REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION
FOR 1882.

In laying before you a statement of the proceedings of the Association for the year 1882, your Council must first call attention to the satisfaction given to competitors at the Annual Prize Meeting, which opened on the 21st August, by the introduction of Canvas Targets, principally owing to which the matches were concluded in four days, notwithstanding that during nearly half that time it was raining so heavily as to have rendered Iron Targets completely useless had they been in operation.

Despite the very depressing effect of the weather, the Meeting may be considered a success, although a slight falling off in the number of competitors was noticeable. An effort was made in framing the programme to make it more interesting in the variety of the competitions by the addition of "Volley Firing," "Revolver," "Martini-Henry," "Consolation" and "Carbine" matches to those for the Snider and Small Bore; and from the interest evidently taken in these new matches, your Council feels justified in recommending their continuance, save perhaps that of the "Carbine," which, being restricted to Cavalry and Field Artillery Corps, was but very poorly patronized.

In the Revolver Match we might add that the entrance fees alone were more than sufficient to pay the prizes.

The competition for some years known as the "Gzowski" or "District" match was dropped, the Challenge Cup presented by Col. Gzowski being offered as first prize for skirmishing and volley firing, which matches were re-named "The Gzowski."

The number of Affiliating Associations has decreased by three; the membership also shows a steady decrease for the past four years. Why, we are at a loss to comprehend; but it is to be hoped that the new system decided upon at the last Annual Meeting, viz., that of giving five tickets to each Company, will be the means of increasing the attendance at the Annual Prize Meeting, even if it does not increase the revenue in a direct manner. The municipal grants, however, show an increase of two.

In view of the increased expenditure consequent upon the introduction of the Canvas Targets, your Council in the beginning of the year thought it advisable to cease paying the expenses of the members of the Wimbledon Team from their homes in Ontario to Quebec on joining as had been the custom for some years past, to cut out the reports of Affiliated Associations matches from their report (unless recouped therefor) and to reduce the working expenses of the prize meeting; yet, though a saving of some \$350 will be effected by these means, the Canvas Targets could not have been put upon the ranges had not the Provincial Government in the most generous manner supplemented their usual grant by the sum of \$400. Even now the amount already expended under the head of new targets only represents the cost of the targets themselves and the labour consequent on their being put into the old pits; so that in order to make them work easily, safely and economically a further outlay will be necessary during the coming season. Another heavy item of expense is the cost of the new Medals given Affiliated Associations, but much satisfaction has been the result of their annual distribution.

Your Council have most gratefully to acknowledge the following grants and donations:—

XVIII.—GENERAL REGULATIONS.

The Meeting will be under the direction of an Executive Committee, composed of the chairman and two members of the Council, to be nominated by the Council, whose decision shall be final and binding in all matters submitted to them for their consideration ; but they may, at their discretion, refer any questions to the decision of the Council, in which case the decision of the Council on such questions shall be final.

1. All Competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the meeting.
2. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, as the plea of ignorance of such regulations and conditions will not be entertained.
3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original detail.
4. They must attend at the firing point punctually at the hour detailed on the Firing Detail board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by his own neglect miss the opportunity given him of competing for the prize for which his ticket was issued, his claim on the Association in regard to such competition will be cancelled.
5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the association to attend the Annual General Meeting.
7. Two guns will be fired for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin ; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance in all matches ; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.
11. No "fouling" shots will be allowed.
12. Competitors may wipe out or clean out their rifles during any competition between distances only. This does not apply to the "Small-bore" Match.
13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry") ; nor shall a competitor change his rifle during a match, unless it becomes unserviceable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise specified, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions restricted to the use of breech-loading rifles, competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. In competitions open to "Any rifle," the competitors will be formed in a squad, and fire shot for shot in the order in which their names are called.

19. Where only one competitor is present, he must necessarily fire his shots consecutively, and without undue delay.

20. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

21. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

22. In matches shot for by a representative Teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, provided that their doing so does not delay the firing.

23. The duly recognized Captain or Adjutant of a Team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

24. Any competitor protesting against the ruling of the Officer of the Range, or feeling himself aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

25. No practice will be allowed on the ranges, during the continuance of the meeting, either before or after the day's firing.

By Order.

W. D. OTTER, LIEUT.-COL.

Secretary.
