GRAND FALLS

Grand Falls, N. B., Feb. 4.—At about 3.30 o'clock Sunday morning the new sawmill of Alexander Le Clair was discovered to be on fire, and that fire had gained such headway that nothing could be done to save the mill on account of the high wind; the fire looked very dangerous to the near-by houses for a time, but as there was snow on the roofs and by much well-directed effort, the fire was kept from spreading to other buildings. The mill had been recently built and was considered as safe as could be made. Mr. LeClair cannot understand how the fire could have originated. This is an awful loss both to Mr. LeClair and the surrounding country, and it was only last July that Mr. LeClair suffered the loss of the mill on the same site. There was no insurance and the loss was between eight and ten thousand dollars. Much sympathy is felt for Mr. LeClair who is a hard-working man and a good citizen.

We are still having very cold weather and considerable snow.

Miss Groom of Fredericton has accepted a position at the hospital here as nurse.

Miss Vella Merritt leaves this week to take a training course at the Caribou Hospital. Her young friends made a farewell party for her and presented her with a handsome wrist watch.

Dr. Bailey was in town last week, looking over the school children and having their ailments corrected.

Allan McLaughlin who was operated on for appendicitis last week is doing fine, his many friends are glad to know.

Mrs. Harry Bowmaster was operated on this week for appendicitis.

Mrs. Woods who has been nursing here returned to her home in Houlton Tuesday.

Mrs. C. F. Merritt spent the weekend with Mrs. Davis and Mrs. J. E. Andrews.

The Ladies Aid met at the home of Mrs. William Estey last week and will meet at Mrs. C. A. Estey's this Thursday.

Mrs. R. Kirkpatrick intends going to Ottawa this week, where she will visit with her son.

Wm. Stroup spent Sunday at his home here.

Mr. and Mrs. J. L. White and Mrs. O. B. Davis went to Quebec and Montreal last week. They expect to be home Wednesday.

Miss Grace McMillan went to Presque Isle to spend a few weeks, Monday.

J. D. Robertson is in Truro, N. S., on business this week.

COLDSTREAM.

Coldstream, N. B., Feb. 4.—Miss Marion Page has returned home after a pleasant visit at her aunt's, Mrs. Thomas Corbert of Lakeville.

Sorry to report that the postmaster Edmund S. Estabrooks is confined to his home with the grippe.

Earl Belyea who is working in Hartland, spent the week-end with his family here.

Mrs. Faulton and her daughter, Mrs. Tapley have returned to their homes after spending two weeks with the former's daughter, Mrs. Walter Caldwell.

Claude Haines and Claude Estabrooks spent Sunday evening at the home of Hatfield Shaw.

Mrs. J. B. Craig of Windsor, spent the week-end with Mrs. Francis Cook.

James Dickson was calling on Edward Swim Sunday afternoon, who is very ill.

Miss Marjorie Nevers spent Saturday afternoon with Mrs. Francis Cook.

On account of the bad roads there was a very small attendance at Sunday School and service Sunday morning.

Walter Caldwell has returned to his home here from Lakeville where he has been engaged in cutting lath-wood for F. W. Smith.

PROCEEDINGS OF COUNTY COUNCIL

January Meeting Opened on Tuesday Morning of Last Week—Collection of Rates Poor—Economy is Watchword of Council.

Official Report Tuesday

The semi-annual meeting of the Council of the Municipality of Carleton commenced in the Court House at 11 o'clock on Tuesday morning, January 28th, 1925.

The council board consists of the following councillors:

Aberdeen: Arthur E. McIntosh, Hugh J. Flemming.

Brighton: Fred Brown, Henry Smith.

Kent: G. W. Perry, Louis Boyd.

Northampton: H. A. Phillips, C. Arthur Gibson.

Peel: E. W. Melville, Edward Saunders.

Richmond: K. F. Dalling, W. A. McDougall.

Simonds: W. N. Raymond, James W. Peters.

Wakefield: Robert Bell, J. Allan Good.

Wicklow: Hugh Tweedie, R. Becher Tracey.

Wilmot: W. F. Anderson, Bert E. Cliff.

Woodstock: C. W. Clark, J. W. Marsten.

Woodstock Town: Wm. Balmain, H. T. Stevens, H. M. DeWitt.

Hartland Town: Warren White.

Led by Coun. Robert Bell, the councillors sang the National Anthem.

Rev. A. L. Baker, pastor of the Advent Church, opened the session with prayer.

Warden Anderson welcomed the councillors in a few remarks. He was pleased to announce that there had been no deaths in their ranks since June session. The county was fairly prosperous considering the present conditions in the potato market and he trusted the English market would remain open until all the potatoes were sold. Money was scarce in the county at present and collections were light. Collectors may not make as good showing as expected. Economy must be practised by the Council until times take a turn for the better.

Minutes of June session were read by the Secretary-Treasurer.

On motion of Couns. Melville and McIntosh the minutes were confirmed as read.

Adjourned.

Tuesday Afternoon.

Council met at 2 p. m. Warden Anderson in the chair.

Couns. Melville, Phillips and Balmain reported as to the binding of books in the vaults of the registrar. There were 78 books that only needed canvas covers, but many books were in very bad shape.

Moved by Coun. Melville, seconded by Coun. Balmain, that Registrar Munro be heard at the board at the same time as the other delegates.

Carried.

The different standing committees were not ready to report.

Coun. Melville—has Mr. Hartley heard anything about the resolution we passed in June in regard to the bridge at Brighton. The bridge has been out two years now and the people are complaining.

Mr. Hartley—The Government answered that the matter was under consideration.

Coun. Brown—I understand from a god source that the bridge will be commenced in the spring.

The following committee was appointed to communicate with the Workmen's Compensation Board in regard to a case originating in Aberdeen and report in June: Couns. McIntosh, McDougall and Flemming.

Coun. Bell—Has the committee anything further to offer as to the settlement with Hartland?

Coun. Melville—After the adjournment in June, we had a meeting with the Town Council at Hartland and the Town Council on page 6)

JOLLYING A DEALER

A man from the Maritimes asked a British Columbia merchant for a box of his very best chocolates. The latter produced Moirs and to jolly him, the customer said: "Surely those aren't your best—they're no good." The mer-

chant replied: "They're not, eh? Well, let me tell you, they're so well liked by my customers I'm dropping all other makes."

She: "You never bring me chocolates like you did before we were married."

He: "Did you ever hear of a fisherman using bait on a fish after he had caught it?"

"Eczema on My Face Completely Relieved"

Miss Winifred Ernest, Box 46, Blockhouse, N. S., writes:

"Ever since I was a little child, I suffered with eczema on my face. At times my face was completely covered with large sores, and I tried nearly every kind of medicine that I heard of with no results. This lasted for over twenty years, until one day I asked the advice of my druggist, who bade me give Dr. Chase's Ointment a trial. After using the Ointment for a few days, the sores began to heal, and soon I was completely relieved of the disease."

EDMUNDSTON

The Annual Meeting of St. Paul's Presbyterian Church was held at Fraser Hall on Wednesday evening, the Minister acting as Chairman and Mr. Aaron Lawson as secretary. The session reported that twenty-two new members were received into the Church last year, that the pastor had officiated at four baptisms of children, and two adult baptisms, two marriages and one funeral. A very encouraging report from the Sunday School was read by Miss Ruth Trafton. The trustees report showed that there is need of a larger income in order to meet the expenses of the church from month to month. For three years the church has been self-supporting and it is felt that with a little more effort on the part of the people the finances can be put in good shape. During the past two years and nine months, the membership of the church has grown steadily, since incorporation, forty-nine members, most of them on Profession of Faith have been welcomed into the fellowship of the Church. A vote of thanks was passed to the Ladies' Circle for the work of the past year and to Miss Helen Stevens and Miss Barnett for their work as pianists.

William McElroy was unanimously elected as choir leader for the coming year and arrangements were later made by him to have a practice this week. The following were nominated as trustees for the year 1925, and as there were no other nominations they were elected by one vote being cast for them, Aaron Lawson, Archibald Fraser, William Matheson, Andrew Brebner, J. M. Stevens, S. E. Burpee and F. S. Murchie. The following were appointed to audit the books for the past year, F. S. Murchie, David Evans and William McElroy. Delicious refreshments were served at the close of the business meeting by the Girl's Bible Class.

Mrs. J. F. MacKenzie entertained at three tables of bridge on Tuesday afternoon for the pleasure of Miss Grace Stevens. The guests were Mrs. N. Franchetti, Mrs. F. G. Merritt, Mrs. T. J. Scott, Mrs. Lee Seeley, Mrs. R. B. Murchie, Mrs. L. S. Landers, Mrs. D. H. VanWart, Miss L. Brebner, Miss Helen Stevens, Miss Dorothy Hall, Mrs. G. P. Glinberg, Miss Grace Stevens. At the tea hour Mrs. L. M. Sherwood and Miss Phyllis Hall came in. Mrs. L. S. Landers presided over the tea cups while Mrs. D. H. VanWart and Miss Helen Stevens, assisted Mrs. MacKenzie in serving. The travelling prize was won by Mrs. N. Franchetti. Mrs. G. P. Glinberg won the prize for the highest score. Miss Grace Stevens was presented with a lovely fountain pen by the ladies present.

Those invited by the little guests. Those invited were Anita Jessup, Rita Leaman, Joyce Rideout, Ella Cyr, Gayna McElroy, Bessie Steeves, Dorothy Steeves, Lilamary White, Isobel Matheson, Mary Matheson, Ethel Hutchinson, Frances Smith, Constance Wallace, Janet Hardwick, Aubrey Smith, Walter Brebner, Billy Brebner, Jackie Bulger, Lester McCabe, Charles Yorke, Dickie Dunbar, Jerome Sullivan, Edward Stevens, Donald Goode, and Lewis McKinley. From three o'clock until five the house rang with merriment and when it was time to go home general regret was expressed, and many happy returns of the day wished for Master Alvin.

Two young ladies went skiing last Wednesday, Miss Beth Rideout, and Miss Marion Trafton. They went up over Water Tank Hill, but before they returned, they lost themselves. One of them froze her face, both got cold feet, and both came home chilled and dead tired. They finally got out of the woods, but found themselves far, far, from home, to be explicit "away" out by the Presbyterian Church Cemetery. They have both decided, then when they go skiing again, that they will take some one along with them who knows the way, and preferably some one who will be strong enough to beat down a path for

NERVOUS BREAK-DOWN

Pains in Back and Legs Relieved by Lydia E. Pinkham's Vegetable Compound

Ford, Ontario.—"I had a nervous break-down, as it is called, with severe pains in my back and legs, and with fainting spells which left me very weak. I was nervous and could not sleep nor eat as I should and spent much time in bed. I was in this state, more or less, for over two years before Lydia E. Pinkham's Vegetable Compound was recommended to me by my neighbor. Before I had taken five doses I was sitting up in bed, and when the first bottle was taken I was out of bed and able to walk around the house. During my sickness I had been obliged to get some one to look after my home for me, but thanks to the Vegetable Compound I am now able to look after it myself. I have taken Lydia E. Pinkham's Blood Medicine in turn with the Vegetable Compound, and I certainly recommend these medicines to any one who is not enjoying good health. I am quite willing for you to use these facts as a testimonial."—Mrs. J. SHEPHERD, 130 Jos. Janisse Avenue, Ford, Ontario.

Nervousness, irritability, painful times, run-down feelings and weakness are symptoms to be noted. Women suffering from these troubles, which they so often have, should give Lydia E. Pinkham's Vegetable Compound a fair trial. All druggists sell this medicine.

them. Skiing, they both say is good, but it has its limitations under certain circumstances.

Mrs. T. J. Scott was hostess at a very pleasant bridge on Tuesday evening for Miss G. Stevens. The guests were Mrs. J. M. Stevens, Mrs. Wm. Matheson, Mrs. G. P. Glinberg, Mrs. L. S. Landers, Mrs. R. B. Murchie, Mrs. J. F. MacKenzie, Miss Blonnie Matheson, Miss Dorothy Bone, The Misses Stevens and Mrs. L. Brebner. The prizes were presented to Miss G. Stevens and Mrs. G. P. Glinberg.

Lloyd Sinclair who is a patient at Jordan Memorial Sanatorium, River Glade, is a guest at home for a week. Lloyd is looking much better and is on the road to recovery. We are glad he is back home for a few days and are looking forward to the time when he will be back for good.

The many friends of Hartley Adair of Charny, Quebec, who used to be in Edmundston on the staff of the Canadian National, will be interested to know that he has been promoted to a position with the Canadian National Railways, having his headquarters at Quebec City, Que.

The ninth birthday of Alvin Trafton was celebrated at his parents' home, 20th Avenue, with great zest. Everett Magoon who was laid up for a week with lagrippe, we are glad to see is around again.

Mrs. Denis Plourde and her daughter, Regina, of Clairs, N. B., were visiting friends in Edmundston last week.

Mr. and Mrs. Douglas Stevens returned from their wedding trip to Boston and other New England points on Thursday of this week.

Mrs. Fred Trafton who has been quite ill, we are glad to see around again.

Star Theatre will be the first house in the Maritime Provinces to show the Thief of Bagdad.

Mrs. S. E. Burpee was laid up in bed over the week-end with the prevailing epidemic.

We are glad to see Miss Simmons back at her post again at Fraser Companies after her recent illness.

TO TAKE REPORTS BEFORE CABINET

Formal Application re Grand Falls Hydro is Received by Department of Public Works at Ottawa.

Ottawa, Jan. 27.—An application from the New Brunswick Hydro Electric Commission for the approval of plans for the construction of a dam across the St. John River, from the Province of New Brunswick to the State of Maine, above Grand Falls, was received here this morning by the Department of Public Works. The matter will be reported upon by the engineers and will then be referred to the Governor-in-Council for consideration.

As the proposed construction is of an international nature, approval by the International Joint Commission which body deals with waterway question of this character where the Governments of Canada and the United States are concerned will also be necessary, it is stated.

At this time of the year, we are sending out our subscription accounts. We respectfully ask that you will be prompt in your remittance. Your account is small, no doubt, but when there are hundreds of small accounts just like yours the total amounts to a large sum of money.

When paying your account we would ask you to purchase a postal note or money order from your postmaster or an express money order. If this is not possible please add sufficient to your check to cover the exchange as we cannot accept checks for \$2.00 when we have to pay 20cts to the bank. We solicit your aid and co-operation in this matter.

Centreville, N. B., Feb. 2—Norma Talmadge followed up "Within the Law" with another good release, "The Voice from the Minaret." As the title shows the vehicle was an eastern film, with stage settings ranging from India to Damascus. The heroic role was played by Eugene O'Brien who as an adventurer had shaken off his early inclinations for the priesthood, but was always sustained from total back-sliding by the Mohammedan summons from the Minaret to pray. A film depicting the perils of deep sea fishing and a Larry Semon comedy filled out a good bill. On Saturday evening, "Not a Drum Was Heard," a western feature gave Buck Jones his usual opportunity to do his bit of horseback two reels filled out Saturday's program. William Scott and Frank Campeau. A Fox Canadian Weekly and a Chester Conklin Comedy in two reels filled out Saturday's programme. This week's bills are found on page 7 of this issue.

The Ladies of the U. B. Church gave a supper in N. L. DeLong's ice cream parlor on Saturday from 5 to 7.30 p. m. The usual good cooking was displayed in all its varied forms, and those present did ample justice to it. Lunch was served also after the picture show. Upwards of \$90.00 was netted from the affair, and the ladies feel quite elated over their success.

Rev and Mrs. E. Bridgewater have returned from their trip to Nova Scotia.

Mr. and Mrs. LeRoy T. Lee entertained on Friday evening at eight tables of bridge at their home on Mill street, when the guests included Mr. and Mrs. A. J. Lee, R. J. Lee, J. C. Stevens, C. H. Sullivan, Roy Wildman, L. A. London, Mrs. B. R. Field, the Misses Marion White, Faye Burr, Damey Burr, Flewelling and Messrs.

PRESENTATION TO SHERIFF TIBBITS

On account of a long and honorable service as Secretary-Treasurer of Victoria County, Sheriff James Tibbits was at the waning hours of the County Council last Friday presented by that body with an address and a silver mounted ebony cane. Mr. Tibbits' services as Secretary-Treasurer have extended over a period of 34 years, from 1890 to 1924 when the new secretary, James Howlett was appointed.

The address with signatures of the Council members follows:
James Tibbits, Esq.
Andover, N. B.

Dear Sir:

The members of the Victoria County Council have thought it only fit and proper that we should show you in some small way our appreciation of your long and faithful services as Secretary-Treasurer of the Municipality of Victoria. From 1890 to 1924 those who have had the honor of sitting at the Council Board have always found in you one who was faithful to duty and courteous and anxious to give in any and every way possible such assistance as was in your power. Therefore we of this council of 1925, wish to convey to you our appreciation of your faithfulness to duty and also to present you with this cane as a further token of our esteem for one who has so long and honorably performed the duties for his native County.

We trust that you may live many years to enjoy life's pleasures and the future development of Victoria County as well as the Dominion at large.

DUMPING OF U. S. POTATOES IN GREAT BRITAIN

The Following Article Appeared in The Frederickton Gleaner and Tells of the Attitude Towards This very Important Question in the Old Country.

London, Jan. 9.—There have been recent protests from the other side of the Atlantic against an order forbidding the landing in Britain of potatoes from America owing to the prevalence of the Colorado beetle in the American crop. The Americans affirm that their crop has been so large that they must export. Candidly we are not impressed by their professions of the need to find an outlet for their surplus crop, to which our Ministry appears to have given some heed. That there is a big surplus cannot be denied, but there are means in America of absorbing it and putting it to industrial purposes and uses. Factories for making starch, potato flour, for dehydration and manufacturing dextrine glucose are not unknown in the United States. The high-grade potatoes do not usually go into these commercial channels. But the most significant fact in the whole business is that the potatoes intended for dumping on the English markets are those from Maine, the shippers of which "aware of the short crops in England, not only sent representatives to arrange sales," but were so impressed with the prospect "that their plans necessitated the abandonment on the part of the Maine Potato Growers' Exchange of all prospective shipments to Cuba," it would appear, then, that it was not a surplus which needed an outlet, but that supplies intended for Cuba were to be diverted to the better market, England. Our information from the United States, so far as it relates to the Maine exports, probably the only potatoes of a quality that would appeal to the English palate, is that instead of a much-talked-of surplus there is actually a shortage in the crop to be sold. Or there was until the export plans were upset by the embargo. A Boston message on the subject, dated December 2, says: "The increased demand for export makes it very apparent that the Maine crop is insufficient to support the needs of both foreign and domestic trade." Cuba, thanks to the intervention of our Ministry of Agriculture, can have her potato demands met, and Maine is also relieved of anxiety respecting the future. Let them keep both their potatoes and their beetles.

WEEKLY ITEMS OF INTEREST

THE HYDRO SITUATION

The power from Aroostook Falls is being augmented by the turning on of the old pulp mill plant at Van Buren which can develop about 1,000 horse power. Woodstock and Houlton have their standby plants fixed up and the power shortage and inconvenience is fast diminishing.

Dr. E. A. Smith says that there is enough water at Musquash to supply the Musquash development needs for seven weeks.

CONFERENCE AT AUGUSTA

Dr. E. A. Smith of the New Brunswick Electric Power Commission and Hon. J. E. Michaud of Edmundston are in Augusta trying to procure flowage rights in Maine. These rights have to be granted to a holding company in order that the Grand Falls hydro project can be gone ahead with.

MANY POTATOES FROZEN

Reports arrived here this week that the cold weather in the West had frozen a large quantity of potatoes. Growers in New Brunswick should be benefited by this as no doubt the price will raise in the Western States and thus the Eastern growers will be able to compete on a price basis in Western Canada.

ON THE JUMP.

The Aroostook Farm Bureau have started to retaliate. Very indignant are our friends across the line because John Bull claims the U. S. potatoes are polluted.

Very angry are they that the market for seed potatoes in the Eastern States is controlled by Canada.

Very sore are they that despite the protective tariff which the United States placed on Canadian seed in an effort to arrest its use across the border, the growers still prefer Canadian to United States grown seed.

Very aggravated did they become and their wrath waxed strong in their hearts. And the feeling became so strong that they decided to take drastic action.

Then were steps taken to jump on our choice seed stock. None Better, Senator Fernald of Maine was appealed to for aid. Mr. Fernald took the matter up with Secretary of State Hughes who promised to make an effort to find a way to prevent our seed from entering the United States.

Then when this happens (which perhaps it won't) the Aroostook Co. potato growers will be supreme in their own country against the wishes of their countrymen of the south.

For has not Canadian grown seed been the favorite throughout Virginia and the Carolinas for several years? So much more successful have the farmers been down there while using our seed, that they continue to buy it and swear by its growing qualities.

No doubt Uncle Sam is getting restless. The note that was sent to Great Britain disapproving of the embargo has not been satisfactorily answered. John Bull is patiently sipping his afternoon tea and playing golf, thinking the matter over and all the while U. S. potatoes are stored in the cellars of Aroostook Co.

REALISM ACHIEVED.

Killed by Lion for Sake of Movie Thrill.

Surpassing in horror any previous tragedy that has befallen during the making of thrills for public entertainment comes this accident where a cinema actor in Rome was torn to death by an enraged lioness while thousands of spectators in a mob scene looked on, appalled by the spectacle.

"Que Vadis" that famous historical novel of the time of Nero and his cruel and voluptuous reign, was the story being filmed and the cause of the latest tragedy to befall filmdom.

No effort had been spared to achieve realism. There was the mighty Nero himself, young and imperious, gorgeous in his robes of golden splendor. There were his slaves, decked in fine trappings, too, that they might reflect his glory. It was easy to believe this was the very Rome, this the very arena. Directors patted each other on the back and congratulated themselves on the astounding faithfulness with which they had been able to re-create for modern men the spectacle of Nero's reign.

Then Destiny said: "I will make the play real. It shall, in very fact, be a Roman holiday."

In the film one of the most horrifying and telling scenes of all is where lions attack the Christian martyrs in Nero's great circus. The directors of the picture, striving for the last inch of realism to please the public after deliberating, had finally decided to show real lions in the scene. Twenty-seven perfect specimens were procured.

Even the spectators thrilled. Silence fell on the actors and the great mob of spectators taking part of an audience in their tier-like seats, as these great powerful animals prowled stealthily out from the cages. The arena had been divided in half and it was in this half they were allowed to roam for the first shot of the camera. Faces grew rigid and eyes fascinated as the great sinuous yellow bodies stalked along in the sand. Occasionally one snarled or growled, rumbling at the keeper. Only the steady ring of the camera could be heard. Then suddenly the director called for manifestations of holiday excitement, for cheers, for bravos.

A cheer went up from the multitude in the air. It turned to a blood-chilling scream. Without warning an enraged lioness shot over the barrier and dropped amid the spectators. Death was in every blow of those taloned paws and those gleaming teeth! Frantic, desperate attempts at escape were made. Then suddenly again there was silence. The lioness had found her prey. Dazed and helpless, the thousands looked on.

A second, that seemed like eternity, passed before the sound of shots split the air. With a scream of pain the enraged lioness leaped to a yellow arch in the air. Then she fell, a writhing heap on the ground. But it was too late. On the ground in the vast arena there lay a stiller body. Warm red crept through the white robe of the "Christian martyr."

Augusto Falombi had played his part to the end.

Gabriele d'Annunzio, son of the famed d'Annunzio, and the Princess Gales were two of the directors in this tragedy behind a drama which has horrified not only Italy, where an aged, unyoung actor sacrificed his life to a public in this fashion, but the whole world to whom the story has gone forth.

Ages of Plant World.

Certain plants like certain people require strong foods. Not satisfied with the nourishment derived from the soil, they require flesh and blood. Such plants exist by the consumption of insects and small animals, and are to be found in bogs and marshes in tropical countries. All carnivorous plants are endowed with a sense of taste, and a tasty morsel of meat is speedily devoured! The side-saddle plant, found in parts of America, sets water traps for its victims. This plant holds up to the sunlight vase-like leaves, around the mouths of which are glands that secrete honey. Tempted by the scent, the insects make their way across the leaves to the mouth of the plant; farther and farther they wander down the tube, looking for the honey. Detentive hairs prevent their exit, and tired and weary they eventually fall into the pool secreted at the bottom of the leaf. The common sundew captures dragonflies and ants. Attracted by the gummy appearance of the rosy leaves, the feet of the visitors become securely fixed to the gum, and the red tentacles close in on the unwary insects.

Nothing to Worry About.

A woman rushed excitedly to the house of a neighbor. She knocked once very nervously, but there was no reply. A second knock produced no answer. Presently the window above was thrown open and a woman's face appeared.

The woman below looked up and exclaimed hurriedly: "Mrs. Jones, your husband's been sentenced to jail for a month."

"Oh, dear me, Mrs. Smith," replied the other. "Has he not done right on me? I thought it was the man after the rent again."

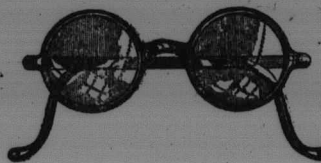

An Old Custom.

As early as 1183 a building on the site of the Old Bailey, London, was used as a jail. In 1750 a bad epidemic of jail fever, resulted in the death of the Lord Mayor and some of the sheriffs, and from that time it became the custom to present a nosegay to each of the judges and sheriffs as they came into court. The nosegay was also strewn with rosemary, lavender, thyme, mint, and so on. This custom still holds good to-day.

Owing to sickness among the children here, there has only been two present at school for the past week out of an enrollment of nineteen.

Mr. and Mrs. Nelson and family have moved into their new home and find the change to be a very pleasant one.

Don't forget you are invited to the bean supper February 6th.

LACK OF WATER REPORT IS FALSE

The report that is being circulated in town that the water supply is getting low is without any grounds. At the present time there appears to be as much water flowing as before. The people of the town are to be congratulated on having this splendid water supply and may consider themselves well off considering the water situation in the vicinity.

COUNTRY ROADS ARE IN BAD CONDITION

The snow that has fallen during the past week has made travelling difficult in the country districts.

Accompanied by heavy winds the snow packed hard in drifts and a large percentage of the roads have not been ploughed out. The main highways are not in bad shape but the by-ways are a bug-bear to the traveller.

Even within the town limits there was such a drift that a detour had to be made to avoid it and at least one accident occurred because this detour was not marked. The occasional use of the snow plow immediately after the snow fall would help matters immensely.

Salaries	
Marshall	300.00
Treasurer	200.00
Assessors	100.00
Auditor	15.00
Poor	100.00
Discounts	200.00
Grant to Cemetery	100.00
Lights	500.00
Roads	617.65
Total	\$7000.00

Moved by M. W. White, seconded by W. B. Nixon that the budget be accepted as read.

Moved in amendment by Ald. Hatfield, seconded by H. R. Nixon that \$200 be taken from miscellaneous in General budget and \$100 from lighting in same budget, also \$100 from fuel in Fire and Water Budget and added to roads appropriation. Amendment carried.

Moved by Ald. Hatfield, seconded by H. R. Nixon that the old road machine be sold and a new patrol machine be purchased.

H. R. Nixon was appointed a member of the Cemetery Committee. J. E. MacCollum, E. C. Morgan and E. W. Laskey were appointed assessors for 1925.

ST. THOMAS

St. Thomas, N. B., Feb. 1.—As this is Candlemas Day and the weather cloudy it is hoped that it will continue so throughout the day so that the groundhog shall be unable to see his shadow, for we have had winter enough.

Donald Kelly and Jerome McInnis spent Monday last in Woodstock.

Frederick Haurihan was calling on friends here last Thursday.

We are all glad to know that Jerome McInnis who underwent an operation for appendicitis lately at the M. M. Hospital, is greatly improved.

Murray Mulhern is still loading potatoes at the siding.

Radios being the order of the day one has been installed by Chas. Kelly at his home here.

Miss Louise Gallagher is spending the winter with her grandmother, Mrs. M. L. Mulhern.

Misses Inez and Muriel McInnis spent Monday afternoon in Hartland.

Our school is progressing favorably under the management of Miss Rose Travis.

Murchie McInnis and Thomas Kelly spent Sunday evening at the home of Thomas Travis.

William Campbell left for the woods a few weeks ago. He is in the employ of Manzer Prosser, Nashua.

Miss Margaret Travis is spending a few days with Mrs. Vincent Fewer at Avondale.

Miss Tillie Campbell has returned home after spending a few days with her sister, Mrs. Charles Hourihan, Jacksonville.

Thomas Travis and Charles Vesey are busily engaged in cutting wood this winter.

EDITOR'S MAIL.

Monday evening the new mayor of the Town of Hartland presided over the deliberations of the council for the first time. In some respects it was an eventful evening. From the promises the Mayor made before he was elected—real things; were expected from him in the way of retrenchment, but alas, alas—when the appropriation of \$1000 for streets came to a vote, two of the council who from past experience voted against it, it was left for the mayor to decide and contrary to all expectations his decision was in favor of it.

As Madame Roland lay beneath the knife of the guillotine her eye caught sight of the Statue of Liberty and she exclaimed "Oh, Liberty what crimes are committed in thy name."

Oh retrenchment! what crimes are committed in thy name.

BE GLAD YOUR NOT IN EUROPE

Seventy-five cents a gallon for gasoline; no parking permitted in the downtown districts; a speed limit of twenty miles an hour; heavy fines passed out to the chappies who exceed this limit and license fees of one hundred and twenty-five dollars a year tacked on an automobile.

Be glad, then, that you're not living in Europe.

And it is small wonder that there are very few traffic accidents in London, and that for this great city the total deaths chargeable to traffic accidents is less in a year than in an American city in a single month.

For in London all traffic moves at twenty miles per hour, every one takes his time, there is absolutely no parking in the downtown district, and when some youth gets a bit reckless and hits a car he is almost certain of instant arrest and a very heavy fine.

The one great lesson that London has to teach American motorists is the value of great patience in business life, and of eliminating all the hurry and haste not absolutely necessary; but for this one lesson America can teach London, many, many things about every angle of motoring.

For instance, there are no oil stations, as we know them, in the whole of England, with the exception of a few that have been recently installed by Americans. These will have to change the habits of a nation before they become popular, for in England everyone that owns a car carries his gasoline in a two-gallon can in the tounge (yep they still call it 'toungeous over there, of his car).

Compressed air pumps at garages are practically unknown. If a tire goes flat why the old hand and foot pumps—together with a lot of elbow grease—pumps it up again. The

champions in this line can pump up a tire in less than ten minutes. Laugh that off!

An import duty of one-third of the cost of the car is charged on every car brought into England and for every spare part of an imported car. This gives rise to endless red tape and delays, for the owner of a foreign car must get each spare part approved by three separate custom house officials before he can install it on his car.

The moral of this tale is: America first!

PROCEEDINGS OF COUNTY COUNCIL

(Continued from page 1)

the agreement was ratified I suppose that the tax has been paid.

Mr. Hartley—Hartland sent the money down on Saturday.

Coun. White—As the representative here of the Town of Hartland we are well satisfied with the settlement and the draft of the bill for the Legislature which we received from Mr. Hartley.

Coun. Raymond—The Mayor of Hartland told me yesterday that the money had been sent down.

Warden Anderson, appointed the sheep committee, the same as last year, Couns. Phillips, Boyd and Smith.

Coun. Dalling—Has anything been heard from our resolutions dealing with a gasoline tax and the lowering of the auto license?

Mr. Hartley The government acknowledged the receipt of my letter. There has not been a session of the Legislature since then.

Moved by Coun. Perry, seconded by Coun. Bell, that the warden appoint a committee on bills and accounts. Carried.

The Warden appointed Couns. Melville, Fleming and McDougall.

Moved by Coun. Stevens, seconded by Coun. Cliff, that the first order of business tomorrow afternoon be the hearing of delegations. Carried.

Coun. Balmann, for the committee appointed to purchase an adding machine, reported.

Coun. Clark, one of the committee, also reported.

Mr. Hartley explained an offer he made to the committee.

Moved by Coun. Melville, seconded by Coun. Bell, that the committee be continued with power to make a purchase in the best interests of the county.

Moved by Coun. Cliff, seconded by Coun. Perry in amendment, that the committee be instructed not to exceed \$150 and the interest as set out in the proposition made by Mr. Hartley.

Couns. White, Fleming and Brown said that the committee were capable men and should not be handicapped by the Council setting a figure.

The discussion showed the intention of both motion and amendment was to accept the proposition of Mr. Hartley.

Amendment was put and lost. Original motion carried.

Coun. Fleming—Have we any further information as to the payment of the board of prisoners in jail under the Intoxicating Liquor Act?

Coun. Melville—I believe that the Dominion Government has refused to pay the board under the Inland Revenue Act, but that the Provincial Government is to do so under the Prohibition Act.

Coun. Bell—Is there any way of collecting taxes from the property bought by soldiers from the Soldiers Settlement Board, through that board?

Coun. Melville (an official under the Soldiers Settlement Board)—The law says that this land is not taxable while in possession of the board. If we paid Coun. Bell's taxes, you would be asking us to pay Coun. McIntosh's store bill.

Coun. Perry—The collection of taxes is a serious matter. I think we should have incorporated into our act, a provision that a man should have five per cent discount if he paid before a certain date. All towns are doing that and it must encourage the collection of taxes.

This county is the banner county of the province, made so by our ancestors who of course never had an adding machine, which would be of no use to us—money does not come in better. Money is as dry in my parish as it is "dry" in Woodstock at present. I have no motion to make but I would ask your careful and prayerful consideration to this discount question.

Coun. Fleming—I have been thinking along that line myself—say if the taxes are not before Nov. 1st, a five per cent discount will be given.

Coun. Melville—I am willing to try anything that will help collections.

Coun. Saunders—Suppose our warrant is \$25,000, if we give a discount we must raise the warrant. I am opposed to that. We all give our taxes the go-by. If we used the same effort to pay our taxes as we do to pay our insurance and other individual bills, all of us could pay.

Council adjourned until 2 o'clock on Wednesday afternoon.

Wednesday Morning

On Wednesday morning the committee on bills and accounts worked in the Court House, while the committee on the Municipal Home visited the Public Buildings made a visitation to the County buildings.

Wednesday Afternoon

Coun. H. met at 2 p. m., Warden Anderson presiding.

On motion of Coun. McDougall, Mr. E. W. Mair was heard before the board.

Mr. Mair gave a resume of the progress of the Vocational School since its infancy. This was the first year that the Vocational School showed a surplus. The Central Board had treated this school very generously, chiefly because the Central Board had been presented with a very fine school building. The surplus was \$328 which was applied to the overdraft, which at the same rate, would be wiped out in seven years. As is well known when the school needed money it had to be borrowed on personal notes. The number of the staff is down to the minimum figures. There are now 30 pupils in the commercial department alone.

Mr. Mair in presenting the case of the Vocational School, gave some very interesting figures concerning the graduates of the school. He said 41 young lady graduates of the commercial department were employed in Woodstock. Forty-five held positions outside with salaries up to \$40 per week.

Seventeen of the home-making department had entered hospitals where the training they received in dietetics secured them preferred positions

and entrance into the largest institutions. Twenty-three had married.

Of the many young farmers who have graduated one today is herdsman in charge of 42 head of dairy cattle on a large farm in Massachusetts which sends pasteurized milk to the Boston market.

Another young graduate is official milk tester for an association of dairy men in the State of New Hampshire and devotes his time to official state tests. The monthly salaries of these young men read in three figures. Many other young men have important positions that are result of their Vocational training. The school is asking for a \$2,500 grant.

On motion of Coun. Melville, the delegates asking for a grant for the Fisher Memorial Hospital were heard before the Board.

W. S. Sutton presented the case for the Hospital in a very able speech making comparison of the receipts and expenditures for 1923 and 1924, and showing that the Hospital had been conducted in a very economical manner.

Dr. W. D. Rankin pointed out that no charge had been made for free patients, not even for administering ether. He explained the internal administration of the Hospital. The institution was keeping pace with everything modern in the best Hospitals.

About 70 per cent of the hospitals in North America were standardized. Those of standard rank must have a staff conference every month, and they are expected to produce results and make a record of it for the traveling inspector of such hospitals. The 40 bed hospital will take us in. In June 1925 we will be able to comply with the requirements. The attendance has been increasing in the hospital every year. This morning there were 35 patients and the average during the summer was 25. We are now pressing for accommodations which must be done in the past, but we cannot possibly get along without the county grant.

J. W. Gallagher said that for many years we got along without a Municipal Home or a Hospital. It was a crime the way the poor people were treated in the early days and we could not do without the home now. That applies to the Hospital and the county must stand by it with a generous grant.

On motion of Couns. Stevens and Phillips, the delegates from the Carleton County Agricultural Society were heard before the Board.

R. W. Maxwell, the secretary of the Society told what the Society had done in an educative character in the interests of agriculture, and how badly it needed a grant this year as there was no provincial grant coming to it this year.

N. F. Phillips would like to see the Exhibition kept up. Many people from outside the county plan on coming to Woodstock every year for the Exhibition which they consider a good clean one. We will not likely get any help from the Government this year.

Will Hay—We need your grant badly this year. Last year we asked for a grant, but we did not press it, because we expected government aid, but we must have it this year. I have been connected with the Exhibition five years and the farmers are getting more interested in it every year. Our farmers are coming to the front. For

PROCEEDINGS OF COUNTY COUNCIL

(Continued from page 6)

some years, nearly all the prize money went outside. Last year Carleton County farmers were able to hold their own. Our farmers had some of the finest herds of cattle that could be found anywhere. I am a farmer and I know times are hard, but we expect and will appreciate a good-sized grant.

Walter Payne—We need this year's exhibition. It has been a great help to the farmers. We can see what the other fellow has and we can raise the standard higher. Our exhibition has been a credit to Carleton County—the best his side or Toronto. Kindly help us gentlemen to raise the prize money.

Heber Sharpe—I did not take much interest in the exhibition for some years because I thought I had mighty good stock, but when I did attend the exhibition I found I was mistaken in my stock. I fed better and kept things in better shape. We benefited from seeing the stock from outside. Last year we beat a big man from outside and he was pretty mad over it. That shows the good these exhibitions have been to our local farmers.

E. S. Peabody—I know of no better way to keep our young men at home than to get them interested in agriculture through these exhibitions. We solicit your aid as we will have no government grant this year. We must give gradual help to this exhibition whether the times are good or bad and we must not let it do down nor miss a year.

H. W. Rogers—Our location and buildings cannot be equalled in Eastern Canada. Some of our farmers have been working on the exhibition committees from the start and we are glad to see the young farmers like Messrs. Hay and Sharpe coming in to help us make the exhibition a success. Our farmers are now sending in more exhibits and they are carrying away the greater part of the prize money. That is as it should be. We need the county grant this year to help in the prize money, and we would like to go over the roof of the main building and make some repairs in order to protect it. No one can say that we do not put up a good exhibition at all times.

Coun. Stevens—The speakers you have just heard represent the farmers in six of the parishes of this county.

Couns. Perry and Saunders expressed themselves as not being in favor of a grant this year, and replies were made by Messrs. Rogers and Sharpe. Registrar Munro brought several books from the vault that need to be rebound. He had a conversation with E. F. Killen of New York whose sole business is to preserve municipal books and he had had correspondence with Barnes & Company of St. John on the matter. The cost would be in the neighborhood of \$500. These books would be rebound in the Court House. There were 130 record books in the office. At least 17 should be rebound and 12 sewed and repaired with canvas covers. He had charge of the record office for eight years. This is the first year that failed to produce a surplus. The receipts in eight years were \$21,931.13. The surplus was \$5,120, an average of \$640.

Moved by Coun. Bell that the Council go into committee of the whole on bills and accounts, with the warden in the chair. Carried.

On motion of Coun. Stevens, the committee arose at 5:15 p. m. and reported progress.

Cun. Melville stated that when there is a death at the Municipal Home, the parish interested is notified. Occasionally it happens that the deceased has no relatives and it is costly to get a burial lot in town.

Moved by Coun. Melville, seconded by Coun. Boyd, that the Municipal Home committee be given a small plot of ground on the poor farm as a burial ground. Carried.

Council adjourned till 10 o'clock tomorrow morning.

Thursday Morning.

Council met at 10 a. m. Warden Anderson in the chair.

On motion of Coun. Melville, the Council went into committee of the whole on bills and accounts.

In the discussion of Police Magistrate Comben's bill for \$89.10. It was brought out by Coun. Melville and Bell that there was a credit on fines, that reduced the bill to \$24.10.

There were several bills for work done by the revisors in connection with an appeal of James Miller of Glasville against his assessment as compared with the assessment of David Lamont and others in the same parish.

Moved by Coun. McIntosh, seconded by Coun. Fleming that the bills be paid. Carried.

Moved by Coun. Bell, seconded by Coun. Tweedie, that he bills be paid and charged to the Parish of Valcartier. This board of val-

uators has been set up to settle matters of this kind. The valuator heard the evidence and dismissed the appeal. It seems to me that it is a

county charge.

Coun. Phillips—It may be a county charge, but the Council at a previous meeting had refused to pay the bill of M. L. Hayward for legal advice. Mr. Hartley—This appeal came before us in 1922, in the shape of the bill of Messrs. Hayward and Morgan. These bills were \$23.75 for Morgan and \$10 for Hayward. The Council refused to pay these bills. Mr. Miller comes back in 1923 with another appeal. There is no provision in the law to pay the valuator, but what the Council considers right, if the valuator is called out on duty, they certainly should be paid a fair remuneration by somebody. Who should pay the bills under discussion? My view is that the parish should pay. You can do as you like, but it relates purely and simply to the parish.

Coun. McIntosh—The law says that the evidence can be taken under oath or otherwise. These valuator were appointed by the county, paid by the county, and I don't see why this bill should be charged to Aberdeen.

Coun. White—I have a letter from Mr. Hayward. Messrs. Leighton and Gibson, two of the valuator, were pointed to investigate the appeal. He proposed to investigate the appeal. He proposed from Hartland, usually known as the Holy City, to Glasville, heard the evidence, and it was not his fault if the valuator did not act at that time.

Coun. Phillips—Two of the bills under consideration were before us before and we decided not to pay them. I am of the same opinion still.

Coun. Perry—it may be alright if we establish a rule that parishes pay the bills of such cases originating in the respective parishes. Aberdeen has been boasting of its surplus and it should pay these bills.

Moved by Coun. Perry, seconded by Coun. Boyd, in amendment to amendment, that the bills be referred back to the committee and Secretary-Treasurer to recommend a settlement.

Coun. Balmain—In all cases the workman is worthy of his hire. Mr. Hayward did the work on request of Mr. Morgan and he should be paid. If the results were not satisfactory it was no fault of his. It is Aberdeen's case now, but it will be the case of some other parish in the future.

Coun. Bell said that the case originated between the assessors and a ratepayer in Aberdeen and who else should pay the bill but Aberdeen?

Coun. Stevens said he had been going to Aberdeen for 12 years and this man is always looking for trouble. It is too bad that he could not be made to pay the bill. As it is, the bill should be paid by the county.

GIN PILLS FOR THE KIDNEYS

Deranged Kidneys may in time lead to serious illness. If you detect any symptom take Gin Pills. They will relieve you.

Coun. Gibson—The bill should be examined more fully and amended. The sum of \$13 a day is too much to pay the valuator; some men are working for a month and only getting twice that figure.

The amendment to amendment was put to the board and declared lost.

Coun. Perry asked for a standing vote that showed that the amendment to amendment was carried.

Bill N. 2, referring to the Canadian case in Kent, was reconsidered.

Moved by Coun. Perry, seconded by Coun. Boyd, that the bill pass at \$28 instead of \$24. Motion lost.

Couns. Boyd and Perry made a strong appeal for the increase of the bill. In order to make the arrest and bring the prisoner to Woodstock it was necessary for the constable to hire an auto and he paid the \$10 out of his own pocket. If the sheriff had made the arrest, the cost and mileage would be much higher than the present bill.

Moved by Coun. Melville, seconded by Coun. Saunders, that Riley Trafford be paid \$20, revisor's fee for 1923.

The county bills were paid as follows:

A. R. Foster	\$287.05
Hanford F. Craig	34.00
(Ordered paid at \$24.)	
J. C. Hartley	130.00
J. F. L. Brown	73.00
Thos. A. McCain	4.00

Carleton Sentinel	2.20
Press Printing Co.	2.50
J. C. Hartley	73.00
A. R. Foster	51.00
Dr. T. W. Griffin	173.00
Chas. Comben	39.10
A. L. Lindsay	40.00
John Ryan	4.00
W. H. Bramley	7.10
Owen Kelly	18.00
Dr. H. W. Peppers	4.00
W. W. Melville	2.00
H. V. Mooers	744.50

Council adjourned till 2 o'clock.

Thursday Afternoon.

Council opened at 2 o'clock. Warden Anderson in the chair.

Hon. Dr. Roberts, minister of health addressed the board. He thanked the Council for this opportunity to address them on the question of Public Health. This is the first time he had ever been in Woodstock or Carleton County, although he had passed through the county on several occasions. As a result of the efforts of the government, the death rate had been lowered. In the province in 1920 the death rate was 15.6 per thousand, in 1923 it was 12.5 per thousand. He explained the Rockefeller Fund for the improvement of the public health and made a plea for the engagement of two public health nurses for this county.

Dr. G. G. Melvin, Chief Medical Officer, also addressed the board.

The speakers answered questions by Coun. Perry. Dalling and others on the question of discussion.

Moved by Coun. DeWitt, seconded by Coun. Gibson, that the Council make a grant of \$1,000 to Carleton County Agricultural to assist in the prize money for the summer exhibition.

Coun. Cliff—I wish to state that I will vote against the motion. The Woodstock Exhibition distributed last summer prize money to amount of \$4350, the sum of \$2,500 going to the farmers of the county. The Centreville Exhibition had a prize list of \$1,500 and \$1,400 went to the farmers of the county. Ours was a purely agricultural exhibition. If Woodstock gets a grant I want a grant of \$300 or \$400 for Centreville. I thoroughly believe that the people do not want us to give a grant to either Woodstock or Centreville.

Coun. Perry—Times are hard, farmers are financially embarrassed, we must practice economy and I am opposed to the grant.

Coun. Saunders—We should not grant any money to a particular section of the county. Centreville has always given a good show and it is always put on a good show, a credit to the agricultural society, the town and the county. With the large crowd attending I cannot see why the Woodstock show cannot pay its way as Centreville is doing. At the present time we are taxed for everything except our breath, and the people cannot stand any more taxes.

Coun. DeWitt I hold up both hands in favor of Centreville. It is entitled to a grant. Give your grant to the Carleton County Agricultural Society and will vote for a third as much for Centreville. When you spread your \$1,000 over the county it will cost very little to each ratepayer. I have been a farmer for 30 years and I know the financial condition of farmers. I believe they will not object to this grant for it is a wise expenditure of great educational value. The one at Woodstock is probably the best one held in the province. We must keep up the standard and hold them yearly. If we do not the time will come when there will be but two exhibitions yearly one in Fredericton and one in St. John, and I am sure that Carleton County will not like that.

Coun. Balmain—It has been intimated that the Woodstock members should not discuss these subjects but remain quiet.

Coun. Perry—Must not discuss the

dog tax only.

Coun. Balmain—This is not a Woodstock fair. Nearly all the directors of the Carleton County Agricultural Society live in the parishes. It is intimated that the people of the town are getting rich by their fairs. It is not so. The large crowds come by auto in the morning and go home by auto in the evening. The hotels and restaurants may take in a little money but no one else. It is far different now than in the old days before the advent of the automobile. In looking over the situation never was the country in better financial shape than at present to give a grant, although individuals may be short of money. We have only a bonded debt of \$13,000, and we have the court house (which could not be built today for \$100,000) the Municipal Home and other County buildings, and a fat surplus at the bank today. If our taxes were paid we could wipe out our bonded debt and still have a surplus in the bank. If potatoes went to only \$1.00 a barrel, we would be the richest county in the province. As Coun. DeWitt said there is a danger of our losing our annual exhibition. It is an institution well worthy of the support of each councillor. You heard the young farmers on the delegation yesterday tell how the exhibition spared them on to warring better herds of cattle. In justice to the county this motion should be supported, but during the remainder of the debate, I do not wish to hear the untrue statement that the County of Carleton is too poor to make such a grant.

Coun. Fleming—I believe the exhibition should have some money but as Centreville and probably other places will also request aid, the safest way is to vote the motion down.

Coun. Phillips Ever since I have been at this board you have heard me talk economy, but there is such a thing as false economy. It is false economy to refuse this grant. Last year I voted against a grant because I knew the society would get the provincial grant but this year no provincial grant is in sight, and they need the grant to help out the prize money.

The young farmers from my parish are interested. You heard some of them speak yesterday. If Coun. Perry would bring down here some of his stock and win the prizes it would boom him and his parish.

Coun. Stevens—Last year when he voted against the grant, Coun. Perry led us to believe that he would support it this year but he has the same old story about the people of Kent going around in sackcloth and ashes.

The delegation that spoke yesterday represented five parishes in the county. As a man of business in Woodstock I know that 75 per cent of the people go direct to the fair grounds and that only hotels, restaurants, ice cream parlors and drug stores get any money out of the visitors.

Coun. Marsten—I agree with Coun. Perry and I will vote against any grant this year.

Coun. McIntosh—We must give a grant to the hospital and that is all we can stand this year. I was pleased with the report given us by the Agricultural Society and I believe it can get by another year without any grant.

Motion was lost. Yes, Couns. Balmain, DeWitt, Stevens, McDougall, Phillips, Gibson and Clark. The remainder of the Council voted against any grant this year.

Coun. Clark presented a bill of \$133.15.

Moved by Coun. Gibson, seconded by Coun. McDougall that the bill be referred to the overseers of the poor for the Parish of Woodstock.

Carried.

Moved by Coun. Stevens, seconded by Coun. Balmain that a bill of \$1,000 be paid. Carried.

Moved by Coun. Fleming, seconded by Coun. McIntosh that \$5 be paid C. W. Rowley and charged to the Parish of Aberdeen.

Carried.

A report of H. G. Hoben, auditor, Fredericton, was read by the Secretary-Treasurer for the year ending Dec. 31st, 1924. Much money has been received since then. The dog tax fund now amounts to \$1,838.35 and there is a credit balance in the bank of \$8,974.26.

Moved by Coun. Melville, seconded by Coun. Bell that the report of the auditor be received and placed on file. Carried.

Moved by Coun. Fleming, seconded by Coun. Melville, that a company be appointed to value certain county buildings as recommended by the auditor. Carried.

Warden Anderson appointed Couns. Melville, Fleming and Good said committee.

Coun. Fleming—In justice to Mr. Hartley I might say that the auditor told me that he was greatly pleased with the way he found the county books and papers in the Secretary-Treasurer's office.

Moved by Coun. Fleming, seconded by Coun. McDougall, that R. P. Hartley be appointed deputy secretary-treasurer without salary.

Carried.

Coun. Clark chairman of the committee on public buildings, submitted his report. There was spent \$241.18 at the Record Office; \$118.37 at the Court House; \$1237.38 at the jail.

Moved by Coun. McIntosh, seconded by Coun. Bell, that the report be received. Carried.

Coun. Melville submitted the report of the Municipal Home committee. Couns. DeWitt and Bell are the other members of the committee. There are 34 inmates, a record of 8674 days, and it cost to feed and clothe each inmate 48 cents a day.

On motion of Coun. Fleming the report was received and recommendations will be carried out.

Coun. White—It occurs to me that if the valuator held their court at some central point and get the applicants to pay their own way to these courts, they would not be so anxious to appeal.

Coun. Fleming—There is the other side to the question. Those parties who are appealing against must also attend the examination at a heavy cost to them. The appellants are generally of the class who place no value on time and are generally hunting laws in the law.

Moved by Coun. White, seconded by Coun. Dalling, that the country valuator be instructed to hold the appeal courts in some central part of the county with due regard to the convenience and not that of the appellants.

Council adjourned till 10 o'clock tomorrow morning.

Friday Morning.

Council met at 10 a. m. Warden Anderson in the chair.

Moved by Coun. Melville chairman of the committee to which the bills were referred, seconded by Coun. White, that the valuator's bills in connection with the James Miller appeal cases be cut down and paid and charged to the county.

Moved by Coun. Bell, seconded by Coun. Cliff, in amendment, that the bills as amended be paid and charged to the parish of Aberdeen.

Coun. Fleming—I cannot understand why it should be charged to Aberdeen. The county appointed the board and should pay the board. You can't saddle anything on us that we should not pay.

Coun. Phillips—What is the total bill now?

Coun. Melville—The original bills were \$150; we cut them down \$42.50. The bills now amount to \$107.50.

Coun. White—We gave careful consideration to the bills. The same thing may happen to other parishes that has happened in Aberdeen. I believe the county should pay all bills of a similar nature.

Coun. Bell—in this case the valuator were not adjusting their own figures, but they were adjusting errors made by the assessors in the parish of Aberdeen.

Coun. McIntosh—There were no mistakes made by the assessors and the valuator said so after thoroughly examining the accounts. It is not fair to Aberdeen to pay, because we have a man in our parish always hunting for trouble.

Coun. Bell—the parish is unfortunate in that regard. Our parish had a poor man that cost us hundreds of dollars, but we did not ask Aberdeen to pay the bills.

Coun. Melville—The idea held by the committee was to have the county pay this bill and all similar bills.

Coun. Fleming—I wish to point out that as my colleague has already done, that the board of valuator has justified the Aberdeen board of assessors.

Amendment lost. Original motion carried. For the amendment, Couns. Tweedie, Boyd, Bell, Good, Cliff and Marsten. Remainder of council voted for the motion.

The following standing committee were appointed by Warden Anderson: Finance—Coun. Balmain, Fleming and Perry.

Building—Couns. Clark, White and Cliff.

Municipal Home—Couns. Melville, DeWitt and Bell.

Advertising—Couns. Dalling, Stevens and Good.

On motion of the respective councillors of the parishes, the lists of Parish Officers for the following parishes and towns were confirmed: Fredrickton, Town of Woodstock, Brighton, Wilmet, Wicklow, Aberdeen, Northampton, Kent and Wakefield.

The following motions were carried as moved by the councillors of the parishes:

Parish Clerk of Kent, \$5.

Robt. Gillis and Rex Bookwith, poormasters, \$5 each.

The sum of \$27.50 was assessed on the Parish of Woodstock for land damages.

The sum of \$27.50 was assessed on the Parish of Northampton for land damages.

\$5 to Haystack Wilson, parish clerk and charged to Wilmet.

Use the Want Ad Way

If you have anything to sell, a house to rent, money to loan; IF you want a position, or a farm or a store; IF you are in need of help for your farm or your business; Then put a WANT AD in The Observer. It will make money for you. If you read our Want Ads you can save the price of your year's subscription to The Observer by saving money on some article advertised in our Want Ad column.

The Way you write your Want Ads has a lot to do with their effectiveness. State clearly just what you want to buy when you are advertising a farm or a house, etc., for sale; give the price and terms you will accept. If you want a position give your qualifications. Be explicit and to the point.

The Cost of these Want Ads is very small. Fifty cents for the first week and twenty-five cents for each additional week. No ad to exceed five lines, six words to the line. If over five lines the price is ten cents per line for first week and five cents per line for each additional week. Money must always accompany the order. Please don't forget this as no ad will be charged. Address all communications to

Trees at the rate of 20,000 a day have been planted by farmers in Western Canada during the last 20 years, according to a report of the Federal Department of Agriculture. A total of 150,000,000 young trees, the report shows, has been distributed to farmers in that section in 1905.

Canada has entered into negotiations with Germany for a trade agreement which will give her the benefit of the most favored nations agreement. Exports to that country very nearly doubled during 1924 and at the close of the year Germany was practically in the position of being Canada's third best customer.

A co-operative shipment of poultry to New York City, encouraged and handled by the Dominion Poultry Service, Alberta branch, brought good results. The shipment consisted of two refrigerator carloads of turkeys and the shippers received 25 cents a pound for their birds, the New York selling price being 41 cents a pound.

Among the interesting books of the season is "Canada's Great Highway," from the First Stake to the Last Spike, by J. H. E. Secretan, C.E., (published by Thorburn and Abbott, Ottawa). Dealing with the early history of the Canadian Pacific Railway, the volume contains racy reminiscences of life in construction days as experienced by the author, who was a member of the company's engineering staff.

Sailing from New York on January 14, the "Empress of France," palatial Canadian Pacific steamship, began her 'round-the-world cruise, which is to last 130 days. The vessel was gaily decked with flags and filled with happy passengers eager to enjoy the experience of a lifetime. F. L. Wanklyn and Mrs. Wanklyn, were among those on board. Mr. Wanklyn recently retired from his position as executive assistant of the Canadian Pacific Railway.

The most novel Christmas card handled by the Montreal post office this year was one prepared for the illustrious Colonel George Ham, of the Canadian Pacific Railway, by a number of internationally known newspaper artists, creators of famous comic strip characters. In the centre of the card is a photo of the Colonel, while grouped around him, commenting on his good qualities, are signed drawings of Pa Perkins, Tillie the Toiler and Mac, Barney Google and Spark Plug, Our Gang and Lamb Dora. Colonel Ham is naturally very proud of the card.

PROCEEDINGS OF COUNTY COUNCIL

(Continued from Page 7.)

\$5 to Weldon McLean and charged to Wicklow.

Moved by Coun. Cliff, seconded by Coun. DeWitt that \$25 be paid Warden W. F. Anderson and charged to the contingent fund of the county.

Coun. Cliff—There was an Englishman here named Fred Hazel who was liable to be a charge on the county. He had moved around considerably and finally was removed to the Fisher Hospital. When he was ready to leave the hospital, Dr. Rankin thought it was better to send him to the Old Country. Woodstock contributed \$25, some of the Women's Societies contributed money and Warden Anderson was asked to give \$35 on behalf of the county, which he did and the man was sent to England.

Moved by Coun. Perry, seconded by Coun. Boyd, in amendment, that the bill be paid and charged to the parish of Peel.

Warden Anderson said he was in Woodstock and Dr. Rankin told him that Hazel was ready to leave the hospital as he had no place to go. The Secretary-Treasurer advanced the \$25 and the man was sent away. Doubtless it saved the county a lot of money.

Moved by Coun. Bell, seconded by Coun. Tweedie, in amendment to amendment that the matter be laid over until inquiry had been made as to whether or not he had acquired a residence.

Coun. Flemming asked why put the matter over until June. The Secretary had paid the money to the warden and the transaction should be settled at once.

Coun. Perry said that his information was that Hazel's last residence was in the Parish of Peel.

Coun. Saunders—The man was in East Florenceville not more than four months. I can get written evidence from David Lovely that he did not pay rent very long.

Coun. Melville—This case was handled in the shape of donations, it is quite noticeable that Coun. Perry resents paying a proper bill in the proper way.

Coun. Stevens said that Woodstock gave \$25 as donation. Surely the county can pay \$25.

The amendment to amendment was put and carried.

Moved by Coun. Bell, seconded by Coun. Perry that a grant of \$2,500 be given to the Vocational School and paid the same as last year.

Carried.

Moved by Coun. Flemming, seconded by Coun. Stevens, that a grant of \$3,500 be given to the Carleton County Hospital and paid in the same way as last year.

Moved by Coun. Bell, seconded by Coun. Perry that matter of re-binding the books at the registry office be laid over for another year.

Carried.

Mr. Hartley read the bill prepared for the legislature containing the amendment of tax matters between the town of Hartland and the County.

Moved by Coun. Melville, seconded by Coun. McIntosh that the Council accept the draft and authorize the Secretary-Treasurer and Warden to sign the papers.

Carried.

Moved by Coun. Perry, seconded by Coun. DeWitt and Cliff that the by-law committee be given authority to revise the municipal by-laws and submit them to the June session.

Carried.

Moved by Coun. Bell, seconded by Coun. Cliff, that this council is not prepared to avail itself of Hon. Dr. Roberts' suggestion to secure two public nurses for this county.

Carried.

On motion of the councillors for the respective parishes, the following amounts were ordered assessed for poor purposes:

Kent \$ 300
Wicklow 1000
Richmond 550
Peel 400
Brighton 1000
Simonds 200
Aberdeen 200
Northampton 200
Woodstock 1500

Moved by Coun. Melville, seconded by Coun. Perry that all the County officials be re-appointed at the same salary as last year. Carried.

The report of T. C. L. Ketchum secretary of this sub-division Board of Health was read by the Secretary-Treasurer. Last year was far more healthy than the previous year. There was a great demand for birth certificates for people going to the United States. There were a few cases of typhoid fever in the county. The cause for the cases in Woodstock originated outside the town. The general sanitary conditions were good and there was a growing appreciation of the good work of the Board of Health.

Owing to the illness of Colonel Kirkpatrick his son, A. Donald Kirkpatrick was appointed sanitary inspector in Richmond. The credit balance on hand was \$35.95. The board asked for an appropriation of \$1,700.

Moved by Coun. Melville, seconded by Coun. Tracey that the report be received and recommendations carried out.

Moved by Coun. Cliff, seconded by Coun. Bell that \$1,300 be assessed on the Parish of Wilmot for poor purposes.

Carried.

Moved by Coun. Cliff, seconded by Coun. Bell that all delinquents for

1918 and 1919 be struck off the list of the Parish of Wilmot. Carried.

Moved by Coun. Dalling, seconded by Coun. McDougall that \$5 be paid the Parish Clerk, Charles Gartley, and \$5 the District Clerk, W. C. Craig Parish of Richmond. Carried.

Moved by Coun. Boyd, seconded by Coun. Perry that \$4 be paid Hanford Craig and \$3.35 paid James Broad, and charged to Parish of Kent.

Carried.

Moved by Coun. Flemming, seconded by Coun. Peters, that all delinquent taxes previous to 1922, be struck off the list of the Parish of Aberdeen.

Moved by Coun. Cliff, seconded by Coun. Tracey that we abolish the dog tax for the present.

Coun. McDougall—I would like to know how Peel is getting along with collecting the dog tax in that parish.

Moved by Coun. Perry, seconded by Coun. Brown, that we suspend the collection of the dog tax for 1925.

Coun. Phillips—As chairman of that committee, I was always in favor of the tax on dogs for the protection of sheep, but I am not in favor of the conditions that have prevailed. I am not in favor of one-parish paying and another refusing to collect the tax. It is an unpopular law, but we have always collected the tax in Northampton. We have quite a lot of money now on hand in that fund and we could suspend collection for some time.

Coun. Brown was in favor of not collecting, but we must not suspend paying, but pay from the balance we have on hand.

Coun. Melville—in reply to Coun. McDougall, Peel made an honest effort to collect. I called up the collector, and he did collect, but I do not know the sum realized.

If we pay sheep claims out of the fund and do not collect in the parishes the fund would soon be exhausted. How would it be to turn this fund into the county fund and in the future pay sheep claims out of the county fund.

Coun. Bell—I wonder if sheep claims could be paid out of county funds.

Mr. Hartley—There is no provision in the law to pay sheep claims out of the county funds.

Coun. Bell said that he had enough money in the sheep fund judging from the usual averages to pay for three years more.

Coun. Raymond said he was in favor of suspending the collection but one year.

Moved by Coun. White, seconded by Coun. Dalling, in amendment to amendment that we discontinue the collection of the dog tax and pay out of the present funds until exhausted.

Amendment to amendment was lost and amendment carried.

Moved by Coun. Balmain, seconded by Coun. Gibson, that the finance committee be authorized to make the necessary provision to borrow from the bank up to \$20,000, in addition to the amount authorized by the Act. Carried.

Coun. Balmain, chairman of the finance committee, submitted the following estimates, which were approved:

Appropriation for 1924 1925
School Fund \$14,000
Int. on Debentures 640 500
Bank Interest 1200 800

G. W. Perry
H. J. Flemming,
Finance Committee.

Coun. Phillips, chairman of the sheep fund, submitted his report. The claims paid this session amounted to \$470.24.

On motion of Coun. Phillips, seconded by Coun. Boyd, the report was received and the bills ordered paid.

On motion of Coun. Bell, seconded by Coun. Cliff, Council adjourned sine die.

To the Warden and Members of the County Council of the Municipality of Carleton:

Gentlemen:

The Municipal Home Committee of your council beg leave to submit their report for the year ending the thirty-first day of December, 1924.

1. The committee has endeavored to carry on the work of the Home as economically as possible, having due regard to the requirements of the inmates and care-takers and believe the financial report for the year will be satisfactory to you.

2. There has been expended on improvements and furnishings during

the year the sum of \$23,70.

3. During the year there has been maintained and cared for at the Home thirty-four inmates chargeable as follows:

Parish No Inmates
Town of Woodstock 11
Parish of Peel 3
Parish of Brighton 1
Parish of Wicklow 2
Parish of Kent 3
Parish of Woodstock 3
Parish of Wilmot 1
Parish of Wakefield 3
Parish of Richmond 2
Parish of Aberdeen 2

Total 34

4. The actual cost of maintenance of the thirty-four inmates for the time they have been in the Home is \$4141.47 and this amount includes the cost of the caretaker and his wife, the matron and a helper and all the supplies and provisions as well as any extra labor on the farm, but does not include anything for interest on the amount invested in plant.

5. The total number of days for the thirty-four inmates for the time they have been maintained in the Home is 8874 and his worked out makes the daily cost of maintenance per inmate a fraction less than forty-eight cents.

6. The following is a table of the number of days chargeable to each town and parish for the maintenance of its inmates in the Home for the year ending December thirty-first, 1924 and the amount each is entitled to pay into the County in respect thereof or to be assessed in assessment of the year 1924, as provided by the Act relating to the Municipal Home-

Parish or Town No. Days Rate per Day Amt. to Pay
Town of Woodstock 2495 48 \$1197.60
Parish of Peel 755 48 362.88

Parish of Wakefield 1095 48 525.60
Parish of Richmond 327 48 156.96
Parish of Aberdeen 288 48 138.24

Totals 8674 \$4161.52

7. Under the authority vested in us by the Act, we direct that the following amounts plus six per centum per annum interest be assessed upon the following named towns and parishes unless the amounts are fully paid to the secretary treasurer forthwith:

Town of Woodstock \$1197.60
Parish of Peel 362.88
Parish of Brighton 173.20
Parish of Wicklow 277.44
Parish of Kent 776.64
Parish of Woodstock 422.40
Parish of Wilmot 130.56
Parish of Wakefield 525.60
Parish of Richmond 156.96
Parish of Aberdeen 138.24

5. The total number of days for the thirty-four inmates for the time they have been maintained in the Home is 8874 and his worked out makes the daily cost of maintenance per inmate a fraction less than forty-eight cents.

6. The following is a table of the number of days chargeable to each town and parish for the maintenance of its inmates in the Home for the year ending December thirty-first, 1924 and the amount each is entitled to pay into the County in respect thereof or to be assessed in assessment of the year 1924, as provided by the Act relating to the Municipal Home-

Parish or Town No. Days Rate per Day Amt. to Pay
Town of Woodstock 2495 48 \$1197.60
Parish of Peel 755 48 362.88
Parish of Brighton 365 48 173.20
Parish of Wicklow 578 48 277.44
Parish of Kent 1618 48 776.64
Parish of Woodstock 880 48 422.40
Parish of Wilmot 272 48 130.56
Parish of Wakefield 1095 48 525.60
Parish of Richmond 327 48 156.96
Parish of Aberdeen 288 48 138.24

Totals 8674 \$4161.52

7. Under the authority vested in us by the Act, we direct that the following amounts plus six per centum per annum interest be assessed upon the following named towns and parishes unless the amounts are fully paid to the secretary treasurer forthwith:

Town of Woodstock \$1197.60
Parish of Peel 362.88
Parish of Brighton 173.20
Parish of Wicklow 277.44
Parish of Kent 776.64
Parish of Woodstock 422.40
Parish of Wilmot 130.56
Parish of Wakefield 525.60
Parish of Richmond 156.96
Parish of Aberdeen 138.24

\$4161.52

8. There is no sufficient accommodation at the home to meet the requirements for the present and until there is quite an increase in the number of poor persons in the County no further expenditures need be made to that end.

9. Plant account expenditures for 1924 are \$ 823.70
Previously expended 15,632.93
Total expen. to date \$16,456.63

Your committee has endeavored to do the work on plant account as economically as possible. We also feel that, considering the conditions we have been able to maintain the inmates at an extremely economical rate and yet provide them with comfortable homes with a good comfortable home, warm clothing and plenty of wholesome food.

We would recommend that an assessment of \$500.00 be made for expenses on plant account during the year 1925.

Dated this 15th day, of January 1925.

Respectfully submitted,
E. W. Melville,
H. M. DeWitt,
Robert Bell,
Municipal Home Committee.

Have on hand 500 blms. potatoes @ 80s., \$400.00, or about 10 p. c. of expenses of upkeep and would reduce cost of keeping inmates to about per day.

York Co. to keep 38 inmates \$6800
Carleton Co. to keep 38 inmates \$4111
York gets grant from County \$4000.
