(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Instruction.

† If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

Regt. de Mais.

Sir:

At Edinburgh at about 1045 hrs on 22 Mar 43, I was on duty at the Scottish Rest House in company with L/Cpl. MacWilliams when I checked the a/m soldier for his pass. He produced the attached pass which I was not satisfied with. I then asked him for his pay book which he produced and on examining it I found that there was a false entry in his M.B.M. Part 2 and also that Pages 17 and 18 had been torn from his M.B.M. Part 1. I questioned him on the matter and he admitted that the pass was not genuine and he was A.W.L. I placed him under arrest and escorted him to the Barrier Gate guard room were I handed him over to the N.C.O.i/c guard to be detained.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans N.O.(5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.(1)

B5. The Summary of Evidence is marked Ex B1, initialled and read aloud by the President.(1)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans .....(5)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). ers to stop digging. I asked him what we were going to do, and he answered that we were supposed to move shortly to some trapping up on the west of B Co. As I had no cover to protect me from the shells that were falling, I looked around the house to find a shelter and at about 10 o'clock I went into the house and found a hole and I took shelter in this dug out until the Hun were ready to move. Then I was tired and nervous and I fell asleep. Later on I was awakened by voices speaking German and found that one of the enemy shouted to another. Then I came out of my dug out and one of them asked me what I was doing there. I told him that I was with B Co. He told me that there was no boys left around and that

they were all out of the field. At that moment I came to pick up my rifle that I had left on the ground and I discover a tree good. I did not know which way to take I decided to wait there until daylight. When daylight came I went up into the house to see if I could discover any of about 300 yards to the right I noticed some of our troops moving around a house. I then left the house where I was to join the troops at the house but as the morning was still up the hill there. When I arrived at the house I discovered that they were men of Co Gooding some prisoners. I asked them if they knew where Co C was. One of them said that he thought had attacked on front of them but he was not sure of it.

118

I also asked them if they could spare a rifle. They told me they had their own arms and that they needed it to guard the bridge. As I saw without arms I could get none. Then we left. I could get none.

Soon hours later I took the help of a wounded man and started looking for Dorg. Then I met a man belong to the 5th. my Platoon. I also met Pte [illegible] I also met Pte [illegible] I saw the Coy and he told me that the Coy was getting ready to go back.

When the shelling was over we went on top of the hill and the battle was over. About half an hour later Cpl Cowtan came and put me to work on loading ammunition.

CLOSING ADDRESS BY PROSECUTOR

The evidence in this case is clear and I do not think it necessary for me to say anything more. The question of intention to defeat is for the court to decide.

H.T.

Summary of Defending Officer's Closing Address.

The accused has had 2½ yrs service. His record is good. He has only one bad entry thereby detention - 14 days field punishment. He has served in the regiment since the Somme campaign and throughout the Ypres battles.

On the first time in action in over 3 months. He was back in the platoon one day on which during advance had fever and ill night of the 19th-20th. He was tired & nervously a little nervous. At every one and he took shelter in a dug-out, having that he would not have to move off with his platoon. Unfortunately, he fell asleep and missed the moving-up operation.

But does this constitute desertion? Hardly. For he did his best when he awoke to rejoin his platoon as soon as possible. only stopping long enough to re-arm himself.

It has not been proved that the accused intended not to return to military duty. It has not been proved that he intended to avoid some important military service.

The accused is guilty neither of desertion or absence without leave. He got fell asleep

I am E 23 20 Sergeant Vezina, R. Royal 22e Regiment "D" Coy, in charge of No. 18 Platoon.
On the 19 September, 44, I was Platoon Sergeant of No. 18 Platoon, D 66118 Pte Jean Louis GRAVEL, belonged to No. 18 Platoon. On 19 Sept 44, approximately 2345 hours, I warned my Platoon, in about 10 minutes time, we were going to go foward, towards a starting line previous to a mopping up operation, on the enemy, on the morning of the 20th Sept. 44. Our duty was to mopp up behind "D" Coy Royal 22e Regiment.
D 66118 Pte Jean Louis GRAVEL, came to me and ask me in French something to that effect: "What are we going to do foward" and I answered that Platoon 18 was to make some mopping up during "D" Coy attack. A few minutes later when I formed up my Platoon, Pte Jean Louis GRAVEL was absent.
On 20 Sept 44 approximately 0600 hours, No. 18 platoon attacked and just before the attack, and also immediately after the attack, I checked the roll and Pte Jean Louis GRAVEL was still absent, though he never reported to me after his absence, on 20th Sept. 44. I saw him at or about 1600 hours helping other members of the Platoon to load from magazines. At that time, all fighting was over.

Q. Give your name, rank & occupation?

A. I am Capt R. V. Russell C.C.S., Chaplain, attd to 16 Can Gen Hosp. I am the Educational Offr for this unit.

Q. Will you tell all you know in relation to the accused?

A. Under instruction from Col Hasgard I organize Educational Trips to different pts of interest. A trip was arranged for a party of 32 NCs. We visit Vimy Ridge & Lille on the afternoon of Oct 19. 1944. We left at 1230 hrs & after a short visit to Vimy Ridge we proceeded to Lille. The veh used was a 60 cwt Dry Services truck. This veh was parked on Rue de Malinel, Lille, immediately outside Hotel de Mouton Blanc. The time was 1615 hrs & I warned all personnel that they had to be back by 1645 hrs. I then spoke to the driver, Cpl Granek, & said "If you have the truck ~~ready~~ ready & do something to it" after that I went down the st to make a few purchases and the driver spoke to me outside the drug store. I returned to purchase some fruit, passed truck about 1630 hrs. Went around corner to toilet - returned in a few minutes and found the truck had disappeared - Pte Sinclair & Owens came and of a topic near by & spoke to me saying "Where is the truck". I assumed that Cpl Granek had driven it away. I am not sure if I saw the two ptes Sinclair & Owens at 1630 hrs or when I noticed the veh had disappeared I remembered around 1645 hrs the first N/C turned up by 1655 hrs nine N/C had returned. Cpl Granek

came up the street and immediately asked "where is my truck". He spoke to a French Gendarme but got no information. They proceeded to Grand Place - as a precaution. I know that Cpl. Grant had trouble with the switch of his truck.

A. There was a lot of confusion and there was no reply.

Closing address - My defence

Mr President & Members of the court:

Cpl. Francis has had a clean record until this misfortune. I think that we have proven to everyone's satisfaction that this novel form of immobilizing a truck was just as good if not better than merely removing the rotor or high tension cable. It is a well known fact that people interested in stealing trucks carry those two types of equipment with them. At the time of visiting Field Park ~~and~~ Cpl Francis felt that in his own mind that his unit was perfectly safe where he had parked it.

Closing address by prosecutor.

The accused after having heard the witnesses story out what what going on this nek. He had always to carry out good orders But if he were a very good soldier a specialist should always have different ways to be at all time completely sure that no one can upset his nek under his control. I mean to say if their trouble on this nek but there should have been any other way to immobilize his car. Especially to day everyone knows how to manoeuvre such situation. If he has got other way of immobilising his nek he probably would to day by our duty with the same nek.

Summary of Evidence in the case of D.57681 A/Cpl Gravel, M., 14 Cdn. Aux. Serv. Sec., attached to 16 Cdn. General Hospital, C.A.O., charged with leaving vehicle No. CL/4251350 unattended and failing to immobilize same in accordance with C.A.R.O. 3825 (A.A. Sec. 40).

FIRST WITNESS

Supervisor Johnston, J.W., 14 Cdn. Aux. Serv. Sec., attached 16 Cdn. General Hospital, sworn, states:

"At St. Omer, France, the Auxiliary Services vehicle, a Ford 3-ton Truck, No. CL/4251350 was on the strength of 14 Cdn. Aux. Serv. Sec. attached to 16 Cdn. General Hospital for auxiliary service duties. On or about 9 Oct 44 Col. J.F. Hazzard approached me for the loan of this vehicle for the purpose of educational tours for hospital personnel and I acceded to the request. I did not accompany any of the trips which were made under the direction of Capt. A.U. Russell as Educational Officer but several trips were made and Cpl. M. Gravel, my Auxiliary Service driver, was the driver in each instance. He was a qualified driver i/c and had been driving for me about eight or nine months. He was a careful driver and kept the truck in good condition. The fifth trip of the series was made on 19 Oct 44 and Cpl. Gravel, when he returned around 22.00 hrs. that day reported to me that the truck was lost."

Cross-examined by accused

Q On other trips made with my own officer did I ever leave the truck alone?
A No. We always arranged between us to have someone stay around.

Q On other trips was immobilization of the truck required?
A No. We had formed the habit of one of us always staying with it.

.....J.W. Johnston.....

SECOND WITNESS

H/Capt. A.U. Russell, Cdn. Chaplain Service, att. 16 Cdn. General Hospital, sworn, states:

"At St. Omer, France, I left 16 Cdn. General Hospital with a party of 21 sisters and Asst/Matron Leith at approximately 12.50 hrs. 19 Oct 44 on an Educational tour to Vimy Ridge and the city of Lille. I went with the party myself and with Cpl. M. Gravel as driver. The vehicle used was the Auxiliary Services truck, a 60 cwt. We arrived in Lille, parking on the Rue de Malinel outside the Hotel de Moulin d'Or at 16.15 hrs. I notified all concerned to return by 16.45 hrs. I spoke to the driver saying, "If you leave the truck be sure you do something to it." I then went down the street to make some purchases. I stopped at the corner of Rue St. Genois, bought some fruit and returned in about 10 or 15 minutes time. The truck was still in place and I passed on around the corner to where there was a toilet. Returning in a few minutes I noticed the truck had disappeared. Two men from the Unit, Ptes. Sinclair and Owen had been near the truck when I first passed. When I returned they came out of a cafe and asked "Where's the truck?". I replied that I thought Cpl. Gravel had taken it somewhere. Presently the sisters began to gather and about 8 or 9 had arrived when I saw Cpl. Gravel coming up the street and he at once said "Where's my truck?". We now realized that the truck had been stolen and, after telling the sisters to remain where they were, Cpl. Gravel and I proceeded to look for a provost. We went to the Grand Place where I informed the British Provost of the loss of the truck. I then brought the sisters to the Grand Place and left them with the provost. I went to the Town Major's office and was directed from there to the Garrison Commander. Here the full particulars of the incident were taken and transportation for the return of the party to St. Omer was provided. The next day Col. J.F. Hazzard, Supervisor J.W.

See Page Two

SECOND WITNESS (Cont'd)

Johnston and myself with the driver, Cpl. Gravel, journeyed to Lille and made sure that the proper authorities had been informed of the loss of the vehicle. That is all."

Cross-examined by accused.

Q What answer did I give when Capt. Russell asked about doing something to the car?
A There was no answer. There was much confusion and conversation generally among the sisters at the time.

Q Did we not leave the truck together after the sisters had all left?
A No, we did not leave together, but we did meet outside a Chemist shop on Rue de Malinel. My early return to the truck was partly due to my uneasiness at the truck being left.

Q On that trip were we only supposed to go to Vimy Ridge and return?
A No, it was advertised on typewritten notices as Vimy and Lille, although I considered that a lot for one afternoon. Rather than disappoint the sisters we went through the trip as advertised.

Alfred H. Russell

Following her directions I found the vehicle which was the Auxiliary Services lorry and as there was no-one belonging to the party about I went to a cafe on the same side of the street as the vehicle was parked. Upon emerging from the cafe approximately 7 minutes later, that would be about 17.00 hrs., I again looked for the vehicle and found it gone. Pte. Owen, D.L., was with me throughout the day. SECOND WITNESS called by the Defense

H.101648, Pte. Purdie, R.C., 16 Cdn. General Hospital, RCAMC, sworn, states:

"Sir, I was on a trip to Amiens also taking in Vimy Ridge early in October and while at Amiens at the Cathedral we all went into the church and I think I was first out of the place and I went and bought some souvenir cards outside and went over to the Truck waiting for the others to see if they were going to eat or not. Cpl. Gravel, the driver, asked me if I would keep an eye on the truck while he looked at the Cathedral as he said the truck must not be left unguarded. When the others returned we all had our haversack lunches right at the truck. Pte. Taylor and I helped to serve out the lunches. Cpl. Gravel had returned. That is all."

The accused declines to cross-examine this witness.

FOURTH WITNESS for the Defense

Lt. (N/S) Burnes, M.A., 16 Cdn. General Hospital, RCAMC, sworn, states:

"Along with about twenty-one other sisters I went on an educational trip to Vimy and Lille on 19 Oct 44. We left immediately after lunch and went directly by Bethune to Vimy Ridge, stopping first at the trenches and then at the Memorial. The driver, Cpl. M. Gravel, helped the other sisters out of the vehicle and remained with it. I recall offering the Cpl. some coffee from my thermos and also remember some R.C.A.F. boys speaking to him about a lift to Lille, while we were halted there. It was not possible to grant this as we had a full load. On arrival at Lille three other sisters and I went for coffee near the railway station and afterwards, just around the corner, we met Pte. Sinclair and another man from our unit and told them where the vehicle was parked."

Cross-examined by accused.

Q Did I leave the truck at all while at Vimy?
A No.

FIRST WITNESS - For the Prosecution. Duly sworn.
Capt P M BROWN, RCA, 12 CBR Bn

Q.1 Capt Brown, you are commanding 56 Coy, 12 CBR Bn?

A.1 Yes

Q.2 As such you were the CO of the accused?

A.2 Correct

Q.3 Will you tell the Court what took place between you and the accused with reference to the draft which proceeded at 1730 hrs 12 August 44?

A.3 On the 12 Aug 44 I was required to make up a draft to go to the field. It was necessary for me to put Gnr Gravel on this draft as the draft called for x Driver MechanicsAFV in a greater number than we could supply. Gravel holding this qualification was named for the draft. On Gn Gravel being informed that he was on the draft he requested to be paraded to me and at approx 1430 hrs 12 Aug 44 he was paraded and requested that he be taken off the draft.

He requested to be taken off the draft as he did not wish to go to a unit equipped with tanks. I informed him that it was necessary for him to be on this draft as there were no other personnel in the Coy sufficiently qualified to take his place.

He asked me what type of equipment the unit he was going to was equipped with and I explained it to him to the best of my knowledge. He stated that he did not wish to drive tanks, he had seen a number of them burned in the field and that travelled right up with the infantry. I informed him that his personal wishes could not be granted that he would have to go forward with this draft and he then stated that he would not go.

I called BSM Shepherd and BSM King as witnesses and officially warned him that he was warned for draft and that the draft would proceed at approx 1700 hrs 12 Aug 44 and if he was absent from the parade he would be subject to a charge of desertion. I then told the SM to march him away.

Q.4 Was there any other conversation between you and the accused before you told the SM to march him away?

A. 4 Nothing in relation to the accused.

Q. 5 This accused is a French Canadian is he not?

A. 5 Yes, I asked the accused if he understood my English and he stated, "Yes, fairly well."

Q.6 Did you have any difficulty making yourself understood as to what kind of equipment the unit carried?

A.6 No Sir.

Q.7 Did he have any trouble making himself understood?

A.7 No he was a little exited but all he emphasized was that he did not want to drive a tank.

At the parade at 1730 hrs 12 Aug I was present when the role was called. Gravel's name was called twice and he did not answer his name. The draft proceeded without him.

Q.8 This Coy that you comd is a straight reinforcement coy?

A.8 Yes sir, and subject to reallocation all X4 are subject to be posted to the field of which Gravel was on X4 list.

Q.9 How long had he been with your Coy?

A.9 At least two weeks, I am not sure of the day.

Cross-examined by Defending Officer

Q.10 Can you tell me why Gnr Gravel was returned to your unit?

A.10 I cannot say anything for certain. Gravel to me was just a straight reinforcement available for posting to the field.

Q.11 Was he not posted to a definite battery?

A.11 Gravel, since he has come to my coy, has been field or medium reinforcement.

Q.12 Was he not supposed to go to a certain medium bty?

A.12 There are nobody detailed for any regiment or any battery.

Q.13 Do you know how long Gravel has been in France?

A.13 No.

Q.14 Another thing - when you had the conversation with Gravel about refusing to go, he did not state that he would not go?

A.14 Normally it is not the practise to give an official warning but it was done in this instance because of his refusal.

Q.15 Did he ask you whether he was paid as a driver mechanic of wheeled vehicles?

A.15 He said,"I am receiving trades pay as a Dvr Mech Wheeled." I told him that it did not matter, that hewas a qualified Dvr Mech AFV having been trades tested as such.

Q.16 Did he say that while you were discussing tanks and you say that he has asked you information about the gun and different equipment that you have in Artillery. Have you such a thing as a 95 mm?

A.16 Yes.

Q.17 Did he say that the tanks were travelling in front of the infantry or up to the infantry?

A.17 He has questioned me before - he either said that the tanks were up with the infantry or in front of the infantry. He said one or the other I am not sure.

Q.18 He mentioned that he had seen a hundred tanks burned?

A.18 He said that he had seen at least 100 tanks burned and would not have any part of it.

Defending officer - That is all I wish to ask.

Prosecutor does not wish to re-examine.

The Witness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B).

SECOND WITNESS - For the Prosecution
D 6096 BSM SHEPPARD J W,RCA, 12 CBR Bn. Duly sworn.

Q.19 Do you know the accused?

A.19 Yes Sir.

Q.20 What is his name?

A.20 Gnr Gravel.

Q.21 The accused is charged with deserting in the field on the 12th of Aug 1944. Can you give any evidence on that charge?

A.21 On the 12th Aug, 1944 at approx 1430 hrs Capt Brown called me over to witness of warning for draft of Gnr Gravel. I witnesses that warning.

Q 22. Where did this take place?

A.22 At the Coy Orderly Rm.

Q.23 And Capt Brown warned him in your presence, would you give an outline of that warning?

A.23 I do not remember the exact words but it was to the effect that I hereby warn you for draft and notified the date he was going off and informed him of the approx time.

Q.24 What time did the warning take place?

A.24 1430 hrs.

Q.25 Did Gnr Gravel say anything after Capt Brown had warned him?

A.25 He said he did not wish to go.

Q.26 He made that clear?

A.26 He made that clear sir.

Q.27 Was there any other conversation?

A.27 No sir, I do not remember any other conversation.

Q.28 After this warning did the draft leave?

A.28 The draft was paraded at approx 1700 hrs and at 1730 hrs on 12 Aug 44 I called the role. I called Gnr Gravels number, rank and name twice and he did not answer.

At approx 2130 hrs 12 Aug 44 it was drawn to my attendion that Gnr Gravel was in the Coy lines.

Q.29 The draft left at the time it was called for?

A.29 Yes sir.

Q.30 How long had Gnr Gravel been in the 56 Coy?

A.30 About a week or ten days sir.

Cross-examined by Defending Officer.

Q.31 Do yOu know why Gnr Gravel was returned to 2 CBRG?

A.31 No.

Q.32 There is no record of his previous service.

A.32 Not as far as I know.

Q.33 Did you hear him say that he refused to go in this particular draft?

A.33 Yes sir he actually refused.

Prosecutor does not wish to re-examine the witness.

Withness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

That is the case for the Prosecution.

The accused, D-14530 Gnr Ovide Felician GRAVEL, RCA, 12 CBR Bn having been duly sworn states:

I was sent back. I was in the 13th Fd and I was in the 22nd Bty and I was sent back as unsatisfactory for my services which the Sgt told me. Well I was in action since D day and I had quite a little argument with my Sgt and he told me that he would send me back in the first chance he had. We pulled out for a rest and he sent me back. I lost all my friends. I felt pretty sore about it. I wanted to go with my friend as he was on draft and they sent me back to 2 CBRG. From there I spoke to BSM Sheppard and I asked to be transferred to a French regt Medium as I did not seem to get along with any other regiment or English instructors. He told me he would try everything he could and he came and told me I was transferred to a Medium. He took me with my kit to the Medium lines. A couple of days after then got me on the tank unit. Then I asked to be paraded to Capt Brown and I told him that I had applied to go to the Medium and I was in the Medium and I wanted to go to the French Regiment. I said I did not want to go to a tank regiment as I did not know enough about it. I would not be any good and that is so.

Capt Brown told me I was yellow as I did not want to go into a tank. I told him if he saw 100 burning tanks he would be yellow too. He called me for warning for draft and told me that I would be an absentee or deserter if I did not go. I told him I still will not go, I will be in the camp in the other lines, it is no use I will not go on that draft. When they called for the draft I was on the other side of the lines I did not want to be there as I was kind of nervous. At the time RSM Sheppard put me under arrest I happened to be not very far from our office talking to the boys and he came for me and put me under arrest.

That is part of the story.

Questioned by Defending Officer.

Q.34 You are a driver mechanic wheeled?

A.34 Yes sir.

Q.35 And AFV, it is marked in your book?

A.35 Yes sir, the last course I had.

Q.36 When did you have this course?

A.36 Last November.

Q.37 How many hours driving experience did you have?

A.37 3 hrs.

Q.38 What else did you do during this course?

A.38 One week filing, two weeks lecture, one week in the field during which we broke the track and greasing and doing all kinds of light maintenance and our Sgt instructor showed how to drive and put in 2nd gear.

Q.39 When did they register your qualifications in the book? After three hours driving?

A.39 Yes sir.

Q.40 Then you came back to the RU.

A.40 No 1 CARU.

Q.41 What kind of work were you employed in? Were you driving tanks ?

A.41 No, I never drove a tank I just did fatigues and cleaned up around

Q.42 Just before D day you were drafted to go on to the 13th Fd Bty?
A42 Approx one week before D day.

From there they sent me to the 15th Fd and sent me out right away I did not even have a chance to drive the tank. I told the Major that I did not know anything about it and then they sent me back to 2 CBRG. They sent me there on a draft and I wanted to go with my friend.

Q.43 You came to France on D day?

A.43 D plus 2. One of the Officers came along and asked me if I knew anything about tanks. He took me and explained to me what to do and said for me to do my best. He was not satisfied and did not want to keep me.

Q.44 What happened when you came to a corner?

A.44 I had to stop and back up. The Sgt said I should be able to turn the corner without stopping and backing up as the other drivers did.

Q.45 How long have you been in the Army?

A.45 4 years and 6 weeks and I have always been a motor mechanic.

Cross-examined by Prosecutor

Q.46 Gravel you have been in the Army 4 years and 5 weeks - you are a volunteer?

A.46 Yes sir.

Q.47 You know that in the Army you are supposed to do what you are told and for 4 years and for approx 5 weeks you did what you were told. You have not had any trouble in the Army, you have obeyed your orders?

A.47 Yes sir.

Q.48 And you have just stood up and told the Court that you would not go and in a defiant way you told Capt Brown?

A.48 Yes sir, I will have to explain why.

Q.49 You know that in the Army your personal wants and desires do not count?

A.49 I thought I could do a little bit about it. I volunteered as a motor mechanic. I figured to fight by doing my own work and doing something I am sure about. I want to fight by doing my trade. That is one way to fight is it not sir?

Q.50 You refused in a defiant manner?

A.50 Because I was not sure of myself I did not want to take the responsibility and cause the loss of some other fellows lives. I do not care about myself I am nothing but the other fellows lives are precious lives. I did not want to go and make a mess of the whole thing.

Q.51 What made you think you would cause the loss of life?

A.51 Because I could not handle a tank properly.

Q.52 You were sent on a draft from England. Did you raise any objection there?

A.52 No sir.

Q.53 You did not object the first time?

A.53 No sir, I wanted to go with my friend.

Q.54 You landed on D day and you have seen a lot of dead men lying around and equipment lying around?

A.54 Yes sir.

Q.55 You have had a few close shaves yourself?

A.55 Yes sir but not to scare me.

Q.56 You did not raise any objection the first time?

A.56 No sir, I asked for it I wanted to go with my friend to help. They were looking for men for the draft and I wanted to go.

Q.57 You have told the Court that the reasons you did not want to go were:

(1) That you wanted to go to a Medium Regiment and that RSM Sheppard had promised you you could go there.

(2) The reason that you have told the Court in answer to a question asked by me is that you are not qualified as a driver of a tank and so might endanger the lives of your partners.

I submit that you have a third reason.

A.57 I just want to point out that I have a heart. When I am pushed around one place I dont wish to go back I like to give satisfaction. I never go back where I am kicked out. I never did on "civy" street.

Q.58 What regiment were you going back to on this draft?

A.58 It was a tank regiment as I figured out. I told Capt Brown that I would do anything except driving a tank.

Q.59 You said that Capt Brown told you that you were yellow and that you replied in words to this effect, that you would be yellow if you too saw 100 tanks burn?

A.59 I told him that because I am not yellow.

Q.60 Have you seen 100 tanks burn?

A.60 I have seen many.

Q.61 Did these burning tanks have any reason for your not going up there?

A.61 No sir, I had seen them burned before I got up there.

Q.62 You had never seen a tank burn yourself before going up there?

A.62 No sir.

Q.63 For the various reasons you have given you said you would not go?

A.63 Yes sir. I never mentioned anything about going sir, I said to a tank unit.

Q.64 What do you call a tank unit? Not a self-propelled unit?

A.64 It is a unit with a gun that operates as artillery.

Q.65 What unit were you going to?

A.65 He told me it mounted 95 mm gun - it is a tank unit

Defending Officer - All Gravel ever did was drive a truck he has never even been qualified as a gunner.

No re-examination.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

First Witness for the Prosecution - Capt P M BROWN, RCA, 12 CBR bn recalled

Questioned by the President

Q.66 Will you tell up what unit it was that this draft was proceeding to?

A.66 1 Cdn Centaur Bty RCA.

Q.67 Did you inform Gnr Gravel?

A.67 Yes sir.

Q.68 You told him he was going to 1 Cdn Centaur Bty?

A.68 Yes sir.

Q.69 Did the accused ask you what a Centaur Bty was?

A69 I explained to him that it was a 95 mm gun mounted on a Centaur tank. He said it was tanks and I said it was still artillery.

Questioned by Defending Officer.

Q.70 Did Gravel say he would drive anything but a tank?

A.70 He said he would go any place in the artillery except driving a tank.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

The Witness withdraws.

PROSECUTING OFFICER ADDRESSES THE COURT

SUMMING UP

The accused is charged here with Desertion under Section 12(1)(a) of the Army Act and the Prosecution has brought two witnesses who state that he deliberately refused to go and the accused in his evidence in his own behalf has admitted to me and has offered three reasons none of which I submit are valid in that in the Army you can not refuse.

I have nothing more to say.

DEFENDING OFFICER ADDRESSES THE COURT

SUMMING UP

Gravel has been in the Army 4 years and has always heard he was very satisfactory.

He came to France on D day. He came with a walking party. I would like to explain that he did not take a tank in England and land here with a tank. He came walking and 2 days after he was given a tank and he cannot drive it properly as he had only 3 hrs experience.

He has been in action for 7 weeks with this particular regiment, 13 Fd, and never deserted them and never did anything wrong except that he could not drive the tank properly. His officer sent him back to 2 CBRG as inefficient and unsatisfactory. I immagine that there must have been some casualties in this regiment and I dont see why they would send him out unless he was no good. I think if he had been efficient they would have kept him.

He is not very happy in a tank because he has had no experience and he did not wish to risk the life of the crew. If a driver does not act quick enough he is risking the like of the crew and Gravel did not want that.

His qualifications are in the pay book as a gunner. I think that these qualifications in a soldier's pay book are not always what they should be for various reasons that we all know, or at least I know. I have seen qualifications registered in books when a man has only a couple of hours training to go some place or to fill in a demand and sometimes we let our judgment pass a few of these things. I may add that Gravel has been suffering from one of these mistakes.

He did mention that he was willing to go anywhere except in a tank for these reasons; because he could not drive a tank and even though it was marked in his pay book he did not feel competant of doing his job as such.

I ask the Court to consider his case and not to blame him as a deserter as he is not a deserter if he makes a mistake. It is not desertion. If he was asked to do something, to go anywhere he would go except in a tank unit for reasons which are very good. If a man does not know how to use a weapon how can he fire that weapon. If he is not happy in a unit because of his nationality how can he do his duty properly.

I ask the Court to consider this charge as being invalid or at least erroneous.

JUDGE-ADVOCATE ADDRESSES THE COURT

SUMMING UP

I wish to point out that it is part of my duty as Judge-Advocate to sum up the evidence and advise the Court on the law.

The Court is, however, the sole judge of the facts and anything I say or may have previously said indicating my personal views as to the facts should be entirely disregarded. The Court and the Court alone is the judge of the facts.

I do not think it necessary for me to review the evidence - there does not appear to be any difficulty in that respect.

As to the law the accused is charged with Desertion. It is a special type of Desertion. Desertion can be divided into two kinds:

(a) What is known as the general type of Desertion where an accused goes absent without leave and forms an intention not to return to the Army again, and

(b) Where he goes absent without leave after having been warned for some special duty or draft and forms an intention to avoid that particular duty. Whether or not he intended to return to the Army eventually is of no importance, the criterion being did he intend to avoid the draft for which he was warned.

The onus is on the Prosecution, it is not for the accused to prove himself innocent, it is for the Prosecution to prove he is guilty. The Prosecution, therefore, must prove to the satisfaction of the Court;

(a) That the accused was AWL during the period charged,

(b) That he was duly and properly warned for the draft and that he understood the warning,

(c) That he was absent without leave with the intention of avoiding that draft, and,

(d) That the draft for which he was warned did in fact proceed.

It is also my duty to point out to the Court that the accused is entitled to the benefit of any reasonable doubt. I say a reasonable doubt, that is some doubt which is based on the facts before the Court and not some doubt which is purely immaginary. If the Court has a reasonable doubt after hearing and weighing the evidence then the accused is entitled to the benefit of that doubt.

On a charge of Desertion the Court may come to any one of the following decisions:

(a) Guilty as charged - that is guilty of Desertion,

(b) Not guilty of Desertion but guilty of absence without leave,

(c) Not guilty of any offence.

That is all I wish to say unless the Court or the Prosecutor or Defending Officer require explanation on any question that I may have overlooked.

The accused and also his Defending Officer declined to make a statement or address the Court in mitigation or punishment.

Judge-Advocate advised the Defending Officer that this was his last opportunity to speak on behalf of the accused.

Defending Officer replied that he did not wish to make a further address.

SUMMARY OF EVIDENCE

Summary of evidence in the case of:

D-14530 Gnr GRAVEL, O.F. R.C.A.

a soldier of the Canadina Army Overseas.

The Commanding officer directs that the evidence be taken on oath.

First Witness - Capt E.M. BROWN, OC 56 Coy, 12 CBR Bn, having been duly sworn, states:-

for the Prosecution

I am Capt E.M. BROWN, OC 56 Coy, 12 Bn 2 CBG to which Coy the accused is posted. I selected D-14530 Gnr GRAVEL, O.F. to proceed on draft to the field. The accused, on being warned for this draft, asked to be paraded to me and at approximately 1430 hrs 12 Aug 44, was paraded when he stated that he did not wish to proceed to the above mentioned unit. I explained to him that he could not be taken off said draft as there were no qualified men within this Coy to replace him in a trade which he was filling, namely driver mechanic AFV. He then stated that he would not go. Upon him making this statement, I called D-6068 SSM SHEPPARD? F.W. and G-3002 SSM KING JG, to be witness as to an official warning which I gave Gnr GRAVEL in their presence. The warning consisted of the following:-

"Gnr GRAVEL, you are officially warned for draft. You will be present when the draft leaves this afternoon at approximately 1700 hrs. If you are absent from the parade which proceeds on draft, you will be subject to a charge of desertion.

I then asked the accused if he could understand my English He replied - "Yes, fairly well." The accused asked me what type of gun the above bty was equipped with and I gave him the necessary information. He stated that he did not wish to go into a unit with tanks that he had been in action and saw hundreds of them burnt up, and that they operated in front of the infantry. I then told the Sgt-Major to march him away. I was present at a muster parade held at 1730 hrs for the personnel of the above mentioned draft prior to mounting vehicles and proceeding to their destination. Gnr GRAVEL's name was called twice. He did not answer his name and was not present.

Cross examined by the accused:-

Q.1 Sir, did I say anything about tanks going in front of the infantry?

A.1 Yes, you stated that these guns operated in front of the infantry.

Q.2 Did I say I would go in any artillery unit and drive anything but a tank?

A.2 Yes, and I explained the type of unit and that as you were a driver mechanic AFV, I had no alternative but to place you on this draft.

Q.3 Did you not ask me if I drew trades pay as a driver mechanic AFV and I replied - "No, my trades pay is for driver mechanic wheeled"

A.3 Yes, and I stated it did not matter; you are a qualified driver mechanic AFV and you will have to go.

Second Witness L-6098 BSM SHEPPARD, J.W. having been duly sworn states:-

Prosecution

On Saturday, 12 Aug 44, in the 56 Coy lines, 12 CBR Bn, I witnessed Capt BROWN'S warning for draft to Gnr GRAVEL, C.F. Gnr GRAVEL refused to go to this particular Unit after being duly warned. I personally called the roll of draft personnel at 1730 hrs 12 Aug 44. Gnr GRAVEL's name was called twice by name, rank, and Number and he was not present at this parade. When he was warned for draft by Capt BROWN, he was also told the hour at which time the draft must parade. Gnr GRAVEL's presence in 56 lines was brought to my attention at 2130 hrs, 12 Aug 44 so I placed him under close arrest and had him paraded to the Bn Guard Room under escort.

Cross-examined by the accused:-

Q.1 Did you hear Capt BROWN ask me if I understood his English?

A.1 Yes, I heard Capt BROWN make a statement to that effect.

Q.2. Did you hear Capt BROWN tell me the hour when the draft was to be mustered?

A.2 Yes.

After the above caution, the accused declined to give ~~evidence and reserve his defence~~ evidence and reserve his defence

The accused does not call any witnesses for the defence.

I certify that the foregoing Summary of Evidence consisting of two (2) pages was taken down by me in the presence of the accused and that Rules of Procedure 4(c)(d)(e) & (f) have been complied with.

Medical Officer

FIRST WITNESS - For the Prosecution. Duly sworn.
Capt P M BROWN, RCA, 12 CBR Bn

Q.1 Capt Brown, you are commanding 56 Coy, 12 CBR Bn?

A.1 Yes

Q.2 As such you were the CO of the accused?

A.2 Correct

Q.3 Will you tell the Court what took place between you and the accused with reference to the draft which proceeded at 1730 hrs 12 August 44?

A.3 On the 12 Aug 44 I was required to make up a draft to go to the field. It was necessary for me to put Gnr Gravel on this draft as the draft called for a Driver MechanicsAPV in a greater number than we could supply. Gravel holding this qualification was named for the draft. On Gn Gravel being informed that he was on the draft he requested to be paraded to me and at approx 1430 hrs 12 Aug 44 he was paraded and requested that he be taken off the draft.

He requested to be taken off the draft as he did not wish to go to a unit equipped with tanks. I informed him that it was necessary for him to be on this draft as there were no other personnel in the Coy sufficiently qualified to take his place.

He asked me what type of equipment the unit he was going to was equipped with and I explained it to him to the best of my knowledge. He stated that he did not wish to drive tanks, he had seen a number of them burned in the field and that travelled right up with the infantry. I informed him that his personal wishes could not be granted that he would have to go forward with this draft and he then stated that he would not go.

I called BSM Shepherd and BSM King as witnesses and officially warned him that he was warned for draft and that the draft would proceed at approx 1700 hrs 12 Aug 44 and if he was absent from the parade he would be subject to a charge of desertion. I then told the SM to march him away.

Q.4 Was there any other conversation between you and the accused before you told the SM to march him away?

A. 4 Nothing in relation to the accused.

Q. 5 This accused is a French Canadian is he not?

A. 5 Yes, I asked the accused if he understood my English and he stated, "Yes, fairly well."

Q.6 Did you have any difficulty making yourself understood as to what kind of equipment the unit carried?

A.6 No Sir.

Q.7 Did he have any trouble making himself understood?

A.7 No he was a little exited but all he emphasized was that he did not want to drive a tank.

At the parade at 1730 hrs 12 Aug I was present when the role was called. Gravel's name was called twice and he did not answer his name. The draft proceeded without him.

Q.8 This Coy that you comd is a straight reinforcement Coy?

A.8 Yes sir, and subject to reallocation all X4 are subject to be posted to the field of which Gravel was on X4 list.

Q.9 How long had he been with your Coy?

A.9 At least two weeks, I am not sure of the day.

Cross-examined by Defending Officer

Q.10 Can you tell me why Gnr Gravel was returned to your unit?

A.10 I cannot say anything for certain. Gravel to me was just a straight reinforcement available for posting to the field.

Q.11 Was he not posted to a definite battery?

A.11 Gravel, since he has come to my coy, has been field or medium reinforcement.

Q.12 Was he not supposed to go to a certain medium bty?

A.12 There are nobody detailed for any regiment or any battery.

Q.13 Do you know how long Gravel has been in France?

A.13 No.

Q.14 Another thing - when you had the conversation with Gravel about refusing to go, he did not state that he would not go?

A.14 Normally it is not the practise to give an official warning but it was done in this instance because of his refusal.

Q.15 Did he ask you whether he was paid as a driver mechanic of wheeled vehicles?

A.15 He said,"I am receiving trades pay as a Dvr Mech Wheeled." I told him that it did not matter, that hewas a qualified Dvr Mech AFV having been trades tested as such.

Q.16 Did he say that while you were discussing tanks and you say that he has asked you information about the guns and different equipment that you have in Artillery. Have you such a thing as a 95 mm?

A.16 Yes.

Q.17 Did he say that the tanks were travelling in front of the infantry or up to the infantry?

A.17 He has questioned me before - he either said that the tanks were up with the infantry or in front of the infantry. He said one or the other I am not sure.

Q.18 He mentioned that he had seen a hundred tanks burned?

A.18 He said that he had seen at least 100 tanks burned and would not have any part of it.

Defending officer - That is all I wish to ask.

Prosecutor does not wish to re-examine.

The Witness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B).

SECOND WITNESS - For the Prosecution
L-6098 RSM SHEPPARD J W,RCA, 12 CBR Bn. Duly sworn.

Q.19 Do you know the accused?

A.19 Yes Sir.

Q.20 What is his name?

A.20 Gnr Gravel.

Q.21 The accused is charged with deserting in the field on the 12th of Aug 1944. Can you give any evidence on that charge?

A.21 On the 12th Aug, 1944 at approx 1430 hrs Capt Brown called me over to witness of warning for draft of Gnr Gravel. I witnesses that warning.

Q.22. Where did this take place?

A.22 At the Coy Orderly Rm.

Q.23 And Capt Brown warned him in your presence, would you give an outline of that warning?

A.23 I do not remember the exact words but it was to the effect that I hereby warn you for draft and notified the date he was going off and informed him of the approx time.

Q.24 What time did the warning take place?

A.24 1430 hrs.

Q.25 Did Gnr Gravel say anything after Capt Brown had warned him?

A.25 He said he did not wish to go.

Q.26 He made that clear?

A.26 He made that clear sir.

Q.27 Was there any other conversation?

A.27 No sir, I do not remember any other conversation.

Q.28 After this warning did the draft leave?

A.28 The draft was paraded at approx 1700 hrs and at 1730 hrs on 12 Aug 44 I called the role. I called Gnr Gravels number, rank and name twice and he did not answer.

At approx 2130 hrs 12 Aug 44 it was drawn to my attendion that Gnr Gravel was in the Coy lines.

Q.29 The draft left at the time it was called for?

A.29 Yes sir.

Q.30 How long had Gnr Gravel been in the 56 Coy?

A.30 About a week or ten days sir.

Cross-examined by Defending Officer.

Q.31 Do yOu know why Gnr Gravel was returned to 2 CBRG?

A.31 No.

Q.32 There is no record of his previous service.

A.32 Not as far as I know.

Q.33 Did you hear him say that he refused to go in this particular draft?

A.33 Yes sir he actually refused.

Prosecutor does not wish to re-examine the witness.

Witness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

That is the case for the Prosecution.

The accused, D-14530 Gnr Ovide Felician GRAVEL, RCA, 12 CBR Bn having been duly sworn states:

I was sent back. I was in the 13th Fd and I was in the 22nd Bty and I was sent back as unsatisfactory for my services which the Sgt told me. Well I was in action since D day and I had quite a little argument with my Sgt and he told me that he would send me back in the first chance he had. We pulled out for a rest and he sent me back. I lost all my friends. I felt pretty sore about it. I wanted to go with my friend as he was on draft and they sent me back to 2 CBRG. From there I spoke to BSM Sheppard and I asked to be transferred to a French regt Medium as I did not seem to get along with any other regiment or English instructors. He told me he would try everything he could and he came and told me I was transferred to a Medium. He took me with my kit to the Medium lines. A couple of days after then got me on the tank unit. Then I asked to be paraded to Capt Brown and I told him that I had applied to go to the Medium and I was in the Medium and I wanted to go to the French Regiment. I said I did not want to go to a tank regiment as I did not know enough about it. I would not be any good and that is so.

Capt Brown told me I was yellow as I did not want to go into a tank. I told him if he saw 100 burning tanks he would be yellow too. He called me for warning for draft and told me that I would be an absentee or desertar if I did not go. I told him I still will not go, I will be in the camp in the other lines, it is no use I will not go on that draft. When they called for the draft I was on the other side of the lines I did not want to be there as I was kind of nervous. At the time BSM Sheppard put me under arrest I happened to be not very far from our office talking to the boys and he came for me and put me under arrest.

That is part of the story.

Questioned by Defending Officer.

Q.34 You are a driver mechanic wheeled?

A.34 Yes sir.

Q.35 And AFV, it is marked in your book?

A.35 Yes sir, the last course I had.

Q.36 When did you have this course?

A.36 Last November.

Q.37 How many hours driving experience did you have?

A.37 3 hrs.

Q.38 What else did you do during this course?

A.38 One week filing, two weeks lecture, one week in the field during which we broke the track and greasing and doing all kinds of light maintenance and our Sgt instructor showed how to drive and put in 2nd gear.

Q.39 When did they register your qualifications in the book? After three hours driving?

A.39 Yes sir.

Q.40 Then you came back to the RU.

A.40 No 1 CARU.

Q.41 What kind of work were you employed in? Were you driving tanks?

A.41 No, I never drove a tank I just did fatigues and cleaned up around.

Q.42 Just before D day you were drafted to go on to the 13th Fd Bty?
A.42 Approx one week before D day.

from there they sent me to the 15th Fd and sent me out right away did not even have a chance to drive the tank. I told the Major that I did not know anything about it and then they sent me back to 2 CBRG. They sent me there on a draft and I wanted to go with my friend.

Q.43 You came to France on D day?

A.43 D plus 2. One of the Officers came along and asked me if I knew anything about tanks. He took me and explained to me what to do and said for me to do my best. He was not satisfied and did not want to keep me.

Q.44 What happened when you came to a corner?

A.44 I had to stop and back up. The Sgt said I should be able to turn the corner without stopping and backing up as the other drivers did.

Q.45 How long have you been in the Army?

A.45 4 years and 6 weeks and I have always been a motor mechanic.

Cross-examined by Prosecutor

Q.46 Gravel you have been in the Army 4 years and 5 weeks - you are a volunteer?

A.46 Yes sir.

Q.47 You know that in the Army you are supposed to do what you are told and for 4 years and for approx 5 weeks you did what you were told. You have not had any trouble in the Army, you have obeyed your orders?

A.47 Yes sir.

Q.48 And you have just stood up and told the Court that you would not go and in a defiant way you told Capt Brown?

A.48 Yes sir, I will have to explain why.

Q.49 You know that in the Army your personal wants and desires do not count?

A.49 I thought I could do a little bit about it. I volunteered as a motor mechanic. I figured to fight by doing my own work and doing something I am sure about.I want to fight by doing my trade. That is one way to fight is it not sir?

Q.50 You refused in a defiant manner?

A.50 Because I was not sure of myself I did not want to take the responsibility and cause the loss of some other fellows lives. I do not care about myself I am nothing but the other fellows lives are precious lives. I did not want to go and make a mess of the whole thing.

Q.51 What made you think you would cause the loss of life?

A.51 Because I could not handle a tank properly.

Q.52 You were sent on a draft from England. Did you raise any objection there?

A.52 No sir.

Q.53 You did not object the first time?

A.53 No sir, I wanted to go with my friend.

Q.54 You landed on D day and you have seen a lot of dead men lying around and equipment lying around?

A.54 Yes sir.

Q.55. You have had a few close shaves yourself?

A.55 Yes sir but not to scare me.

Q.56 You did not raise any objection the first time?

A.56 No sir, I asked for it I wanted to go with my friend to help. They were looking for men for the draft and I wanted to go.

Q.57 You have told the Court that the reasons you did not want to go were:

(1) That you wanted to go to a Medium Regiment and that RSM Sheppard had promised you you could go there.

(2) The reason that you have told the Court in answer to a question asked by me is that you are not qualified as a driver of a tank and so might endanger the lives of your partners.

I submit that you have a third reason.

A.57 I just want to point out that I have a heart. When I am pushed around one place I dont wish to go back I like to give satisfaction. I never go back where I am kicked out. I never did on "Givy" street.

Q.58 What regiment were you going back to on this draft?

A.58 It was a tank regiment as I figured out. I told Capt Brown that I would do anything except driving a tank.

Q.59 You said that Capt Brown told you that you were yellow and that you replied in words to this effect, that you would be yellow if you too saw 100 tanks burn?

A.59 I told him that because I am not yellow.

Q.60 Have you seen 100 tanks burn?

A.60 I have seen many.

Q.61 Did these burning tanks have any reason for your not going up there?

A.61 No sir, I had seen them burned before I got up there.

Q.62 You had never seen a tank burn yourself before going up there?

A.62 No sir.

Q.63 For the various reasons you have given you said you would not go?

A.63 Yes sir. I never mentioned anything about going sir, I said to a tank unit.

Q.64 What do you call a tank unit? Not a self-propelled unit?

A.64 It is a unit with a gun that operates as artillery.

Q.65 What unit were you going to?

A.65 He told me it mounted 95 mm gun - it is a tank unit

Defending Officer - All Gravel ever did was drive a truck he has never even been qualified as a gunner.

No re-examination.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

First witness for the Prosecution - Capt P M BROWN, RCA, 12 CHR bn recalled

Questioned by the President

Q.66 Will you told up what unit it was that this draft was proceeding to?

A.66 1 Cdn Centaur Bty RCA.

Q.67 Did you inform Gnr Gravel?

A.67 Yes sir.

Q.68 You told him he was going to 1 Cdn Centaur Bty?

A.68 Yes sir.

Q.69 Did the accused ask you what a Centaur Bty was?

A69 I explained to him that it was a 95 mm gun mounted on a Centaur tank. He said it was tanks and I said it was still artillery.

Questioned by Defending Officer.

Q.70 Did Gravel say he would drive anything but a tank?

A.70 He said he would go any place in the artillery except driving a tank.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

The Witness withdraws.

PROSECUTING OFFICER ADDRESSES THE COURT

SUMMING UP

The accused is charged here with Desertion under Section 12(1)(a) of the Army Act and the Prosecution has brought two witnesses who state that he deliberately refused to go and the accused in his evidence in his own behalf has admitted to me and has offered three reasons none of which I submit are valid in that in the Army you can not refuse.

I have nothing more to say.

88

DEFENDING OFFICER ADDRESSES THE COURT
SUMMING UP

Gravel has been in the Army 4 years and has always heard he was very satisfactory.

He came to France on D day. He came with a walking party. I would like to explain that he did not take a tank in England and land here with a tank. He came walking and 2 days after he was given a tank and he cannot drive it properly as he had only 3 hrs experience.

He has been in action for 7 weeks with this particular regiment, 13 Fd, and never deserted them and never did anything wrong except that he could not drive the tank properly. His officer sent him back to 2 CBRG as inefficient and unsatisfactory. I immagine that there must have been some casualties in this regiment and I dont see why they would send him out unless he was no good. I think if he had been efficient they would have kept him.

He is not very happy in a tank because he has has no experience and he did not wish to risk the life of the crew. If a driver does not act quick enough he is risking the like of the crew and Gravel did not want that.

His qualifications are in the pay book as a gunner. I think that these qualifications in a soldier's pay book are not always what they should be for various reasons that we all know, or at least I know. I have seen qualifications registered in books when a man has only a couple of hours training to go some place or to fill in a demand and sometimes we let our judgment pass a few of these things. I may add that Gravel has been suffering from one of these mistakes.

He did mention that he was willing to go anywhere except in a tank for these reasons; because he could not drive a tank and even though it was marked in his pay book he did not feel competant of doing his job as such.

I ask the Court to consider his case and not to blame him as a deserter as he is not a deserter if he makes a mistake. It is not desertion. If he was asked to do something, to go anywhere he would go except in a tank unit for reasons which are very good. If a man does not know how to use a weapon how can he fire that weapon. If he is not happy in a unit because of his nationality how can he do his duty properly.

I ask the Court to consider this charge as being invalid or at least erroneous.

JUDGE-ADVOCATE ADDRESSES THE COURT

SUMMING UP

I wish to point out that it is part of my duty as Judge-Advocate to sum up the evidence and advise the Court on the law.

The Court is, however, the sole judge of the facts and anything I say or may have previously said indicating my personal views as to the facts should be entirely disregarded. The Court and the Court alone is the judge of the facts.

I do not think it necessary for me to review the evidence - there does not appear to be any difficulty in that respect.

As to the law the accused is charged with Desertion. It is a special type of Desertion. Desertion can be divided into two kinds:

(a) What is known as the general type of Desertion where an accused goes absent without leave and forms an intention not to return to the Army again, and

(b) Where he goes absent without leave after having been warned for some special duty or draft and forms an intention to avoid that particular duty. Whether or not he intended to return to the Army eventually is of no importance, the criterion being did he intend to avoid the draft for which he was warned.

The onus is on the Prosecution, it is not for the accused to prove himself innocent, it is for the Prosecution to prove he is guilty. The Prosecution, therefore, must prove to the satisfaction of the Court:

(a) That the accused was AWL during the period charged,

(b) That he was duly and properly warned for the draft and that he understood the warning,

(c) That he was absent without leave with the intention of avoiding that draft, and,

(d) That the draft for which he was warned did in fact proceed.

It is also my duty to point out to the Court that the accused is entitled to the benefit of any reasonable doubt. I say a reasonable doubt, that is some doubt which is based on the facts before the Court and not some doubt which is purely immaginary. If the Court has a reasonable doubt after hearing and weighing the evidence then the accused is entitled to the benefit of that doubt.

On a charge of Desertion the Court may come to any one of the following decisions:

(a) Guilty as charged - that is guilty of Desertion,

(b) Not guilty of Desertion but guilty of absence without leave,

(c) Not guilty of any offence.

That is all I wish to say unless the Court or the Prosecutor or Defending Officer require explanation on any question that I may have overlooked.

The accused and also his Defending Officer declined to make a statement or address the Court in mitigation or punishment.

Judge-Advocate advised the Defending Officer that this was his last opportunity to speak on behalf of the accused.

Defending Officer replied that he did not wish to make a further address.

SUMMARY OF EVIDENCE

Summary of evidence in the case of:

D-14830 Gnr GRAVET, G.F. R.C.A.

a soldier of the Canadian Army Overseas.

The Commanding officer directs that the evidence be taken on oath.

First Witness - Capt S.W. Brown, OC 86 Coy, 12 CIR Bn, having been duly sworn, states:-
for the Prosecution

I am Capt S.W. Brown, OC 86 Coy, 12 CIR Bn to which Coy the accused is posted. I selected D-14830 Gnr GRAVET, G.F. to proceed on draft to the field. The accused, on being warned for this draft, asked to be paraded to me and at approximately 1430 hrs 12 Aug 44, was paraded when he stated that he did not wish to proceed to the above mentioned unit. I explained to him that he could not be taken off said draft as there were no qualified men within this Coy to replace him in a trade which he was fitted, namely driver mechanic AFV. He then stated that he would not go. Upon his making this statement, I called D-3002 Sgt Mullaney, R.C. and D-3002 Sgt Mullaney witnessed us to an official warning which was given Gnr GRAVET in their presence. The warning consisted of the following:-

"Gnr GRAVET, you are officially warned for draft. You will be present when the draft leaves this afternoon at approximately 1700 hrs. If you are absent from the parade which proceeds on draft, you will be subject to a charge of desertion.

I then asked the accused if he could understand my English He replied - "Yes, fairly well." The accused asked me what type of gun the above Coy was equipped with and I gave him the necessary information. He stated that he did not wish to go into a unit with tanks that he had been in action and saw hundreds of them burnt up, and that they operated in front of the infantry. I then told the Sgt-Major to take him away. I was present at a muster parade held at 1730 hrs for the personnel of the above mentioned draft prior to mounting vehicles and proceeding to their destination. Gnr GRAVET's name was called twice. He did not answer his name and was not present.

Cross examined by the accused:-

Q.1 Sir, did I say anything about tanks going in front of the ir antry?

A.1 Yes, you stated that these guns operated in front of the infantry.

Q.2 Did I say I would go in any artillery unit and drive anything but a tank"

A.2 Yes, and I explained the type of unit and that as you were a driver mechanic AFV, I had no alternative but to place you on this draft.

Q.3 Did you not ask me if I drew trades pay as a driver mechanic AFV and I replied - "no, my trades pay is for driver mechanic wheeled"

A.3 Yes, and I stated it did not matter you are a qualified driver mechanic AFV and you will have to go.

Second Witness 1-6096 SGT SHEPPARD, J.W. having been duly sworn states:-

Prosecution

On Saturday, 12 Aug 44, in the 86 Coy lines, 12 CBR Bn, I witnessed Capt BROWN'S warning for draft to Gnr GRAVET, D.V. Gnr GRAVET refused to go to this particular Unit after being duly warned. I personally called the roll of draft personnel at 1730 hrs 12 Aug 44. Gnr GRAVET's name was called twice by name, rank, and number and he was not present at this parade. When he was warned for draft by Capt BROWN, he was also told the hour at which time the draft must parade. Gnr GRAVET's presence in 86 lines was brought to my attention at 2130 hrs, 12 Aug 44 so I placed him under close arrest and had him paraded to the Bn Guard Room under escort.

Cross-examined by the accused:-

Q.1 Did you hear Capt BROWN ask me if I understood his English?

A.1 Yes, I heard Capt BROWN make a statement to that effect.

Q.2. Did you hear Capt BROWN tell me the hour when the draft was to be mustered?

A.2 Yes.

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you may say or any evidence you give, will be taken down in writing and may be given in evidence.

After the above caution, the accused declined to give evidence and reserve his defence.

The accused does not call any witnesses for the defence.

I certify that the foregoing Summary of Evidence consisting of two (2) pages was taken down by me in the presence of the accused and that Rules of Procedure 4(c)(d)(e) & (f) have been complied with.

FIRST WITNESS - For the Prosecution. Duly sworn.
Capt P M BROWN, RCA, 12 CHR Bn

Q.1 Capt Brown, you are commanding 56 Coy, 12 CHR Bn?

A.1 Yes.

Q.2 As such you were the CO of the accused?

A.2 Correct.

Q.3 Will you tell the Court what took place between you and the accused with reference to the draft which proceeded at1730 hrs 12 Aug 44?

A.3 On the 12th Aug 44 I was required to make up a draft to go to the field. It was necessary for me to put Gnr Gravel on this draft as the draft called for Driver Mechanics AFV in a greater number than we could supply. Gravel holding this qualification was named for the draft. On Gnr Gravel being informed that he was on the draft he requested to be paraded to me and at approx 1430 hrs 12 Aug 44 he was paraded and requested that he be taken off the draft.

He requested to be taken off the draft as he did not wish to go to a unit equipped with tanks. I informed him that it was necessary for him to be on this draft as there were no other personnel in the Coy sufficiently qualified to take his place.

He asked me what type of equipment the unit he was going to was equipped with and I explained it to him to the best of my knowledge. He stated that he did not wish to drive tanks, he had seen a number of them burned in the field and that travelled right up with the infantry. I informed him that his personal wishes could not be granted that he would have to go forward with this draft and he then stated that he would not go.

I called BSM Shepherd and BSM King as witnesses and officially warned him that he was warned for draft and that the draft would proceed at approx 1700 hrs 12 Aug 44 and if he was absent from the parade he would be subject to a charge of desertion. I then told the SM to march him away.

Q.4 Was there any other conversation between you and the accused before you told the SM to march him away?

A.4 Nothing in relation to the accused.

Q.5 This accused is a French Canadian is he not?

A.5 Yes, I asked the accused if he understood my English and he stated, "Yes, fairly well."

Q.6 Did you have any difficulty making yourself understood as to what kind of equipment the unit carried?

A.6 No Sir.

Q.7 Did he have any trouble making himself understood?

A.7 No he was a little excited but all he emphasized was that he did not want to drive a tank.

At the parade at 1730 hrs 12 Aug I was present when the role was called. Gravel's name was called twice and he did not answer his name. The draft proceeded without him.

Q.8 This Coy that you comd is a straight reinforcement coy?

A.8 Yes sir, and subject to reallocation all X4 are subject to being posted to the field of which Gravel was on X4 list.

Q.9 How long had he been with your Coy?

A.9 At least two weeks, I am not sure to the day.

Cross-examined by Defending Officer

Q.10 Can you tell me why Gnr Gravel was returned to your unit?

A.10 I can not say anything for certain. Gravel to me was just a straight reinforcement available for posting to the field.

Q.11 Was he not posted to a definite battery?

A.11 Gravel, since he has come to my coy, has been field or medium reinforcement.

Q.12 Was he not supposed to go to a certain medium bty?

A.12 There are nobody detailed for any regiment or any battery.

Q.13 Do you know how long Gravel has been in France?

A.13 No.

Q.14 Another thing - when you had the conversation with Gravel about refusing to go, he did not state that he would not go?

A.14 Normally it is not the practise to give an official warning but it was done in this instance because of his refusal.

Q.15 Did he ask you whether he was paid as a driver mechanic of wheeled vehicles?

A.15 He said, "I am receiving trades pay as a Dvr Mech Wheeled." I told him that it did not matter, that he was a qualified Dvr Mech AFV having been trades tested as such.

Q.16 Did he say that while you were discussing tanks and you say that he has asked you information about the gun and different equipment that you have in Artillery. Have you such a thing as a 95 mm?

A.16 Yes.

Q.17 Did he say that the tanks were travelling in front of the infantry or up to the infantry?

A.17 He has questioned me before - he either said that the tanks were up with the infantry or in front of the infantry. He said one or the other I am not sure.

Q.18 He mentioned that he had seen a hundred tanks burned?

A.18 He said that he had seen at least 100 tanks burned and would not have any part of it.

Defending Officer - That is all I wish to ask.

Prosecutor does not wish to re-examine.

The Witness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B).

SWORN WITNESS - For the Prosecution
L-60985 RSM SHEPPARD J W, RCA, 12 CIR Bn. Duly sworn.

Q.19 Do you know the accused?

A.19 Yes Sir.

Q.20 What is his name?

A.20 Gnr Gravel.

Q.21 The accused is charged with deserting in the field on the 12th of Aug 1944. Can you give any evidence on that charge?

A.21 On the 12th Aug, 1944 at approx 1430 hrs Capt Brown called me over to witness a warning for draft of Gnr Gravel. I witnessed that warning.

Q.22 Where did this take place?

A.22 At the Coy Orderly Rm.

Q.23 And Capt Brown warned him in your presence, would you give an outline of that warning?

A.23 I do not remember the exact words but it was to the effect that I hereby warn you for draft and notified the date he was going off and informed him of the approx time.

Q.24 What time did this warning take place?

A.24 1430 hrs.

Q.25 Did Gnr Gravel say anything after Capt Brown had warned him?

A.25 He said he did not wish to go.

Q.26 He made that clear?

A.26 He made that clear sir.

Q.27 Was there any other conversation?

A.27 No sir, I do not remember any other conversation.

Q.28 After this warning did the draft leave?

A.28 The draft was paraded at approx 1700 hrs and at 1730 hrs on the 12 Aug 44 I called the rols. I called Gnr Gravels number, rank and name twice and he did not answer.

At approx 2130 hrs 12 Aug 44 it was drawn to my attention that Gravel was in the Coy lines.

Q.29 The draft left at the time it was called for?

A.29 Yes sir.

Q.30 How long had Gnr Gravel been in the 56 Coy?

A.30 About a week or ten days sir.

Cross-examined by Defending Officer

Q.31 Do you know why Gnr Gravel was returned to 2 CBRD?

A.31 No.

Q.32 There is no record of his previous service.

A.32 Not as far as I know.

Q.33 Did you hear him say that he refused to go in this particular draft?

A.33 Yes sir he actually refused.

Prosecutor does not wish to re-examine the witness.

Witness withdraws.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(3).

That is the case for the Prosecution.

The accused, D-14530 Gnr Ovide Felician GRAVEL, RCA, 12 CSR Bn having been duly sworn states:

I was sent back. I was in the 13th Fd and I was in the 22nd Bty and I was sent back as unsatisfactory for my services which the Sgt told me. Well I was in action since D day and I had quite a little argument with my Sgt and he told me that he would send me back in the first chance he had. We pulled out for a rest and he sent me back. I lost all my friends. I felt pretty sore about it. I wanted to go with my friend as he was on draft and they sent me back to 2 CBRG. From there I spoke to RSM Sheppard and I asked to be transferred to a French regt Medium as I did not seem to get along with any other regiment or English instructors. He told me he would try everything he could and he came and told me I was transferred to a Medium. He took me with my kit to the Medium lines. A couple of days after then got me on the tank unit. Then I asked to be paraded to Capt Brown and I told him that I had applied to go to the Medium and I was in the Medium and I wanted to go to the French regiment. I said I did not want to go to a tank regiment as I did not know enough about it, I would not be any good and that is so.

Capt Brown told me I was yellow as I did not want to go into a tank. I told him if he saw 100 burning tanks he would be yellow too. He called me for warning for draft and told me that I would be an absentee or deserter if I did not go. I told him I still will not go, I will be in the camp in the other lines, it is no use I will not go on that draft. When they called for the draft I was on the other side of the lines I did not want to be there as I was kind of nervous. At the time RSM Sheppard put me under arrest I happened to be not very far from our office talking to the boys and he came for me and put me under arrest.

That is part of the story.

Questioned by Defending Officer.

Q.34 You are a driver mechanic wheeled?

A.34 Yes sir.

Q.35 And AFV, it is marked in your book?

A.35 Yes sir, the last course I had.

Q.36 When did you have this course?

A.36 Last November.

Q.37 How many hours driving experience did you have?

A.37 3 hrs.

Q.38 What else did you do during this course?

A.38 One week filing, two weeks lecture, one week in the field during which we broke the track and greasing and doing all kinds of light maintenance and our Sgt instructor showed how to drive and put in 2nd gear.

Q.39 When did they register your qualifications in the book? After three hours driving?

A.39 Yes sir.

Q.40 Then you came back to the RU.

A.40 No 1 CARU.

Q.41 What kind of work were you employed in? Were you driving tanks?

A.41 No, I never drove a tank I just did fatigues and cleaned up around.

Q.42 Just before D day you were drafted to go on to the 13th Fd Bty?

A.42 Approx one week before D day.

(PTO)

From there they sent me to the 15th Fd and sent me/right away out I did not even have a chance to drive the tank. I told the Major that I did not know anything about it and then they sent me back to 2 CBRD. They sent me there on a draft and I wanted to go with my friend.

Q.43 You came to France on D day?

A.43 D plus 2. One of the officers came along and asked me if I knew anything about tanks. He took me and explained to me what to do and said for me to do my best. He was not satisfied and did not want to keep me.

Q.44 What happened when you came to a corner?

A.44 I had to stop and back up. The Sgt said I should be able to turn the corner without stopping and backing up as the other drivers did.

Q.45 How long have you been in the Army?

A.45 4 years and 6 weeks and I have always been a motor mechanic.

Cross-examined by Prosecutor

Q.46 Gravel you have been in the Army for 4 years and 5 weeks - you are a volunteer?

A.46 Yes sir.

Q.47 You know that in the Army you are supposed to do what you are told and for 4 years and for approx 5 weeks you did what you were told. You have not had any trouble in the Army, you have obeyed your orders?

A.47 Yes sir.

Q.48 And you have just stood up and told the Court that you would not go and in a defiant way you told Capt Brown?

A.48 Yes sir, I will have to explain why.

Q.49 You know that in the Army your personal wants and desires do not count?

A.49 I thought I could do a little bit about it. I volunteered as a motor mechanic. I figured to fight by doing my own work and doing something I am sure about. I want to fight by doing my trade. That is one way to fight is it not sir?

Q.50 You refused in a defiant manner?

A.50 Because I was not sure of myself I did not want to take the responsibility and cause the loss of some other fellows lives. I do not care about my self I am nothing but the other fellow lives are precious lives. I did not want to go and make a mess of the whole thing.

Q.51 What made you think you would cause the loss of life?

A.51 Because I could not handle a tank properly.

Q.52 You were sent on a draft from England. Did you raise any objection there?

A.52 No sir.

Q.53 You did not object the first time?

A.53 No sir, I wanted to go with my friend.

Q.54 You landed on D day and you have seen a lot of dead men lying around and equipment lying around?

A.54 Yes sir.

Q.55 You have had a few close shaves yourself?

A.55 Yes sir but not to scare me.

Q.56 You did not raise any objections the first time?

A.56 No sir, I asked for it I wanted to go with my friend to help. They were looking for men for the draft and I wanted to go.

Q.57 You have told the Court that the reasons you did not want to go were:

(1) That you wanted to go to a Medium Regiment and that BSM Sheppard had promised you you could go there.

(2) The reason that you have told the Court in answer to a question asked by me is that you are not qualified as a driver of a tank and so might endanger the lives of your partners.

I submit that you have a third reason.

A.57 I just want to point out that I have a heart. When I am pushed around one place I dont wish to go back I like to give satisfaction. I never go back where I am kicked out. I never did on "elvy" street.

Q.58 What regiment were you going back to on this draft?

A.58 It was a tank regiment as I figured out. I told Capt Brown that I would do anything except driving a tank.

Q.59 You said that Capt Brown told you that you were yellow and that you replied in words to this effect, that you would be yellow if you too saw 100 tanks burn?

A.59 I told him that because I am not yellow.

Q.60 Have you seen 100 tanks burn?

A.60 I have seen many.

Q.61 Did these burning tanks have any reason for your not going up there?

A.61 No sir. I had seen them burned before I got up there.

Q.62 You had never seen a tank burn yourself before going up there?

A.62 No sir.

Q.63 For the various reasons you have given you said you would not go?

A.63 Yes sir. I never mentioned anything about going sir, I said to a tank unit.

Q.64 What do you call a tank unit? Not a self-propelled unit?

A.64 It is a unit with a gun that operates as artillery.

Q.65 What unit were you going to?

A.65 He told me it mounted 95 mm gun - it is a tank unit

Defending Officer - All Gravel ever did was drive a truck he has never even been qualified as a gunner.

No re-examination.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B)

(FTO)

First Witness for the Prosecution - Capt P M BROWN, RCA, 12 CBR Bn recalled

Questioned by the President

Q.66 Will you tell us what unit it was that this draft was proceeding to?

A.66 1 Cdn Centaur Bty RCA.

Q.67 Did you inform Gnr Gravel?

A.67 Yes sir.

Q.68 You told him he was going to 1 Cdn Centaur Bty?

A.68 Yes sir.

Q.69 Did the accused ask you what a Centaur Bty was?

A.69 I explained to him that it was a 95 mm gun mounted on a Centaur tank. He said it was tanks and I said it was still artillery.

Questioned by Defending Officer

Q.70 Did Gravel say he would drive anything but a tank?

A.70 He said he would go anyplace in the artillery except driving a tank.

In the opinion of the Court and the JA it is not necessary to comply with RP 83(B).

PROSECUTING OFFICER ADDRESSES THE COURT
SUMMING UP

The accused is charged here with Desertion under Section 12(1)(a) of the Army Act and the Prosecution has brought two witnesses who state that he deliberately refused to go and the accused in his evidence in his ~~own behalf has admitted~~, to me and has offered three reasons none of which I submit are valid in that in the Army you can not refuse.

I have nothing more to say.

EEP DG p.2

DEFENDING OFFICER ADDRESSES THE COURT
SUMMING UP

Gravel has been in the Army 4 years and has always heard he was very satisfactory.

He came to France on D day. He came with a walking party. I would like to explain that he did not take a tank in England and land here with a tank. He came walking and 2 days after he was given a tank and he cannot drive it properly as he had only 3 hrs experience.

He has been in action for 7 weeks with this particular regiment, 13th Fd, and never deserted them and never did anything wrong except that he could not drive the tank properly. His officer sent him back to 2 CBRG as inefficient and unsatisfactory. I imagine that there must have been some casualties in this regiment and I dont see why they would send him out unless he was no good. I think if he had been efficient they would have kept him.

He is not very happy in a tank because he has had no experience and he did not wish to risk the life of the crew. If a driver does not act quick enough he is risking the life of the crew and Gravel did not want that.

His qualifications are in the pay book as a gunner. I think that these qualifications in a soldier's pay book are not always what they should be for various reasons that we all know, or at least I know. I have seen qualifications registered in books when a man has only a couple of hours training to go some place or to fill in a demand and sometimes we let our judgment pass a few of these things. I may add that Gravel has been suffering from one of these mistakes.

He did mention that he was willing to go anywhere except in a tank for these reasons; because he could not drive a tank and even though it was marked in his pay book he did not feel competent of doing his job as such.

I ask the Court to consider his case and not to blame him as a deserter as he is not a deserter if he makes a mistake. It is not desertion. If he was asked to do something, to go anywhere, he would go except in a tank unit for reasons which are very good. If a man does not know how to use a weapon how can he fire that weapon. If he is not happy in a unit because of his nationality how can he do his duty properly.

I ask the Court to consider this charge as being invalid or at least erroneous.

EEP

JUDGE-ADVOCATE ADDRESSES THE COURT
SUMMING UP

I wish to point out that it is part of my duty as Judge-Advocate to sum up the evidence and advise the Court on the law.

The Court is, however, the sole judge of the facts and anything I say now or may have previously said indicating my personal views as to the facts should be entirely disregarded. The Court and the Court alone is the sole judge of the facts.

I do not think it necessary for me to review the evidence - there does not appear to be any difficulty in that respect.

As to the Law the accused is charged with Desertion. It is a special type of Desertion. Desertion can be divided into two kinds:

(a) What is known as the general type of Desertion where an accused goes absent without leave and forms an intention not to return to the Army again, and

(b) Where he goes absent without leave after having been warned for some special duty or draft and forms an intention to avoid that particular duty. Whether or not he intended to return to the Army eventually is of no importance, the criterion being did he intend to avoid the draft for which he was warned.

The onus is on the Prosecution, it is not for the accused to prove himself innocent, it is for the Prosecution to prove he is guilty. The Prosecution, therefore, must prove to the satisfaction of the Court:

(a) That the accused was AWL during the period charged,

(b) That he was duly and properly warned for the draft and that he understood the warning,

(c) That he was absent without leave with the intention of avoiding that draft, and,

(d) That the draft for which he was warned did in fact proceed.

It is also my duty to point out to the Court that the accused is entitled to the benefit of any reasonable doubt. I say a reasonable doubt, that is some doubt which is based on the facts before the Court and not some doubt which is purely imaginary. If the Court has a reasonable doubt after hearing and weighing the evidence then the accused is entitled to the benefit of that doubt.

On a charge of Desertion the Court may come to any one of the following decisions:

(a) Guilty as charged - that is guilty of Desertion,

(b) Not guilty of Desertion but guilty of absence without leave,

(c) Not guilty of any offence.

That is all I wish to say unless the Court or the Prosecutor or Defending Officer require explanation on any question that I may have overlooked.

The accused and also his Defending Officer declined to make a statement or address the Court in mitigation of punishment.

Judge-Advocate advised the Defending Officer that this was his last opportunity to speak on behalf of the accused.

Defending Officer replied that he did not wish to make a further address.

SUMMARY OF EVIDENCE

Summary of evidence in the case of:

D-14530 Gnr GRAVEL, O.P., RCA.

a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence be taken on oath.

First Witness for the Prosecution:- Capt E.M. BROWN, OC 56 Coy, 12CBR Bn, having been duly sworn, states:-

I am Capt EM BROWN, OC 56 Coy, 12 Bn, 2 CBR Gp, to which Coy the accused is posted. I selected D-14530 Gnr GRAVEL, OP, to proceed on draft to the field. The accused, on being warned for this draft, asked to be paraded to me and at approximately 1430 hrs 12 Aug 44, was paraded when he stated that he did not wish to proceed to the above mentioned unit. I explained to him that he could not be taken off said draft as there were no qualified men within this Coy to replace him in a trade which he was filling, namely driver mechanic AFV. He then stated that he would not go. Upon him making this statement, I called L-6098 BSM SHEPPARD, FW, and G-3002 BSM KING, JU, to be witnesses to an official warning which I gave Gnr GRAVEL intheir presence. The warning consisted of the following:-

"Gnr GRAVEL, you are officially warned for draft. You will be present when the draft leaves this afternoon at approximately 1700 hrs. If you are absent from the parade which proceeds on draft, you will be subject to a charge of desertion.

I then asked the accused if he could understand my English. He replied - "Yes, fairly well." The accused asked me what type of a gun the above bty was equipped with and I gave him the necessary information. He stated that he did not wish to go into a unit with tanks that he had been in action and saw hundreds of them burnt up, and that they operated in front of the infantry. I then told the Sgt-Major to march him away. I was present at a muster parade held at 1730 hrs for the personnel of the above mentioned draft prior to mounting vehicles and proceeding to their destination. Gnr GRAVEL'S name was called twice. He did not answer his name and was not present.

Cross-examined by the accused:-

Q.1 Sir, did I say anything about tanks going in front of the infantry?

A.1 Yes, you stated that these guns operated in front of the infantry.

Q.2 Did I say I would go in any artillery unit and drive anything but a tank?

A.2 Yes, and I explained the type of unit and that as you were a driver mechanic AFV, I had no alternative but to place you on this draft.

Q.3 Did you not ask me if I drew trades pay as a driver mechanic AFV and I replied - "No, my trades pay is for driver mechanic wheeled?"

A.3 Yes, and I stated it did not matter; you are a qualified driver mechanic AFV and you will have to go.

(RM Brown) Capt - OC 56 Coy,
12 CBR Bn.

Second Witness for the Prosecution:- L-6098 BSM SHEPPARD, J.W., having been duly sworn states:-

On Saturday, 12 Aug 44, in the 56 Coy lines, 12 CBR Bn, I witnessed Capt BROWN'S warning for draft to Gnr GRAVEL, OF. Gnr GRAVEL refused to go to this particular Unit after being duly warned. I personally called the roll of draft personnel at 1730 hrs 12 Aug 44. Gnr GRAVEL's name was called twice by name, rank, and number and he was not present at this parade. When he was warned for draft by Capt BROWN, he was also told the hour at which time the draft must parade. Gnr GRAVEL's presence in 56 Coy lines was brought to my attention at 2130 hrs, 12 Aug 44 so I placed him under close arrest and had him paraded to the Bn Guard Room under escort.

Cross-examined by the accused:-

Q.1 Did you hear Capt BROWN ask me if i understood his English?

A.1 Yes, I heard Capt BROWN make a statement to that effect.

Q.2 Did you hear Capt BROWN tell me the hour when the draft was to be mustered?

A.2 Yes.

D102659 Pte. Earl Oscar Granville, No. 2 C.A.C. R.C.A.

Sir,

The above named soldier was a member of my regiment from the time it embarked for overseas of war, until he was evacuated with wounds. As he was a member of my squadron, I frequently came into contact with him, and found him to be a hard-working and conscientious soldier. Up to the time that I was evacuated from the regiment, he had never refused any task he was completely willing to do whatever he was ordered. He has been in the army a very short time, most of it on active service and is in my opinion, the type of man who becomes trained with experience. He has written on his A.F. 26 whilst in the field with the 1st C.A.C. R.C.A.

In view of the fact that this man did his work whilst a time when every man was needed, I make a plea for mitigations in his case.

OPENING ADDRESS BY PROSECUTOR:

May it please the Court. These Charges arise out of a riot in Gdn Detention Bks at Headley Downs on the 8th, 9th and 10th of May this year. Some 15 witnesses will be called by the Prosecution. Here are the main points around which the story of these three days will revolve.

First of all the time - the 8th of May was VE Day (Tuesday), the 9th of May a Wednesday and the 10th a Thursday. The place was the Detention Bks at Headley Downs, although it has changed names there is only one Barracks at Headley Downs and that is the one this Court is concerned with.

The plan of the Detn Bks will be identified by the First witness, a copy of which has been given to the Defending Counsel, and I ask the Courts permission to file it at this point in order to more clearly give an outline of the case.

✓ AND, WITH CONSENT OF DEF OFFR IS ✓ ADMD

PLAN OF DETN BKS IS PRODUCED, ACCEPTED BY THE COURT, AND MARKED EXHIBIT "H".

Now on this plan the Court will observe that in the N.W. corner appear the words "A" Compound. "A" Compound is the centre of the activity which we are concerned with. "A" Compound consists of a parade square rectangular in shape, on the south side of the parade square are three T Shaped buildings designated as living huts. On the west, north and east sides are ten rectangular buildings known as cell blocks. The cell blocks are numbered as shown starting on the left 1, 2, 3, and so on. The living Huts are shown as AH 1, AH 2, and AH 3. "A" Standing for "A" Compound.

The Court will be directly concerned with the cell blocks and living huts, and I have here a sketch of the cell blocks showing 14 cells, and a corridor running down the centre of the cell block. I would ask permission to produce the sketch at this time.

✓ AND, WITH CONSENT OF DEF OFFR IS ✓ ADMD

SKETCH OF CELL BLOCK IS PRODUCED, ACCEPTED BY THE COURT, AND MARKED EXHIBIT "I".

The Court will observe as shown on the sketch that each cell block consists of 16 rooms. The first two, that is the two nearest the entrance to that cell block are un-numbered and the numbers start on the left hand side as one enters the cell block, and number from 1 to 14. The evidence shows that the accused was in Cell 14, of Cell Block 6 on the north side of the parade square. The entrance to Cell Block 6 is just where the letter "E" appears in the word blocks. The window of Cell 14 is the second window from the left and faces the parade square.

The other points which will be referred to in the evidence is that in the N.W. corner of the parade square is Cell block 4, at the top of which there is a watch tower, and this watch tower was set fire to on the 9th May. If the Court will look to the S.W. corner of the parade square there is a small rectangular building marked Sanitary block. Reference will be made to that building too. To the S.E. of the parade square there is a circle that is marked SWS and reference will be made to that point on the plan. One further reference will be made to the East Gate. If the Court will look to the right of the sketch they will find the East Gate marked.

Just before the breakout on the morning of the 8th May there was tension noticed among the SUS and when the news was announced about noon of the allied Victory conside able noise broke out and attempts were made by SUS to demand a lessening of the prison regulations.

The chief demand appears to have been the demand for cigarettes, and prison regulations forbid the smoking at any time of SUS. As the Court well knows none-smoking is part of the punishment, and has been for prisoners sent to Detention. There was considerable shouting across the parade square which went on through the afternoon and evening, but nothing serious happened until 1700 hrs 8th May.

I think I should show the relation of staff to SUS. At that time there were around 1400 SUS, and the staff numbered around 20. After disorder broke out the staff was increased to 40 or 50. As to the use of force - prison regulations lay it down the staff will never use any more force than necessary. To clear the point of physical violence - while there was a great deal of damage done to the

buildings and so on, there is no evidence of any physical clashes between Staff and SUS, and no one was injured on any of these three days. As to the damage done the evidence will be that there were broken pipes, ripped out radiators, bars torn from the windows, latrines and wash basins broken, and there will be evidence of the destruction to the watch tower.

So much for the general picture. After that has been made clear by the first witness the evidence of specific words and acts of this accused on these three hectic days will be placed before the Court, and that evidence will clearly show why he is now hear to answer these seven Charges.

Charges of on the 8th May endeavouring to persuade others in joining in a mutiny. On the 9th of May of himself joining in a mutiny causing riotous damage, committing arson and using insubordinate language. On the 10th May, that is the third day, being improperly concerned in a further disturbance which took place the morning of that day.

It is not necessary that I go into the Charges in detail, and although the story of the witnesses will deal with more than one day, I say that if the Court keeps the events of each of the three days clearly in their mind then at the conclusion of the case all seven Charges can be easily considered and dealt with.

A 28 It would face out on the parade square.

Q 29 Is cell 14 the first cell that one comes to on entering Cell Block 6?
A 29 I believe it is, yes sir, on the right hand side.

Q 30 Is the window of cell 14 the first window that you come to on the right hand side of cell block 6?
A 30 That is right, the window faces on the parade square.

Q 31 As you enter cell block 6 what is the first place you come to on the right hand side?
A 31 The control room, we keep a table in there and the dishes of the SUS.

Q 32 Is there a window in that control room?
A 32 I do not think so.

Q 33 How many SUS are there in each cell?
A 33 One sir.

Q 34 Are each of the windows in the cell block barred?
A 34 Yes sir.

Q 35 Is there a lock on the door to each of these cells?
A 35 Yes sir, each door has a double lock.

Q 36 On 8th May who was the Orderly Offr of the Camp?
A 36 I was Orderly Offr for the entire Detn Bks.

Q 37 Did you inspect "A" Compound on 8th May?
A 37 Yes sir, at 11 o'clock A.M.

Q 38 Did your inspection reveal anything out of the ordinary?
A 38 Nothing whatsoever.

Q 39 Was something reported to you during the afternoon of that day?
A 39 I was returning from the Offrs Mess about 1300 hrs. I heard shouting and a lot of noise coming from "A" Compound. That was while I was still out on the road.

Q 40 What did you do as a result?
A 40 I went to "A" Compound and with S/M Illingsworth who was RSM at the time and s/M Reé who was S/M in charge of the Compound I made an inspection again to see what the noise was. I went around each living hut, and each cell block. The SUS were in the living huts and cell blocks at that time and were making a considerable amount of noise, banging their mess tins, or any other articles they could get their hands on at the time. I asked several of the staff what started the row and they said the news sheet which gave out that VE Day had been declared.

Q 41 Did you do anything yourself that afternoon with respect to any of the SUS in "A" Compound?
A 41 Yes sir, there was quite a feeling of unrest, and I ordered each one to go back to bed.

Q 42 Did they go to bed?
A 42 Yes sir.

Q 43 At what time?
A 43 2100 hrs, normally it is 1930 hrs, but they did not go to bed on the orders of the staff and I went around and ordered each one personally to go to bed.

Q 44 What time was that?
A 44 2100 hrs.

Q 45 On 9th May, Wednesday, did you go to "A" Compound?
A 45 Yes sir.

Q 46 About what time?
A 46 I was there all the time.

Q 47 What did you see on 9th May 45 at "A" Compound?
A 47 On 9th May at about 0830 hrs after the SUS had had their breakfast they came out of the living huts, and all of them were creating quite a noise, and some managed to break out of their cells in the cell block and go out on the parade square. Quite a number had weapons, bars in their hands, planks, and various things like that, and they started milling about the parade square.

Q 48 Where did the bars come from?
A 48 From the living hut windows.

Q 49 How large is the bar?
A 49 About 2" in diameter.

Q 50 How long would they be?
A 50 About 6 ft long.

Q 51 What was the staff doing at this time?
A 51 The staff and the offrs were all attempting to persuade the SUS to return to their huts and not get involved in any trouble. Those that were out would not go back so an attempt was made to keep them on the parade square so there would be no damage done.

Q 52 Was physical force applied in any case?
A 52 No sir.

Q 53 Would it have done any good?
A 53 No sir, it would have done more harm than good.

Q 54 What approximately was the number of SUS in "A" Compound on these days?
A 54 "A" Compound then included one or two huts now known as "B" Compound, they numbered about 4385.

Q 55 What was the total staff at "A" Compound?
A 55 In the morning the normal staff would be 25 to 28. On the night of 8th May it was doubled making a staff of 50 to 60.

Q 56 These SUS you saw on the parade square on the morning of the 9th. How many did you see altogether?
A 56 On the parade square itself there were approximately 275 SUS.

Q 57 Did they stay on the parade square all morning?
A 57 No sir, about 9 o'clock while the staff and Offrs were there trying to keep them from doing any damage quite a number of SUS broke from the parade square not running but just walking up towards the Orderly room of "C" Compound. There was a considerable amount of noise and brandishing of bars, as they walked to "C" Compound.

Q 58 What did they do there?
A 58 An attempt was made to hold them back by Col Grayson, the other Offr, I did not get a chance to speak to them myself. They got to "C" Compound, on the other side of the Camp and broke through the East Gate after smashing a considerable number of windows, and about 60 of them escaped, a few of them stole a truck which was there and took it away. Some of them got as far as the gate, stopped and came back. The SUS in "C" Compound did not take part in this, although the ones from "A" Compound tried to get those in "C" to go with them, they were unsuccessful.

Q 59 Did this body of SUS do any damage before they left the East gate?
A 59 Yes sir, they smashed all the windows in "C" Compound Mess hall.

Q 60 Will you indicate where on the diagram?
A 60 Witness points to building immediately north of road leading to East Gate and west of East Gate, designated Cook house and Dining Rooms.

Q 61 About what time did this escape take place?
A 61 About 0900 hrs 9th May.

Q 62 Did everybody in the group go out the gate?
A 62 No sir, there was quite a number, but not everybody in the group, some returned.

Q 63 What did those who did not go out do?
A 63 We herded them back to "A" Compound.

Q 64 You told us before about the watch tower — how does one get up to it?
A 64 At the time there was a ladder going up the side of the cell block, and you could climb up to the tower.

Q 65 On 9th May 45 was that watch tower damaged in any way?
A 65 Yes sir, at approximately 1900 hrs the evening of 9th May an attempt was made by SUS to set fire to it. I was a distance of about 250 yds from this tower and saw a number of SUS milling about the base of it. But as there was SUS milling about all around I paid no attention until I saw smoke coming from beneath the tower. I went over to this part of the compound and saw a fire had been started by using the straw from the palliasses which had been thrown up on the tower. We called out our own fire dept and lay out the hose from the SWS to the tower. We had great difficulty in doing this for as soon as we would couple the hose the SUS would uncouple it, and when we finally got it together they came with razor blades and cut it. They hindered as much as possible, but we finally got the fire out, but the tower had to be taken down as the support had been weakened by the fire.

Q 66 On 10th May, Thursday, did anything take place in "A" Compound out of the ordinary?
A 66 I believe the 10th May was the day Maj-Gen Spry spoke to the soldiers in "A" Compound and informed them they would be moving to another location as the premises they had been living in had been damaged too much to continue living there.

Q 67 After the General spoke what did the SUS do then?
A 67 Most of them returned to their huts and cells. About 15 mins before the General spoke I made an inspection of the Sanitary Block and it was quite intact at that time, after the General spoke as a result of what was reported to me I went to the Sanitary Block and inspected it again, and all the toilet ablutions had been smashed.

Q 68 Did you see the accused the 8th May?
A 68 No sir.

Q 69 Do you recognize the accused?
A 69 Yes sir (indicates accused).

Q 70 Did you see him the 9th of May?
A 70 Yes sir.

Q 71 About what time, and where?
A 71 1915 hrs when we were attempting to lay the hose he was attempting to cut it.

Q 72 Did you see him on the 10th May?
A 72 I do not recall seeing him the 10th.

Q 73 Was there anybody injured at any time during these three days?
A 73 Not to my knowledge.

Q 74 Do you know how many SUS escaped from "A" Compound?
A 74 A count was made on the 11th and at that time 47 had escaped. I said 60 previously but some of these came back the same day.

Q 75 Where had those SUS been before they escaped?
A 75 They had been in "A" compound before they escaped.

Q 76 Will you tell the Court the nature of the damage which was done to "A" Compound?
A 76 All the bars were taken off all the windows for one thing. Most of the toilet blutions and ablution wash bowls in all the cell blocks were smashed. All the windows in "A" Compound were broken. All the toilet bowls in the Sanitary block "A" Compound had been smashed. The windows of the dining room in "C" Compound were broken, and I might say there was quite a bit of damage to palliasses and mess tins and general barrack damages.

Q 77 After the disorder started were any instructions issued to the staff?
A 77 Yes sir, instructions were issued from the Commandant "A" Compound and myself that the staff were to keep the SUS from doing as little damage as possible and to keep them in "A" Compound so as not to excite the rest.

Cross-examined by Defending Officer:

Q 78 You stated that on 8th May after lunch you made an inspection of the living huts and that you found them noisy and there was a lot of noise and shouting. Will you tell the Court what steps were taken to stop this noise?

A 78 I went around myself and gave instructions. I spoke to all of the SUS in each cell block and discussed the VE Day with them, and told them that there was no point in trying to damage anything. Some of them were bending and breaking Mess tins, and I told them to cut down, which they did. I went around later with the Commandant and he told them the same thing.

Q 79 Were there any lessening of the rules when the news of the Victory in Europe was known to the SUS?

A 79 No sir.

Q 80 How is the hair cut of a SUS while undergoing sentence?

A 80 Their hair is cut in the normal way. Their hair is not shaved closed to their head. They wear two red circles on their trousers, and a red circle on their tunic.

Q 81 Besides telling the SUS there was no point in trying to break out, were there any other steps taken to prevent this breakout on 8 May?

A 81 No sir, we just carried on normally. Everything went quite well after I had spoken to them.

Q 82 Actually nothing was shown to the SUS that if they attempted to break out that it would be serious for them?

A 82 Nothing was mentioned about breaking out at all to the SUS.

Q 83 On the 9th May were there any steps taken by the staff to stop the SUS from smoking?

A 83 No sir.

Q 84 On 9th May when you were trying to get the hose ready for the fire, where were you exactly on the parade square?

A 84 I was all across it going from one corner to the other as we laid the hose.

Q 85 Were you surrounded by SUS while getting the hose ready?

A 85 Yes sir.

Q 86 Did it take very much time to get the fire equipment organized?

A 86 Not to get it organized, but considerable time to get the hose laid.

Q 87 You were more or less rushing around from one thing to another?

A 87 I was not rushing. I had just come out of hospital and could not rush, but I was walking back and forth by the hose.

Q 88 How many SUS were there around?

A 88 Quite a number, I would say about 200.

Q 89 How could you say you happened to notice the accused trying to cut the hose with a razor blade?

A 89 It happened so often. I would start to walk from the tower and notice the accused trying to cut the hose, then about ten feet further on the same thing would happen again, and that went along practically the whole way across the compound.

Q 90 But actually you did not see him doing any damage to the hose?

A 90 Yes sir, there was quite a bit of water spouting out of the hose.

Q 91 Was he the only one hindering your work?

A 91 He was the most consistent one there with the razor blade.

Q 92 Were there some others with razor blades?

A 92 Not that came to my attention.

Q 93 But there could have been others?

A 93 Yes sir.

Q 94 So you cannot be sure if the damage done to the hose was done by the accused or by the others?
A 94 No sir.

Re-examined by the Prosecutor:

Q 95 Did any SUS escape on the 8th May?
A 95 Yes sir, ten.

Q 96 The figure you gave us before of 47, included that ten?
A 96 Yes sir.

Questioned by the Court:

Q 97 The first room in the cell block - is there a window or not?
A 97 There may have been. The first room is not a cell. The second room is a cell, that is the first cell on the right hand side. The first room has not a window, but that is not a cell.

Q 98 Why are some in living huts and some in cell blocks? What is the difference?
A 98 It depends on their behaviour, their length of sentence and so on where they are put.

Q 99 Were there SUS in "B" and "C" Compounds?
A 99 Yes sir.

Q 100 This trouble was entirely in "A" Compound?
A 100 No sir, part of "B" Compound was involved.

Q 101 "C" Compound did not take part?
A 101 No sir.

Q 102 In these cell blocks there are 14 actual cells, but on entering the block there are two rooms one on each side?
A 102 Yes sir.

Q 103 What kind of door and what locking facilities have they got on entering the passageway to the cells themselves?
A 103 They have an iron grill door going into the cell block proper, and each cell has a door with a double lock. First of all there is an ordinary woodendoor, then the grill door which is locked.

Q 104 The only cell blocks are in "A" Compound?
A 104 Yes sir.

Q 105 Then judging by this plan, from the set up of the Camp these prisoners are segregated - what is the basis for this seperation?
A 105 The length of sentence, the number of times they have been in before, and their behaviour and so on.

Questioned by Judge Advocate:

Q 106 How long was the watch tower on fire?
A 106 When they first started the fire the palliasses and straw was burning, it would take about 15 mins for the watch tower to catch, then it burned for about half an hour.

Q 107 To what extent was the watch tower damaged by the fire?
A 107 The support of the tower was weakened so it had to be taken down.

Q 108 The watch tower as I understand it was built on the roof of cell block 4?
A 108 Yes sir.

Q 109 What material is the roof of the cell block?
A 109 I am not sure, concrete I believe.

Q 110 It was not wooden?
A 110 No sir.

Q 111 So the roof would not catch on fire?
A 111 No sir.

Q 112 The tower was made of wood?
A 112 Yes sir.

Q 113 What was the height of the watch tower from the roof of the cell block?
A 113 About 15 ft.

Q 114 To get to the roof of the cell block there was a ladder leading up from the ground?
A 114 Yes sir, up the side of the cell block.

Q 115 There was no other way of getting to the watch tower except by this ladder?
A 115 Oh yes, it is very low, and you can pull yourself up on to the roof.

Q 116 How far is the roof from the ground?
A 116 7 to 8 ft.

Q 117 Was the ladder fixed or was it movable?
A 117 Fixed sir.

Q 118 You mentioned lines of hose were laid to put out the fire?
A 118 There was one single line laid.

A 119 How long was that line of hose?
A 119 220 yds I suppose.

Q 120 How long was it after the hose was laid and in operation before the fire was put out?
A 120 Just a matter of a few minutes.

Q 121 Were you able to put out the fire by the use of the hose?
A 121 Yes sir.

Q 122 It was not a case of the fire burning itself out?
A 122 No sir.

Q 123 To what extent was the putting out of the fire delayed by the interference of the SOS?
A 123 About half an hour.

In the opinion of the Court and Judge Advocate it is not necessary to comply with RP 83 (3)

The witness withdrawn.

Second Witness for Prosecution: K.53520 CSM THORELD C.G. No. 4 Cdn Mil Prison and Detn Hkrs. being duly sworn, is examined by the Prosecutor.

Q 124 Will you give the Court your rank, name, number and Unit?
A 124 I am K.53520 CSM Thorold C.G. of 4 Cdn Mil Prison & Detn Hkrs.

Q 125 I understand you were on the staff of Detn Hkrs at Headley on 5th May?
A 125 Yes sir.

Q 126 What were your duties?
A 126 I took over duties as Staff i/c of "A" Compound at 1630 hrs.

Q 127 What did you do when you took over these duties?
A 127 I detailed staff under my charge to take charge of the sections in that Compound.

Q 128 Did you yourself do anything when you took over?
A 128 At 1700 hrs I began a tour of inspection.

Q 129 Did you carry out the inspection yourself?
A 129 Yes sir, at 1700 hrs I began in hut 3 to take count, having completed my count I proceeded to living hut 2 and while in living hut 2 I heard the sound of running feet. I immediately left hut 2 and investigated and found it to be the SUS in hut 3. I attempted to stop these men, but was unsuccessful so I immediately rang the general alarm, whereupon all the staff off duty reported to "A" Compound immediately.

Q 130 Do you know the accused?
A 130 Yes sir.

Q 131 Where have you seen him before?
A 131 I have seen him in Detn Wks.

Q 132 Did you see the accused immediately following the time you sounded the alarm?
A 132 No sir, I saw him later during the course of the evening.

Q 133 What time?
A 133 Approximately 1900 hrs.

Q 134 Where was he at that time?
A 134 He was in his cell.

Q 135 Do you know the number of his cell?
A 135 Cell block 6, cell 14.

Q 136 Did you see him in his cell?
A 136 Yes sir, he was standing up in front of his window.

Q 137 Where were you?
A 137 At that time I was making the rounds of the cell blocks.

Q 138 How many staff are there for each of these cell blocks?
A 138 There were two staff for 5 cell blocks, four staff on the 10 cell blocks all told.

Q 139 These men that you say you heard on the path outside when you were in living hut 3 what did they do?
A 139 They broke out of their hut and were running along in front of living hut 2 and beckoning and calling to other SUS to follow.

Q 140 Where did they go?
A 140 They ran directly across the compound to the fence.

Q 141 At which point on the fence?
A 141 The witness points to spot in the fence closes to the building called Sanitary block.

Q 142 Then what happened?
A 142 All the staff that had reported for duty when the alarm has been sounded were detailed to get as many of these men as possible and return them to their sections.

Q 143 Was there any shouting from any of the SUS that you heard yourself after you took over your duties?
A 143 When I took over duty there was considerable noise, shouting, beating of mess tins etc.

Q 144 Did you hear the accused do any of this shouting?
A 144 Yes sir, just shortly after 1900 hrs.

Q 145 Are you able to give the Court any of the words the accused used?
A 145 I can give you the words if I may be permitted to consult some notes I made about a week later. (Permission is granted) "Come on Living Huts, what is the matter with you? Lets get this thing started." A lot of his conversation was directed to SUS Kelly in living hut 1.

Q 146 Did you hear him name SUS Kelly?
A 146 Yes sir, on several occasions.

Q 147 Living hut 1 is on the opposite side of the parade square to the accused's cell?
A 147 Yes sir.

Q 148 At what time again did you hear the accused make this noise?
A 148 I heard him numerous times after 1900 hrs.

Cross-examined by the Defending Officer:

Q 149 Where were you standing when you heard these shouts coming from cell block 6?
A 149 I was at that time making the rounds of the cell blocks.

Q 150 Was there a lot of shouting and confusion coming from the cells and the parade square?
A 150 There was no confusion on the parade square, but there was considerable noise inside the quarters.

Q 151 You say you heard the accused shouting. Did you actually see him?
A 151 I saw him sitting on the window and standing up in front of the window.

Q 152 Was there any other shouting done in cell block 6?
A 152 There was considerable noise, but from outside the cell block it could be distinctly seen and heard who was making the noise.

Q 153 Do you recall any other conversation or words that may have been shouted by other SUS in cell block 6?
A 153 No sir.

Q 154 Actually it was about a week later that you decided to write down what you thought you remembered about the events of the 6th May?
A 154 That is correct sir.

Q 155 Are you sure that the words that you said before the Court, alleging that they were said on 6th May, were actually the words coming out from the accused?
A 155 Yes sir.

Q 156 But can you be sure it was the accused who said those words when you cannot remember other words that were said by others?
A 156 The accused was quite an outstanding person on the night of the 6th due to the amount of noise he was making and the actions he was going through.

Q 157 You took over duty around 1630 hrs, and you made the rounds of living huts, and then went on to cell blocks. That would not take you a very long time. How could you already realize the accused was one of an outstanding character?
A 157 When the living huts were breaking out the accused was at his window encouraging the others to take part.

Q 158 Where were you?
A 158 At the top of the parade square, going around the parade square.

Q 159 The top is the part that is closest to the living huts?
A 159 Yes sir.

Q 160 What is the width of the parade square to the best of your knowledge?
A 160 Possibly about 40 yds.

Q 162 If you were a distance of 40 yds away you could not be sure from that distance if the shouting and noise was done only by one?
A 161 No sir, there was more than one shouting, but I know the accused's voice and could see him at his window.

Q 162 How big is a window in a cell block?
A 162 2½ by 2 ft.

Q 163 You still maintain that you remember exactly what the accused said,

he was shouting, but on the other hand you do not remember what the others were shouting about?
A 163 That is correct.

Re-examined by the Prosecutor:

Q 164 Which was the accused's cell?
A 164 He was in cell 14 cell block 6.

Questioned by the Court:

Q 165 Could you see the accused from where you were standing near the living huts?
A 165 Standing at the top of the parade square you can command a view of the whole compound.

Q 166 How many men were in Cell block 6 at that time?
A 166 14 sir.

Q 167 The place was full?
A 167 I believe so, yes sir.

Q 168 You could see the accused by his window in his cell 14?
A 168 Yes sir.

Q 169 The rest of the men were creating a lot of noise and confusion too?
A 169 Yes sir, but not to the extent the accused was sir.

Questioned by the Judge Advocate:

Q 170 You have told the Court you recognized the voice of the accused?
A 170 Yes sir.

Q 171 Were you familiar with his voice on the night of 6th May?
A 171 Yes sir.

Q 172 What opportunity had you had of becoming familiar with his voice?
A 172 Being staff i/c of the compound I knew the men by sight, and a lot of them by their voice.

Q 173 Were the SUS who were confined in the living huts able to hear what the accused was saying?
A 173 Quite distinctly sir.

Q 174 How do you know?
A 174 I was at one time in the living hut when the accused called to Kelly in the same hut.

Q 175 Did you hear the accused call to Kelly before the SUS had broken out of the living huts, or was it after the break out started?
A 175 It was after the SUS had broken out of the living huts, and had been apprehended and returned to their quarters. Kelly was one who was returned to his section.

Q 175 So that all the shouting and encouragement from the accused which you heard take place was after the break out had already been made by some of the SUS from the living huts. Is that correct?
A 175 Yes sir.

Questioned by the Defending Officer through the Court:

Q 176 About what time did the break out happen?
A 176 Approximately 1830 hrs.

Q 177 In cell block 6 were the blackouts down?
A 177 They were practically all torn off the windows.

Q 178 Do you remember any special windows that had the blackouts torn off?

A 178 I believe all the blackouts on the parade square side of the cell were off.

Q 179 But you are not sure?
A 179 I am not positive sir.

Q 180 Do you remember if the blackout on cell 14 was missing?
A 180 I believe it was sir.

Q 181 But you are not sure?
A 181 I am sure, yes sir.

Q 182 So far you do not seem to remember anything for sure that happened, it is just what you think happened?
A 182 How do you mean that sir?

Q 183 You are not actually sure that the blackouts for instance were all missing. You are not actually sure if the voice that you heard was actually the voice of the accused?
A 183 I am positive sir.

In the opinion of the Court and Judge Advocate it is not necessary to comply with KR 83 (3)

The witness withdrews.

A 188 Yes sir.

Q 189 Has each cell a window?

Q 201 About how far from his cell would you be when you first heard him?
A 201 About 50 yds across the corner of the parade square.

Q 202 How do you know it was the accused?
A 202 I recognised his voice?

Q 203 Where was he?
A 203 Looking back to cell block 6 after recognising his voice I saw him sitting at the window of cell 14 cell block 6.

Q 204 What was he doing sitting at the window?
A 204 Yelling at the SUS on the parade square to get the keys from me to release them from cell block 6.

Q 205 Which SUS was he yelling at?
A 205 I do not think he was yelling at any particular one, he was just yelling to get the keys and get them out.

Q 206 After he called those last words what happened next?
A 206 Approximately 10 - 15 SUS headed in my direction.

Q 207 At the time you first heard the accused call were you in his sight?

A 209 I went to the Guard Room and warned the CSM who reported that the SUS were attacking the staff, and I left my keys there.

Q 210 Then what did you do?
A 210 I came back and tried to quieten down the SUS. I failed with the exception of 10. The others all continued to yell and did not take much heed of my warning.

Q 211 Did you continue in charge of cell blocks on 9 May?
A 211 Well I was not in charge of cell blocks - there were three shifts all mingled together. Three of us there took it over between us on the 9th and morning of the 10th.

Q 212 You were still on duty on 9th May?
A 212 Yes sir.

Q 213 Did you see the accused?
A 213 Yes sir.

Q 214 When and where?
A 214 At 1600 hrs on the parade square standing on a cart addressing a body of SUS who were gathered around him on either side of the parade square.

Q 216 Was anyone else standing on the cart?
A 216 Not that I noticed sir.

Q 217 Was anyone else talking to the group?
A 217 No one at that time, just the accused sir.

Q 218 Is there a look out tower in this Compound?
A 218 There was, it was destroyed by fire.

Q 219 Was it there on the 8th of May?
A 219 Yes sir.

Q 220 Where was this tower?
A 220 On the roof of cell block 4.

Q 221 Did you hear any of the words used by the accused in speaking to this crowd?
A 221 No sir.

Q 222 About how long did you see him speaking to the crowd?
A 222 I seemed to have come along at the tail end of his conversation, it was only a few minutes and they headed for the N.W. corner of the parade square.

Q 223 How many were there?
A 223 35 to 40 sir.

Q 224 What happened next?
A 224 I went and warned the CSM that they were going to set fire to the tower on top of cell block 4.

Q 225 What did they do?
A 225 When I came back from warning the CSM there were still some SUS gathering up W.D. equipment, palliasses, blankets, bed boards, and all kinds of stuff that would burn.

Q 226 Did you see this accused among them?
A 226 I did sir.

Q 227 What was he doing?
A 227 He was half way up the ladder leading to the look out tower.

Q 228 Is that ladder at the side of cell block 4?
A 228 Yes sir.

Q 229 How many could be on the ladder at once?
A 229 There could be 7 or 8 sir.

Q 230 How many were there on the ladder when you saw the accused?
A230 Just the accused sir.

Q 231 After you saw these things being gathered what happened?
A 231 I was ordered to get out the fire engine and run the hose to cell block 4 and try to put the fire out.

Q 232 Was there a fire?
A 232 Yes sir.

Q 233 Did you have anything to do with putting it out?
A 233 Yes sir.

Q 234 What was that?
A 234 I was the one that used the hose on the fire.

Q 235 How much damage was there?
A 235 So badly it had to be taken down for safety reasons.

Q 236 What time did the fire in the tower take place?
A 236 1830 hrs somewhere in that neighbourhood.

Q 237 Did anything else happen immediately following the fire?
A 237 Yes sir.

Q 238 Did you see the accused?
A 238 No sir, not after the fire. I went around to check on the living huts and I could account for everybody except the accused. He was just one jump ahead of me at all times.

Q 239 Were there any orders issued by the staff to these SUS during this disturbance?
A 239 Yes sir.

Q 240 What were these orders?
A 240 To behave themselves and not mix in with the riotous squads - some obeyed and some didn't.

Q 241 Were there orders given to the riotous squads?
A 241 Yes sir.

Q 242 What did they do as a result of these orders?
A 242 Just ignored the warnings and carried on as usual sir.

Q 243 The SUS that were taking part in the fire - did they have any arms?
A 243 There were no arms at all sir, some carried small clubs, others small pieces of iron pipe.

Q 244 Where would they get the iron pipes?
A 244 I do not know sir.

Q 245 Did all the SUS in "A" Compound break out and take part in this disturbance?
A 245 Cell blocks 1, 2, and 3 were let out. What time they were let out I couldn't say.

Q 246 Was it the afternoon or evening of the 9th?
A 246 I do not know to be sure, the orders were issued by the Assistant Commandant to let them out to save breakages of cells.

Q 247 During this disturbance did you see the accused very often?
A 247 No sir.

Q 250 When you did see him what was his relation with regard to the other SUS who were around?
A 250 He seemed to be acting as spokesman for the whole mob sir.

Cross-examined by the Defending Officer:

Q 251 You said you were in cellblock 10?
A 251 Outside of cell block 10.

Q 252 And then you heard some shouting from cell block 6?
A 252 Right sir.

Q 253 Somebody was shouting get the keys from you?
A 253 Yes sir.

Q 254 Did you see the accused?
A 254 I recognised his voice, and looking in that direction I saw him at the window.

Q 255 Did that happen at exactly the same time?
A 255 When he shouted I immediately looked at the window because I recognised his voice?

Q 256 Supposing another SUS with a similar voice was shouting, or imitating the voice of the accused, you could not have known the difference?
A 256 Yes sir.

Q 257 How?
A 257 The accused has a voice that is easily recognized.

Q 258 But suppose somebody else imitated his voice, you could know the difference?
A 258 If there had been nobody else at the window I would say no sir, but I did not see any other at the window at that time.

Q 259 They did not have to stand at the window?
A 259 A voice would not carry that far unless the person had his mouth towards the bars of the window, because his voice would be echoed in the cell block itself.

Q 260 What was he saying?
A 260 Get the keys off Aston.

Q 261 You said you heard him shout that, and then turned around?
A 261 Yes sir.

Q 262 How many times did you hear him say that?
A 262 Once, which was sufficient for me.

Q 263 Was there a lot of noise going on around the cell blocks?
A 263 Yes sir.

Q 264 A lot of shouting done by other SUS?
A 264 Not at that particular time there wasn't.

Q 265 But there was a lot of noise?
A 265 A considerable amount of noise, not a lot, but more so than generally is around the compound.

Q 266 The afternoon of 9th May you said you saw the accused standing on a cart addressing a group of SUS?
A 266 Right sir.

Q 267 Did you hear any particular words of the conversation?
A 267 No sir.

Q 268 Was he speaking very loudly or were you too far away?
A 268 No sir, I was not too far away, he was not shouting, he was speaking, his voice was raised a bit I imagine, because I could hear the voice although not understand what the words were.

Q 269 How did the SUS appear to react to this speech?
A 269 The majority seemed to be agreeance with what he was saying.

Q 270 Was there a lot of laughing?
A 270 There was not a great deal of laughing, there were some that were laughing.

Q 271 And after the group proceeded towards the tower - where were you standing when you saw the accused climb up the ladder?
A 271 Standing at cell block 9 sir.

Q 272 When you saw the accused there was the tower on fire?
A 272 No sir.

Q 273 Did you see him there after the fire?
A 273 Not after the fire had started, but I saw him there when the material was being gathered.

Q 274 You did not see him actually setting the tower on fire?
A 274 No sir.

Q 275 You just saw him on the ladder?
A 275 Yes sir.

Q 276 Was there movement on the top of cell block 4?
A 276 Yes sir, 3 or 4 other SUS were on top of the cell blockat the time.

Q 277 Besides that you did not see very much of the accused during these two days?
A 277 No sir.

Q 278 What makes you think that he was one of the main leaders if you only saw him on two occasions?
A 278 By what happened on 8th May.

A 279 And on the 9th May?
A 279 Yes sir, and on the 9th May.

Q 280 But you did not actually see or hear him very much?
A 280 Yes sir, I saw him, but paid no particular attention.

Q 281 He did not look very dangerous to you?
A 281 Not at that particular time, no sir.

Re-examined by the Prosecutor:

Q 282 Did you have the keys for the cell blocks at the time the accused shouted "Get the keys off Aston"?
A 282 Yes sir.

Q 283 Do you normally have these keys?
A 283 Yes sir.

Q 284 Would the accused know that?
A 284 He knew it, I had just been in the cell block 15 mins before that sir.

Questioned by the Court:

Q 285 How can you know that the accused knew you had the keys?
A 285 He always knew, I went in to the cells sir.

Q 286 But how would the accused know you had thekeys at that time?
A 286 I was i/c of the cell blocks and he knew the i/c carried the keys, and I had been in the cell block just 15 mins before. He must have known I had them.

Q 287 How long have you been in charge of the cell block the accused was in?
A 287 A year sir.

Q 288 How long had the accused been there?
A 288 I do not know without checking the records.

Q 289 Apparently this trouble started in living hut 3, spread to huts 2 and 1 and then we have your evidence the accused was shouting from his window in cell block 6. That is on the 8th May?
A 289 Yes sir.

Q 290 Did you open his cell on the 9th May to let him out?
A 290 No sir, I did not.

Q 291 When you saw the accused talking to this body of men on the 9th May on the parade square, how far away from him were you?
A 291 Approximately 50 yds sir.

Q 292 How many men were in cell block 6?
A 292 14 sir, I do not exactly remember if there were some vacant cells, but I am pretty positive it was full sir.

Q 293 You said that on the 9th May the accused was on the parade square, and you went over to warn somebody they were going to burn the tower?
A 293 Yes sir.

Q 294 How did you know they were going to burn the tower?
A 294 I was told not to repeat anything that I did not hear. One of several shouted and told me sir.

Q 295 How long have you known the accused?
A 295 Ever since he was in Headley Down Detn Hqs.

Q 296 Can you say if it was a month?
A 296 No sir, because I never had any particular record of when an SUS came in.

Q 297 Has he been there 6 months?
A 297 No sir, I would not say six months.

Questioned by the Judge Advocate:

Q 298 To the best of your recollection approximately how long had the accused been a SUS in Cell Block 6 up to the 8th May?
A 298 I would say 5 or 6 weeks sir.

Q 299 During that time did you get to know his voice?
A 299 Yes sir.

Q 300 Is there any possibility that you may have mistaken somebody else's voice for that of the accused on 8th May?
A 300 No sir.

Q 301 On the night of May 8th, at the time you say you heard the accused shouting to SUS on the parade square, approximately how many SUS were gathered on the parade square?
A 301 25 to 30 sir.

Q 302 Where had they come from?
A 302 From the living huts sir.

Q 303 On the 9th May, the following day, you have told the court you saw the accused on the ladder leading up to the watch tower?
A 303 Yes sir.

A 304 He was stopped, and talking to some SUS at the bottom.

Q 305 Did you see him going up or coming down?
A 305 He was motionless on the ladder.

Q 306 Was he carrying anything?
A 306 No sir.

Q 307 At the time you saw him on the ladder were there some SUS already on the roof of cell block 4?
A 307 Yes sir.

Q 308 Did you see what they were doing?
A 308 Fooling around at the bottom of the tower with bedding and things like that.

Q 309 What do you mean 'fooling'?
A 309 Placing things at the bottom of the tower.

Q 310 Did you see the fire break out?
A 310 No sir.

Q 311 How long after you saw the accused standing on the ladder did you see the fire break out?
A 311 5 or 10 minutes sir.

Q 312 Can you tell the Court what part of the tower was burned?
A 312 The N.E. corner, there were blankets and palliasses piled around the bottom of the tower that were also on fire.

Q 313 Was there any chance of the fire spreading from the watch tower to any other building?
A 313 Not to another building, but it could have caught outside on to the dried ferns, and spruce and pine just outside the fence.

In the opinion of the Court and Judge Advocate it is not necessary to comply with RP 83 (B)

The witness withdraws.

A 319 I did sir.

Q 320 Did you see or hear anything?

A 321 Yes sir (indicates accused).

Q 322 Did you hear any particular words used by the accused?

A 325 Yes sir, right up at his window, in fact sitting on his window.

Q 326 Would you explain 'sitting on his window"?

Q 327 Approximately what time was it you heard the accused call to living hut 3?

A 327 Anywhere from 1630 hrs on to 2300 hrs. He was calling until he made himself very hoarse and unless you were very close you could not hear him towards the end. As I was there all the time I could hear him until his voice almost failed him.

A 352 I just dont reeall anything else of what he said because he kept calling to living hut 3, and at various times he would call and use the name Kelly.

Q 353 What again did you hear him call to living hut 3?
A 353 "Number 3 come on, what are you waiting for, lets get this thing started, what are you sitting inside for, why dont you come on out".

Q 411 On 10th May, the following day, did you see the accused?
A 411 Yes sir.

Q 412 Where were you at the time you saw him?
A 412 In "A" Compound down by the cell blocks.

Q 413 What was the accused doing at that time?
A 413 Nothing in particular at that time. Just roaming around talking, nothing more than any of the rest were doing. I did not see him do any damage at this particular time. The men were paraded before the OOC that afternoon.

Q 421 Was the accused inside that building when you saw him?
A 421 He was there with a number of other SUS, yes sir. It was crowded and I heard someone say "Quiet the non down " and everyone started to walk out. I looked through the window and saw the accused, he was in the latrine.

Q 422 What was he doing in the latrine?
A 422 I did not see him do any damage, but I saw him with a bar or something in his hand.

Q 423 One of the window bars?
A 423 The majority were carrying bars or pieces of pipe.

Q 424 How long were they?
A 424 4 Ft. sir.

Q 425 What were they made of?

A 428 Yes sir.

Q 429 You say you saw the accused on the 8th, 9th and 10th May, what would you say as to his relation with other SUS on those days?
A 429 I would say he was one of the main ring leaders of the disturbance.

Q 430 What did you see him do?
A 430 He seemed to be the head of the men that were parading around doing damage, throwing things over the fence, shouting for cigarettes and so on. I would say he was a ring leader.

Q 431 Did you hear him give instructions to any other SUS?
A 431 No sir.

Cross-examined by the Defending Officer:

Q 432 Until what time on the 8th May were you on duty?
A 432 I took over duty in the morning of 8th May at approximately 0756 hrs, and I left again for dinner at 1115 hrs.

Q 433 Were you on duty in the afternoon or evening?
A 433 Yes sir, in the afternoon until I was called back again at 1710 hrs.

Q 434 Did you go back on duty during the afternoon at cell block 6?
A 434 No sir, I stayed around the fence, just parading around. I was there around the cell blocks for a few minutes, but until that time there was no damage done.

Q 435 What time was that?

A 435 That would be after supper. I was on the outside, and I turned back into the compound.

Q 436 When you came around cell block 6 did you hear the accused shouting?
A 436 Yes sir, he was shouting from his window. There were others shouting too.

Q 437 There were others at that time?
A 437 Yes sir.

Q 438 Did you see the accused break out of his cell on the 9th May?
A 438 No sir.

Q 439 During the day of the 9th you said the accused from time to time was wandering around talking to other SUS. Did you hear at any time what the accused was saying?
A 439 No sir.

Q 440 On the 9th May around 1700 hrs did you see the accused climbing the ladder to the watch tower?
A 440 Yes sir, I saw him.

Q 441 How many SUS were on the top of cell block 4?
A 441 I saw two or three on top of it. Different times during the day I saw the accused on top of this tower.

Q 442 Did you see the accused carrying any material which was supposed to have been seen on the tower?
A 442 Around 1600 hrs I noticed him with something in his arms, and I saw another SUS shortly after go up the ladder and hand something through the trap door which leads into the tower. The next I saw they were both down on the ground.

Q 443 When the fire was on did you see the accused?
A 443 No sir.

Q 444 When there was some material handed from the ladder through the hole to a SUS on top of the roof, did you see the accused then?
A 444 I saw him on the tower at that time with the material.

Q 445 You cannot swear it was the accused who actually picked up the material from the other SUS?
A 445 It was handed to him from another SUS on the ground.

Q 446 Where were you in relation to cell block 4?
A 446 I was between 4 and 5 cell blocks.

Q 447 You did not see the accused while the fire was on?
A 447 I was over having supper at that time when they came in to say they were setting fire to the tower.

Q 448 You saw him come down from the tower before the fire started?
A 448 Yes sir.

Q 449 While you noticed the accused roaming from one hut to another did you talk to him?
A 449 I spoke to all as a whole, and took a number of men together and spoke to maybe groups of 2 or 3 dozen and tried to give them a bit of advice.

Q 450 Were there SUS roaming around from one hut to another?
A 450 Yes sir.

Q 451 There were others?
A 451 Yes sir.

Q 452 After the GOC's talk on 10 May when you went into the Sanitary block did you see the accused doing any damage?

A 452 I saw the accused. He had a bar of something in his hand, but I could not swear that I saw him do any damage.

Q 453 Actually the damage you saw could have been made by other SUS?
A 453 Yes sir, it could have. He was not the only one who was there at the time.

Q 454 It is possible that some others could have been there just a minute or two before you came along?
A 454 No sir, I heard the smashing and breaking of things inside the latrine, and someone called out to quiet down and they walked to the entrance of the door, but there was nothing I could do at this time.

Q 455 How many were in the sanitary block?
A 455 Quite a number inside and a large number outside, some playing football on the parade square.

Q 456 You state that you heard the accused while he was talking to other SUS on the 9th and 10th May, and also that there were other SUS doing exactly the same thing. How can you say he was the leader?
A 456 I would hardly say he was the leader. From what I saw that day he was a leader. I would not say he was altogether the leader, but he was with those that were milling around and leading the men on.

Q 457 Was that an opinion you formed that day or after?
A 457 I never had any trouble with this man until the day of the riot. I have known him for some time, and he was well behaved.

Q 458 In your opinion he was a leader, and yet you did not feel justified in putting him where he would not cause any further trouble?
A 458 I would not have liked to try it that day.

Q 459 And yet the accused did not seem to you very dangerous?
A 459 No sir, I would not say he was dangerous in any way.

The Prosecutor declines to re-examine.

Questioned by the Court:

Q 460 Did you see the accused addressing any body of men on the parade square?
A 460 No sir, I saw him talking to men, but I would never say he addressed them. I saw him with a lot of men.

Q 461 You spoke of some damage to the cell blocks by means of which the prisoners escaped. The accused was in cell 14 cell block 6, just what damage was done to that cell in order he escaped?
A 461 There was damage done to the interior, there were marks on the wall which could have been done by the end of the bar. Most of the damage was done in the corridors, that is the passage way between the cells, the locks had been forced, and doors had been pried open.

Questioned by the Judge Advocate:

Q 462 Can you tell whether the door of the accused's cell had been pried open from the inside or the outside?
A 462 The lock can only be broken on the outside as the lock does not lock on the inside. All the damage to his cell was done on the outside as if someone with a heavy hammer had knocked off the double locking system.

Q 463 Will you tell the Court what you saw when someone threw the iron bar through the window the accused's cell?
A 463 Yes sir, I saw a large number of men, over 100, with either bars or pieces of wood. I saw them thrown through the windows and many of them were thrown out again by the occupants of the cells. They called those in the cells who did not pull off the blackouts yellow and said if they would not do it themselves, those outside would.

Q 464 Did the SUS in the living huts go into the cell block 6?

A 464 They entered each cell block. I saw Number 6 and when I left 6 I saw them leave 8, they had broken the grill door and were leaving.

Q 465 Was the accused locked in his cell on the morning of 9th May when those other SUS came into his cell block?
A 465 When I saw him he was in his cell at the window.

Q 466 Was his cell locked?
A 466 Yes sir.

Q 467 The next time you saw him was it on the parade square?
A 467 Sometime later I saw him with other SUS marching around the square about 3 or 4 times until they organised a body of men together, and then a large number headed for "C" Compound, others turned back again. Some escaped. I saw them take their denims off in the bushes and run through the bushes. I went out of the main gate and ran down the road, and while there the men were breaking the windows in the Mess of "C" Compound. I heard glass breaking, but I could not see the men who did the damage, I was on the road a distance from the Mess hall.

Q 468 Following the GOC's speech to the men on the morning of the 10th, you say that the SUS formed up a parade, is that correct?
A 468 They did not form one in particular, a large number of them headed towards living hut 1 and cell block 1 and the sanitary block.

Q 469 How many headed towards the sanitary block which you later found damaged?
A 469 40 to 50, maybe more sir.

Q 470 Was the accused with that group?
A 470 He was in the Sanitary block when I went down.

Q 471 Had you seen him going towards the sanitary block?
A 471 No sir, I would not say I had my eyes on him all the time.

Q 472 Can you give the Court how many SUS were in the sanitary block when you arrived there?
A 472 About 20 to 30, others were outside, some coming out, others going in.

Q 473 Were those men carrying anything, that is the men inside the block?
A 473 Some of them had iron bars, I saw them myself and picked them up afterwards. I cannot swear I saw any man in particular using the bar.

Questioned by the Defending Officer through the Court:

Q 474 On the morning of 9th May did you see any SUS breaking the cell lock of the accused's cell?
A 474 No sir, on the morning of the 9th I saw the SUS break the lock of the grill doors, that is the cell door which leads into the cell block.

In the opinion of the Court and Judge Advocate it is not necessary to comply with RP 83 (2)

The witness withdraws.

Sixth Witness for Prosecution: C.11721 CSM AYOTT W.F. No. 3 Cdn Mil Prison & Detn Bks, being duly sworn, is examined by the prosecutor:

Q 475 Will you give the court your number, rank, name and Unit?
A 475 I am C.11721 CSM Ayott W.F. of 3 Cdn Mil Prison & Detn Bks.

Q 476 You were on the staff of Detn Bks at Headley Down on 8th May?
A 476 Yes sir.

Q 477 Did you have any duties with relation to "A" Compound?
A 477 Yes sir.

Q 478 What were they?

A 478 From 0030 hrs until 0745 hrs I was i/c of the compound.

Q 479 Do you know the accused?
A 479 Yes sir.

Q 480 Was he in "A" Compound at that time?
A 480 Yes sir.

Q 481 Where was he?
A 481 Cell block 6, cell 14 sir.

Q 482 Was he locked in that cell the 8th May?
A 482 Yes sir.

Q 483 When was the first time you saw him?
A 483 On the 9th May when he was shouting from the cell bock to the living huts in the morning at approximately 0700 to 0730 hrs. I saw him look out his window and shout up to the huts. I was making my rounds.

Q 484 Where were you when you saw and heard this?
A 484 I would be going along the cell block 4 to 6 ft away from his window, the path is right along the cell block, and in order to go around this compound you have to walk right past his window approximately 4 to 6 ft at the most.

Q 485 While you were walking near his cell block did you hear anything?
A 485 Yes sir.

Q 486 What did you hear?
A 486 He was shouting to the living huts to burn the joint down, and to come down and give him a hand to get out.

Q 487 Where was the accused shouting this from?
A 487 From his cell window looking towards the living huts.

Q 488 While you were making your round did anything out of the way take place?
A 488 Not on that last round of the morning and I was relieved by QSM Thornald who took over and let me go to breakfast between quarter and half past seven.

Q 489 Did you return to "A" compound after breakfast?
A 489 Yes sir.

Q 490 What time?
A 490 Approximately 0800 hrs we got a call at the Sgts Mess. The general alarm was rung but it was out of order and the S/M sent one of the Orderly Room staff to the Mess Hall to tell any Sgt to get over to "A" Compound as there was a breakout.

Q 491 What time would that be?
A 491 About 0800 hrs.

Q 492 What did you see?
A 492 A number of SUS milling around on the square. In the living huts they wear two piece denims and in the cell blocks they wear one piece, and in that way I came to the conclusion the cell blocks had broken out as there were both uniforms mixed together.

Q 493 Were these men carrying anything?
A 493 Yes sir, some of them had clubs, some bars out of the living hut windows.

Q 494 When did you first see the accused that morning after you returned to "A" compound after breakfast?
A 494 I saw the accused at approximately 0830 hrs.

Q 495 Where was he?
A 495 He was around 6 cell block, and around 5, and I saw him on the square milling around.

Q 496 Was he carrying anything at that time?
A 496 Not that I noticed sir, he had nothing when I first saw him.

Q 497 Did you continue to observe him?
A 497 It was obvious. He seemed to be talking to 12 or 15 at a time during the day, and I also saw him at approximately 1500 to 1600 hrs - no it was later than that - closer to 1800 hrs on top of a box or cart addressing a bunch of SUS. That was on the parade square between living huts 1 and 2. After the SUS dispersed and broke up the fire started in the watch tower.

Q 498 Can you identify this SUS Gravelle?
A 498 Yes sir (indicates accused)

Q 499 At the time you say you saw him standing on something, was he talking to other SUS?
A 499 He was addressing a mob.

Q 500 About how many?
A 500 15 to 20.

Q 501 Was there anybody else standing on anything at that time?
A 501 Not that I saw, no sir. During the afternoon of the 9th I saw this SUS taking stuff to the tower, palliasses and bed boards and stuff unto the top of cell block 4. I saw him and SUS Kelly. How Kelly could be observed, he had one leg torn off his pants a little below the knee and I saw these two men up on the tower during the afternoon.

Q 502 This speech that you said he made, was that before or after you saw him with this stuff?
A 502 It would be around three o'clock when I saw him around the tower and it was closer to six o'clock when I saw him making the speech.

Q 503 Following the speech what happened?
A 503 They all broke off and the next thing I knew the fire alarm was rung. It is a gong and someone was banging it. We rushed down to see what it was and the tower was on fire.

Q 504 Did you see the accused near the tower at that time?
A 504 I saw him jump down from the top of cell block four just as I got there.

Q 505 Did you see the tower on fire?
A 505 I did, sir.

Q 506 Did you see the accused later that afternoon?
A 506 Yes sir, at different times from then on until morning. A couple of times with iron bars on his shoulders.

Q 507 Was he talking to other SUS?
A 507 Yes sir, also around the fence shouting to civilians asking for cigarettes. He was generally mixing up with the other SUS.

Q 508 Did you see the accused cause any damage of any kind on the 9th of May other than to the watch tower?
A 508 The only thing I saw him do was push a window in in cell block five and shove two iron bars in. Whether there was anyone in the cell block I do not know. Most of them had broken out except 1, 2 and 3, which were released.

Q 509 Were any orders or instructions given to the accused at any time during 9 May? Did you speak to him?
A 509 No sir, I was never close enough to give an order, but I heard S/M Ross give him an order to get down off the roof and obey him or he would be in trouble. If there was not a lady in the room I would give his answer. It was a very filthy answer he gave.

Cross-examined by the Defending Officer:

Q 510 On the afternoon of 8 May did you see the accused?
A 510 Yes sir.

Q 511 Where?
A 511 In his cell.

Q 512 On the afternoon of 9th May how many SUS were on top of cell block 4?
A 512 There were only two that I saw in the afternoon, the accused and SUS Kelly.

Q 513 What time was that?
A 513 Between two and three o'clock.

Q 514 Did you see the tower when it was set on fire?
A 514 From a distance, yes sir, I saw the smoke.

Q 515 Where were you when you saw the tower on fire?
A 515 I would be within 35 yards of the tower, down opposite cell block one.

Q 516 While the tower was burning did you see the accused?
A 516 Yes sir.

Q 517 Where?
A 517 I saw him jump off the top of the tower.

Q 518 Before or after the fire started?
A 518 After the fire was started.

A 519 On yes sir, everybody was on the parade square, other than those who had escaped, approximately 69.

A 520 When I heard the gong ring I went down and saw the smoke.

Q 521 How many SUS were on the tower when the fire started?
A 521 Approximately a dozen sir.

Q 522 There were about 400 SUS on the parade square?
A 522 Yes sir, and around the fence.

A 523 Yes sir.

Q 524 And some smoke came out of the tower?
A 524 Yes sir.

Q 525 And the only one you saw climbing down was the accused?
A 525 No sir, in fact they all did when they saw the hose coming. He was helping them, giving them advice. I heard him.

Q 526 Through all that noise?
A 526 Yes sir.

Q 527 I am not asking you what you heard from your staff, but what did you actually hear above all this shouting and noise of the fire. You say you heard the accused give advice to other people?
A 527 Yes sir.

Q 528 You say he was mixed up in other things during the day of the 9th. You saw him running around from hut to hut. Did you actually hear what he was saying?
A 528 No sir, I was not close enough to hear him.

Q 529 Were there others doing the same thing?
A 529 There were approximately 12 running around with little gangs of their own.

Q 530 As S/M in charge of the compound what did you do in the way of ordering the accused to stop?
A 530 S/M Rae was in charge that day. I was only in charge of one shift.

Q 531 But during your shift you did not try to stop him?
A 531 When I went on shift at 0130 hrs they were mostly bedded down, if not in their own billets in someplace else. They did not start that rooming business until after breakfast when they started up again.

Q 532 What time in the morning of the 9th did you see the accused on the parade square?
A 532 I was called back at 8 o'clock from the Sgts Mess and it was shortly after 8 in the morning, between 8 and 9 o'clock sir.

Q 533 Did the accused appear to you to be a dangerous man during these allaged disturbances?
A 533 The accused appeared to me to be one of the leaders leading the gangs and exciting them.

Q 534 But you did not hear him instructing them?
A 534 Yes sir, in leading them.

Q 535 You just said that when he was rooming around you did not hear what he said?
A 535 No sir, but his actions and his attitude gave me the impression he was leading this certain bunch of BUS.

Q 536 That is just your personal impression?
A 536 It is my impression, yes sir.

Q 537 Were there any steps taken to stop the BUS from smoking on the afternoon of 9th May?
A 537 There was not much use in trying to stop them.

Q 538 Were any steps taken to stop outsiders from throwing in cigarettes?
A 538 Yes sir.

Q 539 Did they actually stop throwing cigarettes and matches?
A 539 No sir, we did not have enough staff there to stop them.

Q 540 Were they civilians or soldiers?
A 540 Both sir.

The Prosecutor declines to re-examine.

Q 541 At what time did you see the accused on the tower?

Q 543 At what time did the fire come to your notice?
A 543 Shortly after 1800 hrs.

Q 544 When you saw the accused in the afternoon of the 9th on the parade square standing on some article or cart, did you hear what he was saying?
A 544 No sir, I was not close enough.

Q 545 How far away were you?
A 545 From the end of living hut 3, that is one and three quarter huts, they were between living hut 1 and 2. That was too far to hear anything that was being said, but I could hear his voice in the distance.

Q 546 You also said you saw the accused the afternoon of the 9th going up to the tower?
A 546 Yes sir.

Q 547 Was he carrying anything?
A 547 Yes sir, it looked like a palliase.

Q 548 Did you see him later on, within the next hour?
A 548 Yes sir, around the tower and around the compound.

Q 549 How many more men were assisting him?
A 549 The first time there was one SUS Kelly who was with him. From that distance the reason I could tell who it was, was because the leg of his pants was torn off at the knee.

Q 550 There were just two of them on the tower?
A 550 Yes sir, between 2 and 3.

Q 551 You did not see any chaps on the ground handing stuff up to them?
A 551 Not from where I was. I saw this accused taking it up on the top of the roof and Kelly going up with some wood in his arm. There were several SUS around the bottom of the cell block, whether they were passing up anything or not, I do not know.

Q 552 On the evening of the 8th you saw the accused?
A 552 Yes sir.

Q 553 What was he doing?
A 553 He had his head out the window of his cell shouting at the living huts to come on and get them out, and asking them what they were scared of, and saying "come on down and get us out".

Q 554 How long have you known the accused?
A 554 Off and on sir for a year.

Q 555 Did you know him well?
A 555 Yes sir.

Q 556 Any difficulty about recognising him?
A 556 No sir.

Questioned by the Judge Advocate:

Q 557 You have told the Court that you saw the accused on the 9th May break a window in cell block 5?
A 557 Yes sir.

Q 558 Was he by himself at that time, or were there other SUS around him?
A 558 I would say approximately 4 inthe neighbourhood near him at the time.

Q 559 What were they doing?
A 559 Just walking around the cell blocks.

Q 560 Was anybody doing any damage to cell block 5 other than the accused?
A 560 I really believe that the damage had already been done in cell block 5. I think the locks were broken and they were out by that time.

Q 561 When you saw the accused smash the window in cell block 5 you did not see any other damage being done by anyone else?
A 561 No sir, just the accused outside the cell block. There was hammering going on inside, but it was not safe to go in alone.

Q 565 When was the first time?
A 565 It would be approximately shortly after 9 in the morning.

Q 566 At 0900 hrs the 9th May had all the SNS been released?
A 566 Yes sir, the order came down I believe Col Grayson gave the order, to take the keys and release 1,2, and 3 to keep them from breaking them up, which was done.

Questioned by the Judge Advocate:

Q 567 Can you give the Court the exact words you heard the accused use on the morning of the 9th when you heard him shouting?
A 567 "Come on down". That was his first shout when my attention was first drawn to him, then I saw his face and head through the window, then he said "come on down you living huns, what are you afraid of, give us a hand getting out of here".

Q 568 Anything else?
A 568 Not at that time.

Q 569 Did you hear him say anything later on?
A 569 I went on to cell block 10 and when I was coming back I heard someone shout burn the place down, but I cannot be sure it was the accused's voice.

Q 570 You are not sure it was the accused's voice that said burn the place down?
A 570 It sounded very much like his voice, and he was the only one with his face out the window.

A 948 I was shouting, but nothing in particular sir.

Q 949 What did you say?
A 949 Nothing in particular, just ordinary shouting.

A 959 I did not say my voice was hoarse, I said it was a cold.

Q 960 Are you saying now that your voice was hoarse?
A 960 I do not say it was.

Q 961 Was it hoarse?
A 961 No sir.

Q 962 If S/M Thorold says he was in living hut 1 doing his rounds and heard someone shouting mentioning Kelly's name coming from the direction of cell block 6, and he looked out and he saw you at your window, and he immediately thought that was your voice. Was he mistaken?
A 962 Why would he think that?

Q 963 That was his evidence yesterday, you heard it?
A 963 Yes sir, I heard.

Q 964 Was he wrong in saying that?
A 964 He was not wrong in hearing the shout, but he was wrong if he thought I did it.

Q 972 If he says he saw you unscrewing a lock was he mistaken?
A 972 He could have been mistaken.

Q 973 Will you tell the Court how you did get out of your cell?
A 973 Yes sir. I forget what time it was, there was a lot of shouting & smashing going on on the compound. I was in the cell block and could not see where it was coming from. I saw a bunch of SUS coming down the corridor towards the exit of the cell block. They started to hammer at all the locks on their way out. I pushed on my door and it opened with some difficulty as there was obstructions, broken radiators lying on the floor of the cell block.

Q 991 If you broke out from your cell, was it some time before you left the cell block?
A 991 No sir, it was not very long.

Q 992 How long.

A 992 A matter of minutes, about two mins.

Q 994 You heard one of the witnesses say yesterday your blackout was torn down?
A 994 Yes sir.

Q 995 You told me a minute ago there was no damage to your cell?
A 995 They are not inside, they are outside the cell, they are pieces of black tin hanging on a stick outside.

Q 996 You did tear that down?
A 996 No sir I did not.

Q 997 You say you left the alleyway of your cell block shortly after you were let out. Then where did you go?
A 997 Unto the parade square.

Q 998 Is it correct that you lead a group from cell block 6 and as you were going towards cell blocks 1,2, and 3 you said "Lets go and let the others out"?
A 998 No sir, I did not say that.

Q 999 Did someone say that?
A 999 It might have been said, I did not hear it, and I did not say it.

Q 1000 What was the damage done inside your cell block itself?
A 1000 From what I saw the radiators were lying on the floor. That was all.

Q 1001 Where were the radiators in the cell block?
A 1001 In each cell sir.

Q 1002 How about the latrines?
A 1002 I did not go that way sir.

Q 1002 How about the light switch?
A 1002 I did not notice the light switch sir.

Q 1009 Where did you go?
A 1009 In the direction of cell block 3.

Q 1010 Next to cell block 4?
A 1010 Yes sir.

Q 1011 So that as far as you know there was no one else that was standing up addressing that group on the parade square?
A 1011 That is correct.

Q 1012 When you were on the cart - did you, as one of the witnesses mentioned, throw matches among the group and say "Here these will do a lot of damage"?
A 1012 No sir, I had no matches at that time.

Q 1013 When did you have matches?
A 1013 The night of the 9th sir, about 9 o'clock.

Q 1014 Where did you get them?
A 1014 From a soldier on the other side of the fence.

Q 1015 So that these witnesses who say they saw you with matches before the fire must be mistaken?
A 1015 They must have been sir, because I had no matches at the time sir.

Q 1016 And yet they were quite close to you they said?
A 1016 I cannot say if they were or not sir.

Q 1019 Were you following it?
A 1019 I did not run, I just walked sir.

A 1024 There was about 12 on the top of the cell block. I never counted them, but about that many.

A 1025 I did not notice sir.

Q 1026 While you were standing in the corner of the parade square, were you near any staff?
A 1026 I did not notice any, there was so much excitement, there might have been staff I did not notice any.

Q 1027 If there were some staff who said you were on the roof, were they mistaken?
A 1027 I was not there during the fire sir.

Q 1028 When were you on the ladder?
A 1028 About 2 o'clock in the afternoon I was on top of cell block 4.

Q 1029 So that if the S/M said he saw you on top of cell block 4 in the afternoon of the 9th May, you say you may have been?
A 1029 I did not say 'I may have been' I was before the fire.

Q 1030 What were you doing there?
A 1030 I just climbed up there to look around.

Q 1031 Was it then you formed the opinion that the watch tower was an eye sore?

Q 1039 If Major Germen said you tried to cut the hose with a razor blad is he mistaken?
A 1039 He must be, I did not try to cut the hose sir.

Q 1040 Whoever did try, did they succeed?
A 1040 I did not see sir.

Q 1041 Did you see the water spouting from the hose?
A 1041 Yes sir, from the front end.

Q 1042 Did you see any leaks in the hose?
A 1042 No sir, there were about 200 SUS all around, and I did not see any.

Q 1043 If Major Germen says he is quite sure you were one of the SOS interferring with the hose is he mistaken, because you say you were standing at the corner just watching?
A 1043 That is correct sir.

Q 1044 Do you remember also on the 9th May seeing Sgt Erlandson and Sgt Haigh?
A 1044 I remember Sgt Erlandson, but not Sgt Haigh sir.

Q 1045 You heard Sgt Erlandson's evidence that he spoke to you about your appearance and the spike?
A 1045 He was not speaking to me sir.

Q 1046 Who else had a spike?
A 1046 I did not see anyone else in particular, I was sitting down.

Q 1047 Did they have something else?
A 1047 I could not see if they had anything else or not sir.

Q 1048 Did you have a spike in your hand?
A 1048 No sir, I didn't.

Q 1049 An instrument of any sort?
A 1049 No sir, I didn't.

Q 1055 You told us in your examination that there is absolute silence at all times?
A 1055 Yes sir.

Q 1056 What about the talking periods?
A 1056 The talking periods were very seldom given, there was no talking period while I was there sir.

Q 1057 And you said your treatment had been fairly good, is that correct?

Q 1058 So you have had no complaints against the staff about your treatment?
A 1058 That is right sir.

Q 1059 On the 10th May were you on the parade square when the general spoke?
A 1059 Yes sir.

Q 1061 Why did you not obey it?
A 1061 I went up towards the latrines sir.

Q 1062 Which is in just about the opposite direction to your cell?
A 1062 Yes sir.

Q 1063 Why did you go towards the latrine?

A 1063 It was obvious sir, I wanted to go, that is all.

Q 1064 Do you suggest that is the same reason all the others had when you go up there?
A 1064 I do not say that sir.

Q 1065 Are you suggesting it now?
A 1065 No sir.

Q 1066 When you got there you say you found a lot of SUS inside the building?

Q 1067 You went inside the building yourself?
A 1067 Yes sir, I did.

Q 1068 S/Sgt Semple stated he looked in the window and saw you there with a bar. Is that correct?
A 1068 He may have seen me in there, but not with a bar.

Q 1069 Is he mistaken on that?
A 1069 I did not have a bar sir.

CLOSING ADDRESS BY DEFENDING OFFICER:

The 1st Charge alleges that the accused on the 5th May endeavoured to persuade other SUS to break out of confinement, and to release other SUS in 1 Cdn Detn Bks.

The Defence submits that the Prosecution failed to prove that the accused did endeavour on the 5th May to persuade other SUS confined in living huts to break out of confinement. The evidence disclosed is that the actual breakout from living huts 1,2 and 3 took place without any attempt on the part of the accused to persuade those SUS to break out. Actually there was a breakout according to the evidence which happened in cell block 6 some time during the afternoon of the 5th. The charge reads that the accused endeavoured to persuade SUS to break out from living huts. There is a witness that stated before the Court that he could not say any breakout followed at any time that would be due to the shouting from the accused during the afternoon of the 5th May.

The second part of the charge reads that the accused endeavoured to persuade SUS confined in living huts to release from confinement other SUS. The evidence disclosed by S/M Thorold is that the SUS from living hut 3 broke out first and then a body of SUS went down to living hut 2 and excited SUS from living hut 2 to break out, and that the 2 groups proceeded to living hut 1 and excited the SUS from living hut 1 to break out, and then the three parties melted into one body and proceeded to cell block 1. There is nothing in the evidence that says this breakout, of which the accused was charged, has been prompted by the accused in any way. Granted there was shouting from cell block 6, but any shouting that could have been doine did not have any influence on this actual breakout, because the words that are supposed to have been said, were said after the breakout had occurred in the living huts.

S/Sgt Semple, who was on duty in "A" Compound at 1700 hrs 5 May stated before the Court that he spent the afternoon roaming around living huts and cell blocks, and at no time did he see or hear the accused exciting SUS to breakout. He recalls the fact that the accused spoke to him, and asked how he was, and did that sort of trivial shouting. Cpl Ryland who was on duty from 1700 hrs on, who was standing outside the cell block 6, actually on the left hand side of the cell block, heard shouting, and this shouting contained words exciting SUS from living huts to break out. He disclosed before the Court that he thought they were the accused's words, because he recognized his voice. S/M Thorold also heard these words and attributed them to the accused alleging he recognised his voice. Actually there is nothing in the evidence that says they actually saw the accused while he was shouting these words. They heard them, turned around, and saw the accused and others shouting, but did not actually see him when he was supposed to have been speaking.

It has been brought out in evidence by the Defence that the SUS, especially those in cell blocks have very seldom the occasion to talk, and that in the cell blocks the talking period of half an hour allowed to SUS in living huts is not permitted. The accused had only been in Detn since March, about 5 or 6 weeks at the time, and he had always been in the cell block, meaning he did not have very much opportunity to use his voice, and become familiar to the members of the staff. Even if it had been shown, the doubt must be given to the accused because somebody with a similar voice might have said the words and misled these witnesses. It is a fact that one is often misled by his hearing, and when it is relating to a charge of such a serious nature, hearing and seeing must be combined to assure the evidence.

The 2nd, or alternative Charge, alleges that the accused was improperly concerned in a disturbance at 1 Cdn Detn Bks. The Defence submits that the Prosecution has failed to prove that charge on the grounds that evidence of the afternoon of 5th May shows there was quite a lot of confusion in living huts 1,2 and 3 and S/Sgt Semple who was on duty in "A" Compound all afternoon until 1700 hrs stated before the Court that the accused was more or less joking during that time in cell block 6, and also asked him how he was getting along, and the accused did not really cause any trouble. If this is the disturbance that the accused is charged with being improperly concerned with, the Defence submits that the Prosecution has failed to prove that the accused was engaged in that disturbance. Major Gorman also stated the disturbance occurred in the living huts, and was pretty local. To prove what he stated before the Court, that disturbance did not warrant any additional staff for the afternoon. The disturbance occurred the other side of the parade square, which is quite a distance away, and it is clear the people involved were those who actually broke out of the living huts, and it is brought before the Court that the accused was certainly not involved in that group from the living huts.

The 3rd Charge alleges that the accused on the 9th May combined in Mutiny to release other SUS , to damage the said Detn Bks, and set fire to the watch tower. The Defence submits that the Prosecution failed to prove that the accused on the 9th May did combine in mutiny. I will read from Chap 3 para 5 MAL which defines the term mutiny (quotes)

There is no evidence that the accused combined with other soldiers to release other SUS who were in confinement at that time. When a party, in which the accused was seen the morning of the 9th walked towards cell blocks 1, 2, and 3 no evidence was brought out to prove the accused had been seen to enter any of these cell blocks to release SUS. A little later these SUS were released by the staff.

Also, in this particular cell block 6, it is brought in evidence that the cell locks of the doors had been broken by some other SUS, but there is no evidence that any of them had been broken by the accused. There is also no definite evidence that the accused combined with other SUS to damage the Detn Bks. There has actually been proven there was a lot of damage done, but not actually proven that the damages were made at the excitement of the accused, or by the accused himself, even if he may have been seen at the scene of the damage buildings. The damages which occurred on the 10th May in the Sanitary block outside "A" Compound shows that one of the witnesses saw the accused in the sanitary block when he looked through the window, and the witness stated to the Court there was a lot of damage done, but he did not actually see the accused doing any of this damage, and on the other hand the evidence of the accused is that after the talk by the GOC he went to the Sanitary block which contains latrines, and even if he walked in the opposite direction from what he was told to, it was the latrines he was going to at the time. He admitted he went in, but he could not stay long, or not long enough to do any damage as all the SUS were crowding the door, and he had to get out.

There is also no evidence that the accused on the 9th combined with other SUS to set the watch tower on fire. Some evidence may lead the Court to believe this, but the Defence has brought two witnesses, besides the evidence of the accused himself, to show that just before, and during the fire, the accused was not on top of cell block 4, nor assisting or organising the fire, or helping to set fire, or even to light the fire.

To combine with the other SUS we must suppose that the accused was a leader, but there is no clear evidence to that effect. It is only the opinion of a few witnesses, and they all admitted on the other hand that he was not dangerous, and he sort of did the same thing all the other SUSs were doing, and that was roaming and wandering around in the parade square talking one to the other. Also it has been brought out in evidence, the staff paid very little attention to actually what was going on during the afternoon, they did not interfere, they were just standing at the 4 corners of the parade square giving lights to the SUS who wanted to smoke cigarettes which were thrown into the parade square by outsiders, and that, although the rules of Detn forbids smoking at any time by SUS. The staff never endeavoured to interfere and more or less gave the impression that the SUS were allowed to smoke. For the same reason the Defence submits the 4th and 5th alternative Charges have not been satisfactorily proven.

The 6th Charge alleges that on the 9th May the accused used insubordinate language towards the members of the staff. The evidence as brought out before the Court is very contradictory. The main witness concerned with this charge said the accused replied to him "You yellow provost bastards" while he was walking away from him. It is his opinion that the words were meant for him. On the other hand Sgt Nagh, who was standing 3 ft away stated the accused said these words while sitting on the steps, and that he could not say if he was referring to anybody in particular or not. The 3rd witness is the accused himself, who says he did not say these words and does not recall talking at any particular time to Sgt Erlandson.

The last Charge alleges that the accused was improperly concerned in a disturbance on the 10th May. The defence submits the prosecution failed to prove that Charge on the ground that on the morning of the 10th May, after the GOC's talk the accused was found in the sanitary block after the disturbance had actuallyoccurred. The disturbance that occurred was when a lot of SUS got into that block and damaged the windows and toilets and latrines. One witness states he saw the accused through

the window, but he was just standing there, and according to the evidence of the accused he just went in but had to come right out again as the other SUS were cramming the doors and going out of the sanitary block. Granted there might have been a disturbance on the 9th, but the accused is not charged with being improperly connected with any disturbance on the 9th.

I wish to draw to the attention of the Court to the fact the accused fought in Sicily and Italy as a private. A man who has an leadership, would be proved while in action, but during all that time he remained a trooper because he was not found by his superiors to be a leader. It is improbable that on one day he would become the leader of a Mutiny, and he has himself told the Court he had no reason to excite the others as he had been fairly well treated as a prisoner. The term Mutiny involves combining, and no evidence is given that the accused combined. The only evidence of the witnesses is that he was running around like the others, and they did not actually hear what he said to the other soldiers. None of them heard him give orders or directions to soldiers. The staff also said that they did not think he was dangerous and never had cause to arrest him, or remove him, which would be a normal step if they did see the accused leading a mob to rioting or damaging buildings. The accused, like the other SUS was told by the staff to remain in "A" Compound, and that is what he did. Others escaped, and he never tried to, and he had all the chance to.

The Court must give the accused the benefit of the doubt any time the evidence may warrant it. The staff of the Detn Bks obviously did not use any of their power to establish their authority and control the SUS by removing the leaders.

I therefore submit that the Charges were not proven, and that the accused be found Not Guilty.

CLOSING ADDRESS BY THE PROSECUTOR:

The first thing to consider is this blank denial of the accused of all the things of which these seven Charges consist. That bank denial by the accused, plus the uncertain support from other SUS places the issue before the Court of deciding whether to believe the witnesses for the Prosecution or the witnesses call by the Defence.

There are two considerations which I ask the Court to keep in mind when coming to a decision of which witness is to be believed. First - as the accused on his own admission was never treated unfairly by any member of the staff, there was no reason for any of them to pick on him or to give uncertain evidence against him as being certain and positive. They had no prejudice against the accused, and their evidence is given in a straight forward manner, and was not shaken on cross-examination. The second thing is that while these witnesses have nothing to gain by falsely stating their evidence, the accused has everything to gain if he can persuade the Court to believe him. The other SUS also have a sympathetic interest in his favour. I would ask the Court to consider carefully the witnesses which they are to believe.

I say that his blank denial unsupported in any way by satisfactory evidence can only mean one thing. I ask the Court to disbelieve the accused and to believe the provost witnesses. The Defence would have us regard the accused as a joke-arousing, potential singer, and an obtainer of a football, and a sober and innocent onlooker when the fire took place. I say this is not a true picture.

Having come to that decision that the evidence of the accused is unfavourable, the thing is to consider the charges, and I propose to speak as briefly as possible in the order in which they appear on the Charge Sheet.

The 1st Charge dealing with the 5th May, is one of endeavouring to persuade others to join in Mutiny. To support this Charge it is not necessary that the Prosecution prove there actually was a mutiny. So long as this joining of a Mutiny was intended, and that is what the accused was trying to persuade the others to join in. He is not charged with joining in a mutiny, but in endeavouring to persuade others to join in one. The fact a mutiny did break out on the 5th is confirmation of the intention. As to what a mutiny is I expect the statement read by the Defence has adequately defined it. It is submitted that the position is made very clear by note 5 on Sheet 312 MCL which states "quotes". This clearly shows us what a mutiny is, and I say that when a body of SUS unlawfully force their way out of living huts when that is the proper place of confinement they are guilty of mutiny. Moreover, should that body after getting out then unlawfully release other SUS there can be no question that that would be mutiny. The combining of 2 or 3 persons to resist lawful military authority. That is exactly what the accused intended in this case. That is what he was endeavouring to persuade others to do. Whether he joined themor not is immaterial to this Charge. He is only charged on the 5th May with attempting to get one started.

The situation was that the accused was doing a lot of shouting from his window of cell block 6 cell 14 facing the parade square during the afternoon and evening of the 5th May. He is locked up. SUS in living huts number between 52 and 56, and there are only two members of the staff posted near the doors. It is obvious that the SUS in theliving huts would find it an easy matter, by combining, to get out. So very well might the accused shout across the parade square, as heard by Sgt Heller, standing only at the corner of cell block 6, and nearer to the accused when he was shouting than when he was in the Court room giving evidence. Well might the accused say "Come on Kelly, why dont you get this bunch started, what are you waiting for, lets get this thing started". That makes it very clear that the accused has in his own mind.

On the occasion when the group from 3 and 4 broke out and were on the parade square searching for the keys, well might the accused from his window say "Get the keys from Aston, and get us out". That took place on the 5th of May - persuading others in joining in a mutiny. There can be no mistake as the accused doing the shouting, when S/M Thorn who was in living hut 1 heard the accused shouting to Kelly and when he recognized the accused's voice he saw him at the window. Aston also recognized the accused's voice when he called "Get the keys from Aston" and looking in the direction of cell block 6 where the accused was, he saw the accused at the window, and also stated that he did not see any others standing at the window in cell block 6. It is submitted by the Prosecution on this evidence, the 1st Charge is obviously made out.

The 2nd Charge is alternative to the 1st, and I do not think it is necessary to dwell on it at t is point. The same remarks apply to this 2nd Charge as applied to the 1st.

The 3rd Charge which dwells with the 9th May. On this Charge the accused joined in mutiny, in combining with other SUS to do three things (1) release soldiers in confinement (2) damaging the Detn Hse (3) setting fire to the watch tower. On the evidence there is no question about the definition of mutiny. The accused joined in mutiny - he was one of 2 or 3 who combined to resist lawful military authority. The mutiny started with the breakout on the morning of the 9th May from the living huts, then joined by others, and soon hundreds were involved in this combined resistance to lawful military authority.

It is obvious that while hundreds were involved, the majority were led throughout by a few, and the evidence is clearly put before the Court that this accused was one of these gang leaders. We hear of him addressing a crowd from a wheel cart previous to the outbreak of the fire. We have him dispersing the watches, and we have him leading the mob over towards the fire. It is not necessary to deal with the first specification in this particular charge, that is to say release ing soldiers from confinement. It is not necessary to prove the accused actually broke the lock of the cell of even one SUS. It is sufficient to show that he was one of a group who counited others to resist lawful authority and release other SUS from confinement. Further to that point there is a statement in KOL found on page 106 which states "The responsibility of a person for the natural consequences of his acts is not limited to the simple case where he is present, and actually commits and offence with his own hand". There can be no doubt about what he intended, and what followed was part of what he had intended.

The second part - damage to the Detn Hse - we have the evidence of the person who was closest to the cell block 6 at the time the damage occurred - SUS Gilmore. His evidence of the damage done, and the accused's own admission, is that radiators were torn off the wall, latrines were broken, and the light switch broken, and I believe the grill was broken. The evidence is slightly uncertain on the exact times of what took place and the relation to the time the accused got out of his cell, but nevertheless the whole thing ties in . The group that came in there, moved by his words, was a group of which he was a part, and their acts he must take the responsibility for.

The third part, which is specifically set out as part of this Third Charge of Mutiny is that he set fire to the watch tower. I think that has been fully discussed and I do not intend saying anything more about them now.

The 4th Charge is alternative to the 3rd Charge, and it is a charge of riotous damage. It is alternative to the charge of joining in a mutiny, and if the Court finds him not Guilty of the 3rd Charge then this 4th Charge comes up for consideration. As to what constitutes riotous damage I will read from page 1235 of Archibald(quotes) (1) the presence of not less than three persons - there is no question about that (2) a common purpose - their common purpose was to break out of their huts and defy lawful military authority. (3) execution or inception of the common purpose - that too is clear (4) an intent to help one another, by force if necessary, against anyone who may oppose them in the execution of the common purpose - here the picture is suggested by the Defending Offr that the staff were standing around doing nothing. But picture a staff of 40 handling a group of 400, some of them armed with long bars which are from the bed windows. So that the question of intent can be easily inferred by the Court - that these men intended to help one another by force, if necessary. The last requirement is again a matter of inference which the Court can easily deal with on these facts. I say it is an easy inference that if any member of the staff had tried to interfere other than to give orders to keep the men in "A" Compound would have put them in all likelihood in a position of receiving physical violence. This constitutes all that is necessary to show on this charge of riotous damage. As to the actual damage to the Hse, I do not propose to dwell on that. The damage to the barracks once this thing got started, and as a result of the instigation of the accused, the damage which took place on the 9th May can be laid at his door step and he must accept the responsibility of any damage that others may have committed.

The 5th Charge is alternative to the 3rd Charge - not alternative to the 4th Charge, only to the 3rd. That is t o say that if the Court finds the

accused Guilty of mutiny on the 3rd Charge, the 4th and 5th Charges are dropped. If he is Not Guilty of the 3rd Charge he may be found Guilty of the 4th and 5th, because the 4th deals with riotous damage to the Barracks, and the 5th with Specific damage to the watch tower. I say the evidence is clearer that this accused played a leading part in actually starting that fire with words, rather than his actions of preparing for the fire and being on the tower just before the fire took place.

The 6th Charge has the simple and straightforward evidence of Sgt Erlandsen and Sgt Hugh. The accused had a convenient lapse of memory about seeing these two members of the staff at that time. This is no more than a convenient lapse of memory. The fact that Sgt Hugh did not remember exactly what Sgt Erlandsen heard does not mean his evidence is unsatisfactory, because two people's recollection of what happened over two months ago will not be identical, if it is, it would look as if they had got in cahoots.

The last Charge is that the accused was improperly concerned in a disturbance the 10th May. Major Gorman gave evidence that he inspected the sanitary block 10 to 15 mins before the General spoke, and at that time it was alright. S/Sgt Semple said he saw 40 to 50 crowding around the building, heard shushing and breaking going on, and saw the accused in there with a long bar in his hand. The accused gives a little different story - he went there to use the latrine, but he was seen inside by the provost with a bar in his hand. The damage is considerable to the water closets and fixtures, which is sufficient to make out fully the 7th Charge which establishes a disturbance, and the accused's identification by S/Sgt Semple establishes him as being improperly concerned in it.

Accordingly, it is the Prosecution's submission that the Charges have all been made out with the qualification that certain of the Charges are alternative.

SUMMING-UP BY JUDGE ADVOCATE

It is now my duty as Judge Advocate to advise the Court with respect to the law relating to this case and to sum-up the evidence. In a civil court where a trial is by Judge and Jury it is the duty of the Judge to decide all questions of law and the duty of the Jury to decide all questions of fact. Under our system of military law, however, a court-martial combines both of these functions, and it is therefore the duty of this Court to decide all questions of law as well as all questions of fact arising in this case. As J.A. I am not a member of the Court, but it is my duty primarily to advise the Court on all matters of law. The Court should follow my advice on all questions of law, and if they see fit to disregard it should do so only for very weighty reasons which should be recorded in the proceedings. The Court are the sole and absolute judges on all questions of fact, and must form their own opinions as to the facts of the case, and should entirely disregard my views as to the facts.

It is a fundamental principle of British Justice that the accused must be presumed to be innocent until proven guilty beyond a reasonable doubt. The accused does not have to prove that he is innocent of any of the charges against him. On the contrary the onus is upon the prosecution throughout the trial of proving that the accused is guilty beyond a reasonable doubt. By a reasonable doubt I do not mean an imaginary doubt, or a capricious doubt, or a foolish doubt, but by a reasonable doubt I mean what might be called a common-sense doubt, that is such a doubt as to the guilt of the accused as would likely remain in the mind of an ordinary reasonable man, after carefully considering the evidence before the Court. If, with respect to any of the charges against the accused, the Court is either convinced that he is innocent, or is left in reasonable doubt as to his guilt, then it is the duty of the Court to find the accused not guilty of that charge.

Before proceeding to deal specifically with the charges against the accused I will read to the Court all of paras 16, 17 and 18, Ch VII, MML page 107, dealing with responsibility for crime. (quotes "If a person is present. . . .for the commission of another unconnected therewith").

I will now proceed to deal with each of the charges against the accused in the order in which they appear in the charge sheet.

First Charge-(Read to Court). In considering the evidence with respect to that charge the Court must be careful to remember that it deals only with the events of the 5th May, 45. The Court, before being justified in finding the accused guilty of the first charge, must be satisfied beyond a reasonable doubt that the accused did in fact endeavour to persuade SUS in living huts to break out of confinement and to release other SUS from confinement, and that such conduct would have constituted a mutiny. As to the meaning of mutiny I will read to the Court all of paras 5 and 6 Ch III MML beginning at bottom page 15 (quotes: "The term mutiny imples.....in considering the question of punishment"). So much for the meaning of "mutiny".

Dealing with the Second Charge-(Read to Court). This charge is alternative to the First Charge and the accused cannot therefore be found guilty of both the first and second charges, but may be found guilty of either one, or not guilty of both. The essential elements which the prosecution must establish on this charge are that there was a disturbance on 5th May, that the accused was improperly concerned therein, and furthermore that his conduct, under all the circumstances constituted conduct to the prejudice both of good order and military discipline.

With respect to the 3rd charge-(Read to Court).I have already dealt with the meaning of the word "mutiny". Under this charge the accused is charged with actually joining in a mutiny on May 9th.Before the accused can be convicted of this charge the Court must be satisfied beyond a reasonable doubt that the conduct alleged in the particulars of the charge,if proven by the evidence, did amount to mutiny. If the Court should find that some of the acts alleged in the particulars are proven but others not, for example, if the Court should find that the accused did combine with other SUS to release other SUS, and did combine with other SUS to set fire to the watch tower, but are not satisfied beyond a reasonable doubt that he did combine with other SUS to damage the Detn Bks, then the Court should consider whether a special finding should be made under the provisions of RP 44(2),MCL p 648, which I will now read to the Court.(Quotes:"Where the Court....record a special finding.").I will also read the first para of note 6 to RP44 at p 649 MCL (Quotes:" The special finding.....articles in question.")

With respect to the 4th charge-(Read to Court).This charge and the 5th charge are both alternative to the third charge. Now that means that the accused cannot be found guilty of all three charges. If he is found guilty of the 3rd charge he must be found not guilty of both the 4th and 5th charges. If he is found not guilty of the 3rd charge, he may be found guilty of both the 4th and 5th charges, or of either of them, or not guilty of all three.The 4th charge deals with the events of the 9th May. Sec.12 of the Malicious Damage Act,1861, to be understood must be read tog ther with Sec II thereof.I will now read these 2 secs from p 520 of Archbold's Cr Pl, 31st Ed (Quotes:"Riotously demolishing houses.....and he may be punished accordingly.") In order to justify a finding of guilty on this charge the Court must be satisfied beyond a reasonable doubt, that a riot took place, and that the accused was one of the rioters, and that during the riot damage was done to the Detn Bks.As to the meaning of "riot" and the essential elements which must be present to constitute a riot, I will now read to the Court from Archbold on Cr Pl, 31st ed page 1235.(Quotes: "Riot is a tumultuous disturbance of the peace.....at least one person of reasonable firmness ".) Now it is not necessary that the damage be done by the accused personally;if it is done by some other member of the riotous assembly,in furtherance of the common purpose of the riotous assembly of which the accused is a member, the accused may be held liable as well.

I will now deal with the 5th charge-(Read to Court).I will now read Sec 5 of The Malicious Damage,Act,1861,from p 790 Archbold's Cr Pl, 31st ed (Quotes:"Setting fire to public bldgs....with or without whipping.").To be malicious, the burning must be done wilfully,as distinguished from mere accident or negligence.If the accused did not himself set the fire personally, he may still be found guilty if he aided and abetted some other person or persons to set the fire,or if he incited some other person or persons to set the fire. Under Sec.56 of the said act a principal in th second degree, or an accessory before the fact to an offence under Sec 5 is punishable as a principal in the first degree.

The 6th charge is laid under Sec 8(2)AA and reads as follows(Read to Court).As to the meaning of "insubordinate language" I will read to the Court Note 5 to Sec 8 AA p.433 MCL.(Quotes: Where the charge is . . .must be charged under Sec40".)Whether the language alleged to have been used was used,to Sgt Mclaudsen is a question of fact for the Court to determine.

The 7th charge is the same as the 2nd charge, save that it relates to the events of the 10th May. What I said with respect to the 2nd charge applies equally to the 7th charge.

There is evidence before the Court which may be considered to be of a circumstantial nature. As to the weight to be given to that evidence, I will read to the Court para 42 Ch VI, MML p 51(Quotes:"From the circumstances. .....that the accused was the guilty person".)

The Court in carrying out their duties, are supposed to use common sense and their general knowledge of human nature and the ordinary affairs of mankind. They may also use their general knowledge of military affairs which all offrs of the Cdn army are presumed to know. In deciding the guilt or innocence of the accused they must consider solely the evidence which has been brought before the Court, and they must ignore any information concerning this case which may have come to their attention outside of the evidence.

In deciding what evidence to believe and what evidence to disbelieve, the Court may accept or reject all or any part or parts of the evidence of any witness.

In closing I wish to remind the Court that they are the sole and absolute judges of all questions of fact, and that the accused must receive the benefit of any reasonable doubt as to his guilt upon any of the charges against him.

Are there any further matters upon which the Court, the Prosecutor or the Def Offr, wish me to advise the Court?

Answer by Pres:No.
Answer by Prosecutor:No.
Answer by Def Offr: No.

PLEA IN MITIGATION OF PUNISHMENT:

The accused enlisted the 2nd Aug 41 and came Overseas to England in Nov 43. He went to Sicily the 10th Jul 43 with the Calgary Tank Regt with the 1st Cdn Armoured Tank Bde and fought throughout the Sicilian campaign, then landed in Italy and fought with his Unit until he was wounded sometime in Nov 43. He was wounded in the leg and evacuated to N. Africa and from there he came to England on a hospital ship.

In England he was sent to S General Hospital and at the end of his stay there, after he had been categorized L.H.S.H.M.2, he went to 2 CADRU and was given to understand that with his leg he would be proceeding home very soon. He waited there for a while having no special employment until the end of June 44 when he was sent to 22 Cdn Spec Emp Coy. He remained with that Unit until he went to hospital the 9th Aug. While he was with this Unit his duty was to shovel coal in the surrounding district. The work began after a while to be too heavy for his leg and he was paraded and asked to be relieved of his duties, and his request was granted. A few days later he went to hospital for treatment in his leg, and remained there three weeks. He was also examined by the psychiatrist while he was there, which did not change the figure under the S. of his Pulhems which still remained 4. He consented of hospital and went back to 22 Cdn Spec Emp Coy where he was not given any special duty, and just told to wait around.

After a while he got fed up and went AWL in Sept. While AWL his girl friend was found to be in the family way and he married her. The child was born, and subsequently died. In Nov 44 the accused heard the news that his father had died leaving his mother alone back home. While he was AWL he worked in London with a friend of his fathers and sustained his wife and child until the child died 4 months later. He worked there until he was picked up in military uniform by the provost corps.

For his offence of AWL he was sentenced at the end of March to a year Detn. That is the sentence he was actually undergoing while this disturbance occurred on VE Day. Since he has been in Detn he has had a fairly good record, and it is my intention to produce before the Court as an exhibit the certified true copy of the work sheet of the accused. Before I will actually put it before the Court there are a few explanations which will help the Court understand it. Each day that a DETS has been in Detn, if he has good behaviour and is a good worker he is given 6 marks. He may earn less than 6 marks per days then on Sunday the average is taken for the days of the week and this average is added as his Sunday mark. Suppose he has 36 points accumulated during the 6 days of the week, then Sunday he would have 6 points as an average. Since the accused has been in Detn since the 4th Apr he has accumulated 1139 marks out of a possible 1160, so actually he only lost 21 marks. On the top left of the form there is heading which says the marks required are 1960. This may tend to mislead the Court. The figure of 1960 is the total marks required for the accused to earn during the period of sentence, and when he reaches this mark he is immediately released no matter how long or how many days balance of unexpired sentence he has. There are 3 items in read, two earned when the accused was paraded to report before the C.O. and another time when brought up before the C.O. and given 7 dys FDQ and they deducted so many marks from his good marks.

WORK SHEET IS PRODUCED, ACCEPTED BY THE COURT, AND MARKED EXHIBIT "P" A800

The accused now has to support not only his wife here in England, but his mother back home, and he has fought for five years for the security of society. He has been wounded while fighting for his country, and I submit to the Court that the accused deserves high consideration and sympathy.

President to accused: Do you wish to give evidence yourself or to call any witnesses as to Character? Answer: No sir.

The Prosecutor produces Statement as to Character and Particulars of Service, and certified true copy of Conduct Sheet purporting to refer to the accused, which he submits to the Defending Offr for examination, and then to the Court for admission in evidence. The Court is satisfied that these documents refer to the accused, because they purport to be signed in the manner required by AA 103 (1) (g) (h) and (ii) they purport to refer to a soldier having the same number, rank, name and corps as the accused. Admitted in evidence and marked Exhibit "M" and Ex "N" respectively.

1400 AND CONDUCT SHEET MP.

President to accused. Do you wish to address the Court on the Statement, and in mitigation of punishment? Answer: Yes sir, through my Defending Offr. (See document marked "O" attached).

The President states that the Court is closed to consider the sentence, and that the sentence to be awarded by the Court, being subject to confirmation, will not be announced, but will be promulgated later, and the proceedings in open court are accordingly terminated.

SUMMARY OF EVIDENCE.

in the case of

B 102659, Pte. GRAVELLE E.O.

No. 4 Cdn. Mil. Prison & Det. Bks.

By order of the Commanding Officer,

All evidence is taken under oath.

In the Field 18 July 45.

FIRST WITNESS:

D 82755, S/Sgt. ASTON J., Cdn. Detn. Bks., Alton, having been duly sworn states:

I am D 82755, S/Sgt. ASTON J., Cdn. Detn. Bks., Alton. On 8th May I was i/c Cell Blocks, "A" Compound, Headley Detn. Bks. from 1630 hrs. At approx 1700 hrs., I saw a body of SUS go down the steps by Cell Block No 1. This body of SUS headed down toward Cpl. GAVINS and Sgt. SIMMONS apparently looking for keys to the Cell Blocks. While Staff SIMMONS was being searched the accused first came into the picture. He was located in Cell Block 6. He shouted to this group of SUS to get the keys from ASTON and let them out. This was about 1710 hrs. Other than a lot of shouting from his cell I didn't see the accused much until the following morning. About 2300 hrs, I heard the accused shout, "Come on, Living Huts, burn the huts down and let us out!" The next time I noticed the accused particularly was about 1800 hrs 9th May. I saw SUS GRAVELLE E.O. with a large party of SUS gathered around him on "A" Compound Parade Square. He was standing on a two-wheeled cart, which was used for hauling coal. I didn't hear what he was talking about. Shortly after this talk the group headed toward Cell Block 4, where the Look-out Tower is located and started to gather material (WD material, bed-boards, stools, palliases, blnkets, etc.) and place it at the foot of the tower. I saw the accused up on the steps leading to the tower. The next I noticed the fire had started on the Tower. The night of the 9th, I tried to get the SUS to bed. I had reports from Staff that they could account for all SUS with the exception of the accused. I searched for him with no result. He seemed to be running from one hut to another, trying to evade the Staff and keep the remaining SUS awake. I definitely state that SUS GRAVELLE was one of the main leaders and agitators of the trouble in Headley Camp.

The accused declines to cross-examine the witness.

_____ S/Sgt.
(J.Aston)

SECOND WITNESS:

A 34001, S/Sgt. SEMPLE P.J., No. 3 Cdn. Mil. Prison & Detn. Bks., having been duly sworn, states. I am A 34001, S/Sgt. SEMPLE P.J., No. 3 Cdn. Mil. Prison & Detn. Bks. On 9th, May I was i/c Cell Blocks, 1 to 10, in "A" Compound, Headley Dtn. Camp from 0740 hrs. At 0800 hrs, the riot started with clanging of mess tins and the breaking out of living huts. Shortly after this I saw a group of SUS with iron bard and clubs going along, passing same through the windows of the cell blocks. I saw SUS BROWN break the lock on the accused's cell. During this time GRAVELLE was passing remarks in my direction. About 15 minutes later I heard a lot of shouting and smashing going on in the cells. SUS were all in the corridor when I arrived. These SUS were from both Cell Blocks and Living Huts. I went along the corridor of the Cell Block and looked in Cell 14, where the accused was. He had an iron bar in his hand. He was pounding at his door trying to open it. I then had to go to No 8 Cell Block where more SUS were breaking out. These escaping SUS formed a parade on the Square and I lost sight of the accused until about noon, when I saw him roaming from hut to hut, talking to various groups of SUS. I saw him up on the look-out Tower on top of No 4 Cell Block. He was just walking around talking at this time. Between 1730 and 1800 hrs, that evening, I again saw the accused climbing the ladder to the tower. He was carrying some material which looked like straw. Other SUS were helping him. This material was to be used for firing the tower. I saw the fire start and the accused saw in the group which lit it. Staff THOROLD sent for fire-fighting equipment. A hose was laid. I saw a group of SUS attempt to cut the hose. The accused was in this group. After the GOC's talk I saw the accused in a latrine, near Living Hut 1. I looked in and saw the accused with an iron bar and the windows, sheis, and all equipment was smashed. The accused was one of the leaders of the rioting SUS in Headley Camp.

STATEMENT OF Lt.-Col. R. SHANKLAND, V.C., D.C.M.

"On 8th May 45, following break-out from Living Hut 3 and 2 of "A" Compound, from which ten SUS escaped at approximately 1650 hrs, I spoke to the SUS quartered in Living Huts 1,2 and 3 and Cell Blocks 1 and 2, where I had to leave to attend a phone call from C.R.U. and from there Major GRAYSON carried on. Later, around approximately 2200 hrs, I spoke to SUS quartered in B 2.

In speaking to the SUS, I pointed out that the war was not yet over, we were still in the army, and had to carry out our orders, and that whatever might be decided with reference to what was to happen to them had still to be notified. In discussing and planning their disposal, higher authority would no doubt give thought and consideration to their conduct.

In one of the Cell Blocks and Living Hut B.2, where the question of smoking was raised, they were told that smoking was contrary to regulations and I had no authority to change regulations."

STATEMENT OF LT.-COL. L.S. GRAYSON

On the 8th, 9th and 10th May, 1945, I was Assistant Commandant at No 1 Cdn. Detention Barracks, Headley Downs, Hants. Following a break-out of SUS from Living Huts 2 and 3, "A" Compound, at approximately 1640 hrs, 8 May 1945, I accompanied Lt.-Col. R. SHANKLAND, Commandant, to Living Huts 1 2 and 3 and Cell Blocks 1 and 2, "A" Compound, where he spoke to the SUS quartered therein, telling them that we were all still in the army and must continue to carry out orders and regulations; that their disposition, as Soldiers under Sentence, had not been notified to him and that, in deciding their disposition, higher authority would no doubt give consideration to the way in which they conducted themselves. After speaking to the inmates of Cell Block 2, Lt.-Col SHANKLAND was called away to the telephone, and I, in company with the Regimental Sergeant Major, continued through the remaining cell blocks and Living Huts B2 and B3, speaking to the SUS quartered there along the same lines. During the course of the evening I visited all accomadation in "A" Compound, as well as Living Huts B2 and B3, going to most accomodation several times, speaking to and warning the inmates. This was done by Compound officers as well.

Whenever the question of smoking was raised, the SUS were told that it was contrary to regulations and could not be permitted.

CEN. PROVOST CORPS C.M.H.Q.

STATEMENT OF:

Regt. No. B-102659 GRAVELLE R.O. (22 Spec. Emp. Coy.)
S.U.S. No. 1 Cdn. Det. Bks.(A.C. 6 "A" Compound

BEGINS:

I have been cautioned by S/Sgt. DENTON of S.I.S., that I do not have to say anything unless I wish to do so, but that whatever I do say will be taken down in writing, and may be given in evidence.

To show that I understand this caution, I sign my name here.

(SGD) R.O. GRAVELLE

STATES:

I have already been cautioned that I am not obliged to say anything unless I wish to do so, but whatever I do say will be taken down in writing and may be used in evidence.

I broke out of my cell in A.C.6 after the big crowd marched on the parade square and in the direction of the East Gate and "C" Compound. I was in my cell at this time and did not take part in the march. I got out of my cell with an iron bar which was passed through to me by another S.U.S. I broke my cell door down with this bar. The remaining cell occupants were already out. The time of my escape from my cell was about 1000 hrs 9 May 45.

After breaking out of my cell, I went out on the parade square and joined the crowd and occupied the time until 1130 hrs 9 May 45, bumming cigarettes and having fun. I did not do anything special in the afternoon and committed no damage.

At about 1800 hrs 9 May 45, I stood on a coal cart on the parade square and started cracking jokes with a crowd of S.U.S. Someone yelled out "We are wasting time let's burn the tower down". I was in favour of a bonfire, but not in favour of burning the look-out tower. I did not light this fire and I had no matches. I was on top of A.C.4 hut before the fire was started.

I was not the instigator of this riot although perhaps I was a little noisy.

I have read over this statement and it is true.

Plea in Mitigation - (Flt Granville & A.)

Sir,

When we look at a charge sheet against a soldier & his M.F.U. & we are apt to consider there is no defence for him, but when a man's case is analysed it takes on a different complexion. When we consider the accused's background we can find some reasons for his actions.

He was raised in a lumber camp in N. Ontario. His father was a lumberjack & his mother died when the camp was closing & opportunities for education were limited & his is approximately one year. When he was 12 years of age his father was permanently injured in an accident & the accused had to earn his own living & more than assist his family. Can we expect this man to understand the army & adapt its complexities & its rigid discipline after living his own way from such an early age in a backward community.

He enlisted in Aug 41 at the age of 21 like all of us who enlisted his purpose was to fight. He was kept in Canada for 1½ years, during which time he had his first crime (85 Drg A.W.L.) & the background & home environment entered into the matter. He couldn't understand why the army kept him in Canada. His father's disability had got worse & his pay arrangement was not sufficient & he went out to earn some money for his family.

He came overseas in Mar. 43 & 2 mos. later joined the Calgary Tank Regt. A matter of 8 days A.W.L. was his only crime when with that unit. He embarked with this Regt. when it went through the Sicily campaign with them, then on to Italy. [illegible] 4 Div in Italy. It was when he was wounded, 7 Sept 43 & this was the duty for which he enlisted, & I wish to emphasize to the court that while the accused was a soldier on real active service he had a clean record. He returned to U.K. no longer fit for active service due to his disability.

2: Mitigation Plea (Gravelle)

from here on his crimes start really stacking cases of A.W.L. He feels that he is no longer of any use to the army. He considers that his civil occupation of lumberjack is more useful than General Duty in U.K. Again his early background does not give him the reasoning power to understand why the army keeps him
After being wounded his mail went astray & there was a long period without mail. During this period his father died, & his mother had to write frequently, & his mail to her went astray. This depressed him mentally, & made him more anxious to return to Canada. He had a girl friend in England & he used to go absent to visit her to overcome mental depression. When he broke out of detention it was to visit this girl. She was to have a child to him & he married her during his absence (May 13) & I have here the marriage certificate

Gentlemen in passing sentence I want you to take the following points into consideration

His crimes are A.W.L. which his background does not appeal to as crimes as I have previously stated

The accused has done his duty in action in an honourable way, & is no longer fit for further action.

A Long term of imprisonment will in no way add any value to the country's war effort

A severe punishment will have a wide mother & child by 2 weeks

Respectfully submitted, Sir

J.D. Lowden Jr
Officer for Defence

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans No.(5)
(1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans *No* (5)

B5. The Summary of Evidence is marked Ex *A*, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). SUMMARY OF EVIDENCE

Summary of Evidence in the case of K-2843 Rfn GRAVNIC, Rudolph Mervin, Royal Winnipeg Rifles att Cdn Sec HQ Brussels Garrison, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence shall be given on oath.

FIRST WITNESS: Mr. Louis Dominique GHIGA, 39 Place du Grand Sablon, Brussels, having been duly sworn states:

"I am acting as the Head Waiter at the Gaiety Cabaret and late one evening a few days ago, I don't remember the date or the time exactly, two soldiers came into the Cabaret. I don't know what Army they belonged to and I could not recognize them again, I don't remember. They had quite a lot to drink and the taller one started going around the customers and was pushing them around and saying things to them. The smaller one was much quieter but I saw him at the table with a revolver which looked similar to this one here (indicating Exhibit "A"). I heard the sound of a shot and I saw the small one with the revolver in his hand. I went then for the police, and when I returned with them they were most diplomatic and tried to handsthe two soldiers gently. They were like a father to them. The taller one had his hand in his blouse, I don't remember which hand, but I thought he had a weapon there. I cannot say whether the short one had the revolver in his hand or not, because I was so excited I cannot remember. The police then took the soldiers away."

Accused declines to cross examine.

(SGD) Louis GHIGA

SECOND WITNESS: 1227248 Cpl DAVIS, G., RAF Police having been duly sworn states:

"In Brussels on 18 Apr 45 at approx 2230 hrs I was on duty with Cpl PIGOTT in the Rue Fosse when I received a call to go to the Gaiety Cabaret from the Manager, Monsieur Ghiga. On entering the cafe I saw two Canadian soldiers there and these two soldiers whom I see here now and recognize are the ones. The L/Cpl (indicating ZIEMSKI) on seeing me said 'I will kill you you cock sucking bastards' or words to that effect and tried to pull my revolver from its holster, but I was able to prevent him doing this. Just before this he had his right hand in his blouse as if he were holding a pistol. In the meantime this small one (indicating GRAVNIC) had a pistol in his hand which he was pointing at me. This is the pistol I see here and recognize (indicating Automatic Pistol Browning 9 MM Canadian Mk I). He made some abusive remarks, but when Cpl PIGOTT went to him he quietened down. L/Cpl ZIEMSKI left the cafe but a few minutes later tried to re-enter again. I followed L/Cpl ZIEMSKI out and when he tried to regain admission to the cafe he had his right hand inside his blouse, and I went forward to place him under close arrest. When he saw this he said 'If you come any nearer, I will shoot you you cock-sucking bastards'. I closed with him then and he fell to the ground and from that position he kicked me near my right eye (indicating eye showing evidence of recent abrasion). I managed to keep him under control, until the arrival of the Canadian Provost. After handing L/Cpl ZIEMSKI over to the Canadian Provost, I re-entered the cafe, and saw Pte GRAVNIC sleeping. Cpl PIGOTT handed me this pistol (indicating Exhibit "A"). Something I forgot to say before, is that an American soldier handed me this clip (indicating clip of Exhibit "A") containing 12 rounds of 9 MM Amn, which he said that he had taken from this pistol when it was lying on the table. This was handed to

The Automatic Pistol Browning 9 MM Canadian Mk 1 referred to in the evidence of the above witness is attached hereto as Exhibit "A".

me before I left the cafe the first time. The two soldiers were then handed over to the Canadian Provost Corps in close arrest. They were drunk. Before I left the cafe Mr. GHIGA indicated a hole to me in the ceiling which had the appearance of being made recently and which I assumed to be a bullet hole. L/Cpl ZIEMSKI did not have a weapon as I found out after I had arrested him."

Accused declines to cross examine.

(SGD) G. DAVIS - Cpl

THIRD WITNESS 1218892 Cpl PIGOTT, T., RAF Police having been duly sworn states:

"Sir, in BRUSSELS at approximately 2230 hrs on the 18 Apr 45, I was on duty with Cpl DAVIS in the rue Fosse when the manager of the Gaiety Cabaret asked for assistance. We entered the cafe and I saw two Canadian soldiers there, and I recognize these two soldiers here (indicating L/Cpl ZIEMSKI and Pte GRAVNIC) as being the two. The first thing I remember seeing, was the L/Cpl here (indicating ZIEMSKI) with his right hand in his blouse, as if he were holding a weapon, and his saying 'I have killed fucking Germans, and I will kill you you cock sucking bastards' or words to that effect. In the meantime the little one (indicating GRAVNIC) tried to passify ZIEMSKI a bit. I also remember him holding this pistol I see here now and recognize (indicating Exhibit "A") by the barrel, and waving it around as if he would use it as a club on Cpl DAVIS. He then went in the annex and I followed him, he sat down on a chair, and apparently passed out. I removed this pistol from his possession, and found the clip to be missing. I remained here with GRAVNIC until the Canadian Provost arrived. I did notice that Cpl DAVIS had a mark near his right eye when he re-entered the cafe with the Provost, as if he had just been struck by something. I handed this pistol to Cpl DAVIS. Later the manager Mr. GHIGA indicated to me a hole in the ceiling, which had the appearance of a bullet hole and looked as if it had been made recently. Both soldiers were very much under the influence of drink."

Cross examined by the accused:

Q. "Did you ever see me pointing the barrel of the pistol at Cpl DAVIS?"

A. "No I don't remember seeing you do this."

(SGD) T. PIGOTT - Cpl

FOURTH WITNESS: B.122196 L/Cpl CALDER, R.G., 2 Cdn L of C Provost Coy, having been duly sworn states:

"Sir, in BRUSSELS at approximately 2235 hrs on 18 Apr 45, accompanied by Pte POLSON, I responded to a call from the Gaiety Cafe on rue Fosse. On arrival there I contacted Cpl DAVIS of the RAF Police who was outside the cafe with L/Cpl ZIEMSKI whom I see here now and recognize (indicating ZIEMSKI). I placed ZIEMSKI under arrest, and entered the cafe where I found Pte GRAVNIC whom I see here now and recognize, apparently asleep. Both men were drunk. Before I left the cafe I saw a hole in the ceiling which had the appearance of a bullet hole. While conducting these two men to our Guard Room, L/Cpl ZIEMSKI kicked Pte POLSON who was driving, on the right ear. He was controlled and both accused were turned over to our Coy HQ Guard Room."

Accused declines to cross examine.

(SGD) R.G. CALDER . . . . "3"

FIFTH WITNESS: F.10385 Pte POLSON, D.B., 2 Cdn L of C Provost Coy, having been duly sworn states:

"Sir, in BRUSSELS on the 18 Apr 45 at approximately 2235 hrs I accompanied L/Cpl CALDER to the Gaiety Cafe on rue Fosse. On arrival there I saw this soldier (indicating L/Cpl ZIEMSKI) outside the cafe in the custody of an RAF Policeman. On entering the cafe I saw this other one (indicating GRAVNIC), also in the custody of the RAF Police. I saw Cpl CALDER handed this pistol (indicating Exhibit "A") by the RAF Police, and I saw him draw the action back and eject a spent casing. We took both men to our jeep and started out for Coy HQ. I drove and on the way there L/Cpl ZIEMSKI kicked me with his foot behind my right ear (indicating dressed right ear). This caused me to lose control of the vehicle for a few moments. When we arrived in Coy HQ we turned the accused over to our Guard Room, and I reported to the Medical Inspection Room to have my wound examined and dressed. Both the accused were drunk.

Accused declines to cross examine.

(SGD) D.B. POLSON

SIXTH WITNESS: Capt R.R.W. SMITH, RCAMC, Cdn Sec HQ Brussels Garrison, having been duly sworn states:

"On the 18 Apr 45 at approximately 2230 hrs I saw Pte POLSON of the Cdn Provost Coy in the MIR in BRUSSELS. I examined him and found him to have a cut on the posterior edge of the right ear extending about $\frac{3}{8}$ of an inch from the periphery. He was also suffering from a headache, and faintness. The wound was probably caused by a blow from a moderately sharp instrument. He has been receiving medical attention now since that night and will require further medical attention for at least another week."

Accused declines to cross examine.

(SGD) R.R.W. SMITH - Capt

The accused was cautioned as follows:

Q. "Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

A. "No Sir, I don't remember anything, because I as under the influence of liquor, and I don't remember what occurred."

M. Louis Dominique GHIGA, 29 Place du Grand Sablon, Brussels, having been duly sworn states:

I am head waiter at Gaiety Cabaret in Brussels. A few nights ago, the date I can't remember, two soldiers came in to have a drink. They had 2 glasses of champagne and then they drank a bottle of gin brought by them. They drank the whole bottle. I do not recognize the accused now, except that I have seen him at the Summary. I was too excited at the time. Usually I stand at the door and have not much chance to see people. Afterwards I saw them go to the cloakroom. Then they came back again. They asked me for 2 more glasses. I could not refuse because they drank a lot. I had them served. I saw a man with a pistol; one of these soldiers. He was showing it. I went through the room to see what to do about it. A soldier, the little one, I think the accused had a pistol showing it. The taller soldier was going around the room

talking and pushing people. I reached the door and I heard a shot of a revolver and saw the flame. It was straight up towards the ceiling. I saw the revolver. The little one had it. The flame was going from the little one to the ceiling. It was not directed to anybody. I went to fetch the Police. I met 2 Military Police outside in blue uniforms. When the Police came in they went directly to the room and I stayed outside. When I came in the Police were treating them very gently. They tried to convince the 2 soldiers to go out quietly. I did not see the revolver then. The little soldier had fallen asleep. The Police took both away. There were many people in the Cafe and they were frightened.

No Cross examination.

It seemed to me that perhaps the revolver might have gone off accidently.

122748 Cpl Davis G. RAF Police, having been duly sworn states:

On Wed 18 Apr 45 at 2210 hrs. I was on duty in Rue Torse. I was called to Gaiety Cabaret. On entering I saw Pte the accused whom I recognise and another UK soldier. The other soldier made certain obscene remarks to me and the accused had his hand in his blouse. He was the taller one. I thought he had a revolver in his hand in his blouse. The smaller one, the accused, had a revolver, automatic pistol, in his hand. He pointed it at me from a distance of 1 foot. The accused was also using very abusive language to me.

I produce the Pistol.

Defending Offr has no objection to admission.

Pistol marked Ex 1.

I pushed the revolver away with my hand and with assistance of Cpl Pigott we pinioned him down. We went out into the hallway. While there a U.S. Soldier came to me and gave me a clip with 12 rds of ammn.

Prosecutor hands witness a clip. Witness says this is similar to the clip handed to me. MFJ

I cannot positively identify this clip.
Clip not admitted in evidence.

I had a tussle with the larger soldier. I got hit in the eye by him. Soon afterwards I returned to the Cafe and found the accused in a drunken sleep. Before this at all times he appeared very drunk. Cpl Pigott handed me the pistol. I examined it and found 1 empty casing in it. With M. Shiga, the headwaiter, I saw a hole in the ceiling that looked like a bullet hole. It was over the table at which I had seen the accused sitting. Eventually I handed them to the C Pro C.

On 18 Apr 45 night at 2210 hrs, on duty in Rue Foise. We were called to Gaiety Cabaret. On entering saw 2 can. Soldiers. The accused (the smaller one) was one of them. The taller had his hand in his blouse simulating a pistol. In the hall I saw that people were upset. Cpl Davis went in before me. I was "on his heels". I saw the accused remonstrating with Cpl Davis. He said to Davis "I want my magazine back." He had nothing in his hands at that time. Later I saw the accused + Cpl Davis in the ~~arrest~~ and I saw the accused holding the pistol by the barrel and talking to Cpl Davis in a threatening way. At no time did I see the accused point a pistol at Davis. Exhibit 1 appears to be the one I saw in the accused's hand that night. I then tried to pacify the accused. He was definitely under the influence of drink. I don't think he knew what he was doing; definitely not. He then sat down on a chair with pistol held by the barrel still in his hand. He fell asleep. 2

removed the pistol from his hand and awaited the C Pro C. Then took him away.

I entered the Cafe and found the accused, whom I recognize, on a chair, drunk. I saw what appeared to be a bullet hole in the ceiling. Cpl Davis had a pistol in his hand. The mag was out. He pulled the action back and an empty casing flew out. It definitely flew out when the action was pulled back. Exhibit 1 is the pistol. I know because the number has been rubbed off. Prosecutor's Closing Address

Sirs, the prosecution submits that the following points have been proven as follows:

First Charge: The approx time & date, that Cpl. Davis was the recipient of the alleged violence & that he was in fact the superior officer of the accused. The evidence to support that part of the charge which reads "by pointing a pistol at him" is as follows:

First witness (Pte Ishiza): Too excited to notice just what was happening & was therefore unable to offer much useful evidence on this point.

Second witness (Cpl Davis): This witness has sworn that the accused pointed a pistol which closely resembles Exhibit 1 at him from a distance of approx 1 foot. He also swore that the accused used highly abusive language while doing so.

Third witness (Cpl Pigott): Stated he did not see the pistol pointed at Cpl. Davis but he did state this: "He saw the accused & Cpl. Davis in the hall, he saw no weapon in the accused's hands, he left the hall then, & after a short time lapse he next saw the accused & Cpl. Davis in the annex. This time he saw the accused hold a pistol which closely resembles Ex. 1, by the barrel & not pointing at Cpl. Davis. He did see the accused at that time adopting a threatening attitude toward Cpl Davis by making a motion which might infer the pistol might be used as a club on Cpl. Davis. However the accused is not charged ~~with~~ that, ~~there is a time interval~~ but I mention this to show that evidently the intentions of the accused at this point were not friendly. There is a time interval

to be considered also when the accused may or may not have had an opportunity to commit the alleged offence without anyone seeing it other than the complainant. The court has heard the evidence in relation to this charge & have only one witness offering direct evidence to support it, true enough.

Second Charge: Again the time, date & place have been sworn to by four witnesses. The first witness swore that the skater soldier actually held a similar pistol to Ex I in hands, pointing toward the ceiling, that he heard a shot & saw the flame shoot up & that a hole appeared in the ceiling. True enough he could not identify the witness because he said, he was excited. Cpl. Pigott swore that he removed Ex I (pistol) from the accused's hand when "he fell asleep" & handed it to Cpl. Davis. Cpl. Davis swore that when he pulled the action back a spent casing was ejected. This was supported by two other witnesses. As for the mystery caused by the spent casing being there in the first place, I can offer no explanation, it may be a faulty ejector in the weapon, or it may be anything.

Finally the accused himself admitted having the pistol in his possession that night

charged with

FIRST CHARGE, SOC 8(1) A.A. W.O.A.S. offering violence to his superior officer
in that he
on the field at appx 2230 hrs on 18 April 45
did offer violence to 1227248 Cpl Davis G.
R.A.F. Police, by pointing a pistol at him.

SECOND CHARGE SEC 40. ARMY ACT W.O.A.S. conduct to the prejudice of good order and military discipline
in that he
on the field at approximately 2230 hrs on 18 April 45
did create a disturbance by firing a pistol on the
Nancefield Labour Grounds.

In regard to the first charge it is stated in the evidence that the only one who states that the accused pointed a pistol at Cpl Davis is Cpl Davis himself.

Cpl Davis also states that at the time it is alleged that the pistol was being pointed at himself, Cpl Pigott came up and tried to pacify the accused.

at no time does Cpl Pigott say he saw the pistol being pointed at anyone.

In the second charge of causing a disturbance by firing a pistol the only witness of the prosecution, who states that he did not actually see the pistol fired, and he also states he could not say what army the two rabbis in question belonged to and the witness also states he could not recognize the two soldiers if he saw them.

Plea of Mitigation on behalf of
H 2843 Rfmn Rudolph Hermin Grevais.
Royal Winnipeg Rifles.

Sir.

On behalf of the accused I wish to say that while the accused was undoubtedly at the Variety Cabaret and while under the influence of liquor he did not cause the military police undue trouble as the evidence states the accused went to sleep soon after the arrival of the military police.

The accused realizes that legally drunkenness is not legally an excuse for creating a disturbance he wishes to the court to take into consideration that he was on a seventy two hour pass from his unit the Royal Winnipeg Rifles and was trying to forget it all in drink.

The accused states that he has not been in serious trouble previously either in the army or in civil life.

The accused was born at Yorkton Saskatchewan on 13 February 1918.
He left school at the end of Grade six and after that worked on farms.
Immediately prior to the accused's enlistment he was employed by the Boeing aircraft Co.

The accused states that at the outbreak of war he attempted to enlist in one of the armed but was rejected on medical grounds.

In 1940 and again in 1942 the accused states he was called up for military training but was rejected on medical grounds.

The accused enlisted on the 20 March 1944 arrived in the United Kingdom in October 1944 and in N.W. Europe in November 1944. He joined the Royal Winnipeg Rifles in the field early in December 1944 and fought with them continuously until his arrival in Brussels.

Due to the fact that his unit was in the line, the defence was unable to secure a character witness.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of [redacted] K-2843 Rflmn GRAVNIC Rudolph Mervin, Royal Winnipeg Rifles, att Cdn Sec HQ Brussels Garrison, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence shall be given on oath.

SECOND WITNESS 1227248 Cpl DAVIS G, RAF Police having been duly sworn states:

"In Brussels on 18 Apr 45 at approx 2230 hrs I was on duty with Cpl PIGOTT in the Rue Fossé when I received a call to go to the Gaiety Cabaret from the Manager Monsieur Ghiga. On entering the café I saw two Canadian soldiers there and these two soldiers whom I see here now and recognize are the ones. The L/Cpl (indicating ZIMSKI) on seeing me said "I will kill you you cock sucking bastards" or words to that effect and tried to pull my revolver from its holster but I was able to prevent him doing this. Just before this he had his right hand in his blouse as if he were holding a pistol. In the meantime this small one (indicating GRAVNIC) had a pistol in his hand which he was pointing at me. This is the pistol I see here and recognize (indicating Automatic Pistol Browning 9 MM Canadian Mk 1). He made some abusive remarks, but when Cpl PIGOTT went to him he quietened down. L/Cpl ZIMSKI left the café but a few minutes later tried to reenter again. I followed L/Cpl ZIMSKI out and when he tried to regain admission to the café, he had his right hand inside his blouse, and I went forward to place him under close arrest. When he saw this he said "If you come any nearer, I will shoot you you cock sucking bastards". I closed with him then and he fell to the ground and from that position he kicked me near my right eye (indicating eye showing evidence of recent [redacted]). I managed to keep him under control, until the arrival of the Canadian Provost. After handing L/Cpl ZIMSKI over to the Canadian Provost I re-entered the café, and saw Pte GRAVNIC sleeping. Cpl PIGOTT Handed me this pistol (indicating Exhibit "A"). Something I forgot to say before, is that an American soldier handed me this clip (indicating clip of Exhibit "A") containing 12 round of 9 MM Amm. which he said that he had taken from this pistol when it was lying on the table. This was handed to me before I left the café the first time. The two soldiers were then handed over to the Canadian Provost Corps in close arrest. They were drunk. Before I left the café Mr GHIGA indicated a hole to me in the ceiling which had the appearance of being made recently and which I assumed to be a bullet hole." L/Cpl ZIMSKI did not have a weapon, as I found out after I had arrested him."

Accused declines to cross examine.

G. Davis Cpl

The Atomatic Pistol Browning 9 MM Canadian Mk 1 is attached hereto as Exhibit "A".

THIRD WITNESS 1218892 Cpl PIGOTT T, RAF Police having been duly sworn states :

"Sir, in Brussels at approw 2230 hrs on the 18 Apr 45, I was on duty with Cpl DAVIS in the rue Fossé when the manager of the Gaiety Cabaret Mr asked for assistance. We entered the Cafe and I saw two Canadian soldiers there, and I recognise these two soldiers here (indicating L/Cpl GRAVNIC AND ZIMSKI) as being the two. The first thing I remember seeing, was the L/Cpl here (indicating ZIMSKI) with his right hand in his blouse, as if he were holding a weapon, and his saying "I will have killed fucking Germans, and I will kill you you cock sucking bastards" or words to that effect. In the meantime the little one (indicating GRAVNIC) tried to passify ZIMSKI a bit. I also remember him holding this pistol I see here now and recognise (indicating Exhibit "A") by the barrel, and waving it around as if he would use it as a club on Cpl DAVIS. He then went in the annex and I followed him, he sat down on a chair, and apparently passed out. I removed this pistol from his possession, and found the clip to be missing. I remained here with GRAVNIC until the Canadian Provost arrived. I did not notice that Cpl DAVIS had a mark near his right eye when he re-entered the café with the Provost, as if he had just been struck by something. I handed this pistol to Cpl DAVIS. Later the manager Mr GHIGA indicated to me a hole in the ceiling, which had the appearance of a bullet hole and looked if it had been made recently. Both soldiers were very much under the influence of drink."

Cross examined by the accused.

Q. "Did you ever see me pointing the barrel of the pistol at Cpl DAVIS?

A. "No I don't remember seeing you do this."

FOURTH WITNESS B-132196 L/Cpl CALDER R G, 2 Can L of C Pro Co having been duly sworn states:

"Sir, in Brussels at approx 2235 hrs on 18 Apr 45, accompagnied by Pte POLSON I responded to a call from the Gaiety Café on rue Fossé. On arrival there I contacted Cpl DAVIS of the RAF Police who was outside the café with L/Cpl ZIMSKI whom I see here now and recognize (indicating ZIMSKI). I placed him under arrest, and entered the café where I found Pte GRAVNIC whom I see here now and recognize, apparently asleep. Both men were drunk. Before I left the café I saw a hole in the ceiling when had the appearence of a bullet hole. While conducting these two men to our Guard Room, L/Cpl ZIMSKI kicked Pte POLSON who was driving, on the right ear. He was controled and both accused were turned over to our Coy HQ. Guard room."

Accused declines to cross examine.

FIFTH WITNESS F-10385 Pte POLSON D B, 2 Cdn L of C Pro Coy having been duly sworn states:

"Sir, in Brussels on the 18 Apr 45 at approx 2235 hrs I accompanied L/Cpl Calder to the Gaiety Café on rue Fosse. On arrival there I saw this soldier (indicating L/Cpl ZIEMSKI) outside the café in the custody of a RAF Policeman . On entering the café I saw this other one (indicating GRAVNIC), also in the custody of the RAF police. I saw Cpl CALDER handed this pistol (indicating Exhibit # "A") by the RAF Police, and I saw him draw the action back and eject a spent casing. We took both men to our jeep and started out for Coy's HQ. I drove and on the way there L/Cpl ZIEMSKI kicked me with his foot behind my right ear (indicating dressed right ear). This caused me to loose control of the vehicle for a few moments. When we arrived in Coy's HQ we turned the accused over to our Guard Room, and I reported to the Medical Inspection room to have my wound examined and dressed. Both the accused were drunk."

Accused declines to cross examine.

D B Polson.

SIXTH WITNESS Capt R R W SMITH, RCAMC Cdn Sec HQ Brussels Garrison, having been duly sworn states:

"On the 18 Apr 45 at approx 2230 hrs I saw Pte POLSON of the Cdn Pro Coy in the MIR in Brussels. I examined him and found him to have a cut on the posterior edge of the right ear extending about 3/8 of a inch/periphery . He was also suffering from a head-ache, and faintness. The wound was probably caused by a blow from a moderately sharp instrument. He has been receiving medical attention now since that night and will require further medical attention for at least another week."

Accused declines to cross examine.

R R Smith Capt

FIRST WITNESS Mr Louis Dominique GHIGA, 39 Place du Grand Sablon, Brussels, having been duly sworn states:

"I am acting as the Head Waiter at the Gaiety Cabaret and late one evening a few days ago, I don't remember the date or the time exactly two soldiers came into the Cabaret. I don't know what Army they belonged to and I could not recognize them again, I don't remember. They had quite a lot to drink and the taller one started going around the customers and was pushing them around and saying things to them. The smaller one was much quieter but I saw him at the table with a revolver which looked similiar to this one here (indicating Exhibit "A"). I heard the sound of a shot and I saw the small one with the revolver in his hand. I went then for the police, and when I returned with them they were most diplomatic and tried to hand the two soldiers gently. They were like a father to them. The taller one had his hand in his blouse, I don't remember which hand, but I thought he had a weapon there. I cannot say whether the short one had the revolver in his hand or not, because I was so excited I cannot remember. The police then took the soldiers away."

Accused declines to cross examine.

Louis Ghiga

The accused was cautioned as follows:

"Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

"No Sir, I don't remember anything," because I was under the influence of liquor, and I don't remember what occurred."

R M Graves

Accused does not wish to call witnesses.

I certify that the foregoing Summary of Evidence consisting of 4 pages was taken down by me, in the presence of the accused, and that RP 4 (c) (d) (e) and (f) have been complied with.

DA Col Savage, Major

Major Murdock who was in the leading vehicle testified that the column was not being led at an excessive rate of speed but in fact at 9 m.p.h.

The M.T. Drivers Regulations for the Army Orders that he heard referred to all drivers of motor vehicles shall not exceed 15 m.p.h. when passing [illegible] and when approaching the crest of a hill or when rounding a curve with view to avoiding accidents.

The handbook for 25 pdr Equipment lays down that the maximum speed limit for carriages & trailers fitted with pneumatic tires is 20 m.p.h. for good roads 10 m.p.h. for indifferent roads. 4 of 25

The fact that the gun dragged for about 10 yds before stopping proves that the driver was driving too fast & could not get stopped before.

Gnr Ray testified that the quad was travelling 20 m.p.h. at the time.

D 5 Col Savage, Major.

Sgt. Roy has testified that the car was in good condition & had correct tire pressure. Thus ruling out any mechanical breakdown in its structure.

The fact that the [illegible] (who travelled over the same road) turned over on a road that was free of traffic proves that the vehicle was being driven at an excessive rate of speed.

The boy was in charge of the vehicle & in permitting the vehicle to be driven in an excess of the speed laid down in M T Drivers' Regulations was guilty of the charge preferred against him.

SUMMARY OF EVIDENCE

in the case of

C646 A/L/Bdr ALFRED ROBERT GRAY, 5 Cdn Fd Regt., R.C.A.

a soldier of the Canadian Army Overseas.

The accused is informed of his rights.

The C.O. directs that the evidence to be taken on oath.

FIRST WITNESS FOR THE PROSECUTION

Capt. C.F. Harrington 73rd Fd Bty, 5 Cdn Fd Regt., R.C.A.
sworn, states:

"On Friday 13 Aug 43 returning from Exercise "PICKAXE" at approx. 1900 hrs. I was travelling at the head of "A" Echelon and came upon above mentioned 25Pdr. turned completely over, lying on the right hand side of the track at approx. Map Ref. 508317 (o.s. Sheet 153). There were 10 or 12 vehicles between me and the gun. I thereupon took charge and on arrival of L.A.D. had the gun righted. The brakes and wheels were then inspected and tested to make sure they would run and the gun was taken back to camp at 15 mph. The N.C.O. i/c and gun crew could give no explaination as to why the gun had overturned. I took the following measurements with Lieut. J. Field, 73rd Battery, 5 Cdn Fd Regt., R.C.A. Width of Track - 16 feet, distance from point where gun overturned digging shield into road to point where gun finally halted - 40 yards.
For a distance of 25 yds. previous to where shield marked the road there were definite indications that the gun had been skidding to and fro on the right hand or wrong side of the road and at the extreme right hand edge of the road there were small bumps and ruts which were not more than 6" deep. The track was dirt and chalk in good condition and dry. There was no traffic coming in the opposite direction. There was a very slight down-hill grade. I do not know at what speed the gun was travelling."

The accused declines to cross-examine

C F Harrington Capt RCA
(Capt. C.F. Harrington) R.C.A.

SECOND WITNESS FOR THE PROSECUTION

D6145 Sgt. Firth, G. 73rd Fd Bty, 5 Cdn Fd Regt., R.C.A.
sworn, states:

"On Friday 13 Aug 1943, I was in vehicle (Troop Leader E Troop) returning from exercise "PICKAXE". As we approached a paved road leading off the Downs, I stood on the running board of my vehicle and saw vehicle (Gun Tractor, "A" Sub E Troop) about 100 yards behind me. Because of the dust I could only see the one vehicle and it did not appear to be speeding. We were travelling between 18 and 20 mph. and remembering that there was a sharp turn at the bottom I ordered the driver to slow down. By the time we reached the bottom of the hill, we were travelling only 10 mph. I looked back once more and saw a vehicle coming around the bend ; presumed it to be vehicle (Gun Tractor, "A" Sub

E Troop) and ordered my driver to increase his speed.

The accused declines to cross-examine

THIRD WITNESS FOR THE PROSECUTION

D6145 Sgt Firth, G.

D13623 Gnr Roy, J.H. 73rd Fd Bty, 5 Cdn Fd Regt,. R.C.A. sworn, States:

"On Friday 13 Aug 1943, I was riding in back of vehicle (Gun Tractor, "A" Sub E Troop) and where the accident took place I heard Bdr. Gray tell the driver to stop. The driver slowed down and Bdr. Gray repeated the order and the driver jammed on his brakes. The second time Bdr. Gray told the driver to stop I could feel a tug on the vehicle. The vehicle was going about 20 mph. and was in the centre of the road.

Examined by Officer taking the Summary:-

Q.1 How do you know that the vehicle was travelling at about 20 mph?
A.1 Shortly before the accident, I noticed the speedometer reading 20 mph. and I noticed no increase in the speed of the vehicle prior to the accident.
Q.2. How far ahead of you was the vehicle in front?
A.2 About 100 yds, sir.

The accused declines to cross-examine.

J.H. Roy
(D13623 Gnr Roy, J.H.

FOURTH WITNESS FOR THE PROSECUTION

D6902 A/Bdr Epps, E.T. 73rd Fd Bty, 5 Cdn Fd Regt., R.C.A. sworn, states:-

"There is little that I know about the accident because I did not see it happen as I was watching my own gun. We were only travelling about 14 or 15 mph. about 100 yards behind vehicle (Gun Tractor, "A" Sub E Troop). I knew nothing about the accident until I was within 30 yds of the gun.

The road was dusty and there was a drizzle of rain. The road was bumpy but not slippery and my gun was bouncing but not enough to cause trouble.

Examined by Officer taking the Summary:-

Q.1 What pressure did you have in the tyres of the gun?
A.1 I do not know, sir.

The accused declines to cross-examine

E.T. Epps.
(D6902 A/Bdr Epps, E.T.)

FIFTH WITNESS FOR THE PROSECUTION

D13645 Gnr Ward, G.A.F. 73 Fd Bty., 5 Cdn Fd Regt., R.C.A.
Sworn, states:

"I am the driver of vehicle (Gun Tractor, "B" Sub E Troop) and on the day the accident occurred was following vehicle (Gun Tractor, "A" Sub E Troop) which was from 100 to 150 yards ahead. Owing to the dust it was difficult to see vehicle (Gun Tractor, "A" Sub E Troop), and I did not notice the gun over turn. I did not know that an accident had happened until I was within 50 to 75 yards of the gun. I slowed down almost to a stop but kept going under Bdr Epps' instructions.
The road was quite rough and when the gun tipped it was on a particularly dangerous spot as a washout had occurred there, When I passed over it at a very slow speed, having almost stopped, I could feel the vehicle roll.

The accused declines to cross-examine.

G A F Ward
(D13645 Gnr Ward, G.A.F.)

SIXTH WITNESS FOR THE PROSECUTION

G8005 L/Bdr Strang, A.E. 73 Fd Bty., 5 Cdn Fd Regt., R.C.A.
sworn, states:

"I was doing traffic control at the fork in the road below where the accident took place. I noticed that the vehicle that Gunner Hutchins was driving had stopped. The tractor hid the gun from view and I knew nothing of the accident until Bdr Pelkie 73rd Bty. shouted to me that a gun had upset. I rode over to the stopped vehicle; saw the gun and reported the accident to my Bty Commander.

Examined by the Officer taking the Summary

Q.1 Approx how fast were the vehicles in front of vehicle (Gun Tractor "A" Sub E Troop) travelling when they passed you?
A.1 About 20 mph. sir.
Q.2 Did any guns pass you before the accident occurred?
A.2 No, Sir.
Q.3 How fast were E Troop guns travelling when they passed you?
A.3 The tractor following vehicle (Gun Tractor "A" Sub E Troop) slowed down almost to a stop until I motioned it on. It and the others following it passed very slowly. None were travelling over 15 mph.
Q.4 Before the guns reached the paved road were they bouncing very much?
A.4 Not a great deal, sir.

Accused declines to cross-examine.

G8005 L/Bdr Strang A.E.
(G8005 L/Bdr Strang, A.E.)

SEVENTH WITNESS FOR THE PROSECUTION

Lieut. W.B. Moore, R.C.O.C. #22 L.A.D. attached to 5 Cdn Fd Regt., R.C.A. sworn, states:

" After the accident I examined Ordnance 25 Pdr. Mk II, L2054 Ca 5192 and found the damage to be as follows:-

1. Shield bent and torn.
2. Saddle twisted and cracked at elevating pinion.
3. Elevating arc and pinion damaged and teeth burred.
4. Shield stays twisted.
5. Cradle bent at rear and clamp bracket broken.
6. Oscillating bracket twisted and broken.
7. Tangent Elevation bracket twisted and broken.
8. Dial sight socket bent Forward.
9. Parallel motion link snapped.
10. L.B.M. twisted.
11. Field Clinometer - plane faces damaged.
12. Dial Sight - Micrometer head and worm spindle damaged.
13. Field Cline case and Dial Sight case damaged.
14. Brake Linkage seized.

Subsequently I obtained from 5 C.I.B. Workshops list of parts and re pairs which is attached as Appendix "A".

Examined by officer taking Summary

Q.1 Do you believe it possible for a gun to upset while travelling at 20 mph. with normal tyre pressure?
A.1 It is quite conceivably possible that it could happen depending on the nature of the ground over which it was travelling.

Accused declined to cross-examined.

(Lieut. W.B. Moore) R.C.O.C.

EIGHTH WITNESS FOR THE PROSECUTION

B1. The President on ~~JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). The accused, sworn, states:

I have been absent from my unit from 10 Jan 46 until the 23rd March 46. When I went absent I was accompanied by Pte Cormier who had the unit Chevrolet staff car. We left Germany and went to Belgium where we stayed in Chaant for several days and then we left and went to Charleroi. There we made the acquaintance of a civilian who lives in Charleroi. He knew that we were absentees and he decided to give the money to us to go to France to buy cigarettes and bring it back to Belgium for sale. We made 7 or 8 trips to France and then one day he saw an English vehicle sitting by a garage and he went in and inquired about it. Then Cormier told me that the vehicle could be ready by the 20 March 46. On the 20 Mar 46 we went out to get the vehicle and while we were making the final adjustments a military Police jeep drove up. They called Cormier to the jeep and later called me to the jeep and asked me for my identification which I showed to them. Then there was a conference between the MP officer, in a British Army Captain uniform and the garageman. They he said we would have to go to Brussels with them. He told me to get in the jeep and we started for Brussels. Just outside Charleroi something happened to the car and a conference went on between Cormier and the Capt and then we were allowed to go. Cormier then showed me a piece of paper which the British officer gave him. We went to the US MPs at Charleroi and asked the officer in charge if he could send MPs with us to collect the vehicle. When we arrived at the garage Cormier and the two MPs spoke to the garageman. After a few minutes they came out, Cormier driving the British car, a Humber Navy staff car, and started toward Charleroi. I and one of the MPs was in the Chev car. When we got to MP HQ in Charleroi we waited for Cormier and the other MP. When they came in I saw they were accompanied by an English Sgt. When he and Cormier were talking one of the MPs told me the Sgt wanted to see my identifications. So I went in and showed it to him. I then knew that we were in trouble so I decided to escape and I managed to get away. Two days later when I was inquiring about Cormier I was approached.

"G.B. Gray"

I certify that the foregoing Summary of Evidence, consisting of 4 pages was taken down by me in the presence of the accused and that RP 4(c),(6),(7) and (8)(13) have been complied with.

Who states:

On Wednesday, 20th March, 1946, I seized a Chevrolet Saloon Car in connection with the case of No. G.2748 Pte CORMIER, AJ and No. F.36870 Pte GRAI [illegible]

I examined the vehicle and saw that it had been painted a khaki green colour, the front of the vehicle had been slightly damaged and also the offside of the vehicle was extensively marked, suggesting that it may have been in an accident. The vehicle was not in very good condition generally and the gear box did not appear to be in very good working order.

Corps of Military Police.

WHO STATES:

I am a member of the Special Investigation Branch of the British Army.

At about 2030 hours on Wednesday, 20th March, 1946, I was travelling between Philippeville and Charleroi when I saw a Humber Heavy Utility Vehicle No RN 54854 travelling towards Charleroi. I caused the vehicle to stop and saw that the driver was a Canadian soldier who was wearing corporal's chevrons. I questioned him regarding his right to be in possession of the vehicle. He replied, "I am collecting it for Major Ambrose of the Royal Naval Transport Department, Brussels. If you want to know any more speak to the American MP who is escorting me." I then saw that a US Military Police jeep had stopped behind the British vehicle. I spoke to the driver who told me that the British vehicle had been recovered from a civilian garage in St Lambert and that it was being taken to the US Military Police Office at Charleroi where it was hoped to repair the lights so that the vehicle could continue the journey to Brussels. I then allowed the Humber to continue and followed in my own vehicle. When I arrived at the US Military Police Office at Charleroi, I questioned the Canadian Corporal as to his identity. He was not in possession of any identity documents but he told me that he was No. C.2748 Cpl Cormier, AJ and that he was attached to Brussels Garrison. At this point I saw a second Canadian who told me that he was in company with CORMIER and that he was F.38670 Pte GRAY EB also attached to Brussels Garrison. He also stated that the vehicle was on its way to the R.A.S.C. Brussels. I was not satisfied that everything was in order so I telephoned to Brussels with a view to verifying the statements made by the two Canadians. During the time that I was telephoning the two men made an attempt to escape. I ran after them and managed to catch CORMIER but GRAY avoided capture. I did not question CORMIER at this point but handed him over to the US Military Police to be detained pending the arrival of an escort to convey him to Brussels. At this point I learned that the two Canadians had arrived at the US Military Police Office, Charleroi in a Chevrolet Saloon Car. I examined the car and saw that it did not bear any identification marks on the bodywork, but that there was a CFN label attached to the windscreen. I took possession of the label which I now produce. I then left the two vehicles in the custody of the US Military Police to await collection. On Thursday 21 st March, 1946, CORMIER was brought to Brussels along with the Chevrolet vehicle, which I impounded. At about 1800 hours that day, I interviewed CORMIER. I told him who I was & cautioned him. I then said to him, "I have reason to believe that you were stealing that Humber car last night". He replied, "Yes, Sergeant, I will tell you the whole story". I again cautioned him and he elected to make a voluntary statement which I took down in writing and now produce. After reading the statement he signed it. As I commenced to take down the statement, I asked him for his number, rank and name. He then said that he was a private. I immediately ordered him to remove the badges of rank which he was wearing. I then handed him over to the Town Guard Room Brussels to be detained, charged with absence without leave. On Saturday 23rd March, 1946, accompanied by CORMIER, I visited the house 58 Bijlokewest, Ghent. I made a search of the house and found a quantity of army clothing which I took possession of. During the search I discovered 27 packages of perfume and as I was examining them, CORMIER then said to me, "Those are mine Sergeant, I bought

them in France". I took possession of the 17 packages of perfume. I returned CORMIER to the town Guard Room, Brussels where I handed the clothing over to the RCO i/c Guard. On Sunday, 24th March, 1946, I interviewed No. 10683036 L/Cpl KELSEY, G of 247 Provost Company, who made a statement to me. Later the same day I interviewed GRAY. I told him who I was and cautioned him. I said to him, "I have reason to believe that you were actively concerned in the stealing of the Humber car on Wednesday 20th March, 1946." He replied, "Yes, I guess you know it all Sergeant so I might as well admit it". I again cautioned him and he elected to make a voluntary statement which I took down in writing and now produce. After reading the statement he signed it.

1E Army APO 228

WHO STATES:-

At about 1515 hours on Wednesday, 20th, March, 1946, I was instructed by Lt ROYCE to accompany two Canadian soldiers to St Lambert where they were going to collect a British vehicle.

I went to St Lambert where I saw a British vehicle No. RM 51061 in a civilian garage. A conversation took place between the Canadian Corporal and the garage proprietor, and the vehicle was then taken from the garage by the Canadian corporal.

The Canadians travelled down to St Lambert in a Chevrolet saloon car and on the return journey to Charleroi I drove the civilian vehicle at the request of the Corporal.

I can identify both of the Canadian soldiers again if necessary.

I have read over the above statement and it is true.

WHO STATES:

'I want to make my statement in French. About two months ago, I think it was on the 20th January, at about 1700 hours, one British Naval Officer accompanied by a lady came to my house. He was wearing a khaki greatcoat, and a leather jerkin, and had a navy blue peakcap. The lady told me:, "our car is broken down at the top of the hill, the back axle is broken." She asked me if it was possible to have a brake-down truck to repair their car and bring them back. I told them nobody had one in the district. She then asked what time was the next train to take them back to ANTWERP. They then went away. At about 2000 hours, an English soldier came to my house, he spoke French with great difficulty, but managed to make me understand that he had to spend the night in the car, and he asked me if I could go and bring the car back to the garage. I went to pick up the car and parked it outside of my garage. The soldier came into the house, where he spent the night. The next day, he telephoned the Metropole Hotel, Antwerp, on two occasions. He told me he could not get through. He left in the evening, with the 1800 hours bus going to Charleroi, and told me he was going back to Antwerp to get a brake-down truck to tow the vehicle back. I never heard anything more about the car, which was still parked outside my garage, until the 15th March, 1946. At about 1200 hours on that date, two Canadian soldiers accompanied by a civilian asked me what the car was, and how it happened to be at my house. They stated they were sent by their Colonel, who had noticed on several occasions that the car was parked at Ivez-Gomesee. I explained to them what I have just told you, and they said they would inform their Colonel and went away. On the 19th March, the same two Canadian soldiers, still driving the Chevrolet, arrived at the garage. They told me to dismantle the back axle and repair it, which I did, and they drove away in the car. They had gone about 100 yards when the back axle broke again. They brought the car back, and I again dismantled the back axle, which they took to a local turner's shop and asked for a new one to be made for the next day. The next day they again came to the garage with a new axle which I fitted on to the car. They then gave me 1 100 francs for my work, without my having fixed any price. I gave them a receipt. Whilst they were testing the vehicle on the main road, three Military Policemen (British) arrived in a jeep. They stopped and spoke to the two Canadian soldiers. The officer of the military police then told me not to let anybody take the car out of the garage, except against receipt from the Military Police. They took the two Canadian soldiers with them and went away towards Charleroi. The same day about 2000 hours, two members of the American Military Police, accompanied by the above mentioned Canadian Corporal came and took the car away, and gave me a receipt for it. This is all I know regarding this affair.

"E.B. GRAY"

I have been absent from my unit since about the 16th January, 1946. When I went absent I was in company with Pte CORMIER of the same unit. Cormier was in possession of a Chevrolet saloon car which belonged to the unit. We travelled from Germany into Belgium and visited Ghent where we stayed several days at 58 Bijlokevest, Ghent, which is the home of Cormiers girl friend. After a few days we left there and went to Charleroi, after we had been there we made the acquaintance of a civilian named Joseph PIERRARD of Gosellies, nr Charleroi. I can't speak French so I could not say what conversation took place between Cormier and the civilian but Cormier later told me that the civilian had proposed that the Chevrolet car should be used for a trip into France. The arrangements were that some cloth was to be bought in Belgium and smuggled into France where it was to be sold at Black Market prices in Reims. The money obtained from the sale of the cloth was to be used to purchased a quantity of Champagne which was then to be smuggled into "elgium and disposed of by Pierrard. This proposal was agreed to and about seven or eight trips of this kind were made, the Belgian Customs authorities allowed us to enter Belgium with the champagne because they thought that it was for Military purposes. I did not understand what took place between the Customs and Cormier because it was in French.
During the trips to France we had seen a British Staff Car parked at a garage in Saint Lambert nr Phillipeville. On Monday 18th March, 1946, we stopped at the garage and Cormier spoke to the garage man about the vehicle. After the conversation, Cormier told me that the car had been there for about two months and that he had told the garage man to repair it. Cormier then told me that the car would be ready for Wednesday, 20th March, 1946, and that his intention was to collect the car and use it for the trips into France. On Wednesday, 20th March, 1946, we went to the garage to collect the car. Whilst the final adjustments we e being made to the British car in front of the garage a Military Police jeep pulled up in front of the garage. Cormier went over and spoke to the men inthe jeep, but I did not hear the conversation. One of the MPs then called me over to the jeep and asked me for my service book which I produced to him. He examined it and returned it to me. The conversation then continued between Cormier and the MPs. One of the MPs then told me that I should have to go with him to Brussels. I was ordered to get into the jeep and one of the MPs got into the Chevrolet along with Cormir. We then travelled towards Brussels, but stopped at Charleroi to get petrol from the American Petrol station. We then resumed the journey towards Brussels. When we got just outside Charleroi something went wrong with the Chevrolet car and we stopped. A conversation then took place between Cormier and one of the MPs and we were allowed to go. Cormier then showed me a piece of paper that the MP had given him authorizing him to collect the British vehicle. We then returned to Charleroi in the Chevrolet car and the MP jeep went off in the direction of Brussels. When we reached Charleroi we went to the US Military Police office where Cormier spoke to the officer in charge. We had a meal at this place and then we returned to the civilian garage at Saint Lambert accompanied by two Military Policemen in a jeep. When we arrived at the garage, Cormier and the two US Military Policemen went in and spoke to the garage man. After a few minutes they came out, Cormier was driving the British car. We then started off towards Charleroi one of the MPs rode with me in the Chevrolet to the US Military Police office at Charleroi, where we waited for the other vehicles to arrive. When Cormier arrived at the office I saw that he was accompanied by a British Sergeant who started to question us and make enquiries regarding the British vehicle. I then saw that we were in danger of being arrested, so we attempted to escape I managed to get away and I went to the home of Pierrard at Gosellies where

First Witness for the Prosecution

WR 170 Constable E C CROSSE, Monmouth Police Sta, MONMOUTH, being sworn states:-

At 0040 hrs Tue morning 31 Aug I was in my house at Whitebrook, Monmouthshere when I heard the sound of smashing timber on the rd outside and men shouting. I put on my uniform and went down onto the rd where I saw a square of fencing 4'x4' smashed on the other side of the rd. About 20 or 30 yds up the rd there was a group of 4 soldiers. I shone my spotlight on them, they were still smashing something up the rd. One of them called out, "what do you want". I replied "I want you to come back here and see this damage". Two of the men then ran towards me, a third one laid down a few feet away. The fourth man remained further up the rd holding a white light. The two men who came towards me appeared to be hostile, so I shone my torch on my uniform so that they could see who it was accosting them. I then shone the light on them again and the man on the left shouted, "It is only a fucking policeman, we can knock his head off". The man on my left then wrestled with me for possession of my torch which he obtained. I then drew my staff and warned the men again that I was a police offr. The two men then took hold of the staff and my arm was twisted until I had to release it. The man on my left then raised the staff over my head with his right hand and said, "we can knock your head off and we will". He did not deliver a blow however, he closed with me and pinned my arms to my side. He then began to walk me backwards and the man on my right landed two blows on my neck. The man on my right then said, "take your bloody glasses off so that we can hit you properly". Neither of the two men had hats on. I noticed that the man on my left had hair which was brushed back, the man on my right had hair which was standing straight up. I eluded the men and went to phone for help from Monmouth . I also got another torch from my own house. When I got back to the rd the men had vanished. I immediately made enquiries at Whitebrook in compnay with two other police offrs as a result of which we went to a gravel quarry near Tidenham. The gd there took us to Capt J H Seybold and we told him what had happened. After making a search of the camp he infm us all men were present. The time was then 0230 hrs 31 Aug. Later in the day I returned to the quarry. I identified Pte Damard as the man who had been on my left and Gnr Gray as the man who had been on my right.

I left camp about 2000 hrs and proceeded to Crown Inn, Whitebrook with Gnr Gray. I arrived at the Inn about 2030 hrs 30 Aug and spent the time drinking until closing time which was about 2230 hrs. I left in company with Sgt Brown, Gnr Fyfe, Pte Danard and Gnr Gray. Just after leaving the pub we all had a drink outside and started up the road together. As we walked we started to straggle out. I was with Gnr Gray for awhile and then Gnr Fyfe. About ½ mile from the pub I got seperated from Gnrs Gray and Fyfe and proceeded to the camp alone. About ½ mile further on I met Gnr Fyfe. I spoke to Gnr Fyfe and then he carried on towards the camp and I followed closely behind. I arrived in camp and went straight to bed. During my stay at the pub I drank between 6 and 8 beers and drank for about 5 minutes outside of the pub. I saw Pte Danard outside of the pub and left Gnr Gray about ½ mile up the road. Gnr Fyfe came along right after Sgt Brown had passed me. Gnr Fyfe did not accompany me to the Camp. When I arrived at camp, Gnr Gray who shares a bed with me was not in. I arrived at Camp at about 2315 hrs. Gnr Gray arrived back and went to bed about 2325 .

The Defence Counsel examines the witness:

There were no other soldiers in the pub ~~besides our group~~. At closing time other than our own group of five. Gnr Gray was wearing his DR equipment when he was in the pub. Gnr Gray had on his crash helmet when he left the pub and when I saw him again. We had a quart bottle of beer to drink between the five of us outside of the pub. I saw Gnr Fyfe about ½ mile from camp.

Fourth Witness for Prosecution.

K76640 Gnr Fyfe; D. 2 Cdn CBO Staff RCA, sworn, states:

I left the pub about 2230 hrs. I had a drink outside with the group. On the way home we broke up and I found myself walking with Sgt Brown. I left Sgt Brown about ½ mile further on. I walked on my myself to the first Cross Rds and I met L/Bdr Stewart. After a few words with Stewart I started for the camp. On reaching camp I went to the latrine. I was in the latrine for about 5 minutes and walked over to the tent. On the way to the tent I met L/Bdr Penny and then I went straight to bed at about 2320 hrs. During my stay in the pub I had at least 8 pints of beer. I did not notice whether any of the group which I left the pub with were in camp when I arrived. I did not hear anyone come in after I went to bed for I had my head under the blankets.

The Defence Counsel examines the witness:

I never noticed any other soldiers in the pub on the night of 30 Aug outside of our group. We spent about five minutes outside the pub drinking a quart bottle of beer. I did not have any bottled beer with me when I left. I do not know who supplied the quart of beer. I talked to L/Bdr Stewart about ½ mile from Camp. I heard footsteps all the way up the road until we turned off the road where the trail commenced for the camp.

Fifth Witness for Prosecution:

First Witness for Defence

The accused M590 Gnr Gray HA having been duly warned gives the following evidence under oath:

I left camp around 2000 hrs 30 Aug with L/Bdr Stewart and proceeded to the Crown Inn, Whitebrook where we spent the evening until 2230 hrs drinking. I drank about 12 pints of beer. At 2230 hrs when the pub keeper hollered time we all left and went outside together. Just outside the pub we had a bottle of beer between us and started for camp together. We got spread out. I tried to keep up to L/Bdr Stewart. After we got split up I found myself walking with someone whom I did not recognize. A little further on we met a person who might have been a policeman who hollered at us telling us not to make so much noise. This man in uniform appeared when we were about ½ mile from the pub. We did not stop but kept on going and I arrived in camp alone. On arriving in camp I spoke to L/Bdr Stew art who had just got into bed, we talked for a short while and went to sleep. The only time I stopped on the way from the pub to the camp was just outside of the pub where we had a drink. I had no physical contact with anyone from the time I left the pub until I reached the camp. I do not remember anyone flashing a light, the persona in uniform had on a square hat and might have been either a bus driver or a policeman.

Witness was examined by the Prosecution.

I estimate that I arrived in camp after 2300 hrs but before midnight.

Witness was examined by President.

I was wearing my DR uniform and my crash helmet. I wore my crash helmet all the time on the night of 30 Aug for fear of losing it. I have my crash helmet now.

RP 83 (b) complied with.

Second witness for Defence:

M16629 Pte Panard; A V having been duly warned gives the following evidence:

On the night of 30 Aug shortly after 2000 hrs I left the camp accompanied by Sgt Carr. We were going down to the pub at Whitebrook. Just as we got to the pub we met Sgt Brown and Gnr Fyfe. I drank beer in the pub until closing time. Just before we came out of the pub there was a flagon of beer on the counter which the pub keeper told me to take. I stepped outside the pub when I tumbled over something and the flagon broke. When I caught up to the others on the road they were passing a bottle around and I had a drink there with them. We then started up the road together. While I was walking up the hill alone I head others in front of me. When I got home I talked to Pte Baker. Then I went straight to bed, but I do not know the time I got into bed. I estimate that I had 6 to 8 pints in the pub and a drink outside the pub.

The above witness cross-examined by the Prosecution.

I think I can remember everything that happened on the night of 30 Aug.

Cross examined by the President.

I do not know the exact time I reached the Camp but I walked back slowly not sitting down anywhere.

RP (B) 83 complied with.

Third witness for Defence:

K37230 Pte Baker; S J 2 Cdn CBO Staff RCA sworn, states:

I am a cook in the mens kitchen. I know both the accused Pte Panard and Gnr Gray. On the night of the 30 Aug I was around the kitchen talking with Gnr Smith who was the guard. We talked till about 2250 hrs when I started to make my bed. I know it was 2250 hrs for I asked Gnr Smith for the time and he looked at his watch. I spoke to Gnr Smith again at 2300 hrs when he went off guard. I then smoked a cigarette in bed. Pte Panard then came in stepped on the foot of my bed and I spoke to him. I would estimate that Pte Panard came in between 2320 and 2325 hrs.

The witness was cross examined by the prosecution.

I was not asleep when Pte Panard came in. I may have fallen asleep before he came in but this is highly improbable. I was not very tired on the night in question as I had a sleep during the day.

RP 83(b) complied with.

Fourth Witness for Defence

Capt J E Seybold, 2 Cdn CBO Staff, RCA, sworn, states,-

I inspected the kit of the men in my unit on 31 Aug and did not find either a constable's staff or flashlight. This inspection included the kits of the two accused. I do not know of the accused, Gnr Gray being short a crash helmet since 30 Aug. There were 17 men present on the identification parade 31 Aug.

RP 83 (b) complied with.

Closing address of
Defence Counsel (sec 7)

This case rests on the question of identification of the two accused. The court is faced with the problem of reconciling two contradictory reports, as to the presence of the two accused in two different places at materially the same time. On the one hand the evidence of Constable Cross that at 0045 hrs 31 Aug ~~Rx~~ out of a group of 4 soldiers the accused were the two by whom he was assaulted. On the other hand we have the quite independent evidence of Pte Baker that the accused Pte ~~B~~anard had stepped on his bed and had subsequently gone to bed in a camp about 1 mile away from the scene of the assault. L/Bdr Stewart said that the accused Gnr Gray came into bed a few minutes after he did at least 1½ hrs before the time of the assault. I ask the court to examine the credibility of these two sets of statements as they apply to the accused. In the latter case there is no question of identification, the accused are known to the persons who gave the evidence. L/Bdr Stewart's time is fixed by the fact that he met Gnr Fyfe about ½ mile from camp. Gnr Fyfe going on into camp ahead of him, the latter arrives at a time fixed by L/Bdr Penny as being between 2300 and 2330 hrs. I submit to the court that it is unreasonable to assume that L/Bdr Stewart took another 3/4 of an hour to make that ½ mile and that the time of his arrival may be taken to be before 2330 hrs.

We are asked to believe that agroup of five men will leave a pub at closing time and are still on their way home some two hours later. Yet we are told by Sgt Brown, Gnr Fyfe and the two accused that they all moved off together from the pub at the most 15 minuts after closing time. I ask the court where the four men of whom the accused are alleged to have been two came from. When we are told that out of a group of 5 from this unit two were definitely in camp by midnight and one was ½ mile away at midnight. I ask the court to examine the strength of the identification by the first witness of the accused. The constable came onto the road, flashed his torch on a party 20 or 30 yds away. Two of the party come running towards him as they come he shines his torch on himself to identify his uniform, then these two men start grappling for the torch. All of this activity the constable tells us took a minute or a matter of seconds. This taking place on a practically moonless night. The constable does not recall any peculiarity in dress and does not recall seeing any dress other than ordinary battle dress on any of these two men. I suggest to the court that a torch flashed over a distance of 20 to 30 yds on people running towards one shows more than just the faces. High boots and breeches, a crash helmet, whether worn or carried, are sufficient variance of the normal pattern as to make a decided impression. I suggest to the court that Constable Cross has made a mistake in identification. His identification is based on colour of hair, height and general build. I would submit as a ~~Rxxx~~ psycological fact that the human mind sees and recognizes that which it wants to see and recognize.

The constable comes to a group of 17 men and sees two who answer his description. The first time he sees them he is positive of one and not of the other. The second time he sees them that evening he is satisfied as to both. I submit that having seen them in court a third time he firmly believes they are the two men. I would submit to the Court that Constable Cross at about 2300 hrs saw the accused walking down to the pub. The next day when he came to identify them they struck a responsive chord in his mind and his identification was incorrect.

I ask the court to pay attention to MML p 58 para 67 ch 5.

I suggest that at least one hour before the scene described by the constable took place the accused were back in camp.

Closing address of the Prosecution.

As Capt Sheps pointed out there are two conflicting stories, one the evidence of the policeman, who as it was said before, was positive of the identity of one man on the parade, but was not certain of the other until he heard the second one's voice later on. Against that we have the evidence of L/Bdr Stewart and L/Bdr Penny, Sgt Brown, Gnr Fyfe, as to when they arrived home. None of them should have been out of camp at all. With the exception of Fyfe who was seen by Penny within certain time limits I submit that there has not been one definite time established regarding the time of return of these men. In Penny's evidence he stated that he went back to the tent after duty at about 0045 hrs. He remembers Fyfe there. He does not remember any of the others. It is reasonable to expect that had Gray been in Penny would have noticed him as they only slept a foot and a half apart. I would ask the court to consider the way these soldiers spent the evening, the amount of beer they had consumed, the fact that none of them should have been out of camp, at the time when it is weighing the evidence.

Summary of evidence in the case of M 590 Gnr Herbert Alfred Gray and M 16629 Pte Avery Victor Danard of 2 Cdn C.B.O. Staff R.C.A., Canadian Army Overseas, charged with a civil offence, that is to say assault of W.R. 170 Constable Crosse of the Monmouthshire County Constabulary.

First Witness

W.R. 170 Constable Edward Owen Crosse, sworn, states:

At 0040 a.m. on 31 August I was at my home in Whitebrook when I heard the sound of smashing wood on the road outside and some men shouting. I put on my uniform and went down on to the road where I saw a 4'x4' section of fencing which had been recently smashed. A little way up the road there was a group of men smashing at something. I shone my torch towards them and one of them called out, "What do you want? I replied, " I want you to come down here and see this damage." One of them called out, "All right we are coming" and two of the men came towards me. They appeared to be hostile so I shone my torch on my uniform so that they should know who it was accosting them. I then shone the torch on them again and they continued to come towards me. I warned them to stop intending to question them. The man on my left who appeared to have the fairer hair of the two said, "He is only a fucking policeman, we can knock his head off." He then tried to take the torch from me and I shone it on them again. The man on my right had darker hair that stood upright on his forehead. The man on my left succeeded in obtaining possession of the torch. I then drew my staff and warned the men once more that I was a police officer. The man on my left then shone the torch on my face and both men tried to get my staff from me. They twisted my arm around until I had to release my staff which was taken by the man on my right. The man on my left then took the staff and held it up in his right hand above my head and said, "We can knock your head off and we will". He did not deliver a blow but closed with me and pinned my arms to my side. He then pushed me backwards and the man on my right started punching me on my throat but landed only two blows. The man on my right then said, "Take off your bloody glasses so we can hit you properly." I then released myself from their grasp and went to a house to telephone for assistance from Monmouth. When I returned to the road the men had gone. At 1.20 a.m. in company with Sgt Taylor and W.R. Turvill, I visited the Crown Inn at Whitebrook. I made enquiries there as a result of which we three officers visited a gravel quarry near Trelleck. We there saw Capt Seybold and told him what had occurred and that we beleived the men to be in his unit. We were informed by Capt Seybold after he had made a search, that all men were present, the time then being 0230 hrs. At 0700 hrs, 31 August, I searched the road where the fight had occurred and found a flagon half full of beer in a ditch and a bottle containing a clear liquid. At 9.30 a.m. 31 August in company with Supt. Lewis of Monmouth I visited the quarry again. An identification parade was held and I was invited to try to identify my two assailants. I identified the two men who are before you now, Gray being the man who was on my right and Danard on my left. During the fight a third soldier was lying on the road a few feet away and a fourth man, who I

do not know if he was a soldier, was about thirty yards away up the road holding a white light. He remained there during the fight.

Q. What other troops are there in the neighborhood?

A. To my knowledge, more within seven miles of Monmouth in which district I am in, I do not think there are any between here and Chepstow.

Pte Danard, the accused, cross examined:

Q. When you came out on the road how far away would you say the troops were that were doing the breaking?

A. About 15 yards.

Q. I understand you to say that you stood by the break in the fence and these two soldiers approached you.

A. I did say that.

Q. When you came out on the road firstdid you shine your torch around to see the damage?

A. Yes. I did.

Q. Then did you see the man that you said was lying on the road?

A. The third man did not approach me in the same manner as the other two.

Gnr Gray, the other accused, cross examined the witness:

Q. You say that the two men who approached you had no hats on?

A. I did not say that but I say it now. That is how I was able to describe their hair.

Address by Accused in Mitigation of Punishment

When I came to this unit I was told I was to be a D.R. and would be kept busy with M.E. orderly work. I gave up a stripe in C.D.R.U and a job instructing to come here. When I arrived I sat around for three months doing fatigue work. It went on like that until the Spartan scheme, which was the first time I had to ride my bike. Then there was no more riding until the next scheme. I gradually got fed up with the unit because I wanted to be kept busy. I took a course in D.R. because I wanted to ride a bike. Being idle around here is the reason I've had a few crimes in this unit.

Address by Defending Officer on Statement of Character and Conduct

The plea of guilty was the result of the verdict of the court in the previous case. The court heard the evidence in the previous case and it would be the same facts in this case. The same things should be considered in this case as to sentence, namely that there was some excuse for taking this machine out for a test after doing maintenance on it. I would also bring to the Court's attention that there are not very many serious crimes entered on the conduct sheet of the accused.

Plea of Mitigation

The accused F87709 Gnr Gray J. R. enlisted 18th July 41 at the age of 15 yrs. and came overseas 13th Dec the same year.

He went to France in June 44 with the 4th L AA Regt later transferring to the 3rd L AA Regt in Nov. 44 and fought with them all the way to Oldenburg Germany.

From there he returned to England on B. L. A pass, ending up in the hospital. On discharge from there was posted to Borden where he volunteered for Bursna and has been on fatigues ever since.

He is homesick and would like to get home now that the war is over, but is frozen to his lot with only fatigues to look forward to and in respite rebellion went A.W.L. Prior to this his record is very good.

As to the second charge, Gnr Gray was on his way back to his unit to surrender when apprehended and unwisely resorted to this falsehood; hoping he would be able to carry out his original intention.

He is only a boy and realizes the wrong he has done and is heartily sorry for it. I feel sure he will conduct himself as a good soldier in future.

Knowing and having talked to this man I beg to remd to consider leniency in his case for I feel this will do much to preserve a useful citizen

PLEA IN MITIGATION

Wir I like to point out to the court that this soldier has been in the army since 1937 with the 49th Edmonton Regt (NPAM) He went active in February 1940 with the infantry.

He completed his Basic Training and his infantry training and was overseas as an infantry reinforcement. While overseas with the infantry he had one small crime.

In July of 1941 he was involuntary transferred to the Ordnance Corps when he was given a job in the Mobile Laundry. During his service with the Mob Laundry he found that he didn't fit in to that type of work and was paraded in an attempt to re-join an infantry unit. He was flatly refused. Followin this he became involved in one or two charges and at all times asked to be transferred back to an infantry unit.

Since the 17th Feb of this year he has received no letters from his wife at home. He received the last parcel in June. ofth's year. This fact, combined with the fact he was unhappy while working with the mo Laundry led to the present charge.

I wish to point out to the Court that this man appears to be psycholigically maladapted to the work to which he was put in the Ordnance Corps. Tl a man of his temperment the Mob Laundry is"tantamount to being sent to Coventry"

I bring to the attention of the Court that this man's crime sheet, for his period of service over 4 years is very clear. I would recommend the utmost leniency in his case, coupled with recommendation from the court, that this man be transferred to the infantry.

PLEA IN MITIGATION

E3
DPR

Sir: I like to point out to the court that this soldier has been in the army since 1937 with the 49th Edmonton Regiment (N.P.A.M.). He went active in February 1940 with the infantry.

He completed his Basic Training ~~[illegible]~~ his Infantry Training ~~[illegible]~~ (N.P.A.M.) ~~[illegible]~~ While serving with the infantry he had one small vision.

In July of 1941 he was involuntary transferred to the Ordnance Corps where he was given a job in the Mobile Laundry. During his service with the Mob. Laundry he found that he didn't fit in to that type of work & was guarded in an attempt to re-join an infantry unit. He was flatly refused. Following this he became involved in one or two charges & at all times asked to be transferred back to an infantry unit.

Since the 17th Feb. of this year he has received no letters from his wife at home. He received the last parcel in June of this year. This fact, combined with the fact he was unhappy while working with the Mob. Laundry, led to

the general charge.

I wish to point out to the Court, that the man appears to be psychologically maladapted to the work to which he was put in the Ordnance Corps. In a case of his temperament the Mob Laundry is tantamount to being out to County.

I bring to the attention of the Court that this man was shot, for his period of service over 4 yrs., is very clean. I would recommend the utmost leniency in his case, coupled with a recommendation from the Court, that the man be transferred to the infantry.

PLEA IN MITIGATION

Wir I like to point out to the court that this soldier has been in the army since 1937 with the 49th Edmonton Regt (NPAM) He went active in February 1940 with the infantry.

He completed his Basic Training and his infantry training and was overseas as an infantry reinforcement. While overseas with the infantry he had one small crime.

In July of 1941 he was involuntary transferred to the Ordnance Corps when he was given a job in the Mobile Laundry. During his service with the Mob Laundry he found that he didn't fit in to that type of work and was paraded in an attempt to re-join an infantry unit. He was flatly refused. Following this he became involved in one or two charges and at all times asked to be transferred back to an infantry unit.

Since the 17th Feb of this year he has received no letters from his wife at home. He received the last parcel in June. ofthis year. This fact, combined with the fact he was unhappy while working with the mo Laundry led to the present charge.

I wish to point out to the Court that this man appears to be psycholigically maladapted to the work to which he was put in the Ordnance Corps. Tl a man of his temperment the Mob Laundry is"tantamount to being sent to Coventry"

I bring to the attention of the Court that this man's crime sheet, for his period of service over 4 years is very clear. I would recommend the utmost leniency in his case, coupled with recommendation from the court, that this man be transferred to the infantry.

PLEA IN MITIGATION

Wir I like to point out to the court that this soldier has been in the army since 1937 with the 49th Edmonton Regt (NPAM) He went active in February 1940 with the infantry.

He completed his Basic Training and his infantry training and was overseas as an infantry reinforcement. While overseas with the infantry he had one small crime.

In July of 1941 he was involuntary transferred to the Ordnance Corps when he was given a job in the Mobile Laundry. During his service with the Mob Laundry he found that he didn't fit in to that type of work and was paraded in an attempt to re-join an infantry unit. He was flatly refused. Following this he became involved in one or two charges and at all times asked to be transferred back to an infantry unit.

Since the 17th Feb of this year he has received no letters from his wife at home. He received the last parcel in June. ofthis year. This fact, combined with the fact he was unhappy while working with the mo Laundry led to the present charge.

I wish to point out to the Court that this man appears to be psycholigically maladapted to the work to which he was put in the Ordnance Corps. Tl a man of his temperment the Mob Laundry is"tantamount to being sent to Coventry"

I bring to the attention of the Court that this man's crime sheet, for his period of service over 4 years is very clear. I would recommend the utmost leniency in his case, coupled with recommendation from the court, that this man be transferred to the infantry.

Opening Adress of Prosecutor

This is a charge of desertion under Sec 12(1)(a) A.A. For a conviction to lie under that section it is necessary to prove only that the accused intended to avoid some important particular service, such as active service. (Read P. 437 ftn 1 para 2 M.M.L.) It is the intention of the prosecution in this case to prove that the accused absented himself without leave with the intention of avoiding a field draft, after having been specifically warned for that draft.

The accused A 23351 Cpl Gray A being duly sworn states I am a regimental sergeant I was enlisted on the 29 th of May 1944. on the Cairo Mounted Field Unit. I had been with the field unit on two years. I left the unit on the 9 th of June 44 when I was admitted to hospital to have an operation I was in hospital approx 14 days. I was sent from hospital to the staging camp at Libby. I had written instructions from the hospital which I was to deliver to the M.O. at 2 C.I.R.U stating I was to undergo treatment for the next 30 days. I did not deliver these instructions because the documents were taken from me upon entering the staging camp at Libby. I was sent to 2 C.I.R.U on the 24 th of June 1944. At 1600 hrs on 27th June I was called upon to attend a parade of F Coy. After falling in on this parade I was inspected by an officer and was dismissed from that parade approx 15 mins later. I then went to Barnsley and proceeded to start drinking until closing time. I met a friend a L/Cpl Rimmer at approx. 2200 hrs. at that time I considered myself in a drunken condition and feeling rather than at fighting and I was to be posted to a new field unit and after talking it over with L/Cpl Rimmer, we thought the army was wrong as a rule and decided to go A.W.L after two days had passed we saw we had been wrong and decided to come in and report to the guard room 2 A.A.R.U. which ended

'B' What was your job in the field unit

I then asked the O.M.S who was following the officer the reason for removing them and he told me I was to be posted to a new field unit

an important particular served which he AA intended to serve. Deemed in open one important service, the conduct of the prosecution is unable by the defense, and the accused was informed of the intended to mess the trap. Submit the accused is guilty of desertion.

Statement of Accused:-

This is nothing more I have only except that my field card was signed for leave we went on the field has been satisfactory and other than me on two month army crime my record is clean.

Plea of Mitigation -

Our Lord the war is ongoing and we American became to Canada and enlisted voluntarily became service on June 42 and with the unit for almost two years until forced to go to the hospital for an operation. At the end of the three month as an Acpl. been confirmed as a Cpl and promoted an additional stripe [illegible] recognizes "23" month to be worth, and has provided "57 Fighting Unit. despite the fact that I was supposed to have a certain amount of treatment before going to the hospital to proceed that treatment began and had to be cut

as soon as possible because what taken place had been briefed to the field commanders. You know MFMG before what is self explanatory. My main conviction is that had he been going to his own unit nothing would have made him happier. I trust he could bear in mind the situation wholly a confirmed NCO. is posted into another unit after than his own. that situation is appreciated by the undersigned also. He has had no time since May 44 to be here and to do what he can towards the termination of his war by volunteering and doing his duty wherever he has been sent. It must also be borne in mind that before the morning of the 23rd and being in the bombed off condition is not been sent to his own unit probably dead to most and was not fully responsible for his actions. He deserves opportunity to return to his own unit forthwith if possible.

Yours

H. L. Blackfield Major.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. FIRST WITNESS FOR THE PROSECUTION:

Major R.T. Horrobin, 949 German Base Depot Medical Stores, Varel, Germany, having been duly sworn, is examined by the Prosecutor.

Q.1 Would you give your rank, name and unit to the Court please?
A.1 Major R.T. Horrobin, RAMC, 949 German Base Depot Medical Stores, Varel.

Q.2 Can you identify anybody in this room?
A.2 Yes - Sergeant Gray.

Q.3 Would you tell the Court what happened at 1930 hours on Sunday the seventeenth of March, 1946?
A.3 At 1930 hours on Sunday, March the seventeenth, I left my car outside of my residence and stores and five minutes later I returned to enter the car. Looking through the window I saw a person in the driver's seat. I opened the door nearest him and asked him what he was doing in there and he said he was putting his cakes away. I told him to clear off. Twice I told him to do this. He did not do so and I went round to the other door and the person who is the accused got out of the car. Then he stated "Oh you are a fucking Limey captain" and "anybody can be an officer in the British Army if he has the money to pay for it" and "the only fucking good Limey is a dead one". And raising a bottle of Champagne he said "I'll knock your fucking head off." I then got my orderly to phone for the Provosts to place him under arrest. My coat is here to show where he grabbed it with his dirty filthy hands. The bottle I took off him as I think he would have knocked me on the head.

Q.4 Will you tell the Court what side of the car you found the accused on?
A.4 On the driver's seat which is the left-hand side of the car.

Q.5 When did he grab hold of your coat?
A.5 When he got out and told me that the only good Limey was a dead one.

Q.6 Would you tell the Court what was on his hands?
A.6 Cream. It was a lot of cream cakes which he had in the car.

Q.7 Did you take the bottle of Champagne away from him?
A.7 He put the bottle on the ground after a little tustle.

Q.8 That was after he grabbed you by the coat?
A.8 Yes.

Q.9 Do you identify this coat here?
A.9 Yes, that is my coat.

Q.10 How do you identify it?
A.10 This mark and there is a button which was torn off the coat that night.

Q.11 Your name is not on it?
A.11 No. I took it off and gave it to the Provost at the time.

The coat referred to in the evidence of the witness above is entered as an exhibit and is held in custody pending disposal. (Marked 'Exhibit 'A').

Q.12 Do you identify this bottle?
A.12 It looks exactly like the bottle.

Q.13 There is no way that you can identify it?
A.13 No, that I also handed to the Provost. It looks like it.

Q.14 It could be the same bottle?
A.14 Yes, it could be.

The bottle of Champagne referred to in the evidence of the witness above is entered as an exhibit and is held in custody pending disposal. (Marked Exhibit 'B').

The witness is cross-examined by the Defending Officer:

Q.15 Major Horrobin, is that coat in the same condition as when you were wearing it? Has anything been removed from it?
A.15 Not that I know of. I have not had it in my possession since that night.

Q.16 I am particularly anxious to know about rank badges.
A.16 There were no badges on it.

Q.17 What type of hat were you wearing?
A.17 This particular type I have on now.

Q.18 That is the army forage cap?
A.18 Yes.

Q.19 The time of the night in question now, the seventeenth of March. That is approximately a month ago and we were on standard time then - not on daylight saving time.
A.19 The time has only been changed a few days.

Q.20 Was it light or twilight?
A.20 There is an electric light immediately over my stores.

Q.21 So there was a fair amount of light?
A.21 A good light.

Q.22 Would you tell the Court what type of vehicle it was?
A.22 A Mercedes-Benz car.

Q.23 A German vehicle?
A.23 A German vehicle, with 949 Base Medical Stores on it. It is fairly conspicuous.

Q.24 Was there anybody with you at the time this incident occurred?
A.24 My orderly and the interpreter was on the doorstep.

Q.25 In your evidence you stated that you ordered him out of the car and he said you must be a fucking Limey captain. Didn't he say at the time that a Canadian would not talk in the manner in which you had ordered him out of the car?
A.25 He didn't refer to any method of speaking at all.

Q.26 I see. Didn't you say at approximately the same time that you ordered him out of the car that this was not the way for a soldier to act?
A.26 No, I don't remember saying that at all.

Q.27 Do you remember him saying "This doesn't look very good in front of the Jerries"? - referring to the interpreter, I suppose.
A.27 No, what he said was "All you are trying to do is to fucking well show off in front of the Jerries".

Q.28 Now, where was Sergeant Gray standing, or where were you standing when he took hold of your coat?
A.28 He had come out of the door and he was coming round to the front of the car. He had moved about a yard from the door.

Q.29 You were standing in the middle of the street then?
A.29 Practically at the kurb.

Q.30 Did you not first catch hold of Gray by the lapel of his coat or the shoulder strap?
A.30 No. He was in shirt-sleeves. He didn't have a coat on.

Q.31 You didn't touch him until after he had raised his arm?
A.31 He raised his arm?

Q.32 Yes.
A.32 He raised the bottle first.

Q.33 And then what?
A.33 He had still got hold of my coat then.

Q.34 He had raised the bottle before you touched him?
A.34 Yes.

Q.35 Wasn't Sergeant Gray's whole statement to you to the effect that "to take your hands off me or I will knock your head off"?
A.35 No, definitely not.

Q.36 Do you mind giving the name of your orderly, or driver?
A.36 He is my orderly - Private Madocks.

Q.37 Did Sergeant Gray ask him for his name and number?
A.37 He asked him many questions and I advised the orderly not to answer him.

Q.38 Why?
A.38 Because his attitude did not induce conversation and I did not wish to have any conversation at all.

Q.39 Now, in your evidence you stated thatyou ordered Sergeant Gray to get out of the car twice?
A.39 Yes.

Q.40 In view of the fact that he apparently had these cream cakes or something like that, did he have time to act, I mean - I presume if I was in the same position I would try to gather up rather than immediately jump out and for that reason there might be some delay between the time of receiving the order and obeying it. Was there sufficient time for him to obey it?
A.40 Yes. I opened the door to give him a hand - not to give him a hand but so that he could very easily have got out. Then I told him to clear off after I opened the door.

Q.41 You stated that he said that the only good Limey was a dead one.
A.41 Yes.

Q.42 And that you must be a fucking Limey Captain.
A.42 Yes.

Q.43 Were these statements at the same time as the raising of the bottle - while the bottle was in the air?
A.43 Just preceded them.

The Prosecutor declines to re-examine the witness.

The Witness is questioned by the Court:

Q.44 Sir, at the time the accused was supposed to have said these things - was it outside the car, or inside the car?
A.44 Outside the car.

Q.45 And during the time he was in the car, did he say anything?
A.45 Only that he was putting his cakes away.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 89(B).

The witness withdrew.

SECOND WITNESS FOR THE PROSECUTION:

14342977, Pte Maddocks, H, 949 German Base Depot Medical Stores, Wural, Germany, having been duly sworn, is examined by the Prosecutor:

Q.46 Would you tell the Court your number, rank, name and unit?
A.46 14342977, Private Maddocks, 949 Base Depot Medical Stores, RAMC.

Q.47 Can you identify anybody in this room?
A.47 , Just the sergeant, sir.

Q.48 Do you know his name?
A.48 Sergeant Gray, Sir.

Q.49 How can you identify him?
A.49 I recognise him from the night of the crime, sir.

Q.50 Would you tell the Court exactly what happened at 1900 hours, Sunday the seventeenth of March?
A.50 I was entering the Medical Stores, sir. I saw a man in the OC's car with some cream cakes on the driver's seat. Major Horrobin came on the scene and asked him to leave the car and this Sergeant said "the only good Likey is a dead one." He threatened to knock his head off. With that sir, I was told to call the Provosts.

Q.51 Were you beside the car when Major Horrobin was there? Did you both arrive at the car at the same time?
A.51 Yes. It is a coincidence sir. I was leaving the Jack-Pot Canteen and the Major came down at the same time, sir.

Q.52 And you both arrived at the car at the same time?
A.52 At the same second sir, yes.

Q.53 What did you hear the accused call the Major?
A.53 I heard him say he would knock his fucking head off, and that the only good Likey was a dead one.

Q.54 That was before you were told to phone for the Provost?
A.54 Yes sir.

Q.55 And then you were told to phone?
A.55 Yes sir.

Q.56 Did you return again to the car?
A.56 Yes sir.

Q.57 And you were with the Major right after that?
A.57 Yes sir.

Q.58 Were you talking together?
A.58 Yes sir, but the Provost was on the scene - they were coming on the scene sir as I came out of the building. They were coming up the street.

Q.59 You had not got back to the car then?
A.59 Yes sir.

Q.60 You had got back?
A.60 Yes sir.

Q.61 What happened when the Provosts arrived?
A.61 They came and the Major handed his overcoat and the accused,

sir, was put in the jeep and they drove away.

Q.62 During this time, did you see a bottle in the car?
A.62 Yes sir, a Champagne bottle.

Q.63 What happened to this bottle? Did you see anybody take it away from anybody?
A.63 No sir. I believe that happened when I was phoning for the Provosts sir.

Q.64 Did you see the accused take hold of Major Horrobin's coat?
A.64 Yes sir.

Q.65 You saw him?
A.65 Yes sir.

Q.66 But you never saw the bottle?
A.66 In the Sergeant's hands, sir.

Q.67 You saw the bottle in the Sergeant's hand?
A.67 Yes sir.

Q.68 Did you - but you didn't see him make any motion?
A.68 No sir.

Q.69 None at all?
A.69 No sir.

The witness is cross-examined by the Defending Officer:

Q.70 Private Madocks, in your story of how this alleged crime occurred, you went rather rapidly over things and I would like you to go over the sequence of how things occurred. You said that you came down the street and saw these things. Now, first, these Base Medical Stores - is that on the street, or is it back a few feet from the street?
A.70 On the Street, sir.

Q.71 Just the width of the sidewalk from the door to the road?
A.71 Yes sir.

Q.72 I see. And you said that you saw cream cakes in the car.
A.72 Yes sir, I opened the door to see who was in the car.

Q.73 Before Major Horrobin came along?
A.73 No sir, he was standing right behind me.

Q.74 You opened the door for Major Horrobin then?
A.74 Yes sir, more or less. I looked in at the same time sir.

Q.75 Having opened the door, what did you see?
A.75 The Major inquired who was in the car sir. He went to the other door and opened the door and asked if he would get out of the car.

Q.76 You opened the door nearest to the sidewalk first?
A.76 I did.

Q.77 Did the Major look in there?
A.77 He glanced in there, yes sir.

Q.78 Did he say anything?
A.78 He inquired who it was.

Q.79 Then he went to the other door?
A.79 Yes sir.

Q.80 He opened that?
A.80 Yes sir.

Q.81 And then what?
A.81 He inquired who was in the car.

Q.82 Anything else?
A.82 He asked him to leave the car.

Q.83 Asked him or ordered him. Which?
A.83 More or less, yes.

Q.84 No more or less about it.
A.84 He told him to leave the car, sir, at once.

Q.85 What happened, did you hear anything?
A.85 He became very abusive sir. He opened the door and told the man to leave at once.

Q.86 He opened the door and told the man to get out and the man - did he answer him back right away. What did Sergeant Gray do then?
A.86 He got out of the car then, sir.

Q.87 Then where did Sergeant Gray go from there?
A.87 To the front of the car.

Q.88 And when did Sergeant Gray say, or is alleged to have said that "You must be a Limey Captain" or something like that?
A.88 When he was standing on the sidewalk.

Q.89 On the sidewalk?
A.89 At the side by the car.

Q.90 Did he say anything else?
A.90 He stated that he would knock his fucking head off.

Q.91 Where was Sergeant Gray when he said this?
A.91 He had his arm on the Major's coat sir - on the shoulder of his coat.

Q.92 Did not Major Horrobin catch hold of the Sergeants coat-
A.92 sleeve first?
It didn't seem so sir.

Q.93 Did you see that?
A.93 Yes sir.

Q.94 You saw him grab it?
A.94 Yes sir.

Q.95 Are you sure or not sure that Major Horrobin didn't catch hold of Sergeant Gray's tunic first, or do you mean that
A.95 you just didn't see it?
I didn't see it.

Q.96 Were they in a position where you could see it?
A.96 I was standing about here sir and the Major stood there and the Major said to go an call the Provosts and I had to go into the office of the Medical Stores to phone.

Q.97 Is it possible that Major Horrobin caught hold of Sergeant Gray first?

President: That is not a proper question.

Def Offr: I can ask leading questions in cross-examination.

JA: Yes, but you should not put words into the witness's mouth. You have got to the point a couple of times where you made a speech and then asked the witness a question. And another thing you should remember - the President is right - you should not ask too leading questions but I don't imagine we shall stop you if you don't ask too many.

Def Offr: Very good sir.

Q.98 Was it possible then, or not possible?
A.98 I didn't see him sir, I don't think the Major would have, sir.

Def Offr: That is a question of opinion.

President: That is what you asked him.

Def Offr: He has stated the Major's character.

Witness: Oh yes sir, he was in a position to do it sir. I see what you mean.

The Prosecutor declines to re-examine the witness:

The witness is questioned by the Judge Advocate:

Q.99 When you first arrived at the car, what was the accused doing?
A.99 He had one hand on the steering wheel sir and the cream cakes were on the seat.

Q.100 When he got out of the car, did he take the cakes with him?
A.100 Yes sir.

Q.101 In his hand?
A.101 In his hat sir.

Q.102 And what was in the other hand?
A.102 The Champagne bottle, sir.

Q.103 Did you see him grab the Major by the lapel of his coat?
A.103 I didn't see him grab sir, I just saw his hand on his coat sir.

Q.104 At that time, did you see him raise the Champagne bottle?
A.104 No sir, at that time I was phoning sir, for the Provosts.

The witness is questioned by the Court:

Q.105 When did the accused threaten to knock the Major's head off?
A.105 After he got out of the car.

Q.106 When he said the only good Limey was a dead one, was that before or after you phoned?
A.106 Before I phoned sir.

The witness is questioned by the Judge Advocate:

Q.107 This is an exhibit to these proceedings. You will notice there are certain marks on it. Did you see these marks placed on the coat?
A.107 Yes sir.

Q.108 You were there at that time?
A.108 Yes sir.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 83(B).

The witness withdraws.

THIRD WITNESS FOR THE PROSECUTION:

SK.49266, Sgt Barnes, RL, 2/4 Cdn Pro Coy, CAOF, having been duly sworn, is examined by the Prosecutor:

Q.109 Sergeant, would you give the Court your number, rank and name and unit?
A.109 SK.49266, Acting Sergeant Barnes, RL, 2/4 Provost Company.

Q.110 Can you identify anybody in this room?
A.110 That is Sergeant Gray.

Q.111 How can you identify him?
A.111 On the seventeenth of March, 1946 at approximately 1950 hours I went to Major Horrobin's Base Medical Stores in Varel on a call from Major Horrobin and he asked me to place Sergeant Gray under close arrest.

Q.112 Could you tell us anything else about what happened that night?
A.112 Well sir, he had in his possession a bottle of Champagne and his hat half-full of cakes and a plate of sandwiches and after I placed him under close arrest I escorted him to the Orderly room and handed him over to the NCO of the guard room and returned to the scene of the disturbance and found evidence of cake icing on the seat of the car, [redacted] on the coat, on the left lapel, and it was similar to the icing on the cakes in Sergeant Gray's hat. And that is all that happened, sir.

Q.113 Would you tell the Court again about what time you arrived on the scene?
A.113 The phone call came in approximately 1945 hours and I would say I was approximately five minutes in getting there, at the most. Possible it was two minutes either way, but it was approximately five minutes.

Q.114 When you arrived on the scene, what exactly, did you see?
A.114 When I first arrived, there was several civilians and Major Horrobin and Sergeant Gray and I believe another soldier all standing out in front of the Base Medical Stores and the car was parked right on the sidewalk there. The sergeant was there - the sergeant who was later identified as Sergeant Gray, and he was having a conversation with the Major. I couldn't hear what was said but it seemed to me that his voice was raised.

Q.115 His voice was raised?
A.115 Yes sir, but I couldn't hear the words that were spoken.

Q.116 You said there was a bottle there. Who did you receive the bottle from?
A.116 The bottle was sitting on the sidewalk. Sergeant Gray said it was his and the Major told me it belonged to him.

Q.117 When you went back, did you notice any cakes on the cushion of the seat? Did you find cakes there?
A.117 No sir, just the icing off the cakes.

Q.118 When you went back, was this on the Major's coat?
A.118 It was the same marking from the icing that I saw, sir.

Q.119 Did you place the accused under arrest immediately?
A.119 I listened to Major Horrobin and heard what he had to say and he said to place this NCO under arrest, so I placed him under arrest.

The witness is cross-examined by the Defending Officer:

Q.120 What was the lighting conditions at the place outside the Base Medical Stores?
A.120 It was light enough sir to recognize faces. I could see quite clearly.

Q.121 Could you easily identify the car, as for instance, being a civilian car?
A.121 Yes sir.

Q.122 You had no difficulty about that?
A.122 It was definitely a civilian car sir.

Q.123 You mentioned that you found a hat full of cakes. Where were they?
A.123 They were on the sidewalk sir.

Q.124 I see. And could you tell the Court in what condition they were found? Were they squashed up, or anything like that?
A.124 More or less sir, they were placed inside the hat - I would say it was about half-full. They had some of the icing rubbed off.

Q.125 This plate of sandwiches, what sort of a plate was it? - a paper plate, or porcelain, or what?
A.125 It was a white glass plate. There was at least half a dozen sandwiches on it.

Q.126 Was there any damage to the plate?
A.126 No sir.

Q.127 It had not been dropped or anything?
A.127 No sir.

Q.128 This hat full of cakes, had it shown any signs of being dropped or anything like that?
A.128 The cakes on top had the icing rubbed off but the rest of the cakes seemed to be intact. I couldn't swear to it.

Q.129 They appeared to be?
A.129 They appeared to be, yes sir.

The Prosecutor desires to re-examine the witness.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 83(3).

The witness withdraws.

FOURTH WITNESS FOR THE PROSECUTION:

H.103491, L/Cpl Lamb, SW, 2/4 Cdn Pro Coy CASF, having been duly sworn, is examined by the Prosecutor:

Q.130 Would you give the Court your number, rank, name and unit?
A.130 H.103491, Lance-Corporal Lamb, 2/4 Provost Company CASF.

Q.131 Can you identify anyone in this room?
A.131 Yes sir, this sergeant.

Q.132 What is his name?
A.132 Sergeant Gray.

Q.133 Could you tell the Court what happened at 1930 hours, on Sunday the seventeenth of March.
A.133 At 1930 hours?

Q.134 Yes, well say 1930 or thereabouts.
A.134 Well sir, at approximately 1940 hours there was a phone call received in our department from Major Horrobin of the Medical Stores here in Varel that he needed some help. There was a soldier down at his place in trouble and he needed our assistance. We carried on down to the Medical Stores - I was detailed to go down there and upon arriving there I noticed a crowd of people and some soldiers amongst them. There was shouting from the Sergeant which was later identified to be Sergeant Gray and the Major told the Sergeant then for to arrest the man. I don't know the full story on that because I didn't see anything and then he showed us in the vehicle where there was sandwiches and cake. There was cake in his hat you see, which he claimed it was his later. He stated it was his and there was icing on the seat similar to the icing which was in his hats and we also noticed

icing on the left lapel on Major Horrobin's coat which was similar. From there we escorted him to the guard room where a body receipt was obtained and that is about all I seem sir.

A.135 At approximately 1950 hours.

Q.136 When you arrived there was there anybody else other than the Major and the Sergeant?

Q.137 When you arrived there, just exactly what was going on?
A.137 Well sir, there was shouting and ther was a very loud conversation between Major Horrobin and Sergeant Gray.

Q.138 Did you hear anything in words, spoken?
A.138 No sir, just loud conversation. What was said I don't know.

Q.139 Did you see a bottle there?
A.139 Yes sir, a Champagne bottle - a bottle full of Champagne.

Q.140 Where was it at the time?
A.140 Well sir, I can't remember.

Q.141 Did you see the bottle?
A.141 Yes sir.

Q.142 What did you do with it?
A.142 We took the bottle into the vehicle to be used as evidence.

Q.143 And then can you tell us, did the Sergeant arrest the accused?
A.143 Yes sir.

Q.144 He did.
A.144 Yes sir.

Q.145 On his own?
A.145 Well, Major Horrobin told the Sergeant to place this man under close arrest.

Q.146 And you took him to the guard room?
A.146 To the North Novas guard room.

Q.147 Did you return to the scene again?
A.147 Yes sir. We looked the scene over and looked the car over.

Q.148 Would you see that the cakes inside the hat were the same kind as were in the car?
A.148 That's right sir. The icing in the car was similar to the icing in Sergeant Gray's hat.

A.149 That's right, sir.

The witness is cross-examined by the Defending Officer:

Q.150 You have stated that there was a loud conversation going on between the accused and Major Horrobin. Was Major Horrobin talking loudly too?
A.150 Well sir, it was a conversation - it was shouting that was going on and it was coming from the direction of Major Horrobin and the Sergeant.

Q.151 Do you know which was responsible for it?
A.151 Well sir, as far as I know it was the two of them - it was between the two of them. Which one, I don't know.

Q.152 Will you tell the Court was system of phones there is in Varel. Do you have to call the operator the have the number transmitted or can you do it by dialing?

NSB

A.152 There is two ways you can do it sir - either by the dial or by the operator but it can be done by dial.

Q.153 You can use the dial?
A.153 Yes sir.

Q.154 This hat full of cakes that we have been hearing about. Where were they found?
A.154 In the front seat of the car sir.

Q.155 You found the hat full of cakes in the front seat of the car?
A.155 Yes sir.

A.158 Just a small ordinary plate.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 83(3).

The witness withdraws.

P.4

SUBMISSION BY THE DEFENDING OFFICER

The Defence would like to move sir that both charges be dismissed on the grounds that the evidence has not established a case against the accused, a prima facie case and the reasons for it are these sir. The evidence is that - or rather the charge is that-in both cases reference is made to a superior officer. Now if I may refer the Court to note 3 on page 433 of the Manual, which deals with that section, it points out there that the fact must be apparent or that the soldier concerned must be aware that the person concerned is a senior officer, or a superior officer. The evidence before the Court - the exhibit before the Court is a great-coat which to a certain extent is officer-style but it is not clearly an officer's coat and it bears no rank badges whatsoever. Major Horrobin stated that he was wearing an officer's hat. However, Wil Gov wear the same type of hats so that the accused was not aware or was not in a position to be aware that he was speaking necessarily to a superior officer. People say things for instance on the spur of the moment - perhaps people have said somebody acts like a Major-General, not necessarily meaning that the person concerned is a Major-General. That is something sort of beyond their ken. Now, just because the accused said that Major Horrobin must be a Limey Captain doesn't seem to be grounds for believing that he knew that he was an English officer and in fact he actually made a mistake in one degree in his rank. That proves it. The second ground is the serious discrepancy in the evidence of the Prosecution witnesses. The first witness for the Prosecution - Major Horrobin gave one sequence of events, stating that the accused threatened to knock his head off when he saw the bottle in the air. Private Maddocks says it was not in the air in his evidence. Another discrepancy is the time - in the sequence of events. The events have been stated to have started at approximately 1930 hours and the phone call, as indicated by the two Provost witnesses came in at approximately 1945 hours. It is an extremely long time for the events stated to have taken place. Another discrepancy is this plate of sandwiches and the cakes, which the cross-examination paid so much attention to. The first witness stated that the accused removed his belongings from the car, which consisted of one hat, half-full of cakes, some sandwiches and a bottle of Champagne. The cakes bore no evidence of having been dropped. Neither did the plate of sandwiches. The plate was a porcelain plate and if the events had occurred in the sequence in which the Prosecution witnesses claim, something must have been broken. The Prosecution claims that the accused got out of the car and in a fairly continuous sequence, abused Major Horrobin in language and then raised the bottle and threatened to knock his head off. And for those reasons we ask that the charges be dismissed sir.

The Prosecutor declines to answer the submission

JA: The submission before the Court is that a prima facie case has not been established by the Prosecution. Now, a definition of a prima facie case is this: When the Prosecution has adduced before the Court evidence which, if believed, is sufficient to support all the elements of the offences charged, a prima facie case has been established. If at the close of the case for the Prosecution there is such a deficiency of evidence that a crime has been committed and evidence linking the accused with the crime, then the Court must acquit the accused. Now you have heard the evidence. There are some discrepancies in the evidence, it is true. That is a matter entirely for the Court - as to the facts. However, you must now decide whether, if you heard no further evidence at all, whether you could, I do not say would, but could, convict. The matter for the Court to decide is whether a prima facie case has been established by the Prosecution, or not.

The Court is closed to consider the submission made by the Defending Officer.

YSB.

P.6

FIRST WITNESS FOR THE DEFENCE:

F.34646 Pte(A/Sgt) Gray, RG, 3 Nth NZ Highrs CASF, having been duly sworn, is examined by the Defending Officer:

Q.160 Will you give your number, rank and name please?
A.160 F.34646 Acting Sergeant Gray, R.G.

Q.161 And will you relate to the Court in proper sequence the events of the evening of the seventeenth of March?
A.161 Yes sir. At about 1930 hours on the seventeenth of March I bought these sandwiches and cakes and I came out and I met another sergeant and he asked me where I was going and I told him I was going to my fraulein's house. He said he didn't have any money to buy sandwiches with and that he was selling a bottle of Champagne. He told me he had a car up the street so I bought the bottle and went up the street with the bottle and the sandwiches and cakes to put them in the car. I had just got the sandwiches and cakes down beside me when somebody opened the door. I had got into the car from the door on the street by the steering wheel. They asked me who I was in a language which I understood very well with very much of an English accent. I said "you must be a Limey Captain". I couldn't see who it was. I got out of the car and took my cakes and sandwiches and walked around to the front of the car and then Major Norrobin said "this is no way for a soldier to act" and I replied that it didn't look very good in front of the Jerries. I was about half-way across the street when I felt myself seized and the Major had ahold of me by the lapel. I immediately grabbed hold of him and this Private was standing there and I thought that he had seen it. I asked him for his name and number and the Major said "Don't give your name and number." I asked him again but he didn't give it to me. I don't remember all of the things that went on there. There were a few harsh words but nothing else went on until the Provosts came.

Q.162 What were you wearing that night - the night in question?
A.162 I was wearing battledress, the same as this sir.

Q.163 Greatcoat?
A.163 No sir.

Q.164 Were there any rank badges visible?
A.164 No sir, I couldn't recognize him as an officer. I didn't know he was an officer.

Q.165 Could you see his hat badge?
A.165 No, I couldn't. I wasn't quite light enought to see his hat badge.

The witness is cross-examined by the Prosecutor:

Q.166 You said the car belonged to the sergeant?
A.166 Yes sir.

Q.167 Did the sergeant show you the car?
A.167 No sir.

Q.168 All he told you was that it was down the road.
A.168 No, up the street sir.

Q.169 You didn't know where the car was.
A.169 No sir, except that he said it was just up the street from the Jack-pot.

Q.170 You went up the street and got into the car?
A.170 Yes sir.

Q.171 And where did you lay the cakes?
A.171 The seat away from the wheel.

Q.172 You were sitting on the driver's side?
A.172 Yes sir.

Q.173 To your left then, you put the cakes?
A.173 Yes sir.

Q.174 You just got in the car you say -
A.174 I don't know who it was that opened the door on the sidewalk side.

Q.175 Did anybody open the door on the side that you were on?
A.175 No sir.

Q.176 Nobody opened the door on the right-hand side?
A.176 No sir, only myself.

Q.177 Only yourself?
A.177 Yes sir.

Q.178 What happened when the door opened?
A.178 The door on the sidewalk sir?

Q.179 That's right?
A.179 Somebody asked me what I was doing in the car.

Q.180 I see. What did you say?
A.180 I said I was putting my cakes in there.

Q.181 Did anybody tell you to get out of the car?
A.181 Yes sir. The words that were used were "You have no right in this car, get out of it."

Q.182 Did you get out of it?
A.182 I gathered up my cakes and sandwiches first and then I got out.

Q.183 You got out of the car, and what happened then?
A.183 I walked round to the sidewalk with the cakes and sandwiches.

Q.184 What did you take with you?
A.184 My bottle of Champagne, the sandwiches and the cakes.

Q.185 Everything out of the car?
A.185 Yes sir.

Q.186 There was nothing else that you left there?
A.186 No sir.

Q.187 Did you have yourcakes inside your hat?
A.187 Yes sir.

Q.188 Inside of the hat?
A.188 Yes sir.

Q.189 Where were the sandwiches?
A.189 On a plate.

Q.190 Outside of the hat?
A.190 Yes sir.

Q.191 You had the bottle of Champagne and the cap and the plate. You took them all out together?
A.191 Yes sir.

Q.192 I see. And what did you do with them?
A.192 I laid them down on the kurb.

Q.193 I see. Where did you go from there?
A.193 I stayed there for a minute and the Major said "This is no way for a soldier to act".

Q.194 How close were you to him?
A.194 I would say from here to the table sir.

Q.195 No closer than that?
A.195 The sandwiches and the cakes were between us sir.

Q.196 Could you touch them with your hand?
A.196 Yes, possibly I could.

Q.197 And he told you that this was no way to act. When then?
A.197 I told him this was no way to act in front of the Jerries and I started to walk across the street and he siezed me from behind.

Q.198 How?
A.198 By grabbing one of these.

Q.199 Your lapel.
A.199 No, the epaullet.

Q.200 And then?
A.200 I grabbed hold of his coat.

Q.201 Did you say anything to him?
A.201 I said "Take your hands off me or else I'll knock your fucking head off."

Q.202 You said that?
A.202 Yes sir.

Q.203 And you never raised the bottle?
A.203 No sir.

Q.204 Which hand did you have it in?
A.204 In my left hand, you see I am left-handed.

Q.205 And your other hand was not busy.
A.205 My other hand had hold of his lapel on his coat sir.

Q.206 I see. And then what happened?
A.206 He took his hands right off me.

Q.207 He didn't touch you at all?
A.207 No sir.

Q.208 And then you walked back to the kurb. What happened there?
A.208 We were talking there. I don't remember what was said, and then the Provosts came.

Q.209 The Provosts came right then?
A.209 No, not right away.

Q.210 How long were you there?
A.210 About five minutes.

Q.211 Talking back and forth with the Major?
A.211 Yes sir.

Q.212 Very loudly?
A.212 No, I sound't say loudly.

Q.213 What were you saying?
A.213 I can't just remember sir.

Q.214 You can't remember what you were saying in that five minutes?
A.214 No.

Q.215 In the whole five minutes?
A.215 I know that I was telling him it didn't look very good in front of the Jerries.

Q.216 Were you talking overly loud?
A.216 No sir.

Q.217 Was there any yelling?
A.217 No sir.

Q.218 Just harsh words.
A.218 It might have been harsh but not loud.

Q.219 Not loud?
A.219 No sir.

Q.220 How far could you hear the talking from where you were standing?
A.220 I don't know sir.

Q.221 And the Provosts arrived. What happened then?
A.221 The sergeant talked to the Major and he asked for my Part I Service Book and took my particulars which I gave him and I was escorted to the guard room.

Q.222 And during this whole ~~scene~~, there are some parts of it you can't remember --
A.222 I can remember sir.

Q.223 You told me that for five minutes you didn't remember what was said.
A.223 No, I didn't say that. I said I couldn't remember the words. I can remember the idea of the conversation. It was that it just didn't look very good in front of the Jerries.

Q.224 And it took five minutes to say that?
A.224 Well, words to that effect sir.

Q.225 And where did you go with the Provosts? Where did you go from there?
A.225 To the guard room sir.

The Defending Officer declines to re-examine the witness.

The witness is questioned by the Court:

Q.226 At what time during this whole show did you realize that you were talking to an officer. You first thought you were talking to a Private, did you?
A.226 I didn't know who I was talking to sir.

Q.227 When did you realize it was an officer?
A.227 When he grabbed hold of me.

Q.228 How did you know he was an officer?
A.228 I just surmised it sir.

Q.229 What gave you that idea?
A.229 His hat - it was very unusual.

The witness is questioned by the Judge Advocate:

Q.230 You stated that when you got out of the car you picked up your cakes and sandwiches and Champagne bottle.
A.230 Yes sir.

Q.231 What did you have with you when you crossed the street?
A.231 Just the Champagne sir.

Q.232 Where were you going?
A.232 I was getting away from there because I didn't want to get into any trouble.

Q.233 And your hat and cakes you were going to leave there?
A.233 Yes sir.

The witness is questioned by the Court:

Q.234 You stated that no-one opened the door on your side of the car and yet you also stated that before getting out you picked up your cakes and the sandwiches and the bottle of Champagne.
A.234 Yes sir. I opened the door first, sir. And I shoved my leg out and reached over and got my cakes in the hat and the plate and in the other hand I had the Champagne and I just got out of the car like that sir, on to the street.

Q.235 Do you remember the exact words you used with the Major took hold of you?
A.235 Yes sir. I told him to take his hands off me or I would knock his fucking head off.

Q.236 Now you state that in the first place you didn't know you were talking to a Captain. Did you say that anyone could by a commission in the British Army? Did you use those words?
A.236 I did sir, after this incident happened when he grabbed hold of me.

Q.237 Now when he took hold of you --
A.237 He caught me in a firm grip sir.

Q.238 By your lapel?
A.238 By the epaullet sir.

Q.239 With one hand?
A.239 Yes sir.

Q.240 Did he just let go of you then?
A.240 No sir, I turned round quick.

Q.241 How could his hold be so very firm then?
A.241 I mean sir, a quick wrench will loosen the toughest grip.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 83(3).

The witness stands down.

The Defending Officer makes the following closing address:

The summation as far as the Defence is concerned is along the same lines as the submission that the charges should be dismissed. The only new evidence which has been added has been that of the accused man himself and he is quite clear on the details. There is one point which I would like to bring out in particular and that is that the Prosecution witnesses Major Horrobin and Private Maddocks do not agree very well on the sequence of events. Neither of their versions agree with the accused's version. The accused has stated that he did not know the Prosecution witness was an officer and the Prosecution brought out themselves that there was no particular method of him knowing it. The Court will have noticed that Major Horrobin is wearing an enamelled hat badge, not the kind of badges that the court are wearing, which is practically impossible to see in detail. Lots of people wear forage caps but the type of badge which one might recognise as an officer's badge was not noticeable to the accused until he was up very close to him. The accused has stated that he acted, as far as the laying his hands on Major Horrobin was concerned, with provocation. Major Horrobin layed his hands on him first and the Prosecution has not brought out that it was in any friendly manner. The accused had grounds for believing that he needed to protect himself and he has stated that he said "Take your hands off me or I will knock your head off" - a thoroughly logical reaction. The language of the accused was to a certain extent not of the best but once again if I may refer the Court to Section 71 on page 58 of the Manual on the subject of obscene language, it points out there that the situation of the accused in some cases reflects on his conduct and on his language. The accused is a sergeant and the language which a sergeant can use might be frowned upon if used by an officer. The prevalence of bad language in the army is notorious, and the language used by troops overseas is worse. The statements of the accused were made more in irritation than premeditation. The members of the Court have been in the same position - not in the same position but they have used language on the spur of the moment which had they thought of the consequences they would never have used. Once again I would like to point out that the person must know that the other is his superior officer and when one says something on the spur of the moment there is some doubt that you know you are committing an offence. That is known in the Catholic church as consent of the will. The accused never had an opportunity for that. His statements were on the spur of the moment and any offering of violence was done on provocation by the principle witness of the Prosecution.

The Prosecutor declines to make a closing address

The Judge Advocate makes the following summing-up:

Mister President and Members of the Court: it is not necessary for me to point out to you the seriousness of the case before you and also the importance of your duties. You have sworn to well and truly try the accused and to duly administer justice without partiallity, favour or affection. You have, during the hearing of the case, shown that you were most conscious of your responsibilities and no doubt you will carry on your duties in the same conscientious manner until you have decided as to the guilt or otherwise of the accused.

It is my duty, before you close to consider the findings to advise you as to the law that may be involved and also if necessary to sum up the evidence. In doing so, should I venture to express any personal opinion as to the facts, it is your duty to disregard it. My advice on points of law, however, should be adhered to unless you have very weighty reasons for not following it. In such case you should record your reasons. But as far as the facts are concerned, you are the sole and only judges and you will be called upon, after my summing up, to decide only upon the evidence that was adduced before you as to whether or not the accused is guilty of either or both the charges in the charge sheet. You must first keep in mind that the accused, when he appeared before you this morning, was an innocent a man as any one of you, this being based on the British Common Law principle that an accused is presumed to be innocent until he is proved guilty. In other words, the duty is cast upon the Prosecution to prove that the accused has committed both of the alleged offences.

The first charges reads as follows:

WHEN ON ACTIVE SERVICE USING INSUBORDINATE LANGUAGE TO HIS SUPERIOR OFFICER in that he in the Field, in Germany, on 17 Mar 46, when checked by Major F.T. Horrobin, RAMC, said to him, "You're nothing but a fucking Limey Captain" or words to that effect and, "any cunt can be an Officer in the British Army, provided he had sufficient money to buy it," or words to that effect.

The witnesses have given evidence before you and you are entitled to believe one witness and to disbelieve another witness and more than that, you may believe part of the testimony of one witness and disbelieve the other part of his testimony. All the questions of fact are for your to decide. You and you alone are the sole judges of the fact. I don't think it is necessary for me to review the evidence because it does not seem to present any complications.

Now, as to the question of superior officer; under Order of Detail Number 12, which is Appendix 'B' to the Appendix to Overseas Routine Order Number 6330, the Canadian Army Occupation Force is ordered to act in combination with the military forces of His Majesty raised in the United Kingdom which are also serving on the continent for the purposes of military occupation.

The legal effect of "Acting in Combination" is set out in paragraph 16(b) to the same Routine Order and is as follows:

> "The legal relationship thus establishes is that any officer of the other force commanding the combined force, or any part thereof, will be treated, and will however members of the force of the nation making the declaration the like powers of command and punishment, as if he were an officer of the latter force of relative rank and holding the same command."

It therefore follows that Major Horrobin is the superior officer of the accused for the purposes of Sections 8 and 9 of the Army Act. A ruling to this effect has been made by the Judge Advocate General's Branch at Canadian Military Headquarters. (Opinions and Rulings No.229)

The only other remark I want to make with regard to this charge is this: You will find this in a notation at the top of page 434 of the Manual of Military Law. "The words must be used with an insubordinate

intent, that is to say, they must be, either in themselves, or in the manner or circumstances in which they are spoken, insulting or disrespectful, and in all cases it must reasonably appear that they were intended to be heard by a superior."

And now a word about special findings under Rule of Procedure 44(D): That rule reads as follows:

"Where the Court are of opinion as regards any charge that the facts which they find to be proved in evidence differ materially from the facts alleged in a statement of particulars in the charge, but are nevertheless sufficient to prove the offence stated in the charge, and that the difference is not so material as to have prejudiced the accused in his defence, they may instead of a finding of 'Not Guilty', record a special finding."

That simply means that if you find as a matter of fact that certain alleged words were not used, then you may make a finding of guilty with the exception of the words alleged which you find not to be proved.

Now, the accused is charged with a second offence - "offering violence to his superior officer, in that he, in the field, in Germany, on 17 Mar 46 caught hold of the lapel of Major F.T. Horrobin's coat and raised a bottle at him, saying, "the only good Limey is a dead bastard or words to that effect, and "I will knock your fucking head off", or words to that effect".

The remarks I have made concerning the first charge apply equally to this charge and I think there is nothing further I need say.

Just one word before closing, with reference to reasonable doubt. If there is any doubt - a reasonable doubt - in your mind that the accused is guilty of these charges, the law gives him the benefit of that doubt. A reasonable doubt is understood as one which an ordinary man would have in the conduct of his own business. Such a doubt will not be any light or capricious doubt such as one which might be provoked by passion or prompted by corruption.

Are there any questions you wish me to discuss further, Mister President?

Pres: No, I think not.

JA: Mister Defending Officer?

Def Offr: No sir.

JA: Mister Prosecutor?

Pros: No sir.

FIRST CHARACTER WITNESS:

Major D.L. Clark, OC Support Coy, 3 Nth NS Highrs CAOF, having been duly sworn, is examined by the Defending Officer:

Q.242 Would you give your name, rank and posting please sir?
A.242 Major D.L. Clark, Officer Commanding Support Company, 3 North Nova Scotia Highlanders.

Q.243 Would you care to tell the Court your knowledge of the accused's character please?
A.243 Since I took over the Support Company on approximately the twenty-seventh day of December 1945 Sergeant Gray was then a Lance-Corporal. As time went on his work continued so good that I felt he was due for promotion. On the twenty-first of January I promoted him to acting Corporal. It continued to be excellent and I had occasion to promote him to the rank of acting Sergeant. I might say that during that time I had nothing but praise from any members of the battalion that Sergeant Gray had worked for or had work done for. His billets and platoon were definitely outstanding in the company - the cleanliness of his billets and I have a very great regard and respect for him as a worker.

The Prosecutor declines to cross-examine the witness

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of Rule of Procedure 83(B).

SECOND CHARACTER WITNESS:

SF.49855 MSM J.L. McNeil, 3 Nth NS Highrs CAOF, having been duly sworn, is examined by the Defending Officer:

Q.244 Would you give your number, rank and name and appointment?
A.244 SF.49855 MSM McNeil, 3 North Nova Scotia Highlanders CAOF.

Q.245 Mister McNeil would you tell the Court your knowledge of Sergeant Gray's character as you know him as a soldier and as a member of your mess?
A.245 Sir, I as MSM know the accused, Sergeant Gray. I have known him from the time he joined the battalion last August. He was with the Support Company. The way in which he conducted himself warranted his promotion to acting Corporal on the twenty-first of January of this year. As a non-commissioned officer he came directly under my observation as I am responsible for Mess maintenance and management. All duties which I detailed to Corporal Gray were carried out efficiently and were well done. His work warranted his promotion to acting Sergeant on the fourteenth of February. During this time I found that Gray is an outstanding member of the battalion. He has proved his qualities to me as a barrack room soldier and as a specialist.

The Prosecutor declines to cross-examine the witness

In the opinion of the Court and Judge Advocate it is not necessary to comply with the provisions of Rule of Procedure 83(B).

PLEA IN MITIGATION

May it please the Court, the accused before the Court today is a young man twenty-six years old. He has been in the army for six and a half years. The date of his enlistment was the seventh of September 1939 - just about as early as possible. He served in actions and while he has not got a particularly clean crime sheet, many of those who have so many years service and have clean crime sheets means just so many years of undetected crime rather than any virtue, but he has a relatively clear sheet. He has a grade ten education. He is a coal-miner by profession - a profession which is not an easy one nor is it one which in many cases provides people with luxuries or the finer things in life which come with some of the less difficult and hard-working professions and it is not in a certain sense the cleanest of professions. He has a wife in England and one child. He has served well all through from as early as he possibly could, until now, the last of the Canadian Army Overseas. The Defence requests the Court's consideration of these points.

Summary of evidence in the case of F 34646 Pte (A/Sgt.) Gray, R. G., 3/ North Nova Scotia Highlanders, C.A.O.F., charged with using violence and insubordinate language to a superior officer (A.A. Sec. 8(2)) and an act to the prejudice of good order and military discipline (A.A. Sec. 40).

The Commanding Officer directs that the evidence be taken on oath

First Witness: Major F. T. Horrobin, 949 German Base Depot, Medical Stores, Nard, Germany, R.A.M.C., being duly sworn, states:

I am the Officer Commanding, 949 German Base Depot Medical Stores, Nard, Germany, R.A.M.C. At about 1930 hrs. on Sunday, March 17, 1946 I left my car outside my residence which is the Medical Stores. On going to enter it about five minutes later I saw a person in the uniform of an Allied Soldier occupying the drivers seat. I opened the offside door (right hand side of car) and asked him what he was doing in the car. He stated that he was only putting his cakes away. I ordered him out of the car and to clear off. He became abusive, calling me, a fucking Jewish Captain

He got out of the car saying any cunt could be an officer in the British Army providing he had sufficient money to buy it. I did not answer him on these remarks. He therefore became further abusive and caught hold of the lapel of my British warm, saying that the only good thing was a dead bastard, Raising a bottle in his right hand, he stated, I will punch your fucking head off. I ordered my orderly 14392977 Pte Peddocky H. to phone for the Provost and on their arrival I had the accused placed in close arrest. The British warm, I was wearing, is ruined through the greasy fingers marks of the accused catching hold of it after handing the cream cakes which were in his possession. It also took many minutes to clean the state of the car up before I could use it. That is all I have to say.

The accused declines to cross-examine the witness

Varl, Germany, R.A.M.C. having been
duly sworn, states:

I am 14342977 Pte. Maddocks, H,
949 German Base Depot medical Stores, R.A.M.C.
About 1930 hrs. 19 March 46 I was
approaching the medical Stores, Varl when I
saw a man in Battle Dress sitting in
driver's seat of Major Horrobin's car. At
the same time I saw him in the car
Major Horrobin came into the scene and
asked him to get out of the car
and on being so the accused became
abusive and stated that the Major must
be Limey Captain and the only good
Limey was a dead one. At that moment
the Major asked me to phone for the
Provost which I did from the office
in the Medical Stores Building. When
I came from the office the accused
threatened to knock the Major's head
off by saying "I will knock your
fucking head off." The Provost arrived
on the scene and arrested him. That
is all I have to say, Sir.

Third Witness: K 49266 A/Sgt. Barnes, R.L.,
214 Cdn. Provost Coy, CAOF, being duly sworn,
states: I am K 49266 A/Sgt. Barnes, R.L.,
214 Cdn. Provost Coy, CAOF. At approximately
1945 hrs. 17 Mar 46 a phone call was
received at our Head Quarters, 49 Echelon Steenen,
Nard, Germany from Major Horobin of the
Medical Stores, Nard to the effect that he required
immediate assistance from us. Accompanied by
H 103491 H Cpl. Faulk, S. W. I proceeded to
the Medical Stores, Nard. Upon arriving there
we found Major Horobin and several soldiers &
civilians. One soldier appeared to be arguing
with Major Horobin as they were conversing
loudly. I did not hear what was being said.
Major Horobin explained that a Canadian W.C.O.
had been found by him in his car and in
his attempts to remove the W.C.O. from the
car the W.C.O. had threatened and cursed him.
The W.C.O. was then identified by his
M.B.M. - Part I. (Service Book) to be
F 34696 Sgt. Gray, R. H, Support Company,
3/ North Nova Scotia Highlanders, CAOF.
Sgt. Gray had his hat partly filled with
cakes and a plate of sandwiches and also
a bottle of Champagne which Major Horobin
claimed he had threatened him with.
Major Horobin asked me to place
Sgt. Gray under close arrest and that
he would give me a statement the following
day. After warning the W.C.O., Sgt. Gray,
that he need not say anything, I
placed him under close arrest and escorted
him to his unit guard room where he was

turned over to the N.C.O. in charge of the guard who was informed that the N.C.O. Sgt. Gray was under close arrest.

There was evidence of cake icing on the ~~uniform~~ clothing of Major Horobin. This was similar to the icing on the cake in Sgt. Gray's hut. There was also icing on Major Horobin's Great Coat on the left lapel.

Sgt. Gray did not resist arrest and in my own opinion he had been drinking. I would say he had been drinking. I have the bottle of champagne & grant and can produce them as evidence.

That is all I have to say, Sir.

The accused declines to cross-examine this witness.

(R. L. Barnes) Sgt.
214 Con Provost Coy, CAOF

Fourth Witness: H103491 Lt/Cpl. Scott, S. W., 214 Con. Provost Coy, CAOF, being duly sworn, states:

I am H103491 Lt/Cpl Scott, S. W., of 214 Con. Provost Coy, CAOF. ~~At~~ At approximately 1945 hrs. 17 and 46 a phone call was received at our Detachment Post Quarters, Nord, Germany. It was received from Major Horobin of the Medical Stores, Nordhausen, Germany. Later I was detailed to proceed with Sgt. Barnes, R. L., H 44266, of 214 Con

Provost Coy, CAOF to the Medical Stores
in Nord. Upon arriving at the Medical Stores
I noticed a group of people standing in
front of the stores and [redacted] amidst the
crowd it was noted that one soldier was
talking very loudly. The soldier was afterwards
identified by Lieut M. O. M. I. (Stores Book) to
be Sgt. Gray, 3/ North Nova Scotia Highlanders
CAOF. In my opinion it seemed that Sgt.
Gray had been drinking. The Major Horrobin
of R. A. M. C. told [redacted] Sgt. Barnes to place
the soldier under close arrest. Then the
Major told what had happened and he
pointed out the cakes & sandwiches and
the bottle of champagne which he stated belonged to
Sgt. Gray. Sgt. Gray stated also that
the cakes & sandwiches, which were in his
hat, belonged to him. Sgt. Barnes then
told Sgt. Gray that he was under close
arrest and we escorted him to the 3/NSH
Guard Room where a list body receipt was
obtained which is now held at our
detachment [redacted] Orderly Room on file. We then
returned to the scene, (Medical Stores) with the
cakes and sandwiches and champagne
and upon inspecting the car, which belonged
to Major Horrobin, which was parked
in front of the Medical Stores, we
found cake and icing similar to that
which was in Sgt. Gray's hat on the
right hand front seat of the car. I
also noticed on Major Horrobin's coat,
on the left lapel, icing similar to the
cake icing which was in Sgt. Gray's hat.
That is all I have to say, Sir.

The accused declines to cross examine the witness.

Sir,

I am F59643 Sgt Henry W.A. E Coy #7 C.I.R.Vy. I was orderly sergeant of E Coy on 4 July 43.

I called the roll at tattoo on that date and found that F34646 Cpl Gray R.H. was absent. He reported to me at 0730 hrs 5 July 43 and I told him he was charged with absence without leave from 2300 hrs 4 July 43 to 0730 hrs 5 July 43.

While awaiting trial on 6 July 43 he again absented himself and I accordingly charged him with absence without leave as from 2300 hrs. at which time I called the roll and definitely established the fact that he was absent.

Mr. President and Members of the Court

Sirs:

It all started with me becoming friendly with a young married woman whos husband lay in the army, has been stationed in Scotland for the past Two and a half years. She was living in Reading and when I went up to see her she informed me that she was about to become a mother and that she wished to get a divorce from her husband naming me as Co-respondent. Although I was keeping company with her I had no desire to marry her as I held the understanding that she was already married. I informed her of my intentions and tried to convince her not to get a divorce but no avail. She in turn insisted that I stay and see her husband who was supposed to be coming home in a day or two, on leave from Scotland. While I was waiting for him at Reading I was picked up by the Provost Corps and returned to my unit. While in the Guard Room awaiting trial I received a letter from her in which was enclosed a letter from her husband stating he would be home on the 24th July 43. to being terribly worried about all this and certainly wishing to get things straightened out regardless of cost I broke away or escaped from my escort and headed for Bournemouth where both he and his wife would be visiting his parents after talking to him and he gave me his views which make that he did not wish to grant his wife a divorce because during the time he was in

Scotland he also was running around with women and consequently he could understand his wife doing likewise or rather going out with men and thus did not blame her.

She still, however, could not be reconciled to the fact that she should remain his wife and still insisted on a divorce and I knowing it was useless to try to convince her otherwise told her I was breaking all connections and then turned myself in to the Royal Marine Div. Provost Corps.

This is a Summary of Evidence directed to be taken on charge against F-65183 Pte. S.C. Gray. RHLI.

The commanding officer directs that the summary be taken under oath.

The accused is informed of his rights

First witness For the Prosecution – K-15711 L/Cpl Jessiman. R. of B. Coy RHLI having been duly sworn states:-

I am K-15711 L/Cpl Jessiman. R. and know the accused, Pte Gray. S.C. On 21 Dec 44 our Coy was furnishing a guard for No. 205 FMC and was detailed to guard particularly 'A' Ammo Dump. There were five sentry beats and two sentries were posted on each beat for a two hour guard. I myself posted the accused and Pte Browning on No. 3 beat from 2000 hrs - 2200 hrs. Pte. Gray had had a previous guard the day before and was aware of his duties. The duties of the sentries were to guard the ammo which was piled on each side of the road and their patrol was along the road.

R. Jessiman

The accused declines to cross-examine this witness.

Second witness For the Prosecution – Capt. G.A. Marran, 2/c B Coy RHLI. having been duly sworn states:-

I am Capt. G.A. Marran and am 2/c B Coy RHLI. Our coy was detailed to guard 'A' Ammo Dump at 205 FMC and was on duty on 21 Dec 44. Along with the Coy Comd. I visited the ammo dump about 2120 hrs. 21 Dec 44 and noticed that the guards seemed very few and far between and came to the conclusion that two sentries on beat 3 were not on their beat which was the road we were driving over. Coming back along this road the Coy Comd stopped the jeep outside a house adjoining No 3 beat and ordered me to search the house for any sentries which may have gone there. I went around to the back door and as I was entering the door the accused Pte Gray and Pte Browning were coming out. The owner of the house was with them and three men were talking outside with him. I asked the accused

what he was doing inside the house and off his beat and he said that he had gone into the house to use the toilet. I instructed him to return with me and I handed him over to the Coy Comd who placed the accused under close arrest and ordered them to return to their guard.

G.E. Harrison Capt.

Questioned by the accused.

Q1- Sir, do you think it was possible for two men to do a beat almost a mile long.

A.1 - No matter how long the beat was, you were to be on your beat on the lookout for paratps or any sabotage or enemy activity.

The accused having been duly cautioned in accordance with R.P. 4 (E) says:

"I wish to make a statement"
"All I can say is that I went to the toilet and stayed for a period of ten minutes"

In the event of my being tried by a Court Martial, I request Capt. E.L.G. Smith, R.H.&L. to be my defending officer, if available.

I hereby certify that R.P. 4 has been complied with.

Mitigation

Rec is guilty of the charge but there are extenuating circs calling for leniency. The house is near the road, right on the road. Rec had met these people across the road. It was logical for him to go there before the toilet - it was so close to his seat. He admits staying a little longer than the actual time needed but he was on his way out of the house when Capt Merron looked for him. This proves he had no intention of staying away for a long time.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

SUMMARY OF EVIDENCE IN THE CASE OF H-6941 CFN. GRAY, I., 2 CANADIAN INFANTRY TROOPS WORKSHOP, ROMME, CHARGED WITH CONDUCT TO THE PREJUDICE OF GOOD ORDER AND MILITARY DISCIPLINE (A.A. SECT. 40)

BY DIRECTION OF THE COMMANDING OFFICER THE EVIDENCE IS TAKEN ON OATH.

FIRST WITNESS:- M-62304 ARMT. S/MAJOR MILLAR, R.R. 2 CDN INF TPS WKSP ROMME, SWORN STATES:

I am Armt. S/Major of 2 Cdn Inf Tps Wksp. On November 19th at approximately 1800 hrs I was leaving the billet. I saw two men in front of me each carrying two Jerricans, proceeding toward the front gate. As they were going through the gate I called to them. The first man through the gate broke into a run down the street. I called again. One man stopped approximately 15 feet outside the gate. I identified him as Cfn Woods, H.C. I called again to the other man. He dropped the Jerricans and continued running. The Jerricans contained petrol. Pte. Gnadt R.L. and Pte. Tattrie, L.D. came on the scene and I instructed them to pick up the Jerricans and follow me. Pte. Tattrie and Cfn Woods carried the Jerricans into the Orderly Officers Office. I warned Cfn. Woods he was under open arrest. At approximately 2300 hrs on instructions from the Commanding Officer I placed Cfn. Woods under close arrest.

The accused declines to cross-examine the witness. R Millar

SECOND WITNESS:- L-9464 PTE. GNADT, R.L., 2 CDN INF TPS WKSP, SWORN STATES:-

I am L-9464 Pte. Gnadt R.L. of the Stores Section of 2 Cdn Inf Tps Wksp. When returning to the barracks 19 Nov 44 at approximately 1830 hrs. I was about to enter the gate I heard someone call me so I, in company with Pte. Tattrie L.D., went over to the person that called and found it was Sgt. Major Millar. He shined his light on two cans of petrol lying in the street and gave me the order to pick them up. Pte. Tattrie went to where they were lying and picked them up. He then brought the petrol into the Orderly Officers Office and I went to the billet. I noticed there was someone with Sgt. Major Millar but I did not recognize him in the dark.

The accused declines to cross examine the witness. R. L. Gnadt

THIRD WITNESS:- R-52224 PTE. TATTRIE, L.D., 2 CDN INF TPS WKSP, SWORN STATES:-

I am R-52224 Pte. Tattrie, L.D. of the Stores Section of 2 Cdn Inf Tps Wksp. On 19 Nov. at approximately 1830 hrs, my friend Pte. Gnadt and I were proceeding to our billets from a Cafe and approximately 100 yds from the front gate to the billets a person shouted, "Come here" On going to him I was given an order to go down the street and bring back two Jerricans which were full. I brought them back up and followed him inside the Officers' Mess building. I set them down on the floor, turned around and recognized S/Major Millar. I made a left turn and went to my billets. There was somebody with the S/Major but I did not notice who it was.

L.D. Tattrie

The accused declines to cross-examine this witness.

FOURTH WITNESS:- CAPT. J.L. ELDER, 2 CDN INF TPS WKSP, SWORN STATES:-

I am Capt. J.L. Elder of 2 Cdn Inf Tps Wksp. On the evening of Sunday Nov 19, it was brought to my attention that one of my personnel had been apprehended and put on charge. This man was Cfn. Woods, H. C. I immediately inquired for Woods at the billets and had a conversation with him regarding the incident as it had been reported that two men were involved. I immediately asked Woods to procure Cfn. Gray I. This having been done I had a talk with Gray and received information to the effect that he had been with Cfn Woods at the time of the incident. Subject to the remark by the Commanding Officer that the man should be under close arrest and having found the second party involved, I gave instructions to the Orderly Sergeant, Sgt. MacIsaac, to place both Woods and Gray under arrest. I then returned to my quarters.

The accused declines to cross-examine this witness. J. Elder Capt

PLEA FOR MITIGATION IN CASE OF M-5208
Spr. WALTER JOHN GRAY 7 COC

MADE BY LIEUT R.A. McGEACHY, DEFENDING OFFICER FOR THE ACCUSED

Gray enlisted 15 Sept 39 and thus will have four full years service 15 sep this year. He came overseas with the 13 Fd Coy (Calgary) 2 Aug 40 making three years of his service right in England.

He became ill and after hospitalization was SOS his unit to 1 CERU where due to his recovery being slow it was recommended he come to a Construction Company rather than return to a field unit.

He came with 7 COC 11 Jul 42 and qualified as Carpenter "C" 5 Nov 42. He has been considered for trades pay and as soon as this affair is cleared up will be considered again. In fact he appeared in Pt II's for T.P. which was deleted as he went AWL as it was being published.

He is a steady workman with this unit giving no trouble to his Section Officer and N.C.O.'s. In civil life he held the same job 12 years before enlisting. He was with a survey party of the C.P.R. on their irrigation projects out of Calgary. (Strathmore).

He is a married man but has no children.

It is true that Gray's Record shows some A.W.L. In fact previous to this one a total of 6 in over 3½ years, but none of them have been serious and there is nothing of a mean or vicious aspect to any of these absences.

The present charge could have been handled in the unit if it hadn't been over the 21 day period.

It is realized that there must be punishment for A.W.L. but I would ask the court to give consideration to the fact that Gray has been in the Army practically four years, 10 months Canada, the rest here, and that is a long time for troops not to have action.

Gray realizes the error of his ways - he is determined to stop going A.W.L. any more and to stay on the job and be a good soldier.

This unit as you know is engaged on Construction work in this Area and at the present time needs personnel for the large volume of work on hand. It is requested that the court consider awarding Gray a fine rather than detention as his services will be more useful in this unit than in Headley Detention Camp.

In this connection I would ask the court to consider that he has already lost 28 or 9 days due to absence and close arrest and that it takes two days of work to make up one days pay award as the assignments are approximately half a man's pay.

In conclusion the court is requested to give consideration to the following:

(i) Gray's fundamentally good character in the light of his only crimes being A.W.L. which heretofore have been for very short periods.

(ii) His determination to be a good soldier and stay on the job.

(iii) That his services will be of more value to this unit than in the Detention Camp.

(iv) That all possible consideration be given to the amount of the award the Court sees fit to impose.

PLEA OF MITIGATION

Before the court passes sentence on the accused, Spr Gray W.J., I would like to submit a plea of mitigation.

Spr Gray has been in the Canadian Army for a period of approximately four years. He is thirty five and category A. He left his job as a rodman with the C.P.R. and joined the army on 15 Sept. 1939. He arrived overseas with 13th Field Coy and for a period of eight months was a driver. He became very nervous, his eyesight became poor and he lost considerable weight so that he was forced to give up driving in the army.

In April 1942 he was admitted to No 1 Neurological hospital at Basingstoke where he spent six weeks. He was then discharged as a psycho-neurotic and sent to No 1 C.E.R.U., from there he was posted to 7 Const. Coy as a carpenter "C".

At the beginning of the year 1943 letters and parcels stopped coming from his wife who is in Canada and he suspected her of unfaithfulness. He sought the advice of the Padre at 7 Const. Coy but he received no definite action with regard to his trouble. Following that he wrote his sister asking her to send him any information she could regarding his wife's actions. In June 1943, he received a letter from his sister saying his wife was keeping company with another man and that she was going to try and obtain a divorce.

The fact of his wife's unfaithfulness, Spr. Gray's poor health and neurotic disposition, have been instrumental factors preventing him from adjusting himself to normal army life.

Army routine did not keep him sufficiently occupied and along with his personnal problems was the reason for him going absent without leave.

Spr Gray has expressed a desire to be transferred to an active field of operations which would keep him fully occupied.

A full investigation into Spr Gray's problems and disposition would possibly clear up a lot of his trouble and be the means of adjusting himself to Army life. If on the other hand it showed he was unsuitable as a soldier and as his former position with the C.P.R. is being held open, a discharge would give him an opportunity to hold down a responsible position and so aid his country in a civilian capacity.

Owing to his disposition the certainty rather than the severity of punishment would prove more benificial. May these factors and the report from the Selection Personnel Officer at 1 CERU be taken into consideration in the case of the accused.

Trial of M.5208. Lfr. N. J. Gay. 1 C.E.R.U.

M.5095. ~~Sgt~~ E. F. Howe, 1 C.E.R.U. being duly sworn states:-

I have known the accused since September 1939 when I was a Transport Corporal at 12 Fd. Coy. I found him a very reliable man at that time. The only thing ~~I noticed~~ was wrong was that his nerves were bad, and he could not use to drive at night. He gave us no trouble in any way and was very reliable. He continued in this capacity with me until I left in February, 1942. I have no knowledge of him since that date.

ASSESSMENT REPORT

M.5298 Spr. GREY, W.J.

No 'M' test score available.

Education: Completed grade 7 at age of 16. Doesn't seem to be anything abnormal about school history. Missed one year through sickness.

Occupational History: Worked as redman for engineer in charge of construction camps for C.P.R. during summers of 1927 to 1939. In winters, worked as vehicle maintenance man for the same company. Work record seems to have been steady.

Personal History: Married 1931. Since then has been separated from wife who developed Polio. Her hospitalization cost him a considerable amount of money. There appears to be no marked emotional feeling in regard to this separation. Has drunk heavily for periods. Has no health complaints but is in a noticeable nervous condition. Has difficulty in controlling tremour of hands and voice. Would say this man finds life very difficult to face and when he finds himself in an unpleasant situation, takes the easiest way out. Has not adapted himself to the army and seems to have lost all confidence.

Opinion

Consider that there may be psychopathic traits present in his personality, perhaps inadequate, maybe with some addiction to alcohol. It is believed that he will never make an efficient soldier and will continue to cost the army expense, time and trouble, and in the opinion of this S.P.O., this man, in his present state of emotional upset, will never render service to the Army of such a nature that would necessitate his retention overseas.

STATEMENT OF CHARACTER

I am m-5234 L/Sgt McRae L.A. instructor attached to I Wing No 1 C.E.R.U.

From Sept 1939 until April 1942 Spr Gray W.J. and myself were members of 13 Cdn Army Fd Coy, R.C.E. I was Spr Gray's Corporal.

I found that he was of an erratic disposition. One day he seemed happy and normal, the next day he would be despondent and wouldn't have much interest in his work, although he carried out his work thoroughly and never questioned any order or gave trouble.

By taking a personnal interest in him and talking to him, I was able to cheer him up and he would take a more normal interest in the army.

I believe his trouble was caused by personnal family problems at home.

Department of B.N. & P.S. Hospital

No. M-5208 Rank Spr. Name Gray, W.J. Unit No. 1 CERU

Date 12 Feb 44

Report:- Born 1908

Enlisted 15 Sep 1939

Oversees July 1940

History:- Report from No. 1 Neuro Hosp - discharged 20 May 42.

Then no crimes till:-

19 Apr 43 - A.W.L. 4 days - 10 days pay

25 Jun 43 - A.W.L. 23 days - served 3d days detn.

30 Aug 43 - A.W.L. 3 days - 14 days F.P.

About 27 Sep 43 A.W.L. 4 months - court martialed - has asked for mitigation of sentence on account of anxiety neurosis and sent for exam for that reason.

This may seems to have a profound sense of inadequacy - under army strain he becomes nervous and rattled, he says. He is always out of place in a crowd. His condition is probably not much different from what it has been for years. He has vague ideas of reference - but not delusions - he says he knows people don't pay asx much attention to him as he thinks they do. He is defendent and immature. He is mildly depressed - but only m mildly so. He says that what started him going wrong after almost a year's good conduct was wife's behaviour. He wanted to get her allowance stopped.

Diagnosis:- Psychopathic Personality (Inadequate)

Recommend Reboard - B-5

This soldier is fit to stand trial and undergo punishment - but he is not likely to be benefitted thereby and is not likely to be a useful soldier.

B1. The President ~~or J A, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s).(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. Plea of Mitigation in the case of the accused H-77070 Spr Greaves, R.C., held for Court Martial on this seventh day of December 1945.

Mr. President and members of this court, I ask that consideration be given H-77070 Spr. Greaves, R.C., in that three years and three months of his total of four and half years service has been spent overseas. Thirteen months of this service has been served in the North West theatre of operations. In all this time he has had only three minor crimes.

I feel sure that the persuasions of the people he was staying with while on his last leave and his infatuation of the English countryside from which he had been away so long, have led to the overswaying of his better judgement.

Spr Greaves who is thirty-eight years old and has been married nine years is most desirous to get back to his wife in Canada, who following an operation a short time ago is still not feeling well and is still being treated by her doctor.

I ask the court for leniency so that Spr Greaves may put on draft again and sent back to his wife as soon as possible.

I ask that the punishment be in forfeiture of pay & not in imprisonment

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s).(1) and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. No sir (5)

(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.*)

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A , initialled and read aloud by the President.(1)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? (*1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges, use second alternative in para D8.*)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans. Do you intend to call witnesses on your behalf ? Ans. Are they witnesses as to character only ? Ans.

The Defending Officer makes the following statement in mitigation of punishment:

Pte Green, the accused, is 38 years of age. He enlisted in September 1939 and came overseas on the 7 Feb 40 leaving a wife behind who has been ill since 1933 and a child who is six. He was married 13 years ago and was in civil life a commercial traveller and was making good money. He never drank until he came overseas and he has been worrying quite a while now about his wife. He asked twice for compassionate leave but has been refused. In February 1943 he was in hospital and he had a blood examination and was found sufferring from syphillis. It was a surprise for him and quite a bad surprise. He lost about thirty pounds in weight in 1943. As to his AWL, he pleaded guilty. Why did he go AWL? He does not know himself. He was worried about his illness, his wife and troubles. He wanted to forget. To-day he is tried by Court Martial. He is fit to undergo the trial. I do not want to try and influence the Court but physically at the present time he is not fit for full military duties. Personally, as an MO, I would not sign a medical report stating that he was fit for full military duties. If I can make a suggestion to the Court, I would suggest the man be sent to a hospital to see what extent this syphillis had been spreading recently. To conclude I ask the Court to forget Pte Green's past. He has had some offences and he has been punished. Pte Green has now definite intentioned to be an efficient good soldier. I ask the Court to consider the fact besides pleading guilty to the two charges Pte Green is at the moment a sick man physically and I should say mentally.

MEDICAL OFFICER'S CERTIFICATE
(KR (Can) para 557)

I certify that I have this morning examined No. P21406 Sgt GREEN, A.C., Princess Patricia's Canadian Light Infantry, and in my opinion he is ~~unfit~~ fit to undergo trial by Court Martial.

Station In the Fd

Date 19 Jun 44

(Medical Officer)

Sgt. Green had been sick for some time before going in to the line. The medical orderly stated definitely that Sgt Green was very sick, too sick to go on as he told Sgt. Green to go back. Before leaving he reported to the senior N.C.O. and told him to tell the Pl. Comdr. this, the N.C.O. could not do until 30 minutes later. I consider that Sgt. Green was a casualty who most definitely required medical treatment by a R.A.P. The place where he returned to, that is Rear Bn. H.Q. was under shell fire on the night of 31st Sgt. Green did not at any time leave the dangerous area of fire.

By defending Officer

On May 31st I was in 17 Pl B Coy R.F.C.L. by approximately 2000 hrs I was taken ill at the stomach, there followed very much the same symptoms as I had had on the previous night. I left my platoon in charge of Sgt Thompson and went back to rear Bn. H.Q. to seek the R.A.P. I arrived there about midnight. The M.O. R.A.P. was not there. I saw the C.O.M.S. of B Coy and got a blanket and settled down for the night. The next morning I saw Capt Graves whom I knew to be the M.O. I told him that I was reporting sick as I had fallen out of the line of march the evening before to report sick. I talked a little while to him, he then turned, telling the orderly to see that I was made comfortable. He then went out of the room and came back. He said he was the doctor. He told me to stay where I was. I asked to see the R.A.P. Orderly. He replied to Capt Corbett. I reported the case the following morning.

As we were sitting Sgt Green was holding his head, and said it was ~~throbbing~~.

Character mention

H 10558 Cpl. Lowen, C M.G

Sir, since landing in Italy on the 3 Sept 43 until the capture of Ortona. I was under the leadership of Sgt Green who was Platoon Sgt of 7 Platoon, D Coy PPCLI.

In that time on many different occasions I was outstanding leadership and courage displayed by Sgt Green.

In all my Army career I have never been under a commander who displayed such leadership both in action and training of men Sgt Green is.

I must further state that if I am, I have to go into action again, I would not hesitate to do so under command of Sgt Green.

Summary of Evidence in the case of
P21406 Sgt GREEN, A.C.

The Commanding Officer directs that the Evidence be taken on oath.

FIRST WITNESS for PROSECUTION

K85207 Corporal W. G. Dennon D. Coy P.P.C.L.I. having been duly sworn, states:-

"I am a section leader in #17 Platoon D Coy P.P.C.L.I. On the 31 May I was Senior Corporal in 17 Platoon. At about 2030 hours we were spread out and in a temporary defensive position, we had been under mortar fire for an hour and a half. The shelling ceased in our area and an order came to move. The platoon Commander, Lieut Dougal was in charge of the platoon and was with the leading section. My section was in rear near Platoon H.Q. Prior to this I had been near Sgt Green and he appeared to me to be quite sick, on one occasion I had seen him vomitting. When the order came to move Sgt Green ordered me to give a message to Mr Dougal at the first opportunity that he was too sick to go any further and would make his way to the rear and catch up as soon as he was well enough. At the time Sgt Green gave me this message we were not under fire. At this time the platoon had not to my knowledge been given an order to attack when I saw

The accused declines to cross-examine this witness.

SECOND WITNESS for PROSECUTION

LIEUT T. DOUGAL PPCLI having been duly sworn states:-

On 31st May 1940 I was Platoon Commander of 17 Platoon D Coy P.P.C.L.I. P 21406 Sgt Green A.C. was Pl sgt. At about 1100 hrs while the company was marching as the second coy in a Battalion advance, we stopped because the leading coy had bumped the enemy. Shortly after this mortar fire fell in our area. I put the platoon in a defensive position and moved to the head of the platoon to be ready for orders, leaving Sgt Green with platoon HQ. At approximately 2000 hrs

SECOND WITNESS for PROSECUTION

(Continued) I received an order to continue the move. I passed the order down the platoon by word of mouth. When we arrived at our next stopping place, at about 2045 hrs and when the rear section came up Cpl Denman reported to me that Sgt Green was sick and was making his way to the rear. I appointed Cpl Denman acting platoon Sgt and reported the occurance to Coy HQ. Up to the time Cpl Denman gave me the message I had received no order to attack.

The accused declines to cross-examine this witness.

THIRD WITNESS for the PROSECUTION

Capt R.G.M. Gammell P.P.C.L.I. having been duly sworn states:- I am adjutant PPCLI. On the morning of the 1st of June 1944 I was at Rear HQ. Rear HQ south East of Frosinone. Tactical HQ and the rifle coys were forward in contact with the enemy I saw P 21406 Sgt Green A.C. whom I knew to be a Platoon Sgt of D Coy. I asked Sgt Green what he was doing there, he stated that he felt that he was going to break under fire, and that rather than make a bad example in front of new troops, he considered that it was his duty to leave. I asked Sgt Green if he had permission of either his Coy or Pl Commander to leave. He stated that he had not, but had sent a message to his Platoon Commander stating that he was leaving.

R.G.M. Gammell Capt.

The accused declines to cross-examine this witness.

The accused was cautioned as follows:-
Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

After the above caution the accused elected to give evidence as follows:

First Witness for Defence

The accused P 21406 Sgt Green, A.C. D Coy PPCLI having been duly sworn states:-
On 31st May 1944 I was platoon Sgt of 17 Platoon D Coy PPCLI. Having been feeling ill for some time at approximately 2000 hrs I felt I could no longer keep up to the coy & therefore told the next senior NCO in the platoon Cpl Denman that I was going to the rear and that told him to inform the Platoon Commander. On ~~the~~ arriving at Rear BHQ I could not find the R.A.P. So I got into a vehicle and slept. Next morning I met Capt Gammell the Adjutant and I told him how I felt and he suggest I had better stay around for a while to see if I felt better. Later in the day I saw Cpl Embleton of the RAP and got some more pills. Next day I reported back to the Coy.

Sgt Green.

Second Witness for Defence

H 101553 Pte. BRANNER A. PPCLI having been duly sworn states:-
I am a First Aid orderly attached to 17 platoon D Coy PPCLI. On the storming of the Hitler line, which suffered heavy casualties, we had a great number of green troops with us who had come up since the Hitler line. Sgt Green also told me that he was sick. I asked him if he had permission from either his Coy Comdr or Pl Cmdr to leave his Coy. He said he had not, but had sent a message to his Pl Cmdr that he was leaving.

1st WITNESS FOR THE DEFENCE

Sgt. Green, having been duly sworn states:-

On May 31st I was in 17 Pl D Coy PPCLI. At approximately 2000 hrs I was taken ill at the stomach. Also felt very weak. The coy was stopped and on the order to move off I couldnot keep up. I told Cpl Denman to take a message to the Pl. Cmdr. that I was falling out. Also that I would catch up as soon as possible. I made my way back to rear Bn. H.Q. to seek the R.A.P. I arrived there about midnight. The R.A.P. was not there. I saw the CQMS of D Coy and got a blanket and slept there for the night. The next morning I saw Capt Gimble whom I knew to be the Adjt. I told him that I was reporting to him as I had fallen out of the line of march the evening before to report sick. I talked to him after reporting to him, as man to man, telling him the action of men under a person who was sick. He said he need not give me a blast as I knew the score. He told me to stay around until I could go to an R.A.P. I then reported to Cpl Embelton. I rejoined the coy the following morning.

DEF - What was the state of your nerves?

W - I was nervous - being sick.

DEF - Were you likely to break under fire?

W - I do not think so, Sir.

DEF - What reason did you give Capt Gamble for ~~YM~~ coming back?

W - I told him that I was sick in the stomach, and also that I was nervous.

DEF - How long had you been sick before leaving the coy?

W - I had been sick two days before.

PROS - Did you report sick to the M.O. at all?

W - No Sir.

PROS - You did not go forward to ask permission to go back?

W - No Sir.

PRES - Did you make any inquiries as to where the R.A.P. was?

W - I was told, after looking around, that there was no R.A.P. in the area, as one of the attendants was wounded.

PRES - When did you rejoin your Coy ?

W - 2nd June, Sir.

Capt Jarvis:- Did you at any time before tell your Pl Cmdr that you were sick?

W - Yes, on the 30th May.

R.P. 83(b) Complied with.

WITNESS HAVING BEEN SWORN 2ND WITNESS FOR DEFENCE

DEF - Tell the court who you are.

W - My No is #101553 Pte Browner, A.

DEF - Tell the Court about Sgt Green.

W - On the night of 31st May we were advancing up a gully. We stopped for a few minutes. As we stopped, I was called over by Sgt Green. He asked me if I had any Asperins. As a medical orderly, I asked him how he felt. I had known him to vomit after meals. I gave him some tablets as I had been told by the Medical Officer to do.

As we were sitting Sgt Green was holding his head, and said it was throbbing. Then we started out. He told me he could not go on as he was too sick.

I told him that I did not know where the R.A.P was and told him that he would have to make his way to Bn H.Q. as best he could. He left for Bn H.Q. I could not go with him as I was too busy.

DEF - How ill did Sgt Green appear to be to you.

SUMMARY OF EVIDENCE
in the case of
B-17518 Gnr. Allen, J.A.
F-88371 " Currie, F
B-15632 " Green, A.G.
all of the 25 Med Bty.,2 Cdn Med Regt,R.C.A.
Taken under oath by order of the Commanding Officer.

FIRST WITNESS D-14625, Sgt. Wilson, H.C., 25 Med Bty., 2 Cdn Med Regt,RCA, having been duly sworn, states;

On 3 Mar 44, at approximately 1930 hrs "D" sub-section was preparing to move to a new gun position. We got an order from Lieut. Hollam over the tannoy system to be prepared to move at last light at approximately 1700 hrs. I went to the new gun position at 1930 hrs leaving the three accused behind with intention that they should ride up with the next load of equipment. On the arrival of that equipment I found that only Gnr. Green had come with it. BSM Hook informed me, in the presence of Gnr. Green, that he was under the influence of alcoholic beverages. On the arrival of the next load of equipment, Gnrs Allen and Currie came. This was about 0200 hrs, 4 Mar 44, and I found Gnr. Allen and Gnr. Currie under the influence of alcoholic beverages.

Question by Gnr. Allen, J.A.

1. Q. Would you say I was drunk on arrival at the new gun position?
   A. I did not state that Gnr. Allen was drunk, but that he was under the influence of liquor.

The Accused Gnrs Currie and Green decline to cross-examine this witness.

Questioned by officer taking the summary.

1. Q. Were the accused or any of these present when you received the order to move from Lt.Holland?
   A. They were all present.

2. Q. Did they hear or know about the order?
   A. The order was given over the tannoy and I repeated the order.

3. Q. These men are all members of your gun detachment?
   A. Gnr. Allen and Gnr. Green are. Gnr. Currie is LMG man for the troop and when not on that duty is on duty at my gun position.

4. Q. On what do you base your statement that these men were under the influence of liquor?
   A. They were not too steady on their feet.

5. Q. Were they fit to carry out their duties that night?
   A. They could have done so with a lot of persuasion. They might have been able to do their duties on the gun but I would not take the chance.

6. Q. Was it necessary to employ other men to take their place?
   A. Yes.

7. Q. What did you do with the men when they arrived?
   A. They took their kits, made their beds and went to sleep.

Re-examined by Gnr. Allen, J.A.

1. Q. On arrival at the gun position could you say I was incapable of carrying out my duty and is it not here that I started to unload the truck?
   A. Yes, you started to unload the truck and could have carried out your duties with a lot of persuasion.

2. Q. Do you know that I was told by one of the crew to leave the truck and go to bed?
   A. No.

The Accused Gnrs Currie and Green again decline to cross-examine the witness.

D.14656 Lt. H.T. Wilson Sgt.
(Wilson, H.C.) D-14625

SECOND WITNESS B-17631 L/Bdr. Neville, J.F., 25 Med Bty, 2 Cdn Med Regt, RCA, having been duly sworn, states;

I am the N.C.O. 2 i/c of "B" sub-section, commanded by Sgt. Wilson. On the night of 3 Mar 44 I left the gun position at approximately 1730 hrs and went to "B" Echelon. I returned at approximately 1900 hrs and the detachment was busy winching out the gun to move it to its new location. The whole crew was busy working on the gun, including the accused. The gun was moved onto the road near the Command Post and taken to the new position by the crew that was there at the time. The accused were left at the old position. I went up with the gun and came back with the matador to get the remainder of the gun stores and the ammunition. This was approximately 2330 hrs. As a result of a conversation with Gnr. Delaney, I saw Gnr. Allen and Gnr. Currie. Currie was walking around the position and Allen was lying in a dugout where a pup tent had been. Gnr. Currie was in no condition to load ammunition but was capable of carrying out light duties. I could tell by the manner of speech and his unsteadiness on his feet that he was under the influence of liquor. I did not speak to Gnr. Allen, but I saw him. He was sick when I saw him and I did not think he was fit to work. Some drivers helped us to load the equipment and ammunition on the matador. Gnr. Green went up on that load. He was helped on by Gnr. Eastaugh and one other man. I went up with the load. After we got there, they pulled Green out of the front seat and had some trouble to get him aroused. He was asleep. After they got him out, he went to bed. I don't think he was fit to carry out his duties.

Questioned by Gnr. Allen, J.A.

1. Q. When you found me in the dugout would you say I was drunk?
   A. I couldn't exactly say you were drunk. I was not talking to you. All I know is that you were sick. It might have been from anything.

2. Q. Is it not true that a few days previous to this incident I had been sick with diarrhoea and upset stomach?
   A. Yes.

3. Q. On arrival at the new gun position did I not start to unload the truck?
   A. Yes.

SECOND WITNESS

Questioned by Gnr. Allen, J.A. (Cont'd)

4. Q. Did you know that one of the crew told me not to bother unloading the truck but go to bed?
A. Yes, I remember that.

The accused Gnrs Currie and Green decline to cross-examine the witness.

Questioned by officer taking the summary.

1. Q. What are the normal duties performed by these men on the gun detachment?
A. Gnr. Green and Gnr Allen are both layers.

2. Q. Where did you first see Gnr. Green?
A. The first place I saw him plainly was at the new gun position where they were taking him out of the truck.

3. Q. Who was taking Green out of the truck?
A. Gnr. Eastaugh mainly with the assistance of Gnr. Ward. BSM Hook went first to try to get Gnr. Green awake but gave it up and told the men to get him out of the truck.

4. Q. Was it necessary to detail other men to perform the duties of these men?
A. Yes sir. Gnr. Delaney was the only men left behind able to work.

(Neville, J.F.) L/Bdr. S-17631

Question to the Accused.

Q. Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given in evidence?

Q. "Gnr. Allen"? A. "No sir."
Q. "Gnr. Currie"? A. "No sir."
Q. "Gnr. Green"? A. "No sir."

All Accused decline to make a statement.

Certified that;

Rules of Procedure 4(c), 4(d), 4(e), 4(f) complied with.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

16 Aug 43.

To the President and
Members of the Court.

H 62626 Pvt Green F.J.

1. The following plea in mitigation of sentence is presented on behalf of the accused.

2. Although Pvt Green has a fairly long list of entries on his conduct sheet, they are, in the main, of a trivial nature. His offence in January 1943, for which he served 28 days detention, arose out of his being sick and refusing to attend a parade. Other than this instance, he has no serious offences recorded against him.

3. On his transfer to C.B.R.D., he became somewhat resentful and bored. He did only odd jobs, and as a result he went absent without leave. This youthfulness should be taken into account and due allowance be made on that account. He should learn his lesson after this period of detention and return to his unit, and then earn for himself an efficient record.

Respectfully submitted
On behalf of the accused.

Closing Address for Defence.

The prosecution stated that they would attempt to prove (1) Gnr. ~~Green~~ 200 GREEN F.S. was absent and (2) did not report himself during the day. The prosecution has proved simply that the accused's name was called. No evidence has been produced to show that he was not there. The check of the troop mustered was by the prosecution's own witness, Bdr. OLEKSUIK, not a thorough check. When he did not hear Gnr. GREEN answer his name, he did not move from his place although by his own evidence again he could not see every man. Sgt. Bedard's lack of knowledge of the accused's presence does not prove absence. Furthermore Sgt. Bedard contradicted himself regarding the thoroughness of the check.

I submit, therefore, that the accused was present, his answer was perhaps not heard and he was marked absent without a proper careful investigation being made. We, on the other hand, have shown that he was on parade. We have produced two witnesses who walked on to the parade ground with him, one of whom saw him

P.T.O.

standing in the ranks. Two witnesses have also showed that he was with the parade when it moved off to the pay office. One witness saw him on pay parade standing in his proper place alphabetically 10th, Gunr. GREEN, made no attempt to report himself at any time during the afternoon, for he didn't know he was being marked absent until the next morning.

Yes.

Q Can you tell the Court what duties had been set out for GREEN F.S. from 1330 hrs. until the end of parade at 1700 hrs. on 14 Dec 43?

A. The first parade was 1330 hrs parade. The second parade was pay parade which should have been held at 1345 hrs. The next parade was not laid down for a special time but it was to be a Padre Hour. We waited for the Padre and at 1545 hrs. as the the Padre didn't appear. I broke the Troop off and

sent them for a shower.

Q. How was the troop warned that the next parade was Padre's Hour after pay parade?

A. By myself walking up and down the lines calling the troop on parade.

Q. The troop actually form up for the Padre's Hour

A. Yes, Sir.

Q. Was Pte. GREEN F.S. present

A. No, Sir

Q. How do you know?

A. I looked over the troop and didn't see Pte. GREEN F.S. and also while we were waiting for the Padre in the mess tent I did not see Pte. GREEN F.S.

Questions for Prosecution put through Court

Q. Did you give permission to Pte.

GREEN to be absent from Padre Hour in order to wash his clothes?

A. No Sir.

Questions for Defence put through Court-

Q. What time was it when you went up and down the lines calling the men on parade for Padre Hour.

A. At approximately 1500 hrs.

Second Address by Officer for Defence

With regard to the further evidence given by Sgt. Pedard on being recalled by the court.

Evidently pay parade was allowed to disintegrate. The time and place of the next parade was not notified properly. The roll was not called. Much stress has been laid by the prosecution on the fact that checks of the troop were made periodically. Now we hear of another so called check being made once again in a very casual manner. Indeed the whole system of parading in this troop seems to be carried out so carelessly, that it ~~provides~~ in no way provides a proper check; ~~was there any~~ ~~[illegible]~~ on ~~[illegible]~~ any person.

Plea of Mitigation

Defending Officer

Sir, He enlisted at outbreak of war when he was fairly young - Married in Dec 39 to a young girl in Canada. During time of his service overseas since July 41 he has had only five letters from his wife. ~~Lately~~ he received letter from his mother and other persons indicating that his wife was associating with undesirable persons and that she had left his mothers home, in fact that he and his wife were as good as permanently separated. His mother informed him that his wife was wearing a $400 fur coat which was unknown to the accused. The accused then formed an association with an English girl, who is now Pregnant by Green. The defence submits that the mental unrest due to the above causes resulted in Green going absent without leave, and pleads leniency.

First Witness for Prosecution

Capt. A.L. Jacobs, RCAMC, 1 Cdn F.D.S. having been duly sworn states:-

I am A.L. Jacobs, Captain RCAMC employed as medical officer with 1 Cdn F.D.S. I recognize the accused Pte Henri Green. On 21 Mar 44 at about 2145 hrs Pte Green was admitted to 1 F.D.S. He was suffering from a wound of the right great toe. It was a gunshot wound, I believe it would have been from above downwards. The wound could have been caused either by a weapon in his own hands or in the hands of someone else.

Cross-examined by defence

Q. The bullet might have been fired from below upwards?
A. It could have.

Q. You are not sure the bullet travelled from above downwards.
A. I couldn't be sure.

Examined by Court.

Q. To what extent was the accused wounded.

A. The proximal joint was shattered, the toe being attached to the foot by only a flap of skin on the outside. The toe was not amputated at the time but has since become gangerous and will have to be amputated.

Second Witness for Prosecution

M.42060 Cpl. Avoine, L. of R.22e R. having been duly sworn:

I am Cpl Avoine of R.22e.R. I recognize the accused Pte. Henri Green. At 1800 hrs on 21 Mar 44 I was acting guard commander. I was mounting my guard and Pte. Green was detailed. There were about six or 7. I gave the order to cock their weapons. At the same time I heard xx a shot fired. Pte Green was about one yard from me and I saw him falling down. Pte Green asked me who had fired at him and the first thing I did was to put a first field dressing on his wound and called for an S.B. Pte Green had a rifle. I did not inspect any of the weapons of the guard after the shot. It is normal to apply the safety catch after cocking of weapons. Pte Green is a trained soldier in my opinion. I cannot recall the position of the accused's rifle at the time of the accident.

Cross examined by defence

Q. Prior to ordering the guard to cock their weapons did your order them to load them?
A. No sir the only order I gave was to cock them.

Q. After you gave the order to cock their weapons did your make certain that the men had applied safety catches?
A. Yes sir.

Q. Did you check Greens weapon to see if his safety catch had been applied?
A. No sir I did not check Greens rifle.

Q. Why not?
A. Because I was busy applying a first field dressing to the wound.

Q. In that case the shot was fired immediately after your command to cock the weapons?
A. Yes sir at the same time.

Q. Do you think that immediately following the cocking of Green's rifle that accidentally pressure might have been applied to the trigger in such a way as to discharge the firearm accidentally?
A. Yes sir.

Examined by the Court

Q. When did you make certain safety catches were applied?
A. Immediately after applying first field dressing to Green's wound.

Q. Did you notice the direction of the shot?
A. No sir.

Q. Was this in a building or out of doors?
A. It was outside

Q. Did you examine all the weapons including Green's after applying first field dressing?
A. Yes all but Green's Which was examined by someone else.

Q. Had any of these weapons you examined been recently fired?
A. No sir

3rd Witness for Prosecution

E.57849 L/Cpl Brousseau, G. R.22e.R. having been duly sworn:-

I am L/Cpl Brousseau of the R.22e.R. I recognize the accused Henri Green. At about 1800 hrs 21 Mar 44. I was on my sentry post on duty I saw smoke at about 20 yds behind me. I went out of my dugout to tell them to stop that smoke. When I arrived there I saw Cpl Avoine giving orders to his men regarding guards duty, I waited until Cpl Avoine finished his orders because I didn't want to disturb him.

When Cpl Avoine finished his orders Pte Green was about 18 ft from me. I heard a shot fired and I saw Green's rifle falling in front of him and I saw Green falling on his back. I went near Green & he was asking who had fired the shot. I picked up Green's rifle took out the empty cartridge and I put a safety catch on the rifle and I saw the SB coming and I went back to my Sentry Post. The bullet had been freshly fired for the barrel of Greens rifle was still hot. Before the shot Green was standing up holding his rifle pointing downwards. The rifle was in good condition when I examined it. Green had been in our Company for about 10 days prior to the accident. I did not speak to Green after the accident. I did not see the shot fired.

Cross-Examined by Defence:

Q. You just said you heard a shot fired saw Greens rifle fall forward and Green fall backward?
A. Yes sir.

Q. When you left your post and went toward Cpl Avoine Guard detail did you actually see or notice Pte Green aiming at his right foot?
A. No sir.

Q. You said Green was standing with his rifle muzzle pointed to the ground - was he holding it in the crook of his arm or was he holding it with his hands around the butt in the normal firing fashion.
A. I cannot say for I was behind the accused.

Q. So in fact youre not sure the muzzle was pointed to the ground?
A. Yes for I could see the muzzle between his legs.

Q. So the muzzle was not pointed at either foot.
A. I cannot say whether the rifle was pointed more to the

B6

left or the right It was pointed downward and in front of him.

Q. In what fashion were the other men holding their rifles?
A. I cannot say because I didn't pay much attention.

Questioned by the Court:

Q. How do you know the rifle you examined was the one Green had?
A. Because I saw it fall in front of Green & I picked it up immediately.

Q. Describe the exact condition of the weapon.
A. The rifle I picked up had it muzzle very near Green's feet and the butt to the left. I picked up the rifle and took out an empty cartridge and closed the bolt and applied the safety catch. The empty cartridge was hot. The bolt was closed, it had been fired & the safety catch was off.

Case is adjourned to 1300 hrs 21 Apr 44 to allow prosecution opportunity to produce record of service of accused.

Court re opens 1315 hrs 21 Apr 44.

Medical certificate produced marked exhibit A4 and attached to proceedings.

SUMMARY OF EVIDENCE

In the case of E.9027 Private Henri GREEN, a soldier of the Royal 22e Regiment, Canadian Army Overseas, CMF, on Active Service.

By direction of the Commanding Officer this Summary of Evidence is taken under oath.

1st Witness For Prosecution. E.42060 Cpl Avoine L. Royal 22e Regiment, having been duly sworn states:-

"I am E.42060 Cpl Avoine L. of R.22e.R. posted to "D" Coy.

On 21 Mar 1944, at about 1800 hrs, whilst acting as guard commander, I was preparing to post my guard. E.9027 Pte Henri GREEN, was one of the details. He was about two or three feet from me. I gave order for the men to cook their weapons and at that same instant a shot was fired. E.9027 Pte Henri GREEN cried out: "who shot me?". It became apparent that it was Pte Green's rifle which being pointed to the ground, had been accidently discharged, wounding him in the right foot. I administered first aid and sent for the stretcher bearers. I firmly believe that it was an accident. I have known E.9027 Pte Green for approximately one week, and to my knowledge he is a very good and enthusiastic soldier".

Q.1 In what manner did you order your men to load their weapons?
A.1 O.K. boys, you can load your weapons.

Q.2 At the time of the accident how was E.9027 Pte Green holding his rifle?
A.2 I do not remember exactly.

The accused declined to cross examine the witness.

"L. Avoine" Cpl.

2nd Witness For Prosecution E.57849 Pte Brousseau G. Royal 22e Regiment, having been duly sworn states:-

" I am E.57849 Pte Brousseau G. of R.22e.R. posted to "D" Coy.

On 21 Mar 1944, at about 1800 hrs, I was on guard in my section post. I noticed some smoke coming from a dug-out near my post. I came over to warn the occupants thathis smoke was dangerously visible. When i arrived there E.42060 Cpl Avoine L was giving final instructions to his men. I waited for him to finish. I heard him tell them to load and cock their weapons. It was then a shot was fired and one of the details sat down heavily asking "Who shot me?". It was E.9027 Pte Henri GREEN. I picked up his rifle which he had dropped and opened the bolt. First Witness for Prosecution

Capt A L Jacobs RCAMC, 1 Fd Amb 7 D.S. having been duly sworn states:—

I am A L Jacobs, Captain RCAMC employed as medical officer with 1 Fd Amb 7 D.S. Discerning the accused Pte Henri Green. On 21 Mar 44 at about 2145 hrs Pte Green was admitted to 1 7 D.S. He was suffering from a wound of the right great toe. It was a gunshot wound, I believe it would have been from above downwards. The wound could have been caused either by a weapon in his own hand or in the hands of someone else.

Cross-examined by defence.

Q- ~~Did~~ The bullet might have been fired from below upwards?

A- It could have

Q- You are not sure the bullet travelled from above downwards?

A- I could not be sure.

Examined by Court.

Q- To what extent was the accused wounded.

A- ~~The terminal joint of the right great toe was missing.~~ The proximal joint was shattered, the toe being attached to the foot by only a flap of skin on the outside. The toe was not amputated at the time but has since become gangrenous & will have to be amputated.

Second Witness for Prosecution

E 42060 Cpl Avoine, L of R22eR having been duly sworn :-

I am Cpl Avoine of R22eR. I recognize the accused Pte Henri Green. At 1800 h on 21 March I was acting guard commander. I was mounting my guard & Pte Green was detailed. There were about six or 7. I gave the order to cock their weapons. At the same time I heard ~~fired~~ a shot fired. Pte Green was about one yard from me & I saw him falling down. Pte Green asked me who had fired at him & the first thing I did was to put a first field dressing on his wound & called for an RR. Pte Green had a rifle. I did not inspect any of the weapons of the guard after the shot. It is normal to apply the safety catch after cocking of weapons. Pte Green is a trained soldier in my opinion. I cannot recall the position of the accused's rifle at the time of the accident.

Cross-examined by defence

Q- Prior to ordering the guard to cock their weapons did you order them to load them ?

A- No sir the only order I gave was to cock them

Q- After you gave the order to cock their weapons did you make certain that the men had applied safety catches?

A- Yes sir.

Q- Did you check Green's weapon to see if his safety catch had been applied ?

A- No sir I did not check Green's rifle.

Q- Why not ?

A- Because I was busy applying a first field dressing to the wound.

Q- In that case the shot was fired immediately after your command to cock the weapons?
A- Yes sir at the same time.
Q- Do you think that immediately following the cocking of Green's rifle that accidentally presume might have been applied to the trigger in such a way as to discharge the firearm accidentally?
A- Yes sir.

Examined by the Court.

Q- When did you make certain safety catches were applied?
A- Immediately after applying first field dressing to Green's wound.
Q- Did you notice the direction of the shot?
A- No sir.
Q- Was this in a building or out of doors?
A- It was outside
Q- Did you examine all the weapons including Green's after applying first field dressing?
A- Yes all but Green's which was examined by someone else
Q- Had any of these weapons you examined been recently fired?
A- No sir

3rd Witness for Prosecution

E 57849 Lt/Cpl Bronsvean, 4 R.R.R having been duly sworn :-

I am Lt/Cpl Bronsvean of the R.R.R. I recognize the accused Henri Green. At about 1000 hrs 31 Mar 44 I was on my sentry post on duty I saw smoke at about 20 yds behind me I went out of my dugout to tell them to stop that smoke. When I arrived there I saw Lt/Col Arvine giving orders to his men regarding guards duty. I waited until Lt/Col Arvine finished his orders because I didn't want to disturb him.

When Cpl Aroine finished his orders Pte Green was about 15 ft from me. I heard a shot fired & I saw Greens rifle falling in front of him & I saw Green falling on his back. I went near Green & he was asking who had fired the shot. I picked up Greens rifle & it took out the empty cartridge & I put a safety catch on the rifle & I saw the SB coming & I went back to my Sentry Post. The bullet had been freshly fired for the barrel of Greens rifle ~~had been~~ was still hot. Before the shot Green was standing up holding his rifle pointing downwards. The rifle was in good condition when ~~I fired it~~ examined it. Green had been in our Company for about 10 days prior to the accident. I did not speak to Green after the accident. I did not seen the shot fired.

Cross-examined by Defence:

Q- You just said you heard a shot fired saw Greens rifle fall forward & Green fall backward?

A- Yes sir

Q- When you left your post & went toward Cpl Aroine Guard detail did you actually see or notice Pte Green aiming at his right foot?

A- No sir.

Q- You said Green was standing with his rifle muzzle pointed to the ground - was he holding it in the crook of his arm or was he holding it with his hands around the butt in the normal firing fashion.

A- I cannot say for I was behind the accused

Q- So in fact you're not sure the muzzle was pointed to the ground?

A- Yes for I could see the muzzle between his legs.

Q- So the muzzle was not pointed at either foot

A- I cannot say whether the rifle was pointed more to the

left or the right It was pointed downward & in front of him.

Q- In what fashion were the other men holding their rifles

A - I cannot say because I did not pay much attention.

Questioned by the Court:-

Q - How do you know the rifle you examined was the one Green had?

A - Because I saw it fall in front of Green & I picked it up immediately.

Q - Describe the exact condition of the weapon.

A - The rifle I picked up had its muzzle very near Green's feet & the butt to the left. I picked up the rifle & took out an empty cartridge & closed the bolt & applied the safety catch. The empty cartridge was hot. The bolt was closed, it had been fired & the safety catch was off.

Case is adjourned to 1300 hrs 21 Apr 44 to allow prosecution opportunity to produce record of service of accused.

Court re-opens 1315 hrs 21 Apr 44.

By direction of the Commanding Officer this Summary of Evidence is taken under oath.

1st Witness For Prosecution

E.42060 Cpl Avoine L. Royal 22e Regiment, having been duly sworn states:-

" I am E.42060 Cpl Avoine L. of R.22e.R. posted to "D" Coy.

On 21 Mar 1944, at about 1800 hrs, whilst acting as guard commander, I was preparing to post my guard. E.9027 pte Henri GREEN, was one of the details. He was about two or three feet from me. I gave order for the men to cock their weapons and at that same instant a shot was fired. E.9027 pte Henri GREEN cried out: " Who shot me ? ". It became apparent that it was pte Green's rifle which being pointed at the ground, had been accidently discharged, wounding him in the right foot. I administered first aid and sent for the stretcher bearers. I firmly believe that it was an accident. I have known E.9027 pte Green for approximately one week, and to my knowledge he is a very good and enthusiastic soldier ".

Q.1 In what manner did you order your men to load their weapons ?
A.1 O.K. boys, you can load your weapons.

Q.2 At the time of the accident how was E.9027 pte Green holding his rifle ?
