BETWEEN SCYLLA AND CHARYBDIS

Laurier Is In Either for a Slap In The Face From The Liberal Party or a Severe Rebuke From The Electorate In Ottawa By-Election — Trouble Grows In Liberal Camp.

Ottawa, Jan. 9.—The complications over the nomination of Mr. Auguste Lemieux to contest Ottawa in the Liberal interests are increasing. Tonight Le Temps, the French Liberal daily, repudiates Mr. Lemieux, incidentally using severe language with regard to him. After recounting the issue of the convention it says: "What irony and what a mistake."

Unable to Accept. "We regret that for our chief and for ourselves we must declare firmly that we shall never accept the candidature. On the contrary, careful of the interests of the great Liberal party, of which we are most devoted defenders, basing ourselves on the judgment rendered by the most competent authority in the matter (Authority against which nobody should appeal) we hope that the decision that Sir Wilfrid Laurier has just rendered will have the effect of proving to the entire country that its interests are perfectly safe in his hands and that no man, wherever he may come from, can become a representative of the people with his assent unless he possesses the mastery qualities that most distinguish those elected by the nation.

One Quebecer does the work of two Hindus. A company now proposes to import a large number of French Canadians for their logging camps.

BOSTON'S CIVIC CAMPAIGNS NEARING END

Tuesday To Mark Close Of Most Spectacular Municipal Campaign In History Of Hub.

PARTY LINES ARE DRAWN FROM FIGHT

Boston, Mass., Jan. 9.—When voting Boston goes to the polls Tuesday "finals" will be written to the greatest and most spectacular municipal campaign that this old-time Puritan city has known for many a long year.

Each of the candidates for the city council has made the astounding charge that his principal rival has subsidized not only the entire press of Boston, but also a New York evening newspaper and a New York weekly. The city is buried beneath a blanket of campaign advertising, never before even approached, locally in extent.

Monster rallies, which almost unexampled enthusiasm has been displayed, have followed one another in rapid succession. These have been supplemented by smaller rallies in stores, factories and every place where a hundred or so voters, could be reached.

One of the candidates James J. Storrow, often hailed as one of Boston's leading citizens, is a man of great wealth and the standard bearer for the "little general" John F. Fitzgerald.

STOCK MARKET MARKED TIME SATURDAY

New York, Jan. 8.—The quiet stock market today reflected the waiting attitude of the speculative element. One thing awaited evidently is the ripening opinion likely to be formed of the measures presented in the president's message.

The financial Chronicle, summing up the money market in New York, says: "Money is needed for various enterprises contemplated by our leading financiers, who, it is believed, would like to turn part of their stock holdings into dollars."

The subsidence of the recent feverishness in Rock Island removes a depressing factor from the speculation and the effect of this was seen today.

TIGERS WIN FROM PIRATES

Buccaners Lose Three Points to Rivals in Fast Game on Black's Alleys--High Totals Made by Both Teams.

"When Greek meets Greek there comes the tug of war." is an oft-repeated saying, and when the Tigers and Pirates met on Black's alleys on Saturday evening some bowling was seen. The first string ended in victory for the Pirates, but the Tigers captured the next two strings and the total, cleaning up the high score of 1320 pins. Only two teams in the league have so far gone over this mark. The Pirates rolled well except in the final, when they went all to the bad. In the first string the pirates got the Tigers on the run, making the fly to the tune of 444 to 413. In the second the Tigers showed fight and led by Lunney with 95. They drove the buccaners back and with starting roars won back twenty-two of their lost points. Phinney and McDonald of the Pirates, received notorious wounds in the fray and in the final rolled very much off. The other members of the team fought gamely to win back their lost ground, but could not withstand the savage onslaughts of the Tigers who were by this time, thoroughly aroused. Showing all their teeth for the last time, the Pirates charged and never stopping until they had cleared the thirteenth century mark by thirty pins, won the fight.

For the winners McKell led the way with an average of 96 and was closely followed by A. Bailey with 95. Lunney also secured a position in the nineties which F. Bailey reached 83. "Rat" Belyea was away off in the last two strings, getting some terrible breaks. For the Pirates Billy Griffith put up the best score averaging 91.23. Artie McDonald was second best with 89 while Crowley was also "on," securing 88.13. Phinney got some very bad breaks but managed to pull out with an average of 80. Cronin also bowled in hard luck, but pulled out well.

The scores:

Tigers.	
Lunney	82 274-911.3
McKell	84 100 104 288-90

All through the week the thin pliers have been busy trying to qualify for the event and the high scores which have been hung up indicate some tall travelling this evening. There will be the usual big crowd of fans in the bleachers for these roll off events are always fully as interesting as the league games and sometimes the best roll of the week is witnessed in the regular prize roll on Monday evening. Bowlers may qualify for the roll off by making a list of those who are "in" may be shaken up somewhat before the flag drops.
