

Watford Guide-Advocate

Volume XLVIII—No. 13

WATFORD, ONT., FRIDAY, MARCH 31, 1922

\$2.00 PER YEAR IN ADVANCE
In United States \$2.50

LOCAL HAPPENINGS

Miss Sara Mavty returned to Ypsilanti this week.

A fine work shirt for 98 cents and a better one for \$1.25.—Swift's.

Wm. Ward was in London last week taking electrical treatments on his arm.

Get your Sugar now. Pure Cane Sugar \$7.25 per hundred.—P. Dodds & Son.

It may be too early to plant potatoes or onions, but spring advertisements should go in at once.

Luxite Hose a dollar a pair, Hole-proof \$1.75, both great value.—Swift's.

A fire in the drying room of Butler's Woolen Mills, Strathroy, almost totally destroyed the building Tuesday morning.

Mr. Walter Strangway of Windsor, representing the Johns-Manville Co., spent Thursday at the home of Mr. and Mrs. C. A. Class.

Easter Millinery—the last word in correct style—moderate prices.—A. Brown & Co.

Order your check books at the Guide-Advocate office. We are agents for the largest check book firm in Canada.

Silk Hose (Seconds) 49c and 69c, two specials, about half price.—Swift's.

Mrs. E. E. Doan returned to her home in the West after spending the winter with her daughters, Mrs. Wm. Ward, Watford, and Mrs. C. H. Corestine, Broke.

Fine weather brought out a good crowd to Mr. Letherland's sale on Saturday afternoon and the household goods sold at fair prices. The residence was not sold.

The first division in the House of Commons on Tuesday an amendment on a motion to go into Supply was defeated by 162 to 42. The Progressives lined up solidly behind the Government.

And now a coal strike seems unavoidable. Well, we can manage to get along for five or six months without coal and hope before that time the strikers will be anxious to go to work again.

Print Dresses and Bungalow Aprons at Swift's, the prices start at 79 cents.

Havecock Lodge, A.F. & A.M. will hold a Pastmasters' night on Tuesday evening next, when the third degree will be conferred on a candidate by former masters of the Lodge. Visiting brethren welcome.

The Excelsior Boys Class of the Methodist S. S. of which Billy Vail has been president and Alex Rapson secretary, elected their new officers as follows:—DeCoursey Rayner president, George Tait secretary.

Just because we have had some nice spring weather and the winter nearly gone, don't deceive yourself by thinking your troubles are over, the terrors of house-cleaning comes next, and then the lawn-mowing.

We have the best all wool dress goods for a dollar a yard, 44 inch, in Ontario, ask to see it.—Swift, Sons & Co.

Lieut. E. S. Copeland, war veteran, called on Mr. F. C. C. Newell this week. Lieut. Copeland was one of the original 1st Battalion of the C.E.F. and was a companion of Mr. G. Newell through some of the horrors of the big war.

Let's Get Acquainted—Members of the A.Y.P.A. of Trinity Church kindly take notice of this invitation to attend a "get acquainted" evening in the school room on Tuesday evening, April 4th, at 8 o'clock. A record attendance is expected. Sec.

20th Century Clothing the standard of Canadian quality.—A. Brown & Co.

The Merchants Bank exists no more—not even in name—for on Thursday last the main office and all the branches adopted the name "Bank of Montreal." All correspondents and business forms, letterheads, in fact everything that once bore the old name have been changed to the name of the absorbing bank.

While working in Chamber's cement shed on Tuesday afternoon, Corney McGraw met with an accident that will confine him to the house for some weeks. Piled up bags of cement started to slip unnoticed and falling struck McGraw on the legs breaking his left one between ankle and knee. He was taken to Dr. Newell's office where the fracture was reduced and then conveyed to his home. Mr. McGraw has a wife and several small children, and to add to his misfortune has been out of work the best part of the winter.

Big drive in overalls, black, heavy twill \$1.75—its a winner.—Swift's. Lord Byng, governor-general of Canada, and Lady Byng will pay an official visit to Sarnia on April 18.

In addition to an avocation, every man should have a hobby. Some have made a hobby of the cultivation of flowers and have found that a great deal of pleasure and profit may be derived therefrom. Join the Horticultural Society and try it the coming season.

Real Standard Shirts at Swift's, ask to see them.

The season for sowing is approaching. Let us all prepare to scatter seeds of kindness, sowing abundantly that we may reap a large harvest of true happiness, and have our gardens overflowing with peace and goodwill, and we can heap our measures with malice toward none and charity for all.

One of these business experts delivered an address in Toronto on "Making the Dollar Work Faster." The few we pocket get away from us so fast now that we don't really have a chance to get acquainted, and we certainly do not need any tips along the line of how to get any quicker action.

Did you get any of last week's bargains? The list stands for this week, read add. Come to Swift's now.

Rev. Murton Shore of Warwick, will be the special preacher at Trinity Church mid-week Lenten services this (Thursday) evening. As this will likely be the last chance for some time to hear this popular minister preach, his many friends in Watford should embrace the opportunity of hearing him. All welcome. Service at 8 o'clock.

Men's Easter Hats opened this week. Borsalinos \$7.50, Kings \$3.50.—A. Brown & Co.

Professor Kingston's lecture on astronomy given at the High School last Friday evening was much enjoyed by the large audience present.

This was the eighth lecture given under the auspices of the Reading Club this year. It is expected that the concluding lecture will be arranged for Friday, April 7.

Under the auspices of the Excelsior Boys Class an Easter concert will be given by the Junior members of the S.S. in the Methodist Sunday school room Thursday, April 13th. Come and hear the children sing their beautiful (Kindergarten) bird songs, Ode to Spring, and best of all—"Hail to Easter Morning." Admission 15c and 10c. m31-2t

The movie "The Four Horsemen of the Apocalypse" failed to make connections on Friday evening, the film not arriving in time, much to the disappointment of many people who were anxious to see this great production. Manager McLeish informs us, however, that he has again arranged a contract with the producers to play here on Tuesday evening, April 11th. Watch for ad. next week.

Boys' Bloomer Suits, 2 pair pants, 3 pieces, size 27 to 34. Sale price \$11.00.—Swift's.

Wm. Collier, chief constable of Souris, Man., sends his subscription to the Guide-Advocate and says:—"Although away from the old town so many years I still feel an interest in the place and have been pleased to note the many improvements in the town, particularly the paving of Main street and the big skating rink. Keep her booming, folks, she is a good old town."

MEETING LAMBTON INSURANCE COMPANY

There was a meeting of the Board of Directors of the Lambton Farmers' Ins. Co., in their office on Main street, on Saturday last, 20th inst.

There were some 15 claims for fire to settle, most of them under \$50. Two of them were for stock killed by lightning.

Geo. Williamson, Warwick, was paid \$1188 for house and contents burned. Mrs. M. Workman, Sombra, for house \$1000, and Lyle Tomlin, tenant, \$450, his insurance on contents in fall; Harry Hutton, Moore, was paid \$500 on house and contents destroyed. Settlement of claims of J. M. Hartley, Enniskillen, for barn, stable and granary burned, and insured for \$500 was laid over for further information. The repairing of the Bear Creek Presbyterian Church that was badly damaged by lightning, while service was being held on Sunday, 19th February last, was left to be attended to by Inspector White of Corunna. Since Board adjourned an offer was received from the Trustees of Church, to repair same for \$580.

WARWICK

G. W. Parker, Sarnia, was home for the week-end.

Mrs. W. A. Hone, Petrolia, is visiting her sister, Mrs. J. E. Collier 2nd line.

Children ribbed hose, 4 1/2 to 7, black, sale price 5 pairs for \$1.00.—Swift's.

Miss Erva M. Gough, Strathroy, was the week-end guest of Miss Florence E. Edwards.

W. H. Luckham has been confined to his bed for a week with an attack of la grippe.

Divine service will (D.V.) be held in St. Paul's church, Wisbeach, next Sunday, April 2nd, at 7.30 p.m.

"A Mock Parliament" will be presented under the auspices of the Warwick Community Organization of the W. I. on April 7 at 8 p.m., Orange Hall, Warwick. Adults 25c, children 10c.

On Friday evening, March 24th, the members of St. James' church, Broke, together with the neighbors presented Mr. and Mrs. Clifford Lucas with a miscellaneous shower at their home on the 6th line, Warwick. The shower consisted of many useful gifts which were gratefully received by the young couple, afterward the ladies served a dainty lunch and the rest of the evening was spent in music, games and singing. All returned home satisfied that Mr. and Mrs. Lucas were a jolly good couple.

Rev. W. M. Shore, rector of St. Mary's church, Warwick Village, and St. Paul's church, Wisbeach, has tendered his resignation of the charge, but no definite action has been taken.

During his 18 years' incumbency here, Mr. Shore and his wife have both been devoted and faithful workers in the cause, and have hosts of friends who will regret a severance of the friendships. The drive to and from Wisbeach and the extra duties in connection therewith are almost too much for Mr. Shore's strength as time goes on.

Mr. and Mrs. W. L. Kenzie held a delightful social evening last Thursday for the Senior Adult Bible class of Bethel S. S., which with a few friends made a company of about 40.

As Mr. Will Luckham who has been a member of the class during his stay here this winter, was to leave for the West on Saturday, the evening was arranged in his honor. A good program of games, contests, music and speeches in which all took part and an appetizing lunch made a happy evening. With best wishes to Mr. Luckham for a safe journey and with a hearty vote of thanks to the host and hostess the gathering was brought to a close with the singing of "God be with you till we meet again."

The regular meeting of the Warwick W. I. was held in the Town Hall on Monday evening, March 20th. The meeting opened in the usual way after which a letter of thanks was read for our contribution to the French Orphans. Jack Main and Harold Barnes gave a very appropriate reading, "Dad and Me", describing old and new business in life. Greetings from England and Wales to the Ontario W. I. was read by Miss S. Barnes. The officers for the school fair were elected. Pres.—Mrs. J. E. Morris, sec.—Mrs. A. Ross. A sum of money was also voted to be sent to the Russian famine fund.

The next meeting will be held in the Town Hall on April 13. Roll call to be answered with an Easter message.

The community evening of the Warwick W. I. was held in the Town Hall last Thursday. The chair was occupied by Miss A. Ross. The program consisted of community singing, an address by Miss Ross on Madam Murphy, a dialogue entitled "My Aunt From California" was splendidly rendered by seven girls, a very interesting paper on "What Canada Requires of The Canadians" by Mr. Kenneth Ross, Mrs. Main sang a Scotch solo which was much appreciated, a reading from the poems of Robert Service, one of our Canadian authors was given by Mr. Lloyd Cook, followed by community singing, a very instructive and inspiring address on "Intellectual Culture" was given by Mr. E. Bean. Every number on the program was much enjoyed by all and the evening was brought to a close by singing "God Save The King."

Fred Williamson has been engaged as farmer at the House of Refuge.

Do your wall-papering now while the stock is complete. We have all the latest designs of wall and ceiling paper. Let us show you.—P. Dodds & Son. 17m-4t

CHOP STUFF

E. J. Ironsides, 12th line, Enniskillen, has sold his 100 acre farm to John R. Ferguson.

Mrs. W. H. Maloney, an old resident of Amherstburg died on her way to church Friday evening.

Neil C. Galbraith, who for many years conducted a livery stable in Glencoe, died recently in Detroit.

Thirty-two new residences were erected in Leamington last year, also two business places and two schools.

Adam Clark, a former resident of Broke tp., passed away at his home near Saskatoon the early part of this month.

A modern radiophone will be placed in the pavilion at Sarnia beach and will be available for the public every day free of charge.

A home-grown lemon was shown recently by W. J. Keeler, of Prescott, the tree upon which the fruit matured is about 2 1/2 feet in height.

A petition signed by 118 residents of Glencoe and vicinity was recently sent to the Department of Justice, Toronto, recommending the appointment of P. J. Morrison for police magistrate.

A dwelling house belonging to James Hessey, Petrolia, was destroyed by fire Friday morning. Loss about \$1,300. The origin of the fire is unknown.

The Dominion Alloy Steel Corporation will erect a three million dollar plant with an output of 50,000 tons a year on the Indian reservation at Sarnia. Work will be commenced on the plant this spring.

The following obituary notice appeared in last week's Alvinston Free Press:—Current—In Alvinston, on Monday, March 20th, Direct Current, the faithful old power plant of Alvinston, aged 28 years. Death was due to infirmities and internal trouble.

Prof. Howard Gordon has opened a studio in London in the Imperial Bank building Mr. Gordon who is the only teacher in cello outside of Toronto, has been urged to do so, by many of his friends, and no doubt we will soon hear of his good work in that city.

Licenses Inspector W. J. Coulter, of Sarnia, received word Saturday of the death of his mother, Mrs. Annie Coulter, which occurred in the City of Woodstock at six o'clock that day. The late Mrs. Coulter, who was in her ninetieth year, is survived by four sons and four daughters.

The necessary steps are being taken to form the company for the new skating rink in Sarnia and Dr. James will be the first president of the company. The other officers are as yet undecided. It is decided to obtain ice from the Ferguson Ice Co., instead of installing a refrigerator plant.

The death occurred in Plympton township on Thursday of William J. Canton, aged 41 years. He is survived by his widow, Annie, and three children. The funeral took place from the family residence, lot 21, concession 4, Plympton township, on Sunday afternoon, to Wyoming cemetery.

Rev. T. J. Charlton, rector of St. John's church, Glencoe, had the misfortune to get the small finger of his right hand crushed on Tuesday evening. Mr. Charlton was on his way to Wardsville to conduct a service for Rev. Mr. Murphy, and in getting off the train at Newbury the door of the car closed suddenly on his finger.

The blacksmith shop of Manly Stubbs, Sombra, narrowly escaped being burned to the ground last Wednesday afternoon. A woman residing near the shop saw flames creeping along the roof unnoticed by the proprietor, who was in the adjoining building, and raised an alarm. The blaze was extinguished before much damage was done.

A farmer last fall said, when his brother farmers were complaining of low prices for hogs and high prices for feed and stated that they were going out of them, he decided it was a good time to go into them. Now when hogs are becoming fewer and prices much higher he has a fine bunch coming along. Today farmers are going back to hog raising and young pigs are bringing a high price.

Petrolia council has purchased a new team of horses for the Fire Department. They are sorrels and were bought from Welsh Bros., Enniskillen for \$400.

Dr. James King died Friday afternoon at his family residence, Leamington. Death was due to a complication of appendicitis and influenza which lasted five days. Deceased was in his fifty-sixth year and had lived practically eight years in Staples, Ont., prior to his coming here 20 years ago. He was one of the most beloved and widely known physicians in Western Ontario.

Mr. (Dr.) J. F. James entertained at a delightful afternoon tea yesterday, when about forty ladies called to enjoy the charming hospitality of the hostess. Mrs. W. T. Goodison and Mrs. (Dr.) Bradley presided at the tea table which was lovely with pretty china, lace and deep red roses. Miss Jean Conn and Miss Margaret Bradley, assisted.—Sarnia Observer.

Saturday night about 11 o'clock Mr. James Beggs, Bothwell, had an experience that will cost a penny or two and one that might have cost him his life. Running short of gas he attempted to fill the tank in his Ford with gasoline. A lantern which was lit and standing in close proximity upset his calculation, and in a jiffy the car was in flames, the top, wood work and upholstery being consumed by fire.

The recent death of George Herbert Patterson at his home on the fifth concession of Dawn Township, removed one of the well-known residents of Lambton and a man with whom many Oil Springs people were well acquainted. He was ill only for a short time. He is survived by a widow, formerly Margaret Hinde, of Enniskillen, Russell Patterson of Dawn and William of Sarnia are brothers.

Mrs. W. Bodkin and Mrs. H. Case, of Bothwell are sisters. Three sons and five daughters survive.

One of Plympton's oldest and most respected residents passed away on Sunday, March 19th, in the person of Elizabeth Mitchell, widow of the late Joseph Currah, who predeceased her 20 years ago. Mrs. Currah is survived by five sons and two daughters, Robert and Sidney, of Plympton; Joseph of Enniskillen; Thomas and Frank, of Nebraska; Mrs. Richard Moore of Sarnia; and Mrs. James Giltately of Plympton, with whom deceased resided for a number of years. The funeral was held on Thursday to Wyoming cemetery.

The first of the Scotch farmers who are being brought to this country through the efforts of Rev. Father MacDonnell, M.C., who won his distinction as chaplain in the Great War, arrived at Halifax last week. There are 150 in the party and they are to be assigned to points in Middlesex, Essex and Kent counties. The men are practically all returned soldiers and excellent farmers, who, when they have worked long enough to become acquainted with Canadian farming methods, intend to apply for farms under the government's land settlement plan.

Miss Frances Taylor spent a couple of weeks at Mr. William Taylor's tenth line.

Mr. Harvey Melton, tenth line, wears a broad smile these days. It's a baby boy.

Owing to the muddy roads the crowd was limited at St. Andrew's church, tenth line, last Sunday.

The church service will be held in Christ church, Satorville, on Sunday morning at 11 o'clock.

Mrs. George Atchison of Petrolia is spending a week or two with Mrs. Harvey Melton on the tenth line.

Mrs. S. McLellan was called to Toronto Saturday through the illness of her sister, Mrs. Geo. McFarlane.

We will sell on Friday and days following 800 yards fancy Ginghams—new patterns—5 yards for \$1.00.—Swift's.

Sunday next being the first Sunday in the month, the service will be held in St. James' church at three o'clock in the afternoon.

Mrs. John O'Hara of the B. & E. townline, received word of the serious illness of her nephew near Strathroy and will leave for there shortly.

FRIDAY, MARCH 31, 1922

NOTE AND COMMENT

Calgary Alberta:—We find it on every side. There must be economy, economy in business, economy in the home, economy in public affairs. Economy is the thing. There can be economy, with a certain amount of efficiency.

Margot, the feminine cigarette freak was snubbed by the Vice-Regal couple, Lord and Lady Byng. When Margot writes her book on the notable men and women she met in the U. S. and Canada, the Byngs will get a bang they will not forget for some time.—Chesley Enterprise.

Brantford Expositor:—It is a long way in appearance, but a short way in time, between the early auto without doors, requiring to be cranked to start, and stopped at night to light the oil lamps, and the modern sedan, electric lighted and heated, started by pushing a button, and furnished with the elaborateness of a Fifth avenue drawingroom. What has been done, step by step, for the auto, must now be done for the aeroplane.

The United Farmers of Alberta have a new organ, the U. F. A., a natural and necessary growth of the organism. To be alive an organism must have a common life to whose conditions, good or bad, every member is sensitive. The organ acts as the circulation and aeration of the blood. It means common ideas, mutual acquaintance and mutual encouragement. It also speaks with authority to them that are without. No one can look over this paper without wondering how the organization could get along without it.

St John's (Nfld.) Advocate:—It must be remembered that it is the producer that feeds us all. It is the man who faces danger and discomfort at the ice, and at the codfishery, who supplies this little country with the wherewithal to exist. By sheer force of physical effort the fisherman takes from the ocean solid wealth; he creates wealth, just as the farmer's toil creates wealth, and if the fishermen and farmers stopped work there would be no more money to spend on pink teas and afternoon bridges.

So long as the American market was open to the Canadian stock raiser—as it was from 1913 up to a few months ago—the British embargo affected him but little. The price secured for even the cheaper grades of live stock was the highest ever paid. These prices prevailing even before the war. But now the farmers of Renfrew county face the British embargo on one hand and a new duty of 30 per cent. on cattle shipped to the United States on the other. In the meantime the cattle business is quiet and the prices low.—Renfrew Mercury.

The returns of Ontario's Provincial Treasurer show that for the year 1921 amusement lovers paid into the treasury the sum of \$1,082,000 in taxes. As the amusement tax ranges from ten per cent. upward on the face value of all tickets where an admission is charged in the regular way, the sum total paid out in Ontario for movie and other performances would amount to fully \$11,000,000 for year. Of this sum Toronto contributed over half, or \$624,000, Hamilton \$136,000, Ottawa \$56,000, London \$44,000 and Windsor \$25,000. It may have been a hard winter, but apparently the public amused itself as usual.

Protect the child from the ravages of worms by using Mother Graves' Worm Exterminator. It is a standard remedy, and years of use have enhanced its reputation.

Kingston Standard:—It is all very well for Mr. Smith to say that the people get the value of the expenditure. For whom else was it for? But it may be asked if they are getting this value. Do the roads show it, or education, or the legal proceedings? Have the costly commissions brought value? Do this returns, which the farmers are obtaining prove it? Does business throughout the Province reflect it? Not a word apparently did Mr. Smith say about retrenchment. It was all expenditure. It is no use his comparing other Provinces' expenditure with Ontario's. Conditions vary, and Ontario is concerned with her own, not theirs. Retrenchment and reform were what the farmers were asking for of the Drury Government. They and the public are still asking for it.

THE MERCHANTS BANK CASE

The decision of the Government to take action against Sir Montagu Allan, President of the defunct Merchants Bank, and against Mr. D. C. Macarow, the General Manager of the bank, will be received with commendation, not only by the thousands who suffered loss through the impairment of its capital, but by the people generally, who desire that justice in Canada shall be administered without regard to the wealth or social standing of those charged with offenses against the law.

The matter is now before the courts, and comment must cease so that the accused may not be prejudiced. It is worthy of note that the information sworn out by the official of the Department of Finance to whom the case has been referred charged Mr. Macarow with making false and deceptive statements to the Department "wilfully", while Sir Montagu Allan is charged with having "negligently" prepared, signed and approved the statements in question. In the first case, that of wilfully deceiving the Department, the maximum penalty upon conviction is five years in prison. The bank official who negligently signs or approves such a statement may be sent to prison for a period not exceeding three years. Ignorance where there should be knowledge is therefore not penalized so heavily as deception that has been planned and wilfully carried out.—Globe.

THE BATTLE OF THE EVENINGS

Here is an incontrovertible fact. That little fringe of time which lengthens out the day and introduces the night—which we call evening—is a field in which the battle of life is fought, directly and decisively, by nearly every young man, and applies with almost equal force to young women. Seven o'clock is the hour of fate and here the youth decides, and on no other hour of the twenty-four depends so much. Between the hours of work and the hours of sleep, after the last regular meal of the day has been eaten, boys and youths, men and women accelerate their pace towards their destiny, whether upward or downward. The three hours following seven o'clock may be used so that one may get ahead, grow wiser, visioned, fitted for leadership, larger responsibilities, more congenial work, a better paying job; or this time may be frittered away in mere pleasure or worse. There are 313 week day seven o'clocks in every year of the young man's or young woman's life—almost a thousand evening hours between those seven o'clocks and the following ten o'clocks. The use in proper study and reading or experiment, of a fair part of these spare hours for a few years may mean real success and permanent satisfaction in life. Young folks, what are you doing with these seven o'clocks. Into the secret place of will and purpose they wait asking. "What will you do with me?" To fling them away in idleness, aimless and enervating, is to be counted nothing less than failure, when we regard life and time in the light of their higher values. To a startling extent, usefulness, happiness, character itself, depends on these hours. Intelligent thought should therefore be given them.

Muscular Rheumatism Subdued.—When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

Offsetting Competition

A WORD TO THE PUBLIC

When you send your money out of this community you enrich the great shops and impoverish this community. Strengthen—not weaken—the merchants of this community. It will all be returned to you in the form of better service and better values.

The thing for the merchants of this community to do in their own interests is to advertise faithfully, and to make their printed announcements interesting and helpful to those whose trade and favor are desired.

The serious competitors of the retailers of this community are the big stores of the big cities—those that send out catalogues and have mail-order departments.

The poorest way to offset this competition is for our local merchants to remain silent. For them not to "speak up" is to give the mail-order houses a better chance to get business from this community.

Be Loyal To Your Own Community

THE FARMER A FIRST FLOOR MAN

(Ailsa Craig Banner)
"I wish the farmers were not such pessimists; they ought to be optimists like the rest of us." So spoke a city man at the auction sale last Saturday afternoon, while discussing things in general.

By which we see again how little a lot of people understand the farmer. For the farmer is neither a pessimist nor an optimist, as the term is understood by the city man.

That is to say, he is never up on the heights or down in the depths. He never has a scheme with millions in it; but on the other hand, he is never out of a job, nor is he expecting that everything is about to go to the dogs.

He plows the same fields and puts out pretty much the same crops whether prices are high or prices are low. The variations in his work is slight. He never expects to get rich; he never faces a total failure of everything. He lives neither in the cellar nor the attic, but on the first floor, where things are doing.

From one point of view and as between him and Nature, the farmer is an incorrigible optimist. That is to say, the farmers know that whatever the prices may be and however the election went, if he plants and cultivates and attends to his business, the sun and the rain will do their usual share and he will have some kind of a crop.

It may not be a bumper, the bugs may get part of it, but there will be something. He is not wildly hilarious just now over the situation, neither is he depressed—just sobered a little; but he has set his teeth for another fortune. No, the farmer is not an optimist perhaps, but he is certainly not a pessimist; for there is a halfway house between those two extremes, and there the farmer will generally be found plugging along. He may not be a booster, but he is a very good grubber, and thanks be that nothing can knock him wholly out!

ANSWERS QUESTIONS ON INCOME TAX

Financial House is Distributing Valuable Free Book
Who must file Dominion Income Tax Returns? What is classed as Income? Do you have to pay tax on income from investments? What is the rate of taxation? What is Surtax? Can one deduct from the amount of income premiums paid on life insurance, depreciation of assets such as automobile used for business purposes?

To answer all these questions in a simple, intelligible way a prominent Toronto financial house—Canadian Debentures Corporation Limited—have had a tax specialist prepare a treatise covering almost every conceivable problem which will face firms, individuals or states in compiling their returns. As a service to the public, this firm is arranging to supply a copy of this booklet free to anyone on request. This is probably the first time a booklet on the Dominion Income Tax has been compiled in a form so easily understood, so complete and so authoritative.

FORD, the car with a magnet, never held up for weak storage battery.—R. Morningstar.

CHANGE CARS LIKE HATS

The following communication from a resident of Halton County, recently appeared in the Toronto Globe, and seems to apply to many drivers of automobiles.

A man who from a lack of common sense or an overdose of pride turns in his car for a newer model, can be likened unto his wife, who, because her last year's hat is not just the newest model, thinks she should get a new one. The car and hat are both fit for service for some time to come with decent care.

Now as a general thing a man will put up a rather strenuous kick if his wife demands the latest model in hats or gowns. But still he will discard his 1920 car for a 1922 model because its body lines have perhaps been altered in some small way, or because Mr. Jones next door has been foolish enough to change his. I would say here that we as a nation have lost to a great extent our individuality or independence of thought and action, getting more like a flock of sheep as the years go on. It's to any man's credit to drive a 1915 or 1916 model car and snap his fingers at his next door neighbor driving the latest model.

Personally I am driving an old "Lizzie" which was turned out of the factory in 1915, in which I made the trip from Guelph to Owen Sound in three and a half hours on three gallons of gas. And as we understand each other, we get along O. K.—AN OBSERVER.

SEED TIME AND THE OAT SUPPLY

The unfortunate crop conditions in 1921 in many parts of Canada, more especially for oats, led the Seed Purchasing Commission of the Seed Branch at Ottawa, to hold in reserve considerably more than half a million bushels of No. 1 seed oats for this spring's seeding. This grain was stored in government interior terminal elevators at Calgary and Saskatoon. Early in March about 400,000 bushels of this grain had been disposed of, a considerable proportion of it going to Ontario, Quebec, and more eastern points. The Seed Purchasing Commission supplies seed oats in car loads only and at the net cost of the re-cleaned seed. It is understood that during recent months bankers and others have persisted in encouraging merchants to be cautious. Reports reaching the Seed Commissioner indicate that seed merchants have been so guided by these precautions as to have in many cases an insufficient supply of seed grain to meet the full requirements. So much of the success of a crop depends on the quality of the seed sown as well as the promptness of getting it into the ground when the proper seeding time arrives, that farmers who have not already secured their full requirements of seed should see to it without further delay.

HALL'S CATARRH MEDICINE
"Those who are in a 'run down' condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions."

A GOOD MEDICINE FOR THE SPRINGTIME

Do Not Use Harsh Purgatives—A Tonic is All You Need.

Not sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite fickle, sometimes headaches and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order—that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble.

Do not dose yourself with purgatives, as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you this is true. What you need in the spring is a tonic that will enrich the blood and build up the nerves. Dr. Williams' Pink Pills do this speedily, safely and surely. Every dose of this medicine help to enrich the blood, which clears the skin, strengthens the appetite and makes tired, depressed men and women and children bright, active and strong. Miss S. L. McEachern Nairn P. O., N.B., says:—"I have been in the habit of taking Dr. Williams' Pink Pills in the spring and they keep me in the best of health. I think it is entirely due to the use of these pills that I always have such good health."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

How's Your Stomach?

Vim, Vigor and Health Follow This Advice

Theodore, Sask.—"It is a pleasure to me to write a few lines about Dr. Pierce's Golden Medical Discovery. I used this medicine and can say it is just what I wanted and needed. The sour stomach, heartburn after eating and the gas are gone and I am able to take cold water again. Before I had to take the water hot on account of the stomach trouble. I recommend 'Golden Medical Discovery' to every one who knows what a weak stomach is."—W. E. Waugh.

Need a Tonic?

Health Is Your Most Valuable Asset. Do Not Neglect It!
Hattonford, Alta.—"Being run down after the flu, I was in a weakened condition, had dizzy spells and short breathing, followed by faintness. It seemed as though I'd never feel well again, but I was determined not to give up. Hearing of Dr. Pierce's famous 'Golden Medical Discovery' I sent for a bottle, followed the directions, and soon felt less tired and faint, and finally I got back to my normal state. I have thanked God many times for restoring my health, and I gladly recommend this 'Medical Discovery,' for it is so pure, and worth a trial to anyone who is run down."—Mrs. Gertrude White, Crystal Springs Farm.

Golden Medical Discovery is put up in Dr. Pierce's Laboratory in Bridgeburg, Ont., and sold by all druggists in both tablets and liquid. Write Dr. Pierce, President Invalids' Hotel in Buffalo, N. Y., for free medical advice.

We can sell you this fence as cheap as you can buy fence anywhere.

GEORGE COOK
WATFORD, ONTARIO

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure

the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

A fine of \$100 for falsely advertising that a tonic would regrow hair was imposed at New York upon the Jules Ferond Co.

It is announced that the rate of wages on county and provincial roads this season is to be 20 cents an hour for men and 40 cents an hour for teams.

Chicago city council has designated the week of April 2 to 8 as Canadian week to celebrate one hundred years of peace and uninterrupted social and business intercourse.

A bill is before the Ontario Legislature to give township councils the same right to expropriate gravel pits as county councils are now empowered to do.

The name of Sir John Eaton, now happily on the way to recovery, may be added to the list of those who survived to read their own obituaries. His appeared in The London Times of March 14, accompanied by an Ottawa despatch announcing his death.

A Colorado couple had been on a honeymoon trip three weeks before they found that the Town Clerk had given them an automobile, instead of a marriage license. He evidently thought the sparking days were still on.

Fire Marshall Heaton of Ontario claims his records show that throwing away lighted cigars and cigarettes caused fires in one year that were responsible for a loss of \$1,259,549. In Toronto alone 252 fires are charged against careless smokers.

At the present moment two governors of American States are accused of criminal offences. One is Governor Small of Illinois and the other is Governor Robertson of Oklahoma. Embezzlement is the charge in one case and accepting a bribe in the other.

The annual convention of the United Farmers of New Brunswick, was featured by a resolution urging a reduction of rail rates. One farmer declared good beef cattle were being killed to feed foxes, while in some parts of Canada children were starving because of the excessive freight rates.

By a majority of almost 3,000, the hunters of Ontario have declared in favor of hunting deer with dogs, the department of fish and game announced. Questionnaires were sent all deer hunters, both resident and non-resident, who took out licenses last season. Non-residents especially were strong for dogs, use of which is at present illegal.

Immigrants who come to Canada to work upon the farm must stay there and not get lured to the town or city. This is the import of a recent utterance by Hon. Walter Rollo, who said that Hon. Manning Doherty Minister of Agriculture, was prepared to send back immigrants who came to work on farms and deserted

TREMENDOUS ADVANCE IN TEA PRICES

The Tea Market has advanced since last May fully 15 or 16c a pound in London, Colombo and Calcutta.

their jobs.

Smith's Falls regards the Provincial Board of Health in the light of a bad man with a gun. The Board has served a peremptory notice on the town to begin the installation of a filtration plant in connection with its waterworks system or suffer a penalty of at least \$100 a day. The cost of a plant would be about \$70,000 with an upkeep expenditure of about \$10,000 a year.

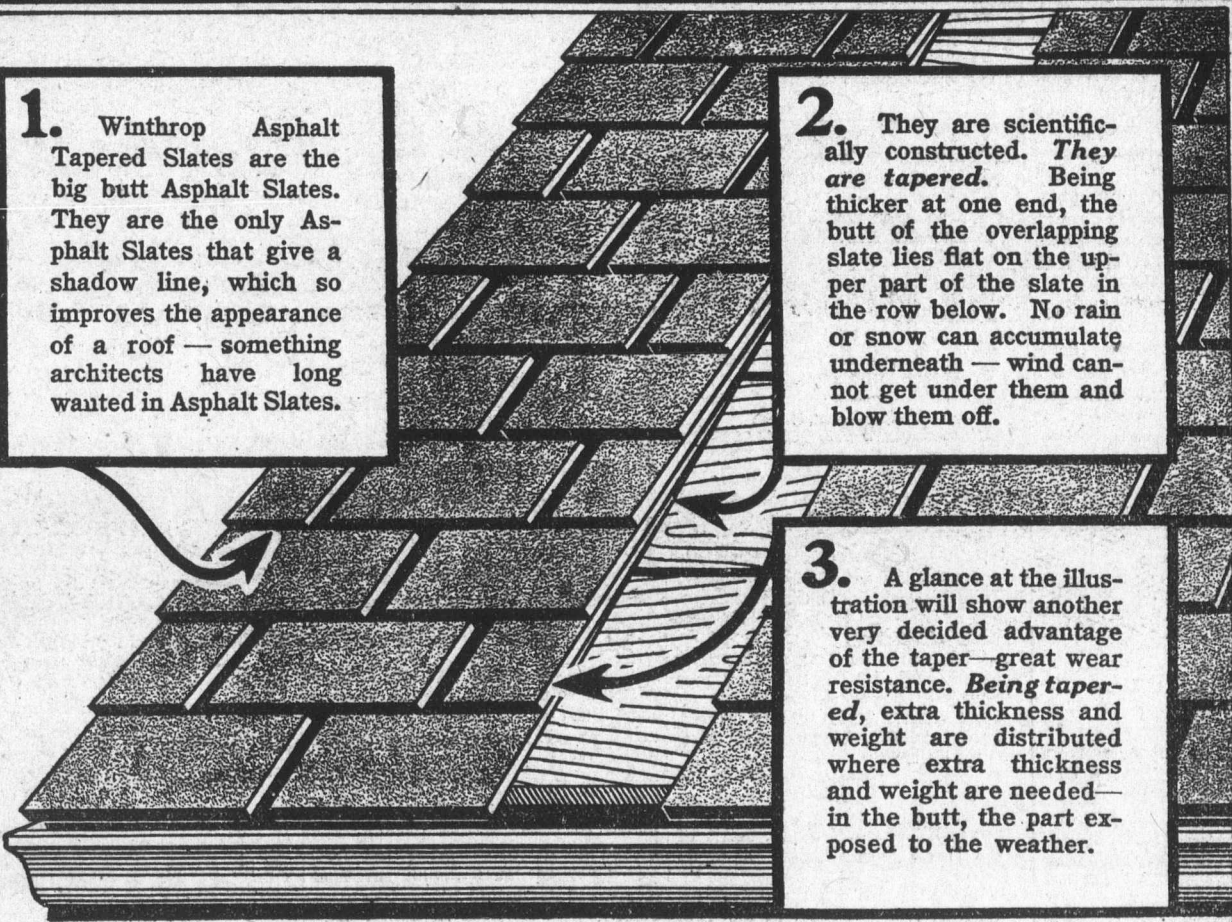

A British naval authority says that by the time the naval limitation agreement ends, ten years hence, battleships will be obsolete. Aircraft will supersede them. Not long ago the submarine was going to do that trick. At the rate accidents are occurring to the big dirigibles, most nations will prefer gambling on the battleships.

Adoption of the 40-hour week as the permanent working policy of the Ford Motor Company and other Ford interests was announced Friday by President Edsel Ford, in a statement to the press. The policy has as its goal the confining of the weeks' work of each plant to five days, with a shut down on the sixth and seventh day. All men in Ford employ on the adoption of five-day schedule will continue to receive \$6 as a minimum daily wage. About 50,000 will be affected.

In the list of select standing committees tabled in the house of commons by L. J. Papineau, acting chief Liberal Whip, R. V. LeSueur M.P., for West Lambton is named on the committees on standing orders, public accounts and marine and fisheries. B. W. Fansher, M.P., for East Lambton was named on the railways, canals and telegraphs, printing, and unofficial reports of debates committees.

Owners of overloaded trucks who operate over soft county roads will be prosecuted by county and provincial officers, under the following clause of the Motor Vehicles Act: "During the months of March and April vehicles operated or objects moved over any highway not within a city or separated town, and having a carrying capacity exceeding one ton, shall not be loaded in excess of one-half the rated carrying capacity of such vehicle or object, without obtaining a permit provided by section four."

The venture of the United Farmers of New Brunswick into the business of running co-operative stores has not been successful, and a re-organization with a change of policy is now being effected. Owing apparently to an unwarranted ambition for expansion of their activities, the head office of the organization will require about \$90,000 to straighten out its affairs, while over half of the 32 branch stores will have to raise additional capital in order to carry on.

1. Winthrop Asphalt Tapered Slates are the big butt Asphalt Slates. They are the only Asphalt Slates that give a shadow line, which so improves the appearance of a roof—something architects have long wanted in Asphalt Slates.

2. They are scientifically constructed. They are tapered. Being thicker at one end, the butt of the overlapping slate lies flat on the upper part of the slate in the row below. No rain or snow can accumulate underneath—wind cannot get under them and blow them off.

3. A glance at the illustration will show another very decided advantage of the taper—great wear resistance. Being tapered, extra thickness and weight are distributed where extra thickness and weight are needed—in the butt, the part exposed to the weather.

We have obtained a special license to manufacture these slates under the brand

Brantford Winthrop Tapered Asphalt Slates

THE same careful selection of materials and experienced workmanship are employed that have given other Brantford Roofing products their high reputation.

Distributed under Brantford Roofing trade marks, through Brantford Roofing Dealers. Stock carried, information furnished and service rendered by our dealer in your district.

Write for our valuable history of roofing "Shelter." On every page is a photograph of a different kind of a roof, in a different part of the world. It will be mailed free to responsible parties.

PASSES ON EVE OF DIAMOND WEDDING

Mitchell, March 27.—On the eve of his diamond wedding, which he had planned to celebrate with his partner of sixty years, within two days, W. R. Davis, a prominent resident of Mitchell, died suddenly today. He was publisher of the Mitchell Advocate for 57 years.

Mr. Davis had been confined to his bed for the past six weeks, but his condition was in no way alarming, and Mr. and Mrs. Davis had planned a quiet family reunion on Wednesday to be attended by those of their children and their families residing in Western Ontario.

Receiving his early newspaper training on the Quebec Mercury, and subsequently employed on the Toronto Globe, Mr. Davis with his brother, the late John E. Davis, established the Mitchell Advocate in 1860. His son, H. D. Davis, is the present publisher.

A member of Mitchell's first town council, and its second mayor, Mr. Davis filled other public positions, and was police magistrate for 17 years.

Besides his widow, Mr. Davis is survived by ten sons and two daughters. Rev. Canon Davis of Sarnia is a brother and Mrs. F. K. Matthews of Toronto, lately of Watford, is a daughter.

THE LATE MRS. JOHN FORBES

The death of Mrs. John Forbes, Kerich, occurred Wednesday of last week in the Petrolia Hospital, where she had undergone an operation a few days before. Pneumonia, however, was the immediate cause of death. Deceased whose maiden name was Annie Auld, was a daughter of the late Mr. and Mrs. Wm. Auld, of Warwick, and was in her 64th year. She had lived in Plympton since her marriage. Her husband survives her with five sons: George of British Columbia; James, of Sarnia; Harry of Lucan, a veterinary surgeon; William, on the farm adjoining the homestead, and Barrett at home. Two brothers and two sisters also survive, viz.: Robert Auld and Mrs. Ferguson, Watford; David Auld and Mrs. D. Ross, of Warwick. Deceased was a member of the South Plympton Presbyterian Church, highly esteemed and respected by a large circle of friends. The funeral took place Saturday afternoon from the family residence to Wyoming cemetery, Rev. Mr. Robinson conducting the service, Friend Luckham, of Watford, a schoolmate of deceased, sang most beautifully, the solo, "Ninety and Nine," by request. The bearers were: Albert Donnelly, Richard Geach, John McDougall, Peter McEwen, James McLean and Duncan Williamson. The floral tributes were beautiful. Mr. Forbes and sons have the sympathy of all in their bereavement.

DEATH OF A. W. ROWLAND

(High River, Alberta, Times) The Okotoks Review announces the death of another old timer of this district in the person of A. W. Rowland of Aldersyde, who passed away at the Holy Cross hospital at Calgary on Monday afternoon at the age of 72. He had been brought in for an operation but never recovered from it. His sudden death came as a great shock as he had always had such good health and having only been sick a short time very few people knew of his illness. The late Mr. Rowland was born in Wrexham, Wales, in the year 1850. He came to Canada the same year with his parents. He came to the West in 1883, two years previous to the rebellion and settled in the district now known as Aldersyde where he has resided with his family ever since. He leaves to mourn his loss a widow, three daughters and five sons. The daughters are Miss Mabel in Calgary, Mrs. W. H. Bice and Mrs. E. J. Caron of this district. The sons are Leonard, Clifford, Bert, Cecil and Alvin. The pall bearers were C. Wakeford, A. Parker, George Fiske, Wm. Alley, L. Fowler, L. W. Barrett, all old time friends of the deceased. There were many beautiful floral tributes and the church was crowded with friends and residents of the districts including many old timers. Mr. Rowland was a resident of Watford during the early days of the town, being in business here in the seventies. He left here for the West in 1883.

Peter Kehoe the Sombra farmer charged with perjury, at the trial of Rex. Bush at Courtright on June 3, last was committed for trial Thursday afternoon by Magistrate Henry Gorman, in the county police court after a preliminary hearing which lasted four hours. Bail granted following the arrest of Kehoe last week was enlarged to \$12,000, accused own recognizance of \$6000, being accepted, with sureties of \$3000 each from William Kehoe, a son, and John McMillan of Sombra.

The March meeting of the Aberarder W. I. was held at the home of Mrs. Dave McKinlay. Although there was not as good an attendance as usual, owing to the bad roads, but everyone present enjoyed a splendid Scotch program. There were a number of the Scotch readings, songs, etc., recitations in which the different members took part. Miss Janet McKinlay gave a sketch of the life of Robert Burns. After the program there was a dancing contest, Mrs. Hathersall receiving first prize, and Mrs. W. B. Jardine second prize. The meeting closed with Auld Lang Syne.

The death occurred Wednesday evening of last week at the family residence, lot 1, concession 7, Caradoc, of William Henry Brock, in his 44th year. Mr. Brock was a well-known and highly esteemed farmer having resided in that vicinity about eleven years, formerly living in Adelaide, where he was born. He was the son of the late Arthur and Mrs. Esther Brock. Besides his widow, Annie Laura Howe, he is survived by four children, Edward and Robert and Margaret and Annie, his mother, who

WARWICK COUNCIL

Warwick, March 27th, 1922

The council met today as per adjournment. Members all present.

The minutes of the last meeting were read and adopted.

Dann—Campbell, that we go into a court of revision on the Lester drain and the Kingston drain by-laws with the Reeve in the chair.—Car.

The appeal of Marshall Bros on the assessment of the Lester drain was heard and considered when it was moved by Mr. Dann, seconded by Mr. Chambers, that the by-law on the Lester drain be read the third time and finally passed without any change and the court of revision be closed.—Carried.

The appeal of W. Mansfield was considered on the Kingston drain, when it was moved by Mr. Parker, seconded by Mr. Muma, that the by-law on the Kingston drain be read a third time and finally passed without any change and the court of revision closed.—Carried.

The following orders were granted: Mun. World, 6 subscriptions, \$ 6.00 Harry Copeland, gravel furnished in 1921, 3.00 Guide-Advocate, gen. printing \$3.35 Ditto, Kingston dr. by-law, 10.50 Ditto Lester dr. by-law, 12.25

Campbell—Muma, that John F. Smith be re-appointed School Attendance Officer for 1922.—Car.

Parker—Dann, that Mr. Campbell commissioner on the Lester drain be instructed by this council to have the earth taken out of the new drain on Marshall Bros. farm placed in the old drain where it is possible to do so.—Carried.

The Council then adjourned to meet on Monday the 24th day of April at one o'clock p.m. for general business.

N. Herbert, Clerk.

BOSANQUET COUNCIL

A special meeting of the council was called by the reeve for general business and to take into consideration a resolution passed by the County Council at its last session, petitioning the Minister of Public Highways to take over the roads necessary to establish a Provincial Highway from Windsor to Goderich along Lake St. Clair, the River St. Clair and Lake Huron.

By-laws were passed refunding monies due the Gray drain and the E-Moloy drain.

The following orders were given: G. Coultis & Son \$39.43 for plank; Jas. Palmer \$40.42, Wm. Nutt \$35.93, and Donald McKellar \$8.98, refunds on Gray drain. Wm. Rowcliffe \$2.16, John Elliott \$4.05, G. W. Davidson 60c, Wm Rumford 37c, Geo Jamieson 77c, James Elliott \$60.13, Joe Moloy \$5.62, Henry Traver \$5.54, Mrs. Wm. Fleming \$7.45, and Harry Elliott \$2.03 refunds on Elliott-Moloy drain.

Regular meeting of council on Monday, April 3rd.

Geo. Sutherland, Clerk.

Report of S. S. No. 11, Warwick for February. Names in order of merit. Class IV—Clara Parker, Margaret McKenzie, Stanley Edwards. Class III Sr.—Donald Edwards, Gordon Reycraft. Class III Jr.—Muriel Reycraft, Cecil Parker, Beatrice Gault, Philip Kersey. Class II—Yelma Parker, Helen McKenzie, Jean Spalding, John Reycraft, Cecil Reycraft. Class I—Dorothy Jarrrott. INWOOD

Miss Marie Richardson of Windsor spent the weekend at the home of her father, Mr. R. J. Richardson.

Mr. T. A. Cathers from the State of Oregon is visiting his parents, Mr. and Mrs. Thomas Cathers and his sister, Mrs. Isaac Rush.

The silver trophies of the Lambton County Ploughmen's Association, which are on exhibition in the window of Johnston's Garage, are being greatly admired.

Mrs. Emory Smith of Thamesville is spending a few days at the home of her father, Mr. Edward Chapman. Mesdames J. Bishop, W. Munro, J. W. Johnston and Misses M. Bishop and V. Vance attended the Eastern Star banquet in Petrolia last Thursday evening.

Mr. Roy Chapman was in London on business last Thursday.

Mr. Joseph Bishop and daughter, Elaine, are visiting in St. Clair, Mich.

The Walkers Dramatic Club presented their play "Oak Farm" very successfully in the Masonic Hall Friday evening. Owing to the bad roads the audience was not as large as it should have been.

WANSTEAD

The death occurred in Plympton on March 23rd, of Mr. Wm. John Canton. Deceased has suffered a great deal during the last six months Bright's disease being the cause of his death. He leaves to mourn his loss a widow, who formerly was Miss Anna Robb of Wyoming, and three children. The funeral was held from the family residence lot 21, con. 4, on Sunday and was very largely attended. Before Mr. Canton's health failed he was road-master on the Sarnia Gravel Provincial Highway from the P-W, townline to Reece's Corners. The stretch of road which he was superintendent of shows his great ability as a road builder which will be a memory of his wonderful ambition.

Mr. E. H. Stone preached his first sermon Sunday as pastor of Calvary Baptist Church.

Mr. Chas. Patterson returned home last week after spending the winter in California.

The executors of the estate of the late James Stonehouse are holding an auction sale of his farm and farm stock on Thursday, March 30. The farm is one mile south of Wyoming.

The program committee of the Young People's Society had arranged for a social evening last Tuesday evening, March 21. However the old March lion roared so savagely they postponed the event till the roads are better.

W. W. Rice, rural mail courier of No. 3 route has been confined to his bed with the flu for the past two weeks. We are pleased to hear he is up again and around. Ason J. Armstrong has been drawing the mail in his place.

KERWOOD

The death occurred in Millington, Michigan, on March 20th, of Bernard McMahon, in his 89th year. Mr. McMahon was well known in these parts.

The Young People's Club of St. Paul's church will meet on Friday evening, March 31st at the home of Mr. Clarence Matthews. A good program is being prepared and a paper on missions will be given by Mrs. Ern Denning. Refreshments will be served.

Mrs. Mary McMahon of Millington Michigan, is visiting her sisters, Mrs. S. Joiner and Mrs. Ed. Brandreth.

The Mission Circle will meet on Saturday afternoon, April 1st, at the home of Miss Annie McLean. The members are requested to bring their dues, mite boxes, also their Easter offering.

Rev. C. J. Moorhouse had charge of the funeral of Mr. Walter Mills of Brooke, which was held from the family residence in Brooke. Interment was made in the Alvinston cemetery.

The Ladies Aid of the Methodist church will meet on April 5th in the basement of the church. Mrs. Frank Wright will have charge of the tea hour. All members are requested to be present.

Miss Roberta Richardson is visiting her sister, Mrs. E. Tedball of Glencoe.

Mr. Quince Cook of Ridgetown spent the week end with his parents here. Mrs. W. Bourne of Alvinston is

spending a few days with her parents Mr. and Mrs. John Richardson, Sr.

Miss Gretta Richardson spent a few days visiting friends in the vicinity.

Mr. and Mrs. Ed. Manicom and infant son of Sarnia visited at Mr. and Mrs. Wm. Manicom's.

Mr. Wm. Leacock called on Alvinston friends recently.

Miss Hattie Rogers of Toronto spent the week-end with her parents. Born—To Mr. and Mrs. Charles Foster, on Saturday, March 25th, a son.

Hydro power was turned on in Alvinston on Wednesday of last week.

Use ELARTON SALT for HOME—CATTLE—LAND Unsurpassed for Strength and Purity.

To be obtained from nearly every Store in this District or ELARTON SALT WORKS CO., Ltd. WARWICK, ONT.

ARKONA

Miss Freida Thoman, nurse-in-training, Sarnia, is spending a few days at her home here.

Mr. Walter Woolvet is employed in the Arkona Roller Mill and will move here in a few days.

Mr. Albert Woolvet left for the West this week where he intends locating.

Mr. Philip Austin has his green houses running full capacity and intends to have a grand assortment of plants and flowers for the spring trade.

Died in Victoria Hospital, London, on March 20th. Cora Tanton, aged 27 years, 4 months. Interment in Arkona cemetery.

Mr. Villers Knisley and wife of Michigan here last week and intend to make Arkona their future home.

Mrs. Detwiler of London is visiting her parent, Mr. Geo. Ranks.

Farmers, Attention! DELCO-LIGHT Reduced to \$4.95 Electricity for every Farm I wish to call your attention to the fact that Delco-Light is reduced to below pre-war prices. Every progressive farmer today is interested in electric light and power for the farm, especially for the benefits which the women on the farm derive from its use, in regards to washing, churning, ironing, separating and pumping, not to mention the convenience and safety of the lights. An exploding lantern in your barn would set you back the price of quite a few Delco-Light plants. Therefore with Delco-Light and wiring reduced to its present basis electricity is within reach of every farmer. Don't Wait Until Fall! Get it NOW and have its benefits. If interested give me a call and let me tell you all about it. It cost nothing to find out. F. H. EAST LAMBTON'S MEMBER

Mr. W. E. Elliott, Ottawa correspondent, writing in the Free Press says:

One of the surprises of December 6th last was the triumph of the Farmers' party in East Lambton. When a member of the standing and personal popularity of Joseph E. Armstrong has worked up a Conservative majority from 46 in 1904 to 984 in 1917, it comes with a bit of a shock to see a complete change of front come about so suddenly. On the very night that Rt. Hon. Arthur Meighen was speaking in Petrolia, December 3, on behalf of Mr. Armstrong, local Progressives had the temerity to predict a majority of 1,000 for Fansher. They were not quite correct. The majority proved to be 1,005.

Still East Lambton has always been fighting ground, unlike the west riding of the county, which had a consistent Liberal record up to the late election. The first federal member for the east riding, as constituted in 1882, was J. H. Fairbank, Liberal. George Moncrieff, Conservative won the next two contests. John Fraser, Liberal, went in "with Laurier" in 1896. O. Simmons regained the seat for the Conservatives in 1900, and J. E. Armstrong, successful in a bye-election in February, 1904, kept it there until last December.

One of the pleasant features of the campaign was the cordial feeling that existed between Armstrong and Fansher as personal friends. They met from time to time as they toured the riding, and there was never a personality from the platform of either. At Watford, early in November, when Sir Henry Drayton spoke in Mr. Armstrong's interests, Mr. Fansher and one of his lieutenants were interested auditors at the meeting, and afterwards held an entirely good-natured argument with the then finance minister in the lobby of the local hotel. "Here is Fansher, one of my best friends, out campaigning against me," said Mr. Armstrong, as he introduced an acquaintance to his opponent.

"Well," said Mr. Fansher, in his quiet way, "we have decided to try out this thing and we are going to see it through."

The convention which chose Mr. Fansher was one of those composed in part of delegates from urban municipalities. Quite a number of town polling sub-divisions sent representatives, though a great many did not, and although every town in the riding later gave Mr. Armstrong a majority, yet the Progressive candidate did fairly well there, too. Every township in East Lambton, as well as the Village of Arkona, gave Fansher a majority. On the other hand, Alvinston, Bothwell, Dresden, Forest, Oil Springs, Thamesville, Thedford and Watford stood by the Conservative banner, and Petrolia, Mr. Armstrong's home town, gave a majority of 848 for Fansher to overcome.

It is only fair to conclude that, while East Lambton is strongly organized, from a U. F. O. standpoint Mr. Fansher owes much to personal standing. His own township of Euphemia gave him 685 votes out of 870. The member farms 350 acres near Florence—land which has been in the family for four generations, since Grandfather Fansher came from New York state as one of the first pioneers in Euphemia, a hundred years ago. As the acreage may indicate, he carries quite a lot of cattle, but claims no speciality in any line, pretty much the general run of mixed farming. As an O. A. C. graduate, it may be assumed he does a good job.

He has been active in the Lambton Corn Growers' Association and was president for three years. Naturally, he has been a worker in the U. F. O. and took part in the campaign of 1919, when the provincial constituency elected Leslie W. Oke. Though a keen follower and participant in county affairs he has not been an office-holder, barring the trifling exception of service as auditor in Euphemia. Perhaps it is due to pressure of private and public business but it must be here recorded that the new member, though young and personally attractive, is unmarried.

Mr. Fansher is known at home as a good speaker, and is expected to give a good account of himself when he takes the floor in the House of Commons.

Children Cry FOR FLETCHER'S CASTORIA. LOOK AT YOUR LABEL

PETROLEA

Mrs. J. J. Fisher, formerly of Petrolia died recently at her home in Brantford. While in Petrolia Mr. Fisher was foreman of the paintshop of the wagon works.

The butcher shop which was conducted during the winter months in a portion of Ed. Hopper's implement hshop by Ed. Rose will be discontinued as from next Saturday. Mr. Rose will return to his former business of drover which he has followed for years.

Miss Ina Drope, was struck by an auto owned by George O'Neil, manager of the King Edward Hotel, Toronto, and driven by his chauffeur. Miss Drope was on her way home from work Wednesday evening and as she stepped off a street car the auto knocked her down, rendering her unconscious. After a treatment in a doctor's office, she was taken to the hospital. It is expected that Miss Drope will be able to return to her home here next week, to recuperate with her mother, Mrs. Alfred Drope.

The Men's Brotherhood held a very enjoyable "At Home" in the Methodist Church Tuesday evening. It was the first social gathering of the brotherhood, recently instituted by the pastor, Rev. J. D. Richardson, and was largely attended. The chair was occupied by T. H. Speight, the president. An interesting and attractive program of music was given, and there were addresses by B. A. McLeod, vice-president; by F. H. Gilroy, leader and instructor of the brotherhood, and by Rev. J. D. Richardson, the honorary president. A delightful social hour followed.

Drillers expected home in the near future are John Brookes and Tom Paul from Borneo, Dutch East Indies, Jay Zimmer from Sarawak, British Borneo; Mr. and Mrs. George Peat and Mr. and Mrs. James Wilson are leaving Egypt shortly for Petrolia. Among those leaving shortly for other fields are James Miller, George Miller and David Holmes for Alberta, to drill for Imperial Oil Ltd., Fred Cameron left for Rollo, B.C., recently. Wynn Merrill, left for Negritia, Peru, on Monday on a three years contract as machinist for the Imperial Oil Co.

FOREST

FORD, the car with a magneto, never held up for weak storage battery.—R. Morningstar. 17f-tf

A very enjoyable evening was spent on Thursday evening, March 16, by the members of W. O. W. and their friends. A good program of songs, recitations, etc., was provided by the following: Songs by Sovs., Barnes, Corlett and Ray, speeches by Sovs., Wilson, Walker, Bell and Shepherd and recitations by the Misses Florence and Jessie Lane, Evelyn Padgham, Rossana Gray and Lizzie Vennear. The rest of the evening was spent in games and a dainty lunch was served by the ladies.

The Irish Supper given by the Ladies' Aid of St. James Church in the basement of the church on Friday evening, March 17th, was a successful event. A large number was present at this annual supper. The tables were most artistically decorated with green candles and other decorations of an Irish nature. The fish pond and candy booth did a good business. Music was furnished during the hours of dinner by Misses Effie Marsh, Jessie Steele, Marguerite English, Susie Smith and Margaret Muxworthy, also an orchestra composed of R. Duncan, H. Morris, W. Beatty, and Mr. and Mrs. W. A. Dunlop. The total proceeds amounted to \$180.

A special meeting of the Forest Amateur Athletic Association, was held in Christ Church, schoolroom, on Friday evening. There was a good turnout of members. The President, Rev. A. R. E. Garrett, presided. It was decided to donate the baseball suits to the local ball team. Proceedings were also started for the holding of the Annual Easter Ball, on Monday evening, April 17th. The soccer team have decided to withdraw from the London District and enter in the Sarnia district league and play for the Sarnia Observer Shield. The teams in this league will be Petrolia, Sarnia, Wallaceburg and Forest. A canvass will be made shortly to secure new members for the Association.

FOUR KILLED BY BOILER EXPLOSION

Port Huron and Sarnia Shaken and Much Damage Done.

Port Huron, March 26.—Four men were killed and the lives of scores of others were imperilled when the boiler of the Sarnia-Port Huron ferry Omar D. Conger blew up as the vessel was being moved to her dock at 2.22 this afternoon. The victims were all members of the ferryboat's crew. The force of the explosion rocked the whole city, wrecking several buildings and causing damage estimated at \$300,000. The boat immediately sank in a cloud of steam, and now lies with a small part of her upper works, a mass of splinters, above water. A youth, who was on the near-by wharf, is missing, and pedestrians on streets adjacent were thrown to the pavement when the blast occurred.

The boiler of the Conger soared through the deck, sailed across an intervening space of 100 yards and practically demolished a frame house on Quay street, while the radiator was projected for a distance of 700 feet, crashing through the side of the frame undertaking establishment of A. Falk, where a funeral service was in progress. One of the mourners, Mrs. J. James Goddard, had her collar bone broken, and Mr. and Mrs. Harold Biddlecombe, also mourners, received bruises.

The house on which the boiler landed was soon ablaze, and the fire department was called. Other incipient fires, caused by fallen electric wires in the streets adjacent to the explosion, were also checked. The police turned out at emergency strength and patrolled the vicinity. Poles were down in great number and crowds had to be kept from flocking to the ferry dock. East Water street was almost impassable for

Natural Leaf Green Tea is recognized, as the tremendous increase in the demand for it shows.

Try it to-day — You will like it

many hours on account of the debris and the police diverted all traffic.

Scores of Sarnia residents aboard the ferry City of Cheboygan had a narrow escape. At the time of the accident the City of Cheboygan was entering the mouth of the Black River from Sarnia. The presence of mind of her officers avoided a panic as debris came hurtling down all around the boat. Many Sarnia citizens who were standing on the dock of the Sarnia-Port Huron Ferry Company waiting to take the ferry boat to the Imperial City narrowly escaped death and serious injury. A number were badly shaken up and others suffered considerably from shock.

It is estimated that the damage done altogether is about \$300,000. The ferry company carried no insurance on the boat it is believed.

The cause of the blast is a mystery. The boiler, it is officially stated, was inspected three weeks ago. The boat was partially burned about 20 years ago and rebuilt.

The new patterns in wall-paper are very attractive. Would be pleased to show them, whether you desire to paper or not. Prices are reasonable. —P. Dodds & Son. 17m-4t

TEA SHORTAGE MEANS HIGHER PRICES

During the war teas reached a very high level of cost largely owing to the shortage of shipping. In 1919 and 1920, greatly increased production and unlimited shipping resulted in enormous quantities of tea reaching every market in the world, and a consequent fall in cost ensued. So serious did the situation become in India, Ceylon and Java that the various growers agreed to decrease their output during 1921 by 20%. This agreement was kept and the world is now faced by a shortage of tea, which has resulted in the market climbing week by week for the last eighteen months until it has now reached a level fully 15 cents a pound over that of October 1920.

A Prime Dressing for Wounds.—In some factories and workshops carbolic acid is kept for use in cauterizing wounds and cuts sustained by the workmen. Far better to keep on hand a bottle of Dr. Thomas' Electric Oil. It is just as quick in action and does not scar the skin or burn the flesh. m

Clean Up Paint Up

KEEP your house looking its best at all times. Keeping up its appearance will keep up your pride in it.

Plant flowers and grass seed. Trim up the shrubbery and vines. Don't let rubbish accumulate in either the front or back yard.

Then paint your house with Lowe Brothers High Standard—the investment paint. Lasts longer than most other paints and looks better as long as it lasts. This means that repainting won't be necessary so soon.

High Standard costs a few cents more per gallon, but you need fewer gallons, therefore you begin saving money, right at the start.

We will gladly prove to you that the difference between Lowe Brothers and other paints is more than a mere difference of opinion.

Come in and ask for interesting literature and look at the sample panels.

Dread of Asthma makes countless thousands miserable. Night after night the attacks return and even when brief respite is given the mind is still in torment from continual anticipation. Dr. J. D. Kellogg's Asthma Remedy changes all this. Relief comes, and at once, while future attacks are warded off, leaving the afflicted one in a state of peace and happiness he once believed he could never enjoy. Inexpensive and sold almost everywhere.

NURSE THINKS NOTHING BETTER

Lydia E. Pinkham's Vegetable Compound Advised for all Women in Poor Health

Toronto, Ontario.—"I took Lydia E. Pinkham's Vegetable Compound for years and it is the only patent medicine I ever recommend. I am a nurse and if I find a woman in poor health I always tell her to take it. Although you know that doctors and nurses do not use patent medicines I must say that I think there is nothing better than your Vegetable Compound. When I first took it many years ago, I was so tired when I got up in the morning that I could not eat, and when I went to bed I was too tired to sleep. My mother-in-law told me that Lydia E. Pinkham's Vegetable Compound was just what I wanted so I tried it and only took two bottles when I felt better. Since then I have found that there is nothing that makes me feel so well, for it seems to build my system right up. I don't know any other medicine that has done so much for women."—Mrs. W. H. PARKER, 19 Wellesley Ave., Toronto, Ontario.
 Women testify again and again that they have been helped by Lydia E. Pinkham's Vegetable Compound "after other medicines have failed." It has been tried for nearly fifty years and not found wanting.
 If you are suffering from any of the various ailments which accompany female weakness try Lydia E. Pinkham's Vegetable Compound.

HANDSHAKING MENACES HEALTH

Ancient Custom of Hand Kissing and Shaking by Notables Discarded

A story comes from Lucknow about a veteran warrior with whom the Prince of Wales shook hands on the occasion of a review, the Indian exclaiming, "He shook my hand. This hand. If only my father could have lived to have known his son's honor." For royalty to shake hands would seem to the natives of India an unparalleled honor, but the young Prince delights in making innovations wherever he goes, and we know that on his various voyages he has as freely offered his hand as any commoner. Nevertheless, he found that one might go too far with this democratic salutation and when he left this continent his right hand was almost out of commission as a result of the hearty and continual grips of his admirers. In a dissertation upon handshaking, Cunliffe Owen suggests that for his own protection President Harding and other public men, unduly exposed to hand-shaking, should wear gloves as is the custom with royal personages in the old world.

One New Year's Day it is said that Mr. Harding shook hands with perhaps 6,000 men, women and children, and smiled through it all, though the physical strain must have been great. Not only was this a very fatiguing business, but Mr. Owen thinks it was running a risk, and he says that the National American Institute of Homeopaths has indicated some thirty or forty distinct diseases which may be communicated by a handshake. Indeed this body, feeling that in exposing himself to indiscriminate and insanitary handclaps the President was risking his health, decided that when it waited upon him in a body, the members would simply bow. Later it was thought that this might seem rather an impertinence as suggesting to President Harding how his guests should be greeted, and so the members all shook hands. So far as is known no harm came of it.

Though lack of geniality was never a characteristic of the late King Edward he did not freely offer his hand. When he did it was always gloved. A nod, sometimes accompanied by a brief smile, was considered sufficient greeting for those who attended his levees, both when he was Prince of Wales and King. When he extended his hand it was considered a mark of particular regard. Custom demands that those who grasp the hand of royalty shall remove their own glove, for the purpose, but the fact that the King keeps his hand gloved for all prevents any exception being taken to royal etiquette in this regard. The glove serves to protect the sovereign from any of the numerous diseases which might be transmitted by the touch of human flesh, especially if the pores of the skin are open, and again since the hand of one person is gloved the bare hand of the other can acquire no infection, nor even the well known King's evil.

Hand Kissing.
 Hand kissing remains in vogue. It is the custom of English Cabinet Ministers on receiving their seals of office, ambassadors and plenipotentiaries, high dignitaries of the Court and Church on their appointment to office, and Archbishops and Bishops of the Established Church when kneeling to do homage on their nomination, to kiss the hand of the Sovereign. The kissing of the Pope's foot after death is an ancient observance, but for adequate reasons was omitted in the case of the late Pope Benedict. We admit that it is with some effort of the imagination that we see Lloyd George kissing the hand of King George, and suppose that for once he has done it he has shaken the royal hand fifty times. Nowadays the kiss is reserved for the most formal occasions and with the present royal families we presume the handshake is as common as with most other families in the realm.

It was not so with King Edward and still less in the days of Queen Victoria. The latter was extremely chary about permitting anyone to shake her hand. In Morley's "Life of Gladstone" he says that the Queen

just once shook hands with him, although they were meeting each other for perhaps fifty years, whether he was leading the Government or the Opposition. Her Majesty was supposed not to be an admirer of the Grand Old Man, and it was only a few months before his death, after he had retired from public life and was searching for health in the South of France, that he called upon the Queen, who was there for the same purpose, and she shook hands with him. The incident so impressed Gladstone that he recorded it in a pathetic little letter. Perhaps it is unnecessary to add that the kiss one bestows upon the hand of a monarch does not partake of the nature of a grapple as revealed in the movies. The fingers are merely raised and touched by the lips.

SPRING WEATHER HARD ON BABY

The Canadian spring weather—one day mild and bright; the next raw and blustery is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is so often overheated and badly ventilated. He catches cold his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or banishing colds, simple fevers, colic or any other of the many minor ailments of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HOW WOMAN MAY REGAIN YOUTH

The day when a woman of fifty may feel thirty-five and look twenty is near at hand. Accumulation of years like an awkward cloak, soon may be removed from willing shoulders of the eternal feminine craving for youth. For science is conquering age; life and its secrets are given into human hands.

This, in effect, is the astonishing claim of Dr. Leo Michel, famous surgeon, and the first to introduce here the revolutionary Steinbach rejuvenation operation.

Before the members of the Academy of Medicine to-day Dr. Michel introduced for examination one of the twelve subjects upon whom he had performed the simple operation named for the illustrious Viennese surgeon. The subject, a man of forty-three, appeared about thirty. Previous to the treatment he displayed every symptom compatible with seventy years.

Dr. Michel, who is first of the surgeons interested in any of the various rejuvenation processes to admit that any of them may help women to regain their youth as well as men, explained his theory that by tying off certain tubes the process may be quite as beneficial to the female body as the other process is to the male. The success of it would depend upon keeping intact small capillaries surrounding those tubes.

"The first direct result of such an operation on a woman would be doing away with excessive nervousness and crankiness, direct results of atrophy of procreative glands. Those glands might be restored to functioning processes by the method.

"Of course women do not stand in need of the Steinbach operation as men do, since science has found other measures for relieving abnormal conditions. One is that of injecting into the blood stream gland extracts obtained from animals. This treatment is so effective as to relieve conditions of nervousness bordering insanity."

Dr. Michel, who is staff surgeon at the Hospital for Joint Diseases and is connected with the New York Clinical School of Medicine, performed the first Steinbach operation here sixteen months ago. The operation has nothing to do with transplantation of goat or monkey glands.—New York Paper. Subscribe today.

WATFORD MILK

1. HEALTHY COWS.

Pure milk can only come from healthy cows. Much of the tuberculosis, especially in children, can be traced to milk from tubercular cows. In all towns like Watford, where milk goes directly from the cow to the consumer, without being sterilized, the cows should be given the tuberculin test.

To safeguard you we have had our whole herd tested by the Department of Agriculture through Dr. McGillicuddy and can guarantee every cow free from tuberculosis. This means much to you when you consider that tuberculosis is very common in dairy herds, and often the healthiest-looking cow is full of germs.

Our cows drink well-water the year round. Milk from cows that drip out of polluted streams or mud-holes is not fit for human consumption.

2. CARE OF MILK.

Our cows are cleaned and their udders washed before milking. Clean milking is essential to clean milk. All pails and containers are sterilized. As far as possible we aerate and cool the milk. Milk hot from cows, put into bottles and then sealed, contains all the animal heat which should be taken from it before bottling. In larger places where milk is scientifically sterilized and then cooled the bottling process is the most sanitary. However, we believe that where this cannot be done the small pail is the most sanitary for the following reasons:—(a) The consumer washes and scalds his own pail. (b) The animal heat and gases are allowed to escape through a few small holes in the cover of the pail—which is not possible with the sealed bottle.

We will supply milk, though, in bottles to any who so desire and try as far as possible to cool the milk before bottling. As our business grows we purpose putting in up-to-date aerating and cooling machinery. It is our intention to give you pure milk and rich milk at the lowest possible price, and will deliver milk twice a day so that you may have the fresh milk morning and night. We guarantee to supply you the year round. Thanking you for your past custom.

We are, yours truly,

W. G. CONNOLLY.

WIDELY READ NOVEL FILMED BY UNIVERSAL

"Fanny Herself" Small-Town Epic
Screened as "No Woman Knows"

Tod Browning Makes Universal-Jewel
Picture of Edna Ferber's Master-
piece—Mabel Julienne Scott
in Lead

Thousands who read "Fanny Herself," Edna Ferber's story of the big moments in the lives of simple people, will particularly enjoy "No Woman Knows," the Universal-Jewel production of the magazine narrative which holds its local engagement at the Lyceum Theatre on Tuesday, April 4th.

Mabel Julienne Scott, the beautiful young emotional star, best remembered for her work in "The Sea Wolf" and "Behold My Wife," plays the role of "Fanny."

While most of "No Woman Knows" was filmed at Universal City, many of the atmospheric scenes were made in the picturesque stretch of country from Appleton, Wis., to the Copper and Iron belt of north Michigan with particular views around Marquette, Ishpeming and Calumet. The fidelity to detail gives unusual romance to the middle western country in which the original story is laid.

"No Woman Knows," concerns a young girl who risks her own happiness to give greater comfort to her brother. Its sincerity and dramatic force will establish it as one of the

most entertaining productions in motion picture history.

Tod Browning, who directed many of Priscilla Dean's Universal successes and is particularly remembered for his direction of "The Virgin of Stamboul" and "Outside the Law," made "No Woman Knows."

BOARD OF EDUCATION

The minutes of a regular meeting of the Watford Board of Education, held in the Library Board room, on Monday, March 27, 1922, at 8 p.m. Present—Dr. Siddall, chairman; W. E. Fitzgerald, J. W. McLaren, Dr. McGillicuddy, Wm. Harper, C. W. Vail and L. R. Kinnell.

The minutes of the last meeting were read and confirmed.

The Public School principal's report for February was read.

Fitzgerald—Vail, and carried, that the Public School principal's report for February be received and that the suggestion for a sidewalk around the school be considered.

McGillicuddy—Vail, and carried, that the following accounts be accepted and paid.

High School—J. Mc Kercher, supplies \$3.75; F. H. Just, electric work \$2.00; Wm. Williamson, coal \$88.55; Secretary, Insurance premium \$17.00; J. W. McLaren, minute book \$1.25.

Public School—J. W. McLaren, supplies \$23.60.

A communication was read from the Ontario School Trustees and Rate

Payers Association.

Fitzgerald—Vail, and carried, that the communication be received and considered.

McGillicuddy—McLaren, and carried, that Wm. H. Harper and Lou R. Kinnell be delegates to convention at Toronto.

Harper—McGillicuddy, and carried, that we adjourn.

D. WATT, Secretary.

WATFORD CHAUTAUQUA

Local guarantors of the Watford Chautauqua are already laying plans for the coming season and indications are that this event which proved so popular last summer will be an even greater success this year. A ballot has recently been taken with the following results:

KLENZO

LIQUID ANTISEPTIC

VERY efficacious for sore throats and head colds—leaves such a cool, clean feeling. Use it to prevent the Flu! Throats sprayed with Klenzo resist all disease germs. Take home a bottle today.

A MILLION DOLLAR BABY

Naturally, those who see this heading expect to read about some "baby heir" of an American multi-millionaire, and they will be surprised to learn that such a description applies to a scientific pyorrhea preventative, tooth and mouth preparation, and they will doubtless wonder how such a product ever came to be spoken of as a "million dollar baby." So the story must be told. Over three years ago, the Research Department of the Rexall Company, in consultation with chemical specialists, began an exhaustive investigation into the disease Pyorrhea, and its proper treatment, and in their characteristically thorough way spent over two years before they perfected a compound which answered every test, according to their high standards. Such a remarkable demand has been created that they have named it "the Million Dollar Baby." Probably no preparation that is devised for use as a germ combatter was found so efficacious in preventing all contagious diseases that enter the system through the mouth and nose as Klenzo Liquid Antiseptic. Especially was it proved that users of it completely escaped all attacks of the flu when so prevalent last year. This Rexall product can be purchased in 35c. and 60c. special toilet bottles at

WIDELY READ NOVEL FILMED BY UNIVERSAL

"Fanny Herself" Small-Town Epic Screened as "No Woman Knows"

Tod Browning Makes Universal-Jewel Picture of Edna Ferber's Masterpiece—Mabel Julienne Scott in Lead

Thousands who read "Fanny Herself," Edna Ferber's story of the big moments in the lives of simple people, will particularly enjoy "No Woman Knows," the Universal-Jewel production of the magazine narrative which holds its local engagement at the Lyceum Theatre on Tuesday, April 4th.

Mabel Julienne Scott, the beautiful young emotional star, best remembered for her work in "The Sea Wolf" and "Behold My Wife," plays the role of "Fanny."

While most of "No Woman Knows" was filmed at Universal City, many of the atmospheric scenes were made in the picturesque stretch of country from Appleton, Wis., to the Copper and Iron belt of north Michigan with particular views around Marquette, Ishpeming and Calumet. The fidelity to detail gives unusual romance to the middle western country in which the original story is laid.

"No Woman Knows," concerns a young girl who risks her own happiness to give greater comfort to her brother. Its sincerity and dramatic force will establish it as one of the

most entertaining productions in motion picture history.

Tod Browning, who directed many of Priscilla Dean's Universal successes and is particularly remembered for his direction of "The Virgin of Stamboul" and "Outside the Law," made "No Woman Knows."

BOARD OF EDUCATION

The minutes of a regular meeting of the Watford Board of Education, held in the Library Board room, on Monday, March 27, 1922, at 8 p.m.

Present—Dr. Siddall, chairman; W. E. Fitzgerald, J. W. McLaren, Dr. McGillicuddy, Wm. Harper, C. W. Vail and L. R. Kinnell.

The minutes of the last meeting were read and confirmed.

The Public School principal's report for February was read.

Fitzgerald—Vail, and carried, that the communication be received and considered.

McGillicuddy—Vail, and carried, that the following accounts be accepted and paid.

High School—J. McKecher, supplies \$3.75; F. H. Just, electric work \$2.00; Wm. Williamson, coal \$88.55; Secretary, Insurance premium \$17.00; J. W. McLaren, minute book \$1.25.

Public School—J. W. McLaren, supplies \$23.60.

A communication was read from the Ontario School Trustees and Rate

Payers Association.

Fitzgerald—Vail, and carried, that the communication be received and considered.

McGillicuddy—McLaren, and carried, that Wm. H. Harper and Lou R. Kinnell be delegates to convention at Toronto.

Harper—McGillicuddy, and carried, that we adjourn.

D. WAT, Secretary.

WATFORD CHAUTAUQUA

Local guarantors of the Watford Chautauqua are already laying plans for the coming season and indications are that this event which proved so popular last summer will be an even greater success this year. A ballot has recently been taken with the following results:

Decorating—R. D. Swift, chairman; W. L. Millar, A. D. Elliot.
Hospitality—J. Warren Bate, chairman; J. W. McLaren, W. G. Connolly.

KLENZO LIQUID ANTISEPTIC

A MILLION DOLLAR BABY

Naturally, those who see this heading expect to read about some "baby heir" of an American multi-millionaire, and they will be surprised to learn that such a description applies to a scientific pyorrhea preventative, tooth and mouth preparation, and they will doubtless wonder how such a product ever came to be spoken of as a "million dollar baby." So the story must be told. Over three years ago, the Research Department of the Rexall Company, in consultation with chemical specialists, began an exhaustive investigation into the disease Pyorrhea, and its proper treatment, and in their characteristic thorough way spent over two years before they perfected a compound which answered every test, according to their high standards. Such a remarkable demand has been created that they have named it "the Million Dollar Baby." Probably no preparation that is devised for use as a germ combater was found so efficacious in preventing all contagious diseases that enter the system through the mouth and nose as Klenzo Liquid Antiseptic. Especially was it proved that users of it completely escaped all attacks of the flu when so prevalent last year. This Rexall product can be purchased in 35c. and 60c. special toilet bottles at

KLENZO DENTAL CREME 35c

For white teeth and a clean mouth. Just the most delightful dental preparation you ever used. With Klenzo, children don't have to be urged at tooth-cleaning time. Take a tube home to try.

J. W. McLAREN

THE REXALL STORE

VERY efficacious for sore throats and head colds—leaves such a cool, clean feeling. Use it to prevent the Flu! Throat sprayed with Klenzo resist all disease germs. Take home a bottle today.
