THE GROUND FLOOR

Once upon a time, as the story goes, a fox and a groundhog went out for a walk, and their talk ultimately drifted on to the subject of the various schemes which even in that day were being presented to a credulous public by which they might get-rich-quick, the fox, recognizing the increasing interest of the groundhog in the subject, remarked: "Would you like, my boy, to get in on the ground floor of an absolutely sure thing?"

If, however, the people of Canada are seriously looking for a "sure thing" in which to invest their savings, that sure thing is available to them in the Canadian Government Annuities proposition, by which, for the payment of a small sum each month they can provide an income to begin at any age after the age of 55, ample for all needs, and of which no process of law can deprive them.

NEW BRUNSWICK ALSO

(Briefed Expositor). New York State has voted \$40,000,000 more to build good roads, so as to secure 3,000 miles of state highway. This in addition to \$80,000,000 already voted. Such achievements emphasize the backwardness of Ontario in the matter of good roads, and make the work of the Ontario government in this regard appear more as a joke than anything else.

FAMOUS GEMS OF PROSE

ABRAHAM LINCOLN By James A. Garfield

IN THE great drama of the rebellion there were two acts. The first was the war, with its battles and sieges, its victories and defeats, its sufferings and tears. Just as the curtain was lifting on the second and final act, the restoration of peace and liberty, the evil spirit of the rebellion, in the fury of despair, snatched and directed the hand of an assassin to strike down the chief character in both. It was no man who killed Abraham Lincoln; it was the embodied spirit of treason and slavery, inspired with fearful and despairing hate, that struck him down in the moment of the nation's supreme joy.

PLAYS AND PLAYERS

Budget of News Concerning Stage Favorites Known to St. John Audiences.

The tour of Blanche Walsh in "The Other Woman" came to a sudden end this week in Peoria, Ill., because of the illness of the star, who is now in a critical condition, and it is doubtful whether she will be able to play again for some time.

Fred Wright, Jr., the English comedian, who appeared early this season in "Ole Miss Gibbs," entered vaudeville this week by way of the American Music Hall, singing alone and with Miss Gladys Clapp and character songs.

Miss Blanche Walsh. Miss Walsh is a New Yorker by birth and training. She is daughter of the late Thomas Power Walsh, at one time warden of the Tombs. Her first appearance on the stage was at the old Windsor Theatre, in the Bowery, when, a year after her graduation from the public school, she appeared as Dandelion at a special benefit performance of "Othello" by amateurs.

Before her sixteenth birthday she made her first professional appearance in the melodrama "Sibbers." She then supported Miss Marie Wainwright for three seasons, and in 1892 was engaged by the Metropolitan Opera House, where she remained for two seasons, appearing in "Aristocracy" and in "The Girl I Left Behind Me."

Robert Loraine has the unique distinction of being engaged and discharged at the same time. Simultaneously come reports from London that Charles Frohman has secured his services for his production of the new W. Somerset Maugham comedy, "Leaves and Fishes," which opened at the Duke of York's Theatre, and the cancelling of his marriage engagement to Marie Lohr by that young lady. Miss Lohr feels that Mr. Loraine also could not stand the nervous tension attendant on the numerous daring aeronautic exploits of the actor-aviator.

The public bequests in the will are \$500 each to St. Mary's Infants' Hospital Association of Boston, Little Sisters of the Poor, Free Home for Consumptives, and the Home for Destitute Catholic Children.

Charles Frohman, is presenting this week "The Zebra," the new farcial comedy from the French by Paul M. Potter, and J. M. Barrie's "The Twelve Pound Look." With "Alice Sit-by-the-Fire," in which Edward Harrington appears in a double bill, he has twenty-four productions to his credit for this season.

Eight of the children taking the part of the chicks, pigeons, hantams, and young ones in "Chanticleer" met last week and organized the first "Stage Children's Mutual Protective Association." Its object is to protect themselves against the laws of Massachusetts, Louisiana and Illinois which prevent them from appearing professionally upon the stage.

Arrangements are completed for the spring tour of the Metropolitan Opera Company. Some of the cities in the south and west which expected to hear the voices of the operatic stars next spring will be disappointed for the powers that be have cancelled the list of places to be visited in that section and have added others to the itinerary. Montreal is to have a visit from Mr. Gottfrid-Saazana's singers. That city is to be favored with four performances, three in the evening and one matinee. The tour will begin there April 17, two days after the close of the regular season at the Metropolitan.

William Courtnay made his first appearance as a star last night at the Auditorium Theatre, Baltimore, in the new play by Eugene Walter, entitled, "Homeward Bound," founded on a theme by Walter Hackett.

The Messrs. Shubert announces that the name of the new comic opera in which Fritz Scheff and a specially organized company are to be seen under their management, has been changed from "Rodia" to "The Rose Shop." The music of the piece is by Anton Herten, and the production is now in rehearsal.

Albert H. Sutherland, the theatrical manager, who is the manager of the Metropolitan Opera Company, was found dead in bed this week at his home in upper Broadway, New York. Mr. Sutherland was about 50 years of age.

WERE FROM CITIZENS' COMMITTEE.
There appears to have been a mistake regarding the visit of two men at the office of Leonard Bros., Lower Cove, on Monday last. Someone in the office had the impression that they were soliciting funds on behalf of the Telegraph and Times in connection with the campaign in favor of the commission form of government. It has been learned that the men who were called were accredited representatives of the citizens' committee and that nothing was said to indicate that these papers were connected with the idea at all. Walter Leonard, a member of the firm, said he had no idea that the men were other than they represented themselves to be, and he had informed them that they would have to see his father about a subscription.

INDIAN CHIEF DRINKS HAIR RESTORER AND DIES RAVING MANIAC

Spokane, Wash., Feb. 23—Drinking copiously of inimitable and concoction of alcohol and cocaine, used by the Indians as a hair restorer, proved the undoing of George Moses, friend of the early white settlers in eastern Washington and Oregon and northern Idaho and foremost in the councils of the Nez Perce tribe.

Moses, who a few days before had proclaimed himself a Messiah, died a raving maniac in his home on Tom Beall creek, six miles from the Indian agency at Lapwai, Idaho. He was roped and strapped to his bed when the end came. Mrs. Moses, who also had used the drug, is violently insane and may not recover.

Funeral services were accompanied by the ceremonies of the tribe. The sermon was delivered by Rev. James Hayes, a native pastor of the Indian church in the Indian Presbyterian church at Joseph. The funeral was attended by Indians from many parts of the northwest, and many white men and women. Burial was made in the little cemetery on the bank of the Clearwater river.

Several days before his death Moses summoned the Indians to his home and pronounced judgment on each, decreeing that some should be blessed and others consigned to purgatory. Many of the Nez Perce Indians believe that Moses was possessed of supernatural powers.

Moses was looked upon as second to Chief Joseph, declared to be the abet man the Nez Perce tribe has produced. He was identified with the Lapwai faction, which refused to join Chief Joseph in the reservation of the Snake river in 1877-8, when the red led General O. O. Howard such a lively chase in the northwest.

Macneil in solo songs won applause, as did Misses Maria Bas and Winnie Myles. The Bachelor Girls appeared in a pretty sketch entitled "The King's Daughters" in three well arranged scenes. During intermission the Mandolin Club played pleasing numbers. Home-made candy was sold by young ladies dressed in Japanese costumes.

CLEARING THE AIR

Not to be outdone by Bennett of New York or the citizen of North Dakota, Mr. Monk introduced in parliament yesterday a resolution affirming the desire of Canada to remain united to the British empire.

Of course no member opposed the resolution. The only persons who have appeared to be at all doubtful about their ability to remain loyal to the empire are on Mr. Monk's side of the house; and when confronted by his resolution they quickly gave up their heavy support. So far as the Liberals were concerned, such a resolution was wholly unnecessary. They are the authors of the British preference, and that is a better proof of devotion to the empire than many resolutions; but they had no objection to joining with their political opponents in stating what is their own case is taken for granted.

The discussion gave Mr. Fielding and Mr. McKenzie an opportunity to refute certain charges, and Mr. Monk was compelled to withdraw a remark touching the loyalty of the finance minister. The latter made a very effective reply to Mr. Monk, and after Sir Wilfrid Laurier had spoken there was really nothing to be said, although Mr. Borden made a feeble attack upon the reciprocity agreement.

Mr. McKenzie added a few observations on the general question of debts. Perhaps now the Conservatives will cease their foolish talk about danger to the empire, and confine their discussion of reciprocity to the merits or demerits of the agreement. They would never have raised the annexation cry but for the reason that in opposing the agreement they had no case. Now that the house has unanimously declared its devotion to the empire, the annexation hogs may as well be laid away for another score of years.

The Conservatives came badly out of yesterday's debate. The tables were turned on them in a most effective way. Mr. Fielding was given an opportunity on the floor of the house to brand as they did several certain insinuations concerning him served certain insinuations concerning him served certain insinuations concerning him.

Once more it is made clear that what the Conservative party most needs is strong leadership, which would prevent its members from making constant blunders in the house and in the country.

CONSERVATIVE TESTIMONY
While the Victoria Column, Conservative holds the view that if Canada would wait long enough she would get freer access to the United States market with out making any concessions at all, it has no patience with some of the arguments presented by members of its party against the agreement. For example, it says:—

"Some of the arguments against the agreement do not impress us at all, and we think its critics weaken their case by advancing them. They prove too much. It is a fact that Canadian railways will be depreciated in value the Dominion will be broken in twain, and the Canadian export of grain will be destroyed by the agreement, it will only be because the United States has agreed to the admission of one wheat free of duty. Every student of the food problem presented by the rapidly growing population of the United States has realized that the time has been near during the whole of the past quarter of a century when the United States would become an importer of breadstuffs, and no way can be suggested whereby they could be prevented from being imported from Canada except the imposition of a prohibitive export duty. The agreement does not alter the case in the least; it only precipitates what was coming a little later. Therefore, if the agreement means the ruin of our railways, the dissolution of our export trade, and the shattering of the Confederation, as is being alleged, that result was bound to come about anyway, and the dream of a united Canada, forming the keystone in an arch of world-embracing Empire, was a foolish dream."

Mr. Borden and his lieutenants will have as much difficulty in answering these statements as those of the Conservative "Itawa Citizen," which told the story of the repeated efforts of the Conservative

THE CURSE OF THE NATION IS CONSTIPATION

"Fruit-a-lives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation inflames the Kidneys, cramps digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia.

Constipation is caused by a weak or sluggish liver. Bile, the natural purgative of the body, is absorbed by the liver which is turned back out into the intestines sufficient to move the bowels. Unless the liver acts there can be enough bile to move the bowels regularly, and Constipation is the result.

"Fruit-a-lives" is a new fruit medicine, will always cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowel muscles. 50c. a box, 6 for \$2.50, a trial size, 25c. At all dealers, or from Fruit-a-lives Limited, Ottawa.

THE WANT
(Stephen Phillips, in Pall Mall Gazette.)
Wife, though the massy table gleams With glass and silver rare,
And glows with many a far-fought bloom Which maketh sweet the air,
A thought is knocking at my brain,
A question at my heart;
Why are we two, who seem so near,
So drearily apart?
Since never doubt, or soil of faith,
Nor wavering of a thought,
Nor wrong that rushes into words,
Has this division wrought.
No silent ebbing of belief,
Nor hands that wincey gray,
Nor sight of an illusion cured,
Nor glances in its grave.

Extraneous: a kindness yet abides,
The grey of what was green;
Yet glances in its grave want
Broodeth our souls between.
True, that no child to us is born,
To bind us with its eyes,
Or with its habble closer draw,
Its chuckles toward the skies.
But oh, the want is deep within,
We shrink and we congeal
In dreadful gliding of a life,
Where cold is every wheel.
The shining horses without noise
Waft us on cushioned seat,
And softest carpets give no sound
Back to our moving feet.
On straw, without some stricken horse,
We tread, and we are glad,
So muffled all the mighty world,
Passes our languid soul.

Hence! let us fly a mortal ease,
And share the common strife!
Into the human welter plunge,
And lose ourselves in life!

IN LIGHTER VEIN
EASILY SOLVED
"Mistress—Why, Lizzy, does you have broken another valuable vase? You have done more damage than your wages amount to. What shall I do?"
Maid—"Raise my wages, ma'am!"

THINK THIS OVER.
Why do you take yourself so seriously?
—Life.
HE KNEW ONE
Teacher—"Tommy, what is a simile?"
Tommy—"I ferget, ma'am."
Teacher—"Well, if you said, 'My hours is about as long as a simile,' what figure of speech would that be?"
Tommy—"Irony," Cleveland Dealer.

ARRY'S PROVERBS
"They tell me Larry is a beautiful fine marksman." "Is pretty fairish. When they ad them bloody Hanarichats of Ouanitchi come up in the other d's, 'As you missed the 'ouse only three times out of five!'"—Cleveland Plain Dealer.

THE ST. ANDREW'S BEACON SAYS:
"Complaints are made that New Brunswick is not being sufficiently advertised in Great Britain. This is a matter that the provincial government and the boards of trade should look after."

DEATH OF MISS SADIE CRAFT
Friends of Mr. and Mrs. George Craft, of West End, will sympathize deeply with them in the loss of their eldest daughter, Miss Sadie Craft, whose death occurred at the home of her grandparents in Mill Ridgeville. Miss Craft had been in poor health for the last few years, but the end came unexpectedly while on a visit to her grand parents. Miss Craft was in her 29th year, and was a popular member of the Ladies' Aid Society of the Baptist church. She leaves a large circle of friends. Interment will be in Cedar Hill cemetery on Sunday, at 2:30 p.m.

MISS ELIZA RABBITT
The death of Miss Eliza Rabbitt of Swan Creek, Burton, Sumbury county, occurred at her home at an early hour this morning. Miss Rabbitt had not enjoyed her usual health for some months, but her death was very much unexpected and comes as a great shock to her friends in this city and elsewhere, who knew her as a one with especial sweetness of character and patience of disposition.
Miss Rabbitt was the daughter of the late John T. Rabbitt, of Burton, and a descendant of Daniel Rabbitt, Loyalist, who came to this province in 1783. She was fifty-one years of age, and leaves four brothers—James, Thomas, Frederick, and George, all residing in Burton. The funeral will take place from her late residence on Saturday morning at 10 o'clock. Interment will be in the family lot at Upper Gasquetown.

THE MAN FROM ALBANY
Governor Tweedie and Staff To Attend Tonight—Look for Record Matinee

Theatre patrons who have not yet seen the performance of The Man from Albany will be glad to know that it has been decided to present a matinee production of the play, and all the specialties and effects on Saturday afternoon at 2:30 o'clock. For this matinee the usual matinee prices will prevail all over the theatre and from the great interest which has been manifested in the production it is certain there will be a record breaking attendance.
Last evening the play went even more smoothly than on the opening night. Tonight Lieutenant Governor Tweedie and staff will be in attendance, and will be suitably received. The advance sale of tickets for tonight's performance is very heavy, but it is still possible to get seats from a social as well as an amusement standpoint, tonight's attraction promises to be a memorable one.

Y. M. C. A. PROGRESS

C. K. Calhoun, of Montreal, field secretary of the Y. M. C. A., is in the city on a tour through the maritime provinces in the interests of the association. He said this morning that he was favorably impressed with the work of the local body, the quarters, and progress made in such a short time. There was a noticeable increase in building going on throughout Canada at the present time, he said, and many cities either had new Y. M. C. A. buildings at present, or had them in the course of construction. In Montreal there were three new buildings under way, in Toronto, four; Vancouver, three; while Victoria, Halifax, Winnipeg and other cities are also having new structures built. The new building in Halifax was nearing completion, and would be a credit to the city. Sydney also was considering the erection of a new building. This evening in the hall "Y" Mr. Calhoun will be tendered a reception by the members of the association.

D. C. CLARK IS THE THIRD ARBITRATOR

Appointed By Judge McLeod Today in North End Case—Nepisigat Lumber Company Winding up

Dr. L. A. Currey, K. C., appeared before Judge McLeod this morning, in the matter of the arbitration of Daniel J. Purdy and George E. J. Porter. This was a case in which the two arbitrators, Messrs. Holder and Roberts, were unable to agree on either a valuation of certain wharf property, or a third arbitrator. Application was made to Mr. Justice McLeod under the arbitration act of 1909 to appoint a third arbitrator. Each party submitted a number of names to the judge, and this morning he made an order appointing Daniel C. Clark, Carleton, who had been named by the plaintiff, as the third arbitrator. Dr. L. A. Currey appeared for Miss Porter, and W. A. Ewing, K. C., for D. Purdy.

In the matter of the winding up of the Nepisigat Lumber Company on application of L. C. Currey, Judge McLeod made an order allowing the employees of Albert T. Hinton to file their claims under the act against the property of the company. On the authority of Baxter vs. Kennedy (3 N. B. page 17), His Honor decided that no contractor could take advantage of the provisions of the Woodman's Lien Act.

Before Judge McKeown in chambers this morning in the case of Charlotte Clendenning-James against the venue was set at St. Andrews next May circuit. Dr. L. A. Currey, K. C., and J. W. Richardson, St. Andrews, appeared for the parties.

DEFINITELY REFUSE TO PLAY THE GAME AGAIN

St. John Hockey Team's Final Word in the Fredrickton Matter—Ruling of Executive Will Not Be Observed

The action of the N. B. H. L. executive in ordering the St. John-Fredrickton game replayed will not avail as the management of the St. John league team announce this morning that they absolutely decline to play the game over.

Captain H. K. Clawson, in making the announcement, said that he desired it understood that no ill feeling was felt towards the league executive but his team took the stand on principle and they were perfectly willing to abide by the consequence, in fact, were powerless to do otherwise. The statement of today he asserts will be final and the management will refuse to be drawn into any further controversy over the matter.

Though the reasons for the St. John team's action have been given on previous occasions, Captain Clawson gives them again briefly so that the public may be in a position to judge. In the first place the St. John team insist that the error of the M. P. & A. A. in suspending Titus was a matter for the Fredrickton team and that body to straighten out between them and was something for which the St. John team were in no way responsible.

In the second place Titus was ineligible to play for the reason that he did not hold a registration card, a fact that was admitted by the Fredrickton team themselves. Titus, it is pointed out, is now not eligible to play, as so far as was known at yesterday's league meeting he had not procured a registration card.

Messrs. Clawson and Howard consider it extraordinary that while all other members of the Fredrickton team were provided with cards no application was made for one for Titus, whether or not it was in fear of opening up his case is not clear.

Manager E. P. Howard, in summing up the situation, remarked that he might just as well say that, because the M. P. & A. A. declined to re-instate Cribbs, the former St. John player by the local team should be reinstated. There would be as much justice in the one as the other. If as a result of the league's action the game at Fredrickton was forfeited, and it worked out that Sussex, which was the only team that now had a chance should win the championship, the blue and white would be equally satisfied as they assert that they have absolutely no fear of the outcome.

SIX MONTHS' JAIL OR A FINE OF \$50

Joseph Guthrie's Bible and Begging Card Campaign Drawn To a Close

With a Bible under his arm, and some begging cards in his pocket, Joseph Guthrie, aged 36, has for some time been soliciting the support of the residents of North End and Fairville, but yesterday afternoon his "tag-day" campaign was brought to an abrupt ending, and he was given a drive to the North End police station by Police-man Hamm, after having been seen by him applying to a couple of families for help.

This morning the Bible, the begging cards, and the missing finger-plate of Guthrie had little effect on Judge Ritchie, and a fine of \$50 or six months in jail was imposed on him.

The prisoner for some little time has been living in an old cabin on the Gipsy road, near South Bay, and each day for quite a while he has managed to gain the sympathy of tender-hearted persons so that they have kept him supplied with the needed, his posing as a strictly religious person carrying such weight. Complaints had been made, however, and yesterday Police-man Hamm, who had been out driving, saw Guthrie at work, and it was not long before he was in a cell in North End lock-up.

SATURDAY'S HOCKEY TRIP.

It has been ascertained that if sixty seven can be secured to make up the party to go from here to see the Quebec Canadian-Moncton game Saturday night, at Moncton, a one-way special will run from here, leaving the Union Depot at 3 o'clock on Saturday evening and return would be by the regular train on Saturday night. About forty-five or fifty have signified their intention of going, and fifty seats have been reserved in the rink for the St. John contingent. E. P. Howard is desirous that any desiring to go send their names to him, so that he will be able to know just how many are going. Arrangements have been made to purchase all tickets at the uptown ticket office of the I. C. R.
