## REPORTS

Read at the Twelfth Annual Meeting of the Parkdale  
Presbyterian Church.

### *REPORT OF SESSION.*

It is with feelings of pleasure and thankfulness that the Session again reports to the congregation, of which it has the privilege of taking the oversight. The work of the year has been somewhat interrupted by the illness and lengthened absence of the Pastor; and yet, we are thankful to say, that the congregations have been maintained, and the work of the Sunday School, Bible Class, and the different societies in connection with the congregation, has been prosecuted with commendable zeal and gratifying success.

The remembrance of the past mercies, however, only quickens the desire for richer blessings in the future.

We are asked to open our mouths that He may fill them. Let us aim at the largest fulfilment, that His boundless mercies justify us in claiming. We long to see greater zeal animating ourselves and all the members, and to witness the in-gathering of many who are yet living without God and without hope.

We are the more urged to that desire by the fact that death has carried away thirteen (13) persons of different ages during the year, and many others were seriously afflicted who happily were restored to health, or are now on the way, we hope, to complete recovery.

Our sympathies go forth to the sorrowing bereaved, may the Good Shepherd lead them through affliction into a large and wealthy place. May we all be taught to number our days and apply our hearts unto wisdom.

It is very gratifying to the Session to note the fact that two more of our young men, Albert Briggs and James Duff, have gone to the Foreign Field to labor for the Master amongst the Heathen. We trust the presence of so many from our own congregation in the great Mission Fields of the world will draw forth more and more our sympathies and prayers, and that in due time others will follow in obedience to the Macedonian cry, and the Master's command.

The addition of five new members to the Session will greatly strengthen our hands, and enable us to overtake regular visitation to an extent hitherto impossible.

We trust our humble efforts in this direction will be appreciated, and that the congregation will help us in making such visitations as profitable as possible. We ask the hearty and prayerful co-operation of all in making this the most successful year in the Church's history.

Our large membership justifies such a hope.

There have been but three Communion services during the year—the regular order having been interrupted by the Pastor's absence. The fourth was postponed until January, 1891, and with the addition of members then added, the roll stands thus :—

### THE MANAGERS' REPORT.

The Board of Managers in presenting this their Twelfth Annual Report, beg leave to draw the attention of the Congregation to the following Statements, showing the Receipts and Expenditure of the Church, and the several Societies in connection therewith for the year 1890.

The Board expected during the year to have been enabled to pay the sum of \$2,000 towards the reduction of the Church debt as estimated; but in this they have been disappointed, the receipts not being sufficient to warrant them in applying any sum towards that purpose. The Congregation should consider that although three years have elapsed since the new church was opened, no reduction of the debt has been effected. This is much to be regretted, but in other respects the year just closed has been a prosperous one.

It is sincerely hoped that an earnest effort will be made by the Congregation during the current year to contribute more liberally in order that the estimate of this year for the reduction of the debt may be fully realized.

The Congregation will require to elect seven (7) members to the Board of Management to fill the vacancies caused by John Douglas, A. G. Gowanlock, James Hunter, J. W. Fenwick and C. M. Gordon retiring, their term of office having expired, and two members to fill the unexpired terms of John Winchester, and that of John Wanless, jr., whose sudden death we all so much deplore.

All of which is respectfully submitted.

JOHN INGLIS,  
*Chairman.*

A. G. GOWANLOCK,  
*Secretary.*

## MISSION FUND.

The Treasurer has pleasure in reporting that the total receipts are greater than those of last year, which might reasonably be expected from the fact that the congregation has increased in numbers. During the summer months the monthly contributions were disappointing, but they were well brought up during the latter months, so as to make the result more satisfactory than we feared it would be. No doubt the great scarcity of money has had to do with arrears in this as in other financial engagements. It is to be hoped that this, the most important work of the church of Christ will continue to receive the heartiest support the congregation can give, during the year upon which we have now entered.

JAMES CRICHTON,  
Secretary-Treasurer.

### SUNDAY SCHOOL.

#### REPORT OF SUPERINTENDENT.

Notwithstanding the discouragements and drawbacks that have been met by the way, the work of the past year, and the opportunities presented in connection therewith are causes for deep thankfulness to our loving Father in Heaven.

The beautiful and striking lessons from the life of Christ Jesus the Son, cannot but have made a lasting impression on the hearts of the scholars, and to those of us who are engaged in the sacred work of religious instruction, the study of these lessons and the presentation of the truths therein contained must have an elevating and sanctifying influence, and must impel us to greater earnestness and activity in the work.

Although the number who have made public profession of their faith in Christ during the year is comparatively small, yet it is our sincere belief that the good seed sown from time to time will, in the not distant future, be manifest in the fruit of Christian lives.

The Quarterly Reviews have for the most part been conducted by the teachers in their own classes, and a few portions of Scripture have been memorized: in this way a foundation is being laid and a source of supply is being provided which, under God's blessing, must be productive of good results.

From among our faithful band of teachers we have mourned the loss of one who was ever at her place of duty, working in the Master's cause—the late Miss Elliott. She has entered upon her

reward. Others have withdrawn and new workers have taken their places, yet some inconvenience is felt because of a lack of reserve teachers, a great necessity in every well ordered school.

Another serious aspect of the work is a lack of interest on the part of a large number of the parents in not seeing that their children use the Bible, and that they properly prepare the lessons by regular study.

## LADIES' AID SOCIETY.

Notwithstanding the rather unpromising aspect of affairs at the beginning of the year, the Ladies' Aid Society of the Parkdale Presbyterian Church have great pleasure in presenting a very favorable report of their second year's work. Many families in distress have been helped liberally, and the District visitors have fulfilled their duties most faithfully. Several social gatherings of various kinds have been held, which have resulted very successfully.

The meetings are held on the last Tuesday of each month, and every lady in the Congregation is earnestly invited to attend.

For all the blessings received from Almighty God, the ladies would return most hearty thanks to Him who has brought them safely through all.

### PARKDALE AUXILIARY OF THE W.F.M.S.

In presenting this our Fifth Annual Report while uniting in thanksgiving to our Heavenly Father, for permitting us to labor in this branch of His vineyard for still another year, we bow in humility before Him, as we record with deep regret that our membership and offerings have fallen below those of last year, while we believe this in a measure, was occasioned by sickness during the early part of the year, still we cannot but feel that affliction sent by our Heavenly Father, ought to have made us more zealous to labor for Him when health was restored.

Meetings have been held monthly. Number of members on roll, 31. Members of General Society, 12. Average attendance, 14 members and 5 visitors.

The Society is much indebted to Mr. Harris for a Reading given by him in May, for the N.W. Indian Clothing Fund, the proceeds of which amounted to \$39.10. A number of Sewing Meetings were held, and clothing, quilts, dolls, picture books and toys, valued at \$60, was provided, \$30 in cash was paid into the Supply Committee. A young lady in the Congregation also gave 47 yards of new rag carpet, valued at \$22, which was sent to the Boarding School on Muscowpeting Reserve. Total value \$112.00.

In October we held our Third Thanksgiving Meeting, the offering amounted to \$25.65. The meeting was the most interesting yet held, and has been a blessing to the Society, and we trust also to those who attended it.

Our Pastor, Mr. McKay, after his return from the Old Country, kindly gave us a lecture on his travels, speaking particularly of London. The lecture was very interesting and enjoyed by all who heard it. A collection was taken amounting to \$19.00, which is reserved for the North-West Fund for the ensuing year.

The total receipts for this year are \$230.15, being a decrease of \$9.90 from last year.

Let us not be discouraged as results cannot be judged by numbers, dollars and cents, and the little done in faith for the

## CHRISTIAN ENDEAVOR SOCIETY,

The membership of this Society has during the past year increased from 47 to 99. Of this number 59 are active and 40 associate members. The average attendance of the Society's meetings has been 86.

The Pastor has greatly assisted the Society by reading with the members a Scripture lesson at the opening of each regular meeting. In this and many ways God has blessed the Society, and it has been encouraged to enter upon a more extensive work. Through the instrumentality of a Look-out Committee so organized as to work over the whole field covered by the Congregation, it is sought to assist the Pastor and to some extent to relieve him in his ever increasing duties, to extend the work of charity towards the sick and poor, and to find and bring new members to the Society and the Church.

The aim of the members is to assist one another in finding Christ and proving His promises, and having found to grow strong and constant in his service.

The meetings of the Society are held each Tuesday evening, at 8 o'clock, in the Bible-class room, for study, praise and prayer, and an earnest invitation it extended to all to come and join and help.

### FAITHFUL GLEANERS.

In presenting this our Second Annual Report of the Faithful Gleaners, we desire to express our thankfulness to God for His goodness to us during the past year.

The number on our roll is 40. Average attendance 12.

In October we held our First Thanksgiving Service. It was full of interest and blessing to all present.

Our Autograph Quilt when finished, we presented to Mrs. Wilkie before her return to India.

Eleven of our members have been taking the Leaflet, the reading of which has increased our interest in the different missions.

May we in the coming year be enabled to show our love to Christ by our self-denying zeal in furthering His cause.
