G. T. R. CAPITALIZATION CUT IS EXPECTED

ANNOUNCEMENT BY DUNNING THIS AFTERNOON

Statement Regarding G. T. R. Shareholders Also Anticipated

ESTIMATES DOWN

Debate Likely to Follow Minister's Pronouncement—Fiscal Policy Considered

OTTAWA, Ont., May 25—Rumor persists here that some announcement regarding the reduction of capitalization of the Canadian National Railways will be made this afternoon by Hon. Charles Dunning, Minister of Railways, in the course of the annual statement of the minister to Parliament.

The reduction of the capitalization is a matter which has been discussed exhaustively in Parliament during the past four sessions and has found staunch advocates in several quarters. It is said this morning that there will be some statement of interest to the debenture holders of the old Grand Trunk system, although there seems to be no indication of an attempt to do so.

DUNNING'S REPORT In his speech this afternoon Mr. Dunning will deal with two fiscal periods in respect to the railways. In the first place the Minister will make the usual statement of Canadian National system (tabled in the House some weeks ago) for the calendar year of 1925.

In the second place he will announce the railway's estimate for the fiscal year ending March 31, 1927. In considering the statement to be made this afternoon, these two periods must be kept distinct. The one deals with the railway administration and the other the relationship of the railway to the Minister of Finance.

DEBATE EXPECTED It is not anticipated that there will be any notable announcement in respect to the railways. At the last session the Minister's statement, and later the estimates will be referred to the special committee on Canadian National matters. The committee will go through the estimates in detail and will have available officials of the company.

It has been the practice for Sir Henry Thornton to be present at most of the sessions of the committee. At the last session of the committee was brought into the House until just a few hours before the appointment of the committee for this year, Mr. Dunning said that he would do everything possible to facilitate the work this year with a view to bringing the report of the committee before the House as early as possible.

Two Newfoundland Ministers Resign ST. JOHN'S, Nfld., May 25—Premier W. S. Monroe announced this afternoon that Lewis Little, member of the government for Bonaville, and Philip Moore, representative of the Ferryland District, had tendered their resignations.

These resignations follow the dismissal on Saturday last of two members of Premier Monroe's cabinet, F. G. Bradley and C. E. Russell, who were charged with "treachery" by the Prime Minister in letters demanding their resignations.

FENG PLANNING NEW OFFENSIVE, REPORT London Hears Christian General Gets \$3,500,000 From Soviet Authorities

LONDON, May 25—A dispatch from the Daily Mail's Shanghai correspondent says cable reports from Harbin, Manchuria, that General Feng Yu-shiang, the Chinese Christian General, is returning to Kaigang from Moscow ready to attempt a new offensive for the control of the Peking government. The report says that Feng has received \$3,500,000 from the Soviet in order to re-open hostilities against Marshal Chang Tso-Lin and Wu Pei-Fu and revive interest in the Soviet cause in North China.

Sale of White Star Line Is Resumed

LONDON, May 25—Negotiations for the sale of the White Star Line by the International Mercantile Marine to a British syndicate, which were interrupted by the recent general strike in Great Britain were resumed today, it was expected in shipping circles the sale would be completed before the end of June.

Movement To Honor Work of Jack Miner For Birds Is Instituted In Ontario

Canadian Press TORONTO, Ont., May 25—A movement for the honoring of Jack Miner, world famous conservationist and student of animal life, has been started by Essex County, for the organizing in every community of the Dominion of the "Jack Miner League of Canada."

Cat Gets Head In Salmon Can; Police Called

OTTAWA, Ont., May 25—A cat, a salmon can and a nervous householder caused a hurried up call to the police last night. A Perkins street resident was awakened at midnight by an unusual commotion in the kitchen. He discovered that the cat had jumped into a salmon can and was trying to reach the fish at the bottom. Every effort to free the animal was unsuccessful, and finally it had to be shot to put it out of its misery.

LEAVES LONG TRAIL OF BROKEN HEARTS

"Bogus Lord Beaverbrook" is Charged With Swindling "Bride" Out of \$125,000

PHILADELPHIA, May 25—His vanity led to the capture yesterday of Robert Whitman, described by the police as the "Bogus Lord Beaverbrook" and known under a dozen aliases, on charges of having married and swindled a New York woman out of jewelry valued at \$125,000. The authorities said the prisoner had left a trail of broken hearts from the Atlantic to the Pacific after having swindled his victims out of jewelry worth more than \$1,000,000. They asserted that he had married women in many parts of the country. Whitman and the detectives said he had been traced across the country by his vanity and lavish distribution of tips to hotel attendants, was arrested in the barber shop of a local hotel, where he was staying with a girl companion on a "business trip." He is variously known as John B. Weidner, Fred A. Stanley, Herman Kreuger, Dr. Carl Renne, Dr. Jari Edwards, Mr. Ward, Baron Cornelius Beaverbrook, and many other names.

MONTREAL MAN IS HELD BY POLICE

Jalous Swain Charged With Firing Six Revolver Shots at Girl

MONTREAL, May 25—Charged with attempted murder, Albert Boissonneault, 22 years of age, St. Andre street, was arrested yesterday at the home of his mother, Avenue Des Belges. Boissonneault is charged with having fired six revolver shots at Bernadette Tessier, 18 years of age, Beaubien street west. Two of the bullets hit the girl, one of them in the left elbow and another in the left cheek. The first bullet remained in her arm while the second came out at the bridge of the nose. She told the police that Boissonneault was her friend and was jealous because she had gone for an automobile drive with another friend on Sunday night. The girl said that when her friend slowed his car at the corner of St. Urban and Beaubien streets, Boissonneault jumped out of an automobile behind, ran to her and opened fire. He then jumped into his auto and drove away, she said.

UNITED CHURCH OPENS MEETING AT SACKVILLE

Settlement Committee in Session Since Yesterday

500 EXPECTED

\$323,000 Out of \$365,000 Objective For Maritime Conference

SACKVILLE, N. B., May 25—The opening session of the second Maritime Conference of the United Church of Canada will be held this evening with a common service and an address by Rev. Dr. Chown.

Delegates began to arrive yesterday at noon, and a gathering of over 500 is expected. The settlement committee, with Rev. R. G. Fulton as chairman and Rev. J. S. Sutherland as secretary, has been in session since yesterday afternoon.

It is understood that the location of 82 ministers is in the hands of this committee.

FUND NEAR OBJECTIVE The standing committee on maintenance and extension fund met last evening. In the absence of Dr. MacKinnon, principal of Pinehill College, Rev. Dr. W. R. Ross, of Halifax, was appointed chairman. It was reported that to date more than \$289,000 of the \$300,000 objective had been raised. On May 17 the total given in Toronto was \$47,000.

SWINDLED WOMEN; MARRIED 20 OR MORE

Robert Whitman, Held By Police, Said to Have Netted Million

PHILADELPHIA, May 25—"The man was a Greek psychologist," said a detective today in describing Robert Whitman, known to the police as "Lord Beaverbrook," and under a dozen other aliases, who faces charges of having swindled women in many parts of the country out of jewelry valued at more than \$1,000,000, and of having married two score or more of them.

HELD WITHOUT BAIL The prisoner is held without bail for extradition to New York, on the specific charge of having defrauded Mrs. Rose Burke of diamonds worth \$125,000 in 1924. At the same time he is held without bail, charged with having swindled Mrs. Francis Camp, of this city, out of \$60,000 in jewels two years ago.

Whitman was taken into custody in the barber shop of a hotel, where he was stopping with a girl companion. New York detectives, who trailed him here, said he declared easy to follow because of his vanity and lavish tips to hotel attaches, but hard to overtake. His tips, the detectives said, seldom were less than \$20. Barbers and manicurists usually were the recipients of his greatest generosity. He was alleged to have offered four detectives \$10,000 each for his freedom.

York Orange Lodge Shuns Woodstock Trip

Special to The Times-Star FREDERICTON, N. B., May 25—York County Orange Lodge was in session Saturday night at Nasownorth. County Master J. W. Merritt was in the chair. With him on the platform were Mr. B. W. Robertson, of Keswick, Senior Deputy Grand Master. The Lodge considered the matter of taking part in the Orange march and demonstration in Woodstock on July 12th and decided not to run an excursion to Woodstock.

N. S. Premier Leaves England For Home

HALIFAX, N. S., May 25—According to a cablegram received this morning at his office, Premier E. B. Rhodes, of Nova Scotia, who has been in England for some weeks, sailed for home yesterday aboard the Arctic. He is accompanied by Mrs. Rhodes and their daughter.

Aviators Escape Death As Plane Drops

When their seaplane dropped into the James River from a height of 350 feet Lieutenants G. R. Fairland and R. G. Caughlin from Hampton Roads, Va., escaped without injuries. They were searching for mooring locations for seaplanes when the accident occurred. Photo shows the plane wreckage floating in the river.

Canada-Australian Amity and Co-operation With U.S. Is Urged At Empire Day Dinner

NEW YORK, May 25—Friendly co-operation between Canada and Australia in their mutual interests and the desire of each to preserve the friendship and understanding of the United States was stressed at an Empire Day dinner given at the Canadian Club here by Frederick Hudd, Canadian Government trade commissioner at New York. Sir James Elder will be succeeded by Sir Hugh Dennison, K. B. E.

Deep-Sea Divers Search For Woman

LOS ANGELES, May 25—Deep sea divers today started an extensive search for Aimee Semple McPherson, Woodstock, Ont., evangelist who disappeared a week ago, while scuba bathing at Ocean Park. The divers established their base at Lick Pier, where their evangelist is sought to have entered the surf. The crowd of curious and devout that has lined the beach for a week, and Mrs. McPherson's followers to continue the vigil.

SCOTT AWAITING TRIAL IN CHICAGO

CHICAGO, May 25—Russell Scott, Jack in Chicago after several months in a criminal insane asylum, today awaited the next legal step in a renewed fight to hang him. Scott thrice escaped the gallows for the murder of Joseph Maurer, drug clerk and finally was sent to the Chester Asylum, when a jury declared him insane. A few days ago, he was the subject of a State attempt and as a result, he was brought here last night to be turned over to Sheriff Hoffman, ordered by Attorney General Cullerton.

NO PRECEDENT Some legal authorities believe it is only necessary to set the execution machinery in motion for the sheriff to demand that a date be fixed by the court, letting the defense make the next move and apply for another sanity hearing before jury. There is no Illinois precedent for the proceedings, it is claimed.

Russell is now confined under the same roof with his brother, Robert, for the first time since both took part in the robbery and slaying. Robert is awaiting trial. Russell has always maintained his brother could free him.

Twenty-Four Killed In Train Accident

MUNICH, May 25—Twenty-four persons were killed and many wounded today in the East Station when a passenger train ran into another train standing in the station. Several cars on the standing train, were teleported. The accident was due to the moving train falling to stop at the point where it should have come to a standstill.

N. Y. Police Search For Missing Boy

NEW YORK, May 25—The police today organized a search for Mrs. Edith Davis, 47 years old, and 14-year-old Charles Murfit, who disappeared a week ago. The boy had boarded at the Davis home for six months. His mother showed the police last night an anonymous letter she had received which, she claimed, was in Mrs. Davis's handwriting, threatening death to her son.

Doisy Leaves On Paris-Tokio Flight

VILLACOUBLAY, France, May 25—Captain Georges Pelletier Doisy, French ace, took off this morning on the first lap of a flight from Paris to Tokio. Doisy will try to get as far as possible on each leg of the journey when weather conditions are favorable. He is trying to reach Moscow by tonight.

Piludski May Lead Punitive Expedition Against Counter-Revolutionists

British United Press WARSAW, May 25—The new Polish government has openly threatened to establish a dictatorship, whereby Parliament will survive nominally but actually will be superseded.

It was learned that after the convening of Parliament next Monday, Marshal Josef Piludski, victorious in his coup d'etat, intends to force the dissolution of the Sejm and proclaim a dictatorship on the basis of constitutional prerogatives.

COUNTER REBELS AT POSEN Left wing groups demand the forcible ousting of Baiski, President of the Province of Posen, where counter-revolutionists are strong. It was rumored that Piludski contemplates a punitive expedition against Posen.

DR. W. L. ARCHIBALD SPEAKER AT ACADIA

Addresses Students at Collegiate and Business Academy Yesterday

Special to The Times-Star WOLFVILLE, N. S., May 25—"Success in Life" was the subject of the address of Dr. W. L. Archibald, the speaker at the closing exercises yesterday of Acadia Collegiate and Business Academy. Dr. Archibald, who has been principal of the Academy for more than 15 years, resigned recently to become registrar of Acadia University.

"The term 'success' is frequently misunderstood," said Dr. Archibald. "It is not merely the accumulation of wealth, learning or fame, although they have value when rightly used. It consists rather in the development of such character or personality as will enable one to live a happy and useful life either with or without these external things."

H. C. Morgan gave the senior class history; G. E. Lantz read an essay on "The League of Nations," and A. W. Akery delivered the valedictory. Misses Dorothy Wilson and Frances Littlefield gave piano selections and Harry Molins of Shediac Cape, N. B., sang. The senior class numbered 29.

WOOD ALCOHOL CAUSE CALGARY, Alta., May 25—Three Indians are dead and one is in the hospital following a party given by Mr. and Mrs. Spencer Owl Child of the Blackfoot Reserve, near Gleichen, to Mr. and Mrs. Good Chaser, visiting Peigans, a neighboring tribe, on Sunday night. They are believed to have drunk wood alcohol. Spencer Owl Child, the host, is the only survivor.

WEDDING BELLS NOT FOR BRIAND, WHO IS BACHELOR AT SIXTY-FIVE

PARIS, May 25—Aristide Briand, France's sixty-five-year-old bachelor prime minister, is thinking less of marriage than ever, it was stated at the Foreign Office today regarding a report that he was about to wed. M. Briand, who is vacationing at Cocherel, in Seine-et-Marne, is occupying himself with the livestock on his farm and trying to forget politics and other knotty questions. He is much amused and somewhat embarrassed by the repeated warning of the old

rumor that he is to marry, his friends say, because every time he denies it he receives a fresh flood of proposals. The last time the Premier was forced to issue a denial to one of these rumors he received a joint proposal from three young women in New York. They suggested that he send his photograph; that they would send theirs in exchange and he could choose from the lot. They declared they placed no reliance on his protestations that he was too old or too confined in bachelorhood to think of matrimony.

The Weather SYNOPSIS: Pressure is relatively high over the Great Lakes and Southeastern States and low over far Eastern Canada and over the Western Provinces and Southern States. Showers have occurred in the Maritimes and in Western Quebec, and it remains fine in Ontario. It is unsettled and showery in Saskatchewan and Manitoba and mostly fair in Alberta.

Prospects For United States Crop of 1926-27 Are It Will Be Heavier

SAN FRANCISCO, May 25.—Fairly light trade to the end of the summer, with moderate purchases by European importing countries; prices probably lower than mid-April levels, unless present crop prospects change; lower moderate carry-overs into the new crop year; these are the salient points of the world wheat outlook for the next few months, according to the food research institute of Stanford University. The 1925-26 world wheat crop has been the largest since 1923, if Russia is included. Russia is the largest ever reported, except in 1923. International trade has been light. Surpluses generally available for export have been small except in Canada, which has furnished over half the total exports. The United States has exported little except of Durum (macaroni wheat) and of flour, and has imported for home use only moderate quantities of Canadian wheat. The international situation would have been tighter had Europe not had large domestic crops and had therefore, no need to import heavily.

JEANNE THOURET IS BEATIFIED AT ROME. ROME, May 24.—The beatification of the venerable Jeanne Antida Thourer, of Sancy, France, founder of the Sisters of Charity, who, in 1826, was celebrated with a traditional beautiful ceremony at St. Peter's Sunday in the presence of high French prelates and 600 Sisters of Charity and a number of descendants of the new blessed. Pope Pius descended to St. Peter's this afternoon and in the presence of 22 cardinals, venerated relics of Jeanne Antida Thourer.

Fifteenth Anniversary of Italy's Entry Into World War is Observed

GENOVA, May 25.—Premier Mussolini observed the fifteenth anniversary of Italy's entry into the World War in the strenuous style which is so characteristic of him. It was his second day in Genoa, and like Sunday, he started by visiting the Odero naval shipyard, widely acclaimed along the way by great crowds, and greeted by all the workers and directors of the yard with a touching demonstration. Then he went to St. George Palace, seat of the port Consortium, where, in the historic hall, he was welcomed by Admiral Capri, surrounded by the consular officials. Later the premier boarded the trans-Atlantic steamer Roma, where he was received by Senator Holandi-Ricci, former ambassador to the United States, who is president of the Italian Navigation Company. The senator gave Mussolini a gold medal as a souvenir promising to unite all efforts for the greatness of the Italian merchant marine.

PLAN WOULD GIVE GENEVA BODY RIGHT TO ENFORCE TRUCE

Includes Instant Action by Council in Outbreak of Conflict

GENEVA, Switzerland, May 24.—To hit at war and hit hard so it will not have the slightest chance of getting very far in the determination which markedly underlies the preliminary disarmament studies at Geneva.

This was especially manifested today when the delegates urged the speeding up of the League of Nations' machinery designed quickly to terminate hostilities. France failed to induce the commission to make the project for strengthening the league covenant an integral part of a future disarmament conference, but succeeded in getting through the league covenant an integral part of a future disarmament conference, but succeeded in getting through the league covenant an integral part of a future disarmament conference.

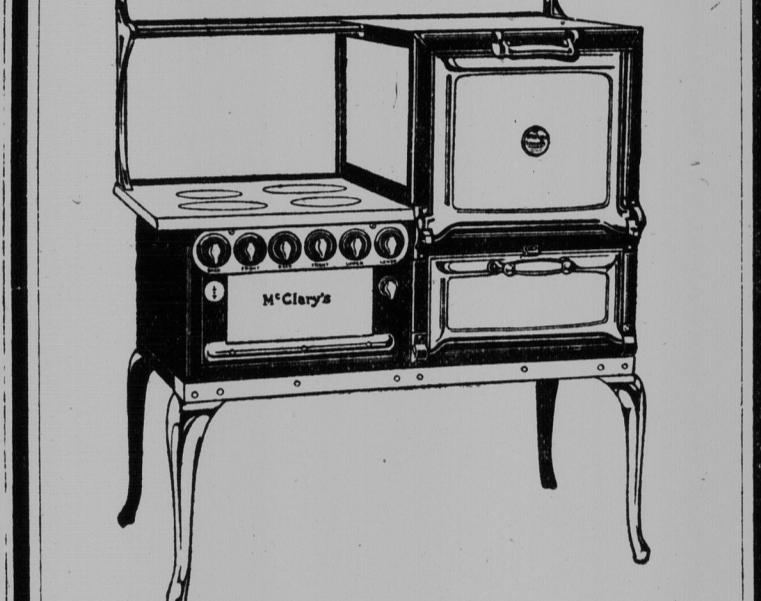

DETAILS OF PLAN. The plan invites the council to frame regulations that will, first, facilitate a meeting of the council with the briefest notice in case of war or threat of war, second, enable the council to take decisions to enforce obligations of the covenant as swiftly as possible; third, permit rapid drafting of recommendations for military assistance to an attacked state once the council should have de-

disagreement at the preliminary disarmament meeting regarding the question of war potentiality was due purely to a misunderstanding and has now been completely cleared up. Viscount Cecil, of England, assured correspondents Monday. French viewpoints was due entirely to a misunderstanding," said Cecil. "The French thought we refused to consider war potentiality in determining ratios of the armaments, while we thought the French insisted that disarmament be extended to include these invisible armaments. We have both discovered that England and France sought the same end—namely, that ultimate war potentiality must be considered in fixing the scale of armaments which each nation must maintain."

MOTOR MISHAPS

On the front page of yesterday's Telegraph-Journal the headlines announced: "Two dead, three hurt and one held in four provincial auto mishaps..."

The population of a modern city is naturally a motoring public. The extension of facilities for reaching the open spaces has very rightly induced the town dweller to seek relaxation away from brick and mortar...

This does two things: it makes any thing to do with motoring the concern of all and it introduces danger by multiplying the number of drivers and so enlarging the roll of that proportion who must be classed as unqualified...

In the course of an hour's drive on a main road, each driver meets, overtakes or is overtaken by, say, a score of other cars; he probably crosses a dozen bridges, rounds thirty curves and corners, passes over numerous rutty or heavy stretches of road where caution is essential...

Now, the point is this: motoring touches us one and all—even the non-motorist because he may be the victim of a careless driver...

It should not be a matter of great difficulty for the rising generation to take unjustified chances, who gamble with fate, to show their disapproval and to make that sentiment felt. It may need a little moral courage...

BY THEIR WORKS

Saint John is the poorer today by the loss of one of her beloved and distinguished citizens, Doctor J. Roy Campbell, K. C., a Maritime born and educated, a kindly, indefatigable, public-spirited worker for the good of the community...

Doctor Campbell was not a man who sought notoriety, nor even prominence. Nevertheless such was the recognition of his sterling worth that whatever field of activity he entered for the public weal, he it a law society or the Church of England Institute...

Men of this stamp are a shining example to others and the influence of such an one for good when he comes in contact with the rising generation is incalculable, as many a young barrister can testify of Doctor Campbell. The scope of his activities prove the great-heartedness of the man, and will extend the no mean circle of mourners who lament his passing...

THE RING

The recent drawn fight in New York between Georges Carpentier and Eddie Hufman—which, from the account, was a fine exhibition of clean heavy-weight slogging, combined with science and ringcraft—must have been an inspiring spectacle. The dancing feather, bantam and light weights, the twist-and-tween middles and such may present the academic idea with some degree of fascination...

Boxing is not much mentioned in English historical records until the reign of George I. when a French traveler comments on the fact that anything in the form of a fight fascinated the English, and that a quarrel between boys in the street meant the immediate formation of a ring...

TARIFFS AND FOREIGN TRADE (New York Journal) American private loans to foreign countries have reached a total of \$1,200,000,000 during the last year. We shall be sending out more money than we are receiving. The country has undergone great economic changes since the Fordney-McCumber tariff went into effect, and this measure will eventually give place to one more in keeping with our changing international status.

AS CANADA MOVES FORWARD (London Advertiser) Whenever Canadians are inclined to be discouraged they should survey their history over a long period instead of a short one. Brief periods of discouragement are only little eddies in the great stream of progress. Read the Canada Year Book or Frank Yetg's "5,000 Facts," and note the tremendous expansion since 1867 in area, population, railway mileage, farming, manufacturing, mining, domestic and foreign trade, banking, insurance and provision for education. The rate of progress varies from time to time, but we are now apparently on the eve of an era of remarkable prosperity.

"Is My Team Ploughing?" by A. E. Housman. I LIKE this as well—if not better—than anything in that glorious book, "A Shropshire Lad." All of rural England seems to be in it, and all of life. "Is my team ploughing, That I mean to drive And bear the harness jingle When I was man alive?"

THE BEST OF ADVICE

TO a casual reader of the newspapers it would seem that children, the middle-aged and the aged all grow weary of life and find a means to end it all. And the mania is not confined to the poor and those in ill health. People who appear to have everything to make life worth living are often the victims. Possibly our superior news facilities every-where of the way corner of the earth make it only appear that there are more of those whose mental stress pushes them over the edge of that division which marks the line between normal and abnormal states of mind.

AND yet surely if we look at life rightly we may find it enjoyable in spite of the inevitable struggles. There is much to do, much to enjoy, and one never knows what advantage may be met with in even a humdrum life. And it is not only the Polyannas—the unthinking optimists—that find this to be the case. Sir Oliver Lodge says: "Existence itself is a great adventure—a series of them. Some live placid lives and this will not go to seek them; they will try to avoid them. But none can escape altogether."

OUR work may be an adventure. Of course, as Lodge says, "work done against the grain, or under compulsion, is dreary; but work undertaken with enthusiasm is a delight. DEATH CLAIMS DOCTOR J. ROY CAMPBELL, K. C.

Prominent in Law, Politics and Other Spheres— Ill Few Days

DR. J. ROY CAMPBELL, K. C., prominent lawyer of Saint John, died at the Saint John Infirmary at 2.40 a. m. today after a brief illness.

Dr. Campbell had been a patient at the infirmary for only a few days and it was not generally recognized that his illness was critical.

Mr. Campbell, K. C., was prominent in legal and political circles in the province and a leader in many educational and church activities as well as in various organizations and philanthropies. He was a man of brilliant attainments and won great distinction in his profession. Always an ardent Conservative in politics he headed the polls in 1917 when he was a candidate for election to the provincial house as a representative for Saint John city. In that election, Hon. L. P. D. Tully, the late Mayor F. L. Potts and Hon. Dr. W. F. Roberts were returned from Saint John city. Dr. Campbell's extensive knowledge of law made him a very valuable member in the party.

BORN IN YARMOUTH

Dr. Campbell was the son of Rev. J. R. Campbell, D. D., now retired, of Fredericton and his wife, the late Mrs. Anna Brough Campbell. He was born in Yarmouth, N. S., on May 16, 1866. His early education was obtained at the Fredericton Grammar school and his college education taken at Dalhousie University from which he graduated in 1888 with the degree of L. B. Sc. Two years later he received the degree of D. C. L. from the law school of King's College. Dr. Campbell was called to the bar in 1890 and was created a K. C. in 1913. He has practiced his profession in Saint John with great success. He had been a member of the council of the New Brunswick Law Society and a past president of the Saint John Law Society of which latter body he was a council member at the time of his death.

INTEREST IN LAW SCHOOL

The law school of the U. N. B., formerly the law school of King's College, owes much to Dr. Campbell's unflinching interest and enthusiasm. He was the first secretary of the law school when it was opened in Saint John in the early '90s and he held that office for nearly 30 years. At the time of his death he was the secretary-treasurer of the faculty of law of the U. N. B. For many years he was a lecturer on "Real Property" and was the present lecturer on Roman Law.

AMIALE AND CHEERFUL

Dr. Campbell was possessed of a very amiable and cheerful disposition, though very retiring. He was a staunchly loyal friend and was held in very warm regard by all his friends. There are many of the barristers of the province practicing their professions with great success who owe much of their ability to Dr. Campbell's careful instruction, his kindly interest and his wise and timely advice. Under the firm name of Campbell & Dever, Dr. Campbell, in company with J. B. Dever, with whom he had shared offices for some years, had a fire insurance agency, they being the representatives here for Britannic Underwriters of London, England.

An Anglican in religion, Dr. Campbell gave whole-hearted and devoted service to his church. He was for many years a representative at the diocesan synod and he held the office of church warden or vestryman of St. Paul's church for a lengthy period. He had the distinction of being the only layman ever elected president of the Church of England Institute in the city and he was always keenly interested in its welfare.

He was a past president of St. Andrew's Society in Saint John and it was largely due to his zeal and enthusiasm in the work of that body when the interest of others was flagging somewhat that the society owes its flourishing condition at the present time. He was also a member of the Natural History Society and active on its behalf. Dr. Campbell was a member of the commission which drew up the Saint John Assessment Act and he was at all times interested in the welfare of the community. He served as a member of the board of governors of the Wiggins' Orphanage, devoting much of his time to the duties involved.

Besides his aged father, Rev. Dr. J. R. Campbell, a veteran in the Anglican ministry, Dr. Campbell was survived by his wife, who was formerly Miss Edith E. L. Barker, a daughter of the late Chief Justice Sir Frederic Barker, and one son, F. Lloyd, who is at present in Amherst, Mass., and was expected to arrive in the city today. He also leaves one brother, William Campbell, who is a civil engineer, practicing his profession in South America.

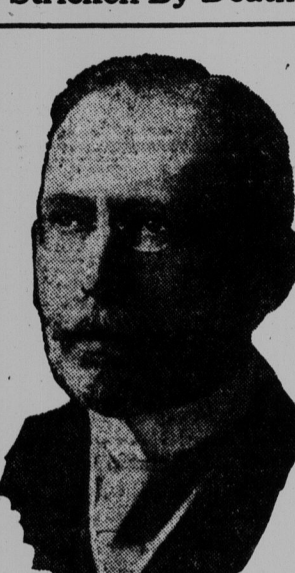

No More Piles

Thousands Bless Dr. Leonard, the Physician Who Discovered This Common Sense Remedy. If you think that the surgeon's knife is the only method of escape from the misery of piles, it's because you haven't heard of the new treatment known as Dr. Leonard's HEM-ROD.

This Doctor's treatment is internal. By experimenting for years he discovered the exact cause of piles and then went further and compounded a remedy that would remove the cause. Dr. Leonard wants every sufferer to benefit by his discovery, and so that there will be no doubting or delay, thousands of stores and all druggists are authorized to sell HEM-ROD with guarantee that it will do as stated on money back.

On that honorable basis every sufferer should secure a package of Dr. Leonard's HEM-ROD today.

Stricken By Death

Deaths

James Mc G. Campbell

James McGregor Campbell, one of the oldest and best known of the residents of Carleton, died at his home, 114 Winslow street, at 2.30 a. m. on Monday, aged 82 years. He was a blacksmith by trade and for 58 years had carried on a successful business in the same building at the corner of King street and Market Place in West Saint John. He was skilled at his calling and of so kindly and genial a disposition that he made a host of friends. Although he had been in failing health for the last few years he had steadily pursued his calling and was at his work until about three weeks ago.

His death will be sincerely mourned throughout Carleton where he was one of the best esteemed of the old time residents. He was an interested member of the Odd Fellows Order, one of the first members and a trustee of Granite Rock Division of Sons and Daughters of the Carleton United church.

He is survived by his wife, six daughters, five sons, 29 grandchildren and one great grandchild. The daughters are Mrs. William H. Litch, of Avon, Mass.; Mrs. William H. Campbell, of Somerville, Mass.; Mrs. John Woodland, of West Saint John; Mrs. Frank E. Godwin, of Little River; Mrs. G. B. Campbell, of Montreal, and Miss Ada, at home. The sons are Andrew W. Campbell, of Somerville, Mass.; Walter F., of West Saint John; Jacob W., of Somerville, Mass.; C. Leonard, of Toledo, Ohio, and J. Marshall, of Apsaluki.

Mrs. Mary J. Salmon

The death of Mrs. Mary J. Salmon, widow of the late W. George Salmon, occurred yesterday. The late Mrs. Salmon was prominent in church and musical circles. She was a lifelong member of the Exmouth street United church and for many years a member of the choir. She is survived by one daughter, Mrs. W. B. Tennant; one son, J. Charles Salmon, and one brother, David Conley, all of Saint John.

Mrs. J. R. Vanwart

EVANDALE, May 24.—Mrs. John R. Vanwart passed away at her home here today, aged 88 years. She is survived by 10 sons and three daughters. The children are William and Harry, at home; John, of Hampstead; Mrs. Hoebe Slipp, of Central, Hampstead; Charles, of Fredericton; Tompkin, of Wickham; Nevin, of Seattle; Miles, of Portland, Oregon; Mrs. Louise Slipp, of Lyons, Mass.; Wilfred, of West Mass.; Asa, of Chelsea, Mass.; Benjamin, of Hyde Park, Mass.; and Mrs. Maud Jenkins, of Carre, N. B. One sister, Mrs. Bates, of Jersey, also survives.

James R. Stewart

FREDERICTON, May 24.—James R. Stewart died this morning, aged 68 years. Death occurred at the home of his son-in-law, Harry H. Marston, Devon, with whom he had lived for about a year. His wife predeceased him some years. The body will be taken to Chipman on Tuesday for interment.

Mrs. W. J. Wetmore

SUSSEX, May 24.—The death of Mrs. Melvina Wetmore, widow of Weeden John Wetmore, occurred early Saturday morning after a long and tedious illness. She was born in New Canaan, Queens county, Jan. 14, 1845, the daughter of the late Denis and Elizabeth Jane Alward and was of Loyalist descent. She leaves to mourn three daughters, Mrs. Samuel Scribner, Mrs. Heber Sinnott and Mrs. Heber Fokins, all of Sussex. One sister, Mrs. O'Neill, of Gollina, N. B., and one brother, Dr. Mark Alward, of Portland, Me., also survive.

MANY SAINT JOHN FRIENDS EXTEND CONGRATULATIONS

The many friends in Saint John of Mr. and Mrs. R. J. Cochrane, Jr., of Winnipeg, will be pleased to learn of their success in winning B. A. degrees with honors from the University of Manitoba. Mr. and Mrs. Cochrane graduated from the Saint John High School in Saint John in 1917 and taught four years in Saint John. Later they went to Winnipeg where Mr. Cochrane is on the staff of the Junior High School. Mrs. Cochrane is a daughter of Mr. and Mrs. J. R. Cameron, of West Saint John, and Mr. Cochrane is a son of Mr. and Mrs. R. J. Cochrane, of the Earle Apartments, Lancaster Avenue, W. E. Hearty congratulations are being extended.

STILL ALARM

The chemical from fire station No. 4, West Saint John, was called out at 10.45 o'clock last night by a still alarm. It was extinguished with but slight damage to Rodney wharf. The fire had started around a motor and crept up a wall. After some cutting the fire was extinguished with but slight damage to the building.

TO REMOVE DANDRUFF

Get a 35-cent bottle of Danderine at any drug store, pour a little into your hand and rub well into the scalp with the finger tips. By morning most, if not all, of this awful scurf will have disappeared. Two or three applications will destroy every bit of dandruff; stop scalp itching and falling hair.

MIDDLETON MAYOR DIES IN HIS GARAGE

Body Found on Floor by Wife and Engine of Car Was Running

MIDDLETON, N.S., May 24.—Mayor W. D. Feindel was found dead in his garage this morning, lying on the floor with the engine of his car running. He had apparently been asphyxiated by the fumes from the car's exhaust. Mayor Feindel left his home at 9 o'clock to bring the car around. When he had not returned at eleven, Mrs. Feindel went to the garage and made the discovery.

ELECTED DELEGATE

The Saint John sub-division of the Catholic Women's League has appointed as its delegate to the National Convention of the C. W. L. in Ottawa from June 11 to 16, Mrs. E. J. Power and as a substitute has named Mrs. W. P. McDonald, Jr.

PARTING GIFT

Miss Lillian Bromfield was made the recipient of a very nice red silk umbrella on Saturday afternoon. The gift was presented to her by her associates in the office of the Canadian Fairbanks-Morse Co. Ltd., and was a parting present before her departure for a three months' visit in Bristol, England. Miss Bromfield will accompany her mother, Mrs. Herbert Bromfield, and will leave tonight for Quebec to sail for the Old Country.

Hemorrhoids

Or piles are quickly relieved by Dr. Chase's Ointment.

It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that your physician may tell you that a surgical operation is necessary. That is unless he is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients. For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment.

Ask your friends about Dr. Chase's Ointment for "users are boosters" in this case. Relief comes quickly and you can obtain the ointment at any drug store.

Which Makes the Best Second Wife, a Widow or a Spinster?—Should the Bride Let Her Homesickness Spoil Her Husband's Success?—The Only Cure for a Fault-Finding Mother-in-Law.

DEAR MISS DIX—Should a man who has lost his wife feel that he should never marry again? I am a widower with children, and there is a widow with children whom I think a lot of, and whom I think I could marry. Also there is an unmarried woman. Which would make the best wife, the widow or the spinster? **LONESOME.**

ANSWER: Certainly there is no reason why a widower should not marry again, and every reason why he should if he can find a suitable mate.

Being married seems to unfit people for the single state. They miss having their own homes. They miss the close companionship to which they have been accustomed. They even miss having somebody handy to fight with, and they find they are far lonelier than any old maid or bachelor. Therefore they do well to marry.

But if they have children, they are not free to marry, as they please, any one on whom their fancy falls. They have their children to consider, and they should think more of what kind of a stepmother or stepfather they are giving their children than they do about what sort of husband or wife a man or woman is likely to make.

A widow is generally a safe choice for a widower, because she also has had matrimonial experience, and understands the technique, so to speak, of matrimony. She is broken to double harness and knows how to pull her half of the load.

She has learned how to cook on her first husband, and is apt to be a satisfactory housekeeper. Her experience with her first husband has taught her not to expect too much of a man, and also how to sidestep a husband's little peculiarities. Therefore she is easy to get along with.

She is quite as likely as any other woman to make a good stepmother. Often, if she is a childless woman, she takes her stepchildren into her heart, and satisfies her mother-yearning by lavishing an affection and tenderness on them that makes them forget that they are motherless.

But the widow is only a good wife for the widower if she has no children of her own. It is madness even to think of marrying her, because she cannot keep from favoring her own to save her life.

In such a case a man finds invariably that he is tending to give luxuries to another man's children, while his own children are pushed aside and wear the castoffs, and are the Cinderellas of the family. Two families do not mix, and if a third is added to it, bedlam ensues.

As for spinsters, they are the real man-spoilers, and they generally make just stepmothers, who do their duty by their stepchildren and keep them up to the mark, because they are trying out on the youngsters all of their theories of child culture.

DEAR DOROTHY DIX—I have been married only eight months. My husband's work transfers him from place to place all around the country. He has a fine position and there is advancement in it, only I get so homesick, and long so for home that I make it miserable for both of us. Would you make him quit his job and go back home, or would you try to stick it out? **HOMESICK.**

ANSWER: I would be a good sport and stick it out. I wouldn't be such a poor, weak creature that I didn't have enough backbone to do the right thing, and the thing that would help the man I loved.

I wouldn't want to make my husband sorry he married me, and that is what you will do if you keep doing the cry-baby act, and weeping to go back home to mother and the girls. And he will curse the day he married you if you blast his prospects in life by forcing him to give up his big opportunity, and go back home and settle down into some little job that hasn't any future to it.

Love isn't everything to a man, my dear. Especially it isn't everything to a real go-getter, such as you have married. There is also his career. There is his life work. There is his ambition, and his wife interferes with that at her peril. No man ever really forgives a woman who stands between him and success, and who balks him in doing the work that he set out to do.

Possibly you can nag your husband into giving up this work in which he is interested, and in which he has his big chance, and induce him to go back home. But don't deceive yourself into thinking that you will be happy. You won't, because he will be irritable and discontented, and will be always reproaching you for having stood in the way of his advancement.

I know that, while it lasts, homesickness is a malady that devastates your soul. But it will pass, and it will pass quickly if you will fight against it and make up your mind to make yourself contented. Accept the fact that your lot is cast where it is, and make the best of it.

Be glad that you have an opportunity to see this great country of ours, and when you get to a city, instead of shutting yourself up in a hotel room and shedding a barrel of tears because you are not in Main street at home, get a guide book and study it up. Go to see all the places of interest, and you will find that it will give you a cosmopolitan education.

Another sovereign remedy for homesickness is to go back to make a long visit. You will be perfectly amazed to find how quickly you have dropped out of everything; how different everything seems to you, and how glad you are to go back to where your husband is. **DOROTHY DIX.**

DEAR MISS DIX—I am in a curious position. Being the only child of a widow, I was married two years ago, my husband and I love him. My husband is a splendid young man and I love him. My mother-in-law spends her time finding fault with him, criticizing him, and even falsely accusing him of things he does not do. We have done everything in our power to please my mother, but all in vain, and we are at our wits' end to know what to do. Please tell us. **DISCONTENTED.**

ANSWER: Your mother's conduct is the result of her jealousy of your husband. She cannot endure the thought that you should love him more than you do her.

Many mothers have this feeling toward their in-laws without realizing it. That is why they "pick" on their sons-in-law and daughters-in-law and point out their every defect to their daughters and sons.

If you would tell these mothers that they are trying to make trouble between their children and their husbands and wives, and are driving them on to divorce, they would indignantly deny it, but it is true just the same.

It is mother who makes her daughter feel that her husband doesn't appreciate her, or that he doesn't indulge her enough, or who plants suspicions in her mind of his steno-grapher or the woman next door. It is mother who calls her son's attention to his wife's extravagance and who bids him be the master of his own house and stop her from gadding.

When you have this kind of a mother, the only thing to do is to get as far away from her as possible. Otherwise she will break up your home. **DOROTHY DIX.**

DAINTY COMBINATION TO WEAR TO DANCING SCHOOL

By Marie Belmont

The small girl who dances will be delighted with a combination like the one above. It takes the place of both bloomers and petticoat and does away with the danger of a petticoat sag.

The body of the garment is made of flesh crepe de chine, the lower part cut on generous lines. Then three-cornered draperies of flesh georgette are fastened at intervals about the waistline, each one being caught at the top with a tiny pink rosebud.

Entre-deux set in the straps and about the top of the bodice forms a dainty finish. The garment could also be made up in white with the georgette points of any pastel color.

BEHIND THE SCREEN

GLORIA'S double! That's what most folks exclaim when they see Pauline Starke walking down the street. There have been a lot of screen aspirants who have counted on their resemblance to stars to succeed, but not so with Pauline. She has been steadily progressing on her own merits.

Her last role in Elinor Glyn's "Love's Blindness." Critics are still wondering who will direct Theodore Dreiser's masterpiece, "An American Tragedy." Seems as if Griffith won't be assigned the task after all.

"Her Dancing Partner," a German (UFA) production in which Victor Varconi plays the lead, may soon be seen on the American screen. Alexander Karbo, its director, is expected to arrive in his country in another six weeks to begin work on a First National contract.

Rumors has it that he will bring with him a print of "Her Dancing Partner" with a view to its sale.

Varconi, who has played in "The Volga Boatman" (De Mille) and "Shen Shakes" (Warner) since his arrival in this country last winter, will be seen here soon in another foreign production, "The Last Days of Pompeii." This is a spectacular Italian picturization of Bulwer-Lytton's novel, in which Varconi plays the lead.

"Mother of a hundred sons!" That's not blarney, but a truthful description of Eulalie Jensen, the motion picture actress who is at present playing the role of Kenneth Hartan's mother in a new Warner picture, "The Sap."

PAULINE STARKE

Miss Jensen has portrayed mother roles to innumerable sons, until she has acquired a phenomenal large family. Recently Miss Jensen played another mother part on the Warner lot, with Helene Costello her daughter in "Ranger of the Big Pine."

TODAY'S RECIPES

Macaroni Jumbalaya—One cup macaroni, one green pepper, three hard-boiled eggs, two tablespoons butter, one onion, one cup solid canned tomatoes, one teaspoon salt, one-half teaspoon paprika, cheese. Boil the macaroni for half an hour. Drain, rinse with cold water and drain again well. Chop pepper and onion and cook with the tomatoes, butter and seasonings 15 minutes. Then add the macaroni and the egg whites chopped fine; heat well. Serve in a flat covered dish with the egg-yolks and cheese, pressed through a sieve, thickly sprinkled over the top.

Stuffed Halibut—Two one pound slices of halibut steak, one-half inch thick, three tablespoons butter, one teaspoon salt, a little pepper. Wash the fish, skin, dry. Put one slice of fish on the rack of a roaster. Sprinkle with salt and pepper, cover with stuffing using three-quarters of it. Place the second slice on top, dot with butter and seasonings. Put rest of stuffing on top. Bake uncovered in a hot oven for 20 or 25 minutes.

Plain Bread Stuffing—One quart soft bread crumbs, one small onion, finely minced, one-quarter cup butter, one-half tablespoon mixed poultry dressing, one teaspoon salt, pepper to taste, one egg, one-half cup milk. Heat butter and onion together. Cover and fry till onion is tender. Combine the cooked onion, beaten egg and milk and add to crumbs and seasonings.

ADVENTURES of the TWINS

THE LUMPY DOG AND THE THREE-TAILED CAT
The next place that the Twins went to look for the poor Whiffet's lost shadow, was the house of the Sour-Old-Woman-Who-Lived-Under-the-Waterfall.

She was braiding her three tails when they arrived, and she couldn't let go, but as soon as she had tied a nice green bow on the end, she turned around and said sourly, "Now what is it?"

"It's my shadow," said the Whiffet timidly. "It's lost. I lost it going over the stile. Did it come here?"

"I'll ask my lumpy dog," said the Sour Old Woman, not quite so sourly. "Here Lumpy! Come here! Did you see a Whiffet shadow come this way?"

"I won't answer until I get two sausages and a pickled pig's foot," said Lumpy.

"You'll have to go to the butcher's," said the Sour Old Woman to the visitors, a little more sweetly this time. "Have you any money?"

"I have nineteen buttons of my fortune left," said the Whiffet. "I'll spend some."

"Very well, the butcher lives beyond the dam," said the Sour Old Woman, quite sweetly now. "Perhaps he'll throw in an extra sausage for me."

So the Twins and the Whiffet trudged along until they came to the butcher's. The Whiffet paid two buttons for three sausages, and a pickled pig's foot. Then they trudged back to the Waterfall.

The lumpy dog ate the two sausages and half the pickled pig's foot, and the Sour Old Woman laid the rest up on her shelf for her lunch.

"Now then, dog," said she. "Did you see a Whiffet shadow come this way?"

"No," said the dog. And he went and lay down and went lumpy to sleep.

"Dear me! I'll ask my ruffled maple," said the Sour Old Woman, as sweetly as sugar. "Here Chatterbox! Come here! Did you see a Whiffet shadow come this way?"

"I won't answer until I get two whey-cakes and a peach-tart," said the maple.

So the Twins and the Whiffet trudged along until they came to the baker's. The Whiffet paid two more buttons for three whey-cakes and a peach-tart. Then they trudged back to the Waterfall.

The ruffled maple ate two of the whey-cakes and half the tart and the Sour Old Woman laid the rest up on her shelf for her lunch.

"Now then, Chatterbox," said she, "did you see a Whiffet shadow come this way?"

"No," said the maple, hopping up on the shelf and stealing the rest of the tart and the whey-cake. "I didn't."

Then the Old Woman turned around just in time to see her three-tailed cat steal the other sausage and the piece of pickled pig's foot.

"Oh, you greedy, greedy creature!" she shrieked. "You have eaten my lunch! And after all the trouble I took to get it. Scat!"

"I think she meant 'after all the trouble WE took to get her lunch,'" laughed Nancy, as they left.

"That's some more of my fortune gone," said the Whiffet gloomily.

Summer Comfort in Winter in the Nursery

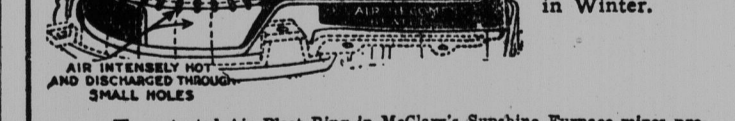

WINTER comfort is necessary to the health of growing children. Over-cold kiddies in chilly, drafty homes are subject to colds, and other childish ills.

You get the comfort and healthfulness of the right kind of heat from McClary's Sunshine Furnace because the warm air is humidified in the furnace before it ascends to the rooms.

Correctly installed by McClary's accredited dealer in your district the Sunshine Furnace is guaranteed to deliver heat uniformly to every room in your home, under all conditions at all times.

The Sunshine Furnace by the simple operation of the drafts, without any structural alterations, burns hard or soft coal equally well and because it is built in accordance with the latest construction code can be burned either alone or mixed with coal, without danger of cracking or burning out the furnace.

Write your nearest McClary's Branch for free booklet: "Winter Comfort in Canadian Homes." That will give you much interesting information about heating, fuel and the proper installation of furnaces so necessary in solving the problem of comfort in winter.

The patented Air Blast Ring in McClary's Sunshine Furnace mixes pre-heated air with the gases and volatiles (soot) in soft cool causing instant combustion with an intense hot flame the best of which is immediately felt in the rooms above.

N. H. S. HAS PLAN OF CATALOGUING ALL GIFTS RECEIVED

Scheme Will Recall Names and Achievements of Donors

Dr. William MacIntosh has decided upon a new plan of cataloguing for gifts received at the Natural History Museum, which will preserve a record of the donors of large collections of gifts as well as a record of the gifts which they have presented.

The museum possesses priceless collections, and the many men who made these societies have long since died. It is only fitting that the products of their life time work, now stored in the museum, should recall their names and achievements.

The small space of the museum does not permit of grouping together all of the articles of a collection of miscellaneous gifts presented by one person or one family, and where the gifts in one collection are of widely different kinds this would not be desirable.

Among the earlier collections which will be catalogued in this way is Professor Fowler's collection of botanical specimens from which the first list of New Brunswick plants was made.

Professor Fowler left New Brunswick to become professor at Queen's University in Kingston, and at his death bequeathed his rare and comprehensive botanical collection to the Natural History Museum where it is preserved with the utmost care.

Dr. G. J. Hay collection of botanical specimens ranks with Professor Fowler's, and it also is a treasured possession of the Natural History Society. A collection of mosses made by John Moser, another gift to the Society, had a world wide reputation.

John Moser attained eminence in the scientific world but lived so quietly and in such a humble fashion that few of those of his own day realized what he was accomplishing. He was a school teacher in a rural district of New Brunswick, and his means did not permit of his obtaining even the books of science which he needed to assist him in his research.

The Natural History Society presented to him some of the books that he coveted and he has produced. That his achievements, and those of members of his family, should be recounted as a preface to the catalogue which lists his collection of gifts to the museum will be a matter of general satisfaction.

The Delancy Robinson collection of arms is another of the very fine collections which it is hoped to have similarly catalogued, and among the more recent collections which also will be listed in this manner, are those of the Mrs. F. V. Ellis estate, the Mrs. George F. Smith estate, the John Sears collection and the Patton collection.

BEATTY WILL START FOR BRITAIN SOON

C. P. President Acting Over Company's New Ship Program

MONTREAL, May 24.—E. W. Beatty, president of the Canadian Pacific Railway, will sail for England this week on the Empress of Scotland from Quebec.

Mr. Beatty is going abroad in connection with the construction program of the Canadian Pacific steamships and the general business of the Canadian Pacific Railway.

Announcement was made some time ago that the steamship company intended to build this year two new passenger vessels similar to the Montclare, Montclair and Montrose, and five new freight vessels of 8,500 tons with a sea speed of not less than 14 knots, all which will be ready for service next year.

ORGANIZER IS BACK

Miss Barrington Returns From Chatham — Miss Joynes at F'ton Jct.

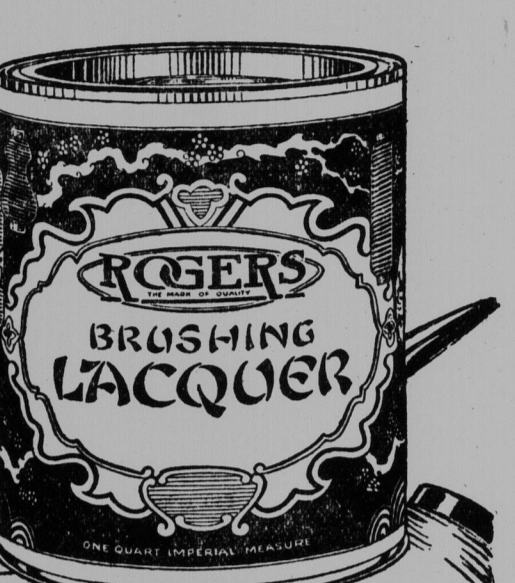

Miss S. A. Barrington, organizer of home nursing classes for the Red Cross Society, returned to the city on Saturday from Chatham where she had made a short visit in the interests of her work. She addressed a very enthusiastic meeting in Chatham when residents of neighboring centres were present also.

She was very greatly impressed with the splendid equipment and administration of the Hotel Dieu Hospital in Chatham. On Tuesday Miss Barrington will address the Women's Institute at Fredericton Junction. Miss Agnes Joynes, who did such excellent work in Campbell and Deer Island in instructing Red Cross home nursing classes, is now stationed at Fredericton Junction and is making that centre her headquarters, while instructing classes in several centres in the vicinity.

LUTHER TO VISIT U. S.

ESSEN, May 25.—Dr. Hans Luther, former Chancellor, is making plans for a trip to the United States in June. The trip will be incidental to a tour of the world.

FISH is food for the brain, but fishing satisfies the whole man.

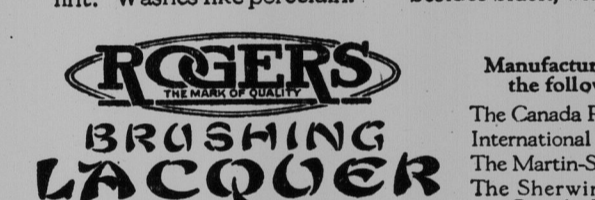

and you may walk on it again in a short time

WHEN the children get away to school and the house is clear of little feet, lacquer your kitchen floor with Rogers Brushing Lacquer. It makes a beautiful floor and it is no trouble to apply—it brushes so evenly and so smoothly.

Then when the children come home for lunch, the whole job will be done—and DRY enough to walk on.

Why, it's almost as quick as mopping your floor with soap and water—and a great deal quicker and easier than scrubbing. It gives you a new, hard, lustrous floor that won't scratch, print or hold dust or lint. Washes like porcelain.

You can walk on it shortly after you've finished putting it on. It wears and wears and WEARS. Wonderful stuff.

And it's just as good for lacquering your furniture as it is for floors and all other woodwork. The new perfected lacquer that doesn't soften or lift the old paint underneath, thus mixing the shades and making a dirty job.

Rogers Brushing Lacquer—remember the name—it's important, because it's the lacquer the world has waited for.

Your dealer will show you 18 popular colors and new shades besides black, white and clear.

U. S. NURSE DENIES POLISH ATROCITIES

WARSAW, May 25.—Helen Bridge, head of the Red Cross training school for nurses here, denied categorically yesterday that atrocities were committed by either side during Poland's "black week."

"I have heard reports from the United States," she said to the Associated Press correspondent, "that give the impression that M. Piludski's occupation of Warsaw was accompanied by atrocities. This is greatly to be regretted, because thereby the Americans have an erroneous impression of the Polish people among whom I have worked for five years."

"It is absolutely untrue that atrocities were committed on either side. My work took me to every hospital and if there were atrocities, I would have been in a position to know, but there was no trace of them."

BRITISH CONSUL IS ATTACKED IN CHINA

PEKING, May 24.—While the British consul at Swatow was engaged in removing Communist posters from the walls of the consulate yesterday seven pickets attacked him.

The consul defended himself with his cane and retired inside the compound. Then he summoned a guard from a British gunboat and informed the Chinese foreign commissioner that the guard would remain until there was an official apology and satisfactory assurances were forthcoming.

The consul was not seriously injured.

REPAIRING BRIDGE OVER LITTLE RIVER

New Structure Delayed by Objection of Marsh Land Adjoining

SALISBURY, May 24.—The bridge across the Little River at Five Points, a mile south of Salisbury Village, is receiving temporary repairs just now.

On the southern end of the bridge there is a long approach over a marsh from the hill to the river and it appears that the owners of the land object to having this approach built in with solid materials which would practically be a dam.

R. K. Y. Season At Millidgeville Opens

Yesterday marked the official opening of the 1926 yachting season of the Royal Kennebecasis Yacht Club and following a custom of the opening, an appetizing dinner was well served in the mess room of the clubhouse, to which about 80 members sat down.

Injured Lad Rushed to Hospital, But Expires Soon Afterwards

EDMUNDSTON, May 23.—Medley St. Onge, 14 year old son of William St. Onge, of this town, was killed yesterday at Fraser Companies Mill. The unfortunate boy was working with his father, a single sawyer, in stooping down in the course of his work his foot slipped and he was thrown against the saw which cut him practically in two.

YANKEES LEADING BY 7 FULL GAMES

Winning Streak Extended to Thirteen Straight By Fast-traveling Team

NEW YORK, May 25.—Seven full games, a long lead at any time of the year, now separate the New York Yankees from their nearest American League rivals, the Cleveland Indians, and the winning streak has been extended to 13 contests.

Perhaps the Yankees believe in unlucky numbers and perhaps not, but it is recorded that they need 18 more before they will tie the modern record established by the New York Giants a decade ago, and—the Giants failed to win the pennant that season.

Yesterday's thirteenth victory was gained at the expense of the Boston Red Sox, 4 to 2.

Cleveland failed to hold the pace going down before George Sisler and his Browns, 3 to 6.

Falk, Mostill and Barrett hit homers for the Chicago White Sox, and the men of Collins had little trouble beating the Detroit Tigers 10 to 4.

The Chicago Cubs bunched bingles to defeat Pittsburgh 3 to 1, Aldridge allowing all the runs and giving way to a pinch hitter in the seventh. Heathcote inserted a homer for the Cubs.

Eleven runs in the last three innings gave the St. Louis Cardinals victory over the Reds, after the battle appeared to be lost. The Reds started the game with four and added two in the third but could not score thereafter. Lester Bell of the Cards, added a homer to his list.

Rumanians Expel N. Y. Correspondent

BUCHAREST, Rumania, May 25.—The newspapers announce that Clarence Street, correspondent of the New York Times, has been ordered by the government to leave Rumania within twenty-four hours. The press announcement alleges that Street wrote for his newspaper a series of articles which were considered insulting to the crown and government. Mr. Street left last night for Vienna.

ANTI-SMUGGLING CAMPAIGN ON IN WESTMORLAND

Federal and Prohibition Officers Seize \$40,000 Worth of Liquors Near Moncton

COURT CASE TODAY

Part of Cargo of Schooner Which Recently Went Up Bay of Fundy Taken

Special to The Times-Star
MONCTON, May 25—As forecast recently in The Times-Star, the Department of Customs and Excise has planned to carry on a vigorous war in this section of the province against smuggling. As the result of two seizures in the vicinity of Moncton within 48 hours, no less than \$40,000 worth of contraband liquor is now stored here. The case of Samuel Jones, a farmer of the Salisbury road, in whose barn \$18,000 worth of liquor was found yesterday was before the police court today.

The Federal authorities are maintaining a vigilant watch over the entire North Shore coast line and in Kent and Westmorland in an endeavor to put a stop to smuggling, especially of liquor, which is said to have been extensive in the past three years, particularly along the coastline of the Northumberland Strait. The prohibitory law enforcement officers are co-operating. It is asserted by officials that in past years much contraband has been carried to the vicinity of Moncton in automobiles and hidden in barns and other out-of-the-way places.

MONDAY'S SEIZURE

Yesterday's haul was made by Customs Collector J. A. Girouard, assisted by five members of his staff, and consisted of 143 bags of assorted liquors, each bag containing about a dozen bottles each of gin, brandy and Scotch whisky. Included in the seizure were

FIRST SALVAGE FROM TRAGIC S-51

two 10-gallon cans of Scotch whiskey. The total retail value of the takings would reach a figure above \$15,000. The haul was brought into the city and placed in storage at the customs warehouse along with liquor seized on Saturday on the road to Dover. The lot is in the keeping of an armed guard.

BOURGOIS' QUICK WORK

The biggest haul of illicit liquors ever made in Moncton or vicinity was made on Saturday afternoon. J. J. Bourgeois, one of the prohibition inspectors, was in the City Market, Saturday morning and, being acquainted with practically all the residents for miles around Moncton, talked with some of them. A man from Dover or vicinity asked Mr. Bourgeois what was

VETS URGED TO USE EMPIRE PRODUCTS

OVATION IS GIVEN TO EARL OF MEATH

British Imperial System Held True League and Next to Church

LONDON, May 24.—The British Empire is the true League of Nations and next to the Christian Church the greatest power for good in the world," the Earl of Meath declared before the British Legion Conference in Queen's Hall today.

He urged the Conference attendants to represent more than 100,000 veterans of the Great War, to purchase home and empire goods products and in that way help diminish unemployment and poverty. The Earl, who founded the celebration of Empire Day, was given an impressive ovation by the Legion members.

Considerable feeling was expressed during a business session of the Conference when a resolution was offered protesting against the action of Legion headquarters in issuing a statement to the press during the late strike calling on all war veterans to offer their services for the preservation of law and order. The resolution was defeated amidst cheers.

Another resolution urging the International Federation of Ex-Servicemen to convene a meeting with war veteran organizations of former enemy nations, in the interests of peace and goodwill throughout the world.

The tug *Jeppocot*, with two barges in tow passed the White Island at 3 o'clock yesterday afternoon bound to the westward.

FOR GIRLS WHO WORK

Lydia E. Pinkham's Vegetable Compound is a Great Friend—It Stops Pain and Restores Health

Toronto, Ontario.—"I work in a factory and I would have to get away from my work every time I was sick. The dragging-down-pains and cramps were very bad, but my back was terrible. It hurt so that I couldn't lie down with it. I heard some of the girls talking about Lydia E. Pinkham's Vegetable Compound, and they told me to try it. I have taken about a dozen bottles of it and it has done me a lot of good. I never have any pains or sore back now, and have not been off from work a day since I have taken it. I recommend the Vegetable Compound when I have the opportunity."

Touch a Corn

with this amazing liquid
"Gets-It" acts like an anaesthetic—stops pain in 3 seconds

WORKS like magic on any kind of corn, no matter how old, where it is, how bad it hurts. One touch and the pain goes. Almost unbelievable. Then the corn shrivels up and goes. A scientific way that dancers, walkers, actors, doctors and millions use. Beware of imitations. Get the real "Gets-It" at drug stores. Costs only a few cents.

A Lovely Skin Comes from within

Constipation is the cause of most skin troubles. Poisons from the waste matter are picked up by the blood and carried to all parts of the body, especially the skin.

AN INTERNAL BATH HIGHLY RECOMMENDED

A prominent physician made the remark recently that if people were half as particular in regard to internal cleanliness as they are about external appearance three quarters of our ordinary ailments would be eliminated.

Nujol FOR CONSTIPATION

Nujol makes up for a deficiency of natural lubricant in the intestines. It softens the waste matter and thus permits thorough and regular bowel movements without gripping.

EVERYBODY GET LAZY!

You get lazy, everybody gets lazy—even your liver gets lazy now and then. When you get that tired, lay-me-down-and-die feeling take 15 to 30 drops of Selig's Syrup in a glass of water. Does the trick and safely. You'll feel like new!

How Much is Enough Insurance?

For "Family Men" this is the most important problem. Figure the amount of your insurance at 5% (the limit of Safety) and you will quickly see whether you are sufficiently "covered".

AUTO DRIVER HELD ON LOCAL CHARGE

To Stand Trial For Driving
While Under Influence
of Liquor

ST. STEPHEN, May 24—The inquest into the death of young George Brewer, of Milltown, who was killed by being hit by an automobile driven by George Lowden, on Saturday evening, was held at 9 o'clock this morning in the undertaking rooms of Coroner S. O. Mehan. Following the hearing of evidence the jury was out only a short time and brought in a verdict that George E. Brewer had met his death by being hit by an automobile being driven by George Lowden. As the jury had not attached blame to either the boy or the driver they were sent out again but returned without changing their decision. Coroner S. O. Mehan and P. E. McLaughlin conducted the inquest while W. N. Cockburn appeared for Lowden. Lowden is held on a local charge of driving a car while under the influence of liquor and his trial will come up before Magistrate P. E. McLaughlin, at Milltown, tomorrow morning.

The jury consisted of Hugh Titus, foreman; James Dewar of St. Matthews; Howard Caswell, Clayton Cameron, Clifford Roy and Wm. Bradford, all of Milltown.

THE EVIDENCE.
Caroline Robinson, who witnessed the accident and picked up the victim and carried him to his home, Fred Beck, who was in the car with Lowden at the time of the accident, and Vernon Roy, the playmate of the Brewer boy, were all examined and their testimony

TIED, ACHING FEET—

"TIZ" makes sore, burning, tired feet feel fairly dainty with de-lights.

Away go the aches and pains, the corns, callouses, blisters and bunions. "TIZ" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. Your feet just tingle for joy; shoes never hurt or seem tight. Get a box of "TIZ" now from any drugstore or department store.

Hamilton, Ont., United Church Conference Declares For Warless World

HAMILTON, Ont., May 25.—A resolution urging the general council of the United Church to demilitarize all school and college training was unanimously adopted at yesterday's session of the Hamilton Conference of the United Church. The conference believed in a warless world and dedicated itself to such an achievement, declared the resolution.

Rev. M. Cameron, of the Simcoe street church here, who introduced the motion, served for four years during the Great War, and rose from the rank of private to captain. He told the conference that "military training teaches men to be obedient to brass buttons and tin hats, but not to the great ideal of the country."

John Shannon Is Killed In Rockwood

While playing in Rockwood Park on Saturday afternoon, John Shannon, aged 15, son of Mark E. Shannon, 122 Rothsey avenue, fell from a tree and was so severely injured that he died that night in the General Public Hospital. While playing with a companion, he had climbed a large birch tree. He went out on a decayed branch which

U. S. Middle West Swelters In Heat

CHICAGO, May 25—The sun has a hot menu ready for the Middle West this week. Temperatures as high as 90 degrees are due in Chicago today, the Weather Bureau says. Nebraska and South Dakota already are sweltering under 88 to 100 degrees, and farmers and straw hat merchants are rejoicing.

Plan \$200,000 Church For Buctouche

REXTON, May 24.—F. J. Legez, architect, of New York, is completing plans for the erection of a new Catholic church at Buctouche. The new building will be of concrete and steel and will cost in the vicinity of \$200,000.

In shares of many prosperous industrial, Houseman & Co.—"Speculative activity, we think, will continue favorable to the subpar stocks and local transactions, in addition to the rails."

Hornblower and Weeks—"Further strength in rails, increasing interest in oils and a matting out of advance in industrials would seem indicated."

MAN IS DROWNED OFF YARMOUTH CO. IN VIEW OF OTHERS

Eleanor Newell, 75, Tumblers From Boat in Little River Harbor

YARMOUTH, May 23.—Eleanor Newell, a lobster fisherman, residing at Little River Harbor, Yarmouth county, but a native of Cape Sable Island, was drowned yesterday morning. He was about 75 years of age and did most of his fishing in the channel, a short distance from the shores of the harbor. He was out in a small dory and in hauling in his traps he in some way capsized the little craft.

The accident was seen from the shore and men in boats immediately started to the rescue. Before they could reach him, however, he disappeared from view and was drowned.

SEARCH FOR BODY. Mr. Newell is survived by two sons, Horace, of Little River Harbor, and Norman of South Portland, Me.; also two daughters, Mrs. Wilton Rankin, of Arcadia, and Mrs. R. A. Bower, of Shelburne. He was a native of Cape Sable Island.

ARTICLES FOUND. The police report finding a small pocketbook on Charlotte street, and a child's glove on St. James street. The owners can procure the property on application at police headquarters.

The steamer Transylvania was due at New York yesterday from Glasgow.

MILL CUT FINISHED AT HOPEWELL HILL

HOPEWELL HILL, May 24.—The Women's Institute held a successful supper in the hall on Saturday evening. G. W. Newcomb's mill finished sawing on Friday. The cut was much smaller than last year.

The Moncton-Albert bus service opened today for the season, with a new and improved car that will give increased accommodation. The service has been a great convenience to the people.

HORSE RUNS AWAY. A horse attached to an express wagon, owned by Vanwart Bros., corner of Duke and Charlotte streets, and driven by Harry Graham, 112 Charlotte street, took fright and ran away on Richmond street at 12:15 o'clock Saturday afternoon. The horse was brought to a stop by Police Constable Melnick, but not before the wagon was considerably damaged. The driver was not injured.

WOOSTOCK, May 23.—Manly H. Craig, D. I. S., is in Woostock this week surveying and locating mineral areas. Montreal and Denver capital, it is said, will become interested in the near future. The probable development of hydro has a particular attraction for mining interests and, when electric power can be obtained, concentration plants will be erected. It is now definitely known that large deposits of gold, copper, silver, lead and zinc are within a stone's throw of the town of Woostock.

During his survey Mr. Craig found signs of oil as well as minerals. From the surface of the ground he found ore worth \$548 a ton, gold, 50 cents; silver, 1.85; copper and zinc, \$4.00. At a depth of 50 feet, he says the ore will assay \$50 a ton. The local mines partly developed are the Bull's Creek mine, the Upper Woostock mine, the Cobler-Seven and Dominion No. 1. All mines have easy access to the Saint John River for transportation of ore.

FREDERICTON, May 21.—Preparations are being completed here today for the continuation of the topographical surveys in this area by the Department of the Interior, Ottawa, with the arrival here this week of B. Waugh, of Ottawa, Dominion Land Surveyor.

For several years these surveys have been proceeding in different sections of the province under a plan for

Livelier Action~ Longer Life! for your FORD

YOU can get smooth, powerful, trouble-free operation from your good Ford motor and add care-free years to its life by using Marvelube "F", the new process Ford motor oil that successfully combats carbon. Used regularly in your Ford engine, Marvelube "F" protects you against the annoyance and expense of engine knocks, transmission chatter, draggy clutch action and worn bearings. It "seals in" the power and endows your car with new life. Marvelube "F", specially made from a selected grade of Peruvian Crude Oil by the new Marvelube Process, is a light-bodied, free-flowing oil. It cannot form destructive carbon deposits, because it is refined by the Marvelube Process. In its ability to hold its body and retain its lubricating value under high engine temperatures, and remain fluid without stiffening at low temperatures, Marvelube "F" has proved itself superior to all other oils. Marvelube "F" ushers in a new era in Ford motor lubrication. It sets new standards in all the qualities by which Ford lubricating oils are judged. It is the only lubricating oil of its kind and it cannot be duplicated by any other oil company because Imperial Oil Limited controls Peruvian Crude Oil and is sole owner and operator of the new Marvelube Process which has been developed after four years of research in our laboratory at Sarnia. Today—drain your crank case and fill with Marvelube "F". You will enjoy new satisfaction from your Ford's performance, reduce its up-keep cost and preserve its re-sale value. Marvelube "F" is on sale at all Imperial Oil stations and by good dealers everywhere.

WATCH DONATED FOR BEST SENIOR AMATEUR BASEBALL HITTER

PERCENTAGE OF GAMES NEEDED FOR QUALIFYING

Trophy Raises Nelson's Case Sharply To Fore Again

A HANDSOME gold watch has been donated to the amateur senior baseball leagues of the city by Ferguson & Page, local jewellers, to go to the player in any of the leagues who has the highest batting average for the year, according to an announcement this morning by W. E. Stirling, New Brunswick vice-president of the M. P. B. A certain percentage of games must be played for the team members to be eligible, probably 75 per cent. of the games in the official league season. This will probably mean all games played up to and including July 21, but none after that, nor will the play-offs also count in this reckoning.

Several of the leagues have individual prizes offered for such leadership but this with a city trophy, emblematic of the batting championship of the city. Interest is loaned to the announcement in view of the present unsatisfactory status regarding Earl Nelson, the Royal's star who wielded the big stick last year. Some definite decision regarding his case should be made at once in order to permit him to compete in such competition before it is too late.

SCHEDULES

The schedules for the City League and County League for the next two weeks are:

Nehf Has Been Big League Player Since 1915 Season

ARTHUR NEHF, veteran left-handed pitcher, who was recently transferred from the Giants to the Cincinnati Reds, is now a member of his third major league club. Before coming to the New York club he wore the uniform of the Boston Braves for several seasons. He was one of the mainstays of the Giants' pitching staff during the seasons from 1921 to 1924, when the New York club was winning four successive National League championships.

In addition to helping the Giants to four consecutive league championships he was also one of their mainstays in the various world's series played during those years. He participated in 10 games with the Giants in the four world's series from 1921 to 1924, in which he won 17 games and lost only eight. In 1918, his last full season as a member of the Boston club, he won 15 games and lost the same number.

BURGESS HURLS ONE-HIT GAME AGAINST SAINTS

Water Dept. Beat St. Johns While St. Rose's Down St. Peter's

FEATURED by chilly weather and excellent pitching for so early in the season, the 1926 amateur baseball campaign got away to an excellent start yesterday with two games being played in the local leagues. The City League inaugural saw the Water Department, Maritime champions, beat the St. Johns, 4 to 2, while in the County League, St. Rose's wrested a hard-fought game from St. Peter's on St. Peter's Park, 1 to 0.

Large numbers of fans braved the elements and apparently enjoyed the return of the game after the several months' absence. Excellent pitching marked the games, the palm going to a young intermediate, Burgess, who led the St. Rose's to one lone bludge in the nine innings played. The only run scored off him was through an error and in addition, he struck out 12 of his opponents. Ira Hannah allowed the Saint Johns a scant two hits, while Lloyd Stirling, his teammate of last year who was Hannah's opponent yesterday, was almost as stingy with three hits.

Games Tonight

Three senior games are carded for this evening. In the South End league, the first game will be played when the St. John the Baptists meet the Nationals in the City League, the Water Department and Trojans tangle on the East End grounds, commencing at 7:10 o'clock. Armstrong or Ranley will haul for the Watermen and Daley or Kerr for the Trojans.

North End fans have the St. Peter's Park attraction this evening when the Shamrocks and St. Peter's clash. Potter, paces, will haul for the Shamrocks who will make their debut of the season.

ON EAST END.

The game between the Water Department team and the Saint Johns was won by the former by a score of 4 to 2 and was a fairly good exhibition game so early in the season, although ragged in spots. The chief feature was the faultless pitching of Hannah and Stirling. The Water Department batters were a clean line single to right center by Bartlett and infield tap by Charlie Gorman who fed the ball to first by a great sprint, and a scratch single by Latham. The Saints got to Hannah for a two-base drive by Tom Murray and a three-bagger to deep right by Murray Stirling, who completed the circuit. Edie Snodgrass' three wild in an attempt to catch him at third. Both hurlers pitched shut-out.

Stirling, who was being responsible for all the counters. The grounds were heavy following the morning rain and quantities of sawdust were used to get the grounds ready for the contest. The ball was difficult to handle and errors were frequent, Johnny Corrigan being the worst offender. Johnny contributed three juicy bauls in the first two frames, but then settled down and fed his position well for the remainder of the game.

BARLETT IS GOOD.

Bright fielding bits were contributed by Bartlett, who made several nice catches in left field, including a circus stab of Kearney's smash; a couple of nice putouts by Edie Snodgrass and a perfect stop and throw by Gorman, while Hazelwood, in centre field for the losers, hauled a long drive by Latham out of the air and doubled Thompson off first base in the sixth. Penny fielded his position in fine style.

FREDDIE ON MOUND.

Freddie Diggs, late of the Royals, took up the pitching burden for the Saints. He appeared to have lots of stuff, but was wild as a hawk, and was derided after uncorking a succession of wild pitches and hitting Gorman and Stirling was called to the mound. Mayor White made a short introductory address and pitched the first ball.

The Saint Johns ended the scoring in the fifth, when Murray Spirling soaked the pill for three bases, and scored when Snodgrass' throw went wild. Excitement threatened to develop in the ninth when the Stirlings took exception to some remarks made by Snodgrass, but the players were quieted before serious trouble developed.

FUSILIERS OPEN UP

Some Excellent Scores Made at Initial Shoot of Soldiers Yesterday

Yesterday saw the official opening for the outdoor season of Target shooting for the Saint John Fusiliers' Association. Members present enjoyed greatly the two shoots held, the morning being dark with tricky wind, while the afternoon was not very much better with wind blowing from the left. Numbers present were not as large as expected, due to some taking the advantage of the week-end for a fishing trip and for fixing up their gardens. To those who have not yet drawn their rifles

the association says hurry up, phone Lt. M. J. Scott and make arrangements to get same. The spoon winner of the afternoon shoot proved to be R. Q. M. S. Moore, who got the nice score of 85, closely followed by Corpl. DeVenne, who had 80.

In the morning shoot Pte Donnelly got 88.

Big Run of Fish In Harbor Here One of the greatest runs of gasperaux ever known in the harbor was on Saturday, over 300,000 fish being taken by the fishermen. The shad fishermen also had a good run, but the price of the fish has fallen off, 35 cents being the price paid on Saturday. It was said the reason for the drop in price was the collapse of the Boston market, \$200 each of Barnet Jacobson and Israel Jacobson.

ELI BOYANER AND MISSE ESTHER BLITZ MARRY

Wedding at 6 O'clock This Evening in Carleton Street Synagogue A wedding of interest is to be solemnized in the Shaarei-Zedek synagogue, Carleton street, at 6 o'clock this evening, when Eli, second son of the late Don and Mrs. Kate Boyaner, Elliott row, will be married to Esther Blitz, daughter of Rev. S. J. Blitz, now of this city, but until a few months ago of Zurich, Switzerland.

The ceremony, which will be musical in character, will be performed by Rabbi O. Mundelblat, assisted by Rev. A. Babb. The bride will be attended by Miss Bertha Boyaner as maid of honor, Misses Rose Goldfeather and Tauba Blitz as bridesmaids, little Misses Sylvia Gilbert and Lola Harris as flower girls. Louis Boyaner will be best man, and Ralph Isaacs and Dr. Frank Boyaner will be groomsmen. The ushers will be Mitchell Bernstein, Hyman Marcus, Wolfe Cohen, Louis Lipssett and Isadore Amdur. The ceremonial canopy will be held by Maurice Elman, Samuel Gilbert, Benjamin Guss and Samuel Kominsky.

Imperial Theatre orchestra members and others, under the direction of A. E. Jones, will render incidental wedding music during the intonation of the Shema as well as the wedding march. According to Hebrew custom, the ceremony will begin with the intoning of an impressive prayer for the dead parent of one of the principals, a token of respect. Relatives and immediate friends are the specially bidden guests, and will be dining at a family party after the ceremony. At 9 o'clock this evening a festive wedding party and reception will be held in the social suite of the church, for which a large number of invitations have been extended.

BRIDE'S COSTUME Miss Blitz, the bride, will wear ivory georgette, with bodice of rhinestones and bridal veil of old lace and orange blossoms. Her bouquet will be of Opheelia and sweet heart roses and lily of the valley. Miss Beatha Boyaner, as maid of honor, is to be attired in white georgette, trimmed with rhinestones and pearls, a picture hat of mauve and a bouquet of mauve sweet peas and roses.

The bridesmaids, Misses Goldfeather and Blitz, will wear sage green georgette and pale pink georgette, respectively. Their bouquets will be of corsage design. The little flower girls are to be attired in lavender organdy with hair bands of forget-me-nots and are to carry nosegays of sweet peas and lily of the valley.

The bride and bridegroom will spend their honeymoon in Washington and upon their return will occupy a cottage at Pandemonia for the summer. Mr. Boyaner, who like his late father, occupies a prominent place in the citizenship of Saint John, has been honored by his many friends and associates with numerous gifts and tokens of good will, which gifts were also in a spirit of welcome and congratulation to his bride, through a comparative stranger in the community.

CIVIC PROBLEMS TO BE MAYOR'S TOPIC

Board of Trade Hopes For Gathering of 500 at "Beauty" Dinner The committees in charge of the Board of Trade dinner at 8:30 p.m. on Thursday of this week in the Admiral Beatty hotel have about completed arrangements and expect this will prove the most successful function so far undertaken by the board. The speaker of the evening is to be Mayor White, who will have as his subject "Civic Problems." This will be an important address and in it His Worship will deal with remedies to be applied for conditions existing.

While the dinner is a Board of Trade function an invitation is extended to all citizens desiring to hear this address of the Mayor to attend and it is the hope the membership of the Board that many will avail themselves of this opportunity.

Preparations have been made to care for 100 and already a number of reservations have been made.
