Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TO THE
MEMBERS OF THE VESTRY AND THE CONGREGATION
OF
The Cathedral Church of St. James,
TORONTO.

The Building Committee appointed by the Vestry to superintend the erection of the Cathedral Church of ST. JAMES, conceiving that it would be satisfactory to the congregation to be put in possession of the exact position of the Committee, both with reference to the proposed progress of the work during the ensuing season, and their financial position in regard to the contract, beg leave to REPORT:

That the works have hitherto proceeded in a very satisfactory manner,—the foundations being of a most substantial character, and the progress generally being such as to justify the payment of £2250 to the contractors.

That it is the intention of the Committee to authorize such further progress of the works, during the ensuing season (1851), as will ensure the complete roofing of the structure by the 20th November next, and the full completion of the Church for Service by the 1st August 1852, the dates respectively named in the contract.

That with this view, the Committee has called upon the Architect to furnish an estimate of the monthly expenditure during the seasons 1851-2, necessary to the completion of the edifice; by which it appears, that, to meet Certificates numbered 1 to 11, to be granted in 1851,—Architect's commission, and contingencies connected therewith,—the sum of £7292 10s. (inclusive of £2250 above named) will be required for roofing in the Church; and for Certificates 12 to 19, to be granted in 1852, the further sum of £2587 1s. (inclusive also of commission and contingent expenses) will be necessary to the completion of the Church for Service.

With this information before it, the Committee proceeded to consider the measures necessary to the provision of the requisite funds, and best calculated to meet the convenience and concurrence of the congregation.

The following is a Statement of the anticipated Liabilities and Resources of the Committee, based in its belief upon just and reasonable data, and such as there is every reason to conclude will be justified by the future:

Dr.	£	s.	D.	Cr.	£	s.	D.	
Certificates 1 to 11 (1850-51)	6850	0	0	By Cash in hand	£	4267	0	0
" 12 to 19 (1852)	2321	0	0	The Lord Bishop's Fund	1244	8	11	
Drawback of 20 per cent. on contract* ...	2292	0	0	Debts collected	154	12	3	
Architect's commission	573	3	0	J. Joseph, Esq.—Donation and Interest ...	27	8	7	
Contingencies	250	0	0	Profit on Insurance.....	6	10	9	
				Anticipated Donations	2250	0	0	
				One-third upset price of Pews.....	2270	0	0	
				Value of Land to be taken by Contractors	271	0	0	
				Debts to be collected	200	0	0	
				Sale of Pews	1730	0	0	
	£12286	3	0		£12421	0	6	

* Eighty per cent. only being paid by instalments during progress.

The Committee proposes accordingly to regulate the payments by the Congregation and Subscribers, in the following manner :

ONE-THIRD OF THE PEWS, PAYABLE IN THREE INSTALMENTS.

1st payment, at 6 months, from 1st May, due 4th November, 1851.
2nd " 12 " " 4th May, 1852.
3rd " 18 " " 4th November, 1852.

DONATIONS, PAYABLE IN FOUR INSTALMENTS.

1st payment, at 6 months, from 18th November, 1850, due 21st May, 1851.
2nd " 12 " " " 21st November, 1851.
3rd " 18 " " " 21st May, 1852.
4th " 24 " " " 21st November, 1852.

To these measures, the Committee invites the sanction and concurrence of the Congregation, well assured that by an united effort of the nature indicated, the difficulties which have hitherto so seriously alarmed them may be overcome, and the good work in hand be brought to a successful and satisfactory completion.

The Committee, therefore, to make the disbursements submitted in this Report, will take the earliest opportunity of waiting upon the members of the congregation, to make the necessary arrangements for the payment of donations, and the instalments on a third of pews, etc., to enable them to carry on this important work, as far as it has, at all events, been contemplated.
