The copy filmed here has been reproduced thanks to the generosity of:

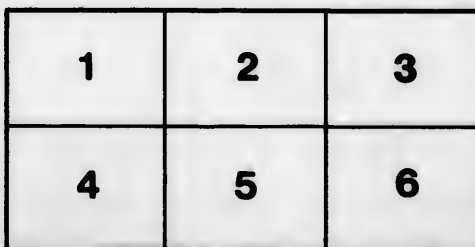

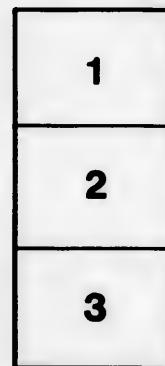

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PUBLISHERS' NOTICE.

The Publishers, in presenting to the public the thirty-second publication of their "POCKET ALMANAC," acknowledge the liberal patronage received from an appreciative advertising community, which has enabled them to carry out the idea of issuing this compendium of useful general information, gratuitously; and they hope that their efforts in this respect will not only prove a pecuniary success to themselves, but eminently profitable to those who have adopted the pages of the Pocket Almanac as an advertising medium.

The Publishers also hope that the recipients of this work will find the local and other information compiled with the same accuracy and judgment which have characterized former editions since its inception, and that it will be found worthy of a prominent place among other books of reference.

DR. BIRNBAUM'S RHEUMATISM AND GOUT REMEDY

Which is prescribed by the leading Physicians in Europe
as well as on this Continent, for

**Rheumatism, Gout, Neuralgia, Lumbago, Wan-
dering Pains, Stiffness in the Limbs or
Joints, Sprains, Swellings, &c.**

In Canada it is particularly recommended by the following prominent
Physicians of Montreal:—

PROF. SMALLWOOD, PELTIER, MUNRO, DAVID, LEBROUEN, GILDWOOD,
BOTTOT, MOBILLARD and BROUSSEAU, and Drs. KESSEY, McDONNELL,
McCALLUM, SELLY, THOMPSON and TUNBERG.

It is applied in the Military and Civil Hospitals of Germany, and
has rendered the most valuable services during the late Franco-Ger-
man War, where so many soldiers and even officers of the highest
rank were suffering from Rheumatic Affections, and it is now univer-
sally considered the most effective and reliable remedy for the above
mentioned diseases. Send for Circular with Certificates of Physicians.

Sold by all Respectable Druggists, in Bottles of Fifty Cents and One Dollar.

CHAS. MARTIN, 30 Victoria Square, Montreal,

Sole Agent for Canada and the United States.

IT CURES THE PHYSICIANS!

Read the following certificate from a Physician of long experi-
ence and extensive practice, taken from among many others:—

From **DR. DUNCAN McCALLUM:**

I, the undersigned, have been suffering very much for the past two
years from Rheumatism in the Ankle Joint, so much so, that I was
often prevented from attending to my calling; but three applications
of "Dr. Birnbaum's Rheumatism and Gout Remedy" gave me that
relief from pain and stiffness which I did not experience for the last
two years, and, after eight days use of this remedy, I find myself en-
tirely cured. I owe this statement to the public, to the profession,
and to the merits of that genuine article.

The British Post Office forwards letters to Canada by the first packet sailing after the letter is posted, unless the letters bear a special direction,—“By Canadian Packet,” or “By British Packet.”—and in that case they are kept over for the packet designated. “By Canadian Mail” is not a distinctive superscription; for any mail for Canada is a “Canadian Mail,” by whatever packet forwarded.

Letters for British Colonies and Possessions beyond sea, and for Foreign Countries, except France, *via* England, must be pre-paid

The rate on letters for the United States is 6 cents, if pre-paid; 10 cents if unpaid.

Registration Charges.—For the registration of a letter addressed to any place in British North America, the charge is 2 cents.

For the registration of a letter to the United Kingdom, 8 cents.

For the registration of a letter to the United States, 5 cents.

France, and other countries for which letters pass through France, special rates, according to weight.

No letter can be forwarded as registered, unless postage and registration fee are both pre-paid.

Miscellaneous Charges.—The charge on parcels, which can only be sent by post *within the Dominion*, by Parcel post, to any place in Canada, is 12½ cents per half-pound, (with 5 cents additional, if registered). No parcel must exceed four pounds in weight.

One cent per ounce, payable in advance by postage stamp, is the rate on printed circulars, prices current, hand bills, and other printed matter of a like character, and on books bound or unbound, when posted at a Canadian Post Office, addressed to any place in Canada, British North America generally, or the United States.

The charges upon prices current, sent singly, when addressed to the United Kingdom, is 2 cents each, and must be pre-paid by postage stamp.

Correspondence for British Columbia and Manitoba is sent in closed mails, *via the United States*, at the same rates of postage as to other parts of the Dominion.

Postage Rates on certain Miscellaneous Matter passing within the Dominion of Canada, or to or from the United States:—

1.—Packages of seeds, cuttings, bulbs, roots, and scions, or grafts and botanical specimens, may be posted in Canada for delivery within the Dominion, or to an address within the United States, on prepayment by postage stamp of a rate of one cent per ounce; and when received from the United States, addressed to any place in Canada, such packages may be delivered on payment, by the person addressed, of a like rate.

2.—The limit of weight for such packages will be one pound. No letter or communication intended to serve the purpose of a letter must be enclosed in *them*; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags, the bags must be simply tied at the neck, so as to admit of inspection; and in the case of such packages mailed in Canada, the nature of the contents, such as "*Seeds*," "*Roots*," &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate above mentioned.

3.—Book and newspaper manuscript and printers' proof-sheets, (whether corrected or not), maps, prints, drawings, engravings, photographs, (when not on glass or in cases containing glass), and sheet music, (whether printed or written,) to any ad-

dress in Canada or the United States, may pass in covers open at the ends or sides, and provided that no letter or other communication intended to serve the purpose of a letter be enclosed therein, on prepayment, when posted in Canada, by postage stamp of the ordinary printed matter rate of one cent per ounce; or upon payment of that rate on delivery on such matter when received in the mails from the United States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries:

4.—Patterns of Merchandise and samples may be forwarded between Canada and the United Kingdom and Denmark, France, Italy, Belgium, the German States, Netherlands, Portugal and Switzerland, by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A—The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern: nor must the quantity of any material or article sent as a pattern or sample, be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, it appears as follows:

B—It has hitherto formed part of the Imperial Post Office regulations that "*samples or patterns must not be of intrinsic value,*" but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter or enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value, has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by parcel post is a genuine commercial sample (or pattern), or not, but because as a general proviso it could not well be enforced; inasmuch as every article, whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C—The patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D—The rule which prohibited the transmission through the post, as patterns of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like

articles, are now allowed to be forwarded by the post as samples, provided they are packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packets containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the post.

No packet of patterns or samples, posted for delivery within the Dominion must exceed 24 oz. in weight.

A packet of patterns or samples sent to France or Portugal, must not exceed 18 inches in length and 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

The limits of weight are as follows:—

Canada	24 oz.	Belgium	8 oz.
Great Britain	24 "	Netherlands.....	16 "
France	36 "	Portugal.....	16 "
Germany.....	8 "	Denmark.....	48 "
Italy	36 "	Switzerland.....	48 "

None of the articles named in the rule D may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British Colonies, and not to these places when addressed "via France."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturer's or trade mark and number, and the prices of the article.

Any infringements of the above regulations will render the packet liable to be treated and charged as a letter.

The rule which forbids the transmission through the Post of any article likely to injure the contents of the mail bags will apply to patterns and samples; any package transgressing this rule is to be sent to the Postmaster General.

Transmission of Patterns and Samples with a the Province of Canada.

Patterns or samples of merchandise and goods for sale may be posted in Canada to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of one cent per ounce, under the following regulations:

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened—or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the

MONTREAL

trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules is to be rated and treated as a letter.

IV.—The rate of 1 cent per ounce is to be prepaid by Postage Stamp—and if such rate be not fully prepaid by the stamps affixed, the package is to be rated with the deficient postage and a fine of five cents in addition.

V.—Packets of samples and patterns may be registered on prepayment by postage stamp of a registration fee of 5 cents in addition to the postage rate—and provided such packets be duly handed in the Post Office for registration.

A registration receipt or certificate should always be given for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster General.

Book Post.—Books, bound or unbound, posted in Canada, and addressed to any office in the Dominion, British America, and the United States, are chargeable with the rate of one cent per ounce, which must be prepaid by postage stamps.

And so on, the scale progressing throughout by a single rate for every four ounces.

And by Cunard packet:—

" 8 oz., "	12 oz..... 24 "
" 12 oz., "	1 lb..... 32 "

And so on, adding one rate for every four ounces.

5—No prints or printed matter will be allowed to pass by book post between the United Kingdom and Canada, unless printed on paper, parchment or vellum.

Book packets addressed to the United Kingdom can be registered on payment of the ordinary registration fee, (8 cents), in addition to the postage.

Book Post with France.—For a packet of printed matter, or single newspaper, book, &c., not over 2 ounces..... 4 cents.
 Ditto, exceeding 2 ounces and not over 4 ounces.... 8 “

And so on, increasing 16 cents for every additional half-pound.

The Book Post Regulations between Canada and England, apply to matters between Canada and France.

Newspapers and Periodicals.—Newspapers published in Canada may be sent by post from the office of publication, addressed to any place in Canada, at the following rates, if paid quarterly in advance, by either the publisher at the post office where the papers are posted, or by the subscriber at delivering post office:—

 Do. do. 3 times a week..... 15 “ “
 Do. do. 2 times a week..... 10 “ “
 Do. do. 1 time a week..... 5 “ “

When the above rates are not paid in advance, by either publisher or subscribers, such papers are charged one cent each on delivery.

Transient Newspapers.—Transient newspapers, that is to say, Canadian Newspapers posted otherwise than from the office of publication, and American or British papers posted or re-posted in Canada, must be prepaid two cents each, by postage stamps, or they cannot be forwarded; except only *British newspapers* distributed to regular subscribers by Canadian booksellers and news-agents, such papers pass free, as they would do if received in the Canadian Packet Mail.

Newspapers by Mail from England.—Newspapers received from England by the Canadian and American Packets are delivered free.

United States newspapers, to regular subscribers, are charged 1 cent each on delivery. Transient papers are charged 2 cents.

Periodicals passing by Mail in Canada:—

Any fraction of 4 ounces to be charged as a full rate.

Periodicals weighing less than one ounce per number, posted in Canada for any place within the Dominion, when sent *singly*, pass for *one-half cent* per number, if prepaid by stamp.

The above rate will be payable *on delivery* on all periodical matter received from the United States, except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals posted for United Kingdom, by Canadian Packets.—Periodicals printed and published in Canada,

MONTREAL.

This rate will be applicable to all classes of Canadian periodicals, posted as above for the United Kingdom. No package of Periodicals can be sent through the post if it exceed four pounds in weight.

Post Cards value one cent each, and Postage Stamps.—Postage Stamps of the respective value of $\frac{1}{2}$ cent for small periodicals; 1 cent for newspapers; 2 cents for prices current for the United Kingdom; 3 cents for ordinary Provincial letters; 6 cents for United States rate; 6 cents for *Canadian Packet*; and 8 cents for *Cunard Packet*,—are provided for sale to the public.

POST OFFICE SAVINGS BANK.

The Post Office Savings Banks commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office, the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed on the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorized by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster-General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post

FIRE AND LIFE INSURANCE.

CHIEF OFFICES :

Queen Insurance Buildings, Dale Street, Liverpool ;
 Queen Insurance Buildings, Gracechurch Street, (City) London ;
 Queen Buildings, 191 & 193 St. James Street, Montreal.

—:o:—

Advantages Offered by the Company.

If an Insurer desires to discontinue his policy, he may, after two years, at any time have a surrender value (never less than 35 per cent. of the premiums) paid.

(Or, at most ages, obtain a *free paid-up* policy for the *total amount* of the premiums paid, together with any bonus which may have been added.

Premiums may be paid yearly, half-yearly, or quarterly; and under a special table, a very low premium for the first five years may be paid, without leaving a debt on the policy.

Or, only one-half of the premiums may be paid for the first few years, the unpaid half premium remaining at a debt, at 6 per cent. interest, extinguishable at pleasure.

Or, a higher premium may be paid for a term of years, and then payments cease altogether, the policy still being in full force, and participating in its proper share of profits

The policies contain no unnecessary restrictions as to Foreign residence and travelling.

They are unchallengeable except when actual fraud is proved.

Policies may be made payable during lifetime at specified ages, or earlier in event of death.

One-third of the premiums of ordinary whole Life Assurances may be allowed to accumulate as a debt at interest, extinguishable at pleasure or at death.

LIFE DEPARTMENT

PROPERTY, FRANCHISE, INVESTMENT AND MANAGEMENT OF THE COMPANY UNDER THE SUPERVISION OF THE GOVERNMENT OF CANADA.

LIFE DEPARTMENT.

Attention is directed to the GUARANTEED BONUS SYSTEM adopted by this Company.

Agreements which are to last a lifetime ought to be contracted only with Companies of whose solvency and permanency there can be no doubt. The large funds of the Life Insurance and Loan and Grace COMPANY point to an amount of assets sufficient to guarantee that which such business can be done. While the principle of a bonus introduces into the system of bonus policies issued by insurance companies who desire to make adequate provision for themselves without being dependent on the results of speculation and other schemes which they do not understand, and in which they are not being involved in.

Student's, Physician's, and Dentist's Chair, or a Lounge,
Bed, and Child's Orib and Swing.**

INVALIDS will find this Chair the best ever invented for their use. It can easily be changed to any required position, from upright to reclining, and without trouble converted into a bed with mattress all complete. In diseases which prevent the patient from lying in a recumbent position it is just the thing needed, and in all cases it is a very agreeable change from the weariness and fatigue of the couch so trying in a long continued illness.

Circulars with explanatory diagrams sent free on application. Orders by mail, or otherwise, receive prompt attention, and Chairs carefully and securely packed, shipped to any address on receipt of price, or forwarded by express, payable on delivery.

SEVENTY YEARS OF SUCCESS

Has proved beyond doubt that

ROWLAND'S
Macassar Oil, Kalydor & Odonto

Are the Three most invaluable TOILET REQUISITES extant.

The MACASSAR OIL is the best and safest RESTORER and BEAUTIFIER of the HUMAN HAIR, being perfectly free from all poisonous or mineral admixtures.

CAUTION.—Each Bottle has a Glass Stopper instead of the Cork as formerly: all with the cork are spurious imitations. This notice is deemed necessary, as the Proprietors have received intimation that a large quantity of Counterfeit, of the most pernicious quality, has lately been sent from France and Germany to India and the Colonies under their names.

The KALYDOR produces PURITY of COMPLEXION, and a Softness and Delicacy of Skin.

The ODONTO preserves the TEETH, imparts a pearl-like whiteness to them, and gives a pleasing fragrance to the BREATH.

Sold by all Chemists and Perfumers, and at all the Bazaars throughout India, China and the Colonies.

PROPRIETOR OF THE

OTTAWA CANCER CURE,*Sparks Street and Maria Street,***OTTAWA, ONT.****CANCERS CURED**

**By a New, but Certain, Speedy, and nearly
Painless Process, and ~~is~~ WITHOUT
THE USE OF THE KNIFE.**

The Cure will be guaranteed, and, as a proof of this, no pay is required until the Cure is complete. The moment a Cancer is discovered it should be Cured, as it will cost less, and is more speedily cured than when of longer standing,—and there is nothing to gain, and everything to lose, by delay. What now seems a harmless lump in the breast, neck, eye-lid, or elsewhere, or small wart, or sore on the lip, may, in a few short months, become a hideous, disgusting, destroying mass of disease. If required, references can be given to parties who have been cured many years since, and who are now sound and healthy. All communications promptly answered. No money required in advance, and none until the cure is complete.

TO PUBLIC OFFICERS
OF THE
Dominion of Canada.

NOTICE RESPECTING SURETYSHIPS.

BY AN ORDER IN COUNCIL, dated 17th December, 1872.

IT IS ORDERED—That when any Public Officer is required to give security for the due fulfilment of the duties of any office under the Crown, the Bond or Policy of the "THE CANADA GUARANTEE COMPANY" may be accepted as such security in lieu of private sureties.

Officers already giving private sureties may relieve their Bondsmen and substitute therefor the Bonds of THIS COMPANY.

There is, therefore, now no longer the necessity which hitherto existed, for Government Officers to involve their friends in serious responsibilities as sureties, as the opportunity is now afforded them of being THEIR OWN SURETIES by payment of a small Annual Premium to the

CANADA GUARANTEE COMPANY

Bonds can be obtained at once.

Forms, Rates, and all information, may be obtained on application to the Head Office of the Company, Montreal.

**GAME LAWS
OF THE
DOMINION OF CANADA.**

*Compiled by Edward C. Barber, Civil Service, Ottawa, author
of "The Young Rifleman's Complete Guide," &c., &c.*

PROVINCE OF ONTARIO.

Fishing for speckled or brook trout can only be legally done by angling by hand with hook and line from 1st May to 1st October. White fish, or salmon trout, are not to be taken by any means between the 19th November and 1st December; nor by means of any kind of seine between 30th May and 1st August. Gill nets for salmon, trout, or white fish, must have meshes of at least five inches of extension, and seines for white fish of not less than four inches. Bass, pickerel or dorè and maskinonge, may be taken at any time, except from 15th April to 1st May. The Governor-General may, by order in Council, however, vary this time. Fishing by means of net or other apparatus is prohibited, except under lease or license from the Department of Marine and Fisheries. The main channel, or course of any stream, must at all times be kept open, and no nets shall be so used as to obstruct the passage of fish in any river, bay, or creek, to and from their breeding places. The Local Fishery Overseers are instructed to enforce these enactments.

The following is the new Game Act in the Province of Ontario, giving the season when game may be killed:

Deer, moose, elk, reindeer or cariboo, between the 1st day of September and the 1st day of December.

Wild turkeys, grouse, pheasants or partridges, between the 1st day of September and the 1st of January.

Woodcock, between the 1st day of July and the 1st of January.

Snipe, between the 15th day of August and the 1st of May.

Mallard, grey duck, black duck, wood or summer duck, and all kinds of teal, between the 15th day of August and the 1st day of January.

GAME LAWS.

281

Hares or rabbits, between the 1st day of September and the 1st day of March.

Except in the Counties of Essex, Lambton, and Middlesex, no quail shall be taken or killed for two years from the passing of this Act.

No person shall have in his possession any of the above animals or birds, or any portion of them, during the close seasons. They may be exposed for sale, nevertheless, for one month and no longer after such periods, or had in possession at any time for family use; but in all cases the proof of the time of killing or taking shall be upon the party so in possession.

None of the animals or birds above mentioned shall at any time be taken by means of traps, snares, gins, baited lines or other similar contrivances. Any person may destroy any such traps, snares, &c., which he may discover without incurring any liability for so doing.

No one shall have in possession the eggs of any of the birds mentioned at any time. No batteries, sunken punts or night lights allowed in the killing of swans, geese or ducks.

Beaver, muskrat, mink, martin, raccoon, otter and fisher may be hunted and killed only between the 1st of November and the 1st of May.

The fine for killing deer, &c., out of season shall be not less than ten dollars nor more than fifty dollars for each animal.

For having in possession the birds or eggs of any of the birds protected, at any time, not less than five dollars nor more than twenty-five dollars, for each bird or egg.

For killing any of the fur-bearing animals out of the season, not less than five dollars nor more than twenty-five, and a similar fine for any other breach of the Act. In all cases the whole of the fine is to be paid to the prosecutor.

PROVINCE OF QUEBEC.

Fishing for speckled or brook trout, with nets, spears, or other apparatus, is forbidden at all times. Angling by the hand for trout is permitted from 1st January to 1st October. White fish are not to be taken by any means between 19th November and 1st December. No lunge to be taken between the 1st October and 1st January, except in Lake Memphremagog, where the close time is only during the months of October and November. Fishing for bass, pickerel (doré) and maskinonge, is forbidden between the 1st and 24th May. Foreigners are forbidden to fish by any means whatever, in the waters of the Counties of Terrebonne, Montcalm, Joliette, and Berthier, without written permission from the Department of Marine and Fisheries at Ottawa, or from the Local Fishery Overseer, L. J. Loranger, Esq., of St. Sauveur, County of Terrebonne. The close season for salmon is the same in both Provinces, viz.: from 1st September to 1st May for surface fly fishing, and from 1st August to 1st May for net fishing.

In Quebec, the close season for elk, moose, cariboo, or hare, is from the 1st February to 1st September; for deer and fawn from

1st January to 1st September; for grouse, ptarmigan, partridge, woodcock and snipe from 1st March to 10th August; for wild swan, wild goose, wild duck, widgeon and teal from 1st May to 10th August, west of Three Rivers, and 15th May to 10th August east of the same place. Neither is it lawful to kill any of the above birds between one hour after sunset and one hour before sunrise. No eggs of any of the kinds mentioned or any species of wildfowl are allowed to be disturbed, injured or taken. All of the game animals and birds mentioned in the Act, *except hares*, are protected from trapping. No lynx, wild cat or martin to be taken or killed between 15th April and 1st November; mink, from 15th April to 15th October; otter, from 1st May to 1st November; beaver, from 1st May to 1st September; muskrat, from 1st May to 21st October, except west of Quebec, where the time is from 1st May to 21st October. Fines vary from \$1 to \$50, and go to the informer; and in default of immediate payment, the penalty is imprisonment in the common jail for a term not exceeding three months. No proceedings under this Act can be set aside by *certiorari*, an appeal only lying to the Circuit Court of the chief place of the district wherein the offence was committed.

PROVINCE OF NEW BRUNSWICK.

In New Brunswick, the only game laws in force are those relating to moose and partridge. There was an act making it unlawful to kill deer on the Island of Grand Manan for a period of three years, but it expired June 8, 1868. The close season for moose only extends from 1st February to 1st May. Fine, \$40, and anyone is empowered to kill any dog found hunting within the prohibited time. Not more than two moose can be killed by any one person within a period of twelve months; \$12 for each offence. The killing, except for food, is prohibited, and the leaving the carcass in the woods subjects the offender to a fine of \$20. Partridges are not to be killed between 1st March and 1st September. The fishery regulations are the same as those of Ontario and Quebec, except that the close season for salmon is, for net fishing, from 15th August to 1st March, and fly surface-fishing, from 15th September to 1st March. The river Restigouche is made an exception, the close time being from 31st July to 1st May.

PROVINCE OF NOVA SCOTIA.

In Nova Scotia, Cap. 92 of the Revised Statutes provides that no moose shall be killed between January 1st and September 1st; no cariboo between March 1st and September 1st. The close time for partridges is from January 1st to September 1st, and for woodcock and snipe from March 1st to September 1st. The export of moose and cariboo hides is prohibited. Fine from \$20 to \$50, and forfeiture of game or hides. Otter, mink and muskrat not to be killed between 1st May and November, under a penalty of \$8. It is absolutely forbidden to kill robins, swallows, sparrows, &c., and birds of song. Penalty for each offence, \$1.

GAME LAWS.

263

The following is a summary of the game laws in operation in the undermentioned Provinces. No amendment has been made to these laws since 1868:

PROVINCE OF BRITISH COLUMBIA.

It is unlawful to buy or sell or exhibit for sale any deer or elk between 1st March and 1st August, or any grouse, prairie fowl or partridge, or to destroy or collect their eggs, between 1st March and 10th August. Fine \$50 or three months' imprisonment.

PROVINCE OF NEWFOUNDLAND.

There is only one game law in this island—entitled, "An Act for the Protection and Breeding of Wild Fowl and Game."
