THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call Phone 11, send by mail or drop item in GUIDE-ADVOCATE Letter Box.

MANY wells are dry.  
THANK goodness it's over.  
GET the new hats at Brown's.  
Now commence saving for a Thanksgiving turkey.  
THE tax collector will start on his rounds Monday.

TOILET sets at wholesale price from now till after the fair.—P. DODDS & SON.  
FRANK RESTORICK is shipping a fine lot of butcher cattle to Toronto this week.  
DON'T miss the Bowlers' concert Fair night—Plan of hall at McLaren's drug store.

OWING to a shortage of raw tobacco, the manufactured article will likely go up in price.  
MILLINERY is always right at Brown's. Fair visitors should not fail to visit their show room.

It only required a glance at the features of a man Friday to tell whether he was a Crit or Tory.  
DON'T forget the Band Concert at the Lyceum on Fair night. Laurant the great magician, 35 cents.

"FEW men are important, no one is necessary." This dose to be taken frequently to reduce swelling of the head.  
MRS. SWIFT'S first prize china on display, north window, Friday and Saturday.—SWIFT'S.

THE contest is over and in a week or so you will never know we had one. Everything will be just the same as usual.  
THE Daughters of the Empire will meet at the home of Mrs. T. G. Mitchell Oct. 3rd, at 3 o'clock. Quotations, "Incidents of Childhood."

GO STRAIGHT to Howden's for horse blankets, halters, whips, lanterns, brushes, etc. All fall hardware in stock.  
It is all right for the boys to celebrate a political victory in a proper manner, but when it comes to destroying property it is time to call a halt.

THE Misses Watson had an exciting runaway Tuesday night, their horse becoming frightened by a passing train. No serious damage was done.  
ROLLER BLINDS in green and cream, 25c.—A. BROWN & CO.

THE Banks are putting into circulation a large number of government notes in the form of new, crisp and particularly good looking four dollar bills.  
MILLINERY—Ladies', misses' and children's dress and street hats, American style, trimmed at the wholesale house.—MISS A. BODALY, Front street, east.

THE girl with a sweet little voice need not feel discouraged because she has no opportunity to sing in grand opera. She can give great pleasure by being a songbird in the home nest.  
P. DODDS & SON invite you to make their store your headquarters while at the fair.

LAURANT, the new mystery man, in his disappearing act, played in Toronto all week, at Lyceum, Friday, Oct. 6th. Reserved seat tickets 35 cents. Plan of hall at Taylor's drug store.

A SWELL SUIT and overcoat. See our cutter, Mr. Hudgin. We are busy, get your order in. See our display of imported tweeds and worsteds, direct from Glasgow.—SWIFT BROS.

EIGHT by-elections for the Ontario Legislature are in prospect, six of which were occasioned by the candidature in this election of members of the local House for the House of Commons.

THE Methodist S. S. will hold a commemorative service on Sunday morning at 11 o'clock in the Church in honor of Robert Parker, the founder of the Sunday Schools, who died 100 years ago.

KING HATS, Regal shirts, Sword Neckwear and 20th Century clothing will be special attractions at the fair.—A. BROWN & CO., sole agents.

THE electric light service was resumed on Saturday night much to the satisfaction of business men. After enjoying electricity for twenty-two years the coal oil lamp certainly seems a little out of date.

AMONG those from here who left to attend the Normal School in London this week are Alice V. Auld, Lena Blain, Vena M. Brison, W. J. Kelly, Mand Marwick, Alma Lucas, Harold D. Taylor, Fred. H. Thompson.

WHEN at the big fair make our store your headquarters. We want to see you whether you are out for business or pleasure.—THE N. B. HOWDEN ESTATE.

GET the dust off your flag for Fair day. COAT MAKERS wanted, SWIFT'S, steady work.  
MEET your friends at the Watford Fair, Oct. 5th and 6th.  
THE Tory boys had the time of their lives Thursday night.

BIG STOCK of boots, shoes and rubbers just to hand at P. Dodds & Son's.  
MORE new hats at Miss Minielly's for the fall fair. Come and get first choice.  
THE election forecasts seem to have suffered in the equinoctial gale last Thursday.

OUR showing of ladies' misses' and children's coats will be a feature of the big fair.—A. BROWN & CO.  
THE 8.44 train Thursday morning was crowded with big heads going to Petrolia to attend the convention.

TELL me, ye winged winds that around my pathway roar, do ye not know some quiet spot where wives clean house no more.  
WHAT about that "Happy Thought" range? We have a number of different styles on our floor and will be glad to show them.—THE N. B. HOWDEN, EST.

EAST Lambton teachers are holding their annual convention in Petrolia today and the schools are closed throughout the inspectorate.  
THE retail price of brooms will go up ten cents each. The crop of broom corn is short and is now selling at \$2.12 a ton, more than double the usual price.

ONE HUNDRED AND TWENTY SUITS for boys, 5 to 14 years, price \$1.50 to \$7.50.—SWIFT'S.  
LAURANT'S New Startling Mystery, "The Soldier, the Priest and the Devil," in the Lyceum, Watford, Oct. 6th.

REMEMBER L. D. Caldwell's sale of horses, wagons, harness, used pianos and organs, furniture, etc., at his residence, Erie street, on Saturday at 1 o'clock.  
ONE NORTHERN runabout, also Harley Davidson motor cycle, all in excellent condition. A snap. Enquire of G. WISE, 115 Margaret St., Sarnia. s22-2t

MEN'S SOX at 3 pair prices. See window.—SWIFT'S.  
WHILE at the fair call in and see our fine china. Elegant designs and reasonable prices.—P. DODDS & SON.

It is claimed that there are as many microbes on a dollar bill as on a fly. But the dollar bill does not make such desperate and continuous efforts to light on you.  
THE Bowlers have been disappointed in not being able to hold Harry M. Bennett owing to a previous engagement, but other good talent will be secured with Miss Pearl O'Neil, of Toronto, a talented electioneer.

TURNBULL'S underwear for women and children. We carry a complete line of this celebrated make.—A. BROWN & CO., sole agents.  
ONE of our exchanges advertises a cow for sale as follows: "Full-blooded cow for sale, giving milk, three tons of hay, 12 chickens, and several stoves. Just think of meek-eyed boss branching into the junk-shop business."

THE official count in the East Lambton election is being held at Birnam today (Thursday) by Returning Officer A. W. Augustine and his election clerk, J. M. Mitchell, vice H. K. Laid. The figures will be published next week.  
"YOU can save from one to two dollars on every girl's coat you buy at Swift's."

Drop in and take home one of our Gem meat choppers and you will receive a warm reception. Every one sold under a guarantee and your money back in ten days if you want it.—THE HOWDEN EST.

A MAN attending the Strathroy fair claims to have picked a pin out of a quilt that he placed in the same article 14 years ago. We have a few repeaters at the Watford fair but nothing so ancient as the Strathroy quilt.

A LOCAL merchant was rushed with buyers so much one day this week that he told a waiting customer that he would "either have to stop advertising or get more help." Better get the help, friend, than drop the advertising and give the sheriff a job.

CHILDREN'S warm coats, \$1.50, \$1.75, \$2.00, \$2.50.—Swift's Big store fair days.  
Probably the largest election bet in Ontario was made by James A. McCabe, the well-known horse-buyer up in North Simcoe. He wagered A. E. Dymont of Toronto, \$5000 that Major Currie would be elected in that riding, and wanted to make a further bet of \$1000 that Dymont would lose the \$5000 but unfortunately for Jim this latter was not taken up.

MR. AND MRS. THOMAS DODDS announce the engagement of their daughter La Mura Mary to Mr. W. Aldrich Wykesmith, manager of the Sterling Bank, Watford. Mr. Wykesmith is the youngest son of the late Dr. Wykesmith, of Winborne, England. The wedding will take place in Trinity Church in October.

HARVEST thanksgiving services will be held in Trinity Church, Watford, on Sunday next. In the morning the sermon will be for young people especially. At the close Holy Communion will be administered. In the evening the Ven. Archdeacon Richardson, of London, will preach. Special music will be rendered by the choir and the edifice will be decorated with fruit, flowers, etc. A thank offering will be taken up, which will be devoted to missionary purposes.

WATSON UNDERWEAR will not shrink. Ladies', misses' and children's.—SWIFT'S.

IF we are to judge from the amount of sales made A. Brown & Co's millinery opening was a big success.  
A LIBERAL PAPER said last Thursday that the intelligent electors would carry the Tory party with a sweeping majority. On Friday a Tory paper stated that the intelligent electors had given a verdict that reciprocity was not wanted. It is gratifying to note that the electors are given the credit of being "intelligent" whichever way they vote.

WHEN you pull down the town in which is your home, you are pulling down yourself, and when you build up you are building up yourself and your neighbor. Try and banish from your mind the mistaken idea that all good things are away off in some other locality. Give your town all the praise it can legitimately bear. It certainly will do you no harm and will cost you nothing; and above all patronize your home institutions.

DARN your Sox? No, lady. I buy Swift's imported worsteds, they are hole proof.  
THE local fall millinery openings this year were conducted under trying circumstances. On Friday evening A. Brown & Co. had to close down on account of the electric light plant being out of commission, and on Wednesday when Miss Williams and Miss Minielly held their openings the weather was somewhat disagreeable. Nevertheless the ladies were delighted with the different displays and they turned out in goodly numbers to see the new designs. Watford always holds its own in this line, and none of the larger towns can show a finer or better display of headwear than our local milliners present to the public, and the prices are always away below city prices for the same class of goods.

ON fair day we will allow a special discount on all fur coats. Let us show you the money you can save when compared with mail order house prices.—A. BROWN & CO.  
FOR the benefit of our society people we would say that when the Duke of Connaught comes to Canada his correct title will be "His Royal Highness, the Duke of Connaught, Governor-General of Canada." The Secretary of State has written to that effect, and also pointing out that contrary to the custom in the past, the new Governor-General will not be termed "His Excellency." The title borne by Earl Grey and his predecessors while representing the King in this country will be dropped for the next few years. During the Duke's term of office the letters "H. R. H." will precede his present title.

THE bowling season draws to a close. Alas! And again, alas! Bowls is a game in which young and middle-aged men of comfortable avoirdupois find not only violent exercise and jolly companionship on the green sward under the blue sky, the stopping is good for the liver, the open air is good for the lungs and the hale fellowship is good for the soul. What's more, the sport has dignity and is behind it. Everybody knows how Sir Francis Drake refused to defeat the Spanish Armada until he had fished the game. N.B.—This item refers to bowling on the green, not to the game played before a polished court presided over by a man with a big white apron on.

SEE our fur display at the fair.—SWIFT'S.  
YOUR attention is called to the change in the advertisements in this issue, and also to the new ones. The merchants of Watford appreciate your trade and take this means of telling you of any bargains they may have to offer and also to announce the arrival of new goods which are placed in your disposal with respect. By closely watching the columns of this paper you will learn the names of our business men who invite you to deal with them and you can rest assured that they will treat you right. A merchant who does not care enough for your trade to ask you to visit his store and who does not inform you of the many bargains he may have to offer, is hardly worth your patronage. The progressive merchant will always let his customers know of the arrival of new goods at once, and the best way to do this is through the columns of The Guide-Advocate which goes into the majority of the homes in Watford, Brooke and Warwick.

ALL magistrates have received a letter from the acting deputy attorney-general telling that in view of the many accidents that have been caused by people trespassing on the railroads during the year ending March 31, 1911, something should be done to stop such trespassing. "Attention has been called to the numerous accidents caused by persons trespassing on the railroad tracks. During the year ending March 31, 1911, 140 persons were killed and 69 injured while so trespassing. The Dominion Railway Act, R. S. C. chap. 37, section 468, provides that every person not connected with the railway or employed by the company who walks along the tracks thereof, except where the same is laid on across a highway, is liable to a penalty not exceeding \$10, and like provision is made by the Ontario Railway Act, 6, Edward VII, chap. 30, section 240. It is important that the law should be strictly enforced in all proper cases, the matter being of importance, not merely as it affects the railway companies, but from the public point of view as well."

BOY'S Presto overcoats and D. B. suits. Correct style.—SWIFT'S.  
Wm. Chapman, a former resident of Adelaide, died at Ann Arbor, Mich., last week, aged 90 years.

**Prior-Kelly.**

An interesting event took place at the Methodist Deaconess' Home in Columbus, Ohio, on Wednesday, September 20th, when Alberta Caroline, youngest daughter of Mr. and Mrs. W. S. Kelly, of Watford, was united in marriage with Mr. Marion Harvey Prior, son of Rev. and Mrs. C. F. Prior, of Columbus. The ceremony took place at seven-thirty o'clock in the spacious parlors of the home, the groom's father officiating, assisted by the bride's pastor, the Rev. George Barrs. About thirty-five guests were present. The bride was becomingly attired in white silk and carried bride's roses. After congratulations and luncheon the happy couple left for a trip to Canada to visit relatives there. Mr. and Mrs. Prior will be at home after November 1st, at 955 E. Long St., Columbus.

**Dool-Saunders.**

A very pretty wedding was solemnized at the home of Mr. and Mrs. A. Saunders of LaCombe, Alberta, on Wednesday, Sept. 6th, when their daughter, Margaret May, was united in the holy bonds of matrimony to Mr. Herbert Dool, a popular young farmer of Fair View, Alberta, by the Rev. Mr. Locke, pastor of the Methodist church. The bride was prettily gowned in an old rose silk. Miss Hazel, sister of the bride, very gracefully performed the duties of bridesmaid gowned in a very pretty dress of pale green silk. The groom was supported by his brother Mr. John Dool. After the congratulations the guests repaired to the dining room where a dainty epicurean repast was served. The bride and groom left in the evening for their new home in Fair View, amid showers of rice and good wishes from their many friends in the community.

# MADE WELL AND STRONG

By Lydia E. Pinkham's Vegetable Compound

Toronto.—I gladly give you my testimonial in favor of your wonderful medicine. Last October I wrote to you for advice as I was completely run down, had bearing down sensation in the lower part of the bowels, backache, and pain in the side. I also suffered terribly from gas.

After receiving your directions, I followed them closely and am now entirely free from pain in back and bowels, and am stronger in every way.

I also took Lydia E. Pinkham's Vegetable Compound before my baby was born, and I recommend it highly to all pregnant women.—Mrs. E. WANDBY, 92 Logan Ave., Toronto, Ont.

Another Woman Cured  
Maple Creek, Sask.—I have used Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I am now in perfect health. I was troubled with pains every month. I know other women who suffer as I did and I will gladly recommend your medicine to them. You may publish this if you think it will help others.—Mrs. F. E. Cook, Maple Creek, Sask.

If you belong to that countless army of women who suffer from some form of female ills, don't hesitate to try Lydia E. Pinkham Vegetable Compound, made from roots and herbs.

### NOTE AND COMMENT.

The insane desire to be handsome has made more than one of our otherwise sensible girls do some downright crazy thing. The powder and rouge smeared on the freckled cheeks is too apparent a deception for the prudent young man not to see and with which he is disgusted. A freckled face with common-sense is handsomer than the best powder can make a face.

Punctuality can be cultivated. Slow coaches can be cured. Someone has said that the only way to catch a train is to start in time; and in this pithy sentence lies the gist of the only cure of the habit of punctuality. Two rules grow out of it. One is, "Always begin in time to get ready," and the other is, "When there are things to be done, decide which is the most important and do that first." Punctuality is a comfortable virtue in the family and in business and is entirely dependent upon your will.

Every school boy knows that a kite will not fly unless there is a

string tying it down. It is just so in life. The man who is tied down by half a dozen blooming responsibilities and their mother will make a higher, stronger flight than the bachelor, who having nothing to keep him steady, is always foundering in the mud. If you want to ascend in the world, tie yourself to somebody.

Every railroad in Canada and the United States will replace its right-of-way fences with beautiful flowering hedges if plans of the international Railway Gardening Association are carried out. R. W. Hutchison, landscape gardener of the Pennsylvania lines, and known as the "Father of Railway Gardening," advocated the hedge, and his sentiment was endorsed by the convention.

Early to bed, early to rise, makes a man healthy, wealthy, and wise. Thus runs the old saw, and there's more in it, probably, than many of us are willing to admit. Rushing things is all right if not carried too far. But some people in their mad desire to bag everything in sight, overdo it. To this class belongs an old lady who went to the stairway and yelled upstairs to a grown-up daughter: "Sally! Sally! Git up! Git up! Here it is four o'clock Monday morning, tomorrow's Tuesday, next day's Wednesday, half the week's gone and nothing done yet."

### The Tale of the Shirt.

A bride there was of not so many moons ago who knew more of fancy encores and dainty desserts than laundry work. Hubby had a pet negligee shirt of fine flannel he hated to trust to the washerwoman. Wife undertook to wash it with her own fair hands, and went at it so energetically she nearly rubbed the skin off her knuckles. Then she put soda and soap in the water and boiled the garment down to half the quantity. The result was something in the shape of a shirt, thick like felt, and of a rich creamy color. Though well moistened by tears it would not stretch. Neither did the salt drops spot it, so wife stitched the plain part round and round like a coil of rope and converted the placque into a winter hat.

### Tax Reform.

It is expected that at the next session of the Legislature of the Province of Ontario the question of eventually abolishing the present system of taxation will be discussed, the idea being to substitute something more just and equitable.

That we should any longer tolerate the taxation of improvements is so absurd, that it seems scarcely necessary to argue in favor of taxing ground values instead. However, up to the present the Provincial Government has not seen fit to even seriously consider a change, whereby it would be possible to gradually reduce taxes on buildings, improvements, and business assessments, and at the same time increase taxes on land values to make up the differences. As I understand the plan as proposed by the Tax Reform Association, there is no idea of an immediate and radical change from one system to the other. It would on the other hand be gradual. That is to say the first year it might be possible to deduct from the assessed value of improvements, say 25% and add the same amount to the land tax. The second or third year 25% more might be taken from improvements and placed upon land, and so on, little by little, until the old system is entirely obliterated.

Unquestionably such a change as outlined by the Tax Reform Association will meet with a hearty approval of the majority of tax payers, once they fully understand that it is not a system of highway robbery, but is on the other hand an equitable and just method of collecting the taxes necessary to meet the bills.

The immediate effect of abolishing the tax on improvements would be a political boom. The man who squats on a piece of ground waiting the time that his neighbors will get busy and make it more valuable for him, will find under the land tax system that he had better sell or improve it himself. He will do one or the other, rest assured; while, on the other hand, the man who would either build or improve and extend his present structures will not hesitate, for he would not feel the piling on of taxes which he now experiences.

Taxing land at anywhere from one-quarter of its actual selling value and buildings at their full value as is now done in Toronto stand in the way of

progress and prosperity; and those who wish to see this city and this country properly and substantially built up should use every endeavor to prevail upon the Government to make the necessary changes in our system.—Saturday Night.

### The "Artful" Chinaman.

A German Jew, who keeps a pawnbroker's shop in Sydney, is blessed with one daughter who now and then keeps shop while her father attends sales on the lookout for bargains. During the temporary absence of old Moses recently, a meek-looking Chinaman walked into the shop and asked Rachel to show him some "welly good watches." Rachel handed down four from the shelf at the end of the counter, marked respectively "fifty-dollar watch," "forty-dollar watch," "thirty-dollar watch," and "ten-dollar watch," and arranged them in line on the counter, in order of their value. John inspected them, and taking advantage of Rachel's momentary inattention, slipped the ten-dollar watch into the place occupied by the forty-dollar watch, and handed over a ten-dollar note, saying: "I take cheapee watchee."

Shortly afterwards Rachel detected the swindle and sought refuge in tears. On the return of old Moses she related the misadventure, with many protestations of concern. "Never mind, mine tear," said the father, with a dry chuckle, "dese watches were all the same price—six dollars; but vat a scoundrel dot Shinaman must pe, don't he?"

### Deal Gently.

Don't criticise your neighbors' faults, no matter what they do.  
Don't ridicule the masses, or malign the chosen few.  
Don't think yourself a censor for the silly human flock.  
And just remember as you go, that any fool can knock.

Don't laugh at those who make mistakes and stumble by the way.  
For you are apt to follow them and almost any day.  
Don't think the others shitting sand while you are solid rock.  
And don't forget, for heaven's sake, that any fool can knock.

Don't be a puller-down of fame on other men conferred.  
Don't give a parting kick to one who fell because he erred.  
Don't think that you are perfect and the only size in stock.  
And never once more, just bear in mind, that any fool can knock.

### Condensation.

Here is a news item from Bellefontaine:  
Henry Wertz, 14, of Botkins, shot through the left lung when his rifle accidentally exploded yesterday, died to-day.

The correspondent has told:  
Who was shot.  
How old he was.  
Where his residence was.  
In what part of the body he was shot.  
How he came to be shot.  
What he was shot with—revolver, shotgun or rifle.  
When he was shot.  
When he died.  
And all in eighteen words. We commend this little news dispatch to teachers as a high example of the possibilities in condensation. We further urge its consideration upon those business men who dictate three pages of letter to convey three words of information.

### A Discovery of Vast Importance

It is Now Admitted That Bronchitis, Asthma, Catarrh, Coughs, and Colds Can Only Be Quickly Cured By Mixing a New Medicine With the Air You Breathe.

Scientists acknowledge that medicated air treatment is the only treatment that will cure these diseases, and that stomach medicines are worse than useless.  
Catarrhozone air treatment has been found to be the most effective way to cure all diseases of the throat, lungs, and nasal passages. Its action is so prompt that in less than an hour an ordinary cold is cured, and after a more thorough use of Catarrhozone, Bronchitis, Catarrh, and all diseases of the throat and lungs are completely cured.

Catarrhozone is a very simple and powerful method of treatment. You simply breathe it through the inhaler and it immediately passes over every air cell of the throat, lungs, and bronchial tubes, curing and healing as it goes.

Catarrhozone treatment affords little drops of healing for sore places in the lungs, throat, and nasal passages.

**Nervous Condition.**  
 RESULTS FROM KIDNEY TROUBLE  
 Sick kidneys make you feel sick in a number of ways and it is now known that a nervous condition often results from kidney trouble. When the kidneys

are sick the whole nervous system becomes irritated, causing headache, dizzy spells, fits of "blues," neuralgic attacks, rheumatic pains, weak eyesight, dull-tired days and a constant inclination to worry over trifles. Booth's Kidney Pills strengthen sick kidneys, cure backache, regulate the urine and restore to normal conditions. They are guaranteed. All dealers sell. 50 cents a box, or postpaid from the R. T. **Authoress at Thirteen.**  
 A thirteen-year-old girl, Ada Archer, has written a 13,000-word novelette, and recently she confided some of her ambitions to a reporter.  
 "I want to have a really good education, read all the best books, travel round the world, write romances, and make sufficient money so that poor mother will not have to work so hard."  
 She is the eldest of eight children, and is her mother's right hand. School and household duties keep her busy the greater part of the day, but when the children are put to bed, and after she has finished "helping mother," she weaves romances into halfpenny exercise books, and evolves wonderful plots in which poor girls marry rich carls and live in a world where all is happiness and beauty.  
 Her novelette was hapded to a well-known publisher's reader, who spoke of it in highly complimentary terms.  
 "She's a regular 'bookworm,'" remarked the child's mother proudly.  
 "If she goes to wash a cup or make a bed, sure enough there's a book under her arm. And sometimes she breaks off in the middle of making pea-soup or scrubbing a floor, and says, 'Oh, I've got a lovely idea! And I get so interested myself that I have to stop work and listen.'"

**Ancient Urn Found.**  
 The adventure of two boys has resulted in the discovery, near Brighton, of a fine specimen of an ancient British burial urn. On the cliffs to the east of Brighton there have recently been heavy landslips. A boy, who crawled to the edge of the cliff to look over, saw the mouth of an urn projecting from the newly-exposed face of the cliff. Another boy clung to his heels, and he hung over the water, dug out the urn and brought it up uninjured. The urn, which has been secured by the museum authorities, is pronounced to be a rare specimen, showing remarkable features of design and ornament. It contained the bones of a British chieftain, who must have been cremated and buried about the time of Caesar's first visit to Britain.

**The Louis Styles.**  
 It was the French King Louis XI, who invented gold lace, and it was Louis XIV. who ordered all the silk upholsteries of the palace done in white with figures of gold and blue and a touch of red. The louisine silks are named after him, and all the French kings of the name of Louis have had their names brought down to posterity through the invention of some article of dress, whether it be a Louis Quinze heel or a Louis Seize coat, while to Louis Quatorze belongs the honor of a cuff and a hat.

**Appearances Not Always Reliable.**  
 Two Irishmen were digging a ditch when the priest passed along.  
 "Moik," said one of the men, "I'd loike to have that mon's job."  
 "All right," said the priest, who had heard the remark. "Give me your shovel, Pat, and you go where I was going."  
 "Where was your riverence goin'?" asked Pat.  
 "On me hill yonder to see a man who has the smallpox," replied the priest.  
 "I'll stick to me shovel," said Pat.

**Sheepskin.**  
 Sheepskin was used as parchment before the invention of paper. Even then it was a substitute for vellum, which is made from calfskin and of a far finer quality than parchment, and was employed for fine illuminated work. Tanned sheepskins are in the trade called basils. For these there are many legitimate uses, but it is for imitation purposes that the sheepskin is most largely used.

## WON BY A DRUM.

**The Battle of Arcola a Romantic Episode of French History.**  
 There stands in the French town of Cadenet, his native place, a monument to the memory of "The Little Drummer of Arcola," Andre Estienne, the hero of one of the most romantic episodes in French history. It was an episode that illustrated the extraordinary military value, so often attested by the world's greatest generals, of what Othello called the "spirit stirring drum." It may be said, curiously enough, that Napoleon Bonaparte's great career was built upon a drum, for the battle of Arcola was won by the beating of Estienne's drum, and the Corsican himself always dated his confidence in his own fortune from this battle, won in 1796. The circumstances were these:  
 Bonaparte, hemmed in with a small army at Verona, between two greatly superior forces, sallied out at night, made a forced march, and with 14,000 men fell upon the rear of 50,000 Austrians. The battle lasted seventy-two hours. On the second day of the fighting the Austrians obtained such a position that they completely and murderously swept the bridge of Arcola, which the French had gained and which they must hold if they expected to win the battle.  
 It was an unlooked for movement. No officer was near, but Andre Estienne, the little drummer, was there. He went to his sergeant and told him that he should cross the bridge with his drum and beat it on the other side.  
 "But," protested the sergeant, "before you place one foot upon the bridge you will be killed. No man on earth could live on that bridge. However, can you swim?"  
 "I can," said the drummer.  
 "Then swim across with your drum."  
 "Impossible!" returned Estienne. "Should the drum become water soaked I could not beat it on the other side."  
 But the sergeant was equal to this difficulty. Being himself a fine swimmer, he plunged into the water, bade Andre mount upon his shoulders and hold his drum clear of the water. In this way the two crossed the river, Andre beating his drum lustily all the way. Once on the other side, he pounded it in a way to well nigh wake the dead. The Austrians who were massed near were nearly all raw recruits. Hearing what they took to be the drums of an advancing force of French and remembering the terrible French onslaught of the day before, they fled. This left the bridge clear, and the French began to pour across. Andre was joined by other drummers. The Austrian flight became a rout. The French swept on, with Andre Estienne, still drumming, at their head. Soon the whole Austrian force was retreating, utterly beaten.  
 Years later Estienne's heroic act was celebrated by being represented in stone on the front of the Pantheon at Paris. The funeral of the little drummer of Arcola was attended by a great concourse of French officers and soldiers.

**Sagacity.**  
 One would have it that a collie is the most sagacious of dogs, while the other stood up for the setter.  
 "I once owned a setter," declared the latter, "which was very intelligent. I had him on the street one day, and he acted so queerly about a certain man we met that I asked the man his name, and"  
 "Oh, that's an old story!" the collie's advocate broke in sneeringly. "The man's name was Partridge, of course, and because of that the dog came to a set. Ho, ho! Come again!"  
 "You're mistaken," rejoined the other suavely. "The dog didn't come quite to a set, though almost. As a matter of fact, the man's name was Quayle, and the dog hesitated on account of the spelling."

HARRIS & CO. PROPRIETORS

WATFORD, SEPTEMBER 29, 1911.

**THE DOMINION ELECTIONS.**

The Laurier Government Defeated. Mr. R. L. Borden will Form a New Government and Select a Cabinet.

The general elections on Thursday last resulted in the defeat of Sir Wilfrid Laurier's administration which has directed the governing of Canada for the past fifteen years. In the course of a few days Sir Wilfrid will hand his resignation to the Governor-General, who will call on Mr. R. L. Borden to form a new government. Automatically as it were Mr. Borden will become Premier and will select his cabinet from members of the Conservative party elected last week.

The change of government will take the reciprocity question out of politics and the agreement will not likely be heard of in the new parliament.

The result of the elections was somewhat of a surprise to both political parties. While the most sanguine Conservative did not expect such a complete turn-over, the Liberals expected that Sir Wilfrid would be returned to power with a slightly decreased majority.

In East Lambton the former representative, Mr. Joseph E. Armstrong, was returned with an increased majority. It has been suggested that Mr. Armstrong should receive the portfolio of Postmaster General in the new administration. He has made an exhaustive study of postal conditions, and it was through his initiative and persistent advocacy that the rural free delivery was introduced. No doubt a large number of the electors of East Lambton, both Grit and Tory, would be pleased to see Mr. Armstrong receive the appointment, as he is undoubtedly the best-fitted man in the new parliament for the position.

The election returns for the Dominion will be found on page seven. Since these were printed some slight changes have been made in the seats. Below we give the estimate of the leading party papers. The reader can figure it out for himself, as the correct majority will not likely be known until a vote is taken in the new House.

The lime light views on Bunyans' "Pilgrim's Progress" given by Rev. Mr. Lindsay, on Monday evening, in the Town Hall, were specially fine. Lunch was served at the close.  
Sunday in St. Andrew's church was Children's Day, when Sunday school and church met at 3 p.m. and addresses, were given by Mr. H. Lowe, Superintendent, and also by the pastor. The Rev. Dr. McDonald, of Kilmartin, conducted the service in the evening at 8 p.m.

In London hospital, Sept. 22nd, there passed away Lorenzo Clothier, beloved wife of Donald Hay, in her 60th year. Deceased was the eldest child of E. A. Clothier, of Brooke, who is still living at the age of 86. Besides her sorrowing husband she leaves to mourn the loss of a loving mother, two daughters, Mrs. Guy Watson, Napier, and Mrs. Ernest Powell, Brooke. The funeral which was largely attended took place Sunday afternoon to the Strathroy cemetery, being conducted by Rev. Mr. Kannoan, pastor of the Presbyterian church, of which deceased was a member. He took for his text "Blessed are they that mourn," 10th chap. of Math., part of the 4th verse, read for his lesson 91st Psalm, and sang the 23rd at the request of the departed. The pallbearers were Messrs. O'Neil, Brock, Scott, Coutts, Patterson and Holt.

Alex. McGee, a farmer of Fenelon Township, last week had both arms so badly mangled in a cutting box that amputation was necessary. It appears that McGee had gloves on, and one hand became caught in the machinery and he endeavored to extricate it with his other hand, both members being dragged into the knives, with the above result.

HARRIS & CO. PROPRIETORS

WATFORD, SEPTEMBER 29, 1911.

**THE DOMINION ELECTIONS.**

The Laurier Government Defeated. Mr. R. L. Borden will Form a New Government and Select a Cabinet.

The general elections on Thursday last resulted in the defeat of Sir Wilfrid Laurier's administration which has directed the governing of Canada for the past fifteen years. In the course of a few days Sir Wilfrid will hand his resignation to the Governor-General, who will call on Mr. R. L. Borden to form a new government. Automatically as it were Mr. Borden will become Premier and will select his cabinet from members of the Conservative party elected last week.

The change of government will take the reciprocity question out of politics and the agreement will not likely be heard of in the new parliament.

The result of the elections was somewhat of a surprise to both political parties. While the most sanguine Conservative did not expect such a complete turn-over, the Liberals expected that Sir Wilfrid would be returned to power with a slightly decreased majority.

In East Lambton the former representative, Mr. Joseph E. Armstrong, was returned with an increased majority. It has been suggested that Mr. Armstrong should receive the portfolio of Postmaster General in the new administration. He has made an exhaustive study of postal conditions, and it was through his initiative and persistent advocacy that the rural free delivery was introduced. No doubt a large number of the electors of East Lambton, both Grit and Tory, would be pleased to see Mr. Armstrong receive the appointment, as he is undoubtedly the best-fitted man in the new parliament for the position.

The election returns for the Dominion will be found on page seven. Since these were printed some slight changes have been made in the seats. Below we give the estimate of the leading party papers. The reader can figure it out for himself, as the correct majority will not likely be known until a vote is taken in the new House.

**NOW FOR THE BIG FAIR.**

The Directors of the East Lambton Agricultural Society are agreed that Watford's fair this year will be one of the best in the history of the Society.

The one thing needful to ensure success is for every member to take hold with enthusiasm and exhibit in as many classes as possible. It is exhibits that make a Fair, and every member should do his utmost to have every class filled right up.

The fair will be an exposition full of interest to one and all in the district. On Friday the following program of sports will be presented:—

Ladies' Road Race—to wagon, half mile heats, best 2 in 3. Horses unmarked. 1st, \$3.00; 2nd, \$2.00; 3rd, \$1.00. Four to start. Entrance free.

Gentlemen's Road Race—to wagon, half mile heats, best 2 in 3. Stallions barred. Open to horses unmarked. 1st, \$3.00; 2nd, \$2.00; 3rd, \$1.00. Four to start. Entrance free.

Baby Show—1st, \$3.00; 2nd, \$2.00; 3rd, \$1.00.

Platform entertainers in pleasing specialties, Highland dancing and a number of other attractions. Merry-go-round, and all kinds of fun and recreation.

This Fair being the last of the season, all prize winners are expected to compete here, and the Committee have arranged for expert judges who have not passed judgment at any other fair in the district this year. Watford Silver Band and Pipers Band in attendance. Single fare on G.T.R. and special train service. Admission 25c, children 10c, carriages 25c. Come with the crowd, meet your old friends, and enjoy an outing.

The management have endeavored to arrange a program that will be pleasing to all who attend. There is no other occasion of the year, holiday or otherwise, that offers as much for the money in the way of attractions and entertainment. If you talk to do your part for the fair, keep on talking about it, boost for it, then come to it and bring your friends. Everybody will then be satisfied.

DO YOU USE PILLS?

If In Doubt About the Right Pills to Use Read the Following Letter Carefully:

"I am one of those persons whose system requires aid," writes Mr. Young Giedhill, from Pictou, "but it is so easily affected by reason of the great sensitiveness of the bowels that ordinary drastic pills inflict great injury to the delicate coating, and excite such persistent activity as to be with difficulty checked. "I wish in the highest terms to express the great value of Dr. Hamilton's Pills in cases like mine, and I am sure also for elderly people and the very weak. There is no pill like them. "Speaking of my own experience with Dr. Hamilton's Pills, I can say they have proved the most stimulating pills for the liver I have found. I have proved their tonic action upon digestion, and the same results have been secured by friends upon whom I have urged their use. The manufacturers are to be congratulated upon possessing so valuable a prescription, and the public should know that so valuable a remedy has been placed at their command. "No other pill for constipation, for liver, kidney, or stomach trouble, compares with Dr. Hamilton's Pills; they are mild and sure always to restore health. Refuse substitutes. Field Crop Bulletin. A bulletin on the field crops of Canada issued last week gives their average condition by provinces at the end of August, together with estimates of the production of spring wheat, oats and barley at that time. The per cent. condition of wheat is given as 86.30, of oats 84.44 and of barley 84.71, which is about five to seven per cent. higher than last year and nearly the same as two years ago. The other crops range in condition from 80 to 86 per cent. and are generally somewhat lower than in 1909 and 1910. The rains of August hindered the ripening of grain and some injury was caused by hail storms, low temperature and rust. Towards the end of the month frosts prevailed in many sections of the Northwest provinces, the full extent of which could not be determined at the date of the reports, but in the case of wheat, oats, and barley production was lowered by probably 12 per cent. which has been followed in the table. In the older provinces the grains ripened earlier and little damage was sustained excepting from drought in some localities, and the reported condition was 75 or over. The average yield of spring wheat is

NO MORE DANDRUFF

T. B. Taylor & Sons Know What is Making Clean Scalps. In order to rid your scalp of filthy dandruff, you must kill the germ. There is a hair dressing called Parisian Sage which is now sold in every town in Canada. It is guaranteed by T. B. Taylor & Sons to eradicate dandruff, stop falling hair, splitting hair and scalp itch in two weeks or money back. If you have dandruff get a large 50 cent bottle to-day and rid yourself of it. Remember that if dandruff germs are not destroyed in time, the hair will surely fall out and baldness will follow.

It is not common to find a person who correctly estimate the lapse of a single second. But in these days of speeding automobiles the exact time when each of two colliding vehicles must have occupied particular spots may be a matter of great importance. In a recent experiment a car took nearly two seconds to stop after brakes were applied, and in that time it moved 19 feet. So even fractions of a second are important. One can train himself to estimate even tenths of a second. Try it with a watch, and it will be found that it is just possible to count ten in the lapse of a single second. But one must count very fast to do it.

A CURE FOR RHEUMATISM.—The intrusion of uric acid into the blood vessels is a fruitful cause of rheumatic pains. This irregularity, is owing to a deranged and unhealthy condition of the liver. Anyone subject to this painful affection will find a remedy in Parmelee's Vegetable Pills. Their action upon the kidneys is pronounced and beneficial, and by restoring healthy action, they correct impurities in the blood.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. DEATH AFTER A SCRATCH.

Morris Quatzam, an eleven-year-old Windsor boy, fell off his bicycle and scratched his wrist. He thought nothing of the injury, but blood poison set in and he is dead. Such incidents as these—by no means infrequent—ought to make people realize the danger that may lie even in the smallest flesh wound. Take a simple illustration. When a knife, a rusty needle, a splinter of dirty wood, a barbed wire fence, or a thorn, scratches the hand, the latter is inoculated with germs, of which the air about us is full. The way to avoid serious results is to cleanse the wound and apply Zam-Buk. Zam-Buk is a powerful, yet painless, germ-killer, and when applied to the broken skin is absorbed into the tissue, instantly destroying the germs that spread disease and stopping the pain and smarting. That is why Zam-Buk is so popular with children. The flesh thus soothed and purified, the wound is made perfectly healthy, and all poison and cause of festering removed. Having done this, Zam-Buk then proceeds to heal the wound or sore, and new healthy tissue is built up in a quick, painless and perfect manner. Zam-Buk must not be confused with ordinary ointments. Zam-Buk is a unique preparation, possessing antiseptic, soothing and healing qualities that are not to be found together in any other preparation. It is not only a unique healing balm, but it is also a skin food. For all skin diseases and injuries—cuts, bruises, burns, eczema, chafing, ulcers, ringworm, etc., it is without equal. It is also used widely for piles, for which it may be regarded as a specific. All druggists and stores sell at 50 cents a box, or post free from Zam-Buk Co., Toronto, for price. Refuse harmful imitations.

"There's what I'm looking for," said the lazy man going through the want advertisements for an easy job, as his eye alighted on a call for canvassers to sell something that "would sell itself." "That's the sort of a job I want," he said to himself. "Something that I can earn money at without work." And he thought that really some day he must go down and look 'em up.

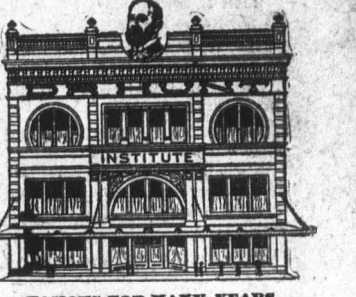

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain. What it has done once it will do again. Strathroy musicians will organize a comic opera company.

A Cleveland man went out into the country to spend a week. His host, a frugal swain, took him into the cellar, shortly after his arrival, to test the cider. "How many barrels of cider did you make this year?" asked the city guy, sipping his beverage from a gourd. "Just eleven barrels," answered the farmer. "Why did you want ter get some?" "No—oh, no. I was just thinking that it was a pity you couldn't find another apple—you'd have had an even dozen barrels!"

but the prices were not affected. Light cattle sold well, with sheep and lambs steady. W. Dunn bought 350 lambs at \$5.75 and 60 sheep at \$3.85, also 50 calves at \$7.50. Receipts show 62 cars, comprising 1,000 cattle, 700 sheep, 500 hogs and 128 calves. Latest quotations: Export cattle, choice, \$6.10 to \$6.50; do. medium, \$5.85 to \$6.00; do. bulls, \$4.75 to \$5.40; butcher cattle, choice, \$5.80 to \$6.15; do. good, \$5.65 to \$5.75; do. medium, \$5.30 to \$5.60; do. common, \$4.75 to \$5.25; butcher cows, choice, \$4.75 to \$5.25; do. medium, \$4.25 to \$4.70; do. common, \$3.50 to \$4.00; do. canners, \$1.50 to \$2.75; do. bulls, \$3.50 to \$5.25; feeders, 1,000 pounds, \$5.00 to \$5.25; stockers, 800 to 900 pounds, \$4.25 to \$4.75; do. 700 to 800 pounds, \$4 to \$4.50; do. 550 to 700 pounds, \$3.75 to \$4.25; milkers, choice, each \$60 to \$70; do. common and medium, each \$25 to \$50; springers, \$35 to \$50; calves, \$5 to \$8.50. Sheep—Heavy ewes, \$3.00 to \$3.50; do. light, \$3.75 to \$4.00; lambs, \$5.25 to \$5.50; bucks and calls, \$3.00 to \$3.25. Hogs—Fed and watered, \$7.10, do. f.o.b. \$6.75.

Several of the large buyers of cattle for feeding purposes are beginning to look around for the coming season's supplies, but so far there is practically nothing doing. The cattle have not yet commenced to come forward, and there is some anxiety as to whether there is likely to be a shortage. Some of the drovers are predicting that the cattle are not in the country, or at least not in Ontario, while it is doubtful if the West this year be in a position to make up for the alleged scarcity in the East. In any event it looks like high prices for this season's feeding cattle.

**INWOOD.**

Miss Matilda Lehrbas left Monday to attend the Normal school in London. Messrs. James Lowrie and Stanley Gardner left for Toronto on Monday to take a four years' course at the University.

Mrs. Longbottom and daughter Nellie of Brantford, are spending a few weeks with Mrs. Longbottom's daughter, Mrs. Lee Aylesworth. Mr. James Lowrie took charge of the evening services in the Presbyterian church last Sunday and gave an excellent discourse to a large congregation from Matt. 13:33. James is a very talented young man and has good influence over his young companions.

Last Sunday was Children's Day in the Presbyterian Sunday School and was conducted by Messrs. Vance, Smith and Trowhill. The church was beautifully decorated with flowers, and the singing was good especially a very sweet solo by Miss Edna Campbell. Fifteen members responded to the roll call on the Cradle Roll, and Mr. James Campbell gave a good report of the Sunday School Convention held at Geneva Park, Lake Couchiching in August, where James was sent as a delegate from the Inwood Sabbath School. He also gave the Secretary's report of the good work done in the home Sabbath School during the past year.

**PLYMPTON.**

Miss Laura McPhedran left Tuesday to attend the Faculty of Education, Toronto. Mr. Thomas Simpson, of Enniskillen, has purchased Mr. Martin's farm, better known as the Armstrong farm, near Wanstead. It is one of the finest farms in the township.

Mr. Henry Lawson of Wanstead, who has been seriously ill for some time, underwent an operation last week. The operation was performed by Dr. W. Reid of Wyoming, and proved very successful. We are glad to hear that all danger is passed and that Mr. Lawson will soon be himself again.

We much regret to chronicle the death of Mrs. Wm. Canton, near Kertch, aged 69 years, 11 months. She was a daughter of the late Mrs. John Fullerton. Deceased was an highly esteemed lady. Since the death of her husband some fifteen years ago, she has worked energetically with the assistance of her son to make ends meet. The son will no doubt still take deep interest in preserving the comfortable home left him by an affectionate mother. The funeral which took place on Saturday last was largely attended, the pall bearers being John Dewar, John Forbes, Duncan Williamson, Jos. Bryson, Jos. McCormick and Alex. Thompson. The Rev. Mr. Ross, of Wyoming, officiated and the remains were taken to the South Plympton brick church cemetery for interment.

**Sir Wilfrid Will Lead Opposition.**

Ottawa, Sept. 25.—An informal announcement was made by Sir Wilfrid on Saturday evening to the effect that he would lead the Opposition at the coming session of Parliament, and until a successor could be agreed upon.

"I'll stay with the boys," said Sir Wilfrid in an interview. "It would be deserting to leave them now, I won't discuss the result of the elections. The people have expressed their will, and of course, I bow to it. I have asked my colleagues to be here on Monday or Tuesday, and we shall expedite business as much as possible, and shall get out at once."

**To The Electors of Lambton East.**

Permit me to extend to you my sincere thanks for the splendid support given me on Sept. 21st. I will strive to serve you in the future as I have in the past, to the best of my ability.

The people of Canada are to be congratulated on deciding to choose their own row, and the independent thinking Liberals in my riding, as elsewhere, have materially assisted us to say to the world that Canadians are capable of conserving their resources and caring for their industries without the assistance of any foreign power.

"Imperialism is alive; continentalism is dead."

Yours sincerely,  
J. E. ARMSTRONG, M.P.
