## Review of O.H.A. Year, 1919-20

---

The Ontario Hockey Association was organized on November 27, 1890, at the Queen's Hotel, Toronto. The 31st annual meeting of the Association was held at the Temple Building, Toronto, on Saturday, December 4, 1920, at 10 a.m., with the President, R. M. Glover, Peterboro, in the chair. The Association, by unanimous vote, passed the following important resolution:

“That no player who has changed his residence since January 1 last be granted a certificate until he has satisfied the O.H.A. Executive Committee of the bona fides of such change, and that all such applications for certificates, with complete and definite information regarding the change of residence, together with an affidavit from each player conforming to the O.H.A. amateur rule as set out in the Rule Book, must be in the hands of the Secretary on or before December 20, so that each application may receive full and careful consideration by the Executive. No application received after the date mentioned will be considered until January 20, except in the case of junior players.”

It was also decided that a complete, detailed statement of receipts and expenses for the season must be filed with the Secretary of the O.H.A. on or before the 15th of April following, by each club in the Association. The first of such statements is to be filed by April 15, 1921. Failure to comply with this clause automatically suspends the club from membership in the Association.

It was also decided to request the Canadian Amateur Hockey Association to adopt the O. H. A. residence rule of August 1.

Another amendment adopted provides that a High school student cannot play for the club in the town where he is going to school if his own home town has a High school of the same grade, except upon application to the Executive Committee.

Teams playing in the same town or city may divide their gates “50-50” if they so desire.

R. M. GLOVER  
PETERBORO.  
Immediate Past President, O.H.A.

Other amendments adopted were as follows:

No player will be eligible for the O. H. A. Inter-mediate series who has played in more than one Inter-collegiate or O. H. A. Senior game.

Each rink must be provided with a penalty box large enough for eighteen persons, and the referee is to see that only timers, managers, coaches and spare players occupy the inclosure. The home club is to be held responsible for the carrying out of this rule.

Teams will now be able to substitute goal-keepers at the end of the period instead of only when the regular goal-keeper is injured. All players must be numbered and the number correspond with the one on their certificate.

Substitute players who enter a game without first notifying the referee, will be penalized two minutes. And then he must go on the ice only when play is stopped for an infraction of the rules or the puck leaving the ice.

The Treasurer's report shows a cash balance of \$3,080.16, in addition to \$5,000 Victory Bonds.

The election of officers resulted in a contest for the Executive Committee, the other officers being elected by acclamation. Angus Campbell, of Cobalt, topped the ballot, and the others elected were: W. W. Davidson, Toronto; Richard Butler, Lindsay; and George McKay, Kitchener. So the officers are as follows: Immediate Past President, R. M. Glover, Peterboro; President, A. E. Copeland, Midland; 1st Vice-President, W. A. Fry, Dunnville; 2nd Vice-President, Wm. Easson, Stratford; A. A. U. of C. Governor, Francis Nelson, Toronto; Treasurer, Sheriff J. F. Paxton, Whitby; Secretary, W. A. Hewitt, Toronto; Executive Committee: Angus Campbell, Cobalt; Wm. Davidson, Toronto; Richard Butler, Lindsay; Geo. B. McKay, Kitchener.

A vote of thanks was tendered to the retiring President, Mr. Glover, for his splendid work during his two years of office.

The championship season of 1919-20, the 30th year of the Association, opened on December 26 and extended to the middle of March. The weather man

was kind to the hockeyists and provided good ice for the entire season, there being no postponements because of mild weather, as in previous years. A recurrence of the "flu" epidemic at several towns necessitated the withdrawal of teams who had championship possibilities, the most notable case being at Ingersoll, where practically the whole of the team were laid up after winning the championship of their group.

Last year the Northern Ontario Hockey Association was formed and did excellent work in organizing and controlling the game in the mining country and along the north shore of the great lakes. The N.O.H.A. was taken in affiliation by this Association, the terms of the affiliation providing that the N.O.H.A. champions be permitted to play off at the end of each season in Toronto with the winners of the O.H.A. intermediate and junior series for the championship of greater Ontario, and the opportunity, if successful, of competing for the Allan Cup and the O.H.A. Memorial Cup. The Executive ruled that this did not include the N.O.H.A. winners in the competition for the J. Ross Robertson trophies, and the Northerners competed with that understanding. The series was successful financially and otherwise, and the N.O.H.A. was given \$500 of the O.H.A. share of the proceeds. Arrangements were subsequently made that in all future games the two Associations and the clubs concerned should share on an equal basis.

#### THE CHAMPION TEAMS.

The winners of the three championships were the Granites of Toronto, the Collingwood Hockey Club, and the Toronto Canoe Club, who captured the J. Ross Robertson senior, intermediate and junior cups, respectively. It was the Granite Club's return to O.H.A. hockey after many years' absence, and it was a very successful re-entry. Collingwood's victory marked the third consecutive win of intermediate honors. The Toronto Canoe Club had an exceptional junior team, one of the strongest in years.

#### ALLAN CUP COMPETITION.

In accordance with the affiliation arranged with the Northern Ontario Hockey Association, the Sudbury Club, N.O.H.A. champions, played a sudden-death game

in Toronto, with Collingwood, the O.H.A. intermediate champions, and were returned the winners by a score of 11 to 2.

Sudbury then played the Granites, senior O.H.A. champions, for the privilege of defending the Allan Cup. Two games were played, and Sudbury won both by scores of 6 to 2 and 5 to 1.

Sudbury failed to defend the Allan Cup in the semi-finals, being beaten by University of Toronto, the Intercollegiate champions, who had previously beaten the Sons of Ireland team, of Quebec, the Quebec champions. Varsity won on the round by one goal, the scores being 2 all and 4 to 3, in 10 minutes' overtime.

University of Toronto then met the Falcons, of Winnipeg, in the finals for the Cup, but the speedy Westerners were too much for the Collegians, and won both games by scores of 8 to 3 and 3 to 2, or a total of 11 to 5. As a result of their victory the Falcons represented Canada at the Seventh Olympiad at Antwerp, and won the world's amateur hockey championship from the seven nations that competed.

#### JUNIOR CHAMPIONS OF CANADA.

The Toronto Canoe Club, the junior O.H.A. champions, had an easy time in defence of the O.H.A. Memorial Cup, which is emblematic of the junior championship of Canada, defeating all-comers by decisive scores. They first met the Sudbury juniors, N.O.H.A. champions, and disposed of them in a sudden-death game by 10 to 1. Loyola College, of Montreal, champions of the Quebec Association, were beaten by 16 to 4; the Selkirks, champions of Manitoba, and winners of the Abbott Cup from Saskatchewan and Alberta champion teams, by 15 to 5, and the Beavers, of Fort William, Thunder Bay champions, by 11 to 1. This was the second year of the junior Canadian competition, and was again conducted by the O.H.A. at a loss, owing to the great distance traveled by the teams, but this year it will be handled by the Canadian Amateur Hockey Association, who will finance the games. The Association felt that the establishment of this series for Dominion-wide competition was a move in the right direction, as in the proper encouragement of the juniors lies the future of the game.

W. A. FRY  
DUNNVILLE  
First Vice-President, O.H.A., 1920-21.

### THE SENIOR SERIES.

In the senior series there were two districts, the winners being as follows:

Group No. 1—Hamilton Tigers.

Group No. 2—Granite Club, Toronto.

Hamilton, last year's champions, won the championship of their group, with Dentals, of Toronto, runners-up. Varsity and Aura Lee supplied great contention in this district, and the hockey was of a high order. The elimination of the powerful Dental team was the big surprise of the season.

Granites won the honors in Group No. 2, after a great series with Kitchener and Parkdale Canoe Club. The Argonauts and Dons were outclassed by the other three teams, who emerged from their schedules in a three-cornered tie. Granites and Kitchener then played an exhausting 90-minute tie game without

arriving at a winner, the score being 4 all, at the end of 30 minutes' overtime. The game was replayed five days later, and Granites were returned the winners by a score of 2 to 1. Granites then won the group championship by defeating Parkdale by 9 to 2.

The finals between Granites and Hamilton were productive of good hockey. Granites held Hamilton to a score of 2 to 1 on Hamilton ice, and in the return game at Toronto won by 5 to 0, after a splendid contest, giving Granites the round by 6 goals to 2. The Granites had a very aggressive and determined team, with a strong defence, and measured up well with the champions of former years.

Home and home games were played, and Collingwood were again returned the winners, winning both games, at Kingston by 2 to 1, and on their own ice by the decisive score of 14 to 2. PROTESTS CONSIDERED.

The Shelburne Club successfully protested the Owen Sound Juniors for playing two boys, John R. Robertson and Earl Smith, who were not qualified under either the residence rule or the student rule. The Port Hope Club was unsuccessful in its protest against Oshawa on the ground that Lorne Osborne did not qualify under the residence rule. A disputed game between Galt and Kitchener Intermediates was ordered replayed, if necessary to decide the group championship, but the necessity did not arise for the replay. A protest lodged by Milton against Burlington questioning the residence qualifications of Allan R. Galbraith, was dismissed. Several players were suspended for rough play, and one club, the Paris intermediate team, was placed under suspension for rough tactics against Woodstock in Paris, in a game on January 26, but the club was subsequently reinstated.

## PRESIDENTS ADDRESS

Delivered at the 31st Annual Meeting, held at the Temple Building, Toronto, on Saturday, December 4th, 1920, by the President, R. M. Glover, Peterboro.

---

To the Officers and Members of the Ontario Hockey Association:

In presenting my second Annual Report of this Association, and incidentally my farewell report in this capacity, let me first give expression to the pleasure it has afforded me to act as Executive Head of the O. H. A. for the past two years, and to tender my sincere and heartfelt thanks to the Officers and Executive of the Association for the loyal and energetic support they have given me during my term of office. The friendships formed, and the many varied experiences gone through I look upon as very valuable assets to me.

Looking back over last season's activities, I feel we have every reason to congratulate ourselves that the Association came through the campaign of 1919-20 with flying colors, that its reputation as the biggest and soundest Amateur Hockey Association in the world, was maintained unchallenged, and that throughout the Province our body was the means of providing thousands of people with clean, healthy amusement.

The Secretary's Report covers the details of the different competitions, and it is not necessary for me to do more than tender my heartiest congratulations to the respective winners, the Granites, of Toronto, winners of the Senior Series, whose victory was all the more creditable because the team was composed almost entirely of returned soldiers, many of whom had been out of the game for some time; to the Collingwood team, who seem to have developed a habit of winning the Ontario Intermediate Championship, and to the Toronto Canoe Club, whose capture of the Junior title was clean-cut and decisive.

These teams were worthy champions, comparing favorably to the titleholders of the past, and I am

FRANCIS NELSON  
TORONTO.  
A.A.U. of C. Governor

sure you join with me in congratulating the successful organizations. While our team did not succeed in holding the Allan Cup, yet we have no reason to feel ashamed of the showing they made, and our congratulations are ungrudgingly extended to the new Canadian Amateur Champions, the Faleons, of Winnipeg, a magnificent team that won a further hold upon our hearts a little later on, when they journeyed to the Olympic games at Antwerp, and there won for Canada the title of World's Champions in amateur hockey. All honor to them. They are great athletes, and splendid Canadians. Incidentally, the place that is held in the hockey world by our most capable Secretary, Mr. W. A. Hewitt, was shown by the fact that he was selected by the Olympic Committee in Canada to take charge of the overseas trip of the Faleons, an appointment in which I am sure all of us took pride. Our junior champions, the Toronto Canoe Club, are to be congratulated upon winning the O. H. A. Memorial Cup, emblematic of the Canadian Junior title.

Sheriff Paxton, our Treasurer, will show a considerable sum has been added to our surplus through last season's operations, and his report no doubt will be entirely satisfactory to you.

A word as to the future of our organization. The prospects are bright, but our claim of being the biggest amateur organization in the world means nothing unless it is the best and cleanest conducted organization as well. Cleaner and better in the future than in the past, and it is the men who are meeting here to-day that must accomplish this.

Rather than looking for too much expansion, let us be sure that we are properly taking care of what we have. We must not relax our efforts or drop our guard against the menace of professionalism in our ranks. The open professional is respected so long as he conducts himself as a gentleman, but you all know what eventually is your estimate of the athlete who is posing as an amateur, and is found out to be a professional, preferring to obtain for the privilege of participating in a healthy pastime, a few dollars here and there, and losing all sight of the fact that in a few short years his connection with the game of hockey as a young man, if followed with the true

spirit of love for the game, would be of immeasurably more benefit to him in after life than the course he is pursuing. Looking at it only from a selfish standpoint in this, as well as in the more important game of life, it pays to play square.

Unfortunately, there are players whom the grand old game of hockey is only a means to an end, who are more interested in gate receipts than in goals, and there are some Clubs who are only too willing to take advantage of the cupidity of players. Your officers have been prompt to act when the circumstances warranted drastic action, but, after all, the responsibility rests upon you delegates, or in any event on the Clubs you represent. It is the individual Clubs in this organization that can make or mar the O. H. A. If the Clubs play the game fairly, abide by the spirit of the constitution, fight professionalism, develop the home material, give the young players a chance, and develop the juveniles along amateur lines, then the future of the Ontario Hockey Association is assured, but if you treat the regulations as something to be broken at will, believe that it is necessary to import players, wink at violations of the residence rule, and in general conduct your Club as if nothing mattered, save being caught in your own misdeeds, then even the constant vigilance and sincerity of the Officers may not be able to save the organization from being eventually wrecked as an exponent of what it stands for—clean amateur hockey.

The formation in a number of centres of Amateur Athletic Associations, organized at your request to encourage and develop all lines of amateur sport on a clean basis, is welcomed by the O. H. A., whose desire is to see that as far as possible the control of hockey in these cities and towns where such organizations have sprung up, shall be extended to them. In this way the professional element will receive a lasting set-back, and amateurism will be given a splendid impetus.

There are some important proposed amendments to the Constitution, to the Regulations, and to the Rules of the Game to which I ask your careful consideration.

In vacating the President's chair, let me take this opportunity of welcoming my successor, Mr. A. E.

Copeland, of Midland, and of congratulating the Association upon having such a splendid official at its head for the next two years.

It is not necessary for me to eulogize Mr. Copeland's good qualities, they are known to all of you, but I ask you to give him the same loyal assistance and co-operation that was afforded me during my term of office, for which I once again sincerely thank you.

Respectfully submitted,

R. M. GLOVER,  
President.

SHERIFF J. F. PAXTON  
WHITBY  
Treasurer, O.H.A., 1920-21.

# CONSTITUTION OF THE ONTARIO HOCKEY ASSOCIATION

As Revised and Amended at the Annual Meeting,  
December 6, 1919.

---

1. The Association shall be called the Ontario Hockey Association.

2. Its object shall be the furtherance of hockey in the Province, including the enforcement of the rules of the game, as adopted by the Association, and the supervision and carrying out of the Cup Competitions for the championships of Ontario.

3. Amateur Hockey Clubs willing to comply with and abide by the rules of the Association may be admitted to membership, upon application, through the Secretary, to the Executive Committee.

4. An amateur is a person who has not (since December 14, 1883) competed in any open competition, or for a stake, public or admission money or entrance fee, or competed with or against professionals where gate money is taken; who has never at any period of his life taught or assisted in the pursuit of any athletic exercise or sport as a means of livelihood; whose membership of any Hockey Club was not brought about, or does not continue because of, mutual agreement or understanding whereby his becoming or continuing a member of any Hockey Club would be of any pecuniary benefit to him, either directly or indirectly; who has never, either directly or indirectly, received any payment in lieu of loss of time while playing as a member of any Hockey Club or any money consideration whatever for any services rendered as a player, except his actual travelling or hotel expenses; and who has not made any offer, which if it had been accepted, would have made the recipient a professional. Every charge against the status of an individual must be supported by statutory declarations, and the onus of proving his innocence shall rest with the accused.

5. Any club convicted of having in its membership professionals of any kind, shall forfeit its membership in the Association.

6. No player who has been suspended or expelled by this or any other organized association shall play with or against any club in the O. H. A. in any match to which an admission is charged until such player has been reinstated or the period of his suspension has terminated, and any club in the Association playing any such suspended or expelled player or players on its team, or playing against a team playing any such players, shall forfeit its membership in the Association. Provided, however, that no player who has been professionalized, whether by this or any other recognized association, or who has by his conduct become a professional under the conditions of those regulations, shall be eligible for reinstatement into this Association upon any ground whatsoever; and provided further that the Executive of this Association shall have no power to even entertain an application for the reinstatement of any such player. In all applications for reinstatement to the Association to be considered at the annual convention, notice must be given in the regular way. Any player who is under suspension from the O. H. A. for any cause whatever and who enlists for Overseas Service shall automatically be reinstated and eligible for membership in this Association. This, of course, does not apply to professionals.

7. No club whose members average under fourteen years of age shall be admitted, and no club shall be admitted or remain a member which has not a bona fide membership of at least ten active members, or plays under the name of any commercial organization. In cities and towns desirous of playing in the senior series no club is to be admitted to membership unless it represents what is regarded by the O. H. A. Executive as a bona fide permanent and general established amateur club or association, and that in all towns and villages represented in the O. H. A. in any series precedence be given to civic amateur organizations representing the whole community.

8. The Entrance Fee shall be \$5.00, and the Annual Subscription \$6.00, for each team entered, to be paid before the annual meeting; and no club shall be entitled to compete for the championships, or to be rep-

resented at any meeting or to have any of the privileges of the Association, until its fees and fines, if any, have been paid. Each club shall be entitled to 10 copies of the Rule Book.

9. At the annual meeting and at all special general meetings of the Association each club shall be entitled to representation by one delegate, exclusive of the members of the Executive of the Association.

10. At such meetings all clubs shall be entitled to one vote, and the delegate, and he alone, shall be entitled to cast the vote of the club he represents. In the casting of ballots no delegate shall cast more than his own ballot.

11. At such meeting each member of the Executive shall be entitled to cast one vote.

12. The immediate Past President shall be a member of the Executive.

13. A club must be represented by a club member, but no delegate shall be allowed to represent more than one club.

14. No delegate shall be admitted to the convention unless he shall have filed with the Secretary a certificate of his appointment signed by the President and Secretary of the club he represents, and has received from the Secretary of the Association a certificate that such credential is satisfactory.

15. The election of officers shall take place yearly, by ballot, at the annual meeting of the Association, which shall be held on the first Saturday in December, at such hour and place as the Executive may determine.

16. The officers of the Association shall consist of a President, the immediate Past President, a First and Second Vice-President, a Secretary and a Treasurer, and a committee of six, four to be elected at the annual meeting and two to be appointed by the President, and these, with the representative of the O.H.A. on the A. A. U. of C., shall form the Executive of the Association. Three of the Executive shall form a quorum. The honorarium of the Secretary shall not exceed \$1,200 and that of the Treasurer \$200. No money grants shall be made at the annual meeting without two weeks' notice.

17. All officers, including the Executive, shall be nominated in writing by a club in the Association or

W. A. HEWITT  
TORONTO.  
Secretary, O.H.A., 1920-21.

by an officer of the Association, and the nominations must be in the hands of the Secretary seven days before the annual meeting. No one shall be nominated for more than one office. Each club shall be furnished with a list of those nominated for office the day following the closing of the nominations.

Note.—At the annual convention of the Association held on Saturday, November 16, 1907, the following resolution was unanimously adopted: "That, in view of the invaluable services to the Association and the game of hockey by Mr. J. Ross Robertson, for six years President of the Association, he be elected a life member of the Association and of the Executive."

18. The Executive may call a special general meeting at any time, and must do so on the requisition of the secretaries of ten clubs of the Association. At all general meetings twenty delegates shall form a quorum. Due notice of all meetings, both general and executive, and of the business to come before each meeting, shall be given in writing by the Secretary to all those qualified to attend. Notices calling general meetings shall be sent out at least ten days beforehand.

19. In balloting for members of the Executive, every delegate entitled to vote shall vote for four names, and no less, and any ballots which contain less than four names shall be bad ballots and therefore not counted.

20. No member of the Executive shall be eligible to serve on the Executive or on any committee in connection with any protest or question involving, directly or indirectly, the club he represents; nor shall any member of the Executive be eligible to vote on any question raised by or affecting the club he represents.

21. A Committee on Credentials shall be appointed by the President previous to each annual meeting.

22. The members of the Executive Committee must be members of a club in the Association. No club shall have more than one representative on the Executive Committee, exclusive of the immediate Past President.

23. The Treasurer shall furnish bonds in a guarantee company for \$6,000, the Association paying the Premium.

24. The championships of the Association shall be contested for annually by tie matches.

25. The Constitution of the Association or the rules of the game shall not be altered except at an annual meeting, and notice of the proposed alterations shall be given to the Secretary, in writing, two weeks before the day of the meeting, and he shall forthwith notify the secretaries of the various clubs of the proposed changes. An amendment to the Constitution or rules of competition or of the game shall not take place at the annual meeting unless two-thirds of those at the meeting agree.

26. The Association shall include a Junior and Intermediate League, on parallel lines to the Senior League, the ties to be drawn at the same time. In addition, the Executive Committee, if they think it advisable, may establish a consolation series in the Intermediate and Junior series for beaten clubs in their groups, such series to begin immediately after the date set for the various groups to decide their winners, viz., Feb. 1. Clubs already members of the Association in good standing, wishing to enter a team in the Senior, intermediate or Junior League, to pay for each of such teams an annual subscription of \$6.00; other clubs entering a team in the Senior, Intermediate or Junior League to pay \$5.00 entrance and \$6.00 annual subscription for each team entered.

27. No man shall be eligible to play in the Intermediate series who has played in more than one Senior O. H. A. or Interecollegiate scheduled match in the same season; and no man shall be eligible to play in the Junior series who has played in more than one Intermediate or Senior scheduled match in that season. A Junior certificate used in Intermediate or Senior matches, or an Intermediate certificate used in Senior matches, shall have the date and occasion of such use written across the face by the referee, and two such uses shall cancel such certificate for the series for which it was issued. Each senior club shall register 6 bona fide players, none of whom can play in the Intermediate series in the current season.

28. The Association, through its Executive, reserves to itself the right of placing teams in whatever series it may deem best for the interests of the Association,

it being understood that the winning club of the Junior and Intermediate series shall be eligible to compete in the following year in the series next above it. The intermediate champions shall also be allowed to compete for the Allan Cup through a play-off with the senior champions. Any O. H. A. club having a team in another association must accept the schedule of matches allotted to it at the O. H. A. district meeting.

29. The powers and duties of the Executive during its term of office shall be:

(a) To conduct the business of the Association, authorizing all expenditure in connection therewith.

(b) To fill any vacancies which may occur in the Executive, the names of those proposed for the vacancies to be sent to each member of the Executive one week before election.

(c) To amend or alter the regulations and rules of the cup competition.

(d) To issue or revoke certificates without notice of such action.

(e) To grant certificates in case of change of residence of players.

(f) To hear and determine all protests.

(g) To suspend or expel a club, member or player, for notorious and continued foul play, or unfair, unsportsmanlike or ungentlemanly conduct, individually, or collectively, on the ice or in any rink where a hockey match is being played, or at any meeting or gathering in the interests of the game; negligence to pay assessments, or for any persistent infringement of the laws of the game, or the rules of the Association.

(h) To suspend or expel any club or player or member refusing to accept and obey the ruling of the Executive.

(i) To readmit by a resolution and a majority vote of the Executive, any club or member, or player, under suspension.

(j) To place teams as regulated by clause 28 of the Constitution.

(k) To control the final matches in each of the series, and to divide the gate receipts from such matches after deducting the rent of the rink, the authorized advertising, the expenses of the referee, and of a representative of the Association, equally

LINDSAY

Member O.H.A. Executive, 1920-21.

between the Association and the competing clubs.

(l) To require any club on its own initiative or at the instance of another club in the Association, to satisfy it by statutory declaration evidence that such club is being conducted on a strictly amateur basis.

(m) To determine all questions arising from emergencies not provided for in these Regulations, or in the Rules of Competition. Twenty-four hours' notice of the hour and place appointed for the consideration of such questions shall be given by the Secretary of the Association to each club interested.

(n) To arrange the tie matches, which shall be played until one club is declared the winner. Immediately after the ties have been declared, the Secretary shall communicate the same to the secretaries of the different clubs of the Association.

(o) To at any time appoint three of its members resident in Toronto and representatives of different clubs, to be a sub-committee to take control of all the matches; to fix dates, and generally to act in the name of the Executive in all matters appertaining to said matches, and that the word "Executive," "Secretary," or "Secretary of the Association" be interpreted to mean "Sub-Committee appointed by the Executive for the control of tie matches," or "Secretary of sub-committee," as the context may require.

(p) To allow any club, by a two-thirds vote of the Executive, to play the winner of the final tie for the cup and championship—if they consider the circumstances warrant such action.

## Regulations and Rules of Competition of the Ontario Hockey Association Challenge Cups

---

### REGULATIONS.

1. The cups shall be called the J. Ross Robertson Cups, senior, intermediate and junior. They shall be open for competition only to clubs in the Ontario Hockey Association, and shall be played for under the Regulations, Rules of Competition and Rules of the Game of the Association.

2. The engraving on the cups after each championship has been decided, shall be done in Toronto, under the supervision of the Executive.

3. No player shall compete in an association match who has not been a bona fide and continuous resident of the town, city, or village to which his club belongs since the 1st of August next preceding the date of said match. In case of a player residing in a rural district village or police village he must play with the O.H.A. club in the nearest town to his residence, it being understood that a junior player has the privilege of playing in the nearest place to his residence which has a junior O. H. A. team. A bona fide and continuous resident shall include a teacher or a student who may be absent from home and registered and in actual and regular attendance at lectures at a preparatory school, a High school, a university, or an affiliated college, but such teacher or student shall elect before the date of the first association match and shall notify the secretary of the association whether he will play with a club where his home is situated, or with a club where the said school of learning is located. In case of a sailor who has not been a continuous resident under this rule, he must play with the club of his town, city, or village of which he has been a resident from the 1st of January preceding the 1st of August mentioned in this clause.

Note.—A student leaving a town to attend a High school in another town cannot qualify under the

student rule if there is a High school in his own home town of the same grade, except upon application to the O. H. A. Executive.

4. No team shall take part in any Association match unless the captain shall have furnished the referee with a full list of the players and their playing certificates. Certificates shall be issued in the following form: On blue paper for senior, pink paper for intermediate, and white paper for junior series, on application to the Secretary of the Association. A player shall sign his name in full on the space provided in the certificate, and also on the duplicate. The Executive may in its absolute discretion issue, revoke or refuse to issue such certificates.

5. No player who has received a certificate from the Association shall play in any exhibition match where an admission fee is charged, unless as a member of the club with which he is signed, except his so playing is sanctioned by the Association, through its Executive.

6. No player shall play for any of the cups for more than one club in the Association year, and no one who is not an amateur in good standing shall be allowed to play in any Association match.

7. The Treasurer of the Association shall be to all intents and purposes the legal holder of the cup, in trust for the Association.

8. Any club winning one of the J. Ross Robertson Cups, senior, intermediate, or junior, shall, before receiving it, give for its safe keeping to the Treasurer of the Association, satisfactory and substantial bonds to the amount of \$500.

9. Any club intending to default a match must send to the secretary of the opposing club and also to the Secretary of the Association, at least three days' clear notice, exclusive of the day on which the match was to have been played. Unless the Executive shall otherwise order, any club failing to send such notice shall be subject to a penalty of \$25, together with all legitimate expenses incurred by the competing club in connection with such match, and shall, in default of payment of such sum to the competing club within two weeks of the date arranged for the

GEO. B. McKAY  
KITCHENER

Member O.H.A. Executive, 1920-21.

match, be struck off the roll of membership of the Ontario Hockey Association. In the case of home and home matches between two clubs, the club accepting and playing the home game on its own ice shall, in case of default of the return game on its opponents' ice, pay the opposing club, in addition to the mileage already provided for, a sum sufficient to completely cover the expenses of the club in its first game, expenses to be hotel and bus bills for the ten men, and one-half of the referee's expenses. A club defaulting any match in the series shall be debarred from further competition in the series; all scheduled matches played by such club shall be counted as played, and all unplayed matches shall count as wins to the teams scheduled against the club defaulting.

10. Protests, and all evidence in support thereof, must be in duplicate, and signed by the President or Secretary of the protesting club. Protests and evidence in support thereof must be in the hands of the Secretary within forty-eight hours of the advertised time of the match protested, and must be accompanied by a deposit of \$25, which sum shall be forfeited to the Association should the Executive, whose decision shall be final, disallow the protest, and the Executive shall have no power to refund such forfeited sum. A copy of said protest and evidence must be served upon the protested club within forty-eight hours after the said match. The club protested shall be allowed thirty-six hours to file a defence and evidence with the Secretary of the Association, which must be accompanied by a deposit of \$25, to be forfeited to the Association should the Executive allow the protest. A copy of the defence must also be sent to the protesting club. A reply to the said defence may be entered by the protesting club, provided a copy thereof is served upon the protested club at least twelve hours before the time fixed for hearing the protest by the Executive. Personal service on any of the recognized officers of a club or service by registered post on either the President or Secretary of a club to be sufficient service in any case, and the protest is to be considered if it is shown that the evidence has been sent by registered post in time to reach the protested club within the time limit fixed by the rule. Each of the clubs inter-

ested may be represented at the hearing of the protest.

11. Every player in the Junior series of the Association must file with the Secretary an official document issued by the Registrar-General's Department or a local registrar, or an extract from a church baptismal record that the said player had not attained his 20th birthday on the first day of January in the season in which he intends competing, and the Secretary upon receipt of such declaration shall issue a certificate entitling the said player to play with the club specified, and no player shall be allowed to compete in any Junior match without first producing such certificate to the referee.

12. When the home and home matches are played in the same city or town, the home club is to take the net proceeds of the gate, or an agreement may be made in advance between the clubs to divide all home and home gates on an even basis.

13. The expenses of the traveling club shall be fixed at the rate of fifteen cents per mile for one way for ten men, which expenditure must be guaranteed and paid by the home club.

14. Each club shall have a set of books setting forth the receipts and expenses of each year in detail, which books may be examined by the O.H.A., or any of its officers appointed for such purpose at any time. The set of books is to consist of cash book and ledger, and a complete, detailed statement of receipts and expenses for the season must be filed with the Secretary of the O. H. A. on or before the 15th of April following, by each club in the Association. The first of such statements is to be filed by April 15, 1921. Failure to comply with this clause automatically suspends the club from membership in the Association.

## Rules of Competition

---

1. The cups shall revert to the Treasurer of the Association, from the clubs which may be holding them, at such times as the Executive shall consider necessary.

2. In each series the club winning the final tie shall hold the Challenge Cup and the championship of the Association.

3. Any club refusing or failing to play the club against which it is matched, within the stated time, shall be considered to have lost the tie.

4. Notice of the result of each match shall be sent to the Secretary of the Association within twenty-four hours, by the victorious club, through the referee.

5. In the event of two competing clubs failing to agree upon a referee, the home club shall notify the Secretary of the Association at least seventy-two hours before the schedule time of their match. In the event of no such notification, the home club shall be considered to have lost the tie.

6. The Executive shall appoint a referee who shall act where the competing teams fail to agree, each club to pay half the expenses. The referee's fee shall be \$5, and in addition an allowance at the rate of fifteen cents a mile one way for all distances. The minimum of fee and allowances is not to be less than \$8, except in cases of local referees. In the final and semi-final ties, the Executive reserves the right to appoint the referee, and if they deem it advisable may appoint an assistant, as well as the regular referee to act in finals and semi-finals, or any match in any series.

7. No player shall play in an O.H.A. scheduled match who is, or has been in the then current season, a member of, or has played with, in the same Association year, any other club in a recognized Hockey Association (city, county, military district, interscholastic, or town leagues excepted) without special permission of the Executive.

8. The referee must order the match to begin at the hour for which it has been fixed (if the ice be available), and any team or teams failing to comply with this order shall forfeit to the Association \$10 per team. The Executive may refund this forfeit on good cause being shown to the referee.

9. All matches shall be played on covered ice of not less than 60 feet in width and 160 feet long, well lighted, free from obstructions, having sides and ends properly boarded. Each rink must be provided with a timekeepers' and penalty box centrally located and furnished with a bell or gong, and suitable for accommodation for 18 persons, including timekeepers, penalty timekeepers, penalized players, spare players, and the managers and coaches of each team, and under no circumstances will the referee permit unauthorized persons to remain in such box. The home team will be held responsible for the proper carrying out of this rule.

Note.—Rinks in use in 1903-04, or in the course of construction at the time of the annual meeting, December 3, 1904, shall not come under this rule.

10. All clubs must register with the Secretary of the Association, on or before December 15 in each year, their club colors, and a description of the style and color of the playing uniform of such club, and no two competing clubs shall be permitted to have uniforms or colors alike. All clubs must have an auxiliary jumper directly opposite in color to their regular club sweaters, the home club to wear same when referee finds regular club sweaters conflicting.

11. In two-club groups, where home and home matches are played, including the play-off of the different group winners in the semi-finals and finals, and of ties in the first round in any group, one hour's play only shall constitute each match, and a majority of goals in both matches shall decide the winner. In case of both clubs scoring an equal number of goals in the two matches there shall be a third and decisive game on neutral ice, time and place to be fixed by the Executive, unless both clubs are playing in their own city, town or village, in which case the tie will be

played off in the second game, but no match shall continue for more than 30 minutes (actual play) overtime. In groups of three or more clubs a majority of matches shall decide the winner. Every match, except as hereinbefore provided, shall be played to a finish, as provided in No. 5 of the Rules of the Game. Clubs agreeing to abandon a tie game before the three extra periods (if necessary) have been played shall be each charged with a loss.

12. Before every game the referee shall receive from the captains of the opposing teams a full list of the players on his side, and each man shall answer to his name at the call of the referee, and shall sign his name on the referee's report in the presence of the referee.

13. A convener of a district shall be required to notify each club in his district at least twenty-four hours previous to time of meeting, particularly meetings called for the drawing of schedules.

# Rules of the Game

## PLAYERS.

1. The game is played on ice by teams of six men on each side with a puck made of vulcanized rubber, one inch thick all through and three inches in diameter. The players to be designated as follows: Goal-keeper, right defence, left defence, centre, right wing, left wing. In addition to the players mentioned, each team may use two extra players as substitutes, but there shall not be more than six players a side on the ice at any time during the match.

A substitute goal-keeper shall also be allowed, but this substitute shall not play any other position but goal, and any substitution to be made only at the end of a period, except in case of injury, as hereinafter provided for. In case of a penalty to a goal-keeper, he shall be replaced by one of the players who are on the ice at the time the penalty is inflicted.

All players shall be numbered with conspicuous figures, displayed on the backs of their jerseys, the numbers to be assigned to the players upon their registration with the Association, and to coincide with the numbers on the playing certificates.

## STICKS.

2. Hockey sticks shall not be more than three inches wide at any part, and not more than thirteen inches long at the blade. They shall consist entirely of wood, with tape binding permissible.

## GOAL.

3. A goal is placed in the middle of each goal line, composed of official goal nets supported by two upright posts, four feet in height, placed six feet apart, and at least five feet from the end of the ice. The goal posts shall be firmly fixed. In the event of a goal post or net being displaced or broken, the referee shall

blow his whistle, and the game shall not proceed until the post or net is repaired. It shall be the duty of the referee before each match to measure the goals. A dark distinguishing line shall be drawn on the ice between the centre of each goal post. The home team shall be held responsible for the strict observance of this rule, and the referee shall not permit any game to be started until this rule is strictly complied with. H.P.

#### MATCH.

4. Each side shall have a captain (a member of his team), who, before the match, shall toss for choice for goals. Each captain must wear a 4-inch armband distinctive in color from the color of his sweater, marked with the letter C, to be worn on the right arm between the elbow and the shoulder, to distinguish him from the other players.

5. The teams shall play three periods of 20 minutes each, a ten-minute rest being allowed at expiration of each period. The duration of championship matches shall be one hour, exclusive of stoppages. The team scoring the greater number of goals in that time shall be declared the winner of the match, subject to the qualifications contained in Rules of Competition, No. 11. If at the end of that time the game is a draw, ends shall be changed, and after ten minutes' rest the match continued for ten minutes, each side playing five minutes from each end, and if neither side has then scored a majority of goals, additional similar periods of ten minutes shall be played in the same way until one side shall have scored a majority of goals, with a five minutes' rest after each ten minutes of play. In case either club should decline to play in any of the necessary extra periods, it shall be declared a loss for that team.

#### TIME-KEEPERS.

6. Two time-keepers shall be appointed, one by each captain, before the commencement of the match, whose duty it shall be to keep an accurate account of the time of each game, deducting time for stoppages in the play, and the timekeepers shall report to the referee by ringing a gong any variance in their time, and the matter shall be at once decided by him.

The referee also shall appoint a time-keeper, who shall keep the time of penalized players, and shall direct them to enter the game. When, in the referee's opinion a neutral penalty timekeeper is not available, the referee may appoint a representative of each club to act as penalty timekeepers. The timekeepers shall be under the control of the referee. A gong shall be kept for their use. A penalty imposed on any player shall not commence until said player has reported to the penalty time-keeper. The duration of the penalty shall be measured in actual playing time, exclusive of stoppages.

#### REFEREE.

7. There shall be only one referee for a match, except in the finals and semi-finals, when the Executive may appoint an assistant in addition to the regular referee, and in no case shall he belong to either of the competing clubs, and he may be an amateur or a professional. He is to enforce the rules, adjudicate upon disputes or cases unprovided for by rules, appoint or remove goal umpires; control the timekeepers, keep the score, announcing each goal as scored, and at the conclusion of the match declare the result. The puck shall be considered in play until the referee stops the game, which he may do at any time, by sounding a whistle or ringing a bell. His decision shall be final, and there shall be no appeal.

#### SCORE.

8. A goal shall be scored when the puck shall have passed between the goal posts from in front and below the top of the net. If the puck strikes the iron cross-bar at the top of the net and bounds over the bar the referee shall not allow a goal to be counted.

#### GOAL UMPIRES.

9. There shall be one umpire at each goal; they shall inform the referee when the puck has been put into the goal from the front; and the home club shall furnish the goal umpires with small white flags to be raised when a goal is scored.

*Puck of* FACE. *Both*

10. The game shall be started and renewed by the referee blowing his whistle or calling "Play" after dropping the puck in the centre of the ice between the sticks of two players, one from each team, who are to face it. The left hand side of the players who face the puck shall be towards the opponent's goal, and they must keep the blades of their sticks on the ice until the referee drops the puck. After a goal has been scored the puck shall be faced in like manner in the centre of the ice.

OFF-SIDE.

11. A player shall always be on his side of the puck. A player is off-side when he is in front of the puck, or when the puck has been hit, touched or is being run with, by any of his own side behind him (i.e., between himself and the end of the rink near which his goal is placed).

A player shall endeavor to be always on his own side of the puck, and persistent failure to be on-side shall be designated as loafing, and penalized as a foul.

A player being off-side is put on-side when the puck has been hit by, or has touched the dress or person of any player of the opposite side, or when one of his own side has run in front of him, either with the puck or having played it when behind him.

If a player when off-side plays the puck, or annoys or obstructs an opponent, the puck shall be faced where it was last played before the off-side occurred. A player on the defending side shall not be off-side when he takes a pass from or plays the puck as it bounds off his goal-keeper or the end of the rink or netting, or is passed by any of his team mates within a space of 20 feet out from the goal and extending to the side of the rink, and a line shall be drawn across the ice of the rink to designate the distance.

KNOCKING-ON. *HEAD*

12. The puck may be stopped with the hand, but not carried or held or knocked on by any part of the body. *NOT WITH HEAD*

Member O.H.A. Executive, 1920-21

### CHARGING, TRIPPING, ETC.

13. No player shall raise his stick above his shoulder or throw it along the ice. Charging, tripping, collaring, kicking, cross-checking, or pushing shall not be allowed. And the referee must rule off the ice, for any time in his discretion, a player who in the opinion of the referee, has deliberately offended against the above rule. If a player makes any unfair or rough play, or disputes any decision of the referee, or uses any foul or abusive language, the referee may rule him off for the remainder of the game or for such time as he may deem expedient, and no substitute shall be allowed. If, in the opinion of the referee, a defending player has deliberately committed a foul to prevent a score he shall not stop the play until that play has been completed.

### WHEN THE PUCK LEAVES THE ICE.

14. When the puck goes off the ice behind the goal line it shall be brought out by the referee to a point five yards in front of the goal line, on a line at right angles thereto, from the point at which it left the ice, and there faced.

When the puck goes off the ice at the side it shall be similarly faced three yards from the side.

When the puck hits the referee play shall cease and the puck faced where the accident occurs.

### GOAL-KEEPER.

15. The goal-keeper must not during play, lie, sit or kneel upon the ice; he may stop the puck with his hands, but shall not throw or hold it. He may wear pads, but must not wear a garment such as would give him undue assistance in keeping goal. The referee must rule off the ice, for any time in his discretion, a player who, in the opinion of the referee, has offended against this rule.

### CHANGE OF PLAYERS. *EVERY MINUTE*

16. In addition to the extra goal-keeper referred to in Rule 1, two extra players may act as substitutes on each team during a match (making nine players altogether), and a change of players may be made at any time by the substitute or substitutes reporting to the

referee, when that official has stopped the play, but must not get on the ice while play is in progress; such substitute or substitutes must be all ready to play and must take his or their position without delaying the game. The player for whom the substitution is made must also leave the ice promptly when the substitute appears. In case of injury to the goal-keeper an extra substitute may be allowed, but he must play in goal and in no other position. The substitute goal-tender can only be used at the end of a period, or in case of injury, as aforesaid. Should any player be injured during the match, break a skate, or from any accident be compelled to leave the ice, his side shall immediately put on a substitute to equalize the teams, and the match proceed until such time as the player so compelled to retire because of the accident is ready to return. Should more than two players of one team (exclusive of the goal-keeper) be compelled to retire because of accident, the opposing side shall drop a man to equalize the teams. No player shall resume play until he has received permission from the referee to go on. In event of any dispute, the matter shall at once be decided by the referee.

Note.—For any infringement of the substitute rule the referee must penalize the offending player for at least 2 minutes.

#### STOPPAGES. OF PLAY

17. Should any match be stopped by the referee by reason of any infringement of any of the rules or because of an accident or change of players, the puck shall be faced again at the spot where it was last played before such infringement, accident or change of players shall have occurred.

**The J. Ross Robertson Senior Silver Challenge Cup**

is a solid silver Challenge Trophy presented by Mr. J. Ross Robertson, on Saturday, the 3rd December, 1898, to the Ontario Hockey Association, for competition amongst the senior hockey teams of the Province of Ontario. The cup, which is of tazza form, was made by Her Majesty's Jewelers and Silversmiths, London, England, out of purest Canadian silver. It is lined with Canadian gold, and richly decorated with a bas relief of lions, masks, fells, etc., which stand out from the piece in high relief. The most striking feature of this original cup is the three leopard handles, which are beautifully modeled and chased. Its weight is 160 ounces. It is 13 inches in diameter and 10 inches in height, and stands on a handsome ebonized plinth, six inches in height, with six silver Hogarth shaped shields for inscribing the winners' names. It is now held by the Granite Hockey Club.
