Two travellers from Pouch Cove arrived here last evening and reports yet this steamer we'll see no laving found the wreck of the brigans ne Terra Nova o i a reef near Bauhe Head. She is nearly haif our of water, and it is probable that a good deal of her eargo may be saved. All the provisions on board ners taken out of her, and several sails and a large quantit; of cordage were saved. Parties desirous of investing in wellwatered fish would do well to take a purchasing. - Mercury.

> The Flora, Captain Pike, made the run from New York in eight days, twenty-eight days . - Telegram.

This morning Mosses Job. Brow thers & Co. receive la despatch from gratifying inteligence that the mis-The waves unheeding this grout dis. sing brigantine Jessy, Captain alfrey, had "turned up" after ninety se days' Atlantic. This information will be the more welcome, because few expect-Which told of shipwreck that fatal cd to see the Jessy again or any of her hardy crew. Indeed, she had long ago been reckoned among the lost, and only a feeble ray of hope lingered in the breasts of those whose loved ones were on board. And no wonder! The mere thought of being exposed for a period of something over three months to the dangers of an Atlantic voyage, during which gales of almost unprecedented violence have prevails ed and the coasts on "both sides of the water" have been strewn with wrecks, is surely enough to make the "boldest hold his breath for a time," -Telegram.

LITERARY.

SNOW.

Not in the city, in the crowded street, Not 'mong the haunts of men, Where the ceaseless tramp of countless

Would caush thee out again, Fall thou, fair snow.

Not on our grany roofs and miry ways, Where soot flakes rest and cling; Not through the vapourous fog, whose murky haze

Would smirch a cherub's wing, Fall thou, pure snow.

Out on the mountain, on the upland moor Over the fertile vale, O'er park and woodland, hall, and cotiage poor, Shake out thy pilions pale, Angel of snow.

Where country children greet the with a And carches thee in their play, The fur-clac darling, and the ragged loub, Rejoicing on their way. Fall thou, fair snow.

Spread the white mantie out o'er mother

Keep warm her naked breast; Broad fields will thank thee with prolific

And man through thee be blest, Thou guardia , snow.

Give to the wintry woods a crown

And from the spreading plain Look at the sky with pure, unsuffed face, Where is no fear of tam, Thou spotiess snow.

But far from the loud c'ty's crowded way Wing thy unwhispering flight; Soil of thy virgin whiteness n its maze, another bottle, and get rid of Liammon his no delight In fallling snow.

Hush! the s ft snow is drifting to the ground In eloquent re'mke! I seem to hear a sermon without so And listen as I look,

Yes! in the city, in the crow ed street Among the haunts of men Thou h the rough tamp of countless

Where falls the anow,

May er sh thee out agai . Should full the snow.

In the dark alleys in the fling lanes, Pleaching with a a creed, It leave a les on on the honen pules, .In Imguage all may read-" Le pure as s . o ..

The ma chiess leveliness of every flate. Informs the dale t eye: Rough walls, cou se garbage, a apes o early take The poorest may 'e cr

The gutter chi drea hail the with a shout, wear away. The cheape tof all to: They rol thee up, they tass thy ball about, A very joy of joys.

Where falls the show.

Benignant s. ow ! So shed c'er all the city-fresh from Go Thy pure and noly cam; Only the mammoni e or senseless clod Will find no ble sed bann In winter's snow.
