The Skoda Discovery Co.

Business has commenced in the Laboratory of the Skoda Co. Some six thousand bottles of the Discovery have been put up during the past few days.

Kentville News.

Mayflowers have been quite plenty around Kentville for the last week. Rev. J. Eaton (Baptist), of Lawrence town, has been in Kentville for a few days, visiting his brother-in-law, Mr. S. Strong.

In the Town Court last Friday, the case of Brown vs Barnett was heard by Deputy Recorder Sheffner. A number of witnesses were called and the trial lasted all day. Judgment was reserved.

The Municipal Council met at the Court House last Tuesday, and proceeded to business. The work for the spring term was not very extensive and so the business was all transacted in one day.

The members of Hiawatha Lodge (Odd-fellows) went to Canning last Monday night to celebrate with Athlon Lodge the anniversary of the Independent Order of Odd-fellows. Headed by the Kentville Brass Band they marched to the station and took the C. V. R. for Canning.

On Wednesday morning about 5 o'clock when Burpee Lloyd went into his stable he found near the door an infant snugly wrapped in a pillow with a blanket and sheet around it. Mr. Lloyd removed it to his house and had it cared for. It proved to be a female child and appeared to be only a few days old.

May term of County Court will open at the Court House on Tuesday next, May 3d, before His Honor Judge Chipman. The causes on the docket are as follows:

Griffin vs. Innes—Shaffner & Cogswell for plaintiff. Woodworth vs. Sheraton—W. E. Roscoe for defendant.

SUMMARY CAUSES. Bill vs. Rand—W. E. Roscoe for plaintiff. Shaffner & Cogswell for defendant. Stronach vs. Ward—Shaffner & Cogswell for plaintiff. W. E. Roscoe for defendant. Bowley vs. Parker—E. S. Crawley for plaintiff. W. E. Roscoe for defendant.

DECLARATION CAUSES. Sheffield vs. Green—W. E. Roscoe for plaintiff. Shaffner & Cogswell for defendant. Margeson vs. Beckwith—Shaffner & Cogswell for plaintiff. Webster & Robertson for defendant.

Funeral of the Late Ex-Premier.

The remains of the late Hon. Alexander Mackenzie were taken to Sarnia, Ontario, where the family burial place is situated. Long before the hour fixed for the removal of the body from the residence of the deceased to Jarvis St. Baptist church, of which for many years he had been a member, the house was filled to overflowing, and the streets in the immediate vicinity were filled with silent throngs of people to take a last look at the features of the illustrious statesman.

The services at the house were conducted by Rev. Dr. Thomas, pastor of Jarvis street Baptist church. On their conclusion the funeral cortege started for the church. Among those who formed it were Sir J. J. Thompson, Hon. M. Borell, and Hon. J. C. Patterson, representing the Dominion Government; Hon. Mr. Laurier, Hon. David Mills and Hon. L. H. Davies; a large number of members of parliament which had adjourned out of respect to the memory of him who had once been so prominent in its debates; members of the Ontario government and legislature, Toronto city council and political, benevolent and other societies.

The pall bearers were Hon. Oliver Mowat, premier of Ontario; Hon. G. W. Ross, provincial minister of education; Hon. G. W. Allan, ex-speaker of the Dominion senate; Hon. Edward Blake; Sir Richard Cartwright, M. P.; Hon. T. W. Anglin, ex-speaker of the Commons; Judge Burton, Judge McCannan, J. L. Blaikie, Robert Jeffrey, Major Gregg, T. C. Irving.

In response to the proclamation by Major Flemming, most of the places of business were closed.

By Rail to Victoria Nyanza.

The engineers are making excellent progress with the survey of the railroad between the Indian Ocean and Victoria Nyanza. The survey has now been completed to Kikuyu, a distance of over 200 miles from the coast. The route they for surveyed runs for the most part through populous and cultivated districts. The engineers now estimate that the total cost of the construction and equipment of the line will be \$15,000,000, or a little over \$6,000,000 altogether. The portion that is now being surveyed presents the greatest physical difficulties to be found along the route. The engineers are now in the neighborhood of the remarkably abrupt elevation known as the Mau escarpment, and the country near this wall which suddenly rises for hundreds of feet above the general level of the plain, is very rough. The engineers, however, believe that they will find a comparatively easy place to scale the escarpment. When they get to the top of this new plain level they will find the plateau sloping very gently all the way to the lake. They have now only about 100 miles to survey before they reach the end of their task. The railroad is to be narrow gauge and the friends of the enterprise in England are greatly encouraged by the favorable reports of the progress of the survey.

Behring Sea Arbitration.

The United States senate has ratified by a unanimous vote a treaty which submits to arbitration five points upon four of which the judgment of the arbitrator it sure to be against the United States. How much easier and less expensive it would have been to concede directly to Great Britain every point in dispute. The expense presenting the American case, the pay of commissioners and counsel, the sums that will be devoted to international eating and drinking and fiddling and scraping, would have been saved. The United States would have said to Great Britain directly instead of indirectly: "We give up the whole case. Have everything your own way. We have talked only for the sake of hearing ourselves talk. Please consider our mouths a mere clausum on the subject of Behring sea."

Rushing Westward.

DAILY TRAIN LOADS OF IMMIGRANTS AND SETTLERS ARRIVING AT WINSPIEG.

WINSPIEG, April 13.—No decrease in the number of immigrants arriving here is yet perceptible; each day train loads of settlers' effects continue to arrive and are at once despatched to different parts of the North-West. The companies are crowded with land seekers, each anxious to secure his land to begin spring work.

"How do the sales of the first quarter of the present year compare with the corresponding period of 1891 and former years?" asked a reporter of Land Commissioner Hamilton.

"The increase has been something enormous," said Mr. Hamilton, "but I think the second quarter will be even greater. For the first quarter of 1891 the sales aggregated 15,000 acres and for January, February and March of this year a total of 80,000 acres, an increase of 433 per cent.

In discussing this great increase Mr. Hamilton said it demonstrated that the extension of the branch lines was a factor in the development of a country, as illustrated by the sales of farm lands in the Souris district, in which section, for the first three months of 1891, the sales were only 960 acres, whereas for the past quarter 45,000 acres had been disposed of in that district, and principally to parties settling on land. Sales for the first ten days of April amounted to 25,000 acres; for the corresponding period of 1891, 3,300 acres.

The biggest day's sales this year took place on Monday, when over 9,000 acres were disposed of. The number of actual settlers who have arrived this year up to March 31, is now 6,000, which is 100 per cent increase over 1891. The majority of these have located in the Souris coast fields district in the Saskatchewan Valley, near Edmonton. There has been an increase of 320 car loads of settlers' effects and a very large increase in the number of cars of stock brought to the country.

Wolfville's New Industry.

It has been a subject of remark that Wolfville is devoid of industry, and much regret has been expressed at the absence of that species of enterprise and prosperity. Lately, by the establishment of the Skoda Discovery Co. here, the reproach, if reproach it was, has been removed, and an able company has favored the community with a large and costly edifice with all the appliances necessary for the carrying on of a respectable and profitable business. But scarcely had the factory gone into operation than some of the village boys began to occupy themselves by throwing stones at the windows, thereby disgracing the village and occasioning loss to the proprietors of the building. I regret very much that such a charge was made against the boys, or any of the boys, of Wolfville. But it is not sufficient to regret. Regret should lead to further steps, and punishment should follow such disgraceful and injurious conduct. A prosecution and a fine inflicted which the boys' parents or guardians would be required to settle would not reach the case and prevent a repetition of the offense. Imprisonment in the county jail with "prisoners' fare" of bread and water for a number of days or weeks would probably awaken reflection and lead to reformation, and this, it is to be hoped, that the company will resort to with a full determination, that in the interest of the village and of their business they will see it secured. OBSERVER.

REV. FATHER SHAW'S TESTIMONY.

"To all those who may be suffering from that prevalent and horrible disorder called dyspepsia, I say with confidence and without any hesitation, so at once and procure a package of K. D. C. use it as directed, and before you consume the contents of one package, you will thank me for directing your attention to this wonderful cure. C. at once, I used it according to direction, and I am happy to say that in a few days, I felt nearly as well as ever.

I have no selfish motive in making the foregoing declaration, I am not one of the Company, neither am I a cousin to any of them, my only desire is to alleviate the sufferings of my fellow creatures." (Signed) REV. FATHER SHAW, P. Rector of St John the Baptist, Jan. 23, '91.

A Bangon woman's pet dog died recently, and the woman, after copious tears, gave the cur an elaborate funeral. A casket was made and lined with silk. On a shrouded table in a darkened room, and banked with hot-house flowers, this carcass, with crossed paws, was laid in state. Then the family and all the sympathetic and curious women of the neighborhood filed in for a last look at Power. The casket was borne to the garden, and there, under the lilies, \$4 worth of black walnut, silk, and flowers, and 50 cents worth (original value) of dog were laid away.
