OTTAWA, MONDAY, 8TH SEPTEMBER, 1930

---

12 o'clock, midday.

To-day being the first day of the meeting of the First Session of the Seventeenth Parliament for the Despatch of Business, Arthur Beuchesne, Esquire, M.A., K.C., F.R.S.C., Clerk of the House of Commons, and Thomas Munro Fraser, Esquire, LL.B., Assistant Clerk, Commissioners appointed by *Dedimus Potestatum* for the purpose of administering the Oath to Members of the House of Commons, all attending according to their duty, the said Arthur Beuchesne, Esquire, M.A., K.C., F.R.S.C., laid upon the Table a List of the Members returned to serve in this Parliament received by him as Clerk of the House of Commons from and certified under the hand of Jules Castonguay, Esquire, the Chief Electoral Officer, which said Certificate and List is as follows:—

## SEVENTEENTH GENERAL ELECTION

## OFFICE OF THE CHIEF ELECTORAL OFFICER

This is to certify that since the dissolution of the Sixteenth Parliament on the thirtieth day of May, 1930, writs of election, dated on the thirtieth day of May, were issued by His Excellency the Governor General for the election of a member or members for every electoral district in Canada, such writs being severally addressed to the returning officers mentioned in the attached list and directing the nomination of candidates to be held either on the fourteenth or the twenty-first day of July, and the poll, if required, on the twenty-eighth day of July of the said year.

And that thereafter from time to time by reason of the acceptance of office of profit under the Crown of certain of the members elected under such first mentioned writs, further writs of election were issued for the election of members for certain electoral districts as in the said list more fully appears.

And that the persons named in the attached list have from time to time been returned as elected pursuant to the said writs, their names having been duly entered in the order in which the several returns were received in the book kept for that purpose pursuant to the statute in that behalf and notice of such returns having from time to time been duly published in the *Canada Gazette*.

And that the names of the members first elected who, after their election, accepted offices of profit under the Crown, are distinguished in the said list by an asterisk thus (\*).

And that after the names of each returning officer to whom a writ was directed on any date other than the 30th of May, 1930, there appears the date of the by-election.

Given under my hand at Ottawa this sixth day of September, 1930.

JULES CASTONGUAY,  
*Chief Electoral Officer.*

### PRAYERS.

Mr. Speaker communicated to the House the following letter which he had received:—

OFFICE OF THE GOVERNOR GENERAL'S SECRETARY, CANADA

OTTAWA, 8th September, 1930.

SIR,—I have the honour to inform you that His Excellency the Governor General will proceed to the Senate Chamber to open formally the First Session of the Seventeenth Parliament on Monday the 8th September at Three P.M.

I have the honour to be,

Sir,

Your obedient servant,

E. C. MIEVILLE,

*Secretary to the Governor General.*

The Honourable  
The Speaker of the House of Commons,  
Ottawa.

A message was delivered by Major A. R. Thompson, Gentleman Usher of the Black Rod:—

MR. SPEAKER,

His Excellency the Governor General desires the immediate attendance of this Honourable House in the Chamber of the Honourable the Senate.

Accordingly, Mr. Speaker, with the House, went up to the Senate Chamber, and then Mr. Speaker spoke to the following effect:—

MAY IT PLEASE YOUR EXCELLENCY:

The House of Commons has elected me their Speaker, though I am but little able to fulfil the important duties thus assigned to me.

If, in the performance of those duties, I should at any time fall into error, I pray that the fault may be imputed to me, and not to the Commons, whose servant I am, and who, through me, the better to enable them to discharge their duty to their King and Country, humbly claim all their undoubted rights and privileges, especially that they may have freedom of speech in their debates, access to Your Excellency's person at all seasonable times, and that their proceedings may receive from Your Excellency the most favourable consideration.

The Honourable the Speaker of the Senate then said:—

Mr. SPEAKER,

I am commanded by His Excellency the Governor General to declare to you that he freely confides in the duty and attachment of the House of Commons to His Majesty's Person and Government, and not doubting that their proceedings will be conducted with wisdom, temper and prudence, he grants, and upon all occasions will recognize and allow their constitutional privileges.

I am commanded also to assure you, that the Commons shall have ready access to His Excellency upon all seasonable occasions, and that their proceedings, as well as your words and actions, will constantly receive from him the most favourable construction.

And the House being returned,—

Mr. Speaker reported that the House had been in the Senate Chamber, and that he had, in their names and on their behalf, made the usual claim of privileges, which His Excellency had been pleased to confirm to them.

Mr. Bennett introduced a Bill, No. 1, An Act respecting the administration of Oaths of Office, which was read the first time.

Mr. Speaker reported, That when the House did attend His Excellency the Governor General this day in the Senate Chamber, His Excellency was pleased to make a speech to both Houses of Parliament, and to prevent mistakes, he had obtained a copy which he read to the House as follows:—

*Honourable Members of the Senate:*

*Members of the House of Commons:*

It affords me great satisfaction to be associated with you in the important duties upon which you are about to enter at this the First Session of the Seventeenth Parliament of Canada.

The necessity of dealing with exceptional economic conditions with the resultant unemployment has induced me to summon you at an earlier date than would otherwise be necessary. Measures will be submitted for your consideration, including amendments to the Customs Act and the Customs Tariff which it is anticipated will do much to meet the unusual conditions which now prevail.

*Honourable Members of the Senate:*

*Members of the House of Commons:*

In inviting your careful consideration of the important matters which will engage your attention, I pray that Divine Providence may guide and bless your deliberations.

Mr. Bennett, delivered a message from His Excellency the Governor General, which was read by Mr. Speaker, as follows:—

WILLINGDON.

The Governor General transmits to the House of Commons a certified copy of an approved Minute of Council appointing the Honourable Edmond Baird Ryckman, Minister of National Revenue, the Honourable Alfred Duranleau, Minister of Marine, the Honourable Thomas Gerow Murphy, Minister of the Interior and Superintendent General of Indian Affairs, and the Honourable Edgar Nelson Rhodes, Minister of Fisheries, to act with the Speaker of the House of Commons as Commissioners for the purposes and under the provisions of Chapter 145 of the Revised Statutes of Canada, 1927, intituled: "An Act respecting the House of Commons."

Government House, Ottawa,  
8th September, 1930.

Orders of the Day being called;

PRAYERS.

Mr. Speaker delivered a Message from His Excellency the Governor General, which was read as follows:—

WILLINGDON.

*Members of the House of Commons:*

I have received with great pleasure the Address that you have voted in reply to my Speech at the Opening of Parliament and thank you for it sincerely.

GOVERNMENT HOUSE,

OTTAWA,

13th September, 1930.

The House resumed the Debate on the proposed motion of Mr. Ryckman for the third reading of Bill No. 3, An Act to amend the Customs Act.

After further Debate thereon, the question being put on the said motion; it was agreed to.

The said Bill was accordingly read the third time and passed.

The House then resumed the adjourned Debate on the proposed motion of Mr. Bennett,—That Mr. Speaker do now leave the Chair for the House to resolve itself into Committee of Ways and Means.

And the Debate continuing;

Mr. Mackenzie King, seconded by Mr. Lapointe, moved in amendment thereto: That all the words after the word "That" be struck out and the following substituted therefor:—

"this House regrets that the Government has seen fit at a special session called to deal only with unemployment to propose great increases in customs taxation on a wide range of commodities under circumstances which preclude this House and the country from securing adequate information regarding the proposals and prevent proper parliamentary discussion of them.

In the opinion of this House the tremendous increases in taxation proposed will not end unemployment, but will inevitably increase the cost of living, and will also increase the cost of production in the primary industries, agriculture, fishing, mining and lumbering, thus making it more difficult for Canadian producers in these industries to meet world competition in marketing their products."

And a Debate arising thereon, the said Debate was, on motion of Mr. McMillan (Huron South), adjourned.

At eleven o'clock, p.m., Mr. Speaker adjourned the House without question put, pursuant to Standing Order 7, until to-morrow, at three o'clock, p.m.

PRAYERS.

Mr. Speaker laid before the House the Report of the Chief Electoral Officer, dated the 15th September, 1930, in conformity with Section 75 of the Dominion Elections Act.

The House then resumed the adjourned Debate on the proposed motion of Mr. Bennett,—That Mr. Speaker do now leave the Chair for the House to resolve itself into Committee of Ways and Means, and the proposed motion of Mr. Mackenzie King in amendment thereto:—

That all the words after the word "That" be struck out and the following substituted therefor:—

"this House regrets that the Government has seen fit at a special session called to deal only with unemployment to propose great increases in customs taxation on a wide range of commodities under circumstances which preclude this House and the country from securing adequate information regarding the proposals and prevent proper parliamentary discussion of them.

And the Debate continuing;

Mr. Garland (Bow River), seconded by Mr. Woodsworth, moved in amendment to the said amendment:—

That the amendment be amended by striking out all the words after "That" in the first line thereof, and substituting the following:—

"Whereas this session of Parliament has been called for the purpose of dealing with unemployment;

“And whereas there also exists an extreme agricultural depression largely due to our inability to sell our wheat and other agricultural products at profitable prices, thereby contributing to unemployment;

“And whereas the government has introduced as a remedy for the existing economic depression a steeply graded increase in our tariff schedules:

“While this House welcomes the assurance of the Prime Minister that prices will not be raised, this House is not convinced that any adequate means of enforcement is provided.

“Further, this House regrets that there is no definite provision for safeguarding the standards of labour.

“This House is of the opinion that the proposals of the Government do not constitute a permanent or general cure for unemployment.

“In particular they will not enable us to secure markets for our agricultural products.

“In general this House is further of the opinion that a solution of our problem can be found only by the adoption of co-operative principles in production and distribution, and by the public control of credit.”

And a Debate arising thereon, the said Debate was, on motion of Mr. Campbell, adjourned.

A Message was received from the Senate informing this House that the Senate had passed the following Bill, without any amendment:—

Bill No. 2, An Act for the granting of aid for the Relief of Unemployment.

*(In the Committee)*

The following Resolutions were adopted:—

1. Resolved, That it is expedient to amend the Customs Tariff, being chapter forty-four of the Revised Statutes of Canada, as amended by chapter thirteen of the Acts of 1930, by repealing section six thereof and by substituting the following therefor:—

“6. In the case of articles exported to Canada of a class or kind made or produced in Canada, if the export or actual selling price to an importer in Canada is less than the fair market value of the same article when sold for home consumption in the usual and ordinary course in the country whence exported to Canada at the time of its exportation to Canada, or is less than the fair market value or value for duty thereof as determined under the provisions of Section thirty-six of the Customs Act, or is less than the fair market value thereof as fixed by the Governor in Council under the provisions of Section thirty-seven of the Customs Act, or is less than the value for duty thereof as determined by the Minister under the provisions of paragraphs (a) and (e) of Section forty-one of the Customs Act, or is less than the fair market value thereof as fixed by the Minister under the provisions of Section forty-three of the Customs Act, there shall, in addition to the duties otherwise established, be levied, collected and paid on such article, on its importation into Canada, a special or dumping duty, equal to the difference between the said selling price of the article for export and the said fair market value thereof or value for duty thereof; and such special or dumping duty shall be levied, collected and paid on such article although it is not otherwise dutiable.

Provided that the said special duty shall not exceed fifty per cent ad valorem in any case; and the following goods shall be exempt from such special duty, viz:—

Goods of a class subject to duty under the Excise Act.

Provided, notwithstanding, that on importations from Australia under The Australian Trade Agreement Act, 1925, the said special duty shall not exceed fifteen per cent ad valorem in any case.

Notwithstanding anything in this Act contained the levying and collection heretofore of special or dumping duty in cases where the fair market value of goods was determined by the Minister, acting or purporting to act under the provisions of Section forty-seven A of the Customs Act, as enacted by Section three of chapter eighteen of the Statutes of 1922 (Section forty-three of the Customs Act, R.S., 1927), is hereby ratified and confirmed.”

“2. Excise duties or Excise taxes shall be disregarded in estimating the market value of goods for the purposes of special duty when the goods are entitled to entry under the British Preferential Tariff, Intermediate Tariff, or any tariff more favourable than the General Tariff.”

“3. Customs duties of the United Kingdom shall be disregarded in estimating the market value of wines for the purposes of special duty when the same are entitled to entry under the Intermediate Tariff or any tariff more favourable than the General Tariff and are bottled in bond in the United Kingdom and imported direct therefrom.”

"4. 'Export price' or 'selling price' in this section shall be held to mean and include the exporter's price for the goods, exclusive of all charges thereon after their shipment from the place whence exported directly to Canada."

"5. If at any time it appears to the satisfaction of the Minister that the payment of the special duty by this section provided for is being evaded by the shipment of goods on consignment without sale prior to such shipment, the Minister may in any case or class of cases authorize such action as is deemed necessary to collect on such goods or any of them the same special duty as if the goods had been sold to an importer in Canada prior to their shipment to Canada."

"6. If at any time it appears to the satisfaction of the Minister that any person owning or controlling or interested in a business in Canada and also in any other country, or any person carrying on a business in any other country and owning or controlling or interested in a business operating in Canada, and by reason thereof is enabled to import goods for further manufacture or assembling or for resale, and while complying with the legal requirements on importation disposes of such imported goods, whether in the form as imported or as further processed, assembled or manufactured, at prices below the duty paid value thereof as entered at Customs plus, if any, the cost of processing, assembling or further manufacturing in Canada, the Minister may declare that goods of such class or kind were and are on importation subject to an additional special or dumping duty not exceeding fifty per cent and authorize such action as is deemed necessary for the collection thereof."

"7. If the full amount of any special duty of Customs is not paid on goods imported, the Customs entry thereof shall be amended and the deficiency paid upon the demand of the Collector."

"8. The Minister may make such regulations as are deemed necessary for carrying out the provisions of this section and for its enforcement."
