Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

- Coloured covers/
Couverture de couleur
- Covers damaged/
Couverture endommagée
- Covers restored and/or laminated/
Couverture restaurée et/ou pelliculée
- Cover title missing/
Le titre de couverture manque
- Coloured maps/
Cartes géographiques en couleur
- Coloured ink (i.e. other than blue or black)/
Encre de couleur (i.e. autre que bleue ou noire)
- Coloured plates and/or illustrations/
Planches et/ou illustrations en couleur
- Bound with other material/

The copy filmed here has been reproduced thanks to the generosity of:

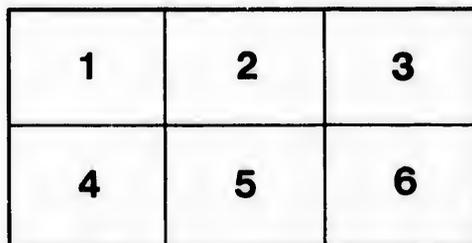

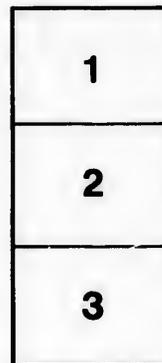

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

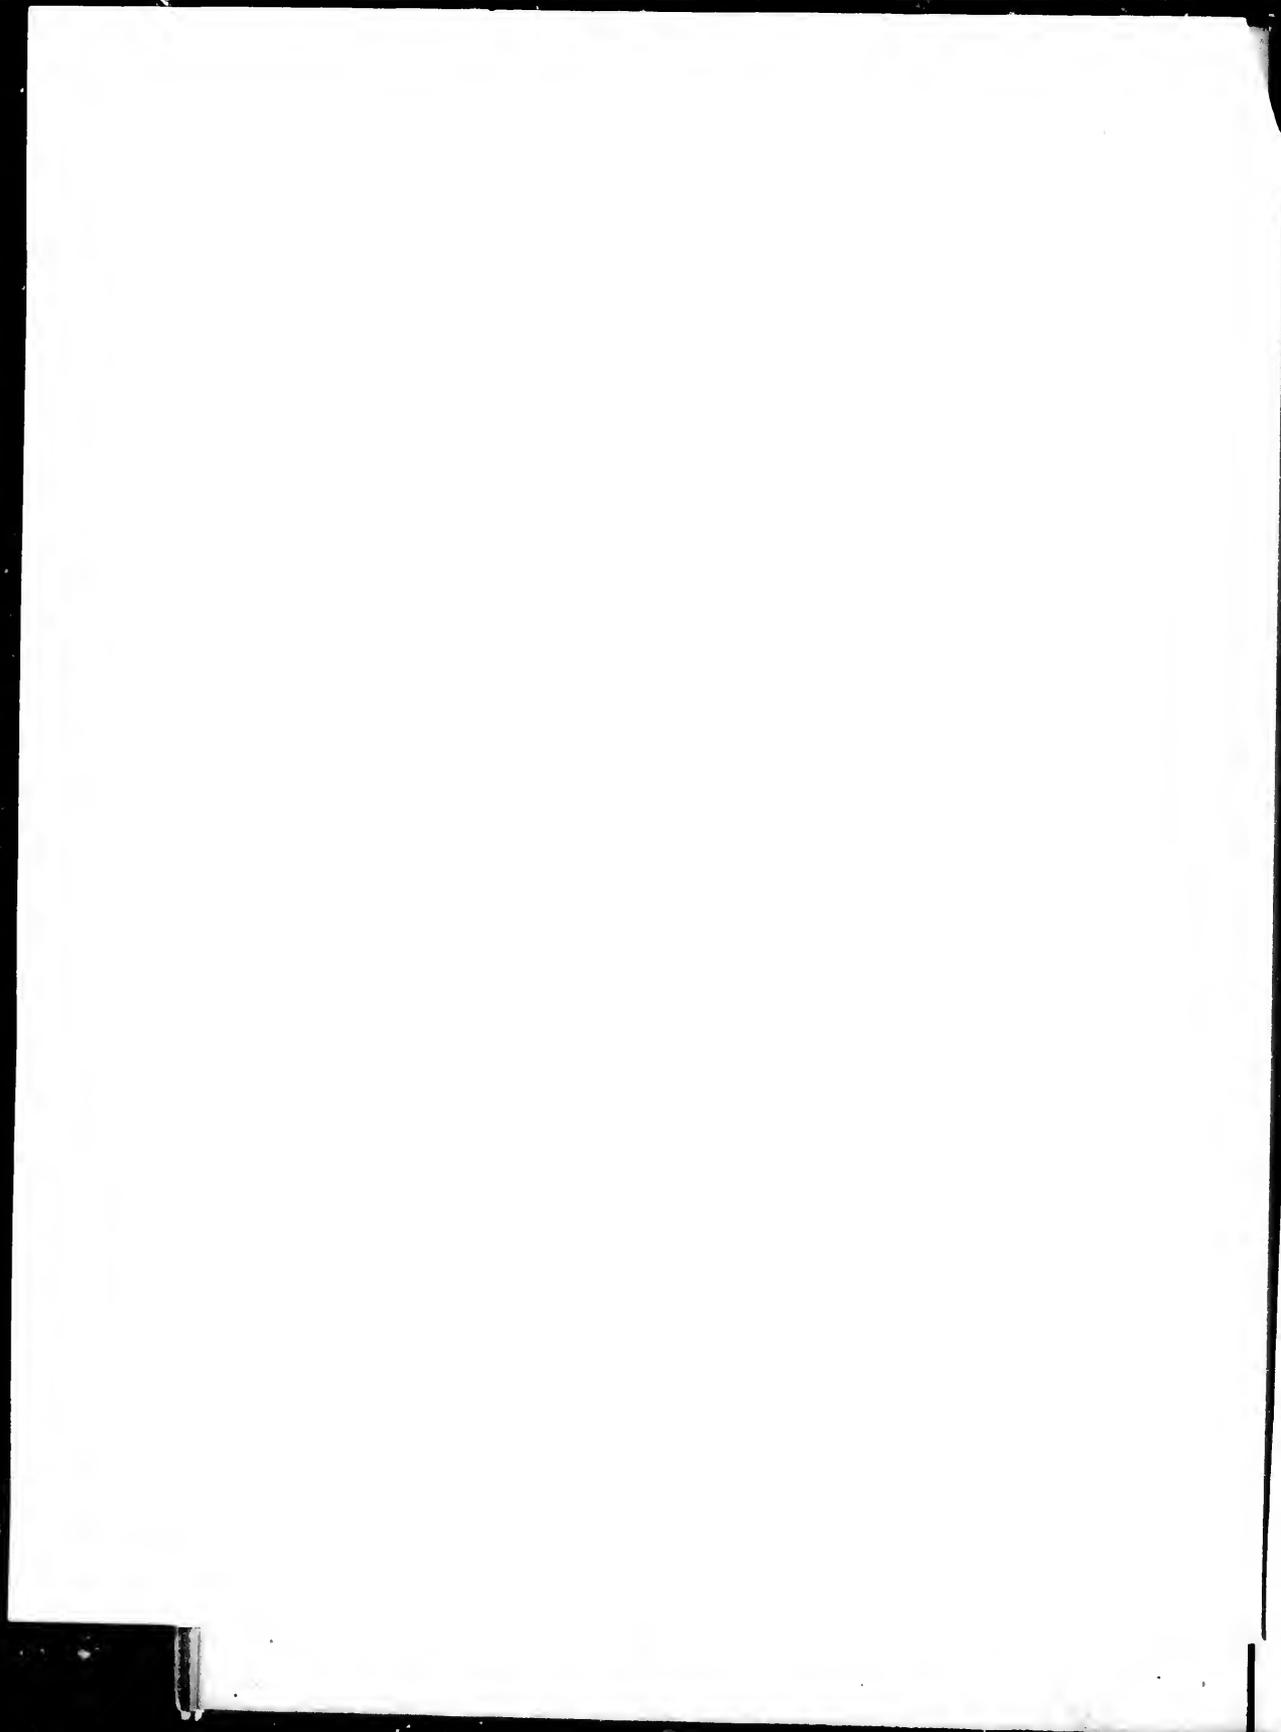

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

T H E

SPEECH of the LORDS COMMISSIONERS
appointed by His MAJESTY, for holding this
Parliament; delivered by the Lord Keeper to
both HOUSES of Parliament, on *Thursday* the
Twenty third Day of *November*, 1758.

My Lords, and Gentlemen,

IN pursuance of the Authority given to us by His Majesty's Commission under the Great Seal, amongst other Things, to declare the Causes of His holding this Parliament; His Majesty has been graciously pleas'd to direct us to assure you, that He always receives the highest Satisfaction, in being able to lay before you any Events, that may promote the Honour and Interest of His Kingdoms.

That, in consequence of your Advice, and enabled by that Assistance which you unanimously gave Him, His Majesty has exerted His Endeavours to carry on the War in the most vigorous Manner, in order to that desirable End, always to be wish'd, a safe and honourable Peace. It has pleas'd the Divine Providence to bless His Majesty's Measures and Arms with Success in several Parts; and to make our Enemies feel, that the Strength of *Great Britain* is not to be provok'd with Impunity.

We have it also in Command from His Majesty to acquaint you, that the Conquest of the strong Fortrefs of *Louisbourg*, with the Islands of *Cape Breton* and *St. John*; the taking of *Frontenac*, of the highest Importance to our Operations in *North America*; and the Reduction of *Senegal*; cannot fail to bring great Distress upon the *French* Commerce and Colonies; and, in Proportion, to procure great Advantages to our own. That Nation has also been made sensible, that, whilst their Forces are sent forth to invade and ravage the Dominions of their Neighbours, their own Coasts are not inaccessible to His Majesty's Fleets and Armies. This they have experienced in the Demolition of their Works at *Cherburg*, erected at a great Expence, with a particular View to annoy this Country; and in the Loss of a great Number of Ships and Veilëls; but no Treatment, however injurious to His Majesty, could tempt Him to make Retaliation on the innocent Subjects of that Crown.

In *Germany*, His Majesty's good Brother the King of *Prussia*, and Prince *Ferdinand* of *Brunswick*, have found full Employment for the Armies of *France*, and her Confederates; from which our Operations, both by Sea, and in *America*, have derived the most evident Advantage. Their Successes, owing, under God, to their able Conduct, and the Bravery of His Majesty's Troops, and those of His Allies, have been signal and glorious.

His Majesty has further commanded us to observe to you, that the Common Cause of Liberty and Independency is still making noble and vigorous Efforts, against the unnatural Union form'd to oppress it. That the Commerce of His Subjects, the Source of our Riches, has, by the vigilant Protection receiv'd from His Majesty's Fleet, flourish'd in a Manner not to be parallel'd during such Troubles. In this State of Things, His Majesty, in His Wisdom, thinks it unnecessary to use many Words to persuade you to bear up against all Difficulties; effectually to stand by, and defend His Majesty; vigorously to support the King of *Prussia*, and the rest of His Majesty's Allies; and to exert yourselves to reduce our Enemies to equitable Terms of Accommodation.

Gentlemen of the House of Commons,

The uncommon Extent of this War, in different Parts, occasions it to be uncommonly expensive. This His Majesty has order'd us to declare to you, that He sincerely laments, and feels deeply for the Burdens of His People. The several Estimates are order'd to be laid before you; and His Majesty desires only such Supplies, as shall be requisite to push the War with Advantage, and be adequate to the necessary Services.

My Lords, and Gentlemen,

His Majesty has, in the last Place, graciously commanded us to assure you, that He takes so much Satisfaction in that good Harmony which subsists amongst His faithful Subjects, that it is more proper for Him now to thank you for it, than to repeat His Exhortations to it. This Union, necessary at all Times, is more especially so in such critical Conjunctions; and His Majesty doubts not but the good Effects we have found from it, will be the strongest Motives to you to pursue it.

I

R I N I S.
