The copy filmed here has been reproduced thanks to the generosity of:

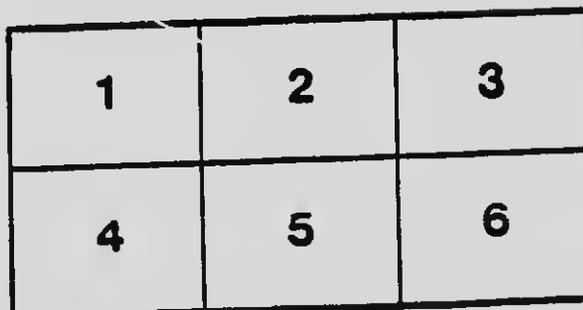

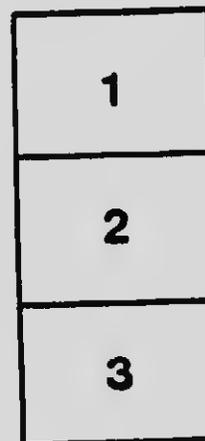

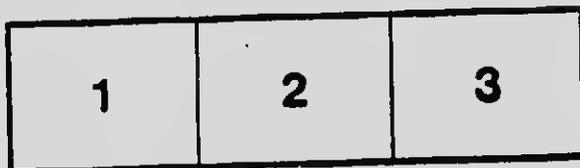

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

(a) It is often difficult to determine when things are so affixed to land or buildings as to form in law part of realty. The Suspension Bridge, between Ontario and the State of New York, across the Niagara Falls at Clifton, has been held "land." *Niagara Falls Suspension Bridge Co. v. Gardner*, 29 U. C. Q. B., 194-197. (As to the method of assessing international and inter-municipal bridges, see section 43).

It was held by the Court of Appeal in *Toronto Street Railway Co. v. Fleming*, 37 U. C. Q. B. 116, reversing the Court of Queen's Bench in 35 U. C. Q. But this case has been overruled by the Supreme Court in *Consumers' Gas Co. v. Toronto*, 27 S. C. R., 453, which held that the rails, poles and wires of the Toronto Railway Co., used by them in operating their electric railway, and laid and erected in and upon the public highways of the City of Toronto, were subject to assessment under The Consolidated Assessment Act, 1892, as real estate.

It was also held in *re Calgary Gas and Waterworks Co.*, 17 C. L. T. (Oct. N) 309, following *Consumers' Gas Co. v. Toronto*, that the water mains and pipes of the Calgary Gas and Waterworks Co., laid within the City of Calgary, were assessable as "land."

(e)

(See also R. S. O., 1897, c. 1, s. 10.)

3. All municipal, local or direct taxes or rates shall, where no other express provision is made, be levied upon the whole of the assessment for real property, INCOME and business or other assessments made under this Act, according to the amounts assessed in respect thereof, and not upon any one or more kinds of property or assessment or in different proportions. (f) R. S. O., 1897, c. 224, s. 6, amended.

In re the Canada Life Assurance Company and the City of Hamilton. 25, A. R., 312.

(g) The assessment of property exempt by law from assessment is so far a nullity as to render an appeal to the Court of Revision unnecessary, and the decision of that court or County Judge of no effect. B. 51; Brantford v. Ontario Investment Co., 15 A. R. 605.

(i) Previous to the amendment of this sub-section by sub-section 2 of section 1 of chapter 21, 3 Ed. VII. (O) it had been held, in Haynes v. Copeland, 18 U. C. C. P. 150, that a place of public worship was exempt from local rates; but it is now expressly provided that land on which a place of worship is erected and land used in connection with a place of worship shall be liable for local improvements. See Consolidated Municipal Act, 1903, chapter 19, 3 Ed. VII. (O), section 683, which is as follows :

(j) This is a qualified exemption. So long as the buildings and grounds are actually used and occupied by such institution, or if unoccupied, they are exempt, except in so far as they are liable for local rates, but if otherwise occupied they are liable for all taxes. See sec. 684, Consolidated Municipal Act, 1903, chap. 19, 3 Ed. VII. (O), which is as follows:

**684.** *The buildings and grounds of and attached to a university, college or other incorporated seminary of learning, whether vested in a trustee or otherwise, shall be liable to be assessed in the same manner and to the same extent as other land is assessed for local improvements made or to be made. This section shall not apply to schools which are maintained in whole or in part by a legislative grant or a school tax.*

*“ Provided that if the grounds of and attached to a school maintained in whole or in part by a Legislative grant or a school tax are not owned by the school board or the municipality but are held under a lease, agreement or other right of occupancy, the unexpired term of which does not extend beyond the period of the proposed assessment the said grounds shall be liable to be and shall be assessed for local improvements and the municipal council shall assume and pay the special rates assessed against the same during the unexpired term of such lease, agreement or right of occupancy or any renewal thereof or until said lands are no longer used for school purposes and as soon as said lands cease to be used for school purposes and thereafter during the currency of the debenture issued to pay for said work the said special rates fixed by the by-law providing for the payment of the said work shall be payable by the owner of the said lands and may be a charge upon the said lands and may be collected in the same manner as the rates imposed by the said by-law.*

(2.) *All land exempt from a local improvement rate imposed by any by-law as soon as it ceases to be used for any purpose that would render the same so exempt, or as soon as it ceases to be the property of any person entitled to exemption, or when the term of such exemption expires, as the case may be, shall thereupon become liable to be rated for the work, improvement or service at the rate fixed by the by-law providing for the payment for such work, improvement, or service, and the same shall be a charge upon the said land, and may be collected in the same manner as the rates imposed by such by-law. (k) The words "public hospital" are not technical; they have acquired by judicial decision no precise legal meaning; they are words of common use, and are to be interpreted as they are commonly understood. See *Struthers v. Town of Sudbury*, 30 O. R. 116; 27 A. R. 217.

The word "public" would appear to be used in a popular and not in a strictly legal sense. See *Wylie v. Montreal*, 12 S. C. R. 384.

It is to be observed, however, that to entitle a public enterprise to exemption under this sub-section, it must be one receiving aid under the provisions of chapter 320, R. S. O., 1897.

(l) Public squares are as much public property as public roads and ways, and cannot, without a breach of trust, be applied to any use inconsistent with the purpose of their dedication. See *Guelph v. #### TAXATION ON INCOME DIRECTLY.

Taxable income.

11. (1) Subject to the exemption provided for in sections 5 and 10 of this Act the following persons shall be assessed and taxed in respect of income :

- (a) Every person not liable to business assessment under section 10, and
- (b) Every person, although liable to business assessment under section 10, shall also be liable in respect of any income not derived from the business in respect of which he is assessable under that section.

(s). New. • See R. S. O., 1897, c. 224, s. 35.

Place of assessment for income.

(s) The tax imposed by 31 Vic., c. 36, section 4 (N. B.) upon "income" is leviable in respect of the balance of gain over loss made in the fiscal year, and when no such balance of gain has been made there is no income or fund which is capable of being assessed. There is nothing in the said section or in the context which should induce a construction of the word "income" when applied to the income of a commercial business for a year, otherwise than its natural and commonly accepted sense as a balance of gain over loss. *Lawless v. Sullivan*, 6 App. Cases 373, reversing judgment of Supreme Court. 3 S. C. R. 117.

(1) Section 22 (1) makes it the duty of assessors to set down the names and surnames in full, if the same can be ascertained, of all taxable persons resident in the municipality who have taxable property therein, or in the district for which the assessor has been appointed who are taxable therein. This section provides for the assessment being made at a person's place of residence, office or business. If a person has neither an office nor place of business nor is resident within the municipality, he cannot be legally placed on the roll. *Cartwright v. Kingston*, 6 U. C. L. J. 189. Where the lessees of a road running through the village of St. Thomas, lived in the township of Yarmouth, it was held that they could not be assessed in St. Thomas for their interest in the road. *In re Hepburn v. Johnston*, 7 U. C. L. J. 47. *Hughes Co. J.* And where the appellant, though in the village of St. Thomas at the time of the assessment, was only temporarily there for the purpose of winding up the business of an agency of the Bank of Montreal, at that place, it was held that he could not be taxed on his income in St. Thomas. *In re Ashworth*, 7 U. C. L. J. 47. *Hughes Co. J.*, and where a resident of Vienna had taken a house at Ingersoll, in another municipality, whither the greater part of his household effects had been moved and where his family resided at the time of the assessment, although he temporarily remained and slept in his former domicile during the night, it was held that he could not be legally assessed in Vienna. *Mari v. Vienna*, 1 U. C. L. J. 275. *Hughes Co. J.*

(2) See *Kingston v. the Canada Life Assurance Company*, 10 O. R. 453. The defendants were a Life Insurance Company, with their head office at Hamilton, in this Province, and transacted business by agents at Kingston, who received applications for insurance which they forwarded to the head office, from which all policies issued ready for delivery; the premiums on the same also being collected by the agents in Kingston. In an action by the corporation of the City of Kingston to recover taxes assessed against the defendants on income it was contended that the defendants' only place of business was in Hamilton, and that their business was of such a nature that they could not be assessed at Kingston, and that they had elected under R. S. O., 1887, chapter 193, section 35, subsection 2, to be assessed at Hamilton on their whole income. Held, reversing the opinion of Ferguson, J., 18 O. R. 18, that the agency at Kingston was not a branch business within the meaning of section 35 above referred to, and that the premiums received year by year at Kingston were not assessable there. Where a joint stock company owns property in a municipality, the property is to be assessed to the company itself, and not to the shareholders in their individual capacity.

income for, or on behalf of, a person who is resident out of the Province, shall be assessed in respect of such income. (v).

Income in control of agent, etc., of non-resident, assessable against agent.

(2) Every person assessed under this section shall be so assessed at his place of business, if any, or if he has no place of business, at his residence. New. See R. S. O., 1897, c. 224, ss. 11, 38, 44, 46; 63 Vic., c. 34, s. 4.

#### TELEGRAPH AND TELEPHONE COMPANIES.

Assessment of telephone companies on income in cities, towns, villages, and police villages.

14. (1) Every telephone company carrying on business in a city, town, village, or police village, shall in addition to any other assessment to which it may be liable under this Act, be assessed for 60 per cent. of the amount of the gross receipts belonging to the company in the city, town, village, or police

(v) *Phoenix Insurance Company v. Kingston*, 7 O. R. 343. The plaintiff company was a foreign corporation with the head office in England, but carrying on insurance business in Canada with an agency office at Kingston, Ontario, and the head office for Canada at Montreal. Held, that insurance premiums received at Kingston by the agent of the company there for insurance business transacted through him as such agent were assessable at Kingston as taxable income or personal property against the said company and its said agent, although the agent paid taxes on his own income, which was partly derived from commission on the premiums received, and the fact that the premiums having been previously sent by the agent, after collection to the head office in Montreal were not in the municipality of Kingston when the assessment was made, did not make any difference following, in re *North of Scotland Canadian Mortgage Company*, 31 U. C. C. P. 552, in which it was held that the income or profit from investment upon mortgage and other securities of the company in Ontario, though transmitted to its head office at Aberdeen were assessable here.

Under this section personal property of a person not resident within the Province is assessable against the agent, trustee or other person having control or possession of it, as if such agent, trustee or other person were the owner of it.

See also notes to section 12.

Trustees, guardians, executors or administrators though described on the roll in their representative character are personally liable for the payment of the taxes. See *Dennison v. Henry*, 17 U. C. Q. B. 276.

"As regards personal property (which, under the provisions of the former Assessment Act, R. S. O., 1897, chap. 224, included "income") of a visible and tangible nature, such as cattle and chattels in the popular sense of the term, and which are capable therefore of an actual situs, and differing only from land in the fact that the one is immovable, the other movable from one place to another, there is very little difficulty. Both are equally protected by the laws of the country where they are situated, and both are justly chargeable with a proportion of the local burdens of the place in which they happen to be, according to all just principles of taxation." Per *Burton, J.*, in *Nickle v. Douglas*, 37 U. C. Q. B. 60.

Assessment of telephone companies on mileage in townships.

(3) In the computation of the length of said telephone wires and additional wires for assessment in a township as aforesaid, the wires placed or strung within the area of any police village, and the wires of all branch and party lines, which do not exceed 25 miles in length, shall not be included.

Wires in police villages and branch lines included.

(4) Every telegraph company carrying on business in a city, town, village, or police village, shall in addition to any other assessment to which it may be liable under this Act be assessed for 50 per cent. of the amount of the gross receipts belonging to the company in such city, town, village or police village from the business of the company for the year ending on the 31st day of December next preceding the assessment.

Telegraph companies assessed on income in cities, towns, villages, and police villages.

(5) In every township there shall be assessed against every such telegraph company a sum equal to \$40 for every mile of the length of one wire placed or strung on the poles or other structures operated or used by the company in the township and in use on the 31st day of December next preceding the assessment and a sum equal to \$5 per mile for each additional wire so placed or strung on the 31st day of December next preceding the assessment.

Assessment on mileage in townships.

(6) In the computation of the length of said telegraph wires and additional wires for assessment in a township as aforesaid the wires placed or strung within the area of any police village and the wires of all branch and loop lines which do not exceed twenty-five miles in length shall not be included.

Wires in police villages, and branch and loop lines excluded.

What is to be measured as separate wires.

(7) In the measurement of such additional wires, the length of every telegraph wire and of every telephone wire forming a ground circuit or pair of telephone wires forming a metallic circuit, as the case may be, placed or strung in cables or other combinations, and used, or capable of being used, as an independent means of conveying messages shall be computed.

Exemption from other assessments.

(8) Every company assessed as provided in this section shall, in townships, be exempt from assessment in any other manner or on any other property for municipal purposes, and shall, in cities, towns, villages and police villages be exempt from assessment in respect of all plant, appliances and machinery wherever situated and in respect of all structures placed on, over, under, or affixed to any highway, road, street, lane, or public place or water.

Poles and wires on township boundaries.

(9) Where the poles or wires of a telegraph or telephone company are placed on the boundary line between two townships or so near thereto that the poles or wires are in some places on one side and in other places on the other side of the boundary line or are placed on a road which lies between two townships, although it may deviate so as in some places to be wholly or partly within either of them, the company shall be assessed in each township for one-half of the amount assessable against it under sub-section 2 or sub-section 5, as the case may be, in both the townships taken together.

(c) Land known to be sub-divided shall be designated in the roll by the numbers or other designation of the sub-divisions, with reference where necessary to the plan or survey thereof; land not sub-divided into lots shall be designated by its boundaries or other intelligible description.

Each lot to be assessed.

(d) Each sub-division shall be assessed separately, and every parcel of land (whether a whole sub-division or a portion thereof, or the whole or a portion of any building thereon) in the separate occupation of any person, shall be separately assessed. New. See R. S. O., 1897, c. 224, s. 34.

---

(z) An assessor is not bound to inquire into the trusts upon which lands are held, but to view each man's premises and to find out whether or not he is assessable or whether or not he comes under any of the exemptions allowed by law. *Franchon v. St. Thomas, Hughes Co. J.*, 7 U. C. L. J. 245. There is nothing in the law as it at present stands authorizing a council to have an assessment of its municipality to be made otherwise than annually.

(a) By this clause and sub-section 2 under the heading "Column 4," the assessor is required to write opposite the name of the owner the letter

(f) No assessment shall be made against the name of any deceased person, but when the assessor is unable to ascertain the names of the persons who should be assessed in lieu of the deceased person, he may insert, instead of such names, the words "Representatives of A. B. deceased" (giving the name of such deceased person). R. S. O., 1897, c. 224, s. 13 (2), amended.

Deceased persons.

(g) In assessing lands of non-residents in municipalities to which sub-section 6 of section 33, is applicable, the assessor shall enter such lands at the end of the ordinary assessment roll, separated from the other assessments and placed under the heading "Land of Non-residents," and shall fill in as far as is possible under such heading with regard to such lands, the particulars mentioned in columns 1, 2, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16 and 23 of the roll. Assessors cannot be too careful in the observance of the plain duties pointed out by the statute. Where assessors or officers of municipalities omit to follow the plain directions in acts of parliament and any loss thereby arises to the municipality, it would seem that the party causing such loss would be answerable therefor to the municipality. *Christie v. Johnston*, 12 Grant 534.

Special columns in cities and towns.

(5) In cities and towns the assessment commissioner or the assessor, as the case may be, may vary the form of the assessment roll so as to shew in columns 1, 2, 3, 4 and 5, the name and other particulars relating to occupants of land, or no occupant, by inserting in column 2 the words "vacant lot" and in an additional set of columns numbered 1a, 2a, 3a, 4a and 5a, similar particulars relating to the owner or lessee, if such lessee holds a lease extending over twenty-one or more years, and by inserting in column 4a the letters "O" or "L" as the case may require, opposite the name of the owner or lessee. 62 V. 23. (1) In this section the words and expressions "Farm," "Son," "Sons," "Farmer's Son," "Father," "Election," "to Vote," and "Owner," shall respectively have the meaning given thereto by section 86 of The Consolidated Municipal Act, 1903. R. S. O., 1897, c. 224, s. 14 (1), amended.

3 Edw. VII, c. 19

(2) Every farmer's son *bona fide* resident on the farm of his father or mother, at the date of the assessment, shall be entitled to be, and may be, entered on the roll, in the cases following :

Farmer's son.

- (a) If the father is living, and either the father or mother is the owner of the farm, or if the father is dead, and the mother is the owner of the farm, and is a widow, and the farm is assessed at an amount sufficient, if equally divided between the father and the sons or the mother and the sons, to give to each a qualification to vote at a municipal election.
- (b) Occasional or temporary absence from the farm for a time or times, not exceeding in the whole six months of the twelve months next prior to the date of the assessment by the assessor, shall not operate to disentitle a son to be considered *bona fide* resident as aforesaid.
- (c) If there are more sons than one so resident, and if the farm is not assessed at an amount sufficient, if equally divided between them, to give a qualification to vote at a municipal election, to the father and all the sons, where the father is living, or to the mother and all the sons where the father is dead and the mother is the owner of the farm and is a widow, then the father or the mother, as the case may be, shall be assessed in respect of the farm, and the right to be entered on the roll as a farmer's son shall belong to and be the right only of the eldest or such of the elder of said sons to whom the amount at which the farm is assessed will, when equally divided between them and the father, or between them and the mother, as the case may be, give a qualification so to vote.
- (d) If the amount at which the farm is assessed is not sufficient if equally divided between the father, if

living, and one son, or, where the father is dead and the mother is the owner of the farm and is a widow between the mother and one son, to give to each a qualification so to vote, then the father or the mother, as the case may be, shall be assessed in respect of the farm, and no son shall be entitled to be entered on the roll as a farmer's son. R. S. O., 1897, c. 224, s. 14 (2), a-e., amended.

- (e) When a farmer's son is entered on the roll under any of the above provisions, the letters "F. S." shall be inserted after his name in the proper column of the roll. See R. S. O., 1897, c. 224, s. 14 (2) f.

(2) A person may be resident in the municipality within the meaning of this section, notwithstanding occasional or

temporary absence in the prosecution of his occupation as a lumberman, mariner, or fisherman, or of his attendance as a student in an institution of learning in the Dominion of Canada and such occasional or temporary absence shall not disentitle such person to be entered on the assessment roll as a qualified voter.

(3) The assessor shall also make reasonable inquiries in order to ascertain what persons resident in his municipality, or in the section of the municipality in respect of which the assessor is acting, are entitled to be placed on the assessment roll as qualified to be voters under The Ontario Election Act, and shall place such persons on the roll as qualified to be voters without the affidavit referred to in sub-section 1. 28. (1) In the case of a municipality in which there are

(g) Section 48 of The Separate Schools Act makes it the duty of the clerk of every municipality to enter in a convenient index book and in alphabetical order, the name of every person who has given to him or any former clerk of the municipality notice in writing that such person is a Roman Catholic and a supporter of a separate school in or contiguous to the municipality, as provided by the 42nd section of The Separate Schools Act, or by previous Acts respecting separate schools. The assessor is to be guided by the list in ascertaining who have given the requisite notice.

(h) The assessor is not bound to accept the statements of or made on behalf of any ratepayer under R. S. O., 1897, c. 294, s. 49, sub-section 2, in case he is made aware of or ascertains before completing his roll, that such ratepayer is not a Roman Catholic, or has not given the notice required by R. supporters of a Roman Catholic separate school therein, or contiguous thereto, there shall be printed in conspicuous characters, or written across or on the assessor's notice to every ratepayer provided for by section 46 of this Act, and set forth in Schedule F hereto, in addition to the proper entry heretofore required to be made in the column respecting the school tax, the following words: "You are assessed as a separate school supporter," or "You are assessed as a public school supporter," as the case may be; or these words may be added to the notice to the ratepayer set forth in the said Schedule. (i).

ment as public or separate school supporter

(2) Where a ratepayer who was in the next preceding year assessed as a public school supporter, is being assessed as a separate school supporter, or where a ratepayer, who was in the next preceding year assessed as a separate school supporter is being assessed as a public school supporter, it shall be the duty of the assessor to give in addition to all other notices, a written or printed notice to such ratepayer that such change is being made. #### SCHOOL CENSUS.

R. S. O., 1897, c. 224, s. 17 (1).

report to the inspector of the division and to the secretary of each school section. R. S. O., 1897, c. 224, s. 17 (2), amended. See 1 Edw. VII., c. 39, ss. 12 (3), 65 (3) ; s. 22 cols. 24, 25.

#### MODE OF ASSESSMENT OF LAND.

Land where assessed.

**32.** Except as hereinafter provided for, land shall be assessed in the municipality in which it lies, and in the case of cities and towns in the ward in which it lies. See 2 Ed. VII., c. 31, s. 1, first part.

#### OWNER OCCUPYING LAND.

Land against whom to be assessed.

**33** (1) Land occupied by the owner shall be assessed against him. See R. S. O., 1897, c. 224, s. 19.

#### RESIDENT OWNER OF UNOCCUPIED LAND.

Unoccupied land of resident.

(2) Unoccupied land, the owner (j) of which is resident in the municipality, shall be assessed against him. See R. S. O., 1897, c. 224, s. 20.

#### RESIDENT OWNER, LAND OCCUPIED BY TENANT.

Land of resident occupied by tenant.

(3) Land owned by a resident in the municipality and occupied by any person other than the owner, shall be assessed against the owner and the tenant. See R. S. O., 1897, c. 224, s. 20.

---

(j) The word "owner" in this section has a wide meaning. Where executors and devisees in trust of lands were assessed as owners, held that they were properly so assessed, and that their own goods might be seized for the taxes ; *Dennison v. Henry*, 17 U. C. Q. B. 276. Upon seeing land occupied by an apparent owner, the assessor is bound to assess the occupant for it, no matter upon what trust the freehold of the land is held ; *Franchon v. St. Thomas*, 7 U. C. L. J. 246. In *the Bank of Toronto v. Fanning*, 17 Grant 514, *Sprague, C.*, says : "I am not prepared to say that a *personal* occupation by living on a particular lot is necessary. A lot may be used with another as part of the same farm, and that without there being a house upon it, or even a barn, the house and farm buildings being upon an adjoining lot. In the case of premises so used by an owner it would be manifestly wrong in an assessor to return any part of such land as non-resident ; or in case of their being so used by a tenant or other person under the owner, so to return them." It seems that a lessee of a house in a city cannot be assessed as occupier when he no longer occupies it, although his term still continues, but if he be so assessed and he neglect to appeal he will be liable to pay the tax ; *McCarrall v. Watkins*, 19 U. C. Q. B. 248.

Land not occupied by the owner is to be assessed against such owner alone (a) when he is known to be the owner of the land and resides or has a legal domicile or place of business in the municipality ; but (b) if it is occupied by some other person it is to be assessed against both the owner and the occupant.

NON-RESIDENT OWNER, LAND OCCUPIED BY TENANT.

(4) Occupied land owned by a person who is not a resident in the municipality shall be assessed against the owner if known, and against the tenant. See R. S. O., 1897, c. 224, ss. 20, 21.

Occupied land owned by non-resident.

NON-RESIDENT OWNER, LAND UNOCCUPIED.

(5) In cities, towns and villages unoccupied land owned by non-residents shall be assessed in the same manner as the land of residents; and where the name of the owner cannot be ascertained, the assessor shall insert the word "non-resident" in the column in the assessment roll for the name of the owner opposite the description of the land. New.

Unoccupied land of non-resident in cities, towns or villages.

(6) In townships unoccupied land shall be denominated "lands of non-residents," unless the owner thereof resides or has a place of business in the municipality (k) where the land is situate, or gives notice in writing setting forth his full name, place of residence and post office address, to the clerk of the municipality, on or before the 20th day of April in any year that he owns such land, describing it, and requires his name to be entered on the assessment roll therefor; which notice may be in the form or to the effect of Schedule D to this act; (l) and the clerk of the municipality shall, on or before the 25th day of April in each year, make up and deliver to the assessor a list of the persons requiring their names to be entered on the roll and of the lands owned by them. R. S. O., 1897, c. 224, s. 3, amended.

Unoccupied land of non-resident in townships.

(k) Unless the owner of unoccupied land is in fact a resident of, or has a place of business in the municipality, the assessor has no right to assess him, unless he has, in the manner provided by the statute, signified his desire to be assessed therefor. *Berlin v. Grange*, I. E. & A. 279 and 284, and *Berlin v. Grange*, 5 U. C. C. P. 224. Unless the name of a non-resident owner be legally placed on the roll, no action will lie against him for the taxes due in respect of his land. If the land be rated as unoccupied land, without the name of a non-resident owner, the land only is liable for the amount of taxes. It was at one time held that the assessment of occupied as unoccupied land was a ground for avoiding a tax sale. See *Allan v. Fisher*, 13 U. C. C. P. 63; *Snyder v. Shibley*, 21 U. C. C. P. 518; *Street v. Fogul*, 32 U. C. Q. B. 119; but the court held otherwise in the *Bank of Toronto v. Fanning*, 18 Grant, 391, and *Silverthorne v. Campbell*, 24 Grant 17.

(l) Where an Act provides that a thing shall be done in a given form, that form should be strictly followed, but where the direction is that the form given, or one "to the same effect," or "to the effect following," shall be followed, the same strictness is not required. *Warren v. Love*, 7 Dowl. P. C. 602; *Bacon v. Ashton*, 5 Dowl. P. C. 94.

Record of non-residents' notices.

Rights of appeal of non-residents not named in roll.

(7) The clerk of the municipality shall keep in a book a record of such notices and they shall stand until revoked. New.

(8) Where the name of the owner of unoccupied land has not been entered upon the assessment roll in respect thereof by the assessor, such owner or his agent shall be entitled :

(a) To apply to the Court of Revision to have the same so entered whether the notice in sub-section 6 has or has not been given, and the court may order the name to be entered notwithstanding that such notice

has not been given or has not been given by the time in the said sub-section provided.

(h) Within the time allowed by law for other applications in that behalf, to apply to the Judge to have the name of the owner entered upon the assessment roll and the voters' lists, whether such notice has or has not been given ; and the Judge may direct that the same be so entered as provided in section 40 of The Ontario Voters' Lists Act, notwithstanding that such notice has been given or has not been given by the time in sub-section 6 provided. R. S. O., 1897, c. 224, s. 4, amended.

Rev. Stat. c. 7.

#### SEVERAL OWNERS OF UNDIVIDED SHARES, SOME NON-RESIDENT.

Joint owners, resident and non-resident.

(9) Where land is owned by more persons than one, and any one of the owners is not resident in the municipality :

(a) If the land is occupied by any person other than the owners it shall be assessed against the tenant and against such of the owners as are known ; and

(b) If occupied by any of the owners, or if unoccupied, it shall be assessed against all the owners who are known. See R. S. O., 1897, c. 224, s. 25 (1).

#### TENANT OF NON-RESIDENT'S LANDS, WHEN CONSIDERED OWNER.

Tenant when to be deemed owner.

(10) Where land is assessed against a tenant under either of the above sub-sections 4 and 9, the tenant, for the purpose of imposing and collecting taxes upon and from the land, shall be deemed to be the owner. See R. S. O., 1897, c. 224, s. 22.

#### MARRIED WOMAN OWNER, WHETHER RESIDENT OR NON-RESIDENT.

Married woman when husband to be assessed as owner.

(11) Where a married woman, whether resident or non-resident in the municipality, is assessed as owner, the name of

her husband shall also be entered in the roll as an owner. And where the property is assessed for a sum sufficient to entitle a sole owner, but insufficient to entitle two joint owners of the property to vote at municipal elections, the letter "O" shall be inserted in column 4 of the assessment roll after the name of the husband who shall be entitled to be entered on the voters' list as the owner of the property. R. S. O., 1897, c. 224, s. 19 amended.

(12) Land held by a trustee, guardian, executor or administrator, shall be assessed against him as owner or tenant thereof, as the case may require, in the same manner as if he did not hold the land in a representative capacity; but the fact that he is a trustee, guardian, executor or administrator shall, if known, be stated in column 5 of the roll. Provided, however, that such trustee, guardian, executor or administrator shall only be personally liable when and to such extent as he has property as such trustee, guardian, executor or administrator available for payment of such taxes. 35. The owner of any land in which the Crown has an interest, and the tenant of any such land (except a tenant occupying the same in an official capacity under the Crown) shall be assessed in respect of the land in the same way as if the interest of the Crown was held by any other person; and the interest of every person other than the Crown in such land shall be subject to the charge thereon given by section 89 and shall be liable to be sold under the provisions of this Act for arrears of taxes accrued against the land. New. See R. S. O., 1897, c. 224, ss. 7 (2) and 23.

Assessment of land in which the Crown has an interest.

(m) The real estate of a railway company within a municipality, though it has no office therein, is considered as lands of residents, and assessable there, except where it has ceased to exercise its corporate powers. For the statements to be furnished by railway companies to clerks of municipalities, see section 44.

VALUATION OF LANDS.

Valuation of land.

**36.** (1) Except in the case of mineral lands hereinafter provided for, real property shall be assessed at its actual value. (n). R. S. O., 1897, c. 224, s. 28 (1), amended.

Buildings.

(2) In assessing land having any buildings thereon, the value of the land and buildings shall be ascertained separately and shall be set down separately in columns 13 and 14 of the assessment roll and the assessment shall be the sum of such values. The value of the buildings shall be the amount by which the value of the land is thereby increased. New.

Mineral lands

(3) In estimating the value of mineral lands, such lands and the buildings thereon shall be valued and estimated at the value of other lands in the neighborhood for agricultural purposes, but the income derived from any mine or mineral work shall be subject to taxation in the same manner as other incomes under this Act. R. S. O., 1897, c. 224, s. 28 (2).

Assessment of toll roads.

**37.** Plank, gravel, macadamized or other toll roads not owned by any municipal corporation shall be assessed as real estate in the municipality in which the same are situate; and in making the assessment the assessor shall take into consideration the value of (1) the land occupied by the road, (2) the materials employed in the superstructure, (3) toll houses, buildings and gates on the road, (4) quarries and gravel pits and roads to and from such places, and used in connection therewith; but this section shall not include bridges 100 feet in length or over, and the approaches thereto, which are on or along such toll road and which are used therewith. R. S. O., 1897, c. 224, s. 32.

---

(n) With the exception of mineral lands, the assessor is required to assess lands at their actual value, but it is no defence to an action for taxes that the property was excessively rated. *London v. The Great Western Railway Company*, 17 U. C. Q. B. 267. See also *Niagara Falls Suspension Bridge Company*, 17 U. C. Q. B. 19. A council has no power to fix any arbitrary rule for the guidance of its assessor in assessing or valuing the property in the municipality. A competent person should be appointed to fill the office, and he should use his own judgment in making the assessment.

The principle provided by this section should be strictly adhered to by the assessor. Councils frequently direct assessors to assess lands at such rates as they think proper. They have no right to do this. The assessors should exercise their own judgment, and leave those who feel aggrieved to appeal to the Court of Revision.

38. Every toll road owned by any person or corporation other than a municipal corporation, upon which any toll is established, whether leased to a tenant or not, shall be assessed in the municipality in which the same is situate and where the road extends or runs into or through more municipalities than one, each municipality shall assess that part thereof which lies within its limits, and according to the value of that part, whether a toll gate or bar is or is not upon the road in the municipality. R. S. O., 1897, c. 224, s. 33.

Toll roads not owned by municipalities.

39. (1) In any town or village (o) in which there are lands held and used as farm lands only, and in blocks of not less than five acres, by any one person, such lands shall be assessed as farm lands.

Assessment of farm lands in towns and villages, etc.

- (a) Subject to the other sub-sections of this section such assessment shall be on the principles provided by section 40 for cases under that section.
- (b) This section and section 40 shall apply whether the lands assessed have or have not been divided into building lots.

(2) Where such lands are not benefited to as great an extent by the expenditure of moneys for and on account of public improvements of the character hereinafter mentioned in the municipality as other lands therein generally the council of such town or village shall annually, at least two months before striking the rate of taxation for the year, pass a by-law declaring what part of the said lands so held and used as farm lands only, shall be exempt or partly exempt from taxation for the expenditure of the municipality incurred for water works, whether for domestic use or for fire protection or both, the making of sidewalks, the construction of sewers or the lighting and watering of the streets, regard being had in determining such exemption to any advantage, direct or indirect to such lands arising from such improvements, or any of them.

Exemption of farm lands in towns and villages from assessment for certain improvements.

- (a) Nothing in this sub-section contained shall exempt or relieve any lands therein mentioned from the general rate for the payment of any debenture debt contracted before the 14th day of April, 1892, or renewed since the said date in whole or in part.

Appeal from  
by-laws to  
county judge.

(4) Any person complaining that the said by-law does not exempt or sufficiently exempt him or his said farm lands from taxation as aforesaid, may within 14 days after the passing thereof, notify the clerk of the municipality of the intention to appeal against the provisions of such by-law or any of them to the Judge of the County Court who shall have full power to alter or vary any or all of the provisions of the said by-law and determine the matter of complaint in accordance with the spirit and intent of the provisions of this section.

Procedure upon  
appeals to  
county judge.

(5) The provisions relating to appeals from a Court of Revision to the County Judge and to the amendment of the assessment roll thereon shall, so far as applicable, regulate and govern the procedure to be followed upon appeals to the County Judge under this section, and the amendment of the by-law thereon. (q).

Appeals from  
court of revision  
not affected.

(6) Nothing in the last two preceding sub-sections contained, shall be deemed to prevent or affect the right of appeal to the County Judge from the decision of a Court of Revision upon any appeal against an assessment. R. S. O., 1897, c. 224, s. 8.

land, and how  
its value shall

cities, etc.

40. (1) In assessing vacant ground, or ground used as a farm, garden, or nursery, and not in immediate demand for building purposes, in cities, towns or villages, whether incorporated or not, the value of such vacant or other ground shall be that at which sales of it can be freely made, and where no sales can be reasonably expected during the current year, the assessors shall, where the extent of such ground exceeds two acres in cities and ten acres in towns and villages, value such land as though it was held for farming or gardening purposes

(p) For the time fixed for the return of the roll, see section 47.

(q) See sections 68 to 75 both inclusive. The municipal corporation, assessor, assessment commissioner or any ratepayer may now appeal from the Court of Revision to the County Judge under section 68, the provisions of which were first enacted by 62 Vic., c. 27, s. 6, in consequence of re British Mortgage Loan Company of Ontario, 29 O. with such percentage added thereto as the situation of the land reasonably calls for. (r).

(2) Such vacant land, though surveyed into building lots, if uncolled as such, may be entered on the assessment roll as so many acres of the original block or lot, describing the same by the description of the block, or by the number of the lot and concession of the township in which the same is situate, as the case may be.

How entered on roll.

(3) In such case, the number and description of each lot, comprising each such block shall be inserted in the assessment roll; and each lot shall be liable for a proportionate share as to value, and the amount of the taxes, if the property is sold for arrears of taxes. (s). R. S. O., 1897, c. 224, s. 29.

Assessment thereof.

41. Where ground is not held for the purpose of sale but is *bona fide* enclosed and used in connection with a residence or building, as a paddock, park, lawn, garden, or pleasure ground, it shall be assessed therewith, at a valuation which, at six per centum, would yield a sum equal to the annual rental which, in the judgment of the assessors, it is fairly and reasonably worth for the purposes for which it is used, reference being always had to its position and local advantages, unless by by-law the council requires the same to be assessed like other ground. (t). R. S. O., 1897, c. 224, s. 30 (1).

Where not held for sale, but for a park, pleasure ground, etc.

42. (1) The property by clause (e) of paragraph 7 of section 2 of this Act declared to be "land," within the meaning of this Act owned by companies or persons supplying water, heat, light and power to municipalities and the inhabitants thereof and companies, and persons operating tramways, street railways and electric railways, shall, in a municipality divided into wards, be assessed in the ward in which the head office of such company or person is situate, if such head office is situated

Assessment of lands of water, heat, light, power, telephone, telegraph, street railway and electric railway companies.

(r) See Assessment Act, 1895, section 2, which took away the discretion which the council had under the Act of 1892. Judge McDougall, in considering appeals from the Court of Revision for the City of Toronto under this section, held that the true test was the actual value of the land.

(s) The object of this sub-section is to preserve the relation of the lots to each other in order to adjust the burden of taxation in the event of sale of a portion for taxes.

(t) Unless the council by by-law requires land not held for purposes of sale but *bona fide* enclosed and used in connection with a residence or building, or a paddock, park, lawn, garden or pleasure ground, to be assessed like other ground, the assessor must ascer' in the value at which such shall be assessed in the manner provided by this section.

Principle of assessment.

(2) In assessing such property, whether situate or not situate upon a highway, street, road, lane, or other public place, the same shall when and so long as in actual use be assessed at its actual cash value as the same would be appraised upon a sale to another company or person possessing similar powers, rights and franchises in and from the municipality and subject to similar conditions and burdens, regard being had to all circumstances adversely affecting the value of such property, including the non-user of any of the same. See 2 Edw. VII., c. 31, s. 1 (3) ; 3 Edw. VII., c. 21, s. 7 (2).

#### INTERNATIONAL AND INTERMUNICIPAL BRIDGES.

Bridges over international boundary lines.

**43.** (1) In the case of any bridge liable to assessment which belongs to or is in the possession of any person or incorporated company, and which crosses any river forming the boundary between the Province of Ontario and any other country or province, the part of such structure within Ontario shall be valued as an integral part of the whole and on the basis of the valuation of the whole, and at its actual cash value as the same would be appraised upon a sale to another company possessing similar powers, rights and franchises and subject to similar conditions and burdens but subject to the provisions and basis of assessment set forth in sub-section 2 of section 42 of this Act. (u).

Bridges between municipalities.

(2) Any bridge belonging to or in possession of any person or company between two municipalities in the Province shall be valued as an integral part of the whole and on the basis of the valuation of the whole. 2 Edw. VII., c. 31, s. 1 (5), amended.

(u) This section was originally enacted by sub-section 5 of section 1 of chapter 31, 2 Ed. VII., in consequence of the decision of the Court of Appeal in *In re Queenston Heights Bridge Assessment* (1 O. L. R. 114), in which it was held that in assessing for the purpose of taxation that part of a bridge, crossing the Niagara River, lying within a township in Canada, regard cannot be had to its value in proportion to the value of the franchise, or of the whole bridge, or to the cost of construction, but only to the actual cash price obtainable for the land and materials situate within the township.

- (a) The quantity of land occupied by the roadway, and the actual value thereof (according to the average value of land in the locality) as rated on the assessment roll of the previous year ;
- (b) The vacant land not in actual use by the company and the value thereof ;
- (c) The quantity of land occupied by the railway and being part of a highway, street, road or other public land (but not being a highway, street or road which is merely crossed by the line of railway) and the assessable value as hereinafter mentioned of all the property belonging to or used by the company upon, in, over, under, or affixed to the same ;
- (d) The real property, other than aforesaid, in actual use and occupation by the company, and its assessable value as hereinafter mentioned ;

and the clerk of the municipality shall communicate such statement to the assessor. R. S. O., 1897, c. 224, s. 31, amended.

(2) The assessor shall assess the land and property aforesaid as follows :

Assessment of railway land

- (a) The roadway or right of way at the actual value thereof according to the average value of land in the locality ; (v) but not including the structures, sub-

(v) The assessment must be according to the average value of land in the locality. The statement from the company to the municipality need not be in any particular form. *Great Western R. W. Co. v. Fernau*, 8 U. C. C. P. 221. And the delivery of the statement by the assessor to the company of the amount at which he has assessed the real property of the company is necessary, to enable the company, if dissatisfied, to appeal. *London v. Great Western R. W. Co.*, 16 U. C. Q. B. 500 ; *Nicholls v. Cumming* 25 U. C. C. P. 169. The omission of the assessor to distinguish in his notice to a railway company, between the value of the land occupied by the road and their other real property, as required by the Act, does not absolutely void the assessment. *Great Western R. W. Co. v. Rogers* 27 U. C. Q. B. 214. It is only the subject of complaint to the Court of Revision. S. C. 29, U. C. Q. B. 245.

A municipal council has no authority to enter into an agreement with a railway company (except the Canada Southern Railway Company, as provided by section 3 of Chap. 63, 62 Vic.), to assess its property in the municipality at a fixed sum each year for a term of years. It is the duty of the assessor to assess the property of the company as directed by section 36, without any interference on the part of the council.

structures and superstructures, rails, ties, poles and other property thereon ;

- (b) The said vacant land, at its value as other vacant lands are assessed under this Act ;
- (c) The structures, substructures, superstructures, rails, ties, poles and other property belonging to or used by the company (not including rolling stock and not including tunnels or bridges in, over, under or forming part of any highway) upon, in, over, under, or affixed to any highway, street, or road (not being a highway street, or road merely crossed by the line of railway) at their actual cash value as the same would be appraised upon a sale to another company possessing similar powers, rights and franchises, regard being had to all circumstances adversely affecting the value, including the non-user of any such property ; and
- (d) The real property not designated in clauses (a), (b) and (c) of this sub-section in actual use and occupation by the company, at its actual cash value as the same would be appraised upon a sale to another company possessing similar powers, rights and franchises. New.

But the telephone and telegraph plant, poles and wires which are used exclusively in running trains or for any other purposes of a steam railway and not for commercial purposes, shall, as heretofore, be exempt from municipal assessment or taxation. 2 Edw. VII., c. 31, s. 1, part, amended.

Notice of  
assessment.

(3) The assessor shall deliver at, or transmit by post to, any station or office of the company a notice, addressed to the company, of the total amount at which he has assessed the said land and property of the company in his municipality or ward, showing the amount for each description of property mentioned in the above statement of the company ; and such statement and notice respectively shall be held to be the assessment return and notice of assessment required by sections 18 and 46 respectively of this Act. R. S. O., 1897, c. 224, s. 31, *last part amended*.

(4) A railway company assessed under this section shall be exempt from assessment in any other manner for municipal purposes except for local improvements. New.

45. When an assessment has been made under the provisions of section 44 the amount thereof in the roll as finally revised and corrected for that year shall be the amount for which the company shall be assessed for the next following four years in respect of the land and property included in such assessment; but at any time before the return of the assessment roll, in any year, the said amount may be reduced by deducting therefrom the value of any land or property included in such assessment which has ceased to belong to the company, and a further assessment may be made of any additional land or property of the company not included in such assessment.

(w) The duty imposed upon the assessor under this section in regard to giving the person notice in the manner provided is imperative. It is also the duty of the assessor to enter on the roll opposite the name of the party, the time of delivering or transmitting such notice. If an assessor, in making an assessment, makes a mistake innocently, and hands the person assessed the slip the law requires, he cannot be held accountable for any loss or injury occasioned by such mistake, as the person assessed should have the matter corrected on appeal to the Court of Revision.

either personally or by leaving such notice in the office or place of business of such person in the municipality ; and where such office or place of business is situate in any public building or in any building, the apartments of which are occupied by different persons as places of business, the notice may be left with the person assessed, or in his absence with some person employed in the particular office in which the person named in the notice is engaged ; or, if there be no such person, the notice may be left in the particular office in which the person assessed is employed or engaged. R. S. O., 1897, c. 224, s. 52, amended.

(6) In case any person assessed furnishes the assessment commissioner, or, if none, the clerk with a notice in writing giving an address to which the notice of assessment may be transmitted to him, and requesting that the same be transmitted to such address by registered letter, the notice of assessment shall be so transmitted ; and any notice so given to the assessment commissioner or clerk, as the case may be, shall stand until revoked in writing. New.

(7) Nothing in the preceding sub-sections contained shall be deemed to require the assessor to give, leave or transmit any notice to any person entered upon the assessment roll as a farmer's son. (x). R. S. O., 1897, c. 224, s. 51 (2), amended.

#### TIME FOR COMPLETION OF ROLL.

(x) A farmer's son is not entitled to the notice, but the assessor is required to enter and set forth in any notice given or transmitted to any farmer, the name of every person entered on the roll as a farmer's son.

(y) This section makes it imperative on the assessor to begin to make his roll not later than the 15th day of February and to complete it not later than the 30th day of April. For a wilful omission to return his roll by the date fixed he is liable to a fine not exceeding \$200 and to imprisonment in the common gaol for a period not exceeding six months until the fine is paid, or in the discretion of the court to both fine and imprisonment. (3) Subject to the provisions of sections 53 to 56 inclusive every assessor shall, on or before the thirtieth day of April, (z) deliver to the clerk of the municipality the assessment roll, completed and added up, with the affidavits attached, and the clerk shall immediately upon the receipt of the roll, file it in his office, and it shall, at all convenient office hours, be open to the inspection of all persons requiring to inspect the same. New.

Correction of errors in roll by assessor.

49. If there is a change of occupancy, and the assessor has notice of it, he may before the return of the roll, make the necessary correction in the roll. See *in re McCulloch and the County Judge of Leeds and Grenville*, 35 U. C. Q. B. 449. And see also section 48 as to the correction by the assessor of errors before the time fixed for the return of his roll and the delivery or transmission of an amended notice to the person assessed.

R. S. O., 1897, c. 224, s. 166, amended.

#### INQUIRIES TO PREVENT CREATION OF FALSE VOTES.

Assessor to make inquiries so as to prevent creation of false votes.

52. (1) To prevent the creation of false votes, where a person claims to be assessed, or to be entered or named in any assessment roll or claims that another person should be assessed, or entered, or named in such assessment roll, as entitled to be a voter, and the assessor has reason to suspect that the person so claiming, or for whom the claim is made, has not a just right to be so assessed, or to be entered or named in the roll as so entitled to be a voter, it shall be the duty of the assessor to make reasonable inquiries before assessing, entering or naming any such person in the assessment roll.

Persons entitled to be assessed, etc., to be entered on roll without request.

(2) Any person entitled to be assessed or to have his name inserted or entered in the assessment roll of a municipality, shall be so assessed, or shall have his name so inserted or entered, without any request in that behalf; and a person entitled to have his name so inserted or entered in the assessment roll, or in the list of voters based thereon or to be a voter in the municipality, shall, in order to have the name of any other person entered or inserted in the assessment roll or list of voters, as the case may be, have for all purposes the same right to apply, complain or appeal to a Court or a Judge in that behalf as such other person would or can have personally, unless such other person actually dissents therefrom.

(3) Any person who wilfully and improperly inserts or procures or causes the insertion of the name of a person in the assessment roll, or assesses or procures or causes the assessment of a person at too high an amount with intent in any such case to give to a person not entitled thereto either the right or an apparent right to be a voter, or who wilfully inserts, or procures or causes the insertion of any fictitious name in the assessment roll, or who wilfully and improperly omits, or procures or causes the omission of the name of a person from the assessment roll, or assesses or procures or causes the assessment of a person at too low an amount, with intent in any such case to deprive any person of his right to be a voter, shall, upon conviction thereof before a court of competent jurisdiction, be liable to a fine not exceeding \$200, and to imprisonment until the fine is paid, or to imprisonment in the common gaol of the county or city for a period not exceeding six months, or to both such fine and imprisonment in the discretion of the court.

Penalty for causing improper entries on roll.

SPECIAL PROVISIONS (APPLICABLE IN CITIES, TOWNS AND VILLAGES.)

53. (1) In cities, towns and villages, the council, instead of being bound by the periods above mentioned for taking the assessment, and by the periods named for the revision of the rolls by the Court of Revision, and by the County Judge, may pass by-laws for regulating the above periods, as follows, that is to say: For taking the assessment between the 1st day of July and the 30th day of September, the rolls being returnable in such case to the city, town or village clerk on the 1st day of October; and in such case the time for closing the Court of Revision shall be the 15th day of November, and for final return by the Judge of the County Court the 15th day of December; and the assessment so made and concluded may be adopted by the council of the following year, as the assessment on which the rate of taxation for said following year shall be fixed and levied; and the taxes for such following year shall in such case be fixed and levied upon such assessment; Provided, nevertheless that in cities the assessment may be made between the 1st day of May and the 30th day of September. (g) In the case of non-resident owners whose names do not appear in the roll the charge must be made against the land and not against the owner. *Canada Co. v. Howard*, 9 U. C. Q. B. 654.

**14.** A non-resident whose name does not appear on the resident assessment roll, shall not be permitted to perform statute labor in respect of any land owned by him ; but a commutation tax shall be charged against every separate lot or parcel, according to its assessed value, and be entered in the non-residents collector's roll. In all cases in which taxes on such non-residents lands are paid, the municipal council shall order the amount to be expended in the statute labor division in which the property is situate. R. S.
