Ministerial Changes in Perspective .- Notwithstanding the great progress of "enligh-tenment" and "political science" in these dent of the Board of Controul, and Postmaster General, will all be vacated by their present occupants before the meeting of Parliament. The first of these offices most persons concur in thinking will be filled by lord Ellenborough, and doubless his energy and vigilant attention to business would make his services very valuable in that important of fice. Lord Haddington's health and temperament are scarcely equal to the work which is new required from the First Lord of the Admiralty, and there sceems but little reason to expect that the labours of the office will be lighter for some years to come. Yet will be lighter for some years to come. Yet tame, and respectable. Division is doing the Ministry would (it is supposed) be sorry its work. The last new epistle—the third to less Lord Haddington, and would gladly from Darrynane—has come out cotemporaties of Arts and of Medicine. The Law neously with a flippant counter manifesto state of his health. No one seems to speak, The two productions present a most unhap. Theological Library. state of his health. No one seems to speak with positiveness as to his successor, but some have conjectured that Lord Stanley may succeed him, leaving the Colonies to Mr. Gladstone, who in that case would probably be aucceeded at the Board of Trade by the present vice President, Lord Dalhousie. This noble Lord, it may have been noticed, has been giving his special attention of late to their increasing differences been giving his special attention of late to their increasing differences shirt without a seam.
