## EXAMINATION RESULTS OUT

Many Campbellton Pupils Pass in First and Second Divisions

The names of those who passed the University Matriculation examinations in Division I and Division II, in order of rank, follow:

### FIRST DIVISION (23)

Dorothy Bennett, Fredericton, Katherine A. Cox, Fredericton, Mary M. O'Brien, St. John, Edith A. Alcorn, St. John, Irene A. Card, Dorchester, Nellie H. Cox, Fredericton, Frank E. Christensen, St. John, Laura B. Walla, St. John, Harold D. Hickey, St. John, Robert J. Love, Fredericton, Ernest P. Dicks, Campbellton, Elizabeth P. Grace, St. John, Paul D. Joseph, Fredericton, Germain A. Comeau, St. John, Kathleen D. Miller, Sussex, Florence H. McGrath, St. John, Fred E. Tilson, St. John, Albert Proctor, Sussex, Burton S. McLeod, Fredericton, George C. Turner, St. John, Francis Gilbert, St. John, Arnold J. Burgess, Grand Falls, Elizabeth F. Chatham, Edith P. Brown, St. John, Robert E. MacCallum, Campbellton, Kenneth P. Lawton, St. John, Mary E. Sullivan, St. John, Ella Whipple, St. John, Ellen E. Flieger, Chatham, Mary C. Lonsie, Chatham, Marion A. Smith, Moncton, Frances D. Turner, Fredericton.

### Second Division

The leaders of the 161 in Second Division follow:

William E. Hunt, St. John, Marie E. Label, Moncton, Flora E. Macdonald, Fredericton, Harold B. Brown, Fredericton, Margaret H. Gordon, St. John, Sydney Hopper, St. John, Lois O. Stephenson, Fredericton, Mary E. Ward, St. John, Gertrude K. Cairns, Campbellton, Carmen S. McLeod, Fredericton, Helen E. Cowie, Fredericton, Gertrude E. Glenn, Grand Falls, Helen S. Foley, St. John, Edward E. Lindsay, St. John, Roscoe P. Northrup, Bouchette, Robert M. MacIntyre, Chatham, Helen W. MacMillan, Campbellton, Bertha M. Marsh, Fredericton, Bernard J. Springer, Fredericton, Annie P. MacLaughlin, Grand Falls, John C. Clever, Bouchette, Donald C. Bowles, Woodstock, Editor M. Matthews, St. John, Ralph M. Todd, St. John, Vent Oleschewski, Chatham, P. Ralph Connolly, St. John, P. E. Allard, Shannon, Campbellton, Marion M. Griffiths, Fredericton, Muriel L. MacDougall, Fredericton, Janet L. Elliot, Fredericton, John D. Hopkins, St. John, William J. Seely, Jr., St. John, P. MacNeill, Campbellton, Dorothy M. Young, Woodstock, G. Harold Wilcox, St. John, Howard D. H. Neil, St. John, Florence E. Flieger, Chatham.

### High School Leaving Examinations

The High School leaving examinations results follow:

#### First Division

Cora V. Davis, St. Stephen, Donald McCormick, Fredericton.

#### Second Division

Lila B. Johnson, Moncton, Earl Hickson, Fredericton, Cyrus A. Hawley, Sussex, Esther M. Munzer, Fredericton, Kenneth M. Ed. Moncton, Roy E. Estabrook, Fredericton, Whitely E. French, Sussex, Alton D. McKay, Moncton, Margaret T. McMurray, Fredericton, Harry G. Rietzen, Fredericton, Henrietta D. Potter, Bathurst, Mary Leavelle, Chatham, Edith R. MacNeill, Campbellton, John E. Kane, Bathurst, Helen G. Ryan, Fredericton, Gertrude L. Manchester, Sussex, James E. Bridges, Fredericton, Helen L. Flaherty, Chatham, John C. Murray, Campbellton, Emma C. Hannay, Richibucto, William F. Hills, Bathurst, Leslie E. Wetmore, Campbellton, Douglas S. Mills, Fredericton, Louise C. Porter, Fredericton, Elizabeth P. Oakes, Newcastle, Ella E. Ervin, Antigonish, Charles D. Hayden, Woodstock, Marion A. Innes, Sussex, Olive L. Treasman, Millville, Hilton L. Robinson, Fredericton, Laura S. Steves, Campbellton, Gladys A. Wyer, Campbellton, Gertrude Gilmore, Woodstock, Earle R. Longmore, Fredericton Junction.

#### Division II Passed Mat.

Margaret L. Hartley, Newcastle, Evelyn A. Cole, Bathurst, Norine M. Harquail, Campbellton, Andrew W. MacKay, Campbellton, John R. Shaw, Campbellton, Abner A. Abern, Fredericton, Della M. Downs, Campbellton, Stella I. Butler, Campbellton, Clara E. Crockett, Campbellton, Dorothy A. King, Chatham, Margaret J. Morrison, Campbellton, Elva E. Edmunds, Campbellton, Ernest H. Arsenault, Campbellton, Margaret M. Curry, Campbellton, Mary D. Biss, Bathurst, Cecilia Gauthier, Tracadie, Bernice A. Reynolds, Bathurst, Helen K. Ulloa, Chatham.

#### HOW CANADA DOES IT

(Edmonton Bulletin)

Three acres of a French for rest was

of a character, and the new was

was considered of sufficient interest

to put on the tables yesterday. Three

acres of land can be run that much

not think an overstatement. Great in Canada

## NEWSPAPER MEN BACK FROM EUROPE

Enthusiastic Over Their Reception in Britain and on the Continent

Quebec, Aug. 4.—The Canadian Weekly Newspaper Association, which for the last six weeks has been touring in Europe, arrived here on their homeward journey Saturday morning on board the Canadian Pacific steamer, "Mont Lawrence." The party consisting of about 150 members of the Association and their wives, were delighted with the warmth of the reception recorded them as representative Canadians at all of the many hotels and restaurants where they visited.

Lorne E. Bennett, president of the Association, stated that everywhere they had been received with the warmest cordiality and had been made to feel more like home coming relatives than visitors from abroad. In England they had been taken in hand by a committee, which included Lord Burham, Lord Kinnaird, Col. Grant-Moncrieff, and they had been able to visit many places closed to most travelers.

It was the opinion in England that their visit had done much to help toward better relations upon Canada. The members of the party spoke highly of the Wembley Empire Exhibition, which they said was having a markedly favorable effect upon the British mind.

The Canadian Exhibition, including that of railways, called for great praise. It was a credit to Canadian enterprise, and had already resulted in an important movement of both capital and emigrants to this country. Its most important effect should probably be in turning to this country the attention of a growing number of immigrants, having capital to invest in farms and manufacturing industries. It was generally believed in England that the exhibition would be continued next summer. While at London the party was invited to a garden party at Buckingham Palace, every member being presented to their majesties the King and Queen, both of whom spent some time chatting about the exhibition.

An extended tour was made of the hotel and the most of the chief cities in England and Scotland were visited, where municipal receptions were given in their honor.

## ANNUAL MEETING OF MARITIMES B. OF T.

Will be Held at Kentville, N. S. Sept. 16th and 17th

The annual sessions of the Maritime Branch of the B. of T. will be held at Kentville, N. S., this year on Tuesday and Wednesday Sept. 16th, and 17th, according to the decision of the executive members of the Board, who met at Moncton Wednesday afternoon.

The question of speakers at the annual session was discussed and it was decided to extend invitations to Hon. Dr. J. B. Maxter, M.P., St. John and H. J. Logan K. C., M. P. Amherst and two other Maritime men to address the Board on this occasion.

The executive also decided to ask the various Branches of Trade in the Province to send in questions of subjects they wished to be brought up at the annual meeting.

Other matters of minor importance pertaining to the coming general meeting were also discussed.

### PASTOR'S WIFE DIES

LEAVING FROM FIRE

New York, Aug. 5.—The Rev. Daniel D. Wagh, rector of the church of the Redeemer at Watertown, N. Y., was terribly burned and the wife was killed by a jump from the fifth floor to the sidewalk at 4 o'clock when a fire swept through a five-story apartment house. The lives of 100 others were imperiled.

### OHIO KLAN BATTLE

LEAVING FROM FIRE

Clash

Niles, Ohio, Aug. 6.—Scores of

braves and cowboys are expected to

be in the street last night between

about 750 men, said to be members

of the Knights of the Flaming Circle,

who are expected to have a

clash with the local police.

## BRITISH STEAMER STRIKES WRECK

Linkmore Damaged on Way up St. Lawrence Sunday

Proceeded Under Own Steam

Quebec, Que., August 4.—The British steamer Linkmore, 1,075 tons net, struck a submerged object, a short distance east of Little Metis while coming up the Channel with a full cargo of coal for Quebec, Sunday.

### ASSAULT CASES BEFORE COURT

Preliminary Hearing in Connection with Charlo Affray

Opened Yesterday Morning

The first case in the preliminary hearing of the four defendants apprehended on charges in connection with the affray which occurred at Charlo on Tuesday night of last week, opened at the police court here yesterday morning before Judge Matheson.

The first case, that of Alphonse Frenette, charged with assaulting and doing grievous bodily harm to the person of Inspector Brown, occupied the attention of the court throughout two sessions yesterday and up until noon today, the evidence being completed shortly after 12 o'clock.

In this case more than a dozen witnesses were called but little evidence of any value was elicited from them. Several of these witnesses the disturbance at Charlo but were unable to say who participated in it.

Nearly every witness called to the stand declared that he had seen the whole truth in the case, but none had seen him mixed up in the quarrel which occurred last night.

Whether or not the witnesses who have so far been heard are telling the whole truth it is impossible to say, but about all the case has succeeded in establishing so far is that there was a fight at Charlo on Tuesday the 29th of July last; that inspectors Culligan and Culligan, N. B., were there and were injured in the quarrel and that several other persons witnessed the dispute. Who besides the officials participated in the fight and who inflicted the injuries they received has yet to be proven.

M. A. Kelly is prosecuting for the Crown, while J. T. Hebert is acting as counsel for the defense.

After the last witness had been called this morning Frenette took the stand and gave a straight forward account of his movements during the evening on which the disturbance took place. Judge Matheson reserved his decision until after review the evidence.

### Three More Cases

Three more cases in connection with the Charlo affray remain to be heard. The defendants in these cases are George Cook and Wallace Dempsey of Jacques River and Theophrastus Culligan of Culligan, N. B.

One of these cases is being proceeded with this afternoon. The charges in the remaining three cases are the same as in the one just completed.

The four defendants above mentioned were apprehended on Friday last. Upon their arrival here each secured bail in the amount of \$500.

At least one other man by the name of Dempsey also of Jacques River, who it is alleged took a prominent part in the fight at Charlo, is still at large.

The cases now in progress have aroused considerable interest. At each session the court room has been crowded almost to capacity while at noon yesterday fifty motor cars were parked along Roseberry Street in the vicinity of the Municipal Building.

### BORN

At St. Luke's Private Hospital, Quebec, July 29th, to Mr. and Mrs. A. E. Turner (nee Olga MacNeill) a daughter.

### 100 Good To Cut

Recently a birthday cake was ordered on behalf of a revered old lady of ninety years. She kept the cake for a week, but it was not good to eat.

A cake was also ordered this month for a centenarian residing in the Dominion. The number of

## Husband Sought A Duel With Her

New York, Aug. 4.—A "duel to the death" with pistols is the method which Mrs. Emily Pallas, Carlstadt, N. J., declares that her husband suggested as an easy means of settling their matrimonial differences.

Mrs. Pallas, who is suing John Pallas, a letter carrier, of Rutherford, N. J., for a divorce before Vice-Chancellor John Bentley, says in her complaint that within a month after their honeymoon he had begun a course of cruel treatment which led up to the proposal of a duel. She also charged that he threatened to kill her and endeavoring to carry out his threat by turning on the gas in her bedroom.

## FISHERMAN PAYS FOR SMUDGE FIRE

Smoke to Drive Mosquitoes Away Reported by Two Forest Fire-Lookout Stations

That an ounce of prevention is better than a pound of cure is being amply borne out by the results which are being obtained from the campaigns for the prevention of forest fires in New Brunswick.

Prohibition of indiscriminate slash burning and regulation of forest travel, two important steps which have been taken towards the prevention of forest fires in the province are believed to be largely responsible for the lack of serious forest fires in New Brunswick this year in spite of the long periods of continued dry weather.

Despite the fact that forest fires have so far been serious this season the Department of Lands and Mines through its forest service is constantly prepared to cope with any situation which may arise as human activities can accomplish anything. Just what is being accomplished by the lookout system that has been established in the way of forest fire prevention is shown in the reports regarding fires which reached the Department in the last month.

The lookouts at the towers at St. John and Moncton recently registered a heavy black smoke to the northwest of their locations. Both lookouts immediately reported, the angles were plotted and the location from the map gave two miles north of the Follard Brook, a branch of the Patapedia, on the inter-provincial boundary between New Brunswick and Quebec.

Crews were despatched from the map gave two miles north of the Follard Brook, a branch of the Patapedia, on the inter-provincial boundary between New Brunswick and Quebec.

The judge himself was badly bruised about the head and sustained severe cuts about the body. The injured children were rushed back to the Hotel Dieu Hospital here while His Honor, after receiving first aid attention proceeded to Moncton on the Limited.

According to Judge LeBlanc the steering wheel of his car broke as he was making speed for a hill on the road near Charlo. The car swerved from its course and would have tumbled over the steep embankment had it not been for a tree which checked by a small roadside tree. The wheels and the radiators being broken and the windshield and top torn off.

When his automobile left the road near Charlo on Thursday morning last, Judge Arthur T. LeBlanc of the New Brunswick Supreme Court had a narrow escape from death while on his way to Moncton to hold Supreme Court Chambers there on Friday. The judge was accompanied by his three children. His 16-year-old daughter Aileen was badly bruised about the face and suffered a broken jaw. His son, Tessier, aged 13, was also badly cut about the face while another son, Maurice, escaped without injuries.

The judge himself was badly bruised about the head and sustained severe cuts about the body. The injured children were rushed back to the Hotel Dieu Hospital here while His Honor, after receiving first aid attention proceeded to Moncton on the Limited.

According to Judge LeBlanc the steering wheel of his car broke as he was making speed for a hill on the road near Charlo. The car swerved from its course and would have tumbled over the steep embankment had it not been for a tree which checked by a small roadside tree. The wheels and the radiators being broken and the windshield and top torn off.

## MAY DEVELOP GLO. IRON DEPOSITS

Angus McLean of Bathurst, Before Local Government Asks That Rails Be Laid

Fredericton, Aug. 5.—This morning Angus McLean of Bathurst was before the Government Details of his business were not announced as a decision has not been reached but it is known that it is connected with the development of Gloucester County. The railway from Gloucester Junction to Gloucester Mines has been suggested and the development of the iron deposits at Gloucester Mines expected to follow.

Those deposits were developed some years ago. Later the mines were closed and at the time of war the rails on the line connecting with the C.N.R. lifted for use in France. Their replacement is now desired.

## FOR THE BAZAAR

Those wishing to contribute fancy work to the R. C. Bazaar will please send it to Mrs. M. L. Roet or a prize will be given for the best piece of fancy work.

### WILL CONTEST

RIMOUSKI COUNTY Rimouski, July 31.—Brig. General Sir Eugene Fiset was nominated as the Liberal candidate for the forthcoming federal by-election at Rimouski, here this afternoon. Auguste Cote, prothonotary of Rimouski was defeated by a three to two vote of the delegates in attendance. Hon. Ernest La

## E. A. REILLY, K. C. IS NOMINATED

Will Contest Moncton Seat for Conservatives in Next Provincial Election

Moncton, Aug. 2.—Mr. E. Albert Reilly, K. C., of this city, was selected as the Conservative candidate to contest the Moncton seat in the next provincial election at a convention of the Conservative party held in the city hall last evening. Mr. Reilly obtained 65 votes on the first ballot, his only opponent, Mr. C. Hanford Price, being given 24. The choice was later made unanimous. The number of ballots cast is a fair indication of the attendance.

## CHAUTAUQUA OPENS HERE TO-NIGHT

Huge Tent Now up on High School Grounds—Ticket Sale Closes This P. M.

A carload of Chautauqua equipment arrived here yesterday morning and the big tent where the Chautauqua entertainments will be held for the next week is now set up on the High School Grounds. The Chautauqua manager is also here and is completing arrangements for the opening tonight.

As yet the guarantors are not sure whether they will make the necessary amount through the sale of tickets. For the past few days ticket selling has been going along steadily but slowly while yesterday a special effort was made to boost sales. This met with some success and it is just possible that the guaranteed amount may be secured before the sale of tickets closes this afternoon.

## JUDGE LeBLANC IN AUTO ACCIDENT

Car Went Over Embankment Near Charlo—Judge and Two Children Injured

When his automobile left the road near Charlo on Thursday morning last, Judge Arthur T. LeBlanc of the New Brunswick Supreme Court had a narrow escape from death while on his way to Moncton to hold Supreme Court Chambers there on Friday. The judge was accompanied by his three children. His 16-year-old daughter Aileen was badly bruised about the face and suffered a broken jaw. His son, Tessier, aged 13, was also badly cut about the face while another son, Maurice, escaped without injuries.

The judge himself was badly bruised about the head and sustained severe cuts about the body. The injured children were rushed back to the Hotel Dieu Hospital here while His Honor, after receiving first aid attention proceeded to Moncton on the Limited.

According to Judge LeBlanc the steering wheel of his car broke as he was making speed for a hill on the road near Charlo. The car swerved from its course and would have tumbled over the steep embankment had it not been for a tree which checked by a small roadside tree. The wheels and the radiators being broken and the windshield and top torn off.

## NEW CARLISE

New Carlisle, July 28.—A number of prominent people of New Carlisle took advantage of the trip on the S. S. Gaspeian last Sunday from Passumpsic to visit the town.

The town lot on William St., formerly occupied by the Hotel owned by the late John Phillips, Ex. M. P. P., has been sold by Miss Kate Phillips to our big merchant, Mr. Michael Rinzier. The lot is situated on the south side of the St., and nearly opposite Mr. Rinzier's store. It is the intention of the new owner of the site, to build a nice residence thereon.

The party report a very pleasant trip and speak very highly of the courtesy shown them by the Captain and officers of the boat.

pointe Minister of Justice presided at the meeting and briefly addressed the delegates.

## DOG ATTACKS BULL TO SAVE MASTER

Faithful Animal Came to Rescue of Farmer who was Being Gored by Bull

Charged by a mad bull, Edward Bristow, a farmer at Pointe Claire, Quebec, only escaped death, when his little dog attacked the enraged animal. He was severely gored but is expected to recover.

Bristow is the owner of a farm at North Pointe Claire. He went to his field accompanied by a small dog which he uses to assist him with his cattle. The dog, a fearless little creature, had been trained to herd the animals.

Reaching the field where the cattle were grazing, Bristow opened the gate and started to walk across. The dog was at his heels. Suddenly a bull, seeing Bristow, stopped grazing. With a roar and blazing eyes he charged the startled farmer.

Taken off his guard Bristow did not have time to make his escape before the mad animal attacked him. He managed to tussle with the animal for a few moments, endeavoring to prevent the beast from goring him. The little dog then sized up the situation and started to attack the bull biting at his heels.

All the time the mad brute was trying to trample the farmer. He emitted vicious roars. The farmer cried for help but no one was in the vicinity. Finally the little dog got such a vicious grip on the hind leg of the bull that the animal turned to beat off the new adversary.

The little dog clung to the leg of the bull, his teeth almost meeting, they were buried so deep. Bellowing with rage the bull then started to run, the dog still keeping his hold.

During this time, Bristow who was more or less stunned and bleeding by the vicious attack of the animal, managed to get his feet and escape from the field.

The little dog apparently seeing his master was safe, dropped his grip from the leg of the bull and joined his master on the other side of the fence. Neighbors were summoned and the animal captured.

## LATE NEWS FROM THE SHIRETOWN

Happenings of the Week in and Near Dalhousie

With ideal weather, the Picnic of the W. A. is in full swing, this p.m. on the grounds of St. John's Presbyterian Church. Splendid arrangements are being made for the supper, which is to be served in the Basement hall of the Church.

Complaints have been made this week about boys at Upper Charlo, throwing apples at automobiles. The mischief makers take the apples from trees situated in close proximity to the highway, and one person was struck with one of the hard apples. The party who noticed what was going on instead of putting on speed to get away, stopped the car and with a friend, who was in the car, located the boys hiding under trees, who were given a severe reprimand. They were told that in the future if they tampered with the travelling public in autos or otherwise, they would be arrested and punished.

It is said that the owners of the property, which our School Trustees have had in view for the building of a new school house, are willing to place the lot at a reasonable figure. In the meantime, a new fence is being placed around the grounds of the present site, and the old building put in shape for the school opening in September.

Mrs. William Currie, Charlo, is in town today.

The town lot on William St., formerly occupied by the Hotel owned by the late John Phillips, Ex. M. P. P., has been sold by Miss Kate Phillips to our big merchant, Mr. Michael Rinzier. The lot is situated on the south side of the St., and nearly opposite Mr. Rinzier's store. It is the intention of the new owner of the site, to build a nice residence thereon.

The party report a very pleasant trip and speak very highly of the courtesy shown them by the Captain and officers of the boat.

pointe Minister of Justice presided at the meeting and briefly addressed the delegates.

## LET AT NEW CHATEAU

All Optimistic of Campbellton's Future—Proposition Promises to be Very Successful

A most enjoyable, and we believe the first public banquet here since the Campbellton fire was held in the spacious dining room of the Chateau Restigouche last evening, the occasion being the formal opening of that new hostelry.

The tables, set with new linen and shining silver, were beautifully decorated with flowers. About a hundred guests, representative business men of the town, were present and enjoyed the following menu:

Oyster Cocktail  
Queen Olives  
Chicken Neapolitan  
Baked Restigouche Salmon au Beurre  
Peach a la Conde  
Roast Young Turkey, English Dressing, Cranberry Jelly  
Fruit Orange  
Creamed Potatoes  
Buttered Turnips  
Neapolitan Ice Cream  
Assorted Cakes  
Soda Water, and Cheese  
Demi Tasse

While all were doing justice to the menu, music was supplied by an orchestra and Mr. Alonzo Louien sang two comic songs, which were loudly applauded.

Dr. L. G. Pinault acted as chairman and Mr. Harry Smith as toast-master. The toasts were as follows:

### OUR PROVINCE

D. A. Stewart, M. P. P., Henry Dittie, M. P. P.

### OUR TOWN

## WILL OPERATE ON GASPE COAST

Fraser's Form New \$1,000,000 Company—To Build Large Mill at Escumac

A new \$1,000,000 lumbering fund to be known as Fraser Gaspe Limited has been formed by investors identified with the Fraser Companies Ltd., including Archibald Fraser of Fredericton, and has purchased extensive timber limits on the Gaspé Coast. These limits are located on the Nouvelle and Escumac Rivers consisting of about 260 square miles. The purchase occurred some time ago and the company that has now been incorporated will develop that property. Their plans, it is said, include the erection of a large mill at Escumac, where the Escumac Lumber Company, a syndicate of the local lumber interests, are to locate their mill in connection with the development of a large property in that district which they recently took over.

### HERE'S A RECORD

A Dodge coupe, bearing the sign: Boston to Halifax, was to be seen about the streets this morning. In addition to having the sign in the rear window of the car, the body was covered with writing indicating the different sections of the country the car had visited. The car, which bore a Massachusetts license tag, was an old model and while in fine running condition showed signs of having covered a considerable distance. It was occupied by a young man and his wife, who are at present making a tour of the Maritime Provinces. The car has been driven in the vicinity of 270,000 miles, and the driver in speaking with a local garage man expressed himself as being well satisfied with the condition of the roads in the province and more than delighted with the climate and scenery. If you want a car with a reputation, and one which will stand up to hard, continuous service, buy a Dodge.

### FOURTH ANNIVERSARY OF BELGIUM INVASION

Brussels, Aug. 4.—On this the tenth anniversary of the invasion of Belgium in the World War, at 9:30 o'clock this morning, the hour at which on August 4, 1914, the first

## MANY HARVESTERS WILL BE REQUIRED

Estimated That 40,000 Men Will be Needed to Gather Western Wheat Crop

At least 40,000 harvesters will be required this year to gather in the wheat crop of Canada, according to information given out by the Canadian National Railway offices here today. Of this number, approximately 20,000 will have to be secured from Eastern Canada, it being thought that the remainder can be supplied by the three Prairie Provinces and British Columbia. This information is the outcome of a conference held at Winnipeg Friday, attended by representatives of the Canadian National Railway, the Provincial and Federal Governments, and the Labor Board. It was also brought out at this meeting that harvesting is expected to commence in Manitoba August 20th and in Saskatchewan and Alberta about August 25th.

A further meeting is to be held on August 2nd in Winnipeg to determine the dates when the special rail fares for harvesters will go into effect. This date will be governed by the time when the farmers are prepared to accept harvesters. The representatives of the Canadian National Railway have assured the government representatives that they are fully prepared to handle this traffic, that the National System have approximately four hundred cars of the very latest type of collector equipment held in readiness for the handling of excursionists, and in addition there are ready for service on the harvest trains a number of specially designed lunch counter cars, all of them larger and better equipped than any other cars of this type in the country.

A. H. LINDSAY

German troops crossed the Belgium frontier, the sirens on the Belgian factories and the whistles of locomotives and steamships gave the signal for a nation's silence. Many of the inhabitants were in tears, when, after this brief interval, the bells rang out from every belfry recalling Belgium's liberation after her suffering.

## HON. JOHN MORRISSEY HAS PASSED AWAY

Died at Hotel Dieu Hospital, Chatham Last Week—A Well Known Public Man

Chatham, July 31.—Hon. John Morrissey, of Newcastle, Liberal M. P. for Northumberland, died at the Hotel Dieu here this morning at 8 o'clock. Hon. Mr. Morrissey had been ill only a week. For many years he has been prominent in politics in New Brunswick.

He was born Aug. 13, 1854, at Newcastle, N. B., a son of Patrick Morrissey and Rose Farrell. Hon. Mr. Morrissey was first elected to the House of Commons in the general elections in 1921.

Previous to that he had served in the local legislature, going in with the opposition to the late Premier Tweedie's government, and on Hazen being successful in local general elections, Mr. Morrissey was made Minister of Public Works, in 1908, a position he held until 1918.

Mr. Morrissey's illness did not seem to be serious though he had been an ailing man for over a year. He felt extra good a day or two after he entered the hospital and told friends on Saturday last he was feeling so fine, he would go home next week. But the end came suddenly early Thursday morning.

He served as deputy sheriff, 1880-91, and was veterinary surgeon on the 12th Seige Battery of Newcastle from 1887-97. He served as county councillor in 1882 and 1883, was defeated for the Provincial Legislature in by-election in 1888, and elected in 1889. In the next six elections he was defeated; general election for Provincial House, 1890; same year in by-election against Surveyor-General L. J. Tweedie; general election for House of Commons, 1894; as an Independent Liberal in 1896 for the House of Commons; in 1900 as a Liberal. The deceased was elected to the Provincial Legislature at general elections, 1903, and again in 1908. On March 20, 1908, he was sworn in as Minister of Public Works in the Hazen cabinet. Upon the re-organization of the cabinet under Premier Fleming, Oct. 16, 1911, he continued in the same office. He was re-elected after assuming office by proclamation, April 7, 1908, re-elected at general election in 1912, and continued in office until 1916. He was first elected to the House of Commons, at the general election in 1921, and attended the House with great regularity.

For many years Mr. Morrissey conducted a farm implement business with headquarters at Newcastle and branches at Carleton Place and Dalhousie. He sold out the business in 1922 and had since devoted himself to the duties as federal member. He was a prominent member of the Knights of Columbus and C. M. B. A. and had served as grand officer of both bodies. He was also past provincial president of the A. O. H. He is survived by his wife, formerly Miss Joanna A. Dunn of Chatham, two sons, Charles J. Morrissey, M. L. A. and John T. both of Newcastle, also one daughter Miss Mary Rose Morrissey, R. N. at home.

From every corner of New Brunswick and from every walk of life citizens gathered at Newcastle Saturday morning to pay their last respects to the late Hon. John Morrissey, whose funeral took place at 9:30 o'clock and was one of the largest ever seen in this country.

The Senate of Canada was represented by Hon. Onésiphore Turgeon, of Batouast, and Hon. Edward M. Farrell, Liverpool, N. S.; the House of Commons by R. B. Hanson, K. C., and J. G. Robichaud, and the local Government by Attorney General J. P. Bryne.

The Miramichi Council, K. of C., attended in a body as did also the Town Councils of Newcastle and Chatham.

The A. O. H. was represented by grand officers William E. Farrell and Hugh O'Neill, of Fredericton. The order of funeral was: Miramichi Council, K. of C., Newcastle Town Council; Newcastle Police; Representatives of the Senate; the House of Commons; local Government; Representatives of the A. O. H.; Hearse; Mourners; General Public.

Arriving at St. Mary's Church High Mass of Requiem was sung by Rev. Father Dixon, assisted by Rev. Father Brideau and other priests of the neighboring dioceses. The floral offerings were many and beautiful and included a handsome wreath of roses from Hon. W. L. MacKenzie King.

### Port Daniel Centre

Our friends of the Gaspé Coast now living in other parts of the world have been clamoring for news of their home country. Our scribe having had a stroke of temporary paralysis of the right hand, but with all due apologies for apparent neglect, I shall try to furnish some notes of interest.

## FISHERMEN ARE TOO FEW IN N.S.

A. H. Whitman, of Halifax, Tells of Rise in Fish Prices

There are not enough fishermen in Nova Scotia to supply the market with the dried product, was the statement made here by Mr. A. H. Whitman, of Halifax, who is one of the largest shippers and had just returned from the Gaspé coast where he made a survey of conditions.

Various things have led to their desertion of the business, Mr. Whitman said. The market was away down for some time and there was a surplus. Fish were selling for \$5.00 a quintal (112 pounds) and the men were unable to catch them and sell them profitably for that amount. With the result that a shortage followed and today the price has gone up thirty-three and a third per cent. to \$8.00 a quintal. At that price they can easily make a good living, he declared. It is rumored as well, he added, that some of the men have left the province to engage in the smuggling of liquor into the United States, a more profitable if slightly more hazardous occupation.

The dried fish trade is carried on, for the most part, with Italy, Spain and South America, particularly Brazil. Exchange is adverse at the present time, he continued, but the demand persists. A very small proportion of the catch is marketed in Canada or the United States, the American business consisting chiefly of the import of the green product. It was hit, naturally, by the Fordney tariff, Mr. Whitman said but nevertheless a recovery is under way and the outlook is somewhat brighter.

ernment dredging operations have been carried on for the past two weeks, deepening around the wharf, besides several pleasure yachts have run into the harbor and stayed overnight, etc., trusting to the good harbor afforded them in our little bay surrounded by mountains. Tourist traffic also has been heavier than usual, and as time goes on we are pleased to note that the outside world is realizing the very pleasant trip down the Gaspé peninsula. Hotels and scenery are really beyond the average on the beautiful coast.

We are sorry to report the death of one of our oldest citizens in the person of Thomas MacKenzie, who died on the 31st, ult. Funeral took place at the Anglican Church on Saturday at 2 p.m.

We notice in our midst among our visitors of interest, the Misses Helen and Mary McPherson of San Jose, Cal. They are the daughters of the late James McPherson of this place, they having moved to California with their only brother Duncan 36 years ago. They are here on a visit to their native land. While they notice many improvements in the country, the climate of California appeals to them more than our more vigorous climate.

Mrs. F. M. Carlyle and family of Calgary are now spending the summer months with friends in Shigawake and Port Daniel.

Our young folks have been working hard, having put on several social functions in the shape of dances, entertainments, etc. Funds are devoted to keeping up their athletic sports which is very commendable. On Friday concert was held in the lodge the following musical program was rendered:

**PROGRAM**  
Piano Solo—Miss Winnie Gillis  
Solo—Miss Gerlie Lawrence  
Reading—Miss Gerlie Lawrence  
Dance—Misses Jennie Sullivan and Annie Lawrence  
Solo—Mr. Frank Riou  
Solo—Mr. Clair Dow  
Solo—Miss Dolly Miller  
Minstrel Boys—Messrs. Emile Nadeau, Leo Gagnon and Frank Riou.

Intermission  
Piano Solo—Mrs. Mortimer  
Solo—Mrs. Journeau  
Solo—Miss G. Dow  
Dance—Misses Jennie Sullivan and Annie Lawrence  
Solo—Miss Mabel MacDonald  
Recitation—Miss Ina Lawrence.

## A RAGGED GIRL FOUND A FORTUNE

Picked Up Diamond in South Africa in Recent Rush to Fields

Capetown, Aug. 4.—A ragged, foot-sore Dutch girl who limped after her mother in the recent great diamond rush at Zeekfontein suddenly cried: "Look mummy; see what I've found," and picked up a gem valued at \$2,500. The girl's father had forged ahead with the three thousand runners who took part in the race for a fortune, and the mother and daughter were soon left far behind. The woman, who carried a baby in her arms, asked a number of pegs to mark the spot where the diamond was found and then reached her husband.

Their good fortune follows that of Farmer Tromp, who discovered diamonds on his farm near Zeekfontein a few weeks before.

### TEN COMMANDMENTS OF BUSINESS

Handle the harvest job first: each day. Easy ones are pleasures. Do not be afraid of criticism—criticize yourself often. Be glad and rejoice in the other fellow's success—study his means. Do not be led by dislikes. Acid ruins the finest fabric. Be enthusiastic—it is contagious. Do not have the notion that success means simply money making. Be fair, and do a least one decent act every day in the year. Honor the chief. There must be a head to everything. Have confidence in yourself. Harmonize your work. Let sunshine radiate and penetrate.

Trío—Messrs. Emile Nadeau, Leo Gagnon, Frank Riou.  
Solo—Miss Dolly Miller.

Much credit is due to Mr. Frank Riou for his ability and push in putting on this entertainment. A large audience was in attendance and the proceeds at the door reached the neat amount of \$40.50, which was very encouraging to the boys who are looking forward to the usual hockey skating, etc.

The Rev. F. LeGallais and Mrs. LeGallais were in town on Friday. Mr. LeGallais kindly acted as chairman for the above concert, and the young people wish to express their thanks to Mr. LeGallais for his presence and help there.

A Masonic parade was held here on Sunday, brother masons from adjoining counties were in attendance and with our local masons paraded to the Presbyterian Church here. This is the first parade of its kind that Port Daniel citizens have had the pleasure of seeing in their own town.

A very successful mission was conducted here by the Rev. Mr. McClinch and with Mr. Weaver as choir leader. It was altogether considered by all very successful, large numbers attended the meetings and were very much pleased with the manner in which Mr. McClinch presided to very appreciative congregations.

Miss Ella Hayes of Shigawake spent the weekend in Port Daniel the guest of Miss Sadie McPherson. Mr. Fred Le Moineau late manager of the Boldin Jones and Whitman has severed his connections with the firm and is replaced by Mr. W. LeBros.

We regret to note that our friends Mr. and Mrs. J. A. LeClere have received the sad news of the death of Mrs. LeClere's brother, by drowning. Particulars of the drowning have not been received up to date. Mrs. LeClere has the sympathy of the many friends she has made since living among us.

Mrs. Soren and Mrs. John Enright are here spending the summer months the guests of their mother Mrs. John Enright.

Mrs. Dr. Enright and family of Quebec are spending the summer at their home here, Miss Ada Enright also visited with her mother during her vacation.

Campbellton, Aug. 7, 1924

### WHAT OF CHAUTAUQUA?

Campbellton has held a membership in the Swarthmore Chautauqua Association for a number of years, and yet the question is asked, "What of Chautauqua?"

At a recent meeting of the local Chautauqua organization Mr. Guy Detrick, a member of the staff at the central office at Swarthmore, was present.

At this time he answered the above question to the satisfaction of those in the meeting. What he said there might be of interest to readers of the Graphic as well as the community at large.

As to the history of the Institution, Mr. Detrick said, "Fifty years ago a business man of Akron, Ohio, who believed that a larger community life could be realized by the building of a non-political, non-sectarian program platform, and in that belief he financed the first Assembly of this kind, seeking aid of prominent professional men and women both from the pulpit and secular fields.

Looking about for a location where this first program might be rendered, Lake Chautauqua N. Y. was found suitable and here the first platform was erected.

It is a matter of interest to know that the Mohawk Indians named the lake centuries before Europeans and because of its peculiar shape, large at the ends and narrow at the middle, they named it "Chautauqua" which means in their language a bag tied in the middle."

The first Assembly took its name from the lake and that name has clung to it for half a century.

The experiment became popular and in a few years more than eight hundred Assemblies were running in the States and western Canada. People flocked to these Assemblies staying throughout in temporary camps.

And yet only a small proportion of the people could afford the time and expense of such a vacation.

Then someone thought of taking Chautauqua to the people by a co-operative plan. Thus the circuit "Chautauqua" had its beginning.

To-day more than forty of these co-operative Associations are in existence in Canada and the States.

The best known of these in Canada are the Swarthmore with headquarters at Swarthmore, Pa., which is international and the Old Dominion which is strictly Canadian with headquarters at Calgary.

The Swarthmore Association is simply an association of more than 1,000 towns on the North Atlantic coast from Cape Breton to North Carolina.

In order to contract for talent and railroads to have a central office at Swarthmore, Pa. where Paul M. Pearson, assisted by a corps of experts direct the work, giving all their time to it.

Each town is virtually a part owner.

There are two ways in which a town can acquire a membership on the seven day circuit.

The first is they may pay the whole cost of the program which is \$2350 for each town and take all receipts. Or they may pledge \$1500 and that cov-

ered with season tickets plus enough tickets to cover their local expenses, and then rely on the single admission receipts to make the balance \$550.

Campbellton holds their membership on the latter plan, as do most of the towns in the Association.

The Association is incorporated under the laws of Pennsylvania as a non-profit corporation. There is no stock on which to pay dividend and none is paid. If unused funds are found at the end of the season, the state authorities of Penn. are responsible for seeing that they go into future Chautauqua service for the towns.

Exemption from war tax through-out the states can only be sustained by adhering strictly to this provision of the corporation.

As to the co-operative feature Mr. Detrick explained.

If Campbellton should attempt to run this program alone the cost would probably be beyond them. As it is for example, Parsborough, N. S. Moncton, Chatham, Campbellton, Quebec City and Montreal all go the same week and each day's program group is passed on to each in regular order, using the entire time of the talent who are paid weekly salaries.

The six towns pool their pledges, and plus the single admissions enough money is produced to pay the cost to all for the week.

The big items of cost are talent salaries and railroads. The cost of getting the six tents into these towns this year is more than \$1200 and the added transportation cost of moving 65 people through tans builds it up still higher.

Occasionally there are uninformed persons who oppose the membership agreement as one sided. This might be true if the town did not get what it paid for, or if the Association were a divided paying stock company. It must be borne in mind that the "Chautauqua people" so called are all of the other towns.

All towns in the Association abide by one of the two rules before mentioned to hold their membership. Picton, N. S., which was mentioned at the meeting dropped her membership in 1922 because in fairness all other towns her demands could not be met with the Directors.

Chautauqua is passing the half century of its age this year.

Its growth has been and still is phenomenal.

During this period it has spread to every English speaking people.

The greatest orators and artists of England, Canada, Australia and the States have and still do appear on its platform.

It stands with the Church, the School and the Home for a broader national and community life.

### AUTOMOBILES BY THE MILLION

The automobile industry is a standing and an outstanding reminder of our enormous buying power. It is announced that the industry has turned out 2,002,084 cars in the first six months of the current year—a total only slightly below that of last year—and it is expected that by the end of 1924 a new record will have been made for an industry which has been making almost nothing but records since its inception.

There is, it seems, a limit to the amount of footprints the nation will buy or the amount of clothes it will wear, but there is apparently no limit whatever to its consumption of motor cars. The vicissitudes of post-war readjustment seem to have had only a minor effect on the industry for the industry produced about 2,000,000 cars and trucks; the next year production fell off, but in 1922 it turned out 2,600,000, and the curve is still rising.

There is something faintly terrifying about a nation which will devote itself so wholeheartedly to transportation as all that. The difficulty with the motor car is that we are as yet uncertain of its precise nature; there have been dark hints as to its complexity in the agricultural credit collapse, and one statistical enthusiast has even gone so far as to calculate, for a farming country in Illinois that a net yield of 10 an acre would still leave its inhabitants \$2,000,000 behind on their bills for automobile upkeep alone.

The automobile probably does have

its drawbacks, and it has unquestionably plunged us into an economic and social transformation that is only beginning. But the fact remains that a nation which can continue to soak up automobiles at the rate of two or three million a year is in anything but an unhealthy economic condition.

### FAVORABLE INDICATIONS

Canada's trade balance with the United States shows considerable improvement. During the last twelve months Canadian exports to the United States were higher and imports lower than in the preceding year. A statement issued by the Ottawa Bureau of Statistics shows that while our imports are still considerably larger than our exports to that country there has been an improvement of about \$44,000,000 in the balance during last year. Another interesting item of news regarding Canada's relations with her neighbor is the announcement that the prices received for a Canadian National loan of \$29,000,000 is the best obtained in New York this year for any similar class of security. A third item of interest is the announcement from Ottawa that during the month of June 4,720 Canadians came back from the United States, and that of these 3,969 were native born Canadians. Another very satisfactory item in the news is that the Canadian dollar is getting closer to par in New York, the discount now being but a very small fraction of its worth while now and then to remind ourselves of facts such as those just noted.

### MAY SERVE A PURPOSE

While it is rather alarming that such an affair as that which took place at Charlton on Tuesday night of last week, can actually occur in a peaceful community in these days of advanced civilization it is just possible that the "disgraceful incident may be instrumental in arousing respectable citizens from the profound lethargy in which they are prone to regard the violation of the Prohibition Act in this country. There seems to be a difference of opinion regarding the duration of the dispute which officials stated lasted over an hour. Apart from this the report of the affair as published in last week's issue of the Graphic was not, to the best of our knowledge in any way exaggerated and it is to be hoped that, having read it, thoughtful and conscientious citizens may come to realize something of the need of greater effort to the suppression of the illegal use of intoxicating liquor at least in so far as it effects the maintenance of law and order and decency in our midst.

Plainly speaking, it is about time that some of our leaders, not only in church, but in political, commercial and social life, were showing a little sense of responsibility instead of shirking a duty as they have, very obviously, been doing.

### OBITUARY

Robert A. N. Jarva.

Newcastle, N. B., Aug. 6.—From blood-poisoning resulting from an infection after week, Robert A. N. Jarva, a native of Fredericton but for some years a resident of Newcastle, died this morning about 5:30 o'clock at the Miramichi Hospital.

John Campbell.

The death of John Campbell occurred at his home in Maple Green at an early hour Thursday morning July 27th. At the age of 82 years. Was born and lived all his years in Maple Green, although he had been in failing health for some time past. The end came very peaceful, passing away as the above stated. He leaves to mourn a wife four sons, Alexander and Garfield Gordon at home and Walter of Los Angeles. Two daughters Mrs. James Blake of Vancouver B. C. and Mrs. Cronkers Sullivan of Richmond. The funeral services which were held on Saturday afternoon Rev. W. W. McNeill officiating were largely attended. Friends from far and near came to pay their last tribute of respect to the departed. Interment was made in the family lot beside his son's in the Campbellton Rural Cemetery.

The Late Mrs. Donald Currie.

Word has been received by Mrs. John A. D. Robertson of Grand Falls of the death of her mother, Mrs. Donald Currie, of Arran, Scotland. Mrs. Currie had been in failing health for the past two years, she was in her 67th year. Previous to her marriage she was Janet McAllister daughter of Alexander and Janet (Kelso) McAllister of Shikine, Arran, her husband Donald Currie predeceased her 29 years ago; one son Alexander Currie of Condon Oregon, U. S. A. and three daughters survive, Misses Annie and Mary Currie of Shikine, Arran, Scotland and Mrs. J. A. D. Robertson of Grand Falls, Vic. Co., one son William Currie died in Vancouver nine years ago.

There is something faintly terrifying about a nation which will devote itself so wholeheartedly to transportation as all that. The difficulty with the motor car is that we are as yet uncertain of its precise nature; there have been dark hints as to its complexity in the agricultural credit collapse, and one statistical enthusiast has even gone so far as to calculate, for a farming country in Illinois that a net yield of 10 an acre would still leave its inhabitants \$2,000,000 behind on their bills for automobile upkeep alone.

The automobile probably does have

### Douglasstown, Que.

James W. Bechervaise

Mr. James W. Bechervaise a respected member of the community of Gaspe Bay Quebec died at his home on Wednesday evening July 2nd, at the advanced age of seventy five years. He was a very industrious man and spent the major portion of his life in the lumbering business. He leaves to mourn a wife and three daughters, all of whom have the sympathy of many friends in the loss of their kind father. His funeral was held on Thursday afternoon July 4th, and was attended by a large gathering of relatives and friends. He was interred in the church of the village by Major the Rev. J. Weyman of St. Paul's Church in Gaspe Bay.

The Graphic \$2.00 year.

## A. J. Strudwick, D. C.

Sp. C.

Chiropractic Specialist

Wishes to announce that he is opening up offices in Suite 8 of the Dimock Block, Water St., on or about Aug. 20th.

Dr. Strudwick is a graduate of the Canadian Chiropractic College of Toronto, also studied Massage and Electrical Therapy at Hart House, Queens University under vocational Training. He will specialize in Chiropractic Adjustments and Electrical Treatments such as Electrical Baths, Violet Ray, High Frequency Diathermy and Radiant Heat for Rheumatism, Neuritis, Neuralgia and other Nervous Disorders.

Chiropractic is a scientific study of the Spinal Column which is formed of segments of bone called vertebrae through which passes the spinal cord giving off trunk nerves which pass out through foramina or openings between these segments. These trunk nerves divide and sub-divide and innervate or supply nerve energy to all the tissues and organs of the body. Should we have any interference which in practically all instances are subluxations of the spinal segments caused in various ways such as falling, straining, over-work, introduction of poisons into the body or by violation of nature's laws then we have conditions of disease through the impingements of nerves causing lack of nerve force (vitality) to the organs from they become weak and susceptible to attacks of poisons (germs bacteria, etc.) which are with us all the time.

Chiropractic adjustments restores the vertebrae to normal alignment and relieves the pressure upon the spinal nerves and the result is that more energy or life force flows freely to the different organs and good health will result. After Aug. 20th I shall be at my office, Suite 3 in the Dimock Block, Water St., call on me, consultation free. Hours 10-12 a. m., 2-4 and 6 to 8 p. m.

### BE A BOOSTER

Tell us not in mournful numbers that this town is on the bum; rouse up from your peaceful slumbers; get out and make things hum. If we go to work in earnest we can make things hit on high; "dust thou are, to dust returneth," is a song of by and by. All the past is gone forever—you can't call one moment back—and the future may come never. This is true, so help me, Mack. Now's the time to do your boosting, do not wait tomorrow's dawn, in the grave you may be roosting, all your boosting chances gone. Lay aside your little hammer, grab a horn and toot a few; squeal the kicker's daddled hammer with a joyful blast or two. This old town is sure a pipkin, and we ought to boost it big; when we hear some growler yipkin, we should smite him on the wig. Mighty oaks that grow and flourish came from acorns plain and small; with your boosting you may wish something that may have a blessing to the tolling sons of men—that's the point that I am stressing—boost and boost; then boost again. People like the smiling booster, and for him they loudly cheer, but they hate the knocking rooster, long to pelt him in the ear. Boost your country your business, boost the people in your town, they will dub you wise and witty and you'll gain a wide renown.—Ex.

## LOCAL ITEMS OF INTEREST

Newsy Notes of Town and Country  
Happenings Gathered by Graphic Reporters

**OIL FOR STREET**  
The experiment with oil on King's Highway has so far proved a great success. Not a particle of dust is raised by either cars or teams or wind and it is apparent that this method is the only correct way of battling with the dust nuisance.—Newcastle Leader.

**STRUCK BY LIGHTNING**  
Houston was the centre of a electrical storm on Sunday. Several houses were struck by the lightning and the telephone service interrupted. Among the residences in the city struck was that of the American Consul in Alma street and several people living in the immediate vicinity were slightly shocked.

**HAS RECOVERED**  
Archie Fraser, who was recuperating at Nictau on the Tobique after his recent illness and operation, has so far recovered as to be able to take up his duties as executive head of the Fraser Company Limited.  
"The air at Nictau is fine and I am feeling fit once more," Mr. Fraser said Monday morning.—Gleaner.

**BAPTIST CHURCH SERVICES**  
Rev. Thomas S. Roy, pastor of the First Baptist Church, Brockton Mass., will preach in the Baptist Church, next Sunday morning and evening, and at Richfordville, Sunday afternoon. His subjects will be, 11:00 a.m., "The Merchant's Religion"; 7:00 p.m., "Back Yard Miracles." Mr. Roy will sing a solo at the evening service.

**LODGE IMPROVEMENTS**  
Campbellton Lodge F. & A. M. have recently made extensive improvements to their lodge room. A carpet now covers the entire floor space, the interior has been newly decorated and much new furniture added. At the regular meeting Monday evening officers of Redoubt lodge were visitors and took charge of degree work in a most creditable manner. During recess refreshments were served.

**GOLF**  
The first round in the July medal competition, fourteen holes, match play will run off on Saturday afternoon. The following drawing has been made:  
W. A. R. Crang vs. S. W. Dimock  
W. H. Miller vs. L. Robinson  
Dr. Fleck vs. H. A. Carr  
R. F. Mowat vs. E. B. McLaughlin  
J. T. Mowat vs. R. B. Rossborough  
W. Mowat vs. W. H. Miller  
W. McDonald vs. W. R. Fitzmaurice  
James Miller vs. W. S. Richards

**DESTROYED BY FIRE**  
The National Hotel at Buctouche, Kent, was destroyed by fire on Sunday and the twenty guests lost practically all their belongings. Little or no furniture was saved, and the loss is estimated at \$25,000, with insurance for about half this amount. John D. Dallaine was the proprietor of the hotel. The fire spread to Loggie's warehouse and the residence of the manager of the Royal Bank, both of which were burned to the ground. The warehouse loss is about \$1,500 and the bank residence about \$2,000, on both of which there was an insurance.  
The total loss by the fire is in the vicinity of \$30,000.

**ASKS THE C. P. R. TO BUY RER STOCKINGS**

Vancouver, B. C., Aug. 6.—The C. P. R. has filed many roles and performed many services besides the actual provision of transportation means, but as the agent for a New Zealand lady in the purchase of \$4.00 silk stockings it has discovered itself in a very embarrassing position.  
F. W. Peters, general superintendent for British Columbia, is obliged to face the issue as the result of the following letter found in his mail yesterday:  
Dear Sir:—Please send to above address one pair of black silk stockings, woman's size, for which I enclose \$4 and postage and register included.  
The letter is from Christ Church, N. Z.

**BEAVERBROOK COMING**  
Lord Beaverbrook, formerly of Newcastle, and well-known as a financier and the proprietor of the Daily Express, London called for Canada on Sunday, on the Empress of France.

**RETREAT**  
A spiritual retreat is being held at Bathurst this week for the clergy of the Roman Catholic Diocese of Chatham. The exercises began Monday evening and terminate Friday evening.

**LICENSE CANCELLED**  
Rev. E. E. Bodin, Methodist minister having removed to Summerville Prince Edward Island, his license to solemnize marriage in New Brunswick has been cancelled according to notice in the Royal Gazette.

**ESUMINAC CHURCH SERVICES**  
Oak Bay Mills, 11 a.m.  
Pt. a la Gede, 8 p.m.  
Esuminac Falls, 7 p.m.  
Subject: "The Friend of Jesus".  
We invite tourists and others to worship with us, at any of these services.

**SALMON WEIGHED 34 LBS.**  
Clifford Murdoch, of East Point below Loggieville on the Miramichi, caught a salmon in his net Thursday that weighed 34 lbs. This is the largest salmon ever recorded as being caught in the Miramichi. It is stated. The buyers allowed Mr. Murdoch the price of three ordinary salmon.

**APPOINTED CANON**  
News received from Rome announces that the Rev. Father Lionel Roy, doctor of theology, director of the Grand Seminary of Rimouski Que., has been appointed titular canon of St. Germain Cathedral at Rimouski. The new canon is only 36 years of age and is one of the most esteemed members of the clergy.

**GOOD POTATO CROP**  
An official report on the potato crop of New Brunswick forecasts a full crop, late rains having repaired the damage by drought. Seed stock, chiefly Irish Cobbler, acreage shows an increase of 100 per cent over 1923, and general acreage an increase of 50 per cent. The potato bog is more plentiful than ordinarily and the black blight beetle is more active than usual in un-irrigated fields.

**DEBARRED FROM CONVENTS**  
Non-Catholics will no longer be given the right to get their education in Catholic Convents in this province or anywhere throughout America, according to a circular letter issued recently by His Eminence Cardinal Beaudry. Primates of the Catholic Church in Canada which bars non-Catholic pupils from such institutions. Quebec Telegraph.

**SEWING CIRCLE GOSSIP**  
There was some discussion at the Sewing Circle this week about the Chinese game of Mah Jongg. The wife of the new Bank Manager said that she liked it very much and that she thought it was going to supersede Bridge. With the latter view, however, the wife of the Radio Operator did not agree. She said Mah Jongg was a game invented for a people who could not learn to play Bridge.

**AMERICAN CONSULAR SERVICE**  
As the American Consular office here has numerous cases of immigrants from the United States district to the United States Immigration officials at the border on account of not having proper Consular visa, anyone contemplating a visit to the United States should sometime prior to departure communicate with this Consulate with a view of ascertaining the necessary requirements under the United States Immigration Act of 1924.

## YOU CAN GET RID OF DYSPEPSIA

By Taking the Fruit Treatment In the Form of "Fruit-a-lives"

You can get rid of the pain; the heavy, uncomfortable feeling; the bilious attacks, headaches and constipation that accompany this trouble. The Fruit Treatment—which is the intensified juices of apples, oranges, figs and prunes combined with tonics—will always relieve Dyspepsia. Mrs. Thomas Evans, Everett, Ont., says: "I have been troubled for years with Dyspepsia, Liver and Kidney Disease from which it was impossible to get relief until I took 'Fruit-a-lives'. Thanks to their wonderful results, I am free of these ailments and am in normal health again." This is the kind of proof that convinces. The Fruit Treatment—"Fruit-a-lives"—is sold by all dealers at 25c and 50c, or sent postpaid by Fruit-a-lives Limited, Ottawa, Ont.

DALHOUSIE, THURSDAY, AUGUST 7, 1924

EVERY WEEK

## SOCIAL AND PERSONAL

Mrs. S. Kenyon and her daughter, Miss Grace, of Bellingham, Wash., are spending a few weeks in town as the guests of Mr. and Mrs. James Wallace. Mrs. Kenyon is a sister of James Wright. She left here when she was in her teens. Her daughter is a teacher in Mount Vernon, Wash.

The Rev. Edward J. Shaw, after a pastorate of nearly three years, has resigned his charge of the Presbyterian Church.

Miss Myra Wallace is visiting friends in Nelson.

The pupils, parents and friends of St. Mary's Sunday School held their annual picnic to Allan's Point last Wednesday. An enjoyable time was spent by all.

J. McK. Anderson, of Chatham, is in town for a few days.

W. E. Fuller, of Ramnyside, Que., was a guest at the rectory for a few days last week.

The Canadian Harvester, a steamship belonging to the International Paper Company, of 1425 tons, and in charge of Captain Seaman, left port on Tuesday laden with pulpwood from the Dalhousie Lumber Company's mill and bound for Three Rivers, Que.

The recent dull, wet weather has been a great drawback to the hay-makers.

Mr. and Mrs. W. J. Simpson, Miss Jean Simpson and Harry Simpson, motored to Chatham on Thursday to spend a few days with friends in that town.

Mrs. S. J. Beckingham was a visitor to Campbellton on Tuesday. The Rev. R. J. Miller, of Pugwash, N. S., conducted divine service in the Presbyterian Church on Sunday, both morning and evening.

Mrs. Geo. B. Hallett, Hampton, N. B., paid her native town a short visit last week, and was the guest of her brother, Mr. John B. Delaney.

Mrs. Wm. McNeill of Winnipeg, who was visiting her mother-in-law, Mrs. Robert McNeill, with her two children, was entertained by over thirty friends at a picnic, that was held at the Inch Arran Point on Tuesday, July 29th.

Mr. and Mrs. Bernard Hendrickson and their little niece Margaret Simmons and Miss Rita Williams, motored to Fleurant, P. Q., on Sunday, where they were the guests of friends.

Mrs. Day, Rochester, Mass., arrived in Dalhousie on Monday, July 28th to spend some time with her sister Mrs. A. J. LeBlanc.

Mrs. W. C. Crockett, Fredericton, who is the guest of friends in Campbellton, paid her Dalhousie friends a flying visit last week. Mrs. Crockett, who is a daughter of the late Wm. Caldwell, Ex. M. P. for Bestigouche Co., will spend a few days in her native town, before she returns to the capital.

Mr. and Mrs. James Whalen, Campbellton, were in town on Saturday, the guests of Mrs. Whalen's parents, Mr. and Mrs. Joseph Savoie. Mayor W. S. Montgomery left on Friday for Richibucto, New Brunswick on a business trip, and returned on Monday.

Mrs. James Peters and her two children arrived here last week from Sussex, N. B., to join Mr. Peters, who is in the employ of the Dalhousie Lumber Co. They are residing in the Disbrow house, on Renfrew St. Mrs. Peters spent the summer of 1923 in Dalhousie.

Mr. Charles Scott, Amherst, N. S., and Mr. James Scott, Edmundston, N. B., spent Sunday in Dalhousie, the guests of their mother, Mrs. Thos. G. Scott.

Mr. J. J. Boyes and son Harold of Montreal, arrived in town on Monday's Limited, to spend a vacation here. Mrs. Boyes and her son Edgar have been here since the middle of July. They are the guests of Mr. Laurent Spilrude, and Miss Millicene.

Spilrude, and of Mrs. Boyes' mother, Mrs. Duff.

Rev. Mr. Woodside, Mrs. Woodside and their two children, of Ottawa, who are spending a few weeks at Chatham, the guests of Mrs. Woodside's parents, Hon. Wm. and Mrs. Currie, were in Dalhousie on Monday, and were given a hearty welcome by their friends.

Mr. and Mrs. John Lawlor spent Sunday with their friends in Bellefleur, and returned on Monday, accompanied by Mrs. Wm. Lawlor, who will spend a couple of weeks in town the guest of her son and Mrs. Lawlor, in their pretty cottage on Victoria St.

Mr. and Mrs. W. Casey, Maguasha, P. Q., were in town last week, returning from Campbellton, where one of their children was at the Hotel Dieu Hospital.

Rev. J. A. Hartt left for Bathurst, on Monday, to attend the ecclesiastical retreat of all the priests of the Diocese of Chatham.

Miss Marie Thompson, Campbellton, and Miss Hazel Maloney, Rogersville, were visitors to Dalhousie on Monday.

Mrs. Earle Simpson had as over Sunday guests, her sister, Mrs. John Bebellington of Fredericton, and her two daughters, Mrs. Carson (of Pittsburg) and Joen and her baby daughter, Mrs. Elwood Burt and daughter, all of Fredericton. Their niece Miss Joen is remaining in Dalhousie for a few weeks.

Miss McNutt of Campbellton is also her guest.

Elizabeth, Miss Soma Fenety, Leonora Harbour arrived from Boston, Mass., on Tuesday, to spend a vacation of several weeks with her parents Ex. Alderman John Barbour, Bungalow on Cour House Lane. Miss Shuman of Boston, Mass., came with her friend Miss Barbour on a visit.

Mrs. Wm. McNeill of Winnipeg, who was visiting her mother-in-law, Mrs. Robert McNeill, with her two children, was entertained by over thirty friends at a picnic, that was held at the Inch Arran Point on Tuesday, July 29th.

Mr. and Mrs. Bernard Hendrickson and their little niece Margaret Simmons and Miss Rita Williams, motored to Fleurant, P. Q., on Sunday, where they were the guests of friends.

Mrs. Day, Rochester, Mass., arrived in Dalhousie on Monday, July 28th to spend some time with her sister Mrs. A. J. LeBlanc.

Mrs. W. C. Crockett, Fredericton, who is the guest of friends in Campbellton, paid her Dalhousie friends a flying visit last week. Mrs. Crockett, who is a daughter of the late Wm. Caldwell, Ex. M. P. for Bestigouche Co., will spend a few days in her native town, before she returns to the capital.

Mr. and Mrs. James Whalen, Campbellton, were in town on Saturday, the guests of Mrs. Whalen's parents, Mr. and Mrs. Joseph Savoie. Mayor W. S. Montgomery left on Friday for Richibucto, New Brunswick on a business trip, and returned on Monday.

Mrs. James Peters and her two children arrived here last week from Sussex, N. B., to join Mr. Peters, who is in the employ of the Dalhousie Lumber Co. They are residing in the Disbrow house, on Renfrew St. Mrs. Peters spent the summer of 1923 in Dalhousie.

Mr. Charles Scott, Amherst, N. S., and Mr. James Scott, Edmundston, N. B., spent Sunday in Dalhousie, the guests of their mother, Mrs. Thos. G. Scott.

## HAPPENINGS OF THE WEEK

**LOST**  
Lost in the town of Campbellton last week, a Muffler, crepe de chene, colour Tangerine. Finder will please place it at the Graphic Office.

A garden party and Supper took place on Wednesday, Aug. 6th under the auspices of the Ladies' Aid, on the grounds of St. John's Presbyterian Church. The Yoo Hoo Orchestra was in attendance.

**IMPROVEMENT MADE IN ROYAL BANK OFFICE**  
Since a few days masons and others have been busy building a new vault in the block occupied by the Dalhousie Branch of the Royal Bank of Canada. It was a complicated piece of work and was handled by Mr. D. A. Stewart, M. L. A. and by Ex. Councillor Mr. John Dickie of P. J. la Nim.

**KNICKERBOCKERS FOR WOMEN ARE CONDEMNED**  
Three Rivers, Que., after having denounced dancing, neutral clubs, Sunday work and amusements on Sunday, the local clergy have come forward with a strong condemnation of knickerbockers for women "Women and young girls are to-day imitating men," was the statement yesterday at Mass of Canon Boulay, vicar of Three Rivers Cathedral. "Some of them are wearing pants and I have an advice to give to young men: It is, never to marry a girl that wears pants, because the one who does will be soon obliged to wear a petticoat." "Nowadays," he continued, "men and women undress themselves as much as they can." Wild women never went so far.

Canon Boulay also warned girls and women against dancing, saying that instructions from Bishop Cloutier not long ago had not been followed.

**FOREST FIRES IN NEW BRUNSWICK**  
Fortunately Little Damage Done During this Summer as Compared with That of Last Year

New Brunswick has fortunately passed through another month with comparatively little damage occurring in the province from forest fires. While there were more large fires in July than occurred during the month of June, it is felt that the province has been most fortunate inasmuch as here an almost continuous drought for the first three weeks of the month.

A summary of the returns on August 1st, shows the total number of fires in the province was 130, and they burned over approximately 12,000 acres evenly divided between Crown Lands and Granted Lands and that the estimated damage to both timber and property is approximately \$40,000. Of the 130 fires this season, eleven spread and caused damage to Crown Lands, all the others being on either granted land or railway right of way. Twenty fires on the right of way of railways were discovered and extinguished by the railway patrols and section men; two fires along railways got out of control and did considerable damage; one on the right of way of the Grand Lake Railway's Line and the other on the Transcontinental Division of the Canadian National Railways at Sunbury.

A number of cases of violation of the fire law are being investigated. In one case where a settler started to burn during a dry and windy period and a large crew had to be employed to subdue the flames, the convicting magistrate imposed the cost of the fire fighting as well as a substantial fine upon the party responsible for creating the dangerous situation. Five campers were found in the woods without registration certificates which are required from everybody entering the forests, have been prosecuted by the Department of Lands and Mines officials and convicted in the courts.

Just how rapidly a prosecution can be carried out was illustrated recently. During the period when all burning was prohibited a settler started a fire on his lot. A lookout observed the fire, spotted it and notified the ranger. En route to the scene the ranger picked up the magistrate, and the settler was caught in the act of starting the fire. The ranger ordered the fire put out and the settler worked feverishly until this was accomplished. Then he was taken before the Magistrate, who held court on the spot; the settler pleaded guilty and a fine of \$50.00 was imposed; the fire being allowed to stand on account of his successful efforts in extinguishing the fire and his promptness of action in the future.

The whole procedure from the time the fire was observed by the lookout who telephoned to the ranger until the settler was taken before the Magistrate, which shows that the mills of justice can grind rapidly at times.

Luck He Could Take About It. Trale Cop—Did you get his number?

Victim—No, but I think he's a barber.

Cop—"Why so?"

Victim—"He went over my face twice."

## Of Interest to Women

### Unusual Ways to Use Green Corn

The coming of the corn season, its height and its waning are important events in the year's food calendar. Corn is the great American food product and the succulent ears are alike familiar on the tables of the well-to-do and the tables of small wage-earners.

The possibilities in corn cookery are great. For those who do not care for corn plain boiled and served on the ear, there are other ways in which it may be cooked. Much of the muscle and brawn is supplied by corn. It is economical. Varieties of corn are almost unlimited, but that which we find in the market for table use is always of the so-called sweet variety.

The Indians, who introduced corn to the early pilgrims, are responsible for many of the corn dishes in use today, their primitive recipes having been brought up to date and scattered the length and breadth of the country. The black, orange, yellow and bright red—so called "colored butters"—varieties are most decorative when boiled and placed on the same dish.

For boiling strip the husks and silk from the ears and plunge them into rapidly boiling water. Boil them twelve minutes if the corn is young and tender, fifteen minutes if it is a day or more old, and eighteen to twenty minutes if it is very large and of uncertain age.

Do not add salt to the water as this toughens the corn and changes its color from white to pale yellow. If desired, the corn after boiling may be placed on a buttered gridiron and roasted over the coals, then buttered, sprinkled with pepper and salt and served on a hot dish. Steamed corn is prepared by husking and silking it, then wrapping each ear in the husks and placing it in a steamer. Steam it twenty minutes, remove the wrappings and serve it hot in a napkin. This is a very delicate way of cooking the ears.

### Green Corn Pudding

Cut the corn from a dozen young and tender ears, scraping down the cobs with the back of the knife to get the milk. Do not get the little kernel cobs. Add four beaten eggs with two tablespoonsful of melted butter, a tablespoonful of sugar, salt and pepper, a cupful of milk and the same of cream, and a half a cupful of dry crumbs. Mix and pour this mixture into a well-buttered baking dish and sprinkle the top with a little grated cheese. Bake it forty minutes, or a little less if the oven is very hot and a little longer if it is slow. The cook herself can judge by the appearance of the dish when it is done.

### Green Corn Fritters

Cut the corn carefully from a dozen ears. Make a batter of a half cupful of flour sifted with teaspoonful, level, of baking powder, a half teaspoonful of salt, four beaten eggs, two teaspoonfuls of sugar. Beat this mixture well then add the corn. Drop the batter by spoonfuls into hot fat, fry it a delicate brown and after draining dust the fritters with a little powdered sugar and serve in a napkin.

### How to Can Some of the Uncommon Vegetables

People who have vegetable gardens usually have more vegetables than they can possibly use.

Great care is needed in the selection of vegetables to be conserved. They must be fully matured, but firm and sound. Glass jars should be clean and hot, and fresh rubbers and well-fitting covers should be provided. The jar rack that fits in a small clothes boiler makes a very satisfactory home made canner or processor.

### Canning Peppers

Select firm peppers of uniform size. Wipe them free of dust, then place them on the rack in a hot oven for six or seven minutes, until the skins begin to curl. Do not let them stay long enough to color. Take the peppers from the oven and peel off the skin, then remove the stems and cut out the seed cones carefully so as not to injure the surfaces. Next pack them in fatness layers in hot jars. Use no water or seasoning for the processing brings out a thick liquor that nearly fills the jar. Partially screw on the tops after fitting the rubbers and place the jars in the canner to process for thirty minutes, with the water boiling steadily, but gently. Lift out the jars and screw down the covers tight.

Select a firm, ripe winter squash, and cut it into quarters, then eighth. Remove all seeds and spongy pulp, then peel. Cut each piece in strips and steam-bleach it for fifteen minutes until it is tender, then put it through a sieve, adding a little salt and powdered spices. Reheat in a double boiler to the boiling point, then put into jars. Partially screw the jars, place them in the canner for two and one-half hours, remove them and tighten the tops. If it is to be used for a vegetable, do not add spice when you cook it, but just salt and a little red pepper.

**Canning Okra.** Select young and tender pods. Cut these stems without cutting into the pods. Put the pods into a cloth or linen bag and blanch them in boiling water for seven minutes, then plunge them into cold, salt water for two minutes. Pack closely in jars, put a teaspoonful of salt in each jar and fill them with boiling water. Partially screw on the covers, then set them into the canner to process. Let them stay here for three hours, then lift the jars and screw down the covers tight. Store the okra in a cool, dry, dark place. When the jars are opened, rinse the okra well, then cook it as desired.

## LUMBER CUT WILL BE CURTAILED

Resolution Adopted at Meeting Held in Bathurst

St. John, N. B., Aug. 2.—The resolution of the New Brunswick Lumbermen's Association to curtail its production of lumber 65 to 80 per cent in the coming season passed at the meeting of the Association in Bathurst, N. B., on July 30, had the hearty endorsement of the 22 members present at the meeting.

The resolution is supported by lumbermen throughout New Brunswick it is believed.

The 22 present at the meeting represented all of the large lumber companies and many of the smaller ones. It was stated by lumbermen who were interviewed last night over the long distance telephone, that the reduction in lumber production was made necessary by the fact that a great deal of the lumber cut this season was unsold and could not be profitably sold because of the high rates of government stampings in New Brunswick, 34 to 40 cents per cord, and because of the high charges for workmen's compensation. The workmen's compensation levy last year was eight per cent, to be spread over a period of three years, and the tax this year will be four per cent for workmen's compensation.

### Solving Some Problems For the Week-end Vacationist

Home-staying people do not think much about baggage until the short-trip season begins, then suddenly all available luggage is dragged from attic and closet. Sad to say, it seldom passes muster according to up-to-date ideas. There are certain well-defined laws concerning hand luggage to-day that should govern one in purchasing. Sizes that can be tucked under Pullman seat, on the seat, or in the rack, are practical. Any pieces that are otherwise you are strongly advised to "check" for your own comfort and that of the other passengers.

We have learned much in recent years. We realize that we do not need as much for a short trip as we used to carry in the past. For instance, the woman who starts out with a dark well-fitting and well-made tailored suit, a good umbrella, a light travelling coat, purse, handbag, a toilet bag, a twelve by twenty-two suitcase of light leather or enameled duck and a high six-by-sixteen inch box of the same material can travel far and look none the worse for wear. She can carry her own luggage without a serious inconvenience. Surely this is a far cry from the Saratoga-trunk days and the handbox covered with wallpaper.

"How can she do it?" someone may ask. To begin with her "undies" are of fine, thin material. Her evening gown of crepe might also fold into a large envelope, and a lot of little things fold in the crown of her hat in the hatbox where their presence is never even suspected. This is a day of flimsy materials and they pack in almost no space at all.

The sweater that goes with the outing skirt folds inside the travelling coat, which may be needed for motoring or outdoor use on arrival when the tailored suit is laid aside. Slim slippers and outing shoes are all that will be needed besides the train pumps worn to travel in, so they are not hard to stow away. It is astonishing the amount of things a suitcase can be made to hold, especially when the tray is left out and when a woman is an expert packer.

In case there is a possibility that there may be undies or stockings to wash, it is a good idea to slip in a small, flat cake of white soap, which will save borrowing or perhaps buying what one does not like.

The outlay for the suitcase and slippers is not serious, and they look well for two and maybe three seasons if well cared for. A canvas cover keeps the case perfectly fresh and an old flannel cover will keep it fresh when it is stowed away at home. Carelessness is responsible for bad-looking luggage more often than actual wear.

A China silk Pullman robe and folding slippers are a great comfort. The pullman apron to hold toilet articles, which ties around the waist, fills a long-felt need.

All these may be made at home for half the price, and there are often pieces of silk in mother's glovebag that will do nicely for the purpose. In fact, all the little toilet bags and cases can be made at home by the clever needlewoman.

A fitted suitcase is a luxurious-looking affair, but in reality the fittings take up more room than is necessary. The wise traveller takes her fitted tray on a trip only when her trunk is with her. For the week-end trip, light, inexpensive toilet articles that take up little space and fit into the toilet apron are advisable. It is wise to travel lightly to enjoy a week-end visit.

### EAT FISH TO AVOID GOTTSIE, SAYS EXPERT

Eat plenty of fish and avoid molasses and other diseases of the thyroid gland. This is the advice given by Mrs. Evelyn Spencer, lecturer for the United States bureau of fisheries. Fish, she asserts, contain the necessary iodine needed to keep the thyroid gland functioning properly.

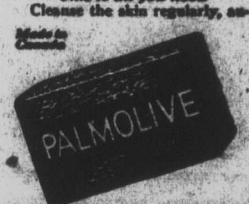

## No woman can be homely who does this

A simple method which safeguards lovely complexion—the beauty every woman can possess.

No girl or woman can be called unattractive who has kept the beauty and radiance of youthful complexion. They injure skin.

And today millions of women know this simple method. You too may employ it to keep lovely and young the clear, fresh skin Nature gave you.

This is all you need. Cleanses the skin regularly, as made in Canada.

thorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the skin. Rinse — and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, correct way. You cannot find a more effective beauty treatment. Because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive. Let it do for your whole body what it does for the face.

See that you get Palmolive—which is never old or rancid. All dealers have it. In a short time improvement will be noticeable, encouraging.

THE PALMOLIVE COMPANY OF CANADA, LIMITED

Wholesale Toronto Montreal

Palm and olive oils—washing skin—this is the secret of the Palmolive Soap.

## An Amazing FREE offer

Wouldn't you enjoy a visit with a famous domestic science authority?

Here is your opportunity to have Anna Lee Scott, the noted Domestic Science expert come to visit you every month for five months in the form of a course of 20 lessons on Cookery Arts and Kitchen Management—written in an unusually interesting and charming way and sent to you by mail—without cost.

You also have the privilege of joining the Maple Leaf Club, directed by Anna Lee Scott, which entitles you to her personal advisory service on any subject pertaining to household management—absolutely FREE.

You pay no money for the course. All lessons are sent postpaid. You study lessons when and how you choose. No blamable to fill in. No examinations or correspondence required. You may write in for advice, however, and Anna Lee Scott will gladly answer inquiries regarding any household problem.

How to Join the Maple Leaf Club and Enroll for this valuable course.

Free to every User of MAPLE LEAF FLOUR for Bread, Cake and Pastry.

Excellent baking results are guaranteed to every user of Maple Leaf Flour, and every bag contains coupon entitling you to free membership in the Maple Leaf Club and to this valuable course. (24 lb. bag—1 coupon; 40 lb. bag—3 coupons; 50 lb. bag—4 coupons.) Send only four coupons addressed to the Maple Leaf Club, Maple Leaf Milling Co., Limited, Toronto, Ontario, and you will be enrolled as a member of the Maple Leaf Club and receive the course FREE. Ask your grocer today about Anna Lee Scott and the wonderful course.

## Burn Air! It Costs Nothing

We are burning coal similar to that which they burned a thousand years ago, although the methods of burning it have been improved. Yet it has always been admitted by heating engineers that half of our heat, as unburnt gas, has sailed away up our chimneys.

Now comes a wonderful new addition to the Enterprise All-Cast Pipeless Furnace—an entirely NEW INVENTION—

### The ENTERPRISE-ROBB CARBURETOR

that sprays air over the fuel bed — FIRES THE GASES as they lift from the coal — gives you a GAS FIRE on top of your coal fire — keeps your fire red at the TOP — red all the way through, where you want it for heating purposes — burns your fire from THE TOP DOWN. SMOKE and GAS are turned into HEAT — you SAVE 20% of your coal. Tests have been conducted by manufacturing plants and private homes, all with the same findings—MORE HEAT FROM LESS FUEL. In an actual 48 hours official test at the ENTERPRISE FOUNDRY, the saving effected was shown to be 22.8%.

And you KEEP ON SAVING—day after day, year after year!

price feature. The Enterprise All-Cast Pipeless Furnace has always been the best. The new invention lifts it into a class by itself.

Fill in the coupon. Get the full information. It costs you nothing. You will make a mistake if you buy any furnace without first seeing the Enterprise.

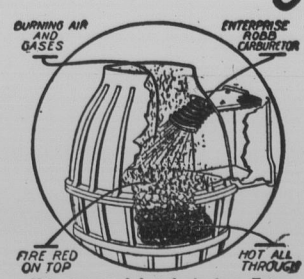

**COUPON**

Please send me without charge or obligation particulars of the New Enterprise All-Cast Pipeless Furnace, equipped with Enterprise Robb Carburetor.

Name \_\_\_\_\_

## WEDDINGS

Pye-Baird

St. Andrews Anglican Church, New Carlisle on Thursday evening was the scene of a quiet but pretty wedding when Miss Elsie Baird only daughter of Mr. and Mrs. James Baird of Douglastown, Que., was united in holy wedlock to Mr. Robert Pye eldest son of Mrs. Thomas Pye of Sandy Beach Centre. The ceremony was performed by the Rev. Dean W. DeGruchy formerly of the groom's parish Mr. and Mrs. Pye have taken up their residence in Sandy Beach Centre and will have the good wishes of many friends.

Campbell-Mayfield

Miss Elizabeth Strumman daughter of Dr. and Mrs. Claude Mayfield of Long Beach, California was wed to Gordon Travis Campbell at the home of her aunt Mrs. L. B. Young in Hollywood, Cal., Thursday July 17th.

The ceremony was read by the Rev. Frank Randenbrush, rector of St. Thomas Episcopal Church at Hollywood at 7 p.m.

Only the immediate families witnessed the ceremony.

The bride was attired in a dress of cream colored lace with which she wore a charming hat. Her bouquet consisted of Opium roses. Miss Dorothy Roberts of Long Beach was maid of honor while Vincent Bledsoe of Los Angeles served as best man.

Mr. and Mrs. Campbell left Saturday on the "City of Los Angeles" for Honolulu where they will enjoy a three weeks stay. Upon their return they will reside in Los Angeles where Mr. Campbell is associated with the Allen T. Archer Insurance Company.

The young bridegroom is the son of Mr. and Mrs. J. R. Campbell of 612 Lake Avenue North Duluth, Minnesota. He was a lieutenant in the U. S. Marine Corps and is a graduate of Southern California in Los Angeles where he was most prominent as an athlete. Mr. Campbell is a Sigma Chi. Mrs. Campbell attended the Southern branch of the University where she was a member of the Chi Omega Chapter.

HARRINGTON-McLENNAN

A beautiful wedding was solemnized at the home of Mr. and Mrs. Alexander McLennan, Saturday afternoon, August 2nd, when their daughter, Mona Creighton was united in marriage to Allan Gordon Harrington, son of Mr. and Mrs. Wallace H. Harrington, Halifax, N. S., in the presence of about seventy friends.

The ceremony was read by Rev. W. W. McNair, pastor of the Presbyterian Church, assisted by Rev. C. M. Coughlin, D. D. of Newark, New York, uncle of the bride.

Miss McLennan entered the beautifully decorated drawing room accompanied by her father to the strains of the Lohengrin Wedding March, played by Miss Jessie Moore.

The bride wore a beaded gown of powder blue French crepe, a leghorn hat trimmed to match, and silver shoes. She carried an old-fashioned bouquet of Sweetheart roses and Sweet Peas.

Immediately after the ceremony a reception was held. Mrs. A. A. Andrew, and Mrs. R. K. Shives poured assisted by Mrs. H. M. McLennan, Mrs. J. Steven, Miss Jessie Moore, Miss Vivian Graves, Miss Blanche Crockett, Miss Helen Crockett, Miss Jean Fitzmaurice, Miss Phyllis Fitzmaurice and Miss Elsie Currie.

Mr. and Mrs. Harrington left on the limited for Meda Beach, Quebec where they will spend their honeymoon. The bride wore a travelling suit of navy blue pique twill, with sand color hat and silver shoes.

On their return Mr. and Mrs. Harrington will reside at their home on Patterson Avenue.

Mr. Harrington is connected with the Canadian Bank of Commerce.

Loved to Hear Himself

"Did that girl I saw you with find anything to talk about?"

"Not a thing." And she talked about it copiously."
