IF YOU PATRONIZE The Everyday Bargain Store

YOU LEARN TO SAVE MONEY

Present and Future Prices

Merchants as well as the buying public are watching with real amazement the steady upward growth of prices. They can see that this growth seems to be a matter of increases in everything except in production—for there is simply not the merchandise to be had to supply the demand for it. Rising prices together with shortage should, we think, interest careful men and women. Supply your wants at this time, for we have no assurance whatever that we will be able to offer such a price for the same quality of merchandise again.

ENTHUSIASM OF BASEBALL FANS

Great Kech and Outcome of League Games is Awaited with Interest

There has been some talk of a baseball game being played between Hartland and Bath. For real excitement, the contest has got the attention of the town. A mile away, many who did not know a baseball game were watching the game. The game was played on the grounds of the Bath. The game was a close one, but Bath won by a score of 10 to 9. The game was a real treat for the fans.

100 BARRELS TO THE ACRE

Is the Yield of Some Potato Fields—Prices Also Good

Probably the first carload of potatoes marketed this year was loaded at Lower Brighton last week by Judd McGee, who got \$3.60 per barrel for them delivered in the car. They were bought by Phillips, Estey & Co. of Woodstock, who shipped them to Boston. Mr. McGee said that one measured acre yielded him 108 barrels, and that the yield of all that he has dug so far is right around 100 barrels, and the quality seems to be of the very best. R. E. Robinson, also of Lower Brighton, is loading a car this week for Hatfield & Scott Co. Ltd., and he says his potatoes are likewise turning out about 100 barrels to the acre and of excellent quality.

Hatfield & Scott are loading this week at other points and shippers all along the line will be buying right away. The price offered today is \$3.

Large shipments of turnips are being made and they have brought \$1.25, but the price is dropping off. They are sent mostly to the Potato Products Company at Woodstock.

All sections of the province and most points in Aroostook are reporting a big potato yield. With good weather conditions and fair prices the farmer should wear a smile.

Bristol Notes

McClary's Kootenay

SURELY it is every woman's right to have a range like the Kootenay!—a range that she can depend on—a range that is a real joy to work with—a range easy to keep clean—a range that "keeps the oven hot" with a small fire.

The cooking-top is burnished brighter than steel; it never needs blacklead. The oven wall of nickle-plated steel is easily cleaned. The duplex grates clean down the fire with a single swing of the lever. See this famous range.

GIRL'S LEMON JUICE

IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost of one penny for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the finest skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage is daily into the face, neck, arms and hands.

GENUINE "ASPIRIN"

HAS "BAYER CROSS"

Tablets without "Bayer Cross" are not Aspirin at all

Get genuine "Bayer Tablets of Aspirin" in a "Bayer" package, plainly marked with the safety "Bayer Cross". Genuine "Bayer Tablets of Aspirin" are now made in Canada by a Canadian Company. No German interest whatever, all rights being purchased from the United States Government.

During the war, acid imitations were sold as Aspirin in all boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proven safe by millions for Rheumatism, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally.

Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing Co., Monheim-on-Rhine, Germany.

THE MAN WHO WINS

Is Always Full of Life and Energy—Failures Are Weak and Bloodless

Some men seem to have all the luck. If there are any good things going these men seem to get them. They make other people do their will—they are leaders. If they are business men they are successful; if they are workmen they get the foreman's job. They have the power of influencing people.

The same thing is true of women. Some have the charm that makes men seek them out; others are always neglected. But this is not luck. It is due to a personal gift—vitality. Men and women of this sort are never weak, puny invalids. They may not be big, but they are full of life and energy. The whole thing is a matter of good blood, good nerves and good health. Everyone would wish to be like this and the qualities that make for vitality and energy are purely a matter of health. By building up the blood and nerves, sleeplessness, want of energy, weakness of the back, stooping shoulders, headaches and the ineffectual sort of presence which really comes from weakness can all be got rid of. Dr. Williams' Pink Pills have made many weak, tired men, vigorous and healthy, and many pale, dejected girls and women plump, rosy and attractive by improving their blood and toning up their nerves. If you are weak, ailing, low-spirited or unhealthy, begin to cure yourself today by the use of Dr. Williams' Pink Pills.

You can get these Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the centre. Afterwards you can increase the size of the pinch to suit the strength of the chew you desire. Copenhagen is strong, because the tobacco of which it is made is cut into fine grains, which makes it impart its strength thoroughly and quickly. Hence, a little "pinch" goes a long way, showing that Copenhagen is not only an unusually economical chew, but also one of the finest quality, being made of the best, old, rich, high-flavored tobacco.

GREAT UNITED FARMERS PICNIC

The greatest picnic which the farmers of this country ever had the privilege of attending will be held at

Pembroke, Wed. Aug. 27

The picnic grounds are near Newburg Jct. so that parties coming on the Perth, Gibson and up express trains can easily reach the grounds. Sports will begin at sharp 12 noon so that the Picnic Supper might be served in time to allow for returning on any of the trains at night. This will be a Basket Picnic, so bring plenty for yourself and a little extra for the stranger who might be with us.

On Aug. 26 all the Officers and Directors of the U.F. of N.B. from all parts of the province will meet in Woodstock to transact important business of the Association. They will all stay over to be at the picnic. You will have the privilege of hearing speeches from Pres. T. W. Caldwell, J. Frank Reilly, and the other officers and directors. If you are a United Farmer you will be at this picnic, if you are not a United Farmer come and you will be one.

If you would like to see any farmer from Carleton, or Victoria Counties then come to the picnic and meet him there. The grounds are as easily reached by boat or auto as they are by train.

Priceless Heirlooms to Hand Down to the Family

Such will be New Edison photographs, now that they are being encased in period cabinets of classic beauty. From now on, with the exception of put two models, all New Edisons, at whatever price will be offered in cabinets portraying the exquisite art of the famous designers of period furniture's golden age. To perfect

The New Edison

the only photograph which meets the searching test, cost \$5,000,000 in experimental work. That this instrument should be encased in cabinets which reflect the last word in period furniture design is but fitting.

See the beautiful Edison period cabinets we're now exhibiting—identical with those on display this month at the Hotel Commodore, New York City.

Woodstock, N. B.

Friday evening saw the most exciting game of the League. Schedule thus far, when Hartland and Centreville met on the local diamond in their second game. A large coterie of fans followed the Hartland team to the contest while Centreville enthusiasts were out in good numbers to root for the home team. The game began very auspiciously and up to the fifth inning both teams played very good baseball indeed, far above the quality of goods usually displayed by bush-leaguers. At this time, some dissatisfaction was manifested over the outcome of some close decisions made by the umpires, and the good game aforesaid degenerated in rather a disgraceful melee. The remaining three innings were played amid frequent interruptions and constant parleying of the opposing teams. As a neutral I couldn't well say which team was most at fault, yet it does seem rather lamentable that such animus existed between two little local nines, as to prohibit a peaceful termination to a little game of baseball. Trouble of this sort in a general crowd can usually be traced to two or three offenders, and if these offenders make their efforts evident enough, the simplest solution of the situation is to give them what they ache and pine for. We hope that in the future these baseball games will be a little more harmonious, and be friendly contests rather than near fends. [The Hartland players and fans came home feeling that Centreville took its licking very well. Some ginger is looked and must be taken as part of the game. Hartland team considers Centreville as far opponents as they have met up with this summer.—Ed.]

Rev. Horace Sloan of Waterbury, Conn., preached to a large congregation in the United Baptist church on Sunday morning on the subject "Christ's League of Nations." Mrs. Geo. Dunn rendered the two solos "Angels ever bright and fair" and "A Perfect Day."

Mr. and Mrs. Geo. Dunn left for Vancouver on Monday after a pleasant month with relatives here.

Rev. and Mrs. Henry Penna, formerly Methodist pastor here are spending a vacation with Miss Addie Irvine.

Mr. and Mrs. D. F. Cliff and Miss Ella York of Mars Hill were guests on Thursday of Mr. and Mrs. C. B. Cliff.

Mrs. LeRoy Lee and and Miss Dora Lee spent last week at Carleton.

A most commendable program of Nelson's moving pictures was put on Saturday evening, and those unfortunate enough to be absent missed a real treat. The screen version of "The Black Crook," in five reels, was an awfully good portrayal of that old drama and probably about the best picture that the proprietor has had here. Two reels of special film showing the German Zeppelins and the methods and results of their work finished out a good bill. The feature of the preceding Saturday evening "The Lash of Destiny" was also high class. If the proprietor would be very careful in getting pictures of this nature, and never put on a disappointing quality, he would very shortly have a well paying house of ardent picture fans. Otherwise the crowd is sure to wax and wane.

Mrs. John Humble of Moncton and Mr. Porter of St. John are visiting at the home of Mr. and Mrs. S. W. Niles.

The Misses Geraldine and Evelyn Humble of Moncton are the guests of Mr. and Mrs. A. C. Gibson.
