"A vast multitude was incessantly passing down King street, because the myrmidons of the law permitted them not to stand on the street corners."—BECKFORD. 39 Dock street. Isometimes dream, when shutting both my eyes.
That is, sometimes, especially when I sleep,
And when I've dreamed enough, I always rise
And ope my eyes no longer vigil keep. With Thomson's Eye Wash for optics sore, I bathe my eye lids when I feel the pain, And suffer ills and anguish nevermore: But if I do, I bathe them o'e1 again. And Quaker Bitters do I drink to kill
Dyspoptic aches, Yellow Jaundice dire,
A sure relief is it from every ill:
Consumption's cured, likewise the hectic fire
Which burns the heart and eats the ebbing life away.

And soothes the troubled spirit with its painless lay.

Dear Madam,—In justice to you, and that the fineted may know the great tenefit derived from the use of your justly Celebrated Dinner Pills. I send you the following statement:—My wife was afflicted with the Dyspepsia for one year, and Files many years, and tried various remedies that were recommended, but nothing did good untill a friend, told her to try our Pills, which she did, and after taking one, box fourd so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for my self, I had a cough for four years, and constant pain in my breast: I was also troubled with hemorrhage for upwards of nine months, I tried almost everything, but no cure was effected, until I used your Fills, which I have been taking for three months, and I have neither pain not cough, and enjoy as good health as ever I did, and allow me with due respect to remain Yours, very thankfully,
