THE SIXTY-EIGHTH ANNUAL REPORT OF THE MONTREAL GENERAL HOSPITAL.

The Sixty-Eighth Annual Meeting of the Corporation of the Montreal General Hospital was held in the Governors' Hall of the Institution on Tuesday the 20th May, 1890. Mr. John Stirling, President, in the Chair.

The Secretary read the following Report, which was adopted, and ordered to be printed for circulation amongst the subscribers.

LADIES AND GENTLEMEN OF THE CORPORATION OF THE MONTREAL GENERAL HOSPITAL:

I have the honor to present a brief report of the receipts and expenditure of the Hospital, and of the proceedings of the Governors during the year which terminated on the 30th April, 1890.

The expenditure of the year was.....	\$49,281.29
And the income	47,290.61
Showing an excess of expenditure of.....	\$1,990.68
Comparing the Expenditure of 1889-90.....	49,281.29
With that of 1888-89.....	50,637.41
The latter exceeds the former by.....	\$1,356.12

An analysis of the year's outlay shows that the chief items in which there has been an increased disbursement have been the following: Men's wages \$831.20; Nurses and women's wages \$686.26; Medical officers' salaries \$661.68; Furniture \$493.50; Dry goods \$328.74. There has been a diminished expenditure on the following items: Repairs \$3,350.23. Assessments \$656.37; New building \$637.81; Insurance \$634.25; Drugs and Medicines \$351.88.

Comparing the income of 1889-90.....	\$47,290.61
With that of 1888-89.....	41,164.71
The former exceeds the latter by.....	\$6,125.90

There have been received in legacies during the past year the following sums: Estate A. Bresler \$400; Estate Jas. Mackay \$2,000; Estate Thos. Workman, \$5,000; Estate Matthew Campbell \$1,500; Estate Mrs. Alex. Stuart Gale \$600; Estate Mrs. Agnes Hunter Armotr \$50; Estate Mrs. Agnes B. Ramsay \$500; Estate George

Rogers \$1,500; Estate Andrew Robertson \$3,000, and 100 shares North American Life Assurance Co.'s stock (20 per cent. paid up).

The total number of indoor patients treated during the year just ended was 2,424, a decrease of 129 from the year preceding. Of these 138 remained from last year and 2,286 were admitted during the year 1889-90.

There were discharged :—

Cured.....	1,455
Improved.....	499
Unimproved.....	105
Not treated.....	21
	2,080
There died in the Hospital.....	199
	2,279
Making the total number of indoor patients treated to a conclusion during the year.....	2,279
There remained in the wards 30th April, 1890.....	145
	2,424

Of the above deaths, 48 occurred within 3 days after admission, several being moribund by the time they reached the Hospital.

The average daily number of patients in the wards during the year was 148, the average time of each patient in the Hospital was 21.4 days, being less by 1.5 days than last year; and the aggregate number of days spent in the Hospital by all patients was 49,820, a decrease of 5,391 from last year.

Of the indoor patients treated to a conclusion there were :—

Males.....	1,414	Roman Catholics.....	858
Females.....	865	Protestants.....	1,395
		Other religions.....	26
	2,279		2,279
Ordinary patients....	1,777	Immigrants.....	122
Ordinary pay patients.	468	Strangers.....	341
Private pay patients...	34	Sailors.....	85
		Citizens.....	1,731
	2,279		
			2,279

The percentage of deaths to the whole admission is 8.73; and, if the 48 cases in which death occurred within 3 days after admission be omitted, the rate of mortality falls to 6.62, a fair result, consider-

ing the large number of acute cases and of grave accidents admitted.

Of the 199 deaths from all causes, 31 were due to Diphtheria, or 15 per cent. of the whole mortality; to Typhoid fever 11, or 5 per cent. of the whole mortality; to Pneumonia 18, or 9 per cent. of the whole mortality.

There were 60 cases of Pneumonia and 45 of Bronchitis treated, both of these diseases being of a very severe type during the past winter, owing to the presence of Epidemic Influenza.

There were 17,095 Consultations in the general Out-door Department, and 6,835 new patients. In the Eye and Ear Department, 6619 Consultations, and 2192 New Patients. In the Gynæcological Department, 2090 Consultations and 431 New Patients. In the Laryngological Department, 1096 Consultations, and 471 New Patients. In the Children's Department, 2089 Consultations, and 888 New Patients.

During the past year six Life Governors have died, viz., Robert Campbell, Wm. Cowie, George Rogers, Andrew Robertson, and Thomas Workman. The Hospital has lost one of its oldest friends and supporters, and one who had devoted much time and thought to the furtherance of its interests, in Mr. Andrew Robertson, who was for many years President, and who had been compelled by ill health to resign that position at the last annual meeting. The Governors' regret at the death of Mr. Robertson and their sympathy with his family have been embodied in a resolution to that effect. Mr. Wm. Cowie, who acted for several years as Hon. Secretary of the Committee of Management, took an active interest in the work of the Institution and devoted much time and attention to its affairs, and to him the Hospital will always owe a debt of gratitude.

Mr. Edward Russell, clerk to the Committee of Management, also died during the year. He had served the Institution with unswerving fidelity in the positions of Steward and Committee-Clerk for the long period of 30 years.

One of the head nurses, Mary West, held in high esteem for capability and conscientious performance of duty, was prostrated by pneumonia during the recent epidemic, and, in spite of the faithful and anxious ministrations of the Medical Officers and the Lady Superintendent, she succumbed to the disease. A credit to her calling, she died at the post of duty.

The following ladies and gentlemen have been constituted Life Governors during the year:—Messrs. Geo. E. Armstrong, M.D., H. A. Ekers, Archibald Anderson Allan, Alexander MacPherson, Mrs. W. R. Miller, Frederick Whitley, A. G. Whitley, Peter Lyall, Daniel Hatton, Benjamin Dawson, jun., Wm. Yuile, Frank Paul, James B. Allan, Andrew A. Allan, D. M. McGoun, W. O. N. Parker, Saml. Wm. Ewing, Joseph E. Allston, Geo. C. Nicholson, Jas. Reid Wilson, George Roberts, R. Wilson Smith.

The Lady Superintendent, Miss Rimmer, suffered much in health, owing to the constant strain of the ever-increasing work thrown upon her, and which was always performed with notable energy and with unsparing self-sacrifice. She was finally, and to the great regret of all, obliged to resign her position. It is the earnest hope of the Governors that, by freedom from work, care and anxiety, she may fully regain her former vigor.

The vacancy thus created has been filled by the appointment of Miss Livingston, a lady possessing the requirements and experience for such a responsible position.

A training school for nurses is at present being organized by the Lady Superintendent, aided by the Medical Staff. Careful selection of pupils is being made from amongst numerous applicants, and it is hoped that this new effort on the part of the Hospital will prove of much service to the community at large. Two excellent trained nurses from New York have also been engaged to assist the Lady Superintendent in the technical teaching of the school.

In order to make better provision for the nurses, and ensure suitable accommodation for the pupil nurses of the school, the addition of a Mansard Story was decided upon, and rapidly carried to completion at a cost of \$10,670. This affords an ample number of excellent bedrooms and a large sitting-room, all airy and well ventilated. The latter, thanks to the liberality of the Messrs. A. & S. Nordheimer of Montreal and Toronto, has been provided with an excellent piano for the pupils' use.

The question of amalgamation with the Royal Victoria Hospital was further considered, and at a special meeting convened for the purpose, it was decided that it was not advisable for this corporation to amalgamate with that of the Royal Victoria.

The work of the infectious wards has been efficiently carried on under the management of Dr. Corson. This Department is very

costly, and an effort is being made to secure remuneration from the city for the infectious cases. Attention has been directed to the number of immigrants heretofore gratuitously cared for by the Hospital, and the duty of paying for these cases is being urged upon the General Government by a special committee appointed for this purpose.

The Medical Superintendent, Dr. Kirkpatrick, has during the year administered the affairs of the Hospital faithfully and satisfactorily. The work devolving upon him has been unusually heavy, owing to the long illness of Miss Rimmer and also to the crowded state of the wards during the prevalence of the epidemic of Influenza and Pneumonia. The resident medical officers have been efficient and have done good work.

Dr. Kirkpatrick has been reappointed. The vacancies occurring by the termination of the year of office of Drs. G. G. Campbell, J. S. Booth, W. G. England, G. A. Brown and J. McG. Potts have been filled by the election of Drs. R. E. McKechnie, A. H. Coleman, W. D. Smith, W. E. Inksetter, and C. E. K. Vidal. The non-resident clinical assistants to serve alternately for six months in the Outdoor and Gynæcological departments are Drs. H. D. Hamilton and J. D. Evans.

The following gentlemen have acted as collectors in different wards of the city during the year, and to them the Governors are much indebted for the valuable assistance thus rendered, viz. :—*West Ward*, Geo. Kemp, W. E. Cheese. *St. Louis*, J. C. Wray. *St. James*, W. R. Salter. *St. Mary's*, Ed. Rennick. *St. Lawrence*, W. E. Chester. *St. Ann's*, Wm. Masterman and J. E. Kirkpatrick.

The printed report, in addition to the names of subscribers and donors of money, will contain a list of the many friends who have contributed in so many other ways to the support of the Hospital and the comfort of the patients.

GEO. ROSS, M.D.,
Secretary.

That in accordance with the recommendation of the Committee of Management, the resolution of the Board of Governors at their meeting of the 20th May,

1886, and reading as follows: "That it is now expedient finally to adopt the plans of the proposed new Hospital buildings, which were prepared some time ago by Mr. A. Graham, Architect, of London, with the understanding that they shall be, in the first place, submitted, with the several reports upon them, which have already been obtained here and in the United-States, to Mr. Graham and such other experts in hospital construction as may be deemed advisable by the president and Mr. Redpath of London, who are hereby named a Committee for the purpose, and to afford all necessary information as to the requirements of the institution; and further, that the Committee be authorized to secure the services of Mr. Graham in the erection of the new buildings under the immediate superintendence of Mr. A. C. Hutchison, Architect, of this city," be, and the same is hereby rescinded; and that the Committee are hereby empowered to procure plans and estimates for a Surgical Pavilion, one Wing of which to be called the Campbell Wing in terms of the gift of Sir George Stephen, Bart., the other to be named the Greenshields Wing in view of the bequest of the late David J. Greenshields, and to submit the same for approval to an early meeting of Governors.

The meeting then adjourned.
