lating to the modus vivendi or work. ing basis on which the Church may work in France at present :-

We, bishops of France, invariably napired by the double sentiment of love for souls and of our duties toseriously mediated, both upon the sorrowful events that are barrowing the Christian soul of our country, and the proofs that have shown the cal character of these events, as ments which have not sufficiently

1. We remain unshakably faithful to our preceding declarations, relative to the laws and other dispositions stracking the Church in these latter times; and against these laws we maintain the protestations that we have made, in union with the Sovereign Pontiff. With His Holiness we claim for the Church of France respect for her hierarchy, the inviolability of her goods, and

2. The sacred possessions of which we have been despoiled we shall claim always as belonging by right to us, their legitimate administrat. ors whom no one has a right to replace, even provisionally, without special authorization of the Soverign

3. From the midst of the struggle now going on, and which can only be terminated by an honest repara tion for the outrages committed, we power to maintain to the last postible hour the exercise of public wordepend on us, from any profanation. regard may not be rendered useless. 4. An administrative contract.

entered into by the prefects or bishops or cures on the other, shall by the terms of the law avail to give to these last the use of the buildings for worship. As to the subjectmatter of this contract, the law imposes on the civil side only one con dition; the freedom of use. In declaring ourselves disposed to make ty and always to Mass and the the trial of conditions of this sort we claim the right to introduce there any clauses not contrary to public order, and that are destined to give us two kinds of guarantees which are rigorously necessary, the one concerning the permanence and moral security of religious service in the churches, the other having relation to the safe-guarding of the principles of the higrarchy. These clauses are stated in the form hereto annexed. They are legal. Our strict duty forbids us to retrench

anything from them. 5. As it must not be allowed that the organization of the Church of France should depend on the arbi ; rary will of magistrates, we bishops bind ourselves in perfect unity, acting as one man, and we declare that this contract for the use of the churches aforesaid shall be accepted everywhere or we' will accept it nowhere. These contracts are valid only from the mement when it shall be declared that the clauses, expressed here below, are unanimously agreed upon by the civil parties, authorities or others. The upright onscience of the whole country will appreciate our conditione. Once more, the country shall see whether we, in formulating them, are in fluenced by any other consideration than the interest of the souls en-

Definite Catholic

(Sacred Heart Review.)

During this Holy Season of Lent,

et us strive as never before to form in ourselves, by God's grace, a habit in France incite us to this endeavor. What are we to do, each in his portion of the Church's field, that we may never have the shame and pain of seeing our most sacred things put says the Catholic Telegraph faithfully renewed, to prize those aroby, the protests of Catholies all who, unable to bear it longer, leaned are determined to do all in our sacred things as they should be over the world, and the efficiency forward and, in a whisper loud enough ship in our churches, and to defend Christian courage, everywhere. The fore the public, were no small For this cause, and this only, we the dauntless love of Christ, that justice of the Church's cause, which,

It is a good thing, indeed, to defend the Church, with the written word or the spoken word, in club, and factory; in shop and on 'Change mayers on the one hand, and the in the city council or at Fanuel Bail. But it is a better thing, and a thousand fold better thing, so to live our lives that our fellow-citizen shall say every where of us that our word is as good as our bond; that no deceit and no trickery are to be found in our ways: that we go open-Sacraments; that we honor, by deed and by word, openly, our Holy Father in Rome, and his representative in the Catholic bierarchy, without criticism, fault-floding and selfwill. "Personal sanctity is the measure of our loyalty to Holy Church; the honor of Christ's Church is confided"-not to the indifferent, the coward, the scandalgiver-but fito the advance guard,

the souls that truly love God and

serve Him well."

These are days that loudly call on us to be more than more, o dinary commonplace Catholics, making a tiny eign of the cross with one hand were to last forever, and death were never to snatch them away. No, these times call for men who, in such instance, resolutely take one definite Catholics, and in whom their pastors will rejoice that they are Oatholies ; men who shall so live their daily, splendid men like these?

What made oppressed, impoverished Ireland a nation, nevertheless, acting in this capacity in virtue of "that never has apostatized?" Ah, the powers that have been conferred they kept the faith, they loved the on him by Monseigneur-, bishop faith, they believed in God's eternal promises, they gloried in His ion, the following agreement has Church and in His bonor above all "Arobbishop" Aglipay's in the Philearthly things. And we-we live ippines. From this day forth, and for a too easy lives: we need the gross aration of eighteen years, M Abbe and the love of the cross; we need ___, has the free use of the Church the tough fibre of faith that can face , and all its farnishings, under and endure a daily martyrdom of life Bishop of Raphoe, has been appointeserve of the obligations laid down rather than offend in any way our rector of the Catholic University, a Art. 13 of the law of Dec. 9, great King of glory, and turn our Dab'in, in succession to the late backs on Jesus Qurist hanging on Right R.v. Mgr. Molloy. In case that M Abbe Z ___ should Calvary's tree of shame for us. be no longer pag'or of ----, either will be the Ca'holics who shall save on account of his death, or through America to the Church? They change of residence, or because his shall be the men and the women Ramon Astoga, Bishop of Martyfaculties are withdrawn from him by who have learned to tramble the ropolis. Years ago he suffered the diocesan authority, then the world and all its vanities beneath severe persecution for the faith present use shall be granted with their feet and to cry with S: Paul: when the Libers is waged war upon full rights to his successor, named "G:d forbid that I should glory, Arobishop Valdivieso. Among

Items of Interest.

The prir ciple which actuates the resent French Government-the civil efficials have, in purely Church or spiritual matters, a right to dominate the acts of Church officials the Freeman's Journal calls a "pagan principle." "It is a pagan the principle" says our esteemed contemporary, "which makes the supreme head of the State, a Nero or s Diocletain, the Pontifex Maximus of religion, a principle that consigned the early Christian martyrs to the tions in the Flavian amphitheatre, secause they would not recognize The present legal form shall not spreme Head in religion. When our value, notil after Mouseigneur the Divine Lord said: Render to

Casar the things that are Casar's and unto God the things that are God's,' He placed a limit to the authority of Omiar and pointed out things that belong not to Casear. The pagan principle of the supreme authority of the State contradicts the principle of Christ and says; "Render to Cap-ar all; there is nothing that belongs not to Cap-ar."

This is the principle of French atheism; there is no God, and therefore nothing belongs to Him. The authority of the State contradicte fore nothing belongs to Him. The fore nothing belongs to Him. The after I had used three-quarters of my back was as strong and well. of definite Catholic loyalty. Affairs essential antagonism between these two principles is at bottom the trouble in France."

"It is d ffi :alt at this distance," MISCELLANEOUS to naught in our own beloved determine just what influenced the country? First, we are to strive, Government to change its attitude, by a manful, determined and humble but we are of the opinion that the which sprouted from his upper lip effort, ever more the oughly and admirable unity of the French hiere seemed to irritate a fellow-passenger, prized, and to practise our faith with which the Catholic press placed for all present to hear, said: fearlessly, gladly, persistently, with the real facts of the persecution bechivalrous love of the Church, and predomidating element was the yours, and I cut it off."

> T e Naw York Sun having declared that a majority of the votes in France were cast in favor of the Separation Law-or, at least such tained the Government-the Catholic S andard and Times says: "The fact that a majority of the votes seemed to show this is no proof whatever that these votes reflected 25c. the mind of the voters. Many of these voters had to mind of their own. Owing to the manipulation of the machinery controlled by the Government from Paris, and worked through the system of prefectures, there. this machine can produce, and has produced at all times, the sort of vote that the Government calls for. The art of ballot-stuffing is just as well known in France as it is here, and is systematically and persistently resorted to,"

denounce to e injustice to the Church all dealers, in France. It says: "It is not an easy matter for us to comprehend lest we should be laughed at, and the position of the French ministers, patching very broadly at this world's for we have no such godless public for I hate to be shaken. And mind goods with the other as though they men here in this country, or if we you pull up at the right house, and have, they dare not come out into look out for those dreadful electric the open and declare themselves as cars." such. The Christian instinct is still a Lent as this of 1907, shall, for too strong in Canada to telerate my best. And which bospital from any public man language which would you wish to be taken to, sir, fault, and fight against it to the the members of the French Cabinet in case of an accident? bitter or rather the blessed end, its are using every day. The Premier was the dian private monopoly on secord.

A STEP IN ADVANCE It is not necessary to go over the arguments and facts presented. enough to say that the presentathe important questions under tion of the case in yesterday's debate marks a distinct stage in the movement toward better things. Members from Ontario Nova Scotia and New Brunswick joined in the protest against existing conditions The Leader of the Opposition took hold of the question in a statesmanlike way declaring emphatically that the claims of the Island province. Who ever may maintain that justice has been done to the Island, Mr. Borden takes the square position that the terms of compact have not been fulfilled, and that there is a distinct liability. Moreover, he declared that the Government

itself has admitted default.

MR. BORDEN'S POSITION. If Mr. Borden has his way the matter of the tunnel will be at once taken up. It will be ascertained definitely what the cost will be and how far the project would be an effective remedy for existing conditions. But Mr. Borden would not wait for the tunnel before rendering some measure of justice. He would improve and incrosse the facilities for winter traffic. ent distress by cutting down freight charges to a summer basis. Mr. Borden sees no reason why a govless to redress a wrong when a large part of it is caused by its own excessive freight rates. While observ. iog that the grievances of the Province have been frequently expressed in the House, the Opposition Leader declares that the members have not done more than their duty. INDIFFERENT MINISTERS.

While Mr. Hughes, in presenting

Campaigner O'Gorman or Purchasing ministers for the benefit of the CONFIRMED BY THE AUDITOR.

The auditor-general has made the one thousand times \$304, and as he late discovery that the North Atlantic justifies a price which even the con- Trading Company has been receiving \$5 a head on European emigrants with out proper vouchers or evidence that the money was due. Vouchers for money expended are simply statements made by agents of the alleged company, cer there is no sign of any \$87,00 re tifled by former Deputy Minister Smart officers of the contractor. The auditor the same percentageof rake-off is that the accounting is irregular and the other middlemen, who have organized evidently the result of last year's inthemselves into commission firms for vestigation. As the country has already the purpose of selling goods to the paid \$300,000 to these unknown friends of Mr Preston and the Department of the Interior, the vigilance is rather tardy. Undoubtedly nearly the whole of this money was wasted and stolen, as we have a statement of Lord Strathcons that the immigrants for whom the action is the purchasing agent's justi- bonus was paid would have come in WHERE ARE THEY?

Unfortunately the minister of agriculture, who has just taken a census of ported the principle, though he held direct from the dealers. He insisted the Northwest, has not been able to that the closer union would be reached that concerns like Barber & Eliis find the people. Mr. Fisher admits by gradual development rather than world not sell direct to the customer a shortrge of 75,000, which is rather by any immediate process. Sir Wilfrid would not sell direct to the customer more than the number the country paid Laurier declared that there was no if they did they charged higher the Trading Company to bring. The grievance to be remedied. He contended pinces than the middlemen handling admission came reluctantly, but the further that no close organization was their goods would make. Yet figures show that the real loss is double possible without free trade within the South Atlantic Trading O'Gorman swore that Barber & Elis Mr. Fisher's estimate. We had a cer- Empire, which view was opposed both told him they refunded the money tain population in the West five year's by Mr. Borden and Col. Hughes. It because the lower price was the one ago. We have a certain natural incertain other departments of the crease. We had a large migration ances of Sir Wilfrid himself. The only westward from the older provinces. Opposition speaker besides the premie government were paying them for the There is an influx of he mesteaders from was Mr. Devlin, member for Nicolet, same goods furnished direct. But it the United States. Year after year the lately Home Rule member for Galway has been frequently shown that this government has boasted of the number in the Imperial Parliament. He of government prefers to deal with the of settlers from each of these classes middlemen even when the cost is Now comes the day of accounting, when in any form. all these boasts have to be marked down to bargain figures. Mr. Fisher is, THE WORLD FOR THE WIDDLE | not quite sure whether to say that the immigrants for whom so large a price in the original schedules. All these has been paid have gone away again or except passibly four which are doubt never came at all. In either case the

something about the state of affairs go, with the additional bitterness of of the New Age asked me to write in France from a Catholic point of view, my first impulse was to refuse. But on second thought I decided to persecutors. Then the Concordat try my best to gretify his wishes, for the request itself seemed to sum up and reduce to one common denomination the many thoughts and feelings ation the many thoughts and feelings which mingled confueedly in my mind. I remembered the polite ed, and the records rifled, a proceed-Frenchman who said: "If I were not a Frenchman I would like to be an Englishman," and the conceited French freethinkers. A recent cor-Englishman who replied: "And I, respondent in the Times shows con-Englishman who replied: "And I, olusively why the Pope (even had if I were not an Englishman, I be chosen to ignore preceding outshould like to be one." The mere fact of the Editor's request to me rages) could not accept the insulting points to the existence of a gulf be- proposals of M. Briand : tween the two peoples which nothing can bridge over, and to ignore this Church were ignored . gulf, to attempt to judge France by. (2) These proposed "associaoften a refined, considerate gentle- clusively to the Bishops. whereas a French freethinker is or- ope. dinarily a sort of dangerous maniac, just about as capable of understand. ing liberty, equality and fraternity, as an exasperated savage from be correspondent, all that the Pope has Congo! For some years past, the done " is to insist on the admission Government of what was once a of those essential rights of the great Christian nation has been in Church and of the Cathotic Hierthe bands of men of this stamp, in- archy" which are recognized in all capable of elementary truth, justice civilized countries. or honesty, and only abstaining from Does M. Briand honestly think the orude assassinations of their that he can conquer the Catholic Jacobin ancestors because they have not the courage. It was, therefore, inevitable that sooner or later there must ensue a corflict between this cansille and the Catholie church. The breaking of the concordat is not the cause of the conflict, it is but one incident among many, but it happens to manifest to the rest of Eqrope the issue which is at stake. If there could have been any doubt on the point, M. Briand himself has taken it away by his own outspoken

"The time has come to root up from the minds of French children the ancient faith, and replace it with the light of Free Thought; it is time to get rid altogether of the Christian idea. We have hunted Jesus Christ out of the army, the navy, the schools, the hospitals, orphan asylums and law courts, and now we must bunt Him out of the State altogether."

Get the Most

Out of Your Food You don't and can't if your stomach is weak. A weak stomach does not digest all that is ordinarily taken into it. It gets tired early, and what it fails to digest is wasted.

Among the signs of a weak stomach are uneasiness after eating, fits of ner-yous headache, and disagreeable belch-

Strengthens and tones the sto

d by such a man, and any sect calling itself Christian, there must olic Church it must be war to the death, and the experience of nineteen centuries tells us beforehand to which side death must come. M. friand has declared war against a power, which, as Cardinal Newman eminds us, " none can assail withat misfortune," and when M. Briand's name is utterly forgotten

the Catholic Church will still be

living and flourishing in France.

But we English are a strange mixare of justice and injustice! We (i. e., some of us) thrill with sympathy for the passive resister, who bjects to any schools but his own receiving support from the rates. It is a matter of conscience, forsooth But when the Pope's conscience for-(ALICH J. HAYES in Sacred Heart bide bim to give to Cassar the things which are manifestly God's, we denounce him as a narrow-minded

What, then, are the facts of the

case? On the one hand, we have the Catholic Church in France, with the Pope at its head, and the cordial sympathy of over two hundred milat its back. On the other hand, we have the so-called French Government-a pitiful collection of rabid, Knew His grace would sufficient be parrow-minded speculators, unable For all His love should send to me ;- to agree among themselves on any one point except hatred of God and all that speaks of Him. The object they have set their bearts on is, as we have seen from the words of M. Briand, nothing less than the total suppression of Christianity! Ever since they came into power they bave worked for this. The Con-Who bought, and set the captive cordat allowed them to propose the names of all candidates for the Episcopate, and we know how they used their privilege, and although the final choice lay with the Pope, they were often able to harry him into consenting to nominations fatal to

the interests of religion. Yet still the Church would not They turned their attention to the religious orders. Nearly three hundred congregations of men and women preferred exile to submission. The English Press speered at such obstinacy, and loudly praised those who trusted the word of the Govern-

ment, and asked for " authorization." It was refused, and they also had to feeling that they had merely facilitated the work of their treacherous of contract. The Embasey was seiz-
