B1. The President or ~~JA, if any,~~ complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans N O - S T A T E M E N T.[5]

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.[1]
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP 60(C), 114, 115.*)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans .....

Cours-Martiale de E.4780 Pte Paul-Armand GODIN (R.22' R. Coy, #6 C.I.R.U.)

Declaration de l'accuse:
Le president et les membres de la Cours ayant ete assermente, lecture des deux charges fut faite a l'accuse: il plaida coupable aux deux charges.
Apres lui avoir lu le sommaire d'evidence le President demanda si l'accuse voulait faire une declaration a l'intention d'attenuer sa sentence, si possible. - Ayant ete assermente l'accuse declara ce qui suit:

"Je suis E.4/80 Pte Paul-Armand GODIN, R.22' R. Coy, #6 C.I.R.U..
Je suis arrive en Angleterre en 1939, et depuis jamais je n'eus de chance. j'etais commis de bureau; toujours j'ai travaille fort, sacrifiant plusieurs fois mes soirees a mon travail. Toujours, jusqu'a la date de mon depart, j'eus une bonne conduite.
Avant cette absence sans permission, mon nom avait ete soumis pour mon retour au Canada comme escorte de prisonniers (ceci etait en octobre/42) et, par la suite, je n'en eus plus de nouvelle. Alors je me suis decourage, et je suis parti.
Je savais, par lettres, que ca marchait mal a la maison et c'est la raison pour laquelle je voulais tant revenir et fut si desappointe.
Durant mon absence j'ai pense que j'avais mal fait, et considere qu'il valait mieux revenir pour continuer comme avant et avoir une bonne conduite.

Q.(2'membre)- Avez-vous toujours pu prendre vos conges d'une maniere reguliere, tous les trois mois, ou aviez-vous de la difficulte pour les obtenir?
R.- oui, j'ai toujours pris mes conges regulierement.
Q.(Pres.)- Avez-vous eu raison de ne pas etre satisfait de la conduite de vos superieur a votre egard, depuis votre arrivee en Angleterre?
R.-Dans les premiers temps j'ai ete satisfait, mais je n'ai pas aime la maniere dont j'ai ete conduit lorsque le maj. Doiron prit charge de la Cie.
Q.(Pres.)- Quelle est la raison qui a pu vous faire vous absenter sans permission?
R.- J'etais tres decourage. - J'etais commis au bureau de la Cie et tres souvent travaillais tard.etc. Lorsque mon nom fut soumis pour mon retour au Canada comme escorte, j'ai eu de l'esperance. Mais, plus tard, lorsque je demandai au maj. Doiron si j'avais des chances d'y aller, il me repondit qu'il n'avait pas le temps de s'en occuper.
Q.(Pres.)- Et ca vous a pris 68 jours pour vous replacer?
R.- Oui, Monsieur.
Q.- Ou etes-vous demeure tout ce temps?
R.- A Londres tout le temps.
Q.(Pres.)- Etez-vous demeure longtemps au "Field"?
R.- Non, j'en suis revenu en 1940 pour le "Holding Unit".

Defense presentee par le Cpt. V.P.E. AUBUT, R.22' R. Coy, #6 C.I.R.U., officier defenseur pour E.4/30 Pte P.A. GODIN:

"Je demanderais a la Cour de ne pas juger trop severement l'accuse.
Je n'ai pas a ajouter beaucoup plus que la declaration de l'accuse lui-meme.
Je veux simplement faire ressortir que l'accuse a servi deja depuis trois ans, sa conduite passee prouve que fondamentalement il a un bon caractere.
Il a eu une faiblesse comme toute personne en a quelque fois dans sa vie, et quand on est au courant des faiblesses humaines on peut comprendre que dans un moment de decouragement quelque chose de semblable puisse arriver.
Le "Padre" m'a fortement recommande l'accuse, et j'aurais aime avoir plus de temps disponible pour le faire, parce que je crois que le probleme est assez delicat. Mais je n'ai ete averti que quelques heures avant.
Cependant je suis moralement convaincu que si la Cour pardonne a l'accuse, elle ne fera pas preuve de faiblesse, car ~~elle~~ un acte de bonte et de clemence de la part de celui qui pardonne n'est pas un acte de faiblesse, mais de force et, pour le pardonne, c'est une voie ouverte a mieux faire dans l'avenir.
On a promis a l'accuse qu'il pourrait aller en Canada. Eh bien! cette esperance disparait. Il a un moment de decouragement.
Il est jeune, mais son caractere est bon ainsi que son moral.
Encore une fois je prie la Cour de bien considerer ce cas et d'user envers l'accuse de toute la clemence possible. Sa conduite anterieure prouve qu'il la merite.

Merci.

1st Witness for Prosecution — Lt. C.O. Stuggard, having been duly sworn states

I saw Lt C.O. Stuggard No. 16 Pl. Coy. "D" Coy. Carlt. & York Regt. At approximately 2100 hrs. 18 Sept. 1944. "D" Coy of which I was were warned that they were going forward on immediate attack. I called together my platoon Sgt and section commanders and issued the necessary orders. At approximately 2115 hrs. I checked my section Cmdrs. again and found all personnel were present. Directly after we moved off as a Coy with 18 Pl. leading and remainder of Coy in single file. The line of approach was along a very prominent main road thence into a 5 ft. deep irrigation ditch. The visibility was good partly due to burning tanks, burning haystacks and searchlights. Approximately halfway to our objective it was reported to me. Pte Godin was missing from his section. Although under heavy shell fire at the time they were not landing close enough to disperse on the ground. Previously that day I had occasion to warn Pte Godin that I wanted to hear no more of his statements in the presence of the platoon as it was A.W.L.

Cross examined by Defence

This is a rough sketch of the axis of advance of the platoon. The approximate position of the haystacks which were burning and it is marked Exhibit "A"

1st Witness
for Prosecution

When I got down to bridge approximately 200 yards from where we started the Coy was behind me but I dont know if they were under cover or in single file. The closest hedgerow free to my platoon position was about 100 yards. After moving off my platoon was not forced to the ground by shell fire. The accused said "Dam fed up with this and that, and that he was going to fuck off and go A.W.L." He was in my platoon off and on for 4 or 5 months. I knew him to grouse before this. He grused quite a bit while he was in my platoon. I do not know of grouches were the same as when he went A.W.L. There were numerous searchlights going to high ground beyond me. They were not directed at me. It was reported to me that Pte. Goben came back at about 1000 hrs. I did not speak to the accused when I saw him in the morning. I ordered the accused placed under arrest. I ordered under close arrest for A.W.L. and cowardice in the face of the enemy.

Questions by Court in regard to the searchlights
I refer to artificial twilight. The country was open fields on each side of the road.

I am G 2004 Sgt Fapley J. G. No. 11 Pl. Sgt of 'D' Coy Carl & York R. On 10 Sept. 1944 at approximately 2100 hrs we were ordered to advance

2nd Witness
for Prosecution

I called my section leaders to gether and gave them plan and time etc. of the attack. They went back to their sections and we moved off almost immediately When we first started off we came under shell fire which lasted for only a few minutes. We then continued on our way up the main highway We stayed on the highway for approximately 2½ yards Leaving the highway we went across a ditch into a ravine 8 to 9 feet high - about half way up the ravine we stopped for some unknown reason. When we stopped I went back along my platoon to see if everything was alright. While I was back Lt/Col. Clayton reported to me the absence of Pl. Sgt. I made a mental note of this and the next time I saw him was when he reported back to me about 1000 hrs the next morning.

We could see about 10 yards. The light from fires lit up the country There was at least one tank and one half track burning Order of march was 7 sec. Pl. H.Q. 8 & 9. I was at the head of Pl. H.Q. No. 8 Sec. was on the left side of road - accused was on right opposite. I am first witness. I dont know if it was 8 or 9 section that came after Pl. H.Q. The ditches were deep enough that a man could lie down and not see the road. The shell fire was officially heavy to cause section to lie in ditch. Shell fire lasted a few minutes I cant remember how The shelling was after we started. When we were under shell fire I could see 10 yards.

The accused ~~was about~~ to my knowledge did not say whether he meant to miss any of the attacks. The man returned about 1 hr hrs. and said something about being lost I said I don't want to hear anything about it I placed him under open arrest on my own initiative. In A Wk. I remember the order of march was No. 7. Pl. H.Q. No. 8 sec. and No. 9 sec.

3rd Witness for Prosecution — 2 86231 L/Cpl. Clayton W.J. after being duly sworn states

I am 2 86231 L/Cpl. Clayton W.J. No 8 Sect. Leaders No. 18 Platoon D Coy. Canlt & York Regt. On the 18 Sept. the Pl. Sgt. called the Section Leaders and warned them that they were going forward to attack. They were to get their sections together two more off. I went back to my section and warned my men that we were going into an attack. They got their equipment on and fell in the section front. Then the enemy started shelling and the men took cover. Then word came to move off so I hollered to my section to move. We moved off and went to the rendezvous where we stopped for 5 or 10 minutes. The Pl. Sgt. came around to see that all his sections were there. Pte. Gordon was missing. He reported back the next morning at 1000 hrs.

The accused was there at the time the men were warned but he moved off. When the shelling started he ended all 5 or 10 yards. The men were rather bunched up. Order of march was No. 7 Section Pl. H.Q. No. 8 Section No. 9 section. After being warned and shelling had ceased. I was at the head of the section

3rd Witness
for Prosecution

After the shelling ceased I couldn't see the other sections

Questions by Defence

I didn't check my section when we moved off. We stopped in ditch 5 or 10 minutes due to shelling. I told the section to move but don't know if any man heard me. We walked about 10 minutes before we stopped in the ravine. About 20 minutes elapsed from the time I warned the men until we moved.

Clayton that we were going to make an attack. We left the trucks and lined up on the road. Jerry started shelling pretty heavy so we got in the ditch. The order came again to move and that is the last I saw of Pte. Godin. I saw Pte. Godin go in the ditch directly ahead of me. There were 2 or 3 men between the last leader and myself. I could not see all the rest of the section when the order was given to move off. The shelling gradually stopped after we moved off

Defending Officer

I submit that the evidence for the Prosecution does not establish a prima facie case against the accused on the charge.

Prosecutor

In answer to the plea of the defence of no case to answer I submit the prosecution has shown that the accused was warned that his platoon would be going into action against the enemy soon as shown by the evidence of L/Cpl Clayton that he was in the section in the ditch immediately prior to moving off as shown in the evidence of Pte. Robinson and was able to hear the command given by the section leader when told to move. That he did absent himself as shown by the evidence of L/Cpl Clayton & Sgt Tapley who checked his section of which the accused at approximately 2115 hrs on 18 Sept, 1944 when he was found to be absent. The evidence of all the witnesses shows he was not seen until the following morning. The accused himself has expressed the intention of going A.W.L. of being fed up in general.

1st. Witness for Defence G 18888 Pte. Godin S. having been duly sworn states

I am G 18888 Pte Godin S. On Sept. 18, 1944 about 2115 hrs my section commander came into one end of the building and told us we were going into an attack. We put our equipment on and fell outside the building. We were all in a pair of men. We were standing and waiting the hour 2 or 3 minutes when Jerry started shelling or we all hit for the ditch. He kept on shelling some near road, some near the house for about 10 or 15 minutes. I got into a hole and kept my body down about 10 minutes and then got up to see if they were going to move and found everyone gone. No one was around the area at all. After that I looked all around to see if could see anybody so I took a walk up the road and met 5 English in a slit trench in the ditch. I stayed there till daylight about 6 o'clock had breakfast and then went up the road of A Coy a couple of fellows up. I continued along road and met the R.A.P. Sgt. and he told me A Coy was across the river and showed the direction. I went there and reported to Sgt. Major White and then to Pl. Sgt. Tapley. I reported to Sgt Major White that I had got lost. I told Sgt. Tapley I had got lost but he said he didn't want to hear anything about it and that I was under open arrest.

I didn't hear anyone tell me to move when I was in the hole. If I had heard the Cpl. tell me to move I would have moved.

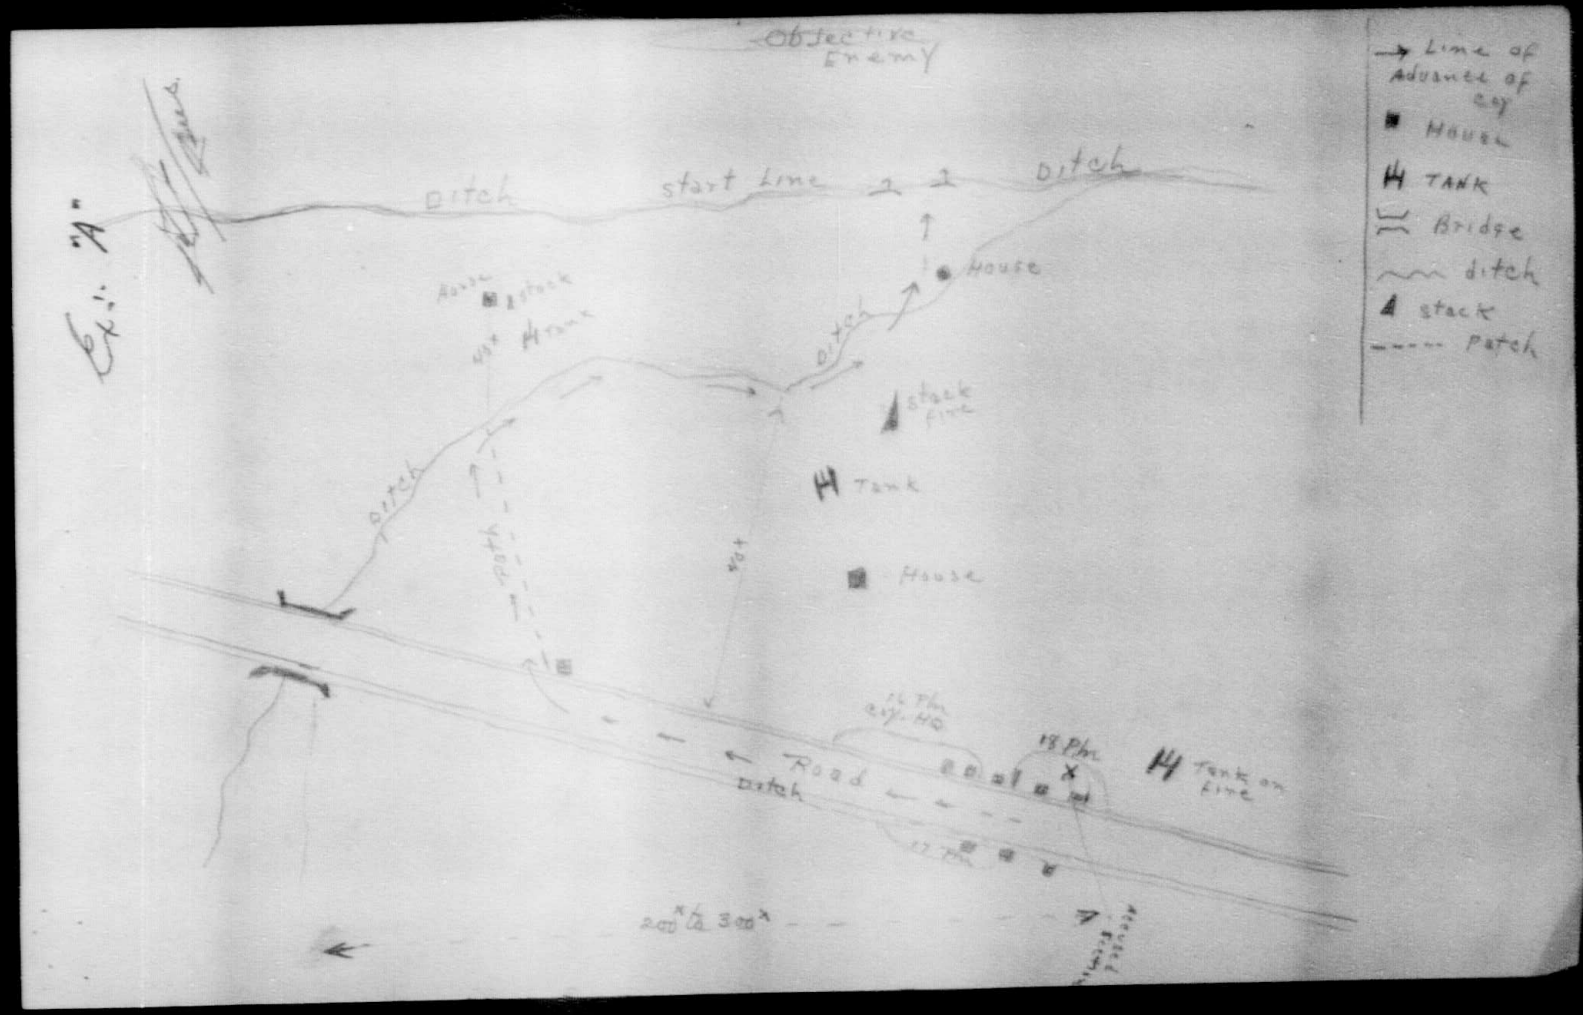
face and body as close to the ground as possible. In this position and with shells exploding all around, it is very difficult to hear an order such as "Move".



Just on the question as to whether or not the accused heard this order are we to assume that he had intentions of deserting.

A maxim of British Law says that a man is innocent until he is proven guilty" and also that any doubt whatsoever in the Courts mind is to be granted in the favour of the accused and if such a doubt ~~exists~~ the accused must be found not guilty.

Was the originator of this charge against the accused discriminating against the accused when he laid this charge or was he sincere? Apparently the question begins there and ends with any doubt as to the guilt of the accused existing in the Court's mind.

Plea of Mitigation

The accused has been in the army for 3 years and 3 months. He was through the battle of Sicily and has not missed one action to date with the Camt & Y orks Regt. After 14 months of severe hardship & fighting against the Jerry this man apparently has been found guilty of either desertion or A.W.L. On the last sheet that this court has made out where as met no opposition this man would at appreciably must pay the penalty of loss himself. What this penalty would be I hope for the accused that this court would not misuse the word justice

I am Lt. C.O. Huggard, No. 18 Pl Comd "D" Coy, Carleton & York Regiment. At approximately 2100 hrs 18 Sep 44 No 18 Platoon were warned to go into an attack. At approximately 2115 hrs I checked with the three section comds and was informed that each man in his section was ready to move. A few minutes later, we moved off along a main road with No 18 Platoon in single file and forward platoon with myself leading. The night was comparatively moonlight with numerous fires burning from haystacks and tanks. Visibility was good. At no time did our axis of advance become difficult as it was all along a main road and a five feet deep irrigation ditch. With the remaining two platoons and company headquarters directly to our rear. After moving through heavy enemy shell fire though at no time were they dropping close enough to our column to force personnel to the ground. At approximately halfway to our objective it was reported to me that Pte Gedin was absent from his section. This man had stated in my hearing that he was fed up and did not care what happened. I had warned him at that time that I did not want to hear any more of that talk amongst the men of the platoon.

G20004 Sgt Tapley, J.G., having been duly sworn states:-

I am G20004 Sgt Tapley, J.G., No. 18 Pl Sgt of "D" Coy Carlt & York R, C.E.F.. On the 18 Sep 44 at approximately 2100 hrs we were ordered by the Pl. Comdr. to advance and attack a river and put a bridgehead across. I called my section leaders together and told them the plans for the attack, times, etc. The section Comdrs were warned to tell their sections and we moved off almost immediately On moving off, within five minutes we came under shell fire. The men took cover in a ditch along the road. After the shell fire had let up a little we continued our advance going about 200 yds along a highway. From there we turned off and went about 25 or 30 yds across a lawn into a ravine which was about four feet deep. We continued in this ravine for approximately 600 yds, then stopped for about 15 minutes. While we were stopped L/Cpl Clayton reported to me that Pte. Godin, S. was missing. I made a mental note of it and next morning Pte. Godin, S reported back to me at approximately 1000 hrs saying that he had been lost. When the absence of Pte. Godin was first reported to me I searched the Pl. area without success. It was approximately 2100 hrs when L/Cpl Clayton reported to that Godin was missing. At that hour it was fairly bright as there were several fires burning around us caused by haystacks and tanks burning. You could see for a distance of 10 or 15 yds normally, but out of the ravine for a distance of 300 yds or more. Two or three days previously Godin mentioned to me that he could not take as much shelling as previously.

I don't know if Pte. Godin was present when we moved off or not. About 15 or 20 minutes later we reached a ravine and halted there. The platoon Sgt came around and checked my section finding that Pte. Godin was missing. Visibility was such that I could see approximately 15 yds in front of me.

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans NO, SIR (5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex 'A', initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

If accused acquitted on all charges, use second alternative in para* D8.)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans Do you intend to call witnesses on your behalf ?

CASE OF

B.27180 Spr GOMER H.H. 1 CEHU

STATEMENT BY ACCUSED (ON OATH)

F1-1

I joined the army shortly after the outbreak of war medically fit with a field company where I did my training for two years. While on a sports parade I injured my knee and was taken to hospital where I remained for a month. They just kep me under observation while in hospital and gave me a little exercise. Then I came to the reinforcement unit and was kept there and done my training and later was sent to the 4th Fd Pk Sqn. My category then was "A". I was with them close to a year during which time my knee gave me trouble but I carried on and did not report it. I am anxious to get into a theatre of operations and that is why I did not report the injury, Sir. Apparently they were ready for a move and I was told to report to the M.O. on account of the injury to my knee and I was told that I had better have medical attention to it and I said it was alright and that I could do alright and later just before they moved I was sent to the doctor and he recommended me to the hospital. This time I had a major operation and 2 or 3 minor local operations. I was in the hospital close to 6 months and from there I was sent to CEHU. Before I went AWL I was at CEHU close to 2 months, Sir, during which time I was just hanging around. I was anxious to go to the field and was told I could not go and was just kept hanging around. My category is L4 now, but I would still like to go to the field and I'm sure that I could carry on in a theatre of operations. I was fed up, did not have anything definite, did not know what they were going to do with me, so I suppose I just went the wrong way. I am a married man, but did not realise at the time the consequences this would have on my wife's allowance and I had no idea that she would suffer this way otherwise I can truthfully say it would never have happened. Should I get a severe sentence I will do it, and when I come out I will be a real good soldier and do my best in anything I do Sir.

CASE OF

B.87150 Spr GOLDEN H.H. 1 CEMU

PLEA IN MITIGATION E-3

There are certain extunuating circumstances which I should like to bring before the Court. Shortly after the outbreak of war the accused enlisted in a field company and felt fully fit and anxious to serve his country and after 2 years of hard training he met with an unfortunate accident whilst engaged in sports and was sent to hospital over it. He was kept under observation and given treatment for the purposes of strengthening his leg and after 3 weeks was discharged and joined another field unit. He was with that new unit for about a year during which time his leg caused him considerable trouble but he kept this hidden in the hopes of entering a theatre of action. The injury came to light in his training the result of which was just prior to proceeding to a theatre of action and his company sent him to hospital. He had 2 operations, was in the hospital for 6 months and was then sent to 1 CEMU. While at CEMU he led rather a dull life of doing nothing and consequently like anyone who is anxious to serve his country this went against the grain of the accused and so we find him going AWL. I know the accused is a good soldier, has good qualifications, and under proper treatment by officers who would take an interest in him I am quite sure he could do his duty as a real soldier. In this case, gentelemen, it is not only the accused who suffers, but his wife as well. I know he should have thought of that before he went AWL, but this is his first [redacted] serious charge and I am sure he has learned his lesson, gentlemen, and by his own words, he will be a good soldier after completing his sentence, and I feel certain myself that he will. I hope this is taken into consideration when sentencing him.

ADDRESS FOR MITIGATION OF SENTENCE

IN FAVOUR OF

B155550 Rfn GODOVITZ M.W.

MR PRESIDENT AND MEMBERS OF THE COURT:

May it please the court to consider the following facts in favour of the accused, before sentence is passed.

1. Firstly, I beg you to consider the circumstances surrounding his absence. Rfn Godovitz spent his three days leave in Amsterdam, with some pals, having a good time, and like most soldiers, drinking. When he should have reported to return to his unit, he was, shall we say,"under the weather," and in no condition to realize that his leave was over. However, the next day, Monday Sep 10th, he got on the truck to go back to the unit, and while waiting for it to pull out, some of his chums came along, and persuaded him to go with them, and kill another bottle. Unfortunately, the party lasted for several days, and it was not until Monday, 17th Sept that he realized he had better get back, which he did on his own initiative, Reporting in to his company orderly clerk at 1230 hrs. It was not a case of willfull, deliberate absence, but that of an unfortunate sequence of events.

2. Rfn Godovitz has been in the army since Jun 1942, and as you see, from his conduct sheet, his record is not altogether clear. However, there is a reasonable explanation for this. When Godovitz came into the army he left several dependents, and as his wife has been unable to work for any lengthy period due to persistent sickness, he has "taken" army time to work to earn a little extra, and to take care of his wife. This was not the wisest thing to do, but at the time, he felt that he was needed most at home. This is the first offence he has committed since arriving overseas, in March this year.

3. In conclusion, I ask that the court consider the foregoing facts in deciding the sentence.

SUMMARY OF EVIDENCE

Ex "A"

Summary of Evidence in the Case of B 155550 Rfn Godovitz, M.W., a soldier of the Canadian Army on the strength of "B" Coy 1st Bn The Queen's Own Rifles of C (A.F.), C.F.N., charged with being absent without leave (AA Sec 15 (1)).

By direction of the Commanding Officer the evidence is taken on oath.

First Witness

B 71500 L/Cpl. Trufal, W., B Coy 1st Bn The Queen's Own Rifles of C (A.F.), sworn states:-

I am Company Orderly Sergeant of B Coy. On 6 Sept 45 a group of men from B Coy were listed to go on leave to Amsterdam. Rfn Godovitz was on the list. Before the group left B Coy lines I checked the list by the bodies actually present and ready to proceed on leave and Rfn Godovitz was present at that time. The procedure then is that the group parades to the B.O.R. where leave documents are picked up and the men are then transported by vehicle to Amsterdam. This leave group reported back to B Coy at approximately 1700 hours on 9 Sept 45; but when I checked my leave list against the men who had returned, I found that Rfn Godovitz was not present. On the morning of 10 Sept 45, on checking over the Tattoo and Reveille reports, I found that Rfn Godovitz was shown as absent. He continued to be shown as absent on these reports until the Tattoo report for 17 Sept 45 when he was shown as present. I know and recognize Rfn Godovitz.

W Trufal

The accused declines to cross examine the witness.

Second Witness

B 122117 Rfn Long, R.A., B Coy 1st Bn The Queen's Own Rifles of C (A.F.), sworn states:-

I am orderly clerk of B Coy. On 17 Sept 45 at approximately 1330 hrs I was in the B Coy orderly room and at that time Rfn Godovitz, whom I recognize, came in and reported his return.

R Long

The accused declines to cross examine the witness.

The accused declines to make any statement or to give evidence on oath and declines to call any witnesses.

I certify that the foregoing summary of evidence, consisting of one page, was taken down by me in the presence of the accused and that RP 4 (c), (D), (E) and (F) have been complied with.

COURT MARTIAL

RE the case of : C-10315 Pte GOING, L.P.

CHARGED Under -
1st Charge - A.A.Sec. 22
2nd Charge - A.A.Sec. 15(1)

TRIED - 21st May, 1943.

Lt.-Col. D.L. Redman -

Sir:

As requested, I submit the plea I made as Defending Officer in the a/m soldier's trial held before you as President of the F.G.C.M. this 21st day of May, 1943.

The law and facts which I state below, I submit, constitute both a Plea in Bar under R.P. 36-A(ii) and a statement mitigating the sentence of Pte. Going, if a sentence is passed, to a nominal one of one day's detention.

1. R.P. 36-(A)(ii) states that the fact that "The offence has been Pardoned or Condoned by competent military authority" - is a plea in bar:

(1) Pte. Going on being arrested after the alleged offences mentioned above was not charged with these offences (18 Dec. 41).

(2) Pte. Going was in civilian custody awaiting civilian trial throughout January and early part of February 1941 and he was not charged then with the above offences.

(3) Pte. Going was sentenced to 1 year imprisonment by a Court Martial in December 1941 which ran concurrently with the civilian sentence given in February, 1942. This civilian sentence amounted to 20 months. During all the time Pte. Going was in prison he was not charged with the present offences upon which this F.G.C.M. has been assembled.

(4) At the end of March, 1943, the accused was released from civilian prison a "free" man and returned to his Unit. Upon arrival at his Unit, he was not charged nor were the charges mentioned.

(5) On the contrary, he was given a leave (9 days) and turned loose of all immediate control with the two offences still on his file. He was not charged then nor told that he would face them later.

(6) He came back from leave A.W.L. and was charged for that offence receiving 28 days detention, but he was not charged with the present offences at the same time.

(7) He served three quarters of his detention then when freedom was within three days (15 May 43) he was on the 12th day of May, 1943 arraigned and charged with the present charges which have been held in abeyance from the 18th December 1941 to 12th May, 1943.

2. Note 2 to R.P. 36-(A)(ii) - states - "It has long been recognized that a military offence can be "condoned" cf.Clode Mil. Forces, 1, p. 173. For the prupose of barring a trial condonation means such conduct on the part of the competent authority as is inconsistent with subsequently trying the offender, and as would make it inequitable to do so; it must be a deliberate and intentional act, done with full knowledge of all material facts. The Duke of Wellington is quoted by Clode as having written in a Dispatch that the performance of a duty of honour or of trust after the knowledge

of a military offence committed ought to convey a pardon."

(1) Yet the accused was more than trusted with a duty of trust. He was given a "free go where you wish" a nine day leave, free from his Unit guard or discipline and his commanding officer's immediate control. He was not merely put in an orderly room on a duty where he was subject to discipline but competent military authority went further and gave a man with a charge of breaking out of confinement and A.W.L. a free pass to go where he wished for nine days, out beyond their power to lay their hands on him or control his actions. He was given the right to do legally what he had done illegally and for which no charge had been laid against him. The utmost faith that could be placed in a man was put in this man by turning him free of direct control with two offences not yet charged still on his file. It was not merely the case of an accused person going into action or doing a duty of trust which is condoned but a higher trust of going where he wished or willed was given a man who had these present offences listed on his file, pending disposition.

(2) When the accused was sentensed to detention for overstaying his leave, these charged were not laid. More condonance was shown, nor was any step taken to charge him and inform him that he would be proceeded against, till the idea of finding a charge which could be used to have him in ignominy discharged from the Canadian Army. This was used as proven by exhibit 2 and 3 and the evidence of Lieut. V.G.Pearce and Sgt. Beaver-Jones. Then, when as was admitted, it was found this rider for discharge could not be put in on these charges as shown by K.R.Can. Para 563(k), this recommendation was dropped and the prosecution were left holding a "hot potato" they had dug up and which had no valuable purpose anymore but to embarrass everyone.

(3) The accused was lulled into a sense that these charges were condoned and/or pardoned on numerous other occasions when they could have been proceeded with: i.e.

(i) 18 Dec. 41 (on being arrested)

(ii) Dec.41 to Feb.42 -(while awaiting civil trial).

(iii) Feb.42 (when on trial these offences were brought before the court along with his whole army career by an officer of 1 C.A.S.C.R.U. Unofficially, this appeared to have increased his civilian sentence. He could not help, but feel that when awarded this sentence, that this was the end of all offences.

(iv) Feb. 42 to Mar 43 (while in prison, nothing was done on these charges. They must have been condoned as the sentence by court martial for his offence of November 1941 was running concurrently with his civilian sentence, therefore it was logical that he and all in authority would consider that that was the end of these offences as he appeared to be serving concurrently all he owed the state and army.

3. K.R.Can. Para 466 states - "When a soldier already under sentence of court-martial is charged with an offence for which it is necessary to arraign him before a court-martial, the trial should take place at once."

(i) From the beginning of December 1941, the accused was under sentence of court martial and after 18 Dec. 1941 was available to military authorities if they so requested, yet they did nothing for nearly two years. Did they act at once? Was this equitable? It could only mean one thing that every time he was arraigned on an army charge or imprisoned from then on that as nothing was done about these present charges, then the authorities must have condoned and pardoned same.

Surely ~~the~~ we're not going to ask a man to present a defence at an indefinite time in the future? Any defence which might be lost by then or for which any evidence in mitigation of sentence would long be gone except the word of a man subject to general persecution. Meanwhile, the prosecution has all the evidence, knowledge of the facts and facilities to charge and sentence him if found guilty. It is a fundamental rule of British Justice that a man who "sleeps on his rights and lulls the other man into false security and puts him at a disadvantage can't later demand his rights, when he feels the time convenient."

"He who seeks equity must do equity".

With exceptions, the army authorities are not given the right to try a man after three years so as to commit a fraud and injustice on him. Parliament gave us that authority so a fraud would not be committed against the army, but not to misuse and persecute with it at will. One must act on his rights as soon as possible. He is only given time to assist his rights not to ruin his opponents rights or hold a whip hand over him.

4. K.R.Can. Para 593-(a) states: " An order for the delivery into military custody of a soldier from a public prison or detention barracks, for the purpose of being brought before a court-martial or civil court, or for any other purpose will be made on Form K or L. The escort which removes him will obtain from the governor of the gaol, etc etc."

(i) This shows that nothing stood in the way of the military authorities to have the accused brought up at any time, and under para 466 K.R.Can "at once" means 18 Dec. 1941 and not 12 May 1943. There was no fair, honest or equitable reason that this man should be treated any way but the normal way, as in the case of a soldier appearing to have committed an offence. The only possible reasons could be that by not charging him at the correct time:

(i) get a full sentence later when it would not run concurrently with any other sentence.

(ii) have a charge hanging which could be used for infamous purposes.

(iii) give the man a feeling of false security and condonance.

(iv) by lapse of time to ruin or weaken any defence or evidence in mitigation and strengthen the prosecution's case.

None of these reasons are humane, equitable or just. They are foreign to the principles of British Justice.

charges, the sentence would have been concurrent and of little vindicative effect, yet that does not effect his legal rights to be tried at once (K.R.Can 466), if there is no equitable reason to delay; and to have his sentence run from some time in December 1941 or January or February, 1942. Nothing but condonance or pardon would legally and equitably justify the not laying and proceeding with these charges then.

7. K.R. Can. Para 449 (a) states: "When an officer or soldier is in custody his case will be disposed of at the earliest possible moment."

(1) This is a restatement of the fundamental rule of justice which was not complied with in the case of the accused. If it had been, he would have served his time for this offence sometime between Dec. 41 and March 43 and now he would be a free man, but no! he is now faced with a sentence that should have run off almost a year ago, a sentence which for all intents and purposes except for the formality of laying a charge and trying him did run off then; both in what he was sentenced by the civil court and by the fact that there is no other answer but if justice had been done in Dec. 41 - Jan 42 his sentence would have run off long ago. He paid for it then (as it was an offence committed prior to his committment for the civilian offence) and during his custody under the court martial sentence of Dec. 51, under K.R.Can Para 466 when only the prosecution formalities was lacking. He served one year and a half from Dec. 41 which would have covered nine times what he would have been sentenced to then on these charges. He owes nothing legally, morally or equitably for any time in detention or prison to His Majesties service at this date. He had paid for all his crimes, therefore as he is legally not responsible for any more time, how can anything but a nominal sentence of one day be given; if the plea in bar on the basis of condonation and/or pardon is disallowed. Legality does not mean anything but what is just and right. The law refuses to be made a "monkey of". It is the duty of the Courts not to allow the law to be used for anything but just and equitable purposes. On this basis, regardless of the three year limit on crime in the army offences, the time for which these charges could be brought has long, in justice and equity and for any other good reason, legally lapsed as much as if it were now ten years since the offence.

8. A.A.Sec. 44 (1B) Page. 463 MML and note 19 Page 466 MML states: "By virtue of this proviso a man cannot be subjected to imprisonment or detention, whether under one or more sentences, for more than two consecutive years. Any period passed in military custody under a sentence or in imprisonment by the civil power between two periods of imprisonment or of detention or between a period of imprisonment and one of detention (or vice versa) is to be reckoned as part of the term of confinement.
The proviso does not apply to a fresh offence committed after release." (Note only way the accused could be injustly inflicted with effective extra sentence was by waiting till he was released after 20 months, then after, a fresh offence hitting him with these charges)
".....If he is recaptured and kept in military custody to be tried for some fresh offence (.e.g his escape from imprisonment or detention) and his Original sentence is still current, he is not merely "in arrest pending trial" but is actually serving his original term (S. 63) Therefore at his trial a court-martial cannot award a full two years imprisonment or detention, but must deduct therefrom the period spent in custody since his re-arrest."

9. The condonation and/or pardon is complete and evident at every step. Then appears the question, "if that is so, why the charges now?" Exhibits 1,2,3,8,9 and 10 show clearly the reason these charges were dug from the grave to haunt the paid up debtor.

It appears the man Wildig who led a similar and often companion life with the accused was discharged from the army in ignominy. How was the accused to be got rid of? He has paid his debts to the army. These charges appear to be remembered and are as exhibit 2 and 3 state, used [illegible] recommendation to have the accused discharged with ignominy. The charges were laid on 12 May 43, many months after the offences and proceedings were started, but K.R.Can Sec. 563 (K) States:

> "Where a soldier has been sentenced to imprisonment and to be discharged with ignominy, and a confirming officer, or other superior authority, commutes the imprisonment to detention, he will, in such a case, remit the discharge with ignominy as such a discharge cannot accompany a sentence of detention The converse will also hold good, that is, when a confirming officer, or other superior authority, remits a discharge with ignominy, he will at the same time commute the sentence of imprisonment to one of detention."

(1) The prosecution then considered that this man could not be imprisoned on this charge and therefore the recommendation "with ignominy" had to be dropped. The prosecution was then left with a "hot potato", a bastard charge. They had to proceed but it was then a formality. The charges they had condoned had proved useless for the specific purpose that they were revived from the grave.

10. The defence is now prejudiced, the defence is weakened, their evidence in mitigation weakened and the evidence of only one person the accused remains. There was never a clearer case of where an unconvicted and unacquitted offence was pardoned and condoned. The Note.2 on page 640 of K.M.L. which gives an example of condonation is not nearly as strong a case as that of a man with two offences, (one of A.W.L.) being trusted to steps which no man would trust if the charges were meant to be proceeded with.

11. If this court can't agree that this is the strongest case of condonance except a written statement to that effect, then it must surely admit that as regards mitigation of sentence that this man served it long ago as I have proved. He owes nothing legally, morally or equitably to the army for time. How can he be sentenced to more than one day's detention, as a nominal sentence? There is no debt left to owe the army. Any other award as 30 days, 60 days etc is a confirmation of abusive use of the law, as entrusted by parliament to the army to be administered according to the principles of only "justice". This fundamental essential "Law" to our civilization must never be made a weapon of oppression confirmed by our courts.

It now lies upon this court whether they will continue to uphold the fundamental principles of equity and fair dealings between man and by this trial or at the most in the alternative on a conviction give the accused a nominal one day sentence or give him a sentence for which he has already paid in prison many times over and leave a never to be forgotten blemish on trial by court martial and British Justice.

12.

12. I call the courts attention to all the evidence, exhibits and particularly to the law as laid down and given at the trial.

I submit this on request, and purely as an exposition of the legal rights infringed which I endeavoured to call to the courts attention; as the accused's defending officer and for no other purpose. I submit this under the protection given to counsel which I have abused in no way, on the contrary, all I have said I was legally bound to say and did in the best of faith.

Yours respectfully,

(H.C. Soak) Lieut.
Defending Counsel.

Mr. Hum Wah
Plus 7 F.C.m.

5. Sec. 68 Army Act, Page 495, M.M.K. Note, 2, states: "Under this section a term of penal servitude, imprisonment or detention under sentence by court martial cannot be made to commence at the expiration of a previous term of penal servitude, imprisonment or detention, but must commence on the day on which the sentence is signed by the president of the court. If, therefore, the court desires to inflict (e.g) six months' additional imprisonment on a prisoner already in prison undergoing six months' imprisonment, of which three months are unexpired, the court must award nine months and similarly with respect to sentences of penal servitude and detention. The period of imprisonment or detention must, however, never exceed two consecutive years, whether under one or more sentences. (s.44 Proviso (1B).

(1) I submit that as from the time the accused was arrested on 18 Dec. 41 till he was released at the end of March, 43, he was under continual sentence running; that any sentence given during that period consequently would have to run concurrently and consequently it appears it might have been felt that the accused would not be rapped hard enough if his sentences were to run thus. In Dec. 41 he would have had to been sentenced to more than a year on these minor present charges in order to inflict punishment that would pass running concurrently; as it was beyond reasonable probability that the accused would be given over a year for these charges then it appears this to be the most likely reason why he wasn't then charged as he should have been under Para 466 K.R.Can.

During Jan 42, as he was facing a civilian charge again the same situation would arise and the affect of a sentence on these charges couldn't be made effective to the accused as to cause him to serve more time. But these facts produced at the civil trial could and appear to have had much to do with the stiff sentence he got of 20 months. Now, even if he were charged near the end of his 20 months, 4 months would be all that could be given him as two years or 24 months is the most he could serve at once without a fresh offence or release, so accordingly, nothing was done. Once he was released, he could be charged for these offences and given the full rap. But this was not done. It appears that the former reasoning of condonation from the authorities view was in fact, true. The accused's offences were long condoned over, since nothing was done in Dec. 41 as far as others were concerned, and as far as the accused was lulled into belief. The authorities by holding up these charges had, as shown above, condoned and/or pardoned these offences. If there was any doubt this was erased as shown by his being not charged on release from prison and thereby allowed to go from the unit lines unbarred by anything except the obligation to return in nine days on expiration of leave.

6. K.R. Can. Para 564 states: "When a court martial passes sentence on a soldier already under sentence of imprisonment or detention or on a soldier tried at the expiration of a term of imprisonment or detention for an offence committed or discovered during its continuance regard must be had to proviso (1B) to Sec. 44 of the Army Act; the limit of two consecutive years of imprisonment or detention including the term already undergone will under no circumstances be exceeded."

SUMMARY OF EVIDENCE

In the case of C-10315 Pte. Leonard Philip GOING, 1 Cdn. A.S.C. Rft. Unit., Blenheim Barracks, Farnborough, Hampshir

The Commanding Officer, A/Colonel J. M. Pocock, 1 Cdn. A.S.C. Rft. Unit, directs that the evidence be taken under oath.

First witness for the prosecution: Lieut. V.G.Pearce, RCASC, having been duly sworn, states:-

I am Lieut. V.G.Pearce, RCASC, 1 Cdn. ASC Rft. Unit, and have knowledge and am custodian of certain documents pertaining to this case and relative to the accused. I produce:-

(a). Certified true copy of the finding of a Court of Inquiry held 14 Dec 41 by order of Brigadier A.E.Nash, Commander "B" Group, C.R.U., in so far as it relates to the time of escape of C-10315 Pte. Going, L.P., and two other soldiers from the Guard Room, Blenheim Barracks, namely midnight 12-13 Dec 41.

(b). Certificate of arrest purporting to be signed by W.McDonald, S.P.S.5d, and by G. Fisher, Chief Inspector, Metropolitan Police, Paddington Station, London, showing C-10315 Pte. Going, L.P., arrested at 1630 hours 16 Dec 41.

The accused declined to cross-examine this witness.

V.G. Pearce Lieut

Second witness for the prosecution: W. McDonald, Spec.Police Sgt. 5d, Metropolitan Police Paddington Station, London.

Third witness for the prosecution: G. Fisher, Chief Inspector, Petropolitan Police, Paddington Station, London.

I hereby certify that in my opinion the attendance of the second and third witnesses, owing to the expense and loss of time involved, is not readily procurable, and a written statement signed by them has been read to the accused and is attached hereto.

V.G. Pearce Lieut
(Lieut. V.G.Pearce, RCASC)
Investigating Officer.

Fourth witness for the prosecution: B-85286 L/Cpl. Dunnett, J.W., having been duly sworn states:-

I am B-85286 L/Cpl. Dunnett, J.W., of the Regimental Police, 1 Cdn. A.S.C.Rft.Unit. On the night of 12-13 Dec 41 I was N.C.O. i/c of No. 1. Guard Room, Blenheim Barracks. At approximately 2359 hours I was called to Pte. Going's cell. He asked to go to the latrine. I let him out of his cell and escorted him to the large detention room where the latrine is. I opened the door and permitted Pte. Going to enter. I remained at the door. I did not switch on the lights so as not to awaken the prisoners asleep in the room. When Pte. Going did not return in a reasonable time I threw the keys to L/Cpl. McGugan who was at the desk, and started to enter the large detention room. I was immediately siezed and pulled into the room by Pte. Going whom I recognized by his white underwear, and one or more other prisoners whom I did not recognize. I struggled with Pte. Going and we fell. Going broke away and before I could get to my feet, went through the door and slammed it shut. The spring lock engaged and locked me inside the detention room. I immediately started pounding on the door to attract attention. About three or four minutes later I was released by Pte. Robertson, the telephone switchboard operator. I found L/Cpl. McGugan handcuffed and locked in Pte. Going's cell. The Orderly Officer arrived whom I assisted by calling the roll and found Pte. Going and two other prisoners missing. I had previously called the roll at 2100 hours and at that time Pte. Going and the others were present. On this occasion Pte.Going was in solitary confinement awaiting commitment to prison. I recognize the accused as being one and the same person.

The accused declined to cross-examine this witness.

J.W. Dunnett
B-85286 L/Cpl. Dunnett, J.W.

Fifth witness for the prosecution: B-82580 R.S.M. (W.O.1) Fisher, A, having been duly sworn states:-

I am B-82580 R.S.M. (W.O.1) Fisher, A., Regimental Sergeant Major, 1 Cdn. A.S.C.Rft. Unit. On the 12-13 Dec 41 I held the rank of C.S.M. and was Provost Sergeant Major i/c Detention rooms at Blenheim and Malplaquet Barracks. At approximately 0005 hours on 13 Dec 41 I was in the Sgts' Mess with R.S.M.Muzylo listening to the news on the radio. L/Cpl. McGugan came into the mess, handcuffed, and made a report to me. I proceeded to the Guard Room and found Pte. Going and two other prisoners had escaped. I recognize Pte. Going, the accused, as the same person who escaped at that time and who was confined to the Guard room awaiting commitment to prison.

The accused declined to cross-examine this witness.

A. Fisher

The accused declined to make any statement at this time.

(C-10315 Pte. Going, L.P.)

I hereby certify that the foregoing Summary of Evidence was taken down by me in writing at Blenheim Barracks, Farnborough, Hampshire, this Thirteenth day of May, 1943, in the presence and hearing of the accused, and that R.P. 4 (c), (d), (e), (f) and (g) have been complied with.

Exhibit A

C-10315 Pte Going, L.P.

1. The m/n soldier was tried by F.G.C.M. 6 Dec 41 on the following charges;-

(1) A.A. Sec. 18 (4) Stealing
(2) A.A. Sec. 15 (1) A.W.L.

and was sentenced to undergo imprisonment with hard labour for a period of one year.

2. Arrangements were made for his commitment to Wandsworth Prison but as no vacancy occurred until 13 Dec 41, Going was held in the Unit Guard Room from which, on 12 Dec 41 in company with two others effected his escape by overpowering the guards.

3. Pte Going was arrested by the Civil Authorities in London at 1430 hrs 18 Dec 41 and charged with robbery with violence contrary to Sec 23 Larceny Act 1913, (being armed with an offensive weapon, did on the 17 Dec 41 rob Cecil Francis Parsons of £ 220 in money and at the same time did use personal violence to him.) Going was tried at the Central Criminal Court on the 10 Feb 42, found guilty and sentenced to 20 months imprisonment. He was committed to Wandsworth Prison to which A.F.C. 385 order for Commitment and other documents relative to his F.G.C.M. sentence mentioned in para 1 were forwarded, such sentence to run concurrently with the civil award.

4. Reference is made to B.G./H.Q. 10-2-0 d/22 Dec 41 which contains the suggestion that a charge sheet and memo of evidence available be filed with his documents so that the case of escape and subsequent A.W.L. be disposed of upon release from civil prison.

A charge sheet was accordingly prepared and placed in the Court Martial File together with certificate of arrest. B.G./HQ 5-6-2- A.S.C. d/31 Jan 43 also refers to this outstanding disciplinary action.

5. Reference is also made to B.G./HQ 10-2-0 d/14 July 42 captioned " Incorrigibles " requesting the submission of names and particulars of thoroughly undesirable soldiers with a view to their return to Canada.

The names of Pte Going and Pte Wilding were submitted (Pte Wilding like Going having a bad record and was one of the soldiers who escaped from the Guard Room with Going)

6. Pte Wilding was subsequently tried by F.G.C.M. and higher authority instructed that the prosecuter (Lieut. V.G. Pearse) should ask the Court to embody in any sentence awarded " on completion of sentence to be discharged from His Majesties Service with ignominy."

This was carried out and on completion of sentence Pte Wilding was sent to N.R.T.D. for return to Canada and discharge

7. Pte Going was released from Wandsworth Prison 23 Mar 43 and it appears the outstanding charge against him was not proceeded with.

He was granted privilege leave 26 Mar 43 to 4 Apr 43 from which he did not return, absenting himself from 2359 hrs 4 Apr 43 to 1420 hrs 14 Apr 43, for which he was awarded 28 days detention wef. 22 Apr 43.

8. Pte Going is of thoroughly bad character and like Pte Wilding is considered undesirable and of no further use to the Canadian Army.

He is a smooth talker, full of promises which are never fulfilled.

He will use any means to absent himself periodically even to breaking lawful custody.

He has spent over 50% of his service in civil prisons and detention.

On the arraignment of the accused, and before the accused had pleaded, the Def. Offr. made a plea in bar of trial under R.P. 36(A)(ii), which is attached hereto.

The Def. Offr. stated that he wished to put the accused in the box, and also to call a witness, both in support of the plea which he had raised.

THE ACCUSED, having been duly sworn, is examined by the Defending Officer:-

Q1:The offense with which you are charged, according to the charge sheet, was committed on the 12th of December, 1941.
A1:That is correct, sir.
Q2:On what date were you arrested, following that ?
A2:On the 18th of December, 1941.
Q3:At that time, was this charge laid against you ?
A3:No, sir.
Q4:- After you were arrested, what happened ?
A4:- I was held by the civil authorities on remand.
Q5:- Was this charge laid against you then ?
A5:- No, sir.
Q6:- What happened after that ?
A6:- I was arraigned in civil court, tried, and sentenced. That was on February 10th, 1942. The sheets would show the assizes as being on Feb. 3rd, but the actual date was the 10th.
Q7:- Then for approximately one and a half or two months no charge was laid against you for this offense ?
A7:- No, sir, the civilian sentence was 20 months. I served just over 15 months.
Q8:- And at any time while in prison were you brought out and charged with these offenses ?
A8:- No, sir. I was released on March 23rd, 1943.
Q9:- Up to then no charge was laid against you ?
A9:- No, sir.
Q10:- What happened upon your release ?
A10:- I was held the usual one day in London by the Canadian Provost Corps, and then came back to the Service Corps Guard Room the next day, and was released there.
Q11:- And no charges were laid against you, you were a free man as far as you knew ?
A11:- Yes, sir, I was given 9 days privelege leave.
Q12:- So three days after your release you were given 9 days leave ?
A12:- Yes, sir.
Q13:- Still you heard nothing about these charges ?
A13:- No, sir.
Q14:- Then what happened ?
A14:- I had personal trouble, and overstayed my leave 10 days,, and was sent back through the C. Prov. Corps on the 15th of April, I was apprehended.. On the 22nd I was taken before the wing commander and sentenced to 28 days detention.
Q15:- And this charge was still not brought against you at the time you got the 28 days detention for overstaying your leave ?
A15:- No, sir.
Q16:- Your detention started when ?
A16:- April 22nd, sir.
Q17:- Your detention should have been over about when ?
A17:- May 15th, sir, with remission for good behaviour.
Q18:-(Pres) When were you released from that 28 days detention ?
A18:- I never was released, sir, it would have been on the 15th.
Q19:- On what day were you first aware of this charge ?
A19:- On may 12th, sir.
Q20:- Just three or four days before you were to be released as a free man ?
A20:- Yes, sir.
Q21:- You served that whole period of detention without these charges being laid against you, until the 12th ?

A21:- Yes, sir.
Q22:- At the time the charge was laid against you were you told anything about the charge - the nature of it ?
A22:- No, sir.
Q23:- I produce this exhibit in your statement, have you ever seen it before ?
A23:- Yes, sir, it is a note that I handed to Major Smith, a request that my brother's mail be turned over to me on my release. He was also my company commander, and he said he would get it approved if he could. On the 14th of May I got the note back, with the message on the reverse side, which reads as follows:-

Pte. L.P. Going - No, you will be returning to Canada and your brother can collect his parcels on release from detention.

L Smith(Major)
O.C. No. 6 Hold Coy.

dated 14 May 43.

MARKED EXHIBIT 1.

Q24:- How do you account for that word"Canada" were you told about that ?
A24:- Just on the afternoon of the 12th of May was the first time I heard about it. I asked for a personal interview with Major Smith about the personal business that had made me overstay my leave. Major Smith said he could not grant compassionate leave that I asked for, but he told me to come and see him on the afternoon of my sentence. That morning I had been charged at Wing H.Q., and this charge was read out. In the Afternoon when I saw Major Smith, he said "Going, I have just found out what actually has happened, you are to be returned to Canada". I rather imagined that because of my record I was being discharged, and that that charge was laid in that respect.

PROSECUTOR DECLINES TO CROSS-EXAMINE THIS WITNESS.

K 73904 SGT. J. BEAVER-JONES, 1 CASCRU, sworn, is examined by the defending officer:-
Q25:- What are your duties with your unit ?
A25:- My duties are superintendent clerk at H.Q., 1 C.A.S.C.R.U..
Q26:- Do you recognise the accused ?
A26:- I do.
Q27:- You have seen numerous papers going through the office about him ?
A27:- Yes, sir.
Q28:- Do you remember his leave application going through ?
A28:- No, sir.
Defending Officer:- I would ask the prosecutor to produce a document which is relevant all through this case. (Prosecutor complied).
Q29:- Have you ever seen this document before ?
A29:- Yes, I have .
Q30:- When did you first see that ?
A30:- Sometime after the 21st of April, when it was sent to the AT wing.
Q31:- Would you read to the court para. 6, and the last paragraph ?

Para 6:-

Pte. Wilding was subsequently tried by F.G.C.M. and higher authority instructed that the prosecutor (Lieut. V.G. Pearce) should ask the Court to embody in any sentence awarded "on completion of sentence to be discharged from His Majesties Service with ignominy. This was carried out, and on completion of sentence Pte. Wilding was sent to M.E.T.D. for return to Canada and discharge.

Para 10:-(referring to Going).

Recommended that he be brought to trial by F.G.C.M. on the outstanding charge against him, and authority obrained to ask the Court to embody in any sentence awarded that "on completion of such sentence to be discharged from H.M. Service with ignominy."

Q32:- This came from R.H.Q. ?
A32:- Yes, sir.
Q33:- Were you ever given any instructions on this ?
A33:- Just that Pte. Going had gone on privelege leave, which he over-stayed, and was subsequently sentenced to 28 days detention. It was then found that these charges were still in abeyance, and had not been dealt with, and the rough charges were sent to me to be prepared and a summary of evidence taken.
Q34:- Who prepared the original charge ?
A34:- I don't know, sir.
Q35:- Read the note on the front of this document.
A35:- "Adjutant - Action as recommended in para 10 to be taken"

Q36:- Whose initials are those ?
A36:- They look like Lt.-Col. Fletcher's.
Q37(Pres) Can you swear those are his initials ?
A37:- No, sir, those are his initials, but I cannot swear that he wrote them.

PROSECUTOR DECLINES TO CROSS-EXAMINE THIS WITNESS

LIEUT. V.G. PEARCE, 1 C.A.S.C.R.U., sworn is examined by the defending officer:-
Q38:- Have you ever seen this document before, Mr. Pearce ?
A38:- Yes, I have. It is a private memorandum, which was made up by myself and prepared as a memorandum for guidance, and attached thereto was a certain document.
Q39:- That was a recommendation, was it not, in para 10 ?
A39:- That was not intended exactly to be a recommendation, otherwise it would have borne my signature.
Q40:- Whose initials are these ?
A40:- They purport to be, and look like, Lt.-Col. Fletcher's initials. The wording is as follows:- "Action as recommended in para 10 to be ta ken"

President:- I am prepared to admit the document, and mark the typed memorandum exhibit 2, and the pencilled memorandum exhibit 3.

Prosecutor has no objection, and declines to cross-examine this witness.

The prosecutor asked that certain other documents be admitted, both as mitigating evidence, and in support of the plea in bar, to which the president agreed:-

Provost letter CRU 11/Descrip d/19 Dec 41 marked exhibit 4
Confidential Report of Met. Police marked exhibit 5.
"B" Gp. letter d/22 Dec. 41 marked exhibit 6.
D.A.A.&Q.M.G. letter to "B" Gp. marked exhibit 7.
1 CASCRU chit to "B" Gp. ASC/RU/6-2-0/Gen marked exhibit 8.
CMHQ letter 10/Going LP/1(A.G. 5a) marked exhibit 8A.

THE COURT IS CLOSED TO CNSIDER THE PLEA IN BAR.

The court re-opens, president stated:-

The court have considered the application made under R.P. 36(A)(2) and after full consideration have disallowed the application, and find that the plea in bar is not proven, and will proceed with the trial.

(The accused was then arraigned, pleaded guilty to the charges against him, the summary was read, and the court made its finding).

Prosecutor presented MFM 6 and MFB 355, stating that they both related to the accused. R.P. 46(B) complied with, and neither the

Defending Officer nor the accused had any objection to these two documents.

Pursuant to R.P. 37(C), the Defending Officer stated that the accused would make a statement in mitigation of punishment.

STATEMENT BY THE ACCUSED:-

The offence for which I was sentenced to one year's hard labor was committed on November 5th, 1941. On that date I was released from detention. I had sent from home a sum of money, parcles, cigarettes, etc. The sum of money was to help me out ofpersonal domestic difficulty, which I had in this country. The circumstances of that case were known to my commanding officer and the court-martial officer. On my release from detention I found out that I could not get my own property etc. from the court-martial office on November 5th, 1941. That night, in company with three other people, I had been drinking quite a lot, and was drunk, we came back, broke into the court-martial office and took a box containing my property, including the money and the property of another chap, and also in the box was the property of many other men in detention. We went AWL at that time. I became separated from the other three men in London, and I returned and surendered myself, as I learned that the other three had been apprehended, on November 20th, after 15 days absence. I signed a statement at that time, taking the whole blame for the affair, on the night of November 5th, in order to clear the three others. I was successful with my statement, and the other three men never have been charged with the offense, but merely with AWL. I was court-martialled in December, and sentenced to one year's hard labor. At that time my condition was anything but good. I had hoped during my term of detention to come out get a clean sheet, and start over, and the very day I was released I was back in trouble again. I had been suffering from head-aches, and was in a nervous condition. I was in the M.O's care at various times, and when my sentence was promulgated, he refused to sign the commitment papers, that I was fit to undergo detention.

(Defending Officer stated at this point, that, if the court so desired, he could produce the un-signed commitment paper, which was on file at records)

I don't think at the time that I Broke out of the guard room and went absent on tis charge that my conduct was what it would have been had I been in ordinary circumstances. The personal trouble to which I referred was a girl, and she was in need of my help financially at that time. While I was awaiting court-martial, and while I was awaiting promulgation of my sentence, I made attempts to have the usual amount of $20.00 signed over to her, and found that I was unable to do this. The treatment I received in the guard room at that time made me very bitter. I was kept in solitary confinement, handcuffed almost constantly, and while in the cell I was not allowed any blankets, mattress, reading material or anything, and my boots, braces and jacket were taken away from me. This sort of treatment made me rather desperate. On going from the first aid post on the afternoon of December 12th, at the time the M.O. refused to sign the commitment papers, he ordered me to be taken the next day to Basingstoke for a consultation. I met the R.P. C.S.M. and the R.S.M. When they were told the fact of the case, the R.S.M. then said "Very well, issue him with a full kit, ready for imprisonment, and take him to Basingstoke in the morning. When the specialist there finds out that there is nothing wrong with him, as I already know to be so, tell him Going is an old Malingerer - take him directly to Wandsworth Prison, I don't want to see him around this barracks again." That night I had a short opportunity for a conversation with two others in the guard room, and I agreed to take part in this break, which had already been planned before. I went to London, and I was without money, and I was desperate. Within

five days I had committed robbery, the offence for which I was sentenced to 20 months imprisonment, by the civilian authorites on February 10th, 1942. Regarding this present charge, I think I have been already punished for it, because at the time of my civilian trial, the officer from 1 CASCRU was present, and gave a full statement concerning it to the court, and they evidently took it into account and it had a great influence on my sentence that I received. Similar cases, and in fact the chap who was concerned with me in this case, all received much lighter sentences. I received the sentence which I did because of the fact that I had just recently broken out of the guard room, and had been absent without leave. I completed my sentence on March 23rd, 1943. I was returned to 1 CASCRU. The following day I was released, and two days later I obtained privelege leave from Colonel Bonny, who was then my commanding officer. For personal reasons I was forced to overstay this leave, and returned again to 1 CASCRU. I was sentenced to 28 days detention. The wing commander at that time did not see fit to listen to my reasons for overstaying my leave, and I therefore received 28 days detention, and towards the end of it I was remanded for court-martial on these charges. I received this 28 days sentence on the 22nd of April, and I was on fatigues shortly after in the afternoon, when the R.S.M. saw me on fatigues, he called me into his office with my escort, and asked me what my intentions were in the future. I explained to him that I came out of Wandsworth with the best of intentions, and that overstaying my leave was something I had not intended to do. He said "you will remember there is an old charge we can hang on you if we take the notion. Mr. Pearce and I were talking about it since you came back." I asked him if he didn't think in view of the sentence I had completed, I had had enough, and he said "yes, we think you have had enough, and that is why we are not bothering with it. If you behave yourself, you will be given the same chance as any man in this unit". I do not frankly think that I have had that chance. I realize as I dictate this that it is not very convincing, and it does not seem to bring out the facts that I wish to. In view of the other sentences that were being given at the same time in the Service Corps, actually 28 days for 10 days absence at that time was severe. Actually, I think if I had gone to Colonel Bonny and told him my story, I would not have received any punishemnt. I told the wing commander that I wanted to see Colonel Bonny, but he said that he had no time for my personal troubles, and that I could not see Colonel Bonny. I feel that they should have understood, and that I should have had a chance to tell my story.

PLEA IN MITIGATION OF PUNISHMENT BY THE DEFENDING OFFICER:-

I don't want to take any more of the court's time. You will agree that what I have stated in bar to trial will now apply in mitigation. I would point out, sir, that not only was condonation and pardon shown, but the fact remains that had this man been tried for these offences when he should have been, that the sentence would have run out. Unless the prosecution can give a very good reason, there is something very wrong. A man must have a chance to put up a defense, and he has lost that chance to a large degree. It is known that court-martial is one of the fairest forms of tribunal, so I want the court to realize that he has more than served his sentence. The court has the power to do this man justice on these charges, and it is only with these charges that we are concerned. We cannot feel that this man is a certain type. This sentence could have been served before. It now lies with the court whether they will uphold the fundamentals of justice and give him a nominal sentence of one day, as his sentnece has been already served.

C.A.C.R.O. 3262 complied with.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE.

9. Copy of Pte Goings record attached hereto.

10. Recommended that he be brought to trial by F.G.C.M. on the outstanding charge against him and authority obtained to ask the Court to embody in any sentence awarded that "on completion of such sentence to be discharged from H.M. Service with ignominy."

1. Information has been received that the m/n soldier will be released from H.M. Prison, Wandsworth on 30 Jan 42, and will be returned to his unit under escort of the Canadian Provost Corps in due course.

2. It is noted from a report of the S.I.S. at this H.Q. under date of 27 Dec 41, that the m/n soldier escaped from custody of RCASC Holding Unit on 13 Dec 41.

3. The soldier was apprehended by the Civil Police at London, and on 10 Feb 42 was found guilty of robbery with violence and was sentenced to 20 months' imprisonment.

4. It would appear that there is disciplinary action outstanding against the soldier in respect of his escape from custody and subsequent period of A.W.L.

5. It is considered that the disposition to be made of the m/n soldier should be carefully investigated in view of his conviction on a serious charge. A report on his conduct while in prison at Wandsworth is being obtained and will be forwarded to you.

TRIAL OF

A.20458 Sgt (A/Sgt) Earl William GOODING -- 4 (non Aft) Wing,1

ADDRESS BY THE PROSECUTION

If the Court pleases the case of the prosecution is very straightforward. The Court is going to hear evidence this morning from a Cpl and a 1/Cpl in the Canadian Provost Corps to the effect that in the course of their duties in the London area they found the accused lying in the entrance way of one of the undergrounds. He was lying there apparently unable to move. He was questioned he made no response, his eyes were closed, they raised him to his feet and had to carry him to the waiting provost S qwt where he was carried away to the HQ of the provost to be examined and placed in custody. He smelt strongly of alcohol. On the way in from the place of apprehension to the place of detention he made no sign, his eyes remained closed. He was then carried from the S qwt to the detention room, examined while lying on the floor unable to move, smelling of alcohol without making a sign, his eyes were closed at that time as well. In the routine of making a check of the possessions he had on him 24 emergency rations, food coupons, unissued, completely as they were when they had been when they had been issued to the accused at the unit from where they came. That in essence is the case of the prosecution.

The prosecution is going to bring out further that this possession of the emergency ration food coupons was improper, improper because no-one goes on leave with that quantity of ration cards on his person and furthermore no-one proceeds on leave with blank ration cards in his possession. That in essence is the case of the prosecution. It is further pointed out for the attention of the Court that the possession of ration cards is not authorized for OR's in such large quantities when going on leave in the London area and if one finds himself in such possession of ration cards the proper action is to forthwith hand them into the proper military authorities. That is all.

QUESTIONS BY THE COURT

Q. These ration cards were not issued to a Wing, I repeat?
A. No sir.

Q. Was any attempt been made to find out to whom they were issued?
A. Yes, and the nearest we got was that they were issued to No. 3 CTD, HQ'S on the continent.

Q. Can you say at what time they were issued to them?
A. I can't sir.

IT IS THE OPINION OF THE COURT IT IS NOT NECESSARY TO CAUTION ACCUSED NO 98 (B).

PROSECUTION IS CLOSED

The accused, sworn, states:-

Q. I want you to tell the court what happened, to the best of your knowledge, of course on the day that you went on leave from 4 C.R. ing, from the time that you left 4 C.R. wing.

A. Yes sir, I proceeded on leave on the afternoon of the 12 of June ~~June~~ and I went to the other wing which is at Witley camp to see some of the boys I had been with to say good-bye as I wouldn't be seeing them anymore.

Q. At approximately what time did you arrive there?

A. Right after lunch, I left possibly it would be one to one-fifteen.

Q. You met these boys?

A. Yes, I met several of them and in the course of saying good-bye there were drinks passed around and we had some drinks together.

Q. Approximately how many drinks would you say you had and of what?

A. It was mixed actually, some whisky, some steinhagen gin, which was from the continent and there was no other drinks I believe of any other kind. As to the quantity that is pretty hard to describe, it was tin cups and we were drinking out of whatever was available and as to the amount of drinks out of those containers I would say six to eight drinks.

Q. While you were there drinking did anybody give you anything?

A. Yes sir.

Q. What?

A. These said ration cards were passed to me.

Q. The ration cards that are marked exhibit 1?

A. Yes sir.

Q. By whom were they passed?

A. By one of the boys there, I can't definitely lay my finger on any particular one.

Q. Can you give the court the names of the members of the party which were there?

A. Some of them I know I can't give them all.

Q. Will you give the court the names of the ones you knowwere there?

A. There was WO Salmon for one, S/Sgt Stewart for another and Sgt Gandolfil was another, there were also several coming and going, no-one stayed for any length of time.

Q. You had known these men previously in your unit on the continent?

A. Some were from my unit, some were not but I had known them on the continent.

Q. You say that one of these men gave you the ration cards?

A. Yes sir.

Q. You can't remember who it was?

A. No, I can't sir.

Q. For what purpose were they given you?

A. At the time I took them I wanted to destroy them but not in front of them and I was going to take them away and destroy them or turn them in which was the proper thing to do. At the time the party was going on I certainly was not going to destroy them in front of the party.

Def

[redacted]

A. Yes sir.

Q. You actually intended to destroy them or turn them in?
A. Yes sir.

Q. What time did you leave there?
A. Sometime between the hours of half past four and five o'clock.

Q. When did you take your last drink?
A. Just about the time I left.

Q. Then what did you do?
A. I hitch-hiked my way to Hazelmere on a truck that was leaving camp, and was going on leave, I got the train there for Waterloo which was just around 6 o'clock a minute before or after.

Q. Approximately what time did you arrive in London?
A. It was I would say possibly 20 minutes after seven or so maybe 7.30.

Q. What did you do when you got to Waterloo?
A. I got the tube.

Q. Did you take a drink at the buffet in Waterloo station?
A. No sir, nothing whatever, I went straight to the tube.

Q. And where did you go on the tube?
A. I went to Camden town, it is a three-penny ride on the tube.

Q. Approximately what time did you arrive there?
A. Possibly a 10 minute run.

Q. Then what did you do?
A. I went to a restaurant and had a meal, I had no supper in camp before I left and so I had my meal in London.

Q. Were you under the influence of alcohol at that time you had your meal?
A. I felt quite sober.

Q. Did you feel quite sober when you landed in Waterloo?
A. Yes sir.

Q. And then you had a meal after that?
A. Yes sir.

Q. After you had your meal what did you do?
A. I went up to the pub.

Q. Which pub?
A. The Wheat Sheaf pub in Camden town.

Q. Did you have anything to drink?
A. Yes sir, I ordered a light ale, on getting the first light ale I had a considerable amount of money in my pocket and and knowing what London is and being that I knew the lady behind the bar I left her the sum of 37 pounds.

Q. Approximately how much money did that leave you?
A. It left me with I think it was less than five pounds.

Q. How many drinks did you have while there?
A. I should say possibly six or seven, light ales and two whiskys.

Q. Were you affected by them?
A. Not particularly no.

Q. What time did you leave there?

A. About the vicinity of I would say of 8 o'clock or a quarter past 9, I went to a pub across the road.

Q. What did you do there?
A. I asked the bartender what they had to drink and he said they had straight beer and port. I don't drink port myself and while ordering the first small beer there was a lady came up to me who I have known by sight for possibly three years and started talking to me, so I asked her if she would have a drink and she said she would have a small beer and she introduced me to two lady friends that were with her and while we were having the drink she tried to pawn me off on one of her girl friends and get me to go with one of her girl friends.

Q. By that do you mean to go with her for the night or the evening or what?
A. What she said to me is that "she is clean" and that set me off and I gave her a telling off and said I had been sat up once before and her claiming to be a nurse so she said she was she should know better.

Q. How did she receive this remark of yours?
A. Wasn't very well pleased at the time.

Q. Did you have a sort of altercation with her, did she tell you that she thought of you or that she liked you?
A. Nothing of that sort sir.

Q. What happened then?
A. I bought two rounds of small beer and after the second round which was in small glasses.

Q. What happened then?
A. I went to the lavatory.

Q. This is before you had the second drink?
A. Yes, I came back and drank my second glass of beer and I was going to leave the pub and then on the way out of the pub I saw another person I had known by sight as I go to that part of London on all my leaves and I passed the time of day with that person and at the door it was hour closing time.

Q. Would you say you were sober then?
A. I would say I was reasonably sober.

Q. What happened then?
A. When I got to the door, that is where I blacked out.

Q. You don't remember going through the door?
A. I remember getting through the door of the pub, I don't remember anything of the street outside.

Q. What is the next time you remember anything?
A. The next I remember is the door of the detention cell rattling the following morning.

Q. What happened then?
A. One of the Gals woke me up and told me it was time to get up and to waken up, I asked him what it was all about, I wanted to know what had happened and whether I had gotten into anything else and they told me that they had picked me up and that I was in possession of ration cards which I didn't know the quantity of and he asked me how much money I had on my person last night, I said I had approximately £3-10-0, which when they checked was right. I had £3-2-10 when they counted the money I had in my pocket. He asked me how it was I had drawn £3.0.0 the day before and where was the rest, I told him. So during the morning I asked the

Ald

provost Sgt to see if he would give me an escort to go and fetch up the money at the pub. He said no but he would send a man up providing I gave him a note of authority which I did. L/Cpl McDonald went up there during the opening hours of noon, between twelve and two and told the lady of the pub that I was in jail.

Q. Did you or did you not get the money back?
A. Yes sir, I did, the Cpl came back with the money.

Q. How much?
A. 37 pounds.

A. No sir.

Q. What did you tell the man you were going to do with them?
A. Nothing sir, I was hesitant about it.

A. Correct sir.

Q. And you didn't remember anything until the following morning?
A. That is the first I remember.

Q. You heard the evidence this morning as to where you were picked up?
A. Yes sir.

Q. How far away is that from the entrance to the pub?
A. I would say a good half block.

Q. When you were picked up the next morning there was nothing missing from your pockets?
A. No sir.

Q. You had all the money that you should have had?
A. Right sir.

Q. Started out with some £40-0-0 and left of it and had about £5-0-0 and had £3-16-0 when you were picked up?
A. Yes sir.

Q. You had five wrist watches in your possession?
A. No sir, they were not all wrist watches.

Q. None of them were touched?
A. No sir.

Q. You had 38 rations cards, none of them were touched?
A. I don't know. I didn't know the amount.

Q. Is that perhaps the one you got from the person you don't know?

A. On the person, the nurse, the lady who said she was a nurse, in my own mind I believe that she possibly doped the beer.

Q. What is her name you have known her for three years?
A. I don't know her name. All I do know about her is that I had seen her before, she had seen me in the pubs around the district and she could name some of the officers I knew and she said she had been working with Canadian nursing sisters in a hospital somewhere.

Q. She had been frequenting the Wheat Sheaf for three years?
A. No sir, the one across the road.

Q. What is the name of it?
A. The Brighton sir, she is in various pubs around that

A. No sir.

Q. Did she mention your name to them?
A. No sir, they didn't call me by my name, they called me "Curly" around there.

Q. So you think that the nurse, or the woman who said she was a nurse doped your beer, for what reason?
A. I have no idea for what reason sir.

Q. Evidently it was not for the purpose of getting you to go away or getting your money or your valuables, why would you suggest your beer was doped?
A. I have no idea, being the person she is, from what I knew of her I wouldn't trust her.

Q. She wouldn't do it unless she had a reason?
A. Maybe it was because of my telling her off before about being a nurse.

Q. Just out of spite?
A. Maybe, that is the kind of person she seems to be to me.

NO CROSS-EXAMINATION

ADDRESS BY THE DEFENCE

May it please the Court, the evidence of the prosecution brought out the facts, certainly facts which are admitted by the defence in that he was found in possession of these ration cards. The charge reads, improper possession and the defence contends that this senior NCO was properly in possession of those cards because his intention was to turn them in to the proper authorities, therefore there has been nothing brought forward by the prosecution that he was going to use them improperly, that he had them for any other purpose than the one he said in his own evidence under oath. As far as the charge of drunkenness is concerned this man may have been to a certain extent under the influence of liquor when he left Witley but that was between 4.30 and 5 o'clock, there is no evidence from anybody that he was drunk, in fact we have his own evidence that he was not drunk until the time he was picked up when he might easily have been under the influence of a drug or something of that nature. He was sober we'll say when he left at 4.30, there is the time of three to four hrs a interval the fact that he had a meal before he drank anything further. After that time the evidence is that he had two small whiskys and six or seven, I believe, light ales. It is put to the Court that a man who is sober and has a meal and only has six or seven light ales and two whiskys he is not going to become so inebriated that he is going to pass out from say 10 o'clock at night until the following morning so that nobody can even shake him into consciousness without something having happened to him. It is unbelievable to me that a man could drink that amount, a man who is accustomed to drinking but is not a drunkard, as character witnesses will bring in, can drink that amount of Alcohol and will pass out, to use the colloquialism, for that period of time. I leave it to the Judgement of the court. There is not evidence, in fact there is not evidence to the contrary that he did not drink any more than that. If he had drunk more than that he would have had far more money than £0-16-0 that he had which is in line with the amount of money he first had and what he drank.

ADDRESS BY THE PROSECUTION

The case for the prosecution has been clear in itself. The Court has heard before it the evidence to the fact that the accused was found in a state which was anything but cold sober. He says himself that he had all sorts of things to drink. I ask the court once again to keep in mind what he had to drink, that afternoon according to his own word he had whisky and sinfrom the continent, if you add that to the amount which was consumed in the pub that evening, perhaps the combination of the two, inspite of the meal of fish and chips would have the effect that it apparently had on the accused. As to the ration cards, the accused freely says "Yes, Of course I had them in my possession", that point is not argued at all. As to the slipping of the Mickey Finn to the accused, when questioned upon it could not produce any reasonable explanation why an action like that would be taken by this girl whom he has known for three years. I ask the court in conclusion to consider the fact that it is most unreasonable behaviour for anything or any extra drug to be slipped into the drink and the accused could see no adequate reason for that. As to the possession of the ration cards the prosecution has not anything further to say on that point because out of the mouth of the accused himself he has created his own case.

FIRST WITNESS (CHARACTER) FOR THE ACCUSED

[illegible] (CENTER), U.A. -- 1 Cdn Veh Coy RCOC, sworn, states:-

Q. You know S/Sgt Gooding?
A. Yes sir.

Q. How long have you known him?
A. Since about Jun 15 of 45.

Q. Will you tell the Court what you know about him, as to character, his ability and work and so on?
A. Since that time we have been working quite close together in the unit and S/Sgt Gooding has always carried out his work well and is willing to help anyone else and he had been on our Mess Committee for about 10 months, during that time no-one has had cause to doubt his honesty or even thought that he may be dishonest. After duty hours if there was any special work to be done he was always willing to do it. He was in a responsible job there.

Q. What was his job there?
A. About the last six months there was on inspections and testing equipment coming in and out of our work shop. He would more likely than not take the extra work himself if it was to be done inst ad of putting anyone to the inconvenience of going out after duty.

Q. What would you say as to the concensus of opinion in the unit?
A. He was well liked by everyone.

Q. Was he to your knowledge in any trouble of any kind, was he shall we say mixed up in any rackets on the continent?
A. No sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(2).

SECOND WITNESS (CHARACTER) FOR THE ACCUSED

[illegible] (CHRISTIAN NAMES), U.A. - 1 Cdn Veh Coy, RCOC, sworn, states:-

Q. Do you know the accused, Sgt Gooding?
A. Yes sir.

Q. How long have you known him?
A. I went to the work shops at the first of this year.

Q. Since that time have you been in contact with the accused?
A. Yes sir, every day.

Q. Knew him quite well in fact?
A. Yes sir.

Q. What is your opinion of his character?
A. In my opinion he is a very good man and I found that there was nothing he wouldn't do to help anybody out.

Q. What would you say about his work?
A. He wasn't directly under me sir, but he always gave me the impression that he was a good worker and conducted himself well.

Q. What is your opinion about his honesty?
A. Very good sir, I have never known him to get in any scrapes of any kind.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(3).

GIVEN EVIDENCE (CHARACTER) FOR THE ACCUSED

Q. Do you know the accused S/Sgt Gooding?
A. Yes sir, I do.

Q. How long have you known him?
A. Since the 13 or 14 of Jun last year.

Q. Have you been with him until recently?
A. Yes sir.

Q. All that time?
A. Yes sir.

Q. What is your opinion about his character?
A. Very good sir.

Q. Can you go into a little more detail, the type of man he is, his honesty, his work and so on?
A. We had one of the key jobs in our shop and at no time during the time that I have known him as he ever fail down on the job or done anything that would blacken his character in any way.

Q. Is he the type of man or not who might do things for other people, is he conscientious?
A. He is the type of man anyone would want for a friend. As long as I have known him he has helped people out and he has always helped out with extra work.

IN OUR OPINION AT THIS COURT IT IS NOT NECESSARY TO CONSIDER WITH S.65(2).

DISPOSITION

S/Sgt Gooding is a man who has been holding down a responsible position during the war. Character witnesses, men who have known him for sometime, one in particular, know him for a man who has never gotten into any trouble which is borne out by his records. He is a man who is conscientious. He has never been mixed up any way with the rackets on the continent. He has always done a good job of work and I feel that this trouble he is in at the moment is definitely one of an error in judgement in that he took possession of the ration cards with the best possible intent and that his intentions were to get them to the proper authorities. He doesn't know who he got them from. It is quite possible to me, and I think to the Court that he not knowing exactly where he got them from was protecting all those men that he had served with. He didn't want to state any of their names if he could avoid it. I would ask the Court to remember that in sentencing this NCO, they may also remember that this young NCO is going back to Canada for demob. He has been under close arrest for some 24 days, that will cost him in pay like approximately $90.00 on top of that he will lose almost a months gratuities that is to say 24/30 of 15 dollars basic gratuity and an equal amount of re-establishment credit and of course a portion of the seven days of the supplementary gratuity. In other words he is up against a fine no matter what sentence is imposed or shall we say $100.00 or so dollars and I feel at this stage of the case that the Court will show all clemency that possibly may do.

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). PLEA IN MITIGATION

IN THE CASE OF

P.36641 Pte CASTRO, M.G. --- 1 Cdn Repat Depot

Gentlemen of the Court:

This soldier enlisted in Jan 44. He came overseas shortly after enlisting, went to the continent in Jul 44. He has been a good soldier was wounded in September 44 and came back to this country in Nove of the same year as you will see by his documents. This soldier, the same as many other Canadian soldier got a girl in trouble, he cannot marry her at the present time as her divorce will not be through till Feb she was up against it, there was nothing he could do, he went A.W.L. and took a job to support her. He is in the same position as many of others with this divorce not being through until Feb he is pretty helpless. He plans on coming back to this country and marry her as soon as possible. He hopes that he will be able to get out in the spring and come back here and marry this girl. That is the reason he left and I hope you will take that into consideration when sentencing this man. He did the manly thing and in not letting this girl suffer alone he has done all in his power to help her. He evidently loves her or he wouldn't have gone to such lengths to help her by going A.W.L.

Will you kindly take that into consideration when sentencing this man.

SUMMARY OF EVIDENCE

in the case of

K-48053 Pte. Gracey, G.I. of
The Westminister Regiment (M), CA OS
charged with

CONDUCT TO THE PREJUDICE: of good order and military discipline - AA 40 - in that he, IN THE FIELD, on 28th December 43. at approximately 1835 hrs. created a disturbance involving several civilians in Matera.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: K-47428 L/Cpl. Brown, R.D. of The Westmister Regiment (M), having been duly sworn, states:

I am K-47428 L/Cpl. Brown, R.D. of The Westminister Regiment (M). Three of us were proceeding back to barracks on the evening of 28th December 43. - Pte Gracey, Pte, Butcher and myself. We were causing no trouble when a big Italian came up and asked Gracey for a cigarette, which was refused. On being refused the Italian persisted however and did not go away. The next thing I saw was my friend Gracey on the ground with the Italian bending over him. I immediately went to Gracey's assistance and grappled with the Italian; I pushed him aside and helped Gracey to his feet. The street was well filled with people milling around, as if we had happened upon a group of some kind. By this time the gathering around us was noticable; and as I was helping Gracey to push our wat through the crowd I was hit on the head by a woman with a big stick. I started in the direction of the woman, Gracey and I were seperated, and a general fight developed. This continued until the Provost arrived.

QUESTION by Officer conducting the summary
Was the crowd you mention in the the street attracted by the fight you were in with the Italians?
A. No, Sir, the crowd was there before we arrived.
QUESTION by Officer conducting the summary.
Did you hit or otherwise molest the Italian woman you mentioned?
A. No Sir.
Q by O.
Did you hit anyone else?
A. Yes, sir, I hit the Italians who were attacking us; this was self defence.

The accused had no questions to ask the witness.

"R.D. Brown"

SECOND WITNESS K-42933 Pte. Butcher, C.A. The Westminister Regiment (M) CA OS
I am K-42933 Pte. Butcher, C.A. The Westminister Regiment (M). On the night of 28th December 43., at approximately 1830 hrs. I was accompanying Pte. Gracey and L/Cpl. Brown back to the barracks. I met I had met them a few minutes before and found that Gracey was noticeably under the influence of liquor and needed help to get home. ~~L/Cpl. Brown was also and needded help to get home.~~ L/Cpl. Brown war also pretty tight but he was helping to hold up Gracey as they walked. I decided to steer the two of them home as I had not been drinking at all. When we were, just a short distance past the enterance to our Officer's Mess, an Italian approached us and as Gracey was the nearest to him he asked him for a cigarette, Gracey did not give him one and I walked on a bit to where

there where some vehicles parked. I looked back and called for the two to come along. I saw a bit of a scuffle taking place in the light of the lamp shining down upon the four of them, since by now there were two Italians there. I saw one of them hit L/Cpl. Brown with his fist, and I ran back to help. As I did so one of the Italians ran away. When I got there I found Gracey lying on the ground and moaning about his wrist. L/Cpl. Brown and the other Italian wre still fighting. So I grabbed hold of L/Cpl. Brown and as I did so the other Italian ran away and disappeared. I got L/Cpl. Brown to help me get Gracey to his feet. Just as we did so about eight or a dozen Italian mixed men and woman (all civiliana) rushed at us. There was one especially big Italian man who kicked Gracey's feet out from under him as he attacked from the rear. Then the fight started and the crowd kicked Gracey on the ground and hit him with several sticks. I saw two knives being wielded by the Italians. L/Cpl Brown was now out of sight in the melee. Then the Provost arrived, about five of them I would say. The big Italian above mentioned tryed to hit the Provost Sergeant with the club he had.

We found L/Cpl. Brown fighting off several Italians including a couple of woman, who had backed him into a corner. The Provost scattered these and we got L/Cpl. Brown out of the corner. I assisted the Provost to bring Gracey home to barracks as he was bleeding from a wound in his head, made by a knife Ithink. We took him tc our R.A.P. for treatment and then I assisted one of the Provost to put him to bed.

QUESTION by the accused to the witness:
Was there a crowd there before we entered the spot where the fight took place?
A. There was quite a number of people there standing in groups talking and some were walking past all the time.
Q. by the accused to the witness:
Were there woman fighting using sticks?
A. Yes, most definately, sveral of them.
Q. by the accused to the witness:
Did I offer resistance to the Provost or yourself as I was being taken home?
A. No Sir, he did not. We just led him home, with no trouble at all. Iwas supporting the arm that was hurt and that was paining him. He was also complaining about the wound on the head.

..."Charles Alfred Butcher"....

THIRD WITNESS: Lieut. F.N. Clifford, 2nd. Armd Regt., CA OS - Commander of the Matera Town Guard 28th December 1943.
- Evidence as submitted in his guard report, confirmed and sworn to this date:
At 1822 hrs 28 Dec, 43 an Italian national informed the sentry that a fight was in progress in town. Upon this being reported to me, I immediately malled out a strong patrol and led them to the scene of the fight at the double. When I arrived by the Strathcona lines, our guide told us that the fight was over, and that the civilians involved had proceeded down to the school where the WESTER Regt is stationed. I proceeded to this place and there found an Italian civilian with a cur over the right eye. He gave his name as Porsa Francensco. His nephew, Loperfido Giuseppe was there and since he spoke French I obtained the following information from him,
At 1815 hrs or there abouts his uncle Francensco, accompanied by is wife was on the Via Ridolla. Three Canadian soldiers alleged to be drunk accosted them in a belligerent manner and spoke also to his wife. A fight ensued in which Francensco sustained this cut apparently superficial but extensive. He described the soldiers thus:

one - tall and slim, about 20 - 24
one - ditto
one shorter and slim, about the same age.

He further stated he could not distinguished the unit, or the colour of the berets, but said that these sodiers lived in the school. This information was given to me in French and Italian and may not be absolutely correct since my command of either is not perfect.

Both the Italiansnamed were highly excited and indifnant; and they indicated that they wished this incident brought to the attention of the appropriaate authorities. I informed them that I would submit my report and a strict investigation would be held and the wrong-doers, if any, fittingly punished.

Lieut. Tattersall, the orderly officer, Westmr Regt, was present and assisted me in the interrogation. I received from him the appended report at apprx 2000 hrs the same night.

At 1920 hrs, in compliance with Guard Orders , I reported the disturbance to the duty officer at Bde HQ, and again to the Bde Staff Captain at 2130 hrs.

Gruer, and I proceeded down to the corner store not far away where the trouble was supposed to be. Sergeant O'Niell and Cpl. Arbuckle of our section were also with us. When we arrived at the store we were told by the Italian civilians that the soldiers had proceeded down the street. Just then we heard a woman scream; we all ran in that direction. Sgt. O'Neil went into an alley and I followed him. He grabbed one Westminister Chap and held him from fighting. I saw on Westminister coming around the corner, starting to fight with civilians. L/Cpl. Gruer and I had a slightly built Westminister lad proceeded to stop this fight.. We then took the Westminiser we had seized., whom I Recognize as the accused here present. Pte, Gracey to the Westminister Regt. R.A.P. On the way the man rsisted fairly strongly but we subdued him and he came along with us. We took him to the R.A.P. and later to his quarters. I obtained from the Orderly Corporal a receipt for the delivery of Pte, Gracey.

Q. by O. conducting the Summary:
Did you see any provocation into fighting of the Westminister Regt. Soldiers by the Italian civilians?
A. No Sir, I arrived too late; the fighting was going on when we got on the scene.

The accused declined to ask any questions of the witness.

"F.O. Blouin."

We were told there by the store keeper that the soldiers were fighting fur-down the street. I went down with Sgt. O'Neil to the scene of the fight. The Sgt. stopped one of the soldiers and I helped L/Cpl. Blouin to stop the other soldier from fighting. I saw that this soldier was wounded and suggested that he should be taken to a R.A.P. A third Westminister soldier who was not fighting, suggested taking the injured man to his own lines. The injured soldier was resisting strongly. L/Cpl. Blouin and I took him to the Westminister Regt R.A.P. and later to his room and L/Cpl. EVIDENCE FOR THE PROSECUTION

First Witness, K47428 L/Cpl BROWN, R.D. Westmr Regt (M), having been duly sworn is examined by the prosecuting Officer:

Q. 1 Will you tell the Court just exactly what happened on 28 December?

A. 1 On 27 December we had just come in from the field and on the afternoon of 28 December we received a pass from Sp Coy HQ. A number of us had made arrangements to go down town and have our picturestaken but on arriving down town we were disappointed to find that all stores were closed. The group of us, including the accused, wandered around town for quite some time and during our travels we came across this wine shop. We were only going to have a couple of drinks but in all such matters a couple leads to anothercouple and we had a couple too many. We left that place and proceeded down towards home where we went to a place where we take our laundry. We were there for quite some time and I noticed that the accused was feeling the effects of his alcohol and I thought it best that he should go home. We proceeded to do so and it was not until the night air hit the accused that I noticed how bad he was. We got to the AMGOT place and we met Pte Butcher and he, noticing the predicament we were in, proceeded to help us home. We were coming down the main street causing no trouble when this Italian came up and asked the accused for a cigarette. We told him to go away but he persisted in staying. I left the accused and proceeded a few yards away from him and the Italian then moved off. When I turned around there was another Italian with the accused and before I got back to the accused he was on the ground. Whether the accused was hit or pushed or just naturally fell down I do not know. When I got there the Italian was bending over him and I just gave the Italian a slight push and bent over the accused. Pte Butcher arrived on the scene about this time and as I was bending over the accused I was hit on the head with a stick. I looked up startled and saw this Italian woman with a stick in her hand and immediately went after her. One Italian inserted himself between the woman and me I just pushed him aside in order to take after her and the general fight started. It had no sooner got started when the provost arrived on the scene. They took me to the LSH RAP where I was fixed up and then the provost returned me to my own unit.

Q. 2 Did the accused talk to Pte Butcher when you met him?
A. 2 No, sir.

Cross Examination by the Defending Officer

Q. 3 Did you see the accused strike the Italian at all?
A. 3 No, sir.

No re-examination

By the Judge Advocate

Q. 4 Were you and the accused talking as you were coming along the street from the house?
A. 4 No, sir, I was just assisting him along.

Q. 5 How?
A. 5 He was on my left side and I had my arm locked in his as we were going down the street.

Q. 6 Was he talking?

There were some young men in the house also among whom were two Italian officers. They offered to accompany the girls home. Them all left for home , the girls accompanied by the officers. After they had gone approximately 100 yards, my daughter ran back to me and as a result of what she said I immediately went out to check on a commotion about 100 metres away from my house. On reaching there I saw quite a crowd gathered and I started calling for my nephews but got no answer from them. I then heard somone calling "Help, help". Then I suddenly noticed that a soldier dressed in civilian clothes was being attacked by several Canadian soldiers. He called to me to help him but I ignored him as I was only interested in looking for my two nephews. I then asked some police if they had seen my nephews but none seemed to have seen them so I decided tp walk towards my house and on reaching the corner of the building I was attacked by six or seven Canadian soldiers. I am not sure how many but there might have been five, six or seven. They were all around me and trying to tell me something but I did not understand them. I tried to tell them I was a good Italian and that they were good Canadians

When I saw my wife knocked to the ground I swung my arms to the side to try to get the soldiers out of the way and went to the aid of my wife and at the same time keep an eye on the soldiers. As bent down to help my wife get up, one of them gave me a shove and knocked me down also. As a result I was injured in the forhead, nose and had some teeth broken. The witness withdraws.

Sixth Witness. Lugi Morelli, 18 Via Domanico, Matera. having been duly sworn is examined by the Prosecuting Officer:

Q. 199 What is your occupation?
A. 199 I have a grocery store.

Q. 200 Will you tell the Court exactly what happened on the 28th December?
A. 200 I was in the store with my wife and three civilians. These three civilians are my customers. They wanted to buy some things. The one was near the door and at the same time two soldiers came in the store drunk as hell. One of these soldiers came right into the store and the other stayed by the door. The one stopped near the civilian and grabbed hold of him and wanted to fight with him. The civilian was afraid and they took his coat off him and threw it out of the door. I went to them and told them "this is a store, you should not do that here". I also said "you have no right to do that in my store." Then this fellow, the tall one, left the civilian and came over and got hold of me by the jacket and started to shake me. He asked me to take off my coat as he wanted to fight with me. I did not say anything as I was too frightened. I told him "Do not do that because I am an American Like you". I was afraid and my wife was afraid too. After this he went over and broke my glass in the glass case in the store. After this they went to the right side of the store and my wife was behind the counter. There was something on the counter and they threw that down and broke the counter. The short fellow was saying "George, what are you doing, come on out, come on out". He got hold of him and pushed him out with him. The one fellow says "Close up the door" and then they left.

Q. 201 Did you report this to the military police?
A. 201 No, some of the other fellows outside must have. The three civilians left when the fellow let go of them.

Q. 202 Could you recognize any of these soldiers?
A. 202 No, I know one was tall and the other was short. The only thing I remember is that the short one called "George" to the tall one.

Cross Examination by the Defending Officer

Q. 203 About what time did this happen?
A. 203 I do not know but Ithink it was about six in the evening.

Q. 204 Was there a light in the store?
A. 204 Yes.

Q. 205 Did you go any place to an indentification line-up to try to pick out these fellows, the next day?
A. 205 Yes.

Q. 206 And you could not pick them out?
A. 206 No, I could not recognize them because I was afraid at the time.

No re-examination

By the Judge Advocate

Q. 207 Will you take a look at the accused and say whether you have ever seen him before?
A. 207 I could not tell you for sure.

Q.208 You are not in the possition to say whether he was one of the men in your store?
A. 208 No.

Q. 209 How many soldiers came into your store?
A. 209 Two.

Q. 210 Did you see the Canadian Military Police that evening?
A. 210 Yes, when they came to my store.

Q. 211 What did you tell them?
A. 211 I told them the story.

Q. 212 Were the soldiers in the store when the police came?
A. 212 No, they went away.

Q. 213 Where did they go?
A. 213 I do not know.

Q. 214 Do you know Porzia Francesco?
A. 214 Yes.

Q. 215 Did you see him that evening?
A. 215 No, just this morning.

Q. 216 Did the tall one call the short soldier by any name that you can remember?
A. 216 No, I just heard the short one call the tall one George.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

The Prosecution is closed.

The Defending Officer submits that the Prosecution have failed to set up a prima facie case and that the accused should, therefore not be called upon for his Defence, and gives the following arguemant:

"The first charge is for being unlawfully involved in a disturbance which the Court could take either as starting a disturbance or continueing to fight when he did not have to in self defence.

The provost witnesses have both said that they came to the scene and saw the accused fighting but they both said he was bleeding at this time . He had received this cut or blow from some Italian before they saw him fighting. It is the duty of the Prosecution to prove before the Court that the accused was the one who started the fight to make unlawful. I submit he was acting in self defence and that the Prosecution has not brought in any witnesses to show that the accused started the fight.

From the witnesses you have been able to see that the accused had a svere cut on the head and it was later found he had a broken wrist. As he is quite a large man, the Court could assume that he was set upon by several Italians at least and thus beat up. So there is no evidence to show the accused started the fight.

On the second charge of resisting arrest, it has been shown that the accused was not placed under arrest until he was at the RAP. The witness who placed him under arrest has said that and he has said that he did nor resist after that. The evidence of the two provosts as to bringing the accused back to barracks is definately contradictory. You have the statement of both L/Cpl Blouin and L/Cpl Gruer that they grabbed hold of the accused and led him back to barracks. This is contradictory and also the provost contradict themselves as to the store being open or closed and whether the store keeper was inside or outside.

So I would like to ask the Court to take these points Into consideration and to remember that there is no prima facie case on either of the cherges against the accused."

The Prosecuting Officer declines to reply.

The Court is closed to consider the motion.

The Court is re-opened and the President announces that the motion has been dis-allowed.

EVIDENCE FOR THE DEFENCE

D-5

First Witness, K48053 Pte G.I. GRACEY, Westmr Regt (M), having been duly sworn is examined by the Defending Officer:

Q. 217 Will you tell the Court just what happened starting out from the afternoon of 28 December until next morning?
A. 217 On the afternoon of 28 December we had a pass from the Coy Comd and we proceeded to have our picture taken. We looked in some stores and found none of them open to have our pictures taken. We wandered around town and found a wine shop open and in there we had a few drinks which led to a few more. From there we went to a house where we have friends and I started to feel my liquor and then I decided I should go home. On the way home I picked up one of my friends and from then on I do not remember anything until two o'clock the next morning when I woke up finding that my head was injured and had been treated by the RAP and also my wrist was giving me great pain. I never slept for the rest of the night and I reported sick at 7 o'clock in the morning. I was treated for my wrist and a splint was put on and my head was re-examined. I was admitted to the 7 Fd Amb and from there on the 30 December to the hospital at Altamura and they sent to 1 Cdn General Hospital. At 1045 hrs on 30 December I was X-rayed and it was found that I had a broken wrist. I was then permitted to come back to my unit carrying out my normal duties.

Cross Examination by the Prosecuting Officer.

Q. 218 Where did you meet Pte Butcher that night?
A. 218 Up near the officers' mess and on the street where AMGOT is and we take our laundry up that way. I remember meeting him but I could not exactly remember where.

Q. 219 You knew it was Pte Butcher?
A. 219 Yes, sir.

No re-examination.

By the Judge Advocate

Q. 220 Did your mind suddenly go blank?
A. 220 Yes, sir,

Q. 221 How long after meeting Pte Butcher did your mind go blank?
A. 221 I just remember meeting him.

Q. 222 Has your mind ever gone blank before?
A. 222 Yes, sir, it has.

Q. 223 Is that common when you drink wine?
A. 223 I do not drink much liquor and I blame this wine.

Q. 224 Have you a fairly clear recollection of everything that happened up to the time you met Pte Butcher?
A. 224 Yes, sir.

By the Court

Q. 225 Do you remember anyone coming up to you and asking for a cigarette or anything like that?

A. 225 No, Sir.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

The Defence is closed.

CLOSING ADDRESS BY THE PROSECUTING OFFICER

In the evidence which the two provost gave they say that they saw the accused in a fight with civilians in the town of Matera and the two of them stated that the accused strongly resisted arrest. Although it has been brought out that he was under the influence of liquor, yet being under the influence of liquor does not excuse a person of crime.

CLOSING ADDRESS BY THE DEFENDING OFFICER

I would like to state that with the evidence which has been brought before this Court, the accused states that he does not remember anything that heppened from the time he met Pte Butcher until two o'clock the next morning when he was awakened by his wrist paining him. A man can be pretty well drunk and still recognize a friend of his by his voice, that is the voice pierces to the mind especially such a distinctive voice as Pte Butcher has.

The provost did not state definately that the accused resisted and they said that they thought it necessary that they should help put him to bed and even went so far as to undress him. When the accused was brought to the RAP he was treated for a wound on the head which was bleeding profusely but he did not say anything at that time about his broken wrist although it must have been hurting him very much. Therefore he must not have been in a state to know that his wrist was hurting him or otherwise he certainly would have reported it at the RAP.

I would like to state that there has been no evidence brought forward to show that the accused started any disturbance of any kind and I would like to remind the Court that it is the duty of the Prosecution to prove the charge against the accused which has not been done.

The Cpl of the provost has said that he placed the accused under arrest when at the RAP and he has stated that the accused did not resist after he was placed under arrest. The other provost has said that he was not sure whether the accused recognized them as provost so I would ask the Court to find the accused not guilty on both the first and second charges.

Evidence has been given by the Italian store keeper Morelli that he saw two men coming into his store in artificial light and therefore he must have seen them for sometime and that he was trying to reason with these two men. There was an identification parade on which both the accused and L/Cpl Brown were present. Morelli was at that parade and he failed to pick out either the accused or L/Cpl Brown as the men in his shop. As both these men are fairly distinctive looking men, certainly they could have been identified by that store keeper. Also in his evidence Morelli stated that he immediately locked the door of his store. When the provost came down they stated that the door of his store was open, Morelli states in his evidence that he did not see which one of the two soldiers wrecked his store but the provost said that it was Morelli who directed

them down the street towards the fight. I suggested that Morelli took for granted that these two men who were in the fight were the men who wrecked his store and that they had then gone down the street.

In the case of the other Italian witness Prozia Francesco, he has stated that around quarter to six he came home and told some young ladies in his house to go home accompanied by his daughter. He has stated they were going along a street and then his daughter went into the house of a friend about 15 or 20 metres on the side of the alleyway where the fight took place. He has stated that this fight was going on in front of this house but that his daughter ran out the back and that he and his wife came on the street, coming out of the

---

alleyway. When he came out to the alleyway it must have been at least ¾ or 1 hour later from the time the girl ran into this house so I would like to suggest that there were two fellows who wrecked Morelli's store carried on down the street, got into this fight and then went away from there. The fact that they went away could be proved by the fact that the two Italians who were with the girls were not there when Porzia got there. So it has been shown that the accused was not engaged in the fight which the provost interrupted.

PLEA IN MITIGATION OF PUNISHMENT BY THE DEFENDING OFFICER

I would like the Court in considering this case to Act with as much leniency as possible in considering their sentence. The accused was greatly under the influence of liquor at the time he was unfortunate enough to be involved with a bunch of Italians and was therefore haedly accountable for any of his actions which must have taken place. When he was taken to the RAP he had a broken wrist but was so far under the influence of liquor that he did not feel it and could not report it at that time. So therefore I cannot see that he was responsible for any of his actions before that. As he says himself, his mind was completely blank.

With regard to the accused's conduct sheet, the Court will note that practically all the crimes on it are of a petty nature and I have known the accused for quite a few years since we have been together in the Westmr Regt and I have always known him to be a good and reliable soldier and it is unfortunate that the effects of this Italian wine are such that they make a man do things whichhe does not realize he is doing, so I would ask the Court to be as lenient as possible in considering their sentence.

K-47428 L/Cpl. Brown, R.D. was brought into the Barracks at 1900 hrs by G-23001 Sgt. O'Neil, R.J. of the Provost Corps. He had injuries on head and face and he states that he was coming home with Ptes. Gracey and Butcher, both of the Westminster Regt (M) when he was struck from an alleyway near the Strathcona Lines, at approximately 1815 hrs. They began fighting and the next thing knew was that he was being treated in the R.A.P. at the La S.H. lines and was brought in by the Provost Sgt.

CLOSING ADDRESS BY THE PROSECUTING OFFICER

In the evidence which the two provost gave they say that they saw the accused in a fight with civilians in the town of Matera and the two of them stated that the accused strongly resisted arrest. Although it has been brought out that he was under the influence of liquor, yet being under the influence of liquor does not excuse a person of crime.

CLOSING ADDRESS BY THE DEFENDING OFFICER

I would like to state that with the evidence which has been brought before this Court, the accused states that he does not remember anything that happened from the time he met Pte Butcher until two o'clock the next morning when he was awakened by his wrist paining him. A man can be pretty well drunk and still recognize a friend of his by voice, that is the voice pierces to the mind especially such a distinctive voice as Pte Butcher has.

The provost did not state definitely that the accused resisted and they said that they thought it necessary that they should help put him to bed and even went so far as to undress him. When the accused was brought to the cage he was strapped for a wound on the head which was bleeding profusely but he did not say anything at that time about his broken wrist although it must have been hurting him very much. Therefore he must not have been in a state to know that his wrist was hurting him or otherwise he certainly would have reported it at the RAP.

I would like to state that there has been no evidence brought forward to show that the accused started any disturbance of any kind and I would like to remind the Court that it is the duty of the Prosecution to prove the charge against the accused which has not been done.

The cpl of the provost has said that he lashed the accused under arrest when at the RAP and he has stated that the accused did not resist after he was placed under arrest. The other provost has said that he was not sure whether the accused resisted them as provost or I would ask the Court to find the accused not guilty on both the first and second charges.

Evidence has been given by the Italian store keeper Morelli that he saw two men coming into his store in artificial light and therefore he must have seen them for sometime and that in an attempt to reason with these two men. There was an identification parade on which both the accused and L/Cpl Brown were present. Morelli was at that parade and he failed to pick out either the accused or L/Cpl Brown as the men in his shop. As both these men are fairly distinctive looking men, certainly they could have been identified by that store keeper. Also in his evidence Morelli stated that he immediately locked the door of his store. When the provost came down they stated that the door of his store was open. Morelli states in his evidence that he did not see which one of the two soldiers wrecked his store but the provost said that it was Morelli who directed them down the street towards the fight. I suggest that Morelli took for granted that these two men who were in the fight were the men who wrecked his store and that they had then gone down the street.

In the case of the other Italian witness Proia Francesco, he has stated that around quarter to six he came home and told some young ladies in his house to go home accompanied by his daughter. He has stated they were going along a street and then this daughter went into the house of a friend about 15 or 20 metres on the side of the alleyway where the fight took place. He has stated that this fight was going on in front of this house but that his daughter ran out the back and that he and his wife came on the street, coming out of the

Therefore he must not have been in a state to know that his wrist was hurting him or otherwise he certainly would have reported it at the MAP.

alleyway. When he came out to the alleyway it must have been at least ½ or 1 hour later from the time the girl ran into this house so I would like to suggest that there were two fellows who wrecked Morelli's store carried on down the street, got into this fight and then went away from there. The fact that they went away could be proved by the fact that the two Italians who were with the girls were not there when Forzia got there. So it has been shown that the accused was not engaged in the fight which the provost interrupted.

PLEA IN MITIGATION OF PUNISHMENT BY DEFENDING OFFICER.

I would like the Court in considering this case to act with as much leniency as possible in considering their sentence. The accused was greatly under the influence of liquor at the time he was unfortunate enough to be involved with a bunch of Italians and was therefore hardly accountable for any of his actions which must have taken place. When he was taken to the RAP he had a broken wrist but was so far under the influence of liquor that he did not feel it and could not report it at that time. So therefore I cannot see that he was responsible for any of his actions before that. As he says himself, his mind was completely a blank.

With regard to the accused's conduct sheet, the Court will note that practically all the crimes on it are of a petty nature and I have known the accused for quite a few years since we have been together in the Westmr Regt and I have always known him to be a good and reliable soldier and it is unfortunate that the effects of this Italian wine are such that they make a man do things which he does not realize he is doing, so I would ask the Court to be as lenient as possible in considering their sentence.

SUMMARY OF EVIDENCE

in the case of

K-48053 Pte. Gracey, G.I. of
The Westminster Regiment (M), CA OS
charged with

CONDUCT TO THE PREJUDICE: of good order and military discipline - AA 40 - in that he, IN THE FIELD , on 28th December 43. at approximatley 1835 hrs. created a disturbance involving several civilians in Matera.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: K-47428 L/Cpl. Brown, R.D. of The Westminster Regiment (M), having been duly sworn, states:

I am K-47428 L/Cpl. Brown, R.D. of The Westminster Regiment (M). Three of us were proceeding back to barracks on the evening of 28th December 43. - Pte. Gracey, Pte. Butcher and myself. We were causing no trouble when a big Italian came up and asked Gracey for a cigarette, which was refused . On being refused the Italian persisted however and did not go away. The next thing I saw was my friend Gracey on the ground with the Italian bending over him. I immediatley went to Gracey's assistance and grappled with the Italian; I pushed him aside and helped Gracey to his feet. The street was well filled with people milling around, as if we had happened upon a group of some kind. By this time the gathering around us was noticeable; and as I was helping Gracey to push our way through the growd I was hit on the head by a woman with a big stick. I started in the direction of the woman, Gracey and I were separated, and a general fight developed. This continued until the Provost arrived.

QUESTION by Officer conducting the summary
Was the crowd you mention in the street attracted by the fight you were in with the Italians?
A. No Sir, the crowd was there before we arrived.
QUESTION by Officer conducting the summary.
Did you hit or otherwise molest the Italian woman you mentioned?
A. No Sir.
Q by C.
Did you hit anyone else?
A. Yes Sir, I hit the Italians who were attacking us; this was in self defence.

The accused had no questions to ask the witness.

R.D. Brown.....

SECOND WITNESS: K-42933 Pte. Butcher, C.A. The Westminster Regiment (M) CA OS
I am K-42933 Pte. Butcher, C.A. The Westminster Regiment (M). On the night of 28th December 43., at approximately 1830 hrs. I was accompanying Pte. Gracey and L/Cpl. Brown back to the barracks. I had met them a few minutes before and found that Gracey was noticeably under the influence of liquor and needed help to get home. L/Cpl. Brown was also pretty tight but he was helping to hold up Gracey as they walked. I decided to steer the two of them home as I had not been drinking at all. When we were just a short distance past the entrance to our Officer's Mess, and Italian approached us and as Gracey was the nearest to him he asked him for a cigarette. Gracey did not give him one and I walked on a bit to where

there where some vehicles parked. I looked back and called for the two to come along. I saw a bit of a scuffle taking place in the light of the lamp shining down upon the four of them, since by now there were two Italians there. I saw one of them hit L/Cpl. Brown with his fist, and I ran back to help. As I did so one of the Italians ran away. When I got there I found Gracey lying on the ground and mouning about his wrist. L/Cpl. Brown and the other Italian were still fighting. So I grabbed hold of L/Cpl. Brown and as I did so the other Italian ran away and disappeared. I got L/Cpl. Brown to help me get Gracey to his feet. Just as we did so about eight or a dozen Italian mixed men and women (all civilians) rushed at us. There was one especially big Italian man who kicked Gracey's feet out from under him as he attacked from the rear. Then the fight started and the crowd kicked Gracey on the ground and hit him with several sticks. I saw two knives being [redacted] wielded by the Italians. L/Cpl. Brown was now out of sight in the melee. Then the Provost arrived, about five of them I would say. The big Italian above - mentioned tryed to hit the Provost Sergeant with the club he had.

We found L/Cpl. Brown fighting off several Italians including a couple of women, who had him backed into a corner. The Provost scattered these and we got L/Cpl. Brown out of the corner. I assisted the Provost to bring Gracey home to barracks as he was bleeding from a wound in his head, made by a knife I think. We took him to our R.A.P. for treatment and then I assisted one of the Provost to put him to bed.

QUESTION by the accused to the witness:
Was there a crowd there before we entered the spot where the fight took place?
A. There was quite a number of people there standing in groups talking and some were walking past all the time.
Q by accused to the witness:
Werethere women fighting using sticks?
A. Yes, most definately, several of them.
Q by accused to witness:
Did I offer resistance to the Provost or your self as I was being taken home?
A. No Sir, he did not. We just led him home, with no trouble at all. I was supporting the arm that was hurt and that was paining him. He was also complaining about the wound on the head.

Charles Alfred Butcher.

THIRD WITNESS: Lieut. F.N. Clifford, 2nd. Arm'd Regt., CA OS - Commander of the Matera Town Guard 28th December 1943.
- Evidence as submitted in his guard report, confirmed and sworn to this date:
At 1822 hrs 28 Dec. 43 an Italian national informed the sentry that a fight was in progress in town. Upon this being reported to me, I immediately called out a strong patrol and led them to the [redacted] scene of the fight at the double. When I arrived by the Strathcona lines, our guide told us that the fight was over, and that the civilians involved had proceeded down to the school where the WESTMR Regt is stationed. I proceeded to this place and there found an Italian civilian with a cut over the right eye. He gave his name as Porsa Francensco. His nephew, Loperfido Giuseppe was there and since he spoke French I obtained the following information from him.

At 1815 hrs or there abouts his uncle Francensco, accompanied by his wife was on the Via Ridolla. Three Canadian soldiers alleged to be drunk accosted them in a belligerent manner ad spoke also to his wife. A fight ensued in which Francensco sustained this cut apparently superficial but extensive. He described the soldiers thus:

one - tall and slim, about 20 - 24
one - ditto
one shorter and slim, about the same age.

He further stated he could not distinguish the unit, or the colour of the berets, but said that these soldiers lived in the school. This information was given to me in French and Italian and may not be absolutely correct since my command of either is not perfect.

Both the Italians named were highly excited and indignant; and they indicated that they wished this incident brought to the attention of the appropriate authorities. I informed them that I would submit my report and a strict investigation would be held and the wrong-doers, if any, fittingly punished.

Lieut. Tattersall, the Orderly Officer, Westmr Regt, was present and assisted me in the interrogation. I received from him the appended report at apprx 2000 hrs the same night.

At 1920 hrs, in compliance with Guard Orders, I reported the disturbance to the Duty Officer at Bde HQ, and again to the Bde Staff Captain at 2130 hrs.

H. Clifford, Lieut.

FOURTH WITNESS: M-3658 L/Cpl. Blouin, F.O., C Sec. 5 Provost Coy.
CA OS
I am M-3658 L/Cpl. Blouin, F.O. C Sec. 5 Provost Coy. On the 28th December 1943 at about 1830 hrs. an Italian civilian came into our barracks and warned us of some trouble outside. L/Cpl. Gruer, and I proceeded down to the corner store not far away where the trouble was supposed to be. Sergeant O'Neil and Cpl. Arbuckle of our section were also with us. When we arrived at the store we were told by the Italian civilains that the soldiers had proceeded down the street. Just then we heard a woman scream; we all ran in that direction. Sgt. O'Neil went into an alley and I followed him. He grabbed one Westminster chap and held him from fighting. I saw one Westminster coming around the corner, starting to fight with civilians. L/Cpl. Gruer and I and a slightly built Westminster lad proceeded to stop this fighting. We then took the Westminster we had seized, whom I recognize as the accused here present. Pte. Gracey, to the Westminster Regt. R.A.P. On the way the man resisted fairly strongly but we subdued him and he came along with us. We took him to the R.A.P. and later to his quarters. I obtained from the Orderly Corporal a receipt for the delivery of Pte. Gracey.

.....

Q by O. conducting the Summary:
Did you see any provocation into fighting of the Westminster Regt. soldiers by the Italian civilians?
A. No Sir, I arrived too late; the fighting was going on when we got on the scene.

The accused declined to ask any questions of the witness.

F. L. Blouin

FIFTH WITNESS: D-110266 L/Cpl. Gruer, W. C Sec. 5 Can. Provost Coy., CA OS. Having been duly sworn states:
I am D-110266 L/Cpl. Gruer, W. On the night of the 28 December 1943 at approximately 1830 hrs., we were informed by an Italian civilian that soldiers were fighting at a near by store. I accompanied Sgt. O'Neil, Cpl. Arbuckle and L/Cpl. Blouin to the store where the soldiers were supposed to be fighting. We were told there by the store keeper that the soldiers were fighting further down the street. I went down with Sgt. O'Neil to the scene of the fight. The Sgt. stopped one of the soldiers and I helped L/Cpl. Blouin to stop the other soldier from fighting. I saw that this soldier was wounded and suggested that he should be taken to a R.A.P. A third Westminster soldier who was not fighting, suggested taking the ingured man to his own lines. The injured soldier was resisting strongly. L/Cpl. Blouin and I took him to the Westminster Regt R.A.P. and later to his room and L/Cpl. Blouin took the particulars of name, number etc. We saw the Orderly Corporal on the way out and obtained a receipt. That is all, Sir.

Q by O conducting summary
Did you hear a woman's scream as you first approached the scene of the fight?
A. Yes Sir.
Q by O conducting summary
Do you recognize the accused here present, Pte. Gracey, as the injured man you took to the R.A.P.
A. Yes Sir, I do.
Q by O conducting summary
Are you certain that the injured man offered resistance when you wished to lead him, away? It was not the pains from his wounds that made the scuffling?
A. No Sir, He definitely resisted.

The accused declined to ask the witness any questions.

.....W. Gruer.....

The accused having been duly warned as follows:
"Do you wish to make any statement or give evidence upon oath? You are not obliged to say anything or to give evidence unless you wish to do so; but whatever you say or any evidence you give will be taken down in writing and may be used in evidence." E.F. Gracey

The accused declined to make a statement of his own on the case.

I certify that Rules of Procedure (b)(c)(d)(e) and (f) have been complied with. W.B. Blankenship, Lt.

Two or three Cdn soldiers approached the girls, it was dark and the girls were afraid and ran away into the house of one Frangrorce. The two young men stayed at the door and the Cen soldiers started to fight with them. The civilians started to fight back and shout. One of the girls went out of the back entrance of the house and fetched her Mother and Father. The Mother arrived first and the Cdn soldiers knocked the old lady down in the street, meanwhile the Father arrived and one of the soldiers grabbed the old man and knocked him to the ground where he cracked his forehead and received a small wound which bled. EVIDENCE FOR THE DEFENCE

First Witness, K48053 Pte G.I. GRACEY, Westmr Regt (M), having been duly sworn is examined by the Defending Officer:

Q. 217 Will you tell the Court just what happened starting out from the afternoon of 28 December until next morning?
A. 217 On the afternoon of 28 December we had a pass from the Coy Comd and we proceeded to have our pictures taken. We looked in some stores and found none of them open to have our pictures taken. We wandered around town and found a wine shop open and in there we had a few drinks which led to a few more. From there we went to a house where we have friends and I started to feel my liquor and then I decided I should go home. On the way home I picked up one of my friends and from then on I do not remember anything until two o'clock the next morning when I woke up finding that my head was injured and had been treated by the RAF and also my wrist was giving me great pain. I never slept for the rest of the night and I reported sick at 7 o'clock in the morning. I was treated for my wrist and a splint was put on and my head was re-examined. I was admitted to the 7 Fd Amb and from there on the 30 December to the hospital at Altamura and they sent me to 1 Can General Hospital. Fifth Witness, Persia Francesco, Matera, having been duly sworn is examined by the Prosecuting Officer:

Q. 167 Will you tell the Court what happened on the night of 25 December?
A. 167 At approximately quarter to six on the evening of 25 December I returned to my home from work and on reaching home, I found several young ladies in my house so noticing that it was getting rather dark I warned them to get to their home. There were some young men in the house also among whom were two Italian officers. They offered to accompany the girls home. Then all left for home, the girls accompanied by the officers. After they had gone approximately 100 yards, my daughter ran back to me and as a result of what she said I immediately went out to check on a commotion about 100 metres away from my house. On reaching there I saw quite a crowd gathered and I started calling for my nephews but got no answer from them. I then heard someone calling "Help, help". Then I suddenly noticed that a soldier dressed in civilian clothes was being attacked by several Canadian soldiers. He called to me to help him but I ignored him as I was only interested in looking for my two nephews. I then asked some police if they had seen my nephews but none seemed to have seen them so I decided to walk towards my house and on reaching the corner of the building I was attacked by six or seven Canadian soldiers. I am not sure how many but there might have been five, six or seven. They were all around me and trying to tell me something but I did not understand them. I tried to tell them I was a good Italian and that they were good Canadians

A. 167 and that I was coming home from work minding my own business and I did not want to argue with them. My wife and daughter came out to find out what was going on. Then my wife tried to intervene and one of the soldiers gave her a push and knocked her to the ground. When I saw my wife knocked to the ground I swung my arms to the side to try to get the soldiers out of the way and went to the aid of my wife and at the same time keep an eye on the soldiers. As I bent down to help my wife get up, one of them gave me a shove and knocked me down also. As a result I was injured in the forehead, nose and had some teeth broken. Just then the Canadian military police intervened.

Q. 168 Could you recognize the soldier or soldiers who knocked your wife down?
A. 168 No, because it was away too dark. It would be impossible for me to recognize them.

Cross Examination by the Defending Officer

Q. 169 You say this was about quarter to six?
A. 169 Yes.

Q. 170 Where was this fight in relation to the alleyway which leads to the street?

Q. 171 You say you elbowed your way to get to your wife. How many soldiers were there which you pushed aside?
A. 171 As I said before there must have been five or six. They seemed to be all on top of me.

Q. 172 You say your daughter came back to tell you something. Does your daughter live somewhere else?
A. 172 My daughter or two or three of my daughters were going to accompany these girls home and that is how I got the information about this disturbance.

Q. 173 In the summary of evidence you said that one of your daughters ran to the house of Prongorai. Did your daughter run back to this house from the scene of the fight?
A. 173 My daughter came from her friend's place and warned me about this disturbance.

Q. 174 How far is this house from the scene of the fight?
A. 174 Some ten or fifteen metres distant.

Q. 175 Which way from the alleyway?
A. 175 Facing the alleyway it would be approximately 15 or 20 metres on the left hand side.

Q. 176 Do you live in the alleyway?
A. 176 Yes.

Q. 177 Was the fight in front of this friend's house which is 15 or 20 metres from the alleyway?
A. 177 It was right in front, exactly where some guns are.

Q. 178 How far from this friend's house?
A. 178 15 or 20 metres.

Q. 179 You said in the Summary of Evidence that the girls were afraid and ran away into the house of a friend. The two young men stayed at the door and fought with them. Can you explain why you now say the fight was some 15 or 20 metres away?
A. 179 This is right. The fight was right in front of the door.

Q. 180 Was there any fighting when you came out to the road from your house?
A. 180 As soon as I got on the scene they seemed to be surrounding this young chap and were grabbing him by his clothes as

A. 180 ...r to open his jacket but I went on to look for my nephews.

Q. 181 Do you know who this fellow was?
A. 181 No, sir, I did know it was a soldier dressed as a civilian.

Q. 182 Is this man in this town?
A. 182 No he is no longer here but has gone back to his duties.

Q. 183 What did you do when the military police came on the scene?
A. 183 When the military police arrived on the scene I decided to follow them to find out who these Canadian soldiers were. I accompanied them as far as the school and the military police turned me over to the Italian police and told them to take me to their armoury. At the armoury they took my particulars and offered to dress my wounds but I did not think it necessary and was sent home.

Q. 184 You followed the fellows who knocked you down up to this school?
A. 184 Yes.

Q. 185 Where was this school?
A. 185 Just in front of the carabinieri armoury.

No re-examination.

By the Judge Advocate

Q. 186 Why were you looking for your nephews?
A. 186 Because of what my daughter told me about them being attacked.

Q. 187 Do you know where they had been attacked?
A. 187 They did not tell me where they had been attacked as they got away and when I saw them later they did not tell me.

Q. 188 You did not see them fighting with Canadian soldiers?
A. 188 No. I was not sure what did happen.

Q. 189 When you first got to the scene was there only one Italian involved in the disturbance?
A. 189 No, there were several in the group.

Q. 190 Were these soldiers in your house, your nephews?
A. 190 Yes, they were.

Q. 191 Dressed in civilian clothes that evening?
A. 191 Yes.

Q. 192 Where are they now?
A. 192 One is in Potenza near Bari and the other here in Matera.

Q. 193 You say you were attacked when you left the scene of this disturbance. What do you mean by that?
A. 193 I mean I was grabbed by these soldiers by the arms and as they surrounded me I was with my back to the wall.

Q. 194 Who did you ask if they had seen your nephews?
A. 194 A man by the name of Morelli. He was standing there.

Q. 195 Who is Morelli?
A. 195 He is a contractor.

Q. 196 Did you notice where your wife went after she was attacked?
A. 196 As far as I knew my wife went back home but I found out later that she was accompanied by her cousin and had looked for me.

Q. 197 Did you use a knife on any of the Canadian soldiers?
A. 197 No, I never use knives and do not keep any.

Q. 198 Did you see any other civilians use knives on the soldiers?
A. 198 It was too dark to see that.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 93(b).

The witness withdraws.

Sixth Witness, Luigi Morelli, 18 Via Domenico, Matera, having been duly sworn is examined by the Prosecuting Officer:

Q. 199 What is your occupation?
A. 199 I have a grocery store.

Q. 200 Will you tell the Court exactly what happened on the 28th December?
A. 200 I was in the store with my wife and three civilians. These three civilians are my customers. They wanted to buy some things. The one was near the door and at the same time two soldiers came in the store drunk as hell. One of these soldiers came right into the store and the other stayed by the door. He has stopped near the civilian and grabbed hold of him and wanted to fight with him. The civilian was afraid and then took his coat off him and threw it out the door. I went to them and told them "This is a store, you should not do that here". I also said "You have no right to do that in my store". Then this fellow, the tall one, left the civilian and came over and got hold of me by the jacket and started to shake me. He asked me to take off my coat as he wanted to fight with me. I did not say anything as I was too frightened. I told him "Do not do that because I am an American like you". I was afraid and my wife was afraid too. After this he went over and broke my glass in the glass case in the store. After this they went to the right side of the store and my wife was behind the counter. There was something on the counter and they threw that down and broke the counter. The short fellow was saying "George, what are you doing, come on out, come on out". He got hold of him and pushed him out with him. The tall fellow says "Close up the door" and then they left.

Q. 201 Did you report this to the military police?
A. 201 No, some of the other fellows outside must have. The three civilians left when the fellow let go of them.

Q. 202 Could you recognize any of these soldiers?
A. 202 No, I know one was tall and the other was short. The only thing I remember is that the short one called "George" to the tall one.

Cross Examination by the Defending Officer

Q. 203 About what time did this happen?
A. 203 I do not know but I think it was about six in the evening.

Q. 204 Was there a light in the store?
A. 204 Yes.

Q. 205 Did you go any place to an identification line-up to try to pick out these fellows, the next day?
A. 205 Yes.

Q. 206 And you could not pick them out?
A. 206 No, I could not recognize them because I was so afraid at the time.

No re-examination.

By the Judge Advocate

Q. 207 Will you take a look at the accused and say whether you have ever seen him before?
A. 207 I could not tell you for sure.

22

Q. 208 You are not in a position to say whether he was one of the men in your store?
A. 208 No.

Q. 209 How many soldiers came into your store?
A. 209 Two.

Q. 210 Did you see the Canadian military police that evening?
A. 210 Yes, when they came to my store.

Q. 211 What did you tell them?
A. 211 I told them the story.

Q. 212 Were the soldiers in the store when the police came?
A. 212 No, they went away.

Q. 213 Where did they go?
A. 213 I do not know.

Q. 214 Do you know Forsia Francesco?
A. 214 Yes.

Q. 215 Did you see him that evening?
A. 215 No, just this morning.

Q. 216 Did the tall one call the short soldier by any name that you can remember?
A. 216 No, I just heard the short one call the tall one George.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

The Prosecution is closed.

D.4

The Defending Officer submits that the Prosecution have failed to set up a prima facie case and that the accused should, therefore not be called upon for his Defence, and gives the following argument:

"The first charge is for being unlawfully involved in a disturbance which the Court could take either as starting a disturbance or continuing to fight when he did not have to in self defence.

The provost witnesses have both said that they came to the scene and saw the accused fighting but they both said he was bleeding at this time. He had received this cut or blow from some Italian before they saw him fighting. It is the duty of the Prosecution to prove before the Court that the accused was the one who started the fight to make it unlawful. I submit he was acting in self defence and that the Prosecution has not brought in any witnesses to show that the accused started the fight.

From the witnesses you have been able to see that the accused had a severe cut on the head and it was later found he had a broken wrist. As he is quite a large man, the Court could assume that he was set upon by several Italians at least and thus beat up. So there is no evidence to show the accused started the fight.

On the second charge of resisting arrest, it has been shown that the accused was not placed under arrest until he was at the RAP. The witness who placed him under arrest has said that and he has said that he did not resist after that. The evidence of the two provosts as to bringing the accused back to barracks is definitely contradictory. You have the statement of both L/Cpl Blouin and L/Cpl Gruner that they grabbed hold of the accused and led him back to barracks. This is contradictory and also the provost contradict themselves as to the store being open or closed and whether the store keeper was inside or outside.

EVIDENCE FOR THE PROSECUTION

First Witness, K47430 L/Cpl BROWN, R.D., Wester Regt (M), having been duly sworn is examined by the Prosecuting Officer:

Q. 1 Will you tell the Court just exactly what happened on 28 December?

A. 1 On 27 December we had just come in from the field and on the afternoon of 28 December we received a pass from Sp Coy HQ. A number of us had made arrangements to go down town and have our pictures taken but on arriving down town we were disappointed to find that all stores were closed. The group of us, including the accused, wandered around town for quite some time and during our travels we came across this wine shop. We were only going to have a couple of drinks but in all such matters a couple leads to another couple and we had a couple too many. We left that place and proceeded down towards home where we went to a place where we take our laundry. We were there for quite some time and I noticed that the accused was feeling the effects of his alcohol and I thought it best that he should go home. We proceeded to do so and it was not until the night air hit the accused that I noticed how bad he was. We got to the ANCOT place and we met Pte Butcher and he, building the predicament we were in, proceeded to help us home. We were coming down the main street causing no trouble when this Italian came up and asked the accused for a cigarette. We told him to go away but he persisted in staring. I left the accused and proceeded a few yards away from him and the Italian then moved off. When I turned around there was another Italian with the accused and before I got back to the accused he was on the ground. Whether the accused was hit or pushed or just naturally fell down I do not know. When I got there the Italian was bending over him and I just gave the Italian a slight push and bent over the accused. Pte Butcher arrived on the scene about this time and as I was bending over the accused I was hit on the head with a stick. I looked up startled and saw this Italian woman with a stick in her hand and immediately went after her. One Italian inserted himself between the woman and me but I just pushed him aside in order to take after her and the general fight started. It had no sooner got started when the provost arrived on the scene. They took me to the Lst Aid where I was fixed up and then the provost returned me to my own unit.

Q. 2 Did the accused talk to Pte Butcher when you met him?
A. 2 No, sir.

Cross Examination by the Defending Officer

Q. 3 Did you see the accused strike any Italian at all?
A. 3 No, sir.

No re-examination.

By the Judge Advocate

Q. 4 Were you and the accused talking as you were coming along the street from the house?
A. 4 No, sir, I was just assisting him along.

Q. 5 How?
A. 5 He was on my left side and I had my arm locked in his as we were going down the street.

Q. 6 Was he talking?
A. 6 Very little.

Q. 7 Do you remember anything he said?
A. 7 No, sir.

10

Q. 6 I suppose you were quite intoxicated yourself?
A. 6 Yes, sir.

Q. 8 Have you a clear recollection of everything that took place?
A. 8 Yes, sir, fairly clear.

Q. 10 Could things have happened on that occasion which you do not remember about?
A. 10 After I went after the woman who hit me on the head I did not see the accused until I got back to the room and he was back in bed.

Q. 11 You did not actually see anyone hit him?
A. 11 No, sir.

Q. 12 When you saw him on the ground was he complaining about being injured?
A. 12 He was moaning. I could not say whether it was the effects of his injuries or his drinking.

Q. 13 What time were you in this wine shop?
A. 13 From about quarter to three to about 4.15.

Q. 14 Did you recognize this Italian witness, Morelli?
A. 14 No, sir.

Q. 15 Could you say whether you were in his shop?
A. 15 Definitely I was not in his shop.

Q. 16 Would it not be possible that Morelli was proprietor of that shop you were in?
A. 16 No, sir, he is not.

Q. 17 Who is?
A. 17 I do not know.

Q. 18 Would you recognize him?
A. 18 Yes, sir.

Q. 19 Where is that shop?
A. 19 When you come to the bottom of the street you turn right and it is just a short way from there.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(2).

The witness withdraws.

Second Witness, 842933 Pte C.A. HUTCHEON, Westar Regt (M), having been duly sworn is examined by the Prosecuting Officer:

Q. 20 Would you tell the Court exactly what happened on the night of 28 December?
A. 20 On the night of 28 December at approximately 1815 hrs I was accompanying the accused and L/Cpl Brown home. An Italian civilian approached and asked the accused for a cigarette. I walked on ahead a few yards to where the LSH have their vehicle parking lot. I looked back and saw another civilian join L/Cpl Brown and the accused and at the same time there was a lot of talking and a bit of a scuffle going on. I turned back and saw one civilian strike L/Cpl Brown. As I got back there one of the civilians ran off and I saw the accused lying on the ground moaning about his wrist. L/Cpl Brown was struggling with another civilian. I saw at that time that L/Cpl Brown was bleeding from a wound over the eye. I got L/Cpl Brown to help me to assist the accused to his feet. Just as we got him to his feet, a civilian accompanied by others, kicked the accused's feet out from under him and the melee started again. I lost contact with L/Cpl Brown and saw several civilians strike the accused as he was lying on the ground. I saw several with clubs and knives in their possession. Then the provost

Pte Gracey is 28 yrs of age, enlisted voluntarily on the 27 may. 15. He arrived in England on the 23 of Feb 16 He was originally in the Tank Corps. but was re allocated to inf

As indicated by the accused, since he joined the Army he has had word of the death of two of his sisters and a nephew. These deaths are reported in the attached letters. He also received word that his wife was ill, and asking for him. Unfortunately this letter was mutilated & destroyed. He attempted to get compassionate leave while at CBRC, but it was refused. Being very anxious of his wife's condition, after having had such disturbing news of his sisters and nephew, he attempted, by means of changing his boots, to get back to see her. He is not the criminal type, as his documents will prove, and I plead that the Court consider his worry over his wife in fixing a punishment

By Direction of the Commanding Officer this Summary is taken on Oath.

FIRST WITNESS FOR THE PROSECUTION

Lieut. J.H. Galloway, Canadian Infantry Corps, Assistant Records Officer, 3 Canadian Infantry Reinforcement Unit, having been duly sworn states:-

I am Lieut. J.H. Galloway, Canadian Infantry Corps, employed as Assistant Records Officer, 3 Canadian Infantry Reinforcement Unit. I produce MBM 1, Part 1, of B.147469, Pte. Gracey, O.K. whom I now recognize, and direct attention to page 13. The evidence on this page pertains to the charges against the accused. This document is marked Exhibit "A". I also produce a Certified True Extract of Pulhems' Profile on M.F.M.2 of B.147469, Pte. Gracey, O.K. signed by Capt. R.C.A. Johnson for Colonel A.M. Brown, O i/c Records, C.M.H.Q. This document is marked Exhibit "B". I also produce a voluntary statement given by the accused, B147469, Pte. Gracey, O.K., whom I now recognize, and who after being duly cautioned, volunteered this statement at approximately 1330 hours on the 7th of August, 1944. This statement was signed by the accused in my presence and witnessed by Lieut. W.G. Moore, Assistant Adjutant, 3 Canadian Infantry Reinforcement Unit. The evidence contained in this statement pertains to the charges against the accused. This document is marked Exhibit "C".

VOLUNTARY STATEMENT BY - B147469, PTE. GRACEY, O.K.

I have been cautioned by Lieut. J.H. Galloway, Assistant Records Officer, that I need not say anything, but that anything I do say may be taken down in writing and used as evidence. To show that I understand this caution, I sign my name here.

B147467 Pte Gracey O.K.
(B147469, Pte. Gracey, O.K.)

I simply wish to state, and this evidence I give voluntarily that I altered my Pulhems' Profile in my MEM 1, Part 1, page 13, in such a manner to show a 4 under the "L" in place of a 1. The reason that I have made this alteration is that I have had three deaths in my family since I came Overseas, and I have asked for a compassionate leave for a month to go home, and have been refused every time; and I got word that my wife was sick recently, and that was two months ago, and she asked me if I could get home at all, and I could not get a leave for that, and I could not get home and I let her know, and I have not heard from her since, and I think that she thinks that I do not want to go home, and I kind of feel that I have lost her.
I have read over this statement and it is true. There is nothing further I wish to add.

Prosecution

1st Wit Pros. — Alfred Joseph Magness, Market Gardener, 5 Woodfield Rd, Worthing, Sx, duly sworn, states: On 12 aug 43 - was cycling home on Findon Rd when I heard a MC going by at a speed I estimated at anything up to 60. a little further on I came to a scene of an accident where I saw a MC lying on rd & a soldier lying there. One man at the car talked to me there. I waited until they took the soldier away. I could not recognize him again - did not pay much attn to MC. MC had been going very fast in direction of Worthing accid 5 mins after MC passed me.

Cross-exam - Might have been going less than 60 - I did 60 owner of car - think he was going faster than 35 - exhaust making a lot of noise - he might have slowed down after he passed me. It was 7.30 p.m. - might have been someone different involved in accid - accid ½ mi from where passed me.

Re-exam - nil

Court - Only one bike passed me as far as I can recollect.

2nd Wit Pros. — Mr Edward Rackett, Littlecote, Rowling Way, High Salvington, Worthing, Sx, duly sworn, states: I was proceeding along Findon valley rd towards Findon 12 Aug 43 at approx 7.30 p.m. I was on my way to my private house no 4 Mayfield close, which is a turning on the right off the Findon rd - I was travelling at about 15 mph & before turning I noticed an army lorry at my rear but this was some distance off - I put out my right hand to warn the driver that I was turning & the lr. he apparently saw me & was travelling very slowly - when I arrived at entrance my rd I looked ahead for oncoming traffic but saw nothing, which appeared to me a matter of seconds my car was hit by a MC which was a DR I understand I received a shock but as the my car was thrown 14'9" off the rd towards Mayfield close I was unconscious except the following morning I found my rt arm stiff & my left leg by the ankle bruised - after the impact the police were quickly on the scene & as far as I can ascertain they were endeavouring to take particulars from various members of the force including a Cdn Sgt/maj whose name I do not know nor could police offr obtain the info this Sgt maj spoke to me & I gave him brief particulars of what had happened & he drew a sketch on army paper & made notes of the names of the rds & I think dimensions. after the Cdn DR had been looked after & was taken away in an amb the police measured the distance from where MC hit my car & where he fell & it was 71 ft - there were no signs of skidding by the MC. I do not recognize the accd. Rear part of my car was skewed around 14'9"

Cross-exam - had my hand out all time - didn't see anything coming - quite a bend in rd - can see 3 or 400' up the rd. did not see him at all. - Car itself not thrown it was skewed around. I was only going about 2 mph, previously had stopped - changed down to 2 gear - had changed down - put my hand out & drew it in to change down then put it out again. think car will go 2 mph in second. Only coming about 15 mph maybe less.

Roundabout at Windsor – quite flat to mayfield close – could see 150° behind & as much in front. Steered in front near so 2 turned in – 2 didn't see cyclist.
Re-exam – Driving 15 to 20 yrs – gave signal.
Court: – Have flying Standard 1936 – don't know weight of car. 9.8 horsepower with 12 hp body – commonly known as 12 hp. my car hit on left rear. – 2 got over on the right side 12" to 15" over centre of the rd when hit. Light was good. Sun did not affect my vision at the rd is shaded by trees. It was before sundown. Sun would not affect any driver on this rd – it would set to the left of the rd
Rd single 40' wide – sweeping bend.

3rd Wit Pros 2] PC 254 Arthur Sidney James Tickner, Police Stn, Worthing, Sx, duly sworn, states:
Was standing at Effingham corner, Worthing, 12 Aug 43 at about 7.35 pm & saw vehicle BPX 523 proceeding on Tarring rd from north & travel at a moderate speed. Shortly after I heard a crash – I went in direction & arrived at scene of an accd. I saw a soldier lying in the centre of the rd & a MC on its side near him. Also saw the same car stationary on east side of rd facing north, the junction of mayfield close. After soldier removed to hospital I took measurements. Width of rd 30'. Marks on rd from point of impact to where car stationary 19'9". Point of impact to where MC lying 31'. Examined rd north of point of impact but could see no marks in the rd which would indicate that MC had made effort to brake. Driver Graff, the accd, was he OK. Civilian veh a standard 12 hp – about 1 ton in weight. Took measurements with a tape. Point of impact near white line on MC's side of rd.
Cross-exam: – used 60' tape measure – Mr Rackett supplied tape & was first taken. If car less than 10 hp weigh about 15 cwt.
Re-exam: Scraping mark, quite wide a part of it – one place 10" to 12" wide.
Court: – Could see good 300 yds rd. Another army lorry & small truck passed me going in same direction as civilian car. Small truck belonged to Glos MR – were several soldiers around – was a Sgt Gagne of Glos MR. Said mark commenced near centre of rd, caused by rear near wheel.
Harley Davidson MC No CC 420 1669. – Solo.

4th Wit Pros 2] Capt RC Sentance, RCOC, 3 LAA W'shop, duly sworn, states: – In charge 3 LAA regt. At time of accid was on exercise – MC picked up by W'shop sub-sec. I did not see MC, I phoned W'shop to give me the damage & from their report estimated damage at £15-7-0.
Cross-exam: – Have not seen bike since – Glos evacuated – I cannot say that all the repairs required. Possible that some of things might have been wrong with bike before action.
Re-exam – nil.
Court: – List of damages taken over telephone.

Prosecution closed.

Def off. moves for dismissal on grounds of no prima facie case. accid apparently caused by civilian car cutting across nothing to show cause of accid to be due to negligent handling of MC by DR.

Prosecutor in reply:- Point out measurements. Distance car moved indicates great speed & that is negligence.

Court closed — court re-opened

1st Wit Defence] The accused, duly sworn, states:

On 12 Aug proceeding towards Wedding - saw vehs approaching - when got very near the civilian car, going no signal 2 saw, turned up minor rd - could either have slammed on brakes or gone behind - started to go behind but army red coming & could not get around so hit the rear end of civilian. Just split second from time civilian pulled over, could not go in front, tried to go behind but couldn't make it & was knocked out - saw civilian car proceeding

Swindon rd major rd - minor rd only has about 7 houses on it. going between 35 & 40 mph. Have known like since March 42 & speedo working & knowing machine knows was going that speed.

Cross-exam:- side rd 30 or 400' long - cart on both sides, it is gravel rd - don't know width. Struck civilian in preference to head on with army red. Don't know if I attempted to slacken speed. Hit the rear wheel. Could have braked but then would have gone under him. Wouldn't hazard guess as to speed of civilian. When I saw car crossways I knew there was a rd - knew there was a rd there - no signs to show. Would have skidded if I braked because was laying my bike on the side. If straight up brakes can be used full on without danger but when on side will skid.

Re-exam - nil

Court:- Was riding middle of my half of rd before accid. usually ride there. I judged 30 to 35' away when I first started to turn.

2nd Wit Dft] A 3183 Pte Earhart J.C., Essex Scot R, duly sworn, states:- Was on Swindon rode, following civilian car, fairly close to it. Observed DR coming toward us on his own side. To my surprise the civilian car turned to the right, saw no signals. Remarked to driver that going to be accid - driver began drawing up - accid happened - DR rolled over & over - I rendered first aid. MC doing 30 to 35, civilian about 20- after accid MC was in gear & engine at top speed, whenever wheel hit ground it jumped forward - am DR, ridden 2 yrs, qualified & on bike Norton but have ridden Harleys. Staff could not avoid accid - would have hit us if had come over centre line. He did try to get by but couldn't make it. If civilian had cleared centre line enough could have avoided accid. DR riding according to rules, riding on seat & in position to control bike - saw no signal from car ahead. Was just to reach bike - it was laying on side cross-way of rode - rear wheel spinning - DR still held handle bars & one leg partly under bike. skid marks on rd - made by spinning wheel - were not just skid marks -

Cross-exam: 2 was sitting beside driver + were following 35 & 40 yds behind civilian. Always waited for signals because DR and always notice. 2 estimate MC 30 & 35 mph. 2 first saw MC 100' away. Visibility was very good.
Went considerable distance after impact — it helped itself get there, it was on its side + wheel jumped MC every time it hit the rd. - 2 sent our driver for amb & our unit just up rd. Position not approaching at more than 35 mph.
Re-exam: Nil
Court: - Harley weighs about 675 & 700 lbs.
DR slowed up before civilian turned up - were approaching intersection + driver was careful. Think civilian passed us back the road away — say civilian was doing about 20 mph.
Did NOT slow up because of civilian signals.

3rd Wit Defence | Lt Alex Perley-Robertson 16 LAA Bty, 2 LAA Regt RCA, duly sworn, states:-
BHQ subaltern. Group a DR mid duty off + on for 20 months + consecutively for 1 yr. - He is best DR we have got - he was on duty at time by accid.
Cross-exam - nil
Court - nil.

Defence closed.

Def off in closing:- From civil road proceeding south, civilian car followed by army lorry approx 40' behind - no vet going at excessive speed. Civilian car suddenly turned across rd - just previous civilian states looked + saw no vehs, DR must have been approaching DR did take best possible evasive action did not apply brakes otherwise would have been in pathway of lorry. Bike leant over + could not apply brakes — struck rear of civilian car - bike 500 & 700 lbs + at 35 mph would give great momentum, swung away around. Dist of 71 ft from impact has no bearing on speed since it helped stop along + show of skid no indication. Bike being handled properly. Did see civilian — could not expect a turn. Civilian says held hand out which is made true and witness behind her saw no signal.

Prosecution:- road clear entry to minor rd + did not expect vet. 5 yds if it suggests the moving of civilian car so far + still continued indicates excessive speed. Passenger in vet behind vet in good position to note signal + was watching MC approaching. Evidence as to measurements + weight of vehs indicates considerable speed.

Judge advocate: Points out presumption of innocence, burden on prosecution, definition of neglect, rules of the road, RP 44(c), credibility of witnesses.

Court closed

First Witness for Prosecution

Mr. Edward Lackett; Littlecote, Newling Way, High Salvington, Worthing, Sussex; having been duly sworn, states:

I was proceeding along the Findon road in the direction of Findon Valley and I was preparing to turn into Mayfield Close where I lived at the time. (8.30 evening 12 Aug 43).

I was travelling at a very slow rate, approx 15 m.p.h., I put out my right arm to give warning of my crossing into Mayfield Close, to the lorry which was at rear of my car, some long distance back. They were also travelling at a very slow speed. While my right arm was still extended, I looked ahead for any traffic, but none was seen, and I thereupon, turned to the right, to enter my road. As soon as I had done this I felt the impact, and afterwards found out that my car had been hit by a motorcyclist whom, I was informed afterwards,

was a Canadian despatch rider.

The police were very soon in attendance and they took measurements and informed me that the distance from where the Canadian soldier was found, was 81' from my car, and there were no signs of any skidding. My car was thrown back 14' 9". Two hours after I found that my arm and leg were slightly bruised but my injuries amounted to shock mostly. I am not sure how far across the road I was at time of impact but measurements by police constable showed that my car had been thrown back 14' 9".

E. Rachele

Cross examination by officer taking summary:-

Q. Would you say that your car was "thrown back" or twisted around 14' 9"

A. It was twisted around, the rear end being skewed round by that amount.

E. Rachele

Alfred Joseph Magness, Market Gardener, 5 Northfield Road, Worthing, having been duly sworn states:-

Second Witness for Prosecution

I was coming down the Findon road about half way between Cissbury Hotel and the cemetery, on my cycle, about 8.30 in the evening, & when I saw a motor cyclist pass me going in direction of Worthing. In a few minutes I arrived at the scene of an accident. I saw a motorcyclist lying injured beside his bike. He was removed to an ambulance.

Alfred J. Magness

Cross examination by officer taking summary:-

Q. Did you see the two vehicles collide?

A. No I did not.

Alfred J. Magness

Third Witness for Prosecution

P.C. 254 Arthur Sidney James
Pickner
Police Station Worthing.
Having been duly sworn states:-
On Thurs. 12 Aug 43 at 8.25 P.M.
I was standing at Offington Corner when I saw a motor car index no. B.P.X. 523 proceeding northwards along Findon Road at a very moderate speed. Shortly after I heard a terrific bang. I cycled in direction of the noise and arrived at the scene of an accident. I saw a motor cyclist lying at the side of the road, and the motor car which had passed me at Offington corner badly damaged on the east side of the road facing north at the entrance to Mayfield Close.

After the motor cyclist had been removed to hospital, I took the following measurements:-

The width of Findon Road, from east to west pavement, is 30'. There was a mark on the road made by the wheel sliding sideways which measured 14' 9" from the point of impact to where the motorcycle was lying on its side, was 81'.

Page 6.

I examined the road on the north side of the point of impact, and found no mark that would indicate any attempt on the part of the motorcyclist to brake. I did not see the accident when it happened.

Archer S. J. Ticknor.
P.C. 264.

The accused declines to cross examine this witness.

Fourth Witness for Prosecution

Capt. R. C. Sentance, R.C.O.C. having been duly sworn states:

While on exercise pickaxe, 12 Aug 43., Harby. Davidson C/4201669 having been involved in an accident, was evacuated by the Ord. sub. sec. attached 16th Cdn L AA Bty, to 4th Cdn Inf. Bde. W/S. R.C.O.C.

Upon completion of the scheme I was asked for an estimate of damages. I had not seen the M.C. and therefore got details of damage from 4 C.I.B. W/S. Estimated cost of repair was then compiled from catalogue prices in the usual way. The cost thus estimated amounted to £15.7.0.

Accused declines to cross examine this witness. R.C. Sentance Capt.

First Witness for the Defence. Lieut Alex. Perley. Robertson Bty. H.Q. Subaltern 16 Cdn 6 AA Bty, having been duly sworn, states:-

The accused declines to cross examine this witness.

Second Witness for the Defence.

A3183 Pte Carhart J. C.
Essex Scottish Regt., having been duly sworn states:-

On the 12th Aug 43 I was riding in a truck along Findon Worthing Road late in the afternoon. We were following a civilian car. I saw a D.R. approaching on his own side of the road. Next thing I saw was the civilian car turning across the road. I was surprised because I saw no signal and the D.R. was already about 25' from the intersection. By this time it was too late to attempt braking and if he had avoided the civilian car, he would hit us head on. The D.R. attempted to avoid the civilian car without proceeding over the white line, but there was not room. He had no alternative but to side swipe the rear right hand side of the civilian car. I would judge the D.R's speed to be about 35 m.p.h. and that of the civilian car at 20 to 25 m.p.h.

J. C. Carhart

Cross Examination by accused:-

Q. How long have you been riding a motor bike.

A. I have ridden a bike a lot, in fact about 25,000 miles.

been duly cautioned in accordance
with R. P. H. (E). states:,

On evening 9 Aug 43 at approx
8 oclock, while on duty during
"Pickaxe" scheme, I was travelling
towards Worthing when I noticed a
veh. coming toward me. We approached
on my left a road which was not
a thoroughfare, but only an entry
to a street of residences about 400 x
long, while Findon, Worthing road is a main highway.
When I was very close to the road
on my left, the civilian car turned
up this road on my left. An army
veh. directly behind the civilian car,
made it impossible for me to
pass him on the right, and he
was too far over on my part of the
road, for me to get by on the left.
Realizing that I could not avoid
both vehs, I collided with the
rear wheel of the civilian car, and
even then, I had not crossed the
white line.
When we collided, my head hit
something, I was knocked out and page
to the machine. My speed was between
35 & 40 m.p.h.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. PLEA OF MITIGATION FOR C-11506 Pte. DOUGLAS SPENCER GRAHAM

Sir:-

I respectfully submit this plea in the interests of C-11506 Pte. Douglas Spencer Graham for the following reasons.

Pte. Graham joined the Army on the 11th. day of September 1939 and came overseas in February 1940. His M.F.M. 6 is not clean but the majority of the offences were well spread out. I do not know Pte. Graham personally but if you refer to his statement I am sure that you will agree that he has grounds for leniency.

I would like to suggest that his family troubles be inquired into and that he be informed as soon as possible what steps he will have to take in securing a divorce from his wife.

O.M. Fisher

STATEMENT MADE ~~TO DEFENDING OFFICER~~ BY C-11506 Pte Douglas Spencer Graham

Sir:-

I arrived overseas on 7 Feb 40 with Corps Petrol Park, Major Murray was the O.C. I remained with this unit for approximately six months and was then posted to Corps Troops Supply Column. This unit was over strength and I was sent back through the Holding Unit to 1 Cdn. Div Amn Coy, from which unit I went A.W.O.L. Approximately 2 years and four months later.

Shortly after I came overseas I heard that my father had died and I asked my wife to take my mother in. She did this and later I heard that my wife threatened mother with a beating if she wrote to me and eventually she forced my mother to leave.

In the month of October 1941 I received word from my sister-in-law (Mrs. Robert Graham) to the effect that my wife was having an affair with another man and that she was pregnant, she was also neglecting the children and spending their allowance on this man. (Mr. Harold Snyder, last known address: Dominion Experimental Farm, Ottawa Canada) It was from my Sister-in-law that I first heard about this affair.

I asked to be paraded to my O.C. (Lieut Col. Bentley, then Major) of 1 Cdn. Div Amn Coy in October 1941 and asked him to do all in his power to have me returned to Canada on Compassionate Leave. I gave him all the correspondence relating to my wife's affair, and he said that he would pass my request throught the necessary authorities with his recommendation for leave to be granted. In the meantime I had my wife's allowance stopped and the children taken away from her and placed in a home. I received the address sometime later and wrote to the people ~~who~~ had taken them, when I received an answer the children were no longer there, no further address was supplied.

I again asked to be paraded to the O.C. and informed him of the situation, he said he would make enquiries and let me know the result as soon as possible. He later informed me that my application for leave had not been approved.

Approximately nine months later, during which time I had received no word from home, I went absent. I spent all of my time absent in London until I surrendered myself to the Civil Police at Harlesdone, London on the 22 Feb 44. I went absent with the intention of trying to join the Merchant Navy and return to Canada but did not succeed. Since then all these things have been on my mind and I gave myself up so that I could find out what has happened to my children and my mother.

If possible I would like to have a reboard and return to Canada as soon as I have served my sentence for being absent.

In the meantime I would appreciate it very much if enquiries could be made to Ottawa as to the whereabouts of my family. I also wish to start divorce proceedings against my wife.

Your obedient servant,

D.S. Graham

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

First Witness for Prosecution

B 58971 Pte Ward C. J. 2 Can Tk Tps 4 R of C

R.C.E.M.E being duly sworn States:-

I Know the accused. He is Graham T. F. of my unit. I know something of the movements of Cpl Ferguson J. E. of my unit on 10 Dec 44. On the morning of 10 dec 44 at about 1300 hrs Cpl Ferguson, Cpl Hoover Pte Graham the accused and I left our unit lines at VEGHEL to go to Tilburg we proceeded from Tilburg to Antwerp the four of us going along. We stopped at Tilburg enroute and arrived at antwerp sometime between 1600 and 1700 hrs. ~~I left~~ The accused got off before I did at a suburb of Antwerp I next saw him at the pound where we left him at about 2110 hrs that day. He and I awaited until Cpl Ferguson came with his vehicle and picked us up for the return trip. We left about 2200 hrs ~~from~~ but when we reached a point about a mile West of TILBURG we had an accident. The time then was about midnight 10 Dec: The accused was a passenger in the car at that time. afterwards we hitch hiked home reaching camp between 0400 and 0500 hrs the morning of 11 Dec 44. With me there were Cpl Hoover and the accused. ~~and [redacted]~~

Cross from [redacted]

My reason for leaving camp was to go to Tilburg. This was my original intention. I had the day off and I wanted to get away from camp

D.3. Just Written for Prosecution Cont'd

I do not Know what the accused's reasons were for going to Tilbury & did not challenge by going to TILBURG. I was going beyond bounds. I had no knowledge of any order of one bounds. Cpl Ferguson had a week ticket to TILBURG so I felt justified in going with him. I had not seen ~~Cpl~~ Cpl Ferguson until we met him that night at 2200 hrs. Our normal routine that week of 2/10 Dec was that we usually got one day a week off and on that day there were no rolls calls no parades and I always understood that as long as we were on parade next morning we could go where we pleased. ~~[redacted]~~ Sunday was our usual day off

By the Court

As our days off I imagine there were passes issued. I ~~do not know~~ could not say definitely because I do not know of any cases but I can understand if conditions warranted it & fellow asked for a pass he would get it. We always understood we were free to go. When I said there were no parades that day I meant ~~the~~ any day of the week. I mean the day in question the day of 10 Dec. I do know if there were parades that day. I was away. The accused was with me.

I remember making this statement "Pte Graham & I decided to hitch-hike from TILBURG to ANTWERP" I had no reason for feeling free to hitch-hike from TILBURG to ANTWERP. RD 5816 concerned with

Second Witness for Prosecution

I know the accused, Pte GRAHAM of my unit. I was in MORTSEL at about 2200 hrs the night of 10 Dec 44. I left there about 2200 hrs to return to my unit. I met Cpl Ferguson at about that time and I asked him if I could have a ride home with him. He said I could and we started off for comp. When I got in the vehicle already in it were Sgt Carr, Cpl Ferguson, Cpl Devlin and another man whose name I cannot recall just now. I now recall this man's name as HOOVER. We left at about 2300 hrs, picked up enroute the accused, and Pte Ward. On the way home we had an accident at about a mile (the accused) west of TILBURG. We, Pte Graham Ward & I hitch-hiked back to Comp arriving at about 0500 hrs in the morning of the 11 Dec 44

Cross Examination

I never had a pass when I was in the vicinity of Antwerp on the 10 Dec 44. I did not have one because it was customary to leave the unit without one at that time. Prior to 9 Dec 44 I do not recall seeing anything on orders saying that MORTSEL was Out of Bounds or any given distance. Nor did I hear any orders announced to that effect upon which that I recall putting MORTSEL Out of Bounds. I make a practice of reading orders.

D 3. Contd
2nd Witness for Prosecution contd.

I hitch-hiked part of the way to MORTSEL and took the train from TURNHOUT ~~to~~ WILRIJK and from there walked to MORTSEL. I planned to be back to the unit that night.

By the Court: Passes were issued in our unit but we did not bother much getting them because there was not much need in having one because there were no parades, nor no roll calls on Sundays. I do not know if passes were issued to TILBURG or ANTWERP. If you wanted to go to those places any other time than weekends then you would have to have a pass. On the weekends it was pretty much that everybody could go away if they wanted to. I did not ask for a pass because I had no intention of going any distance. If I had intended to go to ANTWERP I would have asked for a pass because there was a question of getting back.

I am acquainted with the accused Pte Graham. He is a member of my unit in which I am superintending Clerk and also acting as R.S.M. I supervise the issue of passes from the unit orderly room. The accused did not have a pass to proceed out of the unit area on 10 Dec 44. On special occasions personnel proceeding out of unit area were issued with passes.

of passes from the unit orderly room. The accused did not have a pass to proceed out of the unit area on the 10 Dec 44. No special reasons personnel proceeding out of unit area were issued with passes.

Fluid Motion for Prosecution

I keep a record of all passes by Roping on file the stub of the passes issued. I know the accused did not have a pass on 10 Dec 44 because there is no stub on the file which is kept in the unit orderly room. There have been cases of passes being issued over the week ends by the C.O. We had about 12 to 15 applications for week end passes on occasions. This I would say was a large number. I remember orders stating the bounds of our unit area. Those orders were both written and verbal and made the bounds a two mile radius of our unit location and to incl the village of VECHEL. S/ the C.O does to call a parade on a Sunday off I would expect to find all there except those who had been given permission by the CO to be away. I could not swear if the accused were in camp on 10 Dec 44. There is no parades on Sundays the men being off duty from Saturday break-off until 0830 hrs on Monday.

WO I H.T. POOLE

During that time men are free to go where they please within the area.

I commanded 2 Cdo TKTps Wksp - from 28 Dec 43 to 17 Jan 45. The unit moved to VEGHEL, Holland sometime between the 20 hrs and 25 hrs 44. After the unit was established there I took steps to notify to unit personnel the boundaries of the unit area. This notification was done on COs parade by verbal announcement calling attention to a previously published Part I order issued when the unit was at STEENBERGEN which provided that no one could go more than four miles from Camp area without a pass. In this case I limited the area to two miles from the Camp. This order was issued as I recall during the first week in Dec 44.

Cross Examination

The [redacted] week end routine of my unit the [redacted] week end of 9/10 Dec 44 was that the shop worked on Sat but did not work on Sun and when the shop was not working there were no parades and no roll calls. I made myself quite plain [redacted] on the parade regarding boundaries

and men going beyond these boundaries would require a pass. I do not Know if the accused were in parade at the time I issued that order. My verbal order was not republished because the previous order had not been cancelled

I Know the accused Pte Graham of 2 Cdn Tk Sps Wksp. I am a Cpl in the Tpt section of that unit and as such Keep the roster of duty drivers. On 3 Dec 44 the accused was duty driver and on that date on call until 2200 hrs. On 4 Dec 44 he should be carrying out his regular duties with the exception of the morning parade.

Cross Examination

I was not on a parade when an order was given out defining the bounds of the Comp. I cannot recall if there were such a parade held. I did not Know what the bounds of the comp were on 3 Dec 44 because as far as I Know it had not been given out at that time. If a parade were called on 10 Dec 44 I would not have been surprised if there were not many there because it was a pay day and the men were roaming around comps and visiting neighbors.

By the Court 8

D3 Cont'd. Fifth Witness for Prosecution cont'd.

I am not sure if passes, outside the 48 hr pass, were issued in our unit. A man could go to Paris without a pass but he would be A.W.L. At that time there were no restrictions about the limit one could go, but you could not go any place in France or Belgium because you would not be supposed to go. My hours are from 08-15 hrs until about 17.00 hrs daily. On 4 Dec 44 I was on a 48 hr leave. With the exception of the times I am on duty driver I attend all parades. I cannot say if any other were issued on a parade on 4 Dec 44. When I returned from leave my immediate superior Sgt, did not tell me anything. R.P 83161 complied with.

The Prosecution advises that the witness Cpl Ferguson J.E. listed in the summary of evidence has been Evac to the U.K. on medical grounds and will not be called.

Plea in Mitigation

I make this plea in Mitigation of punishment of the accused C-36802 Pte Gordon Frank Graham and ask that the Court be lenient in view of his record which is as follows

He is 20 yrs old and single. Enlisted in Edn. Army Jun 42 arriving in U.K. in Jan 43 and in France in Jun 44. Has been with present Unit since Jun 43 and has been employed as Dvr. C. and Despatch Rider which latter duties were performed in France & Belgium until arriving in Antwerp. Prior to Enlisting he was employed by E. Leightfoot & Sons Ltd., Toronto, driving a 5 Ton Dodge Truck for 1½ yrs.

In school he went as far as 1st form High School.

He is under impression that entries on Conduct sheet for first 6 mos. of enlistment should be erased - auth. K.R. (Can) 1524(c)(i)

He likes his Unit & his work & wishes to stay with the Unit.

Awarded Edn. Efficiency Declaration & Clasp.

Claims to have been in open arrest since 18 Dec 44 which seems rather long for so short a period of alleged AWL.

I submit that the accused should not have been brought to trial by F.G.C.M. but should have been dealt with summarily by Unit C.O. I trust the Court will take these points into consideration when passing sentence on accused

On 25 Sept 1944 at approx 1000 hrs I noticed a vehicle in the ditch in the vicinity of Armintiers, France. I detailed a man to stay with the vehicle until I returned. Prosecutor's opening address.

Gentlemen;

In the case of S/Sgt. Graham H. which is now before you, it is my duty to prove to the Court, that this Senior N.C.O. is guilty of three charges under the Army Act, sections 11, 15, and 40, which to-gether, if proved guilty, show the accused to be unsuitable to hold the rank he carries, and to be punishable as the Court sees fit, for the Maintainance of discipline and respect due such rank.

The first charge is a case of disobedience of Regimental Orders, which clearly states that after 2100 hrs. the town of Larino Italy, was out of bounds to all troops from the Unit of the accused.

On the second charge, it is again a case of wilfull disobedience, of being in an area that was clearly marked "Out of Bounds".

The third and most serious charge, is that of improper language to a Private soldier carrying out his assigned duties; thus not only undermining discilpine, but at the same time setting a very bad example to those under him.

The evidence which I shall present to this Court, contains proof of the facts, by statements of witnesses present, substantiated by documentry evidence to corroberate those statements.

Sir, with your permission, may I please summon my first witness?

Evidence for the Prosecution A. Wallis Major

1st witness

I am 210216 Pte. Walt, C.M. 1 Canadian Tank Troop Workshop. Having been duly sworn, states on Dec 17th, 1943 while on police duty in Torino I was accompanied by Private Scott who was also on police duty. We were patrolling an out of bounds area. We came to No 10 Via Vecchia which was in the out of bounds area, a house of two prostitutes. On entering we saw S/Sgt Graham I told him he was out of bounds and that he would have to leave. He said "I know I am out of bounds, but I can take care of myself." I again told him he would have to leave, as it was our orders to keep everyone out of this house. Private Mackie and Private Graham then entered this house. They were also on police duty. When the S/Sgt seen them enter he said "I guess I will have to leave as I am outnumbered, but if I didn't want to go you couldn't make me." I again informed him that he would still have to leave. The S/Sgt got up off the chair he was sitting on and said "You and I will go outside and the best man will return, You are not the type of man for the job, you are too yellow." Whilst the S/Sgt was saying this he was unbuttoning his tunic. I told him that I was on duty. He then went to the door, and as he was standing at the door, he turned around and said, "Don't stick your chest out too far." He then left. The time was about 1945 hours. The same evening about 2045 hours, I had occasion to visit this same house. Standing

outside were two soldiers, who were from our own unit, Private Waipan and Private Soubiere. I told them they were in an out of bounds area and that they would have to leave. They left and we escorted them up to the Main Street by the same evening, at approximately 2330 hours, we were making our last rounds in the out of bounds area. We visited No 10 Via Cisa Stella, and there were two soldiers standing outside the door. They were Private Soubiere and [redacted] S/Sgt Graham, the accused. On entering the house we saw Private Waipan. With us this time was the S/MB C M P Sgt Sgt Mullender. We three of them were informed they were in an out of bounds area and after curfew hours and that they would have to leave. We followed them to the top of the road and saw them drive away in one of our own vehicles He came on this vehicle was "Alma".

That is all I knew the area was out of [redacted] bounds and marked out of bounds by a sign at the top of the street.

Prosecutor advises Court that the following witnesses who gave evidence at the Summary of Evidence are not being called at the Trial. because their evidence is merely corrobrative. Sgt Crossley, Pte Watson and Pte Boudreau

The Defender advises the Court that he does not require the above mentioned for Cross examination

The Case is closed for the Prosecution

The Defending Officer makes an application for dismissal of the 1st Charge on the grounds of no prima facie case having been proved on that charge.

Argument by Defending Officer marked Exhibit "B".

Argument by Prosecutor

In the first case a person must have a pass approved by his section N.C.O. and signed by his Commanding Officer which is proof that anyone out after 2100 hrs must have that pass

(16) as the accused was a section N.C.O. he must have been aware of this order to enable him to allow passes to his own men. Therefore there could have been no misapprehension as to the order in question.

The Court now closes for consideration of the application

Court Re-opened

The application by the defending officer refused

First charge — Summary of Evidence

(Nos 12, 13 & 14)

① Order A was not produced on oath [redacted]. Evidence has shown daily orders were often misplaced or torn off. Even tho as a [redacted] non-commissioned officer it was his duty to read orders, there were many times when the accused could not see orders, for the above reasons. Indeed, no evidence has been shown to prove that the order was ever posted as several witnesses have not seen the order. according to A.A.I. proof must be given that the order was posted.

that these areas put 'out of bounds'. dep-
CMD are out of bounds to Cdn
troops. — there is no definite proof
that the type of this unit had been
informed that the area was out of
bounds as there is some doubt
amongst Prosecution's witnesses
whether all entrances were
marked or not.
This certain area was certainly
a strange one, for the prosecution
has shown that troops were
seen in the area when signs
were up.

we have 2 WPCs who entered the house in question & instead of dutifully discharging their duties as required they proceeded to stand & sit around the room & cast remarks at the accused. They took no action against the accused; but later on the advice of an "SIB Sgt. (which is hearsay evidence) they decided the accused should be charged — why the delay? The last charge named seem as if the WPCs decided To "get" the accused We have seen the remarkable similarity in evidence produced by them in connection with words spoken by the accused — but on other points — namely the colour of the "Out of Bounds" sign, where they should certainly be agreed — the witnesses do not agree —

The evidence of Pte Graham proved many points — but the prosecution did not have the witness identify the accused as the S/Sgt Graham in question.

Finally the words in the charge were not used by the accused in reply to a request to leave — they were used after a discussion took place & quite a long time after we had the accused to leave & then proceeded along with three others, to discuss the in-hale affair & the comparative state of health of the woman in the room.

Four witnesses have stated they saw the accused

after 2300 hrs at night Defence has produced witnesses who proved the accused was in his hut by 2230 hrs. There shows a divergence in times between those stated by the WP's and those stated by witnesses for prosecution all WP's said they saw the accused after 2300 hrs in Farino. It is the contention of the defence that due to all the varied evidence given by witnesses for prosecution, there is no conclusive evidence proving the facts of charge III & the charge should be dismissed

This certain area was certainly a strange one, for the prosecution has shown that troops were even in the area when signs were up.

Summary for Defence

Second charge

(a) The prosecution has not produced any written area orders which were contravened. ~~They~~ It has witnesses who are not even certain of the color of the signs surrounding the area — who are vague as to whether the area is completely covered with a sign in each entrance. It is think one might enter unknowingly at night — the prosecution has brought no evidence to show the house was out of bounds, as the charge reads. There was no sign at the [illegible] Pte Watt, whose feelings were enjoyed by the accused, is certain no one could enter the area unwittingly. Pte Scott said one could enter the area without knowing. Pte Graham said it was possible then continued with a digression which was injurious to the accused, which has since been proved false — for the area was not known as "Out of Bounds" to all members of the unit.

(b) A provost Sgt was brought who said he published an order showing areas out of bounds. No written order has been produced to show this Larino area was "out of bounds". No evidence has been brought out to show

Four witnesses have stated they saw the accused

Summary for Defence

Third charge

The Defence has praised that there was something irregular in the conduct of the 4 M.P.'s — why did Graham, the soldier in charge of the group, make no effort to settle the discussion in the room? Instead he sat down on a bed. There seems little doubt that these M.P.'s entered his house & a discussion started between one or all of them & the accused. Remarks were passed concerning the woman's character & quite justifiably, the accused took a step back and asked him to settle the discussion in true soldier fashion. No blows were struck & no damage was done. This could have happened dozens of times in other circumstances & no charge would have been laid.

Chapter V sec 71 MML states:

"great care should be taken to discriminate between merely angry or irritable expressions & words indicating a deliberate intention to resist lawful authority"

after 2300 hrs at night. Defence has produced witnesses who proved the accused was in his hut by 2130 hrs. This shows a divergence as comes between those stated by the W.P's and those stated by witnesses for prosecution all W.P's said they saw the accused after 2300 hrs in Farino. It is the contention of the defence that as all the varied evidence of witnesses for prosecution, there is too much doubt surrounding the facts. Charge III & the charge should be dismissed

Final Summary

The defence feels that: Das the prosecution has not fully proved the Solidarity of the order (no 12 of 20 March 43)

(a) as the prosecution has not established the area in question was clearly "out of bounds" — either by production of an area order so stating or by agreement of all witnesses on the question

(b) as the remarks charged were not in reply to a request by the WO2 for the accused to leave, but rather the culmination of a type of argument or discussion which frequently arises among soldiers and accordingly not particularly serious —

that all three charges should be released & the accused should be honorably acquitted.

M L Smith

Closing address for prosecution

You have heard the evidence in this case of Pc Watt, Graham, Scott, and Mackie, all prove that in the case of the first charge, the accused was guilty neglect, to obey a Regimental Order which was displayed to all concerned. He put that this order existed and was displayed has been proved by Sgt Stark in his statement. Sgt Mills states in his evidence that he was aware of the fact that we would have a parade & that he was in Town.

In the second charge you have heard the same four witnesses that the accused was on an area clearly marked "Out of Bounds". Twice he was found to be there & twice he was told by the Regimental Police to leave. After his evidence as to the reason why he was there was put such place out of Bounds so it can be seen that my writtn Order is applicable.

On the third charge, the evidence of the witnesses has shown that the accused used improper language to members of the Regimental Police.

It was at that time that Pte Mackie & Graham entered the house and L/Cpl Graham said "I guess I am surrounded now. I'll have to leave." But if I didn't want to go you could not make me. I told him again that the place was Out of Bounds & that he had better go. He then said "How about you & I going outside" and at this, he was unbuttoning his tunic. He said "The best man will return" and that would be you "as you are not the type of fellow for this job," - "you are too yellow." I told him that I was on duty and that he still would have to leave. He then went to the door and as he was leaving, he turned around & said "Don't stick your chest out too far." He then left. We left then to make our rounds in the other Out of Bounds areas. We returned again to the house about 2045 hrs. We found two soldiers there of our own unit, Pte Wagon & Gunner. We told them to leave and we took them to the top of the road.

I was a Regimental Policeman on the night of 13 Dec 1918. At approx 1845 hrs Pte Walt & myself, while on patrol, had occasion to visit the house of a prostitute, 10 Via Vina Stella. Pte Walt entered before myself and when I entered, he was telling the S/Sgt that the area and house was Out of Bounds and that he'd better leave the area. The S/Sgt said "I can take care of myself". Pte Walt told him it was Out of Bounds and he'd better leave. It was at this time that Ptes Graham & Machie entered and the S/Sgt said "Guess I'll have to leave now, I'm surrounded". "But if I don't want to go you can't make me". He then got up & faced Pte Walt, said "You & I'll go outside & the last man will come back in". Pte Walt replied "I am on duty". The S/Sgt. left then. We returned at approximately 2350 hours in company with Ptes. Walt Graham Machie & Sgt Murell all of the 5 F & B. On going down the street, we saw S/Sgt Graham and a private. Upon entering the palace, we saw another private. We told them that they were all "Out of Bounds" and in Lavio after Curfew hours. We then escorted them up to the end of the street where we saw them get into a W.D. vehicle which we had previously ascertained as one belonging to our own unit.

(Pratt) (2)

There was a curfew in force after 2100 hrs. There was a sign up on one of the bars, and one or two elsewhere but I don't remember where. They were all signed by the Town Major. The street was definately marked "Out of Bounds". I was wearing the Police badge also Pte Mackie, Watt and Graham. ~~Graham~~ at all times mentioned

they told us to go back to camp. We were just
walking up the street with S/Sgt Graham

I first got caught down town about 2045 hrs. Twas caught by our own M.P's and ordered back to camp. The second time I went down at about 2145 hrs ~~this time~~, this time, caught inside the house. Pte Lent & Watt walked in & caught me in there. Then when I came out I saw Ptes Graham, Meyhie Lambert & S/Sgt Graham outside. After S/Sgt Graham asked me if we were going back to camp and Lambert told S/Sgt Graham that he was duty driver that night & would give him a ride back to camp. I was in the truck, too. Pte Lambert & I went down alone the first time. I saw S/Sgt Graham just after I walked out of the ~~lambert~~ house. I saw him before that at dinner time. I can't remember if I had talked to him that day or not. I must have talked to him 3 or 4 days earlier. I have never mentioned the house down town to him before. You can usually find where that sort of house is but that knowing before hand. S/Sgt Graham rode in the front of the truck with Pte Lambert on the way home. I think he said something to Lambert about the use of the truck & Pte Lambert, I think, told him he was duty driver & would give him a lift back to camp.

We left camp with the R.P.'s around 1800 and Pte Pendrith. & Cpl Harrison & his driver We got to Larne about 1815 hrs. The restaurant does not ~~open~~ open until 1900 hrs. Then when I went into the restaurant, which was shortly after 1900 hrs we met S/Sgt Graham & were invited upstairs into the living quarters of the proprietor of the restaurant. We stayed there drinking together until the establishment was closed by the police military at approximately 2100 hrs. On leaving at approximately 2100 hrs S/Sgt Graham forgot his gloves or cap I think, and I was to wait for him until he returned. He didn't recover them at the restaurant but he remembered where he had left them prior to our meeting. He told me to wait for him - that he'd only be about 10 minutes, which he did. But he never returned in the time stated, so I walked on up to camp. On arriving at camp I spoke to S/Sgt Graham on the tracks of the road clearance at Larne station. I don't remember the exact time, but it was shortly after 2200 hrs. I attended a game after speaking to him. The game eventually broke up & I went to bed. PLEA FOR MITIGATION IN SENTENCE OF;-

B-54056 Pte Graham, L.A. ;

It is said that every man has some sort of a story, some sort of explanation by which he hopes to explain his actions or to mitigate an impending punishment. This is as it should be for man is largely a reasoning animal, unfortuneately, however, swayed over much so, by emotion. We have the sorry spectacle today of nations busily trying to offer explanations to each other in order to justify their murderous involvment in war. It is not amiss, then, that we should listen to this man's plea for a military crime largely engendered by conditions over which he has had no control. Men joined this civilian army of ours to fight, not to spend months, years in an enviroment and under controls alien to citizens of a democracy.

This man came overseas with the 19th Regt Pl RCASC 87 Arty Coy as a Sec Cpl June 1943.

Shortly after coming O/S he was involved in a slight accident while riding M/C (damage to the extent of approx 4s) and for some reason was held pending Court Martial for four months. It was subsequently dropped when a new O.C. took over the Coy. On 1 Jan 44 he was granted a late pass to proceed to a nearby town. When he was just leaving the camp he accepted a ride into town in a jeep driven by one of the Coy Officer's batman and the Orderly Cpl who was escorting a prisoner to the Guard Room which was located at Coy HQ. After delivering the prisionerthey proceeded to town where the batman had to pick up some article for his officer and it was here that Cpl Graham left them. On his return to camp he was placed under arrest on the grounds that he had been the senior rank in the jeep when they left the camp and as the batman had not returned with it he was being charged with leaving a place of duty. He was paraded next morning and reverted to the rank of Pte. He was then transferred to #3 Regt Pl of the same Coy.

Insofar as he had been held four months, pending Court Martial for the aformentioned M/C accident he had had no leave in this country. He was subsequently granted his first nine days leave from 18 Jan 44 to 27 Jan 44.

Upon his return to his unit he resumed his duties as a signwriter and while working outside in the open he contracted a bad throat. He reported to the MO and received treatment for nine days but received no relief from his ailment, in fact, his throat got worse.

At this time the Platoon were on wheels and on the 28th Feb 44 he went to town and purchased some medicine for his throat, remaining in town for the night, returning to his unit in the morning at 0715 hrs. He was told that the Pl had left and that he was under arrest as an AWL and was refused permission to rejoin his unit by the cook's lorry which was even then leaving for the unit. He got fed up and left the camp, proceeding to Wales, where he had spent his leave, with friends.

About the middle of March he entered the Swansea General and Eye Hospital, Swansea, South Wales and stayed overnight for treatment of his throat . The following day 16 Mar he was sent to the Morrison (EMS) Hospital where he remained for 7 days. When discharged from there the Hospital authorites did not notify his unit, but suggested that return there to convalese (Graham telling them that he was on 14 days leave at the time) From this time on, he travelled around Wales staying at US Army Camps and pressing uniforms for pocket money. On 30 April he was staying with an American Unit (8 Division) and when intown with two G I's they came across several

darkies molesting some girls and proceeded to break it up. However, before actually getting involved in the scuffle, Graham fell and struck his head on the curb and his head snapped back and hit the sidewalk. He was unconscious and removed to a nearby house where a civilian doctor was called in to attend to him. It was necessary to have six stiches to close the wound. He was then removed to a Camp Reception Station at Swansea. This incident happened in Llanelly, Wales.

The follwoing day he was released and went to stay at another US Army Camp of engineers at Pembrey, Wales and remained there for 14 days and the American MO dressed the wound twice daily during this period. He was apprehended in Neath on 29 May 44 and sent to Swansea and there taken into custody by Cdn Provost and taken to London, thence to Redhill, but it was found that he could not be tried there and he was again taken to London and from thence to ~~Kneller~~ 1 CASC RU.

These, then are the bare facts of the case. I would draw the attention of the court to the fact that this man found hospitality in an American Camp, as a Canadian solkier. He obviously must have borne himslef well otherwise he would have come under suspicion. Again, I would point out, that the man had and obviously bad throat.

Being Category A, 38 years of age, a qualified driver and motorcyclist with a Cl rating on his last refresher course for NCO's, B-84086 Pte. Graham, I A asks that the Court, in view of his qualifications for service, his tough break at the start and his apparent ability to soldier well, when given half an opportunity, grant him a suspended sentence and send him at once to a Unit in an Operational Zone.

It must be apparent to the Court, or anyone who attended recent Court Martials in this Camp that many of the cases have been brought about by conditions aggravated by long tedious weeks of hum drum training and fatigues, and that men like the accused, who were once good reliable soldiers, can be so again, of use to their Country and a credit to themselves. If the Court will see the obvious answer in such cases, <u>not more detention</u>, but a suspended sentence and an attached strong recommendation to higher authority, based on the urgent need for drivers in the field, that useless, further degrading, sould destroying detention be dispensed with, until these men have had at least one opportunity to re-establish themselves by serving in Normandy or other theatres of war, under battle -conditions.

Finally I would point out to the Court that this man has been held under close arrest for a period of 48 days, which, in itself is punishment enough. Again, a perusal of his past record will give light to a series of petty, minor crimes, which any soldier, subject to long periods of training and boredom is liable to commit. I would finally poijt out to the Court that punishment has but one end and that is to deter the offender from the commission of a further offense, but it is not an end in itself. The same result can be achieved by a sentence which I have tenatively advanced.

K 77632, Sgt Douet, K.P. having been duly sworn states-

May I refer to facts Sir. The first time I came in contact with B54056 Graham, I.A. was on 3 Oct until 23 Oct 43 while he was attending a NCO's Refresher Course Serial 14. Now this man at that time was a confirmed Section Corporal and Graham stood out in my mind as an excellent soldier and while on this course, of which I was in charge of we always appointed an NCO of the class to see that all the class get on parade on time and properly dressed. Now Graham was in charge of his class and he marshed the men out for three weeks and as far as his deportment for these 3 weeks is concerned, it was good.

This is from records Sir. His ability as far as lecturing is concerned was good and might I say again that his deportment was very good and the handling of the men on this course of which I was in charge and that these remarks were verified by Officer In Charge "He worked and tried hard". He attained a very good qualification on this course.

I should like to say in conclusion Sir that I was sorry to see Graham here under these circumstances for he would have made a good Platoon Sgt.

Sir,

The above named soldier was arrested by the HEATH BOROUGH police, as an absentee at 0045hrs. on the 29th. May.1944, was brought before the magistrates and ordered to be remanded, awaiting military escort and was subsequently taken over by this Detachment on the 31st May.1944. He was conveyed to the 199th. Company Pioneer Corps, Glanmor Road School, Sketty, Swansea and handed over to the M.C.O. i/c Guard to be detained.

Early this month, a message was received from the Duty Officer, Carmarthen Sub-District, to the effect that this soldier had been taken there, having been found at a U.S. Army camp, in that district and not being able to give a suitable account of himself. It was further stated that he had made his escape while the officer had gone into an adjoining room, for the purposes of making enquiries.

At about 2300 hrs. on the 17th. May.44 a message was received from the civil police, at AMMANFORD, S.Wales that a soldier, answering Graham,s description, had fallen in the road and had obtained head injuries. He had been taken to a nearby house and was collected by an ambulance from the Camp Reception Station, Swansea, where he was admitted. In spite of the fact that the C.R.S. were informed of Graham being Absent he was allowed to leave the following morning and remained an Absentee until apprehended by the Heath police.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

STATEMENT BY PROSECUTING OFFICER

It has been shown that the accused was given an order by Sgt Berlin, the accused understood it as you having if Lt York & Sgt Smith he disobeyed it. The defence attempted to show that he was drunk but drunkenness is no excuse for disobedience.

Disobedience of an order is a serious offence and when it involves danger to a MD vehicle in the theatre of war the offence is aggravated.

May I point out that this man had been relieved of his duty when Sgt Berlin ordered him not to take a vehicle out of the park.

DEFENCE FOR H-20620 Spr. GRAHAM, J.

1. Spr. GRAHAM is charged with "Disobeying a lawful command given by his Superior Officer. A.A. 9 (2). My witnesses have sworn that Spr. GRAHAM was completely under the influence of alcohol. According to the Army Act, a man in this condition is incapable of carrying out his duty, therefore he must be incapable of receiving and understanding an order.

From the evidence of Sgt. BERLIN ~~and L/Sgt. DREVEAUX, and [illegible] witnesses~~, no attempt was made to see that the accused understood the order. The Sgts. obviously gave the order and then walked away from the accused.

2. The accused has stated on oath that he does not remember anything until the accident. This is quite probable under the influence of the cheap wine, sold in this country.

I therefore claim that the accused while drunk sensed his duty - started to perform it - was stopped - then as is customary when under the influence of alcohol - tryed to complete it; as his vehicle when wrecked, was headed towards SUPINO.

3. If the accused had intentions of stealing a vehicle for his own pleasure, is it not more likely that he would collect his friends with whom he had been drinking and made a party of it.

4. ~~[illegible] states that more vehicles were required. The reason being that transport was restricted to a minimum after duty hours. Yet there was no guard on the M.T. lot to prevent an unhappy occurance like this.~~

5. ~~According to the prosecution, Sgt. BERLIN warned the men at 2115 hrs. and he was brought back camp at 0130 hours by L/C. NCOE. It is obvious from these statements that the vehicle must have been used during the [illegible] yard but no attempt was apparently made either to stop or follow a stolen vehicle.~~ Sgt Berlin said that all the accused was under the influence of alcohol

6. ~~Both Sgt. DREVEAUX and Sgt. BERLIN, in their statements, say that the accused was under the influence of alcohol. The accused also in the presence of L/Sgt. DREVEAUX drove the vehicle about the yard and then was ordered out of the vehicle as incapable of driving it. L/Sgt. [illegible] also knew that the man was on duty as duty driver.~~ Is it not the duty of NC.O.'s to discipline men who are on duty and become incapable of performing those duties?

9/0

the Sergeant did not perform his duty

I claim that ~~neither of these two N.C.O.'s performed their duties~~ properly. The principle behind the criming of men for minor charges, in this case - under the influence of alcohol on duty - is to prevent men from committing more serious offences which will truely be detrimental to the Army's efficiency.

7. ~~The accused was not driving his own truck. This is easily understandable in that this man was highly intoxicated and was obviously in no condition to tell what or whose truck he was attempting to drive.~~

8. The crime sheet of this man has one entry. AWL from 1800 hrs. to 0715 hrs. - one night out in all his service in the Army. This shows that the accused has certainly obeyed all the rules and regulations of the Army.

9. I am unable to call character witnesses as the M.T. Cpl. under whom this man served has been returned to CANADA as POW escort.

In conclusion I would like to emphasise the following points:

(1) Accused was in such condition that he was incapable of obeying or understanding an order.

(2) The accused was so intoxicated that he has sworn that he remembers nothing of what happened.

(3) There has been no proof of intent to steal a vehicle. Only intention indicated is of a man attempting to carry out his original orders.

(4) ~~Work tickets remained out on guard room, in their rack.~~

(5) ~~No attempt made to keep or follow men when they returned.~~

(6) ~~Neither Sgt. Smith or Cpl. [illegible] their duty in trying to prevent this occurance. This action showed no human understanding of their men.~~

(7) The accused has an excellent crime sheet.

~~I therefore request the Court to dismiss the charge of disobeying an order which this man obviously was incapable of performing, and consider it a mistake made serious by the slackness and misunderstanding of the soldiers involved.~~

SUMMARY OF EVIDENCE

IN CASE OF H20620 SGR GRAHAM

BY ORDER OF COMMANDING OFFICER ALL EVIDENCE HAS BEEN TAKEN ON OATH.

FIRST WITNESS FOR PROSECUTION: D16389 L/Sgt DESVEAUX, B.P. having been sworn states:

I am D16389 L/Sgt Bernard Paul Desveaux of 3 Pl. 12 Fd Coy RCE. On night 23 Jul at approx 2055 hrs. I saw Spr Graham the accused when I recognize coming into camp walking. It seemed to me to be slightly under the influence of liquor. He went into the M.T. area, got into a truck and started to turn it around. I went over immediately and told him he was not to drive the truck. I called for Rutledge to carry out the duty Graham was to perform. His duty was to pick up men who were on a recreational trip to Supino a near by town. He was duty driver for the following day.

The accused declines to question this witness.

SECOND WITNESS FOR PROSECUTION: H13149 Sgt BERLIN, V. having been sworn states.

I am H13149 Sgt Yale Berlin, Pl. Sgt of 3 Pl. 12 Fd Coy RCE. On night of 23 July 1943

at approx 2115 hrs. I saw Spr Graham the accused when I recognize, staggering & entering a vehicle in the RT yard. I immediately approached him and asked him where he thought he was going. He told me that he was going & pick up the boys in town. I informed him that a vehicle had already gone & pick them up and that he was NOT to take a vehicle out of the yard. He got out of the vehicle and that is all I know until Lt York the Pl Officer came in & informed me that he had found Spr Graham & sent me with Spr Graham at approx 2145 hrs.

G J Butler

The accused declines to cross examine this witness.

THIRD WITNESS FOR PROSECUTION. LT JOHN ARTHUR YORK, having been sworn states:

I am Lt. John Arthur York, Pl commander of 3 Pl 12 Fd. Coy. RCE. I was returning to Pl Area on night of 23 Jul 79 at 2140 hrs when I saw Spr. Graham standing on the road with his truck overturned in the ditch

by the side of the road. I asked Sgt. Graham the reason when I recognised what had happened and he explained that he had gone off the side of the road. I took him back to camp in my jeep and had him put under arrest and medically attended to.

Sgt. Graham had been the duty driver for the day, but was not in addition to drive and had no

Sgt. Graham knew that it was necessary to have a work ticket to take out a vehicle as he had one signed on 22 Jul. As Graham was not driving his own vehicle at the time of the accident it was an illegal trip because no work ticket had been made out for it. All work tickets require the signature of an officer and as W Hes the only other officer at 3Fd was with me at the time there was nobody in camp to authorise the trip.

~~I checked with Sgt Berlin, to if Sgt. Graham had been authorised to take the trip and he replied that he had ordered him not to go out with a vehicle. Sgt Duncan also informed me that he had ordered Sgt~~

Graham NOT to take out a vehicle

The Court declare that No. K-6013 Gnr Graham, J No. 1 Cdn Signals Reinforcement Unit illegally absented himself without leave at 2200 hrs at Morval Barracks, Cove, Hants on the 7 day of January 1943 and that on the 1 Feb 1943 he was deficient, and that he is still deficient of the following articles:-

FARNBOROUGH 25 Mar 43

K-6013 GNR. GRAHAM J., NO.1 C.S.R.U.

ABSENTEE

1. On the 23 Mar 43 while visiting the Camberly Police Station, I was informed that a Canadian soldier had been seen around Frimley for a period of several weeks and was believed to be living with a Mrs. Sergison at 3 Staidon Cottages, Frimley.

2. Accompanied by P.C. Nokes and D/C Brooker of the Camberly Civil Police, I proceeded to the above address and enquired if a Canadian soldier was living there. This was denied but on gaining entry to the house and conducting a search therein, K-6013 Gnr. Graham J., was arrested and admitted that he was absent without leave from No.1 C.S.R.U. since Jan. 6. The time of the arrest was 1650 hours, 23 Mar 43.

3. Gnr. Graham was escorted to H.Q., C.R.U. and there held in custody pending further investigation as it was suspected that he was the Canadian soldier who had allegedly been seen in Frimley wearing an officer's trench coat and attempting to dispose of a W.D. pistol, both these articles being stolen from Morval Officer's Quarters on the 26 Feb 43. Attempts to identify Gnr. Graham as this soldier were met with a negative result. He was then questioned regarding his actions while absent and the following statement was volunteered by him:-

"On the 6 Jan 43, just after being released from detention, I asked my Coy. Officer, Capt. Woods, for a pass and this was refused me, so I went absent without leave. I went to Aldershot and stayed with friends, whose names I do not wish to divulge, for about seven days. From there I went to London and stayed there about a month. I then returned to Aldershot and stayed with the same friends until the 26 Feb 43. Then I went to Frimley and stayed at 3 Staidon Cottages with Mrs. Sergison until I was arrested there on 23 Mar 43.

While absent I did not return to No.1 C.S.R.U. for any purpose. I was in the "White Hart" Public House only once while in Frimley and that time I was alone and I was not wearing a trench coat. I know nothing about the theft of a trench coat and pistol from the officer's quarters at No.1 C.S.R.U.

I have read over the above statement and it is true."

Sgd:- J. GRAHAM

4. It was further ascertained that Mrs. Sergison with whom Graham was staying has been previously convicted by the civil authourities of receiving W.D. property. It is understood that this time the Civil Police will take action again against her for harbouring an absentee from H.M. Forces.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER.

24 Sept 43

Lt Smith Major
Pres.

Accused's Statement.

I joined the Army in 1939 at the age of 22. I met my wife in 1935. At that time I was working in the Concentrator. I had been going around with my wife for 4 months, when she told me that she was pregnant, by me, which I knew was not the case as she had been running around before I met her. Both her parents and mine thought I was to blame, and they insisted that we get married, which we did in 1936, although I had no feelings whatsoever toward the girl. At that time I was making $4.50 per day.

The marriage was not successful, and we separated, on mutual agreement, in 1938. My wife took the child to my mother's, and I left her and the child an allowance of $20 per month.

I joined the Army in 1939 to get away from the family affairs, having signed over my insurance in my wife's name, as well as a $20 monthly assignment from my regular Army pay.

Have had no word of my wife & child, except letter from home telling me that my wife has been running around frequently beer parlors, and in the company of men.

Periodically my pent up feelings break loose, and I go A.W.L.

I have been court martialed 3 times

The last time I went out and stayed week ends at Sunday I intended to go back the next morning but slept in, and put it off until that evening. I got as far as the gate but got frightened, and went back to my friends home.

I am frightened of detention. The last time I spent 9 months, and the time before that 2 months. It broke my nerves

Cont Overleaf

Cont Question

Between the time of separation and enlistment I supported my wife because of the child. Made a $40 a month allowance to her.

Upon enlistment, claimed dependent allowance for benefit of wife and child.

I received information about my wife playing about 6 months after my arrival overseas.

I saw my Major who got me an interview with the Padre, who wrote a letter to the Can. Legion in Kimberley. Three days later, when

I saw the Padre again, he said that he had sent the letter

I never asked the DA Board to cut off my wife's allowance, because I had no knowledge of it.

At 2300, 12 Aug I was visiting a family of friends at Frimley. I was going mad daughter of the family I think why knew I was AWL

I am worried about the child. I would be happy if I knew the child was OK. I am fed up of wife wasting the allowance & drinking and running around.

I intend to get a divorce from my wife, as I have the grounds.

I saw the Padre about 10 months ago, as the RC, I saw the Prot Padre, as the RC Padre might have objection to divorce. The Padre said he would look after things

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS for the prosecution

An Exhibit:-
Certified true copy A.F.B.115 in the case of K-6013 Gnr Graham,J (R.C.A.), No. 1 C.S.R.U. (Attached as Exhibit "A".)

SECOND WITNESS for the prosecution

An Exhibit:-
A certificate of apprehension in the case of K-6013 Gnr Graham,J (R.C.A.) No. 1 C.S.R.U., purporting to be signed by G.H.Kerr, Capt. Commanding No. 7 Provost Company, Canadian Provost Corps. (Attached as Exhibit "B"

The accused elects to make a statement on oath.

Statement of evidence in the case of K-6013 Gunner Graham,J (R.C.A.) No. 1 C.S.R.U.

The accused, K-6013 Gnr Graham,J having been duly sworn elects to give the following evidence:-

"For some time past I have been troubled by family troubles back in Canada and I cannot keep my mind on my work. I was going with a girl in Canada before I signed up. This was in late 1935 and she became pregnant and although I was not responsible I was blamed by both her family and mine and my own family influenced me to marry her to avoid scandal. In 1936 I married her. Although I tried to make the best of it, things did not go very well for all she could think of was running around and having a good time. In 1938 we separated by mutual agreement. Her mother took charge of the baby. Because of the baby I am still assigning pay to my wife but have heard no news regarding my wife or the baby for over a year, except that my wife is still running around.

With this on my mind I periodically go off the deep end and go A.W.L. That is what happened this time. I left camp Monday night and went up to FRIMLEY and stayed with friends there until apprehended by the Provost on the evening of Sep 7, 1943. If I could only get this matter at home straightened up I know I could soldier.

J. Graham

I certify that the foregoing summary of evidence consisting of approximately one (1) page was taken down by me in the presence and hearing of the accused, and that Rules of Procedure 4(c), (d), (e), (f) and (g) have been complied with.

DEFENCE IS CLOSED.

Address by Capt. J.L. Reid, Prosecutor.

I have very little to say Mr. President and gentlemen of the court, this case that I have is about as clear a case as I have had the misfortune to be mixed up in. The documentary evidence is there in the alleged certificate signed, I have produced a witness who signed the certificate as a witness, I have produced the unfortunate young girl who signed the certificate, the accused himself admits the signature looks like his, indefinite as his memory is later, I don't think the court will put much stock in that, the accused has already admitted he is married at home and the facts speak for themselves. This man has committed bigamy or hasn't, my evidence is corroborated in every particular by two witnesses. The accused stated that he did not arrive back at Nellie Falcon's brother's house until 2.00 o'clock, in rebuttal evidence is provided by two witnesses, which I submit the court must take recognition against the accused's evidence. The accused gave evidence on questioning by his counsel that he did not stay with Nellie Falcon as man and wife prior to their marriage and I produced a document signed by the accused that he did. Under the circumstances I am quite content to allow this case to rest with you Mr. President and the members of the court.

Address by Major Shillington, Counsel for the defence.

Mr. President there is no doubt about my learned friend's contention that the documentary evidence is correct, the documents which have been produced during the course of this trial have been admitted, they speak for themselves, but I would draw to the attention of you sir and the court that there are many circumstances concering the whole series of evidence, the evidence of the witness Nellie Falcon would seem to throw a peculiar light on the circumstances surrounding the period just before and immediately after the alleged marriage ceremony. The accused states that shortly after meeting this girl he told her that he was a married man, he also states that he did before the alleged wedding again state that he was a married man. Now let us look through the evidence and see just what steps the accused took, if any, to instigate a marriage or to assist in this conclusion. In this court room at this time are married men and have gone through the experience of getting married, and when we did I believe I would be quite safe in saying that each one of us would be accepted for the normal man, each one of us made the arrangements with the person who was to perform the ceremony, each one of us obtained the license, each one of us arranged for the accommodation which was to be occupied after the ceremony, the evidence of Nellie Falcon herself states that she made the arrangements with the Vicar, she made the arrangements about the marriage license and that

she went out looking for accomodation, the attitude of the accused during that period was apparently negative, so much so that the marriage was not discussed by the accused in the presence of Sgt. Sisson, and Sgt. Sisson says in evidence that at no time from the first she knew the accused up until the time of the alleged ceremony did the accused ever say anything about the marriage that was to take place. The document speaks for itself, it would seem that a marriage ceremony did take place, but I submit that we cannot very well afford not to give some credence to the story told by the accused, he took no active part in the preparation for the marriage and it is borne out and corroborated by the evidence of the two girls, and as far as the accused is concerned he has no recollection of a marriage ceremony taking place, and his recollection of that time during which the ceremony did take place was that they stayed at John Falcon's house and actually it would be from 2.00 o'clock to 6.00 o'clock in the afternoon. I submit that there is a doubt as to the mental attitude on the part of the accused and I would ask this court to weigh that very carefully before arriving at a decision in a case such as this, it is quite easy to conceive where a man could be victimized by a series of circumstances and events and consequently the evidence should be weighed with more care and greater care than possibly it would in another type of case.

Address by Judge Advocate.

Section 103 declares that, if it is necessary, the Judge Advocate should sum up, I believe it is necessary in this case and I will endeavour to be as brief as possible.

It is hardly necessary for me to point out that the court is master of the facts, and, if I should touch upon those particulars, you will realize that I am expressing my own opinion, I will try and clarify the law.

The evidence has now been heard and it is the duty of you as members of the court to reach a conclusion. Two important points must be decided, in the first place have the facts as set out in the charge sheet been proved, and, second, if you are satisfied they have been proved, then has bigamy been committed. As the charge is laid under A.A. Sec. 41 as an offence against the laws of England, for the benefit of all concerned I would like to read section 57 - 1861.

> "Whoever being a party shall marry another person during the life of the former husband or wife whether the second marriage shall have taken place in England, Ireland or elsewhere, shall be guilty of a felony and being convicted thereof shall be liable to be put in penal servitude not exceeding seven years."

That gentlemen is the law of the land and is the law to be applied in that charge laid under section 41 of the Army Act.

In bigamy cases the onus rests upon the prosecution to prove four items:-

In the first place there is the celebration of the first marriage and as you see here to-day that alleged marriage did not take place in England and as a result it was necessary that expert evidence be offered as to the legality where the marriage took place.

The same remarks also apply to item number 2, which is the validity of the first marriage.

Item No. 3 is that the first marriage subsisted on the date of the second marriage, and

Item No. 4 is the very important item of the celebration of the second marriage.

Where the prosecution has established these four points then the onus shifts to the accused to put forward a sound defence in law to the charges. As far as I can make out the defence has relied greatly on the defence of drunkeness. In this respect I would like to read to the court M.M.L. Page 106, chap. 7, para.9.

Read by Judge Advocate.

There is one other point which I could touch upon, the evidence in this case, as you all readily agree, has been slightly contradictory, some witnesses have stated one thing and the following witness up stated the opposite thing, I wish to point out the question of the credibility of the witnesses and the amount of weight that you,as members of the court,should attach to any statement by a witness is entirely within your own descretion. You have seen and you have heard the witness and it is your duty as reasonable men to believe whichever witness you believe was telling the truth. I don't think it is necessary to deal on the principle of justice, that every man is innocent until proven otherwise. You know reasonable doubt, I think the best definition of reasonable that I can give is that - it is such a doubt as would make a reasonable man doubt in the handling of his own business, and in the matter that is important to you, such a doubt as would make you hesitate and ponder whether he knew the thing he was contemplating was right or proper. A doubt however must be a real and substantial doubt and not an idle recollection "That nothing in life is certain". In conclusion I would just like to say that I feel certain that whatever the decision of this court may be, the accused and all others can be confident you, as members of this court, shall do all in your power to render justice impartially as you have sworn to do.

SUMMARY OF EVIDENCE in the case of C-48014 Pte. John Edward Graham, General Workshop, Canadian Forestry Corps, charged under A. A. Section 41 with committing a civil offence, that is to say: bigamy.

The Officer Commanding directed that the evidence be taken on oath.

E-62611 Pte. Turpin, J. W., General Workshop, Canadian Forestry Corps acted as stenographer and was duly sworn.

Lieut. J. H. Murray, General Workshop, Canadian Forestry Corps having been duly swory states:

BY CAPTAIN J. L. REID

Q. Will you please give the Court your name and present status in the Army?

A. Lieut. James Hugh Murray, Records Officer, General Workshop, Canadian Forestry Corps.

Q. I understand, Mr. Murray, that some documents have come into your possession pertaining to Pte. J. E. Graham, the accused in this matter?

A. Yes, Sir.

Q. Will you produce them?

A. I produce a statement of evidence purporting to be signed by Lt.-Col W. C. Lawson, marked Exhibit "A" to which is attached a certified copy of official notice of marriage between John Edward Graham and Loraine Estella Conroy. I further produce a statement of evidence purporting to be signed by A/Major A. F. Leggett, CPM which refers to the accused, to which is attached MFM 16, MFM 17 and MFM 19, all of which relate to the accused, marked Exhibit "B"

Q. I understand, Mr. Murray, that due to the exegiencies of the service both Lt.-Col. Lawson and A/Major Leggett are unable to be present to-day; is that so?

A. That is so to the best of my knowledge

The accused declines to cross-examine this witness.

J. H. Murray

(J. H. Murray) Lieut.

Statement of Lt.-Col. W. C. Lawson, with attached documents filed and marked Exhibit "A" to the proceedings and signed by Capt. J. L. Reid.
Statement by A/Major A. F. Leggett, with attached documents filed and marked Exhibit "B" to the proceedings and signed ~~signed~~ by Capt. J. L. Reid.

Captain J. L. Reid read Exhibits "A" and "B" in full to the accused who was then asked if he wished to examine Exhibits "A" and "B" and declined.

Certified that due to the exegiencies of the service, including cost and loss of time involved that the attendance of Lt.-Col. W. C. Lawson and A/Major A. F. Leggett are, in my opinion, not readily procurable.

A/L/Cpl. Nellie Falcon, A.T.S. having been duly sworn states:

BY CAPTAIN J. L. REID

Q. Will you please give your full name and address?

A. A/Lance Corporal Nellie Falcon, A. T. S. A Company, Chester Sub Area Group.

Q. I understand that you know Pte. John Edward Graham, Canadian Forestry Corps?

A. Yes sir, I do.

Q. Did you go through a form of marriage with the said John Edward Graham.

A. Yes sir.

Q. Have you any document to substantiate your marriage?

A. Yes sir, I have.

Q. Will you produce it?

The witness produced original certificate of marriage number 022426, dated 28 February 1942, which was filed and marked Exhibit "C" to the proceedings.

Captain Reid then proceeded to read the contents of Exhibit "C" to the accused.

Q. Miss Falcon will you give a statement to the Court in your own words of what transpired leading up to your alleged marriage with Pte. John Edward Graham, and also include any statement which Pte. Graham may have made to you which may have induced or influenced you in going through this ceremony.

A. I went to Strathpeffer early in December 1941 and I met Pte. John Edward Graham there about three days after I had arrived. I stayed in Strathpeffer for three months during which time I saw Pte. Graham each week-end. I understood from Pte. Graham that he was not married and he suggested that we should be married before I returned to my unit. My leave was arranged to commence Feb. 25, 1942 and Pte. Graham arranged his leave accordingly, to accompany me to London. We left Inverness on Feb. 25, 1942 and proceeded to London. We stayed with my married brother, John Falcon. On Friday afternoon, that was the 27th February, I saw the vicar of Upton parish church and made arrangements for our wedding on the following day. We were married at 2 o'clock in the afternoon on Saturday, 28th February, 1942 and stayed in London until the 3rd March when Pte. Graham returned to his unit and I left to go to Chester. We had our leave together early in July and visited my home at Dearham in Cumberland. At the end of this leave I asked Pte. Graham if he did not think it was advisable that we should inform the respective authorities of our marriage. He did not think so as he told me that he was making an allowance to a person in Canada. I asked if this was an allowance for a wife and he said no, that it was an allowance to a girl but she was not his wife. When I returned to my unit after my leave I told the A.T.S. authorities that I was married and explained that as we had not obtained permission to be married that I thought it best to use my maiden name. The authorities said that this was irregular and asked me, for my own sake, to have the marriage regularized. My parents were also very anxious that this should be done. In my letters to Pte. Graham I repeatedly asked him if it was quite true that he had not previously been married and asked him to take the matter up with his C. O. In his letters to me he insisted that he had not been married before, but told me that if it came to light that he was married to me there would be trouble because of the allowance he was making to the person in Canada.

Pte. Graham had leave at the end of November 1942 and came to Chester where I stayed with him. I told him at the end of this leave that I myself had decided to ask the A.T.S. authorities to look into the matter. I went into hospital in December 1942 and was ill until the end of January 1943. Early in February 1943 I saw my C. O. and told her the full circumstances.

Q. You state that you saw the vicar. Was Pte. Grahan with you when you saw the vicar?

A. No sir.

Q. Why did you see the vicar instead of having Pte. Graham see him?

A. Pte. Graham was not sure of what arrangements would have to be made.

Q. Do you mean by your reply that Pte. Graham was not familiar with the laws of England.

A. I think that was it.

Q. Did Pte. Graham at any time definitely tell you that he was a bachelor and unmarried?

A. Yes sir.

Q. Were you suspicious that Pte. Graham was already married?

A. Not until seven months after I married him.

Q. In your evidence you have stated that on more than one occasion you asked Pte. Graham if he was paying allowance to a wife in Canada.

A. Yes sir.

Q. Were those questions asked by you before your marriage to Pte. Graham.

A. No sir.

Q. When did you first commence to question Pte. Graham as to the possibility of him having a wife in Canada.

A. At the end of our leave in July 42.

Q. That would be approximately six months after your marriage.

A. Yes sir.

Q. Is Pte. John Edward Graham present in this room?

A. Yes sir.

Q. Can you identify him?

A. Yes sir.

Witness identifies the accused, Pte. John Edward Graham.

The accused declines to cross-examine the witness.

STATEMENT OF A/MAJOR A. F. LEGGATT, R.C.A.F.C., A.F.

G-48014 - Pte. Graham, J. E.
Canadian Forestry Corps.

1. I am employed in the office of the Chief Paymaster, Canadian Army Overseas, and in this office all matters relating to Dependent's Allowance and Assigned Pay and other Service pay are handled.

2. I produce and submit Militia Form M.17 in which Pte. John Edward Graham G-48014 of No. 15 Coy, Canadian Forestry Corps institutes an assignment of pay of $20.00 per month effective Oct. 40 in favour of Mrs. Loraine Estella Graham, North Devon, York Co, N. B. It is stated on this Militia Form that the relationship of the assignee to John Edward Graham is that of wife. This is Exhibit "A".

3. I submit and produce Militia Form M.16 dated 26 Aug 40 and signed by John Edward Graham in which it is stated that one Pte. John Edward Graham, Regimental Number G-48014 of No. 15 Coy, Canadian Forestry Corps applies for Dependents' Allowance for a wife and one child, and states that this marriage took place 18 Mar 35 at Fredericton, York County, N. B. The name of the wife is given as Loraine Estella Graham with her maiden name Conroy. It is alleged in this Militia Form by Pte. Graham that he was supporting his wife prior to enlistment and that he was not married prior thereto. Pte. Graham also submits that he has assigned $20.00 of pay effective Oct. 40 in favour of his wife. This is Exhibit "B".

4. I now produce and submit a Militia Form M.19 dated 19 May 43 in which G-48014 Pte. John Graham of the General Workshop, Canadian Forestry Corps increases his assignment of pay to Mrs. Lorraine Graham, wife, North Devon, N. B. Canada to $30.00 per month. This Militia Form is signed by John Graham, and on this form is a certificate that the relationship of the assignee to him is that of wife. This is Exhibit "C".

5. From an examination of the signatures on these documents, and although my opinion cannot be considered as that of an expert, I am satisfied in accordance with my responsibilities in the Pay Corps that the signatures on the above three pay documents were made by one and the same man.

6. I would state that Assigned Pay deductions since 1 May 43 in the amount of $30.00 have been deducted from the pay of Pte. Graham, and that this amount in addition to Dependents' Allowance of $47.00 is in payment to the marginally named soldier's wife for herself and daughter.

Signed "A. F. Leggatt"
A/Major.

Plea of mitigation in the case of

A 29037 Pte. Graham, James Forsythe

Sir:

Pte. Graham joined the army on September 5, 1939 and like many other Canadians felt it his duty to defend his country. For four years now he has been patiently waiting to do his part and like other has been, shall I say, "browned off". Admittedly he has crimes of a minor nature against him, but in view of the length of service, these should be partially overlooked.

Pte. Graham has pleaded guilty to the charge against him. He offers no petty excuses in his defence but places himself upon the mercy of this court for as light a sentence as possible.

REPORT OF ENQUIRY.

Subject Pte. A.29037 Graham, James Forsyth.

Sir,

I have to report that in consequence of certain enquiries I was making, I visited the common lodging house, 24A Doncaster Road, Barnsley, at 12.15.am. on Thursday, 30th September, 1943. On examining the A.R.-S. Forms respecting persons staying at the lodging house, I found that two Forms had been filled in on the previous night the 29th September, 1943, in the names of William Howard and James Stewart. Enquiries reveal that these two men were soldiers. I wakened both men, and spoke to the above named man who admitted that he had signed the A.R.-S form in the name of James Stewart and that he had given that name to the Lodging House Keeper.

I asked him to produce his leave pass and this he failed to do, but he produced his Army Paybook from which I saw that he was a member of the Canadian Army and that his Pay Book was in the name of James Forsyth Graham. He then admitted that this was his name, and on further questioning he admitted that he was an absentee from his Unit. When I asked him to account for the fact that he had used a false name, he replied, "I'm saying nothing."

Along with the other soldier, who had also been using a false name I brought them to the Police Office. Graham was dressed in ordinary soldier's clothing with forage cap and the Canada flash on each shoulder of his blouse.

He was detained at the Police Office under Regulation 12 (1) of the Defence (Armed Forces) Regulations, 1939, on suspicion of having committed an offence against Regulation 20 of the Defence (General) Regulations, 1939, that of assuming a false name, pending further enquiries.

Further enquiries have failed to reveal from where Graham is absent and I respectfully suggest that this man be brought before the Barnsley County Borough Court at 10.am. on Monday, 4th October, 1943, and remanded in custody to await a Military escort.

I further respectfully suggest that a copy of this report be handed to the escort for the Commanding Officer of Graham's Regiment when that Regiment is located.

I am, Sir,
Your obedient Servant,

Respectfully submitted:-

CASE OF

B.81687 Private GRAHAM, J.J., RCAMC, on strength No. 1 CCRU.

PLEA IN MITIGATION OF SENTENCE

In addressing the Court in pleading leniency of punishment, I would like to draw your attention to the long service of the accused; he enlisted on the 11 Sep 40 and arrived in England on the twenty-fifth of the same month. He has also served in France in action with the 10 Fd Amb in which he was wounded and returned to England. He has had a very long service, and up until quite recently, he has had quite a good record. He has obviously been a very good soldier. He was worried about his family in Croydon, as you know it was at that time under severe bomb action. This, I think, alone would be enough to make him go AWL. He had been refused leave when he asked to go and see his family; therefore he disregarded army regulations and went any way. I would however like to point out that he returned voluntarily to give himself up.

Members Of The Court.

Sirs-

I, B81887 Pte. Graham J.J. wish to make the following statement in pleading mitigation of punishment.

I returned from France wounded, 11 Oct 44. I was sent to #11 Canadian General Hospital, and later sent to ROMAN WAY Convalescent depot, 31 Oct 44. I applied for a leave from here, but was refused.

I was very worried about my wife and child, living in East-Croydon, a V BOMB district. I wanted to get a place to move them to, away from this district.

While I was away I became sick, and was in bed for TWO weeks.

H Graham

B1. The President [redacted] shall be satisfied that the accused understands the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans [redacted].[5]

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings(s) of Guilty in Part I of the Schedule.[1]
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex [redacted], initialled and read aloud by the President.[1]
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D4 to D8 inclusive of Record Form D on p 3. I am B 72984 Sgt Walsh, A.R of 48 Highrs on the strength of "B" Coy 4 C.I.R.U. I have been on the strength of "B" Coy since the 27th Nov 43. before that I was on the strength of "A" Coy 4 C I R U from the 18 May 43 until 27 Nov 43. I was orderly sgt of "A" Coy during the period I was in "A" Coy. In my capacity as orderly sgt I received tattoo reports for "A" Coy 4 C I R U. I remember the accused B 72984 Pte Graham J. I looked thru "A" Coy lines and could not find Pte Graham (the accused). I did not see B 72984 Pte Graham, J.W. again until after he had surrendered to 4 C I R U Regtl Police. When Pte Graham came up for C.O.'s Office I was called to give evidence. If B 72984 Pte Graham J.W. had been present at any roll call during the period 12 June 43 — 3 Oct 43 I would have known as I made up all duty rosters and checked all roll calls and made up all absentee reports

Statement of Accused Re Mitigation
In the case of B73566 Pte Graham J.W.

B73566 Pte Graham J.W. having been sworn at his own request gave evidence as follows:-

I have been in the Cdn Army since 15 Nov 39. I came to England on 18th Dec 39 with the 48 Highrs of Canada and served with them, in the Field, until March 1941. In March 1941 I was sent to hospital and from there to No 1 C DIRU. From 1. C DIRU I was sent to Cooking school at North Camp, Aldershot. From the cooking school I was sent on a working party with the Engineers at Ludshott where I remained two and a half (2½) months that is until Sep. 1941. I served in detention one and a half (1½) months and then went back to the ~~1st Cdn~~ 48th Highrs in the Field. (This was my second term in detention, the other being in April 1941) I was with the 48th Highrs, in the Field from Jan 1942 until left 1942. I went into detention in October 1942. After serving my detention I was sent on a Cook's course at North Camp, Aldershot In Jan. 1943 I was put into detention and while serving my detention I was boarded at No. 15 Cdn Gen Hospital where I was told that I was of no further use to the Cdn army because I had nervous troubles, and family troubles. They claimed that while in detention I had tried to commit suicide. After finishing my detention I was sent back to the Cooks' School and after a week there was to 4 C I R U. At 4 C I R U. I was posted to "A" Coy and

(over)

was put on permanent fatigue as but
orderly. Excepting for the fact that I
had Sundays off I was permanently
confined to barracks as I was not
permitted to leave the hut on other days.
I tried from March 1943 to June 1943
to see the Colonel. I had seen the
Coy Cond "A" Coy and the S.P.O. and
other officers as I wanted a steady
job where I would not be alone so
some treatment to help my condition,
but I got no satisfaction. I was
having family troubles and most

W78C. Address of Prosecuting Officer (closing)

1. The defence has tried to prove that Pte Graham was in barracks at 4 C.I.R.U. after the 12th June 1943. Pte Bryson, the only witness was obviously not clear as to dates and places. His transfer took place six months ago and it would be abnormal if he were able to remember exactly when he last saw Graham.

2. Sgt Walsh, C.O.S. "A" Coy 4 C.I.R.U. at the time in question stated that on 12 June at 2200 hrs Graham was reported absent at Tattoo roll call. Sgt Walsh was permanent C.O.S. and he stated that to his knowledge, in his capacity as C.O.S., Graham was absent from that time until he appeared at the Commanding Officers Orderly Room about six weeks ago.

3. Sgt Harvey, Provost Sgt, was present on Oct 3 at 1715 hrs when Graham presented himself to the guard room, had his battle dress taken away from him along with his personal belongings, and was placed under close arrest. He was placed under arrest because he said he had returned from being absent without leave.

Defending Officers Address to the Court. (Closing.)

1. Straight question of fact, was the accused absent on the relevant dates. On one side evidence of a C.O.S. of a company operating under difficult circumstances with large numbers of men coming and going all the time. On the other side evidence of a Subsidiary private that accused was present and apparently carrying out his duties on the 16 & 17 of June.

2. The evidence of the prosecution is clear but not absolutely direct in that the C.O.S. was defending upon reports furnished him by other N.C.O's who called or should have called the rolls. Added to this is the resolution of 6 months that he searched quarters and would have heard if the accused had been present.

3. May the court be reminded that if any real doubt exists, the onus of proof is upon the prosecution and any balance must be resolved in favour of the accused.

Name GRAHAM, John, William No. R.71566 Rank Pte.

Psychoneurosis- Reactive depression. (0627) (code)

(code)

Precis Case History:

This soldier could not receive treatment in the neurosis unit because he is under sentence for F.G.C.M. Any improvement that could be expected would only be temporary when one considers his inadequate personality of civil life. The domestic situation is what is causing all his difficulties now & he has neither the ability or stability to deal with the situation. To be boarded & my own recommendation would be discharge from the army. There has been no appreciable change in this soldiers condition since his admission to hospital.

THIS PATIENT IS FIT TO UNDERGO TRIAL - F.G.C.M.

BOARDED CATEGORY "E" - MENTH.

Recommendation:

Discharged to:- #4 C.I.R.U. UNDER GUARD.

STATEMENT MADE BY C.11460 PTE. GRAHAM, L.F.

Sir: I have been in No. 1 C.A.S.C. R.U. for approximately two years now and during that time I have tried on different occasions to get out to the Field. My former unit is now in Italy and I was too late to get on the last draft before they left. I finally managed, in April, to be sent to the Field. I went to 35 Company and from there was posted to Army Headquarters. Was quite contented and satisfied there with the job. It lasted only five days when I was called back to R.U. My documents show me as a "Cook" and I had to be Trade-tested. I did not want to be a cook and had the Colonel try to keep me on as a driver in Army Headquarters but it was out of his power and I had to be returned here. That was in April. I knew staying around here I would get in the same rut I had just got out of after two years. That was one of my reasons for going A.W.L. That is all, sir.

(C.11460 Pte. Graham, L.F.)

Above Statement was taken down by Ch. Court Short Hand writer. A.C.A.C. A/Sgt.

PLEA FOR MITIGATION OF SENTENCE TO COURT RE PTE. GRAHAM, L.F.

As defending officer for the accused, Pte. Graham, L.F., I wish at this time to make a please for mitigation of sentence to this Court.

Whilst this soldier was with 1st Div Amn Coy his record was good. He worked and gained the rank of L/Cpl. This can be easily verified by his MFM 6 showing a clean sheet from May 1940 until April 1942 a period of approximately 22 months. Unfortunately, due to circumstances upon which this soldier had little or no control he was admitted to the hospital and found his way into 1 Cdn A.S.C. Rft. Unit. His conduct whilst in this Reinforcement Unit became worse. These out breaks of bad conduct were brought on by the treatment he came under in this Unit. In activity, fatigues, away from his interests and friends in his former Unit, added to these circumstances were compassionate grounds. Worry and strain were brought about from not hearing regularly from his wife in Canada. The latter was finally settled to his satisfaction after a long delay. In March of this year Pte Graham was interviewed by a psychiatrist who recommended that he be sent to an active unit immediately. The accused approached me personally about this subject. I had him posted to 35 Army Tps Comp Coy on the 2nd of April, 1944. His wish to get to a Field Unit was sincere and he was quite content with the posting. This soldier was transferred on arrival at this Unit to Army H.Q's as driver for Col Pease. At this point Pte Graham found he liked his work and was becoming interested. He was called back to this Unit after several days because of a wrong entry as a cook to be trade tested by C&B Wing. This was a very unfortunate circumstance, the vacancy created was filled by another driver. His hopes of getting back to this Unit under control of N.C.O's and Officers he had soldiered under previously were shattered. This feeling of frustration and disappointment played a great part in his absenting himself without leave on the 19th April 1944. I am convinced this man would have done a fine job had he been left alone at Army H.Q's.

I should like to impress upon the court at this time that Pte Graham could not have had any part in the instigating of the escape from the Guard Room. Pte Graham had been in solitary confinement with Pte Conlin until approx 1715 hrs. The time of the break was approx 1910 hrs. This escape must have been planned ahead of time. The trap door had been nailed down, the way out after reaching the attic must have been planned ahead of time also. Graham had been allowed into the large cell block at supper time and allowed to remain to write letters under fairly close supervision up until 10 minutes before the actual break. The first inkling that other members of the group were escaping was when Graham heard them running along the attic. Graham went into the lavatory and noticed the trap door open. Being of an impulsive nature and easily lead he left also. These actions came about without thought of the consequences.

With due consideration to these facts I beg of the Court to exercise as much leniency in this sentence as is possible. Sir.

STATEMENT OF EVIDENCE in the case of C11460 Pte. Graham, L.F. 1st Cdn ASC Rft Unit.

Sir:-

At Hull on the 17 May 44 about 1610 hours acting upon information received I proceeded to Jameson St., where I saw the above mentioned soldier. I asked him to accompany me to the Hull Garrison for questioning. This he did. I asked him if he had a pass. He produced the attached leave pass, which I handed to the Cpl. J.T. Bielby, C.M. Police, who then contacted the Garrison Adjutant (Capt. Rymer). The Garrison Adjt. then contacted the above mentioned soldiers unit, who informed him that the above mentioned soldier was an absentee. Cpl. J.T. Bielby then asked the soldier how he had obtained that attached leave pass. He replied "I have no explanation, you can tear it up". I arrested him, obtained his particulars from his Pay Book and handed him over to CSM Brown, W.D. i/c Guard to be detained. He was sober and properly dressed. 163(1)(jj) and Guard Commander's Statement attached.

H-101732 Pte Moser, J.H. having been duly sworn states:-

" I am H-101732 Pte Moser, J.H. Regimental Police on stregnth of 1 Cdn ASC Rft Unit. I was on duty in the unit Guard Room of No 1 CASCRU on the 21 May 44. I was making out my guard reports about 1920 hours. There was a knock on the door of the large detention room, I went over opened the door and Pte Tobin who was confined there told me that seven men had escaped. I immediately checked the detention room and found the trap door in the ceiling above the urinal had been forced. I immediately notified L/Cpl Blackburn who sounded the alarm. I called the roll of the men who were confined and found Pte Graham who I now recognize as the accused, absent. At the time of the knock on the door there was only L/Cpl Blackburn and myself in the outer room. About 1845 hours our special patrol for town of Beverley began coming into the Guard Room, this patrol consisted of about 20 men who were in at the time putting on belts and gaiters and walking about the room and causing quite a noise which made it impossible to hear anything. They left about 1910 hours. The trap door leads up into the attic and comes over the prophylactic room the door of which was always open. One week before carpenters had nailed down the trap door from the attic side and to get in the attic and out they had to remove a strip of plaster board from the ceiling which was never repaired very well. The section of plaster board was hanging open at the time of the break and was in the same condition when I looked in that room after the break out. Pte Graham was in battle dress when confined in the large cell."

" I am C-12117 L/Cpl Blackburn, P.G. Regimental Police on strength of 1 Cdn ASC Rft Unit. I was on duty at the unit Guard Room on 21 May 44. I had just cjecked my books and left the room and went to the desk where Pte Moser was making his charge sheets up for the following day. I heard a kick on the door about 1915 hours and Pte Moser left his desk and went to the door and went in and saw that some of the boys were gone. He immediately yelled to me and I went out the front entrance and around the side of the prophylactic room. There was about ten officers all ranks and one officer told me that they had left this way, him and I ran through the billets over some hedges and down the back road, we did not see any prisoners about, I returned to the unit Guard Room and sent an RP to warn the Orderly Officer. The Beverley town patrol had reported to the Guard Room to get their belts and gaiters previous to the kick on the cell door and were gone by the time we heard the kick. There was quite a noise in the outer room while the patrol was getting ready and it would be impossible to hear what went on in the large room. When I enetered the urinal room the trap to the attic was three quarters open, I went around to the prophylactic room and saw pieces of plaster board on the floor and a piece hanging from the ceiling. The hole the trap made and the section missing from the ceiling was large enough for a man to go through.

We thought we heard a knock at No 3 cell. I went down to see and it was no knock at all, by that time there was a knock from the large cell. Pte Moser went to see what the trouble was and that is the first we heard of the escape of seven men confined in this cell. I went outside to the side of the prophylactic room, did not enter, saw a few officers outside. Lieut Petrie detailed L/Cpl Blackburn and myself to go with him in a lorry, we went out by the parkway and walkin in through the fields towards camp but did not see any of the escaped men. I did not go to the urinal at the time to see where the men broke out from. I did not personally examine the trap door or prophylactic room at any time after the break. No 3 cell is not near the prophylactic room. The town patrol for Beverley had just left before I thought I heard the knock from No 3 cell. There was a lot of noise in the outer room during the time the patrol was getting ready. I identify Pte Graham as one of those men who escaped from the Guard Room during the breakout. I couldn't say for sure how these men were dressed some having battle dress, others fatigues."

At approximately 1915 hours Lieut Petri ordered me outside onto a waiting vehicle. We then proceeded towards Beverley to see about locating the seven men who escaped fromthe Guard Room. While patrolling the back hall I did not hear anything to indicate a break. I could hear the noise in the outer room due to the outgoing town patrol getting ready. This hall is not near the prophylactic room being in the back of the guard room while the prophylactic room is on the end of the building. I knew of the break immediately after it happened. I was in the prophylactic room about 2200 hrs and saw the place in the ceiling where these men entered the prophylactic room in making the break, the section of plaster board was lifted up."

About 1900 hours writing paper was brought into the cell. During the time I was in the cell I did not hear any noise in the urinal. Pte Coles and myself kept together the others in the room did not seem to want to talk to us. I had asked them a couple of questions and they barely answered them so we didnt bother trying to pick a conversation. About the time they brought the writing paper in the cell we all started to write then all of a sudden they gradually left the table one at a time and want into the urinal until there was just Pte Coles and myself left in the room. I took it for granted that they were all in there having a smoke. They hadnt been in there long when I got up opened the door to use the urinal and heard someone running over the roof. At the moment I didnt realize that htye had escaped so I immdeiately went to the door and kicked it and Pte Moser came to the door and I told him that everyone was gone and he was more surprised than we were. I was in "B" Coy of 1 CASCRU at the time I was confined to the Guard Room. I never took notice of what these men were wearing at the time.

After supper we had a writing period, we sat at a table to write letters, there were a few of the boys in the corner talking, they told me it was something personal and then they went into the urinal so I went back to continue writing letters. Later I went to the urinal noting that mostly everybody was missing except Pte Tobin and myself in the cell. When I enetered the urinal I saw that everybody was missing. I told Pte Tobin and we went over and the door was kicked to attract attention of the guard. He yelled to wait a minute and he would be over. When the guard came we told him that everyone except Pte Tobin and myself were missing and had escaped. He looked around and then came back. The Accused, Sworn, states:

In September 39 my brother and I enlisted. At that time, my dad being ill in hospital, and us not knowing when we would be sent overseas, we made arrangements with our wives to make an allowance for mother if anything happened to dad, that they should both make an allowance for her. We came to England in 1940, and since then have only had two letters from my wife, one when my Dad died in August 40, and one previous to that. Since then I have had no word as to what allowances were made or if they ever did keep their promise to make an allowance for her. In December 1942 I decided to look into things myself. I had already gone to higher authority and had gotten no satisfaction. During the time I was absent I tried to get a boat back to Canada, but found out that to do so I would have money and work that was when I went to Coventry to get that, and was picked up by the military police. My reason for doing this was to see how things were at home, and to straighten things out myself. In April 43 I went to my C.O. to have this matter looked into, and on several occasions after that. I received no word from Canada or from the authorities here in England. I had one letter from my wife early in 1943. She said nothing about either of the wives. My brother is still overseas. He has heard nothing and is having the same trouble and since August 41 has had his wife's allowance stopped. I have a 6 years old daughter. I have only

WM

had two letters since I came over. I come from Ottawa Ontario, and as far as I know my wife is still living there. My brother and I talked it over and decided that if one of us could get home we could get it straightened out. It was arranged that he would go home on escort duty, but it fell through at the last minute.

Plea in mitigation of sentence in the case of 611460 Pte Graham L.F.

Sir: Pte Graham has pleaded guilty to an offence under military law. Before the court decides on the sentence, I wish to point out that, having due consideration to the events leading up to this offence, I feel that his case should receive special consideration.

This man, fully believing that the army had failed to do what he would have done himself in civil life — namely, stop his wife's allowance, returned to Canada to obtain the proof necessary for that step, or to put an end to his anxiety.

The army demands that a man suffer proof of a wife's infidelity before it will stop the allowance. How can a man who has been in England for over three years possibly be expected to produce that proof? He, having received only two letters in over three years and fortune by doubt & worry as to how his child and aged mother were living, decided for direct action. The court will note that this decision was made only after repeated appeals to higher authority to take some action in his case. All else having failed, he decided that his only chance was to go A.W.L. and try to return to Canada.

This man is not an habitual A.W.L. He has been in my platoon for the past year and I know that he,

My

during that time has performed his duties well. He was looked upon as being reliable and trustworthy and was stated for promotion, when he left the company.

I am no medical expert to say that this man is suffering from an anxiety neurosis, but I certainly feel that his case should be investigated and arrangements made to provide him with information as to the welfare of his child and of his dependant mother.

Sir:

This soldier enlisted 8 September 1939. He proceeded to England in ~~December 1939~~ February 1940. As you have seen by the accused's M & M he has been AWL a considerable number of times. Each time he has been meted out punishment of Detention, Field Punishment or Forfeiture of Pay as the Courts saw fit. This has completely failed to put a stop to his tendencies to overstay his passes. I firmly believe this to be the wrong type of cure.

He wishes nothing more than to be given the opportunity to prove that he is not a bad soldier but merely a misguided one by serving with the Canadian Army under Active Field conditions in any sphere of operations.

May this soldier's desire & hope receive the consideration of the Court as to mitigation of sentence for the Offence as charged.

May I also point out that he has pleaded guilty to the charge as read and that he voluntarily surrendered himself on 4th Jan 1944.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President ~~and/or~~, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. Nil.(5)
(1. RP 37(E). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (~~are~~) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.(1)
(1. RP 37(A) (E).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.(1)

If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

Pin here Loose Sheets of Record.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? Ans. .....(1)
(1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.)

D2. The Prosecutor makes (an) (no) opening address.(1)
(1. RP 39(B), 60(A) (B), 90, 92(C) (D). Record address per Notes, subject to RP 95(C).)

D3. The evidence for the Prosecution is taken.(1)
(1. RP 39(C), 114, KR Can 555. Record evidence per Notes. As to Prosecutor giving evidence himself see RP 39(D) (E).)

D4. The Prosecution is closed.(1) The Defending Offr submits that the evidence for the Prosecution does not establish a prima facie case against the accused on the ..... charge(s).(2) The Court is closed, and considers the submission.(3) The Court is re-opened, and the President announces that the submission is disallowed on the ..... charge(s), and allowed on the ..... charge(s), and that, accordingly, the trial will proceed on the former, but the accused is (are) found Not Guilty on the latter charge(s).(4)
(1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges, use second alternative in para D8.)
NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Plea of Mitigation

In the case of

A.11605 Pte Graham L.N.

Pte Graham enlisted 1 Oct 39 and came overseas in Oct 41. He was with the Perth Regt but was unable to leave with that unit when they went into action. Although he is "A" category, for some unknown reason, he has never been sent as reinforcement to his own or any other unit of the 1st or 4th divisions.

Becoming thoroughly "browned-off" he has taken matters into his own hands.

He is "A" Category, as I mentioned previously, and an experienced driver and only wishes a chance to get into action and prove that he can soldier.

Statement in Mitigation by the Accused

I am quite willing to go over there with the hand-cuffs on for the simple reason that I have a wife and three children. It is for their sake that I would like to go over there and do my best. I realize that I have made quite a fool of myself. Since I have come back here, and since I have heard the punishments handed out for AWL. I would like to do my best. CASE OF PTE GRAHAM

Lt Mitchell cross examines the Prosecutor:

Q. What do you know with respect to the charcater of the accused as indicated by his conduct.

A. Since we came to England 1941 Oct., Pte Graham has been a member of my Pl, he is a Carrier Dvr and at no time did I ever have any reasons to doubt him and have always been able to depend on him.

Q. Can you give any reason for his present absence.

A. Up until we arrived in Brighton, Graham had done a very good job of soldiering. But down there the Wine, Women and Song got the better of him.

Address by Defending Officer;-

The accused since arriving in England has been a reliable soldier until the unit was stationed in Brighton when there were too many sources of amusement &c. when going on 7 days leave he spent his leave with a woman in Brighton and at the expiration of his leave had a boil on his stomach so he overstayed his leave. When the boil was cured four days later he was afraid to return as he had already had one leave from his Commanding Officer Time dragged on and he eventually decided to return to his unit and when apprehended by the Police was walking along Ranelagh Road with his full equipment to the bus station.

Doctor's care. Was it not a natural thing for accused to stay by his wife's bed until she showed signs of improving? When she began to recover he started back to Camp but was apprehended at railroad station with his ticket back to his unit in his hand while waiting for train. Unfortunately accused did not keep any documentary evidence to submit to court. He did not mention wife's sickness to Coy. Commander believing domestic worries should be kept to himself. Accused realized punishment would follow his absence but thought it more important to stay by his wife in her illness

Do you wish to give evidence yourself or to call any witnesses as to character?

MEDICAL OFFICERS CERTIFICATE

20 Feb 45

This is to certify that B-70378 Pte Graham S.A. is fit to undergo trial by Court Martial.

A B Cole Capt RCAMC
MEDICAL OFFICER

The Defending Officer makes the following plea in mitigation.

In this case, as has been indicated from the summary of evidence, it is one with which we are all familiar. A man becomes shell-shocked or bomb-wacky. You all know that there are certain rules laid down by the MGA that green troops will be given a certain time in a quiet sector of the front before going into the line to get them accustomed to conditions. This man had no time at the front before he was in action. He had no time to acclimatize himself to conditions in action. He had been all through Caen, Brettebille, Fallaise, and the rest of it. We must also remember that certain individuals are effected differently from others. Anyone who recalls those days knows what the bombing was like. Pte Graham went into action as soon as he came to the continent. Finally he was unable to stand up to it and he left after his nerves broke. His nerves were completely shot. He simple could not bring himself to face it. I am not referring to the other matters of the case. On these charges, Pte Graham has confessed that he is guilty and has given his reasons.

Summary of Evidence in the case of B-70378 Pte Stewart Alexander Graham, 1 Bn Royal Hamilton Light Infantry, a soldier of the Canadian Army Overseas.

The accused is informed of his rights.

The C.O. directs that evidenc be taken on oath.

STATEMENT

I am B-70378 Pte Graham S A Supt Coy RHLI. About the 26th Aug 44, I was with my unit near Liseuxe, France at approx 0900 hrs 26 Aug 44 I was warned by Sgt Brown that I would be ready to proceed with my sec into the line as a bren gunner as my nerve gave out I could'nt bring myself to go so I went AWL. The night before we had been bombed, I left my unit just after dinner later in the day I reached Cain and then went on to Bayuex at approx 1800 hrs 26th Aug 44 I arrived at Arromanches I walk out onto the pier and watched the MS unload a boat I then went on board and had something to eat, after eating I stared on the boat and hid in a small hole on the back of the boat, the name of the boat was the S S Walburg. The next night 27th Aug 44 the boat pulled out of dock. When we arrived in England the boat stayed out in the mouth of the Tames River for two days and then she pulled out and sailed to Newnaven where she stayed out in the bay for approx two more days. I then went and asked the Capt for a meal which he gave me then he turned me over to the harbour CMP. The CMP took me to their guard room then they took me to Roman Way Convolescent Hosp. On the 4th Sep 44 the Cdn Provost came and took me to London. The next day I was taken to aldershor and after staying there two days I was brought back to a holding unit in France. we left there and stopped at a place called Liseux. We stayed there approx one day and a night, the nest day I think was the 11th Sep 44 in the afternoon I left with another Cdn for Paris. On the way to Paris. We met two U S Soldiers who were going on leave and the four of us hitch-hiked to Paris when we arrived we went and obtained billets at a U S barracks. I stayed there approx 7 weeks. I myself up until I met an English soldierr who was AWL. we went back to Bayuex Cain area. While in Bayuex I met Bryers another Cdn soldier who was also AWL. so Bryers and myself went back to Paris. We stayed in Paris approx two days where we met two Yanks who were also AWL. One of the Yanks said he was going to burn himself in the other U S soldier suggested going down to the south of France. We went to Marscelle and stayed one night there, as there were to many MP there. We moved on to Nimes we arrived that night the date being the 18th or 20th Dec 44. In Nimes we met a French soldier who said we could stay at the P F I barracls which we did that afternoon we met three U S soldiersin a picture show and made arrangements to meet them that mitht in a cafe. They said that they would see us at 2000 hrs. The did'nt show up that night. Just before we left the cafe a U S soldier entered and after speaking to the bar tender he came over to our table and showed us a slip of paper with the name of the hotel on other Yank friends were staying at. After talking to us for some time he told us he had a truck he had stolen from Marscelle he asked us if we would like to make some money, as he could get gas and we could sell it. we went with him and after getting some gas drums we went to a petrol point.aOn arriving at the petrol point we started filling the drums As the gas attendent got wise to what we were doing. The rest of the soldier rin down the road and I could'nt start the truck. I followed them. We walk back to Avignon wheere we saw a car parked by a building we got to the car and found a Frenchman in it. We asked him if we could stay in his car until daylight but he said no. So Kwller said we could take the The Frenchman as well as the car. This we did and drove the car across the Rhone River Bridge we stopped and let the Frenchman out after taking his watch and money. Then we drove back to Names and picked up our coats from the P F I barracks. From there we went to Montpeller Keller left us on the 22nd Dec 44. Bryer Monroe and myself stayed in Montpeller until after Christmas. We ~~cannnnnn~~ then started back to Paris and wheme we went trhough a village called Orange we were picked up by the French police who turned us over to U S Police who took us to Paris and then I was returned to my unit.

B-70378 Pte Graham S A states that he could not drive the A/M truck.

1. The a/m soldier absented himself from his Unit in France, 1st Bn RHLI and remained absent until he surrendered to Lt L.G. Tippet of A Dannish merchant ship S.S. Valburg at Dovercourt, England. He was turned over to Cpl W. Osborne 155 H.Q. Provost Coy. C.M. I, B/70378 Pte Grham S.A. have been cautioned by Sgt C.D.Winn S.I.S. Cdn Provost Corps that I am not obliged to say anything unless I wish to do so, but that whatever I do say will be taken down in writing and may be used as evidence. To show that I understand this caution I sign my name here:

5 Sept 44. Signed : S.A. Graham B/70378

About the 26 Aug 44 I was with my unit about ten of fifteen miles, the other side of LISIEUX in FRANCE when I went absent.

My reason for going away from the unit was I couldn't stand the bombing. My nerves gave out. When I left I didn't know what I was doing. The next day I found myself going toward CAEN.

From CAEN I hitchiked to APROMANCKES which is a beach head on the channel. I walked out on the pier as there were lots of soldiers there, I had not trouble walking on board a boat, which was being unloaded by the engineers. The name of the boat was the S.S. Valburg.

That night I went to sleep in a little recess in the back of the boat where I stayed for about seven days. When I got on the boat I had about two cans of salmon. Every night I came up for water.

After being on the boat for seven days, I gave myself up to the Captain At that time the boat was at Dovercourt England where the boat lait for three days in the harbour. The Captain of the ship gave me a big meal. I was so weak I couldn't stand up.

On Sunday the 3 Sept 44 the same day I gave myself up, the Captain turned me over to the C.M.Police who took me to Roman Way Convalescent Hos. and put me in the guard room. I was there until the Cdn Provost brought me to London.

This statement has been read over to me and is true.

Signed S.A. Graham

Second Witness for Prosecution — Lieut J. A. Leclaire, Seaforth of C sworn states:-

I am Lieut J A Leclaire T.O. of the Seaf of C. On 19 July HQ Coy had a party after refreshments had been served the Padre entertained the men with sing song and a after this part of the show an American concert party arrived. I then left the area with the Tpt Sgt and 5 or 6 Drivers we proceeded to my tent in the Tpt lines to discuss the next days duties. About an hour later Pte Graham Kirly and Nicol rode up in the latters truck which had defective lights. I understood from the conversation that they had brought the vehicle to fix the lighting system they stayed with it for about 15 mins. They left towards the Tech stores lorry and went on to the concert. When the concert was over I took the drivers who were to take the concert party home. Down to the area where the party had been held, there I met Maj Dickenson who was taking CSM Klenchuk for Med. attention. I was told the CSM had been struck. The concert party was loaded and I directed them down to rear Div came back and went to bed. I did not see them repairing lights.

The next morning HQ Coy Comdr called a parade and asked the man who hit the CSM to step out , none did. 20 mins later the CSM and Pte came to me with a shirt supposed to be the property of Graham the shirt had blood stains on the sleeves that afternoon.

I accompanied the CSM to inspect Pte M[illegible]'s vehicle there were The three arrived together as far as I can remember and left together.

I overheard them say they were there to repair lights. I did not see them have a drink at my tent.

Cross examined

It was a merry party nisther sober nor drunk. Pte Graham appeared to be normal.

Since 11 Jan 44 when Graham come to me, I have had him under my eyes and this behaviour attributed to him, has never happened before. He is not the curious type. The truck had no glass over the headlight and it would be possible to change the bulb without leaving marks. I am not an entymologist. I did not recognize the beetle's blood.

Re examined

I do not know of any similar incidents with which the accused has been connected. This is based only on the time he has been in my department. The lights of the truck were not working next morning. There was a whole bulb in the socket next morning.

Cross examined

At 1430 there was a bulb. I cannot say when a bulb was put in.

The Court

It was part of Pte Grahams duty to fix lights of Pte Nicols vehicle.

Third Witness for Prosecution

Lieut J L Thirlwell Seaforth of C sworn states:-

On 19 July I was asst adj of Seaf H of C, and I attended the BBQ and Hq boys party. At approx 2030 hrs I overheard a conversation in which one party was complaining bitterly that after paying for a party they had got only one or two drinks while those in charge had far more then their share. I did not know the accused at the time but recognized him later as the one who complained. Later I saw CSM Klaschuk with blood running very freely from his face. he said 4 or 5 men had jumped on him. He mentioned the accused by name as one of his assailants. He was evacuated to an FDS. The CSM was reluctant to name anyone. But we asked him if he had recognized anyone and he said, sure Graham was one of his assailants. He was bleeding from the mouth.

Cross examination

The CSM appeares to be sober whenever I saw him that evening. I did not see him between 2030 hrs and the time he was injured. It was very dark.

R.P. 83(B) here complied with.

Fourth Witness for Prosecution — Capt D Sutherland, Seaforth of C, sworn states:

I am Coy Comdr H. Coy Seaf Highl of Can. I was at the HHQ and HQ party on July 17. I was standing at the side of the gathering watching the entertainment. I heard someone stating in a loud voice that while he had paid 50 lire he had only received on glass of punch he knew of others who had had more than their share. I knew the voice and looked and saw the accused later, about 2200 hrs the accused came and asked me to come with him. I went to the outskirts of the crowd with him. A man was lying down on his back with his hands under his head and seemed asleep. I looked closely, it was CSM Elaschuk. I told Pte Graham not to do anything he would be sorry for, he said he would not but he had wanted me to see the CSM.

"CMcD" (page VIII)

later as I was going to bed about ½ hour later Maj Buchannan come and told me the CSM had been beaten up. I went to Graham's tent. He was laying on his bed, he said he knew nothing of the CSM being beaten up. The next morning I asked the coy if anyone knew anything about it, none did. The CSM told me that Graham had been one of the assailants and I placed him on charge.

I first saw the CSM after the assault early the next day. Nbone else mentioned to me who made this assault as I remember. I instructed to CSM to lay a charge, he was reluctant to do it. Graham the night before did not name anyone in particular who had had more then his share.

Q. If a man moved from the CSM's position toward the stage could you have seen him clearly?
A. Just as a silovette.

Q. Would it be easy to follow him with your eyes?
A. It would not be easy.

Q. If you kept your eyes on him would it be possible?
A. I think so.

Q. What was the position in regards to the stage lights?
A. The lights were dim and the CSM was 20 or 30 feet from the circle of light.

Cross examination

In my opinion the CSM was not drunk. I had seen him earlier in the evening.

Q. Did Graham imply that the CSM was drunk?
A. Not in words but I got that impression.

D 3
"C"oD"

(page IX)

Our talking did not awaken the CSM.
The accused was niether drunk nor sober.
I had to get within 2 feet of the CSM to recognize him.
Light was not shinning from the stage onto that point.

Q. Could you have recognized the CSM at 2 feet without the aid of a match?
A. you I needed a match to see him clearly.

Re examine

The CSM position was one which would be ~~xir~~ deliberately adopted not that of a man in a drunken stupor.

The Court

I could just distinguish the features of the accused who was standing by me.

Fifth Witness for Prosecution — Kb54287 Pte Kirkly T.S. Seaforth of C.

On 19 July I left the Hq Coy party with the accused and Pte Nicol(struck the truck had no lights and Nicol mentioned it. When we first set out - some one got out to try and fix the lights. (& McCuish to go Pte Atkinsons tent, we went on the the T.C's tent and then went back)

Q. Who got out? (to the party. We were in Pte Nicol's)
A. I dont know.

Q. No more work was done on the lights on that trip?
A. No.

Q. What time was this?
A. We got back just as the party broke up. We were

"C"oD"

(page X)

away about ½ hour.

Cross examine

Graham was with us all the time we were away. The party was just breaking up as we got back.
I saw the CSM while it was still day light.

Q. What was his condition?
A. He was pretty tight.

Q. How long were you with Graham?
A. About ½ hour.
I did not see Graham again that night. There was not very much to drink at the party. The accused did not seem to have anything on his mind at the time; he proposed nothing.

Q. What was Graham's attitude?
A. Normal.

Q. Did you hear anything expressed as to the drink situation?
A. Most of the Tpt fellows that I was with were dissatisfied.

Submission Against a Prima Facie Case.

1. I submit that the case be dismissed for a lack of prima Facie evidence. All we have is one mans word, SM Elaschuk, unsupported by other direct evidence that the accused was one of his assailants. It has been ~~xxxxx~~ brought out in subsequent testimonies that the night was so dark that the SM was in not fit condition by reason of drink and beating to recognize anyone. These are further the inconsistencies in the evidence of the prosecution as to the the amount of light at the place of the attack. The SM implies there was plenty of light Capt Sutherland says it was pitch black and that at a distance of 2 feet he had to strike a match to recognize the SM. The further inconsistency between the SM testimony in the summary that he "thought he recognized the accused and his testimony today that he was definitely sure of the accused being one of his assailants is indicative of the whole frame of mind of the prosecution: at all costs the crime must be pinned on someone. The circumstancial evidence of the blood on the shirt is only circumstential and has been explained in two ways.

D 6 Opening address of Defence

2. The defence will prove that there is more then a reasonable doubt that the accused is involved in this incident. Also that the character of the accused is such that he is morally incapable of such an act.

D 6 "CMoD" (12)

The closing Address of Defence.

3. The case for the prosecution rests on only Sgt Major Elaschuk's word, unsupported. It has come out in evidence that the night was so dark and the the SM was so befuddled by alcohol and his beating, that accurate recognition was impossible. The inconsistiney in the SM's evidence, that is his use of the word "thought" indicates to me that there was an uncertainty in his mind as to the identity of the accused. This uncertainty has today been jettisonned in order to strengthen the prosecutions case. We have plenty of evidence that the accused was sober. Is it the action of a sober, rational human to point out the befuddled SM to his company commander and then institute a murderous attack on a man half his size five minutes later? Is it the action of a thinking being, knowing his guilt, not to hide the bloody shirt? His leaving this shirt atop his bed indicated to me that the bloodstains ~~xx~~ on it were come by innocently. As to motive it has come out in evidence that there was none - the accused and the SM were on good terms.

To my mind there is only one explanation. The SM was viciously attacked by persons unknown. Due to the circumstantial evidence of blood on his shirt the accused was implicated and the prosecution is determined to pin the crime on someone. Graham, whom I have known a long time, is not the sort to do such a dastardly thing. His record is good. There is not strong supported evidence as to his participation. On the contrary the prosecution is weak and unconvincing.

D C

First Witness K23006 Pte Graham T.B. Seaforth of C, sworn states:-
for Defence

On the evening of 17 July 1944. I was at the BHQ & HQ Coy party. After supper I went to the Padre's sing song. I stood there 15 or 20 mins and Pte Sneedley asked me drive the Provost Sgt to BHQ. Went half way up and came back. I then went to the bar for a drink. I got ½ cup of vino bianco and went away and drank it. I went back to the Bar but was told there was no more. I went to the concert untill the intermission and then Ptes Kirkley, McNish~~xxxx~~ and Nicol went to Nichols truck on the way I pointed out the CSM who was laying on the ground rumbleing to himself and not in the position of a sober man. I had been grumbling with other men about the conditions of the party. We drove to tack stores on the way the truck lights went out, Nicol got out to fix them but couldn't we went on to tech stores, we walked to Lieut Leclere's tent, we had a drink and went back to the truck. I went ahead of the other 3 and took a look at the headlight and removed the bulb, cutting my hand. The others arrived and we drove back to the party arriving at about 2245. When I got back I showed the Coy Comndr the CSM striking a match to do so, it was being very dark. I went back into the audience. The band were playing their final when the CSM came up bleeding at the mouth he was very dazed and I had to steady him, he asked me why I had hit him I said I had not he made several threats and walked away. I went home to bed. when the CSM approached me. I was near Pte McNeish I had only left the Coy Comndr 5 minutes when the CSM came up. I had always got along with the CSM very well previous to this. I was wearing that shirt (exhibit A) that night.

Cross examination

I was told there was no more liquor approx 2115. The CSM was the one that told me and he was pretty high. ~~yyy~~ He had been drinking in the afternoon. I thought it was a pretty poor and how for a man in his position. I did not resent the fact that he was tight while there was no more for me because I thought I was ill and did not want any more. I would have taken another drink if there had been any but it did not worry much.

---

the CSM was not saying any thing just rabbling. He was on the ground relaxed. We passed within 4 or 5 feet. We were away between ½ and ¾ hour. The party broke up about 2300 hrs. We left at about 2215 or 2230 to go to the Tpt lines. I am not sure of the times. I did not notice what the CSM was saying. The blood on the shirt came from my hand to some may have come when the CSM brushed against me, ~~xxxx~~ I drew out my hands. When I showed the CSM to the Coy Comdrs he had moved and was in a different posture hands behind the head. I was not present when the CSM was beaten up. Shortly after I had gone back to the concert leaving the Coy Comndrs the CSM came up. Nicol or Kirkly reported to the T.C. that their light were broken. I am not positive where the blood came from.

Question by the Court.

The concert was on the next terrace up the the audience.

Hon/Pal. R.C.A.C. Turnford CCC, sworn states.

I am Chaplain of the Seaforth of C. I have known the accused since [illegible] not known him to get into trouble - serious trouble. I know him intimately - he is sincere - loyal to me his battalion and his home these are the things that make up character. He is an average good man.

Address in Attestation

Enlisted Jan 1940. Has served well. He was an excellent conduct sheet for his length of service. He has been shell shocked and refused a safe job at that time and insisted on returning to the Bn. He is an excellent mechanic and a willing worker.

D 6 "CMcD" CLOSING ADDRESS OF PROSECUTOR (16)

The Accused: Statement does not stand up - is inconsistent.

(a)He says he didn't care if he got another drink or not. and so didn't resent CSM's alleged drunkenness. But he was leader of those complaining; He went to Tpt lines for Marsala, and he is at pains to point out how drunk the CSM' was. He obviously did resent it.- for he showed the CSM to Coy Comd. as being drunk.

(b)Drunkenness of CSM - two reliable witnesses say he was not, and no Coy Comd. would have a man drunk as the CSM in charge of his bar at Coy. party. Yet the defence and accused, have been at pains to point the picture - a malicious picture - of a CSM in a "drunken stupor".

(c)The light at the time of passing the CSM was sufficient to pick out exact posture at 4 or 5 ft. and to recognize him as CSM. Yet ½ hr later, they had to strike a match to recognize.him at 2 ft. This is not consistent, but is consistent with the determination to paint the CSM as a ration stealing drunkard, too drunk to recognize anybody.

(d)Accused says he left first, worked on truck and cut his finger. Kirkby and the T.O. say that they left together. Kirkby that there was no work done on the truck.

(e)The time at which accused and Capt Sutherland went to see CSM.

(f)Accused says bulb was short circuited and this was the trouble, and he took it out, cutting finger. But there was a bulb in next day & the lights still didn't work.

(g)Presence of blood on shirt. Either from cut or supporting CSM. But the cut was only a small one unnoticed by anyone else, and could hardly have got blood up to his shoulders. And a man resenting the conduct of the CSM as he did would hardly hold him in his arms - and his description of the method of support is not consistent with blood on the upper arms.

The accused's story is therefore no rebuttal of prosecutions' evidence and initself gives Evidence of being a fabrication hatched after the event to explain away the facts, one inconsistency therefore leading to the other.

(17)

"CMcD"

The accused therefore stands convicted by the light of Evidence.

(a) Direct Evidence of C S M -

(i) He recognized GRAHAM at the time -

The question of light is not clear, but Capt. Sutherland's Evidence as to dark can only be taken as to a man lying on the ground. Half-up on his feet, CSM could recognize him by light on his features and by his presence.

(ii)He undeniably saw and followed and identified one assailent as Graham.

(b) Motive -

He was heard by two anyway to complain bitterlyas to the conduct of the bar. There were others,admitedly - but so were there other assailents.

(c) Circumstantial Evidence -

The blood on the shirt - which was found after the CSM had identified the accused - is in a position entirely consistant with the assault described by CSM, and is not explained accused in any other way. As such circumstantial evidence of this nature is the strongest possible support for the direct evidence.

3. These facts-

(a) The accused's story does not hold water.

(b) The direct evidence, supported by the motive and circumstantial evidence constitute proof beyond reasonable doubt of the accused's guilt of this charge.

Plea in Mitigation of Sentence in the case of K42527 Pte. GRAHAM, W.

This man is 22 years of age. He enlisted in Vancouver in the 1st Bn Rocky MountainRangers 27 June 1940. After serving with this unit and having been promoted to the rank of L/Cpl, he was chosen as a reinforcement for overseas duty. During the periodn of three years his crimes were rather small ones. He joined the Calgary Highlanders in July 1943 as a Pte as he reverted on coming overseas. His subsequent charges of absence without leave were caused by returning late from leave in both cases, through missing his trains. He had asked for a transfer to any other unit as he felt his chances of advancement would be better. However the transfer was turned down. Through a chain of unfortunate circumstances and being placed under open arrest for a minor offence just before Christmas Day, his desire to break out of barracks was so strong that he took matters into his own hands not realizing the seriousness of his actions. On his return he was awarded 28 days field punishment. After serving his time he was not happy about coming back to this particular unit, he felt that the N.C.O'S were against him, he thought that if he could get to another unit his chances would be much better , however he was turned down once before, he became depressed and again not realizing or thinkig about what he was doing went absent.

He realizes now the seriousness of taking matters into his own hands knows that he will be punished for his actions but is willing to soldier if given the opportunity as he wants to fight for his country.

In summing up I ask the court to be as lienient as possible in awarding punishment for his first serious offence.

Sgt Burns who was in charge of the tank-hunting section took the section back with the Coy and as he came up to the house Lieut McGregor who was acting "DGD" Coy Cmdr of C Coy gave him orders to follow behindthe platoon, which was moving off across the field. He passed the order back to me and I ordered my Pl Gp that were going across the field with the Pl. and we followed on in behind. When we got to the first objective we were to set up positions around a house. Pte Graham was missing when I went to set-up the pl, which time was approximately 0230 hrs. Examination of the accused by Defending Offr.

M.36488 Pte Graham W. A/Tk Pl. Support Coy (LER) having been duly sworn states in reply to the Defending Officer.

Question: Would you tell the court in your own words what happened on the night of the 19th/20th Dec 1944?
Ans : We were going up the road with C Coy and we came under shell-fire and took to the ditches. C Coy started coming back down towards the house. After some of them had got down past us we were ordered back to the house also. When we got back to the house there was a lot of C Coy standing around and I walked through a bunch of them. I put my piat up against the wall of the house and I sat down beside it and fell asleep. I woke up when they started shelling quite close to the house, and took cover behind the house until the shelling stopped. I picked up the Piat and started off up the road. They started shelling that area again so I came back down again. Then I started up through a field to the right of the house; I got a little way up this field and I heard small arms fire. I didn't know what was going on so I got into a dug-out on

the edge of the field and I stayed there until the afternoon. There was a smoke screen laid down around there then; I didn't know who was laying down the screen so I decided to stay in the dug-out for the night. The next morning, it was pretty quiet around there, I started off up the field again, till I came to a house. I could see some small packs and equipment around the house, so I figured from that it was our own troops in the area. I started off up the road to the next house which wasn't far away. Up there I met some C Coy men who said they were lost also. I thought I would find my section with C Coy. so we were all going to start up the road together to see if we could find them. Just then Capt Donaldson & Cpl Jarvis came along the road & up to the house, and I went back up with Capt Donaldson & Cpl Jarvis to where my section was.

Contid Page 8

Question: Will you tell the court what time it was when you awoke?
Ans. : It was daylight Sir.
Question: How was the shelling in that area during the day?
Ans : They were shelling most of the days . It was fairly heavy.

CLOSING ADDRESS BY PROSECUTING OFFR. -10-

1. The accused states that they came under heavy shell-fire on the road and almost immediately pulled back to a house. Evidence of witnesses proves that C Coy and attached personnel were at the house in question for a very short time. According to witness 9 minutes. Accused states that in this short period of time he sat down and fell into such a deep sleep that he slept from 0230 hrs. until dawn. This immediately after having been subjected to heavy shell-fire. I suggest to the court that this would have been extremely difficult to do, in such a moment of stress.

2. During the day of 20 Dec 44 the accused did not discover himself to some person in authority. In fact he did not discover himself at all. but was found the next day by Cpl Jarvis. Had there been no intent to avoid service the accused would have discovered himself in that period consisting of one full day, a full night and better part of the daylight of the next morning.

CLOSING ADDRESS - PROSECUTOR

3. I submit to the Court that the evidence of the two witnesses for the prosecution has proved beyond shadow of a doubt that the accused, with intent and whilst in action, absented himself from his section to avoid service; that he did, in fact, avoid such service; and that a prima facie case of desertion has thus been established.

the accused slept. This man was No. 1 PIAT he was carrying a heavy weapons. It was a long approach march from the assembly area to the start line. The approach march commenced at 1200 hrs 19 Dec 44. It is quite logical to assume that the accused was tired, and quite easily could fall asleep at 0230 hrs.

6. I would ask the court to consider all these points very carefully and to return a verdict of not guilty in favour of the accused.

Plea of Mitigation in the case of H.36488 Pte Williams Graham L Edm Regt.

The accused has had a long period of good service without any previous charges against him. He had a very important job in his section as No 1 on a PIAT and up to the time of this incident had discharged his duties satisfactorily. I do not believe that the offense with which he has been charged was done with any realization of the seriousness of the offense. And I do feel that this man will perform his duty in a satisfactory manner if returned to his unit in the shortest possible time. I would therefore ask the court to consider these factors in their decision.

In case of: M. 36486 Pte W. Graham. L.R.R.

The accused in this case has 2½ years service to his credit, of which 2 ½ years has been spend overseas. He has had no previous charges or A.C.I. against him during that time. He has had very little active battle experience with his regiment and therefore his documentary record must speak for itself. In this case the accused has stated that he sat down against the wall of the house when his section was ordered back. He immediately fell asleep and because of this did not hear the order to move on. This is corraborated by Pte Fich who stated that Pte Graham was not present when orders were given. When he awoke it was daylight. There was fairly heavy shelling in the area all during this period. When he realized that his platoon was not there he picked up his weapon and started over the field, in an effort to find his pals. There was heavy fighting all during the 20 Dec. The continued heavy shelling and the uncertainty of the tactical ~~xxxxxx~~ situation at this time led him to take refuge during the afternoon in a dugout - which was forward - of the original house where he laid down. He remained there that night; because he ~~xxx~~ to wonder around in the fairly small bridgehead area. He did not know the tactical situation at the time - there was considerable artillery and small arms fire all during the day and night - and he quite justifiably decided to wait until the situation was more quiet.

before making another attempt to find his section.

The next morning the situation was more quiet (21Dec) he started out again with his Piat and his equipment in an effort to find his section. In the early morning at a house he met some C Coy men who also were lost who could give him no help. While he was going forward from this house he ~~x~~ was met by Lieut D.A. Donaldson D.S.O. the A/Tk pl. and W.10458 A/Cpl Jarvis ... - and reported to them.

In Conclusion: I would ask the court to bear in mind the following in consideration of their verdict.

1. The accused remained constantly in the forward area under considerable artillery fire.
2. When the accused reported to his Pl Comdr he still had his weapon and equipment and at the time was forward of the original house where C Coy the A anti-tunking section had stopped at 0230 hrs on the morning of the 20th.
2a. At all times he was pushing forward of his original position where he was missed.
3. The tactical situation at the time was unknown to the accused the enemy shelling in the small Moriglio

4. At all times the actions of the accused were not those of a deserter but those of a man who had negligently fallen asleep at 0230 hrs - and who made legitimate attempts to locate his section as soon as possible. 4a. There is no doubt in my mind that the accused would have soon reached his section had he not met his Pl Comdr at the time stated in the evidence.

SUMMARY OF EVIDENCE in the case of M36488 Private William GRAHAM, of the Loyal Edmonton Regiment, a soldier of the Canadian Army Overseas, C.M.F.

By order of the Commanding Officer, evidence is taken on Oath.

1st Witness Prosecution

H103458 A/Cpl. Jarvis, A.W. of the Loyal Edmonton Regiment, having been duly sworn, states:-

I am H103458 A/Cpl. Jarvis, A.W., of the Tank Hunting Platoon, Support Coy., The Loyal Edmonton Regiment. On the night of the 19/20 December 1944, a section of the Tank Hunting Platoon commanded by Sgt Burns was attached to "C" Coy. I was in command of the PIAT Group, and M36488 Pte Graham, W., whom I now recognize, was No. 1 on one of the PIATs. On the night in question "C" Coy crossed the Canale Naviglio and passed through "B" Coy about 1,000 metres passed the Canal. We then came under heavy shell fire, and took refuge in a ditch at the side of the road. "C" Coy with the attached Tank Hunters then drew back slightly to a house, with a view to making a right flanking movement through the fields and thus avoid the shell fire landing on the road. Sgt Burns passed the word back that he had been ordered by Lieut MacGregor, who was commanding "C" Coy, to follow on with the Tank Hunters behind the Platoon that was moving off through the fields on the right flanking movement. I passed this order on to my PIAT Group. We moved off, and about 15 minutes later took up position around a house that had been cleared by the leading infantry. I then checked my PIAT Group, and found that Pte Graham was missing. The time was then approximately 0230 hours 20 December 1944.

That night the Battalion advanced approximately 1,500 metres and the situation quieted down. The next morning I returned to the area we had been in on the 19/20 Dec., in order to get a check on casualties. Capt Donaldson, O.C. of the Tank Hunting Platoon, was with me. We found Pte Graham outside one of the houses, and Capt Donaldson placed him in open arrest. The time was then 1000 hours, 21 Dec 1944.

The accused declines to cross-examine this witness.

M103250 Private Fricke, R.L., of the Loyal Edmonton Regiment, having been duly sworn, states:-

I am M103250 Private Fricke, R.L., of the Tank Hunting Platoon, Support Coy., the Loyal Edmonton Regiment. Very early in the morning of 20 Dec 1944, I was acting as No.2 on a PIAT. M36488 Pte Graham, W., whom I now recognize, was acting as No. 1. Cpl Jarvis was in charge of our PIAT Group, and Sgt Burns was in command of our section of Tank Hunters, which was then attached to "C" Coy. We had crossed the Canale Naviglio, gone about half a mile, passed through "B" Coy, and were proceeding along a road, when there was a loud explosion ahead of us, and we took cover in a ditch. We were then immediately ordered to draw back slightly to a house, and were then ordered to advance across open fields to the right behind a platoon of "C" Coy. It was then that

I missed Pte Graham, and I called his name, but did not have time to look for him. It was then approximately 0230 hours, 20 December 1944. A few minutes later we took up positions around another house, and this was the first opportunity I had to report to Cpl Jarvis that Pte Graham was missing.

The accused declines to cross-examine this witness.

Prosecuting Closing Statement.

In this closing statement for the Prosecution the main facts to prove intent to evade some important action and what I wish to bring before the court 1st witness for the prosecution Sgt Pietrinero states that the accused Pte Graham W. was with Pl H. Q. which the Sgt was in charge when the pl started forward to the objective later he glanced around to see if everything was OK and he saw the the accused and 2 others were missing, that was before the attack went in. Cpl Cass 2nd witness for the prosecution stated that as they were in their position in a house the pl officer in the house observing saw 3 men coming back and sent him to investigate. He found the 3 men one of whom was the accused Cpl Cass suggested that they go back to the platoon the accused refused saying "It is too hot up there" Cpl Cass then sent them back to Coy H. Q.

"DBD"

-2-

Finally the accused own statement in that he went just over half way forward into the attack then turned with two others and went back to the safety of the house occupied by 10 pl. These main points which I present to the Court to prove intent to evade some important action.

1st Accused seen by Sgt Pietroniro as the pl moved forward to the attack.
2nd Accused dissapeared before final attack went in.
3rd Accused seen returning & questioned by Cpl Cass and refused to go back to his pl.
4th Accused statement that he went forward ½ way then because it was too hot for him left the Pl & returned to safety.

"DBD"

Closing statement for the Defence.

Although the accused has done three months front line duty, & as brought out in the evidence, he has shown great nervous reaction to enemy shell fire. On the evening of the 26th Dec 1944. Graham as #2 on the mortar proceeded forward in his section, into the attack against the enemy. After going approximately half-way during which time his platoon was being shelled, his nerves gave out on him. the accused returned to the building, from which the attack was started. He was still in the company's area in fact, still in the forward platoon area, until he was told to proceed back to his company headquarters. From the evidence given, there is considerable

"DBD"

-2-

doubt, at just what time, he retired to his platoons old position. before the remainder of the platoon returned, having been unsuccessful in reaching the objective. In view of the accused mental reaction, to gunfire and also the fact that his platoon returned to the same area, that the accused had returned to the defence maintains that there is no adequate proof of desertion. under any circumstances, that no single witness, for the prosecution has substantiated, the charge of desertion. Therefore considering all phases of this accusation and charge, the accused is not guilty of desertion

Plea: For Mitigation of Sentence.

The accused Pte Graham has been in the army two years and one month & has been in this theatre of operations for thirteen months. Graham has been in the front line, in two separate phases of the Italian campaign, the later one being from the 13th Sept 44 to the 26th December 1944. As pointed out in the defence, this man's mental make-up is such that he has been boarded by the medical authorities, to a special employment Company, as he is definitely not suitable for combat duties. In sentencing this man, I ask the court to consider this point & that leniency may be shown to him on account of his unfortunate condition.

CONVENING OFFR WILL INITIAL ALL DELETIONS AND ALTERATIONS

(See overleaf for oaths and notes for use on trial.)

13 June 47.

This is to certify that I have today examined L/A/M/S. Graham W.H. B 33091 and find that he is medically fit to undergo trial by court martial.

J. W. Armstrong Capt
R.C.A.M.C.

First Prosecution witness

C48942. C.S.M. Allen A.R. 9.01.818. duly sworn.

On 29 May 44, I and P.C. 9 Ibbs, 9 L/Cpl Cochrane 1818 went to Mrs S Ibbs home in Coshot Road 32 Cradley Rise. The door was opened by Mrs. S Ibbs who invited us into the house, where we saw W.D. property. With her consent we searched the house & found considerable W.D. property. This property was moved to Arbitrad Police Station where a list was made by Cpl Cochrane and I. All these articles were found in Mrs. S Ibbs house.

(The witness reads and hands in as Ex A. the list referred to.)

In addition to the above articles there was a uniform & greatcoat & some washing which were left at Mrs S Ibbs house.

I identify all the articles in the list Ex A as W.D. property.

On 30 May Cpl. Cochrane & I saw the accused. I gave him the usual caution which the witness recited. I made no promises or threats. (The defending officer does not object to the accused's ability of this statement was then given by the accused. A statement read by the witness & produced as Ex B.)

Cross-examined by defending Officer.

I was original article on list Ex A were W.D. property, I am not certain that the hankerchiefs are W.D. property.

RP & 3 B.'s complied with

2nd Prosecution Witness

K67135 L/Cpl. Cochrane E.K. 1818. duly sworn

I live -

On 29 May 44 I went to Mrs S Ibbs house, assisted with Corporal & P.C. 9 Ibbs, Mrs. Ibbs consented to a search of her house & found considerable W.D. property to the value of £ which was taken to the police station except a uniform

a bathdress & some laundry the rest of the articles were removed are listed on Ex A.

On 30 May the accused gave a statement to CSM Allen & me after being duly cautioned. The statement he gave him ~~dated~~ Ex. B signed by the accused.

R.P.S 3(B) is complied with

~~Examined by defending officer~~

Third witness Kathleen Rose Hill 38 Craddock Road Coventry Clerk, Affirmed sworn states.

On 29 May 2 M.P.'s & a civil employee came to the door & asked to come in. We let them in & permitted them to search through the house. They removed considerable property.

I have known the accused since 1940. He was left various articles there at different times. The articles removed by the police were articles that had been brought there by the accused. When my husband was home we entertained a couple of Canadian soldiers. They had their clothes & kit there but they left nothing of their personal effects.

Examined by defending officer

The police made a very thorough search. Some of the places where they searched had not been used for months. My husband was in the Home Guard. It is possible some of his equipment was left in the home. I have had troops billeted with me & it is possible some of their articles were left in the house. Some of Graham's friends have dropped in occasionally & brought food from

Home

~~Examined by Deft~~

Cross-examined by Prosecutor.

The soldiers who were billeted with us lived with us as one of the family. There are five rooms in the house. Two of the rooms are occupied by Mr & Mrs Wilson. I occupy the other three. There has just been (and did) one billeted with me, and that was at the end of 1940. He slept in one of the rooms upstairs. He sometimes left equipment & clothing in my living quarters. When he left Hitler he left some things. He left a mess tin. I don't know whether or not he left a uniform. He may have left a blanket. This sergeant was a Canadian, something to do with security.

Examined by Pl't.

The sergeant did not leave a uniform at my house.

The witness looks at Ex A. Accused brought all these articles to my home with the exception of

~~[illegible]~~ Sgts. Chevrons
~~Gt.~~ Respirator
Gogglestutin
Canada flashes
Khaki straps.
1 steel helmet
2 Light Bulbs
Leatherhead cords

and some other articles whose names I don't recognise. These articles may have been brought there by Graham but I don't know

Examined by Court.
Mrs Wilson who lives above is a widow.
RP 83(B) is complied with

Fourth witness for prosecution.
No 23 P.C. Gibbs J. Exhibit A. I am a police duly sworn - I visited 32 Craddock Ave on 20 May 44 with 2 members of the SIB. We found in that house certain articles believed to be WD property which I now produce as Ex C. (All the articles listed in Ex A produced)

Cross examined by Defending Officer
We made a thorough search of the dwelling house & outbuildings. I am certain part of these premises.
RP 83(B) is complied with.

Fifth witness for prosecution
D 21003 RQMS. Rutherford. 1st Edn Army
Sgnds sworn states -
On 4 June 44 at 1730 hours I checked the kit of the accused. I produce as Ex D the list of articles in his possession at that time
(Statement read)
I produce as Ex E. list of kit which should normally be in accused's possession. On this list N.A. means the article would not normally be in accused's possession

Cross-examined by Defending Officer
Part III of AB 64 lists the kit issued a soldier. I identify the AB 64 Part III which appears to be the accused's which is produced to me. I have compared the list in Part III AB 64 with the list Exhibit D & find there are deficiencies in the accused's kit as listed in this list (Read & handed in as Ex F). A soldier gets new kit by use of 5Z 3. A soldier can buy new equipment if he wants it. We would normally sell a soldier a battle dress unless returned one in. We keep 5Z 3's for 3 months back.
RP 83(B) is complied with

Lt. Arthur
M 55254 CQMS Co F 110 Inf Infantry
Signals sworn states:
On 22nd June 1944 I examined the articles in Ex C. I identified certain articles as definitely W.D. property, other articles as definitely not W.D. property but not marked as such and one article definitely not W.D. property. I produce the list I made from my examination as Ex F.9.

Defending Officer declines to cross examine
R.P. & S. (1) is complied with.

Prosecution closed.

Defending Officer on no prima facie case.

Possession of some articles found in Mr Sibbs home has not been proved to be Pte Adams. Some of it could have been the property of some of the other soldiers mentioned.

It has been shown that a soldier can properly have additional equipment, the list on E & F is certainly short in this charge. Some of these articles are normally charged in a pay book although he would have, eg rubber boots.

Most of the articles were in Mr Sibbs possession at his home.

Prosecuting Officer.

The accused has been using this house as his domicile. This is obvious from the statement of the accused.

The list in E & F. does permit the accused to be in possession of certain articles, but leave the greater part of the charge. Foodstuffs for example are undoubtedly improperly in his possession.

(A submission of no prima facie case is established when the court feels that they would be reasonably justified in convicting without further evidence. The question whether or not a prima facie case exists is one for the court to decide in the light of their military experience. Defence counsel may then address the court on the submission. Defence explains onus of proof & reasonable doubt & circumstantial evidence.

I have been in the army 17½ years. Before the war in the R.C.S. In this war 5 Sept. 1939. I have been in stores work about 2 years. All the articles in the charge sheet are mine with the exception of the following

Coil of copper wire
Pumps bicycle
Leather soles heels
Wood plane
Rivet weepers
Coil of strand wire
1 Respirator A/gas
Tin openers
Prs. goggles unsplinterable
Coveralls

I was in no way responsible for the above articles.

~~He following articles were in~~
While carrying out my duties as C.Q.M.S. I have been necessary to make long trips to R.C.C. depots. I needed a map case. maps for these trips.

The torches and while not part of my kit, are necessary in my possession for driving together with the batteries.

Boots gum rubber were used by me when moving in wet weather.

Whistle infantry as guards were carried by me in the present set up in the field.

The pistol was stolen about 6 months ago. That C.S.D. absolved me of all blame

not enough life to operate W.D. equipment.
I felt they might be strong enough to work
a small amateur set, so I took them

I have more underwear & towels than
I have been issued with according to

the W.D. tools in the charge were borrowed
to help me build a radio in my spare
time. During the sudden emergency they
could not be returned to the unit personnel was
finished with them about 6 weeks ago.

X examination by prosecutor

I did not borrow the light bulbs to the
house. In my statement I said I may have.
I didn't have time to recollect exactly before
I made the statement to the S.I.S. ~~Code~~ and
~~at the time~~ now goods turned in as salvage were
returned for a purpose & should not be
taken. up until we moved from Admiralty
salvage was sometimes not collected for 2 weeks.
that would render a battery worthless
for salvage.

Each article in E & C. of personal clothing
~~was~~ and necessaries was either

issued to me or paid for by me.

~~Two~~ of the battle dresses were treated at one time that is the only kind we received. When I got some ~~additional ones~~ others and the 2 M said he should grab off an untreated suit. So I did it. The two untreated uniforms should have been turned in but were not.

1. Respirator was light - the only explanation I have of this that it must have been left by one of my friends

Haversack was used by me to take laundry to Mrs L Ellis. It was not issued to me and I didn't pay for it.

The food was not properly in my possession. The tin, bladderman is not government property.

2. Tin can ration - these came out of a comp pack. They were improperly in my possession.

The tools were only borrowed. As company C.O. I didn't have to get permission to borrow them - they were surplus to 1098. Sticking to the letter of the law I should have had them out.

By the Court

The last time I bought anything in the way of personal clothing was about Jan or Feb. 1944 I think. I then bought a couple of towels and a set of drawers. The blankets I took from Mrs Ellis's house.

At 1000 hrs 12 June the Court adjourns until
1000 hrs, 13 June.

On 13 June at 1000 hrs the Court reassemble pursuant to adjournment, present the same members as before adjournment.

Prosecutor's summing up:-

We have proved beyond reasonable doubt that the articles E1 C. are those found in Mrs Silk's house and that they are WD property except the sweeper. Mrs. Silk said certain items may not have been brought to her house by the accused. Her credulity is shown by the fact that both respirators were left at her house were manufactured after 1941 yet she says one of them was left at her house in 1940.

The following articles in the charge sheet were accordingly admitted by him, so we admit they cannot be found guilty of their improper possession.

1 greatcoat
2 pr. woolen drawers
1 woolen vest
1 pr shorts gym.
2 prs. sox.
4 hand towels
1 pr. gloves
1 housewife
1 clothesbrush.

It remains said that the following certain articles were fraudulently in his possession after the performance of his duties the prosecution accepts this.

1 whistle infantry
1 whistle guard
1 rubber boot
1 lanyard
1 mapcase
1 cord, battle, head

17.

Graham has said personal clothing other than uniform were obtained by him on repayment. This cannot be proven or disproven.

shirts engla
vest cotton gym 3
drawers cotton 4
towells - 2
sheets ground - 1
boots leather pr 1.

The court will see that all the articles are in reasonably good shape. Do you think that he would buy all these articles. The same applies to caps, field service.

Graham says he did not obtain some did not know they were there.

1 respirator A/G
1 " " light

Rifle sling
shoulder strap
Marston.
Goggles case.
leather soles & heels
spectacle case.
copper wire
bicycle pump
wood chisel
trowel
2 W Drills
1 cloth brush
coil of 5 strand wire

2 screwdrivers
3 pr pliers
1 padlock
2 rolls insulating tape.

Prosecution has does not rebut Graham's evidence that he intends to return the tools, and retain other articles.
Grahams character evidence is not questioned.
The charge is proven beyond all reasonable doubt.

Defending Officer sums up
I submit to the court a list I have prepared of the articles in the charge sheet under certain headings (E, U)
Section 1 is the same as submitted by pros
Section 2 is the same except for expendables of which many of us purchase extra.
Section 4 is the same except for helmets, tool as the prosecution has suggested.
Accused admits improper possession/actions but it wasn't brought there with the intention of depriving the govt of it.
Tools in Sect 6. he intended to return. I can easily see how he might forget them. It is not improper to have articles for his own use.
Articles from salvage he admits should not have been taken, but were of much value.
Mrs. Gill said that the previous resident had left, respirator & blanket but the accused pay this respirator & blanket.

Despite rehearsals evidence, Mrs Sullivan mentions only 2 other men who might have left these things. The respirators, of course, could not have been left by these men because of their date. Casual visitors would be unlikely to have left them.

The WD drills are still in usable condition so it is unlikely they were left in 1940. They are both new & untouched.

Outside of all these items, there are still a considerable remainder. These have either been admitted by the accused to be improperly in his possession or have not been explained by him.

2 tunics
2 prs trousers battle dress
He admits he received these from them —
(have also admitted to be improperly in his possession
1 ground sheet — no explanation
4 blankets — admitted by accused
4 prs anklets — no sufficient explanation
10 cap badges dispatch rider
10 chevrons (bar)
4 " (2 bar)

8 crowns
½ pds biscuits — admitted
1 Reg. D.R. not admitted under as a laundry bag
1 handsaw
1 set knitted headpads
2 dry batteries — admitted
1 Hurley battery — good condition
1 Morton battery
2 tunics rubber
1 tin oil for guns
1 keyhole saw

I submit that his possession of the boots was not improper.

Asks for a special finding as regards the charge.

Recalls evidence from the charge.

The goods that were found in Mrs. Ellis's house was an accumulation of about 5 years of war.

Asks for finding of guilty only for those articles he admits bringing home and of the improperly

The Judge Advocate sums up:

Defines duties of Courts &c.

Explains contributory possession, improper possession, conduct of the prisoner &c, onus of proof, reasonable doubt, circumstantial evidence, &c &c.

Explains power to bring in special finding under A.A. 44(1)

Extenuating Circumstances in mitigation

Reads as under

Serious side of this charge are its implications against a Bde. H.Q. There has been no suggestion of more sinister implications.

I am sure that the charge has been skimmed down to a technical charge which has been forced upon the unit by this unhappy search.

The C.O. has nothing to hide - he has made a clean breast of everything he could, and has faced the thing squarely, and not attempted to ~~[illegible]~~ bring forth obscure reasons.

What was found at Mrs Silk's house was the accumulation of 5 years of wear. Graham himself had been coming to the house since 1940. These articles were brought to Mrs Silk's house thought lessly — over a long period of time. not realizing the implications for himself or Mrs Silk.

C.O. Mrs Graham has a long record of Military Service both in the Imperial Army and the Canadian Army. and has a perfectly clean record.

C.O. has been carrying on his regular duties while awaiting the outcome of this action, and whatever the outcome, his record is still clear in the eyes of his Company Commander.

(11) Major Clark, the CO's Company Commander, has stated that there was a key man in his organization and he knew of his service as a CO. at this time would be serious. This unit clearly want to keep him at his job.

I cannot over emphasize that a CO in Signals is a specialized job - one that requires knowledge of numerous items of technical equipment, as well as the ability to keep himself fed and clothed.

I cannot ask the court to deal with this charge in such a way as to allow him to continue his important work.

At 1030 hours the Court adjourns until 1430 hours, 12th June.

On 12 June at 1430 hours, the Court reassembled, pursuant to adjournment, present the same members as before adjournment.

Asst. S.I.S. Can Pro Corps.

I enlisted in the Canadian Army on 5 Sept. 39 and arrived in England 10 Feb. 40 and have been with the RCCS ever since.
I am married and my wife is living in Canada.

From 15 Feb. 43 to date I have been i/c of No.1 Coy. stores.

During 1940 I met a Mrs SILK of 38 Craddocks Ave, Ashstead and have been friendly with her ever since. I am the father of a child born to Mrs. Silk in March 1944.

During the time I have been going to Mrs. Silks house, I have brought various articles of Military property to her house. The underware,socks,uniforms, shirts, towels,respirator kit bag, ground sheet and other clothing, are part of my kit.

The blankets that you found at the house were brought there by myself about 6 months ago,and were used by members of our unit who wished to remain overnight.

With reference to the radio batteries, the dry ones, are partly dead, and of no use for WD. sets but have enough energy to run a private(small) set for a short time.
The Harley(wet battery and the Norton(wet) battery, are from the unit,I,having borrowed the Harley battery,and the Norton one was taken off the salvage.
The radio valves, were also from salvage.
The WD tools you have were also borrowed from the Unit to do my radio repairs and building, radio sets.

The WD leather, soles and heels,I know nothing about.
The WD rubber boots are mine and I have lefts them at the house,about 3 months ago.
The WD electric light bulbs, I may have taken them there,but I am not sure.
The box of WD biscuits(7 lb) were brought by me to the house just after Sparton.
Any of the tins of food that are WD were brought by me to the house after sparton.
The zipper DR bag, I used to take my laundry to the house.

I have read over the above statement and it is true.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of R 33091 C.Q.M.S. Graham William Herbert, a soldier of No.1 Company, First Cdn Army Signals, Canadian Army, Overseas.

The Commanding Officer directs that the evidence be taken on oath.

First Witness for the Prosecution

C 41972 C.S.M. Allen A.R., No.1 S.I.S. First Cdn Army having been duly sworn states:

I am C 41972 C.S.M. Allen A.R. No.1 S.I.S., First Cdn Army. On 29 May 44 information was received from the civil police of Ashtead regarding an alleged offence pending in the Ashtead Area. In company with Cpl Cochrane and P.C. Gibbs, Ashtead Police, enquiries were carried out without result. From information received in the Ashtead Area we then proceeded to 38 Craddocks Avenue to the home of a Mrs Silk where, on entering the home certain articles of W.D. property were seen in the hall. Mrs Silk then gave her permission for us to search the house. A considerable quantity of W.D. property was found. As a result of information received from Mrs Silk we patrolled to No.1 Coy R.C.C.S. in the field. C.Q.M.S. Graham, whom we wished to interview was away on a trip. We were informed that he would return at approximately 1900 hrs. In view of the information we had, instructions were left to have C.Q.M.S. Graham placed under close arrest. On 30th May at No.1 S.I.S. I was present and assisted Cpl Cochrane at the taking of a statement from the accused.

A. R. Allen.
(C 41792 CSM Allen A.R.)

The accused declined to cross-examine the witness.

Second Witness for the Prosecution

K 67135 Cpl Cochrane E.K. No.1 S.I.S., First Cdn Army having been duly sworn states:-

I am K 67135, Cpl Cochrane E.K., No.1 S.I.S. First Cdn Army I have heard the evidence given by C.S.M. Allen, I was present during the whole Inquiry, and corroborate his statement. On the 30th May 1944, C.Q.M.S. Graham having been cautioned made this statement. (Herewith included as Exhibit "A"). I now produce the list of property found at the residence of Mrs Kathleen Grace Silk, 38 Craddocks Ave., Ashtead. (Attached as Exhibit "B") This property is now at the Ashtead Police Station.

E K Cochrane

Third Witness for the Prosecution

Mrs Kathleen Grace Silk, 38 Craddocks Avenue, having been duly sworn states:--

I am Mrs Kathleen Grace Silk of 38 Craddocks Ave. I have known C.Q.M.S. Graham since 1940. The W.D. property which was found in my house was brought here by C.Q.M.S. Graham and to the best of my knowledge it was part of his kit and articles of which he was entitled to be in possession.

K. Silk
(Mrs Kathleen Grace Silk)

The accused declined to cross-examine the witness.

Fourth Witness for the Prosecution

No.23 P.C. Gibbs A.J, Ashtead, Surrey Police having been duly sworn states:--

I am No.23, P.C. Gibbs A.J., Ashtead, Surrey ~~Askak~~ Police. At 11 a.m. 29 May 44 in consequence of information received I visited No 38 Craddocks Ave Ashtead, in company with 2 members of the S.I.S. I saw Mrs Silk, the tenant, and told her I was a police officer and had every reason to believe that she was in possession of government property. I asked her if I could examine the three rooms which she occupied and after some hesitation she said yes.
In each of the 3 rooms and in the hall government property was found which in my opinion she had no right to have in the house. Blankets were in use on the bed and there were some under the bed. Electric lamp bulbs which were in use were stamped "Government Property". In a cupboard under the stairs there were W.D. tools and leather soles and heels. In one room was a seven pounds of army ration biscuits. This property with numerous other articles was taken in possession of. I have seen thelist marked Exhibit "B" to this evidence and recognize it as a facsimile copy of the list of articles found, made by a member of the S.I.S.

Court

1st Witness for Accused B 33091 CQMS Graham, William Herbert, First Can Army Signals having been duly sworn is examined by Defending Officer

Defending Offr - Will you tell the Court CQ in your own words what happened on night of 9th April.

A1st Witness - On night of 9 Apr a number of my NCO friends including a number of officers started a little celebration which finally wound up at the Woodmans Hotel. Amongst other things we were celebrating Vimy Ridge day and the fact that some fellows who had been in the ranks with me had returned to the unit with their commissions. I believe that to the best of my knowledge the P.C was in the saloon on the Sunday (9 Apr) but I have no recollection of speaking to him whatsoever because most of the time I was with the party I originally went in with. I definitely deny making the alleged statements.

Q2nd - Tell the Court about the 10th

A2nd - Well sir I'm not going to commit myself about the 10th because I'm not sure I was there or not.

Q2nd - Were you at the hotel on the first of that week Mon Tues or Wed?

A2nd - I use the hotel quite frequently but I wouldn't swear what day I was in

Q2nd Do you recall seeing the constable there any time during the first of the week?

A2nd - Only on the 9 Apr

Q2nd - Do you deny making the statement as alleged in the second charge

A2nd - Yes sir definitely

Q27 When did you first know that someone was preferring a charge against you on these grounds?

Q27- On the 24 Apr, fourteen days after the alleged statement was made

Q28- Did you at the 9th or 10th have any knowledge of future movements of troops in Ashtead?

Q28. No

Q29- Did you know that Constable Gibbs was a policeman when you had seen him in the tavern on the evening?

Q29. Yes sir

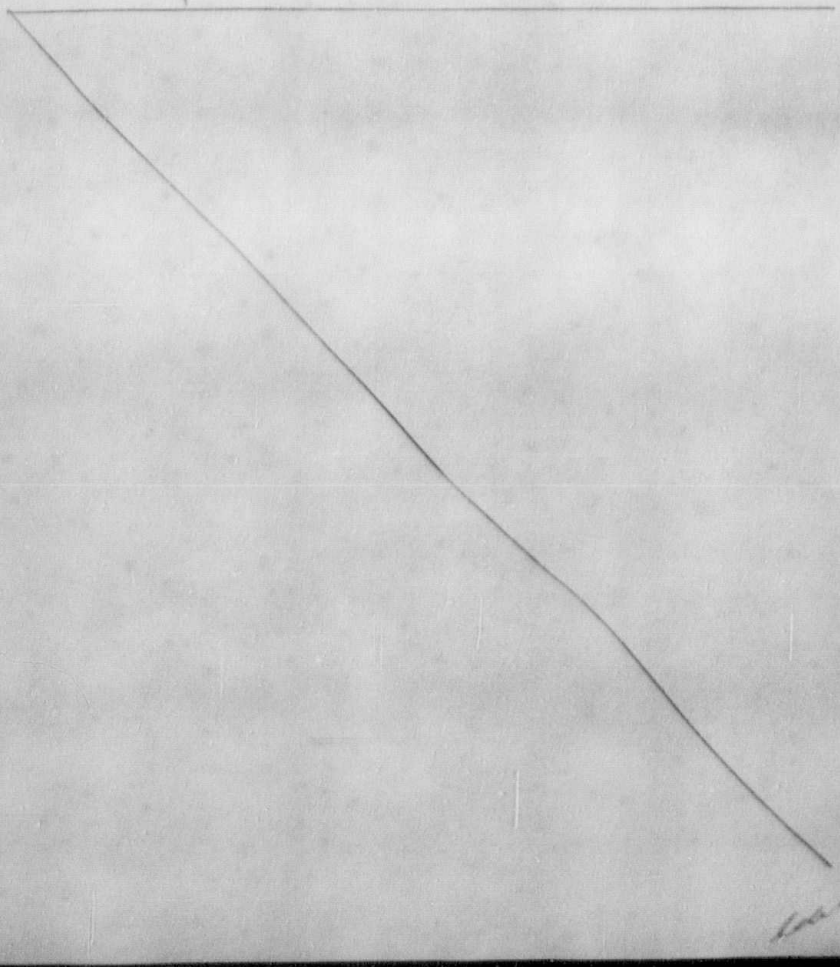
Closing Address by Pros:

I have no closing address - I believe the evidence substantiates the charge

Closing Address by Defence

The first point is that the accused has pleaded not guilty to the charges. The P.C. said that the statements were made in a crowded bar yet he made absolutely no attempt to produce witnesses to corroborate his statement nor did he caution the accused afterwards by saying to him that such statements as these should not be made. Before the court can find an accused person guilty it must be satisfied beyond all reasonable doubt that the man is guilty. All reasonable doubt. If there is any doubt the man must be acquitted. I think there must be reasonable doubt for several reasons. First of all we have a genuine reason defying the charge, secondly the P.C. made no attempt right at the moment to find out whether the people around him had heard the statements. That was his job for purpose of corroborating his own evidence. Thirdly no notice of any kind was received by the accused until fully two weeks after these statements were allegedly made. With those points in mind I don't see how you can feel positive that the man is guilty.



If on the other hand you decide that he has made these statements you must decide whether a false statement

~~C to C~~

about the movement of troops is conduct to the prejudice. Since the statements were not true I do not believe that it is conduct to the prejudice

"At 1200 hrs on 27 Apr 44 The Court adjourned until 1330 hrs on the 27 Apr 44

Summary of Evidence in the Case of B.33091 C.Q.M.S. Graham, W.H.
H.Q. 1 Coy., First Canadian Army Signals.

The Commanding Officer directs that the evidence be taken on oath.

First Witness for Prosecution — Alexander John Gibbs, P.C. 23 Station, Ashtead, Surrey having been duly sworne states:-

" I am Alexander John Gibbs, P.C. 23 Station, Ashtead Surrey, Sir, at 2000 hrs 9 Apr.44 I was in the Saloon bar of the Woodman Hotel, Ashtead, when the accused C.Q.M.S. Graham, W.H. came into the Saloon Bar. He had been drinking. He had been celebrating Vimy Ridge Anniversary. Amongst other things he told me was the messes will be drank dry on the 16th (fifteenth) and all Canadians leave Ashtead on the 17th (seventeenth) for their concentration area. The big show starts on the 23rd (twenty-third). Keeping this conversation in mind I again visited the Woodman Hotel at 2030 hrs 10 Apr.44. The accused came into the Saloon bar, he told me there had been a conference that morning and several generals were present. He also repeated his intimation of the previous evening that all Canadians were leaving on the seventeenth (17th) for their concentration area and the big show starts on the 23rd (twenty-third).

That is my evidence sir.

Alexander J. Gibbs PC 1023.
(A.J. Gibbs) P.C. 23 Station, Ashtead.

The accused declines to cross examine the witness.

Question tothe accused:-

A plea for mitigation of sentence

To Mr President & Members of the Court.

I plead the case of L-12062 Pte. Graham, W.H. He has pleaded guilty. He does not wish to escape punishment but probably one should consider the case from the motive and not soley as guilty or not guilty angle.

First let us touch briefly on his civil life. His age - 31 yrs. Married, with one child -- a daughter aged 10 yrs. Education-- Grade XII and in civil life he was employed as a clerk in the municipal office at Swift Current.

At Home his married life was happy and normal but since his arrival in England things do not appear to have gone so well. His wife moved to Toronto, leaving the child in her mothers care at Swift Current. The child we think is being well taken care of but has had no letters from his wife since May.

This may seem no excuse for absence from his unit but some men cannot confide their troubles easily. Again it may be motivated by selfish desires or self pity, which, if part of a mans mental makeup requires a great deal of self control.

Where the man is intelligent, of good appearances and one who knows his own weaknesses, knows right from wrong, such as Graham here, but lacks self control, cannot something be done to help correct this fault, which if eliminated would produce a most excellent soldier and leader.

In his domestic relations he did fail to instigate proper investigation but that is now being done. In the past he has asked for changes of employment but owing to circumstances it could not be arranged.

Let us now review his military history. He joined the S. Sask. R on 7-Sep- 1939. He was at one time Pioneer Sgt and served at Dieppe as such where he did a most valuable job. If you have read Wallace Rayburns 'Rehearsal for Invasion' you will probably remember his mention of Graham and his work.

For some time after Dieppe he was confined to hospital suffering from shock. Even yet you may notice he is high strung and seemingly in a somewhat nervous condition.

Is not prevention better than cure? Could something be done to help this man who needs so much help? I thank you gentlemen for listening to my plea for the accused.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(1. *RP* 35 *fn* 2. 2. *MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove the statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans _____[5]

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(1. *RP* 25(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex _____, initialled and read aloud by the President.[1]
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.[1]
(1. *RP* 37(*A*) (*E*).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B4 to B5 of Record Form B above.[1]
(1. *Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p* 3 *and making an appropriate record thereof on a separate sheet.*)

On 21st May 40 I arrived in Brussels Belgium on leave and stayed at the Phoenix Hotel. When I arrived at the Phoenix Hotel the accused S/t Graham who I knew by recognition was behind the desk. After I was allotted my room, at about 1600 hrs, I asked the accused if there was any where I could leave my money for safe keeping. The accused said that Mrs Howe was not in and as I was the person who had the key to the safe he would take the money and put it over to her when she came in. I gave S/t Graham 45.00 frs (Belgium) he counted it; I put it in an envelope, sealed same, put my Regt'l number and name on it; gave the envelope to S/t Graham who gave me a receipt for the money. The next time I saw Mrs Howe she returned me the receipt for the money which I had given to S/t Graham.

The next morning at 1100 hrs I went to the desk and asked S/t Graham if I could draw some of my money. He asked me what I wanted and I said 1000 frs. He said Mrs Howe was not in and she had the key of the safe and I would have wait until she returned. S/t Graham left the hotel and while he was away Mrs Howe returned. I talked to Mrs Howe and gave her the receipt for my ~~money~~ money. She returned in 15 mins and we made an appointment for 1400 hrs. We had lunch at the Cosmopolite and S/t Graham was there in the mess hall and gave me the 1000 frs. I had asked for. He said that Mrs Howe had the rest of the money and I suggested to the accused that after lunch we would go back to the Phoenix together and straighten this out with Mrs Howe. When

Third witness for prosecution

Capt Allendorf, C.S., C.Bro.C., DAPM Corps Sec HQ Brussels Sworn having been duly sworn is examined by the prosecution.

On 22 May 45 I had occasion to take a statement from A/T Graham the accused whom I now recognize. The accused was under arrest when the statement was made. The accused was given the usual caution before he gave his statement. The accused signed the caution and then the statement. I produce the statement of the accused marked as exhibit No 2.

The defence has no objection to the statement being put in to proceedings as evidence.

The accused after making a statement told me that he had been drinking before he joined the convoy and when he was being examined by me was unable to account for the money.

Cross examination by defence.

When I saw the accused he was not drunk but I would say that he had been drinking earlier that day. R.P. 83 complied with.

First Witness for defence

B 73091 A/T Graham, W.H. RCCS (2-10 Lt) att. Corps Sec HQ Brussels Sworn having been duly sworn is examined by the defence.

The written statement I gave to Capt Allendorf, att as exhibit No 2, is Correct.

hotel on leave at this time. I am the manager I have a safe in my room in the office for safe keeping. I know there was no money in the safe belonging to Pte Billies. I had received no money or envelope from anyone for Pte Billies. I have the only key for the safe. Pte Billies asked me for his money Tuesday 22 May 45 at approx. 1250 hrs. I saw Sgt Graham about 1630 hrs Thursday when he handed me a packet in an envelope belonging to somebody called Farley and I went upstairs and put it in the safe. I saw Sgt Graham about 0730 hrs Tuesday when I came in to the hotel from my morning. He was sitting behind the desk. Sgt Graham did not give me a marked envelope bearing the name of Pte Billies and 4500 frs (Bel) on the 21st or 22nd of May 45. The staff in that section personnel are issued valuables for safe keeping by the OIC and not directly to me and I lock the valuables in the safe. Sometimes other members of the staff, if I am not there, accept the valuables and the latter hand them to me to be put in the safe in my room. The mornings days I usually stay in my office but on that particular day I was called away and may not have been there when Pte Billies arrived.

Cross examination by Defence

I don't remember seeing Sgt Graham after he gave me the packet. If any one on the staff took anything he would most likely be caught. Sgt Graham has been many occasions especially during the past three weeks and always in my room. It is a great temptation when living in a partitioned off room of three as you are surrounded by people in town and frequently being offered drinks. He was sometimes under the influence of drink during the day time.

R.P 83 is complied with.

The Court adjourned until 0930 hrs 7 June 45

Billie his 1000 frs. The result of my inquiry to S.M. Jones was satisfactory. I would have been able to get the 3500 frs at 1500 hrs that afternoon. I don't think that it is possible to steal any thing hooked to me for safe keeping without being caught. If I had endeavoured to steal the money I would not have given the man a receipt and even then it would be his word against mine and he would probably be believed. I would definitely not have stolen the money as I have 17 yrs service in the army, I have a wife and child and I would not sacrifice this happiness for 4500 frs. My military record is good. I have already made arrangements that £ 20-0-0 be sent me immediately so I can repay Billie. I wrote on the night of the 22nd May for the money. I received a reply dated 27 May on 29 May saying arrangements were being made to forward £ 20-0-0. Any balance over the £ 20-0-0 I was going to make repayment of my pay. I have a balance of ~~£ 9-0-0~~ $9.00 credit in my pay book not counting any June pay which has not been entered on account of any arrest. On May the staff were definitely considering it. I was too busy to drink. I did not drink during duty — 21st, 22nd May.

Cross examination by prosecution

I did not report the loss of money on the 21st May because there was no one to report to. I did not report it on the 22nd May because I had warned all night and did not expect to be believed. I did not think I would be believed because I had given the man a receipt for the money and I didn't think anyone would believe I had lost it. When I saw Billie the next morning I don't think I said I left it with Pte. Howe. I think he said that he was not a 1000 frs which I gave him later on the made arrangements with BSM Jones for the 3500 frs. I don't think I said the rest of the money was with Pte Howe. I did not think 4500 frs

Pte Billis money away because I wanted him at the office and couldn't see him. He wouldn't have been anywhere else in the hotel. I placed the money in my pocket and went to supper at Thannies and made up my beds. I booked for three Hours at approx 1800 hrs. I came back three Hours later 0730 hrs 22 May 45. I went off duty at 1830 hrs 21st May went to my room changed into my good uniform along with the contents of my pockets to the new uniform. I placed the note envelope in my back pocket and so far as I know I buttoned my back pocket. In my own mind I am satisfied my back pocket was buttoned up. I went to the Garrison Cinema left cinema at 2150 hrs arrived back at Thannies at 2300 hrs. After I left the cinema I went to Church Army and had a cup of coffee and remained until from there to the Thannies. I only had 2 or 3 drinks of beer during the evening. As we have a habit of pressing our trousers by placing the bottom of the trousers + spring of our beds I noticed that the envelope containing Billis money was gone when I went to bed after returning from the cinema. I never reported the loss as there was no one to report it to at that time of night. There was no R of C staff present and I was the senior NCO present I have no idea when or how the envelope left my pocket, I do know it was in my pocket when I left the Thannies for the show and gone when I returned. I didn't tell Pte Billis about the loss the night morning because I had been worrying about it all night and thought that somebody needed telling me if I did tell them. I therefore proposed to the 3500 hrs in the afternoon and pay them to Billis. I was going to borrow it from BSM Jones, camp S.M. but BSM Jones is in the hospital. I asked S.M. was a lot of money for a man to have, some men earning in three days had more than that. That amount is about $110.00 Belgian currency and I was willing to pay it back without a fight because I felt that I was responsible for the money because it had been placed in my hands for safe keeping. When I changed my uniform I put my own money 140/150 Frs in my left hand trouser pocket. This money did not disappear. I think that my crime sheet is clean. I was court martialled in England when I was Q.M.S. for improper possession of public property. On the 22nd May I did not borrow any money from any other persons. I do not make a habit of borrowing money. I owe no money to anyone. I wrote my wife for $20.00 on evening 22nd May I did not write my wife the previous night as it was after 2200 hrs. I decided to write to my wife after I was placed under arrest as I could not contact S.M. Jones. On day I was interviewed by DAPM I had a couple of beers at lunch time. I told the DAPM I couldn't account for the money as I didn't know when it was.

By the court.

I never at any time used any of the money Pte Billis had given to me for my own use. The 1000 frs that I paid to Billis was money I had to me by my wife, mother and father in law to purchase beer and drinks I had especially for that purpose. R.P. 85 Complained with.

Mr President - Gentlemen of the Court.

You have before you a case in which a Pte soldier coming to Brussels on leave from a front line unit gave for the purpose of safe keeping his money to a Sgt in charge of the leave hostel at which he was staying. The money, ~~was~~ 4500 Belg francs - 1 Bank of 1000 and 7 - 500, was given to the accused in a sealed envelope on which Pte Robbins had written his name. MM4 in offences punishable by ordinary law, page 119, sec 52 Theft by a bailee states, I quote: As deprivation of possession is an essential ~~part~~ element of the offence, a person cannot in general, steal anything which is already in his possession. There is, however, a statutory provision to meet the cases of a "bailee" and a part owner by which a person may be guilty of stealing a thing, notwithstanding that he has lawful possession thereof, if being a bailee or part owner thereof, he fraudulently converts the same to his own use or to the use of any person other than the owner. Speaking generally, a person is a bailee of an article when it is delivered to him for the purpose of ultimately redelivering it or delivering it to some other person. Thus, if a man hires a bicycle for a day he becomes 'bailee' of it; if he sells it, then although he had at the time lawful possession of it, his act is theft. This, however, applies only when the obligation is to redeliver or deliver the specific article. For instance, if A is entrusted with a sum of money

his obligation would ordinarily* be not to return identical coins but only an equivalent sum; and he would not be guilty of "stealing" if he wrongfully appropriated it to his own purposes. He would however be guilty of "fraudulent conversion" another offence dealt with by the Larceny act.

* It might be otherwise if the coins were deposited with him in a sealed package.
