REPORT OF THE COUNCIL
OF THE
Dominion of Canada Rifle Asssocation,
1888.

In presenting the Twenty-first Annual Report of the proceedings of the Dominion of Canada Rifle Association to its members, the Council have the pleasure to congratulate them on a successful year's operations, both financially and in the decided improvement in the quality of the shooting at the annual competition at Ottawa, the lowest score in the grand aggregate being higher than the highest in 1887.

The Association loses a substantial friend, in the departure from this country to a higher office in India of the late Governor-General the Marquis of Lansdowne, who before leaving presented to the Association as a parting gift the sum of Two hundred and fifty dollars, which was by resolution at the last Annual Meeting expended in a Silver cup to be called the Lansdowne Challenge Cup as a reminiscence of so constant and generous a Patron.

His Excellency the Governor-General, Lord Stanley of Preston, on his arrival, kindly promised his distinguished patronage to the Association and generously offered a subscription to the funds similar to that given by his predecessors, namely, Five Hundred Dollars, and expressed his desire to assist the Association by every means in his power; the thanks of the Association are therefore due to His Excellency for his liberality and the deep interest he evidently takes in the welfare of the Association.

The thanks of the Association are also due to the Government and Members of the House of Commons for the liberal grant voted to the Association at the last Session of Parliament;

To the Hon. Sir Adolphe P. Caron, K.C.M.G., Minister of Militia and Defence, for his continued interest in the affairs of the Association;

To the Chairman of Council, Lt.-Col, Hon. J. Ald. Ouimet, M.P., for his fourth donation to the General Prize Fund;

To the President and Directors of:—

The Bank of Montreal, for their 8th yearly donation.				
The Bank of British North America, for their 8th yearly donation.

To Mr. J. H. Steward, Optician to the Association, 406 Strand, London, England, for a handsome Silver Cup; and to Mr. Arthur L. Howard, of Brownsburg, Quebec, for a Whitney-Kennedy repeating rifle.

The Canada Club of London again presented to the Wimbledon Team a handsome Silver Cup for the member thereof making the highest aggregate score at the Wimbledon meeting, for which the thanks of the Association are due.

Lt.-Col. Frank Bond, Commanding the Prince of Wales' Rifles, was appointed to the command of the Wimbledon Team, and his report shows that Col. Humphrey, Commanding the Cambridge University Rifles, had arranged everything for their comfort in camp at Cambridge, where they had a week's practice before proceeding to Wimbledon. He speaks highly of the kindness and courtesy shown to the Team at Cambridge by Col. Humphrey and others, which made the week's sojourn there very pleasant and the Association owe a debt of gratitude for the hospitality shown.

The doings of the Team at Wimbledon are fully detailed by Col. Bond in the report to be found at the end of this, which is well worthy of perusal. The amount of Prize Money won was £323. Sergt. Alex. Wilson, 33rd Battalion, made the highest aggregate of the Team, and consequently was the winner of the Canada Club Cup.

The competition for the Kolapore Cups, in which four teams took part, was close and interesting, and was won by the Mother Country Team with a score of 687, the Canadians being second with a score of 674, only 13 points behind.

The Council have pleasure in reporting a very successful prize meeting at the Rideau Range.

The annual competition of the Association was carried out most satisfactorily. The attendance was not quite up to the previous year, but was only nine competitors less, namely, 354, as compared with 363 in 1887. The timing of the Extra Series and Martini matches worked very well and gave general satisfaction, and, as will be seen by the comparative statement to follow, there was more firing thereat than the previous year, although the attendance was somewhat less. The improvement in the quality of the Snider ammunition was a matter of congratulation; at the Competitors' Meeting it was highly praised, and it was recommended to Council that each match should be fired in future throughout with the same rifle, and if possible that the Snider be used, so as to render the carrying of two rifles on the same day unnecessary.

The minutes of the proceedings of the Competitors' meeting will be found at the end of this report.

The new team match for the Lansdowne Challenge Cup proved very attractive, no less than thirty-three teams competing in it.

Every Province was again represented, and several new corps competed, showing that the interest in the Association is extending.

Although the matches are so arranged as to be all open to H. M. Regular Forces, both Army and Navy, those forces are never represented at the Annual Matches at Ottawa, which is to be regretted, as the associating of the Regulars with the Militia Forces would undoubtedly have a good effect. It is hoped that another Annual gathering will see a representation from the Garrison and Squadron at Halifax.

The addition of two long range targets to the accomodation at the Rideau Range was fully taken advantage of, there being an increase of 303 entries at the long ranges as compared with 1887.

The increase in the number of Rifle Associations affiliating this year is very satisfactory, but the number of annual subscribers is still lamentably below what it should be.

A Presentation of Prizes took place on Friday afternoon at the President's Marquee, when there were present, amongst many others, The Right Hon. Sir John A. Macdonald, P.C., G.C.B., The Hon. Sir Adolphe P. Caron, K.C.M.G., The Hon. Sir John Thompson, K.C.M.G., Minister of Justice, The Hon. J. G. Haggart, Postmaster-General, The Hon. C. H. Tupper, Minister of Marine and Fisheries, and Sir Fred. and Lady Middleton. The attendance of Prize Winners was very small, and it is a question deserving of consideration of Members at the Annual General Meeting of the Association whether means cannot be found to induce competitors to attend in larger numbers to receive their prizes.

The Council would neglect a pleasing duty did they not thank the Executive Officer, the Range Officers and the Staff generally employed at the Annual Matches for the very efficient manner in which they performed their arduous duties.

FINANCE.

For a full statement of the finances of the Association the Council refers to the Treasurer's accounts duly audited and submitted herewith.

The Balance sheet shows the total receipts from all sources for the year to have been \$18,123.57 which with the balance of \$2,440.34 from last year makes a total on the credit side of \$20,563.91.

The expenditure amounted to \$18,120.83, leaving a balance of \$2,443.08 in favor of the Association.

In the ordinary sources of revenue certain increases will be observed. The affiliation fees from Rifle Associations amounted to \$873.00 as against \$752.00 in 1887, an increase of \$121.00.

The number of Rifle Associations affiliating being 63, as compared with 54 in 1887, an increase of one Provincial and eight County and other Rifle Associations. The Moosomin N. W. Territories' Rifle Association affiliating for the first time as a Provincial Association.

Members subscriptions for the year being \$300.00 as compared with \$280.00 in 1887, a small increase of \$20.00.

Associate Members amounted to \$287.00 a decrease of \$20.00 as compared with last year, this may be accounted for by a number of Competitors becoming full Members of the Association.

The Receipts from special donations amount to \$920.00 as against \$600.00 last year. An increase of \$320.00, in which is included the parting gift of \$250.00 received from the Marquis of Lansdowne, before his departure from Canada, and which is to be devoted towards the purchase of a challenge trophy, for competition annually.

The special donations from Banks amounted to \$800.00, the same as last year, and there are no contributions to report this year under the head of Manufacturer's.

The net receipts from entry fees including post entries and fines, exclusive of the charge for ammunition, amounted to \$3,746.86 as against \$3,576.01 in 1887, an increase of \$170.85.

Receipts from sale of ammunition this year amounted to \$1,071.02 as against \$900.46 in 1887, an increase of \$170.56, this is accounted for to some extent by the increase in quantity of "Martini Henry" ammunition used in the competition this year.

Prizes in cash and badges amounted to \$7,206.57, an increase of \$512.87, as compared with last year.

The expenditure connected with the Wimbledon Team this year amounted to \$5,782.00 as against \$5,811.96 in 1887, a decrease of \$29.96.

A detailed statement of the disbursements made by Lt-Colonel Bond, Commanding Wimbledon Team of 1888, will be found in the appendix.

REPORT OF
LIEUTENANT-COLONEL FRANK BOND.

Commanding Wimbledon Team, 1888.

*To Lt.-Colonel, The Honorable G. A. Kirkpatrick, President of the
Dominion of Canada Rifle Association:*

SIR,—Having been appointed to the command of the Canadian Wimbledon Team for 1888, I have the honor to report, that in accordance with the instructions received, I proceeded to Quebec on the 21st of June 1888, and took over the command from Col. Bacon who had inspected the team. The members were all present and properly equipped, and subscribed to the regulations.

We left Quebec on the 21st of June 1888, on board of the Sarmatian. Staterooms had been engaged for us in advance and were quite satisfactory except in two cases, where I had to place four men in a cabin. I think this is not advisable, where the comfort of the members of the team is a serious consideration and must be studied, when one appreciates fully the magnitude of the work they have in hand.

We had a very rough and stormy passage, and nearly all the members of the team suffered more or less.

We arrived at Moville at 10 a. m. on Saturday the 30th of June, and I telegraphed to Col. Humphrey, informing him of our probable arrival at Cambridge on Monday.

We landed in Liverpool on Sunday morning the 1st of July, and after breakfast on board ship proceeded to the Lime street station and stopped at the North Western Hotel, as we could not go on the Cambridge, there being no connection with the train to Cambridge at Bletchley; this connection I think could be arranged with the railway authorities if taken in hand in advance, and would be much better for the team, as they could settle down at once to their work, and also save considerable expense.

We left Liverpool on Monday morning at seven o'clock for Cambridge. I telegraphed before starting to Col. Humphrey letting him know about our movements and probable hour of our arrival; and it was well I did so, as he afterwards told me it enabled him to make arrangements for our reception.

We arrived at Cambridge at two o'clock and drove to the ranges, where we were to camp and practice for a week, in a pouring rain. We found our tents pitched and dinner ready, thanks to the kindness of Col. Humphrey, and every thing had been arranged to make us as comfortable as possible, but we were unable to begin practice that afternoon on account of the rain, which continued to come down in torrents.

We commenced practice on Tuesday morning, the 3d of July, and made the most of our time, but under very trying weather.

On Wednesday the 4th, we fired a match with the Cambridge volunteers and were victorious. We practiced steadily each day, but with the weather very disagreeable, and on Thursday a terrific storm broke over the town, the rain pouring through our tents; altogether it was practicing under great difficulties.

At the invitation of Col. Lord Wantage, I proceeded with Col. Humphrey to a meeting of a local volunteer corps at Churn, in Berkshire, for the purpose of seeing their rifle range, one of the places proposed for the National Rifle meeting in case Wimbledon will have to be given up. It is certainly a very suitable place, the only drawback being the distance from London, taking about one hour and a quarter to get there.

Through the courtesy of Col. Humphrey, Major Roberts, of Caius College, and others, our stay at Cambridge was rendered very pleasant. I sent in advance to Wimbledon and made all the entries for the team, and also made arrangements for our camp.

We left Cambridge at 7 a. m. on Saturday the 7th of July, and arrived at Wimbledon at 3:30. Our tents were ready for us and we soon made ourselves as comfortable as possible, considering it had poured rain all day.

I endeavoured to make the Canadian camp as beautiful and attractive as it has been in former years.

On Monday the 9th of July we took part in our first match for this season, at Wimbledon, and were well pleased with the result, seven of our men taking prizes in the Alexandria.

I regret that more of our men did not secure places in the first stage of the Queen's, as I feel certain that many of them would have come in well at the finish.

The Canada club through their Secretary Mr. Sim, advised me of their intention to offer for competition a cup, and requesting me to make such disposal of it as I thought best. It was decided to award it to the member of the team making the highest score in the Hop Bitters Aggregate and it was won by Lieut. Chamberlin of the 43rd Batt.

The Corporation of London cup was given to the member making the highest aggregate score during the meeting and was won by Sergeant Alex. Wilson, 33rd Batt., with the handsome score of 320 points.

It will be seen by comparing the scores of other years, that while the firing has been very much better than usual, our men have been able to hold their own, and as the returns will show, have made a higher aggregate than usual.

The prize money secured by members of the team amounts to £323.

The competition for the Kolapore Cups attracted a great deal of interest, notwithstanding the fact that only four teams competed, but it was known that the Canadians had been shooting well, and the Captain of the Mother Country had picked out the best eight men of the United Kingdom, and after a close competition we were defeated by 13 points only, Jersey coming in third.

The weather was the worst known for years, very cold and wet, the thermometer ranging two mornings from 42 to 44 degrees in our marquee, and the fields were often turned into swamps, making it very trying for the members of the team.

I noticed that many members of the home teams did not camp out, but lived in houses in Putney and Wimbledon, and drove out to the ranges.

I was glad to receive a visit from Colonel Gzowski, and who was also present during the Kolapore competition, and who always takes a warm interest in the welfare of the Canadians.

The Duke of Cambridge, I regret to say, was unable to inspect the team, as he was detained in London by important business; however, they were inspected by Colonel Lord Wantage, President of the

National Rifle Association, Colonel the Honorable H. F. Eaton, Grenadier Guards, Commander of the camp, and a brilliant staff. Fortunately the afternoon turned out remarkably fine, and while Lord Wantage was inspecting the team Her Royal Highness Princess Louise and Marquis of Lorne drove up and visited the camp. Lord Lorne expressed to the team his great pleasure in seeing the Canadians once more at Wimbledon and the interest he always feels towards the Canadian people.

Sir Charles Tupper, the Mayor of Ottawa and a large number of prominent Canadians visited the camp.

We are indebted to Dr. Rae for having made the members of the team honorary members of the Royal Colonial Institute.

The London Scottish with their usual hospitality made the Canadian team members of their mess, as did also the Westminster Rifles.

Nothing could exceed the kindness and attention shown the Canadian team by the officers of the National Rifle Association, and the name Canadian is a pass-word to the best of everything on Wimbledon common.

I take particular pleasure in acknowledging the services of my Adjutant, Captain Wright, 43rd Batt. He devoted his whole time and great energy towards securing the comfort and welfare of the members of the team, and a great deal of the success of the team is due to his careful management. The conduct of the members was highly satisfactory; there has not been even the smallest misunderstanding, but on the contrary a desire on all sides to comply with every order and to make the name of Canadian stand higher than ever with all those with whom they came in contact with.

I have endeavored to keep the expenses of the team as moderate as possible, consistent with the high reputation of the Canadian camp.

Statements and accounts are enclosed herewith, also a quitance roll, aggregate scores of matches, list of prize winners and score of Kolapore teams.

I have the honor to be, sir,

Your obedient servant,

FRANK BOND, LT.-COLONEL,
Commanding Canadian Wimbledon Team, 1888.

Wimbledon Team for 1889.

The Wimbledon Team for 1889 will be selected by the Executive Committee from the winners in the Grand Aggregate Match, who are members of the Active Militia, and their places on the list shall be determined by the total of their score in the Grand Aggregate Match, and their score in the match for the prizes presented by His Excellency the Governor-General combined, but the Association reserves to itself the right to pass over, for cause, any of the winners in making up the team.

It is however to be understood that the sending of a Team to England in 1889, is dependent upon the action taken by the National Rifle Association with regard to their matches of that year, and the place selected for the competition.

COUNCIL MEETING, 3rd SEPTEMBER, 1888.

A Meeting of Council was called by the Secretary for this date, in accordance with By-laws, to be held in the Council Tent on the Rideau Range, but there being no quorum, no business was transacted.

THOMAS BACON, Lieut.-Colonel,
Secretary.

D. R. A. COMPETITORS' ANNUAL MEETING.

The meeting was held in the Drill Hall, Ottawa, on the second day of the Annual Competition on Tuesday evening, the 4th September, according to notice and was very largely attended.

On the motion of Lt.-Col. Thomas Ross, seconded by Lt.-Col. White, 43rd Battalion, was appointed Chairman and Major Sam Hughes, 45th Battalion, was made Secretary.

Lt.-Col. White on taking the chair, referred to the benefits arising from past meetings, the great complaint of last year's meetings of the bad quality of the Snider ammunition, made at the Government factory at Quebec, had been entirely removed, as the ammunition furnished from that factory this year has given general satisfaction.

Major Delamere, 2nd Q. O. Rifles, suggested that Major Perley should give to the meeting an outline of the improvements made in the ammunition of 1888.

Major Perley explained that the improvement was due to a change in the formation of the bullet.

It was then moved by Lieut. Macnachten, Cobourg Garrison Artillery, seconded by Major B. A. Weston, 66th Battalion—

That the thanks of the competitors at this meeting and of the Volunteers of the Dominion be tendered to the Hon. Sir Adolphe P. Caron, K. C. M. G., Minister of Militia and Defence, for the prompt manner in which he repaired the defect in the ammunition complained of, and laid before him by the Executive of the Association, and that we now desire to express our utmost confidence in that now issued, as it has proved of first quality, we also desire especially to thank Major Perley for the able manner in which he pointed out those defects, and through whom the changes in a great measure have been made.

Major Weston referred to past Meetings held here, whereat the arm with which the Canadian Militia are armed was condemned, owing to defective ammunition, he thought it the duty of this Meeting to make it known that the Militia have every confidence in the ammunition.

Captain J. T. Hartt endorsed Major Weston's remarks.

Major Blaiklock supported the resolution.

Major Delamere congratulated the Department on the ammunition, as did also Captain Adam. He said that both shells and contents were superior to the English.

Captain Weeks, P.E.I. Engineers, also endorsed all the complimentary remarks relative to the ammunition.

The resolution was then put and carried amidst applause.

About this time Colonel Kirkpatrick, President of the Association entered, and was greeted with a round of applause.

Major Perley explained the process of manufacture of the Martini cartridge.

Complaint having been made of the price charged for Martini ammunition, the Chairman, Lt.-Col. White, announced that after consultation with the President, he was able to announce that the price for Martini ammunition would be reduced to 20c. a package.

The President in a brief address welcomed the competitors. He regretted being late at the meeting but had come direct from the train to the hall. He referred to the success of the meeting, and expressed pleasure at the improvement in the Snider ammunition.

Sergeant R. P. Doyle referred to the prevalence of complaints of competitors having to fire in matches without sighting shots; some got in at the extra series, and others did not before firing on their scores. He thought there should be more Snider shooting.

Captain Adam endorsed much that Sergeant Doyle had expressed.

Pte. Sutherland, G. G. F. G., suggested that pool targets might be introduced, when competitors might fire two pool tickets as sighters.

Major Blaiklock agreed with former speaker relative to pool targets but thought it advisable to open all targets for a short time before matches for pool firing.

Major Weston did not agree with Major Blacklock's idea of opening all the targets for pool shooting, he moved, seconded by Major Delamere—

“That it be a recommendation to council to provide pool targets at its next annual competition in such numbers and at such distances as they may think desirable.”—Carried.

Major Perley explained that no additional targets could be placed on the Rideau Range.

Captain Macdonald, of Guelph, outlined how pools were fired at the O.R.A. Meetings over all extra series targets before matches. Sergt. Doyle thought that the old system of sighting shots should be returned to. He moved, seconded by Q.M. Sergeant Cleveland—

“That at future meetings the old system of two sighting shots be re-established.”—Lost on a division.

Captain A. P. Sherwood suggested that owing to the improvement in the Snider ammunition, the Dominion of Canada Match might be fired throughout with that rifle.

Captain Hood, 5th Royal Scots, suggested that each range officer should check the scoring tickets with the black boards and initial the tickets before the scores were rubbed off the boards.

Major Weston stated that the Executive had already resolved to carry out that proposal.

Lt.-Col. Allan, 2nd Q. O. Rifles, suggested that special officers be appointed for that duty.

Captain A. P. Sherwood then moved, seconded by Capt. Bruce, 10th Royal Grenadiers—

“That in the opinion of this meeting, owing to the great improvement in the quality of the Snider ammunition, all matches should in future be fired throughout with the same rifle, and that as far as possible matches should be so arranged, that only one description of rifle should be necessary on any one day.”—Carried.

Major Weston then moved that the meeting adjourn.--Carried.

SAM HUGHES, Major.

Secretary, Competitors' Meeting.

IV.—All protests or objections shall be made at once to the Secretary or Range Officers on duty, and when practicable, in writing. When a protest is in the first place made verbally, it must subsequently be put in writing, and handed to the Secretary not later than one hour after the occurrence on which the protest is founded, and the Executive Committee reserve the right to refuse or accept any protest received or presented after the expiration of that time.

V.—Competitors must submit their rifles and ammunition for inspection whenever required.

XV.—In *Matches* where the prizes are offered to *teams only*, the members of each team shooting together will be permitted to “coach” or “spot” for each other, and to use binoculars or telescopes for that purpose, provided their doing so does not delay or impede the shooting. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint spotters to assist him. With the above exception no other persons will be allowed within the ropes, or permitted to offer advice or instruction to the competitors.

XVI.—Any violation of these rules, or any part of them, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on any repetition of the offence shall report the same to the Executive Officer, that the case may be dealt with by the Special Committee as laid down, under the head of “penalties,” and the person or persons offending may be removed from the firing points.

- | | |
|--|-----------------------|
| (a) Bull's Eye, counting 5 | White disc. |
| (b) Inner 4 | Red disc. |
| (c) Magpie 3 | Black and White disc. |
| (d) Outer 2 | Black disc. |
| (e) Ricochet R | Black bar. |

(f) *Misses* will *not* be signalled ; but if a target is lowered under the impression that it has been hit, and if no hit is found on it, after raising it the marker will wave a *black* disc, to signify that the target has not been struck.

2. When *two* shots strike a target simultaneously, that which has the highest value will alone be signalled with the *signal disc*, and the competitor whose proper turn it was to fire at the target will be credited with the shot, provided he has fired. *Both shots will*, however, be shown by spotting discs.

3. On a target being lowered, the position of a hit, if any, will be shown by the spotting disc when the target is again raised.

4. The signalling shall not be questioned, but if a shot is not signalled, and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may have struck the target, he may call on the Officer in charge at the butt to examine the target, *and the result of such examination as signalled shall be final*. Any competitor challenging a shot shall deposit the sum of *fifty* cents with the officer in charge of the firing point, which shall be forfeited in case no hit is found on the target.

5. If on a target being raised the *spotting disc* appears manifestly to disagree with the *signal disc*, the Register Keeper shall stop the firing at the target, and report the circumstances to the Range Officer, who shall decide the shot after enquiry of the Officer in charge at the butt, but no deposit will be required, nor shall there be any appeal from the decision given.

6. All claims for shots signalled *must be made before* another shot is fired at the target in question.

7. If at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

8. All alterations of the register must be initialled by the officer making them, but no alterations, except in the case of a clerical error, shall be made without his first having signalled to the butt.

9. No person will be permitted to go and examine a target during the meeting except the Executive Officer or such person or persons as he may duly authorize to do so in his behalf.

In Skirmishing.

When the number of hits counted on the target exceeds the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of such shots, unless it be proved that such hits on the targets in excess of the number of shots allowed, could only have been made by competitors in the squad firing more than the authorized number of rounds, in which case the squad shall be disqualified.

XXV.

The rifles shall be Snider (Long and Short) and Martini-Henry rifles, either of Government issue or of *bona fide* Government pattern, and bearing the Government viewer's mark.

No shading of sights will be allowed.
 - (b) The *back sight* may be tilted forward or backward, or supported at any angle by any extemporized means.

- (c) The sliding bar may be inverted and used on either side of the uprights. *One* permanent centre line for the Snider, and *three* for the Martini-Henry will be allowed, and temporary marks or line of any kind removable at pleasure may be used, but not consisting of slips of paper or other substance capable of being shifted or removed.

XXVII.—POSITION.

In the Standing position the whole of the left hand must be in front of the trigger guard, and the left elbow clear of the body.

XXVIII.—ORDER OF SHOOTING.

1. Competitors must be present at the firing points punctually at the time detailed on their tickets, otherwise they will not be allowed to shoot; the time to be regulated by the clock in the Secretary's office, "Blowing off" and all other preliminaries must be completed before hand, and will not be allowed as excuses for delay.

2. In all ordinary competitions competitors shall, when possible, be formed up by files, and fire shot and shot *alternately*.

3. When but *one* competitor is present, he shall fire his shots without undue delay; but the officer in charge of the firing point *or some one named by him*, must witness the shooting, and countersign the register. Failing such verification the score will be invalidated. Any person present whom the competitor may name will watch the score recorded, and if need be raise objection *before* the next shot is fired.

4. No two competitors shall shoot in any competition except in the Martini matches, with the same rifle; nor shall a competitor change his rifle at any range during a competition unless his first rifle should become unserviceable through an accident, which must be verified by the Officer in charge.

5. The competitor must, after delivering each shot, pay attention to the score called out by the Register-Keeper, and himself see that such score is correctly entered on the Register, so that any objection to *the score recorded* may be investigated before the next shot is fired.

6. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass purporting to run one minute, more or less, and if after such caution the competitor does not fire before the sand glass has run out, the Range Officer shall declare the score forfeited and call on the next competitor to proceed with his firing.

XXIX.—TIES.

Ties shall be decided as follows :—

A. *In Individual Competitions for a Series of Prizes*

In the absence of such notice, tickets will be available only for the target for which they were originally issued, and any erasure or alteration, unless verified by the initials of the Secretary or Executive Officer, will cancel the ticket.

2. The place of publication for all notices affecting the detail of shooting shall be the board fixed without the tent of the Secretary, and the posting of a notice on such a board must be taken and accepted as a good service on all affected thereby.

XXXIV.—REGISTER TICKETS.

Should a competitor lose his ticket, or omit to take it to the firing point, or fail to attend at the hour detailed, or give a wrong ticket and so by *his own neglect* miss the opportunity of competing for the prize for which his ticket was issued, he shall forfeit his claim on the Association in regard to such competition, *and no duplicate ticket shall be issued to him except upon special circumstances.*

5. Any *erasure or substitution* of one name for another, unless made by the Secretary or Executive Officer, shall invalidate the ticket.

The Council reserves the right to alter, amend or rescind any of the foregoing regulations as circumstances may require.
