ANNUAL REPORT

For the Year Ending December 31st, 1893,
with the Office-Bearers for 1894.

TORONTO :

THE BROUGH PRINTING CO., LTD., 11 JORDAN STREET,

1894

TORONTO, Jan'y. 21st, 1804.

To the Members and Adherents,
College St. Presbyterian Church:

Your committee have pleasure in herewith handing you a copy of the "Annual Report" for 1803, and in doing so they would ask you to carefully peruse the same. By doing so you will become thoroughly conversant with all that is going on, and it will thus lead you to take a still deeper interest in the work of the church than ever in the past.

Faithfully yours,

THE COMMITTEE.

EVERY FAMILY IN THE CONGREGATION IS
ADVISED TO PRESERVE A COPY OF THIS
REPORT FOR FUTURE REFERENCE.

General Information

ALL seats being free, the maintenance of the Church depends entirely upon the voluntary contributions of the members and adherents. It is therefore the duty of every member and adherent to undertake to give a certain sum of money EACH SABBATH. "*Upon the first day of the week let every one of you lay by him in store as God hath prospered him.*"—1st Cor. : 16-2.

As envelopes will be issued to anyone contributing five cents and upwards weekly, the system is within the reach of all.

It is to be hoped that every member and adherent of the Church, whether old or young, who has an income, will ask for envelopes and give according to his or her means.

Statements will be rendered every half year shewing with what regularity contributions have been made.

A committee of the managers is in attendance at the close of the weekly prayer meeting to allocate sittings.

Envelopes can be obtained in the vestibule before or after any of the Sabbath services, from Mr. P. B. Martin, who is in attendance there.

"Every man according as he purposeth in his heart, so let him give, not grudgingly or of necessity: for God loveth a cheerful giver."—2nd Cor. : ix., 7.

Peterkin: "That the report of the Building Committee be received and adopted, the building accepted by the congregation, the Committee discharged, and the unpaid accounts of Messrs. S. R. Warren & Son, and the architect, be assumed by the Board of Managers." Carried.

The Sunday School report was read by Mr. W. A. Findlay, who moved its acceptance. Carried.

The Women's Auxiliary report was read on behalf of Miss Woolley by the Secretary of the meeting, who moved its acceptance. Carried.

The Speedwell Mission Band report was read by Miss J. Hamner, who moved its acceptance. Carried.

The Junior Y.P.S.C.E. report was read by Miss M. Caddell, who moved its acceptance. Carried.

The Bible Class report was read by Mr. Chas. Hume, who moved its acceptance. Carried.

The Women's Foreign Missionary Society report was read by Miss Abbie Grimason on behalf of Miss E. Clark, who moved its acceptance. Carried.

The Y.P.S.C.E. report was read by Miss M. Grant, who moved its acceptance. Carried.

The Church Treasurer's Financial report was

accepted by the congregation as it appeared on the printed statements then in their hands.

It was moved by Mr. G. E. Dalby, seconded by Mr. C. R. Peterkin, that the following gentlemen be the trustees for 1894: Messrs. Jas. Turnbull, B.A., Wm. Melville, J. Joss.

Messrs. Gardiner and Smith were re-elected auditors for the coming year, and were tendered the congregation's thanks for their services.

It was moved by Mr. Gardiner, seconded by Mr. Wm. Clark, "That the following be a committee to compile the annual report, and that the minutes of this meeting be inserted therein: Rev Alex. Gilray, C. R. Peterkin, and James Brown." Carried.

Mr. Turnbull in the course of some remarks made the following suggestion: That the Board should keep the ushers for a longer time in the vestibule than at present, as he contended that by appointing new ones every two months they had only become acquainted with their work when they retired. He also suggested that the names of the choir, with the different parts taken by each, be printed in the year book, and in conjunction with this that the thanks of the congregation be tendered the choir for their services, and he moved to this effect, seconded by Mr. Jas. Brown. Carried.

The Rev. Mr. Hume moved, seconded by Mr. Wm. Elder, that the thanks of the congregation be tendered our pastor for the deep interest he had taken in everything connected with the church during the past year. This motion was unanimously carried, and very feelingly replied to by Mr. Gilray.

The following motion was moved by Mr. C. R. Peterkin, seconded by Mr. Gardiner: "That in the event of its being found necessary, in re-arranging the floating debt, to increase the mortgage, that the pastor and representative elder be a deputation to the Presbytery to obtain the necessary authority, and the

Board of Management are hereby authorized to make necessary arrangements for the same." Mr. Peterkin in moving this resolution stated that the reason for making this motion was that if it was found necessary to re-arrange the loan during the year it could be done without the necessity of calling a special congregational meeting to sanction the same. Carried.

Mr. Joss moved, seconded by Mr. Grant, "That in view of the very efficient work done by our managers during the past year, especially in connection with the renovating of our church, making it not only pleasing to the eye, but very comfortable to worship in, and also finishing the details of the new Sabbath-school building, spending much time and thought to make the building worthy of the congregation, we extend to them a very hearty vote of thanks." Carried by a standing vote.

Mr. Adams thought that we ought to have the names of the tunes placed conspicuously in some part of the church. It was moved by Mr. Whytock, seconded by Mr. Lyon, "That this matter be referred to the session, and if it is practicable, to instruct the managers to have the same attended to."

It was brought to the attention of the meeting by Mr. Lloyd, that as the lecture hall is a very difficult place to speak in, some arrangement should be made whereby its acoustic properties would be improved.

It was moved by Mr. Geo. E. Dalby, seconded by Mr. Turnbull, "That the Executive Committee of the Building Committee receive the hearty thanks of the congregation for the excellent work done by them in the carrying out of the building of the new Sabbath-school to such a successful finish. Carried unanimously.

Mr. Thos. Wilson asked the session, as a member of the congregation, what position they had taken with reference to the *psalter*, and said that he understood from the newspapers that it had been decided by the Toronto

Presbytery that a new edition be made to exclude many of the Psalms. Mr. Gilray explained that although the Presbytery had decided on the change, it was a matter for the General Assembly to decide, and that they only could act in the matter. Mr. Wilson moved, seconded by Rev. Mr. Hume, the following resolution: "That this congregation learns with regret the action taken by the Presbytery of the city of Toronto in moving for a re-arrangement of the psalter as it is now used in the Presbyterian Church in Canada, so as to leave many of the Psalms out. Be it resolved that the members of the College Street Presbyterian Church place themselves on record as opposed to any change in the *psalter* from its present form, and that the Secretary of this meeting be instructed to forward a copy of this resolution to the Toronto Presbytery." After a short discussion the matter was carried unanimously.

There being no further business the meeting closed with the Benediction.

NOTE.—No summary is made of any of the reports received in the above minutes, as each of them is printed in full on the following pages.

Report of Session.

The additions to the membership during the past year were one hundred and sixteen. Number removed by certificate—forty-six; by death—seven. Forty-five names were removed for the reason of irregularity and non-attendance. The Session desire on the one hand to do all that is possible to encourage any who have fallen off from regular attendance on the ordinances of God's House when they *are able* to do so, but do not feel it wise or even helpful to continue the names of those who have ceased to attend the worship of God without any reasonable cause. Nine names have been

retired, thus making in all 107. The membership in Jan., 1893, was 791; now it is 800. There have been 31 Baptisms—one adult and thirty infants.

In conclusion the Session feel deeply grateful to Almighty God for His sustaining goodness in the midst of all the work undertaken in the various departments in the congregation. In everyone of these good service has been rendered.

The S. S. entered into its new home in February last. The Session are thankful that after much faithful work on the part of the Building Committee such satisfactory results have been reached in the completion of the S. S. Room. In a word there has been great cause for encouragement in all the organizations of the church. May the years to come in College St. be signalized with much nobler service than ever we have seen in the past, to the glory of Christ who is Head over all.

Managers' Annual Report.

In presenting the annual report of the Board for the year eighteen hundred and ninety-three, we have every reason to be thankful for God's goodness to us. The various reports which will be presented this evening, and which you have a synopsis of in your hands, indicate a very considerable increase in the work of the various departments, and we have every reason to believe from a spiritual standpoint that a satisfactory advance has been made, and we commence the new year with good prospects for the future, and it is the sincere wish of the Board that these hopes will be realized.

Before commenting on the figures of any of the reports, we would draw the congregation's attention specially to the Sabbath School Share Fund. As you are well aware shortly before the last congregational meeting it was decided that a canvass of the congregation be made to solicit subscriptions to this fund, and what success the Committee's work has been crowned with is shown in the report. Although there are only 161 out of our large congregation of 800 using envelopes systematically, the sum of \$353.83 has been received, and when we take into consideration the amount received from the Sabbath School and Bible class, the total amount collected was \$716.68. This we are sure all will be pleased to note, and the Board trust that during 1894 the number using these share envelopes will be greatly increased and would ask those not using the share envelopes to adopt them. If another two hundred members would systematically use the envelopes and simply contribute 10 cents each per month the sum of \$240.00 more would be raised, and there is no reason why at least four hundred more of the congregation should not adopt them. In asking you to do this we feel that we are not asking too much, as it only means an increase of \$1.20 each per member per year.

During the year the renovation of the church was undertaken by the Board, at the request of the congregation. This work was successfully completed, and the church reopened in June last. The benefit derived in every way from this much-needed improvement, has been felt to be considerable. This work along with the other repairs found necessary for the proper preservation of the property entailed an exceptionally heavy additional expense, and when we consider the depressing times generally, it will be seen that we have made good progress.

* The total revenue of the church from all sources during the year was \$8,257.24, and when this is com-

pared with the revenue of 1892, \$7,377.54, it shows a net increase for the year just closed of \$879.70.

It is pleasing to note in connection with this that the number using the envelopes has increased as well. The number using envelopes in 1892 being 322, and in 1893, 332, an increase of 10. You will see at a glance from this that there is still considerable room for improvement and the Board trust that the members not using the envelopes will do so, as this is our recognized system, and the main one from which our revenue is derived.

The following is the total revenue received by our Treasurer:— Open collections \$1,138.83. From the same source during 1892 \$1,148.57, a decrease of \$9.74. The revenue received from the envelopes was \$3,896.68 as compared with \$3,816.34 received during 1892, being an increase of \$80.34, or a total increase of the direct revenue for the year of \$70.60.

The average collection for the year was \$95.00 per Sabbath, while that of 1892 was \$95.47, or a decrease of 47c. per Sabbath in the year just closed. The reason this shows a decrease is that there were fifty-three Sabbaths in the year which is exceptional.

We cannot close our report without again returning thanks to God for his goodness to us as a congregation, and although we have made such satisfactory progress in a year like the one just closed, we are not to feel satisfied, but we would ask all to feel that they are individually responsible for the work in connection with our church, and if all do this neither our pastor nor any of the executive officers will feel anxious about the result of the year's work upon which we have just entered.

All of which is respectfully submitted.

C. R. PETERKIN,

Chairman.

JAMES BROWN,

Secretary.

Report of the Bible Class.

OFFICERS FOR 1894.

<i>Teacher,</i>	-	-	D. B. GARDNER.
<i>Secretary-Treasurer,</i>	-	-	CHAS. HUME.
<i>Organist,</i>	-	-	WM. DUGUID.

In submitting the report of the Bible Class for the year 1893, the teacher and class must offer their thanks to the officers and members of the Church for the pleasant room that they have been pleased to prepare for them. In point of comfort and suitability it has been greatly appreciated by the members of the Bible class. The interest displayed by the members of the class betokens the profit that has been received from the careful teaching of Mr. Gardner.

The total attendance for the year was 1,900; the average attendance was about 40, distributed thus, females, 23; males, 17. The largest attendance was on the 5th of March, 80 being present; the smallest was on the 20th of August, 6 being present.

The total collections for the year were \$73.70, of which \$45.65 comes from the average Sunday collections and \$28.05 as share fund.

The average collection for the 48 Sabbaths on which the class met was 95 cents. The largest collection, \$2, was on Feb. 19th, the day on which our new school room was opened; the smallest collection was on Aug. 20th, and amounted to 36 cents.

As regards the share fund the amount obtained was \$28.05. This fund, owing to the change of secretaries, has not done quite so well as it did under the able management of Mr. James Brown, whom we are sorry to lose; but as it is again picking up we hope to bring it up to its old standing, shortly.

In closing the report we might say that both the teacher and the class would be glad to see many of the young people of the church, who have not yet joined our class, become members and enjoy the series of lessons.

It is with a thankful though humble heart that we, as a society, submit our report this year. It has been in every respect a most successful year with us. Though the raising of money is not our chief aim, we have done more in that respect than ever before, our total receipts for the year being nearly double that of previous years. This is partly due to the "Fulton" or "two cent a week" system, which has been introduced and carried on with much success during the past year and a half. The subject of systematic giving does not receive so much attention as we would wish, but the tendency is in the right direction.

Through the aid of the different committees, a systematic plan of work is being carried on. The Relief Committee, besides giving material aid where it is necessary, hold each week at least one cottage prayer-meeting, and the Flower Committee distribute each week four bouquets, with scripture verses attached,

among the sick in the congregation. The Missionary Committee endeavor to hold a missionary meeting every six weeks, and during the year seven very interesting missionary meetings were held. Through the instrumentality of the Look-Out Committee, twenty-five new names were added to the roll during the year, while eight of our members left the society, thus making our total gain in numbers, thirteen; our present membership being exactly one hundred. The average attendance during the year on Monday evenings is sixty-five, on Sabbath evenings the attendance being much larger, owing to large numbers of the congregation being present.

M. GRANT, *Secretary.*

Junior Society of Christian Endeavor.

In presenting our report for 1893, we are very much encouraged in our work by tokens of God's blessing on our hearts and in our lives. This Society, which is just a younger branch of the older Christian Endeavor, was organized in 1891, so it is about three years old, but though we are young we can be learning to take our place in the church of Jesus Christ when we get older, and we believe we can do this best by setting before ourselves something definite to do for Him, and when God through His Son has spoken so clearly in His Holy Word, should we not be anxious to gladly obey Him when He says to us: "Learn of me for I am meek and lowly, and ye shall find rest unto your souls." Our every meeting is a learning of Jesus, what he would have us to be, and do, and we think of His wonderful promise: "My word shall not return unto me void, but it shall accomplish that which I please and prosper in the thing whereunto I sent it." A leader is appointed by the Prayer-meeting Committee every week, and they have taken their part with but few

exceptions, with a little help from our Superintendent. All our committees have done good work, especially the Flower Committee, who have not failed to give a little flower to any sick child they hear of. May we remember Christ's word: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." We have now on the roll 57 members, of whom 16 are in connection with the church; 13 girls, and only three boys. Three of our members have been transferred to the older Society, and we miss their familiar voice in our meetings, but we are glad to know they are doing good work where they have been placed. We have raised this year \$17.12, as against \$5.84 last year, and it has been put to the best possible advantage. The officers of the Society for this six months are, Rev. Alex. Gilray, Superintendent; Mr. John Joss, Assistant Superintendent; Alex. Smith, President; Nellie Morrice, Vice-President; Alice Grant, Treasurer; Miss McIntyre, Organist; Marion Caddell, Secretary. May we not then take for our motto as a Society, and as individuals: "Onward and Upward?" We trust that our hearts may be gladdened by seeing many more of our boys and girls from ten to sixteen years of age coming to join us; we would say: "Come thou with us and we will do thee good."

JOHN JOSS, MARION CADDELL,
Assist. Supt. *Secretary.*

Auxiliary W.F.M.S. Report.

The Annual Meeting of this Society was held on Friday, 12th inst. The following officers were elected for the year 1894:

<i>President,</i>	-	-	MRS. GILRAY.
<i>1st. Vice-President,</i>	-	-	MRS. JOSS.
<i>2nd Vice-President,</i>	-	-	MRS. RHIND.
<i>3rd Vice-President,</i>	-	-	MRS. ADAMS.

<i>Treasurer,</i>	- -	MRS. GARDNER.
<i>Secretary,</i>	- -	MISS E. C. CLARK.

The membership on the roll at present is 52, 26 of these belong to the General Society.

Average attendance at monthly meetings during the year, 20.

Last March, when our new room was opened, a special meeting was held, invitations were sent to every woman in the congregation, and a large number were present, Mrs. Wilson, of Neemuch, spoke of her work in India, and a very pleasant evening was spent.

In May a united meeting of the Auxiliary and Mission Band was held. Mr. Scott, of East Toronto, gave a very interesting address, while several members of the Speedwell Mission Band contributed to the programme, which was enjoyed by all.

The contributions of clothing to the Northwest Indians exceed those of any previous year, goods to the value of \$60.00 were sent, also a small donation of \$3.50 cash.

Last April we adopted the roll call. A word is chosen at one meeting, to be used at the next, each member responds when her name is called with a verse containing the word chosen. We find this very helpful, for in this way each individual member present is enabled to take some part at every meeting.

Our meetings during the past year, have not been so well attended as we had hoped. Those who do attend are very faithful, and we trust that many more will show their sympathy in the work by their presence at the monthly meetings as often as possible. "Let us not be weary in well doing; for in due season we shall reap, if we faint not."

The work of the Women's Association for the year just ended has been very encouraging. The aims of this Association have been to aid in the benevolent schemes of the church, and also to help wipe-out an old debt on the Furnishing Fund.

During the year clothing to the value of twenty dollars has been distributed to those in need, and on the Friday before Christmas ten baskets were sent out to the sick and needy in the congregation.

The old debt on the Furnishing Fund has been cleared off by a monthly collection of five cents from the women of the congregation.

The success of this part of the work has been largely due to the cheerful manner in which the collectors have done their work.

In addition to this, \$190 has been raised by subscription, and from the proceeds of a social to help to pay for the furnishing of the new parlor and vestry.

A sofa cover has also been sent to the Sick Children's Hospital, after \$7.85 had been subscribed to it by friends of the Association.

Seventeen meetings were held during the year twelve regular, four sewing, and one special meeting.

It would encourage us greatly in our work if more would attend these meetings. The women of the congregation form the Association, and all are made welcome.

Our motto for the year has been: "Attempt great things and expect great things."

<i>Secretary.</i>	-	-	JENNIE HAMNER.
<i>Asst. Secretary.</i>	-	-	ANNIE ATCHESON.
<i>Treasurer.</i>	-	-	EVA MILLING.
<i>Asst. Treasurer.</i>	-	-	NELLIE MORRICE.

The total number of meetings held during the year was 29; three of which were missionary meetings, the first of these was held on March 4th, subject: Missionary work and general information on Trinidad, including a short sketch from Mrs. Clarke's story of a trip to Trinidad and several other letters from missionaries stationed there.

The second missionary meeting was held on June 3rd, subject: India Missions. The names of a number of the missionaries now in India were read, also two letters from Miss Sinclair, Indore, one from Mr. Russell, Mhou, and several sketches of the work in India.

The third missionary meeting was held on Dec. 2nd, subject: China. Two letters by Mrs. Goforth, of Honan, China, were read, entitled, respectively, "The death of an aged woman," and "Encouraged in the work."

The membership at present is 38, an increase of two over last year.

The average attendance for the year was 14, a decrease of 3 since last year, this shows a slight falling off in the attendance, the average last year being 17, with a membership of 36.

We now have 17 honorary members, 1 more than last year.

We would be much pleased to have a better attendance of the honorary members than there has been in

the past and think their presence would be very encouraging to the other members of the band.

An open meeting was held on May 4th. Rev. Mr. Scott of St. John's church, city, gave an address on mission work in general, several members of the band gave recitations on mission work, and a collection was taken amounting to \$7.45.

During the month of May a quilt was finished and sent to the Indian school at Birtle.

Miss Maggie Armstrong read a report on the Speedwell Mission Band at the convention of the Toronto Presbyterial Society, held at Unionville, Oct. 20th, 1893.

There was a special meeting held on Jan. 1st, 1894, for returning our talents, which was five cents given to each member of our band to increase during the year, twenty members brought back their increase which amounted to \$20.04.

Our greatest drawback this year has been losing our well-loved Vice-president, who was for two previous years President of our band. I speak of Miss Rhind, who left us at the end of May to go to a home of her own in St. Mary's. We know with God's blessing she will continue her good work there, but we have missed our kind faithful friend exceedingly, as we find that one adult member is not enough to carry on the work as it should be done. But we feel that the Lord is blessing our work, and when we lost such a good member, He put it into the heart of Miss Elsie Clarke to come and do her best to fill the vacant place, she has been with us nearly every week and we cannot thank her enough for the assistance she has rendered us.

We will be glad if some of the members of the Auxiliary will come in and help us as much as possible.

JENNIE F. HAMNER,

Report of the Missionary Association.

The Committee of the Missionary Association presenting their report for the year 1893 have much pleasure in stating the aggregate amount received by the Association was \$859.47. Considering the dulness of business in the city and throughout the whole continent, and also the many calls on the congregation for special contributions for various purposes, it is very gratifying to the Association to be able to make such a good showing. It is hoped 1894 will see business revive and the missionary association will be able to show even greater results than it has this year. Let us trust in our Heavenly Father who is the giver of all rich blessings.
