BEWS BY THE ENGLISH. MAIL: The R. M. Steamer America, arrived et Halifax, on Friday morning, with 126-man-lengers, 27 of whom where for Halifax. Her dates are to the 29th ult? The follow-ing if a summary of the news: "Patliament, had been, further protogued to the 29th Norsember. It was runoured that the Emperor and Empress of France will visit London some-tions were being made in official districtions for their reception

for their reception The French Embassador at Constantinople M. de la Cour, had been recalled, in consequence of his equivocal behaviour at that city, by means of which the French have lost much of their popularity and in-fluence in the Turkish capital. An Officer of high rank, it is said, will require the ap-Cardinal Wiseman has gone to Rome to

Cardinal Wiseman has gone to Rome to confer with the pope. The Argo arrived at Plymouth from Aus-tralia on the 17th., with £567,778 in gold, and about 100 passengers. A new gold field was discovered on the Goulhourn River, which caused scamen, to raise their demands from £45 to £60, for the run to England. Some new diggings had been discovered, which were yielding profitably. Market dull. Monarthy and Constitut(AL Review, --Almost the only occurrence of interest to

Moversky and Conducted Review. Almost the only occurrence of interest to the commercial reader during the past week has been the unusually large import of gold from Assistatis and the United States. From the golden regions the amount receiv-ed (including the Argo's cargo', has reach-ed nearly one million, while our transat-lantic brethren' have contributed meanly ballo million to contributed meanly Lantic brethren' have 'contributed' ndålly half a million storling. 'The policy' of the United States' Government, in 'appropri-ating seven millions of dollars to the 'te-demption of Stock at a premium, '(a great proportion of which is held in this country and in Europe.) in the face of a stringent Money market, has been severely criticised Money market, has been severely criticised both on this and the other side of the Atlan-tic. This step, however, will flave the effect of causing large shipments of specie to this country for some time to come. Shipments of the precious metal still con-tinue to the continent; but the demand has grown more languid, and it is befieved that the greater portion of the late arrivals will find their way into the collors of the langu of England, and thus avert, for some time at least, any advance of the rates of discount by the Bank directors.

At the correspondences of Alasem, and pagetablity to merit a share hopes by promptiess and pagetablity to merit a share of their paronage. no orders will be given for it to leave unless new circumstances should render it neces-sary. This is not all that has been done at the Ministry of Way., The Military cadres have been reformed, and such admirable arrangements have been made, that in less than wix weeks the standing urmy of France could be raised to 770,000 men. St. Petersburgh letters received in Paris, speak of a strong desirs for a negotiation on the part of the Count de Nesselrode; ind even the St. Petersburgt Journal has an article that is decidedly in this sense. It is believed that endearouts, are still be-ing actively made by the four powers to effect a peaceable solution. In case of a general war England will do

In case of a general war England will do the work of the coalition by sea-and never was she better prepared to do it effectually. At this time, the continent of Europe France included, has but 22,000 guns in whilst the application of the serve porpellor to ships of the line has added to this immense force a mighty agent to play a part in the bloody drama.

bloody drama." "The total tonnage of the continent of Europe, for all kinds of vessels, is two mil-lions, or a little over. England's tonnage more than doubles that amount, which, in-dependently of her morehant steam marine, gives, heys, a proponderance of strength on the ocean, that, while it sets at defance the wooden walls of the antions of Europe, extends and protects her commerce where-

destitod here that Antaria is to be passed on as Russia advances, by which means the despoit governments of the perinsula will be confirmed in their fulquity and crock system of rule. It is doubtful how long Pio Nono may live; all around him, I am assu-red, trace the elements of dissolution, rea, trace the elements of dissolution, whillst for some time past his better feelings have raceived so many wounds from the Austrian agent Antonelli, as to leave his mind perfectly prostrated. The next Pope is to be a thorough-going. Austrian, and then Italy will remain, with the exception of Piedword enticels Russ-Austrian for of Piedmont, entirely Russo-Austrian, for the Two Sicilies are already governed from Vienna."

Vienna," Intellizence of the most recent date from St. Petersburg informs us that the Car still makes professions, is still apt for negotiation, still sceles to gain time... The positive sincerity of the Em-peror of Russia cas, only be shown, by positive retreat. Less than this is deception. But the Western Powers are no longer to be deceived, nor will they again seek Russia with propositions for arrangement. It is now for Russia to propose and to negotiate ; but her propositions and negotia-tions, will not be entertained, save on one im-perative basis—her immediate withdrawal of her trops and her pretensions. The continued fields had entered the Dardan-elles, four appeared in no huiry to advance, as they

having required that they should not internal fere except at his express requests the formation which filled Constantinople the people, had become i wards as scording to even and to the orders somewhat unruly, and the Swadish flag had between a coording to even and to the orders been insulted. The English Consul's housail in the Dardanelles had been pelted with stones, a pretty sure indication of public-off attachment" to their cause. However, the Court the France Ambassador at the Court the France Ambassador at the Court the France Ambassador at the Porte, as it is reported that from some site indegred end to the orders user the Ambassador at the Court the France Ambassador at the Court the The State France Ambassador at the Court the France Ambassador at the Court the France Ambassador at the Court the Indegred the Court the State France Ambassador at the Court the France Amb Nuclear strain and spectrum in the spectrum in th

the hotel of the Minister of Finance, when the following communication was made to them by that fonctionary ... Gentlemen, his Majesty hav-ing learned by the English journals that grave disquietude existed relative to the persons and property of English subjects, whether in Russia or in the Baltic, should war break out, has charged me to inform you, that, whatever may happen, the persons and property of English subjects, on sea and fand, shall be fully respected. I may add that strong hopes are entertained that peace will be maintained. At all events, the conviction prevails that war will not break out between Russia and England, whatever may be the course of events in the East.'''

the coarse of events in the East."" A telegraphic despatch from Bucharest states that on the 23d in tast two Russian steamers and eight gin boats forced a passage on the Danube, and encountered a smart firs from the fort of Is-acted as a state of the right berders of the river, between Rent and Ismail. The Colonel com-mending the floatila, along with 3 officers and 19 mending the floatila, along with 3 officers and 19 mending the floatila, along with 3 officers and 19 mending the floatila, along with 3 officers in the fortrees of Isactcha. The reports from the Russian quarters in the Principalities state, that 17 hospitals already exist, and that 10 more are about to be append. The most costly furnished and admirably arranged pal-mers and dwalling-houses of, the inshibutants are taken without remorae by the Russians for the purpose of accommodating their sick, who multi-ply so fast on their hands that they have already adopted the expedient of removing such as can bear if (urther northward. Ruporting DEFEAT of Russian Tapors - A

REPORTED DEFEAT OF RUSSIAN TROOPS.—A despatch from Vienna of the 22d inw., reports that the Torks had passed the Danube, and defeated the Russians near Altanetza. It was also runoured that some Russian vessels had been captured by the Turks. Both statements, however, appear to rest on doubtful authority.

## THE SULTAN'S FIRMAN IN FAVOR OF HIS

THE SULTAN'S FIRMAN IN PAVOR OF HIS PROTESTANT SUBJECTS. Most honoured vizier, illustrious counsellor, maintainer of the good order of the world, di-reator of pablic affairs with wisdom and judg-ment, accompliaber of the important transac-tions of mankind with intelliguese and good sense, consolidator of the eddings of ampire and of glory, endowed by the Most High with abundant gifts and Moushir, at this time, of my gate of felicity, my Vizier Mehmed Pasha, may God be pleased to preserve him long in ex-alted dignity. Let it be known on receipt of this my noble reacript, that—

Carr, when he creased the Proth, assumed the diffensive, and has maintained it ever since. The strong h of Turkey, apported by England and France, must provail against Assain. Here indigen will the Car combat with superior forces? The individual provail against Assain. Here indigent to undermine right, to outthrow interest. If she listen to the voice of obstinate folly, she will but trouble Europe, and ensure ber not iterational bonds, but their forthermice has been of the most temperate and patient character. If it now exhausted, and we cannot regret the severe of the most temperate and patient character. If the and her Allies, when they regel picetical invasion for the most temperate and patient character. If the assatch form Bucharast, of the Bitty consequences that will ensure to Russin. THE AMERICAN BEREDITION TO THE MAN

TAPAN.

THE POPE AND THE CZAR-The Rus-This Pore and this Can The Ris-rian Embassion has left Rome. The Pope sent to some Polish monks for information about the Polish maryr just canonized. The monks communicated the particulars directly, instead of through the Emperor, and have been sent in consequence to Sibe-ria. To this severity the Pope siluded in his harangue, and wept as he deplored that Catholics in Runsia had no other course left but to suffer and the but to suffer and die.

FRANCE. As article of a walke character, which ap-peared in the Moniteur, upon the Turkush ques-tion, is stated to be written by the Emperor him-self.

Everything is prepared for a land expedition Everything is prepared for a land exploition from France to Constantinopie ; but no orders will be given for it to leave unless new circumstances should render, it necessary. This is not all this has been done at the Ministry of War. The Min-iary cadres have been reformed, and such advair-able arrangementa have been made, that is leave than six werks the standing army of France could be raised to 750,000 men.

### CALIFORNIA

CALIFORNIA. The Supreme Court of California, this made an important decision, declaring wold all grants made in accurdance with the Mpstian law. The effect of this will be to oust hundreds, from hus held by thein for years, and restore them to the original grantees. It is considered a death blow to the equatiers, and will cause millions of projerty to change inands, by the mere operation of faw. Mr. Bigler's majority for Governer, through-out the State, turns out to be only eighteen hun-dred and five votes. Murders and outrages are occurring throughout the State to an alarming extent.

# SANDWICH ISLANDS.

SANDWICH ISLANDS. From the Sandwick Islands the news is highly important. Dr. Judd had been removed from the office of Minister of Finance, and Elishe H. Allen, Inte United States Consol, appointed in his pizce. A decided step had been taken towards an nexation to the United States. The French and British Consults had protested to the King variation to the United States. The French and British Consults had protested to the King variations up and replace in the American Commissioners had replaced in a firm but dignified minners. This movement, had crossed the greatest excisioners in the Ialand.
