Copy of a Letter from the late COLONEL  
HAWKINS, (the well-known Author on "Texas  
and Southern," Longport House, near Wetherwick, Lancs,  
October 21st, 1856.)

I come to you, Sir, to inform you of the extraordinary effect I have experienced by the use of your LISTERINE. I had a carbuncle for several weeks, that defied all that had been done for me; and yet I got complete relief of it by taking about half a small box of your LISTERINE, which I find are the only ones that relieve the cough without deranging the system or digestive organs.

I am, Sir, your humble servant,  
F. W. HAWKINS.
