PREFACE.

The publishers in presenting the first edition of their Business and Farmers Directory of the counties of Dufferin, Simcoe and District of Muskoka have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. Our Postal and Express Guides will be found invaluable to shippers and business men generally. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO., Ingersoll,

Publishers.

Entered according to Act of Parliament in the year 1883, by J. F. Morrey, in the office of the Minister of Agriculture.

ONTABIC LADIES' COLLEGE, WHITBY.

ONTARIO LADIES' COLLEGE

WHITBY, ONT.

CONSIDERATIONS FOR PARENTS.

Parents thinking of sending their daughters from home to be educated, are asked to consider the following special advantages which have contributed to the present success and popularity of the Ontario Ladies' College:

1st. The best facilities for obtaining a thorough academic and collegiate education. The work required for University Matriculation is made the basis of the collegiate course, so that pupils may prepare for this examination, or for any of the examinations for teachers' certificates whilst attending our regular classes and going on to graduation. This year some of our pupils have passed entire Matriculation Examinations at Toronto University, taking honors in French, German, History and Geography.

Our museum and apparatus for the teaching of the higher branches of Natural Science are, we believe, far in advance of those usually found in Ladies' Colleges.

2nd. A graduation course in instrumental and vocal music such as is given in the leading American and European Conservatories. Those wishing to fit themselves to become teachers or organists will find it greatly to their interest to attend for a year or more.

3rd. A graduation course in the principles of Fine Art such as is given in the Ontario School of Art with the same examinations and certificates. In proof of this it may be stated that one of our pupils, in competition with all the art schools of the Province, has recently taken the bronze medal awarded for highest standing in Grade B course. Not one of our candidates failed. Our Studio is well supplied with studies models, casts, &c., for advanced students.

4th. The most careful and judicious training in home and social life by the Lady Principal, Miss Adams (late of Brookhurst), Cobourg.

5th. An admirable course of training in Physical Exercise, embracing during the winter months, Skating, Calisthenics, &c., and during the autumn and spring months, Lawn-Tennis, Croquet, Riding, &c. Fresh air, pure water, pleasant location, and exhilarating exercise, account for our remarkable record for good health.

6th. The most elegant buildings and grounds in Canada devoted to the higher education of young ladies. Situation universally admired and commended. This advantage contributes greatly to the happiness and intellectual improvement of our pupils.

7th. Comparatively low rates.

8th. A large number of medals, gold and silver, as well as scholarships, open for competition to pupils in the various departments.

In short, the aim of the institution is to afford to young ladies a genial home of refinement and culture in which to lay the foundations of a liberal education under Christian influences.

WHITE BRONZE

Monuments and Statuary, that will not Crack, Crumble or Corrode.

White Bronze Monuments.

The White Bronze Monument Company, of St. Thomas Ont., are now reaping the harvest of success accruing from the excellence and beauty of their products. Ever since the inception of this new industry their monuments and ornamental goods have been greatly admired, but some were sceptical as to their permanence in our severe and changeable climate, and now that it has been clearly proven that the material is unaffected by frost or sun or storm, and even improves by age, orders are flowing in from the remotest parts of the Dominion. The managers claim that their monuments are especially appropriate in form and design for memorials of our brave volunteers who have fallen in action. Their order book contains orders, received during the past few days, from British Columbia, Nova Scotia, and all the central Provinces. One of these orders is especially suggestive, coming as it does from a distinguished scientist in one of Ontario's seats of learning, who selected the White Bronze for a costly memorial, without solicitation, and simply from his knowledge of the nature of the composition.

It may be added that the joints are so perfectly fused with an indestructible material as to render them as firm and adhesive as if all was cast in one solid form.—*Globe, June 9th, 1885.*

Montreal, Que., Nov. 15 83

I hereby certify that I have analysed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Co., and I find it composed, as represented, of *Refined Metallic Zinc*, of a very superior quality to sheet zinc, and *almost absolutely pure*. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and *indefinite durability*. (Signed) J. Baker Edwards, P. St., D., D. C. L.

These Monuments are practically indestructible, and for beauty of design cannot be surpassed. Designs and prices will be furnished by the County Agents, or by applying to the Company at St. Thomas. The St. Thomas White Bronze Monument Co., Sole right of manufacture for the Dominion.

ALL HUMBUGS SET AT DEFIANCE.

The Masterpiece of holding the largest Scrotal or Hernia RUPTURE. Under a sure guarantee, and not to be imposed on by catchpenny humbugs. Having made a new discovery in the shape of applying the Spiral Pad in cases of very large Scrotal Hernia, I hereby invite the suffering public to correspond with me, and have a day set for themselves to be at my office in Toronto, and I will guarantee to hold these Ruptures under any circumstances, or no charge. The final trial shall be :—I will sit on a common chair ; I weigh 175 pounds ; the patient shall lift me up with the chair in a bent position, which is the severest test known. As a proof that this offer is genuine and not thrown out to the public as a decoy duck, I do not ask a cent until the Truss has performed its work during this severe trial. Note.—This applies to hopeless cases that have tried all manner of trusses without success. Send 5c. stamp for book on Rupture and Human Frame ; valuable information. Address

THE PORT HOPE TIMES

Has the LARGEST CIRCULATION of any paper published in the United Counties, and is admitted to be Unrivalled as an Advertising Medium. Prices nearly as low as other journals possessing less than half the circulation. Special efforts have been made, at great expense, to work up a large Local Circulation for THE TIMES, and the fact that it can be found in the majority of the houses in the East Riding of Durham, and has no rival of equal influence, in the Township of Clarke, in the West Riding, attests the esteem in which it is held. THE TIMES is therefore the most economical medium through which Merchants and others can make their announcements to the people of the Town of Port Hope and neighboring Townships. Subscription, $1.00 per annum.

THE DAILY TIMES,

which has been accorded a much better support than was at first anticipated, is also recommended as an excellent Advertising Medium through which to reach the people of the town. The Advertising Rates have been placed at the lowest possible figure. Business men who have not yet given it a trial are respectfully solicited to do so, and we are confident they will be pleased with the result.

J. B. TRAYES,
Editor and Proprietor.
