In the Sick-room Many a patient has re-covered health by the help of OXO. It frequently succeeds where other foods fail, on account of the ease with which it can be assimilated. OXO CUBES are always ready, always justright. With their aid a cup of OXO can be made *fresh* at any moment, while beef-tea takes hours to prepare. For invalid delicacies, too, OXO CUBES are splendid. So much so, that many nurses now use them almost exclusively for that purpose instead of meat.
