The prices given were the standard rates in the United States and Canada for a long time. Indeed I do not know but they may be so yet. But the conditions of the business of typemaking and selling have altogether changed. Type for city newspapers, especially, is now made and set at the same time by the machine compositor, and is called linotype, by which means the work is greatly cheapened and the product in the shape of newspapers and books is greatly increased. There was not a type foundry in Canada at that time and I doubt if there was an agency for selling type. The first man that I know of who took orders for type in Canada was C. T. Palsgrave of Montreal, who sold English-made type. An Irishman from New York named Guerin, was the first man to establish a type foundry in this country and that was at Montreal, some time in the early forties. Guerin did not succeed and Palsgrave bought him, (Continued on page 8.)

#### THE SISTERS.

She wrote, dear child, from London, To her sister at St. Luke,-The merry, madcap Alice, To the Novice at St. Luke: "I have just been to the Palace, With a Duchess, and a Duke.'

"In your poor secluded Cloister, O my gentle Geraldine,-With its round of dreary penance And its ever dull routine, What think you of the honor C' an audience with the Queen?"

"A countess went before me, And a Marchioness behind, And all the Royal chamber With noblemen were lined, And the Prince, beside his mother, Looked upon me fair and kind."

"For I wore my snow" velvet, And my set of preceous pearts, And a wreath of whitest roses Rested lightly on my curls: Now was I not, sweet sister, The happiest of girls?"

Then Geraldine made answer From her convent by the sea: "God keep thee ever guileless In thy gayety and giee, But bear with me, beloved, While I tell my joy to thee!

"To-day, my little Alice, I too, at Court have been; Have entered at a palace And held converse with a Queen A dearer and a fairer Than any earthly queen."

"With a wreath of whitest roses, They crowned thy kneeling nun: And when the Queen embraced me,-O, darling little one,-Before the court of Angels. She espoused me to her Son."

"The richest, rarest jewels He has brought me from on high; He clasped me to His bosom With a love that cannot die; O. tell me happy Alice, Art thou happier than I?" -Eleanor C. Donnelly.

TO A POET PRIEST.

The Sun, of Baltimore, prints the following tribute to Rev. John B.

Painters of miniatures We wear against the heart, Maker of images With which we would not part.

One touch of thine can bring The light into the eve. One shade expose the love For which we live and die.

Thy fine Italian hand With one stroke doth reveal The highest joy we know, The deepest grief we feel.

One flash can light the path We have in darkness trod, One ray from the soul-lamp Can show the way to God. -Orrin C. Painter.

THE BETTER THINGS OF LIFE. 'Tis better to speak kindly words, 'Tis better to do kindly deeds, 'Tis better to know

That the seed you may sow Will blossom as flowers, not weeds. 'Tis better to do with a will

The duties that come, one by one; 'Tis better to say At the close of the day: "I have tried to leave nothing undone."

'Tis better to cultivate love, Contented with blessings of worth; 'Tis better to fight For the cause that is right Than to covet the riches of earth.

'Tis better to smile, tho' the heart Be burdened with sorrow and pain; 'Tis better to smile, For 'tis always worth while

WHOLESOME RESTRAINTS.

We are living in a time when there is imperative need of a revival of regard for the law of God. The mass the place which belongs alone to the will of God than they are at the present time. Even among professing Christians there is a wide-spread misapprehension of the meaning and spirit of law. They look upon it as an enemy to be conquered, rather than as a friend to be loved. They forget that the same hand which wrote the ten commandments on tables of stone was nailed to the cross for their salvation; that the same voice which spoke in trum-When from our hearts we would cast pet tones on Mt. Law is but another name for love. True, the law forbids, and we do not like to be forbidden. HE DUG.

He wanted a job and, like everyone

He wanted a good one, you know; Where his clothes would not soil and it suddenly grew bigger and bigger, his hands would keep clean, And his salary mustn't be low.

He asked for a pen, but they gave him a spade, And he half turned away with

He worked with a will that is bound asked Picola. to succeed, And the months and the years went another bow.

### A HOME PICTURE.

Oh, the happy little home when the sun shone out, And the busy little mother got the children all about;

And Johnny fetched the water, and Tommy brought the wood, And Billy-boy tied both his shoes, as every laddie should-

And Dannie rocked the cradle with a clatter and a song, To make the little sister grow so pretty and so strong.

Oh, the sweet peas and the morningglories climbing round the door, And the tender vine of shadow with

its length across the floor. Oh, the "pinies" and the roses, and the quiver of the grass, And the cheery call of friendship from

the neighbors as they pass. Oh, the scuffle and the shouting, and the little mother's laugh As a rabbit starts up somewhere, and her "great helps" scamper off.

Oh, the happy little home when the twilight fell,

And all along the meadow rang the old cow bell With a tinkle that is music through

the rushing of the years-And I see the little mother in the tremble of the tears,

And I hear her happy laughter as she cries, "The boys have come," And we know she's getting supper in the happy little home.

-Louise R. Baker, in Locomotive Engineers' Journal.

## FLOWERS WITHOUT FRUIT.

Prune thou thy words, the thoughts control

That o'er thee swell and throng: They will condense within thy soul, And change to purpose strong.

But he who lets his feeling run In soft luxurious flow, Shrinks when hard service must be done.

Faith's meanest deed more favor Where hearts and wills are weighed,

And faints at every woe.

Than brightest transports, choicest prayers, Which bloom their hour and fade.

-Cardinal Newman.

## HELPING OTHERS.

If any little word of mine May make a life the brighter, If any little song of mine May make a heart the lighter,

God help me speak the little word, And take my bit of singing, And drop it in some lonely vale To set the echoes ringing.

If any little love of mine May make a life the sweeter, If any little care of mine May make a friend's the fleeter,

If any lift of mine may ease The bucden of another, God give me love, and care, and strength To help my toiling brother!
