All Extra Clerks must be appointed by Council.

(Circular.)

AUDIT OFFICE, OTTAWA, July 15, 1892.

SIR,—I have the honour to refer you to the provisions of the Civil Service Act and its amendments relating to extra or temporary employees, and to point out that it will be necessary, before any further payment for services can be legally made to any person in the inside service who is not on the permanent civil service list or is not a day labourer, that his employment for the period covered by the payment be authorized by an Order in Council; and that, if his allowance is at a higher rate than \$400 per annum, the certificate of special qualifications as required by the Civil Service Act be furnished.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, August 11, 1892.

SIR,—I notice that your cheque-list for July, 1892, contains the usual entries for wages of temporary clerks and other officers in your department not charged to civil government.

Please let me have the Orders in Council which are authority for the employment of these persons. The necessity for such authority was pointed out in my circular of July 15, 1892.

The cheque of July 27, for \$250 in favour of Mr. Louis Coste, for his July services, should be charged to "Chief engineer's staff" instead of to "River St. Lawrence deepening." And the payment should have been deferred until the end of the month.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Nov. 4, 1892.

SIR,—Will you be good enough to let me know the decision which has been arrived at by the Minister of Public Works and yourself with reference to obtaining the authority of Council for the employment of those of your inside employees who are not on the civil service list, and regarding the other steps which seemed to me necessary for part of those employees.

I am, sir, your obedient servant,

The Deputy Minister Public Works.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Nov. 23, 1892.

SIR,—I have your application for a general letter of credit of \$100,000 for your department. I regret that I am obliged to decline to pass this credit, except in a restricted form. It will not apply to the following appropriations under Miscellaneous:—

To provide for salaries of engineers, draughtsmen and clerks, Chief Engineer's office.....	\$54,000
To provide for salaries of architects, draughtsmen and clerks, Chief Architect's office.....	29,500
To provide for temporary, clerical and other assistance, &c.	36,000

As I have explained to you orally and by letter, no payments should be made under any of these votes unless the employment of the person receiving it has been authorized by the Governor in Council, and unless the requirements of the Civil Service Act where they exist have been complied with. The payments have been

irregularly made for several months, and therefore I do not feel justified in continuing the credit under which they are made.

The Deputy-Minister Public Works.

I am, sir, your obedient servant,
J. L. McDOUGALL, A.G.

S. L. Girdlestone:—Preparing Public Works Report for 1889-90.

(Continuing the discussion from page C—292 of 1890-91.)

PUBLIC WORKS DEPT., OTTAWA, Feb. 23, 1892.

SIR,—In reply to your letter of the 8th instant, respecting the voucher of S. L. Girdlestone for \$200, and stating that your request for details showing the nature and quantity of work done has been overlooked, I have the honour to send you a copy of the last report of this department, and to inform you that the work covered by the above voucher is the classification of the appendices, the supervision of the printing of the same, and the writing of the Minister's Report. As high as \$300 was paid in past years for such work, and \$200 was very small remuneration for the same.

The Auditor-General.

I am, sir, your obedient servant,
D. A. MACPHERSON, *Asst. Sec'y.*

Ottawa Employees still paid by Cash.

AUDIT OFFICE, OTTAWA, Nov. 3, 1891.

SIR,—I notice that many of the employees in your department, and all of the mechanics and labourers charged to "Repairs and Maintenance of Ottawa Buildings," receive their wages on pay-lists through the hands of a paymaster.

This system has been discarded by all the other departments, without exception—and their employees at Ottawa are now paid by separate cheques—a system which carries several necessary safeguards and has no practical inconvenience.

Please bring your system into uniformity with the other departments, by issuing a cheque to the order of each employee for the amount of his wages.

The Secretary, Public Works Dept.

I am, sir, your obedient servant,
J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Feb. 8, 1892.

SIR,—Let me call your attention to my letter of Nov. 3, 1891, pointing out that many of the Ottawa employees in your department are paid by cash instead of by cheques; and requesting that your system be brought into uniformity with the other departments by issuing a separate cheque to each employee for the amount of his wages.

I have received no reply to this communication; and the December wages were paid by you in the customary manner, Dec. 23, by advances of cash to Paymaster Côté.

I am unwilling to share the responsibility of maintaining this system of payment, which was discarded long ago by other departments as involving unnecessary risk, and securing less satisfactory receipts from the creditors.

The Secretary, Public Works Dept.

I am, sir, your obedient servant,
J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, March 7, 1892.

SIR,—In reply to your letter of the 8th ultimo, with reference to the payment by cheque, of all clerks, mechanics and labourers connected with this department, I am directed to inform you, that so far as the clerks are concerned the accountant is making arrangements so that after July 1 your wishes in this matter will be carried out. As regards the mechanics, labourers, &c., the present mode of paying those men has been in existence since Confederation, and has always given full satisfaction. The accountant states that now that the paymaster has been made to furnish security for moneys placed in his hands he fails to see how the department will be involving unnecessary risk in maintaining the present system which has proved so satisfactory under less favourable circumstances.

I am, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Sec'y.*

The Auditor-General.

Kingston Dock: Bancroft & Connolly.

AUDIT OFFICE, OTTAWA, Feb. 24, 1892.

SIR,—Let me acknowledge receipt of your application No. 397 of Feb. 23, for \$30,000 in favour of A. C. Bancroft, N. K. Connolly and Michael Connolly—being a portion of the \$51,000 hitherto withheld.

The Order in Council mentions that a bill of sale has been given by the Messrs. Connolly on their plant, and that an insurance for \$70,000 has been effected.

Please let me know whether the bill of sale and the insurance policy have been approved by the Department of Justice.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, March 1, 1892.

SIR,—In reply to your letter of the 24th ult., with reference to our application for \$30,000 in favour of Messrs. Bancroft, Connolly & Co., asking whether the bill of sale and the insurance policy have been approved by the Department of Justice, I have the honour to inform you that the bill of sale which is on record in this Department has been absolutely prepared by the officers of the Department of Justice, the execution of this document having been obtained by that department from the Messrs. Connolly. With reference to the insurance on the plant, I have the honour to inclose to you herewith, a certified copy of a letter written to me by the Hon. Mr. Abbott, and to state that in accordance with the contents of that letter, the Messrs. Connolly have caused to be transferred to us the policy of insurance which they hold on the steam dredge "St. Joseph."

In order that you may be fully informed, I send you a copy of the bill of sale and of the insurance policy, which you will please return to me after you have done with it.

I am, sir, your obedient servant,

A. GOBEIL, *D.M.*

The Auditor-General.

PRIVY COUNCIL OFFICE, OTTAWA, Feb. 23, 1892.

DEAR MR. GOBEIL,—In the absence of Mr. Ouimet, I write you to say that the matter of insurance on the plant to be transferred by the Messrs. Connolly Bros., has been discussed in council, and it has been decided not to insist on the condition of insurance, beyond the amount which the Messrs. Connolly Bros. have placed on their plant for their own protection. You will only need, therefore, to require from them the transfer of the policies which they have actually taken out themselves, in

order to complete the conditions precedent to paying them the amount of their estimate.

Yours very truly,

The Deputy-Minister of Public Works.

J. J. C. ABBOTT.

Kingston Dock Engine-house: No joists specified for ceiling.

AUDIT OFFICE, OTTAWA, April 7, 1892.

SIR,—Let me acknowledge receipt of your 127508, inclosing the bill of McKelvey & Birch for \$103, for work in connection with Patrick Navin's contract for the engine-house of the Kingston dry dock.

In the schedule of extras attached to Mr. Navin's final estimate, this bill is described as "McKelvey & Birch, account for roof; to secure roof, specification not clear."

The heading of the account itself is: "The following extra labour and material for Kingston dry dock engine-house, necessary to make a good job." The items are:

Man and helper, 15 days at \$3.50.....	\$52 50
Solder, 109 lbs at 30 cts.....	32 70
Screws, 11 gross at 80 cents, 11 at 20 cents.....	11 00
Galv. iron, 75 lbs. at 7 cents.....	5 25
Bolts, 200.....	1 55

It will be noticed that most of the bill is for plumbers, solder, and screws. It appears, therefore, probable that the words "Specification not clear" may refer to some such claim by the contractor as that he had satisfied the specification by delivering iron for the roof, and that he was not under contract to place and fasten it. Please let me have full information on this subject.

The following two items of extras are marked "Omitted in specification: "--

Door-sills, 9.....	\$50 25
Ceiling-joists in engine and dynamo rooms.....	68 00

There should be some explanation to show that—while these may not have been specified in words—neither was their necessity implied by the works which were described. For instance, in ordinary non-technical language, the construction of "doors" would imply also "door-sills," and "ceilings" would imply "ceiling-joists."

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Department.

PUBLIC WORKS DEPT., OTTAWA, April 20, 1892.

SIR,—In reply to your letter of the 7th instant, respecting Messrs. McKelvey & Birch's account, amounting to \$103, for work in connection with Patrick Navin's contract for the engine-house of the Kingston dry dock, and asking for additional information on the subject, I have the honour to inclose to you herewith a copy of the Acting Chief Engineer's letter in the matter, which will furnish the information required.

I am, sir, your obedient servant,

D. A. MACPHERSON, Asst. Sec.

The Auditor-General.

PUBLIC WORKS DEPT., OTTAWA, April 13, 1892.

SIR,—In connection with file 128423, being a letter from the Auditor-General asking for additional information respecting certain items in the final estimate re-
C—232
AUDITOR-GENERAL'S REPORT, 1891-92.

dered by this department in favour of Patrick Navin for the engine-house, Kingston dry dock, and more especially with reference to McKelvey & Birch's account of \$103 for extras in connection with the engine-house roof, I have to say that the engineer-in-charge reports that the work represented by that account was ordered by him in the absence of Mr. Navin, because he considered that these additions were absolutely necessary to make the roof water-tight and to secure it from the action of high winds, and he further ventures the opinion that if this work had not been performed the building would have been unroofed.

As to the charge for door-sills, Mr. Navin's contract was supposed to commence from the top of the plinth course, while the sills in question were placed in openings at the bottom of the said course, hence the charge is a reasonable one.

With regard to the item for putting in ceiling-joists in the engine- and dynamo-rooms, no provision had been made in the specification, and the charge is therefore a reasonable one.

I am, sir, your obedient servant,

(Sd.) LOUIS COSTE,

Acting Chief Engineer.

AUDIT OFFICE, OTTAWA, April 20, 1892.

SIR,—I beg to acknowledge receipt of your 128635 of to-day's date, inclosing the Acting Chief Engineer's report on McKelvey & Birch's account.

Please let me have the contract and specifications for the engine-house at the Kingston dry dock.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, April 21, 1892.

SIR,—Having reference to your letter of yesterday asking for the contract and specification for the engine-house at the Kingston Dry Dock, I am directed to ask you to be kind enough to give me your reasons for making this request, as the final estimate has been rendered and duly certified by four officers of this department, and further explanations on the subject furnished you on two different occasions.

I am, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

Tenders not asked for 2,097 tons of coal.

AUDIT OFFICE, OTTAWA, July 6, 1892.

SIR,—I am passing your application No. 625 in favour of Andrew Baile, of Montreal, for \$5,000, on account of his bill of \$7,025.45 for 2,097 tons of coal furnished to the St. Lawrence Ship Channel Works.

Please let me know if this transaction was arranged by advertised tender.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL.

PUBLIC WORKS DEPT., OTTAWA, July 19, 1892.

SIR,—Having reference to your letter of the 6th instant, asking to be informed whether the transaction with Andrew Baile, of Montreal, for the coal supplied for the Ship Channel Works, was arranged by advertised tender, I have the honour to state that tenders were not called in the above instance. Mr. Baile made a very

favourable offer for a cargo of Scotch steam coal and it was accepted by this department.

I am, sir, your obedient servant,
The Auditor-General. A. GOBEIL, D.M.

Tenders for Buildings should include Heating-Apparatus and Fittings.

AUDIT OFFICE, OTTAWA, March 26, 1892.

SIR,—I am passing your application, No. 435, for \$855.64, in favour of John Hanbury, being the balance of his final estimate for contract and extras on the Brandon Post Office.

Among the items of additional work is one of \$4,750 for heating-apparatus, the authority quoted being "Telegram of Oct. 11, 1890."

For future public buildings, would it not be practicable to call for tenders for such large items as this, at the same time that the main building is advertised?

I am, sir, your obedient servant,
The Secretary, Public Works Dept. J. L. McDOUGALL, A.G.

Pembroke:—Clock for Post Office.

AUDIT OFFICE, OTTAWA, July 30, 1892.

SIR,—Let me acknowledge receipt to-day of your application, No. 699, for \$1,290 in favour of E. Chanteloup, as follows:—

Clock for Pembroke Post Office.....	\$900
Bell for same, 1,000 lbs.....	390

To support the price, there is attached to the voucher a copy of Chanteloup's offer to put the clock and bell in for the sums mentioned.

I do not think that this can be accepted as satisfying the requirements of Section 33 of the Audit Act.

The intention of that section seems to be that if a price is not fixed by competition after a public call for tenders, the responsibility for its fairness should be assumed explicitly over his own signature by some officer who is familiar with current prices, and who is informed as to the quality of the supplies.

I return the voucher herewith, to have it marked "Price fair and just."
I am, sir, your obedient servant,
The Secretary, Public Works Dept. J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, August 5, 1892.

SIR,—In compliance with the request contained in your letter of the 30th ultimo, I have the honour to return to you, herewith inclosed, application No. 699 for \$1,290 in favour of E. Chanteloup for the supplying of a clock, &c., Pembroke Public Building, certified "Price fair and just."

I am, sir, your obedient servant,
The Auditor-General, Ottawa. D. A. MACPHERSON, Asst. Sec'y.

Toronto Drill Hall: Testing Cement.

AUDIT OFFICE, OTTAWA, Dec. 16, 1892.

SIR,—Let me acknowledge receipt of your application No. 348 for \$150 in favour of C. H. C. Wright, of Toronto, to pay him for 15 tests of cement for the Toronto drill hall.

I should like to be supplied with a copy of the instructions to the architect. It appears possible that the controlling of the quality of materials is a service which might fairly be considered as paid for by his remuneration of 2½ per cent; and that, for such assistance as he needs, the bills should be discharged by himself.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, Dec. 27, 1892.

SIR,—Having reference to your letter of the 16th instant, referring to application No. 348, for \$150 due to Mr. C. H. C. Wright for testing cement at the Toronto drill hall, and asking if it is not possible to have the architect in charge pay for such work out of his commission of 2½ per cent, I have the honour to inform you that the Chief Architect states that tests of the above nature are always made by the department, and that he is not aware of any case either in public or private practice of an architect being called upon to pay for such tests. One barrel in every ten has to be tested, and as this department has no apparatus in Toronto for testing, and to avoid dispute, it was considered advisable to employ some competent and disinterested party, and Mr. Wright, of the School of Practical Science of Toronto, was selected.

I am, sir, your obedient servant,

The Auditor-General.

E. F. E. ROY, *Sec'y.*

Contractor not notified when Vote ran short.

AUDIT OFFICE, OTTAWA, July 30, 1892.

SIR,—Let me acknowledge receipt of your application No. 688, for \$166.61, in favour of Heney & Smith, being interest claimed by them on account of the vote for Old Man's River Bridge running short.

Please inform me whether notice was given to Heney & Smith by the department, as contemplated by Section 32 of your contract form.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, Aug. 6, 1892.

SIR,—In reply to your letter of the 30th ultimo, asking to be informed whether notice was given to Messrs. Heney & Smith, in connection with their contract for Old Man's River Bridge, as contemplated by Section 32 of the contract form, I have the honour to state that there is no record in this department to show that the notice above referred to was given to the contractors in question.

I am, sir, your obedient servant,

The Auditor-General, Ottawa.

D. A. MACPHERSON, *Asst. Sec'y.*

Labourers and Artizans at Ottawa: Duties not described and certified.

AUDIT OFFICE, OTTAWA, 18th May, 1892.

SIR,—I do not find that any answer has been received to my letter of 12th February, 1892, asking that the employees on your Repairs Pay-lists be certified by the respective departments using them, to date from March 1. The letter in question, and the preceding discussion, are shown at page C-294 of my Report for 1890-91.

The March vouchers contain two of these fortnightly pay-lists, dated March 5 and March 19. That for March 5 has three departmental notes attached, certifying

six of the 32 men employed elsewhere than in the Public Works. There are no similar memoranda attached to the pay-list of March 19. The essential point about these departmental certificates is that they should cover every man on the staff, and that they should be repeated on each successive pay-list.

The note from Mr. Sedgewick, the Deputy-Minister of Justice, certifies "that Mr. F. Perchard has been in attendance every day during the period"; but nothing is said as to his having been employed only in his designated capacity of "labourer," on works connected with the Maintenance and Repairs of Public Buildings,—and not on services falling properly under the head of Civil Government Contingencies. And Mr. Sedgewick does not mention the other employee classed under "Justice Department," J. S. Richard, an upholsterer, at \$1.75. Mr. Richard has been classed under the same department and vocation from April 20 to June 27, 1891, and from November 1, 1891, to March 19, 1892, the latest voucher in hand: or 30 weeks out of 48 in all. A comparison of 30 weeks' upholstering with 18, the number of officers in the Justice Department, indicates a probable inaccuracy in the description of Mr. Richard's occupation.

In the Department of Railways and Canals, Mr. S. McLaughlin certifies that E. R. Launière was "employed as a labourer from February 22 to March 5," and Mr. L. N. Fortier certifies the same for Thos. O'Boyle. These are correct in form; but they should have been repeated for pay-list of March 19, and the nature of the labour should be described.

In the House of Commons Mr. L. Dubé certifies the attendance of A. Boutet, Jos. Patry and J. B. Geo. Samson; but he says nothing about the capacity in which they were employed. Mr. Dubé's certificate for S. M. Bollard reads "employed here to attend to strangers going up in the main tower." Mr. Bollard has been on the pay-list in the capacity of "Guardian of Tower, Parliamentary Buildings," continuously since July 1, 1888; to October 4, 1890, at \$1 a day, and since that date at \$1.25. Is this a correct description of his services during the winter months? The pay-lists from October 4, 1890, to July 25, 1891, though made out in the names of "Sam. Bollard," "S. Bollard" and "M. S. Bollard" indifferently, are all receipted by "R. Bollard." Moreover the signatures "S. M. Bollard" since July 25, 1891, are apparently in the handwriting of R. Bollard, and not in that of Mat. S. Bollard as signed up to October 4, 1890. Please explain these discrepancies.

For the other House of Commons employees, and for those classed under Public Works Department, Interior, Senate, Marine, Supreme Court, Printing Bureau and Library, there are no departmental certificates of attendance and occupation attached to the pay-list of March 5.

Several of the persons described on the pay-lists as labourers are designated otherwise in the Ottawa Directory, as follows:—

Railways & Canals :	E. R. Launière, clerk.
do	Thos. O'Boyle, packer.
Agriculture,	L. Hurteau, model guardian.
do	G. O'Gorman, model guardian.
do	E. G. Horan, messenger.
Public Works,	D. Gauthier, messenger.
do	J. Laframboise, messenger.
do	D. Scrim, messenger.
do	L. Fortier, messenger.

As a Directory in compiled from information supplied by the persons themselves, it may be inferred that some at least of the above-mentioned employees are engaged at services connected with the working of the several departments, rather than with the Maintenance and Repairs of Public Buildings. If so, they should not be charged to the Vote for Public Buildings. Please get the departments to describe in full the actual occupation of each labourer or other employee classified against them, with a view of rejecting from the Public Works pay-lists any persons employed on work not properly payable by your department.

The pay-list of Oct. 3, 1891, contains the following items:

Major's Hill Park :

Masons, 12 days at \$2.75, 12 at \$2.50.....	\$63 00
Labourer, 12 days at \$1.25.....	15 00

Grounds at Ottawa :

Carpenters, 24 days at \$2.....	48 00
Laborers, 64 days at \$1.50.....	96 00

There should be explanations attached to these entries, showing the work to be something outside of the contracts for maintenance, held by Messrs. Garello and Robertson respectively.

The person who witnesses the payment of wages by the Paymaster signs under the following stamped wording: "Undersigned certify to each signature and "payment as above; signatures by mark necessary from inability to sign." Among the persons usually making crosses, and therefore certified as "unable to sign" are C. Dufresne, G. Guertin, C. Lepage and D. Scrim. C. Dufresne signed his name to the pay-lists of Aug. 8 and 22, 1891. G. Guertin signed his name to the pay-list of Feb. 20, 1892. C. Lepage signed his name to the pay-lists of Sept. 5, Sept. 19, Nov. 28 and Dec. 12, 1891, and Jan. 23, 1892. D. Scrim signed his name to all the pay-lists from July 14, 1888 to Dec. 14, 1889, except one. The inference is that the paymaster does not consider this part of his work of sufficient importance to demand accuracy. Please draw his attention to the necessity of obtaining signatures from all those who can sign; and personally-made marks from those who are unable to sign.

Several items are receipted for by others than those to whom the money was due, without powers-of-attorney being attached. For instance M. Charrier's \$18 of Oct. 31 is receipted "M. Charrier, J. P.," apparently by Jos. Patry; and his \$18 of Nov. 14 and \$16.50 of Jan. 9 are both receipted "M. Charrier, A. B." apparently by A. Boutet. The paymaster is expected to furnish proof that the money reaches the hands of the persons who earn it.

In the pay-list of Oct. 31, 1891, the item of \$18 for F. Perchard, a labourer in the Justice Department, is not receipted in the writing of Mr. Perchard himself, but in a hand which appears to be that of F. Perchard junior, an extra messenger in the same department. This should be replaced by a valid receipt from F. Perchard the labourer.

In the pay-list of Jan. 9, 1892, no receipt is furnished for the item of \$22 for P. Dionne, a carpenter, for 11 days at \$2.

The certificate signed by the Clerk of Works before payment reads: "I hereby "certify that the accompanying pay-list and accounts are correct in every particular "of time, materials and value." Please let me know whether this certificate as to time is interpreted by the Clerk of Works as conveying a meaning similar to the certificate of actual attendance required concerning temporary clerical employees; in other words, do the pay-lists thus certified include any entries for time during which work was not performed, such for instance as sick-leave or holidays?

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, July 5, 1892.

SIR,—Having reference to your letter of the 18th May last, asking that the employees on the Repairs Pay-lists be certified by the respective departments using them, I have the honour to inclose you copies of memos from the Chief Architect and Accountant of this department, which will furnish you with the information asked for, in your letter above referred to.

I am, sir, your obedient servant.

The Auditor-General.

D. A. MACPHERSON, Assistant-Secretary.

DETAILS OF EXPENDITURE.

C—237

PUBLIC WORKS DEPT., OTTAWA, July, 1892.

MEMORANDUM FROM ACCOUNTANT.—Most of herein remarks have reference to Chief Architect's and Clerk of Works' action in matters referred to and have to be answered by them.

As to Paymaster Côté, in spite of the "inference" drawn by Audit Office people, I may safely state that he is quite alive to his duties, is doing his best, and is succeeding very well indeed in carrying out the Auditor-General's requirements.

Had verbal explanations, which are always willingly and cheerfully given, been asked for, it would have saved the Audit Office the trouble of writing so long an official letter to no purpose whatever as is shown hereafter;—

1st. C. Dufresne and G. Guertin do not know how to write and in fact never "signed their names."—Both of them however fell sick and were temporarily replaced by their sons who signed their own names, which happen to be the same as their fathers.

2nd. D. Scrim used to sign his name, but for the last six months he has grown so nervous that he cannot write any more; this is the reason he is now "making his mark".

3rd. C. Lepage who fell from a scaffold while on duty and was badly injured, is actually unable to write his name. His wife draws his wages under power-of-attorney, and signs for him.

4th. Duplicates of powers-of-attorney from M. Charrier to Joseph Patry and A. Boutet, also from C. Lepage to his wife, were kept in error with copy of pay-list for this office, and are herewith inclosed for transmission to Auditor-General, so is that of F. Perchard in favour of his son "F. Perchard."

5th. As to P. Dionne's signature it appears in copy of the pay-list kept in this office, but was omitted in copy sent to Auditor-General. Omission now rectified.

(Signed) O. DIONNE, *Accountant*.

Memorandum by Chief Architect. Re Auditor-General's Letter 129919, as to Employees Repairs Staff.

Questions.	Answers.
<p><i>Re</i> vouchers received from the various departments as to employees.</p> <p><i>Re</i> F. Perchard : Deputy-Minister of Justice certifies attendance, but does not state in what capacity Perchard is employed.</p> <p><i>Re</i> J. S. Richard : Richard is an upholsterer and is charged on the pay-list from 20th April to 27th June, 1891, and from 1st November, 1891, to 19th March, 1892, thirty weeks, to the Department of Justice. In that department there are eighteen officers.</p> <p><i>Re</i> E. R. Launière and Thos. O'Boyle, employed in the Department of Railways and Canals.</p> <p><i>Re</i> A. Boutet, Jos. Patry and J. B. Geo. Samson, employed at the House of Commons.</p> <p><i>Re</i> S. M. Bollard, guardian of tower, Parliament Buildings.</p> <p><i>Re</i> employees enumerated on the pay-list classed under Public Works, Interior, Senate, Marine, Supreme Court, &c., no departmental certificate of attendance and occupation was attached to the pay-list of March 5th last.</p> <p><i>Re</i> persons described on the pay-list as labourers, and designated otherwise in the Ottawa directory.</p> <p><i>Re</i> pay-list containing items for Major's Hill Park and Grounds, Ottawa.</p> <p><i>Re</i> certificate of clerk of works, "I hereby certify that the accompanying pay-list and accounts are correct in every particular of time, materials and value." Does this convey the meaning of actual attendance; do the pay-lists so certified include any entries for time during which work was not performed?</p>	<p>When the pay-lists of the 19th March last were taken from this office, the vouchers referred to were attached to the pay-lists.</p> <p>The Department of Justice asked for a labourer, and Perchard, who was employed as a labourer, was sent to the Department of Justice.</p> <p>Although Mr. Richard is designated as an upholsterer on the pay-list, all his time is not employed in that capacity; he also assists in general jobbing. The pay-list would be a very bulky document, if all the petty jobs done by the workmen were enumerated on it.</p> <p>The same remarks apply to Launière and O'Boyle, as noted <i>re</i> Perchard in the foregoing.</p> <p>The parties referred to have not been in the employ of this department since 5th March last.</p> <p>S. M. Bollard is guardian of the tower during the whole of the year.</p> <p>The workmen employed at the various departments referred to are principally employed at jobbing work, and are under the direct orders of the clerk of works, and the time of the workmen kept by the timekeeper of this department. The officers in the departments referred to, have no control over the workmen, nor are they in a position to give a certificate of attendance.</p> <p>The workmen referred to, when employed by this department, were engaged as labourers, and are still paid as such.</p> <p>The repairs to greenhouses, walks, roads, drains, etc., are not included in the contract. Pay-list referred to included time repairing greenhouse, Major's Hill Park, and to side-walks and grounds.</p> <p>Copy of the clerk of works reply attached.</p>

PUBLIC WORKS DEPT., OTTAWA, 28th June, 1892.

Memorandum.—To Thos. Fuller, Esq., Chief Architect.

No accounts attached to pay-lists of clerk of works, consequently the reference to accounts and materials is unnecessary.

The time-keeper furnishes a record of the time of the men to the clerk of works, who makes out and certifies to the correctness of the pay-list. Pay-lists so certified include only actual time of workmen for work performed, together with time of those disabled during the performance of their duty.

Payment of workmen disabled through the performance of duty has been the constant usage of this Department.

(Signed) F. BRETON, Clerk of Works.

Rideau Hall—Filling Ice-House.

AUDIT OFFICE, OTTAWA, April 27, 1891.

SIR,—In the payments for "Rideau Hall," I notice a voucher No. 57947 for \$66.08 in favour of C. A. Christin for filling the ice-house at Rideau Hall with 944 blocks of ice at 7 cents. Please let me have your reasons for considering this as a public service. I regard it otherwise.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Feb. 8, 1892.

DEAR SIR,—Please let me have an answer to my letter of April 27, 1891, asking for an explanation of your reasons for considering as a public service the filling of the ice-house at Rideau Hall.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, March 7, 1892.

SIR,—In reply to your letter of the 8th ultimo, asking for an explanation of reasons for considering as public service the filling of the ice-house at Rideau Hall, I have the honour to inform you that since the year 1872, it has been the practice to supply ice to Rideau Hall in the same manner as it is supplied to the public buildings here.

During all that period the question has never been raised by any person as to the advisability of discontinuing such practice, but if you think it necessary the attention of Council might be called to the matter.

I am, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, Asst. Secy.

Quality of Coal not up to Specification.

AUDIT OFFICE, OTTAWA, December 16, 1892.

SIR,—Let me acknowledge receipt of your application No. 351, to pay for coal for sundry Dominion buildings; one item being for \$200 in favour of the Acadia Coal Company, to pay a bill of "50 tons of lump coal for the Yarmouth Post Office."

I notice in the letter from Mr. Caretaker Spors, of Yarmouth, the following modification of his certificate: "This cargo of coal, known as Drummound—which is a very good sort as a rule—is not of first-class quality, much of it being rather "small."

Please return the account to the officer who certified "as per contract," and draw his attention to the fact that this certificate applies to contract prices only when qualities are up to specification. If materials are accepted below specification, a deduction should be made from the price.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPT., OTTAWA, December 20, 1892.

SIR,—I am directed to acknowledge the receipt of your letter dated the 16th instant, returning application 351, one item of which, \$200, in favour of Acadia Coal Company, is qualified by Caretaker Spears, of Yarmouth, as being "of good sort but not first-class, much of it being rather small," and asking that the attention of the officer who certified "as per contract" be called to the fact that if materials are accepted below specifications a deduction should be made.

I am, sir, your obedient servant,

D. A. MACPHERSON,

Assistant Secretary.

The Auditor-General.

Dominion Buildings—List Wanted.

AUDIT OFFICE, OTTAWA, April 18, 1891.

SIR,—In comparing your expenditure on Dominion Buildings (as shown at pages C—1 to C—11 of my Report for 1889-90), with the expenditure made by departments occupying the buildings, I find several instances where the services of heating, lighting and furnishing, are charged partly to "Dominion Buildings," and partly to such votes as "Customs," "Immigration," or "Penitentiaries."

The classification of all similar expenses under the same head is both a help in finding the total cost of a given service, and a safeguard against accidental duplicate payment of accounts.

Please let me have a list of the Dominion Buildings for which you assume complete responsibility, and for whose maintenance the "Dominion Buildings" votes are intended to provide. I may infer that for all other buildings the departments occupying them pay the whole cost.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

AUDIT OFFICE, OTTAWA, February 8, 1892.

SIR,—Please let me have an answer to my letter of April 18, asking for a list which would separate the Dominion offices for whose maintenance the Public Works Department contemplates providing, from those whose rent, heating, &c., are left to be paid by the departments occupying them. In the accounts themselves I have not as yet been able to trace any fixed line of separation.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, May 14, 1892.

SIR,—Having reference to your letter of the 18th April, 1891, calling attention to the fact that the expenditure of last year for heating, lighting, &c., of public buildings, has been charged partly to "Dominion buildings" and partly to "Customs," "Immigration" or "Penitentiaries," and stating that it would be advisable to have all

DETAILS OF EXPENDITURE.

C—241

similar expenses classified under the same head, also asking to be supplied with a list of the Dominion buildings for which this Department assumes complete responsibility: I have the honour to send you, herewith enclosed, a list of all the public buildings, with a few exceptions, which come under the control of this department, together with a copy of the Chief Architect's report on the matter, and to state that it does not appear advisable that all these services should be paid out of the same vote.

I am, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst., Secy.*

Memorandum by Chief Architect.

The services of heating, lighting and furnishing are intended to cover all buildings owned or rented by the Dominion Government as far as practicable. All the buildings named in the inclosed list and which with a few exceptions are under the care of this department, come within these services; but the lighthouses and quarantine stations as well as the penitentiaries, military buildings and marine hospitals are otherwise supplied. I believe there are a number of rented buildings for which fuel is supplied by the respective departments occupying them, and a further number for which a monthly allowance is made to the collector or postmaster to cover cost of fuel and light.

The Montreal drill hall and Hamilton drill hall are each supplied with an engineer who is paid out of the specific vote, but not fuel, light or furniture. Other buildings, *e. g.*, Pictou marine hospital and the St. John marine hospital, are supplied with fuel, but not with light or furniture, nor cared for by this department.

The foregoing being the case I consider that there is not a sufficiently exact rate to allow of the preparation of a list which would warrant the inference referred to in the closing sentence of the Auditor-General's letter.

THOS. FULLER, *Chief Architect.*

Mr. Lightfoot Certifying Estimates, instead of an Engineer.

PUBLIC WORKS DEPT., OTTAWA, July 30, 1892.

SIR,—I am directed to inform you that authority has been granted Mr. F. C. Lightfoot to certify to the payment of Estimates, pay-lists and accounts during the absence of Mr. Louis Coste, Acting Chief Engineer of this department, when inspecting Government works.

I am, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, Aug. 4, 1892.

SIR,—I am in receipt of your letter of the 30th ultimo, notifying me that Mr. Lightfoot has been authorized to certify payments during Mr. Coste's absence.

In conversation with Mr. Gobeil I explained that I would not be justified in accepting Mr. Lightfoot's signature without the authority of an Order in Council, and Mr. Gobeil informed me that Mr. Lightfoot would not sign final estimates, and would act only until a permanent substitute for Mr. Coste was appointed, which would be in a few days; also, that I would not be called upon to pass any of Mr. Lightfoot's certificates except when the application for payment was signed by Mr. Gobeil.

Would you be good enough to embody these facts in a letter to me?

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

Boucherville: Pier accepted instead of Cash Contribution.

PUBLIC WORKS, DEPT., OTTAWA, March 31, 1892.

SIR,—In reply to your letter of the 8th ultimo, *re* the claim of the municipality of Boucherville, P.Q., and stating that there still remains the objection raised in the third paragraph, viz.: That the local contribution called for by the wording of the Supply Bill should be paid in cash, or work performed, after the date of vote, I have the honour to state that it is a question of interpretation of a vote; you say the contribution should have been made after the vote; this department is of opinion that the vote contemplated a contribution, but did not say when, whether before or after, and such contribution having been made the intention of the vote was fulfilled.

I am, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

Cacouna Pier: Timber seized by Quebec Government.

AUDIT OFFICE, OTTAWA, Sept. 10, 1892.

SIR,—In your expenditure on Cacouna pier, I notice voucher 67509 in favour of Crown Lands Department, Quebec, for \$355, as follows:—

Stumpage on timber	\$118 50
Expenses of seizure.....	34 00
Watchmen, April 27, 1891, to June 4, 1892, 405 days....	202 50

Please let me have information as to the nature of this transaction.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, Jan. 7, 1893.

SIR,—Having reference to your letter of the 10th September last, asking to be supplied with information as to the nature of a transaction involving \$355 paid to
C-244

the Crown Lands Department at Quebec in connection with the construction of a pier at Cacouna, I have the honour to state that the parties who sold us the timber to be used in the above work had neglected to pay stumpage dues, and the timber was seized by the Government of the Province of Quebec. The case came up in the Quebec courts, where this department put in a defence and lost the case.

We were, however, ultimately enabled to make arrangements with the provincial authorities whereby, for the payment of a trifling sum compared with the amount originally claimed, we were allowed to resume possession of the timber and complete the work on the pier.

I am, sir, your obedient servant,

E. F. E. ROY, *Secretary.*

The Auditor-General.

River St. Louis—Inspector Denault paid after close of work.

AUDIT OFFICE, OTTAWA, Feb. 12, 1892.

SIR,—Let me call your attention to expenditure made on "River St. Louis," in 1890-91.

Exclusive of payments made to Mr. G. B. Denault, the wharfinger at Valleyfield, of \$1.50 a day as sustenance while overseeing the works at River St. Louis, the local services accrued as follows :

1890, August :	Pay-lists and accounts.. .. .	\$1,053 00
1890, September	do	2,411 85
1890, October	do	572 66
1890, November	do	55 36
1890, December	do	7 00

Although the work ceased about the end of Nov., 1890, Mr. Denault received his sustenance-allowance of \$1.50 a day up to June 16, 1891.

Please obtain a statement of the number of days on which Mr. Denault left his home at Valleyfield to visit the River St. Louis works, during the period between Nov. 1, 1890, and June 16, 1891.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, *A.G.*

PUBLIC WORKS DEPT., OTTAWA, Feb. 22, 1892.

SIR,—In reply to your letter of the 12th instant, asking information as to the services of G. B. Denault between November 1, 1890, and June 16, 1891, I have the honour to inform you that Mr. Denault, during the dates above mentioned, was in charge of regulating the water through the feeder of the River St. Louis, and the \$1.50 per day was allowed to enable him to defray his expenses in connection with that duty. The feeder in question is three miles long, and two and a half miles distant from Valleyfield, and a daily inspection was required.

I am, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON. *Asst. Secy.*

Bridge over River St. Louis, Beauharnois Co.

AUDIT OFFICE, OTTAWA, July 30, 1892.

SIR,—Let me acknowledge receipt to-day of your application No. 690, for \$646.41, and No. 33, for \$125.96, for materials supplied for the bridge over River St. Louis.

The vouchers are only certified as "Correct." I shall need the explicit certificates which are prescribed by section 33 of the Audit Act.

There should be some explanation of the reasons for erecting a bridge out of a harbour and river vote worded, "River St. Louis, \$2,000; the municipality of St. Clément providing \$400."

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, Aug. 23, 1892.

SIR,—Having reference to your letter dated 30th ultimo, I am directed to return you herewith, duly certified as requested, applications Nos. 690 and 33 *re* supplies for River St. Louis bridge; and to say the Chief Engineer explains that it is true the vote of \$2,000 was for the improvement of the River St. Louis, but in improving the same, and especially in widening it, it became necessary to replace the old bridge, which was the property of the municipality of St. Clément; hence these accounts.

I am, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

St. Maurice River: Payments not proved.

AUDIT OFFICE, April 30, 1892.

SIR,—Let me call your attention to my letters of May 16 and June 15, 1891, commenting on the vouchers for your expenditure in February and March respectively.

The letters in question are printed at full length on pages C—325 and C—328 of my report for 1890-91.

I have received no answer from you to either of these letters, although they contained several requests for information; and most of the irregularities therein mentioned are still repeated every month in vouchers up to this date.

At present, the subject which I wish to discuss again more particularly is the St. Maurice River, and the worthlessness of one-half of the receipts furnished by Paymaster Dagneau in acquittance of his advances.

An analysis of Mr. Dagneau's work for the 12 months ended May 31, 1891, is given at page E—62 of my report for 1890-91. It is there shown that for \$6,058.93 we have no receipts except unwitnessed crosses—and these apparently made by the hand of the person who writes the names, instead of by the creditor himself; and that for \$4,049.32 the only receipts are those of outsiders who sign on behalf of the creditors, although no authority from the latter is attached.

On the 9 months' vouchers at present in hand, from June 1, 1891 to Feb. 29, 1892, the proportion of worthless so-called "receipts" appears to be even greater.

For instance, the paymaster himself, Mr. Nap. Dagneau, receipted last year for \$261.08 due to others; while in 9 months of this year he has receipted for \$919.45.

The method of making up and paying the Shawenegan accounts is described at page C—331, in the letter of June 15, 1891: where it is shown that a combination of irregularities exists "which destroys every safeguard against the local officer."

These irregularities are: (1) The acceptance from the slidemaster of accounts made out by his own hand in the name of other people; (2) The absence of the certificates "work done," "materials received," and "prices fair and just"; (3) The fact that Supt. Lajoie has presented no accounts for travel since Sept., 1889; the inference being that he has not gone up the river since that time, and is certifying on hearsay or trust; (4) The payment by Mr. Dagneau of large sums into the hand of the slidemaster for other persons, whose names the slidemaster signs in receipt, followed by his own initials; (5) The payment by Mr. Dagneau of other large sums with no receipts taken except crosses not witnessed, and apparently not made by the persons whose marks they profess to be.

These five irregularities were all pointed out in my letter of June 15, 1891; but they have not gained the attention of the department, and they still continue unabated.

The accounts of Mr. Louis Coste, the Acting Chief Engineer, for travel since July 1, 1890, contain no trip up the St. Maurice River; and his certificate of approval is probably intended only to express his confidence in the methods of the superintendent, his subordinate; this being the scope of a departmental officer's certificate for outside services which he has not seen. Mr. Coste's certificate is therefore vitiated equally with that of Mr. Lajoie, by the fact of the latter not having inspected the works since Sept., 1889.

After receipted pay-lists come back from the local paymaster in discharge of his advance, the validity of the receipts should be examined by some officer in the Accounting Branch. He should certify that he considers the receipts and other evidence to be sufficient and satisfactory proof that the money has reached the hands of the persons to whom it is due. Had the St. Maurice pay-lists of the last three years undergone such an examination, none of them would have reached this office in their present incomplete state.

I am, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

Payments made by drafts on Department, to J. Patterson.

AUDIT OFFICE, April 13, 1892.

SIR,—I beg to call your attention to cheques 2216, 2707 and 2861, issued to meet drafts made by H. W. Johnston, agent of marine, at Halifax, amounting to \$14,500, in favour of J. Patterson, for repairs under contract to the steamer "Stanley." This amount was paid in three instalments—two of \$3,000 each and one of \$8,500—and the only vouchers sent me are the honoured drafts. Please let me have the certificates sent you as to the progress that had been made in the work at the time of each payment, with your reasons for having allowed Mr. Johnston to make payment by draft instead of following the ordinary course of having the applications first sent to the department for examination and approval, and a cheque issuing from the department.

I am, sir, your obedieint servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

MARINE DEPT., OTTAWA, April 27, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 13th instant, calling my attention to cheques 2216, 2707 and 2861, issued by the department, to meet drafts made by H. W. Johnston, agent at Halifax, amounting to \$14,500, in favour of J. Patterson, for repairs under contract to the "Stanley," and stating that the only vouchers sent you are the honoured drafts. In reply, I inclose you the contract, receipts and certificates, with letters in connection with the matter, and have to request you to return to the department the contract and other papers not required by you for the purposes of audit.

I am, sir, your obedient servant,

WM. SMITH, D.M.M. & F.

The Auditor-General.

Accounts not Properly Certified.

AUDIT OFFICE, June 23, 1892.

SIR,—I beg to bring to your notice vouchers 2365 and 3958, rendered by A. C. & A. McIsaac, for buoy service at Port Hood, N.S. It appears the harbour master refused

DETAILS OF EXPENDITURE.

C—281

to certify the first account, which was nevertheless paid on being marked "Correct" by the collector of customs at Port Hood.

Voucher 3958 is certified by H. W. Johnston per Tremaine. With reference to a signature in this form to the certificate required by section 33 of the Audit Act, I would like to point out that the proper person to sign such certificate is one who has personal knowledge of the facts for which he vouches. Mr. Johnston, or Mr. Tremaine, whichever inspected the work, should have certified over his own name. Please let me have your explanation.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy-Minister of Marine and Fisheries.

MARINE DEPARTMENT, OTTAWA, July 8, 1892.

SIR,—In reply to your letter of the 23rd ultimo bringing to my notice that voucher 3958 for buoy service at Port Hood, N.S., rendered by A. C. & A. McIsaac was certified by H. W. Johnston per Tremaine and that a certificate should have been given by the person who inspected the work, I have to inform you that Mr. Tremaine reports that a certificate from the harbour master accompanied the voucher when it left Halifax. As the certificate does not appear to be in this department, it may have accompanied the account of the contractor to your department. With regard to voucher 2365, certified by the collector of customs at Port Hood, after the harbour master had refused to do so, I have to inform you that the harbour master was the former contractor for the buoy service and appears to be dissatisfied because the work was given to others. The present contractors, Messrs. McIsaac, were instructed to place their account before the harbour master and if he refused to certify it to apply to the collector of customs at Port Hood who appears to be familiar with the buoy service.

I am, sir, your obedient servant,

The Auditor-General,

WM. SMITH, D.M.M. & F.

AUDIT OFFICE, OTTAWA, July 12, 1892.

SIR,—I beg to acknowledge the receipt of your letter of the 8th instant with reference to the certificates attached to vouchers 3958 and 2365 for Buoy Service at Port Hood, stating that Mr. Tremaine had reported that the desired certificate from the Harbour Master was attached to voucher 3958 when it left Halifax. I presume he refers to a type-written copy of a letter signed J. H. Murphy, harbour master, which states that "the buoys were taken up for the winter on the 11th and 12th November by the contractors C. & A. McIsaac. Some of the buoys are not stored yet." The certificate required by section 33 of the Audit Act written on the face of the voucher and which states that the work was performed—including I take it, the storing of the buoys that had not been attended to when Mr. Murphy wrote—and price according to contract is signed H. W. Johnston per Tremaine. It appears to me, as pointed out in my letter of the 23rd ultimo, that this form of signature is objectionable, and that the proper officer should certify over his own name.

I am, sir, your obedient servant,

J. M. McDOUGALL, A.G.

The Deputy Minister, Marine and Fisheries.

Customs duty on Supplies for Cape Race.

MARINE DEPT., OTTAWA, July 2, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 27th instant, inquiring in regard to a payment of \$25 for Customs duties on materials for Cape Race

Light, and in reply I am to inform you, that it has not been customary to pay duties on Cape Race supplies in previous years, as they have usually been conveyed to the station by the Government steamer "Newfield." In the case in question, it was found necessary to send goods by ss. "Carthaginian" from Halifax to St. John's and it would appear that the Customs authorities charged twenty-five per cent on the materials.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D.M.M. & F.*

Accounts Rendered by Examiners of Masters and Mates.

AUDIT OFFICE, OTTAWA, Dec. 9, 1892.

SIR,—With reference to the fees paid to the Examiners of Masters and Mates last year, I notice that in some cases the examiner has been paid \$4 for each candidate examined—see vouchers 675 and 5855—while in others, the amount paid is calculated at the rate of \$4 per diem. I should like to be informed as to the rule observed by the department in this respect, that is, when payment is calculated on the number of candidates and when on the number of days employed.

I would also call your attention to the form in which the accounts sent in by the examiners are certified. As a rule they are simply marked "correct" over the initials of Mr. Magee, only those sent in by David Hunter showing any evidence of having been previously submitted for the chairman's examination and approval. In this respect I beg to point out that all vouchers should be certified in proper form by the officer who has personal knowledge that the work for which payment is asked was performed.

I am, sir, your obedient servant,

The Deputy-Minister of Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, Dec. 12, 1892.

SIR,—I have to acknowledge the receipt of your letter of the 9th instant, requesting to be informed why some of the examiners of masters and mates are paid \$4 for each candidate examined, while others are paid at the rate of \$4 per day.

In reply I have to inform you that the only examiner who now receives a per diem allowance is Captain Hunter of Halifax, the other Examiners being paid at the rate of \$4 for each candidate examined. Captain Hunter is a member of the Board of Examiners appointed under the Act of 1870, for the examination of candidates for foreign sea-going certificates. This board of examiners, of which Captain Smith is the chairman, sits at stated periods and generally examines a number of candidates at each sitting, and the arrangement was to allow each member except the chairman \$4 per day for each day he was actually engaged in examining candidates. Captain Hunter and the chairman are the only members left of that board. All the other examiners are examiners of candidates for coasting and inland certificates and report direct to the department. When the Act relating to inland and coasting certificates came into operation in 1883, it was not deemed advisable to appoint a board of examiners, as the points at which a board would have to sit are so very far apart and the expense would be so very large. Examiners were therefore appointed at different ports in the Dominion under the Act of 1883, and receive \$4 for each candidate examined. They report to the department and have no connection with the board appointed under the Act of 1870, which related to deep sea certificates. Under these circumstances, you will readily understand the explanation asked for in the last paragraph of your letter, viz. : that while Captain Smith is in a position to certify to the fees earned by Captain Hunter, he is not in a position to certify to the fees earned by examiners who examine candidates for inland and coasting certificates, and that the officer in this department who has charge of that branch of the public service which relates to masters and mates, is the proper officer to certify to the fees earned by the examiners of candidates for inland and coasting certificates.

If occasion required the department to employ the services of Mr. Seaton of Quebec, in connection with examinations for deep sea certificates, he would be allowed the per diem allowance while so engaged.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D.M.M. & F.*

Accounts Should be Certified by the Officers Having Personal Knowledge of the Facts.

AUDIT OFFICE, December 13, 1892.

SIR,—I beg to call your attention to the certificates on the accounts rendered for drill exercises at the different life-boat stations during last year. The captains in charge at these stations merely certify that the pay-lists are correct and according to departmental authority, while the certificates as to the actual performance of the work and the fairness of the price are given by Mr. McElhinney. Unless Mr. McElhinney personally superintended the drill exercises, he is not the proper officer to certify in this respect, as it is not sufficient that he should have satisfied his mind as to their actual performance from the examination of returns or other documentary evidence sent to the department from the stations in question. Of course the fact of such returns confirming the certificate given by the officer in immediate charge may be adduced as an additional proof in favour of the payment asked for, but the certificate called for by section 33 of the Audit Act in regard to work done or material supplied must be given by one having personal knowledge of the facts for which he vouches. In this respect I would also call your attention to the certificate given by Mr. Anderson on some of the accounts rendered for labour and material in connection with the life stations. See vouchers 7648, 7649, 7650.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Deputy Minister, Marine and Fisheries.

MARINE DEPT., OTTAWA, December 19, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 13th instant, calling attention to the certificates on the accounts rendered for drill exercises at the different life-boat stations, and taking exception to the certificate given by Captain McElhinney in the matter. In reply I am to inform you that the captain or coxswain of the life-boat, who is the officer in charge, certifies to the correctness of the statement in regard to drill, and this involves that the services have been performed. If you consider it necessary, the form of his certificate could be altered and Captain McElhinney's omitted altogether, but the department considers it advisable that the life-boat service should be supervised by some officer of the department, and Captain McElhinney has been selected for that purpose. The department does not consider it necessary that the great expense should be incurred of sending an officer to the life-boat stations throughout the Dominion to superintend the drill exercises, and to certify to the fact of their performance, more especially when there is a paid officer at each station who can discharge that duty, and who virtually does so when he certifies to the correctness of the statement.

With reference to Mr. Anderson certifying some of the accounts rendered for labour and material, I beg to inform you, in looking into the circumstances under which the accounts were submitted and paid, it is found that the coxswain at Poplar Point was authorized to have his life-boat repaired. The accounts for the work were certified by himself as correct; they were then examined by Captain McElhinney and certified, and lastly, examined by Mr. Anderson in regard to the prices of the several materials, who found them fair and just, and appended his certificate that the accounts were correct and the prices charged were fair and just. You will, of course, understand that

if the certificate of the coxswain in these matters of repairs cannot be accepted by the officers of the department, it would mean that some responsible officer would require to be detached to attend the small details of repairs personally so as to be in a position to give the certificate which you require, and to carry this out would involve a very large expenditure. I may observe that if the amount involved is a considerable one it is usual to have a local inspector appointed, and also, if anything in the accounts appears to require explanation or appears to be incorrect, it is thoroughly investigated before the account is certified.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D. M. M. & F.*

Incomplete Vouchers.

AUDIT OFFICE, December 14th, 1892.

SIR,—I beg to bring to your notice the vouchers sent me in support of the payments made for claims preferred against the Government in connection with the collision of the steamer "Alert" and the schooner "Scylla," and to point out that none of them is the original account made out by the person making the claim, and that there is no certificate attached vouching for the validity of the loss alleged or the fairness of the amount paid.

Please let me have full information in reference to this matter, including the proofs of payment of the insurance policies, the correctness of the amounts, the report of the officer who made the valuation of the vessel, cargo and the effects.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries.

J. L. McDOUGALL, *A. G.*

NOTE BY A. G.—The information asked for has been forwarded to this office including opinion of Department of Justice that Insurance Companies and others had legal claim against the Government.

J. L. MCD.

AUDIT OFFICE, December 22, 1892.

SIR,—In connection with the expenditure for Signal Service last year I beg to bring to your notice voucher 2845 furnished by Michael Scott for labour on Maritime road between Anse au Voleau and Grand Entry. Mr. Scott was paid \$300 by cheque in his favour, all of which, with the exception of \$37.50, was to be paid out to labourers employed at the work in question.

The voucher sent me does not bear any evidence that it was so disbursed, and the certificate given as to work performed is signed by Mr. Scott himself.

I should like to be informed if you have any other evidence in support of Mr. Scott's statement that the work was performed and that the labourers whose names appear on the pay-list were paid the amounts credited to them.

I am, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries.

J. L. McDOUGALL, *A. G.*

DEPT. MARINE AND FISHERIES, OTTAWA, August 4, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 28th ultimo, asking why the sum of \$600 paid out of "Miscellaneous, B.C.," should be transferred to "Allowance and Expenses to Commissioners;" also why the full amount of the cheques in question, viz., \$900, should not be similarly dealt with?

In reply thereto, I beg to state that \$900 was advanced to the chairman of the British Columbia Fisheries Commissioners, from the miscellaneous appropriation for fisheries, British Columbia, pending the grant of \$1,000 in the supplementary estimates for 1891-92. The cost of the commission was \$1,584.79, and under authority of Order-in-Council of the 16th April last, the over-expenditure was charged to "Miscellaneous Fisheries, B.C.," "Fish Breeding," and "Legal and Incidental Expenses."

The portion chargeable to "Miscellaneous Fisheries, British Columbia," is \$300, so that it is only necessary to transfer \$600 the amount covered by cheques Nos. 2711 and 3106.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D.M.M. & F.*

AUDIT OFFICE, OTTAWA, August 9, 1892.

SIR,—I am in receipt of your letter of the 4th inst., regarding the transference of the sum of \$600, from "Miscellaneous, B.C.," to "Allowances and Expenses of Commissioners," and beg to say in reply that, as Parliament was asked to provide specially for the expenses of the latter, it should have been asked to provide a sum to cover the whole expenditure.

I would be glad, however, if some one from the accountant's branch of your department would call at this office to consider the transfer, which, under the circumstances, should be made.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Marine and Fisheries.

NOTE by A. G.—The transfer was not made, as a statement showing how a proper distribution of the amounts in question was arrived at, was not sent me.

J. L. McD.

AUDIT OFFICE, OTTAWA, March 31, 1892.

SIR,—I beg to ask your attention to the following remarks on the pay-lists and accounts of the extra employees in your department during the current fiscal year.

1. The pay-lists for July, August and September have not been signed by Messrs. McInnes, Smith, Dowling, White, Giroux and McEvoy. Mr. Barlow has not signed the July and August pay-lists. The August pay-list is not signed by Mr. Brophy nor the September pay-list by Mr. McEwan. Whenever from any cause a temporary employee is not present to sign the pay-list a separate receipt should be obtained from him and forwarded to this office with the pay-list.

2. A Treasury Minute dated 2nd October, 1891, prescribes the following certificate for the accounts for pay-lists to all extra clerks, messengers and temporary employees, from and after 1st September, 1891:—

"I certify that the clerk (or messenger) has been in attendance at this office every day, except Sundays and Statutory holidays, during the period for which payment is asked."

On looking over the pay-lists I find that on the September pay-list this certificate is altogether wanting. In the October pay-list this certificate appears, but with the clause inserted "to the best of my knowledge and belief." The November pay-list is properly certified, but the certificate is wanting in the December, January and February pay-lists. For the month of December the certificate would require to be slightly modified on account of the monthly cheques being issued before Christmas, while in January the certificate would again have to be altered so as to cover the last week in December. I return the pay-lists for September, October, December, January and February for the proper certificate.

3. I notice that you retain on your pay-list the following mechanics and labourers. Matthew Esdale, carpenter; D. A. Esdale, assistant carpenter; John Duggan, night-

watchman and Napoleon Gagné, labourer. The Public Works Act gives to the Minister of Public Works the charge of all the Dominion buildings at Ottawa, as regards care and maintenance and as regards furniture and fittings. The employees above named should accordingly be employed and paid by the Public Works Department, instead of by your Department.

4. I beg to ask whether the different temporary employees in your Department are employed under Order in Council and in accordance with the requirements of the Civil Service Act. If not kindly procure at once the Order in Council requisite to legalize their employment.

5. H. N. Topley, one of your temporary employees, is, I observe, paid on the 15th of each month instead of at the end of the month. The certificate referred to in section 2 of this letter should be placed on each of Mr. Topley's accounts, and this certificate can only be so placed if the payment is made at the end of the month instead of the middle of the month. Besides, I would call your attention to an Order in Council, dated 31st August, 1891, providing that temporary employees shall be paid only at the end of the month or period of service. I also notice that Mr. Topley's salary was increased from \$400 to \$600 per annum from January 5th last. Please furnish me with a copy of the Order in Council authorizing this increase.

6. July cheque No. 635 is for payment to Laura Burke of \$6.05 for type-writing Dr. Ells's report. This account is not certified as to the correctness of the number of folios. I would ask if Miss Burke has passed the necessary preliminary examination, the work being simple clerical work.

7. October cheque No. 797 is for payment to J. A. Guignard of \$52 for indexing the annual report. I would like a certificate of the correctness of the work performed and the fairness of the rate charged, in accordance with Section 33 of the Audit Act. I would ask whether Mr. Guignard has passed the requisite Civil Service examination.

8. The following payments are for mounting and labelling botanical specimens at two cents per sheet:—

915 Miss Nellie Macoun.....	\$19 48
916 Miss Bella MacLennan.....	8 68
957 Miss Bella MacLennan.....	12 06
1006 Miss Nellie Macoun.....	15 44

These four accounts, instead of being made out by the claimants themselves, appear to have been made out by Mr. James M. Macoun, the claimants only signing the receipt. Mr. John Macoun and Mr. Jacob, in certifying these accounts, certify only to the correctness of the amount of work done, not to the fairness of the rates charged. Please let me have proper accounts, made out by the claimants themselves, and fully certified in accordance with the requirements of Section 33 of the Audit Act.

Kindly have the inclosed vouchers properly certified and amended, and return to me at your earliest convenience.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, Sept. 30, 1892.

SIR,—Referring to my letter of 31st March last, containing certain remarks on the pay-lists and accounts of the extra employees in your department for the first eight months of the past fiscal year, I beg to say that I have received no official answer to my letter other than the return of the documents sent you, amended in some particulars. The following points made by me seem to have escaped attention:—

Paragraph 1.—Mr. Barlow's receipts for July and August, as well as Mr. Brophy's for August are still required. I might remark here that in the pay-lists

which have since reached me, Mr. Russell's receipt for May is missing, as are also Messrs. Jacob's and Russell's for June.

Paragraph 2.—The pay-lists have been returned unchanged as to certificates. I also notice that the form of certificate objected to by me on your October pay-list has been repeated in the March, April, May and June pay-lists. The interpolation of the words "to the best of my knowledge and belief" cannot be allowed, in the certificate prescribed by the Treasury Board.

Paragraph 3, referring to the employment of mechanics and labourers, remains unanswered.

Paragraph 4.—I have not yet received a copy of an Order in Council authorizing the employment of the different temporary employees in your Department.

That part of paragraph 5 asking for the necessary certificates on Mr. Topley's accounts seems to have passed unnoticed.

Paragraphs 6 and 7 remain unanswered as regards my question as to whether the persons employed had passed the Civil Service Examination.

Paragraph 8.—No explanation has been made of the fact that the accounts of Miss Nellie Macoun and Miss Bella Maclellan appear to be in the handwriting of Mr. Jas. M. Macoun.

Your early attention to these points will greatly oblige.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, April 28, 1892.

SIR,—In a letter to you dated May 22, 1891, I drew your attention to the fact that the practice of purchasing books for the Geological Survey Library direct from the dealers, instead of through the Stationery Office, is contrary to the "Act respecting the Department of Public Printing and Stationery" (*vide* 51 Vic., chap. 17, sec. 3, quoted in my letter referred to above).

I notice however that the practice to which objection was taken continues. I append herewith a list of the irregular purchases of books made by you since July 1, last.

Cheque No.	Name.	Amount.
		\$ cts.
680	John Lovell & Co.	9 00
681	Might Directory Co.	5 00
728	B. Westerman & Co.	6 57
829	F. P. Harper.	20 00
873	N. T. C. Hodges (in part).	5 50
875	S. Raymond Roberts.	30 00
876	Bou langer & Marcotte.	4 00
878	Anthropological Society.	7 50
879	F. Brockhaus.	17 20
880	Oscar Shack.	10 40
886	Wm. Wesley & Son.	5 11
887	Henry Gray.	11 40
924	Scientific Publishing Co.	4 00
953	Ch. Chadenat.	23 05
964	Max Weg.	1 27
1012	Might Directory Co.	5 00
1013	R. B. Hough.	5 00

If it is found impracticable to purchase these books through the Stationery Office, you should ask to have the Printing and Stationery Act amended by adding

books purchased for the Geological Survey Library to those already excepted from the above Act. In the meantime I have again to ask you to be good enough to see that all books are obtained through the legal channel.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, April 8, 1892.

SIR,—Geological Survey cheque No. 803, for \$77.90, is in favour of Wm. J. Topley in payment of two accounts, viz., one amounting to \$49.25 for an Eastman camera and fittings supplied to Mr. D. B. Dowling on June 13, 1891, and one for \$28.65 for a premier lens, 4 holders and 1 doz. plates supplied on July 27. This last account bears no certificate as to the receipt of the goods or as to the fairness of the price, nor does it state for whom the goods were purchased.

Cheque No. 877 is for a payment of \$28 to the Rochester Optical Company for 1 premier lens and 4 holders ordered by W. J. Topley for Mr. Ingall and received by Mr. Ingall on July 28. Considering the similarity of the items, the coincidence of the dates and of the person from whom the goods were obtained, I beg to ask if these were two distinct sets of photographic apparatus, or if a double payment has inadvertently been made for one and the same set.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

GEOLOGICAL SURVEY DEPARTMENT, Sept. 30, 1892.

SIR,—Referring to your letter of April 8, I beg to state that the \$28 referred to as overpaid Mr. Topley has been credited to this Department, as his account, a copy of which herewith enclosed, shows.

I have the honour to be, &c,

GEORGE M. DAWSON, *Acting Deputy Head.*

The Auditor General.

GEOLOGICAL SURVEY OF CANADA,

OTTAWA, September, 1892.

AUDIT OFFICE, OTTAWA, Sept. 30, 1892.

SIR,—Among the cheques issued in June on account of the Geological Survey, I notice one, No. 1169, in favour of McKinley & Northwood for \$16.10 for an

argand drop-light and tubing for Mr. E. R. Faribault. Kindly inform me why this was procured from this firm instead of through the Public Works Department, which has charge of all the furniture and fittings for the several public buildings at the seat of Government.

I would ask that in future all furniture supplies and repairs be obtained through the Public Works Department.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A. G.

GEOLOGICAL SURVEY DEPT., October 8, 1892.

SIR,—Referring to your letter of the 30th Sept., respecting a payment of \$16.10 to Messrs. McKinley & Northwood, I beg to state that requisitions for the goods supplied were sent to the Secretary of the Dept. Public Works on the 1st April and the 7th December, 1891. As these requisitions were not attended to and we could not do without the lamps without serious inconvenience, it was decided (on 2nd Feb., 1892,) to purchase and pay for them out of our appropriation.

I have the honour, &c.,

The Auditor General.

GEO. M. DAWSON, *Acting Deputy Head.*

AUDIT OFFICE, OTTAWA, Sept. 19, 1892.

SIR,—I beg to ask your attention to the great delay in forwarding to this office for repayment, the monthly statement of cheques issued under your Letter of Credit. The statement for the month of May was not sent until July 27, nearly two months after the close of the month; while the statement for June has not reached me at this date, Sept. 19, nor have any of the statements for the current year.

I can see no sufficient cause for such great delay in this matter; in fact, considering the comparatively small number of cheques issued by you during the month, (about 50 on an average) the statements should be sent within one or two days after the close of the month. The cheques being made out and signed from day to day during the month, the final making up of these statements is a piece of mere clerical work, requiring not more than a few hours for its performance.

In comparison with the delay complained of in your department, I beg to ask your attention to the regularity with which these statements are furnished by some of the larger expending departments:—

In the Department of Railways and Canals 330 cheques are drawn on an average monthly; their lists are always in on or before the 3rd of the following month. The Indian Department issue between 500 and 600 cheques monthly on account of the Consolidated Fund expenditure, and their cheque lists are in before the 7th day of the following month. The Post Office Department issue 5,000 chèques in a month, while their lists are sent me the 1st or 2nd of the following month.

It is out of the question that this irregularity should continue. I trust, therefore, that you will have it remedied immediately.

The comparative smallness of the sum involved is the only reason to account for the delay not having attracted the attention of the Finance Department in making its monetary arrangements.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A.G.

GEOLOGICAL SURVEY DEPT., OTTAWA, Sept. 22, 1892.

SIR,—I beg to acknowledge your letter of Sept. 19, in which you call attention to the delay in sending in the monthly statement of cheques from this Department. As Dr. Selwyn, the Director of this Survey, is at present in the North-west, and

as I have only lately returned to the office, I am not personally familiar with the causes which may have led to the particular delays you instance. I feel, however, that you have a just cause of complaint in the matter. The Accountant, who is immediately responsible in connection with the preparation of the monthly statements, has been instructed that no such delays can be allowed in future, and I trust that you may hereafter find no reason to complain on this subject.

I have the honour, &c.,

The Auditor General.

GEO. M. DAWSON, *Acting Director.*

AUDIT OFFICE, OTTAWA, Sept., 29, 1892.

SIR,—During the past fiscal year Mr. Burke received five advances of \$60 each for petty expenses, but no account of the payments under these advances has yet reached this office. Kindly see that this account is furnished me at your earliest convenience.

I have already on different occasions drawn your attention to the matter of the contingent advances, and pointed out that these advances should never exceed the average monthly expenditure (say \$25) and that accounts should be rendered of the expenditure under one advance before another advance is made. I would feel obliged to you if you would see that this system is carried out in the future.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

GEOLOGICAL SURVEY DEPT., OTTAWA, Sept. 30, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 29th, respecting advances made to Mr. Thos. Burke for petty expenses, and to state that his statement of account with vouchers is being put in shape and will be sent you in a day or two.

I have the honour, &c.,

GEO. M. DAWSON, *Acting Director.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 11, 1892.

SIR,—On Dec. 22 last I wrote you as follows:—"As the majority, if not all of your Surveyors have now returned from their work for the last season I beg to ask that their accounts be made out and forwarded to this office with as little delay as possible. Is there any serious obstacle to these accounts being closed within a month after the return of the Surveyors?" To this letter you replied on the following day in these words: "I beg to say there is in my opinion, as a rule, no obstacle whatever to accounts being closed within the period you name, and in accordance with written instructions. The want of power to enforce attention to instructions is the only obstacle."

With further reference to this matter I beg to ask your attention to the accompanying statement, showing as nearly as possible the day on which the Surveyors returned; when their accounts were filed with the Accountant, as shown by the official stamp on some of the accounts; and the date of final settlement, with the nature of settlement, whether by cheque or by refund.

You will see from this that the delay complained of is partly due to the Surveyor and partly to the Accountant.

Kindly see that this year your instructions as to the prompt making up and settlement of all these accounts are duly observed.

I am, Sir, your obedient servant.

J. L. McDOUGALL, A. G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, Sept. 22, 1892.

SIR,—In Prof. L. W. Bailey's account for exploration expenses during the season of 1891 there is a payment of \$102 to N. D. Sellon for 51 days' services of self and horse. Kindly let me know between what dates these 51 days are comprised.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A.G.

GEOLOGICAL SURVEY DEPT., Oct. 11, 1892.

SIR,—Referring to your letter of the 22nd September re a payment of \$102 made by Dr. Bailey to Mr. N. D. Sellon, I beg to transmit to you the accompanying copies of correspondence on this matter, and state that a deposit of \$45.75 was placed at the credit of the Receiver-General on the 8th October to cover the over-payment.

I am, Sir, your obedient servant,

The Auditor General.

GEORGE M. DAWSON, Acting Director.

FREDERICTON, N.B., Sept. 26, 1892.

DEAR SIR,—I have to acknowledge the receipt of your letter of 22nd inst., covering a note of inquiry from the Auditor General in reference to an item in my account for 1891.

In reply, I beg to state that Mr. N. D. Sellon was in my employ, on behalf of the Survey, with horse and wagon, between the following dates:—

July 22 to August 5	15 days
August 8 to August 21	14 "
September 1 to September 22	22 "

Total..... 51 days

For the above services he was paid \$2 per day, or \$102 in all.

I am, yours very truly,

JNO. MARSHALL, Esq., Accountant.

I. W. BAILEY.

OTTAWA, Sept. 28, 1892.

DEAR SIR,—Referring to your letter of the 26th inst., there are payments charged in your accounts of 1891 on the 6th August:—

To Mr. N. D. Sellon for 15 days' feed and care of horse at \$1.05	\$ 15 75
To N. D. Sellon for self and horse from 22nd July to 6th August, 15 days at \$2.00, per sub-vouchers 13 and 14	30 00
And again on the 22nd September, per sub-vouchers 30 and 31, N. D. Sellon, for self and horse, 51 days at \$2.00	102 00
Feeding horse, 51 days at \$1.05.....	53 55

In your letter of the 26th inst. you state that the 51 days are made up between the 22nd July and the 22nd September, in which case it would appear to me that the first charge of \$45.75 should have been deducted from the payment of \$155.55 made to Mr. Sellon on the 22nd September; otherwise there must be some mistake in entering the dates of service.

Yours truly,

JNO. MARSHALL, *Accountant.*

Prof. L. W. BAILEY, Fredericton, N.B.

FREDERICTON, N. B., Oct. 3, 1892.

DEAR SIR,—I have your letter of the 28th Sept. and find, to my regret, that you are correct in your supposition that there is an error and overcharge of \$45.75 in my accounts for the year 1891.

The facts of the case are as follows:—Mr. N. D. Sellon entered upon service on the 22nd of July, and, with the exception of a few days in August, remained with me until the 22nd of September, 51 days in all. During this period I was in the habit of making small advances to him, as required, for keep of horse, &c. In general I did not take vouchers for these, merely charging them against him in my accounts, as given below, but would seem to have taken such voucher on the 6th of August, probably for the reason that it was uncertain whether I should again need his services. Finally, on the 22nd Sept., in making a general settlement, the amounts advanced were deducted from the sum due for the whole period, but were reckoned only from Aug. 6th, the payments on that date not being included, as they should have been. I cannot understand how we should have both overlooked the latter and made this mistake; and I may or may not be able to recover from Mr. Sellon the amount overpaid to him, and for which you hold his voucher; but of course I am the responsible party, and must take the consequences of my carelessness. I therefore inclose my cheque for \$45.75, the amount of my indebtedness to the Survey, with which please make the account correct. Will you kindly acknowledge the receipt of the cheque.

Yours very truly,

L. W. BAILEY.

JNO. MARSHALL, Esq., *Accountant.*

AUDIT OFFICE, OTTAWA, Sept. 29, 1892.

SIR,—Mr. M. A. Bucke was paid \$245.25 by Mr. Ingall, being his wages as assistant from July 16 to Nov. 16, 1891, a period of 134 days, at \$1.83 per diem. At different times during the same period Mr. Bucke was paid various sums, amounting to \$35.20, by Mr. Jas. White, one of Mr. Ingall's assistants, these amounts being entered by Mr. White in the "Wages" column in his statement of expenditure.

Kindly explain why these payments made by Mr. White were not taken account of in the final settlement with Mr. Bucke.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A. G.

AUDIT OFFICE, OTTAWA, Sept. 30, 1892.

SIR,—I notice that Mr. McInnes, of your department, in going to the scene of his explorations in the Thunder Bay district in 1891, went by way of Owen Sound and the Canadian Pacific Railway steamers to Port Arthur. As the fare on these steamers covers meals and state-room, per diem allowance should not have been charged for the days spent on them.

The amount of the per diem allowance thus overcharged by Mr. McInnes should be refunded as early as possible.

I am, Sir, your obedient servant,

The Director Geological Survey.

J. L. McDOUGALL, A. G.

GEOLOGICAL SURVEY DEPT., OTTAWA, Oct. 8, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 30th Sept., and state that Mr. McInnes, who is now in the field, has been communicated with respecting the days charged for while on the Canadian Pacific Railway steamer to Port Arthur.

I am, Sir, your obedient servant,

GEORGE M. DAWSON, *Acting Director.*

The Auditor General.

AUDIT OFFICE, OTTAWA, Sept. 29, 1892.

SIR,—In examining the exploration account of Mr. J. B. Tyrrell for the season of 1891, I notice that in going to the field of his operations in Manitoba he appears to have gone by way of Toronto and the Upper Lakes; at the same time he has charged living allowance for the whole time, in contravention to the Order in Council of November 10, 1886, which provides that "the per diem allowance for maintenance shall not be paid to such officers for days spent on board steamers or steamships, or other modes of conveyance, if the passage money includes meals and all other accommodation." Since on the Upper Lakes the passage money "includes meals and all other accommodation," Mr. Tyrrell should be called upon to refund the allowance paid him for the time spent on the steamer.

I am, Sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Director Geological Survey.

GEOLOGICAL SURVEY DEPT., Oct. 19, 1892.

SIR,—Referring to yours of Sept. 29, Mr. Tyrrell states that he travelled on the morning of Thursday, the 25th, on railroad, and Friday, June 26, was the only full day spent on the steamer, for which a refund of \$3.50 has been made, and Bank of Montreal deposit receipt No. 2078 therefor sent to the Receiver-General on the 18th inst.

I am, Sir, your obedient servant,

The Auditor General.

A. R. C. SELWYN, *D.G.S.*

AUDIT OFFICE, OTTAWA, Oct. 20, 1892.

SIR,—Referring to your letter of the 19th inst., respecting a refund of \$3.50 by Mr. Tyrrell, being allowance paid for one full day spent on the C. P. R. steamer, I beg to say that Mr. Tyrrell should refund, not only the allowance for the full day,

but also a proportionate part of the allowance for those days spent partly on steamer and partly on land.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Director Geological Survey.

AUDIT OFFICE, OTTAWA, Oct. 14, 1892.

SIR,—I beg to ask for an explanation of the excessive delay in settlement of the survey account of Mr. R. G. McConnell for the season of 1890-91, which reached me only on the 11th inst. The facts of the case are as follows:—

Mr. McConnell received advances amounting altogether to \$400, viz., \$200 on May 22, 1891, and a further amount of \$200 on June 3, 1891. He left for Alberta territory on May 23, returning on June 26, 1891. The total of his expenditure and allowances for the survey was \$325.10, leaving a balance on hand of \$74.90, which balance was not deposited to the credit of the Receiver-General until October 11, 1892—about 15½ months after Mr. McConnell's return.

As the amount of the balance must have been known to Mr. McConnell shortly after his return, and should have been known to the accountant of your office shortly thereafter, I have to ask the two following questions:—

1st. Why did not Mr. McConnell, knowing he had a balance of \$74.90 of Government moneys, at once deposit it to the credit of the Receiver-General?

2nd. When Mr. McConnell neglected to make the requisite refund, why did not your accountant make it his business to see that this balance was refunded promptly, instead of waiting until his attention was unofficially drawn to the matter by the examiner in this office charged with the audit of your accounts?

I have the honour to be, Sir, your obedient servant,

J. L. McDOUGALL, A.G.

A. R. C. SELWYN, Esq., Deputy Head and Director, Geological Survey.

NOTE.—Mr. Ingall has since refunded \$35.20, the amount of an over-payment to M. A. Bucke, referred to in the above correspondence.

J. L. McD.

Payment of Inside Official from Outside Vote.

AUDIT OFFICE, OTTAWA, Feb. 2, 1892.

SIR,—So far as I can form an opinion from the accounts for travelling expenses, Mr. Wm. McGirr of your department has been employed at Ottawa during the last three years. His salary under these circumstances should have been charged under Civil Government.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Supt. Gen. of Indian Affairs.

Payment before end of Month of Salary charged to Outside Vote.

AUDIT OFFICE, OTTAWA, May 13, 1892.

SIR,—I beg to ask your attention to the following statement showing the dates on which the cheques in payment of Mr. Wm. McGirr's salary for the first six months of the current fiscal year were respectively issued:—

DETAILS OF EXPENDITURE.

D—109

	No. of Cheque.	Date of Cheque.
July salary.....	353	August 1
August do	465	do 10
Septemb'r do	1005	Sept. 15
October do	1631	Oct. 19
Novemb'r do	2605	Dec. 1
December do	3031	do 18

I have already written to you with reference to Mr. McGirr being still paid as an employee of the Regina office, and at present would only say that so long as his salary is so charged, he is not entitled to receive his monthly cheques earlier than the other officials of the outside service, *i.e.*, before the end of the month.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt. Gen. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, May 23, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 13th instant, relative to the date on which the monthly cheques in payment of Mr. Wm. McGirr's salary should be issued, and in reply I beg to inform you that the contents of your letter have been noted.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, *D.S.G.I.A.*

Commissions Paid for Cashing Salary Cheques.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, May 14, 1892.

SIR,—I have the honour to inclose herewith copy of a letter from the Indian Commissioner for Manitoba and the North-west Territories, dated the 29th ultimo, inquiring whether action cannot be taken by the department to relieve its employees from the loss some of them suffer in having to pay a commission for cashing their salary cheques; and I have to request that you will be good enough to inform me whether any, and if so what, steps can be taken to ensure such employees receiving their salaries in full.

Your obedient servant,

The Auditor-General,

L. VANKOUGHNET, *D.S.G.I.A.*

OFFICE OF THE INDIAN COMMISSIONER, REGINA, April 29, 1892.

SIR,—I have the honour to inform the department that it has been brought to my notice that in some cases, such as those at Macleod, its employees have to pay a commission, in order to get their salary cheques cashed, which it is thought should be borne by the department. As an instance, I would mention Mr. Agent Pocklington, at Macleod, there being no branch of the Bank of Montreal there.

Cannot the commission be added to salary cheques forwarded to such districts, or other arrangement allowed?

I am, sir, your obedient servant,

HAYTER REED, *Com.*

The Deputy Supt. Gen. of Indian Affairs.

AUDIT OFFICE, OTTAWA, June 22, 1892.

SIR,—I beg to acknowledge the receipt of your letter of the 14th ult., inclosing copy of one from the Indian Commissioner for Manitoba and the North-west Terri-

tories, referring to the loss suffered by some of your employees in having to pay a commission for cashing their salary cheques.

In reply I beg to say that I see no way in which the grievance complained of can be remedied by the Government. I would at the same time draw your attention to Section 103 of the Banking Act of 1890, which provides that no Bank to which the Act in question is applicable shall charge any discount or commission for cashing any official cheque of the Government of Canada, or of any department thereof, whether drawn on itself or on another Bank.

I am, sir, your obedient servant,

The Deputy Supt. Gen. of Indian Affairs.

J. L. McDOUGALL, A.G.

Re Error in Accounts of 1890-91.

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 5, 1892.

SIR,—I have the honour to inform you that the Archbishop of St. Boniface has drawn my attention to the manner in which the expenditure upon the St. Boniface Industrial School is shown in your reports for 1889-90 and 1890-91. In the former an entry appears at page C-166 of \$2,000 advanced, and in the latter items amounting to \$19,127.75 at page D-107-108. This would certainly appear as if the expenditure for the two years had been \$21,127.75, whereas it was only \$19,127.75 as shown by your report for 1890-91.

As I desire to give the Archbishop an explanation at once I would request an early answer.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, D.S.G.I.A.

AUDIT OFFICE, OTTAWA, April 20, 1892.

SIR,—I beg to acknowledge receipt of your letter of the 5th instant, drawing my attention to an error in my report for 1890-91, in showing the amount expended on account of the St. Boniface Industrial School to be \$19,127.75 instead of \$17,128.75.

The error in question arose from the amount of \$2,000 advanced in the previous year not having been deducted from last year's vouchers in consequence of no explanatory statement showing the deduction being attached to the vouchers for the expenditure when they were received at this office. The \$2,000 thus overcharged the St. Boniface Industrial School was short charged to the Elkhorn Industrial School, the amounts advanced Rev. E. F. Wilson, and remaining unaccounted for being given as \$500 instead of \$2,500. I shall try to correct this error in my report for the current year.

I think that similar errors may be avoided in the future by your department sending me fuller and more comprehensive statements of the amounts advanced to different persons and of the expenditure under these advances.

I am, sir, your obedient servant,

The Deputy Supt. Gen. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, May 5, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of April 20, 1892, with reference to an error in your printed account for the year 1890-91, in which the expenditure for the St. Boniface Industrial School was made to appear as \$19,127.75. There can be no reasonable doubt from the allegations of the official whose duty it was to forward the same, that the statement to which you refer as not having been attached to the vouchers for the expenditure upon this institution was so attached, and it is highly probable that it was overlooked in

your office. The error was no doubt partially caused by the loss of this statement, but I would point out that the advance of \$2,000 which was charged in your accounts for 1889-90 must have been lost sight of, and as I presume the responsibility for the proper expenditure of these advances does not cease when the accounts for the year are closed, I submit that the error must have arisen from the failure to properly continue the audit of that year. I must also express surprise that the conclusion was arrived at, that the Rev. E. F. Wilson had been advanced only \$500 instead of \$2,500; if the information was in any way insufficient with reference to the advance, it would have been wiser to consult with this department on the subject rather than to balance the accounts by an entry, the correctness of which was merely a matter of conjecture. I regret that you had not previously communicated the fact that the statement of advances was not sufficiently comprehensive, as in the absence of any information that such was the case it was supposed that the method followed was giving entire satisfaction. If this had been done, I could then have taken the action which I have now taken to have the particulars given with yet greater detail, and it is hoped it will have the effect of lessening the possibility of the occurrence of such errors in the audit.

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, June 24, 1892.

SIR,—Referring to your letter of the 5th May, 1892, with reference to an error in the accounts for the year 1890-91, by which the expenditure for the St. Boniface Industrial School was shown to be too great by \$2,000, I fail to agree with you in your assertion that it is highly probable that the statement in question was overlooked in this office, as the system of filing the accounts now used in this office makes the loss or misplacement of a paper almost an impossibility. All the vouchers coming from your department are perforated and filed in a Shannon filing cabinet immediately on being taken from the package in which they are received without separating.

I acknowledge that the error was partly caused by the overlooking of the advances of the previous year; but, as I have already pointed out in a former communication the statements of advances rendered from time to time were altogether too meagre and insufficient to permit of the opening of personal accounts. The attention of the clerks in your office was unofficially called to this insufficiency at various times, but care will be taken in the future that any such suggestions or complaints are made in an official manner.

At the same time the error by which the Elkhorn Institute was undercharged \$2,000, arose from the insufficiency of the slip sent as a voucher for the advances to Rev. E. F. Wilson. This slip merely spoke of advances on account of the Elkhorn Institute without specifying the sum of such advances and without giving any cheque numbers, or any other means of identifying the advances in question.

While writing on this subject, I beg to draw your attention to the insufficiency of the statement accompanying the vouchers, this statement giving merely the gross total of the vouchers for each sub-vote for each agency. A proper voucher list should show each separate voucher with its respective amount. This statement, although causing us a considerable amount of extra work, has been accepted in the past to shorten the work in your office, but so long as it is rendered as at present, there will constantly be the danger of errors creeping in which balance one another, as in the case under discussion.

I am, sir, your obedient servant,-

J. L. McDOUGALL, *A.G.*

The Dy. Supt. Gen. of Indian Affairs.

D-112

AUDITOR-GENERAL'S REPORT, 1891-92.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, July 15, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th ultimo. In reply I beg to say that it has been my constant endeavour to make the statements of expenditure entirely satisfactory to yourself. The present system was adopted with the full approval of your office, and although it may have been devised to expedite the work of this department, it was nevertheless a plan of which you fully approved. This is, so far as I am aware, the only error of the kind which has arisen, and this might perhaps have been prevented if care had been exercised in the audit. I am quite willing to assume a share of the responsibility for the error in question, but I am entirely unwilling to bear the large share of it, which rests with your office.

I am aware that the slip which was sent as a voucher for the advance to the Rev. E. F. Wilson did not show the amount of the advance, but this does not excuse the error of fixing the amount at \$500 without reference to this department. This error, made by omitting the amount in the voucher, could have been corrected at any time, but the mistake of fixing the amount of the advance at \$500 upon a mere supposition, and without any foundation whatever, committed your report to a misstatement which will be very difficult to correct satisfactorily.

I must point out that what is really a very important circumstance in the matter you have endeavoured to attribute to the insufficiency of the statement of advances, but I can hardly accept this explanation as satisfactory. The statements in question were sufficiently complete to enable you to show in your accounts of 1889-90, the sum of \$2,000 as advanced to the St. Boniface Industrial School, and I submit that when you have become by this entry responsible as it were for the amount, it should not have been entirely lost sight of as it seems to have been.

The description of the method of filing accounts received with statements does not prove that a paper could not be lost, and when such a loss occurs it seems to me advisable that the responsibility should be equally divided between the sender and receiver, unless the latter discovers the absence of the document immediately.

I need hardly again say how anxious I am to have these statements of expenditure entirely satisfactory.

Your obedient servant,

R. SINCLAIR, Acting *D.S.G.I.A.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, Nov. 7, 1892.

SIR,—In further reference to the correspondence between your Department and this office on the St. Boniface Industrial School accounts, I beg to say that I hope it is now understood that the statement of vouchers prepared by your office will be in full detail for the future.

In considering this question I am sorry to be understood as having wished to hold you responsible for the neglect of a sub-examiner in this office to keep a statement of the unaccounted for advance of the year 1889-90. He has neglected to carry out instructions similar to those given to every other examiner in this office, and is responsible to me for neglecting that or any other duty, as I am to Parliament for the quality of my work.

Discussions would be endless if, when this office asks for a change in the practice of a Department in its connection with the office, the change had to be postponed until the Department became perfectly certain that all the weaknesses existing in the mode of conducting business in this office were removed. Certain duties are assigned to me in connection with the expenditure of public money. In pursuance of my duty I ask your Department to change its practice in one respect.

Now, I may perform some or all of my duties badly, and therefore be quite unfit for my position. It appears to me, however, that you would not incur any blame if you did not wait to examine into the mode of using information in this office before supplying the statements which it is part of your duty to furnish.

I am sir, your obedient servant,

The Dy. Supt.-Gen. of Indian Affairs.

J. L. McDOUGALL, A.G.

Re Vouchers for Advance to Rev. E. F. Wilson.

AUDIT OFFICE, OTTAWA, Oct. 31, 1892.

SIR,—I beg to remind you that as yet I have received no accounts of the expenditure under the advances of \$2,500, made to Rev. E. F. Wilson, for the Elkhorn Industrial School during the fiscal year 1890-91. Kindly let me have these accounts at your earliest convenience.

I am sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Dy. Supt.-Gen. of Indian Affairs.

Salary Delayed.

AUDIT OFFICE, OTTAWA, Sept. 15, 1892.

SIR,—Voucher No. 19, Kamloops Industrial School, is for a payment of \$50 to Mr. McMillan, teacher, for salary for the month of June, 1890.

Kindly explain the reason of the payment of Mr. McMillan's salary for this month being delayed until December 22, 1891, the date on which the cheque issued, the payments for the following months having been made regularly.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Dy. Supt.-Gen. of Indian Affairs.

Printing for the Department—May it be legally done at Rupert's Land Indian Industrial School.

OTTAWA, Feb. 18, 1892.

SIR,—I beg to forward herewith file 87724 of this Department, which contains a letter from the Indian Commissioner for Manitoba and the North-west Territories, with its accompanying inclosures, which, as you will observe, consist of specimens of printing done by the pupils at the Rupert's Land Indian Industrial School, which, I may state, is situated about twelve miles from Winnipeg. You will observe that the execution of the work is most creditable to the pupils; and it would be very desirable as the Commissioner suggests, if some arrangement could be made whereby some of the printing required at his office, as well as at the Indian Office at Winnipeg, could be done at the institution, as it would encourage the pupils, and it would also help the institution financially. Under the existing regulations it is questionable, whether the Department could authorize this work to be done, as suggested by the Commissioner; but I would be glad to be informed of your opinion in the matter, and if you would kindly return the file to me when replying to this letter.

Your obedient servant,

L. VANKOUGHNET, D.S.G.I.A.

The Auditor-General.

AUDIT OFFICE, OTTAWA, March 5, 1892.

SIR,—I beg to acknowledge receipt of your letter of the 18th ultimo, with regard to the printing done by pupils of the Rupert's Land Indian Industrial School. You ask my opinion as to whether the department could authorize some of the printing required in connection with the outside service of your department being done there.

In reply I beg to say that as the law now is this cannot be done, but that a suggestion may be made to Council to introduce an amendment to the Printing Act to provide for this and similar cases.

I return your file herewith.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Supt.-Gen. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, March 17, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 5th instant, stating that in your opinion, this department cannot, as the law now stands, authorize printing for the outside service of the department to be done at the Rupert's Land Industrial School, but that a suggestion may be made to Council to introduce an amendment to the Printing Act to provide for this and similar cases. In reply I have to request that you will inform me from whom the suggestion to amend the Act as proposed should emanate.

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, March 21, 1892.

SIR,—I beg to acknowledge receipt of your letter of the 17th instant, regarding the authorization of printing for the outside service of your department at the Rupert's Land Industrial School.

In reply I beg to say that the suggestion for the necessary amendment to the Printing Act should be made by your department to the Secretary of State.

I am, sir, your obedient servant,

The Deputy Supt.-Gen. of Indian Affairs.

J. L. McDOUGALL, *A.G.*

Payment of Extra Salary to Clerk in Indian Agency removed to another place to act temporarily as Agent.

DEPT. OF INDIAN AFFAIRS, OTTAWA, March 4, 1892.

SIR,—I have the honour to inform you that, in October of 1890, it was found necessary to order Mr. S. Swinford, agency clerk at the Blood Reserve, to report himself at the Sarcee Agency, to perform the duties of agent until the arrival of Mr. S. B. Lucas, of the Peace Hills Agency, who had been transferred to that point. Mr. Swinford acted in the capacity of agent for 180 days, from October 21, 1890, to April 18, 1891; and Mr. Hayter Reed, Indian Commissioner, requests that Mr. Swinford be allowed extra pay, at the rate of \$1 per diem, during the period when he was employed as agent; Mr. Swinford's salary was \$600 per annum, and Mr. Cornish \$1,000; the difference in their pay for the time specified would be \$138.78. May I request that you will be so good as to say whether any objection exists to such a payment for extra services to an officer in the outside service. It is my desire to reimburse Mr. Swinford for the duties he performed upon this occasion, as he was acting in a much more responsible position, and, moreover, was put to some expense in the removal of his family, for which he should receive some consideration; and if no objection exists to the course, I would propose to pay him the difference between his salary and Mr. Cornish's, for his 180 days of extra duty.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, *D.S.G.I.A.*

AUDIT OFFICE, OTTAWA, March 7, 1892.

SIR,—Referring to your letter of the 4th instant, respecting the payment of additional remuneration to Mr. S. Swinford, agency clerk at the Blood Reserve, for the period during which he performed the duties of acting agent at the Sarcee Reserve, I beg to ask the authority under which Mr. Swinford was appointed agency clerk with a salary of \$600.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt.-Gen. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, March 21, 1892.

SIR,—In reply to your letter of the 7th instant, inquiring under what authority Mr. S. Swinford was appointed agency clerk at the Blood Reserve, with a salary of \$600 per annum, I beg to inform you that Mr. Swinford was not appointed a clerk at the Blood Agency under Order-in-Council. The Indian Commissioner for the North-west Territories reported in February, 1887, that he, in the first place, appointed Mr. Swinford clerk at the Crooked Lakes Agency, and on August 17, 1886, he was transferred by the Indian Commissioner to the Blood Agency, with a salary of \$720 per annum, not \$600, as stated in your letter.

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, March 24, 1892.

SIR,—Referring to your letter of the 21st instant, with regard to the employment of Mr. Swinford as agency clerk at the Blood Reserve, I beg to ask under what authority the Indian Commissioner appoints clerks and other employees in the North-west ?

In this connection, I beg to say that my error in referring to Mr. Swinford's salary as \$600 instead of \$720 arose from my accepting the figures given in your letter of the 4th instant, without taking the pains to verify them by reference to the books of this office.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt.-Gen. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 6, 1892.

SIR,—I have to inform you that the Indian Commissioner merely engages suitable men for vacancies in the North-west Territories staff; the appointments of such officers are always submitted to and confirmed or cancelled by the department. In many cases it is not thought advisable to appoint these employees by Order-in-Council when their term of service is likely to be short. I regret that Mr. Swinford's present salary was erroneously quoted as \$600 in my letter of the 4th March last.

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

Additional Payment to Gordon Cumming.

AUDIT OFFICE, OTTAWA, April 9, 1892.

SIR,—Voucher No. 21, Vote 5, Saddle Lake Agency, is for a payment to W. F. Gordon Cumming of \$25, balance of 1890-91, Voucher 60, Vote 5.

The voucher of last year referred to above is for a payment of \$225 for supplying two thorough-bred polled Angus bulls. This voucher is certified as to the supply of the animals and to fairness and justness of the prices by John Ross, the acting agent, and approved by Hayter Reid, Commissioner. I have, in the view of these certificates, to ask the reason of this additional payment of \$25.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Supt.-Gen. of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 27, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 9th inst., inquiring with regard to an additional payment by voucher No. 21 of \$25 to W. F. Gordon Cumming, for two polled Angus bulls for the Saddle Lake Agency; and in reply I beg to inclose for your information in the matter copy of a letter from the Indian Commissioner for Manitoba and the North-west Territories, dated the 12th October, 1891, and of the letter therein referred to from Mr. D. C. Robertson, Farm Instructor at Edmonton

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

OTTAWA, Oct. 12, 1891.

SIR,—Referring to the voucher for \$225 in favour of Mr. W. F. Gordon Cumming for two bulls purchased from him under vote 1891-92, I have the honour to state that at the time of the purchase Mr. Robertson, who was then a farmer at Peace Hills Agency, and sent to make the purchase, in his statement mentioned that the price was \$225. Upon a further claim for \$25 being made by Mr. Gordon Cumming, Mr. Robertson was asked to explain. A copy of his reply is attached hereto.

When Mr. Robertson wired me, which was prior to furnishing the statement, he mentioned the price as \$250.00, and he was authorized to make the purchase at that price, but upon receipt of the statement it was thought he in the meantime had been able to purchase at a cheaper rate; but it appears this was a mistake, and I have, therefore, to ask that a voucher for the balance due Mr. Gordon Cumming, viz., \$25, be passed, and a cheque for that amount be forwarded.

I have, &c.,

HAYTER REED; *Commr.*

The Deputy Supt.-Gen. of Indian Affairs.

EDMONTON, Sept. 29, 1891.

SIR,—Yours to hand; contents noted. With regard to bulls purchased from Gordon Cumming, you will find by looking at my telegram advising as to purchases of his bulls, the price, \$250 for the two bulls. If my statement said \$225, it was wrong—should have been \$250, as stated in telegram. Your reply to mine was to purchase at \$250.

D. C. ROBERTSON.

Payment to Preparatory School, Blackfoot Agency.

AUDIT OFFICE, OTTAWA, Oct. 18, 1892.

SIR,—Kindly give me an explanation of voucher 96, High River Industrial School. This is for a payment to J. L'Heureux of \$90 for board, clothing, lodging and tuition of seven children at the Preparatory School, Blackfoot Agency.

I am, sir, your obedient servant,

The Deputy Supt.-Gen. of Indian Affairs.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Oct. 31, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th instant, asking for explanations with regard to the payment to Mr. J. L'Heureux of \$90, voucher No. 96, for board, clothing, lodging and tuition of seven children at the Preparatory School, Blackfoot Agency; and in reply, I beg to inform you that the

Indians of the Blackfoot Reserve, having refused to allow their children to attend the High River Industrial School, the department considered it advisable to allow Mr. L'Heureux to endeavour to persuade the parents to send their children to him to be taught for a couple of months; and this was done, with the result, which was anticipated, that the Indians no longer objected to their children being sent to the Industrial School; and as they now understand the benefits derived by the children who attend that institution, the preparatory school is no longer necessary and has been discontinued.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, D.S.G.I.A.

Payment of Arrears of Travelling Allowances to Mr. J. C. Nelson.

AUDIT OFFICE, OTTAWA, Oct. 24, 1892.

SIR,—Among the cheques issued by you in January, 1892, on account of Indians in Manitoba and the North-west Territories, I notice one, No. 3689, in favour of John C. Nelson for the sum of \$1,567.90, being the difference between the living allowances at the rates of \$5 and \$3.50 per diem and the ordinary surveyor's allowance of 60 or 75 cents for the time he was travelling without a survey party, during the period included from 1883 to 1890 inclusive. The following statement shows how the amount paid was made up:—

Year.	Number of days.	Amount of Allowance.	Surveyor's Allowance.	Difference.
1883.	48 days at \$5 00	\$240	\$36 00	\$204 00
1884.	79 do 5 00	395	47 40	347 60
1885.	41 do 5 00	205	36 60	168 40
1886.	54 do 3 50	189	32 40	156 60
1887.	70 do 3 50	245	52 50	192 50
1888.	64 do 3 50	224	38 40	185 60
1889.	54 do 3 50	189	32 40	156 60
1890.	54 do 3 50	189	32 40	156 60
Total, 464 days		\$1,876	\$308 10	\$1,567 90

I have to ask why this payment, covering accounts which extend for a period of nine years back, was made. Were not the accounts considered settled when payment of Mr. Nelson's survey expenses was made year by year?

The inadvisability of reopening accounts once closed is apparent. If it were allowed at any time to readjust accounts once settled it would involve the Government in endless claims and cause great inconvenience in the proper settlement thereof.

I beg to refer you to the correspondence I had with you in April, 1891, with regard to a similar claim put forward by Mr. Austin of your Department.

I am, sir, your obedient servant,

The Dy. Supt.-Gen. of Indian Affairs.

J. L. McDOUGALL, A.G.

DEPT. OF INDIAN AFFAIRS, OTTAWA, Nov. 4, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th ultimo, with reference to the payment of the sum of \$1,567.90 made to Mr. John C. Nelson, being the difference between the living allowance at the rates of \$5.00 and

\$3.50 per diem and the ordinary surveyor's allowance of 60 or 75 cents, for the time he was travelling without a survey party during the period from 1883 to 1890 inclusive, and asking why this payment covering accounts which extend for a period of nine years back was made and whether the accounts were not considered settled when payment of Mr. Nelson's survey expenses was made year by year; and in reply I beg to inform you that Mr. Nelson's accounts were not considered closed until the payment to which you refer was made.

This Department is very careful not to reopen accounts which have once been closed, and I agree with you that such a practice would cause great inconvenience.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, *D.S.G.I.A.*

Payment of Account 11 Years Old.

AUDIT OFFICE, OTTAWA, Oct. 21, 1892.

SIR,—Voucher No. 105, Miscellaneous, is for a payment of \$19.25 to Wm. L. Orde for care of horses, &c., in 1879 and 1880. Kindly explain this account and the reason of the delay of eleven years in its settlement.

I am, sir, your obedient servant,

The Deputy Supt.-General of Indian Affairs.

J. L. McDOUGALL, *A. G.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Nov. 4, 1892.

SIR,—In reply to your letter of the 21st ultimo, I have the honour to inform you that the payment of \$19.25 to Mr. W. L. Orde was for expenses incurred on a trip to the west in 1879 with farming instructors, and Mr. Orde stated in support of the account (which was \$29.85, when first presented) that at the time he made his return he was unable to procure the vouchers, and afterwards through business responsibilities he overlooked the account. I may add that only those items of the account which were supported by receipts were paid, and then only after Mr. Orde had made a declaration before a Justice of the Peace that the account had never been paid.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, *D.S.G.I.A.*

Manner of Treating Balances of Appropriations voted for Purposes Similar to those supported by the Indian Fund.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Nov. 11, 1891.

SIR,—I have the honour to call your attention to the method of treating the balances of appropriations voted annually for certain purposes which fall within the care or management of the Indian Fund. These appropriations were formerly considered as grants to supplement the Indian Fund, and for many years they were credited to the account which they were supposed to be intended to aid; but as this method was obviously wrong, inasmuch as the expenditure upon these appropriations could never be kept or shown separately, and as the special function of the grants became involved and obscured in the Fund Account, to which they were credited, it has been altered, and at present a distinct ledger is kept for the purpose of recording the expenditure on these appropriation accounts. One result of this practice was, that it was difficult to say when the appropriation was exhausted, and frequently over-expenditure occurred, which was carried forward as a debit balance at the close of the fiscal year.

Ever since the appropriations have been separated from the expenditure of the Fund, they have been so far made exceptions to the rules which govern grants voted

by the House, that, where an appropriation proved insufficient for the purposes for which it was voted, the balance unprovided was not included with other similar liabilities to be voted by the House as unprovided items, but was carried forward into the next year and made a charge against that year's vote. I am aware that the appropriation should not have been over-expended, but sufficient reasons were given for each case as it occurred, and the practice was so general, as your report from year to year shows, that it seems unnecessary to make a special defence of the action of this Department.

The appropriations to which I refer are: Surveys, Relief of destitute Indians—Ontario, Blankets for Indians of Ontario and Quebec, Province of Quebec—seed grain and relief accounts, Indian schools, Agent Boucher's travelling expenses, Oka Indians, removal accounts. It will be readily perceived that these votes could not be credited to any existing account within the Indian fund, as they provided for Indians who have no funds, who are in fact destitute.

The only exceptions are: Surveys, Agent Boucher's travelling expenses, and Oka Indians removal account. These are special votes which are not intended for the benefit of needy Indians, but as the surveys are outline surveys, which are undertaken as much for the protection of white communities as the Indians themselves, they could not be called on to bear the expense, and the special nature of the two last named votes is sufficiently explained by their titles.

The debit balances of these accounts on June 30 last were:—

Surveys.....	\$ 17 73
Relief of destitute Indians, Ontario.....	13 78
Blankets—Indians of Ontario and Quebec.....	165 20
Province of Quebec seed grain and relief.....	1,389 49
Indian schools	47 51

The credit balances were:

Agent Boucher's travelling expenses.....	61 71
Oka Indians removal account.....	4,835 68

I have the honour to request that these debit balances be considered as unprovided items and included with others of a similar nature to be voted by the House. If this is not done, and if the votes for the current year are compelled to carry these balances, it will be with extreme difficulty that an over-expenditure can be avoided, and it is to limit the possibility of such an occurrence that the present request is made.

The unexpended balances have always lapsed, and it would seem only just that the appropriations should be similarly treated and the balances either debit or credit be cancelled at the close of the present year.

Your obedient servant,

The Auditor-General.

L. VANKOUGHNET, *D.S.G.I.A.*

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, Aug. 10, 1892.

SIR,—Referring to departmental letter of the 11th November last, I have the honour to request that you will be good enough to have the over-expended balances of Indian Fund Appropriations, 1891–92 included as unprovided items.

Your obedient servant,

W. A. AUSTIN, *A.D.S.G.I.A.*

The Auditor-General.

NOTE.—The subsequent letter was written in consequence of a verbal statement from this office that over drafts of appropriations of 1891–92, for the Indians of Ontario and Quebec would appear in the annual statement of unprovided items to be voted by Parliament, provided that the expenditures charged to such appropriations were of a kind as could not be paid from any account of the Indian Fund.

J. L. McD.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, October 19, 1892.

SIR,—With further reference to my letter of the 10th of August last and previous correspondence, I have the honour to inform you that the only appropriation for the Indians of Ontario and Quebec which was over-expended last year (1891-92), was that for relief of distress and seed in the Province of Quebec. The net expenditure was \$4,428 $\frac{6}{100}$, and as the appropriation was \$4,200, the over draft amounts to \$228 $\frac{6}{100}$. As the expenditure charged to this appropriation could not have been paid from any account of the Indian Fund, as the vote was rendered necessary by this very reason, and as no account of the Indian Fund was charged with similar expenditure during the year, I have to request that you will provide for this over-expenditure in the usual way by allowing it to appear amongst "Unprovided Items."

I am, sir, your obedient servant,
R. SINCLAIR, A.D.S.G.I.A.

The Auditor-General.

Certificate on Accounts of Extra Employees in the Outside Service.

AUDIT OFFICE, OTTAWA, June 22, 1892.

SIR,—Referring to the certificate required by the Treasury Board minute of the 2nd October, 1891, to be given on the accounts for payment for all extra clerks and extra messengers, and of all temporary employees, I have to ask that in future this certificate be attached to the accounts for all such payments in connection with the outside service of your department as well as the inside service. This certificate should also be given with all the vouchers since 1st September last.

I am, sir, your obedient servant,
J. L. McDOUGALL, A.G.

The Dy. Supt.-Gen. of Indian Affairs.

Payment of Rent and Fuel and Light Allowances to Commissioner Reed.

AUDIT OFFICE, OTTAWA, Dec. 1, 1892.

SIR,—I notice that Mr. Hayter Reed, Indian Commissioner, was paid during the last fiscal year \$600 in addition to his salary of \$3,200: namely, \$300 fuel and light allowance and \$300 for rent allowance.

Kindly inform me under what authority these allowances were paid.

I am, sir, your obedient servant,
The Dy. Supt.-Gen. of Indian Affairs. J. L. McDOUGALL, A.G.

DEPT. OF PUBLIC PRINTING AND STATIONERY,
ACCOUNTANT'S BRANCH, OTTAWA, Sept. 27, 1892.

SIR,—In reply to the request for a statement of account covered by a cheque No. 1795 of July, 1891, I have the honour to say that the payment was made in settlement of a claim preferred by the Dominion Type Founding Co. against the Government for minion type supplied to the Bureau, for which they contend they were underpaid.

This claim was based on the contention that at the time of purchase an understanding was arrived at that they should receive for their type the same price as Miller & Richard received for the type imported from their Edinburgh house. Upon investigation it was found that a great part of this being imported duty free on Government account, it was not in fair competition with home manufactured type, supposed to be protected by our tariff, and an equivalent of the duty was demanded, in order to make the price paid them equivalent to that paid to Miller & Richard. After many calculations and much correspondence an increase of (2c.) two cents per pound was therefore ordered to be allowed. This was calculated on the quantity supplied, viz., 64,558 lbs., according to a report made by the late Queen's Printer. The matter was submitted in some form to the committee of Public Accounts of the House of Commons and supposed to be finally disposed of there.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

W. GLIDDON, *Accountant.*

D—177

Withdrawal of Balance of Appropriation at end of Fiscal Year.

AUDIT OFFICE, OTTAWA, October 6, 1892.

SIR,—I am in receipt of the statement of expenditure under the Special North-west Government Credit for the month of August last, amounting to \$45,652.80, all of which is marked as chargeable to the fiscal year 1891-92.

I notice that on August 31, 1892, a cheque was drawn for the amount of \$13,559.89 (No. 450) in favour of the North-west Government "to be accounted for by vouchers," which cheque was deposited in the Bank of Montreal, Regina, to the credit of the Lieutenant-Governor and H. S. Cayley. The drawing and depositing of this amount, which was evidently done to prevent the unexpended balance from lapsing after August 31, completely does away with the safe-guard of the Letter-of-Credit system, which system was established in order that the expending officers may not actually handle any of the money, but that all payments may be made by cheques drawn against the Letter-of-Credit, all such cheques and the vouchers supporting them being transferred to this office. I have, therefore, to request that you send me at your earliest convenience a statement supported by vouchers of the payments already made out of this amount of \$13,559.89 and that the balance be deposited to the credit of the Receiver-General on account of the North-west Government Appropriation for the current fiscal year 1892-93.

I notice also that you have mistaken the reason of an appropriation being kept open for one or two months after the close of the fiscal year, as among the payments made and asked to be charged against the past fiscal year there are some which really belong to the current year, and must be charged against it. Payments made between the close of the fiscal year and the close of the appropriation accounts for that year can only be charged to those appropriations when they are for material supplied or for services performed prior to June 30; all other payments can be charged only to the appropriations for the services of the new year. I inclose herewith statements showing what payments are properly chargeable against the accounts of 1891-92, those that are chargeable against 1892-93 and those which are doubtful, either being unsupported by vouchers or the vouchers for which bear insufficient data to determine the actual time at which the expense was incurred. I have to ask that you divide this class of doubtful payments into those incurred prior to June 30 and those incurred subsequent to that date, and return me at as early a date as possible this statement showing the division. In the meantime those payments which are evidently chargeable against the appropriation for 1892-93 will have to be transferred from the accounts of 1891-92 to those of 1892-93.

I have further to observe that all the vouchers sent me are duplicates, apparently made out in the North-west Government Offices. The original accounts made out whenever practicable by the claimants themselves should be furnished to this office.

I am, sir, your obedient servant,

The Lieut.-Governor, N. W. Territories.

J. L. McDOUGALL, A.G.

NOTE—The statement showing the distribution of the doubtful amounts referred to above reached this office too late to be used in this year.—J. L. McD.

Outstanding Vouchers.

AUDIT OFFICE, OTTAWA, Nov. 17, 1892.

SIR,—I beg to inclose herewith a list showing the payments during the fiscal year 1891-92 under Letter of Credit, by Lieut.-Governor Royal and R. B. Gordon, for which no vouchers have been received.

The large number of these outstanding vouchers (about 313 in all) is too great to be overlooked. I shall be compelled to enter them as items of expenditure for which no vouchers have been received, unless they reach this office before the manu-

script of the report is sent to the printer. Any vouchers sent to me next week will probably be received here in time.

As you must have satisfactory evidence that an amount is a proper charge against the Government before a cheque can issue in payment of the same, I see no reason why there should be any delay in sending me this original evidence of liability. It is unnecessary to send out vouchers with the cheque to the person receiving payment for receipt, as the cheque itself is sufficient evidence of payment; accordingly these vouchers with the statement should reach me during the month subsequent to that in which payment is made.

I would again try to impress upon you that the vouchers which I require are not the copies made out in the Regina office such as have been sent me hitherto, but the original evidence of liability referred to above.

I have the honour, &c.

The Acting Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, Nov. 22, 1892.

SIR,—Referring to your letter of the 17th instant calling for the outstanding vouchers covering North-west Government expenditure belonging to the last financial year, I have the honour by direction to say that a copy of your communication has to-day been forwarded to Mr. Gordon, the Secretary to His Honour the Lieutenant-Governor. As a large portion of the vouchers called for by you have lately been received, an extract from the list which accompanied your communication, showing the vouchers still outstanding, was prepared here and inclosed to Mr. Gordon.

I am also directed to say that Mr. Gordon's attention was particularly directed to the two last paragraphs of your letter, and he was at the same time informed that this Department has reason to believe that when the proposed change in the method of dealing with vouchers has been carried out the necessity of having so many outstanding vouchers will no longer exist.

I am, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

NOTE.—With reference to the correspondence shown on page D—237 of my report for 1890-91, regarding payments amounting to \$69.50 to Mr. L. A. Lesage, as Acting Private Secretary to Lieut.-Governor Royal; the amount in question was refunded in July, 1892.—J. L. McD.

AUDIT OFFICE, OTTAWA, April 13, 1892.

SIR,—It being the custom of your department to forward cheques for the amount of the monthly pay-lists to the collectors at Ports of Customs, who I presume have the amounts placed to their credit in the bank, and draw cheques against them for the salaries of the officers, I have to request that you will cause the cheques issued by the collectors to be sent to this office, for the purpose of audit in connection with the pay-list.

I am, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, *A.G.*

CUSTOMS DEPARTMENT, OTTAWA, April 20, 1892.

SIR,—I beg to acknowledge the receipt of your letter of the 19th instant, asking that cheques issued by Collectors of Customs, as against salaries cheques forwarded them by this department, should be sent you. I would state for your information that the general practice of Collectors of Customs is to cash departmental salaries cheques, and to pay members of their staff with the funds so obtained. As a matter of fact, only a few collectors deposit the amount of salaries cheques to their credit, and issue their own cheques against such deposits; and in view of this fact, I beg to ask whether you still wish such cheques as are issued by collectors, though but in few instances, to be called in for the future and forwarded to you. Immediately on hearing from you this matter will receive prompt attention.

I am, sir, your obedient servant,

THOS. J. WATTERS,

The Auditor-General.

Assisant Commissioner.

AUDIT OFFICE, OTTAWA, April 22, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 20th instant—file 1553—in reply to mine of the 13th, wherein you state that the general custom of Collectors is to cash departmental cheques and pay members of their staff with funds so obtained.

I beg to request that instructions be issued to the Collectors not to distribute cash where several officials are to be paid, but to deposit the departmental cheque and draw cheques for each official's pay.

I am, sir, your obedient servant,

The Assistant Commissioner of Customs.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 13, 1892.

SIR,—It being your practice to transmit a departmental cheque for the aggregate salaries of each office to the collector, requiring the same to be deposited to his credit in the bank at which the business of the office is transacted, and whose duty it is to issue a cheque in favour of each person on the pay-lists,—I have to request that you will cause the cheques so issued by the collectors to be forwarded to this office in conjunction with the pay-lists for the purpose of audit.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Commissioner of Inland Revenue.

INLAND REVENUE DEPT., OTTAWA, April 29, 1892.

SIR,—Referring to your communication of the 13th inst., I have the honour to state that collectors of inland revenue require to retain their personal cheques in order to justify their payments, on the audit of their accounts by district inspectors. I do not see how we can require them to part with these vouchers.

I am, sir, your obedient servant,

E. MIALL, *Commissioner.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, May 16, 1892.

SIR,—Your 53911 of the 29th ultimo in reply to mine of the 13th, same month, came duly to hand, in which you state “that collectors require to retain their personal cheques in order to justify their payments on the audit of their accounts by district inspectors;”—to which I beg to say, that the Inspector probably visits periodically, and if it is necessary that he should see the cheques there seems no reason why the collector might not send them to Ottawa after such inspection.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Commissioner of Inland Revenue.

Intercolonial Railway—Moncton Offices.

Intercolonial Railway: Printing.

MONCTON, June 7, 1892.

SIR,—Let me call your attention to my letter of May 2, 1891, pointing out that the printing and stationery for the Government Railways should be procured from the Queen's Printer and Controller of Stationery.

I notice that the railway printing is still given out to local printers, and that the accounts are still paid by the railway officials, without the intervention of the Queen's Printer.

Please see that the law on this subject is complied with; for all printing done after June 30, 1892.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Railways and Canals Dept.

AUDIT OFFICE, OTTAWA, Jan. 16, 1893.

SIR,—Let me recall to you our conversation about the printing for Government Railways which has been given out to the local printing offices by the storekeepers, without the intervention of the Queen's Printer.

The last vouchers which I have in hand, those of September, 1892, for printing in August, are similar to all previous ones: the certificates are by the storekeeper, and not by the Queen's Printer.

The Statute on this subject is 51 Vic., cap. 17, sec. 2: "All printing, &c., whether for the inside or outside service, shall be executed and procured subject to the superintendence and audit of the proper officer of the department," that is, of the Department of Public Printing and Stationery.

You will remember that I refrained from pushing my objection last summer, on the understandings: 1st, that legislation would be sought this coming session to amend the existing statute; 2nd, that for some branches of the printing, more especially the tickets, the Government Printing office was unable at present to do the work in the limited time available; and 3rd, that all accounts in the meantime would be submitted to the Queen's Printer, for him to certify that the rates are no higher than the charges which he would make if the work were performed in his own office.

As far as the August printing, this third condition is not yet observed.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

HON. GEO. FOSTER, M.P.,
Minister of Finance.

Intercolonial Railway: Advertising.

MONCTON, June 7, 1892.

SIR,—Let me call your attention to the Order-in-Council of December 7, 1875, prescribing a taxation of all Advertising Accounts by the Queen's Printer.

I notice that none of the accounts for advertising for the Government Railways are certified by the Queen's Printer. Please see that the law on this subject is complied with for all advertising done after June 30, 1892.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Railways and Canals Dept.

Beauharnois Canal: Insufficient Description.

AUDIT OFFICE, OTTAWA, Oct. 14, 1892.

SIR,—Let me call your attention to the following items of Leduc & Fortin's bill in the Beauharnois repairs pay-list for September, 1892, as samples of that insufficiency of description to which I have objected before, and which has not yet been eliminated from the accounts:—

Pine, T. & G., 1 inch, 6,007 feet, at \$25.....	\$ 150 17
Pine, T. & G., 1 inch, 4,917 feet, at \$16.....	78 67
Clapboards, 1,412 feet, at \$18.....	25 42
Clapboards, 4,152 feet, at \$26.....	107 92

It is obvious that unless the supplies are described more minutely, and in enough detail to explain the differences in rates, any audit made by an officer who has not seen the goods is based entirely on faith in the officer who incurs the expenditure.

Please withhold payment of these items until detailed descriptions of grade and quality are given.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Secretary, Railways and Canals Department.

Cornwall Canal: Insufficient Description.

AUDIT OFFICE, OTTAWA, May 14, 1892.

SIR,—Let me acknowledge receipt of your applications, Nos. 438 and 439, in favour of Paymaster Flanagan, for April expenses of the Cornwall Canal.

There is an account of \$305.50 from Wm. Davis & Sons for 94 barrels of Portland cement at \$3.25, for repairing old lock 17. Please give fuller descriptions of this cement, and of the 4 barrels at \$3 mentioned in H. Pitts's account, to explain the difference in rates. Without some difference in quality or place of delivery (which should always appear on the voucher) a larger quantity would naturally be supplied at the lower price.

The staff pay-list contains an account of \$47.75 from W. H. Dunkin for 191 gallons of coal oil at 25 cents. Full information should be given as to the make and brand of the oil.

I can pass the certificates in favour of Paymaster Flanagan without delay, if you deduct the two sums in question, namely, \$305.50 and \$47.75, or sufficient parts thereof, for further consideration. The applications are returned herewith for that purpose.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Secretary, Railways and Canals Department.

Cornwall Canal: Gates Carried Away by Tug.

AUDIT OFFICE, OTTAWA, Sept. 12, 1892.

SIR,—I am returning herewith your application, No. 74, for \$3,171.05, in favour of Paymaster Flanagan, for August expenses of the Cornwall Canal.

The repairs time-sheet contains eleven names credited with work, as follows:—

August 3.....	Two days.
do 4.....	Three days.
do 5.....	Two days.

It is difficult to pass these figures without knowing the method by which they were calculated. Please ask the superintendent to mention the hours by which he reckons one, two and three days' work respectively in 24 hours.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Secretary, Railways and Canals Department.

AUDIT OFFICE, OTTAWA, Sept. 17, 1892.

SIR,—In further discussion of the Cornwall Canal Repairs pay-list for August, 1892 :

Please describe fully the nature and cause of the damage which necessitated the large amount of night-work under dates August 3, 4 and 5.

I am, sir, your obedient servant,

The Secretary, Railways and Canals.

J. L. McDOUGALL, A. G.

RAILWAYS AND CANALS DEPT., OTTAWA, Sept. 17, 1892.

SIR,—In acknowledging the receipt of your letter of the 12th inst. returning therewith the application of this department No. 74 for \$3,171.05 in favour of Paymaster Flanagan, for August expenses of the Cornwall Canal, and stating therein, that the repairs time-sheet contains eleven names credited with work as follows, viz. :— August 3, two days ; 4, three days ; 5, two days ; and asking to be informed of the method by which they were calculated. I am in reply thereto, directed to afford you the following explanation :

The men referred to, worked both day and night at lock 19, making the masonry repairs after the lower gates had been carried away the night of the 2nd August. For day work, the men were allowed the ordinary rate of pay, but for the night time work they are allowed the customary double pay ; thus making three days' wages in 24 hours.

I beg to return herewith application No. 74 for \$3,171.05, together with the repairs time sheet, pay-lists, accounts, &c., and beg you will be good enough to issue a cheque in favour of Mr. Robert Flanagan, paymaster, for the sum of \$3,171.05.

I am, sir, your obedient servant,

The Auditor-General.

T. TRUDEAU, *Acting Secy.*

AUDIT OFFICE, OTTAWA, Sept. 19, 1892.

SIR,—Let me acknowledge receipt of your 141423 of Sept. 17, concerning overtime of labourers on the Cornwall Canal.

I gather from the explanation therein contained, that the men worked as follows :— August 3rd, 18 hours ; 4th, 24 hours ; 5th, 18 hours.

Please let me know whether the other six hours on August 3rd and 5th came in as rests ; or whether the work ran continuously from 6 a.m. on August 3rd to 6 p.m. on August 5th, making 60 hours without a break.

I am passing the pay-lists in the meantime, to avoid inconvenience to the lockmen.

I am, sir, your obedient servant,

The Secretary, Railways and Canals.

J. L. McDOUGALL, A. G.

DEPT. RAILWAYS AND CANALS, OTTAWA, Sept. 26, 1892.

SIR,—In reply to your letter of the 17th inst., further relative to the Cornwall Canal pay-lists for August last, asking the nature and cause of the damage which necessitated the large amount of night work under dates 3rd, 4th and 5th August, I am instructed to give the following information : The lower gates of lock No. 19 were carried away by a tug on the night of 2nd August, necessitating the employment of men, night and day, until the completion of the necessary repairs. It is the custom to

pay double rates for night work. The canal was closed, and the reason for night work was to resume navigation as early as possible.

I am, sir, your obedient servant,

The Auditor-General.

T. TRUDEAU, *Actg. Secy.*

Williamsburg Canals: Insufficient Description.

AUDIT OFFICE, OTTAWA, May 14, 1892.

SIR,—Let me acknowledge receipt of your application, No. 440, for \$1,463.28, in favour of Paymaster Reid, for April expenses of the Williamsburg Canals.

The bill of G. S. Hickey, for hardware, contains two items for which fuller descriptions of quality and brand are needed, namely:—

Paint oil, 13 gallons, at 95 cents.....	\$ 12 35
White lead, 185 pounds, at 8 cents.....	14 80

The descriptions should include an explanation of the difference between these rates and those paid elsewhere; for instance, by Superintendent Simpson to Ross Bros. of Montreal, in the same month, as follows:—

Warranted pure white lead, 2,000 lbs., at 6 cents.....	\$ 120 00
Boiled oil, 51 $\frac{1}{2}$ gallons, at 63 cents.....	32 62

The bill of Kerr Bros. of Farran's Point, includes an item of \$11.13 for 44 $\frac{1}{2}$ gallons of coal oil, "Star brand," at 25 cents. Please mention whether this is American or Canadian oil. Also, coal oil for locks should be charged to staff instead of to repairs.

I do not find that any answer has been received to my letter of 6th February, 1891, pointing out that the practice of supplying coal oil to Williamsburg Canal lockmen for their houses should be stopped. Please let me know whether this custom still continues; and if so, whether the barrel at Farran's Point, noticed above, is an instance of it.

The application is returned herewith to enable you to make interim deductions of \$27.15 from G. S. Hickey, and \$11.13 from Kerr Bros., or sufficient parts thereof.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

Williamsburg Canals: John Mallon's Bill.

AUDIT OFFICE, OTTAWA, Aug. 16, 1892.

SIR,—Let me acknowledge receipt of your Application No. 36 for \$2,033.89, in favour of George Reid, being the July expenses of the Williamsburg Canals.

The repairs account includes the bill of \$248 from John Mallon, which was removed from the pay-list of September, 1891, for reasons explained in my letter of 10th October, 1891. This letter will be found at D—381 of the last report of this office. The information asked for has not yet been furnished.

Mr. Superintendent Hickey makes this note on the staff pay-list: "George Hart and John Chrysler were put on lock 23 at Morrisburg to relieve one of the lock labourers three days and the other labourer two days; one for sickness, the other for enforced absence; leave of absence having been granted by me." Mr. Cutler at Morrisburg pays superannuation tax; Mr. Pruner does not. Concerning the latter, clearly he is not entitled to wages during absence; concerning the former, I am not at present sure, and would prefer to deliberate on the subject.

Please deduct the whole five days in the meantime, as well as the \$248 for John Mallon.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Secretary, Railways and Canals Department.

Employees should be paid from the Proper Appropriation.

AUDIT OFFICE, OTTAWA, April 5, 1892.

SIR,—I beg to bring to your notice the Pay-lists of the Chief Post Office Inspector's office for the months of July and September of the current year. It appears from them that Mr. Beroard, who is paid from the Vote for Post Office Salaries, 'Outside Service, was employed during these months in the Secretary's Office and consequently his salary was not a proper charge on the Vote in question. Henry Bossé also appears on the September Pay-list, though the certificate as to work performed by him is given by Mr. Smith, the Superintendent of the Printing and Supply Branch.

If the services of these employees are not needed in the Chief Post Office Inspector's Office, and it is found necessary to employ them elsewhere, the regular transfer should be made under authority of the Governor in Council.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

A Gratuity cannot be paid under Superannuation Act after ten years' Service.

AUDIT OFFICE, OTTAWA, June 24, 1892.

SIR,—I have an application from the Post Office Department for the payment of a gratuity to Mr. Walter L. Waterman, a third class clerk in the Hamilton Post Office, the basis of calculation being 11 years' service.

In connection with this matter I would like to bring to your consideration Sections 3 and 10 of the Superannuation Act. From these sections it seems to me that superannuation can be granted only for a longer period of service than ten years, and a gratuity for a shorter period than ten years, unless the reasons dealt with in Section 11 prevail. It may appear that a gratuity is a smaller charge on the Exchequer under any circumstances than a superannuation; but it is only necessary to mention an instance which came under my own observation to show that it might be otherwise. Mr. Patterson, the assistant auditor, who was able to do good service up to the time that he was obliged to leave the office on account of ill-health, was then afflicted with a disease which his medical attendants supposed was likely to prove fatal within a few days. He

had been in the service about thirty-five years and had a salary of \$2,800, which would have given him a gratuity of \$8,000, while his superannuation at the time, as it turned out, would have given him only \$700 or \$800 for the time he lived. It will be observed that I assume that if it is legal to give a man a gratuity on the basis of eleven years' service, it is legal to apply the same rule to any length of service short of thirty-five years.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Treasury Board.

Extra Allowances to Mail Clerks in Prince Edward Island.

AUDIT OFFICE, OTTAWA, June 22, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 6th inst. inclosing a copy of an Order-in-Council in which authority is given to pay for the board of the mail clerks while on duty on the steamers carrying the mails between Prince Edward Island and the mainland in addition to their regular mileage earnings.

It appears to me that under the Civil Service Act such additional allowance is not legal. It is provided under schedule B, as amended by 52 V., chap. 12, sec. 3, that mail clerks may be allowed half a cent per mile for every mile travelled on duty in the post cars in the daytime, and one cent per mile between the hours of 8 p.m. and 8 a.m., and in my opinion any further allowance may not be granted them without the express authority of Parliament.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Postmaster-General.

Supplementing Steamship Subventions from other Appropriations.

POST OFFICE DEPT., OTTAWA, July 9, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 28th May, respecting certain payments for mail service between Pictou and Magdalen Islands and Prince Edward Island and the mainland, these payments being in excess of a special Parliamentary vote.

In reply I beg to state that the vote by Parliament is an estimate of the probable cost of the service referred to, but inasmuch as it frequently happens that the amount estimated is found to be slightly insufficient, or on the other hand, it may happen that the amount voted is, sometimes, in excess of the expenditure, and it being quite impracticable, moreover, to terminate the service at the precise time when the Parliamentary vote has been expended, it has been thought permissible to pay any small balance out of the ordinary appropriation of the department; and, in like manner, when the vote is in excess of the requirements, the overplus reverts to the revenue.

I am, sir, your obedient servant,

WM. WHITE, *Deputy Postmaster-General.*

AUDIT OFFICE, OTTAWA, July 13, 1892.

SIR,—I beg to acknowledge the receipt of your letter of the 9th instant in explanation of the payments for steam communication between Pictou and Magdalen Islands and Prince Edward Island and mainland, from the vote for Mail Service, to which I called your attention on the 25th May last.

I gather from your letter that you deemed it permissible to supply the deficiency of one vote from the surplus of another because the appropriations are only estimates of the amounts that may be required for the different services. It appears to me that

such a practice is not only illegal, not being authorized by law or sanctioned by custom, but is contrary to all rules respecting Parliamentary control of public moneys. If an amount, or any portion of it, voted by Parliament for Mail Service may be applied to a purpose for which it was not intended, then a similar course might be followed in regard to all other appropriations; so that Parliament might as well vote the amount required for the public service in a lump sum.

It has sometimes occurred that appropriations have been overdrawn, but the excess has been submitted to Parliament under the heading "Unprovided Items," and so voted.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

POST OFFICE DEPT., OTTAWA, July 15, 1892.

SIR,—Referring to your letter of the 13th instant with respect to my explanation in regard to certain payments for steam communication between Pictou and Magdalen Islands and Prince Edward Island and mainland, I beg to say that I did not intend to convey the meaning which you seem to have gathered from my letter.

Owing to the practical impossibility of estimating in the autumn of one year (when estimates are prepared) the precise length of the season of navigation in the year which is to come, these estimates for steam-boat services in the Lower Provinces are almost invariably either above or below the amount actually found to be necessary, and it appeared to me that Parliament having sanctioned the establishment of mail service between given points, and voted a sum which was presumed to be sufficient to cover such service, any deficiency might not unreasonably be taken from the general vote for mail service, the distribution of which is left by Parliament entirely in the hands of the Postmaster-General. If you think this course objectionable, I see no other way out of the difficulty than by making a special estimate for the amount deficient; although that would involve the manifest inconvenience of compelling the contractor to wait several months for the balance which is due to him, as it could only be voted in the year succeeding that in which the service was performed.

I am, sir, your obedient servant,

WM. WHITE, *D^r* P.M.G.

The Auditor-General.

AUDIT OFFICE, OTTAWA, September 9, 1892.

SIR,—With reference to your letter of the 15th July last giving your reasons for supplementing from the vote for Mail Service, the amounts voted for mail subsidies and steamship subventions between Pictou and Magdalen Islands and Prince Edward Island and mainland, I beg to say that the proper course would be to submit an amount in the Estimates, sufficient as you judge it from past experience, to cover the longest season of navigation, so that the vote may be adequate to meet the largest necessary expenditure.

The subventions for which sufficient provision was not made by Parliament last year, and which were recouped from the vote for Mail Service to the amounts stated were:—

Pictou and Magdalen Islands	\$1,000
Port Mulgrave, Canso and Guysboro'	1,000
Prince Edward Island and Mainland	1,376
St. John, Digby and Annapolis	1,000

It would be better, as these are generally the services for which full provision is not made, to increase the subsidy of this year in the next supplementary estimates so that the irregularity complained of may be avoided.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

Amount voted not sufficient to cover Expenditure.

POST OFFICE DEPT., OTTAWA, Sept. 7, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd instant, pointing out that \$21,028 of the amount due for Ocean Mail Service last year was paid from this year's appropriation. In reply, I beg to say that this was owing to the deficiency to that extent of the Departmental estimates for this service last year. Copies of the Orders-in-Council sanctioning the arrangements of last year are herewith inclosed.

I am, sir, your obedient servant,

The Auditor-General.

WM. WHITE, *Dy. P.M.G.*

Employment of Letter Carriers at Barrie.

AUDIT OFFICE, OTTAWA, Oct. 6, 1892.

SIR,—I beg to call your attention to my letter of the March 20, 1891 published in my Report of last year at page E-125 relative to the payments made for the services, as temporary letter carriers at the town of Barrie, of Messrs. Vickers and Ottaway, and to which I have not yet received your reply.

I find from the accounts sent me for the fiscal year 1891-92 that Geo. Ottaway was paid for 314 days to June 30 as temporary letter carrier, at the rate of \$1.25 per day. Under Section 37 of the Post Office Act the Postmaster General is empowered to employ letter carriers in any city or town in which, in his opinion, the public interest calls for such accommodation, but under Section 38 the persons to whom mail matter is so delivered shall pay two cents for each letter and one cent for each paper or pamphlet, and an account of all receipts from such source are to be sent to the Postmaster-General. The accounts of this nature sent to the Department for the last fiscal year from Barrie, should be sent me for audit. Free delivery of mail matter is permissible under the Post Office Act, Section 40, only in cities when authorized by Council.

I am, sir, your obedient servant,

The Deputy Postmaster-General.

J. L. McDOUGALL, *A.G.*

Refunding Money inclosed in Decoy Letters.

AUDIT OFFICE, OTTAWA, Oct. 12, 1892.

SIR,—I notice among the payments made to Mr. Hawken, Post Office Inspector at Ottawa, during last year under the heading of travel and disbursements, there is one of \$8 to reimburse him for money inclosed in two decoy letters mailed at Hull and which it appears were afterwards stolen. With reference to payments of this kind I would suggest, so as to remove all doubt in the future as to their legality, that an amount for such purpose be placed in the Estimates and the sanction of Parliament thereby obtained.

I am, sir, your obedient servant,

The Deputy Postmaster-General.

J. L. McDOUGALL, *A.G.*

Recouping Employer for Absence of an Employee as a Witness.

AUDIT OFFICE, OTTAWA, Oct. 13, 1892.

SIR,—I beg to bring to your notice two payments made during last year in connection with the trial of one Beauchesne held at Paspébiac,—one to J. B. Fournier—\$28.58 for expenses incurred as a witness, and the other to McCall, Shehyn & Co., \$16—to recoup them for four days' absence of Mr. Fournier while so employed.

It seems to me that payments similar to that made McCall & Co. are not generally included in law suit costs. I should like to have the authority under which it was made.

The Deputy Postmaster-General.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

Superannuation Tax should be paid during Suspension.

AUDIT OFFICE, OTTAWA, Oct. 17, 1882.

SIR,—I should like to bring to your notice in connection with the superannuation from the first of the present month, of a railway mail clerk of the Quebec Postal Division, that during the fiscal year 1890-91, he was under suspension from August 21 to September 20, and during that time did not contribute to the superannuation fund; the amount paid by him for the year ended June, 1891, being \$17.56 instead of \$19.20. As he has been superannuated on a service of 25 years, basing his annual retiring allowance on a salary of \$960 per annum, I beg to point out that in order to have his service continuous from the date of appointment he should be called upon to pay the arrears of superannuation tax—\$1.64—for 1890-91; otherwise a proportionate reduction should be made in his retiring allowance.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

Newspapers to Outside Offices.

AUDIT OFFICE, OTTAWA, Oct. 20, 1892.

SIR,—With reference to the payments made last year, amounting to \$80, for newspapers taken by the Post Office Inspectors at Victoria, Montreal, Halifax, Ottawa, Stratford and Quebec, I beg to call your attention to the Order-in-Council of August 20, 1891, dealing with the practice of supplying newspapers to the outside offices of the different departments. Section 3 of the Order in question directs that the practice of supplying newspapers to the outside offices of the various departments be discontinued, and that hereafter no newspapers be supplied except on the authority of the Minister. The vouchers sent me in support of the payments to which I refer do not bear any evidence of having been submitted for the Minister's authority.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

Increasing a Salary contrary to Sec. 51, C. S. A.

POST OFFICE DEPT., OTTAWA, Nov. 25, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th instant calling attention to the salary paid to Mr. F. W. Blizard, a railway mail clerk of the New Brunswick Division, during the six months ending December 1, 1891, and asking for the authority under which it was allowed, Mr. F. W. Blizard, being described on the pay-list as Acting Chief Railway Mail Clerk, and being paid at the rate of thirteen hundred and forty-five dollars (\$1,345) per annum. I beg to explain that in October, 1884, Mr. Blizard who was then the senior Railway Mail Clerk in New Brunswick, was taken from his duty upon the railway and placed in the Inspector's Office as Acting Chief Railway Mail Clerk. The Postmaster-General decided that it would not be just to Mr. Blizard to deprive him of his mileage whilst he was employed

on other duties in the interest of the department ; and it was therefore decided to allow him, in addition to his ordinary salary of nine hundred and sixty dollars (\$960), an amount equivalent to his mileage, bringing the whole amount to thirteen hundred and forty-five dollars (\$1,345).

I am, sir, your obedient servant,

WM. WHITE, *D.P.M.G.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, Nov. 29, 1892.

SIR,—I beg to acknowledge the receipt of your letter of the 25th inst., with reference to the salary paid Mr. F. W. Blizard during the time he was employed in the capacity of Acting Chief Railway Mail Clerk of the New Brunswick Division. I understand from your letter that Mr. Blizard was placed in charge of the Mail Clerks, being at the time the senior officer, and as he was obliged to remain in the Inspector's office the Postmaster-General decided that it would not be just to deprive him of mileage earnings, and consequently authorized an increase in his regular salary to compensate him for the loss. It appears to me that under the circumstances, as stated by yourself, Mr. Blizard had no legal claim for compensation for any loss he might sustain by the deprivation of his mileage allowance. This allowance is authorized so that Railway Mail Clerks, whose duty obliges them to be frequently away from home and consequently subject to incidental expenses that would not be otherwise necessary, may not suffer loss. When they do not travel in the performance of the duty assigned them, they have no claim for mileage.

The increase is contrary to the directions of the Civil Service Act, Section 51.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Postmaster-General.

Travelling Expenses of A. Sproat.

INTERIOR DEPT., OTTAWA, April 6, 1892.

SIR,—Referring to the item of \$389.50, for travelling expenses incurred by the late Lt.-Col. Sproat, appearing on page 133, Part E, of your report for the year 1890-91, as expenditure unaccounted for, I have the honour by direction to transmit to you herewith, an account dated the 25th of July, 1889, covering this expenditure, together with a copy of a memorandum from the Surveyor-General, in which this officer gives further particulars in explanation of the matter.

I am, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

INTERIOR DEPT., OTTAWA, April 21, 1892.

SIR,—I have the honour by direction to inform you that on the 10th of December, 1890, you were requested by letter from this department to issue a cheque in favour of Mrs. Eliza Watkins Sproat, for \$200, being the usual gratuity equal to her late husband's salary for two months, authorized to be granted to her by Order-in-Council of the 13th November, 1890, P. C. 2476.

As no action appears to have been taken by you in this matter, I am directed to inclose herewith, a copy of the communication referred to, and, at the same time, to request you to cause the required cheque in favour of Mrs. Sproat to be issued as early as possible.

I am also directed to state for your information that the late Mr. Sproat was appointed registrar for the East Saskatchewan Land Registration District, under an Order-in-Council of the 9th of December, 1880, P. C. No. 1922.

I am, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

AUDIT OFFICE, OTTAWA, April 23, 1892.

SIR,—I beg to acknowledge receipt of your letter of the 21st instant, respecting an application for a cheque in favour of Mrs. Eliza Watkins Sproat, for \$200, being a gratuity equal to two months' salary of her late husband, Mr. A. Sproat, registrar for the East Saskatchewan Land Registration District, which application, you say, was sent to this office on December 10, 1890.

In reply I beg to say that I have no recollection of the application in question being received at this office, nor can I find any trace of its having been received. However, I am now authorizing the issue of the cheque on the strength of the copy of your original application, sent me with your letter of the 21st instant.

I am, sir, your obedient servant,

The Acting Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 26, 1892.

SIR,—With further reference to the payment of a gratuity of \$200 to the widow of the late A. Sproat, registrar at Prince Albert, I have to ask your attention to the account recently sent me in support of the amount paid to Mr. Sproat on account of travelling expenses to Ottawa in June and July, 1889.

This account is made up as follows:—

Stage fare.....	\$ 25 00
Railway fare.....	65 00
Board in transit.....	20 00
Board, Ottawa.....	59 50
Services, 44 days at \$5.....	220 00
	\$389 50

As Mr. Sproat was at the time a permanent employee of the Government, the payment of \$5 per day to him was illegal.

I am, sir, your obedient servant,

The Acting Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, May 13, 1892.

SIR,—I am directed to acknowledge the receipt of your letter of the 26th ultimo, with further reference to the payment of a gratuity of \$200 to the widow of the late A. Sproat, registrar at Prince Albert, in which you call attention to a certain amount rendered in support of the amount paid to Mr. Sproat on account of travelling expenses to Ottawa in the months of June and July, 1889, which included a per diem allowance for his services while at Ottawa, and, in reply, to inform you that if there has been any overpayment made to the late Mr. Sproat, which, however, this department does not admit, the legal representatives of his estate would appear to be the parties who should be called upon to set the matter right, and that no deduction should be made from the above sum of \$200 which was ordered by the Government to be paid to his widow as a gratuity, and to be charged to “unforeseen expenses.”

I am, sir, your obedient servant,

The Auditor-General.

JOHN R. HALL, *Secy.*

AUDIT OFFICE, OTTAWA, May 14, 1892.

SIR,—With reference to your letter of the 13th instant, in the matter of the gratuity of \$200 to the widow of the late A. Sproat, registrar at Prince Albert, I beg to say that I admit the correctness of the reasoning that the gratuity paid the widow of a deceased officer should not be charged with any overpayment made to the officer, and am consequently passing the application to-day.

At the same time, I must say that, in my opinion, the payment of \$5 per diem to Mr. Sproat for services is in contravention of section 51 of the Civil Service Act, as amended by 51 Vic., Chap. 12, Sec. 12, viz.:—“No extra salary or additional remuneration of any kind whatsoever shall be paid to any deputy head, officer or employee in the Civil Service of Canada, or to any other person permanently employed in the public service.”

I am, sir, your obedient servant,

The Secretary, Interior Department.

J. L. McDOUGALL, A.G.

Remarks on the Commissioner's Contingent Expenditure.

AUDIT OFFICE, OTTAWA, June 13, 1892.

SIR,—I beg to ask your attention to the following remarks on the expenditure on account of “Contingencies” by Commissioner Smith, for the ten months ended April 30th last:—

1. The several vouchers in support of the expenditure do not bear the certificate required by section 33 of the Audit Act, viz.:—“That the work has been performed or

the material supplied, and that the price charged is according to contract, or, if not under contract, is fair and just." I should also like a certificate on the telegraph accounts to the effect that all the messages charged were on public business.

2. In the expenditure during December on account of petty expenses, I find an item of \$2.50 paid to C. S. Jeffares for board of horse from December 11 to 16. As there is no other item of this nature in the accounts, I should like to know what horse it is whose keep was paid for the period mentioned.

3. I notice the following purchases of stationery, which should have been obtained through the Government Stationery Office at Ottawa:—

July 7, 1891.	R. D. Richardson, 1 pt. Carter's ink	\$1 13
Aug. 15, 1891.	do 10 sheets cyclostyle paper	1 00

4. The following is a statement of the amounts paid for subscriptions during the ten months.

Brandon "Sun," Feb. 1, 1889, to Nov. 4, 1891	\$4 20
Calgary "Herald," Jan. 1, 1889, to Jan. 1, 1893	4 00
Calgary "Tribune," Sept. 16, 1889, to Sept. 16, 1891	6 00
Edmonton "Bulletin," Nov. 1, 1890, to Nov. 1, 1892	4 00
Macleod "Gazette," May 1, 1891, to May 1, 1892	2 00
Montreal "Gazette," Nov. 30, 1891, to Nov. 30, 1892	6 00
Regina "Leader," Jan. 1, 1887, to Jan. 1, 1892	10 00
Toronto "Empire," Jan. 1, 1892, to Dec. 31, 1892	6 00
Winnipeg "N. W. Farmer," Jan. 1, 1892, to Dec. 31, 1892	1 00
Winnipeg "Tribune," Aug. 1, 1890, to Oct. 31, 1891	10 00

I would beg to ask whether the supply of these papers or such of them as have not been stopped is in accordance with sections 2 and 3 of the Order-in-Council of July 14, 1891, relating to the supply of newspapers, books and magazines to the several departments.

I am, sir, your obedient servant,

The Secretary, Department of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, July 27, 1892.

SIR,—Adverting to your letter of the 13th ultimo, I have the honour by direction to inform you that the Commissioner of Dominion Lands has furnished this department with the following information respecting the different matters therein referred to:—

1. The certificate required will in future be appended to accounts.
2. The item of \$2.50 paid C. S. Jeffares for board of horse from December 11 to 16 last, is for the animal supplied to Mr. Bedford, School Lands Inspector, which has since been sold.
3. It is occasionally found necessary to make small purchases of stationery when the supply obtained from the department has become exhausted, but every effort is made to keep a sufficient supply of stationery in stock so as to avoid the necessity of purchasing elsewhere.

With respect to the fourth paragraph of your communication, I am to say that the newspapers mentioned therein were specially authorized by this department to be supplied to Mr. Smith.

I am, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

Accounts for fuel to be paid by Public Works Department.

AUDIT OFFICE, OTTAWA, March 23, 1892.

SIR,—In the accounts so far received by me for the expenditure at the various Dominion Lands Offices during the current fiscal year, I notice the following payments

on account of fuel, which, it appears to me, are properly chargeable against the Public Works vote for heating Dominion buildings :—

Battleford Land Office.

Voucher 10—October—	W. Henderson, preparing fuel.....	\$ 2 00
do 13—November	do do	2 00
do 16—December	do do	2 00
do 18—January	do do	2 00

Calgary Land Office.

Voucher 10—August—	Calgary Water Power Co., kindling wood.....	\$ 1 75
--------------------	---	---------

Cannington Land Office.

Voucher 27—January—	C. S. Phipps, cutting wood.....	\$ 5 00
---------------------	---------------------------------	---------

Red Deer Land Office.

Voucher 11—September—	L. M. Sage, wood and cutting....	\$ 4 00
do 17—October	do do	4 00

Saltcoats Land Office.

Voucher 17—October—	E. Bolton, wood.....	\$ 3 00
do do	S. Riddall, cutting wood.....	1 00

The Department of Public Works should be asked to make application for the transfer of the above items from the vote for Dominion Lands Income—contingencies, to the vote for heating Dominion Buildings.

I am, sir, your obedient servant,

The Acting Deputy Minister of Interior.

J. L. McDOUGALL, A.G.

INTERIOR DEPT., OTTAWA, April 6, 1892.

SIR,—I have the honour by direction to acknowledge the receipt of your letter of the 23rd ultimo, and to say, in explanation of the payments made by this department on account of fuel, properly chargeable to the Public Works appropriation, that, owing to the fact that in many places in the North-west Territories there are no regular dealers in fuel, it is impossible for many of the agents of this department to obtain their supplies of fuel excepting in small quantities from time to time from settlers, to whom it would be a very great hardship to be kept waiting for their money until the accounts had been forwarded to the Department of Public Works for payment in the usual manner. As a matter of fact, it would be impossible, under such circumstances, for the agents to obtain fuel at all or to get it prepared, unless they were in a position to make immediate payment therefor.

I am also directed to say that all important accounts for fuel are at once transmitted, on their receipt here, to the Department of Public Works for payment, and, at the end of each fiscal year, a transfer is applied for all items paid out for fuel by this department, under the circumstances already mentioned, and which are properly chargeable to the Public Works Department.

I am, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

Certificate Required on Accounts for Payments to all Extra Employees.

AUDIT OFFICE, OTTAWA, March 29, 1892.

SIR,—I beg to draw your attention to the following certificate required by a minute of the Treasury Board, dated October 2, 1891, on accounts for payments of all extra

DETAILS OF EXPENDITURE.

E—151

clerks and messengers and of all temporary employees from and after September 1, 1891:—

"I hereby certify that the clerk (or messenger) has been in attendance at this office every day except Sundays and statutory holidays during the period for which payment is asked."

None of the pay-lists received from your department bear this certificate. I accordingly return them herewith in order that the above certificate may be supplied.

Has there been an Order-in-Council authorizing the employment? If there has been I have not received a copy of it.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Interior.

AUDIT OFFICE, OTTAWA, May, 18, 1892.

SIR,—I beg to acknowledge receipts of the pay-list of your department sent to you for certificates on March 29 last and returned on the 11th instant with the proper certificates attached. I notice, however, that in the December pay-list the certificate for Miss F. Pope does not specify the six days for which pay was drawn, but simply states that Miss Pope was absent the whole of December excepting six days. I would like to be informed as to the exact days for which pay was drawn.

I also notice that Miss Pope drew pay for Sunday, November 29, although she was absent from the 24th to the end of the month. I am of opinion that pay can only be drawn for a Sunday or statutory holiday when the claimant has been in attendance either the preceding or the following day, and that when the clerk is absent both on the day before and the day after the holiday, no pay can be claimed.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Dept. of Interior.

INTERIOR DEPT., OTTAWA, May 31, 1892.

SIR,—I am in receipt of your letter of the 18th instant, asking to be informed of the exact six days for which Miss F. Pope was paid in the month of December last, and in reply beg to inform you that those days were the 3rd, 4th, 5th, 6th, 7th and 8th of that month. Miss Pope resigned on the 9th December.

I note your contention that Miss Pope should not have been paid for Sunday the 29th November last, having been absent from the 24th to the end of that month. This department admits the correctness of your view of the matter.

However, as we might have included the day on which she resigned in the final payment made to her, we will off-set that day against Sunday the 29th November.

I am, sir, your obedient servant,

JOHN R. HALL, *Secy.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, June 22, 1892.

SIR,—Referring to the certificate required by the Treasury Board minute of the 2nd October, 1891, to be given on the accounts for payments of all extra clerks and extra messengers and of all temporary employees, I have to ask that in future this certificate be attached to the accounts for all such payments in connection with the Outside Service of your department as well as the Inside Service. This certificate should also be given with all the vouchers since September 1st last.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Interior.

Rent Paid Twice for December at Cannington.

AUDIT OFFICE, OTTAWA, November 25, 1892.

SIR,—I notice from the accounts of last year that Mr. J. J. McHugh was paid \$15 for rent of the Dominion Lands Office at Cannington Manor for the month of December, 1891, and that Mr. C. E. Phipps was paid \$10 for rent for the same month.

Kindly explain why these two payments for rent were made for the same month.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Interior.

INTERIOR DEPT., OTTAWA, December 6, 1892.

SIR,—In reply to your letter of the 25th ultimo, asking why Mr. J. J. McHugh was paid \$15 for rent of the Dominion Lands Office at Cannington Manor for the month of December, 1891, and Mr. C. E. Phipps paid \$10 for rent for the same month, I beg to inform you that these payments were made on account of different buildings.

Upon the resignation of Mr. McHugh, it was decided, in the public interest, to remove the land office to another location, which was done; however, it was not found possible to effect the removal until the 4th of the month of December in question, which rendered the department liable to Mr. McHugh for rental for the whole of that month.

I am, sir, your obedient servant,

JOHN R. HALL, *Secy.*

The Auditor-General

Payment of an Account of Ten Years' Standing.

AUDIT OFFICE, OTTAWA, November 25, 1892.

SIR,—Dominion lands income cheque No. 3943 is for a payment of \$4.75 to Geo. F. Newcombe for a Land Office sign-board purchased by him at Turtle Mountain in May, 1882.

Kindly explain why the settlement of this account has been delayed ten years.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Interior.

INTERIOR DEPT., OTTAWA, December 6, 1892.

SIR,—In reply to your letter of the 25th ultimo, regarding the payment of \$4.75 to George F. Newcombe for a Land Office sign-board purchased by him at Turtle Mountain in May, 1882, I beg to explain that this account originated at a period anterior to my having had any responsibility for the business of the Department of the Interior, and that the payment was made as a result of a very careful inquiry into this man's accounts, which I made personally, because of a complaint on his part that the department was indebted to him. Upon reading all the papers over, I came to the conclusion that this particular item appeared reasonable, although all the others to which he laid claim were disallowed.

I am, sir, your obedient servant,

A. M. BURGESS, *Actg. Dep. Min. Int.*

The Auditor-General.

AUDITOR-GENERAL'S REPORT

1891-92

REVENUE AUDIT

AUDITOR-GENERAL'S REPORT

FOR 1891-92.

EXAMINATION AND AUDIT OF THE REVENUE.

Treasury Minute, June 21, 1886.—The Board had under consideration a communication from the Auditor-General to the address of the secretary of the Board, requesting to be informed whether the revenue accounts generally are to be submitted to him for examination and audit, and if so, under what regulations.

The Board direct that these accounts be submitted to the Auditor-General for examination and audit.

The Auditor-General.

J. M. COURTNEY, *Secy.*

FINANCE DEPT., OTTAWA, Dec. 30, 1889.

SIR,—With reference to our recent conversation respecting the submission to the Treasury Board of the rules and regulations drawn up in your office, I have now to state that I have found on inquiry that your letter of the 31st December, 1886, was submitted to the Treasury Board in due course, but as it did not ask for confirmation of the rules inclosed, but only stated what your intentions were in auditing revenue accounts and requesting any directions that the Treasury Board might deem fit to give,—as the Treasury Board had no directions to give, the letter was unanswered; but in order that the law may be complied with, I have now to state that the rules are approved of.

It will be better to have a formal approval of the other rules to which I drew your attention; and in future we had better adhere strictly to the law, *i.e.*, for you to send all rules to the Treasury Board for approval before their issue, and for the Treasury Board to give a decision in due course.

Yours very truly,

The Auditor-General.

J. M. COURTNEY, *D. M. F.*

RULES AND REGULATIONS *in reference to the Receipt, Entry and Accounting for Public Moneys.*

- (1.) Receipt books with printed consecutive numbers should be used.
- (2.) A receipt should be given for each payment.
- (3.) All receipts should be entered in a Cash Book, and each entry should bear the same number as the receipt.
- (4.) The counterfoil of the receipt should bear its number, the name of the payer, the amount, and a short memo. of the object for which payment was made; and it should be signed by the collector, and when payment is made in person, by the payer.
- (5.) A deposit should be made to the credit of the Receiver-General daily, if the receipts amount to \$25. If the daily receipts do not amount to \$25, a deposit should be made whenever that sum or more is on hand.
- (6.) As soon as possible after the close of each month, and not later than the 10th of the succeeding month, a copy of the Cash Book should be transmitted to the Audit Office, with the corresponding counterfoils of receipts granted, and also the blank when a receipt has been spoiled or cancelled.

Treasury Minute, May 23, 1890.—The Board had under consideration a communication from the Auditor-General, submitting certain regulations embodying general principles for the Audit of the revenue accounts; also a copy of the regulations and forms of returns drawn up in accordance with the general regulations applicable to certain classes of revenue coming under the control of the Department of Marine, which regulations and forms were submitted to exemplify the carrying out of the general regulations.

After careful consideration the Board approve of the general regulations for the Outside Service for the audit of the revenue accounts, as follows:—

Revenue Audit—General Regulations for the Outside Service.

1st. Where possible, every officer or agent employed in the collection of public moneys shall make a daily deposit, if the receipts amount to \$25; otherwise, whenever that sum is on hand; and he shall furnish regularly to the proper Department a return of his collections.

2nd. This return shall be made monthly, or at less frequent intervals, to be fixed by the Department, when desirable.

3rd. It shall be a copy in detail of the Collector's Cash Book showing the different deposits made in acquittance; and shall be certified by him and mailed to the proper Department within five days after the close of the period which it covers, and be accompanied by the corresponding vouchers or papers.

4th. It shall be fully examined and audited in the Department and certified by the Accountant and examining officer.

5th. When examined and certified, all returns for each period shall be forwarded to the Audit Office, accompanied by a summary certified by the Deputy Minister and the Accountant.

And they direct that the particular regulations and forms applicable to each Department be submitted to the Board for approval.

J. M. COURTNEY, *Secy.*

The Auditor-General.

REVENUE AUDIT.

AUDIT OFFICE, OTTAWA, Jan. 15, 1892.

SIR,—I have to submit, for the information of the Treasury Board, and such further action as may be deemed proper, the following memorandum, showing the progress that has been made towards carrying out the instructions of the Board, to examine and audit the revenue accounts.

On taking up this duty I found it was necessary to construct a complete system. This task was rendered still greater, as the same system would not apply to all classes of revenue. It must also be borne in mind that there are elements of difficulty in auditing revenue which do not exist in auditing expenditure. The gross expenditure is known in the Audit Office, because it is the aggregate of amounts, all of which passed through the Audit Office; but the gross revenue cannot be established in any such certain way.

To reach an efficient audit of the revenue, three special points have to be determined: 1. Has revenue been collected in every case in which it should have been collected? 2. Are the amounts that were collected the amounts which should have been collected? 3. Has all the revenue that was collected come to account, and as promptly as it should?

With the exception of revenue arising from the sale of stamps, or from licenses, it has not been contemplated for the present, if at all, that the first and second points should be gone into directly and generally in this office, and in this we follow the English practice. These points must be determined by the Department in charge, and to secure that this has been done it has been a principal care in this office to frame regulations under which each Department is to render certified statements and summaries at frequent and regular periods.

With the object of determining that all the revenue that was collected had come to account, and as promptly as it should, regulations were drawn up which were submitted to the Treasury Board, December 31, 1886.

These regulations provided that receipt books with counterfoils, and bearing printed consecutive numbers, should be used, a receipt given by the collector for each payment made to him, and a detailed return with the counterfoils furnished to this office.

The following Departments are now carrying out these regulations, viz. :—

Agriculture—As to Patent Fees and Sales at Experimental Farms.

Justice—As to Penitentiary revenue.

Indian Affairs—As to Indian Fund.

Interior—As to Dominion Lands.

Printing and Stationery—As to *Canada Gazette* and Sales of Publications.

Secretary of State—As to Fees on Commissions, &c.

Senate—As to Fees.

Regulations for the Outside Service were prepared, which were approved by a Treasury minute, dated May 23, 1890. These regulations provided that a detailed copy of each collector's cash-book, properly certified by him, should be furnished regularly to the proper department, and after being audited and certified all the returns for each period should be forwarded to this office, accompanied by a summary certified by the Deputy Minister and the Accountant.

The following Departments are now furnishing monthly returns :—

Fisheries—As to Fisheries revenue.

Marine—As to Examination of Masters and Mates, Dominion Steamers, Wharves and Piers.

Militia and Defence—As to Militia revenue and Military College fees.

Public Works—As to Slides and Booms, Telegraph revenue, and Dock charges.

The Department of Fisheries has agreed to furnish a list of all licenses issued in order to audit the agents' returns.

The Department of Militia and Defence have been asked to furnish all requisitions for stores, &c., but so far these have not been received.

The revenue of the Finance Department arises principally through the financial transactions in England, returns of which are furnished as the separate entries are passed.

The revenue of the Post Office Department arises in the main from the sale of postage stamps and cards, and it is practicable to make a complete audit of it. For this purpose returns are now furnished showing the stamps and cards received by the stamp branch from the manufacturers, and those issued to postmasters. Returns are yet needed from the accounting postmasters. Correspondence has taken place with the department in reference to those returns, and I have been informed that the necessary forms have been prepared for the use of the accounting postmasters.

The return of railway revenue asked from the Department of Railways and Canals, a memorandum on which was submitted to the Treasury Board, October 13, 1889, are now furnished from the Prince Edward Island Railway. None have yet come to hand from the Intercolonial Railway. I wrote to you in reference thereto on May 27 and June 5 last.

When asked for returns of collectors of canal tolls in accordance with the Treasury minute, the department replied on January 7, 1891, that returns were received in the department giving details under the heads of "Tolls, Wharfage, Hydraulic Rents and other accounts," together with "Let-passes and receipts for each class of revenue," all of which were at my disposal. It was also stated, that to comply with my request, that each collector should furnish a copy of his cash-book, would entail a very considerable expense. In my reply, dated January 13, 1891, I pointed out that the Treasury Board had passed a minute directing all collectors to make a copy of the cash-books kept by them; that the returns now furnished to the department were but summaries; that the "Let-passes" and receipts referred to, to be of any use, would have to be set down on a statement according to dates, added up, &c.—in other words, a copy of the

cash-book would have to be prepared in this office; that a copy of the cash-book showing the date of each payment, the name of the payer, the number of the entry, the service or object of the payment, and the amount paid, would be *prima facie* evidence that all the collections made had been entered, and it could serve as a basis for checking the passes and entries, if such was deemed advisable; that the extra cost of furnishing the return asked for could not be much, as there were only four or five offices in which the staff now engaged would not have ample time to make them out, and in these large offices it would take a clerk not more than three days each month to make the necessary copy; that the work of the staff being greatly reduced after the close of navigation, any part of the returns in arrears could then be made out.

I have had no reply to this letter, and as far as I am aware no steps have been taken to furnish the returns.

The Departments of Customs and Inland Revenue now furnish the returns of their collectors, but these returns only give summaries of the receipts, instead of details. It is claimed in effect by the officials of both these departments that their system of auditing the revenue accounts is as complete as it is possible to have it; that it would entail considerable expense to furnish the copies of the collectors' cash-book; that the copy when furnished would not afford this office the means of making any efficient audit; and they suggest that the auditing be done by clerks from the Audit Office working in the respective departments.

An impression that the system of auditing the revenue by these departments must be thorough led me, when I first took up the work of examining revenue accounts, to devote the available energies of this office to the accounts of these departments, which, being disbursing departments, might not have as thorough a system of auditing the revenue accounts.

With regard to the extra expense the furnishing these returns would cause, it should be borne in mind that they are only copies, and the work, even in a large office, cannot be very great if done day by day. An examination was recently made at the Custom House, in Montreal, at which port there are probably more cash entries each day than in any other revenue office in the country, and it was found that the return asked for could be prepared by an officer in the Surveyor's branch without any additional expense.

As the returns asked for must agree in the totals with the returns now furnished, I do not understand why additional work would be thrown on the Department to check them.

It is not claimed that with this return a complete and effective audit of the revenue could be made; but with such a statement, showing in detail the collections and the deposit made in acquittance, certified by the collector, an audit as to point 3 can be made. It would show the date of each payment, the name of the payer, the number of the entry, the service or object of the payment, and the amount paid, and be *prima facie* evidence that all the collections made had been entered. It would also serve as a basis for checking the entries covering any particular period, if it should be deemed advisable to have such further test made by this office.

In my opinion, there is very great objection to accepting the suggestion that, instead of getting this return, clerks should be sent from this office to do the work in the respective departments. To do so would be altogether foreign to the whole practice of the office so far, which is that the auditing shall be done by clerks stationed in the Audit Office, under my direct supervision and control. It is advisable, and indeed necessary, on occasions, that a clerk from this office should be sent to a department or to an outside office, to prosecute an inquiry; but I am very strongly of the opinion that, if the whole work of auditing were to be done in that way, it would be attended with very unsatisfactory results.

The early attention of the Treasury Board is requested to the present position of these departments, as without these returns I am unable to carry out the instructions of the Board.

I have the honour to be, sir, your obedient servant,

The Secretary, Treasury Board.

J. L. McDougall, A.G.

AUDIT OFFICE, OTTAWA, Oct. 26, 1892.

SIR,—Referring to my letter of January 15, 1892, I have now to report as follows:—

Intercolonial Railway.—Returns are now being furnished by the Station Agents, some daily, others weekly, showing the receipts and the remittances made; by the cashier at Moncton showing the remittances received and the deposits made; and monthly summaries are furnished from the head office at Moncton, showing the freight earnings, the passenger earnings, the arrears at stations, an abstract of stations balance sheets, sales of tickets by conductors, through ticket ledger balances, a statement of work done by the travelling auditors, and a statement of receipts from mails and sundries.

Post Office Department.—I have been informed that the returns of revenue and of warrants paid out of revenue, are now being furnished by postmasters, covering the September quarter, and will be furnished to this office in due course. No statements are furnished of the receipts from letter boxes and drawers, though I have asked for them.

Department of Militia.—The requisitions for stores, &c., which I asked for, are not being furnished. No satisfactory audit can be made without them.

Customs and Inland Revenue.—No change has been made in the returns furnished by these departments. They give a summary of the receipts but no details. The returns from the Customs Department cover all the classes of revenue under its control. The returns from the Inland Revenue Department only cover Excise Revenue. There has been practically no audit made of the revenue of these two Departments. A statement is furnished on each return of the deposits made in acquittance. These deposits might be checked with the cash returns.

Canal Tolls.—No returns have yet been furnished of the receipts from Canal tolls, &c.

The work of auditing the Revenue returns, which have so far been received and the preparation of the statements for the Audit Report have fully taxed the capacity of such of the staff as could be spared for the work. The additional work of examining the Intercolonial Railway returns and the Post Office returns will fully occupy the time of two more clerks, and a third would be required to check the deposits shown on returns of Customs and Inland Revenue.

I have the honour to be, sir, your obedient servant,

The Secretary, Treasury Board.

* \$5,957.65 was repaid during 1891-92 on account of seed grain advances. Of this sum \$5,199.69 was credited to Territorial account, and \$757.65 to Seed Grain Advances to Settlers' account. Part of the deposits credited to the former account belonged to the latter account, and an adjusting entry was passed after the accounts of the year were closed.

+ Taken into account in adjustment of Indian Trust Fund in part D, page 61.

Re Revenue Returns.

AUDIT OFFICE, OTTAWA, March 28, 1892.

SIR,—I have lately received the revenue returns of your Department for July, August and September last. I shall be glad to have the other returns in arrears as soon as possible, also the returns of disbursements with the corresponding vouchers in connection with this class of revenue. In order that progress may be made with the auditing of these returns, and the work of preparing the annual report not delayed, it is desirable that the returns for each quarter should be to hand before the close of the succeeding month.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Customs.

AUDIT OFFICE, OTTAWA, October 12, 1892.

SIR,—Referring to the returns for 1891-92, I have to submit the following, with a request for any explanations pertinent thereto:—

Coasting Licenses.—The total collections amounted to \$25.50, from the following ports:—Amherstburg, \$1.50; Fort Erie, \$2; Gananoque, \$2; Windsor, \$16; Clifton, \$1, and Stratford, \$3.

Entrance and Clearance Fees.—\$6,374 was collected in Ontario, only \$910 in Quebec and nothing in any of the other provinces.

Examining Warehouse Fees.—\$3,672.29 was collected in Ontario, \$4,590.99 in Quebec, \$350 in British Columbia and nothing in any of the other provinces.

Will you be good enough to procure for the several ports, for this office, detailed statements covering these receipts, and also the receipts for Bonding Warehouse Fees and for sundry receipts. Collectors should be instructed to send monthly returns in detail of these classes of receipts.

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

Re Refund of Revenue.

AUDIT OFFICE, OTTAWA, July 13, 1892,

SIR,—Voucher 1138, dated Dec. 22, 1891, for \$2,505.78, is a payment in favour of the Grape Sugar Refining Company. It seems this company had been paid one cent per bushel on all feed exported, the residue of the corn which had been imported from Oct., 1882, to Jan., 1888, amounting to \$1,680.01. This payment is a refund of one cent per bushel on all the corn imported during the period, less the amount previously paid, and is authorized by Order in Council of June 6, 1888. This order has not been furnished to this office, and a copy is not attached to the papers. A copy of the original order should also be furnished. The fact of the refund having been accepted on the feed exported, instead of the corn imported, for such a length of time seems to call for some explanation. When was a demand for the latter rate first made?

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 13, 1892.

SIR,—I have to ask for a copy of the regulations under which refunds are made to the merchants of Halifax who furnish goods to regimental canteens and to H. M. vessels; also the nature of the expenditure charged to miscellaneous, under the heading of "Army and Navy Commutation." Is there any reason why these two classes of payments are treated differently?

I observe that the general practice is that the vouchers for other refunds have the authorization of yourself or the Assistant Commissioner, but this authorization is wanting on the vouchers for all these refunds in connection with the Army and Navy. Why is not the same practice followed?

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 13, 1892.

SIR,—I have to ask for further papers in reference to Voucher No. 1131, dated Dec. 21, 1891, in favour of the Halifax Sugar Refining Co. for \$3,448.81. In the copy of the accountant's letter sending the cheque to the Collector of Customs at Halifax, reference is made to a statement of the matter, and an Order in Council is also quoted, but neither is attached to the voucher. I have also to ask for an explanation of the origin and nature of this claim and any other particulars pertinent thereto. Should the application papers with the authorization for payment of yourself or the Assistant Commissioner endorsed not always be furnished with each refund voucher?

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 13, 1892.

SIR,—Voucher No. 897, dated November 20, 1891, is for a refund to the St. Lawrence Sugar Refining Co. of \$12,129.22 From the papers furnished it appears that this amount was the ascertained average duty which would have been payable on 838,232 lbs. sugar found to have been destroyed by fire on July 15, 1887, while in bond; and that the company had only now paid \$20,153.85 duty due by them which had been held over against this claim.

This item of \$20,153.85 seems to have been the duty on six entries, four of which were of a date previous to the fire, and two in July and September, 1889, two years later.

I have to ask for further information in reference to this payment.

Does the Customs or any other Act provide for the refund of duty on goods destroyed by fire, &c.? In any case should it not be authorized by Order in Council? Why was the matter not settled sooner? Do the first four entries cover the sugar destroyed? Why were the other two entries in 1889 allowed to stand? When was the sugar covered by the last two entries delivered?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Customs.

AUDIT OFFICE, OTTAWA, November 2, 1892.

SIR,—I have not had any reply to my letters of July 13 last in reference to refunds account of the Army and Navy, and to the Grape Sugar Refining Co., the Halifax Sugar Refining Co., the St. Lawrence Sugar Refining Co.; nor to my letter of October 13 in reference to Revenue returns. Your early attention is requested.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Customs.

Re Crown Seizures, Customs.

AUDIT OFFICE, OTTAWA, March 28, 1892.

SIR,—On the revenue returns furnished to this office, the receipts from Crown Seizures Customs are entered by ports, but no further particulars given. I have to ask that a monthly statement be furnished giving the following information in connection with each seizure: (1) The departmental number; (2) the port and port number; (3) the gross proceeds; (4) the costs for which vouchers should be furnished; (5) the balance deposited to credit of the Receiver-General.

The departmental and port numbers should be entered in connection with each item of disbursements, whether refund, distribution, or expenses.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Customs.

AUDIT OFFICE, OTTAWA, April 14, 1892.

SIR,—I have to ask for copies of the Orders in Council and Departmental regulations now in force affecting proceedings in connection with the seizure, sale of seized articles and distribution of seizures to officers and informers.

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

CUSTOMS DEPT., OTTAWA, April 21, 1892.

SIR,—Referring to your letter of the 14th instant, asking for copies of the Orders in Council and Departmental regulations now in force affecting proceedings in connection with the seizure and sale of seized articles and distribution of seizures, I beg to hand you herewith form No. K 6, on the back of which is the *verbatim* copy of the regulations as per Orders in Council affecting the disposal and distribution of proceeds of seizures. There are no regulations other than these,—the further requirements being distinctly set forth in the Customs Act itself.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

W. G. PARMELEE, *Commissioner*.

AUDIT OFFICE, OTTAWA, April 22, 1892.

SIR,—I am in receipt of your letter of yesterday, inclosing form No. K 6, on the back of which is a copy of the regulations affecting the disposal and distribution of seizures.

The returns made on these forms are needed for auditing purposes, and I have to ask that those for the September and December quarters, with the corresponding vouchers, may be forwarded now; and that those for each succeeding quarter may be forwarded regularly with the revenue returns before the close of the succeeding month.

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

CUSTOMS DEPARTMENT, OTTAWA, April 26, 1892.

SIR,—I am in receipt of your letter of the 22nd inst., asking that returns on form K 6 be forwarded to you for auditing purposes.

I now forward these returns for September and December quarters, 1891.

I have the honour to be, sir, your obedient servant,

THOS. J. WATTERS, *Asst. Commissioner*.

The Auditor-General.

AUDIT OFFICE, OTTAWA, July 26, 1892.

SIR,—I have to ask for a statement of deposits that have come to account, to 30th June last, of which no distribution of shares accruing to the seizing officers and informers had been made, showing the port, the number, the date of deposit, the gross proceeds, the expenses, and the net funds.

The voucher furnished for refunds in many cases is merely the receipt of the payee. The application at least should be furnished, which should bear the certificate of the proper departmental officer. The distribution sheets should also be certified. According to the regulations endorsed on the form K 6, an allowance of not more than one-third of the net proceeds shall be awarded to the seizing officer and one-third to the informer. Voucher No. 1050, Woodstock, seizure No. 234, shows net proceeds, \$13; paid informer, \$4.33; paid seizing officer, \$4.33; collector's commission, \$1; and expenses, \$6. Voucher 1127, Montreal, shows net proceeds, \$2,700; paid informer's share \$900; paid seizing officer's share, \$900; expenses, \$64.50. The collector's commission is also paid from the balance remaining after paying one-third to the informer and one-third to the seizing officer.

On what principle are expenses of special agents divided, part being made a charge against the vote for Board of Customs, and part a charge against revenue? Are the expenses charged against revenue deducted from the respective seizures before the distribution?

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

CUSTOMS DEPT., OTTAWA, July 29, 1892.

SIR,—I beg to acknowledge receipt of your letter dated the 26th instant, and in reply would state that the staff of this department is at present not sufficiently large to enable me to detail an officer to prepare for you the statement asked for in your letter.

If you will kindly detail an officer of your staff for the duty, I shall have pleasure in placing in his hands the records of this department from which he can extract the information you desire.

As to refunds made of seizure moneys which may have been deposited, and the exception taken by you that the vouchers in such cases are merely the receipt of payee,—I would state that all such refunds are made as the result of a decision given by the Honourable the Minister of Customs, in accordance with the provisions of the Customs Act. Consequently there would not be any application from the person to whom the refund is to be payable, and as a result there would appear to be no necessity for the certificate of any departmental officer. The seizure reports, with the decision of the Honourable the Minister endorsed thereon, are at all times open to the inspection of any officer you may detail for the purpose; and I would suggest that such an examination, whenever you are in doubt about any seizure matter, would be the most speedy way of satisfying your requirements, and would frequently remove misconception arising with reference thereto.

As to the concluding paragraph of your letter, asking on what principle the expenses of special agents are divided, part being made a charge against the Board of Customs and part a charge against revenue, I would state that it necessarily must be the case that special agents will sometimes be employed in investigating matters of a suspicious character which may not finally result in seizure being made. Careful investigation of alleged irregularities prior to taking any action in the direction of seizure is eminently proper and desirable, and the expenses incurred in such cases where careful investigation may show no penal liability to exist, must necessarily be charged against the vote for Board of Customs.

In all cases where seizure has resulted from such investigation, the expenses incurred by the officer are charged against the gross proceeds of the seizure which has so resulted; and before such moneys are distributed, the expenses are invariably deducted.

With reference to the vouchers instanced by you and in relation to which you appear to think the distribution has not been made according to the regulations endorsed by form K 6, I beg to say that I shall refer the matter to the officer who has charge of this distribution, for his explanation. When it is received I shall communicate further with you upon the subject.

I have the honour to be, sir, your obedient servant,
THOS. J. WATTERS, *Asst. Com.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, Aug. 3, 1892.

SIR,—Referring to your letter of July 29, I have to say that the statement I asked for in my letter of July 26, is necessary that a proper audit may be made of this account. The staff of this office is fully employed examining and auditing the returns of expenditure and receipts of the several departments, and preparing from them detailed statements for the Annual Report, and it is not possible, even if it were advisable, for me to send one of my clerks to copy statements from the books of your department.

When this subject came before the Civil Service Commission, they seemed to approve of the practice both here and in England, that departments should furnish returns of all financial transactions to the Audit Office, instead of sending clerks from the Audit Office to examine the books in the departments, which should only

be done when it is deemed advisable to make a test audit confirmatory of or in addition to that available with the returns furnished.

The seizure reports, with the decision of the Hon. the Minister endorsed thereon, should be furnished, and form part of the voucher for the payment. They will, of course, be returned.

I have the honour to be, sir, your obedient servant,

The Asst. Commissioner of Customs.

J. L. McDOUGALL, A.G.

CUSTOMS DEPARTMENT, OTTAWA, November 22, 1892.

SIR,—I beg to acknowledge the receipt of your letters of August 3 and 11th inst., being further on the subject of vouchers for distribution of certain seizures referred to more particularly in yours of July 26 last.

Having received from the officer who prepared the distribution sheets in question, an explanation of the matters in respect of which you ask for information,—I beg to inclose herewith for your perusal and information a copy of such report.

I have the honour to be, sir, your obedient servant,

THOS. J. WATTERS, *Asst. Commissioner.*

The Auditor-General.

CUSTOMS DEPARTMENT, OTTAWA, November 22, 1892.

SIR,—Referring to the Auditor-General's letter of the 26th July last, *re* certain payments made on account of Crown seizures, and which you referred to me for explanation, I beg to submit the following:—

I assume that the Auditor infers that the column "net proceeds" on the distribution sheet, means net proceeds deposited to the credit of the Receiver-General, but it really does mean net proceeds available for awards to officers and informers.

Thus in the case of voucher No. 1050, Woodstock, N.B., No. 234, the net proceeds deposited to the credit of the Receiver General were \$20,—of this sum the Collector was paid in distribution his 5 per cent commission, or \$1, and the officer his expenses of \$6, leaving \$13,—one-third of which was awarded to the seizing officer and one-third to the informer.

This may be verified by the Auditor-General upon reference to deposit receipt on Revenue Statement of June 23, 1891, or the Revenue Account Current of the Port of Woodstock, N.B., for the month of June, 1891, both of which are in his possession.

The case of Voucher No. 1127, Montreal, is slightly different.

The decision in this case was that the seizure be released on payment of a penalty of \$2,700 and \$100 for expenses.

Accordingly one-third of the penalty was awarded to the officer and one-third to the informer, or \$900 each, but, as the officer had previously received a cheque on May 5, 1891, for \$35.50 on account of expenses, the balance due him, or \$64.50 was paid to him in distribution.

I have the honour to be, sir, your obedient servant,

THOS. J. WATTERS, Esq., Asst. Comr. of Customs.

R. R. FARROW.

Re Casual Revenues.

AUDIT OFFICE, OTTAWA, Sept. 21, 1892.

SIR,—Revenue statement No. 15 of July, 1891, contains an item of \$366.04 to the credit of casual revenue, being 24 per cent of claim against estate of Bissette & Leforte. I have to ask for particulars of this indebtedness, when it arose, and the circumstances connected therewith. I do not find it entered on the statement of arrears due your department.

I have the honour to be, sir, your obedient servant,

The Commissioner of Customs.

J. L. McDOUGALL, A.G.

CUSTOMS DEPT., OTTAWA, October 4, 1892.

SIR,—In reply to your letter of Sept. 21, asking for particulars respecting \$366.04, deposited to the credit of the Receiver-General on July 14, 1891, account "Casual Revenue":—

I have to state that this amount represents 24 per cent of a claim for \$1,525.20 against the insolvent estate of Messrs. Bissette & Leforte of Montreal, for additional duties on goods passed on fraudulent invoices in the years 1884 and 1885.

I may state for your information that the claim was originally set up as privileged, but the Crown was finally obliged to recede from that position and come in as an ordinary creditor.

I am, sir, your obedient servant,

THOS. J. WATTERS, *Asst. Com.*

The Auditor-General.

Re Steam-boat Inspection Revenue.

AUDIT OFFICE, OTTAWA, May 13, 1892.

SIR,—I inclose herewith for your information and such action as is proper, two statements in connection with this Revenue for the period to Dec. 31, 1891.—The one is a list of vessels that appear on the Inspectors' Returns, the fees on which were paid, but which do not appear on the Collectors' Returns. The other is a list of vessels on which only a fee of \$5 was collected instead of \$8.

As it has been determined that the collection of Steam-boat Inspection fees will remain with the Collectors of Customs, I would ask your further consideration of the suggestion to have the receipt issued contain a counterfoil for this office, which the inspector should detach and forward with his return.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Commissioner of Customs.

 Re Non-payment for Bill Stamps.

DEPT. OF INLAND REVENUE, OTTAWA, June 30, 1891.

SIR,—I have the honour, by direction, to inclose copies of certain letters in connection with a supply of \$160 worth of bill stamps which were sent to Jas. F. Macleod, stipendiary magistrate, Fort Macleod, in 1881, for distribution, for which he has never rendered an account, although on the 10th August, 1885, he was written to asking for a settlement, of which letter he took no notice.

Copies of these communications have this day been sent to the Department of Justice with a request that they will endeavour to have the matter closed at as early a date as possible.

I have the honour to be, sir, your obedient servant,
 WM. HIMSWORTH, *Secretary.*

 The Auditor-General.

AUDIT OFFICE, OTTAWA, January 12, 1892.

SIR,—The Department of Inland Revenue has a claim of \$160 against J. F. Macleod, N.W.T., for bill stamps forwarded to him in 1881, at his own request.

The department informs me that a copy of the correspondence was forwarded to you in June last, with a request that you should endeavour to have the matter closed up.

I have to inquire what action has been taken.

I have the honour to be, sir, your obedient servant,
 J. L. McDOUGALL, *A.G.*

 The Deputy Minister of Justice.

DEPT. OF JUSTICE, OTTAWA, January 12, 1892.

SIR,—I have the honour to acknowledge your letter of this date respecting the bill stamps supplied to the Honourable Mr. Justice Macleod, and beg to inform you that I am now in correspondence with Judge Macleod about the matter. The Judge informs me that he handed the stamps to the clerk of the court, and I have written for the clerk's name, and have asked for a statement, and the return of the unused stamps.

Your obedient servant,
 ROBT. SEDGEWICK, *D.M.J.*

 The Auditor-General.

AUDIT OFFICE, OTTAWA, November 2, 1892.

SIR,—Referring to your letter of January 12 last, I have to inquire what further progress has been made towards collecting the sum of \$160 due for bill stamps furnished Judge Macleod.

I have the honour to be, sir, your obedient servant,
 J. L. McDOUGALL, *A.G.*

 The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, OTTAWA, Nov. 3, 1892.

SIR,—I have the honour to acknowledge the receipt of your communication of the 2nd inst. Judge Macleod states that he handed the bill stamps to Inspector Harper of the North-west Mounted Police, who was then clerk of the court, and that he has asked Inspector Harper to make a return.

I have to-day written to Judge Macleod about the matter, asking him either to make a return or see that one is made.

I have the honour to be, sir, your obedient servant,

ROBT. SEDGEWICK, *D.M.J.*

The Auditor-General.

Re Refunds Excise Revenue.

AUDIT OFFICE, OTTAWA, April 11, 1892.

SIR,—I have to ask your attention to the following observations on the vouchers covering refunds of Excise revenue for the first three months of the present fiscal year:—

1. The greater number of the vouchers furnished are merely receipts of the parties. In all cases the claim papers should be furnished. Cheque 37371, July 14, in favour of T. J. Lyons, for \$6,339.32, is entered on your return as a refund of duty paid on American spirits used in the manufacture of crude fulminate exported to the United States. The receipt of Mr. Lyons, which is the only voucher furnished, states that it is a refund of duty paid on spirits used in the manufacture of crude fulminate which has been destroyed.

2. Several refunds are authorized by special Orders in Council. None of these orders have been received at this office. I have to ask in all such cases that the Orders in Council may be furnished; either send the copies furnished to your department or instruct the clerk of the Privy Council to send copies to this office.

3. Refunds for malt coomings amounting to \$4,248.11 were made in August, and others in September, for which no vouchers are furnished. Please send me a copy of the Order in Council of December 12, 1868, under which authority they are paid.

4. The departmental returns and the corresponding vouchers and cheques in reference to these refunds, being charges against revenue and entirely distinct from the appropriation accounts, I have to ask that they be forwarded to this office separately, and as soon as possible after the close of each month.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Commissioner of Inland Revenue.

DEPARTMENT OF INLAND REVENUE, OTTAWA, May 4, 1892.

SIR,—In reply to your communication of April 11 *in re* "Refunds Excise Revenue" I have the honour, by direction, to say, that the receipt from Lyons mentioned in paragraph one, is incorrectly worded, as his claim will show. It is for spirits used in the manufacture of fulminate which was exported.

Refund vouchers will be sent to you at the close of each month as requested in paragraph four. The delay hitherto was because of your request that this department should retain vouchers until you intimated that you were ready to examine them.

The Clerk of the Privy Council will be requested on all occasions to furnish you with copies of all Orders in Council affecting payments.

I have the honour to be, sir, your obedient servant,

WM. HIMSWORTH, *Secretary.*

The Auditor-General.

Re Crown Seizures, Excise.

AUDIT OFFICE, OTTAWA, April 11, 1892.

SIR,—The charges against the receipts from Crown Seizures Excise may be classed under the following headings: Expenses, distribution and refunds. The expenses are included in the vouchers for expenditure under appropriations. Distributions and refunds are made under the authority of special Orders in Council, but neither these orders nor any vouchers are furnished.

As in reference to vouchers for refunds of revenue, I have to ask that the vouchers for expenses of seizures may be kept distinct, and with the departmental returns and cheques forwarded separately to this office; and that you should take the necessary steps to have the Orders in Council for distribution and refunds furnished to this office.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

AUDIT OFFICE, OTTAWA, August 29, 1892.

SIR,—Vouchers 449 and 584, Joliette, covering expenses *re* seizure of a distillery at Berthier, contain six items of \$21 each for insurance premiums paid. Does this property not come under the provisions of the Order in Council of July 5, 1881, recommending the Government to underwrite its own risks, allow all existing policies to lapse and effect no new ones.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

AUDIT OFFICE, OTTAWA, November 2, 1892.

SIR,—Referring to vouchers 39638 and 39952 there appears to have been a double payment to Ecrement & Co., of \$13.55, the provincial duty on goods sold Mr. Davis. The vouchers indicate that the double payment was detected by the accountant in your department. Please let me know if a refund was obtained, and if so when it came to account.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Commissioner of Inland Revenue.

DEPARTMENT OF INLAND REVENUE, OTTAWA, November 3, 1892.

SIR,—I have the honour, by direction, to acknowledge receipt of your communication of the 2nd inst., relative to a double payment to Ecrement & Co., of Montreal, in connection with the sale of the Berthierville distillery and, in reply, to inform you that, as soon as the department became aware that the double payment had been made, first through the contingent account of the officer in charge, and subsequently by cheque direct from the department, Mr. Ecrement was requested to refund, and, failing to do so, the Department of Justice was requested to institute proceedings for recovery of the amount overpaid.

Within the last week that department has advised this department that judgment has been rendered against Ecrement & Co., and no doubt the amount will be refunded at an early date.

I have the honour to be, sir, your obedient servant,

WM. HIMSWORTH, *Secretary.*

Re Lévis Graving Dock.

AUDIT OFFICE, OTTAWA, September 15, 1891.

DEAR SIR,—I am in receipt of your letter of yesterday's date inclosing a statement of dues, &c., collected at Graving Dock, Lévis, during the month of August last. This statement is entered as *nil*.

On the 3rd instant you inclosed a statement showing that \$200 had been paid on the 7th August last for entrance fee into the dock for the SS. "Tiber," and this amount has come to account.

Should this item of \$200 not have been entered on the return for August? I have also to ask if there were not subsequent dues collected from this steamship.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

AUDIT OFFICE, OTTAWA, March 17, 1892.

SIR,—In the return of fees collected at the Lévis Graving to October 17, 1890, the SS. "Thornholme" is entered on August 6, and charged \$500 for first day's dockage, and for 36 subsequent days at \$85 per day. The same vessel is again entered on September 23 and only charged for 4 days' dockage at \$85 per day. I have to ask what provision of the Rules and Regulations in reference to this Graving Dock exempts this vessel from the usual charge for first day's dockage.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

DEPT. OF PUBLIC WORKS, OTTAWA, April 1, 1892.

SIR,—In reply to your letter of the 17th ultimo, referring to the return of fees collected at the Lévis Graving Dock to October 17, 1890, and asking explanation respecting charges made for the dockage of the SS. "Thornholme," I have the honour to inform you that the above information might be obtained from the Quebec Harbour Commission, they having charge of the dock at that time.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

AUDIT OFFICE, OTTAWA, April 6, 1892.

SIR,—In reply to my letter of March 17, inquiring as to certain charges against SS. "Thornholme," you state in your letter of April 1 that the information might be obtained from the Quebec Harbour Commission, they having charge of the dock at that time.

As the Commission were acting for the department in the collection of these charges, the department should, I think, ask the Commission for the required explanation.

I have the honour to be, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

DEPT. OF PUBLIC WORKS, OTTAWA, May 3, 1892.

SIR,—In compliance with the request contained in your letter of the 6th ultimo, the Secretary of the Quebec Harbour Commission has been asked to give an explanation of the charges for docking the SS. "Thornholme," in the Lévis Graving Dock, and he states that the above vessel was only docked once, so only one day's first

docking could be charged, and also that the reason of the two payments was that the vessel changed ownership while in the dock under repairs.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

Re Esquimalt Graving Dock Revenue.

AUDIT OFFICE, OTTAWA, March 24, 1892.

SIR,—Referring to previous correspondence in connection with having the Dockmasters certify their monthly returns, I find that this office is furnished with a copy, instead of the original certified return, which I have to ask may in future be sent.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, *A.G.*

The Secretary, Public Works Dept.

DEPT. OF PUBLIC WORKS, OTTAWA, April 7, 1892.

SIR,—In compliance with the request contained in your letter of the 24th ultimo, I have the honour to state that instructions have been given to have the Dockmaster of the Esquimalt Graving Dock transmit his monthly statements in duplicate.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

Re Graving Dock, Kingston, Revenue.

AUDIT OFFICE, OTTAWA, May 21, 1892.

SIR,—Certain vouchers reached me with yours of the 19th instant covering collections made at Kingston Dry Dock. The first dockage, according to these returns, is that of the steamer "St. Lawrence," March 29 last. It is intended, of course, to have returns from this dock made out on the same forms as the returns from the other docks. It will be advisable to have the first return cover all the dockages to April 30. The certificate of the acting dockmaster should be the same as that made by the other dockmasters, and for the first return should specify that the steamer "St. Lawrence" was the first vessel docked.

Please send me a copy of the Rules and Regulations governing this dock.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Public Works Dept.

DEPT. OF PUBLIC WORKS, OTTAWA, May 30, 1892.

SIR,—In reply to your letter of the 21st instant, respecting collections made at the Kingston Dry Dock, and asking to be supplied with a copy of the Rules and Regulations governing the above dock, I have the honour to inform you that the dockmaster has been instructed with regard to the returns. I beg leave to inclose you herewith a copy of the Rules and Regulations above referred to.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

Arrears of Slide and Boom Dues.

AUDIT OFFICE, OTTAWA, June 28, 1892.

SIR,—The total amount of arrears due on June 30, 1891, according to the statement you furnished on November 14, 1891, was \$109,849.87, classified as follows:—

Ottawa River.....	(1) Due by insolvent estates.....	\$ 24,862 15
	(2) Chaudière boomage.....	37,908 59
	(3) Having counter claims.....	3,106 14
	(4) Overcharges.....	286 88
	(5) Accrued, 1890-91.....	3,708 51
St. Maurice River .	(6) Having counter claims.....	17,257 46
	(7) Covered by bond of Banque du Peuple.	1,440 90
	(8) Overcharges ..	1,802 34
	(9) Other arrears.....	1,201 32
Saguenay River....	(10) Having counter claims.....	17,235 38
Newcastle District.(11)	6,040 20

\$109,849 87

Referring to the memorandum furnished by your department in reply to my letter of Dec. 22 last, I have to ask what progress has since been made towards arriving at some settlement of the counter claims made, and collecting the balances due.

With a view of disposing of these arrears as soon as possible, would it not be advisable to notify each firm indebted that, unless satisfactory settlement is made at an early date, the department would be forced to submit these claims to the Department of Justice for collection.

I have the honour to be, sir, your obedient servant,

The Secy., Public Works Dept. J. L. McDOUGALL, A.G.

PUBLIC WORKS DEPARTMENT, OTTAWA, July 21, 1892.

SIR,—In reply to your letter of 28th June last asking to be informed of the progress made towards the collection, &c., of arrears of slide and boom dues, I have the honour to furnish the following particulars in answer to your several queries:

OTTAWA RIVER.

Item 1. Nothing can be done by the department until the item is brought before Public Accounts Committee.

Item 2. Same as No. 1.

Item 3. One of the items standing against Perley & Pattee, viz., \$2,035.96, has been settled by the cash payment of \$1,039.83, and credits allowed them for contra accounts covering the balance (see special returns of arrears collected for June last). For other items coming under this head nothing further can be done until they are reported on by the officers to whom they have been referred.

Item 4. Same as Nos. 1 and 2.

Item 5. Out of this amount there has been collected from the Hawkesbury Co. \$2,617.78, and W. Mason & Sons, \$664.81, leaving \$425.92, of which \$397.50 is secured by the seizure of a raft of square timber in Quebec, yet unsold. The remainder, \$28.42, is an account which has been sent to the Justice Department for collection.

ST. MAURICE DISTRICT.

Item 6. Nothing can be done until settled by Public Accounts Committee.

Item 7. Covered by bond of Banque du Peuple which is now before Justice Dept.

Item 8. Same as No. 6.

Item 9. Out of \$1,201.32, J. A. Gagnon has paid \$124.32; G. B. Hall disputes \$49.34; T. E. Normand disputes \$42.83; W. Ritchie & Co., expect to pay next month \$357.15, leaving the account of Ross & Co., which is to be handed to the Department of Justice.

SAGUENAY.

Item 10. \$17,235.38. Out of this amount Messrs. Price & Co. have paid \$7,235.38, retaining balance until their claim is adjudicated.

NEWCASTLE DISTRICT.

Item 11. Energetic action is contemplated to enforce payment.

I have the honour to be, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

Re Slide and Boom Dues.

AUDIT OFFICE, OTTAWA, August 1, 1892.

SIR,—Please send me a copy of the authorized tariff of charges for slide and boom dues.

As the returns of the several slidemasters are not forwarded to this office, the departmental return should be certified as follows: (1) That returns have been received from all slidemasters for the month covered by the return; (2) that the returns of the slidemasters cover all the lumber of every description that passed through the respective works; (3) that the rates charged are those authorized; (4) that interest has been collected on all payments of dues in arrears; and (5) that deposits have been made and the bank receipts forwarded to the Receiver-General of all collections made.

Please explain why interest has not been charged on an item of \$2,028.98, shown on the return from Three Rivers, of November, 1890, and paid in September, 1891. Interest has been charged on other items of the same return paid previous to September, 1891.

When was the bank receipt for the payment of \$7,235.38, by Messrs. Price & Co., referred to in your letter of the 21st July, forwarded to the Receiver-General?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Public Works Dept.

AUDIT OFFICE, OTTAWA, August 16, 1892.

SIR,—Referring to the arrears due by Messrs. Price Bros. & Co. for slide and boom dues on the Saguenay, I observe that a payment of \$8,847.55 recently came to account. The balance it seems is withheld, as Messrs. Price Bros. have a counter claim against another Department. This fact should not prevent you from pressing for a settlement of the amount due to your Department. The payment of all revenue accruing to the Government should be enforced as it accrues.

As it is desirable to have these arrears closed up, your early attention is requested.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, *A.G.*

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, Sept. 6, 1892.

SIR,—I am directed to acknowledge the receipt of your letter dated the 16th ult., referring to a balance due by Price Bros. & Co. for slides and boom dues on the Saguenay; and to inform you that the payment of the balance due will be enforced as soon as possible.

I have the honour to be, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

PUBLIC WORKS DEPT., OTTAWA, Nov. 14, 1892.

SIR,—I have the honour to send you, herewith inclosed, a copy of Mr. Smith's report *in re* slide and boom dues, together with the "Regulations for the management, maintenance, proper use and protection of the slides and booms and Public Works connected therewith" and "Regulations for the use of the Government Timber Slides," in compliance with the request contained in your letter of the 1st August last.

I have the honour to be, sir, your obedient servant,

E. F. E. ROY, *Secretary*.

The Auditor-General.

MEMORANDUM IN REPLY TO THE LETTER OF THE AUDITOR-GENERAL DATED 1ST AUGUST, 1892, ADDRESSED TO THE SECRETARY, DEPARTMENT OF PUBLIC WORKS.

Re Slide and Boom Dues.

The authorized tariff of charges for slide and boom dues will be found in the inclosed pamphlets as follows:—

Saguenay District.....	Page 9—	Regulations of August 19, 1889.
St. Maurice District.....	do 13	do do
Ottawa District.....	do 8	do June 30, 1890.
Newcastle District—	An extract from the Order in Council of 10th September, 1874, is inclosed herewith.	

The Auditor-General asks that the departmental returns shall be certified as follows:—

"1. That returns have been received from all slide-masters for the month covered by the return."

We cannot comply with this as many of the slide-masters' returns are received after the revenue returns leave my hands, and the former are not necessary to the latter as it deals only with such matters as have been finally dealt with and disposed of during the month to which it relates.

Many of the slide-masters' returns, in some cases, contain information with regard to saw-logs which is only partial, and quantities generally given in round numbers which I know cannot in all cases be correct, therefore, while they contain useful information, they are of no great value as a basis of account.

"2. That the returns of the slide-masters cover all the lumber of every description that passed through the respective works."

It would be impossible to comply with this, as no one in the department can know about timber or saw-logs which are passing through works a hundred miles away; and moreover, in the case of saw-logs, the drives on some of the rivers come straggling along a few pieces at a time in the early part of the season, the number increasing as the summer advances, and it is not till the tail of the drive passes a station that the slide-master can obtain any reasonably correct account of the quantity in each drive, and even these he does not always get at the time the last of the logs pass, as the man who can give the information, viz., the clerk or foreman, or both, not infrequently leave before the whole drive is over a particular work.

I may say here that the accounts for dues on saw-logs are, with the exception of the Gatineau boom and North Chaudière slide, not based on the slide-masters' returns, but upon statements under oath received from the saw-mill owners, attested by the manager, book-keeper, or member of the firm. These statements contain in brief the quantities sworn to by the foreman who made the logs, and the culler who measured them (in returns furnished to the Crown Lands Department), and are consequently, infinitely more reliable than haphazard statements frequently given to the slide-masters by men on the drive. These mill or general returns are again checked by the best obtainable information, and where they are found to be deficient, reference to the original cullers' book is had. At the Gatineau boom and

Hull slides the quantities are ascertained by timber counters employed by this department.

With regard to square timber, the accounts are based on the counting here, the returns of the up-river slide-masters being principally useful to detect any timber that may be left at any point above Ottawa.

At the end of the year, say on the return for December, we might certify that all timber, &c., reported by the slide-masters during the preceding season had been faithfully accounted for, excepting such square timber as had not reached Ottawa or such saw-logs as had not come to the mills or destination, but as this certificate would have to be qualified as above, I don't see that it would be of any practical use.

" 3. That the rates charged are those authorized."

The Auditor-General having copies of the tariff could easily determine this for himself.

" 4. That interest has been collected on all payments of dues in arrear."

The returns show this in every instance, in the Ottawa district, except where payment has been allowed to be over pending the decision of some claim before the department, or where, as in the Cormier case, we did not realize sufficient to pay off the dues alone. Such cases are, however, of rare occurrence. Until recently it was not the practice to charge interest in the St. Maurice district, but it will be rigidly exacted in future.

" 5. That deposits have been made and the bank receipts forwarded to the Receiver-General of all collections made."

My return S 8 contains all the information required, as when the money is not deposited by the party himself, it is the invariable practice to deposit any cheques or money that come to my hands immediately on receipt of same, even the smallest amount, as I have never availed myself of the rule allowing me to keep small sums till they reach the sum of \$25 before making a deposit.

As I sign this return and am therefore personally responsible for the contents, I cannot see of what use any further certificate from me would be.

As to the reason why interest was not charged on \$2,028.98, shown on the return from Three Rivers district of November, 1890, and paid in September, 1891, I have no explanation to offer, as this district only came under my direct control 1st July last.

I have, however, collected the interest in question. It will appear in my return for this month.

The bank receipt for Messrs. Price & Co.'s payment of \$7,235.38 was sent to the Receiver-General 5th August last.

The whole respectfully submitted.

DEPT. OF PUBLIC WORKS, OTTAWA, Sept. 5, 1892.

ED. SMITH, *Collector Slide and Boom Dues.*

The Chief Engineer, Dept. of Public Works.

AUDIT OFFICE, OTTAWA, Nov. 18, 1892.

Re Chaudière Boomage.

SIR,—Returns furnished by the Department of Public Works show that \$31,005.54 was due and unpaid on June 30, 1889, for Chaudière Boomage and that \$6,903.05 accrued in 1889-90. Since that the returns do not show any change. The department states that the firms against whom these sums were held claimed that these works have been maintained wholly at their expense since 1881, and that the matter had been referred to the Treasury Board. Please let me know the decision come to by the Board.

I have the honour to be, sir, your obedient servant,

The Secretary, Treasury Board.

J. L. McDOUGALL, A. G.

Re Telegraph Revenue.

AUDIT OFFICE, OTTAWA, Aug. 16, 1892.

SIR,—Referring to the Revenue Accounts for the year 1891-92, I have to call attention to the following observations, and I have to ask for such explanations and action in connection therewith as the circumstances call for.

North-west Lines:—The revenue for 1891-92 only amounts to \$2,211.75 as compared with \$4,916.84 for the same period of the previous year. The returns for October, November and December only reached your Department on February 13, 1892.

North Shore West of Bersimis:—There is a considerable falling off in the receipts from this district.

Anticosti:—The returns for 1891-92 are only up to January 31, while in the previous year they were up to April 30.

Bonilla Point, B.C.:—\$25.70 came to account as receipts of Telephone wire at this point, but no returns were furnished.

Certificate:—Operators should certify that fees were collected on all messages sent; that the charges were in accordance with the tariff; and that they are all correctly entered on the return. District Superintendents should certify in addition to the certificate now used, that a return was received from each office in the District for the month.

I inclose herewith a summary of the receipts for the year. I have included in this, two items of \$24.15 and \$12, bank receipts for which I understand the accountant now holds, and which you will please have him forward at once to the Receiver-General on a supplementary statement for 1891-92.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Supt. Govt. Telegraphs.

DEPT. OF PUBLIC WORKS, OTTAWA, Oct. 10, 1892.

SIR,—In reply to your letter of the 16th Aug., the receipt of which was at the time acknowledged by the late Superintendent, I beg leave to submit the following explanation of the circumstances to which you have called attention. For convenient reference, the same headings are set down in the order in which they appear in your letter:—

North-west Lines.—Comparison of the details of traffic returns shows that there was an immediate drop of about 60 per cent in the total volume of business done when the branch line from Clarke's Crossing to Prince Albert, including in all six offices, was discontinued at the end of October, 1890, in consequence of the telegraph system of the Canadian Pacific Railway being extended over that district. The average for the five months, June-October inclusive, during which that branch was in operation, was 841 sent messages, with a revenue of \$624; and for the seven months following, November, '90, to May, '91, inclusive, after the closing of the Prince Albert branch, the average was 338 sent messages, with a revenue of \$254. Again, in the month of December, '91, the telegraph system of the Canadian Pacific Railway was extended from Calgary to Edmonton, and the business done at our office at the latter place, then the most important office on the line, immediately fell off about 60 per cent. The total business for the first seven months of 1891-92, June to December, inclusive, during which period our office was the only one in Edmonton, yielded an average revenue of \$234; and for the following five months, January to May, inclusive, the average was but 250 messages, with a revenue of \$133. As a general thing, however, it is during this last mentioned part of the year that the volume of traffic is the smallest.

The delay attending the returns for the months of October, November and December appears to have been due to the absence of the District Superintendent, on leave for several weeks previous to the 4th of February, on which date he

reported his return to duty. The statements came to hand with a letter of inclosure dated the 9th of the same month.

North Shore, West of Bersimis.—It is found on comparing the returns for the two years, that the falling off in revenue is due to a general decrease of business. Fourteen of the offices, including all of the more important ones on the line, did a smaller business; in some instances, as much as 30 per cent less than during the previous year; and the remaining 9 offices show only a slight increase. The monthly average of messages sent over the line during the 11 months of 1890-91, May to March, inclusive, was 1,230; and during the 14 months of 1891-92, April to May, inclusive, was 1,037; or a general decrease of about 16 per cent. There has been no change of tariff since March, 1890; and there does not appear to be any special reason for this decrement of traffic on the line. The service has been satisfactory, and up to the usual standard of reliability.

Anticosti.—The returns for the three months, February, March and April, came to hand in the latter part of July; but in consequence of the examination and entry of the expenditure accounts being unavoidably delayed, an application for transfer to the credit of revenue could not be made in time to have the returns included in the accounts for 1891-92. They were passed, however, on the 13th August, and will appear in the accounts for the ensuing year.

Bonilla Point, B.C.—The collections brought to account were made during the interval that elapsed between the partial completion of the line and the date (1st October, 1891) when an arrangement was made for its being operated in conjunction with the telegraph system of the Canadian Pacific Railway. The returns during that period were made locally to the resident engineer of the Department at Victoria.

Certificates.—It is submitted that the evidence of correctness and non-omission is in effect afforded by the monthly statements as now presented, since the comparing of the check reports shows where any shortage may have occurred through error or inadvertence; and the summaries are in every case accompanied by the returns from all offices in the district represented. In instances where no business is done, the usual statement form is furnished conveying the fact and bearing the signature of the agent. To more exactly meet the requirement as defined in your letter, however, the next issue of our printed forms will be amended so as to secure as full and explicit certification as the conditions will admit of. Or, if—in view of the foregoing—it is your wish that steps should be taken as promptly as possible in this direction, a supplementary clause might be printed on the forms now on hand, which will be used in filling the regular requisitions for the offices generally next spring.

The revenue figures for 1891-92 set down in the summary that accompanied your letter, have been verified by comparison with the book accounts of this office. The item of \$24.15 is covered by the deposit receipt No. 1174 dated July 25, '92; and the item of \$12.00 is included in the sum covered by the deposit receipt No. 1718 dated September 13, '92.

Trusting all will be found satisfactory.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. H. KEELEY, *Acting Supt.*

AUDIT OFFICE, OTTAWA, Oct. 13, 1892.

SIR,—Referring to your letter of the 10th instant, I have to say that in my opinion it would be advisable to carry out your suggestion of having a supplementary clause printed on the forms now on hand, which would meet the requirements as to certified reports.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

D. H. KEELEY, Esq.,
Acting Superintendent, Government Telegraphs.

DETAILS OF REVENUE.

F—69

Re Land, Mountain Hill, Quebec.

AUDIT OFFICE, OTTAWA, March 17, 1892.

SIR,—In your letter of January 19, 1889, you stated that the syndicate, to which the sale of this land was authorized at a rental of \$1,500 per annum, was engaged organizing a company, and as soon as the department was satisfied that the preliminary proceedings were completed, I would be informed of how matters stood.

I have not since heard from you on the subject, and I do not find that anything has come to account.

I have to ask in what position the transaction now stands.

I have the honour to be, sir, your obedient servant,

The Secretary, Public Works Dept.

J. L. McDOUGALL, A.G.

DEPT. OF PUBLIC WORKS, OTTAWA, March 28, 1892.

SIR,—In reply to your letter of the 17th instant, respecting the land at Mountain Hill, Quebec, and asking to be informed how the transaction now stands, I have the honour to inform you that I understand the scheme has fallen through and that the agreement respecting the land will be dropped. However, you will be communicated with later on, when things take a more definite turn.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

D. A. MACPHERSON, *Asst. Secy.*

Re Yamaska and Du Lièvre Tolls.

AUDIT OFFICE, OTTAWA, September 10, 1892.

SIR,—I have to inquire if any tolls are being collected from vessels passing through the locks on the Yamaska and du Lièvre Rivers. If so please send me a copy of the tariff of charges for each lock, and direct that monthly returns of the revenue collected be forwarded to this office.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

PUBLIC WORKS DEPT., OTTAWA, Sept. 22, 1892.

SIR,—I am directed to acknowledge the receipt of your letter dated the 10th instant, asking whether any tolls are being collected from vessels passing through the locks on the Yamaska and du Lièvre Rivers; and to inform you that no tolls have, so far, been collected, but that it is the intention to collect tolls on the opening of navigation, in the spring.

I have the honour to be, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

Re Sale at Winnipeg.

AUDIT OFFICE, OTTAWA, Dec. 23, 1891.

SIR,—I am in receipt of your letter of to-day inclosing vouchers in connection with revenue statement No. 12.

Referring to the sale by auction, at Winnipeg, on the 9th ultimo, of a large building, a cottage, &c., I have to ask for the following:—

(1.) The authority for the sale.

(2.) The auctioneer's account. This should show the name of the purchaser of each lot, and he should certify that the prices obtained were the highest that could be realized. It should also be approved and certified by the officer of your department who had charge of the sale.

(3.) The voucher for advertising should be furnished, with the advertisement clipped from the paper.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

DEPT. OF PUBLIC WORKS, OTTAWA, Feb. 1, 1892.

SIR,—In reply to your letter of the 24th ultimo, having reference to the sale by auction at Winnipeg of a large building, cottage, &c., and asking upon whose authority the sale was effected, and that the accounts in the matter should be furnished you; I have the honour to state that the sale was authorized by the then Acting Minister of Public Works, and I inclose herewith the vouchers for auctioneer's services and the printing of advertisement, certified by our clerk of works.

I have the honour to be, sir, your obedient servant,

D. A. MACPHERSON, *Asst. Secy.*

The Auditor-General.

Re Casual Revenue.

AUDIT OFFICE, OTTAWA, Oct. 15, 1892.

SIR,—On July 8 last the Hudson Bay Company deposited \$1,109.45, and the endorsement on the receipt indicates that it is on account of application No. 505 of October 16, 1884, Saskatchewan River.

Referring to the Audit Report of 1884-85, page 330, it is shown that \$20,000 had been advanced to the Hudson Bay Company on account of this work, and up to the time of publishing that report no vouchers had been furnished.

I have now to ask you to furnish a statement of this expenditure with the vouchers, and also explanation of the delay in making this refund.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Secretary, Public Works Dept.

Re Steam-boat Inspection.

AUDIT OFFICE, OTTAWA, March 10, 1892.

SIR,—In your letter of April 6 last you stated that the forms for returns of Inspectors of steam-boats, agreed upon by the chairman of the board and me were in the printers' hands, and would be distributed as soon as received. I observe that the returns are still made out on the old form (No. 9) and I have to ask your attention to the subject.

As the Steam-boat Inspection Act is being amended this session, I would ask your consideration of the advisability of changing the existing law so as to provide that inspectors shall collect the fees.

Advantages of such a change would be to ensure that fees would be paid on all inspections, whether a certificate was issued or not; to relieve the customs authorities of the duty of collecting and accounting for these fees; and to greatly reduce the work of auditing.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

MARINE DEPARTMENT, OTTAWA, March 12, 1892.

SIR,—In reply to your letter of the 10th instant, in reference to forms for returns of inspectors of steamboats, referred to in my letter of the 6th of April last I have to inform you that as your suggestion to amend the Act providing that steamboat Inspectors shall collect the fees, is being acted on, new returns will be prepared and the new form No. 9 referred to in my letter of the 6th of April last will not be required.

I am, sir, your most obedient servant.

WM. SMITH, *Deputy Minister of Marine.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, May 14, 1892.

SIR,—I inclose herewith for your information and proper action, three statements arising out of the comparison and checking of returns of inspectors and collectors of customs for the 6 months to December 31, 1891. One statement is a list of vessels that appear on, inspectors' returns, the fees on which were paid, but which do not appear on the collectors' returns. The second is a list of vessels on which only a fee of \$5 was collected instead of \$8. And the third is a list of vessels that appear on the Inspectors' returns as inspected, but for which no certificate was issued, and no fees have come to account.

As the collection of steam-boat inspection fees is to remain with the collectors of customs it will be necessary to adopt some means by which your department may be informed of the collections made, in order that you may have the data to audit and certify the returns of your inspectors. Either copies of the collectors' returns should be furnished direct to your department, or, in my opinion, better still, the collectors' receipt, which the inspector must see before he issues a certificate, should have a counterfoil which the inspector could detach and forward with his return.

It is also desirable that the forms arranged with the chairman of the board and referred to in your letter of April 6, 1891, should be used by the inspectors.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine.

MARINE DEPARTMENT, OTTAWA, May 20, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 14th instant, inclosing three statements in which discrepancies are shown as discovered by a comparison of returns from collectors of customs and returns forwarded to you by this department, from steam-boat inspectors for the six months ended December 31 last. These are:—

1st. List of those vessels which appear on the inspectors' returns as having paid the fees, but of which the Collectors make no returns.

2nd. List of vessels on which only a fee of \$5 was collected instead of a fee of \$8.

3rd. List of vessels inspected by the inspectors, for which no certificates of inspection have issued, and no fees have been accounted for.

In reply I have to inform you that in regard to the first list in which the collectors of customs have not accounted for the fees, I would suggest, that as collectors of customs are controlled by the Customs Department, you send the list to the Commissioner of Customs, who will, no doubt, require an explanation from the Collectors. On this subject I wrote you in the same sense on the 16th of October last.

With regard to the second list in which a fee of \$5.00 instead of \$8.00 was taken by the collectors of customs, I would recommend that you send the list also to the Commissioner of Customs, in order that he may obtain explanations from the collectors.

In connection with this subject I may, however, ask you for a statement of the grounds on which you conclude that a fee of \$8.00 should have been charged instead of \$5.00 for the vessels mentioned in the second list. Collectors of Customs and inspectors of steam-boats are, no doubt, conversant with the law in regard to the fees to be charged in a given case, and in those referred to there appears to be an agreement between them as to the correctness of the fees charged.

With reference to the 3rd list in which vessels have been inspected, but no certificates of inspection have been issued, I have to state that an inspector is forbidden by the Act to issue a certificate of inspection until the collectors' receipt for the fees and dues payable by a steamer has been produced and shown him. When the fees have been paid and the receipt shown to the inspector he issues the certificate. For further information on this point I beg to refer you to my letters to you of the 16th of October and 16th of November last.

As regards the statement contained in the second paragraph of your letter to the effect that as the collection of steam-boat inspection dues has to remain with Collectors of Customs—it having been so decided by Parliament—it will be necessary for this department to adopt some means by which it may be informed of the fees collected by the Customs in order to have data to audit the returns of Steam-boat inspectors.

I have to inform you that some misapprehension appears to exist in reference to the object of returns made by steam-boat inspectors, and the means which the department has at its disposal for auditing steam-boat inspectors' accounts.

As inspectors make no collections of fees for the inspection of steam-boats, there is no revenue to audit in their returns; the returns of vessels inspected being for the information of the department and publication in the annual report.

The only audit which the department requires to make in connection with the inspection of steam-boats is the audit of the accounts of the travelling expenses of the inspectors in inspecting vessels; to see that the charges are reasonable and just and that no charge has been made when no service has been rendered, and I have much pleasure in informing you that the data which the department requires and receives is, in my opinion, amply sufficient for this purpose.

I may add, however, that I will continue to send you as heretofore copies of steam-boat inspectors' returns of vessels inspected to assist you in auditing the revenue collected by customs officers.

With respect to your suggestion that collectors' receipts, which the inspector must see before issuing his certificate, should have a counterfoil, and that the inspector should detach the counterfoil and attach it to his return of vessels inspected and certificated; I have to state that if collectors of customs will issue the counterfoils, I will instruct inspectors to attach them to their returns. I do not see, however, any practical gain to this multiplication of work, as the inspector's statement that he has issued a certificate of inspection should be sufficient evidence that the fees have been paid to the collector of customs, especially as the returns show the particular port at which the fees were paid and the date of payment. I further beg to refer you to my letter of the 6th April, 1891, on the question of collectors of customs giving duplicate receipts.

The Auditor-General.

I am, sir, your most obedient servant,

WM. SMITH, *D.M.M.*

NOTE.—See letter to Customs Department, page F—32.

F—78

AUDITOR-GENERAL'S REPORT, 1891-92.

MARINE DEPT., OTTAWA, June 4, 1892.

SIR,—With further reference to your letter of the 14th ultimo and the steamer "Hope" entered on the list of those vessels which appear on inspector's returns as having paid the fees, but of which the collectors of customs made no returns for the six months ended December 31, 1891, and of which vessel you note particularly that on August 11, 1891, certificate No. 2504 had issued, but the place of payment and the fees had not been entered, and you could not find where they came to account, I beg to inform you that from inquiries made, I have ascertained from Mr. Stevens, the steam-boat inspector at Halifax, N.S., that the payment of steam-boat inspection dues and fees for this steamer had been made at St. John, N.B., to the collector of Customs on April 16, 1891. Inspection dues, \$24.40. Fees, \$5.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D.M.M. & F.*

AUDIT OFFICE, OTTAWA, Aug. 16, 1892.

SIR,—The Steam-boat Inspection Act provides that inspectors shall inspect steam vessels once each year, and, if found in order, grant certificates to the owners on presentation of receipts, showing that the fees have been paid to the collectors of Customs. Returns are furnished this office by the Marine Department showing the vessels inspected, and the Customs Department furnish returns showing the fees collected. But neither department will accept the duty of comparing these returns, and being generally responsible for the efficient audit of the revenue.

I have to request that the Treasury Board determine the department which is to audit this class of revenue.

I have the honour to be, sir, your obedient servant,

The Secretary of Treasury Board.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Sept. 15, 1892.

SIR,—No return from Inspector Abell has reached this office for the months of October, 1891, May and June, 1892. The nine returns received only contain the names of eight vessels. The revenue collected at Winnipeg during 1891 was \$553.28; during 1892 only \$275.84. Prompt furnishing of returns should be insisted on.

On Inspector Samson's return for April last, four vessels are entered, the fees on which were paid to himself. They are the "Richelieu," \$7.64, the "Ed. Arpin," \$5.40, the "Alma Munro," \$79.28 and the "Cuban," \$82.48. When were these sums deposited to the credit of the Receiver-General, and when did they come to account?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Dy. Min. Marine and Fisheries.

MARINE DEPT., OTTAWA, Sept. 21, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 15th inst., stating that no return from Steam-boat Inspector Abell has reached you for the months of October, '91, May and June, '92.

In reply, I have the honour to inform you that the return for October was forwarded to you on the 20th inst. The returns for May and June have been promised by Mr. Abell in a few days.

The money collected by Mr. Sampson in April last, amounting to \$174.80, was deposited to the credit of the Receiver-General on the 2nd May last, by deposit receipt No. 2, which was sent you on the 4th June last.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *D.M. of M.*

Re Wharves and Piers.

MARINE DEPT., OTTAWA, April 30, 1892.

SIR,—I have the honour to transmit a list of wharves under this department, with a summary of collections received for wharfage dues for the calendar year ended December 31, 1891, the commission retained and the amount deposited to the credit of the Receiver-General. I also forward returns received and which have been examined.

A few wharfingers have not yet forwarded returns, but they have been directed to do so, and as soon as received they will be sent you. The probability is, however, that no wharfage has been received.

At Morpeth, \$4.59 is due by the wharfinger, which he has been directed to transmit, while at Chicoutimi and Murray Bay the wharfage to be collected is under the consideration of the department.

Returns have been received from wharfingers at Cockburn Island, Kingsville, Sault Ste. Marie, Ont.; Carleton, Port Daniel, Tadousac, P.Q.; Centreville, Maitland and Port Maitland, N.S.; but as explanations are required from the wharfingers, they are not now forwarded. The statement, however, shows the amounts collected at these wharves and remitted to the department.

I have the honour to be, sir, your obedient servant,
The Auditor-General. WM. SMITH, D.M.M. & F.

AUDIT OFFICE, OTTAWA, May 17, 1892.

SIR,—In your letter of June 4, 1891, in reference to the wharf at Goderich you stated that Messrs. Bearman & McVicar owed \$800 rent on lots B and C due February 23, 1891, and that Mr. T. E. McBride owed \$315 on lot A due March 23, 1891. Both these amounts came to account in September last. I do not find that anything has come to account for like amount due February and March last.

What disposition was made of the claim against the estate of Mr. Dyment for rent of lot D? Is it rented at present, and if so to whom and on what terms? I do not find that anything has come to account for rent of this lot for some years.

I have the honour to be, sir, your obedient servant,
The Deputy Minister Marine and Fisheries. J. L. McDOUGALL, A.G.

MARINE DEPARTMENT, OTTAWA, May 18, 1892.

SIR,—In reply to your letter of the 17th instant in reference to the wharf at Goderich, stating that the rent of lots B and C paid by Messrs. Bearman & McVicar and the rent paid by Mr. T. McBride on lot A came to account in September last and that you do not find that anything has come to account for rent due in February and March last, I have to inform you that these lots were leased for a period of three years, from the 23rd of February, 1889, in the case of B and C, and the 3rd day of March, 1889, in the case of lot A, and the leases expired on those dates of the present year. The rent was payable in advance each year and, therefore, no rent was due from the lessees at the expiration of the leases.

Tenders were invited this spring for leasing the wharf lots, but only one was received and that was afterwards withdrawn, so that the property is now unoccupied by any one and, therefore, bringing no revenue. With regard to the rent for lot D, during the past three years, and the claim against the estate of Mr. Dyment, I have to inform you that the matter was placed in the hands of the Justice Department nearly a year ago, and steps have been taken by that Department to collect this Department's claim against the estate of the late Mr. Dyment, and when the matter is finally settled you will be informed of the result of the proceedings.

I am, sir, your most obedient servant,
The Auditor-General. WM. SMITH, D. M. M. & F.
F—80 AUDITOR-GENERAL'S REPORT, 1891-92.

AUDIT OFFICE, OTTAWA, May 21, 1892.

SIR,—I am in receipt of your letter of the 18th instant, stating that no tenants have been secured for the Goderich Wharf, and therefore there is no revenue. Three of the four lots of this wharf were rented last season for \$1,115, and if no revenue is received from the wharf this season it would seem to call for some explanation. If the wharf is not rented, are not fees collected from vessels landing at it? Who is now the wharfinger? Mr. Dancy was paid by a special vote of last session for his services for last year and several previous years, but I notice that the wharf is entered in your last report as vacant.

I have the honour to be, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Sept. 9, 1892.

SIR,—I am without any reply to my letter of May 21 last. If the wharf at Goderich has not been leased I have to ask what steps have been taken to collect the wharfage fees accruing during the present season.

I have the honour to be, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, A.G.

MARINE DEPARTMENT, OTTAWA, Sept. 14, 1892.

SIR,—In reply to your letter of the 9th instant inquiring what steps have been taken to collect wharfage dues during the present season at Goderich Wharf, I have to inform you that the department is now negotiating for the lease of the wharf for a period of two or three years. No wharfage dues have been collected nor could a tariff of tolls be put in force pending the negotiations for the lease of the wharf lots.

I am, sir, your obedient servant,

The Auditor-General.

JOHN HARDIE, for D. M. M. & F.

AUDIT OFFICE, OTTAWA, May 27, 1892.

SIR,—I have to ask your attention to the following observations arising out of the examinations of wharfingers' returns furnished with your letter of April 30:—

(1.) Form of return. The form used for the greater number of the returns just furnished has no certificate endorsed. The same certificate endorsed on the yearly returns formerly in use should be endorsed on those now in use, with any verbal alterations necessary, and they should be filled in and signed by the wharfinger and the departmental officers examining.

(2.) The following wharfingers report no receipts, for the reason that the wharves are out of repair:—Southampton, Bayfield, Bay View, McGee's Shore, Wood Island.

(3.) The wharfinger at Rivière du Loup reports that the persons using the wharf refuse to pay the wharfage, and that the steamer "Saguenay," of the Richelieu Navigation Co., refuses to pay sidage. The wharfinger at St. Jean d'Orléans also reports that those using the wharf refuse to pay the wharfage.

(4.) The return from Church Point for the year ended December 31, calls for \$68,62 after deducting commission. Please give me a memorandum of the deposits made in acquittance.

(5.) The wharfinger at Margaretsville, N.S., has deducted a commission of 50 per cent on his collections for 1891, while his commission for 1890 was only 25 per cent. I have not received any Order-in-Council authorizing this increase.

(6.) The return of the wharfinger at Sheet Harbour, N.S., is for the half year ended December 31, and the first entry on it is dated September 26. I do not find any return for the half year ended June 30, 1891, and nothing has come to

DETAILS OF REVENUE.

F—81

account. On the return for the previous year there were receipts during June, July and August, amounting to \$27.

(7.) Barrington, N. S. This wharf is entered in your report as vacant, June 30, 1891. Returns are now furnished commencing August 31, 1891, and amounting to \$99.46 to the end of December. When did this wharf come under the control of the department, and what is the date of the appointment of the present wharfinger? I have not received the Order-in-Council appointing him.

(8.) I shall be glad to have the returns as soon as possible, which you state are held in the department awaiting explanations.

(9.) There still remain ten or twelve wharves from which no returns for 1891 have been furnished.

I have the honour to be, sir, your obedient servant,

J. L. McDUGALL, A.G.

The Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, May 31, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th instant, relative to the wharfingers' returns forwarded to you with my communication of April 30, and in reply would remark:

1. Where the form of return is not uniform, the wharfingers appear to have used a form previously employed, but, I may observe, a form is about being sent the wharfingers, for the fiscal year ended June 30, 1892, which includes your recommendation, and which the wharfingers will be required to adopt.

2. The wharves out of repair, to which you allude, had been reported to the Public Works Department, and when repaired wharfage will be collected.

3. Where wharfingers report wharfage due, but wharfinger unable to collect, the matter is receiving the attention of the department.

4. The details of the \$68.62 from Church Point, which you ask, are as follows:—

Remitted, May 14, 1891.....	\$10 00
do Aug. 3, 1891.....	22 44
do Nov. 5, 1891.....	7 99
do Jan. 27, 1892.....	28 07
Cost of post office orders.....	0 12
	\$68 62

5. The commission of the wharfinger at Margaretsville was increased from 25 per cent to 50 per cent by Order-in-Council of June 6, 1891.

6. The total collections at Sheet Harbour for 1891 amounted to \$13.35, which, less commission \$3.33, left \$10.02 to be deposited to the credit of the Receiver-General.

For 1890 the remittances were:

July 26, 1890.....	\$ 2 25
Aug. 25, 1890.....	8 26
Oct. 29, 1890.....	9 75
Feb. 16, 1891.....	10 88
	\$31 14

7. The wharf at Barrington was transferred to this department on August 5, 1891, and Mr. S. W. Crowell appointed wharfinger on August 12, 1891.

8. As regards the few returns sent wharfingers for explanations, they will be forwarded you as received. I send herewith those from the wharfingers at Cockburn Island and Kingsville.

9. Those wharfingers who have not sent returns, have again been directed to do so, but, as I stated in a former letter, the probability is no wharfage has been

collected, owing either to the recent appointments of the wharfingers or the small trade at the wharves.

I have the honour to be, sir, your obedient servant,

WM. SMITH, *D.M.M. & F.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, Sept. 10, 1892.

SIR.—No returns have reached this office from the wharfingers at the following points, though deposits have come to account during the past fiscal year: Sault Ste. Marie, Centreville, Grand Narrows, Maitland, Hants Co., Maitland, Yarmouth Co., and Pickett's Wharf. The receipts from the wharfinger at Pickett's Wharf during 1891-92 were \$160.27, during 1890-91, \$130.97, but nothing came to account during 1889-90,—see my letter October 3, 1890—no explanation has been received of the omission.

Deposits came to account during 1890-91 from the wharfingers at the following points, from whom neither deposits nor returns have been received for 1891-92: Berthier, L'Islet, Militia Point, Parrsboro', West Pubnico, St. Louis, Murray Harbour. There are also the following wharves for which neither returns nor deposits have been furnished: Inverhuron, Cascades, Chicoutimi, Murray Bay, Point aux Orignaux, River Ouelle, St. Alphonse de Bagotville, Ste. Cécile du Bic, Arisaig, Avonport, Belliveaux Cove, Brood Cove Marsh, Eagle Head, Pictou Island, Port Greville, Port Hood Island, Tancook Island, Tracadie, Tusket Wedge, Buctouche, Clifton, Campbell's Cove, Nine Mile Creek and West Point,

The following wharfingers have furnished *nil* returns: Southampton, Anse St. Jean, Isles aux Grues, Les Eboulements, St. Jean d'Orléans, St. Laurent d'Orléans, Trois Pistoles, Bayfield, Brooklyn, Canada Creek, Cranberry Head, East Bay, Hall's Harbour, Point Brulé, Salmon River, White Point, Bay View, McGee's Shore, Mink River and Wood Island.

I have the honour to be, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

Re Dominion Steamers Revenue.

AUDIT OFFICE, OTTAWA, October 3, 1892.

SIR.—The returns of the earnings of the Steamer "Stanley," running between Prince Edward Island and the main land, show that 87 trips were run, but on only 81 trips were there any receipts. The total revenue for the season was \$6,479.60 against \$15,339.04 during the previous season. The returns are all signed by the purser and some of them by your agent at Charlottetown. I have to ask that in future they should be certified by both.

I have again to call your attention to the delay in depositing these receipts. In your letter of March 24, 1890, you stated that your agent had been instructed to deposit on each arrival of the steamer at Pictou if the receipts amounted to \$50. These instructions do not seem to have been observed. The last trip entered is on April 16, and is numbered 78, but it should be stated on the return that this was the last trip run. \$500 was credited this account Sept. 25, 1891, for services of steamer "Alert" to SS. "Tiber"; also \$16.55 in January last for provisions sold off steamer "Quadra."

I have the honour to be, sir, your obedient servant,

The Deputy Minister, Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

MARINE DEPT., OTTAWA, October 24, 1892.

SIR.—I have the honour to acknowledge receipt of your letter of the 3rd instant and beg to inclose herewith the report received from our agent at Charlottetown

DETAILS OF REVENUE.

F—83

giving explanations required with reference to earnings of steamer "Stanley" and delay in depositing receipts.

With reference to the \$500 credited to Dominion Steamers' revenue for services of "Alert" to SS. "Tiber", as also \$16.55 for provisions sold off "Quadra," I have to request you to inform me what are the particulars you wish to obtain, as you letter does not give this information.

I have the honour to be, sir, your obedient servant,
The Auditor-General. JOHN HARDIE, for D.M.M. & F.

AGENCY MARINE DEPT., CHARLOTTETOWN, P.E.I., Oct. 12, 1892.

SIR,—I have to acknowledge the receipt of the Department's letter of the 8th instant, 9283, inclosing copy of letter from the Auditor-General *re* "Stanley's" earnings for 1891-92, and requiring my report thereon.

1st. 87 trips run, but earnings shown for only 81 trips. I beg to report that the purser reports that from the 3rd December to the 16th December, 1891, inclusive, there was not any freight offering, in consequence of the SS. "Northumberland" running from Charlottetown, upon the Steam Navigation Company's summer through rates, which were far below those charged by the "Stanley," but that she did carry 15 passengers, earning \$42 passage money and \$3 for meals and berths; that this state of affairs continued all through December, as there were only \$5.31 freight earnings, \$238 for passengers, and \$11.50 for meals and berths, or equal to \$254.81 total earnings for December, 1891.

2nd. Certification of monthly statements. I beg to state that it was my impression that I had certified these statements with Mr. Ryan and affixed the stamp of my office, with date at the time, but I must be wrong, or the Auditor-General would not make this charge. I shall be more careful in future.

3rd. Deposits of earnings over \$50 to be deposited. I beg to state that on the 26th February, 1890, I wrote Mr. Ryan, as follows: "In future, every time the steamer arrives at Pictou, the moneys received, if exceeding \$50, must be deposited there and the deposit receipt forwarded here—then at the end of the month, a statement showing the numbers and amounts of these deposits must be forwarded, together with the detailed statements of earnings."

The purser stated that such a course could not always be carried out, on account of his having to settle with the Intercolonial Railway and the Prince Edward Island Railway each week; that if he deposited all his earnings to the credit of the Receiver-General, he could not draw money to pay these railway accounts of back charges, &c., but that he would, as far as it was at all possible, follow the instructions, as he would sooner do so than keep the money on the ship, where he had not any safe. I am of the opinion, when the Department made this order, that it was the intention, that each, the Intercolonial Railway and the Prince Edward Island Railway, and the "Stanley," should deposit all the moneys collected by them, separately, and that the amounts were to be adjusted at Ottawa. But this arrangement was never carried out. Hence the necessity of Mr. Ryan having the command of the earnings to pay and settle the demands of the railways, and which interfered with his carrying out the orders to deposit.

Captain Finlayson will be instructed to notify on his last report the date of his last trip, and Mr. Ryan will be also.

I am, sir, your obedient servant,
The Deputy Minister Marine and Fisheries. A. LORD, Agent.

Sale Marine Hospital, Quebec.

AUDIT OFFICE, OTTAWA, Oct. 3, 1892.

SIR,—The sum of \$5,200 came to account in November last as portion of purchase price of Marine Hospital, Quebec, and \$2,000 for furniture and other

effects. No vouchers nor documents of any kind have been furnished in connection with this sale. Please send them to me at once, with such explanations as the transaction calls for. Has the balance of the purchase money been paid?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, Oct. 8, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 3rd instant in reference to the purchase of the Quebec Marine Hospital; and in reply I am to inform you that Order-in-Council of the 28th May last defines the terms of sale, and that I have requested the Clerk of the Privy Council to furnish you with a copy of the Order.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, *Deputy Minister of Marine, &c.*

Re Sales.

AUDIT OFFICE, OTTAWA, Oct. 5, 1892.

SIR,—I have to request that you will procure and forward to this office, as soon as possible, the following vouchers in connection with the sales of materials during 1891-92.

Return Sept. 30, 1891.—W. H. Noonan, Pictou, N.S.: Sale of old junk, \$6.75.

Return Nov. 7, 1891.—H. W. Johnston, Halifax: Sale of ponies—Advertising, \$15. H. G. Lewis, Victoria, B.C.: Sale of oil cans, \$5.

Return Jan. 9, 1892.—H. W. Johnston, Halifax: Sale of cranberries—Advertising, \$15.

Return Feb. 4, 1892.—Customs Dept.: Sale of wrecked schooner "Mary Birkhead", \$28.70.

Return April 8, 1892.—G. C. Lawrence, Port Hastings: Sale of wreck "Scylla," \$154.

Return Aug. 5, 1892.—J. H. Harding, St. John: Sale of old junk, \$143.29.

Return Aug. 24, 1892.—H. W. Johnston, Halifax: Sale of ponies, Sable Island, \$705.12.

Officers who are authorized to make sales of Government property should be directed to furnish full details of all sales, and vouchers for all disbursements. The return should be certified by the auctioneers if sold by auction, and always by the officer under whose immediate supervision the sale took place.

Returns of sales should be examined in your department as soon as received, and if not satisfactory, and if vouchers have not been furnished for all disbursements, action should be taken at once.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

WM. SMITH, Esq.,

Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, Oct. 7, 1892.

SIR,—In reply to your letter of the 5th instant requesting that certain vouchers, in connection with sales of materials during 1891-92, be procured and sent you, I have the honour to transmit herewith vouchers relating to sale of old junk—Noonan & Co., \$6.75; advertising sale of cranberries—H. W. Johnston \$15; sale of wreck "Scylla"—G. C. Lawrence, Port Hastings, \$154; sale of old junk, &c.—J. H.

Harding, \$143.29; and to inform you that vouchers will be obtained for advertising sale of ponies, \$15, and for proceeds of sale of ponies, \$705.12 from H. W. Johnston, also for advertising sale of oil cans, \$5, from agent at Victoria, B.C.

As regards sale of anchors, &c., off wrecked schooner "Mary Birkhead"—Customs Department, \$28.70, I have to inform you that, on January 16, 1892, you wrote this Department inclosing an application from Customs Department for transfer of a deposit by Collector at Amherstburg of \$28.70—proceeds sale of anchors, &c., off vessel, and requesting that, if correct, this Department's concurrence might be noted and inclosure returned. This was done on the 21st January, 1892, and I presume meets the requirements of your office so far as this Department is concerned?

I have the honour to be, sir, your obedient servant,

WM. SMITH, *Deputy Minister of Marine, &c.*

P.S.—The agents of the department have been directed to furnish, in future, full details of all sales of Government property made by them, giving vouchers for all disbursements and having returns certified by auctioneer, if sold by auction, and always by the officer under whose immediate supervision sales took place, as requested in your letter.

W. S.

AUDIT OFFICE, OTTAWA, Oct. 13, 1892.

SIR,—I have your letter of the 7th inst., with the inclosed notes. The vouchers for advertising have not clippings from the paper attached, do not specify the number of lines in the advertisement nor the number of insertions, and have not been approved by the Queen's Printer. Though these accounts are paid out of proceeds of sales when received in the Department, they should be submitted to the Queen's Printer and be passed by him.

According to the statement of the receiver, Geo. C. Lawrence, the wrecked schooner "Scylla" was transferred to D. W. Hennessy for \$550, of which \$250 was paid for salvage, \$146 for expenses, and \$154 deposited. No vouchers are furnished for the disbursement. It is not stated how the sale was made, whether by auction, by tender, or by private sale. The statement is not signed by any one. It should be certified by the receiver and the proper departmental officer.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Deputy Minister Marine and Fisheries.

MARINE DEPT., OTTAWA, Nov. 11, 1892.

SIR,—Referring to your letter of the 12th ult. in regard to statement of the Receiver of Wreck in the case of the schooner "Scylla," I beg to inclose herewith vouchers for the disbursements made in the case, and also return the statement, which has been certified to by Captain McElhinney, Nautical Adviser to this department.

I am, sir, your most obedient servant,

WM. SMITH, *Deputy Minister Marine and Fisheries.*

The Auditor-General.

MARINE DEPT., OTTAWA, Nov. 15, 1892.

SIR,—I have the honour to acknowledge receipt of your letter of the 12th inst., requesting a statement of all arrears due this department on the 30th of June and in reply I beg to inclose a statement of amounts due by collecting officers in connection with Fisheries revenue, from which it will be seen that the sum of \$2,734.53 remains to be accounted for by certain officers, but it must be borne in

mind that these officers are allowed until the end of the calendar year to make their returns.

I beg also to inform you, that it has been found necessary to take legal proceedings for the recovery of wharfage dues in the case of the wharf at Sault Ste. Marie, Ont., and the wharves at Les Eboulements, Tadousac, Murray Bay, L'Anse St. Jean, and Chicoutimi; and the sum of \$71.50, has lately been collected by the Department of Justice, and the amount has been deposited to the credit of the Receiver-General. As the files are in the possession of the Department of Justice, I am unable to give you particulars as to arrears claimed.

With reference to arrears due by disbursing officers, I beg to inform you that there are two trifling amounts of 71 cents and 85 cents, which have been called in, and another amount which it is expected will be settled on the return from England of the Minister of Marine and Fisheries. The delay in this case has been occasioned, owing to the vouchers having been burnt on the occasion of the Tadousac hatchery fire.

In regard to arrears due by persons who are not Government officers, I beg to inform you that under the arrangements made for the sale of the Marine Hospital at Quebec, particulars of which are given in the last Annual Report of this Department, page 65, payments would require to be made by the Asylum of the Good Shepherds of Quebec, but the matter is now under the consideration of the Department of Justice, as an objection has been made to the terms of the agreement.

I am sir, your most obedient servant,

WM. SMITH, *Deputy Minister Marine and Fisheries.*

The Auditor-General.

Re Fisheries Revenue.

AUDIT OFFICE, OTTAWA, April 27, 1892.

SIR,—I have received the revenue returns that reached your department during the six months ended December 31 last, those for November and December having come to hand to-day.

As I have previously stated it is necessary to have a statement of the licenses issued to make a proper audit of these returns. No statements of the licenses issued since July 1 have yet been received. Please have them forwarded as soon as possible. Is there any reason why this statement cannot be furnished monthly with the returns?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, OTTAWA, August 4, 1892.

SIR,—I wrote you on March 17 last in reference to the delay in sending forward the return of Fisheries Revenue. On March 31, the returns for September and October were forwarded, and it was then stated that in future the returns would be sent over as soon as possible after the close of each month. On April 26, the returns for November and December came to hand, and none since.

I have to ask your early attention to this matter.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

DEPARTMENT OF FISHERIES, OTTAWA, August 6, 1892.

SIR,—In reply to your letter of 4th instant, complaining of delay in the transmission of Fisheries Revenue Returns; I beg to explain the delay in forwarding these returns, is due to the fact that some overseers neglect to send in their returns at the expiry of each month. In order to obviate this as much as possible in future, the salary of every overseer failing to comply with these directions will be withheld, until returns are received.

I am, sir, your obedient servant,

The Auditor-General.

WM. SMITH, D.M.M. & F.

AUDIT OFFICE, OTTAWA, October 25, 1892.

SIR,—In order to audit properly the returns of your agents, it is necessary that the lists of the licenses issued should be furnished to this office. None have been received for the last fiscal year. I am now preparing my annual report for the Treasury Board and will have to refer to the non-receipt of these lists unless they are furnished in the meantime. Please see that they are regularly furnished in the future.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, OTTAWA, November 5, 1892.

SIR,—I have received your letter of the 3rd instant with lists of licenses issued during the fiscal year 1891–92 for the provinces of Ontario, Quebec, Nova Scotia and New Brunswick. I shall be glad to have the lists for the other provinces as soon as possible. The lists for N.B. contain entries, the fees on which are not entered. These entries are not sufficient in their present shape to audit the agents' returns.

Vouchers as per memo. inclosed for Refunds of Revenue have not been furnished. Please let me have them without delay. These vouchers should indicate the return on which the item came to account, giving name of agent and date of return.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

Refunds of Fisheries Revenue.

Memo. of vouchers short: Nos. 75, 1808, 2359, 2388, 2389, 2514, 2848, 2907, 2938, 2994, 3068, 3085, 3529, 3594, 3742, 3812, 4024, 4025, 4028, 4029, 4196, 4740, 4786, 4805, 4808, 4862, 4995.

AUDIT OFFICE, OTTAWA, November 29, 1892.

SIR,—On the memo. received with your letter of the 15th inst., there appear the names of several agents having balances to remit to the department.

You state that these agents are allowed till the close of the year to make deposits of their receipts. I assume that this regulation is only intended to provide that all receipts during the season must be deposited before the end of the year. As I have already pointed out, the Treasury Minute of May 23, 1890, directs that a deposit shall be made whenever \$25 is on hand. If there is any reason why these agents should be allowed to retain such large sums on hand, I will be glad to be informed of it, so that I may report in accordance to the Treasury Board, otherwise they should be called on at once to deposit all receipts on hand and directed as to future receipts.

I have the honour to be, sir, your obedient servant.

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, November 21, 1892.

SIR,—In reply to your letter of 17th instant, respecting the balance of receipts on account of license fees appearing against certain agents, I have the honour to inform you that all officers of this department are called upon to deposit moneys received, in accordance with the Treasury Minute quoted in your communication, but that the department is not aware whether the fishery overseers have yet made their collections and remitted them to the inspector for transmission to the department.

Inspector Kinney has been requested to see that all the collections are made immediately by officers in his district, and sent to him; and similar instructions have been given to Overseer Kerr, who is temporarily in charge of the districts heretofore under the supervision of Messrs. McMichael and Prosser.

I have the honour to be, sir, your obedient servant,

WM. SMITH, D.M.M. & F.

The Auditor-General.

Re Letter Boxes and Drawers.

AUDIT OFFICE, OTTAWA, March 14, 1892.

SIR,—I have had no reply to my letter of December 4 last, calling your attention to the great difference between the amounts collected for rents of letter boxes and drawers at city post offices, and inquiring concerning other post offices in which letter boxes and drawers have been placed at the expense of the Government, and from which no receipts have come to account.

I have to ask your attention to the subject.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

POST OFFICE DEPT., OTTAWA, March 29, 1892.

SIR,—I have the honour to acknowledge receipt of your communication of the 14th inst., respecting letter boxes and drawers ; calling attention to different amounts collected in several city post offices. I have the honour in reply to state that this great difference arises from the fact that the public do not avail themselves to the same extent in all the city post offices of the convenience afforded by the letter boxes and drawers. In Toronto, for instance, the great majority of the public prefer to have their correspondence delivered by letter carriers, and therefore do not use letter boxes to the same extent as they do in Montreal. This, as you will see, is a matter over which the department can exercise no control whatever ; it rests entirely with the public to say which they will take.

I have the honour to be, sir, your obedient servant,

WM. WHITE, *Dy. Postmaster-General.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, April 1, 1892.

SIR,—I have your letter of March 29, in reply to my letters of December 4, 1891, and March 14, 1892, in which you explain the cause of the disproportion of the sums collected in the city post offices for rents of letter boxes and drawers.

You do not refer to the statements and counterfoils which I stated are needed to make my audit of these receipts ; nor did you give any explanation why no revenue has come to account from the other post offices in which letter boxes and drawers have been placed at the expense of the Government.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

AUDIT OFFICE, OTTAWA, Nov. 4, 1892.

SIR,—I have to ask your attention to the correspondence in *re* letter boxes and drawers. In my letter of Dec. 4, 1891, I pointed out that there were no receipts from Brantford, a city office ; not from any other of the offices, outside of the cities, in which letter boxes and drawers had been placed at the expense of the Government. I also asked that returns should be furnished, together with the counterfoils of the receipts issued. On none of these points have I had any reply. The statement just to hand of the receipts from this source for 1891-92 does not show anything from Brantford or from any but city post offices.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

Re Miscellaneous Receipts—Dead Letter Office.

AUDIT OFFICE, OTTAWA, Nov. 17, 1892.

SIR,—In the miscellaneous receipts of your department for 1891-92, there appears an item of \$1,023.81 arising from sundry amounts found in dead letters, which the department was unable to return to the owners. Please inform me of the procedure in connection with all dead letters found to contain valuables. I have also to ask for a statement in such detail as is practicable covering this item of \$1,023.81, certified by the superintendent of the branch and the officer immediately in charge.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster-General.

POST OFFICE DEPT., OTTAWA, Nov. 23, 1892.

SIR,—I have the honour to acknowledge your letter of the 17th inst., respecting a sum of one thousand and twenty-three dollars and eighty-one cents (\$1,023.81) in the miscellaneous receipts of this department for 1891 and 1892, I beg to explain that the amount in question was contained in undelivered letters received at the Dead Letter Branch of this department during the month of July, 1890, to March, 1891, and from July, 1890, to April, 1891, and January, 1892, inclusive. These letters are recorded, that is to say, the address and all the particulars of these letters are recorded in our books, but it is not deemed expedient of course to leave any money in them, money is therefore taken out and deposited to the credit of the Receiver-General, and if any claim is made for a refund we then apply for authority to repay it. There was such an authority given in the case of an applicant who was repaid \$50.00; the amount includes also small sums amounting to a few cents, in each case received in undelivered letters, from April, 1891, to June 15, 1892. These amounts being very small, the letters are not recorded, because there is no possibility of finding the owner, and therefore it is not considered worth while for so small a sum to burden our books with a record.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

WM. WHITE, D.P.M.G.

Re Prince Edward Island Railway Revenue.

AUDIT OFFICE, OTTAWA, March 31, 1892.

SIR,—I am short, and have to ask for copies of the cashier's cash book for December 5 and February 11.

It would be of advantage to have all returns numbered consecutively, and though they should be made out daily as now, it will suit this office as well to forward them weekly with the agent's returns.

I observe that the date of the deposit receipt in acquittance of the cashier's return is generally two and sometimes three days later than the date of the return. I have to ask for an explanation of the delay.

I am, sir, your obedient servant,

J. L. McDougall, A.G.

The Deputy, Minister of Railways and Canals.

ACCOUNTANT'S OFFICE, CHARLOTTETOWN, April 12, 1892.

SIR,—Referring to attached letter from C. Schreiber, Esq., inclosing one from the Auditor-General asking for copies of the cashier's cash book for December 5 and February 11, and in which he calls attention to the fact that the date of the deposit receipt in acquittance of the cashier's return is generally two and sometimes three days later than the date of the return and asking explanation.

I inclose herewith copies of returns asked for as above and hereafter will have them numbered consecutively as suggested.

The difference between date of cashier's return and deposit receipt is explained as follows :—

The date at top of return is the date cash is received by station masters, credited in their cash books and entered in their weekly returns form 304, and is so dated that the connection may be complete between the two returns, forms Nos. 303 and 304. On the following day the cash is in transit to the cashier and as the last train does not arrive until after the bank closes he is unable to make deposit until the following morning

DETAILS OF REVENUE.

F—117

when the bank opens ; making the difference of two days. Where a difference of more than two days occurs a Sunday or bank holiday is always included.

I am, sir, your obedient servant,

W. T. HUGGAN, *Acct. and Auditor.*

The Supt. P.E.I. Railway.

Re Intercolonial Railway Revenue.

AUDIT OFFICE, OTTAWA, March 19, 1892.

SIR,—As the necessary returns are not yet furnished to this office, no audit nor examination of the revenue of the Intercolonial Railway is made in this office.

One of the returns that are furnished is a monthly summary of the cash book. This summary is signed by the cashier, but it should also be examined and certified by the accountant. It always shows a balance on hand, the balance of the return for February being \$19,875.11, made up as follows :—

Notes, coin, &c., made up for deposit	\$10,348 01
Vouchers	285 08
Cash.....	9,242 02
	\$19,875 11

Would you please explain this item of cash, and why it is not included and deposited with the first item.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Railways.

TREASURER'S OFFICE, MONCTON, May 21, 1892.

SIR,—Referring to inclosed letter from Mr. Schreiber (which has been overlooked) the distinction made by the cashier in the details of his balance arises in this way :—

The remittances from stations between St. John and Moncton reach here by No. 2 train at 11 o'clock. As the bank closes at 1 o'clock, local time, on last day of month, there is not time to make deposit.

At 3 o'clock in the afternoon the remittances from stations east of Moncton are received. These with the western ones are counted and made up for deposit that evening. Next morning the remittances from stations between Levis and Moncton are received and credited to stations as being remitted on last day of month. This is the amount that appears in statement as "cash," and forms part of the deposit of 1st of succeeding month, distinct from deposit made up on the preceding evening. I sign the cashier's statement across his signature.

Yours truly,

T. WILLIAMS, *Chf. Acct. and Treas.*

The Chief Supt. I. C. Ry.

AUDIT OFFICE, OTTAWA, June 23, 1892.

SIR,—I have to ask that the following statements of Intercolonial Railway revenue for the fiscal year ending 30th June next, may be furnished this office as soon as convenient after the accounts are closed :—

(1) A summary of the net revenue for the whole year, classified under the headings of passengers, freight, and mails and sundries.

(2) Copies of any subsidiary statements of passengers that it has been customary to prepare.

(3) A copy of any statements of freight which you are in the habit of preparing. I would be glad to obtain the amounts of the collections under this heading which have accrued from the leading sources of revenue, if it is practicable to provide them now.

(4) A summary of conductors' sales of tickets, showing the name of conductor, class of the train (specifying station of departure and destination), number of trips and the amount.

(5) A summary of pullman car receipts, showing the name of car and the receipts for berths, for seats, for buffet, and the total.

(6) Earnings for carriage of mails for the different sections.

(7) A summary of receipts, classified under their natural headings, that make up the balance of the item of "Mails and Sundries," showing the names of the payers and the amounts.

(8) A summary of receipts for storage, demurrage, wharfage, shunting, &c., showing the stations at which collected and the amounts under each heading.

(9) A summary of the revenue from Windsor Branch Railway, showing the amount from passengers, from freight, from mails and sundries, and a subsidiary statement showing details of the item "Mails and Sundries."

(10) A summary of receipts from express companies.

I am, sir, your obedient servant,

The Deputy Minister Railways and Canals.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, October 25, 1892.

SIR,—The correspondence you left with me yesterday, and which I am returning herewith, indicates that the returns Nos. 4 and 5, covering conductors' sales of tickets, and pullman car receipts during 1891-92 will require four months to prepare, and have not yet been started. No returns of last year's revenue having been furnished to this office, I asked for these summaries on June 23 last. As I hope to have the Audit Report in print long before four months, these returns will not be available for publication, and they had better be dropped. I trust the other returns asked for will be furnished with as little delay as possible.

I shall be glad if the returns for the current year would indicate the points of departure and arrival.

I am, sir, your obedient servant,

The Chief Engineer Government Railways.

J. L. McDOUGALL, A.G.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, Oct. 26, 1892.

DEAR SIR,—I am in receipt of yours of the 25th instant with reference to returns. In reply I desire to say that I have instructed the chief superintendent in accordance with your expressed wishes, and trust that there may be no delay in making the returns.

Yours truly,

COLLINGWOOD SCHREIBER,

The Auditor-General.

Chief Engineer and General Manager.

Re Intercolonial Railway Open Accounts.

AUDIT OFFICE, OTTAWA, July 5, 1892.

SIR,—Referring to the monthly balance sheet and the letter to the secretary of the Department of Railways and Canals of the 10th ultimo, I have to ask for information as to each item under the heading of Open Accounts, showing the nature of the account, whether for freight, supplies or work done, &c.; whether the whole or any part is in arrears, and what action, if any, has been taken towards effecting payment; if the whole or any part is in dispute, and if so the particulars, and the action taken towards

settlement. I have also to ask to whom credit is now given, under what circumstances it is given, for what length of time, and for what reasons stopped. I shall be pleased to learn that energetic steps are being taken to collect any balances in arrears that are possible of collection.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Chief Engineer Government Railways.

See Part D for statements.

Re Through Ticket Sales.

AUDIT OFFICE, OTTAWA, July 5, 1892.

SIR,—I have to ask for a summary month by month of the through ticket business outward of the last fiscal year (1891–92), showing the station or agent issuing, the number reading over the Intercolonial Railway, and the number reading over the Canadian Pacific Railway.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Chief Engineer, &c., Government Railways.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, Sept. 8, 1892.

MY DEAR SIR,—As requested by you, I send herewith a statement of the number of through tickets issued by Intercolonial Railway agents, during the year ended the 30th June, 1892, *via* Lévis and St. John.

Yours truly,

COLLINGWOOD SCHREIBER,

The Auditor-General.

Chief Engineer and General Manager.

STATEMENT of Tickets issued to Montreal and west thereof during the year ended June 30, 1892.

Re Shortage at Baddeck Agency.

AUDIT OFFICE, OTTAWA, July 13, 1892.

SIR,—Since the first of this month daily returns have been received at this office from the cashier at Moncton. Having heard that the agent at Baddeck was in default, I examined the returns so far received, but do not find that any remittance from him has been entered during this month. The name Baddeck does not appear on the cashier's list, which is printed. Ottawa also is omitted. Would it not be better that the names of all agents authorized to sell tickets should appear on each return of the cashier, whether any remittance has been received or not? Please give a summary of the transactions with this agent, during the past fiscal year, showing the sales in such detail as you have them, daily, tri-monthly, or monthly, the dates and amounts of the remittances, and any correspondence on the subject.

How often does the Travelling Auditor examine these outside ticket agencies, and when was Baddeck last examined? Does he examine the Montreal agent's accounts when he examines the express accounts? He might come to Ottawa to examine the Ottawa agent's accounts when he has occasion to come to Montreal.

When in Moncton lately I called attention to these outside agents only accounting for their sales once per month, and I understood that an immediate change would be ordered.

I am, sir, your obedient servant,

The Chief Supt. Government Railways.

J. L. McDOUGALL, A.G.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, July 27, 1892.

DEAR SIR,—I send herewith copies of some correspondence received from Moncton, with reference to the different ticket agencies and also a copy of a statement of the Baddeck agent's tickets sales from July 1891 to June 1892, inclusive.

Yours truly,

COLLINGWOOD SCHREIBER,

The Auditor-General.

Chief Eng. and Gen. Man.

TREASURER'S OFFICE, MONCTON, July 21, 1892.

SIR,—Your memo. on Mr. Schreiber's letter of the 15th inst. returned herewith.

I inclose the Traffic Auditor's letters of the 20th inst. together with information asked for by the Auditor-General, with respect to the returns made by the Baddeck ticket agent in the last fiscal year. With respect to the names of the outside agencies not appearing in the cashier's daily list such has not been the case up to the present time. The amounts received from them come by mail, and have been entered under the general head of "other sources."

I have instructed the Traffic Auditor to see that when the next supply of the daily Audit sheets is required the names of all the outside agents be printed in rotation in the same manner as the stations. As expressed in the Traffic Auditor's letter these outside ticket agencies are checked by the coupons collected by conductors and unless there were some irregularities connected with the issue of the tickets it was not necessary to make an audit at the agency.

Montreal Agent is audited when the Travelling Auditor examines the accounts of the Express Companies at Montreal.

On 6th June last, by the Auditor-General's instructions, the outside ticket agents were instructed, to remit whenever they had \$50 on hand and this was further supplemented by instruction to the agents, whose sales average over \$100 per month, that semi-monthly the ticket report and remittance in full, must be made, and this is being carried out.

Yours truly,

The Chief Superintendent.

T. WILLIAMS.

AUDIT OFFICE, MONCTON, July 20, 1892.

DEAR SIR,—I send herewith a statement showing the amount of ticket sales at Baddeck agency during the last year, and the remittances covering the same.

Except in the case of a change of agents, when it is necessary to make a transfer of tickets, it has never been the custom to make periodical audits of outside agencies.

As the coupons of all tickets used are collected by the conductors and sent in with their returns daily there is a regular check on the agent's report monthly of sales.

Baddeck was audited last on March 25, 1891, and everything found in order.

Yours truly,

T. WILLIAMS Esq., Treasurer.

J. R. BRUCE, T.A.

STATEMENT of Baddeck Agent's Ticket Sales from July, 1891, to June, 1892, inclusive.

J. R. BRUCE, *Traffic Auditor.*

AUDIT OFFICE, OTTAWA, July 29, 1892.

SIR,—I have received your letter of the 26th, inclosing copies of letters of Mr. Williams and Mr. Bruce, and a statement of ticket sales by Baddeck agent, during the last fiscal year. I also asked in my letter for a copy of the correspondence on the subject, and as it was not furnished, I yesterday telegraphed Mr. Pottinger asking him to have it forwarded. On receipt I will likely write you further in reference thereto. In the meantime I may state that I was under the impression from information furnished me when at Moncton, that all outside agents accounted monthly for their receipts. It was to improve on that practice, that I suggested they should remit more frequently, and according to Mr. Williams' letter instructions were issued that a remittance should be made whenever \$50 was on hand. The agent at Montreal, the only outside agent from whom returns have yet reached this office, has not yet adopted this practice. Further consideration of this question of accounting for receipts, fortified by authorities that I have consulted, leads me to the decision, that a daily remittance or deposit should be made as late each day as is practicable by all agents except at flag stations.

I may say that I trust your system includes the most thorough watchfulness that every receiver of your revenue accounts regularly for it. Without the Baddeck correspondence I cannot see how such watchfulness could have been exercised in that case. It is of much greater consequence to have a system which will prevent fraud than one

which will detect it after it has been committed. You have the means of applying both. Please let me know what regulations are in force with regard to dismissal or other punishment in the event of neglect to comply with instructions from the head office regarding returns and remittances.

I note the intention to have the names of all outside agents printed on cashier's return when procuring a new supply. In the meantime the names should be written in. When "other sources" include miscellaneous receipts or receipts from foreign companies, a supplementary statement should be furnished.

I would like to have some further information as to the efficiency of the audit of outside agents' accounts by means of the coupons collected by the conductors. Does the same argument not apply to all agents as far as ticket business is concerned? and yet it is deemed necessary to have them examined by the travelling auditor. If it is considered advisable to have the Montreal agency audited, why should the rule not be applied to all.

I have the honour to be, sir, your obedient servant,

C. SCHRIEBER, Esq., Chief Engineer of Govt. Rys.

J. L. McDOUGALL, A.G.

CANADIAN GOVERNMENT RAILWAYS,

OTTAWA, Aug. 15, 1892.

SIR,—I send you herewith copies of some additional reports in connection with the shortage at the Baddeck Ticket Agency, being a letter from Mr. Williams, with one from Mr. Bruce, the traffic auditor, inclosing reports from J. J. McKenzie, of his office, and C. A. Lowe, travelling auditor.

Yours very truly,
 COLLINGWOOD SCHREIBER,
Chief Engineer and General Manager.

The Auditor-General.

MONCTON, July 30, 1892.

SIR,—I attach hereto a letter from the traffic auditor dated 23rd instant, covering one of same date from Mr. McKenzie who has charge of the through ticket accounts.

Also the report of Mr. Lowe, Travelling Auditor, dated 28th instant, giving details of his work in connection with this matter.

The note of hand for \$1.22L.30 given by Mr. Dunlop, Sheriff Dunlop and their mother, was sent to you on the 25th instant.

T. WILLIAMS, *Treas.*

D. POTTINGER, Esq., Chief Superintendent.

MONCTON, July 23, 1892.

DEAR SIR,—Respecting the Baddeck matter, I herewith attach a letter from Mr. McKenzie in explanation of why the Agent was not asked earlier for his reports.

I may add that Mr. McKenzie had a great deal on his hands in the month of May checking European reports, of which there were an unusual number, and it was in a great measure owing to this fact that the April tickets issued at Baddeck were overlooked. Mr. McKenzie is a careful and painstaking clerk and that the tickets were overlooked was due, I am satisfied, more to an accident than to any other cause.

Yours truly,

J. R. BRUCE, *Traffic Auditor.*

T. WILLIAMS, Esq., Treasurer.

MONCTON, July 23, 1892.

DEAR SIR,—In reference to the Baddeck matter I have to say that the reports from this agency have almost always been late in reaching here. In May, after the checking off of the other reports had almost been finished, I found I had a package of tickets issued at Baddeck in April for which I had no report. I intended writing for report as usual, having placed the tickets on my desk before me for that purpose, but something else must have called my attention away and the tickets unfortunately having got covered up with some other papers were lost sight of.

On the 20th June, when I was about to write agent for May report, it occurred to me that April had not been received, and I looked around for the tickets which I recollected I had found unreported the previous month, and discovered them covered up with some other papers.

If reports are not in within a reasonable time I always make it a point to write the agents, but these April tickets having been mislaid caused the delay in this case.

Yours truly,

J. J. MCKENZIE.

J. R. BRUCE, Esq., Traffic Auditor.

AUDIT OFFICE, OTTAWA, September 7, 1892.

SIR,—I have your letter of the 15th ult., inclosing the correspondence with Moncton regarding the defalcation at the Baddeck ticketing agency.

The only argument in excuse of the delay in making a thorough examination of the affairs of that agency is that given by Mr. J. J. Mackenzie. He says that Baddeck tickets having been received, but no report from the agent having reached him, the tickets became covered up and were lost sight of.

An essential part of a proper system of examination of the revenue is that the non-receipt of the report from the agent could not possibly be overlooked. A statement of the names of agents who should have sent returns for a period should be constantly before some Moncton official. And each man in such a list should be at once notified of his neglect to make the proper return.

Then Mr. Mackenzie says that the reports from this agency have almost always been late in reaching here. The system at Moncton is self-condemned by such a statement. I do not say that the officials are to blame, because they may not have the authority to apply the only effective remedies, fines, suspension or dismissal. If an agent is frequently in arrear with his returns he should be treated as indicated. The Moncton office should not only be given the power to punish the neglect but should be expected to punish whenever it is needed. It is useless to endeavour to improve the method of collecting and paying over the revenue if every person employed in this branch of the service is not held to the strict and regular performance of his duties as persons employed in similar capacity by companies are. Mr. Mackenzie does not explain how the agent made no return for three months, from the end of December to the end of March, without attracting Mr. Mackenzie's attention.

I would remind you that I have not received any reply to the queries contained in my letter of the 29th July. I do not find that the suggestion that daily remittances should be required and that the names of all who should make returns of revenue should be written in when they are not printed, has been complied with.

I have the honour to be, sir,

Your obedient servant,

J. L. McDOUGALL, A.G.

C. SCHRIEBER, Esq., Chief Engineer, Government Railways.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, Sept. 9, 1892.

SIR,—I may say that a copy of your letter of the July 29 last, *re* Intercolonial Railway Revenue, was sent to Mr. Pottinger, Chief Superintendent of the Intercolonial

Railway, with instructions to furnish the information asked for and to carry out your suggestions. I have since received some information in relation to the Baddeck Agency which I have forwarded to you.

I am sending a copy of your letter of the 7th instant to Mr. Pottinger with instructions to give effect to your wishes expressed therein.

Yours truly,

COLLINGWOOD SCHREIBER,

Chief Eng. and General Manager.

The Auditor-General.

AUDIT OFFICE, OTTAWA, July 20, 1892.

SIR,—As a result of the visit of myself and others of the Audit Office to the general offices, &c., of the Intercolonial Railway, I beg to suggest changes which it appears to me should be made in the part of the management with which I have official connection.

1. With reference to accounts and their examination :—

Mr. Bruce apparently keeps abreast of the work which is directly assigned to him. Mr. Williams, the Treasurer, is the chief officer, and should be made to understand distinctly that he is responsible and is expected to see from time to time that the audit branch does not confine itself to mere routine. He should see that not merely are returns examined, but that returns and deposits are made as circumstances of each case require.

2. With reference to freight collections there should be but little wrong-doing which will not be speedily detected. The station to which prepaid goods are sent is always a check on the sending station, as is the sending station on the one to which goods are sent when freight charge is collected on delivery.

2a. Intercolonial Railway agents should be directed to prepare their abstracts of through freight over the Canadian Pacific Railway in the same way as abstracts are prepared of freight over the Grand Trunk Railway, that is showing the rate and the proportion due Intercolonial Railway. Both the Canadian Pacific Railway and the Grand Trunk Railway prepare the summaries of through freight in and out on which settlements are made, and these summaries are based on the Intercolonial Railway agents' abstracts. By having the abstracts show the rate and proportion due Intercolonial Railway any change made is easily observed and further inquiry instituted. In the meantime the summaries furnished by the Canadian Pacific Railway should be more fully examined. The Canadian Pacific Railway proportion is in some cases based on arbitrary rates instead of mileage.

2b. The tariff and regulations as to storage, demurrage, &c., do not seem to be closely followed. It might be worthy of consideration whether it would not be advisable to relax these regulations somewhat, and then insist on their being strictly observed. As there is no means of checking these charges except in a general way by the travelling auditor, agents should be required to certify them more specifically than they do.

3. As to collections for passages, a minor irregularity and one that can soon be overcome is that ticket sellers have been permitted to have a whole month's collections in hand without depositing. This sometimes amounts to \$800 or \$900. On the Canadian Pacific Railway the deposit is made when \$50 has been collected.

The great difficulty is with the amounts taken by conductors on the trains which reach about $\frac{1}{3}$ of the whole collections for passages. I noticed in the returns that in a certain group one conductor was remarkable for having in every return larger collections than any other on a companion train, and that in another division one was strikingly behind all the others on similar trains. The Canadian Pacific Railway have adopted the principle of dispensing with the services of conductors who always make smaller returns than those who in the long run are in exactly the same circumstances. The Intercolonial Railway should take the same course. On the Intercolonial Railway the extra 10 cents charged on the cars is returned at any station on presentation of the con-

ductor's ticket. This is not done on the Prince Edward Island Railway. It seems to me that the regulation on the Prince Edward Island Railway is better than that of the Intercolonial Railway as it discourages the buying of tickets on the train. At one station in April, forty-nine through tickets by the Canadian Pacific Railway and eight *via* Intercolonial Railway were sold, and at another twenty and one-half by the Canadian Pacific Railway and four by the Intercolonial Railway. A stringent circular has, I understand, since been issued by you to the station agents which may affect future sales. Excursion tickets are excluded from this statement. It is right to say in this connection that the result is said to have been to some extent brought about by the regular travelling agents of the Canadian Pacific Railway who are reported to be very zealous.

4. The uncurrent coin and bank bills held by the cashier at Moncton should be disposed of and care taken that no further accumulation of such take place.

5. Inquiry should be made into the principle on which the passenger traffic on the Windsor Branch is reported for settlement. According to the lease which I understand expires next January, one-third of the gross earnings is payable to the Government. The division is made in certain cases not on the gross earnings but on a fixed rate of two cents per mile, considerably reducing the share of the Government.

6. There seems to be a disproportion in the division of passenger traffic between the Prince Edward Island Railway and the Steam Navigation Company. First-class tickets are evenly divided, second-class as four to three in favour of the Navigation Company. Local tickets returned by conductors to head office at Charlottetown are not fully assorted and checked with agents' returns.

7. I observed that at Londonderry the manager of the iron works puts into the hands of the station agent a sum of money to enable the agent to prepay the freight on the product of the works. It would be preferable, I think, to close up each day's transactions on the morning of the subsequent day by an accepted cheque on the local bank, the amount of which could no doubt be made available at Moncton without discount. It is not well that the station agent should have any funds in his hands except his own and those of the Intercolonial Railway.

8. Would it not be advisable to have the chief articles supplied to the Intercolonial Railway compared as they are delivered with the samples on which the tenders are made? This is now done to some extent, but not so generally as it appears to me it might profitably be done.

9. Open accounts, as on 30th April, Dr. :—These include several accounts which should be collected without delay unless explanations can be given which do not appear on the surface. Among them are :—

Town of Dartmouth.....	\$24,000 00
Halifax Cotton Company.....	10,802 78
Steamer "Admiral".....	3,367 80

I have asked in another letter for full particulars of these accounts.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Chief Engineer Government Railways.

MEMO. of Returns in connection with the examination and audit of Railway Revenue accounts, to be furnished to the Auditor-General's Office.

1. Copy of cashier's cash book, daily.
2. Summary of cashier's cash book, monthly.
3. Memorandum of cash passed to the cashier through the treasurer, with the detailed subsidiary statements corresponding.
4. Summary of agent's cash book, showing the receipts under respective headings, the remittances and any other authorized disbursements; to be rendered daily or periodically, as the volume of business would warrant.

5. Agents' certified returns in detail of sundries, storage, demurrage, wharfage, shunting, rents, &c.
6. Summary of agents' monthly returns, certified, showing (1) balance from previous month, (2) revenue accrued under respective headings, the remittances made, the expenses, the amounts to be charged to open or personal accounts, and the balance to next month.
7. Statement of arrears due by agents, &c., showing cash on hand, freight in store, &c.
8. Copy of balance sheet furnished to treasurer by audit office.
9. Summary of returns from Windsor Branch Railway, certified.
10. Summary of returns of the Canadian Express Company and the Dominion Express Company.
11. Monthly return of the work done by the travelling auditors, showing the stations inspected, the date of inspection, and the result of the inspection expressed as satisfactory, or requiring attention.

Re Windsor Branch Railway.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, Oct. 11, 1892.

SIR,—In reply to the inquiry made in your letter of July 20 last, with reference to the principle on which the passenger traffic on the Windsor Branch is reported for settlement, I have had inquiry made with the following result, viz: that there seems to be very little doubt, but that when the Government operated the Windsor Branch and sold through tickets in conjunction with the steam-boat line from Windsor to St. John, that the rate the Government received on the through tickets was at one time a dollar and at other times 90 cents, and it seems to me reasonable to assume that the present arrangement is a continuance of the arrangement that existed before the Windsor Branch was leased to the company.

There is another reason why it is thought the present arrangement of two cents per mile for through tickets is not an undesirable one, which is, that on through tickets Railways have to make reductions frequently in order to meet competition, or for other good reasons. The arrangement of accepting two cents a mile left the Windsor and Annapolis Railway free to make any cutting or reduction in rates that they wished or found it necessary to make without any reference whatever to the Government, and insured to the Government a rate of two cents per mile for through tickets on the Windsor Branch, while if the Windsor and Annapolis Railway were free to cut the rates as they wished all the way from Halifax to Annapolis, the amount per mile received for the Windsor Branch might have been less in some cases than two cents a mile.

It is considered it would not be practicable to require the Windsor and Annapolis railway to consult the Government or its officials every time they wished to cut the rate to secure business, especially as this cutting of the rates would be often in competition with the Intercolonial Railway, to the officers of which in such a case they would have to apply, which would be rather an anomaly. I may say that two cents a mile is about the rate that the Intercolonial Railway receives for through tickets.

I do not see that any improvement can be made in this connection.

Yours very truly,

COLLINGWOOD SCHREIBER,

Chief Eng. and General Manager.

The Auditor General.

AUDIT OFFICE, OTTAWA, Oct. 14, 1892.

SIR,—I have your letter of the 11th instant, in reference to the Government share of the earnings of the Windsor Branch Railway.

In my letter of July 20, I pointed out that according to the lease, one-third of the gross receipts is payable to the Government, instead of which the share of the Government

in certain cases is on a fixed rate of two cents per mile. In your present letter you state that when the Government operated the road through tickets were sold in conjunction with the steam-boat line from Windsor to St. John, the Government share being sometimes \$1 and at other times 90 cents, and that it was reasonable to assume the present is a continuance of that arrangement. You also give reasons why it is thought advisable to have a fixed rate of two cents per mile.

What I desire to point out is, that the division of the gross earnings was not based on the terms of the lease, and until these terms were modified they should be observed. There are two classes of through tickets, those sold to points outside of the province, and those sold to points in Nova Scotia beyond the Windsor and Annapolis Railway. There does not seem to have been any cutting on the latter tickets, the rates charged are 3 cts. and 2 cts. for fares one way, and 5 cts. for return tickets, and it seems to me that the Government are clearly entitled to a division on these rates. And this point may be worthy of your consideration when renewing the lease even if it is deemed desirable to amend it as to through tickets to points outside the province.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Chief Engineer Government Railways.

CANADIAN GOVERNMENT RAILWAYS, OTTAWA, Oct. 18, 1892.

MY DEAR SIR,—I have your letter of the 14th instant, in reply to mine of the 11th in reference to the Government share of the earnings of the Windsor Branch Railway.

In reply I desire to say that I am much obliged for your letter. Negotiations for a renewal of the lease are in progress and I think the difficulty of the question you draw attention to will be removed.

Yours truly,

COLLINGWOOD SCHREIBER,

The Auditor-General.

Chief Engineer and General Manager.

Re Forms.

MONCTON, N.B., Oct. 28, 1892.

SIR,—I spoke to Mr. Williams on my return about the matter you referred to when I saw you in Ottawa, about entering all of the names of places that should remit, on the return of cash, and I got one of the forms from Mr. Williams, which I inclose. He says that all are printed in, with the exception of Eureka Junction, and that this is the form that is being used and sent to you.

Yours very truly,

D. POTTINGER,

The Auditor-General.

Chief Superintendent.

AUDIT OFFICE, OTTAWA, Nov. 3, 1892.

SIR,—I have your letter of October 28, inclosing the form on which cashier's returns are made. It is quite true that all the stations are entered on this form, but the outside ticket agencies are not, and it was to this omission that I had reference when speaking to you.

I have the honour to be, sir, your obedient servant,

D. POTTINGER, Esq., Chief Supt. I.C. Ry.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, July 20, 1892.

SIR,—I am in receipt of a letter from Mr. Weatherston, your agent at Toronto, inclosing form of revenue return, with his and your memo. endorsed.

The determining of the agent who shall render daily returns and those who shall make periodical returns must rest with yourself. It is the invariable practice of this office to have all communications with the department or the head office, that is responsible for the correct performance of the work, because it is responsible and to avoid all clashing or misunderstanding. My own impression would incline me towards having daily returns when there was any doubt, and I am ever ready to entertain any views you wish to present on this or any other point in connection with the business of the Intercolonial. Should it appear to me when I have an opportunity of examining the returns, that an agent who is not rendering daily should do so, I will call your attention to it, although the Intercolonial Railway management is of course expected to take the initiative in this matter when the circumstances call for it, whether this office has observed the necessity for it or not.

I have the honour to be, sir, your obedient servant,

THOS. WILLIAMS, Esq., Chief Acct. and Treas. I.C.Ry. J. L. McDOUGALL, A.G.

MONCTON, N. B., July 23, 1892.

SIR,—I am in receipt of your favour of the 20th instant with respect to the agent at Toronto furnishing a daily return of his cash receipts and disbursements.

As Toronto was on the list of agents required to send in the daily returns, I did not care to take the responsibility of changing this, and so referred him to you.

As the receipts for ticket sales of his office range from \$30 to \$200 per month, and there are often days in which he has no sales, no harm will accrue in his being permitted to make a ten days' statement in lieu of the daily one. I will so advise him.

Yours truly,

T. WILLIAMS, *Chief Acct. & Treas.*

The Auditor-General.

Re Canal Tolls.

AUDIT OFFICE, OTTAWA, March 14, 1892.

SIR,—The only returns in connection with canal tolls yet furnished to this office, are the statements which accompany the bank deposit receipts. I do not find from these statements that any revenue came to account during the last fiscal year from the Culbute Canal, and I have to ask for an explanation of the omission.

I have the honour to be, sir, your obedient servant,

The Deputy Minister Railways and Canals. J. L. McDOUGALL, A.G.

DEPT. OF RAILWAYS AND CANALS, OTTAWA, March 23, 1892.

SIR,—In reply to your letter of the 14th instant, asking for an explanation of the omission of the Culbute Canal revenue during the last fiscal year in the statements sent you of canal tolls, I beg to say that there is no tariff of tolls for this canal, nor any collector appointed. No returns have been received of any collections having been made

I am, sir, your obedient servant,

T. TRUDEAU, *Acting Secretary.*

The Auditor-General.

Re Canal Tolls and Hydraulic Rents.

AUDIT OFFICE, OTTAWA, August 15, 1892.

SIR,—As no returns have yet been furnished to this office covering the collections on account of canal tolls and hydraulic rents other than the summaries forwarded monthly to the Receiver General with the bank deposit receipts, I have now to ask for a statement in detail of the collections on account of hydraulic rents for the fiscal year 1891-92, showing the name of the lessee, the lot or some other designation of the property leased, the period covered by the payments made, and the amount.

I have the honour to be, sir, your obedient servant,
The Deputy Minister of Railways and Canals. J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Sept. 10, 1892.

SIR,—In the list furnished by your department of arrears due for hydraulic rents, Rideau Canal, the names of Francis Abbott and R. E. Hardy appear. Are these the same persons as the officers of those names in the employ of the Government? If so, should not the amounts due by them be retained from their monthly pay?

I have the honour to be, sir, your obedient servant,
The Deputy Minister Railways and Canals. J. L. McDOUGALL, A.G.

Re Sale of Seed Barley.

CENTRAL EXPERIMENTAL FARM, OTTAWA, December 20, 1892.

DEAR SIR,—Your communication of September 21 was not received by me until the 15th December. I cannot find any trace of the letter you refer to, of December 4, 1891. It seems to have miscarried. I regret that this matter has not been brought to my attention earlier, so that I might have given you the information you seek more promptly.

I submit herewith the particulars of the sale and disposal of the 5,000 bags of two-rowed barley imported by the Government through the Department of Agriculture in the spring of 1890.

The difference in the account of sales for 1891 submitted, \$3,147.75, and the sum paid by the Director of the Experimental Farms to the Receiver-General on barley account, \$3,352.58, is thus accounted for. There is included in this sum, a cheque from the Carling Brewing Co., of London, Ont., for \$204.80, being payment for two-rowed barley grown in Canada in 1890 from the imported seed, which was sent to them for a brewing test. This should not be included in the sales of imported barley, but should be added to the sum of \$336.93 sent by Sir Charles Tupper, as returns from the sale of a larger lot of the same barley sent to England for a similar brewing test. Those two sums, amounting to \$541.70, are an offset to the charge of \$454.79 for 628 $\frac{1}{2}$ bushels purchased, included in the account published in your report for 1891, page B-214. There was more barley than was paid for in this account, supplied for these two shipments, but the balance was furnished from the crop of the Central Experimental Farm for which no charge was made.

The 195 bags lost by the drying of the grain was unexpected. When the barley arrived in Montreal, the bags were weighed and it was found that they were all from one to two lbs. light in weight. This was reported to the shippers, and as they furnished proof that the bags were full weight when shipped, the difference could only be accounted for by the exposure of the barley to the dryer air of this country. This shrinkage caused a loss of about 100 bags. The remaining loss is accounted for by the further drying of the barley by being kept over until the spring of 1891. The 172 bags left over until the spring of 1892 was found to be unfit for seed, and by instruction of the Minister of Agriculture was ground and used at the Experimental Farm for feed. No allowance was made for this by the farm, for the reason that much labour had been given by the employees of the farm to the barley business, for which the farms had received no returns.

The total expenditure in 1890 on account of this importation of two-rowed barley was \$22,058.22, page B-182, and a further expenditure in 1891, page B-214, of \$1,872.87, less the \$541.70 already referred to, adding \$1,331.17, making in all \$23,389.39 expended on this importation of two-rowed barley.

The returns in all have been \$16,201.99. The balance, \$7,187.40, represents the loss incurred, partly for freight, every bag having been prepaid to the buyers in every part of the country. A part of it is due to the fact that the barley was sold during the first year at a little less than cost, and the second year at a reduction of 25 per cent. It also covers the commissions to dealers, a part of the expenses connected with the handling and shipping, and also that part of the loss from repeated cleanings which was not covered by the partial allowance made by the seed firm who supplied the grain, Carter & Co., who sent a cheque on this account for £50 (\$242.78) which is included with receipts. It also covers the loss of weight by drying.

There is still an outstanding item to settle with the Intercolonial Railway for amount of freight, \$145.31. As this bill was not rendered until after the credit for the barley had lapsed, it must now be provided for by special appropriation.

The Auditor-General.

I am, sir, your obedient servant,
WM. SAUNDERS, Director.

* These officers received the amount of their collections.

Re Collection of Seed Grain Mortgages.

AUDIT OFFICE, OTTAWA, March 14, 1892.

SIR,—I received your letter of January 6 last inclosing a statement of disbursements on account of collections of seed grain mortgages, amounting to \$13,640.75, extending from 1877 to 1888.

I had previously pointed out that the Audit Act provides that no disbursements should be made out of receipts.

With reference to a large part of this expenditure, it is not evident from the information furnished that it is a proper charge for collection of seed grain mortgages. One item is for a safe purchased (\$345), and I have to ask what disposition was made of it.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Deputy Minister of Agriculture.

DEPARTMENT OF AGRICULTURE, OTTAWA, May 17, 1892.

SIR,—In your letter of March 14 last, in acknowledging the receipt of a statement of disbursements on account of collections of seed grain mortgages, amounting to \$13,640.75, for the eleven years extending from 1877 to 1888, you remark that you have previously pointed out the Audit Act provides that no disbursements should be made out of receipts.

In respect to this I may state that I have also previously furnished you with an explanation, to the effect that I was quite aware sec. 27, chap. 29, Revised Statutes, provides gross revenue shall be deposited to the credit of the Receiver-General, and I further stated to you that such rule is strictly observed by this department, in relation to all fees which it may collect under any regulations pertaining to its administration.

At the same time I pointed out to you that the circumstances connected with the particular administration relating to seed grain advances and mortgages in Manitoba were quite exceptional.

The facts were: A vote of Parliament was passed for purchasing supplies in 1876 for the relief of sufferers from an invasion of grasshoppers in the province named. The administration relating to the distribution was not undertaken directly by the department, but was placed in the hands of a special committee, in Winnipeg.

A large advance, amounting to about 20 per cent on the purchase prices, was added to the prices at which the supplies were furnished to those who required them for the purpose of covering the charges for freight, teaming, or other services. The amounts of disbursements, therefore, to which you have referred, extending over the eleven years stated, and commencing with the repayments in 1877, had had previously added in to them the amounts collected for the express purpose of being covered by such collections. The particular administration which commenced in the circumstances stated in 1876, has been simply continued in order to complete it.

You further state that it does not appear from the information furnished that the disbursements in question are a proper charge for collecting seed grain mortgages, and for instance you select an item, namely, the purchase of a safe for \$347.

That safe was obtained for the purpose of keeping with due care the securities not registered, and then in charge of the immigration agent, representing the advances in question. The office in which they were kept was a wooden building in Fonseca street, particularly exposed to danger of fire, and which was in fact burnt down a number of years ago, not very long after the safe was obtained. The safe withstood the fire and preserved its contents without damage. It proved a cheap insurance. If it had not been obtained and the securities had been burnt, it is not likely that there would have arisen a question as to the propriety of disbursements for collecting them.

You further ask me what disposition has been made of the safe? On this point, permit me to remark that while I hold that the question involves the responsibility of the Minister or Department of Agriculture, rather than that of the Auditor-General, I have no objection to inform you that the safe is still in use in the immigration office at

Winnipeg, and that it is used for holding registered letters and occasionally money or money orders which newcomers in the building desire to put in a place of temporary safety while they are in the building.

It is not seen the safe might not continue to be used for such purposes in the immigration building, after it had efficiently served the purpose for which it was first obtained.

I have the honour to be, sir, your obedient servant,
The Auditor-General. J. LOWE, *Dy. Minister of Agriculture.*

AUDIT OFFICE, OTTAWA, Sept. 21, 1892.

SIR,—The last entry in the returns of repayments of Seed Grain Mortgages furnished is dated April 24 last. Have there been no collections since? The total amount that has come to account during the year 1891–92 was \$2,475.02 desposited as follows:—Nov. 18, \$249; Dec. 8, \$1,216.97; Jan. 6, \$106.64 and April 28, \$902.41. The regulations as to deposit of money should be observed. Credit is taken on one return for \$54.78 refunded to James Hargrave account lot 52, High Bluff, with the explanation that the full amount due had been paid at Ottawa about Nov. 18. I do not find that this amount has come to account.

I have the honour to be, sir, your obedient servant,
The Deputy Minister of Agriculture. J. L. McDOUGALL, *A G*

AGRICULTURE DEPT., OTTAWA, Sept. 27, 1892.

SIR,—I have to acknowledge your letter of the 21st inst. on the subject of collections of Seed grain Mortgages.

In reply I have to inform you that the Department has not received any returns of collections from Mr. H. H. Smith, Land Commissioner of Winnipeg, since the date stated in your letter, namely, 24th April last.

We have asked him for returns of all collections to date and have also requested him to furnish a monthly statement of such collections in the future.

With regard to the item \$54.78 I have to state that it is included in the sum of \$249 deposited in Ottawa on November 18 last.

I have the honour to be, sir, your obedient servant,
The Auditor-General. J. LOWE, *D.M.A.*

DEPT. OF AGRICULTURE, OTTAWA, November 17, 1892.

SIR,—I have to acknowledge your letter of the 12th instant on the subject of arrears, and I should have immediately answered you except that Mr. Lynch, the Accountant of the Department, happened to be absent and has only just returned. I handed to him your letter of the 15th ult., to which you refer, immediately on its receipt, and he told me in reply to say to you that this department has no arrears due, the only matter in relation to this subject being the returns from the seed grain mortgages, which we had determined to ask Mr. H. H. Smith to send to us monthly instead of periodically. A letter was accordingly written to Mr. Smith on the 21st ult. He replied in a letter dated the 26th ult., in which he stated that a deposit of all collections which had been received up to that date would be made and forwarded to the department with the usual duplicate schedules.

I find on inquiry that a deposit receipt—amount \$373.67—to the 31st ult., was received, but not the schedule. It is possible that this may have been sent in error to the Interior Department. I will make inquiry.

I am, sir, your obedient servant,
The Auditor-General. J. LOWE, *D.M.A.*

WINNIPEG, MAN., November 25, 1892.

DEAR MR. LOWE,—I am in receipt of your letter of the 17th instant with reference to statements of collections of relief mortgages.

The statement which relates to the deposit of \$373.67 of 31st ultimo was sent to your department on the 21st instant, and I propose in future to make daily deposits to credit of the Receiver-General of these collections, whenever they amount to \$25, and to send you at the end of each month a statement in duplicate of all such amounts collected.

Please inform me if this will be satisfactory.

Yours truly,

H. H. SMITH, *Comm'r.*

The Deputy Minister of Agriculture.

AUDIT OFFICE, OTTAWA, April 16, 1892.

Re Experimental Farms Sales.

SIR,—I have to call your attention to the following observations in reference to the returns of sales at Experimental Farms:—

Counterfoils: None have been furnished for any of the returns for the present fiscal year. The Director in his letter of January 12, 1891, stated that he would endeavour to forward them regularly in future. Is there any reason why they should not accompany each return?

Returns: The following have not been received:—Agassiz, for July and September. Indian Head, for July and August. Brandon, for August, September and October.

No departmental summary and certificate has been furnished with the returns.

I have the honour to be, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. L. McDOUGALL, *A.G.*

DEPT. OF AGRICULTURE, OTTAWA, May 16, 1892.

SIR,—In reply to the letter which you handed me to-day from the Auditor-General addressed to Mr. Lowe, under date of April 16, *re* Experimental Farm sales, I beg to say that most of the counterfoils asked for by the Auditor were forwarded to your department some months ago, some others have just come to hand from the branch farms and are returned to you herewith. I still have a few in connection with sales made at the Central Farm, these will be signed and sent to you as soon as the director returns to Ottawa. The Auditor asks, "Is there any reason why these counterfoils should not accompany each return?" In answer to this question, I may say that these counterfoils are in book form, each book containing twenty-five counterfoils. Frequently not more than eight or ten counterfoils are used in the course of a month. The custom has been to return the books when filled. If however, the Auditor should prefer to have the counterfoils as issued each month, they can be detached from the books and sent in with the monthly statement of sales of produce. I think myself that this would be the better plan.

Returns.—Agassiz, *nil* returns for July and September were sent to you, but in case they may have got mislaid, I send you a copy.

Indian Head, for July and August. A deposit of \$42 was made for July (see deposit receipt No. 1487). *Nil* returns were made for August.

Returns for Brandon for August, September and October were also sent to you, copies of which I inclose.

Yours faithfully,

W. H. HAY, *Acct.*

The Accountant Dept. of Agriculture.

Re Seed Grain Repayments.

AUDIT OFFICE, OTTAWA, March 14, 1892.

SIR,—Referring to previous correspondence in connection with this subject, I have to remind you that the expenditure for Seed Grain Advances in 1889-90 was charged by direction of Parliament to a special open account styled "Seed Grain Advance in N.W.T.," and repayment of these advances should be credited to this account. So far all repayments have been entered on your Revenue Statements to the credit of Territorial Account, and have been so entered up in the books of this office.

I have to ask that an application be made for a transfer from Territorial Account to "Seed Grain Advances in N.W.T." of all repayments properly belonging to the latter account, specifying the deposits affected; and that future Revenue Statements be made up accordingly.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister of Interior.

DEPARTMENT OF THE INTERIOR, OTTAWA, March 15, 1892.

SIR,—I have the honour by direction to forward herewith a copy of a list transmitted by the Commissioner of Dominion Lands giving the names of settlers to whom seed grain was advanced in the years 1886-87, and who have not yet made repayment or have only done so in part.

I have the honour to be, sir,

Your obedient servant,

LYNDWODE PEREIRA, *Asst. Secy.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, March 19, 1892.

SIR,—With your letter of October 21 last, I received two books containing statements in reference to Seed Grain Accounts. In one of these books a statement is given showing the disposition made of the grain collected from settlers, and it shows that 504 bushels of potatoes from Battleford district and 1,974'32 bushels of oats from Prince Albert district were delivered to the North-west Mounted Police, and had not been paid for.

I have to ask your attention to this matter.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL *A.G.*

The Acting Deputy Minister of Interior.

DETAILS OF REVENUE.

F—161

Seed Grain Advances.

AUDIT OFFICE, OTTAWA, March 21, 1892.

SIR,—In my letter of November 23 last, I asked for a statement of the sums due for Seed Grain Advances 1886-87, made up by districts.

I am in receipt of your letter of the 15th instant inclosing a list of settlers in arrears. This list does not indicate the date to which it was made up; it is made up by districts, but no value is set on the advances in the districts of Edmonton, Battleford and Prince Albert; neither the advances nor the repayments are added up; and no summary is furnished. I am returning the list for completion. Were it only a matter of adding up and summarizing I could have had it done in this office. I have had the quantities of grain added up and summarized and I am sending you herewith a copy of the summary in order that you may be informed without further delay of the large quantities remaining unpaid, and take what action you may deem fit to obtain repayment.

Be good enough to return the list when completed.

I have the honour to be, sir,

Your obedient servant.

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Interior.

INTERIOR DEPT., OTTAWA, March 30, 1892.

SIR,—I am directed to acknowledge the receipt of your letter of the 14th instant in which you ask that an application be made for a transfer from territorial account to "Seed grain advances in North-west Territories," of all repayments properly belonging to the latter account, specifying the deposits effected, and to say that this will be attended to as soon as possible.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

INTERIOR DEPT., OTTAWA, May 5, 1892.

SIR,—Referring to your letter of March 14 last, in relation to seed grain repayments, I have the honour by direction to transmit to you herewith a copy of a communication, dated the 18th of the same month, together with the accompanying statement, received from the secretary of the Dominion Lands Board, with the aid of which it is presumed the proper adjustment of the seed-grain accounts can be made,

I have the honour to be, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Secy.*

(Copy.)

WINNIPEG, MAN., March 18, 1892.

SIR,—I have the honour to inclose statement of seed-grain repayments made at this office from January 1 to the 14 instant, by which you will observe that all sums have been deposited to the credit of the Receiver-General.

I would call your attention to the January statement, which shows \$196.45 to have been collected on account of 1887-88, and \$643.10 account 1890, aggregating \$839.55. The deposits representing this amount were not I think divided according to the years when advances were made, but with the present statement doubtless the proper adjustment can be made without difficulty.

I have the honour to be, sir, your obedient servant,

The Secy., Department of the Interior.

T. R. BURPÉ, *Secy.*

AUDIT OFFICE, OTTAWA, May 16, 1892.

SIR,—I am in receipt of your letter of May 5, inclosing a letter from the commissioner at Winnipeg, and a statement of the repayments from January 1 to March 14 last. A statement has also reached this office from your department of repayments from March 16 to April 8. The first item that I find credited to the account for "seed grain to settlers North-west Territories," is on your revenue return No. 41 dated April 22.

I am now awaiting your application for the transfer, specifying the amount to be transferred, and the dates and numbers of the several revenue statements on which the items appear.

I may state here that the practice is, not to pass any entry affecting the account of a department without an application from the department concerned.

I have the honour to be, sir, your obedient servant,

The Acting Dy. Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPT., OTTAWA, Sept. 29, 1892.

SIR,—Referring to your letter of the 21st of March last inclosing a schedule respecting seed grain advances, I am now directed to return to you this schedule which has been received back from the office of Commissioner of Dominion Lands. The letter of the Secretary of the Dominion Lands Board which accompanied the schedule, a copy of

which is inclosed, states that the document has been completed, and also explains why certain amounts were not at first filled in.

I have the honour to be, sir, your obedient servant,
The Auditor-General.

H. KINLOCH, *Act. Asst. Secy.*

WINNIPEG, MAN., June 23, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd ultimo, No. 289549 on 128016, and with reference to the letter of the Auditor-General of 21st March, copy of which was inclosed, to say that the schedule of arrears due on seed grain advances of 1886-88 includes interest to the 1st of January last on advances in all districts except those of Prince Albert, Battleford and Edmonton.

The amount shown as due in these last mentioned districts is for principal alone, exclusive of interest, and the reason why the amounts due in these districts were not filled in, when the schedule was first sent down, is that settlers in those districts were allowed until the 1st of April last in which to pay at the current market price with interest. It was, therefore, not until after that date that the exact amount of arrears could be computed. The schedule is returned herewith completed.

With reference to the remark of the Auditor as to the large amount of arrears, I may say that the homestead inspectors are being instructed to visit the lands and report as to the position of the principal obligants, and the sureties are being notified as to their liability by a demand letter, a copy of which I inclose.

I have the honour to be, sir, your obedient servant,
The Secretary, Interior Department.

T. R. BURPÉ, *Secy.*

Re Fines and Forfeitures, N.W.T.

AUDIT OFFICE, OTTAWA, August 5, 1892.

SIR,—The only deposit that has come to account during the past fiscal year for Fines and Forfeitures, N.W.T., is an item of \$36.30 for proceeds of a sale of horse, &c., which came through the Comptroller of the N. W. Mounted Police.

The last return accounted for, is that for the June quarter of 1891.

Please have the returns in arrears and deposits in acquittance, forwarded at once, and instructions given to have them regularly forwarded in the future.

I have the honour to be, sir, your obedient servant,
The Acting Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, August 15, 1892.

SIR,—I have the honour by direction to acknowledge the receipt of your letter of the 5th instant, respecting fines and forfeitures in the North-west Territories during the past fiscal year, and to say that a copy of your communication has been sent to His Honour Lieutenant-Governor Royal for his information.

I have the honour to be, sir, your obedient servant,
The Auditor-General.

LYNDWODE PEREIRA, *Assistant Secretary.*

AUDIT OFFICE, OTTAWA, September 23, 1892.

SIR,—A deposit receipt for \$788.92 dated 9th September, 1892, has come to account in acquittance of Fines and Forfeitures collected in the North-west Territories. A statement accompanied the receipt giving the names of the Justices of the Peace who paid over these fines, but the date of payment is not given and it is not signed.

The officer who receives these fines from the Justices should make a monthly certified report, and he should comply with the Treasury Board Regulation which provides that a deposit shall be made whenever \$25 or more is on hand.

I have the honour to be, sir, your obedient servant,
The Acting Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

INTERIOR DEPT., OTTAWA, Nov. 4, 1892.

SIR,—With further reference to your letter of the 23rd of September last respecting Fines and Forfeitures collected in the North-west Territories, I have the honour by direction to transmit to you herewith for your information, a copy of a communication dated the 26th ultimo, from the Secretary to His Honour the Lieutenant-Governor, together with a copy of the accompanying statement, in relation to such Fines and Forfeitures.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

LYNDWODE PEREIRA, *Asst. Sec.*

LIEUTENANT-GOVERNOR'S OFFICE, REGINA, N.W.T., October 26, 1892.

SIR,—I am directed by His Honour the Lieutenant-Governor of the North-west Territories to acknowledge the receipt of your letter of the 14th instant, covering copy of a letter from the Auditor-General dated the 23rd September last in reference to the transmission on the 9th ultimo of draft and deposit receipt for Fines and Forfeitures received in His Honour's office.

In reply I am to inclose you herewith statement of same, containing dates and certificate of His Honour, which appear to have been omitted from the previous Return.

The prevailing practice has been to bank these fines here, as received, to the credit of a Lieutenant-Governor Trust Account and to forward the amounts periodically to Ottawa.

I am to say that the wishes expressed by the Auditor-General in the matter will have attention.

I have the honour to be, sir, your obedient servant,

The Secretary Dept. of Interior.

R. B. GORDON, *Lieut.-Gov.'s Secy.*

Re Scrip.

AUDIT OFFICE, OTTAWA, Nov. 29, 1892.

SIR,—I have to ask for a statement of transactions in scrip during the fiscal year 1891-92, showing the balance outstanding at the commencement of the year under respective classes, the amount of each class issued and redeemed during the year, and the balance outstanding at the close of the year.

I have the honour to be, sir, your obedient servant,

The Acting Deputy Minister of Interior.

J. L. McDOUGALL, *A.G.*

Re Arrears Due.

INTERIOR DEPT., OTTAWA, Nov. 3, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 15th ultimo asking for a detailed statement of all arrears due to this Department on the 30th June last which have not yet been satisfied :—

(1) By collecting officers ; (2) By disbursing officers.

In reply I beg to inform you that there were no arrears due to this department by either its collecting or disbursing officers on the 30th June last which have not either been accounted for or refunded.

You also ask for a statement of arrears due to this department by persons not Government officers for account of Ordnance Lands. This statement is being prepared.

As to a summary by districts or other divisions of the arrears on account of Dominion Lands, for the reason verbally stated to you to-day, this cannot be furnished.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

JOHN R. HALL, *Secretary.*

Re Arrears due.

AUDIT OFFICE, OTTAWA, March 17, 1892.

SIR,—I wrote you November 16 last, asking for a statement of amounts due for military rent or stores. In reply you forwarded a statement of amounts due for rents, but none for stores. If there is nothing due for stores, please write to that effect.

I have the honour to be, sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, March 22, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th instant, and in reply beg to state that the statement of amounts due for military rents forwarded to you, covered the arrears of revenue due in connection with the store branch, there being nothing due for stores.

The repayment issues of stores are invariably made upon deposit receipt to credit of the Receiver-General.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

C. EUG. PANET, D. M. M. & D.

AUDIT OFFICE, OTTAWA, Sept. 20, 1892.

SIR,—What has been the result of the action taken against the sureties of the late Paymaster DeBellefeuille, and has anything been recovered from them? Has the balance due by the estate of Beaudet & Chinic been paid, and if not, should it not be deducted from the monthly pay of Major Prévost, who, you stated in your letter of September 15, 1888, had guaranteed payment.

I have the honour to be, sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

Re Militia Revenue.

AUDIT OFFICE, OTTAWA, April 27, 1892.

SIR,—I wrote you on March 7, 1889, in reference to the vouchers and certificates necessary to enable me to make a proper audit of this revenue. I wrote you on this subject again on Feb. 18, 1891, pointing out that I had had no reply to my former letter, and asking your attention to the matter. In your reply of March 24 following, you stated it had been submitted to the Minister. I have had no further information from you thereon and the vouchers and certificates required are not being furnished.

I have again to request your attention to this matter.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Militia.

AUDIT OFFICE, OTTAWA, Sept. 17, 1892.

SIR,—I have again to call your attention to my letter of March 7, 1889, in reference to the returns, vouchers and certificates required to make an efficient audit of Militia Revenue.

The returns, &c., are not furnished as therein requested, and no reason has been given why they have not been.

I have now to ask for a return of all free issues during the last fiscal year, giving date, number of requisition, name of company or person, and description of goods issued; also a return of all drill books, medals, &c., issued during the year, giving the date, name of person to whom issued and the value. Both these returns should be furnished monthly in the future.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Militia.

AUDIT OFFICE, OTTAWA, Sept. 17, 1892.

SIR,—Vouchers have not been furnished for advertising in "Free Press," \$9, and "Tribune," \$7.50, in connection with sale of horses at Winnipeg, July 16, 1891. The vouchers for miscellaneous receipts should be forwarded direct to this office each month with a certified return instead of sending them, as is now done, to the Finance Department with the bank receipts.

C. F. Hill, Auctioneer at Winnipeg charges a commission of 10 per cent; Joseph Wolf of the same place charges only 5 per cent. W. Murray, Auctioneer at Kingston charges 10 per cent, while the commission charged at Toronto, Quebec, St. John, Halifax &c., is 5 per cent. \$10 is charged by H. J. May, Auctioneer, for his commission and expenses in connection with the sale of the Ballsville Drill Shed site which realized \$40 but no division is made nor details given of the expenses.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Militia.

Re Royal Military College Revenue.

AUDIT OFFICE, OTTAWA, September 20, 1892.

SIR,—The return for the month of August, 1891, shows a total of \$6,527.97, but the entries thereon only add to \$6,171.80. The difference, \$356.17, is a deposit made at Sherbrooke, No. 169, August 29. Please give particulars.

What is the authorized annual fee for each cadet? Why have several only paid \$100 while the greater number have paid \$200?

A certificate should be attached to the annual statement generally furnished stating that the authorized fees and all supplies furnished have been paid by all students who attended the college during the year.

I have the honour to be, sir, your obedient servant,
The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

DEPT. OF MILITIA AND DEFENCE, OTTAWA, October 17, 1892.

SIR,—In reply to your inquiry of the 20th ult., I have the honour to inform you that :

1.—The last entry on the Royal Military College office copy of the return is as follows :—

“ Eastern Townships Bank, Sherbrooke, deposit receipt No. 169, August 29, 1891, for \$356.17. Deposit made by R. G. Leckie on account of Cadet John Edwards Leckie, \$200 for fees and \$156.17 for supplies.”

The deposit receipt and draft for the above amount accompanied the return sent to the Department of Militia and Defence, but the entry in the return, I regret, appears to have been omitted inadvertently from the copy rendered.

2.—The authorized annual fee for each cadet who joined the college prior to July 25, 1888, was \$100, for those who joined since that date it is \$200. See Clause 26, Royal Military College General Regulations.

All the cadets *now* at the college pay the \$200 fee.

The cadets of the graduating class of 1891-92 were under the \$100 fee regulations.

3.—The authorized fee, and all supplies furnished have been paid for by the students attending the Royal Military College during the terms ending June 30, 1892.

I have the honour to be, sir, your obedient servant,
The Auditor-General.

EUG. PANET, Colonel, D.M.M. & D.

Re Sale of Vernon Drill Shed.

AUDIT OFFICE, OTTAWA, October 12, 1892.

SIR,—I have to ask your consideration of the inclosed account of the sale of Vernon Drill Shed, purchased by James W. Kennedy for \$100. The auctioneer charges \$4 for conveyance, 45 cents for tolls at Vernon, \$2.70 for other disbursements and \$25 for conducting the sale. The account is not signed by any one. The same certificates from the auctioneer and the proper departmental officer should be furnished in this case, as is required by the regulations as to sale of condemned stores.

I have the honour to be, sir, your obedient servant,
The Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

OTTAWA, November 16, 1892.

SIR,—In reply to your request for a statement of arrears due this department, I have the honour to state that apart from the two items mentioned below, the only amounts unpaid are for fees upon commissions to public officers and others, the liability for payment of which is contested by those upon whom the charge is made.

The aggregate of these is inconsiderable, and as the matter is undecided it does not appear to me that any object would be gained by the publication of a detailed statement.

The items to which I have referred are two amounts for which Mr. L. H. Taché, formerly a second-class clerk in this department and private secretary to the then minister, has not yet accounted, viz:—\$40, advance for travelling expenses, and \$72.37 unearned salary.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

L. A. CATELLIER, U. S. S.

Re Sales of Waste Paper, &c.

AUDIT OFFICE, OTTAWA, July 5, 1892.

SIR,—I do not find that I have any reply to my letter of Dec. 18, 1891, on this subject. In your letter of the previous day you stated that an employee of the contractor who purchases the waste paper, goes around day by day accompanied by a clerk of Printing Bureau, and collects from the various departments the waste paper he finds there. I have now to ask if the waste paper of the House of Commons and Senate is collected on these tours and sold for the benefit of the Government.

I am, sir, your obedient servant,
J. L. McDOUGALL, A.G.

The Queen's Printer.

DEPT. OF PUBLIC PRINTING AND STATIONERY,
OTTAWA, July 6, 1892.

SIR,—In reply to your letter of the 5th instant I have to say that I have nothing to do with the waste paper of the House of Commons and Senate, and I have not the least idea as to what becomes of it. The contract referred to in my previous letter to which you allude extends only to the three departmental buildings and to the Bureau, and the collections are made from these buildings in the manner which I described.

While I am writing upon this subject, I would take the opportunity to remark that the great bulk of waste paper sold by me for the Government comes from the Printing Bureau alone; the collections made in the departmental buildings amount to very little, and as a matter of fact the Government would save a good deal of money by letting each department provide for its own waste paper, because to collect it from these buildings takes nearly the whole time of one man whose salary more than eats up the amount received. It is quite true that the contractor is bound by the terms of his contract to remove the paper, but unless I send a man round with his collector, I have no means of knowing that all the waste paper is accounted for.

I have the honour to be, sir, your obedient servant,
S. E. DAWSON, *Queen's Printer.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, July 8, 1892.

SIR,—I am in receipt of your letter of the 6th instant, in which you state that you have nothing to do with the waste paper of the House of Commons and Senate, and do not know what becomes of it.

As your department controls the sale of the waste paper, should you not inquire what becomes of the waste paper of all large public offices, not only those in the city but those in other large cities?

As to the small amount collected at the different departments, and the cost of sending a man from your department to weigh it, could you not make arrangements to have all the paper of each block weighed by a messenger attached to that block?

I have the honour to be, sir, your obedient servant,
J. L. McDOUGALL, A.G.

The Queen's Printer, &c.

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, July 13, 1892.

SIR,—In reply to your letter of the 8th instant I would say that, inasmuch as the waste paper of the House of Commons and Senate was not included in the con-

tract for which I am responsible, I assume that it was excluded with deliberate intention, and I think that the correspondence which took place at the time will bear out my supposition. I have therefore refrained from making any inquiries into the matter, and I do not see that it is my duty to raise the question even now. To do so would be to interfere with another branch of the public service which is not under the control of the Executive Government, and would probably bring me rebuke.

With regard to the waste paper of public offices in the other large cities of the Dominion, I think that at the present prices it will cost more to collect it than to let it go. The price the Government is now getting is $\frac{1}{4}$ of a cent per pound, and at that price the cost of watching the collections will come to more, in the generality of instances, than the proceeds of the sale. I think that even in Ottawa in many of the offices such is the case, for the waste collected consists only of newspapers and torn envelopes. If at any time any large quantity of useless printed matter is to be got rid of, I think the deputy heads might send word to the Printing Bureau to have it carried away and sold with the waste of the Bureau; but in most instances the collection of waste is made at a loss, for the salary of the man who watches the collector and checks the weight eats up the proceeds.

As I pointed out in my last letter the bulk of the amount of the proceeds comes from the Printing Bureau, where the trimmings of the pamphlets amount to a considerable sum. This is easily weighed without any additional expense to the Government, but for the remainder the whole of the time of one man is taken up in going around to the various buildings.

If, as you suggest, scales were provided in each building and one messenger in each building were charged with the duty of watching the waste of his own building, I think that it would be of great advantage to the Government. There is a danger in letting the waste of any building become a perquisite; because then the person who attends to it has an interest in making the waste as great as possible. My objection to the present system is that my officer has to go round with the contractor every day and see him gather up the waste in each building and remove it to the East Block to be weighed, and he must remain until it is weighed and taken away.

The rooms which were allotted in the different blocks for this purpose were closed by order of Ministers because of an accidental fire which occurred, and the room in the East Block is still objected to on that account. Moreover, it is evident that large accumulations of loose paper in valuable buildings ought not to be allowed, especially when the return is so insignificant compared with the value of the property at risk.

If such difficulties exist in carrying out the contract in the city of Ottawa, how much more difficult would it be for the Queen's Printer to supervise the collection of waste in the other cities of the Dominion. In every Government building there is some officer in authority who would be able to take measures for so small a thing as the sale of waste paper in the building in which he is working. In former years, before the introduction of wood pulp into paper-making, waste paper was a very important item of revenue; but now that wood is so extensively used, the ordinary waste of an office is scarcely worth the labour of collecting it, and unless on special occasions the proceeds of the sweepings of the offices are not worth more than the expense of carting them away.

The present contract ends in the month of November, and, if the Government should wish to make any change, that would be the proper time to make it.

I have the honour to be, sir, your obedient servant,
The Auditor-General.

S. E. DAWSON, *Queen's Printer.*

DEPT. OF PUBLIC PRINTING AND STATIONERY,
OTTAWA, 24th October, 1892.

SIR,—Referring to my letter of the 13th of July in the matter of the collection of waste paper I have the honour to inform you that a new contract has been entered

into, commencing on the first of November next, and that this contract includes the waste paper of the House of Commons as well as that of the departmental buildings. I have not, however, been able to obtain the control of the waste paper of the Senate; I have been informed that the consent of the Committee of the internal economy of the Senate will have to be obtained. As the Senate is not in session I presume the matter will have to be left over for the present; but I have made provision in the contract that if I succeed in obtaining control of the Senate waste paper it will come under the present contract, which I am glad to say is at a considerably advanced price.

I have the honour to be, sir, your obedient servant,

The Auditor-General.

S. E. DAWSON, *Queen's Printer.*

AUDIT OFFICE, OTTAWA, March 17, 1892.

SIR,—I have to state that I have not yet received the information in reference to receipt books sent to your agent at Chatham, N.B., promised in your letter of July 3, 1891.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Supt.-General of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 1, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th ult., and in reply to inform you that the receipt books sent Mr. Charles Sargent, Indian Superintendent at Chatham, N.B., have been returned to the department by him without having been used.

Your obedient servant,

L. VANKOUGHNET, D.S.G.I.A.

The Auditor-General.

Re Indian Fund.

AUDIT OFFICE, OTTAWA, March, 17, 1892.

SIR,—Referring to the returns for the six months to December 31 last, I have to ask attention to the following observations:—

The agents at Strathroy, Tyendinaga, Wiarton and Cockburn Island, do not observe the regulation as to deposit of receipts whenever \$25 or more is on hand. In places where there is no bank, the collections should be mailed in accordance with the regulations.

The agent at Cacouna deducted 25 cents from his collections for bank charges on draft purchased from Banque Jacques Cartier.

No return for August was furnished from the agent at Maniwaki, though deposits for \$159.46 came to account. No return for October was furnished from the agent at Victoria, B.C.

Details should be furnished of the sales of hay and wheat entered on returns of Agent McColl.

The agent at Cockburn Island, in his return for August, takes credit for a remittance of \$28.70. The deposit in the Bank of Montreal, Ottawa, dated September 12, is for \$28 only.

Though agents should enter all collections on their returns, yet several deposits have come to account which do not appear on agent's returns. I inclose a statement of them, and I have to ask you to procure supplementary returns covering these amounts.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Supt.-General of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS,

OTTAWA, May 18, 1892.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th March last, calling attention to several matters connected with the returns of collections on account of the Indian fund for the six months ended 31st December last, and in reply I beg to inform you:—

1st. With regard to the regulations for deposits of receipts by agents, I have to refer you to the letter of the 8th June, 1891, in which you were informed that many of the agents are located far from the banks and that the postal facilities are such

that they cannot make daily deposits of their collections, but that care would be taken that the collections made by agents will not be held too long.

2nd. The copies of cash books for August, 1891, from the agent at Maniwaki and for October, '91, from the agent at Victoria, B.C., were sent to you with those for February, '92. (Received April 5.)

3rd. The details in connection with Mr. McColl's remittances for August, 1891, are shown in the returns of miscellaneous collections made by that gentleman and which is inclosed herewith, and Mr. McColl has been instructed to have details shown in future copies of cash books.

4th. The entry in copy of cash book from the agent at Cockburn Island, \$28.70 for August, 1891, should really be \$28.75 and is covered by Bank of Montreal receipts Ottawa, Nos. 1539, 12th September and 2782 of 25th January, 1892, with statements of bank receipts for October, '91, and January, 1892.

5th. The items, \$16.00, \$14.84, \$55.51, ¹¹/₁₀₀ and \$19.30, of 13th, 20th, 17th, 29th and 23rd of July, 1891, and \$5.00 and \$5.28 of November, 1891, deposit receipts 897, 994, 956, 1102, 4845, 1766, 2133, are refunds of expenditure, consequently should not appear in copies of cash books, and an application will be made to you to rectify the matter.

6th. The items \$1,468.99, Hayter Reed, and \$527.83 and \$233, J. C. Phipps, are the proceeds of special sales of lands, the particulars of which are shown on the returns inclosed herewith marked A and B, special receipts being issued to which no coupons were attached.

7th. A supplementary return for the amounts collected at Ottawa, and for which through inadvertence receipts have not issued, is also inclosed herewith.

8th: The following agents are among those from whom no copies of cash books were to be asked for, and after the 1st July, 1891, as suggested in your letter of 17th June, and reply thereto from this department of 20th June, 1891, viz., J. W. Jermyn, P. E. Robillard and A. English.

Your obedient servant,

L. VANKOUGHNET, *D.S.G.I.A.*

The Auditor-General.

DEPARTMENT OF INDIAN AFFAIRS,

OTTAWA, November 16, 1892.

SIR,—Referring to the subject of your letter of the 15th ultimo, requesting a detailed statement of arrears due to this department on the 30th June last, by collecting and by disbursing officers, and for a summary by tribes of the arrears due on Indian lands, I beg to hand you herewith inclosed statements of the arrears due by collecting and disbursing officers; and with respect to the summary by tribes which you ask for, to inform you that the preparation of such a statement is almost impossible with the staff in the lands branch of this department.

I am informed by the officer in charge of that branch of the department that the preparation of such a summary would engage the services of his branch for six months doing nothing else. The annual report of the department to the 30th June last amounted to \$192,416.44, of which \$102,794 is principal, and \$89,622.44 is interest. Purchasers of Indian lands who are in arrear with their payment are regularly notified to pay their arrears, and unless good reason is shown why the time for payment should be extended the sales are cancelled, and the instalments which have been paid are forfeited. In every case the department holds the land with all the improvements thereon, as security for the purchase money.

Your obedient servant,

R. SINCLAIR, *Acting D.S.G.*

The Auditor-General.

Re Waste Paper &c.

AUDIT OFFICE, OTTAWA, July 8, 1892.

SIR,—The Queen's Printer, whose department controls the sale of waste paper, writes, under date of July 6, that he has nothing to do with the waste paper of the Senate, and does not know what becomes of it.

I have to ask you what disposal has been made of this waste paper, to whom it has been sold, and what has become of the proceeds, as I do not find that any sums have come to account arising therefrom.

Be good enough to take the necessary steps to have the waste paper put under the control of the Queen's Printer.

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Clerk of the Senate.

THE SENATE, OTTAWA, July 15, 1892.

SIR,—I have the honour to acknowledge the receipt, on the 11th instant, of your letter of the 8th instant with reference to waste paper, &c. As it is a matter entirely under the control of the Committee on Contingent Accounts, I shall not fail to place your letter before them at the next session of Parliament.

I have the honour to be, sir, your obedient servant,

EDOUARD J. LANGEVIN, *Clerk of the Senate.*

The Auditor-General.

AUDIT OFFICE, OTTAWA, July 18, 1892.

SIR,—I have to acknowledge the receipt of your letter of July 15, stating that my letter of July 8 *re Waste Paper* will be submitted to the Committee on Contingent Accounts at the next session of Parliament. As waste paper is certainly the property of the Government, the proceeds of any sales of it should be deposited to the credit of the Receiver-General. If it has been differently treated in the past by some one or more of your staff or assistants, it seems to me that it is not necessary to await the action of the Contingent Committee before instructing the employees concerned to treat it as public property, and to hand over the proceeds to you.

I have the honour to be, sir, your obedient servant,

The Clerk of the Senate.

J. L. McDOUGALL, A.G.

OTTAWA, July 20, 1892.

SIR,—Acknowledging the receipt of your letter of the 17th instant respecting the waste paper, &c., I may say that the opinion you volunteer to offer me has not altered my mind regarding the same, and that I do not intend to interfere in the absence of instructions from the Committee on Contingent Accounts.

I have the honour to be, sir, your obedient servant,

EDOUARD J. LANGEVIN, *Clerk of the Senate.*
