On the night of 27 Nov 44 at the U.S. police station I received a complaint from a civilian that the night previously a Canadian soldier had slept at his house. They left him asleep in the morning and when they returned at night they found a sum of money missing. He gave me an address where this soldier was known to frequent the cafe Royal Midi. I called at this cafe and talked to the proprietor between 2000 hrs and 2100 hrs. I was told that this soldier would probably be in later in the evening. I left then and returned later about midnight. The accused whom I recognize was in the cafe. I checked him for his pass and he had none also no pay book. He stated he had escaped from Field punishment camp. I placed him under close arrest. L/Cpl Gouthier was on duty with me. While on the way to the U.S. Police station I was stopped by an Officer who required some directions. The accused ran away in an attempt to escape. I gave chase and caught him. On arrival at the U.S. M Police station I had the accused empty his pockets placing the contents in his cap. The articles here, namely the Exhibits A to H are the ones I removed from the accused's pockets. I took them to Prince Albert Barracks with the accused and turned them over to C.C. Guard.

PROSECUTORS CLOSING ADDRESS

in the case of E-14207 Pte Giroux, P.E.

Sirs:

The Prosecution has presented sufficient evidence to prove each point in this very serious charge. The date, time, place, have been proven, the articles positively identified by both the owners and the Provost whom arrested him with the articles on his person. In view of the fact that this was a dastardly act committed by a Canadian soldier enjoying the hospitality and confidence of friendly Belguim Civilians, I ask the court to find him guilty.

(sgd) J.J.M. Connors, Lt.

CLOSING ADDRESS FOR DEFENSE

In the case of Pte Giroux, P.E.

Sirs:

In summing up the evidence I would ask you to cosider these points. Before Madame Simon left the house on the morning of the 27 of Nov She showed Pte Giroux a bottle of wine which she told him she had bought for that evening and that if he felt inclined, he could have a drink. That morning Pte Giroux had only had some coffeeand no food. He had a drink of wine and I need not explain how that only made him feel that he should have another. I admit it was a weakness on his part- but a weakness he could not help at the time. Pte Giroux had more wine then cognac and then wine again and I am certain that the Court is aware of the effect that such a combination would have on an empty stomach. After having these drinks Pte Giroux does not remember what he did and is not responsible for his actions in the same way as a normal person is. I wish to draw the courts attention to Sections 8 and 9 of Chap VII of the MML. I cannot quote for I have not an MML with me but t e court will find words to the effect that that if the mind of a person is so affected by some disease that he is unaware of the nature of the crime and incapable of forming the specific intent necessary to constitute the crime he should not be convicted of it. Intoxication can affect themind to such an extent and if the court consider the evidence brought out I am sure they will find that in this case the mind of the accused was so affected. In the first place the accused consumed approx a Bottle of wine and half a bottle of cognac. That in itself should be sufficient proof . Secondly the witnesses will testify that he was very drunk he was so drunk that he couldnt even open the door but had to call for help.

And lastly I would ask the court to consider the articles found on the accused. What normal person would go taking a ladies handkerchief or what good to a soldier is a ladies nail file with green handle ? Only a person so far gone that he absolutely didnt know what he was doing would take any such things. At the time that the accused did take them his mind was so far gone that he didn't even know what he was taking or was incapable of forming the specific intent that is necessary. In view of these facts I would ask the court to consider this as a special case and with reference to the ML as a guidance for such a special case I feel that the accused should be acquited

Respectfully submitted

She gave me another cup of coffee and showed me a bottle of wine on the fire place. She told me to help myself to a glass. I drank a glass of wine and found half a bottle of Cognac beside the bureau. Madame simon had gone before I started drink ing I had alittle cognac and then drank some more and I finished the rest of the wine and cognac. I then left the House. I took the key back to Madame Simon. I finished drinking with another Canadian soldier until I was picked up by the provost. I do not remember taking any of the articles found in my possession.

PLEA IN MITIGATION OF PUNISHMENT

in the case of Pte Giroux, P.E.

Sirs:

Before the court considers the sentence I would ask you to consider these points. The accused joined the army in Nov of 1939 when he was only 19 years of age - He served with the Army Service Corps for over a year work ng with an ammunition Coy In Jan 41 he was discharged and spent some time in the hospital but on coming out joined up again in the army because he felt he had a special job to do . He enlisted the second time with the service corps in July of 41 and was later transfered to the 18th Fd Ambulance Section.

He had been up to the front with the 18 Fd ambulance for about one month when called back for trial on a charge of AWL that had been pending for several months and had been put off because there was not sufficient evidence.

He was tried on the charge and sentenced to 90 days and had only 8 more days to complete his sentence when he broke out I wish to ask the Court to consider the circumstances under which that was done the accused had been drinking Cognac for most of the afternoon and when he was locked up and given the opportunity of escaping he was unable to forsee the seriousness of his offence. The accused is at present aware that drunkeness is no excuse for crime but at the time his mind was incapable of functioning properly, this is only too well brought out by the fact that no person under normal circumstances would do so with only 8 days of sentence left to do.

I would ask the court to take this into consideration in determining the sentence and with with special reference to sections 47 and 48 of Chap III of MCL where it states such circumstances should lessen the punishment.

I would also ask you to cosider that the accused is fit and ready to go back to the front where he is urgently needed. He is anxious to get back to his unit and carry on with his work.

I notice the NPM 6 but if the Court consider that all these entries were spread over a period of yrs and ~~xxxxxx~~ most of them are only minor AWLs of a day or so - the record is not at all bad.

In conclusion I would ask the court to deal as leniently as possible with this soldier in order that he may soon be able to rejoin his unit and carry on the work for which he joined up.

Respectfully submitted

The date, time, place have been proven, the articles positively identified by both the owners & the provost who arrested him & the articles on his person. In view of the fact that this was a dastardly act committed by a Canadian soldier enjoying the hospitality & confidence of friendly Belgium civilians, I ask the court to return a verdict of guilty.

Closing Address for Prosecution
in the case of Pte Firsing

Sirs:

In summing up the evidence I would ask you to consider these points.

Before Madame Simon left the house on the morning of the 27th she showed Pte Firsing a bottle of wine which she told him she had bought for that evening & that if he felt inclined, he could have a drink. That morning Pte Firsing had only had one coffee & no food. He had a drink of wine & I need not explain how that only made him feel that he should have more. I admit it was a weakness on his part - but a weakness he could not help at the time. Pte Firsing had more wine, then cognac & then wine again & I am certain that the court is aware of

the effect that such a combination would have on an empty stomach.

After having these drinks the prisoner does not remember what he did & is not responsible for his actions in the same way as a normal person is. I wish to draw the courts attention to sections 8 & 9 of chap VII of the Act. I cannot quote for I have not an Act with me - but the courts will find words to the effect that if the mind of a person is so affect by some disease that he is unaware of the nature of the crime & incapable of forming the specific intent necessary to constitute the crime he should not be convicted of it. Intoxication can affect the mind to such an extent & if the court considers the evidence brought out I am sure they will find that in the case the mind of the accused was so affected. In the first place

the accused consumed approx a bottle of wine & Rolf a bottle of cognac that in itself should be sufficient proof. Secondly the witnesses all testify that he was very drunk - he was so drunk he couldn't even open the door but had to wait for [illegible] to do it. It was easy for the court to consider the articles found on the accused. It had normal person would go to bring a ladder for a fire relief - in what good is a ladder in a lorry most fire will [illegible] ... Thirdly a person so ill as one that he absolutely didn't know what he was doing would take such things. At the time that the accused did take them his mind was so far gone that he didn't even know what he was doing & was incapable of forming the specific intent that is necessary in a charge of this [illegible]

ask the court to consider this as a special case & with reference to the stock as a guidance for such a special case I feel that the accused should be acquitted.

Respectfully submitted

Thompson.

Plea in Mitigation of Punishment:
in the case of Pte Grieve P.E.

Sir Before the court considers the sentence I would ask you to consider these points.

The accused joined the army in Nov of 39 when he was only 19 yrs of age - He served with the army service corps for over a year working with an ammunition coy. In Jan 41 he was discharged & spent some time in the hospital but on coming out joined up again with the army because he felt he had a special job to do. He joined & enlisted the second time with the service corps in July of 41 & was later transferred to the 18th Fd Ambulance section.

He had been up to the front with the 18 Fd ambulance for about one month when recalled back for ~~that~~ he had trial on a charge of AWL that had been pending for several months & had been put off because there was not sufficient evidence.

He was tried on the charge & sentenced to 90 days & said my

8 more days to complete his sentence when he broke out. I wish to ask the courts to consider the circumstances under which this was done — the accused had been drinking liquor previous the afternoon & when he was locked up & given the opportunity of escaping he was unable to resist the temptation of his friends. The accused is at present aware that drunkenness is no excuse for crime but at the time his mind was incapable of controlling properly — this is only too well brought out by the fact that no person under normal circumstances would do so with only 8 days of sentence left to do.

I would ask the courts to take this into consideration in determining the sentence & with special reference to sections 47 & 48 of chap III of Sask. where it states such circumstances should lessen the punishment.

I would also ask you to consider that the accused is fit & ready to go back to the front where he is urgently needed. He is anxious to go back to his unit & carry on with his work.

I enclose the letter & list of the court consider that all their entries were spread over a period of yrs & months, there are only minor & w/o of a day or so the record is not as bad.

In conclusion I would ask the court to deal as leniently as possible with this soldier & order that he may soon be able to rejoin his unit & carry on the work for which he joined up.

Respectfully submitted
A/Colonel

SUMMARY OF EVIDENCE

Summary of Evidence in the case of E14207 Pte GIROUX, P E, No 18 Cdn Fd Amb RCAMC a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence shall be given on oath.

First Witness: Mr EDWARD SIMON (Foreman) 29A Rue EDGAR TINEL, BRUSSELS being unable to speak English required an interpreter. Interpreter (French-English) Capt G HESSEY-WHITE CWAC CDN SEC HQ BRUSSELS GARRISON has been duly sworn.

The witness, Mr EDWARD SIMON, having been duly sworn states:

"When I came home on Saturday the 25th of November 1944, I saw Paul, whom I recognize here, with another soldier at my home. They both stayed for supper and they both left about 10:00 O'Clock that night. Before they left they were invited to return the next day and we gave them our visiting card and our telephone number and address on it.

When I came home on Sunday night my wife said that Paul had phoned and had asked if he could come over after a film show and stay the night, to which my wife had said "yes". Paul came to supper that evening and before going to bed we told him we had to go to work early in the morning to which Paul said it was a pity and my wife asked him "why". He said that he usually got up late around mid-day. My wife told him that she'd leave the keys with him and he could bring them to her place of work when he was ready to leave. We all went to bed then. In the morning I left for work at 7:00 AM and Paul was still in the house. I returned home between 6:30 and 7:00 that evening and found no one home. I went into the kitchen to start the fire and having difficulty I sorted out the contents of the stove. I found my visiting card, two slices of bread and a piece of half-burnt paper. It was all wet and I think that the paper had wine spilled over it. Shortly afterwards my wife came in. She had been waiting to meet Paul to go to a show but he hadn't turned up. Then I looked around and noticed wine had been spilled all over the place and Mlle LIBERT called me into the dining room to show me a key which was lying of the buffet, where it shouldn't have been. I saw the drawer of the bureau open and I noticed several things missing, they were: money from my box which is kept in the drawer, there was about 400 francs composed of nickeled pieces of various amounts among which were 2, 20 franc pieces, also an English shilling and a two shilling piece. From another box a 100 franc note was gone too. On the following Wednesday I was looking for my cigarette case and I found it gone. After that at various times I found these items missing: razor and blades, cigar case(Leather) comb, pair of gloves, handkerchief, compact, watch and nail file. I didn't know that the gloves, handkerchief, compact, watch and nail file were missing until I saw them here to-day. I never had occasion to look for them before. I recognize this cigar case as mine (Exhibit "A"), cigarette case as mine (Exhibit "B"), compact is my wife's (Exhibit "C"), my First Communion watch (Exhibit "D"), my wife's nail file (Exhibit "E"), my razor and blades (Exhibit "F"), my handkerchief (Exhibit "G") my gloves (Exhibit "H")

Accused declines to cross-examine.

Question by Officer taking the Summary.

Q: Were these items, cigarette case, cigar case, compact, watch, nail file, razor and blades, handkerchief and gloves which you have just identified, in the house when you left it on the morning of the 27 NOV 44.

A: Yes.

Second Witness: Madam GUSTAVIE SIMON (Waitress) 29A rue EDGAR TINEL BRUSSELS being unable to speak English requires an interpreter. Interpreter (French-English) Capt G HESSEY-WHITE, CWAC CDN SEC HQ BRUSSELS GARRISON has been duly sworn.

The witness Mme GUSTAVIE SIMON having been duly sworn states:

"On the 25 November 1944 at about 5:00 PM I invited Paul whom I recognize in this room and his friend to come to my home for dinner. They did, coming back with me and we arrived at my home 29A rue EDGAR TINEL BRUSSELS at about 5:45 in the afternoon. They had supper and left about 10:00 O'Clock that night. Before they left I invited them back the next day, but I asked them to telephone before coming as I'd be in all day. The next day Paul telephoned about 5:00 PM and asked if he could stay here. I said "yes", and he came about 9:00 O'Clock. He had dinner with us. We sat up talking quite late and before going to bed I told him I'd have to get up early in the morning to go to work. He answered "French-Canadians don't eat breakfast in the mornings and I'd rather stay in bed until 1:00 O'Clock". As he had come from the front I wanted him to get as much sleep as possible, so I left him [illegible] my keys, so he wouldn't be disturbed in the morning. We all went to bed then. In the morning about 9:00 O'Clock Paul got up himself and had some coffee with me and smoked a cigarette before I went to work, before I left for work I showed him where the keys were, and asked him to bring the keys to Cafe de la Poste, where I worked, before I left. He telephoned me at 12:30 noon to say "thank you for your hospitality" and "I'll bring your keys at 1:30 PM. He brought me the keys at 2:30 PM. He was drunk when he brought the keys to me. I gave him a rendez-vous to join me for the theatre and he said he'd be there at 4:30 PM. I waited for an hour there for him, but when he didn't come I returned home, arriving between 6:30 and 7:00 PM. When I got in my husband was already home. My husband was trying to start the fire, but the stove had my visiting card which I had given Paul, two slices of buttered bread which I had given him for his breakf st and wads of paper soaked with wine, in it, and he couldn't get it started. I saw my wine bottel was now empty, wine was splashed on the wall and floor. I also saw a key lying on the buffet which iskept in the kitchen drawer and the buffet's top drawer had been forced open, evidently with a kitchen knife because it wasn't in its usual position in the drawer and its point was broken. SUMMARY OF EVIDENCE

SUMMARY OF EVIDENCE in the case of H-14207 Pte Giroux,P.E. No 18 Cdn Fd AMB RCAMC a soldier of the Canadian Army Overseas.

The Commanding Officer diredts that the evidence shall be given on oath.

FIRST WITNESS: Mr Edward Simon (foreman) 29A Rue Edgar Tinel, Brussels being unable to speak English required an interpreter. Interpreter (French English) Capt G Wessey-White CWAC Cdn Sec HQ Brussels Garrison has been duly sworn.

The Witness, Mr Edward Simon, having been duly sworn states:

"When I came home on Saturday the 25th of November 1944, I saw paul, whom I recognize here, with another soldier at my home. They both stayed for supper and they both left about 10 O'clock that night. Before they left they were invited to return the next day and we gave them our visiting card and our telephone number and address on it.

When I came home on Sunday night my wife said that paul had phoned and had asked if he could stay the night, to which my wife had said yes. Paul came to supper that night and before going to bed we told him we had to go to work early in the morning to which Paul replied it was a pity and my wife asked him"why". He said that he usually got up late around midday. My wife told him that she'd leave the keys with him and he could bring them to her place of work when he was ready to leave. We all went to bed then. In the morning I left for work at 7.00 AM and Paul was still in the house. I returned home between 6.30 and 7 PM that evening and found no one home. I went into the Kitchen to start the fire and having diffic ulty I sorted out the contents of the stove. I found my visiting card, two slices of bread and a piece of half burnt paper. It was all wet and I think that the paper had wine spilled over it. Shortly afterwards my wife came in. She had been waiting to meet paul to go to a show but he hadn't turned up. Then I looked around and noticed wine had been spilled all over the place and Mrs Libertte called me into the dining room to show me a key which was lying on the buffet, where it shouldn't have been I saw the Bureau open and I noticed several things missing, they were money from my box which is kept in the drawer, there was about 300 francs composed of nickeled pieces of various amounts among which were two 20 franc pieces, also an English Shilling and a two shilling piece. From another box a 100 franc note was gone too. On the following wednesday I was looking for my cigarette case and I found it gone . after that at various times I found these items missing: razor and blades, cigarette case (Leather) Comb, pair of gloves, handkerchief, compact, watch and nail file I didn't know that the gloves, handkerchief, compact, watch and nail file were missing until I saw them here to day . I never had occasion to look for them before. I recognize this Cigar case as mine(Exhibit"C"), Cigarette case as mine(Exhibit"B"), Compact as my wifes(Exhibit"A"), My first communion watch(Exhibit"D"), My wifes nail file(Exhibit"E"), my razor and blades(Exhibit"F"), My handkerchief(Exhibit"G"), my gloves (Exhibit"H"),

Accused declines to cross-examine.

Question by Officer taking the summary.

PROSECUTORS CLOSING ADDRESS

In the case of H-14207 Pte Giroux, P.E.

Sir:

The Prosecution has presented sufficient evidence to prove each point in this very serious charge. The date, time, place, have been proven, the articles positively identified by both the owners and the Provost who arrested him with the articles on his person. In view of the fact that this was a dastardly act committed by a Canadian soldier enjoying the hospitality and confidence of friendly Belgium Civilians, I ask the court to find him guilty.

(sgd) J.J.M. Connors, Lt.

CLOSING ADDRESS FOR DEFENSE

In the case of Pte Giroux, P.E.

Sir,

In summing up the evidence I would ask you to consider these points. Before Madame Simon left the house on the morning of the 27 of Nov she showed Pte Giroux a bottle of wine which she told him she had bought for that evening and that if he felt inclined, he could have a drink. That morning Pte Giroux had only had some coffee and no food. He had a drink of wine and I need not explain how that only made him feel that he should have another. I admit it was a weakness on his part- but a weakness he could not help at the time. Pte Giroux had more wine then cognac and then wine again and I am certain that the Court is aware of the effect that such a combination would have on an empty stomach. After having these drinks Pte Giroux does not remember what he did and is not responsible for his actions in the same way as a normal person is. I wish to draw the courts attention to Sections F and G of Chap VII of the M.L. I cannot quote for I have not an M.L. with me but the court will find words to the effect that that if the mind of a person is so affected by some disease that he is unaware of the nature of the crime and incapable of forming the specific intent necessary to constitute the crime he should not be convicted of it. Intoxication can affect the mind to such an extent and if the court consider the evidence brought out I am sure they will find that in this case the mind of the accused was so affected. In the first place the accused consumed approx a Bottle of wine and half a bottle of cognac. That i itself should be sufficient proof. Secondly the witnesses will testify that he was very drunk he was so drunk that he couldnt even open the door but had to call for help.

And lastly I would ask the court to consider the articles found on the accused. What normal person would go taking a ladies handkerchief or what good to a soldier is a ladies nail file with green handle? Only a person so far gone that he absolutely didnt know what he was doing would take any such things. At the time that the accused did take them his mind was so far gone that he didn't even know what he was taking or was incapable of forming the specific intent that is necessary. In view of these facts I would ask the court to consider that as a special case and with reference to the M.L as a guidance for such a special case I feel that the accused should be acquitted

Respectfully submitted

PLEA IN MITIGATION OF PUNISHMENT

In the case of Pte Giroux, P.E.

Sir:

Before the court considers the sentence I would ask you to consider these points. The accused joined the army in Nov of 1939 when he was only 19 years of age - He served with the Army Service Corps for over a year work ng with an ammunition Coy In Jan 41 he was discharged and spent some time in the hospital but on coming out joined up again in the army because he felt he had a special job to do . He enlisted the second time with the service corps in July of 41 and was later transfered to the 15th Fd Ambulance Section.

He had been up to the front with the 15 Fd ambulance for about one month when called back for trial on a charge of AWL that had been pending for several months and had been put off because there was not sufficient evidence.

He was tried on the charge and sentenced to 90 days and has only 6 more days to complete his sentence when he broke out I wish to ask the Court to consider the circumstances under which that occurred the accused had been drinking Cognac for most of the afternoon and when he was locked up and given the opportunity of sobering he was unable to foresee the seriousness of his offence. The accused is at present aware that drunkeness is no excuse for crime but at the time his mind was incapable of functioning properly, this is only too well brought out by the fact that no person under normal circumstances would do so with only 6 days of sentence left to do.

I would ask the court to take this into consideration in determining the sentence and with with special reference to sections 47 and 46 of Chap III of KRR where it states such circumstances would lessen the punishment.

I would also ask you to consider that the accused is fit and ready to go back to the front where he is urgently needed. He is anxious to get back to his unit and carry on with his work.

I notice the AWL 6 but if the Court consider that all these sentences were spread over a period of yrs and xxxxx most of these are only short AWLs of a day or so - the record is not at all bad.

In conclusion I would ask the court to deal as leniently as possible with this soldier in order that he may so n be able to rejoin his unit and carry on the work for which he joined up.

Respectfully submitted

Where I came home on Saturday the 25th of November 1944, I saw Paul, whom I recognize here, with another soldier at my home. They both stayed for supper and they both left about 10 O'clock that night. Before they left x they were invited to return the next day and we gave them our visiting card and our telephone number and address on it.

When I came home on Sunday night my wife said that Paul had phoned and had asked if he could stay the night, to which my wife had said yes. Paul came to supper that night and before going to bed we told him we had to go to work early in the morning to which Paul replied it was a pity and my wife asked him why. He said that he usually took my late around with him every day. My wife told him that she'd leave the keys with him and he could bring them to her place of work when he was ready to leave. We all went to bed then. In the morning I left for work at 7.00 AM and Paul was still in the house. I returned home between 6.30 and 7 PM that evening and found no one home. I went into the Kitchen to start the fire and having difficulty I sorted out the contents of the stove. I found my visiting card, my I sorted out the contents of the stove, I found my visiting card, two slices of bread and a piece of half burnt paper. It was all wet and I think that the paper had wine spilled over it. Shortly afterwards my wife came in. She had been waiting to meet Paul to go to a show but he hadn't turned up. Then I looked around and noticed wine had been spilled all over the place and the Libertie called me into the dining room to show me a key which was lying on the buffet, where it shouldn't have been I saw the furnace door and I noticed several things missing, they were money from my box which is kept in the drawer, there was about 40 francs francs pieces, also an English Sovereign and also a silver piece. From another box a 100 Franc note was gone too. In the following months my I was looking for my cigarette case and I found it here , there and at various times I found these items missing: razor and blades, cigarette case (Leather) Comb, pair of gloves, handkerchief, compact, watch and nail file xxxx I didn't know that the gloves, handkerchief, compact, watch and nail file were missing until I saw them here to day . I never had occasion to look for them before. Plea of mitigation in the case of:
D-57714 Pte René Giroux.

The accused enlisted in the army in 1940. Immediately after his training he came across into England. That is to say that he left his country almost three years ago. His over age and his medical category have prevented him to follow his Regiment in the field. That is a matter which I would like you to take under consideration, gentlemen of the court.

The accused admitted ~~having~~ to have commit an offense against military law. I must remember you gentlemen that it was the first offense he ever commited being of a major nature. And again, you have to conpider the temptation that was make to him. The accused was in need of money. A civilian came to him and offered him to buy some boots from him. He was tempted very much and he gave in. I am sure that if that occasion would not have been brought to him, the accused would have remain in the right way.

In conclusion gentlement of the court I must remind you that the low medical category of the accused, was a sufficient reason to return him to Canada. As a matter of fact he has been already recommanded for his return; and it is this misfortune that retained him here.

I strongly recommand him to the clemency of the court. (Lt. Dubé)

Plaidoyer de mitigation dans le cas de:

D-57714 Pte. René Tremy.

L'accusé s'est enrôlé dans l'Armée en 1940. Immédiatement après son entraînement, il est traversé en Angleterre. C'est donc dire qu'il est parti de son pays depuis bientôt trois ans. Son âge et sa catégorie médicale l'ont empêché de suivre son Régiment en action. C'est un point que je vous demande de prendre en considération, Mrs. de la Cour.

L'accusé a avoué avoir commis une faute contre la Loi Militaire. Je dois vous rappeler Mrs., que c'est la première d'une nature grave. Et encore, vous avez à considérer la tentation qui lui a été faite. L'accusé avait besoin d'argent. Un civil vient à lui et lui demande d'acheter des bottines. Il est tenté fortement, il succombe. Je suis certain que si l'occasion ne lui avait été offerte,

L'accusé serait demeuré dans le droit chemin.

En terminant, Mrs. de la Cour, j'désire vous rappeler que la bonne catégorie médicale de l'accusé, était suffisante pour son retour au Canada. Il aurait même été convoqué pour son retour, et c'est cette malheureuse affaire qui le retient. Je le recommande fortement à la clémence de la Cour.

SUMMARY OF EVIDENCE

In the case of No D-57714 Private Rene GIROUX, of The Canadian Infantry Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of The Canadian Army Overseas.

By direction of the Commanding Officer this Summary of Evidence is taken on oath.

First Witness for the Prosecution

No E-5567 A/Sgt BRASSARD, J.E., of The Cdn Inf Corps, on strength of No 6 C.I.R.U., having been duly sworn states as follows:

"I am employed as Sgt i/c of Regt'l Police staff of No 6 C.I.R.U. At 1000 hrs 8 Aug 44 I was on duty near No 3 Camp Men's Kitchen when I saw a civilian whom I now know to be Mr Frank Wise, entering the said kitchen. I stayed there until he came out with something wrapped up in an old bag. He got on his tractor with the bag and moved off. I then ordered Cpl Brais J.N., of The Regt'l Police force of 6 C.I.R.U. to accompany me and we gave chase to the civilian. He stopped in front of the Sgts Mess at No 2 Camp and there, after making inquiries, we found a pair of army boots. I hereby produce the pair of boots which we found in the civilian tractor. These are marked as Exhibit "A" and attached to the proceedings. I then escorted the civilian to the office of the adjutant, where an identification parade was arranged in order to identify the owner of the boots. The civilian, Cpl Brais and myslef then proceeded to No 3 Kitchen, where the accused, whom I now recognize, was identified as the soldier who wanted to sell the boots to Mr Frank Wise. Pte Giroux was then placed under close arrest. Upon more investigation by the adjutant and the R.S.M. I was ordered to arrest Pte Lemarier, which I did immediately."

STATEMENT OF EVIDENCE

11 Aug 44.

of Mr Frank Wise
Crag Farm
Norwood Edge, Otley

On 8 Aug 44, as an employee of Wood Swill contractor, I was working in No 3 Camp, 6 C.I.R.U. I was approached by Pte Giroux, who asked me if I wanted to buy a pair of army boots. I was given the boots in order that I might try them on to see if they would fit me. I put the boots in my truck and then proceeded to No 2 Camp. There one of the Regt'l Police came along and took the boots away from me. I never bought those boots and never gave any money for them.

B1. The President or ~~JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). The accused D 177561 Pte (L/Cpl) Gubilei J P. having been duly sworn states:-

I enlisted 17 Jan 44 - Came overseas about 12 Mar 45. I left England around 31 May 45 and came over here to 14 Fd Arty and I served in this theatre since that time. I got married about a month ago on the last day of my leave and came back to camp where I was stationed when I received word that my wife's step-father wanted to throw her out. I had no money to give her to find a place to live. I knew if I would be at her home he would not throw her out. So I stayed there

until she would get her allowance money which I was sure she would get in a couple weeks. Because of illness she could not work. She is too nervous. ~~after~~ She gets her money now from the Govt she can pay her way and live with somebody else. She ~~started~~ getting her allowance the 1 Dec 46. ~~So~~ That is what the Paymaster told me I was maried 9 Jan 46 I had ~~to~~ permission to marry. I am 20 yrs old.

RP 83(B) complied with

Plea in Mitigation

This soldier definitely has a career for his choice consider yourself in the same position gentlemen he took only been married a few days and when he sees his wife again he finds out that her step-father has threatened to throw her out. His wife was not there at this time so he remained there to do what he could to help. While he was present his father-in-law was unable to carry out his threats so the soldier rightly thought that his duty by first with his wife Consequently he remained there to look after his wife. This girl is a Step-daughter and consequently therefore her father has little or no use for her and would be glad to see her leave. this soldier remained with his wife for a few days at this time and therefore can do nothing more than be has to tender his resignation However gentlemen in view of his good record I would suggest

P.T.O.

that rather than condemn this man
he be given a chance to change
his life and establish a home. It
is evident that although he has committed
a crime he is however not to
be condemned entirely for his actions
in this particular instance I would therefore
ask gentlemen that you be particularly
silent in this case.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans .....[5]
(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 2, MML p 54 para 47. 4. See para E3 of Record Form E.*

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on ..... charge(s). Part II of the Schedule is amended accordingly.
(*1. Court may be closed to consider the statement. Delete whole para if part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3.* *RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? Ans NO SIR.[1]
(*1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.*)

(*1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.*)
NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP 60(C), 114, 115.*)

D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans DO NEITHER, SIR. Do you intend to call witnesses on your behalf ?

(*1. AA 54(3) (6), RP 45, 120(A). 2. AA 54(3), RP 45, 117. This alternative announcement is not applicable when there are pleas of Guilty outstanding and dealt with under Record Form B or C.*)

D9. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E below.

E1. President to accused : Do you wish to give evidence yourself or to call any witnesses as to your character ?[1]

D.3. First Witness for Pros | Lt. J.C.H. St. Pierre, S. Sask R. duly sworn. is exam by Pros.

I am OC. 1st Pl. C Coy., S. Sask R. At about 2355 hrs on the night of 5 May 45 in company with my Pl. sgt., Sgt. McKee I made a check of the gd. at the billets in my Pl. area. There was one bldg. in which I had set aside two rooms for the use of one sec. of my Pl. thereby segregating the sec. from the civilians inhabiting the house. On looking over the bldg. I opened the door of one of the rooms occupied by these civilians. The acc., whom I recognize, was getting off a bed. He was dressed in his underwear only. The acc. left the room & returned to his quarters. That was the 3rd. night we had been billeted in that house. It was a farm house situated about 3 kms. from the town of Ofen, Germany. There was a German woman in the bed off which the acc. got up. It was dark but I was using a flashlight. The woman in the bed was nearly covered by the bed clothes. She seemed to be wearing a nightgown or a dress of some sort. I do not know her name.

Cross-exam:

I did not visit this farm-house between supper time & 2355 hrs. A sitting-room & a bedroom had been set aside for the sec. I went through the house first before I came to the room in which I found the acc. The reason for my checking the house was that one of the gds. was not at his post, & all the members of the sec. were not in their quarters. I admit this made me angry: it got my ire abit. I went into 2 or 3 rooms before finding the acc. I was looking for the missing men. First I went to the rooms set aside for the men where I questioned Cpl. Keller - the sec. leader. He did not know where the two missing men were. When I opened the door & shone my flashlight in the room, the acc got up & ran past me before I had time to ask him any questions. In that room, there were two ordinary beds, side by side. They practically filled the room which was approx 8'x10'. Anyone in the room would have little room to move around, & would be forced to go close to the beds. They were ordinary bedsteads not just mattresses on the floor. The woman in bed

was partly covered up. She sat up & looked into the light from the flashlight. I did not speak to her, & I do not recall her speaking. All I saw the acc. do was to run out of the room. I reported the incident to my Coy Comd. & the charge against the acc. was laid. The inhabitants of the house made no complaints regarding the presence of the acc. in the bedroom. Someone from the sec. had asked, prior to 5 May 45 to have the sec. moved from the house but no special reasons were given.

No re-exam:

By the Court.

The bedroom door opened outwards. The bed was about 1½' from the door. The side of the bed was facing the door: the foot was practically against the wall. The acc. got off the bed that was farthest away from the door. The woman was in the bed nearest to the door. The acc. & the woman I saw were not on the same bed. The room had one window. It faced the door.

By the JA:

I cannot say if there was anyone in the far bed or not. Tattoo was at 2200 hrs. There was no toilet in the bedroom in which I found the acc. He was not the man who was missing from his post. The two beds were side by side, more or less, acting as one bed.

R.P. 83(B) complied with.

Second Witness Proo. | L. 846014 Sgt. MacKee T.G., S. Sask. R., duly sworn as exam. by Proo.

At about 2359 hrs on 5 May 45 on making a check of my sec. qd. I found the qd. absent. I went to the room in a German farm house set aside for my sec. I clashed with my sec. leader, Cpl. Keller. As a result of what he told me I looked about the house. I saw the acc. whom I recognize came out of a room occupied by some of the German inhabitants & go back to his quarters Lt. St. Pierre was with me. It was he who opened the door out of which the acc. came. The acc. was clad only in his underwear. I did not see who was in the room in question.

Cross-exam:

I was with Lt. St. Pierre when checking the qds. We arrived at the farmhouse together. I left him at the entrance & went back where the sec. leader slept. I was still there when Lt. St. Pierre came to see the sec. leader himself. I was with Lt. St. Pierre from that time until he left the sec. area. After leaving the sec. leader's

room. Mr. St. Pierre opened several doors in the house - three in all. He said nothing. None of the doors was locked. There were about 9 German civilians living in that house. It was a one-storey farm house. Everybody slept on the same floor. I do not recall Mr. St. Pierre speaking to anyone in the bedroom. He opened the door & almost instantaneously the acc. ran out of the room. I assume the acc. must have been near the door. He may have had time to cross the room. Mr. St. Pierre said nothing to the acc. then. I left the house about 15 mins later. As far as I know, no one else looked in that bedroom. Mr. St. Pierre was not very excited when he discovered the qd. missing. He found the qd. later. The acc. leader asked to have the acc. moved from the farm house as it was too crowded. The acc. was not moved. I did not suspect the room in which the civilians were sleeping.

No re-exam.

R.P. 83(B) complied with.

Third Witness Pros. } Frau Margarete Parchem, Bernsheim, Wehnen, Germany. Duly sworn in exam. by the Pros. through the Interpreter.

I recognise this soldier (pointing to the acc). I live in Wehnen but I come from Koenigsberg. Oden is a separate municipality from Wehnen. There were ten soldiers billeted in the house where I was living on 5 May 45. I saw the acc. that night. We were all in bed. I'm not sure of the exact time. It was about 11.00 PM. The acc. came in the room & then approached me as I lay in bed. He was not impudent or anything like that. He asked me if I would let him get into bed. Then we had sexual intercourse. An Offr came along & then the soldier left. He was not with me very long.

Cross-exam:

It was dark in the room. The soldier who was with me did not have a light. There was no light in the room, which however was not blacked out. There was some light in the room, enough for me to see the soldier who was in the room. He was there about 10 mins. I was sleeping in a real bed not on a mattress on the floor. There were other German civilians in the room. There were 8 in the room with myself, my friend & her children were there too. I did not tell the military that night that intercourse had taken place. The following

Avg. was were taken to the C.O. who asked us what had occurred. I did not volunteer this info. I did not deny having intercourse when I was first asked about it. I admit that at first I told some of the military no intercourse had taken place. The C.O. speaks German. I told him everything that happened when he questioned me. A week later the military obtained a written statement from me. I had moved to a different house by then. We were obliged to move. I have no house of my own. I am a refugee. I have 4 children. My husband was killed in Oct 44.

No re-exam.

By the Court:

I had seen the acc. prior to 5 May 45. He was quartered in the house on 3 May 45. In the interval I saw him two or three times, when he was passing by me. The soldiers were continually passing back & forth by our door. I did not speak to him nor did he speak to me before the night of 5 May 45. I did not know him any better than any of the other Can. soldiers that were there.

By the JA:

I am 34 yrs. old. The acc. did not speak in German. I do not speak English. When a man comes into your room at night & walks up to your bed, you know what he wants. The acc. was fully dressed when he came into the room. He took off his shoes & pants. I do not know if he had his coat on or not. He took his pants & boots away with him when the Offr. arrived.

R.P. 83 (B) complied with.

Pros. did not call Capt. A.P.N. Watkinson. Def. Offr. did not require his presence for cross-exam.

D6. First Witness Def. } B.87396 Cpl. Keller H.K. S. Sask. R. duly sworn & exam by Def. Offr.

I am the sec. leader of No 4 Sec. 1 Pl. C Coy. S. Sask R. On night of 5 May 45 I posted my gd. & retired to bed at approx. 2205 hrs. The acc. whom I recognize, was then in bed & he slept beside me. At about 2345 hrs I was awakened by Pte. St. Pierre & Sgt. Lee Kee. The acc. was not in bed then. When I went to bed he was clad only in his undershirt & bathing trunks. I was not aware that the acc. had got up. No lights had been left burning in our quarters or in the rest of the house. It was a very dark windy night. No moon was shining. (witness draws a sketch of the house - admitted & marked Ex F 1. All the doors had straight handles, not door knobs. Anyone leaving our quarters with-

out a light a wandering through the house, would have no idea where he was unless he counted the doors he passed by. The scullery is the longest room in the house. You had to go straight through it in order to get out of the house. I have known the acc. for 4 mos. He has been in my sec. for 2 mos. I have fought with him. When the acc. is awakened he is always dopey for the following 5-10 mins. After which he would be normal. I asked to have the acc. removed from that house. It was too crowded. The acc. did not like living in the same house with civilians. We were told to stay there. The acc. hated the Germans. He was one of the men who wanted to move out. He had no use for Germans. No cross-exam.

By the Court:

The acc. returned to bed just as I left our quarters. He was dressed then. I do not remember if he had his boots on. I lit a candle after Lt. St. Pierre woke me up. The acc's clothes were still in the room.

By the J.A:

The acc. was not under arrest when he returned to our quarters. I asked him what he was doing in the civvies bedroom. All the women in the house were on the make. The women had been pestering the boys but the boys would have nothing to do with them. That was one of the reasons I wanted to have the sec. moved. The men were not drinking that night.

R.P. 83(B) complied with.

Court adjourned at 1215 hrs.

Court re-opened at 1350 hrs, same members present.

Defense Summary in the case of
M 102832 Pte Charles Gladue.

It has been established that Pte Gladue was in a room that was occupied by civilians - this much was established by the word of a Can Officer who saw him come out of that room. Beyond that there is nothing to go on except the hesitant word of a German woman who said she could see Pte Gladue in a room partially blacked out at around midnight of a very dark night. She could see him as well that she knew he was fully clothed and that he carried the clothes that he took off out with him until when he passed the Officer in the doorway he was dressed only in his underwear. It was two days later that they were questioned as to the happenings that night and for a woman who had her husband killed less than a year ago leaving

her with 4 small children is it too much to suppose that she would consider one Can soldier dishonour a small payment for her suffering.

The officer only saw Gladue get up off the bed and come out of the room. When were the other seven people that were sleeping in that room, ~~in~~ a room no larger than 8 x 10.

~~At the officer saw~~

The whole charge is framed around these Germans answers to questions and not arising from their complaints or from the complaints of others and that the questions were put to them after they had ample time to think over the outcome of such charges to a Can soldier.

Gladue was discovered coming out of a room at 2355 hrs yet he is charged with having sexual intercourse at 2330 hrs. He was ~~on~~ not in the room any longer than 10 mins. From this it

would appear that he was not in the room when the act was committed.

Every time a man opens a door by mistake ~~and~~ it does not follow that he intends to have intercourse with any occupants that happen to be in there.

It has been shown that it would be very easy to open the wrong door and in a dark room direction is easily lost.

Prosecutor's Summary, In the case of:

M.102832 Pte. Charles Gladue, South Sask. Regt.

It has been the intention of the prosecution to prove that Pte. Gladue was guilty of fraternization on the night of May 5th 1945. The first witness Lt. J.G.H. St Pierre has stated that on the night in question he saw Pte. Gladue coming out of a room in which there was a civilian woman, Miss Marguerite Gendron. This statement was also supported by the evidence of the Sgt Major and by the evidence of the woman herself who admits that she had Pte. Gladue had intercourse on the same night. The defence does not deny that Pte. Gladue was in the room and is attempting to prove that he could have opened the door by mistake in the dark, which is not very likely considering they were billeted in the same house for about three days before the night of the offence. The last witness for the defence brought out the point that Pte. Gladue is perhaps dopey and sleepy when after being woke up for guard at 0400 hrs on the night of May 5th he had been woke up for guard and was apparently put up his own accord. In my opinion we have proved two points, first that Pte. Gladue was in the room where there was a civilian woman and second, that he had intercourse with her; and the defence has never successfully broken down either of these points. I think that without a doubt Pte. Gladue is guilty of fraternization -

Lt. D.W. Nichols.

I have been CSM of C Coy. S. Sask R., since Oct. 43. I came to France on 6 Jul 44. The acc., whom I recognize, was in my coy at the time. During all the fighting, wherever he was with me, he did a fine job. If I ever had to fight again I would like to have the acc or ones with his fighting ability in my coy.

The acc. has been in my pl. for some months. I always found him to be a good fighting soldier. In the positions we occupied last winter, the acc. was always willing to go out on patrol work. He is a N. American Indian. During the subsequent pushes into Germany I found the acc. more than willing to do his share or more. If I has to go into action again it would be ones like the acc that I would wish to fight with.

As a fighting soldier, the acc. always carried out his orders. I have never had any previous trouble with him. I found the acc. to be a good disciplined soldier.

Plea in Mitigation of Punishment on behalf of M102832 Pte. Charles Gladue

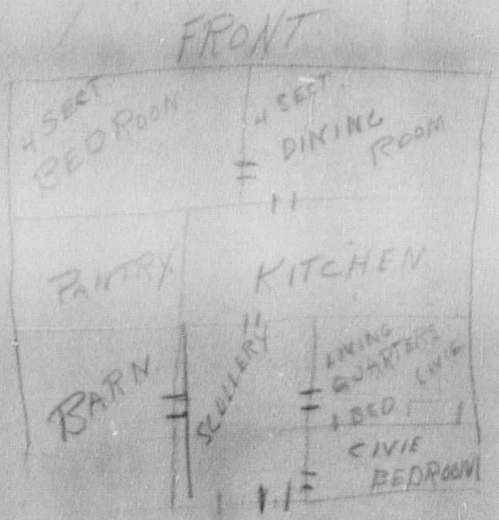
(12)

It is regrettable that a good soldier must make the last entry to his military career a smudge.

Pte Gladue is a good soldier, his section comd., Pl. Sgt and Coy ~~Sgt-Major~~ told us that and no one should know better than the three men who fought with him through the days when fighting was the "thing". Churchill called those "wonderful days" and the people at home have once ceased to expect anything but victory because they had faith in the Can Army and who is the Can Army if it isn't men who fought like Gladue?

When we are old in the years to the thousands of people who helped win this war, we must not forget the vast minority who fought it with their bare hands and who asked for nothing but the knowledge that they had done their job to the best of their ability. These are the men who used the tools that Churchill asked the World to give him - and they did that "job" he mentioned.

This crime sheet does not show any charges that would mark him as not doing his part as a Soldier. Not even the most common of all charges - A.W.L. From that we can safely say that he lost no more days pay than was possible to earn from the time he joined the Army.



Pte Gladue is one of the few men left to be handed over to the unit and is with the unit today. He was wounded in the heavy fighting across Jeancourt but rejoined the unit again before the Spring Offensive and has taken part in every action since the start of that push.

As Regimental Officers I know you will be able to recognize good soldiers when you see them in action. It is not possible to see these men in action but you have heard what their commanders think of them and from that you will have made up your minds as to their worth.

SUMMARY OF EVIDENCE

In the case of M-102832 Pte GLADUE, Charles, of the South Saskatchewan Regiment, a soldier of the Canadian Army Overseas, charged with:

(1) WOAS - CONDUCT TO THE PREJUDICE OF GOOD ORDER AND MILITARY DISCIPLINE. - A.A. Sec 40

By direction of the Commanding Officer the evidence is to be taken on oath.

FIRST WITNESS: Lieut. J.C.H. St. Pierre, South Saskatchewan Regiment, Canadian Army Overseas, sworn states:

I am Lieut. J.C.H. St. Pierre of C coy, South Saskatchewan Regiment. On the night of 5 May 45 at approx 2355 hrs I was inspecting the buildings in my platoon area. In one of the houses I had set aside two rooms for one of my sections. At the time stated the section had gone to bed for the night. I then discovered the accused Pte Gladue, C. leaving a bedroom which had been set aside for the occupation of the German inhabitants. In the bedroom in which I saw the accused was one female inhabitant of Germany. Pte Gladue was dressed in his underwear only when I discovered him in the room. Pte Gladue was not supposed to be in the bedroom on any official business at the said time nor was any permission granted him allowing him to enter the bedroom occupied by the German inhabitants. Upon seeing me the accused returned to his own quarters.

The accused declines to cross-examine the witness.

J.C.H. St Pierre

(J.C.H. St. Pierre) Lieut.

The accused was not in the room on any official business at the stated time nor had he been given permission to enter the room. After leaving the bedroom Pte Gladue returned to his own quarters.

FIRST WITNESS — B77177, Sgt Greenwood, R.S., 4 CIRU sworn states:-

For the Prosecution

On the night 5 Dec 1943 I was Guard Commander of the Regimental Guard of 4 CIRU from 1630 hrs until 1630 hrs 6 Dec 43.

At approximately 0430 hrs 6 Dec 43 Pte Glass, the accused, was sent to his post. At approximately 0600 hrs 6 Dec 43 was notified by the RP that he had placed the accused in close arrest.

Cross-examination

I did not post Glass at 0430 hrs on the 6 Dec

Cpl Fraser was in the Guard Room when Pte Glass was sent out

He was on duty at the time.

Cpl Fraser did not accompany any of the Guards to their posts at 0430 hrs.

I believe that I am aware of the Standing Orders of Posting of Guards.

I did not read the Orders to the Guard

Sgt Thompson was the Warrant Officer, who mounted the Guard, read the Orders to the Guard just after 1630 hrs and then witness is shown the paper. This is a copy of the Orders read by the WO. The accused was present when the Orders were read.

Cross-examination

The whole order was not read. The details applicable to the picquet were read. The particulars as far as the post is concerned were not read. Paragraph 1 was not read. The last note of para 2 was read; paras 3, 4, 5, and 6 were not read; paras 7 and 8 were read; paras 9 and 10 were read; paras 11, 12 and 13 were read

Instructions for Park Picquet were read over and received in evidence and marked exhibit "A".

In the opinion of the Court is it not necessary to comply with Rule 83 (b)

The Prosecutor call L/Cpl Fraser. It is noted that Fraser was not a witness on the Summary. The Defending Officer admist that he has received necessary notice and abstract.

SECOND WITNESS — B130563, L/Cpl Fraser, R.J., 4 CIRU, sworn states:-

For the Prosecution

I was 2 i/c Guard Sunday Dec 5,43 from 1630 hrs until 1630 hrs Monday Dec 6, 1943. After the Orderly Sgt read out the instructions for the Guard, we marched to the Guard Room and I took the first rank for the first shift; then we paraded around to the post, starting at number 1 and 5 and 4 and when we got to number 6 and 7 I sent Pte Glass down to number 3. We were half an hour late and then I had to post three men. I walked back with the old Cpl of the Guard through number 3 post and Pte Glass was at his post.

When I told Pte Glass to go to number 3 post, we were about 50 yds from that post. I do not think that the boundaries of each post were explained to the accused.

At 0430 hrs, 6 Dec, I was asleep.

In the opinion of the Court is it not necessary to comply with Rul 83 (b)

THIRD WITNESS — B78811, L/CPL Hambley, R.F., 4 CIRU, sworn states:-

For the Prosecution

Sir, at approximately 0530 hrs, 6 Dec I was on petrol, I am employed as RP. At approximately 0500 hrs, 6 Dec 43, I was on petrol duty with L/Cpl McConville in the Camp Area. Approaching one of the Sentry Posts, which I believe is Number 6, we were not challenged. We approached the veh park and again were not challenged, proceeded to look for the sentries and found two soldiers asleep in the veh, namely, station wagon parked in the vehicle park; discovered one rifle leaning against left-hand side of the vehicle and all doors of the vehicle were locked. L/Cpl McConville then took the rifle over to the Guard Room and on his return we woke up the two soldiers. I knocked several times on thewindow and one soldier sitting behind the steering wheel. I asked them whom they were They told me their names were Pte Egan and Pte Glass. I asked Pte Egan whose post he was on and he said it was the Vehicle Park, which, I believe, is number 7 post. I then asked Pte Glass of the post he was on and he told me number 6. I placed them under close arrest and escorted them to the Guard Room. Pte Egan had his rifle inside the vehicle with him. I carried same over to the Guard Room. Pte Glass did not have his bayonet with him and on questioning, he informed me that he had left it in the Guard Room.

Cross-examination

L/Cpl McConville took the rifle to the Guard Room . I was standing by the vehicle waiting for his return. I am positive that the men were asleep. I could not see their faces from their crouched-over position. Glass was on the left-hand side of the car

Cross-examination (Cont'd)

The numbers of the posts are not changed frequently to my knowledge.

By the Court

Number 3 post is discribed in the instructions to thepicquet as being situated on the west end entrance of Waterloo West Barracks, Middle Hill. The post I refer to is number 6 post is at one end of the vehicle garage and next to the Command Post. When I was on guard about a month ago, that was number 6 post. I do not know what the number of that post now is according to the Guard Orders. In the opinion of the Court is it not necessary to comply with Rule 83 (b)

FOURTH WITNESS

For the Prosecution

B39602 L/Cpl McConville, W.J., 4 CIRU, sworn states:-

I am on the RP of 4 CIRU. In the morning on 6 Dec at 0545 hrs we were on a patrol. We came up to number 6 sentry post and the sentry did not challange us. We went over to number 7 post and were not challanged, so we then shone the light around the vehicles and saw two men in a vehicle crouched downand a rifle standing beside it. Cpl Hambley picked the rifle up and I took it to the Guard Room, and turned it over to the Sgt of the Guard. Then went back to Cpl Hambley and took the two men to the Guard Room.

Cross-examination

The accused is one of the men.

The Station wagon was about 100 yrds from the post I refer to as number 6.

The veh garage is about 100 yrds long. There is a post at each end of the veh park.

I tried the door on the left-hand side of the veh. It was locked. I shone the light in the face of the accused. He did not move. I did not see his eyes.

In the opinion of the Court, it is not necessary to comply with Rule 83 (b)

THE CASE OF THE PROSECUTION IS CLOSED

President to the Prosecutor: What about the sentry whom the the accused is alleged to have relieved ? I could see no useful purpose in calling him.

For the Prosecution

No. B-78811, L/Cpl Hambley, R.F., on the strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:-

I am B-78811, L/Cpl Hambley, R.F. and am employed on the Regimental Police at No. 4 C.I.R.U. At approximately 0545 hrs, 6 DEC 43, I was on patrol duty in the Camp area in company with L/Cpl McConville, W.J.. As we approached No. 6 sentry post, we were not challenged and could not see the sentry. We then approached No. 7 post and again we were not challenged. Upon checking the vehicles in the vehicle park, I found a rifle leaning against a Station Wagon. I looked inside the wagon and found two soldiers asleep in the front seat. I woke them up and found them to be the missing sentries from No. 6 and No. 7 posts. One of them was the accused, Pte. Glass, S. whom I now recognize, and the other was Pte. Egan, J.O.. The rifle I found belonged to B-65893, Pte. Glass, S. who should have been on No. 6 post. He was approximately 100 yards away from his place of duty. The other soldier was B-70386, Pte. Egan, J.O. who should have been on No. 7 post. He had his rifle in the Station Wagon with him. I had to knock quite heavy on the window to waken them up. I then placed the two soldiers under close arrest and escorted them to the Regimental Military Police Guard Room. I detailed L/Cpl McConville, W.J. to report the matter to the N.C.O. i/c of the Guard.

For the Prosecution

B-36902, L/Cpl McConville, W.J. on the strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn states as follows:-

I am L/Cpl. McConville, W.J. on the strength of No. 4 C.I.R.U. and I am employed on the Regimental Police for that Unit. At approximately 0545 hrs, 6 Dec 43 I was on patrol of the Camp area with L/Cpl Hambley. When we proceeded to No. 6 sentry post, the sentry there did not challenge us. At that moment we went over to No. 7 sentry post and the sentry there did not challenge us. Then we started looking for the sentries. We looked around the vehicle and saw a rifle standing up against a vehicle. Then we shined a light on the vehicle. The two sentries were in it asleep. They were the accused, B-65893, Pte. Glass, S. whom I now recognize, and Pte. Egan, J.O.. L/Cpl Hambley then took the rifle to the guard room and then proceeded back to where the two soldiers were sleeping. Then L/Cpl Hambley knocked on the window to wake the sentries up and we put them under close arrest. After I took them to the guard room I reported to Sgt. Greenwood, R.J., the Guard Commander, and advised him that we had the two accused under close arrest for being off their post.

The accused declines to cross-examine this witness.

CASE OF
13.9.46 PTE GLAZER - G.W. - 48TH HIGHRS

—having been duly sworn:

Plea in mitigation of punishment 1st Charge

When we went into the attack just outside San Leonardo we took up posns. beside the rd. and started to dig slit-trenches. and I had my slit-trench half finished when the German A/Tk knocked out a tank just beside us. and just as the men got out our own barrage fell on this and I yelled to the tank fellow to get in the slit-trench with me and the road was shelled along our slit-trench and the tank man got hit in the arm and in the side and, after the barrage cleared off I got the fellow that it was over and he got up & I seen he was wounded & I saw the wound & the shelling well I started to cry as it had been the first attack & had ever been in and I saw the shellin' & all the noise I guess I went sort of crazy for a time and did not realize what I was doin'. After this I left my unit. Previous to the attack I had got a letter from home saying that my real sister had left home with some fellow she had met and there was just the two of us & that hit me worse than the shells.

Plea in mitigation of Punishment 2nd Charge

When I refused to obey the order I had been sent that morning to Fac H.Q. and it had rained part of the morning and I had mud right up to my pattees and my

refusin' to go I thought Sgt Cundy would
get us a pair of rubber boots as I had
seen fellas wearin' rubber boots around

STATEMENT BY THE DEFENDING OFFICER

~~I was~~

I point out that the accused has been in the army three years and is a volunteer. Further he joined the Service at 16 yrs 9 mths and is now 19 yrs 7 mths. He joined the unit in Sicily and had not been out until 23 Dec 43. The occasion of the A.W.L. was his first attack. In addition the news from home stating that his only sister had left home and I would suggest that he was emotionally upset and not responsible for his actions at the time. In regard to the second charge the accused refused with the express intention of securing a pair of rubber boots. Knowing that these were intended only for front-line soldiers & that he was engaged in work at the H.Q. he felt that he was entitled to a pair. The fact that certain of staff were wearing rubber boots in ORTONA furthered the above statement

CASE OF "[illegible]"

B 79496 Pte GLAZER G.W. - 48th HIGHRS.

having been duly sworn:

Plea in Mitigation of Punishment: 1st Charge

When we went into the attack just outside San Leanordo we took up posns beside the rd. and started to dig slit trenches and I had my slit trench half finished when the German A/Tk knocked out a tank just beside us and just as the men got out and our own barrage fell on this and I yelled to the tank fellow to get in the slit-trench with me and the road was shelled along our slit-trench and the tank man got hit - in the arm and in the side and, after the barrage cleared off I told the fellow that it was over and he got up & I seen he was wounded & from the wound & the shelling well I started to cry as it had been the first attack I had ever been in and from the shellin' & all the noise I guess I went sort of crazy for a time and didn't realize what I was doin'. After this I left my unit. Previous to the attack I had got a letter from home saying that my real sister had left home with some fellow she had met and there was just the two of us & that hit me worse than the shells.

Plea in Mitigation of Punishment: 2nd Charge

When I refused to obey the order I had been out that morning to TAC H.Q. and it had rained part of the morning and I had mud right up to my puttees and by refusing to go I thought Sgt Cassy would get us a pair of rubber boots as I had seen fellas wearing rubber boots around ORTONA. That is the only reason I refused.

STATEMENT BY THE DEFENDING OFFICER

I point out that the Accused has been in the Army three years and is a volunteer. Further he joined the Unit in Sicily and had not been out until 22 Dec 43. The occasion of the A.W.L. was his first attack. In addition the news from home stating that his only sister had left home, and I would suggest that he was emotionally upset and not responsible for his actions at the time. In regard to the second charge the Accused refused with the express intention of securing a pair of rubber boots, knowing that these were intended only for trench-line soldiers & that he was engaged in work at TAC H.Q. He felt that he was entitled to a pair. The fact that certain Q Staff were wearing rubber boots in ORTONA furthered the above statement.

First Witness (cont'd)

A.7 Yes, sir. About fifty yards this side of the brigde I heard the first shot. About ten yards past the bridge on the El Arrouch side I dismounted the party from the truck. I saw one man with a rifle running up the road towards El Arrouch. I ran after him, with the guard. I noticed he fired three shots into the bushes. I caught up to him and recognized him as Tpr Gleason. I ordered him to lay down his rifle and he didn't appear to understand me so I took the rifle off him forcibly. I started to bring him back to camp; he seemed to be incapable of walking. I commandeered a truck coming in the direction of the hospital. On arrival here I took Tpr Gleason to the MIR and placed him under close arrest. He was held in close arrest until he was returned to Depot that night.

Q.8 Tell the Court at what time this took place.

A.8 Approximately two o'clock, sir.

Q.9 Did you hear any other shots fired?

A.9 No, sir.

Q.10 How long have you been in this area?

A.10 At the present time I have only been here two days, I was here for a week before.

Q.11 With the Courts permission I have a drawing compiled on a small scale which I would like to submit as evidence. It was drawn up by Lieut McIsaac and I would like to have the witness point out the various spots to which he refers on this plan.
Will you take a look at this Sgt Staddon. Does that seem to be a fair picture of the ground around here, or the area I should say?

A.11 Except for one or two details, sir.

Q.12 Would you indicate to the Court, first of all, the position where you were when you heard the first shot?

A.12 I heard the first shot at the point marked "A".

Q.13 Will you also point out on the plan where you and the guard got out of the truck?

A.13 That point marked "B" on the map, sir.

Q.14 And also where you saw the accused firing the shots?

A.14 Approximately at the point marked "C".

Q.15 Will you point out to the Court where you actually apprehended the accused?

A.15 Approximately at point marked "Y" on the sketch, sir.

Cross-Examined by Defending Officer:

Q.16 Was there a doctor at the MIR room?

A.16 A sergeant on duty only, sir.

Q.17 What was his name?

A.17 Baker, sir.

Q.18 Do you know whether a doctor examined the accused?

A.18 I believe there was one did, sir.

Eighth Witness (cont'd)

Q.116 Did you treat an Arab who was brought in?

A.116 I assisted at the treatment.

Q.117 Could you tell the Court the condition of the man and what you treated him for?

A.117 I was called shortly after six l'clock by Major Kergin because his assistant was out of the camp. I saw the patient, an Arab, for the first time when he was on the operating table, at approximately 1830 hours. He was conscious, in a state of severe shock for which he was being treated by infusion of blood serum. When the operation commenced, he was found to have a large wound in the left lower front of his chest wall which Major Kergin found to involve fracture of ribs and considerable wounding of the lung tissue itself. The haemorrhage was stopped and the wound closed. At the end of the operation I personally thought the patient's general condition as good as could be expected.

Q.118 Would you give the Court some indication of the nature of the wound?

A.118 There was a large lacerated wound which was about ten inches long, gaping, bleeding freely, and a lot of tissue appeared to have been blown right out. Some physical form of violence had removed this tissue across this chest wall. I think a bullet could have caused it. There was no bullet found in the wound.

The witness withdraws.

At 12:25 o'clock the Court adjourns to re-assemble at 2:00 l'clock, 3 Sep 43.

At 2:00 o'clock, 3 Sep 43, the Court re-assembles. The accused is brought before the Court.

Pursuant to AA 53 (7), the Court took a view of the scene of the alleged shooting as shown on exhibit "H" in the presence of the prosecutor, the accused, the Defending Officer and the Judge-Advocate. Sgt Staddon and Tpr Smith stood on the place marked "C". Gendarme Georges Quinzain, Pte Clarke and Pte Kitely stood at the place marked "Z" on exhibit "H".

Prosecutor:

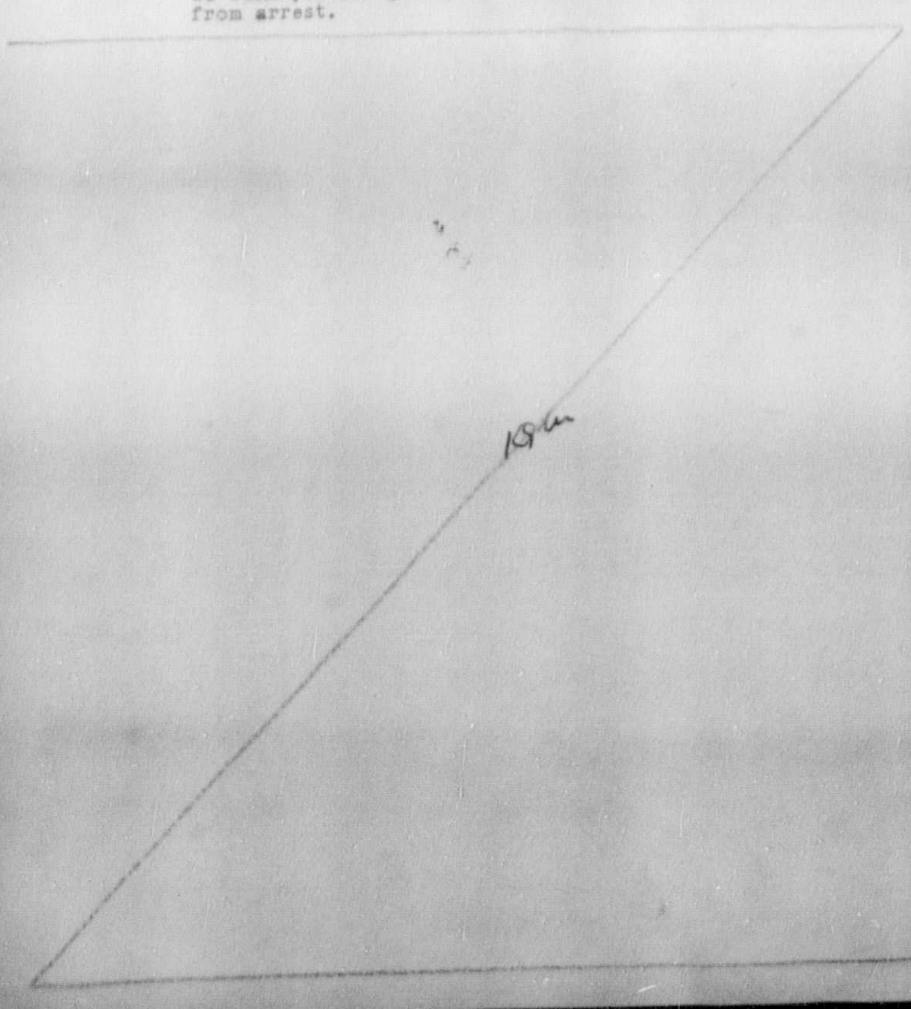
The prosecution does not wish to call any more witnesses.

Defending Officer to Court:

I beg to move, as the defence has the right to under the rules, that there is no evidence, or shallI say not sufficient evidence, to justify conviction. I base this on this proposition: two things appear to have been proved - one, that the accused was seen on a road with a rifle which he was firing - two, that a dead Arab, or a wounded Arab, who subsequently died, was discovered in the area in the same afternoon. I can find no reference in any of the egidence which links the two and until that evidence appears, I feel it is unnecessary for the defence to say more.

Prosecutor to Court:

As regards the motion of the Defence Counsel, I think it was brought out in evidence by Sgt Staddon that the accused was firing a rifle more or less indiscriminately along the road leading from El Arrouch to the 15 Gen Hosp, and the Arab was found in the vicinity in which this man had fired. I think it is a ligical consequence to assume that there is a definite connection between the firing of these shots and the finding of this Arab. While we have occupied this area, it does not give us leave or license to go around giving an imitation of a "4th of July" celebration every day. That should be taken into consideration.



Court closed 2:50 o'clock to consider Defending Officer's motion.

Court re-opened at 3:00 o'clock.

The accused is brought before the Court.

President to accused:

The Court, having considered the motion of the Defence Counsel, has allowed the motion. Therefore, Tpr Gleason, we find you not guilty of the charge and you are released from arrest.

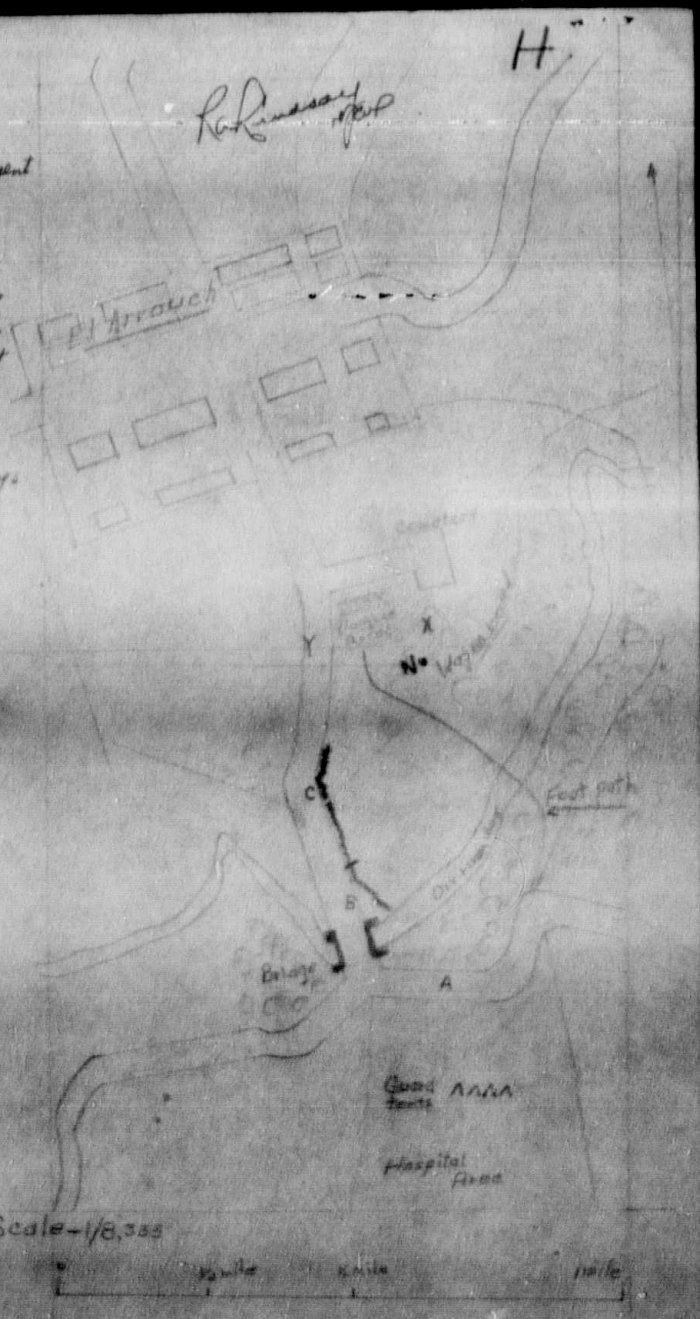
OPENING ADDRESS BY PROSECUTOR "G"

The accused, Tpr Gleason, is charged with, when on active service committing a civil offence, that is to say, murder, in that he, at approximately 1600 hrs on the 14th day of August, 1943, at, or near, El Arrouch, Algeria, murdered Merareb Hamid Ben Segeni, a native of Algeria.

It is the intention of the prosecution to prove, by calling witnesses, that the accused was, at approximately 1600 hrs, improperly firing his rifle on the road, and in such a position that it was possible for him to shoot the deceased. The accused was apprehended by the personnel of the guard of the 15th Gen Hospital.

The prosecution will also show that the deceased, Merareb Hamid Ben Segeni, was found in the neighbourhood at approximately 1600 hrs, seriously injured, the result of a gun shot wound in the chest.

The prosecution claims that the accused, Tpr Gleason, shot the deceased, Mehareb Hamid Ben Segeni and under the circumstances it amounts to murder.



It is respectfully suggested that the Court take advantage of the provisions of AA 53 ss 7, and RP 63, which permits them to view the scene of the alleged crime.

Exhibit No. 1

All single black (pencil) lines represent wagon roads.

The irregular, heavy blue line, extending from a point near the bridge, and past the point "C", represents a tall cactus hedge.

The light blue markings represent scattered trees and shrubbery.

SUMMARY OF EVIDENCE IN THE CASE OF:

D.77967 Trooper GLEASON, C.G., on the strength of "A" Coy 3 Bn., 1 Cdn Base Rft Depot.

By direction of Commanding Officer evidence will be taken upon oath.

First Witness For the Prosecution

F.86181 Sgt. Staddon, R, having been duly sworn, states:

On the afternoon of 14 Aug 43, I was Commander of the Guard at 15 Gen. Hospital El Arousch. I was at the ablution stand and I heard quite a commotion in the guard lines and saw two armed men leaving the lines. One went outside the camp area, the other remained within the area. As a result of information which I received and seeing that the men were drunk I turned out the guard, and went to investigate a disturbance which had broken out down town. I commandeered a truck which was coming down the road towards us, and proceeded towards El Arousch. About 50 yards from the bridge I heard one shot. I dismounted from the truck at the bridge and saw one man staggering up the road, and saw him fire his rifle a number of times, from the hip, and the rifle was well above the horizontal. Coming close to him, I recognised him as Tpr. Gleason. I spoke to him and ordered him to lay down his rifle. Apparently he did not understand me, and he seemed to be in a dazed condition. Since he couldn't understand my commands, I disarmed him forcibly. He was incapable of walking, so I commandeered a truck and took him back to camp. I had him sent to the Medical Inspection Room, and placed him under close arrest. On returning to camp I took Tpr Gleason's bayonet from him. I made my report to the registrar, Major Neilson.

Sgd. R Staddon

14416524 Rfmn McCafferty, P. having been duly sworn states:

I am Rfmn McCafferty P 14416254 attached to No. 104 Gen Hospital for Guard Duty.

2nd Witness (Prosecution)

On 14 Aug 43, I saw a crowd of Arabs following Tprs Gleason, MacBeth and Lawley down the street and coming near the tower, I saw [redacted] one of the Arabs strike one of the Tprs. I saw him turn to defend himself and another Arab came from behind and hit the Tpr with a stick. The M.Ps came down and followed the Arabs. The three tprs returned to camp.

Third Witness For the Prosecution

K.65975 Tpr Pisacreta, T.M., having been duly sworn, states:

On 14 Aug 43, I was lying down on my bunk, when I heard: "Fall out the guard". I picked up my rifle and ammunition, and with Tpr Lawley started after Tpr Gleason who was running down the road like mad. We stopped an English truck and followed Gleason with it. We stopped about 100 yards behind Tpr. Gleason and saw him shooting into the cactus. He was firing from the hip, and upwards and was weaving back and forth. I heard no shots previous to this. I ran behind the cactus to see what he was shooting at, but couldn't see a thing. I came out to the road again and Tpr Gleason was running up the road, and we started chasing him. We caught up to him, and Sgt. Staddon jumped him from behind. Smith was helping to hold Gleason down, while I took his rifle. Tpr. Gleason was taken down the road, put in the truck and taken back to camp. The next time I saw him he was at the camp and we started explaining to him what had happened and it didn't seem to make any sense to him. He said he didn't remember seeing us there or a thing that had gone onm. Sgt. Staddon jumped Gleason just the side of the [illegible] marked "B" on the left hand.

Sgd. T. Pisacreta

Fourth Witness For the Prosecution

D.129354 Tpr. Smith, K.R., having been duly sworn, states:

On 14 Aug 43, I was in camp at 15 Gen. Hospital, and the guard was told to fall out. We fell out with rifle and skeleton web and started running down the road and Tpr. Lawley was leading us. Sgt. Staddon was with us and he flagged a truck. As we were getting off the truck there was one shot fired. Tpr. Gleason started running down the road and we ran after him. A few more shots were fired and Sgt Staddon, myself and Tpr. Pisacreta got hold of Gleason and he seemed to be out of his head. The three of us disarmed him. He was still out of his head when we disarmed him and we started to bring him back, walking along the road. Sgt Staddon flagged another truck and brought him back to camp, and he was still out of his head. He was taken over to the M.I.R. Afterwards he was returned to his tent, and a guard placed over him. He was still out of his head, recognizing no one and remembering no details when he was returned to his tent. He did not seem to come to his right senses until late in the evening, and the disturbance took place about midafternoon. We [illegible] and we dismounted at the spot marked "B" on the left hand.

Fifth Witness for the Prosecution

F67691 Pte Ritely, R.J. having been duly sworn states:

On 14 Aug 43 between 1430 and 1600 hrs, I was in the town of El Arousch. As a result of information which I received, I went with a friend to the M.Ps and asked them to investigate a fight between some Arabs and 3 Canadian soldiers. As a result of some information, which we received later, we went to a field near the town and found an Arab laying there, with a bullet wound in the left side. We gave him first aid and brought him to the 104th Gen Hosp, but they would not accept him, so we took him to our own hospital - 15th Cdn Gen Hosp. The body of the dead Arab which I saw on 15 Aug 43, was that of the wounded Arab, who we picked up on the previous day.

Sixth Witness for the Prosecution

B93942 Pte Clarke, W.E. having been duly sworn states:

On 14 Aug 43, I saw Tprs Gleason, Lawley and Mac Beth, in a cafe in El Arousch, about 1.30 P.M. Then, about half an hour afterwards, they left the cafe. After some time, Pte Ritely and I left the cafe and took a walk down the street. As a result of information which we received, we went to investigate some trouble in a field near the town. We saw a crowd around a spot in the field and proceeded over there, and found an Arab lying there, wounded, and we gave him first aid. The wound was on the left side, about 4" below the armpit. After we had given him first aid, a gendarme arrived on the scene with a vehicle, so we placed the Arab in it and proceeded to the 104th Gen Hosp. They would not accept him, so we took him to our own hospital the 15 Cdn Gen Hosp, where he was admitted. I did not hear any shots at any time.

The body of the dead Arab, which I saw on 15 Aug 43, was the body of the wounded Arab, we brought to the hospital 14 Aug 43. We found the wounded Arab at the spot marked "X" on exhibit No 1. L.B.N.

Seventh Witness for the Prosecution

Georges Quinzain, Gendarme, having been duly sworn states:

(Translation by Lieut G.D. Lamothe, R.C.A.S.C. Duly sworn interpreter)

On 14 Aug 43 at about 1500 hrs, as a result of information which I received, I went to investigate a fight near the tower in El Arousch, accompanied by two British Provost Corporals. I saw an Arab covered with blood, who was running away. I also saw a number of British soldiers running in the direction of the hospital. I apprehended this bleeding Arab and one of his friends, whom I brought in as a witness.

At about 1615 hrs, as a result of information received, I went to a field about 225 yards from the

cemetery and found a wounded Arab and two Canadian soldiers were with him, administering first aid. I saw that he was taken to the 15th Cdn Gen Hosp. I did not know this Arab's name.

Eighth Witness for the Prosecution

Translation by Lieut G.D. Lamothe of testimony of Boudjedida Ali Ben Baumedessa.

The body which I took away from 15th Cdn Gen Hosp was the body of my nephew, Merareb Hamid Ben Segeni.

Sgd 4 Boudjedida

Accused declines to cross examine the witness.

Ninth Witness for the Prosecution

Major F.G. Kergin, RCAMC (Surgical Specialist) having been duly sworn states:

On 14 Aug 43 at about 1715 hrs, I was called to see an Arab, who was suffering from a gun shot wound of the chest. The patient was suffering from haemhorrage and severe shock. The wound was immediately dressed and resuscitation undertaken. After about 2 hrs his condition was such as to permit operative treatment, which was urgently necessary, because of the nature of the wound.

At operation, the wound was found to be a tangential wound of the left anteriar chest, which had fractured the fourth rib, blown out an area of the chest wall about 3" by 1½" and caused a deep laceration of the lung, from which there was profuse haemhorrage. The lung and chest wall were rapidly sutured. The patient stood the operation fairly well, but in spite of further resuscitation his condition deteriorated and he died at 0230 hrs 15 Aug 43.

The cause of death was gun-shot wound of the chest with severe haemhorrage and shock.

Tenth Witness for the Prosecution

F45801 Tpr MacBeth, having been duly sworn states:

On 14 Aug 43, sometime in the afternoon, Tpr Lawley, Gleason and I, left the wine shop in El Arousch and started back for barracks, and just as we were crossing the street by the water fountain, a crowd of Arabs gathered around us. They were talking, but we did not know what they were saying and we started to move away. Lawley was behind me and I heard a sound and turned around. He was lying on the cement and there was wine all over his shirt and blood all over his head. I went to his help and was hit with something. Then Gleason dragged Lawley and I out of the fight, over to the fountain and washed our heads off. We then started back to barracks again and that is all I remember.

I could distinguish glass breaking when I heard the noise behind me and saw Lawley on the pavement.

sgd. A.M. MacBeth.....

Accused declines to cross examine the witness.

Seventh Witness for the Prosecution

[illegible] Tpr Lawley, A.I. having been duly sworn states:

On 14 Aug 43 between 1200 and 1330 hrs, Trprs MacBeth, Gleason and I, left the cafe in El Arousch to go back to barracks. We walked down the street a piece and were about to cross the road, when some Arabs came across the street towards us. They stopped us and one of them began to speak. We could not understand their language and started to move past them, when something struck me on the back of the neck. I saw MacBeth turn and he took a pace when he went down. The next thing I remember was after Gleason ducked my head in the trough. We went the rest of the way into camp. When we got into the hut, MacBeth either lay down or collapsed on his bed, and Gleason shouted "They've hurt Mac", and he seemed to go out of his head and grabbed his rifle and started across the field towards the road. I went after him to try and stop him, I caught up to him, just as he reached xxxxx the fence around the camp, but he went over the fence, so I had to return to the tents, where the sergeant was turning out the guard. We started down the road after him and the Sergeant stopped a truck, which took us down as far as the bridge. Gleason was staggering and falling, trying to go up the road. I ran ahead and stopped him, but I couldn't hold him, as he seemed to be berserk, and he couldn't understand what I was talking about at all. Then the sergeant stopped him from behind and with the help of two others, disarmed him.

I saw Tpr Gleason fire three shots, but he fired them as he was staggering up the road and they were fired into the air.

The prosecutor proceeds to call witnesses.

First witness for prosecution.

F-86181 Sgt Staddon R, 3 Bn, 1 CBRD,

being duly sworn, is examined by the prosecutor.

Q.1 What is your name?

A.1 F-86181 Sgt Staddon R, 3 Bn, 1 CBRD, sir.

Q.2 Do you remember the day of the 14th of August?

A.2 Yes, sir.

Q.3 What were your duties on that day?

A.3 I had just relieved the old guard commander at 15 Cdn Gen Hosp.

Q.4 And you were in the process of taking over?

A.4 Yes, sir.

Q.5 Do you recognize the accused?

A.5 Yes, sir.

Q.6 Will you tell the court in your own words what happened that afternoon?

A.6 I had just come up from the Cork Forest and went to wash up. I heard quite a commotion and I went to investigate and saw one man run out of the camp with his rifle and one man run down the camp area, inside, with his rifle. I noticed that the man who went outside the gate appeared to be drunk. I turned out the guard to follow him. After speaking to them I commandeered an English truck that was coming down the road and drove down to the bridge.

Q.7 This was the road between 15 Gen Hosp and El Arrouch?

First Witness (cont'd)

A.7 Yes, sir. About fifty yards this side of the brigde I heard the first shot. About ten yards past the bridge on the El Arrouch side I dismounted the party from the truck. I saw one man with a rifle running up the road towards El Arrouch. I ran after him, with the guard. I noticed he fired three shots into the bushes. I caught up to him and recognized him as Tpr Gleason. I ordered him to lay down his rifle and he didn't appear to understand me so I took the rifle off him forcibly. I started to bring him back to camp; he seemed to be incapable of walking. I commandeered a truck coming in the direction of the hospital. On arrival here I took Tpr Gleason to the MIR and placed him under close arrest. He was held in close arrest until he was returned to Depot that night.

Q.8 Tell the Court at what time this took place.

A.8 Approximately two o'clock, sir.

Q.9 Did you hear any other shots fired?

A.9 No, sir.

Q.10 How long have you been in this area?

A.10 At the present time I have only been here two days, I was here for a week before.

Q.11 With the Courts permission I have a drawing compiled on a small scale which I would like to submit as evidence. It was drawn up by Lieut McIsaac and I would like to have the witness point out the various spots to which he refers on this plan.
Will you take a look at this Sgt Staddon. Does that seem to be a fair picture of the ground around here, or the area I should say?

A.11 Except for one or two details, sir.

Q.12 Would you indicate to the Court, first of all, the position where you were when you heard the first shot?

A.12 I heard the first shot at the point marked "A".

Q.13 Will you also point out on the plan where you and the guard got out of the truck?

A.13 That point marked "B" on the map, sir.

Q.14 And also where you saw the accused firing the shots?

A.14 Approximately at the point marked "C".

Q.15 Will you point out to the Court where you actually apprehended the accused?

A.15 Approximately at point marked "Y" on the sketch, sir.

Cross-Examined by Defending Officer:

Q.16 Was there a doctor at the MIR room?

A.16 A sergeant on duty only, sir.

Q.17 What was his name?

A.17 Baker, sir.

Q.18 Do you know whether a doctor examined the accused?

A.18 I believe there was one did, sir.

Cross-Examined by Defending Officer (cont'd):

Q.19 Do you know the name of the doctor?

A.19 No, sir.

Q.20 How long after he was put in arrest was it before he was examined?

A.20 Approximately ten minutes, sir.

Questioned by Judge-Advocate:

Q.21 Sergeant, you say the accused was examined ten minutes after his return?

A.21 Yes, sir. Sergeant Baker was there and he called the duty MO, as he told me afterwards.

Q.22 You don't know that to your own knowledge?

A.22 No, sir.

Q.47 What was Gleason's condition?

A.47 Something like mad, sir.

Q.48 Can you give any detail? Describe it.

A.48 We were talking to him. He kept arguing back and forth and kept wanting to get his rifle all the time. That is all I had to do with him.

A.49 No, sir.

A.50 Yes, sir.

Q.54 He wasn't right beside the hedge?

A.54 No, sir.

Q.55 How was he firing?

A.55 From his hip and up and weaving.

Q.61 This is before you dismounted?

A.61 Just as we were getting off.

Q.62 Did you see who fired that shot?

A.62 No, sir. Tpr Gleason was firing through the cactus and firing high. Sgt Staddon, Tpr Pisacreta, and myself started going after Tpr Gleason. He seemed to be out of his head all the time and started running down the road. The three of us went after him and disarmed him. He was out of his head. We started walking back towards camp. Sgt Staddon flagged a truck and brought us back into camp. We took Tpr Gleason over to the MIR and then we escorted him back to his tent and placed a guard over him. He was still out of his head. He didn't remember any details of the shooting. We had to explain that to him that night.

A.94 Pte Kitely and I proceeded from the camp area, here, to a cage in El Arrouch. When we entered the cafe we saw the accused man with two other soldiers.

Questioned by Judge-Advocate:

Q.95 What time was this?

A.95 Around two, sir. After half an hour the accused and his friends left the cafe. We sat there for awhile ourselves and then decided to take a walk down the street. After walking around we went back to the CMP with an Arab.

Q.96 What did you do after that?

A.96 From there we came down the road leading to the 15th Gen Hosp and we saw a crowd standing in the field. Pte Kitely and I went over to the crowd to investigate and we found a wounded Arab there. We tore strips from his clothing and gave him first aid. Just about then the Gendarmes drove up with a vehicle. We placed the ~~xxxx~~ man in a vehicle and brought him to 104 Gen Hosp. They wouldn't admit him so we brought him here, where he was admitted. From then on, the next time I saw him he was dead in the morgue.

In the place there were two English MPs. From there I saw a number of British soldiers running towards El Arrouch. About 1600 hours, from information received, I went out to look for a wounded Arab. And, not finding anything, I went back. About fifteen minutes later I again went out to look for this wounded

Eighth Witness for Prosecution: Capt W A Morton, 15 Cdn Gen Hosp, having been duly sworn, is examined by the Prosecutor:

Q.115 Capt Morton, were you on dutyin the hospital the afternoon of August 14th?

Eighth Witness (cont'd)

Q.116 Did you treat an Arab who was brought in?

A.116 I assisted at the treatment.

Q.117 Could you tell the Court the condition of the man and what you treated him for?

A.117 I was called shortly after six 1'clock by Major Kergin because his assistant was out of the camp. I saw the patient, an Arab, for the first time when he was on the operating table, at approximately 1830 hours. He was conscious, in a state of severe shock for which he was being treated by infusion of blood serum. When the operation commenced, he was found to have a large wound in the left lower front of his chest wall which Major Kergin found to involve fracture of ribs and considerable wounding of the lung tissue itself. The haemorrhage was stopped and the wound closed. At the end of the operation I personally thought the patient's general condition as good as could be expected.

Q.118 Would you give the Court some indication of the nature of the wound?

A.118 There was a large lacerated wound which was about ten inches long, gaping, bleeding freely, and a lot of tissue appeared to have been blown right out. Some physical form of violence had removed this tissue across this chest wall. I think a bullet could have caused it. There was no bullet found in the wound.

The Defending Officer declines to cross-examine the witness.

In the opinion of the Court and the Judge-Advocate it is not necessary to comply with RP 83(B).

The witness withdraws.

At 12:25 o'clock the Court adjourns to re-assemble at 2:00 1'clock, 3 Sep 43.

At 2:00 o'clock, 3 Sep 43, the Court re-assembles. The accused is brought before the Court.

Pursuant to AA 53 (7), the Court took a view of the scene of the alleged shooting as shown on exhibit "H" in the presence of the prosecutor, the accused, the Defending Officer and the Judge-Advocate. Sgt Staddon and Tpr Smith stood on the place marked "C". Gendarme Georges Quinzain, Pte Clarke and Pte Kitely stood at the place marked "Z" on exhibit "H".

Prosecutor:

The prosecution does not wish to call any more witnesses.

Defending Officer to Court:

I beg to move, as the defence has the right to under the rules, that there is no evidence, or shall I say not sufficient evidence, to justify conviction. I base this on this proposition: two things appear to have been proved - one, that the accused was seen on a road with a rifle which he was firing - two, that a dead Arab, or a wounded Arab, who subsequently died, was discovered in the area in the same afternoon. I can find no reference in any of the evidence which links the two and until that evidence appears I feel it is unnecessary for the defence to say more.

Prosecutor to Court:

As regards the motion of the Defence Counsel, I think it was brought out in evidence by Sgt Staddon that the accused was firing a rifle more or less indiscriminately along the road leading from El Arrouch to the 15 Gen Hosp, and the Arab was found in the vicinity in which this man had fired. I think it is a ligical consequence to assume that there is a definite connection between the firing of these shots and the finding of this Arab. While we have occupied this area, it does not give us leave or license to go around giving an imitation of a "4th of July" celebration every day. That should be taken into consideration.

Court closed 2:50 o'clock to consider Defending Officer's motion.

Court re-opened at 3:00 o'clock.

The accused is brought before the Court.

President to accused:

The Court, having considered the motion of the Defence Counsel, has allowed the motion. Therefore, Tpr Gleason, we find you not guilty of the charge and you are released from arrest.

OPENING ADDRESS BY PROSECUTOR

"G"

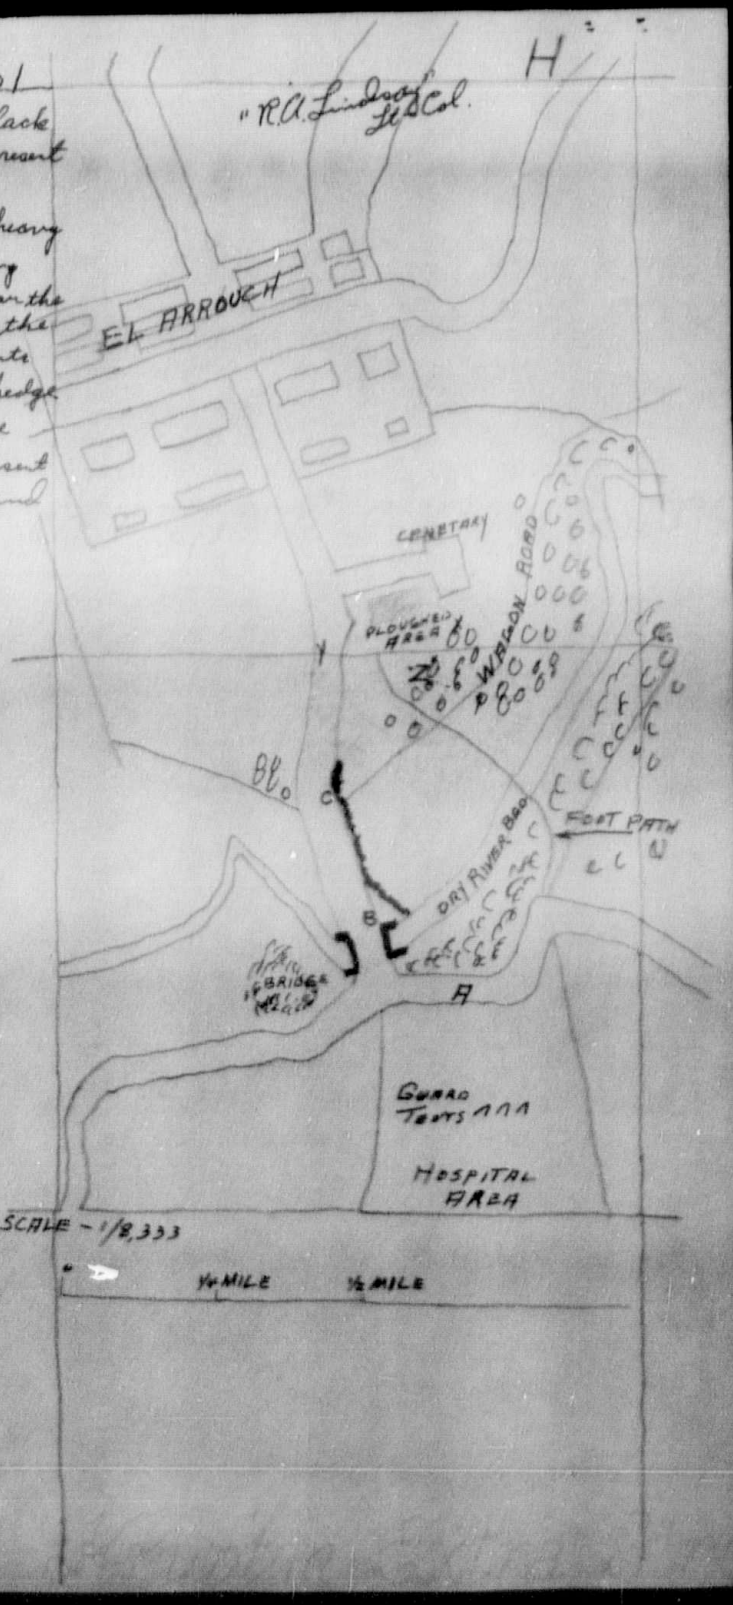
"L.A. Lindsay" Lt-Col.

The accused, Tpr Gleason, is charged with, when on active service committing a civil offence, that is to say, murder, in that he, at approximately 1600 hrs on the 14th day of August, 1943, at, or near, El Arrouch, Algeria, murdered Merareb Hamid Ben Segeni, a native of Algeria.

It is the intention of the prosecution to prove, by calling witnesses, that the accused was, at approximately 1600 hrs, improperly firing his rifle on the road, and in such a position that it was possible for him to shoot the deceased. The accused was apprehended by the personnel of the guard of the 15th Gen Hospital.

The prosecution will also show that the deceased, Merareb Hamid Ben Segeni, was found in the neighbourhood at approximately 1600 hrs, seriously injured, the result of a gun shot wound in the chest.

The prosecution claims that the accused, Tpr.Gleason, shot the deceased, Meharab Hamid Ben Segeni and under the circumstances it amounts to murder.



It is respectfully suggested that the Court take advantage of the provisions of AA 58 ss 7, and RP 63, which permits them to view the scene of the alleged crime.

EXHIBIT No 1

The irregular, heavy blue line, extending from a point near the bridge, and east the point "C", represents a tall cactus hedge.

SUMMARY OF EVIDENCE IN THE CASE OF:

D.77967 Trooper GLEASON, C.G., on the strength of "A" Coy 3 Bn., 1 Cdn Base Rft Depot.

By direction of Commanding Officer evidence will be taken upon oath.

First Witness For the Prosecution

F.86181 Sgt. Staddon, R, having been duly sworn, states:

On the afternoon of 14 Aug 43, I was Commander of the Guard at 15 Gen. Hospital El Arousch. I was at the ablution stand and I heard quite a commotion in the guard lines and saw two armed men leaving the lines. One went outside the camp area, the other remained within the area. As a result of information which I received and seeing that the men were drunk I turned out the guard, and went to investigate a disturbance which had broken out down town. I commandeered a truck which was coming down the road towards us, and proceeded towards El Arousch. About 50 yards from the bridge I heard one shot. I dismounted from the truck at the bridge and saw one man staggering up the road, and saw him fire his rifle a number of times, from the hip, and the rifle was well above the horizontal. Coming close to him, I recognised him as Tpr. Gleason. I spoke to him and ordered him to lay down his rifle. Apparently he did not understand me, and he seemed to be in a dazed condition. Since he couldn't understand my commands, I disarmed him forcibly. He was incapable of walking, so I commandeered a truck and took him back to camp I had him sent to the Medical Inspection Room, and placed him under close arrest. On returning to camp I took Tpr Gleason's bayonet from him. I made my report to the registrar, Major Neilson. I found a shot in the [illegible] spot marked 'A' on sketch No. 1 and a shell case at the [illegible] marked 'B' [illegible]

2nd Witness (Prosecution)

I am Rfmn McCafferty P 14416254 attached to No. 104 Gen Hospital for Guard Duty.

On 14 Aug 43, I saw a crowd of Arabs following Tprs Gleason, MacBeth and Lawley down the street and coming near the tower, I saw [redacted] one of the Arabs strike one of the Tprs. I saw him turn to defend himself and another Arab came from behind and hit the Tpr with a stick. The M.Ps came down and followed the Arabs. The three tprs returned to camp.

Third Witness For the Prosecution

K.65975 Tpr Pisacreta, T.M., having been duly sworn, states:

On 14 Aug 43, I was lying down on my bunk, when I heard: "Fall out the guard". I picked up my rifle and ammunition, and with Tpr Lawley started after Tpr Gleason who was running down the road like mad. We stopped an English truck and followed Gleason with it. We stopped about 100 yards behind Tpr. Gleason and saw him shooting into the cactus. He was firing from the hip, and upwards and was weaving back and forth. I heard no shots previous to this. I ran behind the cactus to see what he was shooting at, but couldn't see a thing. I came out to the road again and Tpr Gleason was running up the road, and we started chasing him. We caught up to him, and Sgt. Staddon jumped him from behind. Smith was helping to hold Gleason down, while I took his rifle. Tpr. Gleason was taken down the road, put in the truck and taken back to camp. The next time I saw him he was at the camp and we started explaining to him what had happened and it didn't seem to make any sense to him. He said he didn't remember seeing us there or a thing that had gone on. I saw Trooper Gleason for the first time at the spot marked "C" on exhibit No. 1 J.B.M

Fourth Witness For the Prosecution

D.129354 Tpr. Smith, K.R., having been duly sworn, states:

On 14 Aug 43, I was in camp at 15 Gen. Hospital, and the guard was told to fall out. We fell out with rifle and skeleton web and started running down the road and Tpr. Lawley was leading us. Sgt. Staddon was with us and he flagged a truck. As we were getting off the truck there was one shot fired. Tpr. Gleason started running down the road and we ran after him. A few more shots were fired and Sgt Staddon, myself and Tpr. Pisacreta got hold of Gleason and he seemed to be out of his head. The three of us disarmed him. He was still out of his head when we disarmed him and we started to bring him back, walking along the road. Sgt Staddon flagged another truck and brought him back to camp, and he was still out of his head. He was taken over to the M.I.R. Afterwards he was returned to his tent, and a guard placed over him. He was still out of his head, recognizing no one and remembering no details when he was returned to his tent. He did not seem to come to his right senses until late in the evening, and the disturbance took place about midafternoon. The witness stopped and was shown out of the spot marked "B" on exhibit No. 1 J.B.M.

Fifth Witness for the Prosecution

F67691 Pte Kitely, R.J. having been duly sworn states:

On 14 Aug 43 between 1430 and 1600 hrs, I was in the town of El Arousch. As a result of information which I received, I went with a friend to the M.Ps and asked them to investigate a fight between some Arabs and 3 Canadian soldiers. As a result of some information, which we received later, we went to a field near the town and found an Arab laying there, with a bullet wound in the left side. We gave him first aid and brought him to the 104th Gen Hosp, but they would not accept him, so we took him to our own hospital - 15th Cdn Gen Hosp. The body of the dead Arab which I saw on 15 Aug 43, was that of the wounded Arab, who we picked up on the previous day.

Sixth Witness for the Prosecution

B93942 Pte Clarke, W.E. having been duly sworn states:

On 14 Aug 43, I saw Tprs Gleason, Lawley and Mac Beth, in a cafe in El Arousch, about 1.30 P.M. Then, about half an hour afterwards, they left the cafe. After some time, Pte Kitely and I left the cafe and took a walk down the street. As a result of information which we received, we went to investigate some trouble in a field near the town. We saw a crowd around a spot in the field and proceeded over there, and found an Arab lying there, wounded, and we gave him first aid. The wound was on the left side, about 4" below the armpit. After we had given him first aid, a gendarme arrived on the scene with a vehicle, so we placed the Arab in it and proceeded to the 104th Gen Hosp. They would not accept him, so we took him to our own hospital the 15 Cdn Gen Hosp, where he was admitted. I did not hear any shots at any time.

The body of the dead Arab, which I saw on 15 Aug 43, was the body of the wounded Arab, we brought to the hospital 14 Aug 43. [illegible]

Seventh Witness for the Prosecution

Georges Quinsain, Gendarme, having been duly sworn states:

(Translation by Lieut G.B. Lamothe, duly sworn as interpreter)

On 14 Aug 43 at about 1500 hrs, as a result of information which I received, I went to investigate a fight near the tower in El Arousch, accompanied by two British Provost Corporals. I saw an Arab covered with blood, who was running away. I also saw a number of British soldiers running in the direction of the hospital. I apprehended this bleeding Arab and one of his friends, whom I brought in as a witness.

At about 1615 hrs, as a result of information received, I went to a field about 225 yards from the

cemetery and found a wounded Arab and two Canadian soldiers were with him, administering first aid. I saw that he was taken to the 19th Cdn Gen Hosp. I did not know this Arab's name.

Eighth Witness for the Prosecution

Translation by Lieut G.D. Lamothe of testimony of Boudjedida Ali Ben Baumedesra.

The body which I took away from 19th Cdn Gen Hosp was the body of my nephew, Merareb Hamid Ben Segni.

Accused declines to cross examine the witness.

Ninth Witness for the Prosecution

Major F.G. Hargin, RCAMC (Surgical Specialist) having been duly sworn states:

On 14 Aug 43 at about 1715 hrs, I was called to see an Arab, who was suffering from a gun shot wound of the chest. The patient was suffering from haemorrage and severe shock. The wound was immediately dressed and resuscitation undertaken. After about 2 hrs his condition was such as to permit operative treatment, which was urgently necessary, because of the nature of the wound.

At operation, the wound was found to be a tangential wound of the left anterior chest, which had fractured the fourth rib, blown out an area of the chest wall about 3" by 1½" and caused a deep laceration of the lung, from which there was profuse haemhorrage. The lung and chest wall were rapidly sutured. The patient stood the operation fairly well, but in spite of further resuscitation his condition deteriorated and he died at 0230 hrs 15 Aug 43.

The cause of death was gun-shot wound of the chest with severe haemhorrage and shock.

Tenth Witness for the Prosecution

P45801 Tpr MacBeth, having been duly sworn states:

On 14 Aug 43, sometime in the afternoon, Tpr Lawley, Gleason and I, left the wine shop in El Arousch and started back for barracks, and just as we were crossing the street by the water fountain, a crowd of Arabs gathered around us. They were talking, but we did not know what they were saying and we started to move away. Lawley was behind me and I heard a sound and turned around. He was lying on the cement and there was wine all over his shirt and blood all over his head. I went to his help and was hit with something. Then Gleason dragged Lawley and I out of the fight, over to the fountain and washed our hands off. We then started back to barracks again and that is all I remember.

I could distinguish glass breaking when I heard the noise behind me and saw Lawley on the pavement.

nth Witness for the Prosecution.

B25847 Tpr Lawley, A.I. having been duly sworn states:

On 14 Aug 43 between 1300 and 1330 hrs, Tprs MacBeth, Gleason and I, left the cafe in El Arousch to go back to barracks. We walked down the street a piece and were about to cross the road, when some Arabs came across the street towards us. They stopped us and one of them began to speak. We could not understand their language and started to move past them, when something struck me on the back of the neck. I saw MacBeth turn and he took a pace when he went down. The next thing I remember was after Gleason ducked my head in the trough. We went the rest of the way into camp. When we got into the hut, MacBeth either lay down or collapsed on his bed, and Gleason shouted "They've hurt Mac", and he seemed to go out of his head and grabbed his rifle and started across the field towards the road. I went after him to try and stop him, I caught up to him, just as he reached the fence around the camp, but he went over the fence, so I had to return to the tents, where the sergeant was turning out the guard. We started down the road after him and the Sergeant stopped a truck, which took us down as far as the bridge. Gleason was staggering and falling, trying to go up the road. I ran ahead and stopped him, but I couldn't hold him, as he seemed to be beresk, and he couldn't understand what I was talking about at all. Then the sergeant jumped him from behind and with the help of two others, disarmed him.

I saw Tpr Gleason fire three shots, but he fired them as he was staggering up the road and they were fired into the air.

In consequence of what she told me I interviewed Pte Glen at 24 2 Cdn Pro Coy at Bognor Regis on Tuesday 11 May 43. I told Glen the nature of my inquiry and he immediately admitted having given the woman the butter. Later that day I was present when Glen made a statement after having been cautioned. The statement was taken by Sgt Rose 2 Cdn Pro Coy and was signed by Glen. He (Glen) said he had ~~conspired with a Sapper~~ taken butter from 2 Cdn Pro Coy. I cannot say if Glen was a corporal at the time. His statement to me was verbal. Ada Jane Eason's statement was also verbal. We never take a sworn statement.

Ada Jane Eason's arrest was in connection with plan pinbraes. She had an amount of sugar in her possession.

Proceedings on Plea in Bar of Trial

First witness of defence — Capt J. J. Platt O.C. No. 2 Cdn Pro Coy duly sworn states

I am the O.C. of the accused. On a date I cannot specify I told Glen I'd promote him to rank of Cpl and provided he proved satisfactory would confirm it in three months. It was to be effective 26 Apr 43 i.e. two weeks previously. I produce 2 Cdn Pro Coy Part I orders No. 999-1006 dated 10 May 43. This is marked "A" signed by the President and attached to the proceedings. I produce 2 Cdn Pro Coy Part I Orders No. 1007-1013 dated 11 May 43. This is marked "1" signed by the President and attached to the proceedings. A promotion is subject to confirmation by 2nd Echelon. When it was brought to my knowledge that a charge was laid against Pte Glen I told him I had to cancel the promotion given him. It had never become an order. None of the charges had been tried before me. Charges had not been laid. I had his confession admitting he had given 1 lb of butter 5 May 43 and 2 lb butter 8 May 43 to a woman in Bagnoregio. It was as a result of the charges I knew pending against him that I cancelled my previous instructions that he would be promoted.

Cross examined by Defending Officer

I did not mean a punishment to be inflicted on the accused by cancelling his promotion. I had been

informed of the nature of the charges which would be laid against him and in view of that knowledge I cannot not let an entry as an NCO go through for a man with that pending.

I had in my possession then a signed statement and knew it would be charged with theft of C.A. property.

Second Witness for defence

Re examination by the Court and Pte Samuel then I can be compelled to comply with R. of P. 8 3(B)

B 22048 Pte Samuel then

Copy sworn & given duly sworn statement again entered when the Monday statement

On the day Capt Platt told me at 1630 hrs it was promoting me a/cpl and said I was doing a "damn fine job" he also added "I hope it doesn't go to your head". I went to the QM and drew cpl stripes and had them sewn on my tunic. On the following day a CID man came and questioned me re theft of butter from our kitchen. Later they questioned me again. Then the CID man and Sgt Ross went upstairs. The orderly Sgt and a/R SM placed me under open arrest at 1215 hrs the same day. After the dinner was over Sgt Ross and the CID man told me Eason had given them a statement to the effect I had given her 3 lbs of butter all together. I did not the written statement alleged to be in their possession. So as a result I gave a written statement after this I returned to the kitchen. At 1600 hrs I was paraded to the OC who told me the promotion was cancelled. I had worn my stripes for 24 hrs.

Re examined by Prosecuting Officer

Q. Had charges been laid against you when you were paraded to the O.C.

A. No. I was told it had something to do with stealing rations.

Q What did Capt Platt tell you

A Owing to information he would have to cancel my promotion until the situation cleared.

~~exc re examination~~

~~Re~~ R.P. 83 B complied with, accused ~~re~~ ~~witness~~ withdraws and prosecutor does not wish to call any witnesses on the Plea in Bar

Address of Defending officer on Plea in Bar

Explains it was evident accused was made an NCO and has been punished — points out a man cannot be punished twice for same offence — refers to AA 46(7).

Reply of Prosecutor on Plea in Bar

Capt Platt pointed out that reduction was not a result of the charges. No charges were laid or read to accused when he was paraded before his CO.

The Court is closed to consider their decision.

The court allows the Plea in Bar which relates to all the charges. as 2 and 4 are in the alternative to 1 and 3

The court reopens and ~~the adjourned~~ it is announced in open court that the Plea in Bar is allowed but that this decision of the Court is subject to confirmation which will be promulgated later.

The Court adjourns.

Gentleman of the Court

Spr Glenn enlisted on 25 March 1941 and arrived overseas on 12 June 1942. Went to France in July 44 and was wounded. He was evacuated to U.K. in Nov 44. After being in hospital and convalescent depot he returned to 1 C.E. R.U.

On return he was granted nine days leave. While on leave he found out that a married woman he has known for about two years was pregnant. After returning from leave he did considerable worrying. And thinking that he would not be able to get further leave, so that he might get ~~this~~ the affair straightened out, he went A.W.O.L. And as he returned to C.E. R.U. on his own volition and has only two minor offences of A.W.O.L. which only amounted to a total of 1 day 4 hrs and as he was was in such a troubled state of mind, I ask the court to be lenient.

When a long ~~journey~~ train journey is necessary a haversack lunch will be provided" Now excepting all those places how would an escort be able to feed his prisoner?
A.47. When were those orders put out Sir?
Q.48. They are dated the 18th. of January 1943 and the prisoner is charged on the 27th. of January, I think I am right in saying that it was normal for an escort to feed his prisoner in a restaurant if they landed after normal hours?
A.48. Yes Sir.

A.54. Sergeant, are you responsible for the posting of this order?
Q.55. Yes Sir, I am responsible to see that they are and this was posted.
A.55. It was?
Q.56. To your knowledge was a copy of these orders posted?
A.56. They were sent from Headquarters to Henreitta Street.
Q.57. Have you ever seen this order posted there?

A.58. Not that I know of Sir.

A.60. No Sir.

Def: Mr. President, there is no evidence Sir that this order was posted and the accused is charged on this order.

Pros: Q.61. Did you see these orders posted at Henreitta Street?
A.61. No Sir.

Def: This order has not been proved as required by evidence Sir.

Pros: I would like to recall the 1st. Witness Sir, to establish this order.

Q.62. Corporal you are still under oath?

A.66. Yes Sir.
Q.67. Do you know whether or not on the 27th. of January this document was posted at Henreitta Street?
A,67. No Sir I do not know.

(8)

Pres: Will you tell us Capt. Elder what your submission is as to why this document cannot be admitted as evidence?

Def: Yes Sir, 1st. that although the document purports to be a true copy there is no evidence of, "a" Comparison and (b) that he is the officer having custody of the documents under A.A.163.

2nd. my grounds for objection is, there is no evidence of posting as required by K.R.Can, in such a manner as to make the accused acquainted with that order my contention being that if it was not posted as required it was not an order having legal effect in this case.

Pres: The Court is closed to consider the admissibility of the document.

The Court is re-opened and the accused is again brought before the Court.

Pres: The ruling of the Court is that the document is not admissible.

3rd. Witness Prosecution. Continued. No.A.3436 Sergt. Spurgeon R.L. No.6. Company, is cross-examined by the Defence:-

Q.68. You were the Sergeant Major of the Company at this time?
A.68. Yes Sir.
Q.69. Did the accused report to you or when was it that you saw him?
A.69. No Sir, because the Company is split, I am at St. Johns Wood.
Q.70. When did you see him?
A.70. Two days after.
Q.71. Is it the custom for Escorts to carry pistols but no Ammunition?
A.71. Yes Sir.
Q.72. And it is a rule that Escorts are to be furnished with handcuffs?
A.72. Yes Sir.
Q.73. And it is left to the discretion of the Escort as to when and where he uses them?
A.73. There is nothing laid Down Sir.
Q.74. But it is a general instruction that handcuffs are not to be used in public places?
A.74. Yes Sir, when it is not thought that the prisoner will escape.
Q.75. But it is not usual in public places?
A.75. No Sir.
Q.76. That is where people are generally congregated?
A.76. Yes Sir.
Q.77. And also that prisoners must not be brought into ridicule and contempt in public places?
A.77. Yes Sir.
Q.78. Do you know Paddington Station?
A.78. I am not well acquainted with it Sir.
Q.79. It is a Metropolitan Station?
A.79. Yes Sir.
Q.80. Between six and seven at night would there normally be a number of people around the station?
A.80. I would not be able to answer that question it would depend upon the circumstances.
Q.81. Well would you be justified in not having him handcuffed at that time and place?
A.81. If I thought he would not try and escape, yes.
Q.82. So that it becomes a matter of discretion?
A.82. Yes Sir.
Q.83. And that applies whether it is in a public or private place?
A.83. Yes Sir.
Q.84. How long have you been in the Provost?
A.84. Since November 1941.
Q.85. And you have heard of prisoners escaping before?
A.85. Yes Sir.
Q.86. And in no case if handcuffs were used the prisoner escaped?
A.86. No Sir.

Q.87. And if handcuffs were used escape would be impossible?
A.87. Yes Sir.
Q.88. Have you any other means of restraining the conduct of prisoners?
A.88. No Sir.
Q.89. So that we come to this hypothetical situation if we have no reason to believe that this man is going to escape we remove the handcuffs and the man makes a dash for it?
A.89. Yes Sir.
Q.90. What could the Escort do?
A.90. Chase after the prisoner and failing that report it.
Q.91. And chasing after the prisoner depends on physical ability, whether he was fast enough?
A.91. No Sir he could set up an alarm, there are usually loud speakers at the Station which might be used in that case.
Q.92. But the mere fact that the man was being chased would set up an alarm?
A.92. Yes Sir.
Q.93. Now put yourself in the position of a Sergeant, long in the Service, trained in the work, you have a prisoner, you remove the handcuffs and he makes a dash for it now I am asking you as an expert what would you do?
A.93. I would set up a hue and cry, but if I had removed the handcuffs I would have my arm linked in his. I do not think if I had the handcuffs off and the prisoner close to me there would be much possibility of him dashing away.
Q.94. But supposing he knocked you off your balance? would that not give him a start?
A.94. It might.
Q.95. I am suggesting that you might be taken by surprise?
A.95. Yes Sir.

Pres: Might I ask the object of this evidence?
Def: My answer to that Sir is that it will be disclosed in the Defence.

In the opinion of the Court it is not necessary to comply with R.P. 83(B).

The witness withdraws.

A.97. I know what happened.
Q.98. Will you tell the Court what happened on that day?
A.98. From when do you mean Sir?
Q.99. Between six thirty and seven in the evening after you went to the Canteen at Paddington, were you handcuffed to your Escort?
A.99. Yes Sir until we went into the Canteen and they were taken off so that we could eat and after we finished eating they were put back on again.
Q.100. How long were you in the Canteen?
A.100. I cannot say exactly anywhere from ten to fifteen minutes I am not positive.
Q.101. Then the handcuffs were taken off again outside the R.T.O.'s office?
A.101. Yes Sir.
Q.102. Private Tyrrell, when the handcuffs were taken off again outside the R.T.O.'s Office, why escape then, why did you not make the escape at the Canteen?

A.110. No Sir I had no idea until then.
Q.111. You had nothing against the escort?
A.111. No Sir.
Q.112. You were t reated well by the escort?
A.112. Yes Sir.
Q.113. And you gave him no trouble?
A.113. No Sir.
Q.114. And he removed the handcuffs to eat?
A.114. Yes Sir.
Q.115. And that was near the R.T,O.'s office?
A.115. Yes Sir.
Q.116. And as a matter of fact the R.T.O.'s office is quite near the Restaurant?
A.116. Yes Sir.
Q.117. And when he removed the handcuffs what did you do?
A.117. Well it all happened so fast Sir, I gave him a push and just went.
Q.118. Just demonstrate how you did it?
A.118. (Witness demonstrates)
Q.119. You gave him a push?
A.119. Yes Sir.
Q.120. Would your action have momentary restraint on your Escort?
A.120. Yes Sir, it put him in the position that I was able to get away.
Q.121. Did he have a pistol, and belt?
A.121. I am not positive Sir.
Q.122. Did he have army boots on?
A.122. I am not sure it sounded like army boots Sir.
Q.123. And you were wearing civilian shoes?
A.123. Yes Sir.
Q.124. Light shoes?
A.124. Yes Sir.
Q.125. How much do you weigh?
A.125. About 168 lbs.
Q.126. Can you run fast?
A.126. Yes Sir.
Q.127. Did you know that he was following you?
A.127. Yes Sir.
Q.128. Where did you go?
A.128. Well I do not know London I did not know where I was going.
Q.129. And when you were running did you dodge people on the Station?
A.129. Well there were a few people around Sir, I did do a bit of dodging.
Q.130. And you got to the Street?
A.130. Yes Sir.
Q.131. And you kept on running?
A.131. Yes Sir.
Q.132. I am informed that you were apprehended and later escaped from the Unit Guard Room?
A.132. Yes Sir.

Q.140. Did you have a torch?
A.140. No Sir.
Q.141. Did you continue running down the Street?
A.141. Yes Sir, until I got to a corner I turned the corner and then walked, there was a road coming into the Main Street, there were a few people around and I just jogged along the street.
Q.142. Did you still think that you were being followed?
A.142. I cannot swear to that.
Q.143. You thought you were being persued at the Station?
A.143. Yes Sir.
Q.144. Was it light enough for Glenney to have recognised you at thirty or forty feet?
A.144. I did not take any notice of that at the time Sir I thought only of getting away.
Q.145. Did you knock the Escort over?
A.145. I do not think I did Sir, I know he must have fumbled a bit, but he did not go down.

A.150. Yes Sir.
Q.151. Did you hear the accused call to you to stop?
A.151. I think it was him Sir he would be the only person to yell Sir.

In the opinion of the Court it is not necessary for to comply with R.P.83(3).

The Witness withdraws.

Pros: That is the case for the prosecution Sir.

Defence:- Mr. President, I am submitting Sir that there is no case at all. On the 2nd. Charge there is no proof whatever. There is a Standing Order and I submit nothing alleged by that order has been proved. On the 1st. Charge if there had been a Judge Advocate in this case I would have challenged the particulars of the charge, I will just read it, (1st. Charge read by the Defence), now Sir I ask what means has a man got for preventing an escape? the evidence is, the use of handcuffs only and the evidence is that it is not the custom to use handcuffs in public places. The handcuffs were taken off at the proper time and place and the evidence of Tyrrell is that he pushed the escort put him off balance and ran and I ask this Court what could he have done, what could you or I have done, just raised a hue and cry, it is in evidence that he did shout, he did not do anything that was not orthodox and he did everything in his power to stop the man. You have the evidence, that you can reasonably accept, the evidence of Tyrrell when he says that he took the accused by surprise and gave him a jolt, and I ask what could you or I have done and I am submitting there is no proof. I suggest there is nothing else he could do. The Sergeant who is an expert could think of nothing else to do except to have him handcuffed or walk with the prisoner arm in arm. I move that both charges be dismissed. Now on the 2nd. charge, he is charged with failing to obey Standing Orders. The charge complains of having disobeyed and on this there is no evidence before this Court of these orders having been posted and therefore there is no legal evidence on which a finding can be made against the accused. There is one step only that can be taken by the Court and that is to dismiss the charge. On the 1st. Charge I draw particular attention to the salient phrase, "Without reasonable excuse allowing to escape a person committed to his charge" and "Without taking reasonable means to prevent it" and I submit that no evidence has been adduced by the Prosecution to indicate to the Court, how, having regard to the evidence, the escape could have been prevented and I am asking the Court in all seriousness to dismiss this charge in fact both charges, honestly contending that they have not in either case been proved.

The Prosecution does not reply to the above submission by the Defence.

The Court is closed for consideration of the submission by the Defence.

The Court is re-opened and the accused is again brought before the Court.

Pres:- WITH RESPECT TO THE 2ND. CHARGE THE COURT ACCEPTS THE MOTION OF THE DEFENCE AND THE ACCUSED IS THEREFORE FOUND NOT GUILTY OF THE 2ND CHARGE.
THE COURT DOES NOT ACCEPT THE MOTION OF THE DEFENCE ON THE 1ST. CHARGE AND WE WILL PROCEED ON THAT CHARGE.

Def:- That is the case for the Defence Sir.

Closing address of the Defence.

Mr. President I do not want to go over the entire situation again unless it is to touch upon the salient features of this case and I would like to stress them again in the 1st. charge. Here is a man brought into Court with a hypothetical situation which is not true, had they said "Without reasonable means of using handcuffs" then we would have known how to make this defence. Here we have a man who has orders to use his own discretion, he goes to Bristol to pick up a prisoner, the prisoner is not up on a serious charge, murder or manslaughter, the prisoner gives him no trouble and shows no indication of escape, and the Court must assume that he was a model prisoner. When they get here, it was Black-out it was dark, and if you know London you can realize what that means and they had to have a meal it being after the ordinary meal time. Now if the Court wishes I can bring the R.T.O. here who will say that there was no instructions ever given to the R.T.O. to feed these men. They had to eat and the prisoner was handcuffed to go out in the Black-out but before they went in the handcuffs were removed why, because he had instructions that prisoners were not to be handcuffed in public places. when they came out they were put on again, and it is being contended that they should have remained on but he had to go to the R.T.O.'s office which is an order and which also is a public place, and they were removed and the prisoner escaped, and we have the situation so that he was wrong if he left them on and he was wrong if he took them off, that order is such that he broke an order no matter what he did, and now they are trying to convict on an order which says you are wrong if you do it and you are wrong if you do not do it. What more could he do what could you or I have done under the circumstances, he is brought before you because he used his discretion just as you or I would have used it and I submit that he removed them because he thought all chances of escape had gone and you cannot blame him. You have the evidence of the prisoner himself who says that right up to the time of getting to Paddington he had no thought of escape it was just an irresistible impulse and he went.

Closing address of the Prosecution.

Mr. President, I feel that a casehas been established on the admission of the accused himself. He is a trained provost and he said he had been instructed in the orders regarding escorting prisoners. His duty on this occasion was to proceed to Bristol and escort this prisoner to Henreitta Street, and in the use of handcuffs he must use them at his own discretion. It is true that if he has to use them he will get orders from his C.O. but on other occasions he must use his own discretion and I submit that he must have felt the need for them because he had used them and had removed them. His duty was to take that prisoner from the train to the R.T.O.'s office to report, not to take it upon himself and go out on the Street at will and then report to the R.T.O. if he had carried out that order and reported to the R.T.O. first he would have kept his prisoner and I submit he did not follow out his duty.

Def:- The Prosecution has said that it was his duty to report

Def: to the R.T.O. but there is nothing in the evidence to show that.

Pres: There is evidence that he himself said that he went to the R.T.O.

Def: I did not hear that.

Shorthand notes read back (See Q. and A. 190)

The Court is closed for the consideration of the finding.

The Court is re-opened and the accused is again brought before the Court.

Q.228. Have you any evidence to produce as to the character and particulars of service of the accused?

Lieut. F.J. Smith, the Prosecutor is duly sworn.

A.228. I produce A.F.B. 296 and M.F.M.6. relating to the accused.

The above statement (with schedule of convictions and of cases in which trial has been dispensed with) is read, marked "A" signed by the President, and annexed to the proceedings.

Q.229. Is the accused the person named in the statement which you have heard read?

A.229. Yes Sir.

Q.230. Have you compared the contents of the above statement with the regimental books?

A.230. No Sir, but they are certified by the Officer, Capt. Cowling, who has custody of the records.

Q.231. Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?

A.231. They are certified by Capt. Cowling who has custody of the regimental books Sir.

Q.232. Has the Defence any objection to these documents. are you prepared to accept these documents?

A.232. Yes Sir.

Def: to Wit. You now say that he has been in custody for 19 days?

Wit. Yes Sir.

Q.233. Do you wish to address the Court?

Def: A.233. I do not think Mr. President there is anything I can say, The accused belong to a Unit whose job is a thankless one, you can realise from the evidence that the accused is an American citizen who came over here is serve the country and has given three years. The charge is not very serious it shows very little in it, I do not know how that affects you. As I say it is a thankless job and I know the unsympathetic consideration they get from all angles. It is a case where any sentence you give, will not have any deterrent effect and in asking for a light sentence you may take into consideration the service he has given.

The Court is closed for consideration of the sentence.

Dear Sir,

A.11966 Pte. TYRRELL.A.E. Perth Regiment.

With reference to previous correspondence respecting the above-named soldier, who appeared before the Justices in this City on the 27th January 1943, on charges of shopbreaking and larceny, when he was discharged - no evidence being offered - and handed over to an escort from No. 6 Coy Canadian Provost Corps, I enclose herewith the necessary statements to enable you to proceed with this matter by Court Martial.

Tyrrell was arrested in London on the 16th January 1943, by Sergeant Carrier of the Canadian Provost Corps, London, and handed over to Detective Constable Robson, Metropolitan Police, Bow Street, London, subsequently being brought to this City by one of my officers.

Concerned with Tyrrell in this case were an American soldier named James PIKE (who has been handed over to the American authorities to be dealt with by Court Martial) and an English soldier named Dennis Alfred COOMBS, a deserter from the 61st Training Regiment, whose arrest is still sought.

The property recovered, which is of very little value, is being retained at this office.

I shall be obliged if you will kindly inform me the result of the Court Martial against Tyrrell in order that I may complete my records.

Yours faithfully,

By direction of the officer commanding the evidence is taken on oath.

First Witness Prosecution

7947224 Cpl Lloyd, 247 HQ Pro Coy, CM Police, having been duly sworn states:

I am 7947224 Cpl Lloyd of 247 HQ Pro Coy, CMP., and acting on information received I went to Alost, Belgium, and in a civilian garage took possession from civilians of a jeep No. 5572059.

I brought it back to my Headquarters where it has remained since.

The accused decline to question the witness.

(7947224 Cpl Lloyd)

Second Witness Prosecution

L-55242 Sgt Waldner, H.S., Cdn SIB, 11 Cdn Pro Coy, att 2 Cdn Discipline Unit N.W.E., having been duly sworn states:

I am L-55242 Sgt Waldner H.S., of the Cdn SIB, 11 Cdn Pro Coy, att 2 Cdn Discipline Unit NWE.

At approximately 2300 hours on the 14 June 1946, acting on information received, I proceeded to the civilian hospitel in Alost, Belgium. As a result of a conversation with a Doctor R De Cock I saw Pte Trembl ay J.R., and Pte Glidden, J.T. Being unable to interrogate them that evening, I returned the following day at which time Pte Trembley made a statement after caution which was corroborated by Pte Glidden after caution.

This statement I now produce.

Statement initialled and marked as Exhibit "A" to the Summary of Evidence.

The accused decline to question the witness.

Question by the Court: Were both these men cautioned before the statement was given.

Answer: Yes sir.

(L-55242 Sgt Waldner H.S.)

Third Witness Prosecution

PRE 48, 1st Sgt ANDRY, A., of No. 4 Coy Belgium Military Police having been duly sworn states:

I am PRE 48, 1st Sgt Andry A, of No. 4 Coy Belgium Military Police. I was just coming back from my mission at Ghent on the 17 June 1946 between 1800 and 1900 hours when I reached 4 or 5 kilometres before Alost I saw a bunch of civilian people close to a jeep. They waved at me to stop. I turned around and when I came close to the jeep it started away. I went after the jeep and wanted to pass it. When I got up to the jeep it was going from side to side and I was forced to go on the tram line to pass it. I tried to pass them again but I did not succeed, but after a while I did succeed and I stopped them.

Third (Cont'd)
Witness
Prosecution

I identify the both accused as the two who were in the jeep. When I spoke to them I thought that they were drunk. Not knowing exactly why I had to chase them I sent two of my men -- there were four of us -- back to where the group of Belgium people were to find out what the trouble was. I told the accused that they could not go on like that or they would cause an accident. I saw then that Glidden had a scratch near his eye. I must say that Trembley was very reasonable, but the other one was mean and told me that I had no right to arrest them. I stood in front of the jeep to keep them from going away. Glidden got out of the jeep and talked to me. I could not understand what he said because I do not understand sufficient English.

Suddenly he got back into the jeep and started it. He drove away coming close to me. I just had time to jump to one side so as not to get hurt. Then one of my men, Pastoret fired a machine gun at the tires. The jeep continued, continuing to go down the road from side to side and they nearly had an accident with a street car. There was another car that came from the other direction. I was unable to catch them as I did not have my jeep beside me and I could not follow them immediately. I waved for the jeep to come and my jeep came. After a conversation with a civilian, we turned right, hoping to catch them again I ran after them. I then saw a bunch of people standing around a jeep which was up against a post. When I stopped I saw Glidden sitting on a chair leaning against the wall and there was a lot of blood was on his face. Trembley was in a house on the other corner. He had his vest open but I did not see any wound. Then I looked where he was wounded but I did not see any wound, but there was a lot of blood on his vest. I also saw a hole in his shirt. Then Glidden came, he was crying. I went to telephone the ambulance from Alost at the civilian hospital which arrived and took both of them to the hospital. I took them to the hospital with one policeman. Then I reported to the CMPs.

Question by the Court: Did more than one man fire on the jeep?
Answer: Only Pastoret.
Q. What did you do with the jeep when you left the scene?
A. I left it there in care of a civilian. I took the stuff inside and delivered it to the CMPs afterwards.

The accused decline to question the witness.

(PFE Sgt Andry A).

Fourth

Prosecution

Mr. Van De VOORDE, A.F., Rue Des Cinq Maisons, Erpe, Belgium having been duly sworn states:

I am Mr. Van De Voorde A.F. of Rue Des Cinq Maisons, Erpe, Belgium. In the afternoon of a day in June I saw a civilian car and a jeep containing two soldiers who appeared to be drunk. Four Military Police were there, they were in a jeep too. The Police stayed there but the two soldiers drove away. Then the Police followed after them in their jeep. I am certain that the two soldiers present are the two I saw in the jeep.

On the 14 June 1946 I left ALDERSHOT, Eng with a body of troops consisting of approx 38 OR's., and two officers. We were to attend a Ceremonial parade in ADEGEM, Belgium on the 16th June.

On Monday the 17th June I accompanied by C.2934 Pte Glidden J.T., of the same unit, decided that we would spend the day drinking liquor. We started to drink around 0900 hrs., having several different Cafes in GHENT. We first felt the effects of alcohol at approx 1100 hrs. I cannot remember where we went or what we did after that time. I do remember that we did not have breakfast or dinner.

I vaguely remember being stopped by four soldiers on a road somewher but I do not know where. I do not know what they wanted or why they stopped us. My friend who was driving the jeep started to drive on. I do not know how far we drove, but I suddenly felt a sharp pain in the left side of my body. I then told my friend to stop, I cannot remember stopping or whether we hit anything until I woke in a civilian hospital in the early hours of the following morning.

I do not know where we got the jeep which we were driving at the time when the accident occurred.

for Deputy

(Signature of President)

Defending Officer's address to Court for accused, D-129635 Pte. Glidden, L.H., on Statements of Character, Service and Conduct and in mitigation of punishment.

Mr, President and Members of the Court. The accused, Glidden, is a soldier who has had no previous crime against him. He was transferred against his wishes, being a tradesman, from the R.C.E. to Ordnance and was stationed at the Ordnance dump in Leatherhead, where apparently temptation came his way. Apparently led by one more experienced, when this man named Ellis pleaded with him to procure goods from the dump, he did so, getting two pairs of socks and two sets of underwear. It would appear from the Summary that Glidden was apparently led on by another who had more experience than he did. As I said before, it was apparently very easy at DAD'S dump to take any sort of goods and walk out with them. Over six months there was not much of a check. It is also a fact that a soldier, receiving $1.30 a day, and probably assigning half his pay to his family, is tempted if he could get 15s. of a pound for things such as a set of underwear or a pair of boots. I think these facts should be taken into consideration by the Court in determining any sentence. Again, the accused has served 33 days in confinement and this should be taken into consideration. The accused spent five years in the American Army, from 1935 to 1940. He attempted to get into the American Air Force in 1940 but could not do so. He went to Montreal and enlisted in Canada. At home, he was employed by General Electric at Lynn, Massachusettes. His father is living, mother dead and he has one brother and sister. He assigned $20 a month home to his father. He enlisted in the Canadian Army in March, 1942; he came overseas in July, 1942. I think this is a case which deserves every consideration at the hands of the Court.

S J Ellis

SECOND WITNESS - C30818 Sgt. Tait, T.B., No.1 Special Investigation Section, H.Q. First Cdn. Army

Q. Would you tell me anything you know about this case?

A. On 2 Sep 43 I was present at an Identification Parade with a civilian, S.J. Ellis identified a member of the Canadian Army as having supplied him with W.D. Property. The other soldier whom he identified as the accused had been described to me and after the identification parade I was conversing with him on another matter with S.J. Ellis approached us. Mr. Ellis looked at Pte. Glidden and said to me: "This is the fellow I had the stuff off". I had already placed Pte. Glidden under Arrest. Detective Constable White of the Leatherhead police was present when Ellis made this statement.

Q. Does the accused wish to cross examine the witness?

A. No Sir.

THIRD WITNESS - Edward White, Detective Constable No.116, Surrey Joint Police, stationed at Leatherhead.

Q. Would you tell me anything you know about this case?

A. On 31 Aug 43, in consequence of information received, I went to Leatherhead Railway Station to the Engineers office. I there saw a man who I now learn to be Stanley John Ellis who is employed by the Southern Railway as an Acting Time Keeper. I told him I was a police officer and that I was making enquiries regarding Army Property which I believed he had in his possession. He said: "I have not had any Army Property". I told him I was not satisfied and that I would search the office. This I did and in a cupboard under a bench I found a pair of boots and a pair of gauntlet gloves. I asked him how they came into his possession and he said: " I got these from a soldier over the way". By this remark he meant from an Ordnance Dump situated the other side of a double track railway line. I then cautioned him and told him that I was not satisfied that this was all the Army Property he possessed. He replied: "This is all I have had, I was too frightened to wear the boots". I then told him I was still not satisfied and intended to search his house. He replied: "I have not got any property at home and if you like you can go there and see for yourself". At 1100 hrs on the same day I went to 23 Barnett Close, Leatherhead and there in all I found six pairs of Army Socks and eight towels. I then took him into custody and he replied: "I realize now that I have been a fool". On arrival at the police station he told me that he had two pairs of Army Pants and that he would bring them to me later in the day, which he did. After he had been charged with caution he made the following statement which I took down in my pocket book: "I have paid these soldiers 2 shillings a pair for the socks and I have had about a dozen pairs in all. This has been going on over a period of about six months. For the towels I have paid 2 shillings and 2 shillings and sixpence a pair. These I have kept myself and I have not sold any to anyone else. The gloves and boots were given to me by a Cdn soldier. I have had two pairs of pants and paid 2 shillings a pair for them. All this property came from the Ordnance Dump at Leatherhead Railway Station and was given to me by two Canadian Soldiers".

On 23 Sep 43, Ellis appeared at EPSOM Petty Sessions. He pleaded guilty to a charge of detaining Army Property and was fined £10.0.0.

At 1130 hrs on 2 Sep 43 I was in charge of an Identification parade which was held at the D.A.D.O.S. Dump Leatherhead Railway Station. There were in all about 25-30 men present. I understood that two soldiers who they suspected of having supplied Ellis with the Army property were present but these men I did not know. I

THIRD WITNESS (cont)

addressed the parade, told anyone on the parade if they were not satisfied as to their position they were at liberty to change it. No one availed themselves of this. Mr. Ellis then came in front of the parade. I told him I understood that the two soldiers who had supplied him with Army property were in the parade, that he was to walk along the lines and if he identified anybody, to touch them on the shoulder with his hand. He walked along the parade and touched the man who I now know to be Pte. Arsenault. At that time he did not pick anyone else out. The parade was then dismissed. Ellis then walked over to me and informed me that the second man was also there and although he had not been sure that it was him when he walked along the lines, he had since taken a good look at him and realized that why he had not picked him out was the fact that the man had now got a moustache. When I asked him who the man was, he pointed out to me a person who I now know as Pte. Glidden. He told me that they were the two men who had given him Army Property from the D.A.D.O.S. Dump which had included boots, pants, vests and he had paid both of them money for them.

Q. Does the accused wish to make any query regarding the above statement?

Edward White D.C.M. C.D.

A. No Sir.

Q. Do you wish to make any statement or to give evidence on oath; you are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence?

A. No Sir.

"I certify that the foregoing summary of evidence, consisting of 3 pages was taken down by me in writing in the presence of the accused and rules of procedure 4 (C),(D),(E) and (F) have been complied with."

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Prosecution

1st Witness: Lieut. A.G. McKaefe, an officer of 1 Cdn. Corps Tps W/S R.C.O.C. being duly sworn

STATES Q: Where were you and what were your duties on 10 Nov 43?

A: I was A/Q.M.

Q. As such were you in charge of the kitchen?

A: Yes.

Q: On that morning did you have conversation with the accused. Can you identify him?

A: Yes. That is Pte Gleneso the accused.

Q. What was the conversation?

A. About 0930 that morning Cpl. Gatien the senior cook of our unit stated that he had ordered Pte. Gleneso to proceed to the kitchen to work. and that Pte Gleneso had refused. Cpl. Gatien showed me where Pte Gleneso was, and I approached the accused and ordered him to go to the kitchen to work. My words were "You will go to the kitchen to work". He stated he had a sore hand and was excused duty. I knew that at the time we had no sick parades, so I again ordered him to his work. He started towards the kitchen and as he went replied "I will go to the kitchen but I won't work. I don't give a fuck for you or anyone else". I ordered him to proceed to the kitchen, and went to our unit Orderly Room to investigate if we need a report on the accused from a Medical Officer. I found

there was no such report.

~~No cross examination by defence Bd~~

further questioning:

Q What was your action after checking at unit O.R.?

A I spoke to A.S.M. Blakeley and explained the case and to place the accused under arrest. I then went to kitchen and warned the accused that he was on charge.

No cross examination by the defence.

Summing up by Prosecution

The charge is insubordination and the witnesses have given proof of such. The officer i/c of the cooks took the proper steps in that he ordered the accused twice to report to the kitchen and then personally took steps to check the accused's story ie that he had been excused duty by an M.O., and found no basis for his claim. Insofar as the evidence given by the witness for the accused nothing was produced which could be called an excuse for insubordination particularly as that witness appears to be none too certain of the time

concerning his altercation with the accused. Therefore I submit that the accused is guilty and can show no provocation.

* Summing up by Defence

Referring to the accused's plea of not guilty and without seeking to have the court approve or countenance his unfortunate choice of words and behaviour we wish to bring to your sympathetic attention the following points:

1. The accused is an Armenian of Italian parentage and has the characteristics of hot headedness and excitability peculiar to his race.
2. After an altercation with Pte Franklin, the witness for the defence, in which the accused was deliberately insulted, he was approached afterwards by L/Cpl Wolfe with an order to proceed for picket duty. On explaining he was excused such duty by the MO As a result of hard exercise the Accused's wrists were broken and also mentioning the condition of the bandages on his hands, he was further antagonized by the Wolfe's order "You will report to the Kitchen".

On this account Sir we present that the accused committed the offence at a time when he was irrationally upset and with provocation.

Statement by the Accused.

I am fighting for freedom and democracy by being in the army. I have tried to be a good soldier and when people insult me and my heritage. I am hot headed, get nervous and lose my temper and don't know what I am doing. For the past twenty four days, while this charge has been hanging over my head, I have been carrying on my usual duties and have made no attempt to escape. I can speak Italian, and could if I desired hide in this town without difficulty.

Summary of Evidence in the case of A-[illegible] Pte. GLORIOSO, F., of 1 Cdn. Corps Tps. W/Shop, R.C.O.C., A soldier of the Canadian Army Overseas, by direction of the Commanding Officer the summary of evidence is taken on oath.

FIRST WITNESS FOR THE PROSECUTION

Lieut. A.G. De Wolfe, an Officer of 1 Cdn. Corps Tps. W/Shop, having been duly sworn, States as follows:

"At approximately 0915 hrs. 10-11-43 at Star Camp No. 3, Augusta Sicily, I ordered the accused to report to Cpl. Gatien at the Cook-house. He replied that he had a sore hand and was excused duty by the Medical Officer. I knew at the time that we had had no Sick Parade, so I told him to report to the Cook-house. He started towards the kitchen and replied, "I will go tothe kitchen, but I won't work, I don't give a fuck for you or anyone else". I allowed him to proceed to the kitchen and told R.S.M. Blakeley to have a charge laid against accused. I then went to the kitchen and warned accused that he was on charge.""

SECOND WITNESS FOR THE PROSECUTION

Capt. C.J. Rankin, an Officer of 1 Cdn. Corps Tps. W/Shop, having been duly sworn, States as follows:

At approximately 0915 hrs. 10-11-43 at Star Camp No. 3, Augusta Sicily, I approached Lieut. De Wolfe to ask him if the R.C.A.S.C. personnel had reported to the kitchen for duty. He was at that time ordering an O.R. whom I now recognize as the accused, Pte. Glorioso, to report to Cpl. Gatien in the kitchen. The accused replied, as he was slowly moving away, with a definitely belligerent attitude: "I will go to the kitchen but I won't work, I don't give a fuck for you or anyone else". - or words to that effect. I did hear accused mention something about bandages and the condition of his hands, but I was too far away to hear the full particulars.

Accused pleads guilty.

K3. plea in Extenuation & Punishment.

Accused landed in Sicily in Jul 43. Shortly afterwards he fell off a truck & was injured. Thinking nothing of serious, he stayed with his unit until coming to Italy where he was hit in the arm by shrapnel.

After spell in hospital & base units, rejoined his bn then training North of CAMPOBASSO (May 44). The work was too strenuous so he was sent back by RMO to hospital. X rayed & no trouble found. Returned to holding unit, sent to 4 Bn, here went on sick parade. RMO told him he would be sent to base to be re boarded. After waiting a week or so, during which nothing seemed to be done about his case, he paraded again to the RMO He was then told that men were badly needed & consequently he would be passed fit for the field. Pte Glover then went AWL realizing that he would be more trouble in this condition — the field than in detention.

Answer

Evidence as to character

1 Capt T. R. Tweddell, RCAMC
attached 1 C Scot R. duly sworn states
I am the M.O. of 1 C Scot R. I have seen
+ spoken with Glover the accused on a
number of occasions in my capacity as MO.
In my opinion he should be examined by
a psychiatrist. I have gone into his
history + crime sheet he has petty crimes
going back even to pre army days. He
knows he is doing wrong. He knows he
will be apprehended + he knows he will
be punished but he still persists. His
back ground is poor with very little
schooling - is one of a family of ten
homesteading in the west. He only had
one years schooling + left school at 16 years
of age - worked as a labourer about 1 year +
then joined the army. I consider him a
psychopathic personality. His physique
is OK. RP 83(b) complied with.

Summary of Evidence in the case of M11961 Pte. Glover, F.L., 1st Bn. The Canadian Scottish Regiment, (A.F.)

By direction of theCommanding Officer, the Summary of Evidence is taken on oath.

1st Witness for the Prosecution

K 62850 Pte. Sirianni, R.P., 1st Bn. Canadian Scottish Regiment, (A.F.), having been duly sworn, states:

"On the night of 1 July/2 July, 1943, I was on guard duty. About midnight the guard commander, L/Cpl. Bailey, ordered me to escort Pte. Glover, F.L. to the latrine. On the way to the latrine the prisoner informed me he wished to meet a Provost at a hut in the lines to get some cigarettes. We did not find the Provost at the hut so we proceeded to the latrine. Pte. Glover called out, "Provost", and the three of us met in the latrine.
The prisoner and the provost started to talk about drawing equipment and boots, and the prisoner suggested that the Provost should give me a note to say he was taking over the prisoner. I refused to take the note and the prisoner and I walked toward the guard room, but the Provost remained where he was.
When we had walked about 20 yards from the latrine the prisoner said he wished to get some cigarettes from the Provost. I did not give the prisoner permission to get the cigarettes but he started to run back toward the latrine, saying that he would only be a minute and would not run away. I ordered the prisoner to halt and chased him. I lost sight of him and reported immediately to the guard commander. It was between 0015hrs and 0020 hrs, 2 July 1943."

The accused declined to cross-examine the witness.

Sirianni reported back to me at the guard room at approximately 0020 hrs, informing me that the prisoner had escaped. As I was unable to make a search for the prisoner I reported the matter to the Orderly Officer."

1 Battle dress, trousers and blouse
1 Carton, 1000 Sweet Cap cigarettes, unopened.
1 Carton of Sweet Cap Cigarettes which had been opened
1 lb of Sweet Cap tobacco, unopened.

I had not given or loaned these articles to any person. I identify a carton of cigarettes, tagged as Exhibit "A", as my cigarettes. I identify the carton by my name and number which I had printed on the carton before I left on the Exercise.

I identify a battle dress blouse and trousers, tagged as Exhibit "B", as my property. I identify the trousers by the fact that I had mended the bottom of the left leg."

Statement: On 2nd July 1943 at about 2.35 pm whilst on duty I was patrolling the footpath which leads across Old Fold Manor Golf Course, Barnet when I saw Private Frederick Le is Glover 1st Battalion Canadian Scottish Regiment running from the south eastern end of the golf course and procsed in a north westerly direction. I noticed that he kept looking behind him and that he was carrying a brown coloured box under his arm. I intercepted him, when I noticed that there was a fresh tear in his trousers. I questioned him but he was unable to produce a pass or explain satisfactorily to me either his presence or his possession of the parcel which I noticed to be sealed and labelled 'Sweet Cap'. "I then said "I am not satisfied with your explanation I am going to take you to Barnet Police Station". Private Glover then admitted that the parcel contained stolen cigarettes. At that moment I saw P.C. 102S Taylor who had arrived in Barnet Police van with the other prisoner. Both prisoners were then conveyed to Barnet Police Station

Lieut. T. J. Kirk
1. C. Scot. R.

PLEA OF MITIGATION

Reg. no. 111961 Pte. GLOVER, F.L. , 1. C. Scot. Regt.

The above noted soldier enlisted in the Canadian Active Army on the 25th of June 1940, at which time he was fifteen years of age. He was born on the 22nd of September 1924 and is accordingly, at the present time only eighteen years of age. He was born at Hannah, Alberta, where his family lived until he was about twelve years old & until this age he attended school for a matter of a few weeks only, being in a rural district and miles from the nearest school. His family then moved to a remote pioneer district in the Peace River area of northern Alberta where again educational facilities were very limited. As a consequence of this and the fact that he was one of ten children, he received only about two years schooling as he was required at home to assist his parents in the maintenance of a poor homestead in the bush country. The conditions under which he spent the most formative years of his life can be judged by the fact that in addition to poultry and livestock his family had under cultivation approximately only two acres of land. It should be obvious from this that his home life was a hard existence, and his past anti-social tendencies can, it is respectfully believed, be traced in a large measure to the environment under which he spent his childhood. It can be seen that he was in fact, only a child when he enlisted in the Army; and with his unfortunate background of poverty and hardship, it will be readily observed that the regimented discipline of Army life would be to him a strange tenure, and one to which he would quite naturally have great difficulty in adjusting himself. He is able to read with a minor degree of ease but can do little more than sign his own name, and this handicap of semi-illiteracy together with his almost complete lack of ordinary civilized social contacts prior to his joining the Army obviously made him fair game for the many pitfalls awaiting a man of this type, when first he acquires spending money of his own and complete freedom from parental control. Not having the educational advantages of his comrades it is not unnatural that a young lad of his age should have tried to make up for this deficiency by becoming a sort of "Bad Man" as he thought, and acquiring a reputation as an outlaw. Although this lad has many previous convictions against him it will be noted that none of them were of an actually vicious nature; most of them being in fact nothing more than a show of defiance against authourity. He felt from the start of his military career that he was, in his own words, being "pushed around" and not being given a square deal. In effect, it was his determination that he would break the Army's heart before it broke his. In addition to this he has as is often the case, come under the influence of a woman older than himself and with probably considerably more sophistication. He is not unintelligent, but at the same time can not be described as having any great strength of character, although again his extreme youth and not entirely desirable background must be taken into consideration. He appears to have had from the start, a sense of

inferiority, and undoubtedly to a certain degree also a sense of frustration. He achieved a bad start early in his Army life, and persisting in his own false logic he has gone steadily from bad to worse, culminating in his present plight. During his absence from his Unit he continued to wear uniform xxxxx and there seems little doubt that had he had word that his unit were seeing action against the enemy or about to do so, that he would have returned forthwith. It is respectfully requested that consideration be given to the fact that to any young, active soldier, and particularly to a man not having the usual educational outlets and recreations, as in the case of the accused, the "long alert" and comparatively static role of the Canadian Army would have an undesirable effect in some way or ways. This man has been three years in the Army in a combatant unit and yet his only knowledge of the wanis hearsay. Is it not understandable that this could very likely have something to do with his behaviour whilst in this country ?

The accused has assured the undersigned that he has seen the folly of his past actions, and that he now realizes that the only xxxxxx manner in which he can build a firm basis for his future life is by reforming, and making an honest effort to eventually become a good soldier and a good citizen.

Pte. Glover is pleading guilty tow two charges of being A.W.O.L., amounting to a totoal of 36 days and 16 hours, and whilst not attempting to minimize the seriousness of his offence, it is respectfully suggested that to a man Glover's extreme youth and irresponsible nature, a sentence of too great severity might in the final consideration have the effect of completely ruining his life and embittering him permanently, rather than of reforming him. It is respectfully asked that this angle of the case be xxxxxx not overlooked in the final decision reached.

K62195 L/Cpl. Parker, R.C., 1 C. Scot. R.,(AF) having been duly sworn, states:

"On 5th March 1943, during scheme "Spartan", we marched all day over the Downs and consequently most of my section fell out. Amongst those who fell out was Pte. Glover. As I was not able to stop, myself, I called to Pte. Wright and told him to stay with Pte. Glover. I reported this to Lieut. V.C. Moore, my platoon commander. Since that time I have never seen Pte. Glover until now."

The accused declined to cross-examine the witness.

2nd Witness for the Prosecution

Lieut. V.C. Moore, 1 C. Scot. R.,(AF.) having been duly sworn, states:

"I was Platoon commander of Pte. Glover on exercise "Spartan". He came on the exercise under close arrest pending Court Martial. During the exercise it was reported that he had fallen out on the march with his escort Pte. Wright, C. I have not seen him since that time nor has he reported back to my knowledge. A few days after the return of the Unit to billets, Pte. Wright reported back and Pte. Glover was reported to me as being absent without leave."

The accused elected to examine this witness:

Question- "Sir, the day I fell out, who detailed Pte. Wright as my escort?"

Answer - "Your section commander, L/Cpl. Parker, detailed Pte. Wright."

Question- "Was it reported that day that I was missing or after the scheme? By that I mean when the Unit returned to billets."

Answer- "You were reported missing on the day when you fell out".

Question- "The day that I was reported missing was I the only one reported missing from the section?"

Answer- "No, several fell out that day but all reported back during the scheme or shortly after, most of them passing through normal channels."

Question- "Did you hear L/Cpl. Parker detail Pte. Wright to be my escort?"

Answer- "No I did not."

3rd Witness for the Prosecution

M12252 Pte. Wright, C., 1 C. Scot. R.,(AF), having been duly sworn, states:

"On the afternoon of 5th March 1943, I fell out of a route march during exercise "Spartan" and Pte. Glover fell out at the same time. We fell out at a place about 10 miles from Wallingford and carried on in our own time. We reported to the C.C.S. at Wallingford but rations were scarce there so we had to pull out. From there we went to Oxford. Pte. Glover was still with us. On the afternoon of Friday 12 March we officially heard that the scheme was over. I decided to head back to camp. Pte. Glover said he wasn't going back. As I hadn't been definitely appointed or detailed to guard Pte. Glover, I left. I left him at approximately 0800 hrs. 13th March 1943 and I arrived back in camp at 1500 hrs. 14th March 1943.

The accused declined to cross-examine the witness.

Whilst in custody he was questioned and admitted he was a deserter from the Canadian Scottish Regiment."

Signed "Jack Whewell", P.C.

Having regard to the exigencies of the service the attendance of this witness cannot, in my opinion, be readily procured.

The accused does not demand the attention of this witness for cross-examination.

The accused, having been duly cautioned in accordance with Rule of Procedure 4 (E), elects to make a statement.

M11961 Pte. Glover, F.L. 1 C. Scot. R.,(AF), having been duly sworn states:

"While I was on the scheme "Spartan", I was placed under close arrest. I was in #1 Section of "C" Coy and during the scheme there was nobody in charge of me when the section leader was away.
On 5th March 1943, I fell out with Pte. Wright, C., who, to the best of my knowledge, was not my escort. We had a rest and something to eat and then we tried to catch up to the Coy. However we were unable to do do. Finally we arrived at Oxford and the next day Pte. Wright caught a ride to Aldershot and I carried on from Oxford."

Sir,

At Manchester on the 26.7.43 at about 02.45 hrs, I was on duty in the Y.M.C.A Piccadilly, accompanied by L/Cpl. Greenslade, C.M. Police, when I saw the above named soldier.

I asked him to produce his pass and Militia Book M. 1 and this he could not do. I questioned him and he admitted being an absentee.

I arrested and conveyed him to the ARDWICK GREEN DRILL HALL where I handed him over to the N.C.O. i/c GUARDS to be detained.

He was sober and wearing Military Uniform

and L/Cpl. Bunyan J.CASP who accompanied me

Cross-examination by Rfn Hendriz Theron

I cannot know what slight argument was about. The two civilians pointed out the soldiers to me. I ordered the soldiers to arrest them because of their willful behaviour. I cannot take the bottles away from the soldiers. Returned I heard a smash. The accused was sober. In my opinion, he was not drunk. L/Cpl. Bunyan was standing by the other soldier was not doing anything. I really felt the b/w - it was quite severe. I laid the charge at CSP by the same evening. I didn't tell Cdr Provost the charge. I filled out 252. on two counts. I charged him with being in possession of, using obscene language, striking NCO & had a struggle, which is part of the Summary of Evidence. I was not sworn. The accused was present but declined to ask me any questions.

Re-examination by Prosecutor.

I was never concerned with Chab who grabbed his wrist who was not the accused. The accused was standing quite rational and doing nothing to arouse my suspicions that he was drunk. When I signed the Summary of Evidence (Ex. B) I handed it to the accused & explained the process to him & a replica is my record statement. It is exactly the same as for as my memory goes.

First two offences committed when
accused was sober. Evidence was
MML 106. intoxication - man
intends natural consequences of his
acts. Accused was sober & responsible

CWR.

An hour later he was drunk. I feel that plea of drunkenness has no effect in support of a instigation of the first 3 offences. But drunkenness could not be taken

Summing up by Judge Advocate

1. Evidence only to be considered
2. Facts for Court alone and effect on the charge
3. Evidence of drunkenness.
4. Sole own charges
5. Onus of proof
6. Reasonable doubt.

"I have to report that at Philippeville, on the 27 July 1943, at about 2200 hrs, I was on duty as N.C.O. i/c Town Guard Room, when I was informed by a French civilian that some soldiers were fighting and causing a disturbance in the street of Rue Admiral Corbet. In company with L/Cpl. Bunyan, C.M.Police, I proceeded to the scene and saw 4 soldiers, two British, and two Canadian soldiers, one had in his possession two bottles of wine, both of which had had the necks broken off. I approached one of them, No. B20563, Sapper Widdifield, A. "D" Sub-Unit, 3rd Battalion, No. 1 C.B.H.D. and asked him what the disturbance was about. He replied, "I have fallen down and think I have sprained my wrist." I requested him to accompany me to the Camp Reception Station for treatment. This he declined. During my short conversation with the a/m soldier, the other Canadian soldier intervened and said,'You bloody cocksucking bastard limeys are not going to take my buddy away,' and with that he struck me with his fists on the back of the neck.

"I tried to arrest him but he became very violent. For about 15 to 20 minutes I struggled with him in which I was forced to use self-defense and finally arrested him and conducted him to the Canadian Provost, H.Q. and handed him over to the N.C.O. i/c to be detained.

many men in army no sense of responsibility particularly of same age as accused. 6 mos after entering High school accused lost his father & was compelled to leave school to make living altho he had no training. From one job to another due to lack of training — enlisted Sept '39. Enlisted to be a diver & chose RCASC. Has been employed as a general fatigue man & as a result he was disillusioned & "browned off". AWL is predominant offence he has committed. Was without advice of father when most needed. Now realizes seriousness of offence but if was employed in a job which would hold his interest he is not incorrigible — he is still very young in many ways.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

CERTIFIED TRUE COPY FROM THE REGIMENTAL BOOKS IN MY CUSTODY

(J.H. Moodie) Capt & A.C.,
for OC 4 Cdn Armd Div Tps Coy, RCASC.

FIRST WITNESS

I am K 47117 Pte Trueman Joseph GLOVER, 4 Cdn Armd Div Tps Coy RCASC. I was suffering from a very bad disease (VDG) and have been taking treatments since July 1942. I have had several treatments from different Medical Officers but it still came back on me. Previous to going AWL I had heard of a civilian Doctor in Antwerp and being more or less desperate I went to see him. This Doctor could not do anything for me and advised me to go to Bruges. I went to Bruges and found the Doctor I was to see had gone to Paris. I then went to Paris. I found this Doctor in Paris and took treatments from him.

As I have a wife and family at Home, in Canada. I was desperate and as the Military Medical Officers apparently could not cure me I decided to try civilian doctors in this country.

SECOND WITNESS

I am R 58659 L/Sgt Charles Alexander Joseph CONNOR, 4 Cdn Armd Div Tps Coy., RCASC. During the past three months I have known Pte Glover. During that time he has been employed as Pl Cook, cooking without trades Pay. Everyone in the platoon has found him to be one of the most agreeable and most satisfactory cooks the Pl has had.

First Witness

I am K-45117 Pte Trueman Joseph Glover 11 Edm. Armd. Div Tps Coy R.C.A.S.C. I was suffering from a very bad disease (V.D.S.) and have been taking treatment since July 1942. I have had several treatments from different Medical Officers but it still came back on me. Remains to going A.W.L. I had heard of a civilian Doctor in Antwerp and being more or less desperate I went to see him. This Doctor could not do anything for me and advised me to go to Bruges. I went to Bruge and found the Doctor I was to see there had gone to Paris. I then went to Paris. I found this Doctor in Paris and took treatment from him.

As I have a wife and family at home, in Canada, I was desperate and as the Military Medical Officers apparently could not cure me I decided to try civilian doctors in this Country.

Second Witness

I am B-58659 L/Sgt Charles Alexander Joseph Connor 4 Edm. Armd. Div. Tps Coy. R.C.A.S.C. During the past five months I have known Pte Glover. During that time he has been employed as M. cook, cooking without trade pay. Everyone in the Platoon has found him to be one of the most agreeable and most satisfactory cooks the M. has had.

FIR T WITNESS

I am K 45117 Pte Trueman Joseph GLOVER, 4 Cdn Armd Div Tps Coy RCASC. I was suffering from a very bad disease (VDG) and have been taking treatments since July 1942. I have had several treatments from different Medical Officers but it still came back on me. Previous to going AWL I had heard of a civilian Doctor in Antwerp and being more or less desperate I went to see him. This Doctor could not do anything for me and advised me to go to Bruges. I went to Bruges and found the Doctor I was to see had gone to Paris. I then went to Paris. I found this Doctor in Paris and took treatments from him.

As I have a wife and family at home, in Canada. I was desperate and as the Military Medical Officers apparentlly could not cure me I decided to try civilian doctors in this country.

SECOND WITNESS

I am R [illegible]9 L/Sgt Charl s Alexander Joseph CONNOR, 4 Cdn Armd Div Tps Coy., RCASC. During the past five months I have known Pte Glover. B1. The President JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s) or call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s). If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(2), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement ? Ans No SIR (5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Defending Officers Plea in Mitigation.

P.C. Glover has been a member of this unit for approximately 1½ yrs. and since enlistment 2 yrs 10 mo's, this month he has had only one crown on his RAFMA6 leaves being with this Regt. P.C. Glover has been employed as a cook and there have been no complaints about his work or behaviour.

Circumstances bringing about this charge have been explained and I present them as follows. P.C. Glover became acquainted with a lady whose name he declines to admit and through this relationship she became pregnant. He admits that he did not go through the proper channels to get special leave and took it upon himself to try to make some arrangements to help the girl. When he returned to the unit and was serving his punishment he received a letter and felt it necessary to see her again. At this point he had no money and decided he would have to earn some. He went to Scotland where he obtained work at several places and did not try to conceal his identity as a soldier but stated he was on leave. He worked for short periods at various farms until he had the money he required. He surrendered himself to the police in civilian clothes. P.C. Glover did not contact the Regt. Padre as he did not want the lady concerned to become involved nor will he state the names of the people he worked for as he does not want them to become involved.

I CERTIFY that the man whose personal description is given below surrendered himself to* Sergeant James Smith,

at Police Office, Alexandria. at (hour) 11-55p.m. on the 11th. day of Feburary, as being No. K.45117

(Rank and Name) Trooper Glover, T.J.

a deserter (or absentee without leave) from 18th. Canadian Armour Car, 'C' Squadron, stationed at Brighton. and it appears to me from his confession that he is a deserter or absentee without leave.

CERTIFICATE OF SURRENDER TO THE CIVIL POLICE OF A DESERTER OR ABSENTEE WITHOUT LEAVE.

This Form is ONLY applicable where a person surrenders to a Constable as being a Deserter or Absentee.

Instructions for the Guidance of the Police.

When a person surrenders himself to a constable as being a deserter or absentee without leave, the officer of police in charge of the police station to which he is brought shall forthwith inquire into the case, and if it appears to him from the confession of that person that he is a deserter or absentee without leave he may cause him to be delivered into military or Air Force custody without bringing him before a court of summary jurisdiction.

In such a case a telegram should be despatched to the Officer Commanding the Man's Unit,* notifying that he has surrendered, and stating the number, rank, name and unit of the man, and that officer will at once arrange to send an escort for the man to be taken into military or Air Force custody. Where an absentee's unit is stationed overseas (outside Great Britain, Northern Ireland District and the Channel Islands) the telegram will be despatched to the O.C. Regimental Depôt in the case of a soldier and in the case of an airman to the O.C. No. 1 R.A.F. Depôt, Uxbridge, who will arrange escort. This certificate will be handed to the escort on arrival.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 25 fn 2. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. no (5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. 15 FEB 44

1916. Pte Glover G. aged 37 is a married man who enlisted with the 2nd Div. Petrol Coy on 13 June 1915. Since that time, as evidenced by his A.F.W. 6 he has had no serious crimes.

Approximately 18 months after enlistment Pte Glover started with severe pains in his back which extended to the testicles. His trouble was eventually diagnosed as Prostatitis - a swelling of the prostate gland, the drainage of which runs to bring the pains. Even at the moment this man's organ is inflamed. I have evidence of pus. Normally this ailment catches up on men in their late forties & frequently has dire effects on the nervous system. The remedy is bed, warmth & four or five sitz baths daily. Only for a short period was this man able to avail himself of these treatments.

Three times he has been under suspension ~~of~~ & once confined for V.D. because of the appearance of his private caused by the ailment & on each occasion discharged - all of which together with the fact that he felt he was not receiving proper treatment tended to depress him.

When Pte Glover arrived at this unit's lines he was very discouraged & in a low mental state. For a man of his temperament, a reasonably well educated man, & one who in civil life had a business of his own, he was treated what, in his estimation was "being pushed around". He figured he was being given

insufficient & inadequate medical attention. He was suffering physically & mentally & being about due for leave at this date (23 Dec). He asked his new but companions if he was likely to get leave at once. Barring told "no" & looking back on the last four Christmas's when he had been on duty he decided he could stand it no longer & left at once & went to live with friends at Wallmon Hill where he stayed until picked up by the Provost.

He submitted to the Court that the man was in such low mental state & mind that any physical & mental suffering at the time he absented himself that he was not capable of clear thinking.

The accused pleads guilty to the charge as read, but the condition of the man as at the time he left, his leaving more hospital treatment than a detention camp. If he is to be of any value to the Canadian Government he should be treated immediately. My understanding is that he is not getting sufficient treatment to cure his ailment.

I wish to give evidence upon oath.

The accused K-78867 Pte Curtis Clovor, having been duly sworn states:-

I was feeling run down, depressed, and suffering from severe pains in the legs and back due to an attack of Prostatitis from which I have suffered the last two years. I have been in Hospital three different occasions as a result of this ailment. I felt that for the benefit of my health both mentally and physically, I had to have a change of environment. Before leaving the R.C.A. I visited the M.O. there and told him of my complaints, I received some treatment. At the time I was put on draft my condition had not improved. I reported this fact to the M.O., and he told me I had nothing to worry about. While at R.C. I made application for sick leave on various occasions but was refused each time. When I arrived at 4 Cdn Armd Bde Coy, I felt that if I did not get away from the army for a short while, I would end up in Basingstoke or some other such institute. Four days after leaving the unit my condition was such that I was confined to bed for one week because I could not walk or move without a great deal of pain. I had been receiving treatment from the time I came out of Hospital until I came on draft to the 4 Cdn Armd Bde Coy R.C.A.S.C.

(C.Glovor) Pte.

I certify that Rules of Procedure 4 (C), (D), (E), and (F) have been complied with.

Taken down by me in the presence and hearing of the accused in the Field, this 4th day of February 1944.

Instruction.

† If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

Do you wish to give evidence yourself or to call any witnesses as to character ?

Question to the accused.

Answer. Yes Sir.

Evidence as to character

The Accused being properly sworn STATES:- I had no idea that the gun was loaded and it was a surprise to me that the gun had Amm. in it. I was not issued Sten gun Amm. at any time. I have been a Soldier for three years and carry a Sten gun which was issued to me two weeks ago and have never fired it before. I knew the deceased ever since joining the army.

Character witness.

Capt. J.A. Chazie having been duly sworn STATES. I have known the Accused since early August 1940. He was a Soldier in my unit where I was 2 i/c Spr. Gloyn was with the unit since 1940 and was a good Soldier, efficient and did a good job at transport. He was of good character and had a good military record. He was fond of sports and had many friends; Spr. Taylor the deceased was one of his best friends. Being in transport it is most likely that he would have less time in the handling of weapons.

Z Field Regt

Statement in Mitigation of Punishment
in the case of - D15168 Spr Lewis Richard GLOYN

Spr Gloyn pleaded "guilty" to a charge of negligence. It is the duty of the Court to determine the degree of negligence on the part of Spr Gloyn before considering a penalty.

I would refer the Court to the AEFCA Pamphlet "WAR" No 47 issued Jun 26, 1943 and entitled "The Horses' Mouth". On page 3 of this pamphlet, the Adjutant of a Parachute Bn, amongst other things stated: "We had several casualties from men knocking a Sten gun against something and the gun firing 2 or 3 rounds". This officer considered this defect serious enough to comment upon it when interviewed. Apparently the Sten Machine Carbine is considerably more sensitive than other Army weapons and will fire under peculiar circumstances.

Capt J A Clazie who has known Spr Gloyn as a soldier for 3 years has told the Court of his good character. He has also pointed out that Sprs Gloyn and Taylor were always the very closest friends.

The Court will surely understand that soldiers do joke amongst one another and "play around" when off parades. It is usually in a friendly manner and in this case everyones attitude was quite friendly. Thoughtlessly, apparently, Spr Gloyn grabbed his Sten gun in the excitement. The Court will no doubt realize how very simply decisions are taken when a few soldiers are amusing themselves and are often regretted later.

In this case, it is felt that Spr Gloyn has already learned his lesson at very heavy cost. It is difficult to realize how a detention sentence would act as a corrective for him surely, the accident itself has done that. Neither would a sentence of detention in his case act as an example for others to the same extent as the fact that a soldier was fatally wounded. In short, would another exited soldier at a future time while engaged in friendly rivalry, say to himself, I must'nt handle my firearm because I might get a certain detention sentence; or would he say, I must'nt do it because I might injure my pal.

Following this reasoning, it would appear to be a waste of manpower to sentence this man heavily. He has always been a good soldier, in fact he wears a good conduct stripe.

Bearing the foregoing facts in mind, I would ask the Court to view this case as lexiently as possible.

SUMMARY OF EVIDENCE

In tha case od D-15168 Sapper Lewis Richard GLOYN, 16th Canadian Field Company, Royal Canadian Engineers., a soldier of the Canadian Army (Overseas).

The accused was informed of his rights.

The O.C., 16th Cdn Fd Coy, R.C.E., directs that the evidence be taken on oath.

FIRST WITNESS for the prosecution: D-15096 Spr. Gray E., a sapper of Headquarters Platoon, 16th Cdn Fd Coy, R.C.E. having been duly sworn states :

"About 1910 hrs, 25 June 43, I was preparing to have my hair cut behind No. 1 platoon hut. I saw Spr. Gloyn and Spr. Taylor run out of Headquarters Platoon hut. Spr. Gloyn had a Sten Machine Carbine in his hands. I never paid much attention to what they were doing. I heard a shot and saw Spr. Gloyn going towards Taylor. Taylor was asking for a doctor. They asked for a truck driver and I went over to the two of them. I noticed that Spr. Taylor was wounded in the stomach. The only thing I heard Taylor say was, "Hurry up and get a doctor", or words to that effect.

I have known both Gloyn and Taylor since I joined the army in July 1940. They have always been very good friends.

The accused declines to cross-examine the witness.

SECOND WITNESS for the prosecution: C-2920 Spr. Ammell, H.J., a sapper of No. 1 Platoon, 16th Cdn Fd Coy, R.C.E., having been duly sworn states:

"About 1910 hrs, 25 June, 1943, I was cutting Spr. Gray's hair behind No. 1 Platoon's hut. I saw Spr. Taylor and Spr. Gloyn running out of Headquarters Platoon hut. They were laughing and joking. Spr. Gloyn had a Sten Machine Carbine in his hand. They were fooling around. Spr. Gloyn swent towards Taylor. I noticed that there was no magazine on the Sten Gun. I saw Spr. Gloyn and Taylor standing close to one another, face to face. Spr. Taylor had his right hand on the barrel of the gun. I carried on with my work and then heard a shot. I looked up at them and I saw Spr Taylor double up and fall to the ground. Spr Gloyn bent over Taylor and then ran into H.Q.Platoon hut. He came out again very soon without his gun and closely followed by L/Cpl Connolly.

The accused declines to cross-examine the witness.

THIRD WITNESS for the prosecution: D-15073 L/Cpl Connolly,S. Medical Orderly of the 16th Fd Coy R.C.E. having been duly sworn states:-

"About 1900hrs 25 June 1943, I was in H.Q. Platoon hut. Spr Gloyn and Taylor were fooling in a friendly fashion in the hut. Taylor ran out the rear door of the hut with Gloyn following. I went to the door, remarking to 2 or 3 other chaps "This will be fun." I saw Taylor walking backwards and Gloyn forward. I heard what I thought was a shot and Taylor fell to the ground. I thought he was fooling and went back into the hut. Gloyn came in and told me Taylor was hurt. I went out to Taylor. I saw he was wounded in the abdomen. I put a shell dressing on him. I took him in a truck to the 22nd Fd Ambulance RCAMC. A Medical Officer treated him with morphine and Taylor was placed in an ambulance. We started on our way to No 1 General Hospital but Taylor died on his way there.

The accused declines to cross-examine the witness.

FOURTH WITNESS for the prosecution: D-15055 Spr Sauve,M. a Sapper of H.Q.Platoon 16th Fd Coy RCE having been duly sworn states:-

Gloyn had a Sten Machine Carbine in his hand pointed in the direction of Taylor. I heard a shot and I saw Taylor fall down and grab his stomach. I thought he was fooling. I ran over to Taylor and saw he had a bullet wound in his stomach."

The accused declines to cross-examine the witness.

FIFTH WITNESS: for the prosecution: D-15027 A/Cpl Furmankiewicz,C. a member of the Q.M. Staff of 16th Fd Coy RCE having been duly sworn states:-

F.G.C.M. IN THE CASE OF

B-68120 Pte GOBBETT, C., CTS

28 Aug 44

STATEMENT BY THE ACCUSED (IN MITIGATION) NOTE E-3

I enlisted in the Canadian Army 26 Aug 39. I arrived overseas expecting to see action 28th Dec 40. I was posted with a French Canadian outfit in which I was very unhappy as I do not even speak French. I tried several times for a transfer. I had no serious crimes previously until Oct 41 when I went absent in order to get out of the unit. After being released from detention I was posted to the Canadian Training School. I tried several times for transfer to an Army Service Corps Field Unit bound for Italy. I also tried to get back to my own unit, the Lincoln and Welland Regiment. I kept company with a girl in Rollands Castle for a term of two years. I applied for permission to marry her in Oct 43. I went to see her every chance I could. I was on pass 31 Jan 44 and she told me she wished to break off our friendship. With that and unable to be posted to a field unit I thought the Army held nothing for me and I went absent without leave this time. I fully intended to return when the Army went into France. However, I was picked up by the civil police. I produce for your inspection a letter from the Commanding Officer of the Lincoln and Welland Regiment, dated 9 Nov 43, in answer to my application for transfer advising me to put the papers through my Commanding Officer which I attempted to do. (Court reads letter and confirms.)

PLEA IN MITIGATION BY DEFENDING OFFICER NOTE E-3

Sir,

I believe we have heard a case which has happened too many times in the Canadian Army where we have a good, clean cut soldier like Pte Gobbett who came to this country filled with a desire to get to the field, and whose enthusiasm is evidenced by his effort to get into a unit in the 4th Division and also to get to a Service Corps Unit bound for Italy, finding his efforts meeting with no success and we find him to-day in trouble. But I would like to direct the Court's attention to his MFM 6, which at first glance seems to condemn him, but I feel if analysed carefully on the contrary seems to indicate that Pte Gobbett can be a good soldier. It shows his date of enlistment as 26 Aug 39 when you will find he was only eighteen years of age, and the first entry is in 1941 two years later, and the first serious entry is in October 1941, over two years after his enlistment, shows that he did soldier for two years. Then he has given a reason for his first serious crime. He was posted to the 2nd Div Petrol Coln which was a French Canadian ~~outfit. Then using his own words he was fed up. He had come out of detention expecting to go to a field unit~~ Unit and from then until Oct 42 he had no additional crime. Then using his own words he was fed up. He had come out from this detention expecting to go to a field unit but was posted to a training school which to a young lad anxious to be posted to a field unit is not a good spot. As a result he got into trouble, but he has told you that he met a young lady in October last year with whom he became very serious and from that time until now he got into no trouble, again having something to work for, and then she told him she wished to break off the friendship and he was in trouble. So it indicates that Gobbett can soldier and I feel that he intends to. I feel that he should be given a light sentence with the recommendation that he be posted to a field unit. He has had five years of soldering and is category "A". He is unmarried. He got to Grade V in public school, but had to quit to earn his living. He sold newspapers and drove

117

a delivery truck and maintained himself until he enlisted at the age of eighteen. Generally he has been supporting himself since he was ten years of age. Failing a light sentence I would suggest to the Court that regardless of what sentence they may find it necessary to give to Gobbett they add that sentence be suspended at an early date so that he might get to France.

THE COURT IS CLOSED TO CONSIDER THE SENTENCE.

Defense Counsel: "Will you tell the court your relations with Pte Goddard on the 23rd Sept?"

Witness: "On 23rd of Sept. I was at "A Eschelon" at approximately 2.30 or 3 o'clock, and pte. Goddard asked me for a ride back to the Battalion on the back of a motor cycle. At that time he had no crash helmet and I would not allowed to take him without a crash helmet; and I was going to "B Eschelon" carrying."

Defense Counsel: "At the o'clock when you were at A Eschelon talking to Goddard you were aware of the fact that the Coy. trucks including Goddard's had already left A Eschelon?"

Witness: "I couldn't say that, sir."

"About 1300 hrs on 2 3rd I went out of camp for approximately two hours. I was instructed that I could go out, & even told that we were leaving. I went down the road about 500 yds on the right and met a friend from the Canadian Highlanders. I was with him for two hours. When I came back to camp I met Pte Zimmer. He told me that my vehicle was gone and S/Cpl. Losey came along with a motorcycle. I asked him to take me to Battalion. He said he could not because I did not have a crash helmet. After I asked Pte. Zimmer for a few blankets for overnight. I returned the next morning and told Pte Zimmer I was going to Battalion which was at about 8.30. I walked in Boulogne for about 2 or 3 hrs but could not find my Battalion or coy. I met the Captain from Pde H.Q. he told me where the Battalion was. I walked 3 miles then I got a ride with B. Coy truck which brought me to my coy area. I reported to C.Q. Guard at 10 o'clock."

"Sir, acc. to the evidence which ye have before you Pte. Goddard can not account for his absence from approx. 1130 hrs of 24th to approx 1015 hrs of 25th., thereby leaving the affairs of "A Echelon" without sole function in this war is a serious of "F. Echelon". I have never known when any transport to any body of troops could count on a bus service to move. Pte. Goddard in my opinion was definitely remiss in not checking as to a move & not obtaining permission to leave the area whether or not Pte Goddard did spend the night of the 23rd in A Echelon area the fact remains he was absent from his duty and did not report to the person in authority in A Echelon. Pte Goddard did see L/Cpl. Tracy acc. to the evidence but before the time from which the alleged absence began."

Plea for Mitigation in the case of Godard J., employed as truck driver of H. Ech vehicle for W Coy S.D. & G. Wdes.

1. As this man was neither put on notice to move, nor warned in any way to stay in the Ech. area, and as it is not the practice of H. Ech. Commdt. to C. B the drivers when not warned for duty, it is not unnatural or a violence of any order that the accused was not in the Ech area at the exact time the accused's truck moved off.

2. However it is the practice of the Ech. Commdt to issue a warning order (such as a 2 hr notice to move) to the drivers before any move. Godard realizing this returned to the area within 2 hrs. to find his truck had departed some five or ten minutes previously.

3. Godard upon learning his truck had gone, done the right thing by staying in the Ech. area in the hope of getting a ride back to the unit. And did show effort to get back to the unit by taking it upon himself to make lock. It would be a very difficult task after finding our unit had left the Boulogne area to find its whereabouts. — AG

Investigation of Evidence Continued

Owing to the congestion on the roads and most of supplies that moved into this area after the 1st Brig moved forward.

14. The M. F. M.C. of the man shows that since coming to France this man has had no entries. last Entry over 2 yrs ago. Although he has been in this unit since mobilization.

15. In the absence of the accused's Coy. Comdr. the 2/c of D coy has assured me that Godard has given him no cause for complaint up to this date and to his knowledge has been a co-operative and willing worker in the Coy.

16. Also if permitted would like to assure the Court that I have known the accused personally since the mobilization of this unit and have soldiered with him as an N.C.O., have the highest opinion of Godard as character and ability as a soldier. Am sure that knowing Maj. Woodard, if he were available would be willing to appear in the interest of Godard.

S.D.&G Highrs. ZIEST.

Pleads - 1st Charge - GUILTY.
2ND Charge - NOT GUILTY.

Prosecutor - 2ND charge.

1 Witness. Lt T.J. MacDonald
being duly sworn states:- S.D.&G Highrs.

Statement - Before the 6 July 44 (about a week before) one of the unit drivers asked me if he could have a vehicle to go and pick up a 5 cwt jeep that was hidden in the woods not far from our camp at Claplet. He said the jeep had no markings on it, I granted him permision and the 5 cwt jeep was taken to the unit car park, I examined the jeep and found that it had no W.D. markings, but patches of what appeared to be German camouflage paint. ~~I ordered it to be turned by the Germans and handed by them~~ I had it checked over for mechanical faults if any, cleaned up and then it was painted. I drove it from the unit lines to the offrs mess and back & found it to be, mechanically fit to drive. We were going to move to Zist therefore it had to have a W.D. number to move in a convoy, I put W.D. No C M 4233445 on the hood of said veh.

(2)

The number A 0 was put on temporarily, this same number was the W.O.No of the 15 cwt jeep I had turned into 9 C.I.S workshops a month before. There was no trace of this jeep in 9th 7 or 8th Ind shops. (turned in month before) to-date there is still no trace of it. That is the reason I put the W.O.No on the jeep that was found.

On the morning of 7 July 45 I was informed that the 4 cwt C M 427445 had been in an accident the night before I asked the M.T. Cpl when the jeep went out of the unit lines, he said it went out on the afternoon of the 6 July 45, that Pte. GOOARD from D Coy had asked to have a work ticket signed for the jeep to take it to D Coy lines to load Cpt. Stevens equipment so it would be ready to move in the morning. The Cpl told me he made out the work ticket to go to D coy lines & had it signed by the duty officer of the day.

Questions - Presenter - what were your duties in S.D.C.?

A - I was unit T.O.

Q - How long have you been T.O.

D.O.s. Q. How do you account for the error in the number on the W.T.

A - could be an error in making out the ticket, or on my examination of the ticket. there seems to be a space between the 4 & the first 3, I was concerned with the last 3 figures of the W.O. N.O. which is what we use for identifying R.P. E30 C56 replies work.

Defense submits that no case of negligence has been established.

Not Guilty of Negligence.
see D4 + Part I Schedule.

Submission by Defending Officer

I humbly submit to the court that no case of negligence has been established against the accused because-

1. no definite speed of the vehicle has been established, Appendix opinion has stated that the damage suffered by the vehicle could have been caused while travelling at a speed as low as ten M.P.H.
Again a driver of three years experience who was riding in the vehicle at the time of the accident estimates the speed to be at 20 M.P.H.
2. Witness has stated that when rounding the corner which was the scene of the accident the accused said to the said witness that he could not turn the steering wheel any further and that it was stuck, and he then applied the brakes.
3. Witness has stated that it was necessary to carry out repairs to the vehicle before it was possible to drive it from the Kitwanga to the camp which is partial evidence that there was a defect in the steering.
4. Does not believe that the caution written by Karl August Kendrick was any sure of many of the things told him. He appeared difficult at one point for even the Interpreter to understand him.

SUMMARY OF EVIDENCE in the case of C0419 Private Godard W.A. of the Stormont Dundas & Glengarry Highlanders (SDGA), a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer the Summary of Evidence is taken on oath.

1st witness for the Prosecution

Lt. T.J. Macdonald of the Stormont Dundas and Glengarry Highlanders (SDGA), having been duly sworn, states;

"I am T.J. Macdonald of the Stormont Dundas and Glengarry Highlanders (SDGA) and I am the Transport Officer of that Unit. On 6 July 1940 at Elspeet, Holland, all vehicles of the Unit, including 3 cwt No. M4825648 were under my control as Transport Officer. Vehicles not on duty were kept in the Unit car park in the camp area and only an Official Work Ticket duly signed by the Commanding Officer, the Adjutant, the Duty Officer of the day and myself could authorize a driver to take a vehicle out of the car park and past the sentry at the main gate of the camp. The driver of any vehicle so authorized has the right to proceed to the destination stated on the work ticket and no other. As soon as the driver of a vehicle has completed his authorized trip the vehicle must be returned to the unit car park and the work ticket of that vehicle is turned into the Transport Office. The work tickets of all vehicles not on duty are kept in the Transport Office under my control. I did not myself sign any work ticket authorizing 3 cwt No. M4825648 to proceed to Hilversum, Holland, on the 6th July 1940. Since that date I have not been able to locate the work ticket belonging to that 3 cwt and it was never to my knowledge turned into the Transport Office. Every vehicle of the unit has its allocated driver and C0419 Pte Godard W.A. on the 6th July 1940 was the authorized driver of the said 3 cwt.

On or about the 14th June 1940 a duplicate original of Unit Part I Order No. 24 dated 14 June 1940 arrived in my office. (said Order attached to this Summary and marked exhibit "A"); and I saw it posted in the Transport lines. Paragraph 5 of the said Order reads as follows;

"5. WORK TICKETS. Starting 0800 hrs 15 June 40, vehicles will not leave camp area without work ticket. Authorization for same will be by O.C., Adjutant, T.O. and Duty Officer of the Day".

The accused was aware of this provision in Part I Orders because he had been driving since that date of the Order and I myself had signed work tickets for him. Paragraph 3 of the same Order reads as follows;

"AS CAT B CWTS. Coy Commanders and drivers only may drive M/T 3 cwts".

The accused declines to cross-examine this witness.

This witness, Lt T.J. MacDonald is recalled, and being still under oath, states;

"On or about the 4th of July, 1940, I myself drove vehicle 3cwt No. M4825648 and I found it in the running order. As far as I know said vehicle has not been taken out on any trips before 6th July 1940, since I had driven it. I saw said vehicle on the 6th July 1940 before the alleged accident and there was no damage to it whatsoever.

The accused declines to cross examine this witness.

2nd witness for the prosecution

Acdsds Corporal Griffith-Cochrane A.C. of the Stormont Dundas and Glengarry Highlanders (CBA), having been duly sworn, states;

"I am Acdsds Corporal Griffith-Cochrane A.C. of the Stormont Dundas and Glengarry Highlanders (CBA) and I am assistant to the Transport Corporal and work in the Transport Office. On 8th July 1945 at about 1630 hrs at Elspeet, Holland, the accused came to the Transport Office and asked me for a work ticket to go to D Coy lines for the purpose of loading his 3 cwt with Officers' Kit in preparation for the battalion move next morning. Accordingly I made out an official work ticket authorizing the accused to take 3 cwt no. C8425644 out of the car park to D Coy lines, about 1/4 of a mile away. In the absence of the Transport Officer I told him to go to the Battalion orderly room and have the work ticket signed by the Adjutant or the Duty Officer. On the 8 July 1945 I, under the instructions of the Transport Officer, proceeded to the Provost Headquarters at Hilversum where I found 3 cwt no C8425644 under guard. The right front wheel and the assembly of that vehicle had been damaged. I made a search of the vehicle for the work ticket and could not find it. I also searched the Transport Office that day for the work ticket but I could not find it. Since the time I made out the work ticket for that 3 cwt I have not seen the ticket."

The accused declines to cross-examine this witness.

The second witness for the prosecution, Acdsds Corporal Griffith-Cochrane, A.C., is recalled and being still under oath, states;

"On or about the 8th day of July 1945 I proceeded to the Provost Coy at Hilversum, Holland, and the jeep, No C8425644 was driven at 10 miles per hour from Hilversum to the 3 D & G Highlanders Transport lines at Leist while I followed behind in a 15-cwt. On the next day the said jeep was loaded in a 30-cwt and I accompanied the same jeep to 3 Can Troops Workshop which at that time was situated 2 kilometers this side of Ede and I turned the jeep over to Workshop personnel."

The accused declines to cross-examine this witness.

3rd witness for the prosecution

Capt A.H.L. Stephen of the Stormont Dundas and Glengarry Highlanders (CBA), having been duly sworn, states,

"I am Capt A.H.L. Stephen of the Stormont Dundas and Glengarry Highlanders (CBA) and I am Officer Commanding of D Coy. Lcdlvd Fte Goddard J.A., the accused, is on the strength of that coy.

At approximately 1630 hrs on 8th July 1945 at Elspeet, I told the accused to pick me and my kit up with the jeep at 0730 hrs the following morning at the Officers Mess, which was about 1 1/2 miles from the camp area. The next morning he did not show up. I rode from the Officers Mess to D Coy area in a 15-cwt with my equipment. When I arrived at my coy area I noticed the accused there and, not seeing the jeep around, I asked him why he had not picked me up. He told me that he had had an accident with the jeep the night before in Hilversum. I asked him by whose authority he had gone to Hilversum with the jeep. He replied that he had not returned the jeep to the transport lines before supper and that after supper he and Cdsdsd Fte Grisdale J.J. who is also on the strength of D Coy, had had a few drinks and decided to go with the jeep to Hilversum. I asked him where he had got the liquor and he replied that he had received it from some civilians a couple of miles down the road. I asked him where the jeep was now and he replied that the Provost had it in Hilversum. I asked him if it was badly damaged and he replied that it could not be driven. I asked him how the accident had happened and he replied that he had lost control of the vehicle as he was making a turn. I asked him if there was any damage to civilian property and he

answered that he had smashed into the side of a house. I asked him if the house was badly damaged and he replied that he thought it was badly damaged.

On or about the 14th June 1940, duplicate original of Part I Order No. 24 dated the 14 June 1940 (attached to this Summary and marked Exhibit "A") was received by D Coy Orderly Room and I saw it posted in the Coy lines."

The accused declines to cross-examine this witness.

4th witness for the Prosecution

C53020 Private Grisdale J.J. of the Stormont Dundas and Glengarry Highlanders (CDA), having been duly sworn, states;

"I am C53020 Pte Grisdale J.J. At 1600 hrs on the 6th July 1940 I met Pte Godard, the accused, and he asked me to come for a ride in a Jeep and I agreed. We left Alspect and proceeded to Alfversum. We were travelling in an easterly direction on a street in Alfversum and we made a left turn. When we made the left turn the accused said that his wheel would not turn any further. The 3-cwt went over the sidewalk, through a small hedge and hit the side of a house. We got out of the vehicle and went to look for the Provost. The accused went in one direction and I went in another. Approximately one hour later I met the accused and neither of us had found a Provost and the accused told me that the 3-cwt was not at the scene of the accident, therefore we decided to go back to camp."

Q 1. When the accused asked you to go for a ride with him did he say where you two were going to go?
A 1. No, sir, he just said to go for a ride.
Q 2. When did he decide to go to Alfversum?

A 5. No, I didn't know.
Q 6. Did you at any time during that evening know whether or not the jeep had authority to go to Alfversum?
A 6. No, I did not know.
Q 7. At what time did this accident happen?
A 7. At about 2100 or 2200 hrs.
Q 8. How long had you both been in Alfversum before the accident happened?
A 8. About half an hour, I guess.
Q 9. Did you have anything to drink before the accident?
A 9. No, sir.
Q 10. Did the accused have anything to drink before the accident?
A 10. No, not that I know of.
Q 11. Did either you or the accused have anything to drink after the accident?
A 11. No, sir.
Q 12. When you both went to look for the Provost after the accident where did you leave the jeep?
A 12. About 25 yards up the road from the scene of the accident.
Q 13. How fast was the jeep travelling at the moment the accident happened?
A 13. I would say about 20 to 25 miles per hour.

The accused declines to cross-examine the witness.

Martinus Petrus Hendricus Von Engelen, of the City of Hilversum, Interpreter, is duly sworn in as Interpreter.

6th Witness for the Prosecution

Karel August Hendriks, of 80 Boschdrift, in the City of Hilversum, retired Bookbinder, having been duly sworn, states;

"On Friday evening on the 6th day of July 1945, at approximately 2000 hrs I was sitting in front of my residence at 80 Boschdrift in Hilversum when I saw a jeep coming out of Leliestraat into Boschdrift at a fast rate of speed. The jeep made a left hand turn into Boschdrift, crossed the road and ran against the curb in front of the house known as 61 Boschdrift. It seemed as if the driver were trying to bring the jeep on to the Boschdrift, but the jeep ran through the hedge and against the wall of the house known as 65 Boschdrift and is situated on the north east corner of the Boschdrift and Anemonestraat. A crowd gathered immediately. The soldier sitting next to the driver received a head wound for I saw blood on his face. The driver as far as I could see remained behind the wheel all the time. The crowd pulled the jeep out of the yard into the Anemonestraat and the jeep drove away under its own power eastward up Anemonestraat, then I lost sight of the jeep. I would not be able to recognize the driver of the jeep if I should see him again. I was under the impression that both soldiers in the jeep were under the influence of liquor. I cannot explain this impression, but the madcap driving of the jeep was as if the driver was under the influence of liquor. From the time the accident happened to the time the jeep drove away with both soldiers could have been about 5 minutes. I would not be able to recognize the soldier who was with the driver again.

Cross-examined by the accused;

Q 1. Were you sitting in front of your house throughout all this time?
A 1. When the accident happened I was sitting in front of my house. As soon as the accident happened I crossed the road to the jeep. When I saw the soldier with blood on his face I returned to my house and stayed in front of it all the time.
Q 2. Did you hear the squeel of tires and did you see any tire skids on the road?
A 2. No.
Q 3. Did you hear the squeeling of brakes?
A 3. Yes.
Q 4. How close were you from the man with blood on his face?
A 4. About 2 metres.

6th Witness for the Prosecution

AB2225 L/Cpl Peterson J.F., No. 3 Cdn Provost Coy, Cdn Pro Corps, having been duly sworn, states;

"On the 14th of July 1945 I proceeded to 5 D & G Highlanders at Zeist, Holland. At approximately 1030 hrs on that day I interviewed the accused, whom I now recognize, there. I told the accused that I was a member of the Cdn Provost Corps and that I was investigating the circumstances surrounding damage to civil property, namely to a house numbered 65 Boschdrift in the city of Hilversum. I then told the accused that this damage was allegedly caused by military personnel riding in a M.P. vehicle 8 cwt No. [illegible] on 6 July 1945. I then asked the accused whether he wanted to say anything about the matter. I duly cautioned him by saying that he need not make any statement, but that if he did say anything or make any statement same might be used in evidence. The accused stated he would like to make a statement, whereupon paper and pencil were supplied and the accused wrote out the following statement in my presence. Said statement is attached to this Summary and marked exhibit "P".

The accused declines to cross-examine this witness.

7th witness for the prosecution

Capt R.E. Hallam of 5 Cdn Armoured Troops Workshop, having been duly sworn, states;

"On 10 July 1945, Crewe No. C.M.E.3445 arrived in 5 Cdn Armoured Troops Workshop. On 11 July 1945 I inspected said vehicle and found that the vehicle had been damaged in such a manner as to distort the frame on the right front, to crush the right fender, break the motor mounts and fracture the transfer case housing. I estimated the damage and the cost of labour at 4# pounds, sixteen shillings."

Q 1. In your opinion how fast would the jeep have to go to cause this damage when it hit a solid object?

A 1. In my opinion the jeep could have been damaged to this extent when travelling 10 to 15 miles per hour.

The accused declines to cross-examine this witness.

The accused is cautioned as follows; "Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence".

The accused declines to make a statement or to give evidence on oath and reserves his defence.

I certify that this summary of evidence consisting of the foregoing 5 pages was taken down in writing by me in the presence and hearing of the accused and that rules of procedure 4(c), (d), (e) & (f) have been complied with.

K.62863 Corporal Griffith-Couchrane, R.C., of the Stormont Dundas & Glengarry Highlanders (CDA) Canadian Army Overseas, having been duly sworn, states:

I am K62863 Corporal Griffith-Couchrane, R.C. of the Stormont, Dundas & Glengarry Highlanders (CDA) and I am assistant to the Transport Corporal and I work in the Transport Office. On 6th July, 1945, at about 1630 hrs at Elspeet, Holland, [redacted] the accused came to the Transport office and asked me for a work ticket to go to D Coy lines for the purpose of loading his 5 cwt with officers' kit in preparation for the battalion move next morning. Accordingly, I made out an official work ticket authorizing [redacted] the accused to take 5 cwt No. CM.4233445 out of the car park to D Coy lines, about ¼ of a mile away. In the absence of the Transport Officer I told him to go to the Battalion Orderly Room and have the work ticket signed by the Adjutant or the Duty Officer. On the 8 July 1945 I, under the instructions of the Transport Officer proceeded to the Provost Headquarters at Hilversum where I found 5 cwt No. CM42 33445 under guard. The right front wheel and the assembly of that vehicle had been damaged. I made a search of the vehicle for the work ticket and I could not find it. I also searched the Transport Office that day for the work ticket but I could not find it. Since the time I made out the work ticket for that 5 cwt I have not seen the ticket.

Highlanders transport lines at Zeist while I followed behind in a 15 cwt. On the next day the said jeep was loaded in a 60 cwt and I accompanied the said jeep to 5 Canadian Troops Workshops which at that time was situated 3 kilometers this side of Ede and I turned the said jeep over to workshop personnel.

Capt. A.H.L. Stephen, of the Stormont, Dundas & Glengarry Highlanders, (CDA), Canadian Army Overseas having been duly sworn, states:

I am Capt A.H.L. Stephen, of the Stormont, Dundas & Glengarry Highlanders, (CDA), and I am Officer Commanding of D Coy. C 54173 Pte Lodard, J.A., the accused, is on the strength of that Coy.

At approximately 1530 hours on 6th July 1945 at Ekspect, I told the accused to pick me and my kit up with the jeep at 0730 hrs the following morning at the Officers' Mess, which was about 1½ miles from the camp area. The next morning he did not show up. I rode from the Officers' Mess to D Coy area in a 15 cwt with my equipment. When I arrived at my coy area I noticed the accused there and, not seeing the jeep around, I asked him why he had not picked me up. He told me that he had had an accident with the jeep the night before in Hilversum. I asked him by whose authority he had gone to Hilversum with the jeep. He replied that he had not returned the jeep to the transport lines before supper and that after supper he and C 53396 Pte Dundale J.J., who is also on the strength of D Coy, had had a few drinks & decided to go with the jeep to Hilversum. I asked him where he had got the liquor. He replied that he had received it from some civilians a couple of miles down the road. I asked him where the jeep was now & he replied that the Provost had it in Hilversum. I asked him if it was badly damaged & he replied that it could not be driven. I asked him how the accident had happened & he replied that he had lost control of the vehicle as he was making a turn. I asked him if there was any damage to civilian property & he answered that he had smashed into the

side of a house. I asked him if the house was badly damaged & he replied that he thought it was badly damaged.

On or about the 14th June, 1945, duplicate original of Part I Order No 24 dated the 14 June 1945 (attached to the Summary & marked Exhibit "A") was received by D Coy Orderly Room & I saw it posted in the Coy lines.

We left Elspeet and proceeded to Hilversum. We were travelling in an easterly direction on a street in Hilversum and we made a left turn. When we made the left turn the accused said that his wheel would not turn any further. He didn't want over the sidewalk, through a small hedge and hit the side of a house. We got out of the vehicle and went to look for the Provost. The accused went in one direction and I went in another. Approximately one hour later I met the accused and neither of us had found a Provost and the accused told me that the jeep was not at the scene of the accident, therefore we decided to go back to camp.

Deft's witness for the Prosecution

Karel August Hendriks, of 80 Boschdrift, in the City of Hilversum, Retired bookbinder, having been duly sworn, states:

On Friday evening on the 6th day of July 1945, at approximately 2000 hours I was sitting in front of my residence at 80 Boschdrift in Hilversum, when I saw a jeep coming out of Leliestraat into Boschdrift at a fast rate of speed. The jeep made a left hand turn into Boschdrift, crossed the road and ran against the curb in front of the house known as 61 Boschdrift. It seemed as if the driver was trying to bring the jeep on to the Boschdrift, but the jeep ran through the hedge and against the wall of the house known as 63 Boschdrift, which is situated at the North East corner of the Boschdrift and Anemoonstraat. A crowd gathered immediately. The soldier sitting next to the driver received a head wound for I saw blood on his face. The driver as far as I could see remained behind the wheel all the time. The crowd pulled the jeep out of the yard into the Anemoonstraat and the jeep drove away under its own power. I then looked up Anemoonstraat, eastward and I could not be able to recognize the driver of the jeep or I should see him again. I was under the impression that both soldiers in the jeep were under the influence of liquor. The I cannot explain this impression, but the driving manner of the jeep was as if the driver was under the influence of liquor. From the time the accident happened to the time the jeep drove away with both soldiers

I could not be able to recognize the soldier who was with the Jews again.

Cross-examined by the accused:

Q1. Were you sitting in front of your house throughout all this time?

A1. When the accident happened I was sitting in front of my house. As soon as the accident happened I crossed the road to the garage. When I saw the soldier with blood on his face I returned to my house & stayed in front of it all the time.

Q2. Did you hear the sound of fire and did you see any fire shots on the road?

A2. No.

Q3. Did you hear the squeaking of brakes?

A3. Yes.

Q4. How ~~far~~ ~~place~~ were you from the man with blood on his face?

A4. About 2 metres.

K85225 L/Cpl Peterson, J. P. No 3 Canadian Provost Company, Canadian Provost Corps, Canadian Army Overseas, having been duly sworn, states;

On the 10th of July, 1945. I proceeded to S.D.G Highlanders at Geist, Holland, at approximately 1030 hours on that day I interviewed the accused, whom I now recognize, there. I told the accused that I was a member of the Canadian Provost Corps and that I was investigating the circumstances surrounding damage to civil property, namely to a house numbered 63 Borchelupt in the city of Hilversum. I then told the accused that this damage was allegedly caused by military personnel riding in a W.D vehicle S/cat No. [redacted] CM 433445 on 6th day of July, 1945. I then asked the accused whether he wanted to say anything about the matter. I duly caution him saying that he need not make any statement, but that if he did say anything or make any statement same might be used in evidence. The accused stated he would like to make a statement whereupon paper & pencil were supplied and the accused wrote out the following statement in my presence & I witnessed his signing of same. Said statement is attached to this summary & marked & called "B".

On the 10th day of July, 1943; Serjt No C.M. 423344 arrived in 5 Canadian Armoured Troops Workshop. On the 11th day of July, 1943; I inspected said vehicle and found that the vehicle had been damaged in such a manner as to distort the frame on the right front, to crush the right fender, break the motor mounts and fracture the transfer case housing. I estimated the damage & the cost of labour at £49-16-0.

~~In my opinion the jeep could not possibly have to go very fast to cause the damage.~~

Q1. In your opinion how fast would the jeep have to go to cause this damage when it hit a solid object?

A1. In my opinion ~~the damage could~~ the jeep could have been damaged to this extent when travelling 10 to 15 miles per hour.

Plea in bar:
The defending officer submits:
(a) The present 1st charge against the accused, if it were committed, was committed while the accused was a member of Les Voltigeurs de Quebec; that he was not at that time under the command of 6 CIRU & that 6 CIRU has not now the right to lay the charge & proceed with it.

(b). In July 1943 — Jul 12 — the accused was on sick leave. He was arrested in Canada at his home at a deserter from Les Fusiliers at Sherbrooke i.e. for the absence with out leave set out in the first charge. He was in custody from 1530 hrs 12 Jul 43 until 1330 hrs on 17 Jul. During that time he had been taken back to Les Voltigeurs at Quebec. He was released by that regiment. He left Les Voltigeurs on 18 Jul. sent by that Regt to Convalescent Depot in Halifax & remained there until 12 Sep 43. He was sent Overseas on 12 ~~Sep~~ Sep 43 as a reinforcement. In the meantime Les Voltigeurs has been broken up. He came to 6 CIRU on 19 Sept 43. He was paraded on the present charge on 24 Nov 43. He was not under arrest before 24 Nov 43. The offence was condoned.

First Witness in support of plea in bar:
The accused, sworn, states: On 12 Jul 43

I was at home in Canada on sick leave from les Voltigeurs de Quebec. The Provost stopped me at home, brought me to Thetford mines & I stayed there 2 days under arrest. Then I went to Quebec under escort & from there to Aldershot N.S. & joined les Voltigeurs there & was put in detention. The next day I was taken out of detention at 1330 hours. That was 17 Jul 43. At that time I was returned to parade ground. Next day they sent me to No 6 Depot in Halifax & I stayed there until I got on ship to come Overseas on 12 Sept 43. I arrived in England on 17 Sept. 43 & went to No 6 C I R U where I have been ever since. No one in Canada told me why I was arrested. I was not paraded when under arrest. I have had a 48 hr & a 36 hr pass in England.

Cross Exam: I don't remember the dates of any sick leave. I was given 15 days. I was operated 28 Jun. 8 days in hospital & given 15 days leave. I had embarkation leave just before leaving Canada.

The evidence is read over to the witness.

The defending officer states that he was informed that he was to act as defending officer in this case at about 1830 hours 30 Nov 43 & has not had an opportunity to

contact Capt Tassaneau (C.M.R.O.)
& other parties whom he believes
can give material evidence in
respect to the pltfs in bar.
He requests an adjournment
to enable him to contact the witnesses.
No objection by prosecution.
The Court is adjourned till 1000
hours Tuesday 7 Dec 43. at the
same place.

Sd.

Court reassembled at 1000 hours 7 Dec 43 at the same place & with the same President, members, prosecutor, defending officer, interpreter, officers under instruction present.

The accused is brought before the Court.

The prosecutor produced a medical certificate that the accused is fit to undergo trial by Court Martial

The prosecutor states that the accused was very nervous at the hearing on 1 Dec. 43 & has been thinking & can now say that he was told by the Provost who arrested him in July 43 why he was arrested. The prosecutor states positively that this apparent revival of memory is not the result of suggestions by the accused & asks permission to recall him & state as above.

The Court considers & permission is granted.

The Accused, recalled, having been previously sworn, states:

When I was arrested in July 43 I remember that the Provost in whose custody I was told me that I was under arrest for being A.W.L. from the Institute de Klerksdorp.

Cross-ex: Nil

The evidence is read over to the witness.

Sound Witness ~~for prosecut~~ in support of plea in bar.

Capt. C. C. Saskatoon, Voltigeurs de Lotbiniere, attached C.M.H.Q. sworn states:

I know the accused. In July '43 I was his company commander for about 4½ until he was sent to hospital in July. To the best of my recollection I gave him a weekend pass to go home, during which time he fell sick. He was sent to Sherbrooke hospital. The unit was informed. After which he was given a sick leave. One day he was brought in front of me under escort for having been arrested by the Military Provost Corps. To the best of my recollection it was in connection with a desertion from an Infantry Sherbrooke Regt. I could not deal with him because of his health. I sent him to the M.O. & was informed that he was off duty until such time as transport would be going to Valcartier to take him to hospital. To the best of my recollection he left the next morning.

Cross Exam:

I remember a charge sheet was handed down by our legal. Police & the like. The charge was for desertion. I wanted an adjournment for further evidence & something to

6/

that effect. He was paraded before me the day after he returned to the unit. He was S. O S. on unit before the charge was proceeded with further. I talked to my C.O. about it & my recollection is that the C.O. was going to take the matter up with Ottawa to have it remedied. I don't know if the accused was informed of that. I am not sure.

The evidence is read over to the accused.

The court is closed to consider the plea & evidence

The court is reopened. The President announces that the plea is bar is not allowed and the trial will proceed.

The accused on being arraigned, the Name Rk. Rank & unit being read to him & he being asked, Is that your Rk. name, rank & unit? says: "That is not my number - my number is E 42746."

The defending officer pleas:
That unless the party is accused before the Court we submit that he is the accused & is proven to be the person named in the

Convening Order and Charge Sheet the Court has no jurisdiction. & the Court in the circumstances as they now appear has no jurisdiction.

The prosecutor states that he is not able to produce any verbal or written evidence to identify the accused before the court as the accused named in the convening order and charge sheet.

The Court is closed to consider the plea.

The Court reopens.

The President announces that the plea is allowed as it does not appear by admission by the accused or evidence that the party before the Court is the person named as the accused in the convening order & charge sheet.

Under R.P 34(c) the Court reports to the convening authority & adjourns at 1500 hours

On the accused being arraigned he admits that the number, rank, name and unit as set out in the Charge Sheet and Convening Order are his number, rank and name and unit.

The accused having pleaded Not Guilty to the charges the Prosecutor states that he has no evidence to offer on the charges.

The Defending Officer moves that the charges be dismissed and the Court is closed to consider the motion.

The Court is reopened and the accused is brought before it.

duly sworn in examined :-

On 17 Sept 44 about 1930 hrs I walked over to the vehicles near the kitchen & saw some soldiers standing about on the road. After this the Acc whom I recognise said to me "Capt. Butler, we are Germans to be behind a fence like this" or words to that effect. I answered "No you are better off" to which the Acc said "I think we are worse off". I then told Acc to behave himself to which he replied "I do not give a shit." This expression was repeated several times. I warned Acc he'd be up for disc & contacted senior N.C.O. who said to me.

I do know Acc ~~since~~ prior to this matter. He is a good soldier. Very good.

Cross Ex Acc said "Are we treated like Germans or are we treated like Germans" or words to that effect. Said it as they walked past us on road.

On 17 Sept 44 I heard Acc say "Are we being treated like Germans." I then heard Capt. Butler talk after the Acc said "I don't give a shit." Acc was addressing his remarks to Capt Butler. I was only 3 or 4 feet from Acc at the time

Cross X — I was about 2 ft from Butlers. I don't know what Butler said but I heard him talk. Butler spoke & was then talking to someone else. I heard the Acc definitely say both the remarks himself & not part of conversation.

Cont. — I think Acc was talking to Capt. Butler at the time of the remark "I don't give a shit" I was facing Acc & Capt Butler. I am not basing this on the first remark.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

BRIEF SUMMARY OF STATEMENT IN MITIGATION OF PUNISHMENT AND EVIDENCE AS TO CHARACTER GIVEN BEFORE THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE

K.S. Statement in mitigation of Punishment by:
K.53430 Pte. George Edward GODFREY

The accused having been warned in accordance with R.P. 40(c)(iv) 41(a) (iii)(1) is duly sworn.

FIRST WITNESS FOR DEFENCE

I am K.53430 Pte. George Edward GODFREY:
"While serving overseas I have been receiving very little mail and only at odd times. I received a letter concerning my wife and another man. I took the letter up to the Major of my Company and he directed me to the Colonel. I was advised to take compassionate leave with the evidence I gave to him. My compassionate leave was turned down. I also went to see the Paymaster to have the allowance stopped. He advised me to see my Commanding Officer. I had already done that, so I let it go at that for awhile. I received one letter from home. I went again to see the Paymaster about having the allowance stopped. He still said the only thing I could do was to apply to my Commanding Officer. I was paraded before the Major and Colonel Ferry. I talked about my compassionate leave. The Colonel said, "You might as well save the paper, it is a waste of time." "There is nothing can be done." The only way I could see to straighten my family affairs was to stop my wife's money. If I did she would know just how things were. So I went A.W.L. This is the only reason, Sir, why I did what I done.

The Prosecution declines to cross-examine the accused.

Lieut. L.J.PRONGER, Defending Officer makes closing address.

"I would like to draw your attention to M.F.M.6. Absent one day entry. One of 28 days Field Punishment for driving a car without permission, and there is one other Court Martial, which to my idea is the only criminal offence. He went absent for the same purpose to get things straightened out. The man has an almostclean conduct sheet. There is really only one charge and that is this one. He is not a criminal or A.W.L. He went A.W.L. this time with a definite object in view. He knew that he would be punished. He returned to take his punishment and pleaded guilty to the crime. With the knowledge that his home in Canada is smashed up, as a direct result of his coming overseas. He came overseas leaving his wife at home, things happened, and it is of the direct result of not being there to look after things himself. He is surprised at the state of affairs. He realizes if he cut off her allowance it might straighten things up, so he decided to take the only step he could do to straighten things up. The wounds he has are just as deep and honourable as any received by a soldier at Dieppe. I ask you to be lenient with this man, and give him a sentence of 28 days and no more.

R.P. 40-41 have been duly complied with.

PLEA OF MITIGATION

In the case of: B.23053, Pte GODFREY, J.

Mr President and members of the Court:-

You have before you Pte Godfrey, who has pleaded guilty of absenting himself illegally from duty while in the field in Italy. This is indeed a serious charge that must be dealt with justice to the army and also to him.

Before you pass a sentence in this case I would like the Court to know a few facts in respect to the accused, and his offence.

Pte Godfrey enlisted in the army at 20 in Sept 1939. He has been serving overseas since December 1939. Throughout his long service he has but few minor charges on his crime sheet. He is married in Canada, and is the father of one child.

He landed in this theatre on D-Day in Sicily, and has never been out of the field since that time.

Last winter while in Ortona he was informed by his father that his wife had given birth to a child, and later on that his own baby was sick in hospital. He then saw his adjutant for the service of the welfare department of the army, and also for a compassionate leave to Canada.

Last fall, twice he was told, first by his CSM and later by the Company Orderly-Room Sergeant that his leave had came through, and to pack his kit. But was never sent to Canada. Later in December when the Rotation-leave came into effect he was left out of the first two drafts.

Up to that time his moral was good, and stood up to the grind of battle, but at that point he broke down and went AWL.

For these reasons, I would ask the Court to be very lenient, and understanding before giving out a sentence.

President to accused

Q. 3 Do you desire to make any statement of the circumstances in reference to the charge?
A. 3 No, sir.

The Summary of Evidence is read aloud, in the presence of the accused, signed by the President and attached to the proceedings.

President to accused

Q. 4 Do you wish to make any statement in mitigation of punishment?
A. 4 Yes, sir.

The accused makes the following plea in mitigation of punishment:

"I applied for my leave about 22 months ago and the Bty Captain told me that I should wait for my leave until my wife went to the hospital. He practically promised me that I would get it when my wife went to hospital. That was on the 16th of July that my wife went to hospital. When I came back off the scheme I had a telegram which was three days overdue. I went up to the orderly room about this and asked whether my leave had gone through. The Battery Captain said it had not gone through. I applied for a 48 hours pass and it was also turned down so I took it and went to see my wife. My last leave was a 7B hour leave which I received when I first made application for my 7 day leave. I am 26 years old and have been married a year this October. My wife lives in Brighton with her married sister."

President to accused

Q. 5 Do you wish to give evidence yourself or to call any witnesses as to character?
A. 5 No, sir.

Statement of Character and Service, and Field Conduct Sheet, signed in the manner required by A.A. 163(1)(b) and purporting to refer to the accused by his number, rank, name and Corps, are produced to the Court, read, signed by the President and attached to the proceedings.

President to accused

Q. 6 Do you wish to address the Court on your Statements of Character, Service and Conduct in further mitigation of punishment?
A. 6 No, sir.

The President announces:

"The Court is closed for consideration of the sentence. The sentence to be awarded by the Court, being subject to confirmation, will not be announced but will be promulgated later and the proceedings in Open Court are accordingly terminated."

The Court is closed to consider the sentence.

The sentence is recorded, dated and signed by the President on page 2 of AFA 3.

PLEA OF MITIGATION

for

H.11200, Pte. Godfrey, S.E. (CIC)

Pte. Godfrey, S.E., the accused, is a married man with a wife and two children to support in England. He enlisted on 8 Dec 39, and has seen action twice; first, in 1940 at Brest with the 4th Field Ambulance; and the second time, in Normandy, with the Algonquin Regt., where, after 5 weeks of action, he was evacuated wounded. He is at this time A1 category.

The accused is before the Court today on a charge of A.W.L. and his Charge Sheet shows that as far back as to 1940 (previous records destroyed) A.W.L.'s have been his only misdemeanours. Since his marriage in October 1942, the accused had only one motive prompting him being A.W.L.

Pte. Godfrey, S.E., the accused, married a woman who already had a child who bore her maiden name. They have since had a child of their own.

The accused has been trying for some time to adopt a child of his wife so that dependents' allowance can be granted. The fact that this dependents' allowance is not forthcoming has led to financial difficulties in the family. There has also been the worry of infidelity on the wife's part to agitate and concern the accused. On looking at the Charge Sheets of the accused, it reveals that he is always picked up in the Brighton area on being apprehended for A.W.L. and it is the contention of the accused that his home troubles are his only motive for going A.W.L.

The accused has tried on several occasions to have something done about the home problem through the Padre Service but to no avail as it is necessary for him to return to Canada before he can adopt the child of his wife.

I would ask the Court to consider these circumstances in passing their Judgment on the A.W.L. of the accused.

Plea for mitigation of sentence

Pvt. Godfrey has committed a crime against military law. He is aware of this crime and willing to serve his punishment

This crime sheet is full but most crimes up till the last eight months these crimes are of a minor nature.

Pvt Godfrey is a married man with wife & baby living and his major crimes have been committed since that time. His previous absent without leave crime caused ~~occurred~~ by ~~work~~ wife was ~~given birth~~ to a child and Pvt Godfrey could not obtain leave. Since the birth of the child his wife is married life has not been smooth. He obtained 36 pass on 8th Dec straighten out his family affairs. He was doing this he was absent. 21 Jan 2 ~~believe~~ Pvt Godfrey showed his willingness to serve his country by joining the army the 8th Dec 39.

I believe if this man serves his sentence and is given a chance to straighten out his ~~married~~ family life, and then returned to ~~the~~ field unit both mentally and the army will benefit by a good soldier.

Plea in Mitigation in the Case of H11200 Pte Godfrey, S.L.

This man enlisted on 8 Dec 39 & came to U.K. 29 Dec 39 with an R.C.A.M.C. Unit. After 2 yrs he was remustered to R.C.A. He was remustered to R.C.I.C. in Nov 43. Went O/S with Algonquin Regt in July 44 & was in action until wounded 10 Aug 44. He is 28 yrs old & married with two children in this country. Has been examined by a psychiatrist & has been recommended for base duties, since he displays mild neurotic traits & will probably continue to be a ~~constant~~ disciplinary problem. This soldier feels that he could settle down and be a good soldier if he were given a job to do. He has had family troubles and went A.W.L. to go home & try to get things straightened out. He is A category & is quite willing to go back to the front.

Pte in Mitigation

Before arriving in Italy in 1943 the ship on which Pte Gordon J.A. was travelling was torpedoed and in the confusion the accused broke his ankle. He was sent to Africa where he was told he would have a sick leave. This leave was not granted and about January 44 he was sent to 1 CBRD where he was posted to HMS H. This was not agreeable to him as all his friends were with the C.S. Unit. He tried to get a transfer but was not successful and became dissatisfied. He started going absent without leave. I believe if the man were to be transferred to the Canadian Army to Brigade with his friends he would feel and himself a good soldier.
