YORK COUNTY AND SUBURBAN NEWS

NORTH TORONTO ISSUES MANIFESTO

Ninety-Five Per Cent. of Residents Favor Secession From City.

According to a statement issued by the executive of the North Toronto Ratepayers' Association about 95 per cent. of the citizens of that section are in favor of secession and will not be deterred by the cries of "promises" and "bluffs" of the civic politicians. The manifesto was prepared in order to refute statements made in a Toronto newspaper and was given to the city press yesterday. The refutation is in part as follows:

"The outstanding feature of the article in question is the dense ignorance displayed by the writer of the article regarding the real state of affairs in connection with the movement. This is particularly apparent where he attempts to outline the procedure to be followed in the matter, and tries to show what would occur when the petition came before the council. Of course, no such procedure will be followed, as the petition in question will ignore the council and be addressed to the legislature of the Province of Ontario, and neither the city nor the railway board will have any say in the matter further than any rights they may have to appear before the private bills committee.

"Will Assume Debentures. The statement that an adjustment of finances would be necessary is entirely correct. The new city of North Toronto will be prepared to assume any debentures issued by the city of Toronto in connection with work done within the confines of the new municipality. We will expect, of course, that the city will be equally prepared to render such accounting as may be provided for in the private bill, of the large surplus of current revenue which they have received from North Toronto during the seven years of union.

"The article purports to question the alleged total of \$3,000,000 as the amount paid by the residents of the district into the general coffers of the city, but if they had added to the amount shown in the table, as it would be considerably over that amount.

"It is admitted that the town did give them a large majority in favor of the Hydro radial bylaw, but it is equally true that such an agreement would get few votes here now that the real meaning of the terms, as interpreted by the Hydro-Electric Commission has been made known.

"Trust Betrayed. Much is made of the fact that the actual articles of annexation contained no conditions, but the writer conveniently overlooks the fact that strong promises as to transportation, etc., were made both by the city press and representatives of the city council, who were in a unit in advising the town to reject the transportation solution offered and to trust to the good offices of the city for relief. How that trust has been betrayed, and in consequence, the executive wish to emphasize the fact that they are fully determined in the stand which they have taken, and no specious promises or newspaper bluff will deter them from carrying out their program to a final conclusion."

DANFORTH

TRAVELING PUBLIC INDIGNANT

Roadside residents and the traveling public in general who have occasion to use the Floor street viaduct are up in arms over the delay in securing the work on the roadway between Sherbourne street and the Parliament street end. At the present state of progress, and the snags employed there is absolutely no hope that the work will be done when the exhibition opens. The commissioner of works might as well intercept a little more "pep" into the job.

TODMORDEN

GARDEN PLOT COMPETITIONS

The spirit of emulation is abroad through Todmorden and nothing shows this more than the keenness which marks the competition in the garden and vegetable plots open to all Todmorden people and for which valuable prizes, including gold and silver cups and other trophies are being donated. A committee composed of well-known and capable residents, Messrs. McGowan, Skirrow, Parker, Williston, Wyatt and Burgess, the latter the inspector, have been appointed and have the thing in hand. More particulars will be given later on. In the meantime it is up to everybody to have the nicest possible show when the judging comes off.

RIVERDALE

PEACE DAY COMMITTEE WIND UP BUSINESS

The wind-up of the great North Riverdale Peace Day celebration in the eastern part of the city, came last night when the leading spirits met at Dr. McDonald's home on Danforth avenue and closed up the hundred and one items of business connected with the great day. An idea of the interest attached to the event may be gathered from the fact that about \$1,000 was raised by voluntary contributions from among the business men of the district.

Hard Workers. Dr. Howard Spohn, as judge of the great baby show, was accorded a vote of thanks, and others who were especially mentioned were Mr. Tyler and his band of men and women who looked after refreshments, Inspector Snyder and his men from No. 8 who kept the route clear for the parade and the band which followed, and the committee who had in hand the finances. EARLS COURT

VETERANS ARRANGE MEMORIAL SERVICE

Arrangements have now been completed for holding the memorial service in connection with the Earls Court G.W.V.A. and the G.A.C. in conjunction with the British Imperial Association in Prospect Cemetery next Sunday afternoon at 3.30 o'clock. Choirs from the various local churches will take part in the musical program, and the bands of the Salvation Army, G.W.V.A. and the B.L.A. Boys' Brass Band will furnish the music. The committee has arranged to have little white flowers, at the head of each grave with flowers to be placed there during the service. A platform has been erected by Superintendent Clark for the speakers, and byman sheets will be given out to the public. The chair will be taken by Comrade J. J. Richardson, president of the Earls Court branch of the G.W.V.A. Veterans. A large number of people are expected to take part in this memorial service. W. H. Harper is in charge of the musical arrangements. Flowers should be brought by as many people as possible to deposit on the graves during the service. Rev. A. J. Reid, rector of St. Chad's Church, will give an address.

FRESH FISH SCARCE

Earls Court fish stores complain of difficulty in getting full shipments of fresh fish owing to the American seamen's strike on the Atlantic seaboard. Earls Court eats more fish than any other section of Toronto for its size and population.

A DANGEROUS WELL

The well on the Royce estate, West St. Clair avenue, into which the five-year-old son of Mr. and Mrs. Drummond, 65 Sellers avenue, Fairmount, fell on investigation appears to have been used for the disposal of refuse and was located in a low part of the park little frequented by visitors. The top of the well was covered with a board and the little fellow was ignorant of a well being there. His boy, whose name is not known, hearing the little fellow's cry caught hold of him and brought him up as he was disappearing. Mr. Drummond is a returned man and a member of the Earls Court branch of the G. W. V. A.

FAIRBANK GARDEN PARTY

The annual garden party in connection with Fairbank Presbyterian Church is to be held on Saturday in the grounds of the church at the corner of Eglinton and Dufferin streets. The sports committee have arranged an excellent program consisting of twelve events, and on the evening a grand open air concert will take place in which local and city artists are to take part. Rev. H. J. Clugston is the minister.

NEW BRANCH BANK

The Oakwood branch of the Nova Scotia Bank is to be at present occupying temporary premises in the Oakwood block West St. Clair avenue, contemplate putting up their new building on the southwest corner of St. Clair and Oakwood in the early fall. This bank is under the management of H. J. Oke, son of Rev. W. H. Oke of Silverthorn Methodist church. Two more new stores are being put up on the corner of Crang and St. Clair avenue, but notwithstanding the current of the new stores in this section, there is still a great demand for others.

LEASIDE

AERO CLUB PICNIC

A great deal of interest attaches to the first annual picnic of the Aero Club which takes place at Leaside this afternoon and at which well known fliers including Col. Barker, will do some thrilling feats in mid-air. Conveyances will leave Farnham avenue at 3 and 3.30 p.m.

COURT SEQUEL TO TRAGEDY AT AYTON

Neil. Coutts Remanded in Custody on Charge of Killing Umbach.

INQUEST ADJOURNED

Doctors Decline to Make Statement Bearing on Cause of Hemorrhage.

Special to The Toronto World.
Ayton, Ont., July 24.—The tragedy of yesterday at Ayton, Grey County, entered another stage today when Neil Coutts, the Toronto citizen, charged with causing the death of William Umbach, of this town, by striking him on the head with a stick, during an altercation which arose out of a deal, when Coutts came before Magistrate R. H. Fortunes and M. E. Murray, at 9 p.m. in the township justice's preliminary hearing.

The court room was packed with friends of both parties, and much sympathy was expressed for the serious position in which the accused stands. In the afternoon the court opened the charge that Neil Coutts did on July 23, 1919, assault, strike, kill and thereby murder William Umbach, who was read by acting-Crown Attorney Tucker, of Owen Sound.

Agrees to Adjudgment. Barrister Jeffrey, of Guelph, appeared for the defense. With the consent of the crown the court acceded to the request of defendant's lawyer for adjournment, and after hearing the evidence of three witnesses of the assault, adjourned the hearing till August 12 commencing at 10 a.m. at the county jail at Owen Sound in the meantime.

The coroner's jury assembled this afternoon and viewed the body and advised the jury of the medical opinion of the post mortem examination, made today by Drs. Brown, of Neustead; Mett, of Holstein; Jamieson, of Durham; and McFadden, of Mount Forest, in the presence of Coroner Dr. Easton, in the presence of Coroner Dr. Easton, of Ayton; George H. Smith, Jacob Wenner, James Kanher, William Kenneth Jamieson, Whitaker, Charles Miller, Andrew Flesinger, Valantyne Damm, Peter Benninger, George Paik, and Henry King.

While admitting that the post mortem had proved that the cause of death was a fatal hemorrhage into the brain, the doctors refused to make any statement as to the cause of the hemorrhage, whether from the blow of Coutts' stick or from the fall to the sidewalk, which followed the assault.

Coutts was accompanied by a brother, who had come from Toronto, and appeared to be in a state of nervousness, especially when he was leaving the court room, prior to his removal to Owen Sound.

Both the principals in the Ayton fight were in Toronto, the dead man, William Umbach, being a brother of Inspector Galt in the action which the Toronto police station, while the accused, Neil Coutts, lives at 2406 West St. Clair avenue, Toronto.

MAKES STRONG PLEA FOR RATIFICATION

Member of French Senate Addresses U. S. Council of Foreign Relations on Treaty.

New York, July 24.—A strong plea for early ratification of the peace treaty because of the necessity "for all of us to go back to our work, to prevent the possibility of a new world war," was made by Baron d'Estournelles de Constant, a member of the French senate, in an address here tonight before the council of foreign relations on the eve of his departure for France.

"I will vote for the treaty as it is," he said. "We will need it after. Our mutual goodwill is sure to be, more than its text, the real instrument to organize a durable league of nations.

"The text of the treaty, he said, is not as important for the people of the world as the spirit which will inspire its application.

"If the governments who have signed it really want peace," he added, "they can use the treaty, imperfect as it is, as a compromise much more effective and durable than the most strict, but insincere obligation.

"What the people everywhere want now is the new spirit of justice and liberty to take the place of the ancient traditions of violence and domination. What they want is to keep alive forever, to develop another peace among free nations the feeling which made their victory possible against autocracy. What they want is to keep alive the Franco-American entente, the Franco-Anglo-American entente, and so on. What they want is an international organization according to these feelings and to this entente."

UNREST AND DISEASE WHERE BOLSHEVIK RULE

Washington, July 24.—Hungry, unrest and disease have created an acute situation in Bolshevik territory, according to a wireless report by Leo Kameneff, the Bolshevik commissary, made public here today by Colonel A. M. Nikolski, military attache of the Russian embassy. The Bolshevik wireless message was received from Omsk by cable. Kameneff's message reads:

"The dissatisfaction and irritation among the workmen has reached the highest point. The plants in Moscow are on strike. This motto of the movement is 'down with the Soviets.' Epidemics are spreading. There is no bread and no medicaments. The number of deserters is immense."

ADVANCING ON KIEV FROM THREE SIDES

Vienna, July 24.—Gen. Simon Petlura, leader of the Ukrainian troops, and Gen. Gregorief, former prefect of Odessa, operating against the Bolsheviks, have succeeded in effecting a junction of their forces in the rear of the Bolsheviks along the Dniester river on the Bessarabian front.

Petlura is marching on Kiev from the south and Amnashel is leading important Ukrainian bands, which are advancing on Kiev from Konopat and other points northeast of Kiev.

PLANS FOR REFERENDUM

Special to The Toronto World.
Chatham, Ont., July 24.—Supporters of the temperance cause are completing their plans for a big campaign preparatory to the referendum in the fall. There are indications that before long a number of prominent citizens with an adverse opinion on the question will organize a personal liberty league similar to those in Toronto, Windsor, Sarnia, London and other places.

HAMILTON NEWS

John Wright, manager of Armour & Co.'s retail stores, died yesterday. He was church manager at Knox Presbyterian church.

Committees have been appointed to arrange for the erection of a memorial hall for fallen heroes.

The sub-committee dealing with the proposed increase of firemen's pay met yesterday afternoon, but the decision was not made public.

The city will attempt to settle with the widow of the late Policeman Galt in the action which she started to recover \$1,000 insurance money. Galt was killed in the war.

Hamilton's civic assessment this year will be in the neighborhood of \$3,500,000 increase.

GUELPH TO HEAR BECK ON RADIALS

(Continued From Page 1).

London, July 24.—It is possible that former Emperor William may not be tried in London, according to an announcement made in the house of lords today by Earl Curzon of Kedleston, government leader in the upper house.

The lords passed the peace treaty and the Anglo-French treaty thru all stages. In the course of the discussion Viscount Bryce deprecated holding the trial of the former German emperor at London.

Baron Buckmaster said there were grave reasons why the government ought not to pursue any further the project of trying the German war lord. It was certainly unfeeling, he declared, to ask an English judge to sit on such a tribunal to administer a law he does not know by procedure.

Mr. Lyon said as soon as the government had decided upon Grand Trunk matters, radial construction would be begun. Mr. Smithers is now on his way from London, and the whole question will be settled on his arrival.

Mr. Lyon recalled the C.P.R. monopoly in Manitoba in the days of Tom Greenway and Joe Martin, when, at the time of civil war, the government of Canada had to buy off the C.P.R.

G.P.R. Behind Proposal

Ald. Hannigan charged that he had not got the same notice of the meeting as the supporters of the C.P.R.

He called attention to the fact that from beginning to end of the text of the agreement there is no mention that the C.P.R. itself is one of the contracting parties. While the Sieman charter would run out in 1926, the present agreement would bestow the monopoly of the streets until 1929. He would not be a party to handing over the right to control the streets to an outside corporation, be it Hydro or any other. (Applause.)

With regard to commencement of radial construction, Ald. Hannigan said: "The order-in-council has been asked for from the lieutenant-governor for the line from Toronto to St. Catharines, and if the city of Guelph did its duty the order-in-council for this line will be asked also.

Hon. Hugh Guthrie declared his only connection with the matter is legal adviser to the city of Guelph. He is not engineering the project. He drew up the preliminary contract and only the clauses that the C.P.R. would not accept had been omitted. In its amended form the contract is now before the citizens of Guelph. He had no connection as to the policy but he had his view as a citizen.

There is something rotten in the present system and it should be changed and would the Hydro accept the agreement of the Grand River Company? he asked. "If it would be satisfied. The present conditions cannot be prevailed if the city of Guelph is to hold its own.

Hydro is Willing.

Ald. Hannigan answered Mr. Guthrie's question. Sir Adam Beck had informed him that the Hydro could assume the contract proposed with the Grand River Company and give all the profits to the city.

Dr. Hobbs then moved and J. W. Kennedy seconded the following resolution: "That the members of the Guelph club of commerce now in session assembled are of the opinion that the proposed agreement between the Guelph Radial Railway, owned by the corporation of the city of Guelph, and

Missing Needle is Found

In Kitchener Girl's Arm

Kitchener, Ont., July 24.—A very peculiar incident occurred at the Knurr man Rubber Company, Limited, a few days ago when a heavy needle, about three inches long, penetrated a girl's arm without her knowledge. She has been sewing shoes together with cord for a few days, and one morning, missed her needle. She secured another and proceeded with her work.

A day later the girl complained that her arm was sore, and upon investigation noticed a tiny red spot, which she thought was caused by her arm coming in contact with the shoe she was sewing together. She had a doctor examine her arm the following day, and he decided to use the X-ray.

The examination showed an object about the size of a needle. The girl was taken to the hospital and an operation was performed, with the result that the missing needle was produced. The girl's arm is healing nicely.

BRITISH MISSION TO DETECT MISSING

London, July 24.—In order to exhaust all sources of information in regard to the fate of officers and men missing in Belgium and northern France during the war, the government has decided to dispatch a special mission to the continent to make an extensive tour through the country districts and conduct an inquiry among peasants, parish priests and other classes of the population likely to have been in touch with men hiding in occupied territory. The members of the mission are Dame Adelaide Livingstone, Sir Malcolm McEldraugh and Brig.-Gen. C. G. Bruce.

AERO CLUB PRIZES DOUBLED IN VALUE

Ten Thousand Offered for Race Between New York and Toronto.

TO CARRY MAILS

Negotiations Opened With Postmaster-General for Delivery Across Border.

The prize for the Hotel Commodore international airplane race between New York city and Toronto, and from Toronto to New York, during the Canadian National Exposition in the week of August 25, has been raised from \$5,000 to \$10,000. This announcement was made today following a conference at the offices of the Canadian National Exhibition between representatives of the American Flying Club and Capt. James P. Beatty, of the Aero Club of Canada, representative of John M. E. Bowman, president of the Commodore, a former resident of Toronto, who arrived here today from New York, coming especially to make the announcement. Mr. Bowman has raised the prize for the Commodore international airplane race in order to further stimulate interest in flying, which he believes to be as important in peace times as in war. Following the conference, Capt. Beatty said that he was negotiating with the postmaster general, Hon. P. E. Blondin, for a special mail day when mail from Toronto will be carried to Buffalo, Syracuse, Albany and New York city for the first time. The business men of Toronto are enthusiastic for a future of aviation and its commercial possibilities. The \$10,000 will be split up into a number of prizes, the first prize being \$5,000, the second \$3,000, and the third \$1,000. President Julian Sels, of the King Street Association, recently endorsed the suggestion for the Commodore international airplane race and the linking up of Canada and the United States by airplane. Mayor Chavira also expressed his approval when told at the city hall today.

From Two Standpoints. Mr. Bowman has always taken the keenest interest in the sport, first as a sportsman and then as a business man viewing it from a commercial standpoint. He sees big things ahead in aerial service and believes that the big men of the country must get behind it. The Hotel Commodore international race in his opinion is not only going to be a big link between this country and Canada, but will increase the commercial as well as social and fraternal relations.

"Our railroads are cluttered with freight at present," said Mr. Bowman, "and we need an agent for the expedition of mails and passengers. The airplane as a mail carrying agent has already demonstrated its worth. It is only a matter of time when we will see passengers and freight going thru the air as a commercial proposition. Big Aerial Competing.

"That America is behind other countries in aerial accomplishment is who runs may read. If we had continued to push the possibilities of the telegraph and the telephone we never would have got anywhere in the advancement of either. It is now up to the progressive men of this country to take up the airplane as they did the telegraph and telephone, get behind it, experiment with it and push it ahead."

"In the Hotel Commodore international air race, many of the greatest flyers of the world will participate, among them the big names of Canada and America. The contest will be under the auspices of the American Flying Club, and the Aero Club of Canada."

CONTROLLERS INSPECT DAMAGE TO BEACHES

Controllers McBride and Cameron, along with Commissioner Harris, yesterday visited the Beaches to see the actual state of affairs there, consequent on the complaints of residents as to their property being damaged by the waves. The previous day the board of control had granted \$5,000 for temporary protection.

East of Kippendavie seemed the worst place, and the residents for the most part have not their gardens, have been flooded out many times, and in extreme cases the waves have washed under the houses and out at the back.

"The only way to save ground here is by erecting groins," said Commissioner Harris. "Concrete breakwaters, sandbags and even heavy stones will not hold against storms from the west."

As regards private property, Controller Cameron said: "The only way for the residents to protect their property is to dedicate these water lots to the city, and then we will give them protection."

WINNIPEG STRIKE BOUND TO COME

"Ralph Connor," Back From Overseas, Explains Industrial Unrest.

Great wage increases received during the war and the high cost of living are the causes of industrial unrest in Britain, according to Major C. W. Gordon (Ralph Connor), now in the city from a stay overseas. "One thing is certain," he reassures, "the people are determined that there shall be no revolution. They have no use for Bolshevism. There is also a resolve on the part of the employers and the wealthier people that the right thing shall be done by all classes. I believe that Britain will yet show the world the way out. The ablest minds in Britain are working on the problem. It is not in the hands of mere ignoramuses. The great leaders of labor, men like Thomas, Barnes and Clynes are moderate and sound. The disturbing element is the tendency on the part of a few extremists to break away from the leaders."

METROPOLITAN CHURCH PROVIDES PLAYGROUND

The \$700,000 worth of real estate surrounding the Metropolitan Church is being transformed into a recreation centre which will prove a blessing for thousands in the city. The total expense of the undertaking is being covered by the church, and already squads of workmen are rearranging the grounds. The improvements at present planned and already under way are as follows: The paths will to a great extent be cut away and more park space will take their place. The southern side and main entrance to the building is being especially laid out as a park with a stone pathway from Queen street. On the east and west sides tarria automobile drives are to be constructed, semi-circularly, and with circles of green lawn at the entrance. Here the old shrubs are to be uprooted, and new trees grouped around upon freshly graded soil. Clusters of electric lights and seating accommodation will also be provided, and by and by there may be a great cool fountain at play, but that hasn't been quite decided yet. On the north side the lawns are to be levelled and marked for tennis, bowls and other lawn games.

URGE STIMULUS TO FOOD PRODUCTION

Army and Navy Veterans Claim Agriculture is Over-Nursed.

SHOULD HELP FISHERIES

Organization of Ladies' Auxiliaries Will Be Undertaken by Association.

Montreal, July 24.—That a stimulus should be given, not only to agriculture, but to the other food producing possibilities of Canada, notably stock raising and fishing, was the decision arrived at this morning at the session of the Army and Navy Veterans' Association convention. Discussion arose on a resolution of the Army and Navy veterans, Halifax branch, which emphasized that too much stress was being laid by the government on the question of supporting agriculture, while support to other vocations was denied. Ex-soldiers in vocations other than farming were in quite as much need of assistance as the tiller of the soil, according to the resolution, and if producing and the high cost of living were to be abrogated, it was essential that agriculture should not be nursed to the exclusion of every other form of food production.

Should Exploit Fisheries. The resolution suggested that the government should encourage and exploit the fisheries of Canada by allowing any five fishermen who have served in naval ratings for two years to take possession of drifters, value \$10,000, on putting up \$600 each, while ten soldiers should be able to take possession of a trawler, value \$75,000, on putting up \$600 each, the various veterans' organizations raising a fund to insure the vessels. The resolution also suggests that veterans desiring to engage in fish curing, smoking or canning, or sheep raising, should be granted the same as that granted for farming.

Another resolution brought before the convention, recommended that the association be represented on the civil service and reparation commissions of the Dominion House. The resolution was adopted.

The report of the finance department showed a balance on hand of \$987. It was recommended that the capital tax be raised from ten cents to twenty-five cents annually.

The Halifax branch urged the association to demand from the government that all troops in active service in Canada in 1914 and 1915 be granted a Canadian 1914 and 1915 decoration; that all ranks serving in Canada be granted the war service chevrons according to length of service, that all ranks be granted farm credit on the same terms as troops who served overseas; that all ranks be granted war gratuity whether discharged before November 11 or not and to be dealt with on the same basis as overseas troops; and that there should be only one great war council service medal, and that it should be issued to all who served in the great war, whether they served in Canada or overseas.

RED TRIANGLE MAY SOON BE CLOSED

Largely-Signed Petition Circulated to Have It Remain.

Many returned men have expressed the opinion that a men's hotel such as exists in Buffalo or Chicago should be instituted in Toronto for the benefit of old soldiers. In Buffalo at such a hotel good accommodation can be procured at 75c a night. "Yes," quoth one returned man yesterday as to the feasibility of such a plan in Toronto, "I know the kind; just two by four cubicles. Who wants them?"

Y. M. C. A. MEN DID FINE WORK

Organized Relief Parties and Brought Up Ammunition in Big Shows.

Among the Canadian Y. M. C. A. officers decorated for signal service on the front line may be counted as specially honored the following six men: Captain G. W. Fisher of the fourth division; Captain Hurd, senior officer of the 2nd division Y. M. C. A. front line forces; and Captain Hutchison, senior officer of the first division, all of whom were awarded the Order of the British Empire, and Captain Clarke, Captain Frank Armistead and Captain McKay, all of the 2nd division. Y. M. C. A. forces, all of whom received the Military Cross. The situations in which all found themselves from time to time were varied and interestingly exciting. On one occasion during the Amiens show the Y. M. C. A. sent over rations to the front line where no other means were procurable. On another occasion several Y. officers organized a relief party and brought hundreds of cases of ammunition to the front line trenches.

WAR ALGOMA LAUNCHED AT POLSONS' YARDS

The 149th vessel built by the Polson Company was launched yesterday morning from the firm's yards at the foot of Frederick street. Mrs. H. Dingman pressed the button which gave the new boat her free way to the water and just as she commenced to move a bottle of rare native wine was broken over her nose. She was named the "War Algoma," at the request of the Victory Loan committee on account of that district going "over the top" in the 1918 campaign.

CANADIAN HENLEY, ST. CATHARINES, JULY 25TH.

In connection with the above, the Niagara-St. Catharines Line have arranged special boat service from Toronto, Saturday, July 26. Steamer Dalhousie City will leave Toronto, Yonge street wharf, at 12:00 noon and 6:00 p.m.; returning boat leaves Port Dalhousie 2:00 p.m. and 9:00 p.m. By the 12:00 noon boat, special return fare of \$1.25 is in effect, and for the evening ride, by the 6:00 p.m. boat from Toronto, return fare is \$1.00.

FEW TROOPS LEFT

Only about 100 troops remain at Woodcote Hospital, Epsom, England. Those of the committee were: W. T. Kernahan, C. Gilhooly and George Hubbert.

The Picnicker's Best Choice

LAWRENCE'S Sandwich Loaf

From the smallest kiddie to the oldest grown-up, it is hard to say who enjoys a real picnic the most. The kiddies, being able to romp to their hearts' content, and the grown-ups, too, entering the ball games and letting themselves out once more, make picnics the ideal way to spend Saturdays, holidays, and even week-ends.

How the appetites expand, due to the keen, cool, clear, pure air and exercise! Be sure you take along an abundance of sandwiches. You'll find Lawrence's Sandwich Loaf very easy to cut, and you'll be surprised to see how fresh it is, even if you have "just one more" on the way home. Arrange picnics oftener—they'll do the whole family heaps of good. Be sure you get Lawrence's Sandwich Loaf, and avoid all disappointments.

BUILDING SLUMS ON LOAN SYSTEM

Is Plea of Counsel Seeking Injunction Against Bylaw.

KEEPING UP PRICES

McMaster Accuses Housing Commission of Inflating Building Material.

Justice Kelly yesterday reserved judgment in the action brought by Byron E. Lake to secure an injunction preventing the Toronto Housing Commission from going ahead with their work on the Webb property, Lincoln avenue.

Arguing for the appellant, A. W. McMaster presented his objection on the validity of the bylaw, and further stated that there was not a pressing need of houses in the city. His lordship remarked that men like Mr. Williams and Dr. Hastings would surely know if there was a need for houses. "The situation must call for some remedy," said the judge.

The housing commission, went on Mr. McMaster, was taking the people's money and handing only some people something good. Returned soldiers could build their own houses with the loans they received, said counsel, who argued further that the commission was keeping the price of building material high, while the houses they purposed building had only two and a half foot division. "A regular slum district," said Mr. McMaster. Counsel in reply to a question from his lordship said that his client was ready to take the responsibility of holding up the work.

Should Be Adjourned. G. R. Geary, K.C., who appeared for the city, urged that the bylaw should not be quashed, but that the matter should not be taken up at the present time, but enlarged till the legislature had an opportunity to ratify the Toronto bylaw. On the matter of public policy, he asked that the matter be adjourned to the next session, and that the government was in full sympathy with the city in the effort to relieve the shortage of houses. Mr. Geary said further that the city had no power to take over the Webb property for park purposes.

WILL HAVE TO WORK OR GET THE LASH

Floyd Watson and Gordon Grey, aged 19 and 17, respectively, appeared before Major Brunton in the police court yesterday morning, charged with theft. Both boys pleaded guilty. Watson, who is alleged to be the ring-leader of a gang operating in Newmarket, was sentenced to one year in Burwash for theft, and three months for carrying a revolver, both sentences to run concurrently. Grey was sentenced to three months on the prison farm, but on the intervention of the committee he was allowed to go on suspended sentence.

John Liscomb, who had refused to work at the fall farm which sentenced to three months in that institution, was transferred to the Ontario Reformatory for six months. If he will not work there he will be flogged. Alfred Irwin was fined \$5 and costs for unlawfully working a horse which was suffering, and Chas. Eldridge was fined \$5 and costs on a similar offence.

BOARD OF EDUCATION ADDRESSED BY SWIMMER

Plans for the building of swimming pools in the Toronto public and high schools were discussed at a meeting of the board of education and architects in the administration building yesterday morning. Dr. Noble presided.

St. H. Corsan, who has taught swimming for many years in both Canada and the United States, gave a lengthy address on the advantages of having a proper school swimming pool, and declared that sixty children in half-hour lessons should know how to swim and save life at the end of the winter. The speaker outlined plans that would give the best results in the building of pools, and amused the members by relating briefly his experiences in teaching swimming.

Mr. Corsan will consult with the architects, look over the plans and visit the sites of the new additions to get the best possible kind of pools for the school children.

BOYS EMULATE COLUMBUS.

William Buddes, age 15, of 503 West Queen street, and Ross Moulton, age 14, of 22 Taylor street, were arrested by the lower bridge, Niagara Falls, Ont., on Wednesday night last after they had left their homes to see the world. Their combined capital was 75 cents, and the immigration officials decided that their homes was the best place for them, and as the youths were willing to forego the pleasures of emulating Columbus, Cook and other explorers, they were sent to their respective homes.

NURSE GRADUATES RECEIVE BADGES

Training School of Women's College Hospital Hold Commencement Exercises.

Ceremonies in connection with the commencement exercises of the second graduating class of the Training School for Nurses of the Women's College Hospital were given a charming setting in the tree-shaded grounds of the nurses' residence at 148 Rusholme road last evening. Seats were placed on the lawn, and facing the audience a table was arranged with many floral offerings that had come to the graduates.

Mrs. Annie C. Rutherford, chairman of the board of governors, presided, and the National Anthem was played by the orchestra. The address of the evening was given by John A. Patterson, K.C., who spoke of the great profession which the nurse holds before the world and one in which she is always welcome everyone feeling that nursing is a sphere in which the women shine. The speaker traced the establishment of the profession back to 400 years after Christ, mentioning the Order of St. Vincent de Paul, Florence Nightingale and the German school at Kaiserswerth, where she had studied. The picture of St. Angelus was held up as a symbol of co-operation of work, love and religion, and the nurses exhorted to take these as their incentives to take their duties.

Small Beginnings. Speaking of the Women's College Hospital, which is the first women's hospital in Canada, the speaker told of its beginning in a small way in Seaton street in 1886 to its present status with 50 beds, 25 infant cots, and 240 births.

Dr. Jennie Grey, who had held the first clinic in connection with the hospital, gave an address on the relation of the hospital to the nursing profession, in which she likened the doctor to the head of a factory and the nurses the skilled workers without whose aid the doctor's work would be without avail. The nurse was hands and feet to the physician and a luxury which becomes a part of the things of the world as well as the things of the spirit. The nurses' pins were pinned on by Dr. Rutherford. The first occasion on which the pin was presented. The nurses of last year received the same decoration. Receptions were held for the graduates in the beautifully lighted lawn at the close.

FOUR VACANCIES ON AIR BOARD

Secretary, Two Superintendents and Medical Officer Needed by Government.

The first concrete step toward the active control of aviation in Canada is the decision of the members of the Canadian air board to create four official appointments under the board, application for which will be advertised for next week.

The composition of the air board as given out by Col. Biggar is as follows: Chairman, Hon. A. L. Sifton; Vice-Chairman, Col. O. M. Biggar; Hon. S. C. Mevburn representing the militia department.

Representing the department for naval affairs: Hon. C. C. Ballantyne; Dr. Coultter, deputy postmaster-general; Mr. Busby, inspector of customs, and J. A. W.

The four officers which the board have decided to create are: (1) Secretary for flying; (2) superintendent of government flying operations; (3) superintendent of certificates branch; (4) medical officer. The superintendent of certificates will supervise the issue of government certificates to all pilots, navigators, airmen and mechanics in Canada. The medical officer will have charge of the examination of all candidates for flying certificates. The terms on which the certificates will be issued will probably conform closely to the regulations laid down by Hon. Winston Churchill for the English air ministry on April 29. The appointments will be for three years, as the present civil service act does not apply to air services.

The air board have sent full information overseas about these appointments to insure that Canadian airmen overseas will have full opportunity to file their applications in time.

Magistrate Kingsford yesterday decided that he had no jurisdiction to try the Toronto Ferry Co. for alleged breach of the city smoke bylaw. His worship stated that the company held a Dominion charter, but he intimated, however, that he had the right to grant a stayed case and he would do so.

The Hon. Wallace Nesbitt, Mrs. Nesbitt and Mr. W. R. Nesbitt, who spent a week in France, are returning to Canada and will go to their country residence at the Georgian Bay, Miss Margaret Hitchin will accompany them from England.

The wedding was solemnized in St. Monica Church, Eglington, when Gertrude, only daughter of Mr. and Mrs. James Ryan, was married to Mr. G. Grattan Giblin, Toronto. Rev. Father Kelly celebrated the nuptial mass, assisted by Rev. Dr. J. B. Doherty. The bride was given away by her father and was becomingly gowned in ivory satin and georgette crepe, embroidered with seed pearls, and carried a sherry bouquet and crown. She was attended by her cousin, Miss Nellie McNeil, who wore a butterfly crepe de chine dress, with hat to match, and carried Beauty roses. Little Miss Aileen McKinnon, niece of the groom, made a charming flower girl.

The wedding was held at the home of the bride, Mrs. G. F. Ryan and Mr. A. Flint, brother and cousin of the groom. The wedding music was played by Miss Olive Flint, cousin of the bride.

Very few people were in the court room when Miss De Lavelle appeared before his honor, and thru her counsel, W. B. Horkins, the young lady pleaded guilty and elected to be tried by a judge.

Before passing sentence, Judge Coatsworth said: "I have considered the circumstances connected with this case, and I don't impose a very heavy sentence. Poor McCullough is gone and the thing is all over. You have suffered a good deal in connection with it one way or the other, so I am going to impose a sentence of two months on the jail farm."

His honor jocularly inquired of the prisoner whether she would serve her time, and she said she would.

"Be a Good Girl." Miss De Lavelle chatted with the reporters after she was taken out of court and intimated that she was going to turn over a new leaf. T. C. Robinette, K.C., her chief counsel, admonished her to be a good girl.

She said that on peace day she had been up and down Yonge street many times and had entered many of the theatres during her period of liberty. The prisoner said she had been in Hamilton and Buffalo, and on the night before McCullough's execution she had been in the crowd that had swarmed in front of the condemned man's cell and that he had recognized her when she waved her hand at him.

SEIBOLD STOPPED GIBSON'S GALLOPERS

Hubbell Grooved One Ball, Homer Resulted, and Game Was Lost.

The Leafs were held. The glorious winning streak went to sixteen, and then Dunn's Birds put the snit in the new Seibold, while of Gonnie Mack's Athletics, put on the work yesterday. The former Mackman let Gibson's Giddy Gallopers down with three hits and shut them out. Hubbell did good work also, but a home run scored two counters for the visitors.

It was the tightest kind of a pitching duel, with the Baltimore flinger coming up with the verdict. Twice the Leafs hit into double plays to end promising rallies. Both sides fielded brilliantly and it was a sparkling ball game well to be.

George Whiteman pulled the prize piece of the afternoon, Mackman in the seventh that was sailing for free territory between left and centre and looked good for at least three corners. Whiteman raced over and grabbed the ball with arms outstretched while on the dead run. It was one of the prettiest catches of the season.

Again the fans boosted the week-day attendance record for the year. Close to eight thousand viewed the contest; and were bitterly disappointed that the Leafs were unable to catch the Birds.

Billy Purcell failed to get into the game and the same lineup that beat the Orioles on Wednesday worked. The defence was perfect, but the boys failed to get their hits and had to taste defeat after a long session of victories.

Our real chance went aglimmering in the opening inning. Seibold was wild and passed the first two. Whiteman neatly sacrificed and then Seibold refused to take a chance on the fielding Eddie Onslow and he stroked free. It was smart baseball, for Holden pitched to second and a double hit into Philadelphia at Washington.

The Birds had three men on the paths in their first. Hubbell put the screws and stopped them from scoring. Two of the five Baltimore hits were clustered here and only three were scored after this time.

In the second with a double, but again the Leafs failed to come thru with a blow, and hope died. The third was a long session of victories. Hubbell walked Lawry. Jacobson sacrificed and Hong raised to left. Hubbell sent up a groover and Seibold pitched into the right field bleachers for a homer, two runs and the game.

From here home the big Toronto heaver always had the Orioles in hand, but the damage had been done. The fielding was edge and the Hubbell kept waiting for the break to come, but it was not to be.

The Gibbies had two men on in the fourth and this time it was Anderson who hit into Seibold. The latter refused to let up and the Leafs had to bow their heads.

In the last game of the series will be played today, and the Leafs hope to start off another winning streak. Dick or Jones will do the twisting, and if the good left-hander is started the Birds will find it hard landing.

RUTH AGAIN RAPS OUT THE CIRCUIT BINGLE

Fifteenth This Season—Clotte Wins Pitching Duel From Sothoron.

At Cleveland (American)—Boland's effectiveness in the pinches and the sailing of Shorten and Jones gave Detroit the first game of the series with Cleveland by a score of 4 to 2. Jones drove in three runs and Shorten the other. The score: Cleveland.....4 Toronto.....2
Batteries—Boland and Almsmith; Cleveland and O'Neill.

At Boston—Ruth's home run drive into the right-field stands, scoring both, who had singled ahead of him in the eighth, was the big factor in Boston's 4 to 2 victory over New York here yesterday. It was Ruth's fifteenth home run of the season. Score: Boston.....4 New York.....2
Batteries—Ruth and Hannah; Fenwick and Schang.

At Chicago—Chicago shut out St. Louis, 1 to 0, in a ten-innings pitchers' battle between Sothoron and Clotte yesterday. Gerber's error paved the way for the lone run of the game. Leibold went to second on the error and E. Collins walked on the dead run. It was one of the prettiest catches of the season. Score: Chicago.....1 St. Louis.....0
Batteries—Clotte and McAvoy; Sothoron and Pichnik.

HOMER DID WORK

Hamilton, July 24—Hamilton came from behind today and, after tying the score in the eighth inning, won out in the ninth, when O'Rourke singled. Carlin was hit by the pitcher and both advanced on a passed ball. Donnelly's long fly to centre did the trick. "Hick" Ferrell started for the Home, but was taken out in the fourth after two hits had been made by the Beavers. Schettler replaced him. Schettler was good in the pinches and was in danger only once. Kyle's double and Beatty's home run got the visitors their runs in the third and fourth. Hamilton got two in the eighth on four hits. The score: Hamilton.....2 Toronto.....0
Batteries—O'Rourke and Carlin; Schettler and Beatty.

Mobbed the Umpire At Tecumseh Park

London, Ont., July 24—London lost to Brantford by 13 to 8 in the season's baseball burlesque at Tecumseh Park before 1000 fans, the contest winding up with the mobbing of Umpire Cancelli. The umpire's decisions were easily the crudest seen here this season, throughout the whole game. He was not injured, the fans just gathering around him near the visiting players' bench, and he was hustled into the dressing-room by Manager Stewart, with the aid of the police.

Philadelphia.....0 Toronto.....0
Batteries—Kinsley and McAvoy; Sothoron and Pichnik.

Blackburne's Triple Wins Overtime Game

At Pittsburgh (National League)—Cincinnati defeated Pittsburgh yesterday, 3 to 1, both Ruthier and Cooper pitching good ball. Blackburne's home run, a pass to Dauhin, Groh's triple and Kopf's double, scored the visitors' runs, while doubles by Stengel and Barbara tallied the local runs. Blackburne's triple in the fifth inning was the key. Score: Cincinnati.....3 Pittsburgh.....1
Batteries—Ruthier and Cooper; Stengel and Barbara.

THE INTERNATIONAL GOLF MATCH TODAY

Champion McLuckie and Jerome Travers Expected to Put Up Hard Battle.

If the Canadian team of amateur golfers wish to win any of their matches against the U.S.A. team today they will have to produce a far superior quality of the royal and ancient to that displayed in their practice games yesterday. The night in the rain from Montreal may have affected the play of the Yankee contingent, but there was little real help from the Canadian players.

The great match today will be between McLuckie and Jerome Travers. Travers, who is expected to fight it out in the singles. Both men are similar in methods and neither of them is ever beaten. McLuckie is at the bottom of the last hole. On yesterday's play, when Travers took 32 and 73, the Canadian club was expected to fight it out in the medal play. Travers is a great match player and no one can say McLuckie is an infant in that respect after the way he pulled his match out of the fire in the second round at Leamington. He is expected to report this week-end.

COX DROVE HOME IN Winning For for Trotter in Fas

Toledo, O., July 24—Cox drove home in his first race today at Fort Miami, beating Trotter in a fast heat affair as were program.

The 2 1/4 pace for sixteen starters, that the field was 3 1/2 miles, reported that Keith, driven by Van Hook, took the second seven starters, was second in the heat, and on account of the 2:07 trot the race was reported as a heat. Allen, who suffered from a cold, was the second day of the season to a hospital, and was reported as being in a pitiful suffering from heatstroke.

Binghamton.....3 0 0 1 0 0 0 0
Batteries—Zellars and Hudgins; Beckverm and Fischer.

At Rochester—Newark made it three straight by defeating Rochester yesterday 12 to 1 in a loosely-played game. Jacobs' hitting was a feature. He made a home run over the left field fence with one on base. Score: R.H.E. Newark.....1 0 0 0 0 0 4 1-12 12
Rochester.....1 0 0 0 0 0 0 1-10
Batteries—McCabe and Brudge; Brogan, Acosta, Ogden and O'Neill, Carter.

At Buffalo—The Blons won hands down yesterday afternoon, Reading getting a run in the 10th to stave off a whitewash. Buffalo scored eight times. Reading made almost too many errors as his. Donahue was being battered to pieces and Barries took his place in the third. Score: R.H.E. Buffalo.....0 0 0 0 0 0 0 1-5 4

The total purchase price, it is understood, was \$175,000.

RECEIVING THE GUESTS

At Philadelphia—Blackburne's triple with Bancroft on first base and two out, in the eleventh inning, won the opening game of the series from Brooklyn yesterday, 7 to 6. A curious piece of strategy was used by Manager Cravath in the ninth, when he sent a pinch-thrower in to the game. Callahan taking Meuser's first strike was the pinch-thrower. Callahan, however, was not called on to do anything. Score: R.H.E. Philadelphia.....022 100 001 00-6 9 3
