HON. MR. TACHE'.

BILL.

An Act to Incorporate *The Toronto School of Medicine.*

- WHEREAS**, John Rolph, Joseph Workman, William Thomas Aikins, James Langstaff, Gavin Russell, and Thomas David Morrison, all of the City of Toronto, licensed practitioners of Medicine, Surgery, and Midwifery, have established and conducted a public Medical School for the education of Candidates for the Medical Profession; And, whereas, the usefulness of the said School will be promoted by the possession of corporate privileges and powers: Be it therefore enacted, &c.
- 10** And it is hereby enacted by the authority of the same, That the said John Rolph, Joseph Workman, William Thomas Aikins, James Langstaff, Gavin Russell, and Thomas David Morrison and their successors in the manner hereinafter mentioned, shall be and are hereby constituted, a body politic and corporate, by the name of the *Toronto School of Medicine*, and by that name shall have perpetual succession and a common seal, with power to break, alter or renew the same, and may by that name sue and be sued, plead and be impleaded in all Courts of Law and Equity in this Province, and may purchase, take and hold real and personal property, provided the real property, so held by the said Corporation, do not at any time exceed the value of five thousand pounds, currency, and may alienate the same, and acquire other property instead thereof.
- 25** II. And be it enacted, That whenever any of the Members of the said Corporation shall die or shall resign, or it shall be deemed advisable by the Corporation to increase the number of Members thereof, then the said Corporation shall proceed, according to their By-laws for that purpose made and enacted, to elect other Members in the place and stead of those so dying or resigning or needed to be elected as the case may be.
- 35** III. And be it enacted, That the said Corporation shall and may pass such By-laws as to them shall seem best calculated to regulate the teaching and instruction of the pupils of the said School in the science and profession of Medicine, by the delivery of lectures in anatomy and physiology, medicine and pathology, surgery and surgical anatomy, in midwifery and materia medica, and in such other collateral sciences as to the said Corporation shall seem expedient.
