The State of the Country, AR.) Office of GREENE & Sons, MONTRAL, July 10th, 1877. DRAE STR.—Your extension is respectfully acted to the consideration of the views ar-reased in this circular. I shall be glad to now whether you concur with me in this mody proposed for the restoration of the and y notposes not use restoration to de of the country, or have any other easien of your opinion which you ma eased to make on the subject. In your reply, plasse address E. K. GREENE, Care of Greene & Sons. The unfavourable changes which have taken place in the trade of this country dur-ing the past three years, call for a careful consideration of its present position, whether we are likely again to return to a prosperous condition of affairs, or not. That evil times have befallen the country we think no one will deny; that we have enjoyed many years of growth and presentiv

We tamin no one will dany; that we have dijoyed many years of growth and prosperity in the past is equally evident. The question which naturally arises and which we propose brielly to consider, is : Whether the pre-perity of the past tworky years has been the result of the wisdom of Canadian legislation, or of exceptional circumstances which have passed away and are not likely again to re-

In looking back over the commercial his-

worderful growth and prosperity are trace-able chiefly to two causes. 1st.—The operation of the Reciprocity Treaty. 2nd.—The American Civil War-The beneficial effects of the former

d until its abrogation in 1866, and the till the panic in the United States in Since then the commercial and in-ial interests of this country have been

rapidly doclining. Referring to the statistics of the trade of the country previous to the Reciprolity Trasky, say from 1849 to 1854, they exhibit a very small volume compared with their growth after the treaty work into operation. The total exports of all the British North American Provinces to the United States in 1849, only amounted to about two millions of dollar.

f dollars. The sountry was at this time in a chronio state of discontent, there being but few manufactures in the Provinces, the farmers were consequently without a home market st us by high di

were crosed against us by high duties. A writer in Blackwood's [Edinburgh] Magazine thus forcibly describes the con-dition of this country at that period :--(Estracts. from Blackwood's [Edinburgh] Magazine.

"CIVIL REVOLUTION IN THE CANADAS.they have nothing in their pockets! And what is worse, we are afraid that if they go on much longer as they are now doing, they will scone without pockets too. Factory ootton may be but four pences a yard, but if they haven't the four pence it might as well be as dear as diamonds as fag as they are concerned. The policy of England has been to convert the Colonies into marts for her manufactures! The United States mean-while pursued an entirely different system i they rigidly adhered to the system of forming manufacturing interests of their own, and of fostering and encouraging them by every them by every hile the Coloniss, produce of their as, silks, blankets, okery, which were they saw all the e, their sale, and pr country to be ountry broad aloths, cottons, silks, blas cythes, hardware, and crockery, which hanufactured in England the The Ameri-bought with manufactures rofits of those

TORONTO, FRIDAY, AUGUST 10, 1977 THE CORONER'S JURY AND THE HACKETT CASE. The Montreal Herald is moved to what appears to be avery just sense of indigation to make the impotent conclusion in the HACKETT CASE. The Montreal Herald is moved to what appears to be avery just sense of indigation to make the impotent conclusion in the HACKETT CASE. The Montreal Herald is moved to what appears to be avery just sense of indigation to be avery just sense of indigation to be avery just sense of indigation to be avery in the coroner of the forward to what investigation while important tasimovy was yet unheard by the jury. Our con-temporary goes so far as to say : "That " the Coroner expected more evidence," " and that of an important tind, admit " to no doubt, and we shall perhaps " tenday, what his reasons were for a " undenly bringing the enquiry to to close." There is a serious charge im-portant testimony subsequently gives was unknown at the time. The Heraid fortunately, as our contemporary object that must measured, and that the im-portant testimony subsequently gives was unknown at the time. The Heraid fortunately, as our contemporary object for the forward in the belief that the solute to the adcovery of the offenders has been if the matter will receive more stiention the matter THE MUSCOVITE CIVILIEERS.
"tracks, harm has accrued, as the olue to "great harm has accrued, as the olue to "taken up before another tribunal."
The matter will receive more stantion than probably it otherwise would from the important character of the evidence given by the two mon, MCCULOR and MCALLUM, against JOWN STREMAN. It is to be hoped the enquiry before the Police Magiatrate will not be of a kind to give rise to animal versions such as those passed upon the investigation held before the Coroner ; but in any case the conduct of Cororer JONS requires to be enquired into by the authorities.
THE MUSCOVITE CIVILIEERS.
THE MUSCOVITE CIVILIEERS.
The MUSCOVITE CIVILIEERS.
A commension content of the evidence and the service of the evidence the version of the service of the evidence the conduct of Cororer JONS requires to be enquired into by the authorities. the conduct of Corporer JONES requires to be enquired into by the authorities. Slavonic pessants are let losse agains such of the Mussulman population as have trusted that this war was one of civil mation. From every direction fugi <text><text><text>
