The copy filmed here has been reproduced thanks to the generosity of:

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

9. Your Complainant submits that he is entitled to an undivided one-half or moiety of the equity of redemption in the said lands, and that the infant Defendants are entitled each to an undivided one-eighth part or share therein, but subject to the dower of the Defendant Ann Elizabeth Arkell in the undivided moiety or one-half share of the said William Arkell therein.

2. That the residue of such proceeds may be allotted between your Complainant and the Defendants, one-half thereof to your Complainant, and the remainder among the Defendants, according to their interests.

3. Or if this Honorable Court should not deem it advisable that the said lands should be sold, that the same may be partitioned, subject to the said Mortgage, one-half thereof being allotted to your Complainant, and the other half to and among the Defendants, and that the several portions allotted may be conveyed to, and vested in fee simple, in the parties entitled thereto; and that your Complainant may be paid his costs of this suit, or such part thereof as the Court may think fit, and may have a charge therefor upon the portions allotted to the Defendants.

4. That for the purposes aforesaid, all proper directions may be given and accounts taken.

5. That your Complainant may have such further and other relief in the premises as to your Lordships may seem meet.

And your Complainant will ever pray.
