BYE-LAWS

OF THE

INCORPORATED

DIOCESAN CHURCH SOCIETY.

1st. At all meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, with a control over all its proceedings, and no alteration shall be made in the Bye-Laws without his approval; provided always that this bye-law shall not extend to the Church Endowment Scheme, over which the Bishop shall not exercise any control, either in the application of the fund or the management thereof, or in any way whatever.

4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All Members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as here-

after provided ; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye Law.

7th. An Annual meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint ; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September ; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society ; but when the Local Committee desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention :—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.

- 6.—Assistance
- 7.—Assistance of the Church establishment
- 8.—Aid to Sunday school
- 9.—Encouragement day and

- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishments at Windsor.
- 11.—It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new Members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

15th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS

APPOINTED TO BE USED AT "ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in thee, we may glorify thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. men.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and hereties, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but, above all, for Thine inestimable love in the redemption of the world by thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ: to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be Thy name; Thy kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

In presenting their Report for the past year, the Executive Committee wish to express their gratitude to Almighty God for the support which He has hitherto given to the efforts of the Diocesan Church Society; and also their thankfulness that we are permitted to meet again for consultation upon matters connected with our dearest interests.

At no period in her history has the Church in Nova Scotia been more in need of the united exertions of her members for her support, and of Divine wisdom for her guidance.

It is our earnest prayer that we all "may both perceive and know what things we ought to do, and also may have grace and power faithfully to fulfil the same, through Jesus Christ our Lord."

Your Committee observe with pleasure that the Churchmen of Nova Scotia seem to be every year more alive to the necessity of personal interest in the proceedings of our Church, and better convinced that, under God, her maintenance depends upon their own efforts.

We cannot but regret that there are any members of the Church in this Province whose names do not appear on the Society's lists of subscribers; and we are of opinion that a more vigorous and systematic exertion might augment the income of the Society in proportion to the increasing wants of the Diocese.

Your Committee think that the interests of the Society would be advanced if more general attention were paid both to the formation of a regular Local Committee in each parish, and also to the holding of periodical meetings for the diffusion of information relative to the efforts and the necessities of our Church.

Under its present constitution, this Society now represents, and may be made still more generally to express, the united voice of the Church in Nova Scotia; while its past experience and well digested rules adapt it to be the one society for the Diocese, under whose guidance the means necessary for the support of the Church may be raised and distributed.

The Society for the Propagation of the Gospel, of whose kindness and liberality we ever retain a thankful remembrance, has, during the past year, paid to this Diocese the proposed block sum; and its responsibilities to the clergy have been faithfully discharged.

This agreement terminates with the year 1860, and in no way interferes with the previous claims of the clergy upon the Venerable Society, should this Diocese then feel itself unable longer to bear the charge of their stipends.

The change in the first object allows the Diocesan Church Society to aid the parishes generally in the support of their clergymen; and it is desirable that a regular scheme be adopted, in accordance with which such assistance may be given when the means of the Society will permit.

The Parochial Aid Committee have prepared a schedule of the income of each parish, and the probable deficiency of support for the clergymen.

They have also made a tabular statement of all the lands belonging to the Church in every part of the Diocese, together with an account of the churches, parsonages, school-houses, &c.; shewing their value, present condition, and the tenure by which they are held.

The Committee feel assured that every member of the Society will unite in taking a deep interest in the various missionary efforts of the British Church in Japan, China, India, and Africa; and will pray for the Divine blessing upon the labors of those who are champions of the cross in those heathen lands.

We trust the time may not be far distant when we, too, may, as a Church, give proof of our vitality by uniting in the spread of the Gospel of Christ beyond our own borders.

That your Committee have less to report of their own proceedings than in former years is an indication that the operations of the Society have fallen into their regular and desirable channels.

The following is a statement of the receipts and expenditure during 1858:

The Society's receipts amounted to £1813 14s. 6d. during the year 1858, for the following objects, viz.:

Superannuation Fund	£130	8	9
Bishopric Endowment Fund.....	153	2	2

SUPERANNUATION FUND.

The Superannuation Fund has been adopted by the Society as one of its objects; but more pressing claims upon the Churchmen of the Diocese have prevented any steps from being taken to raise the fund, or to frame a scheme for its administration. The Society will, however, gladly receive any dona-

tions for this of 1858, arose from interest on money which were given now holds for the Savings' Bank.

The sum of £130 8s. 9d., received during the year 1858, arose from special subscriptions and collections in churches, from interest on money held for this purpose, and from donations to the fund, two of which were given through the Bishop, of £62 10s. and £15s. The Society now holds for this object two city bonds of £100 each, and about £50 in the Savings' Bank. The interest will be allowed to accumulate for the present,

WIDOWS' AND ORPHANS' FUND.

The sub-committee have much satisfaction in reporting the continued success of the fund under their charge.

The receipts during the year 1858 were £117 18s. 9d. from premiums paid by the clergy; £106 7s. 7d. from interest on money funded for this object; and £67 14s. 1d. from collections in the Diocese,—making the regular income of the fund £292 0s. 5d., to which may be added a donation through the Bishop of £35.

The Society holds in trust for this fund, sixteen city bonds of £100 currency each, two provincial debentures, each £100 sterling, bearing interest at six per cent., and £195 in the Savings' Bank.

The Committee regret that the annual collections are omitted in several of the parishes, and would earnestly recommend that the annual sermons be preached and the collections made even where they amount to but a small sum. This would at least testify the interest of the clergy in the scheme, and carry out the understanding upon which the fund was established, and upon which its security and the increase of the pensions greatly depend.

The sub-committee submit a list of the parishes from which no collections have been received for 1858.

During the past year there were no claims upon the fund for pensions, but, by the lamented death of the Rev. W. Y. Porter, who was drowned in the early part of the present year, the first practical proof has been given of the benefit of the Widows' and Orphans' Fund.

ENDOWMENT OF PARISHES.

During the year 1858, the Endowment Sub-Committee have received from the interest of money invested, £108 12s. 1d.; from the reserved fourths of the contributions of parishes, and a few small donations for special objects, £173 18s. 9d. They have paid to the incumbents of parishes as interest on monies held in trust, £15; for investments, £651 17s. 6d.; and they have returned to the parish of Liverpool part of their reserved fourths, to the amount of £20, to be invested by the corporation of that parish.

The Committee now hold the following securities for the money under their care: two Province Debentures of £100 stg. each; two city bonds of £100 cy. each; three shares of stock in the Bank of Nova Scotia; mortgages to the value of £725, and Tennessee State Bonds for \$1017.55.

Much good seems to have been already effected under this object of the Society, by encouraging and aiding several of the parishes to acquire small

endowments for the support of their clergy, and the Committee beg leave again to call the attention of the Society to the expediency of a general effort in order to secure to each parish endowment sufficient to meet at least one-third of the salary of their clergyman.

CHURCHES.

The Committee have paid toward the erection of churches during the past year :

Thus, seventeen missionaries received part of their support from this Society.

Aid was given to Truro only for a limited period, in consequence of an engagement entered into by the late Rev. T. C. Leaver, under which he paid the Society £40 per annum.

The Committee cannot but regret that there is at present no missionary at Westport, to which place £50 per annum has been paid for some years past, and they earnestly hope that before long another laborer may be found for this important though arduous mission.

(From the Rev. J. Tays.)

BARRINGTON, March 8, 1859.

Immediately after my ordination I came to Barrington, and set myself to work at once to make myself acquainted with the place and the different localities around. I made the church at Barrington the centre of my operations. Here I have preached twice every Sunday since I came. The congregations are not large, but regular—an average of about sixty, about one-half of whom are Churchmen. We have a very nice Sunday-school of about thirty children. I have a bible class every Saturday evening, and a regular attendance of about twenty-five, sometimes thirty. But there is a large field around, from which I have selected four places, which I visit alternately every four weeks, viz. : Port La Tour, on the east, twelve miles distant, where there is a church commenced, but unfit to hold service in. I preach in a large school-house, to a congregation of from one hundred to two hundred persons, only two of whom belong to the Church,—so we cannot expect any local assistance towards the completion of the church. The next week I visit "Solid Rock," also on the east side, seven miles distant, where I meet a congregation of from fifty to one hundred, in a nice little school-house ; but there is only one Church family in the place. I then go to Wood's Harbor, on the west, nine miles distant, where I preach in the Free-will Baptist meeting-house, to a congregation of from one hundred to one hundred and fifty, among whom there is but one man who calls himself a Churchman. I complete my rounds by visiting Cape Sable Island, about one mile across the West Passage. I preach in the Presbyterian meeting-house to from fifty to seventy-five persons, only one of whom claims my protection. At all of these places the congregations are exceedingly attentive, and seem pleased to have me come among them, for oftentimes they have no other service between my visits. It is no uncommon thing to have persons from five miles distant, and sometimes eight miles. Until the 1st of November I visited them on Sunday evenings,—preached, remained all night, visited the sick, and went from house to house on Monday (the good people of Barrington providing me with a horse, besides the £50 required by the Society). But about the 1st of November the days became so short that it was almost dark before I got through with my second service, so that I had to travel sometimes twelve miles in the dark ; so, with the consent and approval of all parties, I concluded to preach but twice on Sundays during the winter months,—having the second service at 7 o'clock p. m., and visiting my out-stations on Wednesday evenings ; so I now perform my journeys on foot, and remain all day Thursdays, and give them either a second sermon or a lecture in the evening, and get home on Friday. Since I have been here, I have preached 113 sermons, delivered 10 lectures, made 31 school visits, 217 parochial and 21 sick visits ; had two baptisms and two marriages, and have travelled about 1000 miles. This is truly our day of small things, but we have the promise that we shall reap if we faint not. We have, however, much to be thankful for. There is now but little opposition, and the people appear to come out gladly and give a listening ear. I firmly believe that when they are better informed, the teachings of the Church will be eagerly received. I therefore take every opportunity of impressing upon them the necessity of educating the rising generation, in whom is our hope. I delivered a lecture on general education at Wood's Harbor, after which the people subscribed £35 for the support of a male

teacher for a year — an advantage which they have never before enjoyed. The Colonial Church and School Society have kindly granted me £15 for this school, and I expect to get £20 from the provincial grant, which will make £70; and I have succeeded in securing the services of a superior teacher. He has now 63 scholars, and expects soon to open a Sunday-school. Other places, seeing the beneficial effects of my lecture at Wood's Harbor, invited me to lecture for them; so I hope in a short time to have all the schools in healthy action. At Wood's Harbor the teacher has organized a temperance society, which now numbers 65 members. They invited me to give them a lecture on the subject, which I did on Thursday last; so you see my time is fully occupied. I can only thank God that He has given me a will to labor in His vineyard, and bodily health and strength to enable me to perform my labor. To Him alone it belongs to give the increase.

There are so few that we can with propriety call upon for money, that I have not been able to do much towards the funds of the D. C. S. I enclose you £6 10s., and hope by the end of the month to be able to send you another pound.

(From the Rev. J. Randall.)

MAITLAND, April, 1859.

When I commenced our subscriptions for the past year, I was apprehensive that we would scarcely realize so large a sum as the one sent by the last return. I supposed that there might be a falling off at Kennetcook, as the people of that district have undertaken to build a new church, and have in consequence subscribed pretty liberally for that purpose. But I am happy to find that instead of any reduction in the amount of our subscriptions, we have obtained an increase of about £3 10s. above that of last year. The people generally seem well disposed towards the Society, and willing to contribute to its support according to their means, while some, I may say, manifest no small degree of zeal as well as take a lively interest in promoting its success. The sum realized, however, is not what it might be, if all would contribute their share. But here, as elsewhere, there are those who care, like Galileo, "for none of these things." While some are ready with every good work, and desirous of testifying their gratitude for all the blessings, temporal and spiritual, which they enjoy, by an offering unto the Giver, others will grudge the smallest trifle for the service of Almighty God and the advancement of His religion in the world. Upon the whole, however, I think we have every reason to be satisfied with our subscription list as it now stands — the amount contributed being £21 0s. 5d.; and, as an encouragement for the future, I trust that, as the operations of the Society — its wants, and the sources upon which it is dependent for its support — become better and more generally known, the Society itself will be more highly appreciated; while the knowledge thus obtained will tend to enlist the sympathies of the people in its behalf, and induce them to put forth greater exertions than ever to increase its usefulness by increasing its means.

(From the Rev. H. Deblois.)

£40 than now £10, you will perceive that their interest in the Society has been visibly increasing. In many instances my people have given, when the money was actually needed for the necessaries of life, so determined were they to evince their gratitude by giving a little to that Society which has done so much for them, and without whose aid (for the present at least) it would be impossible for them to maintain a missionary in their midst. I have not had to make one single personal application in collecting the enclosed sum, the congregation having of their own accord brought their offerings to the house of God, thus saving the trouble of appointing collectors, to whom it is often a wearisome and thankless task to solicit aid; while, at the same time, I rest in the full persuasion that when the object is properly laid before them, people will give quite as much in this way as in any other. There is no doubt in the world that persons can be educated into giving, and that a systematic training in the matter will make them not only more willing, but also more able to give.

You will be gratified to see the largely increased subscription list from our Sabbath-school. Immediately after the last collection, by my advice, they began to prepare for this; and by adding penny to penny, and at the same time scrupulously avoiding all temptations to spend their little hoard, they have accomplished the above result. One little fellow, who gave five shillings, was so apprehensive that another year he would not be able to realize (to him) such a large sum, that he kept back a trifle as a sort of nest egg for the future. Too much attention cannot be paid in this matter to Sabbath-schools. They are the nurseries of the Church; and what may we not reasonably expect in after years from those who have been taught in their youth to minister liberally of their means to Christ for the Gospel's sake?

(From the Rev. J. Forsythe.)

TRURO, March, 1859.

Our contribution is apparently a few shillings less than it was last year, but is in reality much greater. Mr. Leaver and his family were here last year to contribute, and besides he obtained a number of subscriptions from Stewiacke, which swelled out our list very much; and, besides, young Mr. Leaver, who contributed £2 last year, having this year contributed at Windsor, was only able to give me a pound,—so that, on the whole, I feel thankful that our contribution has risen so high.

I am happy to say that there is a growing appreciation in this parish of the importance of the D. C. S. to the best interests of our Church in this Diocese; and I have no doubt but this will continue to bear fruit to the full extent of our means, which I am sorry to say are not so large as might be supposed. Our people are not rich, with, perhaps, not one exception. Most of them, however, through their shops and farms, manage to live comfortably; and I can bear them witness that they are quite willing to contribute to the cause of religion according to their means, and in some cases, I am quite sure, beyond it. Of this I have had more than two or three instances in making up our present collection.

£6 1s. 3d. has been paid for books from the depository of the S. P. C. K., and returned as one-fourth of the contribution from Mahone Bay.

The printing of the twentieth report cost £45 5s.

To the preachers of the annual sermons in 1857 and 1858, the sum of £10 has been paid.

These charges, together with the Secretary's salary of £30, and several bills for stationery, printing, advertising, and a grant of £5 for the use of the National school-room, make the total expenditure of the Society during 1858 to be £876 15s. 7d., leaving a balance in the Treasurer's hands of £296 10s. 8½d. From this must be deducted—unpaid grants to churches, £20; salaries due to missionaries for the December quarter, £230; contingencies, £20; leaving about £20 unappropriated towards the disbursements of 1859.

The following is a memorandum of returns from the Local Committees in 1859, including the returns for the Widows' and Orphans' Fund:

"During the time of my residence here, in addition to our annual remittance sent to Halifax, we have had to contribute very largely to our own local wants, and shall probably have to do so again this year, which will account for our remittance not being larger. On the whole, however, I think it will be admitted by those who have an opportunity of judging that we are endeavoring, in our quiet way, to do a good work and to bear our proper part in concert with our fellow-churchmen throughout the Diocese."

- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be claimed when the exterior is finished—the second when the interior is finished.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

With reference to a resolution authorizing the employment of Assistant Missionaries, it was resolved on the 17th August, 1849:

“That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee.”

“Resolved,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member; but that any person may devote his money to any particular object which is recognised by the Society.”

Form of Legacy.

“I give to the Diocesan Church Society of Nova Scotia the sum of _____, to be applied to the general purposes of the Society.”
And the receipt of the Treasurer of the Society shall be sufficient discharge for the same.

“All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.”

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that parish.”

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:

“That in future all subscription lists received before the 31st March, in each year, will appear in the next forthcoming report, while those received after that date shall be omitted.”

At a meeting of the Executive Committee, April 18th, 1856, it was directed:

"That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general purposes of the Society."

The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the Executive Committee in February, 1857, it was resolved :

"That in future but one sermon be preached before the Society at its Annual Meetings, and that the sum of £5 be offered to the preacher toward defraying his traveling expenses."

In January, 1858, a sub-committee was appointed "to aid the Bishop in obtaining information respecting the endowments of Parishes and Missions, and the ability of the people to maintain their own missionary, with a view to an equalization of the aid which the Society may be able to afford." This sub-committee prepared a tabular statement, shewing the available resources of each parish and mission, and also stating the deficiency of salary in any case where the whole income fell short of what they were of opinion should be its minimum amount.

At a meeting of the Executive Committee, February 19th, 1858, it was

"Resolved, That in future all applications for aid from this Society be proposed at one meeting and considered at the next."

PUBLIC MEETING.

A public meeting of the Diocesan Church Society was held in the Temperance Hall on Wednesday, the 16th March, 1859.

After opening the meeting in the usual manner, the Right Rev. the President gave a highly interesting account of his late visit to the western parts of the Diocese, and of the progress the Church is making there.

The first resolution was moved by the Rev. Geo. W. Hill, Curate of St. Paul's, and seconded by W. C. Silver, Esq., Treasurer of the Society :

"Resolved, That the present crisis, occasioned by the withdrawal of aid from England, can only be successfully met by the united efforts of every member of the Church to secure a permanent provision for its support."

The second resolution, relating to the progress of the Church in this Diocese, was moved by the Hon. Mr. Justice Wilkins, and seconded by the Rev. J. B. Good, of St. Augustin's Miss. Col., Canterbury.

A collection was then taken, amounting to £19 8s. 8d., exclusive of a watch which was put into the collector's box.

The meeting was dismissed with the apostolical benediction.

ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held in the National School, at Halifax, on the 9th November, 1859.

The Right Rev. the President took the chair at two o'clock P. M.

There were present a large number of clergy and lay members of the Society.

After prayers and reading the minutes of the preceding meeting,

The Secretary read the 21st report of the Executive Committee.

It was moved by James R. Mosse, Esq., seconded by the Rev. J. Forsythe, and unanimously

Resolved, That the report be adopted for publication.

The following officers were appointed by the Society:—Rev. Edwin Gilpin, junr., A. M., *Secretary*; Henry Pryor, Esq., D. C. L., M. P. P., *Asst. Secretary*; W. C. Silver, Esq., *Treasurer*. Also, as members of the Executive Committee, in place of the five who went out of office:—T. B. Akins, Esq., E. Binney, Esq., B. Salter, Esq., W. Cunard, Esq., and J. Ritchie, Esq.

The Hon. Alexander Stewart, C. B., Judge of the Court of Vice Admiralty, was appointed a Vice-President of the Society, in place of the Hon. C. R. Prescott, deceased.

A communication having been made by His Lordship the Bishop to the D. C. S., of the marked kindness and courtesy he had received during his recent visit to the Dioceses of Fredericton, Toronto, Montreal, and Quebec, and also to the General Convention of the Church in the United States held at Richmond, Virginia,—it was, on motion of Nepean Clarke, Esq., seconded by the Hon. Judge Stewart, unanimously

Resolved, That the same be entered on the minutes of the Society, as an acknowledgment and in token of their appreciation of the marked kindness thus shown to His Lordship, and of the interest manifested by our sister Churches in these places; and that this resolution be appended to the report for the present year.

It was moved by A. McCochran, Esq., seconded by A. M. Uniacke, Esq., and

Resolved, That it be recommended to the Executive Committee to obtain from the Bishop, or in any other way that may be deemed expedient, the following particulars, and append them to the annual report in a tabular form:

The Church Endowment Committee submitted their report, which was read and received.

N. Clarke, Esq., took up his notice of motion, and moved the following amendment to the third bye-law of the Society, which was seconded by the Rev. J. Ritchie, and passed :

“Provided always that this bye-law shall not extend to the Church Endowment Fund, over which the Bishop shall not exercise any control, either in the application of the fund or the management thereof, or in any other way whatever.”

To be added to the third Bye-law.

The meeting adjourned to the next day at 2 o'clock, P. M.

At the adjourned meeting of the D. C. S. Nov. 10.

The Right Rev. the President took the chair at 2 o'clock.

The Hon. M. B. Almon moved the following resolution, which was seconded by the Rev. J. T. Twining, D. D., and passed :

That a committee of three clergymen be appointed to enquire and report during the present session on the present appropriation of the grant made to Assistant Missionaries under the resolutions of 2nd February and 17th August, 1849, with a view to a more general equalization of the salaries of the clergymen of the Diocese.

The following members of the Society were appointed a Committee under the above resolution: Rev. H. L. Owen, Rev. H. L. Yewens, Rev. W. Hensley.

After a protracted discussion the Endowment Committee declared their conviction, (based upon the experience of the past year and the evidence of irreconcilable difference of opinion in reference to the proposed alteration in the Constitution of the Society), that it would be impossible to raise an adequate fund in connection with the D. C. S., and accordingly desired to resign their trust.

The meeting adjourned to the next day at 2 o'clock.

At the adjourned meeting of the D. C. S. Nov. 11th, 1859, the Right Rev. the President took the chair at two o'clock.

been given at the last meeting, which was seconded by the Rev. H. L. Owen and passed unanimously, viz.,

Resolved, That the Executive Committee be authorized to grant, at their discretion, a sum of money towards an outfit for any newly ordained Minister of the Church who may require such assistance previous to his assumption of actual duty in this Province.

It was moved by W. C. Silver, Esq., seconded by Rev. H. L. Owen, and passed unanimously.

Whereas, The Committee appointed to provide an Endowment Fund for this Diocese have presented a report of all their proceedings, showing that unexpected difficulties have occurred, and have declared their conviction that the proposed fund cannot be raised in connection with the D. C. S., and have therefore tendered their resignation.

Resolved, That this Society, while it accepts their resignation, desires to record its high sense of the energy and zeal manifested by the members of that Committee in their endeavors to accomplish the object for which they were appointed, and more particularly to express a grateful recognition of the services of the chairman, the honorary secretary and the gentlemen by whose exertions a subscription list of £5,000 has been obtained in Halifax, and sympathizes with them in their disappointment at the failure of a scheme on which they had bestowed much time, labor and attention."

The Hon. M. B. Almon gave notice of motion for the repeal of the third bye-law of the Society.

It was moved by the Rev. E. E. B. Nichols, seconded by James Mosse, Esq., and passed,

That it is the opinion of this meeting that an association independent of the D. C. S. should be formed for the purpose of raising an Endowment Fund for this Diocese.

The meeting then sung the Doxology and was dismissed by the Right Rev. the President.
