Le Gouvernement du Canada et le Gouvernement des États-Unis d'Amérique, ayant procédé, lors de la Conférence tarifaire 1960-1961 des Parties Contractantes à l'Accord général sur les tarifs douaniers et le commerce, à des négociations tarifaires en conformité de l'article XXVIII bis de l'Accord général, et désireux de conclure immédiatement un accord définitif, sans attendre l'élaboration d'un protocole reprenant les résultats de ladite Conférence, conviennent:

I

Les dispositions de leurs listes respectives, annexées au présent Accord, seront appliquées par eux au même titre qu'un protocole de concessions additionnelles audit Accord général.

Le présent Accord entrera en vigueur dès sa signature. Toutefois, les concessions reprises dans la liste d'une partie prendront effet, sauf indications contraires contenues dans cette liste, trente jours après la date à laquelle cette partie aura notifié à l'autre son intention de donner effet aux concessions. La partie qui a mis en vigueur les concessions de sa liste a le droit de les suspendre ou de les retirer en totalité ou en partie jusqu'à ce que l'autre partie ait effectué la notification prévue.

GENERAL NOTES

1. The provisions of this Schedule are subject to the pertinent notes appearing at the end of Schedule XX (Geneva-1947) annexed to the General Agreement on Tariffs and Trade, as authenticated at Geneva on October 30, 1947.

2. Subject to the provisions of this Schedule, to the provisions of this Agreement, and to the provisions of section 350(a)(4)(B) and (C) of the Tariff Act of 1930, the rates specified in the rate columns in this Schedule will become effective as follows:

(a) Rates in Column A will become initially effective on the day provided therefor in the proclamation by the President of the United States to carry out the provisions of this Agreement. Rates in Column B will become initially effective in each case upon the expiration of a full period of one year after the related rate in Column A became initially effective. A rate shall be considered as becoming initially effective as indicated above even though such rate reflects no change in rate of duty, and notwithstanding duty on the product or products concerned is temporarily suspended.

(b) For the purposes of subparagraph (a) above, the phrase "full period of one year" means a period or periods aggregating one year exclusive of the time, after a rate becomes initially effective, when, by reason of legislation of the United States or action thereunder, a higher rate of duty is being applied.

** The word "Section" refers to the respective section appearing in the Internal Revenue Code of 1954.
