The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NATURE AND OBJECTS
—OF THE—
IMPERIAL FEDERATION LEAGUE.

At a Conference held in London on July 29, 188 , the Right Hon. W. E. Forster, M.P., in the chair, it was unanimously resolved:—

1 That in order to secure the permanent unity of the Empire, some form of Federation is essential.

2. That for the purpose of influencing public opinion, both in the United Kingdom and the Colonies, by showing the incalculable advantages which will accrue to the whole Empire from the adoption of such a system of organization, a Society be formed of men of all parties, to advocate and support the principles of Federation.

At the adjourned Conference, held on Tuesday, 18th November, 1884, the following resolutions were unanimously passed:—

That a Society be now formed, to be called “The Imperial Federation League.”

That the object of the League be to secure by Federation the permanent unity of the Empire.

That no scheme of Federation should interfere with the existing rights of Local Parliaments as regards local affairs.

That any scheme of Imperial Federation should combine on an equitable basis the resources of the Empire for the maintenance of common interests, and adequately provide for an organized defence of common rights.

That the League use every constitutional means to bring about the object for which it is formed and invite the support of men of all political parties.

That the membership of the League be open to any British subject who accepts the principles of the League, and pays a yearly registration fee of not less than one shilling.

That donations and subscriptions be invited for providing means for conducting the business of the League.

That British subjects throughout the Empire be invited to become members, and to form and organize Branches of the League, which may place their representatives on the General Committee.

At a Special Meeting of the Council, held on Thursday, November 14, 1889, it was unanimously resolved:—

That the establishment of periodical Conferences of Representatives of the Self-Governing Communities of the Empire should be the first aim of the Imperial Federation League.

ESTABLISHMENT OF THE LEAGUE IN CANADA.

The Imperial Federation League in Canada was formed at a meeting held in Montreal on the 9th May, 1885, which was largely attended by Members of Parliament and other leading men from all parts of the Dominion, including a formal deputation from Toronto.

The following resolutions were adopted and form the basis of the movement in this country:—

RESOLUTIONS ADOPTED AT THE MEETING AT MONTREAL, 9TH MAY, 1885.

1. That this meeting has observed with satisfaction the increased interest in the outlying portions of the Empire displayed by the people of the Mother Country, and the formation under the auspices of many distinguished practical statesmen of THE IMPERIAL FEDERATION LEAGUE.
2. That to the end that the Mother Country and the Colonies may remain perpetually under a common sovereignty, a United Empire in its foreign affairs, with constitutional liberty for every part as regards internal administration, a re-adjustment of the several constitutional authorities of the Empire should, as occasion arises, be made in such manner as to increase the practical efficiency of Imperial unity.
3. That the resolutions passed at the Conference held in London, on the 29th July, 1884, and at the inaugural meeting of the League on the 18th November, 1884, and notably the following:
 - That, in order to secure the permanent unity of the Empire, some form of federation is essential.
 - That no scheme of federation should interfere with the existing rights of local parliaments, as regards local affairs.
 - That any scheme of federation should combine on an equitable basis the resources of the Empire for the maintenance of common interests, and ade-

quately provide for an organized defence of common rights.

meet with the hearty acceptance of this meeting.

4. That a Canadian Branch of the League be now formed, to be called THE IMPERIAL FEDERATION LEAGUE IN CANADA, and that the object of the League in Canada shall be to promote the discussion of means whereby the permanent unity of the Empire may be maintained, and its practical efficiency increased, to further the development and interchange of the resources of its various parts, and to resist any measures tending to disintegration.
5. That the membership shall be open to any British subject who accepts the principles of the League, and pays a yearly subscription of at least One Dollar, out of which the necessary fees for affiliation with the League in London shall be paid.
6. That the League shall meet annually in one of the principal cities of Canada, the place of meeting for each year to be selected at the preceding annual meeting.
7. That the business of the League shall be conducted by a General Committee, to be now appointed, with power to add to their number; that the General Committee be instructed to adopt such means as they may find convenient to promote the objects of the League, and that they furnish a report at the next meeting.
8. That the co-operation of men of all political parties in every part of Canada be sought for the establishment of branches, which shall have power to elect representatives on the General Committee.

TRADE.

The following resolution bearing on the trade-relations of the Empire was unanimously carried at the annual general meeting of the League in Canada on the 24th of March, 1888, and forms part of its platform:—

“That the Imperial Federation League in Canada make it one of the objects of their organization, to advocate a trade policy between Great Britain and her

combine on an the Empire for terests, and ade-

Colonies by means of which a discrimination in the exchange of natural and manufactured products will be made in favor of one another and against foreign nations, and that our friends in Parliament are hereby called upon to move in support of the policy of the resolution at the earliest possible moment.

As a consequence of the active advocacy of close trade relations which has for some little time been carried on in Great Britain by Mr. George Parkin, the late Lord Carnarvon and others, coupled with the statement of Lord Salisbury that in his opinion "preferential duties in favor of the colonies did not mean protection," and in the labors of the League in Canada the progress of these principles has been very great.

The effects of the McKinley Bill has given the movement a marked impetus by showing to the people of the Mother Country the dangers of hostile foreign fiscal legislation, and the benefit of an increased trade with the Colonies.

The recent formation of the "United Empire Trade League" under the auspices of a large number of prominent gentlemen, will have a marked effect in forwarding and strengthening the movement in the United Kingdom, while a hoped for federated Australia and united South Africa, and the Canadian Dominion are being prepared for the great change which the League in Canada has set out to advocate.

ESTABLISHMENT OF THE TORONTO BRANCH.

The Toronto Branch was inaugurated at a meeting held in Shaftesbury Hall in December, 1887. Mr. D'Alton McCarthy, Q.C., M.P., President of the League in Canada, occupied the chair, when the following resolutions, moved by Mr. George Cockburn, M.P., and seconded by Mr. J. M. Clark, late President of the Young Men's Liberal Association, were adopted; (being identical with those passed at the *formation* of the League in Canada, in May, 1885:)

1. That this meeting has observed with satisfaction the increased interest in the outlying portions of the Empire displayed by the people of the Mother Country, and the formation under the auspices of many distinguished practical statesmen of THE IMPERIAL FEDERATION LEAGUE.
2. That to the end that the Mother Country and the Colonies may remain perpetually under a common sovereignty, a United Empire in its foreign affairs, with constitutional liberty for every part as regards internal administration, a re-adjustment of the several constitutional authorities of the Empire should, as occasion arises, be made in such manner as to increase the practical efficiency of Imperial unity.
3. That the resolutions passed at the Conference held in London, on the 29th July, 1884, and at the inaugural meeting of the League on the 18th November, 1884, and notably the following, meet with the hearty acceptance of this meeting:
 - That, in order to secure the permanent unity of the Empire, some form of federation is essential.
 - That no scheme of federation should interfere with the existing rights of local parliaments, as regards local affairs.
 - That any scheme of federation should combine on an equitable basis the resources of the Empire for the maintenance of common interests, and adequately provide for an organized defence of common rights.
4. That a Branch of the Imperial Federation League in Canada be now formed in Toronto, and that its object shall be to promote the

CO-OPERATION OF WOMEN IN WORK OF THE TORONTO BRANCH.

At a largely attended meeting of the Committee of the Toronto Branch on March 25th, 1889, the following resolution was passed *unanimously*: "That in the opinion of the Committee of the Toronto Branch of the Imperial Federation League, the time has arrived when it is in the best interests of the League to invite the co-operation of women as active members of the organization." This resolution has since been endorsed by the President and Vice-President of the League in Canada.

You are therefore earnestly requested to enlighten women of all classes on the object in view, and to induce them to engage actively in the work of procuring members of both sexes to join, the men being at their business all day, have very little time to devote to this very important work. Already we have nearly 100 women as members of the Branch.

FEES.

Membership of a Branch of the League per annum,.....\$0.25

This sum is not sufficient to carry on the business of a Branch, but has been placed at this low figure by the Council of the League, so as to be within the reach of everybody. Those having the interest of the League at heart should subscribe something more than this small sum. It has been estimated that 60 cents, instead of 25 cents, annually, from *each* member, would be sufficient to cover all but unlooked for expenses; but as many members could not reasonably be asked to contribute more than the minimum sum, it is evident that those who are able, should contribute more freely.

For Registration at the Head Office in Canada per annum,.....\$0.25

Although those joining a Branch of the League need

only subscribe to that Branch, still there are expenses at the Head Office which have to be met, and as the Head Office is distinct from all Branches, and has no membership, these expenses have to be defrayed by a yearly contribution from all members of the League. The outlays are for postage and stationery, receipt books for Branches, and for printing literature for distribution to the Branches on the order of the Council of the League. All orders for the journal of the League pass through the Treasurer at the Head Office.

For Registration at Head Office in England, 30 Charles Street, Berkeley Square, London, per annum,.....\$0.25

This is the Head Office of the whole League, and practically the same remarks apply to payments to this office as to the Head Office in Canada.

For "Imperial Federation," the Monthly Journal of the League, per annum,.....\$0.50

As the Journal is printed in *England*, members ordering it, will have to wait about four weeks before receiving the first number after paying their subscription. This Journal gives information as to the doings and progress of the League and its interests all the world over, and is very full of Canadian matter—no member should be without it.

For all the publications of the League in England and Canada, per annum (including registration fees to all offices and Journal) \$5.00

This consists at present of the following; but varies according as new pamphlets are published, or old ones become out of print.

Constitution, Rules, &c. of the Imperial Federation League in Canada:

Lord Roseberry's Edinburgh Speech.

Some Aspects of Imperial Federation—Granville C. Cunningham.

Canada and Australia—J. Castell Hopkins.

Advantages of Imperial Federation. The Case for Canada Nos. 1 and 2—The Rev. Principal Grant.

A Federal Parliament of the British People—Archibald McGoun, Jr.

Colonel George Denison's Speech at Guelph.

As well as of other pamphlets published in the United Kingdom, which vary from time to time.

SUMMARY:—25 cents per annum admits you a member of a Branch, another 25 cents registers you at the Head Office in Canada, another 25 cents registers you at the Head Office in England, and 50 cents more entitles you to the monthly Journal of the League. Total, \$1.25 or \$5.00 per annum entitles you to all the foregoing added to all the publications of the League in England and Canada.
