturges, chief accountant, 2,500
Douglas R. Brown, claims officer, 1,500
Robert B. Irving, bookkeeper, 800
Alphonse T. LeBlanc, inspector, 1,200
J. F. L. Brown, M. D., advisory medical officer, 500
Miss Hilda B. Williams, secretary, 750
Miss Genevieve M. Killen, claims stenographer, 750
Miss Florence T. Nugent, stenographer, 520
Miss Mary K. Lannan, stenographer, 520
2.—On whose recommendation was each appointed?
Ans.—The commissioners constituting the board were appointed by the lieutenant-governor-in-council. The employees under the commissioners are appointed by the board, and there were no recommendations in these cases other than the board satisfying themselves that the staff was fit and competent to discharge their duties.
The Roads.
Hon. Mr. Veniot in reply to Mr. Smith (Caledon), said:
1. Q.—What amount has been expended on ordinary roads during the last fiscal year?
Ans.—The amount expended on ordinary roads during the last fiscal year was \$184,022.29 including \$24,842.13 accounts payable, taken up in balance sheet or province at October 31, 1917.
2. Q.—What has been charged under this head since the close of the fiscal year?
Ans.—The amount expended on ordinary roads from November 1, 1918, to March 1, 1919, was \$25,239.77 including \$12,105.23 accounts payable taken up in balance sheet of Province at October 31, 1918.
3. Q.—At whose request was the work done in raising the level of the road through what is known as the park at Rolyway?
Ans.—Request of property owners in park.
4. Q.—What is the estimated quantity of rock used for such work?
Ans.—About 900 cubic yards.
5. Q.—Was not the road in use through the park quite sufficient for requirements? If not, so, what was the need of raising the road?
Ans.—It was not considered so. The need of raising the road was particularly apparent at freshet time when the water backed up from the Kennedycanals and overflowed this entrance to a depth, sometimes as much as three feet. It was not possible for property owners to get to their residences because both entrance to the park were submerged, and since within a few years, very expensive residences suitable for all the year around have been erected in the park, the raising of the road so as to enable the use of it at any time of the year was considered necessary. The larger property owners occupying or owning valuable residences in the park include such well known men as S. A. M. Skinner, Fred B. Sayre, W. B. Tennant, leasing from Geo. W. Fowler, Judge J. R. Armstrong, Howard P. Robinson, R. D. Paterson, W. A. Harrison, Colonel B. R. Armstrong as well as many others.
6. Q.—Was not said road only in use to give access to summer cottages?
Ans.—No. It was in use to give access to valuable residences at all seasons of the year.
7. Q.—What is the estimated length of said road?
Ans.—600 feet.
8. Q.—What amount was paid per cubic yard for stone for such road?
Ans.—Stone was furnished without charge by Messrs. Allison, Fleming, Gibson, Maynes, and others.
9. Q.—What amount was paid per cubic yard for hauling such stone?
Ans.—From fifty cents to \$1.30 according to distance hauled.
10. Q.—What amount was paid per day per team for hauling such stone?
Ans.—Paid according to amount hauled.
11. Q.—To what width is such road being widened?
Ans.—Sixteen feet on top.

Heart Palpitated Could Count Every Beat

When the heart begins to palpitate, it will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over your whole system, accompanied by weak, fainting and dizzy spells.
When the heart gets into this condition, you become weak, worn and miserable, and are unable to attend to either social, business or household duties.
Milburn's Heart and Nerve Pills will give prompt and permanent relief to all sufferers from any heart weakness or nerve derangements.
Mrs. Walter Grives, Apsley, Ont., writes: "I had been run down, and doctors told me I was anemic, but did not help me with their medicines. I was thankful to tell others what I had done for me, and now I am able to do my work for eight months. A cousin of mine had taken Milburn's Heart and Nerve Pills and told me what they had done for her. I took eight boxes of them, and now I am able to help every day with the work. I am able to sleep nights, my heart palpitated so, so that they may try this great and wonderful remedy. I hope this may prove good to some one who is suffering the way I did."
Milburn's Heart and Nerve Pills are 50¢ a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Paris, March 15.—(By the Associated Press)—The Jugo-Slav committee in Paris has issued a statement in which it says it learns that grave disturbances have occurred at Spalato, Dalmatia, where, according to information reaching the committee, Italian sailors fought the inhabitants with knives, killing or wounding several persons. Eventually the sailors were driven back aboard their vessels, the statement adds.
The Jugo-Slav authorities have asked that the inter-allied commission open an inquiry into the matter.
It is announced from Belgrade that Italy has recalled its newly appointed minister from that city, but it is stated that this has no connection with the Spalato disturbances.

To Surrender 3,500,000 Tons Of Shipping
German Steamers to be Divided Among France, Great Britain and United States—Allies to Supply Crews

London, March 15.—(By the Associated Press)—The Allies have agreed to surrender 3,500,000 tons of shipping to the Allies to be divided equally among France, Great Britain and the United States. The Allies have also agreed to supply crews for the surrendered ships.
The agreement was reached after a long and difficult negotiation. The Allies have agreed to supply crews for the surrendered ships, and the German government has agreed to supply the necessary equipment and supplies for the crews.
The agreement is a significant step towards the disarmament of Germany, and it is expected that it will lead to a more peaceful and stable world.

Regarded as Blow For Government
London, March 15.—Politicians look upon the result in the parliamentary election in the West Lothian division yesterday as a sharp reminder to the coalition government of Premier Lloyd George of popular discontent.
The division returned A. E. Newbould, an independent Liberal, who was defeated in December, by a majority of 2,000 over K. F. Mason, a coalition Unionist. In the general election in December the coalition Unionist, Colonel Wrightson, whose death made today's election necessary, polled 11,000 votes to Newbould's 5,000. This result, with the fact that Rear Admiral Sir W. R. Hall, coalition Unionist, was returned for the West Derby division of Liverpool recently by a greatly decreased majority, is taken to show that the political lid is turning.
The result meant merely that his predecessor, Sir F. E. Smith, since appointed lord high chancellor, enjoyed unusual prestige and personal popularity.
The Newbould case is different. Premier Lloyd George wrote a letter approving the candidacy of Mr. Mason as a supporter of the coalition government. Mr. Newbould then sent a letter to the premier, pointing out that Mason had consistently voted against the Liberal policies of Lloyd George and against his social measures, whereas Newbould had always supported the policy of Lloyd George. The premier failed to reply to the letter, and the Liberals made capital of the fact.
Politicians credit this change in sentiment to the government's financial policy, which C. F. G. Masterman, a former member of the cabinet, called "the road to ruin."

CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" Can't Harm Tender Stomach or Bowels
A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs" then don't worry, because it is perfectly harmless, and in a few hours the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often the first treatment given in any sickness.
Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for the sick. Look carefully and see that it is made in the "California Fig Syrup Company."

MANY REPORTED KILLED IN DISORDERS IN KOREA

Shanghai, March 14.—(By the Associated Press)—Thirty persons were killed and forty were wounded at Sun Chuan, Korea, on March 4, according to a translation of an account of disorders in that country published in a Japanese newspaper at Seoul and translated by the Reuters agency.
At the village of Subung, south of Pingyang, says the account, four guerrillas fired on a mob until their ammunition was exhausted, fifty-one persons being killed. The mob eventually killed the guerrillas. At Yangdok twenty rioters were slain in an engagement.

STOP CATARRH OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.
If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of "Ely's Cream Ointment" and apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.
Ah, how good! Your nostrils are open, your head is clear, no more yawning, snuffing, blowing; no more headache, dizziness or struggling for breath. Ely's Cream Ointment is just what sufferers from head colds and catarrh need. It's a delight.

IMPLEMENTS CHEAPER FOR SOLDIER SETTLERS

Ottawa, March 15.—Soldiers who participate in the benefits of the land settlement provisions will have the advantage of considerable reductions in price on the purchase of agricultural implements, live stock and harness.
W. J. Black, chairman of the Soldier Settlement board, announces that very favorable arrangements have been made with manufacturers of implements and harness by which soldiers will be given a wide range of choice of first class implements at prices substantially below those quoted to civilians. The manufacturers also have guaranteed that soldier settlers will receive from any of their agents the same service and consideration in the setting up of their machinery and supplying repairs and spare parts as is given civilians who pay the regular retail price.

PRaise FOR LOCAL WELCOME TO SOLDIERS

"The fraternal welcome of the people of St. John to the boys returning from overseas has outdone that of any other Atlantic port," was the statement made by Dr. T. Albert Moore, of Toronto, in his sermon at the Centenary Methodist church last evening. Dr. Moore is the secretary of the department of evangelism and social service of the Methodist church and has also just recently returned from overseas where he was sent as a member of the commission representing the Canadian Methodist church. He dealt with the great value of men and women of human life in the present day, and of the great and ever increasing necessity of economizing in humanity. He said that every effort must be made and honestly be made to economize in humanity. Every child must be developed as high as possible until humanity is found to be rising into a loftier position than it has ever attained.

A FOUR-MILE FUNERAL PROCESSION

The funerals of Liebnicht and his two other Spartacists in Berlin, passed off unexpectedly quietly, though the military were prepared for all eventualities. Wreaths were carried in the procession, which was more than four miles long. The picture shows a dense crowd which watched the cortege.

Women Prepare Platform For The Next Election

Mrs. E. Atherton Smith returned on Saturday from Ottawa, where she had been attending the executive of the National Council of Women. Mrs. Smith was very enthusiastic regarding the splendid work done at the meeting and herself gave up many social engagements in order to attend the sessions, which were held morning, afternoon and evening, so many and so vital were the questions discussed.

Subjects dealt with in resolutions varied widely, but were all of national importance and dealt with questions vitally affecting the council that sent them on. Among those of special importance which Mrs. Smith mentioned were those on prohibition, soldiers' settlement schemes, war saving stamps, women's franchise, women's reparation work, juvenile court, uniformed nurses, the necessity of continuing in office the cost of living commissioners for the inspection of cold storage and food products, and the continuance of the importation of oleomargarine, and the reposition sent by the Winnipeg committee in support of the postmen in their petition for a Saturday half-holiday. All of these were among the important resolutions that were discussed and endorsed by the executive.

An view of the federal franchise being granted to women a committee of ladies representative of every province was appointed to formulate a women's platform for a women's party. The platform formulated by them will be submitted in a report at the annual meeting in June. Mrs. E. Atherton Smith will represent New Brunswick on this committee, of which the vice-presidents of each province are members.

During many of the discussions on reparation and the welcoming of soldiers Mrs. Smith saw just what credit was given to St. John for the manner in which it welcomes the returned men and their dependents. She gave her listeners to understand that the women of St. John needed no pioneering in patriotic effort from the government or from the national committee and said that since the outbreak of the war they had stood ready with willing hands and feet to render any service to the empire and the soldier boys, and that they were now giving the soldiers' wives and children the great St. John welcome, the best there is. She was also able to point out that where many other places needed reforms New Brunswick had already supplied the want. In particular she referred to the act that New Brunswick has women on school boards and has a minister of health and that St. John has a woman on the board of health, the first to be appointed in the Dominion, and the nominee of the local council. Mrs. Smith has since privileged in conferring with the government as a member of the committee dealing with two important measures.

It was also asked to be a member of the delegation of the great national prohibition conference held in the Chateau-sur-Mer on Friday morning, at which representatives of every part of Canada were present, with Judge LaFontaine in the chair. Mrs. Smith was asked to be a delegate from that body to wait on the government but regretted that she was unable to do so because she was leaving for St. John by an early train.

Mrs. Smith had the privilege of conveying the invitation of the St. John Local Council of Women to the national council to hold its meeting in St. John in September, 1920. The invitation was received with most evident appreciation, but the council will not come to a final decision regarding it until the annual meeting is held. Mrs. Smith will have a great deal of interest to tell the local council at its next meeting.

NEW MOTOR FUELS

Stronger Than Gasoline But Also More Expensive.

Washington, March 17.—Development on late for use in the war of a motor fuel which adds ten miles an hour to the speed of airplanes and has possibilities for use in automobile racing was announced today by the bureau of mines. The liquid, a combination of benzol and zolohexane called hectar, costs about \$1 gallon, so while of military value it is regarded as impracticable for commercial purposes at present.

A combination developed by the bureau, consisting of benzol and gasoline, has been found to be more powerful than gasoline alone and is expected to prove of value in industry. The comparative scarcity of benzol, however, makes its production to supplant gasoline on a large scale improbable in the immediate future.

Germany and Poland. Paris, March 17.—A despatch to the avas Agency from Posen, dated Saturday, says the German delegation has turned to Posen and resumed negotiations in an effort to settle the controversy between Germany and Poland.

RECENT DEATHS

Rev. Father Lichtenberger

Death came peacefully to Rev. Joseph Lichtenberger in the St. John Infirmary on Saturday afternoon. He had been critically ill for some days. There was profound regret expressed among the religious and the laity when it became known that the priest had passed away. Father Joseph, as he was better known here, was a native of France, having been born at Alsace-Lorraine in 1860, ten years previous to the Franco-Prussian war, which saw Alsace-Lorraine wrested from France and fall to the hand of Germany. His people were loyal to France and when he was ten years of age he went with his family to Paris. He received his earlier education there and was ordained to the priesthood in 1888, at Paris by the Rt. Rev. Mgr. DuBois. He was ordained a priest as a member of the Congregation of the Holy Ghost, more extensively known in France, but there are many in this country at present.

The work of the Congregation of the Holy Ghost is confined primarily to missionary activities, and Father Joseph was sent to Africa, where he spent almost a quarter of a century laboring for the spread of Christianity among the pagan negroes. With no thought of death or bodily suffering, Father Joseph, with others of his band, labored long and faithfully among these people to bring them to the belief of a God. The ordinary life of a missionary in these parts is about eight years, when he is recalled and given a rest, but Father Joseph was there three times long, being one of the most successful missionaries that ever went to Africa. With untiring zeal and courage in the face of death itself—and many times he faced it, coming through miraculously—he labored for the conversion of the negroes and surely with a record of twenty-five years of labor among these people his will be a glorious crown hereafter.

Following his exceptionally long stay in Africa, Father Joseph returned to France, where he spent a few years recuperating. He then sailed for this country and landed at Halifax, being stationed for four years at East Pubnico (N. S.). From the Halifax diocese he came to New Brunswick, where he has been for two years and up to the time of the illness which ended in his death. He was stationed at Notre Dame, Fox Creek and more recently at St. Anne, Kent county. He was a general favorite wherever he went and was revered not only by the immediate members of his parish but by his fellow clergy as well. He was a saintly priest and labored for thirty-three years in the vineyard of his Master. He led an exemplary life full of goodness and thoughts for others.

Father Joseph underwent an operation a few years ago for cancer of the stomach. He was quite well after it up to recently when he complained again and was forced to enter the infirmary here. A brother, Rev. Xavier Lichtenberger, has recently been appointed pastor at Detroit (U. S. A.), and will arrive on the Boston train today for the funeral. He is his only living relative on this side of the Atlantic.

The body will be taken to Fox Creek, Westmorland county, by this afternoon's train and will be accompanied by Bishop LeBlanc and Rev. J. J. Walsh, V. G., death of John Flett, the well known

who will attend the funeral obsequies there on Tuesday morning.

George W. Dykeman died on March 12 at Dorchester, Boston. He was formerly a resident of St. John and the interment was made here last Friday. He is survived by a wife, formerly Miss Louisa J. Clark.

William London. The death is announced in Roxbury (Mass.), of William London, formerly of St. John.

Mrs. Anne McQuarrie. The death of Mrs. Anne McQuarrie, widow of Captain G. W. McQuarrie, of Glenora Island, Mull Scotland, late of the 1st Black Watch Regiment, occurred on March 12 in this city. Mrs. McQuarrie, who was in her eighty-fourth year, is survived by two sons, Roland McQuarrie, of Vancouver, and A. J. McQuarrie, of Woodstock (N. B.). The funeral was held from Trinity church on Saturday, March 15. The service was conducted by Rev. Canon R. A. Armstrong and interment was made in Fernhill cemetery.

Mrs. Henriette Sherwood. Frederickton, March 16.—Mrs. Henriette Blanche Sherwood, wife of Abram Sherwood, Frederickton, manager for the Canadian Pacific Telegraph Company and Dominion Express Company, died at her residence, Waterloo row, this morning of heart failure. The deceased had been ill for some time. Mrs. Sherwood was aged forty-eight years. She was a native of Gagetown and a daughter of the late Rev. John M. Currie. The body will be taken to Hillsboro, Monday evening for interment. Her husband, two sons, two daughters, two step-sons and one step-daughter survive; also two sisters and one brother.

Mrs. P. A. Edington. Frederickton, March 16.—(Special)—Mrs. P. A. Edington, formerly Miss Daisy McKenzie, daughter of the late P. D. McKenzie, of Frederickton, died last evening at her home in "Seyville" (Alta). The deceased was ill for a short time with influenza which was followed by pneumonia. She was aged twenty-seven years and is survived by her mother, Mrs. P. D. McKenzie, her husband, one son, Donald, and two sisters, Mrs. Arthur K. Limerick and Mrs. Lanford Good, of Edmundston. The deceased was twenty-seven years old. While a resident of Frederickton she was well known as a musician.

John T. Hazelwood. Marysville, March 16.—John T. Hazelwood, of Marysville, one of the oldest residents of the town, died today.

Mrs. William Condon. Moncton, March 16.—(Special)—James M. Condon, of Moncton, received a telegram from Halifax Saturday informing him of the death of his brother's wife, Mrs. William Condon. She was a former resident of Moncton, being Miss Mary McConnell, daughter of the late David McConnell. She is survived by her husband and four children, also two sisters, Mrs. John Irving and Mrs. Dykes Trenholm, both of St. John.

John Flett. Newcastle, March 16.—(Special)—The body of John Flett, the well known

manager of the Nelson mill, occurred last Friday evening after only two days' illness. Deceased was nearly fifty years old. He was a son of the late John and Mary Flett, of Nelson. He leaves his wife, formerly Miss Louise Verker, Nelson; also two brothers, Charles F. of Melrose (Mass.), and William J., of Boston avenue, Medford (Mass.). The funeral will be held Tuesday afternoon at the Presbyterian cemetery, Nelson.

Duncan McGinnis. There will be many who will bear with regret the death of Duncan McGinnis, which occurred yesterday at his late residence, 80 Clarence street. The late Mr. McGinnis was a native of Prince Edward Island and came here about forty years ago having resided in St. John ever since, being a well known carpenter in this city for many years. He leaves his wife, Mrs. J. McGinnis, to mourn. Deceased was about seventy-five years of age. He suffered a severe fall at the beginning of the winter from the effects of which he never fully recovered. The funeral arrangements have not yet been made.

The death of Mrs. August S. Dodge took place at her home in Nauwigawauk Saturday morning, at the age of seventy years. Mrs. Dodge was the wife of the late George W. Dodge and she leaves six sons and three sisters.

APPEAL FOR SYRIANS

Members of the Syrian Protective Association, which held a meeting yesterday, have received additional letters telling of terrible conditions which prevail in that country as the result of locusts and fearful depredations by disbanded Turkish soldiers. In the Mount Lebanon district, villages have been overrun by the Turks, large numbers of the population massacred, girls and women outraged and property confiscated. A committee of Syrians here, consisting of B. M. Tobias, Thomas Hatty, Peter Farris, Thomas Stephen and Thomas Tobias, is perfecting plans to raise relief funds in this city and they made a preliminary report at yesterday's meeting. Final plans will be perfected, it is expected, at another meeting to be held this week. The Syrian Protective Association has decided to appeal to citizens in general, clubs, societies and other organizations to co-operate with them.

BELIEVE SOLDIERS WILL UPHOLD PROHIBITION

The cause of prohibition had a most able champion last evening when the Rev. J. H. Jenner, pastor of the Charlotte street West End Baptist church, preached a thoughtful and telling sermon before a large congregation on "What God Thinks of the Liquor Business." He spoke of the evils of the liquor business from three points of view that of the drinker, the seller and the country, and in concluding expressed his sincere opinion that the men who return from overseas where they have fought for all that is right will surely still uphold the right and vote against the liquor traffic.

ONTARIO TO AID IN CONSOLIDATED SCHOOL PLAN

Toronto, March 17.—Government financial assistance toward the construction of central school buildings will be one of the chief features of the consolidated schools policy to be incorporated in the legislation to be introduced in the legislature to be introduced by Hon. Dr. Cuddy, minister of education, this session. The problem of school buildings is one of the most serious ones to be faced in connection with the consolidation of schools, since in many of the school sections of the province the existing schoolhouses are in fairly good shape and local school boards will not be disposed to undertake new expenditures and scrap their present buildings. To meet this the government, it is understood, proposes to make grants, probably based upon the assessed value of a section, which would be regarded as a sort of equivalent for the buildings scrapped. The balance of the cost would, of course, have to be met by the school boards as a matter of agreement.

The fact that in many school sections the existing buildings must be rebuilt or added to in the near future makes the commencement of the consolidated schools scheme easier. It is expected that the first consolidated section will be in Oxford county, where a group of five schools only two are sufficient for requirements and where considerable expenditure must be incurred.

The policy under consideration looks to the linking up of from three to five schools in a consolidated section. It is felt that to take in a larger section would make the scheme unworkable since the distances the children would have to travel would be too great. It is estimated that a consolidated school embracing from

"Half an Inch is all you need"

three to five sections would have about twenty-five or more pupils, and it is the conviction of the officials of the department of education that these schools in the populous districts would eventually develop into continuation schools, thus giving a very high standard of education locally. Settlement Board Has Assisted 1,200 With Loans Averaging \$1,400

Ottawa, March 17.—While the debate on the address was in progress in the house last night, W. J. Black, chairman of the Soldier Settlement Board, was giving an address in one of the committee rooms on the activities of the board.

Nearly all the western members, with a number from the eastern provinces, foregathered and this counter-attraction chamber, Mr. Black gave a lucid explanation of government policy with respect to land settlement and cleared up many points upon which there has been some discussion throughout the country.

Mr. Black also outlined the intentions of the board with regard to standardizing the buildings. A ready-made knock-down house would be shipped in at a price from 25 to 35 per cent lower than civilians can lay down similar houses.

When the German submarine U-48 sought refuge at Ferral, her propellers were smashed by the authorities and her guns and munitions were taken out, according to despatches from that port.

TO CONTINUE NORDIN SHIPBUILDING YARDS

THOUSANDS OF PEOPLE STARVING

Shocking Report Sent From Caucasus by American Official

New York, March 17.—Thousands of men, women and children are starving to death in the Caucasus, according to the first report from Dr. James L. Barton, chairman of a commission recently sent to that region by the American committee for relief in the Near East, received by cable at the headquarters of the committee here yesterday.

There is no bread anywhere," said the report. "The government has not a pound of wheat, and the people are dying of starvation."

There is not a dog, cat, horse, camel or any living thing in all the Igdif region. We saw refugees wading through the ice from the dead horse with their bare hands today.

THIRTY DEATHS A DAY ARE REPORTED FROM ARAHART, TWENTY FROM ERIZAN, and a hundred from the Igdif region.

High School Alumnae Plans for Memorial

A successful St. Patrick's tea and sale was held by the High School Alumnae in the German street church institute on Saturday for the purpose of raising funds to provide an annual scholarship as a memorial for high school students who have given their lives in the war.

U-BOAT SUNK WHILE ESCAPING FROM SPAIN

Paris, March 15.—The submarine U-48 while attempting to escape from Ferral, Spain, last night, was chased by a destroyer and sunk, according to a Havas despatch from Madrid.

When the German submarine U-48 sought refuge at Ferral, her propellers were smashed by the authorities and her guns and munitions were taken out, according to despatches from that port.

THE CAPTAIN OF THE SUBMARINE declared that his craft had been damaged severely in a fight with three ships. The U-boat carried a crew of thirty men, and for a time a Spanish warship stood guard over her.

In 1917 the U-48 was reported off Bermuda.

SIBERIAN FORCE HAPPY AND SAFE

Captain Dunham Thinks Corps Should Stay — Allied Armies Strike Only When the Bolsheviks Attack Them

Toronto, March 17.—"To withdraw the allied forces from Siberia would be little less than a calamity," said Capt. W. E. Dunham, of the Y. M. C. A., who has returned from service with the Canadian army in Siberia.

"Since their arrival," he continued, "there is a stable military dictatorship instead of the Soviet form of government. There is now comparative order instead of complete chaos, and life, property and travel are safe."

The British troops generally, he said, were the most respected of all the allied troops. The Canadians are splendidly equipped.

Boleshevism is rife in Siberia, but cannot get in its deadly work owing to the presence of the High School Alumnae in the German street church institute on Saturday for the purpose of raising funds to provide an annual scholarship as a memorial for high school students who have given their lives in the war.

BRITISH OPINION ON FREE IMPORTS

Impetus to Trade and Benefit to Labor Are to be Expected—A Temporary Measure

London, March 17.—Discussing the removal of the restrictions on imports announced in parliament, the Daily Graphic says:—

"Imperial preference is to be enforced on a liberal scale, and the value of that preference may be inferred from the enthusiasm with which the intimation was received by the Canadian exhibitors at Lyons Fair."

The Daily Telegraph remarks that the licensing system for imports is vicious. It leads to favoritism and corruption and leaves too much discretion in the hands of the official.

Two African missionaries, Dr. I. E. Jaggard and Dr. W. A. Fyfe, occupied the pulpits of the Douglas avenue and Coburg street Christian churches yesterday.

Kaiser's Son Reported to Be Seeking Divorce

Amsterdam, March 17—Eitel Fried-
rich, second son of the former German
emperor, has commenced divorce
proceedings against his wife, charging
infidelity before the war, according to
a Berlin newspaper. The paper adds that
when the former prince attempted to
begin proceedings before the war his
father vetoed the plan.

Eitel Friedrich was married in 1906
to Grand Duchess Sophie Charlotte of
Oldenburg.

BIG PLANS FOR MAKING KNOWN OUR ATTRACTIONS

"Forward New Brunswick"
Movement Shaping Up

A CALL FOR CO-OPERATION

Some of the Ideas of the Promo-
ters Set Out in Letter—Promo-
tion Along Various Lines

"Forward New Brunswick, 1919. Put
New Brunswick on the map, by co-
operation in promoting tourist travel,
hunting, sporting, agriculture, mining
and lumbering."

Under this heading the following cir-
cular letter is issued by E. A. Schofield,
president:

"The executive of the New Brunswick
Tourist Association asks for your co-
operation and that of your community
organizations in promoting on this first
year of peace a general forward co-
operative movement in the province,
along the special lines indicated.

"For this purpose it is proposed to set
apart one day (about the first or second
week in May) on which to hold a gen-
eral convention of business men, hotel-
keepers, traffic men and kindred lines,
the idea being to make this an annual
provincial event and to hold meetings
alternately in the various sections of the
province, north, south, east and west.

"The idea so far laid out would be
to have the large business interests gen-
erally represented, the boards of trade,
tourist associations, the rotary clubs, re-
tail and wholesale merchants, com-
mercial travelers, transportation companies,
hotels, automobile associations, Knights
of Columbus and all such interested
bodies.

"It is proposed to have representatives
present from all the provincial news-
papers, and to endeavor as far as pos-
sible to get American and upper Cana-
dian newspaper and magazine writers
to attend.

"It is further proposed to have the
forenoon given over to sightseeing of the
immediate locality by automobile, if the
roads and weather are satisfactory. The
afternoon would be devoted to instruc-
tive addresses, through the medium of
moving picture shows, in some one of
the theatres that might be available.
The Guides' Association have already
some attractive reels of hunting and
fishing, the provincial government have
some agricultural reels, and have prom-
ised to supply further reels of hunt-
ing, fishing and mining industries, or in
other words, of the natural products of
the province of New Brunswick. These
would all be shown on the screen, and
possibly addresses given concerning
them. The evening would be taken up
with a banquet at which it is proposed
to have some notable speakers on hunt-
ing, fishing travel and big business gen-
erally. The idea of the whole proposition
being to awaken the interest of the peo-
ple of our own province to the possibi-
lities of the same, and by the advertising
the province would get to attract out-
side capital, or at all events tourists or
sportsmen. These latter, it is estimated,
are among the most valuable assets the
province has; every dollar they spend is

WORLD CONFERENCE ON FAITH AND ORDER.

Gardiner, Me., March 15—Invitations
to participate in the arrangements for a
world conference on the faith and order
of the Church of Christ have been sent
to all the communions throughout the
world which believe that the Son of God
was made man, with the exception of the
churches all over the continent of Europe
and the Oriental Orthodox churches. All
the communions in the United States
and Canada, accepting and presenting
in 1911 and 1912. The commission of the
American Episcopal church, whose duty
it is to issue the invitations, sent
delegations to Great Britain which se-
cured in 1912 and 1913 the co-operation
of the Church of England and its sister
churches in Scotland and Ireland and of
the free churches in those countries.

After that the co-operation of the
churches all over the world in English-
speaking countries was obtained and
sixty-one commissions have been ap-
pointed representing sixty-one auton-
omous branches of all the leading com-
munions.

It was thought wise not to issue in-
vitations that lette denotation will be
non-English speaking countries, and in
1914, and again in 1917, it was hoped to
send delegations to present and explain
the invitation personally in those coun-
tries, but the war made it impossible.
Now, however, the way has been opened
and there called on the Aquilans from
New York on March 6 a deputation com-
mission of the Rt. Rev. Dr. Anderson,
Bishop of Chicago and president of the
Committee of the American Episcopal
Church, the Rt. Rev. Dr. Vincent, Bishop
of Southern Ohio and from 1910 to 1916
chairman of the House of Bishops, the
Rt. Rev. Dr. Weller, Bishop of Fond du
Lac, the Rev. Dr. B. Talbot Rogers,
president of Racine College, and the
Rev. Dr. Edward L. Parsons.

The deputation hopes to proceed to
London, Athens, Constantinople, Anti-
och, Jerusalem, Alexandria, Rome,
Switzerland, France, Belgium, Holland,
Denmark, Norway, Sweden and such
other countries as can be reached. Many
eminent members of the churches in all
these countries have given cordial as-
surance that the denotation will be
sympathetically received and heard with
interest and in the earnest hope that the
world conference may remove the prej-
udices, misunderstandings and mutual ig-
norance among the churches which
shut them from the one visible body of
Christ, so that the way may be open
for directly constructive effort to es-
tablish that unity among His Disciples
which Christ regarded as the only evi-
dence potent to convince the world that
He had been sent by the Father to re-
dem mankind.

An organ recital was given in St.
John's church after the service last even-
ing among the Knights of Columbus, led
by Dr. Arnold Fox, organist of the
church. Four selections were given.

ST. PATRICK'S DAY

Observance of Feast of Ireland's Patron Saint

CATHEDRAL SERMON

Scholarly Address by Rev. R. B. Fraser — Shamrocks, Flags and Amateur Theatricals — Great Parade in New York

Usually St. Patrick's day finds the forces of King Winter in St. John broken beyond repair and the anniversary being fraught with the veneration and sentiments of the Irish people, has come to be looked upon as a harbinger of merry spring-time with. So when the ominous clouds and chilling blasts of this forenoon greeted those who went forth to special early services it seemed as if Nature was in a bright little offering entitled "Eliza Comes to Stay," and the principal participants are well known to the local stage. Specialties will be interspersed. Theatricals of a similar character will grace the boards in the various parish halls of this Catholic diocese. The indications are that these programmes will be enjoyed by the usual large number of people, young and old.

REV. R. B. FRASER

Flags flaunted from many staffs and the paddy green of the Emerald Isle, also shamrocks and their equivalent adorned the personal apparel of the passing crowd. It was a typical observance of the Irish saint's anniversary and with prayer, praise, oration and song the celebration will go on until late tonight.

This afternoon the Imperial Theatre and again tonight at 8.30 the Young Men's Society of the Cathedral parish are holding amateur theatricals for the benefit of the orphanages. The play is a bright little offering entitled "Eliza Comes to Stay," and the principal participants are well known to the local stage. Specialties will be interspersed. Theatricals of a similar character will grace the boards in the various parish halls of this Catholic diocese. The indications are that these programmes will be enjoyed by the usual large number of people, young and old.

At the Cathedral.

Rev. R. B. Fraser, a young clergyman new to this city and who has but recently been elevated to the dignity of the priesthood, delivered the oration of the day at the high mass commencing at 10 o'clock in the Cathedral of the Immaculate Conception. The edifice was filled to overflowing. His Lordship Bishop LeBlanc was in the sanctuary, with the officiating clergymen were Rev. William M. Duke, celebrant; Rev. A. P. Allen, deacon, and Rev. W. L. Moore, sub-deacon.

Father Fraser opened his sermon with the following quotation from Ecclesiasticus 31, 13-14: "The memory of Him shall not depart away, and His name shall be in request from generation to generation. Nations shall declare His wisdom and the Church shall show forth His praise."

The young priest declared that his hearers were present to celebrate the memory of a great and glorious saint of the Church of God and throughout the course of his parative it would be perceived how, in the words of the text his memory should not depart from the people but his name shall be ever in request.

"I come not to describe to you the life and actions of my great hero of the world," he said, "I do not seek to awaken your admiration, by describing the exploits of some famous general or the diplomatic tactics of some celebrated statesman. Mine is no story of the blood-red fields of Europe. My hero shone neither in the field nor in the cabinet; he was not the inventor of a new philosophy, but the disciple of an old one. Yet strange as it may appear, after the lapse of many centuries, his memory is green in the hearts of his posterity as the grass that still grows on the ocean-washed island which his sainted footsteps trod."

"The just man," says the sacred scripture, "shall shine like stars for all eternity." We all desire to know something of the great men of olden times and we are justified in praising them by the example of the sacred scripture. "But to you as Irish people it must be particularly interesting to know something of the personal history of the young Christian, Patrick, who was taken prisoner in Gaul by Roman conquerors and transported to Ireland. Born of gentle parents from whose household he was ruthlessly torn and made to do most menial work in a foreign land until providential deliverance again set him down in his sunny France, the deep conviction which seized the devout young Frenchman that he should return as a missionary to the land of his penal servitude was increased by holy visions imploring his assistance. So he returned to the little

JACKSON-WINCHESTER.
At the home of Mr. and Mrs. Thomas Winchester, Woodstock, on Wednesday evening, Rev. Frank Baird united in marriage Clarence H. Jackson and Miss Georgia A. Winchester.

THE SCHOOL ENQUIRY.
The Times received several letters this morning relating to excessive punishment of children in the schools. The writers ask that their names be withheld. A controversy between anonymous writers would be interminable and serve no good purpose. If criticism of teachers or parents are to be offered the writers must hereafter sign their names for publication.

DIED IN CALIFORNIA.
News of the death of Mrs. Amanda Nichols, widow of Charles F. Nichols, in Oakland, Cal., where she had resided for the last fourteen years, has been received by relatives in this city. Mrs. Nichols was a native of West St. John and lived here all her life until she left for California. Many former friends will learn of her death with regret. She is survived by two sons, Oscar F. Price of this city and Herbert E. of Oakland; two sisters, Mrs. Ada Patton of Boston and Mrs. Emily Dingle of Liverpool, Eng., and two brothers, William Christopher of West St. John and Albert of Boston.

FIRE LOSS ADJUSTED.
The fire losses sustained by J. Gilbert when the Waterloo street building and stock which he had taken over from the Duval estate was burned recently have been adjusted. The insurance on the building will cover the damage done to the structure. The stock was valued at \$8,000 and was almost an entire loss. Insurance on the stock amounted to \$4,000 and an award of \$3,700 was made by the adjusters. Insurance on the stock was carried with the Norwich Union, London Guarantee, Acadia, British Colonial and Allied Underwriters companies.

EARN MONEY TO BUY STAMPS.
The Beaver Thrift Club, composed of members of Grade 2 in the Beaconsfield school, West End, held a very successful sale of home-made candy, cake and ice cream on Saturday afternoon at the home of Mrs. Sharp Perkins. They realized \$84, which will be devoted to the purchase of thrift stamps. This makes a total of \$105.20 which these little tots have raised for this purpose. Nine of the children have saved enough to become owners of war savings stamps. The sale on Saturday was in charge of their teacher, Miss Elizabeth Cowan, assisted by Miss Beatrice Cameron and Miss Lena Whipple, teachers in the same school.

WELL CONTESTED MATCH.
One of the most sensational games in the history of the club was played in the Hampton Curling Club rink on Saturday night. It was a challenge game between rinks picked from the club membership, and every man was out to win. Not a stone was wasted and not a shot was played without the exercise of the most careful judgment. So keen was the rivalry and so closely matched were the rinks that at the finish of the fourteenth ends the score stood at the remarkable figure of nine to nine. The rinks were:

TO PUT DAYLIGHT SAVING LAW INTO EFFECT.
Washington, March 17.—To make effective the daylight savings law, Director-General Hines yesterday instructed railroads to turn their clocks ahead one hour at 2 o'clock on Sunday morning, March 17. Trains will run on the new schedule thereafter but will be held only at terminals.

DEMANDS BY JEWS.
Saloniki, March 17.—Delegates of all the Jewish communities in Greece, at a meeting here adopted a resolution demanding that the peace conference grant civil, political and religious equality to Jews everywhere in the constitution of the various countries and by international guarantees. The resolution asks that internal autonomy be given all Jewish groups that demand it and that the peace conference establish a Jewish state in Palestine under the protection of Great Britain.

able, but not before full ecclesiastical preparation, burning with zeal for the redemption of the Irish people and clothed with the authority and love of a bishop.

This was at a time when the Church was coming into her position of a static woman and walked forth in all the motherhood of love and charity, instructing, reproving, erecting churches, founding monasteries of learning and everywhere diffusing the light of the gospel. The speaker went on to tell how at this formative period Ireland, under Bishop Patrick's ministrations, shared in the world uplift.

Father Fraser's references to the early struggles of the missionary bishop in Ireland, the gradual Christianizing of the people, the establishment of hospices, churches and monastic establishments and the faithfulness of the Irish to their new religion were dwelt upon at some length. Coming down to more modern history the orator held that Ireland among all the countries had been most faithful to the Church. Even Italy itself let alone Germany, England, France, Norway, Sweden and elsewhere, had been rebellious at times to the Holy See but the Isle consecrated by St. Patrick had ever remained staunch and true.

Concluding with an eloquent peroration scintillating with sentiment and deeply reverential, Father Fraser drew an inspirational lesson from the life of St. Patrick and exhorted all to follow his precepts.

During the offertory Organist Arthur Godsoe played the sweet folk music of Ireland, which upon the grand pipe organ was especially appealing.

In all the other Catholic churches the day was suitably observed.

In New York.
New York, March 17.—Soldiers and sailors were accorded the honor places in a great St. Patrick's parade in which 38,000 representatives of some 100 Irish societies were assigned to places today. Conveyances were provided for wounded soldiers. Service men were also the guests of the Irish societies in Brooklyn and other boroughs of the city. John W. Goff, former supreme court justice, led the New York parade as grand marshal.

A Sale of Linoleum Remnants Now On Here

Odds and ends of Oilcloth and Linoleum, and a scattering of Congoleum remnants are being offered here for the next few days; in fact, till the lot is cleaned out.

This offers a choice opportunity to cover that pantry, hall or even a small bedroom at a mere fraction of cost. The sizes run from 1 sq. yd. up to 8 and 10 sq. yds., so the choice of selection is fair and the designs comprehensive, and the lot represents practically every design in stock.

At this time of year when floor treatment is foremost, this little sale will appeal and attract, and the saving offered ranges from 25 per cent. to 60 per cent. off regular price.

An assortment of the floor coverings offered is now on display in our window. We'd suggest quick selection, as the sale can't last more than a day or two.
