MEMORIALS

August 25th 1923.

W. H. Stafford, Esq.,
Almonte,
Ont.

My Dear Mr. Stafford:-

I beg to acknowledge receipt of your letter of August 21st, in which you very kindly asked me to go to Almonte to participate in the ceremony of unveiling a memorial to those citizens of Almonte who served in the Great War.

Thus far this year I have taken no vacation, and have planned to go away for the first two weeks in September. I hope that you will not think me indifferent to the importance of your function.

My sincere regards for the Cotton family and their distinguished record and service makes me more than usually sorry that I cannot be with you.

With all good wishes, I am,

Yours very faithfully,

Sir Arthur Currie,

Montreal, Que.

My dear Sir Arthur :-

The late Mr. Alexander G. Rosamond, immediately after the declaration of war was made, had the Company of which he was President and the largest Shareholder give Ten Thousand Dollars to the Patriotic Fund, and he immediately went overseas. Mr. Rosamond was forty years of age, married, having a wife and four children, and did not have any military training. He first joined the Sportsmens Battalion and subsequently the Princess Pats, and he became a Lieutenant of that Battalion and was killed at the battle of Courcellette in September 1916. By his will he made a bequest that a suitable monument should be erected in a public place in this Town in memory of the men from here who were killed in the war.

The executors of the will of the late Mr. Rosamond were fortunate enough to secure the services of the very prominent sculptor Dr. R. Tait McKenzie, a graduate of your university, and a native of this Town, to do the work, and the figure "The Volunteer" in bronze is here. I had a wire from Dr. McKenzie today saying he could be here about the 11th, of September for the unveiling.

Mrs. Alexander G. Rosamond is a daughter of the late Major General Cotton.

The executors of the will of

Sir Arthur Currie,

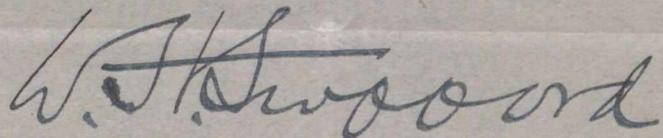

-2-

Aug. 21st, 1923.

the late Mr. Rosamond would very much appreciate your favouring them by being present at the unveiling, and extend to you a most cordial invitation to so do. Should the 11th, September not suit your convenience, it could be arranged for the 12th, or a day or two earlier than the 11th.

Kindly be good enough to advise me at as early date as possible if it would be convenient for you to be present, and oblige,

Yours very sincerely,

Rev. R. L. Ballantyne,

Dear Reverend Ballantyne:-

I have your letter of
October 24th.

I cannot tell you how keenly I appreciate the difficult position in which you have placed me. I always feel when asked to unveil a Memorial Tablet that I should go. I feel this way on account of the intimate relations that existed between me and the men to whom the Tablet is a memorial. I may say that on very few occasions have I refused to take part in these ceremonies.

During the remainder of this year, as I have told you, I am unveiling a Memorial Tablet on every Sunday up to the end of the year. I have also unveiled several tablets during the past months on week days and I have engagements to perform similar functions on week days several times during the remainder of the year.

I am very busy with work in connection with the University. New buildings are going on, plans for the erection of other buildings are under consideration; new departments are being instituted; other departments are being reorganized and investigations are going on in connection with other University activities. Altogether, every day until the end of the term, not excluding Sunday, promises to be a very full day and I really do not see how I can find the time to go to Riverfield. I seldom get an evening to myself. Certainly, I do not get that time for study and consideration of

problems which is necessary.

Under these circumstances, will you please excuse me from participating in your ceremony of unveiling.

My dear Sir Arthur,

This is just a line to express my personal thanks, and the thanks of the whole Cathedral congregation, to you for your coming and officiating so beautifully at yesterday's ceremony. On every side I have heard the greatest and most enthusiastic satisfaction expressed regarding the whole service, and I feel that this is very largely due to you. I suppose such things are common experiences for you as you have so often done the same office, but I can assure you that you have never performed a ceremony at which your presence, and your most fitting words, meant more or gave more real delight than the one in the Cathedral yesterday. With every assurance, therefore, of our genuine appreciation, and very kind regards,

I remain,

Gen. Sir Arthur Currie

Dear Sir

The people of Morrisburg have erected a monument to the memory of the young men of our town who gave their lives in the Great War. The monument is the work of Mr G. W. Hill R.C.A. of Montreal and cost \$10000. We are now about ready to have it unveiled and as Chairman of the Committee I am asked to write you and if possible have you give an address at the unveiling. We are proposing to have that ceremony

~~to be~~ held if possible on
Labour Day Sept. 3rd. Should
this date not be convenient,
would you suggest some
date near that, when you
could come.

We are most anxious that
you, the General who led
our men to victory, should
address us on that occasion.

Ven. Archdeacon Carson, M.A.,
St. James Rectory,
Morrisburg, Ont.

My dear Reverend Carson:-

I am very sorry indeed that your letter of July 31st only came into my hands today. somehow or other the letter was accidentally placed in a file where it did not belong and I saw it now only because I happened to use that file at a special meeting of the Board of Governors. I know you will accept this explanation for what appears very casual treatment of your kind invitation to participate in the ceremonies at Morrisburg on Monday.

I am very sorry that it will not be possible for me to be with you, as I have made arrangements to leave the city tomorrow to be away most of the month of September. I am glad to know that the citizens of Morrisburg have erected this permanent memorial to those who served in the Great War. It will forever serve as a reminder that in those great testing days the citizens of Canada rendered noble service and made willing sacrifice for the sake of a cause which they knew to be right.

I hope that returned men in your community are all getting along well in a material way. I have every confidence that morally they are a great power for good.

With all good wishes, I am,

Mayor, Chesley, Ont.

Dear Mr. Mayor:-

On behalf of Sir Arthur Currie I beg to acknowledge and to thank you for your letter of May 29th containing an invitation to unveil on the 8th of July next a Memorial dedicated to the soldiers from Chesley and vicinity, who fell in the Great War.

I am very sorry but I am afraid it will not be possible for Sir Arthur to be present on this occasion. He is at present in hospital where he underwent an operation yesterday. He will probably have to remain in hospital for at least three weeks, and after that he plans to sail for England to spend the balance of the summer.

I know he would wish me to convey to you and to the Memorial Committee the assurance of his sincere sympathy and his hearty congratulations on the completion of your Memorial.

Yours faithfully,

Secretary.

Chesley, May 29th, 1925.

Lieut. Gen. Sir Arthur W. Currie, K. C. B., K.C.M.G.

McGill University,

MONTREAL, Que.

Dear Sir:-

I have been requested by the Town of Chesley and the Soldiers' Memorial Committee of this town to invite you to unveil a monument dedicated to the soldiers from Chesley and vicinity who fell in the Great War.

The unveiling has been tentatively fixed for July 8th at three o'clock in the afternoon, but is subject to such changes as may be desired in case of the acceptance of this invitation.

On the Fourteenth of August, 1914, a Chesley Company - forty strong - marched out of the town to take its part in the war. They went over with the First Canadian Contingent and were the first volunteers from the County of Bruce. As the years went by, a great number of our young men went to the front and thirty-seven of them never came back.

In November, 1919, the citizens decided to raise Fifteen thousand dollars to purchase a site and erect a monument. This amount, and more, has been raised and the monument will be completed on the Twentieth of June next. I have pleasure in enclosing a card showing the

character of the memorial.

I could not adequately express the pleasure which it would give the citizens of this town and the people of this county, if you could accept this invitation and give the address of the day on the date mentioned, or such other date as might suit your convenience.

I have the honour to be Sir,

Your obedient servant,

W. P. Krug

Mayor.

J. P. Downey, Esq.,
Ontario Hospital,
Orillia, Ont.

My dear Mr. Downey:-

I have your letter of February 7th and am much interested to learn that the unveiling ceremonies of the monument to Champlain will take place on Dominion Day next.

If I am in Canada I shall be delighted to participate in the ceremony, but I am planning to go abroad in June. I fully sympathise with the desire of the Committee to make the ceremonies as impressive as possible and a small force of French-Canadians with an equal number of English-speaking Canadians would serve to shew that both races are willing to fight for the same ideals.

I do not think it will be possible for the Governor General to attend, as a short time ago I spoke to him about participating in another function on Dominion Day and learned from him that he planned to be in the Mackenzie River Basin about that time. I believe he is going on a trip to the Arctic Circle this summer.

I shall be very glad to see you when you and Mr. Goldie come to Montreal.

My dear Sir Arthur:-

As you no doubt are aware, the unveiling of the monument to Champlain will take place in Orillia on Dominion Day, 1925. We of the local committee are now exercising ourselves with the tremendous problem of making the occasion a worthy one. From all we can gather, we are satisfied that the monument will be one of the finest in the Dominion and in a historical sense probably the most notable.

I know you are deeply interested in the event and we are ever mindful here of the service you rendered in obtaining the generous grant from the Quebec Government. We desire to make the unveiling an event that will be memorable especially as an evidence of the better feeling between the French and English speaking peoples of the Dominion.

I am bold enough to presume, my dear Sir Arthur, that you will be one of our honoured guests on the occasion and I write to ask your opinion as to the wisdom of making the event a practicable exemplification of

Sir A. C. (2).

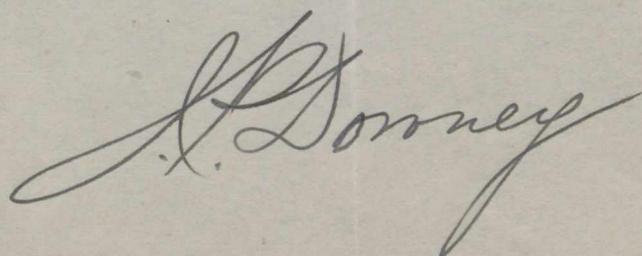

the fact that Quebec and Ontario are nationally one and indivisible. What more striking evidence of this could be given than a united representation of the war veterans of Quebec and Ontario at the ceremony? I am of the opinion that the Quebec Government would be willing to send a detachment and I am sure Ontario would not hesitate to join in the project. The possibilities, with your presence and the presence of the Governor-General of this military episode being an imposing and memorable spectacle are, to my mind, immense.

I would like, Sir Arthur, if you would be kind enough to give me your views as to the practicability of the suggestion. I have not mentioned it to any of the members of our local committee, feeling that I should first hear what you think about it.

I am building on a trip to Montreal in the course of the next month. I shall go with Mr. Goldie and I hope to have the pleasure of saying good day to you and also our good old friend, Dr. Stephen.

With all good wishes and kindest regards, my dear Sir Arthur, I am

Very sincerely yours,

THE RAISON D'ETRE OF THE CELEBRATION

Samuel de Champlain, founder of New France, set sail from Honfleur on April 24th, 1615, for Canada. Landing on May 25th, he set out for the Huron Country, on July 9th, having been preceded by Father Joseph LeCaron, and twelve Frenchmen. On July 29th he first saw Lake Huron, on August 1st he landed at Thunder Bay, on August 12th he attended the first mass celebrated in Ontario, by Father LeCaron, and on August 17th he reached the Huron capital, Cahiaque, at or near the present town of Orillia. On the 1st of September Champlain and his party set out with the Hurons on an expedition against the Iroquois, which ended in dismal failure, owing to the lack of cohesion and persistence on the part of the Hurons, and to the intrepidity of the Iroquois. Champlain reached Cahiaque on December 23rd, making this his headquarters till May 20th of the following year, when he set out for home, arriving at Quebec on July 11th, sailing for France from Tadousac on August 3rd, and reaching Honfleur on September 10th, 1610. This expedition marked the advent of the white race into the Province of Ontario.

A FEW OPINIONS FROM AMONG MANY

Toronto Globe:

"The people of Orillia are entitled to sympathy and substantial aid in their effort to commemorate in some enduring way Champlain's sojourn on the site and in the vicinity of their beautiful and enterprising town."

Toronto News:

"The erection of a monument on the shore of Lake Couchiching within sight of the spot from which the explorer started on his famous expedition is an excellent idea. That expedition was perhaps the most important historical event of our annals, judging by the results which flowed from it."

Collingwood Bulletin:

"Situated as Orillia is, in the heart of the country of the early Hurons, to which he came in the summer of 1615, and where he remained till the following spring, it is exceedingly appropriate that the people of the place should undertake a movement such as that proposed."

Dr. Alexander Fraser, Provincial Archivist: "The celebration of the tercentenary of the white race in Ontario is a duty that has been laid upon the people of Orillia by destiny. This is the place and the people to take up the burden of organising an adequate celebration and memorial."

The Hon. J. S. Duff: "I will follow with interest and sympathy this celebration, and trust it will find support."

Mr. Chas. R. McCullough, Hon. President of the Association of Canadian Clubs: "Convey my congratulations to those who conceived the splendid idea of celebrating this anniversary."

Mr. John Dearness, President Ontario Historical Society: "The object is a most meritorious one. I wish it every success."

Lord Strathcona: "Will gladly contribute one thousand dollars to the fund for celebrating the Tercentenary."

The Hon. F. D. Monk, K.C., M.P.: "I need not tell you how heartily I approve of the project of celebrating the tercentenary of the advent of the white race into Ontario, and I think such a celebration will do much to bring together the two great races which have a preponderance in our country. I will be very happy to do all in my power towards making this celebration a success."

Sir John Gibson, Lieutenant-Governor of Ontario: "I unreservedly approve of the movement, as being likely to recall and emphasise some very important portions of early Canadian history."

My dear Mrs. Hunter:-

I am sorry that I have not before this acknowledged your letter of October 12th, in which you ask me if I would unveil a Cenotaph which the Imperial Order Daughters of the Empire propose to erect on Dominion Square.

A day or so after I received your letter Brigadier-General Armstrong rang me up and told me that he was having an interview with your representatives. I told him I did not think I could officiate at the ceremony because I had promised to unveil a memorial in Christ Church Cathedral on the same day and at the same hour. The Church authorities now inform me that their memorial is not ready, so I am free to meet your wishes if you have decided to go on with the project.

I told General Armstrong that I didn't very much like the idea of erecting a temporary structure each year. Somehow or other it doesn't seem quite right and until a permanent cenotaph is erected the ceremony might be dropped. However, I know that a great many people will be disappointed if such action is taken. I notice that in London there has been such a demand for the Cenotaph service that the authorities have altered their original decision and are arranging for a service. At one time it was intended that as the day came on Sunday the services would be held in the churches.

Yours faithfully,

Dear Sir Arthur:—

The Imperial Order Daughters of the Empire would be so pleased if you as former Commander in Chief of the Canadian Army, would unveil the temporary Cenotaph to be erected by them on Dominion Square, on Armistice Day, November 11th.

We are hoping there will be a permanent Cenotaph by next year.

My dear Mrs. Jarvis:-

Let me thank you for your letter of April 16th tendering a kind and tempting invitation for me to go to Saskatoon on June 10th, 17th or 24th next, in order to participate in the ceremony of consecration of a Next-of-kin Memorial Avenue.

I am very sorry but I am afraid it is impossible for me to go. On June 11th I have promised to attend the 50th Anniversary of the foundation of Stanstead College in Quebec; June 16th is the last day of the conference of Canadian Universities and I could not reach Saskatoon on the 17th; whereas on June 24th I leave Montreal to attend the Commencement Exercises of Princeton University. This is a very old engagement.

I would like very much to be with you, being in warm sympathy with the idea of a Memorial Avenue. There is something peculiarly appropriate in such a token of remembrance. I am sure your ceremony will be a great success.

Yours faithfully,

Principal.

*"Lord God of Hosts, be with us yet,
Lest we forget, lest we forget."*

Dear Friend:

The Military Chapter I.O.D.E. of Saskatoon, have decided to dedicate trees as a memorial for our glorious dead.

A committee appointed for the purpose approached the City Council and Parks Board asking for their approbation to the scheme of planting a row of elms from the gate of Woodlawn Cemetery and carried down into the city, each tree to be planted in memory of some soldier, sailor or man of the Air Force, who gave his life in the war, to be known as Memorial Avenue. The Council approved highly of the scheme, and the Parks Board offered its co-operation in the work.

It is proposed that elms, as being most enduring in this climate, be chosen; that each tree be the best and largest possible for transplanting; that it be surrounded by an iron grating safeguard; that on each be a brass or bronze plate suitably engraved; that the ground be prepared this summer; that all names be procured as soon as possible so that plates may be engraved, trees bought and everything in readiness for next Arbor Day, which we are asking may be made a civic holiday. Soldiers' children, carrying flags, will be given the posts of honor on that day. The details for the ceremony have not all been worked out, but it will be made as beautiful and impressive as possible.

A tree is a living memorial often more enduring than marble or bronze; a tree is a thing of beauty and of inspiration—a living token of the wonder and glory of nature—a symbol of service—for the life of a tree is a life of service, even the end of life is not the end of a tree's service; to the contrary, the end of life opens new fields of service which add immeasurably to our civilization, our culture, and our happiness; therefore, is not a tree a fitting symbol for those valiant men who gave their lives for the service of their country and who died that humanity might continue to live in civilization, in culture and in happiness?

Any one who has a soldier relative or friend who has given his life in the service of our country may own a tree in this stately avenue. The cost will be for tree, safeguard and engraved plate \$7.00. After the tree is planted, it will be cared for, for all time, by the city through the Parks Board. Any tree that dies will be replaced by them. If possible, those trees will be registered.

Accompanying the cheque of \$7.00 to cover total cost must be sent the Regimental Number, the name, rank, honors (if any), date of enlistment and name of Canadian unit, name of unit of Overseas Service, place and date of death of the soldier, also the name and address of person or persons wishing to honor the memory of the soldier. Trees will also be erected for nurses, entertainers, or any workers who have given their lives in the World War—that they may be living monuments of those who died in the service of their country in their efforts to preserve the liberty that had been their heritage.

As much work will have to be done in arranging plan, as some knowledge of the number of trees and plates needed must be obtained, it is desired that names be sent as early as possible. These will be acknowledged in rotation as received. A copy of this letter will be sent to anyone on request.

May we ask for your co-operation in what we hope will for generations perpetuate not only the memory of those men, but also the ideals which they cherished and for which they gave their lives?

The Chapter has appointed Mrs. J. W. A. Jarvis, 701 20th Street West, Saskatoon, Phone 3016, to give all information wanted and to receive all moneys for this scheme.

Signed on behalf of the Chapter,

By.....

Dear Mr. President,

The City of Saskatoon, in common with other cities on this continent, is dedicating a Memorial Avenue to our soldiers who fell in the Great War. Each tree of this Memorial Avenue is being provided by some next of kin.

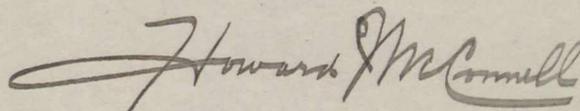

This matter has been initiated by the Military Chapter of the I. O. D. E. and the City is indebted to this organization for the work which has been undertaken. It is proposed to have this Avenue dedicated some time during the month of June of this year.

The Committee in charge of the undertaking has advised me that it has communicated both with yourself and Canon Scott, Senior Chaplin of the Canadian Expeditionary Forces, for the purpose of ascertaining whether you could both be present at that time.

- 2 -

I am writing this letter in support of the request which has been made and to assure you that our people here would appreciate very much should you be able to find time to assist in the dedication of this Memorial Avenue by being present.

Yours faithfully,

Reverend George A. Edmison,
Pastor, First Presbyterian Church of South Orange,
116 Irvington Avenue,
South Orange, New Jersey.

Dear Reverend Edmison:-

I was interested to receive
your letter of November 19th and remember you quite well
as one of our chaplains.

I am pleased indeed to hear
of the recognition your congregation is giving you and I
am glad to take the opportunity of expressing my appreciation
of this evidence of international friendship.

Yours faithfully,

TO THE CONGREGATION
of the
FIRST PRESBYTERIAN CHURCH OF SOUTH ORANGE.

You honour today a man who a few years ago went forth to war as a soldier of his country and a servant of the Cross. It was under another flag than yours that he went, but the battle was one where the sons of his country and of yours were fighting and were dying for the same freedom.

To the soldier the chaplain was a welcome and beloved figure, a Pilgrim of Love, irrespective of the church to which he belonged.

"He went about doing good," - that was his main interest to the soldier. And in hard and dangerous places "he was with them always, even unto the end".

His congregation was always one of many sects and creeds, as church doctrine names them. Indeed, it could never be classified. The Roman Catholic priest buried the Protestant dead or the Protestant Chaplain buried the Roman Catholic dead near where they fell on the field of honour, or he took their last message in the hospital ward. The Anglican rector gave communion to the Presbyterian or the Methodist as he repeated in his dugout or shell-hole or gun-pit pulpit "whosoever will may come." Men kept their own faith and their own creed, but they had respect for one another's. Religious intolerance had no place in the trenches. It will have no place in the hearts and minds of those who have come back.

In the presence and in the ministrations of the Canadian Chaplain who is today the leader of your Church you have a constant and an inspiring reminder of the tie that binds my country and yours. Over sixty thousand of my Canadian countrymen and over sixty thousand of yours sleep side by side, dead for the common cause of justice and humanity in these hallowed fields "Over there". Above their graves and in the presence of their immortal

spirits, can we not forever clasp our hands in friendship and in pride -
friendship for our common ideals and aspirations, pride for what this new
and western world has done on foreign fields for freedom, and must not the
memory of their sacrifice forever silence the voice of discord or misunderstanding
among the different branches of the Anglo-Saxon race.

My dear General Currie:

When you were Commander-in-Chief of the Canadian forces I had the honor of serving as one of the Canadian Chaplains. After the war I was called to the First Presbyterian Church of South Orange, New Jersey.

On December twelfth my congregation is to unveil a tablet in recognition of my part in the Great War. This tablet is to be placed beside the one erected to the boys who went from the Church. I feel that it is an unusual act and one showing a fine broad spirit to have a tablet in honor of a soldier of another country placed in their Church. I know that you have always sought to promote the fine feeling that exists between the two countries and I wanted you to know about it.

If you believe that a short note from yourself which might be read at the unveiling, would help to promote the goodwill, I would be glad to receive it. My congregation is composed principally of New York business men.

I am also writing to Colonel Almond who was head of our department. I am sending the letter in care of you as I do not know his address, and I would be grateful if you would have it forwarded to him.

Yours sincerely,

Dear Mr. Edwards:-

On my return to Montreal yesterday morning I found awaiting me your letter of the 11th, in which you have done me the honour of asking me to participate in the ceremony of the unveiling of Memorial Tablets which have been placed in the First Baptist Church at Ottawa.

I regret very much that I have engagements for both September 19th and the 26th, on September 19th in Montreal and on the 26th in Boston. I regret, therefore, not being able to comply with your request for either of these dates. I am sorry to have to give you this information, because I have always considered it a duty to participate in these Memorial services when I have been honoured by an invitation.

Will you please convey to the Board of the First Baptist Church my thanks for the invitation and my regret in being unable to be with you.

Dear Sir Arthur:

The members of the First Baptist Church of Ottawa have placed two tablets in the Church, one in honour of all members of the Congregation who served overseas, and a second, in memory of those who gave up their lives.

As chairman of the Memorial Tablet Committee, I have been instructed to ask you if you could honour us by unveiling these tablets, and if so, whether Sunday September 19th, or the 26th, would be convenient to you. We realize the responsibilities of your present position at this time, and the demands consistently made upon your time. However, if this concession towards us is possible, your consideration will be greatly appreciated.

I have your letter of September 12th and feel very much pleased and honoured because you have invited me to unveil the Window and Tablet which is to be erected in the Church of St. Andrew and St. Paul in memory of the late Lt. Col. Bartlett McLennan, D.S.O. and the officers and men of the 42nd Battalion Royal Highlanders of Canada.

I do not have to assure you how much I would like to join with the friends of the 42nd in this ceremony, but last May I promised General Victor Williams, G.O.C. M.D. No. 2 Toronto, that I would be there on the night of November 11th in order to preside at an Armistice Day dinner. I have not heard from Williams since, as to whether such a function is to take place or not, but if it does, I am afraid I must keep my promise to him. If I do not go to Toronto, I shall most certainly attend the ceremony at St. Andrew and St. Paul and comply with your request as to my unveiling the Window and Tablet.

My dear Colonel:-

I have just heard from General Williams in Toronto that the dinner there on the night of Armistice Day has been put off. There is, therefore, no reason why the unveiling ceremonies should not be held on the afternoon of November 11th if such is the wish of the Regiment.

I believe that on that evening Webb is arranging for a reunion dinner at the Windsor Hotel, which, I am told, the Governor General has promised to attend. It may be that you would like to invite him to the ceremony of the unveiling.

Dear Sir Arthur:

We have been wondering if it would be possible for you to be present and unveil a memorial of the 28th Battalion somewhere about the end of July. We have had in hand the erection of the 28th Battalion Memorial for some time. The movement is one which came from within the Battalion and mostly from the original members.

The monument is that of a soldier in review order with the badges of the Battalion and the figure has already been shipped from England and is in Canada now en route to Regina. The figure, which is of bronze, is 6 feet, 3 inches in height and stands on a pedestal 9 feet high. The Memorial is to be placed in the Parliament Buildings grounds at a ~~site~~^{place} already selected.

We have been enabled to raise the necessary funds by generous contributions from within the Battalion and by the sale of tickets for the raffle of a certain war picture

(2)

painted by a Roman Catholic priest in Regina. Also we have had generous assistance from contributors and from the Government in the matter of duty and from the Canadian Pacific Railway Company in the matter of freight.

It is, of course, a long way to ask you to come but I thought that it might be that you would be able to do so. Our funds are not so extensive as to justify our incurring a large expenditure for your expenses. On the other hand it would be quite improper to ask you to come so far at your own expense and I feel satisfied that the transportation ^{etc.} can be arranged if it should suit your convenience to come.

We had hoped to have the Memorial ready for unveiling during the recent visit of His Excellency, the Governor General, but unfortunately we were not able to do so

With kind regards,

Yours sincerely,

We have arranged that the Fair Board asks you to open the Provincial Exhibition at the same time. So try to come.

Sir Arthur, who has gone away on a short holiday, asked me to be sure to write you before I left myself and say how sorry he was that he could not go to Regina for your unveiling.

I know I do not need to tell you how much he thought of the 28th and how much he would like to be present, but he has had a very busy time so far this far and we have so much on hand this summer that it would really be impossible for him to get away.

Dear Mrs. Baxter:-

Thank you very much for your letter of September 19th conveying an invitation from the Essex County War Memorial Committee of the Border Cities to unveil the monument now being erected by them in memory of the men of Essex County who fell in the great war.

I am very sorry indeed that it is not possible for me to comply with your request, as I have a long-standing engagement of a similar nature in Montreal on that day. I have also made engagements for Thanksgiving Day and the preceding Sunday. I have long wished to visit the Border Cities and hope some time it may be my good fortune to do so.

Will you please extend to the members of your Committee my sincere congratulations on the successful completion of the work they have undertaken and my heartfelt good wishes to all old comrades taking part in the ceremony.

My dear Senator:-

Let me acknowledge receipt of your letter of April 12th in which you very kindly ask me to be your guest at Knowlton over the week end and unveil a tablet on Monday, July 2nd next.

I should like very much to go and will tentatively say yes. There is only one thing that is likely to interfere and that is, that as soon as possible after my boy's school closes in June it is my intention to have a slight operation performed on his ankle. Dr. Clarence Starr of Toronto has treated it from the time the weakness first developed and I think I shall have Starr operate. This means going to Toronto.

It is difficult to say now just what the developments will be, but, if possible, I shall go to Knowlton on the date mentioned.

Sir Arthur Currie, G.C.M.G., K.C.B., LL.D.,

Dear Sir Arthur,

The Municipal Council of the county of Brome through their Warden have asked me to make certain arrangements for the unveiling of a soldiers' monument at Knowlton, P.Q., on Monday, July 2nd, and it is the unanimous wish of the Council and the people of that county and district that you should honour our municipality by unveiling the same.

There are two outstanding features with regard to it. The first and most important is that the money has been raised by a Council composed of French and English citizens in a county almost evenly divided between the two races and the second is that up to this moment although the suggestion has been pending for three years I have never heard one word of criticism regarding it from any citizen of that county.

The monument has been designed by McCarthy and I am certain I can say that it will please you, if you are able to accept this invitation that you should come on Saturday Brome Lake special train, leaving Montreal about one o'clock, spend Sunday and Monday at my home and you can plan to arrive back in Montreal at seven o'clock on Monday night. It would give us great pleasure if Lady Currie and Miss Currie would come with you, and if it is agreeable to you and possible for you to arrange to come, Mrs. Foster will

I am perfectly certain you will have many demands on your time for that holiday, but I am equally certain that we can promise you a happy day if you can honour us on this occasion.

Dear Sir Arthur Currie:

Referring to your letter of April 16th, I have written our Committee to say that you have every hope of being with us at the unveiling, not of a "tablet" as referred to in your letter, but a monument erected by the Municipal Councils of the County, at an expense exceeding fifteen thousand dollars (\$15,000.00), and, while I quite understand the reserve made in your letter, I do hope that your son's condition will be satisfactory, and that you will be able to join us on this occasion.

I am seldom in Montreal other than on Saturday, or a Monday, but, if you would come down Town some day, and have lunch at the Montreal Club, we could discuss the details, and you would see many men who would be glad to see you, and who, unfortunately, do not often have an opportunity of seeing you, except at a distance.

I believe you can accomplish two purposes by accepting the suggestion I make, and there is plenty of time to select a Saturday or Monday, (preferably Monday) that would be convenient for both of us.

My dear Colonel:-

I am this morning in receipt of your letter of August 8th asking me to dine with the officers of the West Toronto Regiment on November 7th. You say you think I am likely to be in Toronto about that date in connection with the Memorial Gateway at Toronto University. I have heard nothing about this latter function but I may say that week in November is likely to prove an awkward one. I have a tentative engagement to speak to the Women's Club in Montreal on November 10th, while in addition the Parkman Centennial Committee, of which I am chairman, may hold its Francis Parkman Celebration about November 10th. The date is yet uncertain because we are trying to get Ambassador Jusserand as the principal speaker. The Canadian Club has also asked him for November 10th and we have agreed to join forces to induce him to come. You can see that I am considerably involved for that period.

I shall be in Toronto on October 20th, having agreed to go and speak to Upper Canada College on the evening of Friday, October 19th. I almost think my being in Toronto on Saturday, November 10th, is out of the question.

Dear Sir Arthur,

You will remember that at the beginning of this year I wrote you intimating that the Officers of the West Toronto Regiment (20th Canadian Battalion, C.E.F.) and of the Battalion Association were anxious to tender you a dinner in Toronto.

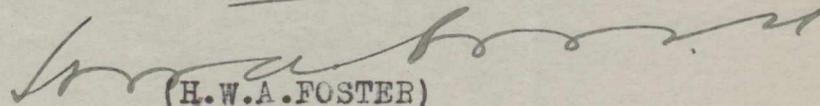

Unfortunately, your engagements did not permit of your coming to Toronto at that particular time, but you said that you would be glad to come at a later date.

The ninth anniversary of the formation of the Battalion falls on the 7th of November of this year, and I believe you are to be in the City about that date in connection with the Memorial Gateway at the Toronto University.

If convenient to you we would like to have the honour of entertaining you at dinner on Saturday evening November 10th, but if some other date about that time will be more satisfactory to you we would gladly change the date to suit your appointments.

Your acceptance of our invitation will be appreciated by one and all.

Dear Sir Arthur:-

I see by a Toronto Paper yesterday that the Government is proposing to erect a War Memorial in Ottawa. You will remember when the competition took place for the Battle Field Memorial to be erected in France or Belgium, Mr. P. Roy Wilson, one of your students in Architecture, submitted a design which was very highly commended. Some time ago I saw the design and also a model. As I recall it, it seems to me that it would be very suitable for the Ottawa Memorial. Knowing how keen you are in looking after your own students, I wondered that if through your Department of Architecture, you could have his design submitted, or if not to find out the conditions under which designs are to be submitted. My special interest arises from the fact that Mr. P. Roy Wilson is a son of Mr. P. B. Wilson of the Soo, Vice-President of the Spanish Company, whom you know well. I know he will appreciate anything you can do to help.

My dear Mr. Smith:-

I am this morning in receipt of your letter of the 29th ult., in which you do me the honour of asking me to participate in the ceremony of unveiling a tablet to the memory of the boys of Grace Methodist Church who fell in the Great War. You were good enough to leave the choice of the date to me.

I cannot tell you how sorry I am not to accede to your request. I have participated in a great many functions of a similar character and particularly since coming to Montreal. I always feel it a duty to go whenever I am asked. I have found, though, that I have had so much to do at the University that my physician has made me promise to give up the outside work for a time. I have been forced to cancel a good many engagements already made. For that reason, and that reason alone, I most regretfully have to say that I cannot be with you.

May I say that I know the late Lieut.-Colonel Russell H. Britton, D.S.O., very well indeed, and also many members of the Third Battery, a unit which served with the Canadians throughout the War. I got to know them particularly well when I commanded the First Division. Many members of the Artillery Regiment I commanded in Victoria, B.C., afterwards served in the Third Battery. I was always particularly interested in them. I knew

young Captain Taylor, M.C., and also many others personally. I am proud to say that no unit in the Canadian Corps performed their allotted task with more credit or distinction.

As you say, many of your former fellow-citizens of Gananoque now lie 'neath the sod in France and Flanders, but they have bequeathed to us the heritage of their generous example, the inspiring ideals of unfaltering courage, generous sacrifices and unselfish devotion to duty, and the sacred memory of their undying fame.

I am sorry I cannot be with you at the service.

Sir Arthur W. Currie, G.C.M.G., K.C.B., LL.D.,
Principal, McGill University,
MONTREAL, P. Q.,

Honorable Sir:-

We have in Hamilton a School built in the years 1917 and 1918. It is called the Memorial School and has an Auditorium with a seating capacity of about 2500.

Some time ago we erected tablets with about 1800 names of Hamilton men who gave their lives in the Great War. Our Board have just completed this Memorial Hall by decorating and inscribing the names of the battles in which Canadian troops took such an active part.

I am directed by the Hamilton Board of Education to extend to you an invitation to be present and officially dedicate this Memorial to our fallen men, on Wednesday evening, November 11th, or on any date near Armistice day that you can make it convenient to be present.

I might add that the entrances to this School are named after yourself, General Morrison, Colonel McCrea and Major Bishop.

Hoping that we may be honored by your presence on this occasion,

I have the honor to be,

Yours respectfully,

Secy.-Treas.

November 13th, 1925.

Major-General S. C. Newburn, C.M.G.,
28 James Street South,
Hamilton, Ontario.

My dear General:-

I appreciate very much your kindness in offering to put me up while I am in Hamilton next week.

I shall travel there by the C.N.R. train scheduled to arrive in Hamilton at 8.20 A.M. I then have an engagement to play a game of golf with Hooper, Millen and Rennie of Toronto. I speak to the school children at 4 o'clock and then take part in the dedication of the Memorial Hall at 8 o'clock. This morning I received a wire from the Canadian Club asking me to speak to them, but I think two addresses are quite enough for one day and so I have declined. The Board of Education are putting me up at the Connaught Hotel and I think, under all the circumstances, I had better stay there. I am not quite sure whether Lady Currie is coming with me or not.

Please remember me kindly to Mrs. Newburn and say that I hope to see something of both of you while there.

With many thanks and all good wishes, I am,

Yours faithfully,

My dear Harbottle:-

Thank you very much for the invitation contained in your letter of May 3rd to unveil the bronze tablet which is being erected in the Drill Hall at Toronto to the memory of the 1082 Officers, W.C.Os. and men of the 75th Bn. who lost their lives in the war.

I am sorry that it will not be possible for me to be in Toronto on May 29th when the tablet will be unveiled and when the Garrison Church parade takes place. I have already made another engagement for that day. I am too busy at the University to be able to get away to Toronto during Race week.

Colonel Meighen was telling me the other day that he hoped that his team would play off the football championship with the team of the Toronto Scottish. I believe that no matter who wins the championship here it will be your team who will play for the championship of the Dominion. I congratulate you on their success and will look forward to seeing you when you come down.

Dear General Currie

The 75th Bn. Association are erecting a large bronze Tablet to the memory of 1082 Officers, NCOs and men who lost their lives in the war.

The Tablet is being placed in the Armouries and will be ready for unveiling on Sunday, May 29th, the day of the Garrison Church parade.

We are most anxious that you should unveil the Tablet and I thought possibly you might be in Toronto during race week.

Would you be so kind as to consider the matter, and if you can honor us, I would like to have the wording on the Tablet include the "unveiling by yourself".

Yours sincerely

Dear Mr. Kennedy:-

I beg to acknowledge receipt of
your letter of the 12th of May.

I remember very well meeting you at Alexandria last Dominion Day, and particularly on account of your kindness and courtesy to me on that occasion, do I regret that it will not be possible for me to attend the unveiling ceremonies which the members of the Congregational Church at Maxville propose to hold in the near future.

I have been forced within the last few weeks to refuse a great many invitations to functions which would take me out of Montreal in the next month, because there is so much work in connection with University affairs which I must complete before sailing for the Old Country where I go to attend a Congress of the Universities of the Empire. I have already been forced to put off my sailing from the 7th of June to the 16th, and even at that I shall be hard pressed for time.

I thank you for remembering me and doing me the honour of asking me to participate. My desire in connection with these unveiling ceremonies is to participate whenever possible and I am very sorry that I cannot go to Maxville.

Dear Sir:-

I do not know that you remember me, but I had the pleasure last year of reading an Address to you at Alexandria on the first of July, and I now make bold to ask of you what would be a favour to me as well as to a considerable number of our people.

The Members of the Congregational Church at Maxville, Glengarry County, are erecting a bronze tablet in their church in memory of the members of that Church who fell in the great war, and we would like very much to have with us on that occasion the one who, perhaps above all others in the Canadian forces, contributed most to the signal success of our troops.

I quite realize that your engagements will be very many indeed and that we may be asking something of you which may appear unreasonable. I can assure you that our Church as well as all the other Churches in the Community would appreciate it very much if you would consent to be with us on that occasion and unveil the tablet which is being erected.

The date has not been definitely decided but we would like it to be about the end of May or the first of June. If it is possible for you to come we would arrange the date to suit your convenience.

Hoping--

Hoping that you may find it possible to accede to our request and with kindest regards to Lady Currie and yourself, I am

Regarding the unveiling of a Cross of

My dear Sir Arthur,

I am enclosing herewith copy of a letter which I have given to Captain Hartley Holmes as a letter of introduction to you.

I know that he will very much appreciate an interview in connection with his work as travelling secretary of the Officers' Christian Union.

Both Mrs. King and I are very disappointed that you were unable to get across to London to see us at the time you were in Strathroy. We hope for better luck next time.

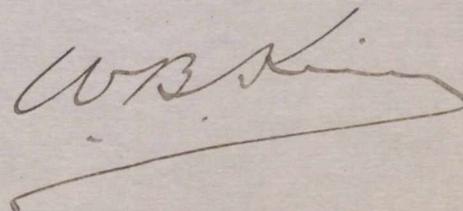

We have a Cross of Sacrifice in the London Cemetery which is now ready for unveiling. Do you think it would be possible for you to honour us by performing this task some time in September, on your return from your holidays?

We are getting the Soldiers' Plot very nicely fixed up, and I thought of taking this opportunity of unveiling and dedicating this monument about the time we are starting our Fall training, trying to arouse new interest in military affairs.

My dear Sir Arthur,

The bearer of this note, Captain Hartley Holmes, R.G.A. has been staying with me, and has asked me for a letter of introduction to you.

Captain Holmes is a Canadian by birth, and is a nephew of Colonel Holmes, at one time D.O.C. of Military District No.1, and also at one time stationed at Victoria, whom you probably know.

Captain Holmes is a graduate of the Royal Military College, and is one of the best athletes ever turned out of that institution. At the present time he is on half-pay, and is travelling secretary of the Officers' Christian Union, an English organization which was started some years ago by a cousin of Mrs. King's mother, Captain Trotter. Captain Holmes has been on a trip to China and Japan passing through Canada both ways, and is taking this opportunity to promote the interests of the Officers' Christian Union. He is very anxious to meet you personally to discuss the work of his organization.

Replying to your letter of December 5th, I have to inform you that I do not intend going West this winter and therefore you must not count on my being present to unveil your War Memorial.

Thanks very much for your kind enquiry about old McGill. Everything is going very well, but we have just suffered a very severe loss in the death of Dr. Harkness who has been Acting Dean of the Faculty of Arts since the first of October. He has been with us for twenty years as Professor of Mathematics in Arts, and has become one of the most familiar figures at the University. He was a brilliant scholar, a good teacher, but, above all, a most lovable man, very modest, loyal to his colleagues and devoted to the interests of the students. He died very suddenly last Friday night, heart failure being the cause.

I am pleased to know that the unveiling of the tablet to the students of Lindsay Collegiate Institute who died in the Great War and those who served will take place on July 3rd. This is a date on which it will be possible for me to go and I am very glad indeed to accept your invitation to attend the ceremony.

I should like to say, however, that it is necessary for me to be in Montreal on the morning of Friday, July 4th. I would appreciate it if your ceremony could be so arranged as to allow me to make the necessary train arrangements.

Dear Sir,-

I hope you will pardon my seeming persistence in approaching you once more regarding the unveiling of the bronze tablet for the students who fell in the Great War and for those who served.

A few months ago it was decided to have an Old Home Week when thousands from all the provinces and many from the United States will be here. These would include more of the former soldiers than could be induced to come at any other time.

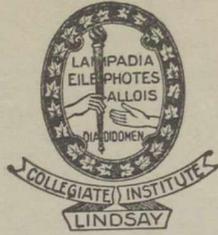

The unveiling of the tablet will come on the afternoon of Thursday, July 3rd. It is the unanimous wish of those in charge that I should invite you to act on this occasion. If it is impossible to come to us, would you care to suggest a name or two as substitute?

Trusting that you may be able to come to Lindsay for this occasion,

Dear Mr. Kirkconnell:

I am very sorry indeed that I shall be unable to be present on any early date for the unveiling of the tablet which will mark the splendid record of the Lindsay Collegiate Institute.

A great tradition has been built up for your students, by the sacrifice of the forty graduates who died for their country, by the service of all who answered Her call, and I feel certain that their memory will not fail to inspire in their successors a like patriotism.

I regret very much that I have had no opportunity to visit Lindsay since the war. I should be glad to meet again my many friends in that district, and I trust that within the not too distant future it may be possible for me to do so.

Meantime let me wish the very greatest of success to your Institute and offer my very best wishes to your students, your graduates and to yourself.

Dear Sir,

The students and ex-students of Lindsay Collegiate Institute have secured a bronze tablet containing the names of about two-hundred and fifty graduates who served in the Great War and also the names of forty who fell.

The unveiling of this memorial should take place before very long and our thoughts turned to the one who led our boys through the sad but glorious later years of the war.

If you could spare the time and effort to come to Lindsay C.S. and address the relatives of the ex-students who served as well as all the boys who were overseas and are within reach of Lindsay, it would be a source of great satisfaction to the whole community and an inspiration to our almost-half thousand students of to-day.

We had hoped that the unveiling might come on Friday Dec. 21 as

Many of the Lindsay Coll. Inst. graduates who served in the war will then be at home, but we shall be pleased to wait for any other date which will be more convenient.

Respectfully Yours,

T. A. Kirkconnell,

My dear Reverend Lightbourn:-

With reference to the kind invitation contained in your letter of yesterday, asking me to unveil the War Memorial Tablet erected in Saint Barnabas Church, let me say that I do not think it will be possible to comply with your request. On Sunday, January 31st, I shall be in New York, on Sunday, February 7th, I shall be in Ottawa and on the 14th I shall be in New York again. On February 21st I shall be in Montreal, but I have a speaking engagement for that day.

I am always glad when I find it possible to accept engagements of the character you suggest, but this time I must decline.

With all good wishes and expressing my appreciation of your effort in having the Memorial placed,

Dear Mr. Principal:

Please excuse my addressing you in writing instead of in person, but I know your time is greatly taken up with interviews, and I do not wish to inflict another on you unnecessarily.

I am writing to ask if you will honour this parish by unveiling our War Memorial Tablet on the morning of the last Sunday of this month (Jan 31) or either of the first two of February (7th or 14th) — whichever is most convenient to you. The preparation of the tablet has been postponed far longer than was necessary, and I was amazed, on coming to this parish

last November, to find, not only
that this memorial had not been
completed, but that it will be,
as far as I can discover, the first
to be unveiled on the South Shore.
That is, the first parochial memorial.
The parish has a very creditable
record, with over 130 names
on the Honour Roll, and this will
be a signal event in the parish
and the community. I feel that,
especially after such a long lapse
of time, the importance and significance
of the tablet and the occasion should
be strongly impressed upon the
people, and would therefore
count it a great personal
favour, as well as an honour
to the parish, if you could
find time to perform this ceremony
for us.

If you think you will
be able to do this, we can
arrange the details at your
convenience, and I am
sure the Churchwardens and
congregation will appreciate your
kindness as much as I.

Yours faithfully

Mr Mary Armstrong Chapote

with the unveiling of the

during the war.

We should consider it a great privilege to have you officiate, and no person could be more suitable.

It is expected that work on the monument will be completed about the middle of June, and we hope to have the unveiling take the form of a very simple service about Sunday afternoon as soon after that as possible. When speaking to your sister not long ago, she said you might have other engagements not very far from here about that time, in which case you might be able to find time for this too. If you think you can so arrange it at all, we should be only too glad to make our plans accord with your convenience.

We understand, of course, how very busy you must be, and how many demands are made on your time and strength, so do not want to be inconsiderate. But I can assure you that it will be greatly

Your sister gave me
your message concerning the
unveiling of the Soldiers'

you could not make a special

to be not far from here after

the middle of August.

We shall be delighted to have you then, so have postponed the ceremony. Will you please let me know whether you can be here on the sixteenth, twentieth, third to thirtieth of August? When we can complete our arrangements. When you are to officiate, we shall not need many others, but had thought of asking the minister who was chaplain to the battalion from this county, to make the prayer of dedication, and have the little daughter of one of the men who was killed without having seen his child, remove the flag at the completion of your address. Both live out of town, so it will take a little time to get in touch with them.

We greatly appreciate the help that your presence will be, and consider it very good of you to allow us to count on you in this connection.

My dear Miss Macintyre:-

I feel ashamed of myself that I have not answered directly to you your several communications regarding the unveiling of a soldiers' memorial in Strathroy, but the fact of the matter is that I mislaid your first letter.

Let us agree on the 30th of August. Regarding the form of ceremony, I shall fall in line with anything you suggest, but I always like to have the actual unveiling done before I make the address. What I would suggest is that when the time comes for the unveiling I would utter a sentence or two,- something more or less in the nature of a formula, then the little girl you speak of could remove the flag, after which I would make the address. It would be very nice if you could arrange for a bugler to sound the "Last Post" immediately at the conclusion of my address.

If there is anything further in connection with the ceremony on which you would like to consult me I would be pleased to help in any way I can.

Yours faithfully,

My dear General Currie -

I thank you very much
for consenting to officiate
at the un veiling of the

It is very good of you to

to make room for this among

We are glad to know your
preferences in the order of service,
and shall of course follow them.

It is very satisfactory to know
that you are willing to help in the
arrangement of the programme, as
none of the committee have had
much experience along this line.

I shall send you a copy of the

made public, and we shall
appreciate any suggestions from

My dear Sir Arthur —

On re-reading your

made a mistake in possible

dates that I quoted in my earlier

fall on Saturday, rather than on
Sunday, which is the day on which
we wait the ceremony if possible.

I fancy that you did not notice
my mistake, and were under the
same impression as I was. So I
hope it will be all right to announce
the date as August the thirteenth, first,
instead of August the thirtieth, as
I mentioned in my letter, and you
ratified in your reply. I shall
take it for granted that the thirteenth
first is convenient for you, unless I
hear from you differently, as I do
not want to give you more correspondence

I do not think it at all likely that I shall be in British Columbia this spring, as I fear the number of engagements I have already made and the abnormal amount of work at the University which claims my attention, will prevent my acceptance of any invitations so far away. I wish to thank all concerned for remembering me and for honouring me by this invitation. I am very sorry that on account of a previous engagement I shall not be able to be with you. It is a function which I would very much like to attend, because there was no unit in the whole Canadian Corps for which I had a higher regard than the 2nd Battalion. No only was there no single instance during the War where they failed to carry out successfully any duty assigned to them, but they, at all times, set a splendid example of unselfish devotion to duty, splendid courage, unfaltering determination and hard-fighting ability. I was always intensely proud of them and I hope that the best of good fortune will ever attend those who served with this splendid old regiment.

Now I know your engagements are legion, and almost hesitate to ask you, but it would confer a very great favor on the school and on many of your own old officers if you would consent to lay the corner stone. My dear Sir Arthur:-

I have been requested by the President and Committee of Rotary International, who are holding a District Conference here on April 16th and 17th, -and I understand there will be some 1200 representatives here from the States as well as Canada - to write and ask if you would honor them and deliver, as they call it, the Inspirational Address.

This organization is doing a remarkable service, not only in Canada and the United States, but other Countries where it is spreading rapidly, and is a great factor for good in the Community. I know you would receive a wonderful reception here and your presence and an address from you would be deeply appreciated.

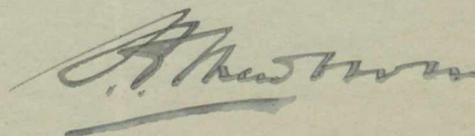

I know you do not care for these functions, and I also told my good friends that I was sure you would be tied up on the 15th, as I see that is the date fixed by the Governor-General for the Vimy dinner in Ottawa. If the 16th was not convenient to you, they would arrange the 17th, but of course, would prefer to have you on the first day.

Will you think the matter over and let me know what you can do, and if you come, of course, a formal invitation will be sent.

With kindest regards, and hoping to see you at an early date,

Yours sincerely,

My dear Mr. President:

No doubt you have heard we are founding a large University in Miami. Its aim will be to contribute to educational advancement in our local community; to serve the youth of all America; also to interest students from South America, Central America and other Pan-American countries.

Approximately Seven Million Dollars have been subscribed towards the University of Miami during the past few months, and we expect to have three or four millions more subscribed by local citizens during the next few weeks.

During the afternoon of February fourth, we will lay the cornerstone of the Main Administration Hall, and in the evening we expect to have the Regents' Reception and Dinner tendered to public-spirited citizens and educators in Florida and throughout America. We cordially request, and would appreciate your attendance. Special arrangements will be made for your entertainment while here, if you will be good enough to advise us as soon as possible of your ability to join us.

In establishing this University, we hope to profit by the suggestions, co-operation and experience of the leading educators in America. If you are willing to communicate your ideas to me, I shall be happy to get into further correspondence with you.

We would be grateful for a reply to this letter, which is both an invitation and a request for suggestions.

Assuring you of our hearty appreciation, I am

Very respectfully yours,

I am losing this year my Vice-Principal, Dean Adams, and also Dean Laing who was slated to take his place. Other Departments are also changing their personnel, and I feel that I cannot leave Montreal during May. There are so many things to be arranged before the staff separates.

Will you please accept my regrets and convey my kindest wishes to all who will be assembled that day. RE CENOTAPH.

Sir;-

I have been instructed by my Association to write you regarding the wording and records that are to be put on same.

As Naval men we feel something is missing when there is no mention of naval battles. Over 2000 Naval men left Toronto during the first month of the late war, all Canadian citizens and were in the thick of it all through.

We do not wish to detract from the Sister Service anything that belongs to it, but we do think Naval battles where Canadians took a prominent part should be mentioned.

May we therefore suggest that Zeebrugge and the Falklands be added to the list as in both these engagements Canadians took a very prominent part.

Thanking you in anticipation of your consideration in this matter;

In further reference to our past correspondence regarding the opening and dedication of the War Memorial Hall at the Ontario Agricultural College on June 10th, I am sending herewith an outline of the Memorial and Dedicatory Service.

At noon on Tuesday, June 10th, the Alumni Veterans will lunch together in the College Dining Hall. At 2 o'clock "Fall in" will sound and all veterans and College staff will fall in for parade at the College Gymnasium. At 2.15 march to War Memorial Hall. At 2.30 Memorial and Dedicatory Service begins. At 4.00 p.m. a garden party is being given by the Alumnae of Macdonald Institute and the Alumni of the College. The garden party has been planned that veterans and others particularly interested may have the opportunity of meeting Canon Cody and yourself.

The memorial tablets contain the names of 110 O.A.College men who made the supreme sacrifice. We are rushing on the work of completion in the Memorial Hall and fully expect that everything will be in good shape for the opening. I will send printed program as soon as I can secure same from the King's Printer.

Sir Robert Falconer, President of the University of Toronto, has promised to be with us on June 10th, so we now take it that the Conference of Canadian Universities is to be held at a time other than the second week of June, and that you will be able to be with us and take a leading part in the opening and dedication of our Memorial Hall. I am preparing the manuscript for the general program of the week's activities and would like to have a definite acceptance of our invitation from you at your earliest convenience. The College has a good war record and the many veterans among the Alumni are very anxious that you should be here on June 10th.

Yours very truly

Dear Mr. Stevenson:-

I am sorry that I have not before this acknowledged receipt of your letter of January 10th, in which you very kindly ask me to take part in the Semi-Centennial Celebration of the Ontario Agricultural College, which is to be held next June.

I should like very much to go and to do whatever you wish me to do in connection with the dedication of the Memorial Hall, but before giving a definite answer I feel that I must have a decision as to where and when the Conference of Canadian Universities is to take place. That Conference is usually held in June and there was a proposal that it be held in Halifax, though that has not been definitely settled. The week in which it usually takes place is the week which you have set aside for your celebration, but as yet the date of the Conference has not been definitely decided.

I have written to the President asking him to give an early decision. I want very much to go to Guelph and hope that it will be possible for me to do so.

Yours faithfully,

Principal.

Dear Sir:

I have been instructed by the committee on the Semi-Centennial Celebration of the Ontario Agricultural College at Guelph, Ont., to ask you if you would honor the College veterans in the Great War, with your presence at the opening and dedication of the Memorial Hall on the College campus, June 10th, 1924. A week of celebration is being planned and Tuesday, June 10th, has been set apart for alumni activities and the opening and dedication ceremony. The Memorial Hall has been erected largely through the activity of the alumni. Should you be able to accept the invitation, we would like you to take, along with Canon Scott, the principal part in the memorial and dedication ceremony.

The committee, of which I have the honor of being general secretary, would be glad to hear from you at your earliest convenience.

Dear Mr. Roadhouse:-

I thank you for your letter of June 5th suggesting a motor trip from Toronto to Guelph in connection with the ceremonies at the Ontario Agricultural College next Tuesday.

I have accepted an invitation to lunch with the Returned Men's Association there at 12.30 and the only other engagement I have is in connection with the ceremonies at 3 o'clock. I would enjoy very much a motor run from Toronto to Guelph provided that I could be back in Toronto in time to catch the 10 o'clock C.P.R. train for Montreal. I shall arrive in Toronto Tuesday morning and you will find me at the King Edward Hotel.

If you are not able to make the suggested arrangements please let me know.

OFFICE OF THE DEPUTY MINISTER

Toronto, June 5, 1924.

Dear Sir Arthur:-

In connection with your engagement to be present at the opening of the War Memorial Hall at the Ontario Agricultural College on Tuesday afternoon next, I beg to enquire whether you have made any arrangements as to transportation from Toronto to Guelph? It occurred to me that it might be more convenient for you to motor from Toronto to Guelph for this occasion. As you are probably aware, the Honourable Dr. Cody is associated with you in the programme for the afternoon and it occurred to me that it might be mutually convenient to yourself and Dr. Cody if arrangements were made to go to Guelph by motor. I have not mentioned the matter to Dr. Cody as yet but if this suggestion meets with your convenience I will do so and will be very glad to make the necessary arrangements to have the car call for you at whatever time and place may be agreeable. By leaving Toronto around ten o'clock, Toronto time, it would leave sufficient time to reach Guelph in time for luncheon. Please advise your pleasure in the matter and also as to whether there will be any person with you to be provided for.

Yours very truly,

Dear Sir:-

In further reference to your letter of October 20th, I had a telephone call from the Rev. Mr. Payne asking me if I would go to Ormstown on the 7th of November instead of the 11th. I do not know Mr. Payne's correct address, but you probably know him and I would ask you to kindly let him read this letter.

I cannot tell you how keenly I appreciate the difficult position in which you have placed me. I always feel when asked to unveil a Memorial Tablet that I should go. I feel this way on account of the intimate relations that existed between me and the men to whom the Tablet is a Memorial. I may say that on very few occasions have I refused to take part in these ceremonies.

During the remainder of this year, as I have told you, I am unveiling a Memorial Tablet on every Sunday up to the end of the year. I have also unveiled several tablets during the past months on week days and I have engagements to perform similar functions on week days several times during the remainder of the year.

I am very busy with work in connection with the University. New buildings are going on, plans for the erection of other buildings are under consideration; new departments are being instituted; other departments are being reorganized and investigations are going on in connection with other University activities. Altogether, every day until the end of the term, not excluding Sunday,

W. G. McGerrigle, Esq. - 2 -

promises to be a very full day and I really do not see how I can find time to go to Ormstown. I seldom get an evening to myself. Certainly, I do not get that time for study and consideration of problems which is necessary.

Under these circumstances, will you please excuse me from participating in your ceremony of unveiling.

With all good wishes, I am,

Ever yours faithfully,

I would esteem it not only a *privilege* but an honour to comply with your request, but I regret to have to inform you that it will be impossible for me to do so, as I have already promised to take part in a similar function in this city on the same day.

APPROVED BY THE BOARD OF RAILWAY COMMISSIONERS FOR CANADA UNDER ORDER 162.
DATED MARCH 30, 1916.

It is agreed between the sender of the message on the face of this form and this Company, that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any unrepeatd telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the Company will repeat back any telegram for an extra payment of one-half the regular rate, and in that case the Company shall be liable for damages, suffered by the sender to an extent not exceeding \$200., due to the negligence of the Company in the transmission or delivery of the telegram.

Correctness in the transmission of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz: one per cent. for any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

This Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the Company's messengers he acts for that purpose as the sender's agent; if by telephone the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

No employee of the Company shall vary the foregoing.

DAY LETTERS.

This Company will receive DAY LETTERS, to be transmitted at rates lower than its standard telegram rates, as follows: one and one-half times the ten-word Day message rate shall be charged for the transmission of fifty (50) words or less, and one-fifth of the initial rate for such fifty words shall be charged for each additional ten (10) words or less.

DAY LETTERS may be forwarded by the Telegraph Company as a deferred service and the transmission and delivery of such DAY LETTERS are, in all respects, subordinate to the priority of transmission and delivery of full-rate messages.

DAY LETTERS shall be written in plain English, or in French. Code language is not permitted.

DAY LETTERS may be delivered by the Telegraph Company by telephoning the same to the addresses, and such deliveries shall be a complete discharge of the obligation of the Telegraph Company to deliver.

DAY LETTERS are received subject to the express understanding and agreement that the Company does not undertake that a DAY LETTER shall be delivered on the day of its date absolutely and at all events; but that the Company's obligation in this respect is subject to the condition that there shall remain sufficient time for the transmission and delivery of such DAY LETTER on the day of its date during regular office hours, subject to the priority of the transmission of full-rate messages under the conditions named above.

My dear Sir Arthur:-

Probably you may remember the conversation I had with you in your office at Ottawa shortly after you returned to Canada when we recalled the days at Strathroy Collegiate Institute, and your later and much more interesting experiences.

It has been my intention for some time past to call upon you when I am in Montreal and again renew relationships, but business appointments have always seemed to take up every moment of my time. If time would allow, I would come to Montreal immediately in respect to the matter covered by this letter to personally request of you that, if it be at all possible, you honor the occasion with your presence.

Some ten years ago, with others, I was instrumental in establishing the parish of Grace Anglican Church on Avenue Road Hill in Toronto, and since that time have been greatly interested in its development.

While in 1914 our congregation was a very limited one, a great number of our young men enlisted and twenty-two of them paid the extreme price. Among this number were two sons of my eldest brother, W. K. Pearce.

As a tribute and in commemoration of the sacrifice of these young men, the Church is erecting a wayside cross on the grounds of the Church at the corner of Russell Hill and Lonsdale Road. The artist went to England and studied designs, with the result that the memorial soon to be unveiled is a fitting tribute in sandstone over

twenty feet in height with bronze plates inset on four sides.

The Memorial Committee, composed of a number of the prominent men of the Church, met last evening and unanimously agreed that they would consider it a signal honor if you would consent to unveil the Memorial on Sunday afternoon, May 28th. The Lord Bishop of the Diocese and a number of the prominent clergy will officiate at the Dedication Service, and we are extremely anxious that our boys Commander-in-Chief should unveil the Memorial.

Among those who particularly interested themselves in the erection of the Memorial are --

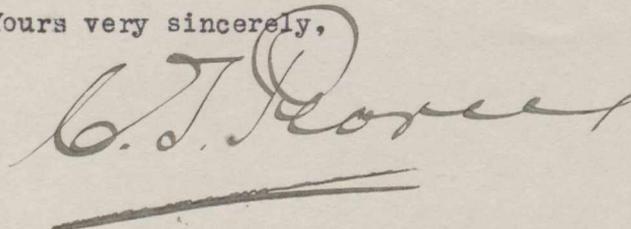

H. H. Couzens, General Manager Hydro Electric and
Toronto Transportation Commission
H. D. Burns, Manager of the Bank of Nova Scotia, Toronto
W. K. Pearce, Asst. General Manager, Dominion Bank, Toronto
B. T. Symons, K.S.

and several others.

In passing, may I mention the fact that H.R.H. Duke of Connaught, while Governor General of Canada, turned the first sod of Grace Church.

May I take the liberty of asking you to kindly wire me collect upon receipt of this letter if you can meet the request of Grace Church in this very important function, and I shall be very happy indeed to come to Montreal in the early days of next week to arrange particulars for your visit to Toronto as the guest of our Committee.

November 25th, 1922.

General Sir Arthur Currie, G.C.M.G., K.C.B.,
Chancellor, McGill University,
Montreal, Que.

My dear Sir Arthur:

I have no doubt that you are aware that the City of Winnipeg has been lagging behind in the matter of erecting some suitable monument to the memory of the men killed in the Great War, but this has not been altogether the fault of the public. The Men's and Women's Canadian Clubs have for some years been working on the matter and, as you know, three or four years ago the Women's Canadian Club out of their own funds and some subscriptions erected a temporary Cenotaph in front of the Bank of Montreal building at the corner of Portage Avenue and Main Street. About a year ago, the Bank of Montreal asked the Women's Canadian Club to have this Cenotaph removed as they wanted the space for their own memorial, but on being asked to give the two Clubs some time in which to look around for another suitable site, they very kindly extended the time until June and even on to the present, as nothing has been done towards pulling down the temporary memorial; in fact, as usual, this Armistice Day service was held at this Cenotaph and it really has come to be looked upon as the permanent memorial in the City of Winnipeg.

We have done everything we possibly could to obtain a permanent site, but I regret to say we have not made any progress. We approached the City in an effort to obtain the centre of the street where Main and Portage meet and from where the policeman directs the traffic, but the Civic authorities claimed that a memorial of any kind there would interfere with traffic and they would not

consider it. We proposed several other sites, which were not nearly as desirable, but were unable to come to any satisfactory conclusion and, after considerable thought, the Executives have concluded that there is only one site in the City and that is where the present temporary Cenotaph stands. This ground, of course, belongs to the Bank of Montreal, but we thought that if sufficient representation from the City of Winnipeg as a whole was placed before the Bank of Montreal, they might dedicate, deed or lease this plot of ground to the City of Winnipeg for the site of a permanent Cenotaph, which would be erected by the public as a whole, but under the auspices and guidance of the Men's and Women's Canadian Clubs of Winnipeg.

I am writing you because, I might say confidentially, it is the intention of each one of the members of the Executive to devise some means of approaching the Directors of the Bank of Montreal in a personal way, as it was thought that if it were done officially, the matter would simply be set aside and not given the proper consideration, and for this reason I am taking the matter up with you and I might say that I also intend to drop a line to Herbert Molson, although I am afraid that he cannot do anything from London. I know it is going to be a difficult matter and it would be a relief to ~~my~~ ^{our} mind to have your views on it. Perhaps you could question some of the Directors whom you know well as to the advisability of even asking the Bank of Montreal to donate this land, or the use of it, to the City of Winnipeg. It may be that we should not even ask them for it, but I should like you to accept the contents of this letter as a personal appeal and understand the spirit in which it is written.

Please overlook the length of this letter, but I wanted to place the whole matter before you and, after you have given it some consideration, would very much appreciate hearing from you.

With kind regards,

Yours sincerely,

My dear Sir Arthur,

I wish to thank you for your letter of the 15th instant. I might say that if the site in question was ever given to the City, they would of course be governed altogether by the wishes of the Bank of Montreal as to what kind of a Memorial should be erected, so that it would be one that would harmonize with the bank building. However, the members of the Ladies' Club are the ones who are most determined to approach the Bank, but I cannot say whether or not they intend to go any further with the matter.

I appreciate very much what you have done for us and wish best wishes for the coming year,

I remain,

My dear Mr. Pentland:-

I hope you will forgive me for taking so long before replying to your letter of November 25th.

I have spoken personally to many of our Directors and I am afraid can not offer you much encouragement. The prevailing impression seems to be that any memorial erected by the City would probably be of such a size that the appearance of the Bank would be marred. The Bank itself intends to erect a Memorial, but the design of this will be made to harmonize as effectively as possible with the Bank building. Naturally the Bank would like to please the citizens of Winnipeg and would feel embarrassed to refuse an official request. Under the circumstances, I think such a request should not be preferred. I am quite sure you will find some other solution of the problem.

We are having a taste of Northwest weather in Montreal, - clear and cold but very invigorating.

With all good wishes, I am,

Victoria, B. C.

My dear Mr. Ravenhill:-

I am indeed very glad to learn that Victoria is about to erect a suitable Memorial as an evidence and a pledge of the remembrance and gratitude of its citizens to those who gave their lives for freedom in the Great War.

There are many things about Victoria which I recall from the tablets of my memory which make the City very dear to me, but nothing gives me so much pride as the recollection of the response to the call to arms during the war years and the support given to those in the field by the men and women who carried on at home.

I am sure the Memorial will be a worthy one, and with all good wishes,

I beg to remain,

Ever yours faithfully,

Dear Sir Arthur Currie

Oct 24th / 24

At our meeting of our Committee last Tuesday the feeling was generally expressed that I should write & let you know that at last (and it is quite true) Victoria is to have a memorial to those who were called to the Higher Service. We should all value a letter from you which we could paste in the Subscribers Book which is to be placed in the base of the memorial.

I am glad to say the success of the Fund is assured, only some \$2500 being still needed and I have not yet issued the final appeal.

You probably have forgotten me, I was chairman of the Navy League when you were over here in 1919.

My Dear Sir Arthur :-

It was a great pleasure for me to meet you the other evening at the Convocation of the Presbyterian College. You will recall that I mentioned to you that General White was to see you about the unveiling of our Tablet to be put up in our church in honor of the men who fell in the Great War.

General White Phoned me Yesterday that he had interviewed you, and that the 24th inst would not be a suitable date for you, but that you had kindly stated that you would be able to be with us on May 1st. We are exceedingly glad to learn that you can be with us on that date, and will *make* preparations accordingly for our unveiling.

I will give a short sermon, and then, if agreeable to you, will call upon Brigadier General White to introduce you in a few words. Then you will unveil the Tablet and give us a short address. The Tablet will be on the Platform as it was at the Presbyterian College.

If you have any suggestions to make with regard to the unveiling, we will be very pleased to receive them, and act upon them.

I wish to thank you very cordially, as the Minister of the Church for your kindness in coming to us, and I know the whole congregation will be deeply grateful for your favor.

With all best regards
Yours very sincerely

I beg to acknowledge and to thank you for your letter of May 12th inviting me to take part in the unveiling ceremonies in connection with the War Memorial erected by the people of Revelstoke.

I regret very much that this is not possible. I do not expect to visit British Columbia this summer and in any case I have already made so many engagements for the month of June that there is no time for anything additional.

Will you please convey to the members of the Committee my appreciation of their invitation and my regret that I cannot be with you on this occasion.

Dear.Sir;-

The people of Revelstoke under the Auspices of the W.A.to the Great War Veterans Association are erecting a War Memorial in the City of Revelstoke.

The cost of the Memorial (not including the site which was given by the City) will be \$3000 of which nearly all has been subscribed. The Memorial is expected to be completed and placed the latter end of June.

I have been instructed by the War Memorial Committee to write and ask you if you would honor the City by being present and assisting at the unveiling ceremony,

They understand that you will be passing through Revelstoke on your way to Vancouver about the end of June and we would be pleased to make the arrangements to suit your convenience if you would kindly let us know what date would fit in with your arrangements.

Thanking you for an early reply

Dear Sir Arthur

I am writing on behalf of the whole Congregation of St James' Cathedral to request you to unveil our War Memorial on Sunday the 1st of June, or, if that date were impossible the following Sunday. We feel that we are making great demands upon you in making this request, but there is a united desire that you should be with us on the occasion, and Col. H. P. Lochhart Gordon and Col. W. B. Kingmill asked me to couple their names with those of the Church wardens and myself.

The Memorial Cross which will be erected will stand on our grounds, near the corner of Church and King Streets. I am sending you, under another cover, the Booklet which was prepared in connection with the Campaign to raise the \$17,000.00 needed. The Inscriptions, however, on the title page have been changed, and the one retained reads
as follows.

St James' Cathedral Cross

This Cross commemorates the glorious sacrifice of those who ^{gave} fell their lives in the great war 1914-1918 and appeals to those for whom they died to lay aside hatred and strife and to seek brotherhood and peace under the banner of Christ.

We shall esteem it a very great honour if you can be with us on this historic occasion. Our hope is that you will avail the moment and speak from the steps in the open air, and that after the people have come into the Church the Archbishop of Algoma will speak. The service that morning being entirely devoted to the unveiling and dedication.

May I add that we have a fund set aside to cover all expenses connected with the service.

Hoping that we may receive a favourable reply.

My Dear Sir Arthur :-

Your kind letter to hand informing me that you can be with us on May 1st for the unveiling of our Tablet. The whole congregation as well as the minister will appreciate greatly your kindness.

I say the Minister, as I can assure you that I will be exceedingly delighted to have ^{with} me that morning, not only the man who so nobly led our troops over seas, but the man who is at the head of my own Alma Mater.

I am a McGill graduate, and used to pull on the "Tug of war", which he had in those days, and shout for "Old McGill".

The unveiling will take place at the morning service, and I can assure you of a hearty welcome. If you could come a little early, and come into my study by the side door, opening off Victoria Avenue, we could talk over the order of proceedings.

With kind regards

Yours very sincerely

W. Reid

Dear Sir,

I doubt if you could be expected to remember me personally, but I was the chaplain with the 24th Canadian Battalion, V.R.C., from March 1916 until the end of the war, and the disbanding of the battalion in Montreal.

At present I am Vicar of St. Thomas' Anglican Church in Toronto, where we have just completed a new baptistry as a memorial to the 39 members of this congregation who were killed

in the war. We are now anxious to fix a date
and make arrangements for its unveiling, and
we should esteem it a great favour & honour if
you, our corps commander, would come to Toronto
& unveil this memorial for us. The date sug-
gested tentatively for the ceremony is Sunday,
Sept. 28th, at the morning service at 11 o'clock.
We hope that you will be willing and able to
accept this invitation - It is not often that we
have the pleasure of seeing you in Toronto, and
I sincerely trust you will accede to our request.

With very deepest respects,

Yours faithfully,

Dear Mr. Deacon:-

I beg to acknowledge receipt of your letters of September 25th and 29th in which you honour me by inviting me to unveil the monument erected in memory of the citizens of Stratford who fell in the war.

I am sorry that this is impossible as I have a long-standing engagement for that day. I consider it not only a duty but a privilege to take part in such ceremonies whenever possible. The fact is I have made so many outside engagements for the coming winter that, in justice to my work here, I cannot take on any more.

Dear Sir:-

In the absence of the Principal I beg to acknowledge receipt of your letter of September 25th, in which you invite him to unveil on "Armistice Day, November 6th" the monument which your members have erected to the fallen in the Great War.

Sir Arthur is returning to Montreal about the first of October and your letter will then be laid before him. Meanwhile I wish you would advise me whether the date is November 6th or November 11th, Armistice Day. If the latter, it will be impossible for Sir Arthur to be with you as Admiral Sims of the United States Navy is the guest of the University on that day.

Dear Sir:-

On Monday Nov. 6th, Armistice Day, we purpose unveiling our monument to the fallen in the Great War, and I am instructed to ask if you would honor us by officiating at the ceremony.

We feel that it would be most fitting to the honor of those who have gone to have this Memorial unveiled by you, who commanded the Canadian Corps, and under whom the majority of these men fought and gave their lives for their country.

The monument was designed and sculptured by Mr. W.S. Allward. Two large bronze figures depicting Canadian Manhood and the defeated Hun surmount the massive granite base. On the panels of this base are engraved the names of those who paid the extreme sacrifice, and on the centre rear panel are engraved the names of the principal engagements in which the Canadians fought, as suggested in yours of May 16th, 1921.

I most sincerely trust that you will be able to honor us on that date. Please be good enough to let me hear from you at your earliest convenience, as we wish to complete arrangements for same.

Dear Sir:-

I am in receipt of your letter of September 26th, in which you do me the honour of asking me to unveil a Memorial Tablet to be erected in honour of the pupils of the Verdun High School who served overseas in the War.

It would have to be some date between November 14th and 18th, inclusive, but I am unable to name the exact date at the present time. My difficulty is that I have promised to go to Verdun some time in November to participate in a function in the Masonic Lodge there and I have forgotten the date of the ceremony. In connection with the Verdun War Memorial now in course of erection, I have invited suggestions for the inscriptions from the school children of the City, four prizes having been offered by my Committee for the best inscriptions submitted, two having been allocated to the English speaking and two to the French speaking children. Quite a number of students have competed and at a meeting of the Committee held in the City Hall last evening, I was entrusted to ask if you would be good enough to judge the various inscriptions submitted and designate the prize winners.

It was further suggested that your criticism would prove valuable in aiding us to decide upon an appropriate inscription.

I may add that it is intended to have an inscription on the front of the memorial in both languages and another inscription in English on one side and in French on the other side.

I shall be obliged if you will let me know whether you are willing to assist us in this connection.

Following our telegram to you, and in reply to your answer, I am instructed by the Veterans and Corporation of Whitby, to express their regrets that you could not be with them to unveil the Whitby War Memorial on June 3rd.

They realize something of the many calls on your valuable time, and know you would have been pleased to do honor to those of Whitby, had circumstances permitted.

They apologize for the abrupt manner of invitation, and beg to excuse themselves, from the fact that lack of time warranted it.

I am asked to convey to you their best thanks for your kind message and assure you that the good wishes are heartily reciprocated by the Veterans of Whitby.

Sir:

Wingham Citizens are erecting a monument to the memory of the forty odd boys who gave up their lives in the Great War.

The intention is to unveil this monument sometime during the first two weeks of July, and the citizens generally would be greatly honored if you could come up and unveil same. The date could be arranged to suit your convenience.

The monument is a very creditable one, standing on one of the principal corners and being about eighteen feet in height.

We would be very much pleased to hear from you and hope you will be able to accept our invitation to unveil this monument.

I am glad that the citizens of Wingham are perpetuating the memory of the men who so willingly gave their lives for freedom.

Dear Colonel Rowley:-

I am pleased indeed to hear that your regiment has provided for a memorial to the Grenadiers who died in France. The idea of a mural painting is a very good one and the thought is worthy of the splendid record of your regiment.

It is with great regret that I must say that I cannot be present at the unveiling. The whole of the month of June is practically filled up with engagements and it would be quite impossible for me to pay a visit to Winnipeg. It would indeed have been a privilege to have been with you and you will know that there is no one more in sympathy with what you have done than myself.

My dear General Currie:

I am writing you on behalf of the Winnipeg Grenadiers, of which I was Honorary Colonel for some time and acting Officer Commanding when all the younger men were at the front.

We have here in our Chaplain's Church, St Luke's, the monument erected by the Regiment at Vimy Ridge after they stormed it and we are now having a beautiful mural painting made as a Memorial to the Grenadiers to be placed on the wall of the church just back of the Vimy Ridge Memorial. We are hoping to have this unveiled sometime in June, prior to the 15th., as our Chaplain is leaving for his summer holidays about that time, and we are anxious that you should honour the Regiment and Winnipeg by unveiling it on some Sunday morning between the 1st and the 15th.

An early reply would be greatly appreciated.

Rev. E.B. Wyllie,
St. Andrew's Kirk,
Chatham, N.B.

Dear Dr. Wyllie:-

I beg to acknowledge receipt of your letter of February 9th, in which you have done me the honour of asking me to unveil a Memorial Tablet commemorating the service of those members of your congregation who fell in the War.

I have always felt it a duty to participate in such services whenever possible and have unveiled a great many memorials throughout Canada. During the last few weeks, though, I have been forced to give up all outside engagements and have cancelled those already made for some two months ahead. I found that my work in connection with the University was so heavy that it was not fair to the University or to my own health to try to do so much. Most reluctantly, therefore, do I say to you that it will be impossible for me to go.

I have not forgotten, I never can forget, the honour which was mine in being permitted to command in the Great War the Canadian Corps. Nothing could exceed the courage, the devotion to duty, or the splendid ideals which actuated those men in the severest tests which men had ever been called upon to undergo. How great a factor they were in winning the final victory is not yet appreciated by themselves or by their fellowcountrymen in Canada. My pride in them has been increased by their conduct since returning home. The change from the experiences of the battlefields to civil life was a very great one and called for the exercise of the same high ideals on their part, as well as

Rev. E. B. Wyllie, - 2 -

tolerance and sympathy on the part of those who had not been "over there".

Will you please convey to the Session and your Congregation my thanks for the invitation, my regret at my inability to go, my sincere sympathy to those who mourn, and my good wishes to all old comrades.

Ever yours faithfully,

February 9th. 1921.

Dear Sir Arthur-

On behalf of my Session and Congregation and of all our 70 men who served under you during the War I wish to cordially invite you to be present to unveil a Bronze Tablet in memory of our Fallen.

I know how many demands there are on your services, and how generously you have met them. I beg to suggest that this one further will give you great satisfaction. During the War my people did yeoman service and ~~name~~ of our men were killed. This Tablet..by Mappin & Webb.. is a fitting tribute to their memories and your presence would make it all the more worthy. We shall count it an honour to extend all possible hospitality during the trip and your short stay here. You may set your own time..by leaving Montreal by the C.N.R. (Intercolonial) in the evening you reach here the next day at 2.30 p.m. If you leave Saturday, any Saturday, you would reach here in ample time for the Sunday evening service and could return to reach Montreal Tuesday morning about 9. We have a large church and I can assure you that it would be taxed to its capacity to hear your message about the Dead and for the Living.. 900 or 1000 people would easily be accommodated. Ours is one of the oldest and most historic churches in the East..founded in 1805. We have several McGill men here..though I happen to be of Queen's & Chicago,.. who would welcome your visit more than I can say.

Kindly set any date, between now and Easter, if possible.

Very Cordially:

E. B. Wyllie
