MEMRAMOOK gold mining company held their first meeting on the 22nd to elect officers.

THE CROPS.—The country has been suffering severely for want of rain, but on Sunday and Tuesday nights copious showers came, and grass and grain crops are looking exceedingly well considering the lateness of the spring.

FORTUNE FIRE.—The Cape train took about twenty men to Brookland Station last Thursday to assist in fighting the forest fires which were raging at Houlton Road near by. About 2000 of Mr. Harvey Copp's brood of 7000 logs were destroyed, as well as several buildings. Large piles of deal belonging to Mr. J. Black on the opposite side of the railroad were not injured though the fire crossed the track in several places. Brokenman Esterbrooks had his hand severely crushed among the logs.

DAIRYMEN'S ASSOCIATION.—The farmers of Westmorland Co. purpose convening in Sackville early in July for the purpose of organizing a County Farmers and Dairymen's Association.

A number of the most prominent farmers of the County have consented to speak on subjects of interest. The local government will also send their dairy agent, Mr. John Robertson, to attend the Convention, and the Dairy Commissioner or one of his staff is expected from Ottawa which will insure the convention being one of much interest and profit to the agriculturists of the County.

MR. JOHN S. MURPHY, the well known and favorite Irish comedian, appeared last Friday night at Music Hall as Kerry Fog before a fair audience. The piece has been played here before and needs no critical notice. The drama was produced with all the accessories that make it so attractive; the forge where the hot iron is beaten out into a horseshoe by the stalwart Kerry Grog himself, and the carrier pigeons that bring the news of the winning of the horse race. There is nothing over drawn or grotesque about Mr. Murphy's acting. He plays the conventional Irish lad with a warmth and earnestness that appeal to the sympathies of the popular audience. The other members of the company support him well.

MR. ALLISON.—Arrangements have been made by President Allison and Principal Harrison for a new play ground for the College and Academy boys. Work has already been commenced on it and it is intended to make it in every way suitable for the purpose.

—Prof. Tweedie leaves for Hampton next week.

—Mrs. Inch returned to Fredericton on Friday last.

—Dr. Allison spent Tuesday in Halifax.

—Monday evening Mrs. Black arrived from Bermuda to accompany Dr. and Mrs. Borden to Chicago.

—Prof. Hutton proposes paying Ontario a short visit during the summer.

—Principal and Mrs. Harrison will probably remain in Sackville a large part of the summer.

—Prof. Hammond has rented the house occupied by Prof. Mack.

—Prof. and Mrs. Mack and Miss Mack leave for Staten Island next Monday.

—Dr. Borden left for New York Tuesday evening. He will visit Chicago before he returns.

—Miss Ada Ayer and Miss Crompton will spend a part of their vacation in Sackville.

—Prof. A. D. Smith is worthily occupying his vacation hours by training heads, (abbage).

—The musical public who have been often favored with Miss Mack's splendid vocalism will regret to learn that she has declined an engagement for the coming year at Mount Allison.

—Four car loads of pictures belonging to the Owens' Art Gallery have arrived at Sackville, and were stored for the present in the old dining hall at the Ladies' College.

—At the annual meeting of the theological union the following officers were elected: President, Dr. Allison; Vice-president, Dr. Lathern; corresponding editor, Dr. Jost; secretary, Rev. A. C. Bell. Rev. Matthew R. Knight will deliver the annual theological lecture next year and Rev. Esai Hill the annual sermon before the Theological Union.

—Mr. A. W. Young has gone to join the great majority at the World's Fair. On his return he will once more take charge of the commercial department, which has attained under his management, the most flourishing condition. No more thorough course is provided anywhere in the Dominion and commercial students have the privilege of instruction in any subject in the University, the conservatory of music, the art department, or the other academy departments.
